Iraan And Eldorado Basketball Teams Coming Friday and Saturday To Meet Ozona Hi-School Lions On Gym Court

Basketball fans of Ozona will have a feast this week-end when the Ozona High School Lions entertain teams from Iraan and Eldorado on the gymnasium court here in games Friday and Saturday evenings.

The Iraan Braves, who were defeated by the Lions last Saturday evening at Iraan in the first meeting of the two teams, will engage the Lions here Friday evening. Both the second and first string teams to be pitted in combat. The Lions defeated the Braves by a score of 35 to 29 there Saturday night and the Iraan lads are coming back to avenge that encounter. The game between second stringers from the two schools is scheduled to start at 7 o'clock and the first teams will do battle starting at about 7:45.

Saturday night will witness an invasion of the Eldorado Eagles seeking another taste of Ozona Lions blood. This will be an opportunity for the Lions to in a measure even things up for that crushing incident back in the dust of the football season when by penetrating ONE YARD past the twenty-yard stripe the Eagles won a football game and a district championship from these same Lions. Much of the basketball timber on each team is recruited from the gridiron and the locals will long remember those faces. The fracas is slated for 7:30.

Lions Begin to "Click"
Coach Ted White's basketball squad is just rounding into shape for the season's battles, the Iraan game being the first in which they have developed any show of the usual speed and form. Two games played before Christmas against the Big Lake Owls resulted in decisive victories for the feathered tribe, 35 to 32 and 28 to 25. Another game, on the sand lot at Barnhart, resulted in a one-point victory for the Barnhart lads, the score being 14 to 13.

Coach White is optimistic about the prospects of his team in the various invitation tournaments and the season's regular schedule. He has around 30 working out and is alternating nine players on his first string. S. W. Westfall, captain, and Jake Miller are in forward positions, D. A. Parker and Vaughan Brown at center and guards, Leonard Freeman and Rutledge at guard and Bill Childress and J. T. Patrick for forwards.

A number of tournaments are in prospect throughout the district and Mr. White is grooming his charges to bring back some trophies from these meets. The annual invitation tournament of the Ozona Athletic department is now scheduled for the second week in February. Coach White said, February 9 and 10 having been selected tentatively as the dates for the meet. From ten to fifteen schools will be invited to take part in this tournament, with handsome trophies to be awarded winners.

School Men Thank Lions Club For Its Support Of Athletics

Both Coach Ted White and Capt. John L. Bishop expressed appreciation of the schools' athletic department and the support given by the Lions Club school activities this year in their talks at the club session today noon.

The school men declared that the award of the silver loving cup by the Lions Club to the most valuable player on the football squad, has proven a great incentive to clean sportsmanship. Both athletic training and had influence in the development of the great team produced this season. Mr. Bishop also expressed appreciation to the business men for their cooperation in closing and attending the games.

Spiritual Training Subject PTA Study At Monday Meeting

Lemmons Opens January Sale

Annual Bargain Event Gets Under Way At 9 Fri. Morning

Bargain hunters will have a feast beginning Friday morning when the Lemmons Dry Goods Company's annual January Clearance sale opens at the local store.

A double page spread announcing the hundreds of bargains available during the sale is carried in this issue of The Stockman. Turn to it now and see what savings await you.

To lend interest and a bit of novelty to the sale, Lemmons announce that \$40 worth of merchandise and \$10 in cash will be given away free on the opening day of the sale at 9 o'clock Friday morning. There will be fifty tickets to be handed out at the opening and the awards will be made during the day.

OZONA BAPTISTS ATTEND STOCKTON WORKERS MEET

Rev. M. M. Fulmer, Mr. and Mrs. A. C. Hoover, Mrs. Glyn Cates and Miss Maybelle Taylor attended a meeting of the Pecos Valley Baptist Association Workers Conference held in Fort Stockton Tuesday. From Fort Stockton, Rev. Fulmer, went to Kermit where he is holding a meeting this week.

