Giants Split League Opening Twin Bill With San Angelo Herders Here Sunday To Win Place In 4-Way Tie

Sam Cox's Ozona Giants split a double header bill with the San Angelo Sheep Herders on the local diamond Sunday afternoon in the opening fracas of the West Texas Independent League first half schedule to take a place in a four-way tie for top honors in the league standing. Coleman and Abilene divided a week-end bill to put these four crews in a knot for the first rung. Texon occupied the cellar position by reason of the fact that they were idle over the week-end, their league schedule to start next Sunday at San Angelo.

San Angelo took the first game here 11 to 2 behind the splendid hurling and hitting of Oscar Peoples. The Ozona Giants gave ragged support to Harrington and Duncan, who were nicked during the encounter for a total of 13 safe hits, Harrington yielding 8 and Duncan 5.

The local's tightened in the second game, however, behind the pitching of Conley Cox, and roused the visitors 7 to 5. In this game, the Giants found the offerings of Duke to their liking and they pounded out a total of 11 hits to San Angelo's 8, Lowery leading the attack with three safeties in three trips to the platter, including a double. Cox, besides pitching a good game of baseball, took his cuts at the pill with his mallet, bouncing two out of three for hits. Sharp and Barbee also poled two safe ones out of three. Miller and Wade got one each. Wade and Claude Russell were the heavy hitters in the first game, getting two out of four. Barbee, Greer, Weaver and Duncan got one each.

One of the largest crowds in many years witnessed the opening of Giants' league schedule. A crew of men who were placed at work on the playing field last week had the park in excellent condition. Cables and wire have been stretched along first and third base lines to mark car parking lines, the field was cleared of weeds, rolled and sprinkled to such that it was in perfect condition for the game Sunday.

Clubs To Observe Natl. Music Week

Ozona Musical Organizations Plan Programs For Week

The tenth annual celebration of National Music Week will be observed throughout the United States during the week of May 7-11, and musical organizations of Ozona are planning suitable observance of the week with at least one and possibly a series of programs.

National Music week presents a timely opportunity for the friends of music in the community to utilize the observance as a means of emphasizing the value of participation in music in our daily lives, sponsors of the move declare. The three-fold purpose of the observance is to "make music, to hear music and to enjoy music," it is declared.

Ozona plans to have a part in the celebration of National Music Week with the continued support of musical activities of the community, led by organizations which include the Ozona Music Club, the Junior Music Club, the Juvenile Music Club and the Public Schools Music Department.

A night program is to be given on the evening of May 11, Thursday of National Music Week, as a high light of the local observance, it has been announced. The program will include numbers from the various organizations of the town, the Ozona Music Club being sponsor of the event. More detailed announcement of the week's programs will be made later.

A Close Shave

"If you think you had a close shave during this depression, just look at me," says the once curly-haired Billie Jean McNatt, daughter of Mr. and Mrs. K. E. McNatt of Port Arthur, Texas, as she accompanies herself on the piano.

Ford Agency Is Established Here

Clinton Glover Takes Dealership In Dudley Building

For the first time in nearly two years, Ozona now has a local dealer for Ford automobiles. Clinton Glover, until recently with the local engineering offices of the State Highway Department, has been granted a charter for the local Ford dealership and has established the Glover Motor Company in the Dudley building, formerly the Dudley Motor Company.

The new business will be operated by Mr. Glover and Rusty Smith, who purchased the interest of J. M. Dudley in the business. Mr. Glover has already sold one of the new Ford V8 models, Rev. L. N. Moody having purchased one recently. He expects to have a demonstrator car and truck on the show room floor in the next few days.

P. L. Childress Off For Washington On Consignment Plea

Mr. and Mrs. P. L. Childress left early in the week for Washington where Mr. Childress will join other representatives of the wool and mohair warehouse men of Texas in a protest against the government plan to require consignment of Texas wools under mortgage to government credit agencies to eastern dealers.