Unconcerned

Does winning 300 horse races in one year seem to bother Jockey Jack Westrope? Watching him munch fried chicken, military style, right after the big race, leads us to believe that Jack isn't concerned at all. But regardless of his calm appearance, Jockey Westrope now holds a world's record, no jockey ever having won 300 races in one year before. The 300th race was won at Epsom Downs near Houston, Texas, last week.

4 Negroes Fined For Shoplifting

Six Hats Taken From Dry Goods Store Are Restored

Four negro shoplifters, three men and a woman, were assessed fines in justice court here Tuesday afternoon on charges of theft of six Stetson hats from the Lemmons Dry Goods Company during the Christmas holidays.

The negroes, Cleophus Cox, Joe Smith, Naomi Smith and Glover Moore, were arrested in Winters, where it was said they were apprehended in the theft of nearly \$40 worth of silk underwear from a store there. The hats were found in their possession and Winters officers phoned Sheriff Willis, who with his deputy, Dan Willis, left for that place Monday and brought the prisoners back.

The negroes denied the theft of hats here until their return to the Crockett County jail, when they confessed, according to officers, and told how the shoplifting was done. Other members of the party engaged clerks in the store while another crushed the hats and secreted them under his coat, they said. Cox, Smith and the Smith woman were assessed fines and cost amounting to \$14, while Moore's fine totaled \$25. The prisoners were unable to pay the fines and will work out the amount on the county sewer project, the negro woman to remain in jail, Sheriff Willis said.

School Retained On List Of Assn.

Ozona High School Is Again Listed "Without Reservation"

Ozona High School has been retained on the list of the Southern Association of Secondary Schools and Colleges, according to advice received Wednesday afternoon by John L. Bishop, superintendent, from O. W. O'Bannon of the Department of Education at Austin, Texas representative of the Association.

The retention of the Ozona schools on the Southern Association of accredited high schools, is an index to the excellence of the work being done in the local institution. The enrollment "without reservations" of the school, Mr. O'Bannon wrote.

Bank Directors, Officers Named

Same Heads Re-Elected At Annual Meeting Here Tuesday

The same board of directors and officers will govern affairs of the Ozona National Bank for the coming year as a result of action of the stockholders in annual meeting at the bank Tuesday morning.

The board of directors, re-elected to their posts for another year, include Roy Henderson, P. L. Childress, J. W. Young, W. R. Baggett, W. E. West, W. W. West and Masie West. Following the meeting of stockholders, the board of directors met and re-elected all officers. These include P. L. Childress, president; J. W. Young vice president; W. E. West, vice president; Scott Peters, cashier; Lowell Littleton, assistant cashier, and Hugh Childress, Jr., assistant cashier.

Marked improvement in the already sound financial condition of Ozona's banking institution was shown in its statement of condition to the comptroller of currency at the close of business December 30. A reduction in outstanding loans of \$123,149.65 over those outstanding as of October and an increase of \$103,581.06 in cash and exchange over the amount shown on the October statement, were salient features of the latest statement of the institution. A slight decrease was shown in deposits.

W.M.U. CIRCLE MEETS FOR ROYAL SERVICE PROGRAM

Members of the A. E. Nelson Circle of the Baptist W.M.U. met at the home of Mrs. W. S. Willis Wednesday afternoon for the Union's Royal Service program. Those present were Mrs. J. H. McClure, Mrs. J. T. Patrick, Mrs. Hugh Gray, Mrs. S. L. Butler, Mrs. J. S. Whitley, Mrs. R. F. Powell, Mrs. Royce Smith, Mrs. O. W. Smith, Mrs. J. P. Pogue, Mrs. A. C. Hoover, Mrs. C. J. Watts, and Miss Jettie Rae Sellers.

Sewer Work Is Near Completion

Efficiency Of Crew Declared Normal By Engineer

Work on the Mexican suburb extension of the Ozona sewer system is rapidly nearing completion, according to J. S. Barlow, project engineer in charge. The crews are blasting through a stretch of solid rock just south of the Mexican school this week and work of laying the laterals to serve the Mexican sector is progressing rapidly.

The sewer extension work is being done from funds of the C.W.A. and normal efficiency on the part of laborers employed on the project is now evident, Mr. Barlow said. Asked concerning a statement attributed to him in Tuesday's issue of the San Angelo Times concerning the efficiency of laborers on this CWA project, Mr. Barlow said that only a small part of his statement was quoted and that in that form it was misleading.

The statement attributed to Mr. Barlow was that only 40 per cent efficiency was being secured from workers on the project as against that attained when the system was first installed with task labor. Mr. Barlow explained that 70 per cent efficiency was the maximum even with task labor, while the efficiency of day labor is always under that. However, the efficiency of labor on the present project has been raised from about 25 per cent when the project was in process of organization at the start to around 60 per cent at the completion of dirt work last week. The figure stood at the quoted 40 per cent the second week on the project, he said.

Lenient Weather Man Finally Levels Down With Dose Of Winter

Old Man Weather, who has been in sympathy with the stockman and farmer of Texas during his trying times this fall and winter, has at last reached the end of his period of leniency and has dabbed down with some real winter weather.

Stories of fresh tomatoes, watermelons and strawberries growing in gardens of West Texas and served on West Texas tables on New Year's day have been prevalent throughout the section as a result of the exceptionally mild weather prevailing so far.

But the gardens have been ripped and the watermelons shriveled on the vines with the advent of the coldest weather of the present winter Monday night. The thermometer dropped to around 18 degrees above zero here Monday night and a cold wind blew through most of the day yesterday with the cold spell continuing last night.

Loan Association Elects Officers

Natl. Farm Loan Assn. Re-Names Same Officers and Board

All officers and directors of the Ozona National Farm Loan Association, a subsidiary of the Federal Land Bank of Houston, were re-elected at the annual meeting of stockholders and directors held Tuesday at the offices of N. W. Graham, secretary-treasurer of the association.

Directors elected by the shareholders include W. R. Baggett, George Harrell, J. M. Baggett, Charles E. Davidson, P. L. Childress, Joe Pierce, and Bob Miller. W. R. Baggett was re-elected president, Charles E. Davidson, vice president, and N. W. Graham, secretary-treasurer. Members of the loan committee were named as follows: J. M. Baggett, F. T. Robinson, George Harrell and Joe Pierce. The sub-loan committee is composed of D. A. Willis and Rob Miller.

The capital stock of the local association was raised to \$60,000 this expansion being necessary by reason of the volume of loans being placed by the association. Loans totaling \$133,000 have been closed in the last few days and applications for \$200,000 additional are pending. A total of around a half million dollars in loans for Crockett County land owners have been closed by the association since its organization.

Sheffield Club To Be Invited Here For Tex. Program Mar. 13

Members of the Ozona Woman's Club in regular session Tuesday afternoon voted to change the date for entertaining members of the newly formed Sheffield Club and to invite the neighboring organization to meet with the local club on March 13 for its Texas Day program. The Sheffield group had been invited to meet with the Ozona club later in the year. This action was taken at the regular meeting of the club Tuesday afternoon at the home of Mrs. Joe Pierce, Mrs. I. G. Rape, as assisting hostesses.

A study of Eugene O'Neill's drama, "Mourning Becomes Electra" was enjoyed by the members present. Mrs. George Bean gave an interesting analysis of the plot and brief sketches of character were given by Mrs. P. L. Childress. Mrs. W. J. Grimmer led in a round table discussion of O'Neill's methods of suspense and tragedy.

Those present were Mrs. Judge Montgomery, Mrs. W. R. Baggett, Mrs. I. G. Rape, Mrs. N. W. Graham, Mrs. Pleas Childress, Mrs. W. J. Grimmer, Mrs. Evert White, Mrs. Joe Pierce, Mrs. George Bean, Mrs. Paul P. Pogue, Mrs. Scott Peters, Mrs. Lou Cawson and Mrs. Vernon Cox.