With Mr. Childress will be J. Miles O'Daniel, president of the Wool Growers Central Storage Company, C. B. Hudspeth, former congressman and Crockett and Val Verde County ranchman, and Judge W. F. Boggess of Del Rio, who will present the warehousemen's protest to the wool advisory committee of the Farm Credit Administration and to Henry Morgenthau, Jr., chairman of that unit, with a view to securing a change in the ruling which apparently requires consignment of Texas wools directly to eastern dealers. The committee to represent Texas warehousemen was named at a meeting in San Angelo Monday.

While away Mr. and Mrs. Childress will visit in New York and other points.

Mr. and Mrs. Paul Perner are in San Angelo this week where Mr. Perner is attending Federal court as a member of the jury panel.

Jinx Hounds Trail Of Stephen Perner Thru Third Injury

The jinx that fell on the trail of Stephen Perner, Crockett County ranchman, a few months back is still hounding his footsteps.

The first time the jinx cropped up it was in the form of a maddened steer which made a lunge at Mr. Perner in a corral at the ranch. In his hurry to get out of range of the steer's menacing horns Mr. Perner tripped and fell, suffering a badly sprained ankle.

While he was still limping from that injury, he seized a flaming burner in the oil burning refrigerator at the ranch home and carried it out side to prevent possible fire damage. He suffered a badly burned hand in this adventure.

Then, last Saturday Mr. Perner fell from a windmill tower on his ranch and again suffered a badly sprained ankle, this time the only good one that was left. Now, he has not a good hand left that has not been injured and he is wondering if the jinx will hound him until the last member is disabled.

Junior Class Brings Marie Dressler Film Benefit Banquet Fund

Marie Dressler, idol of the screen, will be seen Monday and Tuesday nights at the Ozona Theatre in her newest starring vehicle, "Emma," an intimate story of American family life. Richard Cromwell, Jean Hersholt and Myrna Loy have important supporting roles.

The production is sponsored by the Junior Class of Ozona High School. Proceeds from the show will be used in staging the annual Junior-Senior Banquet which will take place May 12.

The picture presents Miss Dressler in her first straight character portrayal since "Min and Bill," which won her the Academy award for the best performance of any actress in the industry in 1931. The story is by the same author, Frances Marion, and the production was directed by Clarence Brown, whose last effort was the Crawford-Gable hit, "Possessed."

Miss Dressler is seen as the faithful servant in the home of a rich man. She is a second mother to his children but in the end they turn against her as the result of a dramatic will contest.

Ozona Invited To Men's Meeting In Barnhart Sunday

Men of Ozona are extended a cordial invitation to attend a special men's meeting to be held at the Methodist Church in Barnhart next Sunday afternoon from 3 to 4 o'clock. A group of men from the churches of San Angelo will have charge of the afternoon session and much interest is being exhibited in the session.

This is the second annual men's gathering at the Barnhart church. The meeting is strictly non-denominational and men of all churches are invited.

Tot Grimmer Is Bitten By Snake

County Surveyor Resting Well After Anti-venom Serum Given

Tot Grimmer, Crockett County surveyor, was bitten on the ankle by a rattle snake on the Hoover ranch southwest of Ozona Wednesday afternoon while doing some surveying work in that area.

E. R. Kinser, who was with Mr. Grimmer, applied a tourniquet immediately and the injured man was taken to the ranch house where anti-venom serum was administered, the serum being kept on hand by most ranchmen of the county for emergencies. Grimmer was brought to Ozona and placed under the care of physicians and was reported resting well this morning.

P. T. A. Entertained With One-Act Play, Adopt New By-Laws

Preceding the regular program and business session at the meeting of the Ozona Parent-Teacher Association last week, children of the sixth grade presented a one-act play depicting the meaning of education. The clever plot of the play and the colorful costumes of the players made it a most enjoyable entertainment feature. The production was directed by Miss Mary L. Webb.

A new set of by-laws for the organization was adopted during the business session. The new by-laws were read to the group by C. S. Denham, parliamentarian, and after a full discussion, they were adopted and will be written into the 1934 year book.

Mrs. Joe T. Davidson was program leader. The invocation was pronounced by John L. Bishop. A round table discussion on the theme "Vacation Possibilities in Texas" was led by Miss Elizabeth Fussell. John L. Bishop described the Chisos Mountains as a possible area for a profitable vacation on Texas soil. Mrs. Joe Pierce gave an interesting discussion on the topic, "Vacation—profit or loss." A feature of the entertainment was a song, "A Little Cottage" by the "Mother Singers."

The social hour was under the direction of Mrs. Vic Pierce, Mrs. Tom Smith, Mrs. Lee Childress, Mrs. L. B. Adams, Mrs. Vernon Cox, and Mrs. Ben Robertson. These hostesses served punch and chocolate squares to members and guests present.

Kennedy Sisters Tent Show Coming For Week Stand

The Kennedy Sisters stock company will open a week's engagement in their big tent here beginning Monday of next week, it is announced in advance advertising of the troupe.

The Kennedy Sisters show has been coming to Ozona regularly for several years. The company missed this city last year, but here every season for many years before. The tent will probably be located on the Adams lot in the south part of town. The advance man for the company promised programs of all new plays, new talent and worthwhile entertainment.

Judge and Mrs. Charles E. Davidson returned home Sunday after a stay of several weeks at the bedside of Judge Davidson's brother, R. P. Davidson, who is critically ill at his home in Winfield, Iowa. On his way home, Judge and Mrs. Davidson were slightly cut and bruised when their car overturned. The car was not seriously damaged, however, and they continued their trip home. They went by England, Ark., where their daughter Mrs. M. C. Glover, joined them for a visit here.

Mrs. J. H. Meredith is in San Antonio visiting her daughters, Misses Ruth and Mary Meredith.

Hail Damages Ranch Houses, Orchards In Swath Thru County

Hail, with stones reported half as large as eggs, did considerable damage through a strip of ranch country to the south of Ozona last Saturday, according to reports from ranchmen.

Heaviest damage was reported on the Joe Pierce lower ranch, where window panes were broken, fruit trees and other trees and shrubs stripped bare and barns and outhouses damaged. Considerable damage was also reported on the Ray Dunlap ranch. The hail visited the Tom Smith ranch and others in that area but with less damage to property and trees. The hail was reported in drifts in some sections as deep as three feet.

Woman's Club To Hear Description Of Bank Of England At Meet

A description of the Bank of England and its operation will be heard by members of the Ozona Woman's Club at the next regular session of the organization next Tuesday afternoon, May 2. Mrs. W. E. West will take the Bank of England as the topic of a descriptive talk before the club at this session.

The club meeting Tuesday was postponed from last Tuesday. Other topics in the program for discussion are "France the Patriotic" by Mrs. Bryan McDonald and "Germany Fighting Ultimate Defeat" by Mrs. George Montgomery.

Anti-Saloon League Speaker To Lecture Here Wednesday Nite

Henry Van Valkenburg of El Paso, representative of the Anti-Saloon League of Texas, will speak at the First Baptist Church here next Wednesday evening, May 3, according to announcement here this week.

Mr. Van Valkenburg spoke at the Methodist Church here about a year ago on the theme of temperance and sobriety. He is a forceful speaker and a militant foe of liquor. The meeting is town-wide and a general invitation is extended Ozona people to hear him. The meeting will start at 8:15 p. m.

Relief Bodies In Joint Meet

Red Cross And Associated Charities Meet Friday

Calls for a joint meeting of the Associated Charities of Ozona and the Crockett County Chapter of the American Red Cross were issued this week by Rev. J. H. Meredith, chairman of the charity organization, and Rev. M. M. Fulmer, chairman of the local Red Cross chapter. The joint session will be held Friday night at the Methodist church beginning at 7:30 o'clock.