WOMAN'S CLUB URGES COUNTY LIBRARY HERE

Committee Takes Club Project Before Commissioners Court

ACTION PROMISED

Women Encouraged In Drive For Free Library Facilities

A proposal for establishment of a county free library for Crockett County was laid before the Commissioners Court in regular session Monday by a committee representing the Ozona Woman's Club. The Woman's Club has adopted the county library plan as its project for this year and an exhaustive study of the possibilities and advantages of the plan has been made by committees from the organization in advance of presentation to the court.

The committee was favorably received by the court, according to its report at the club session Tuesday afternoon, and promise of a county free library, to be housed in the courthouse, was extended the committee by the court.

A county free library is a tax supported institution as maintained by most counties and cities in Texas under the library laws. Only a very small tax is necessary for the maintenance of an up-to-date library, the county library law fixing the maximum tax for this purpose at 5 cents on the \$100 valuation.

Libraries may be established in Texas counties upon initiative of the Commissioners Courts or upon petition of voters. Libraries are to be located in county seats, but branches may be established at schools, stores, etc. throughout the county. A librarian who holds a certificate of qualification from the State Board of Library Examiners is appointed by the Commissioners Court, the library is under the general supervision of the Commissioners Court and the State Librarian, and is free to every citizen of the county.

There are at present fourteen county libraries in Texas, established and operated under the library law. There are many school libraries, circulating libraries and subscription libraries, but these do not attain the standard set for county libraries.

Massie West To Build Home Here

Two-Story Brick Structure To Be Started This Week

Construction is scheduled to start this week on the new brick home to be erected here by Mr. and Mrs. Massie West on their lot just south of the Ira Carson residence. A crew of house movers started work Wednesday to move the small frame structure that has stood on the lot many years and served Mr. and Mrs. West as their home here.

Contract for the construction of the home has been let to H. L. McBride of San Angelo. Mr. McBride may move his family to Ozona during construction of the residence, as will Leonard Mauldin, architect.

The new home is to be of brick, two stories, and the architecture will follow the Italian Renaissance style. Several months will be required for its completion.

Dr. and Mrs. H. B. Tandy had as their guests during the holidays Mrs. Tandy's parents, Mr. and Mrs. B. L. Bland and their children, Marjorie, Bobbie and E. L. Bland, Jr., Dr. Tandy's mother, Mrs. E. Tandy, his sister, Mrs. Tandy Bland and daughter, Ruby Tandy, and Miss Ann Pace, all of Abilene.

A LENIENT WIFE

How much personal freedom a husband and wife should permit each other is a question that has been the subject of much discussion both in public and private. It is suspected that a good many husbands grant their wives as little liberty as possible, while taking all they can get for themselves. And in a good many cases the wife adopts a similar attitude.

The grand prize for leniency to a husband, if such is entitled to a prize, would seem to be due Mrs. Rhoda Hood of Louisville, who gave her husband, James E. Hood, a card signed by her reading as follows:

"This is to certify that I hereby permit my husband to go where he pleases, drink what he pleases, and furthermore to enjoy the company of any lady or ladies he sees fit, as I know he is a good judge. I want him to enjoy life while he can, as I know he is going to be dead a long, long time."

Whether Mrs. Hood's attitude was a wise one is open to question but it probably saved a lot of argument. Her card of manumission came to light when it was found in Hood's pocket after he had been killed by an automobile, while walking along and sober on a Baltimore street.—Alpine Avalanche.

Unemployed Used In Excavations In Study Prehistoric Relics

AUSTIN, TEX., Jan 10—Scientific research will benefit from unemployment relief funds, according to the terms of a grant from the Texas Relief Commission. Under the direction of J. E. Pearce, professor of anthropology at The University of Texas, the first field party of fifteen men selected from the ranks of the unemployed here, have been placed in the field to excavate Indian kitchen middens and to make a study of prehistoric relics that may be brought to light. The State relief commission will provide funds for the employment of fifty men in this scientific work. During the winter the research will be conducted near Austin, but in the spring the young students of anthropology will be sent to East Texas to engage in similar work. They are being paid 40 cents an hour and are permitted to work 40 hours a week. In selecting the men for this purpose care has been taken to pick those who show the most intelligence and interest in the tasks they will be called upon to perform.

Beethoven And His Symphonies Topic At Music Club Meet

One of the most impressive programs of the year was enjoyed by members of the Ozona Music Club Thursday afternoon when the group met at the home of Mrs. George Bean for a study of Beethoven and his compositions. The program was under the leadership of Mrs. Max Schneemann.

"Conflicting Forces in the Composer's Life" formed the subject of an interesting discussion by Mrs. S. M. Harvick. Mrs. W. N. Hannah played movements one and two from the "Fifth Symphony" and Mrs. W. J. Grimmer read "Ode on Melancholy" by Keats. A Turkish march from "The Ruins of Athens" was played as a piano duet by Mrs. J. M. Dudley and Mrs. Royce Smith. Mrs. Bean discussed the effects of political revolution on Beethoven's music.

A vocal solo, "A Song of Penitence" by Mrs. H. B. Tandy, and the story of the "Third Symphony" by Miss Maxine Murdock, illustrated by selections from the second and third symphonies, and a chorale number, "Moonlight Sonata" sung by Mrs. H. B. Tandy, Mrs. Joe Pierce, Mrs. L. B. Cox, Mrs. S. M. Harvick, Mrs. John Bailey, Mrs. K. R. Dudley, Mrs. Victor Pierce and Mrs. F. T. McIntire, completed the program.

At the close of the program, Mrs. W. N. Hannah, critic, made favorable criticism on the excellence of the work being done by the group. The facts that Beethoven has left nine great symphonies and that people in his day showed respect to the great man who gave light and life to music were brought out in the program.

Assisting hostesses for the afternoon were Mrs. Tandy and Mrs. Monroe Baggett. Refreshments were served to the following: Mrs. Bright Baggett, Mrs. John Bailey, Mrs. George Bean, Mrs. John L. Bishop, Mrs. H. B. Tandy, Mrs. Alyce Baker, Mrs. Cox, Mrs. Ira Carson, Mrs. E. R. Dudley, Mrs. J. M. Dudley, Mrs. W. J. Grimmer, Mrs. W. N. Hannah, Mrs. S. M. Harvick, Mrs. Bryan McDonald, Mrs. F. T. McIntire, Miss Maxine Murdock, Mrs. Joe Oberkamp, Mrs. Paul Perner, Mrs. Joe Pierce, Mrs. Victor Pierce, Mrs. Max Schneemann, Mrs. Smith, Mrs. Bob Weaver, Mrs. Fred Deaton, and Mrs. Jack Holt. Mrs. Holt was a guest for the afternoon.

Rev. J. H. Meredith has been ill at his home here since Friday of last week. Rev. and Mrs. Meredith spent last week in San Antonio visiting their daughters and in Kingville with their son.

Mr. and Mrs. Frank White were here from San Angelo Tuesday for the annual meeting of stockholders and directors of the Ozona National Bank.

Miss Ludee Mae Harrison, teacher in the commercial department of the Ozona High School, was the first of the week.

Houston Smith was in San Angelo on business a few days this week.

Mrs. B. B. Ingham was a San Angelo visitor Wednesday.

Mrs. T. A. Kincaid, Jr., is here from Rankin for a visit with friends and relatives.

Mr. and Mrs. T. A. Kincaid were San Angelo visitors Wednesday.

Mr. and Mrs. Jones Miller were visitors to San Angelo early in the week.

Texas' Share World Oil Production Up To 40 Pct. Since '25

AUSTIN, TEX., Jan. 10.—Since 1925 Texas' share of total national production of oil has been increasing in volume, according to Elmer H. Johnson, regional geographer in the University of Texas Bureau of Business Research.

"Whereas other states have had a decreasing volume, Texas' percentage of national production has grown considerably, from about 20 per cent up to around 40 per cent," Mr. Johnson continued. "The great recent increase in Texas production was occasioned, of course, by East Texas. In this connection it is well to note that since even prior to 1925 there has

been a marked tendency for oil production of any particular year to converge upon a few large fields. There is moreover, the marked trend of Texas contributing an increasing percentage of national oil production. These trends of major production converging on a few large fields of districts are of great significance, not only to the oil producing part of the industry but to the transportation and refining phases as well.