This meeting was to have been held several weeks ago but was postponed because of the small attendance. An urgent appeal has been sent out by the organization heads for contributors and those interested in the work of the two bodies to attend the meeting Friday night.

Election of officers of the two organizations for the coming year, reading of financial reports and reports of activities for the past year and other business matters will be disposed of. All persons interested in this work are urged to be present for the brief meeting.

Mrs. Mary Perner visited her daughter, Mrs. Boyd Cox, in Rankin over the week-end. Mrs. Perner accompanied Mrs. Joe T. Davidson, district deputy Grand Matron, Order of the Eastern Star, who went there to attend a meeting of the order.

More than thirty men were present for the second monthly meeting of the Methodist Round-Up, an organization of men of the Ozona Methodist Church and their friends, held in the basement of the church Wednesday evening. Ladies of the church had prepared a sandwich supper which the men enjoyed to the fullest.

Following the banquet, an entertainment program and business session was held, with Richard Flowers presiding in the absence of Pon Seaborn, president of the group. By unanimous vote, Mr. Flowers was elected vice president of the organization to preside in the absence of the president. A quartet composed of Bryan McDonald, Richard Flowers, Ross Huffstodler and J. H. McClure sang several numbers as a feature of the entertainment program and Tom Casbeer, Rev. J. H. Meredith and Richard Flowers took turns at performing on the violin. Charley Schauer entertained with several harmonica selections.

The Methodist Round-Up meets the last Wednesday evening in each month. The next meeting will be on Wednesday, May 31.

SUCCESS TO THE NEW ADMINISTRATION

One need not be a member of President Roosevelt's political party to admire the quickness and aggressiveness with which he has set his administration to solving the major problems of the day.

The handling of the banking crisis is being rapidly followed by the same sort of decisive action on other problems. Toward every issue he has touched, has been exhibited candor and fearlessness.

He is laying permanently at rest the fear that he might pursue an occasionally radical course—his speeches to the American people, with his reiterated stand for sound money, less bureaucracy, decisive cuts in the cost of government, have met the overwhelming approval of the public. And that approval is evidenced in the Congress by a disposition to obey the President's every impulse—as is shown by its rapid passage of his emergency and economy measures.

To wish success for President Roosevelt is simply to wish success for one's state, one's business, one's self. In him is the hope of the American people for recovery and for a great future. His administration has got off to a brilliant start—may there be no wavering during its existence.

BUTCHERING BEEF

By W. H. Darrow in "The Progressive Farmer"

The Jersey steer I kept for meat was not exactly trim and neat. But rather coarse and rough and rangy. And if the truth be known, quite mangy.

His parents were without renown. His family tree was long since down.

A country bull by inclination. A steer by man's mean machination.

His faults we knew, but didn't figure.

A beef calf need be any bigger—For beef is beef whichever critter You choose from out your bovine litter.

Or so we thought and so we planned it. Until we up and killed and canned it.

When we had stunned and stuck and bled it. We found we hadn't overfed it; Three hundred pounds he weighed on foot.

One hundred when the meat was cut. When we had turned him inside out.

Our T-bone dream went up the spout: The bone was there, no doubt of that.

On which was strung tough meat, not fat. "A cat ham," laughed Si Smith, my neighbor, Who shared with me my beef and labor.

"As steak your meat will make good chili— I'd just as soon cut up my billy." The lesson that I learned is brief— A Jersey steer darn sure ain't beef.

Mrs. Sid Millsaugh was here from the ranch early this week.

Mr. and Mrs. Roy Parker were San Angelo visitors Sunday.

Say "I saw it in the Stockman."

YOUR COMPETITOR—THE GOVERNMENT

The report of the special committee of the House of Representatives which has been investigating government competition with private business, is a surprising document.