"In production, in transportation, and in refining, the oil industry is well on its way towards realignments quite different from those obtaining in 1921-25. In these readjustments Texas is playing a larger and larger part. Furthermore, due to its geographical location and to its huge reserves, Texas is destined to play for some time to come an increasingly larger part in the destiny of the oil industry. A fact of importance remains to be stressed here—and it cannot be too strongly emphasized—and that is, that the vast and wonderful oil resources of Texas when once produced and refined are gone forever. Our great production is depleting our re-

serves of this major resource of the State. Conservation measures of various kinds have already been initiated by the oil industry itself—but the development of a scientific and economic State policy backed by Texas citizens—and Texas citizens are the ones whose welfare is most greatly concerned—is yet to come."

Federal Land Bank Issues Million In Checks In One Day

Houston, January 9—Tuesday, January 2, was another record day in Federal Land Bank history. On that date the Federal Land Bank of Houston issued 783 checks totaling \$1,290,550 in closing 363 land bank and land bank commissioner's loans to farmers and stockmen of Texas.

"The Federal Land Bank of Houston is making every effort to expedite the consideration of applications and the closing of eligible loans to Texas farmers and ranchmen," said Albert C. Williams, General Agent of the Farm Credit Administration. "It is estimated that during January the Bank acting for itself and as agent of the Land Bank Commissioner will close a greater number of loans with greater dispatch than ever before in the history of the land bank."

Farms and ranches offered as security for loans by the Federal Land Bank and the Land Bank Commissioner are appraised by experienced appraisers to determine the normal value of the land for agricultural purposes. The earning power of the land for such purposes is a principal factor. Loans by the Federal Land Bank may not exceed 50 per cent of the appraised normal value of the land plus 20 per cent of the appraised value of the permanent insured improvements. Loans by the Land Bank Commissioner together with all prior mortgages or other evidences of indebtedness secured by the farm property may not exceed 75 per cent of the appraised value of the property securing the loan.

"In some cases it is necessary for creditors of applicants to make some concessions. Many creditors are willing to grant reasonable discounts for cash, where the indebtedness of the farmer exceeds the amount of loan which may be made by the Land Bank and the Commissioner," Mr. Williams stated.

The cooperation of applicants in promptly sending in abstracts of title and papers necessary to the closing of loans is requested by the officers of the Federal Land Bank.

GOOD NEWS FOR HOUSEWIVES

A certain percentage of our citizens live along upon the assumption that no news is good news. Some few of them think they can attain a satisfying happiness by an almost complete isolation . . . and they may be right . . . if one can call happiness a state of insensibility to all that goes on around him. . . No news is good news, maybe, if one is expecting bad news. But no news is not good news . . . when there is better news to be had thru the simple process of keeping abreast the times by knowing what really is going on.

The news of happenings in your neighborhood, community, town, state and nation is important to you. And such news is not necessarily contained within the news and editorial columns of your favorite newspaper. You will also find good news in the advertising displays . . . profitable news . . . items of practical importance . . . values you should know about . . . vital news that keeps the wheels of industry turning . . . for your prosperity—for the prosperity of all. . . Make it a point to read carefully the messages of economy and thrift which automatically find their place in the advertising columns of your newspaper . . . this newspaper. In every edition of this newspaper there is good news for the housewives of Ozona every week. In this issue of The Stockman there is good news from the stores and of Ozona. Each display or announcement contains important news for those in need of the specific merchandise advertised. Read their ads this week for good news.

Just To REMIND YOU--

That our policy regarding delinquent accounts, deposits by new customers, and other rules announced last summer, will continue in force through the New Year, and will be strictly enforced. That all may have opportunity to acquaint themselves with these rules, we again quote them here:

1. All current accounts must be paid in full by the 10th of each month or customer will be subject to discontinuance of water service, together with a charge of \$1.00 for connection when bill is paid.
2. A deposit of \$5.00 will be required of each new customer.
3. Landlords will be held responsible for accounts of their tenants unless due notice of occupation and removals is made known to us.
4. People having private water supplies, and who desire our services occasionally will be required to pay a service charge of \$2.00 for each separate connection.

PHILLIPS-COOK NUPTIALS

The following account of the recent wedding of Miss Cleta Mae Cook to Babe Phillips of Ozona, at Mineral Wells, Dec. 24, is given in the Mineral Wells Index, a copy of which was received this week by The Stockman:

The wedding of Miss Cleta Mae Cook of this city to Mr. William Clay Phillips of Ozona was solemnized at the home of the bride's aunt, Mrs. Byron C. Harrison, 1916 North Oak Avenue, Sunday afternoon at 5:30 with the Rev. Horace Teddie, of the Oak Avenue Church of Christ officiating.

Mrs. Hugh J. White offered the pre-nuptial solo, "At Dawning" with Mrs. Lucille Collard at the piano. Mrs. Collard also played the wedding march from Mendelssohn as the couple entered the living room where an altar had been arranged and decorated in smilax flanked on either side by floor baskets of snowball chrysanthemums and poinsettias. She played "I Love You Truly" softly during the ceremony, with violin obbligato by Miss Dorothy Davis. The home was beautifully decorated with ferns and narcissus.

Betty Joe Kyle, daughter of Rev. and Mrs. A. C. Kyle, served as flower girl. She was dressed in a pink net frock and scattered pink rose leaves from a silver basket. Albert Teddie, son of Rev. and Mrs. Horace Teddie, was the ring bearer. He wore a black broadcloth suit and carried the ring in a lily.

The bride wore a gown of cruise blue embroidered in gold and carried an arm bouquet of sweetheart roses and valley lilies. Her traveling suit was a brown swagger with fur trim and accessories to harmonize.

Mrs. Phillips is the only daughter of the late Rev. and Mrs. Walter Cook. She has lived in Mineral Wells most of her life. She attended the Mineral Wells School and later went to Lubbock. Mr. Phillips is a young business

**Whooping Cough Is
Dangerous Disease
Says Health Head**

AUSTIN, TEXAS, Jan. 10.—Whooping cough was formerly regarded as one of the infectious diseases of minor importance. According to Dr. John W. Brown, State Health Officer, this is not so. Each year many children die of this disease; in fact it causes more deaths than scarlet fever, measles and smallpox combined.

Whooping cough is a treacherous disease. It resembles the proverbial wolf in sheep's clothing. Illness begins gradually, causing parents to feel that the symptoms are those of an ordinary cold, until the characteristic whoop appears. Unfortunately, the disease is a st infection during the early stages. Children in the first years of life are in the greatest danger of developing pneumonia, the most severe complication.

The chief hope in controlling epidemics of whooping cough lies in those measures which help to prevent the spread of disease. Children with the disease should remain at home and in isolation for a period of twenty-one days. Children with the disease should be reported to their family physician or local health officer.

Dr. Brown further urged parents to do everything they can to protect their children from whooping cough. Keep them away from playmates who have colds, especially when whooping cough is prevalent. Teach children not to put things in their mouths that have been handled by others and to wash their hands before meals.

man of Ozona. He received his early education in the school's there and later went to San Antonio to school.

Reception Held

A reception was held after the ceremony. The dining room table was laid with a white lace cloth over green satin and was centered with a three-tiered wedding cake upon which were standing a miniature bride and bridegroom. Slender white tapers burned on either side of the cake. Mrs. Guy Woodward assisted the bride in cutting the cake.

Miss Mary Ann Lunsford, Mrs. James Mullins and Mrs. Harrison assisted in serving an ice course.

Immediately after the reception Mr. and Mrs. Phillips left for San Antonio and other Southern cities on a wedding trip. After January 1 they will go to live at their ranch home near Ozona.