It shows that government competition extends to the amazing total of 232 different businesses which are legitimately of a private nature. They include the fields of transportation, manufacturing, merchandising, farming, banking, printing, architecture — and even amusements. The government operates cleaning and pressing establishments, sells serums and other preparations, makes paints and varnishes, conducts a warehousing business, and so on through a long and amazing list of activities.

In most instances, this government competition can not be met by private concerns. No business has the prime advantage of government—tax freedom. None is able to conceal its deficits thru treasury appropriations. Few are large enough to exert the purchasing power of the government. When the government steps in to any field of business a certain part of that field is definitely lost.

Every added item of government competition, by reducing the profits of private industry, diminishes the government's source of taxes and adds to the tax rate of what is left.

So far, government competition with the bulk of businesses has been on a comparatively small scale. But once such competition starts, its growth is simply a matter of time. The committee's facts are immutable—and they show vividly the need for a thorough reorganizing of government to take it out of the field of business, in the interests of economy, efficiency and opportunity for our citizens.

Mr. and Mrs. Warren Clayton left Monday for Fort Stockton.

Mrs. Lilly Phelps, niece of Mrs. Will Easterling and Ed Dodson of Ozona, her son, William Phelps, and Walker Harrison, all of Alpine, arrived Sunday for a visit with Mrs. Easterling and her brother, Ed Dodson. Mr. Harrison and Mr. Phelps returned to Alpine Monday morning, while Mrs. Phelps remained here for a few days.

Dr. and Mrs. F. T. McIntire were San Angelo visitors Wednesday.

3 RULES big help to BOWELS

What a joy to have the bowels move like clockwork, every day! It's easy, if you mind these simple rules of a famous old doctor:

1. Drink a big tumblerful of water before breakfast, and several times a day.
2. Get plenty of outdoor exercise without unduly fatiguing yourself.
3. Try for a bowel movement at exactly the same hour every day.

Everyone's bowels need help at times, but the thing to use is Dr. Caldwell's Syrup Pepsin. You'll get a thorough cleaning-out, and it won't leave your insides weak and watery. This family doctor's prescription is just fresh laxative herbs, pure pepsin, and other helpful ingredients that couldn't hurt a child. But how it wakes up those lazy bowels! How good you feel with your system rid of all that poisonous waste matter.

DIAMOND DUST

By The Water Boy

I see Prexy Anderson of Abilene has picked Ozono for the cellar team in the West Texas Independent league. We might not get first place—that remains to be seen. But I will wager my interest in the Ozono Baseball Club that it doesn't take us any 13 innings to get the Moose Simms out. Further more, if they play double headers and use T. J. Bailey they better make one of them a 3 inning game for that is about as long as he will last.

The club will go to Coleman Sunday and expect to take a double header. Of course, they won't say so, because they are a modest bunch of young men. But deep down in their heart that is what they expect to do. And I think they will do it providing old folks Russell don't get excited over catching one standing on his ear. And can't hit the baseball like he did last Sunday. The boys have been working out this week and are in fine shape for Sunday. Dave Harrington, who started the opening game against San Angelo has been working hard this week and expects to stand somebody on his ear Sunday. Conley Cox, a chip off of the old block, who hurled wonderful ball the last game, has got the old scoup one limbered up and will be in shape to go.

Be Lowery, the man who can turn in a good game anywhere from pitching on around the field, by way hit 3 for 3 last Sunday will be with us clouting again Sunday.

W. C. Barbee, who sits behind the bat and grabs them will be in there throwing them out at second

Bill Duncan, who has so far done nothing but relief pitching but has turned in a good game every time will be in there ready to go.

The Russell brothers, Rex, Frank, Claude and Jess Wade will be in there ready to let the boy know you have to hit to get on.

Red Greer, Bob Weaver, Jack Sharp and Bus Miller will soon let the Coleman cotton pickers know doesn't pay to hit them in the air. We have two more days yet to go. Lets see you all out there hustling. Because we really want those two ball games.