Out-of-town guests here for the wedding included, Mr. and Mrs. Clay Adams of Fort Stockton, sister and brother-in-law of the bridegroom; Miss Alice Daniel and Mrs. Leona Neese of Fort Worth.

In spite of all prevention, if your child seems to be catching whooping cough, call your doctor at once. He can do much to relieve the patient's distress if treatment is begun early and will advise a-bout diet, rest, exercise, and fresh air for the patient.

**WHY GET UP NIGHTS?
USE BUCHU AND GIN
Make This 25c Test**

It is as valuable to the bladder as castor oil to the bowels. Drives out impurities and excess acid-which cause the irritation resulting in getting up nights, burning, frequent desire, leg pains and backache. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. Concho Drug Co. says BUKETS is a best seller.

Mr. and Mrs. Victor Pierce and Mr. and Mrs. J. W. Owens were in San Angelo Tuesday to attend the annual meeting of stockholders and directors of the Texas Wool & Mohair Company. Mr. Pierce is president of the wool concern.

Joe Billie Keeton left Monday to enter a business college in San Angelo.

Mr. and Mrs. Alvin Harrell were in San Angelo the first of the week.

GEORGE F. COX AND MISS PEARL HOTZ WED

Miss Pearl Hotz became the bride of George F. Cox Friday morning in the home of the bride's father, Mrs. Denny Hays, on Mills street. The Rev. B. D. Kennedy, pastor of the First Presbyterian Church, read the ceremony.

Dr. and Mrs. Geo. W. Cox, Mr. and Mrs. Denny Hays and Mrs. B. D. Kennedy were the only witnesses.

Mrs. Cox has lived in Del Rio for the past seven months, coming here from her home in Cuero, where she was reared. After her graduation from the Cuero high school she attended the Texas Lutheran College in Seguin, graduating last Spring. During her last year in college she was voted the most popular girl on the campus and was elected queen of the college home-coming.

Mr. Cox is the only son of Dr. and Mrs. Geo. W. Cox and has resided in this city practically all of his life. He was graduated from Breiner Institute in Kerrville and later attended the Sul Ross State Teachers' College in Alpine. At some time he was engaged in teaching.

RED CHAIN Egg Mash

PUTS IN THE EGG BASKET

WHAT OTHERS PUT ON PAPER

A fair feeding test of RED CHAIN is the best way to clear up conflicting claims about egg mashes... Talk is cheap—and anyone can find nice words in the dictionary. On paper most feeds claim "more eggs at less cost"—but RED CHAIN actually does what others claim to do! Don't buy your egg mash for what it does on paper—buy it for what it puts in the egg basket... Feed RED CHAIN to your own hens and see the difference between claims and results. It is the unequalled quality of RED CHAIN Egg Mash that makes it the cheapest egg producer—regardless of price.

Patronize Those Merchants Who Ask for Your Business

The Merchant Who Advertises Has Something to Sell and Is Not Afraid to Put His Service, Prices and Merchandise Under the Spotlight of Publicity

Those merchants who use the pages of your newspaper to tell you of their merchandise and service deserve your first consideration in your trading—all else being equal. The merchant who advertises consistently is the progressive, up and coming merchant. He is the astute merchant who knows how to buy and how to build his volume, and knowing that, he is your best bet for savings. The greater the volume of business, the lower profit margins can be made to pay a return to the merchant. Quantity buying throws its power into this combination to make it even more advantageous.

The advertising merchant, the progressive merchant, is the one who has such advantages. Advertising builds his business to where the greater volume makes up and more for the cost of his advertising. The greater volume also makes it possible for him to lower his profit margin, which means lowering prices, and thus the consumer realizes a saving. Who pays for advertising, then, comes the age-old question. Volume pays for it. It doesn't cost you nor the merchant.

The advertising merchant is the town-boasting merchant. His patronage of your newspaper helps that community institution to make a better appearance, to mirror in truth the progressiveness and attractiveness of a community. The fact that you read his advertisements, act on them if they suggest to you some need, and tell the merchant that you saw and read his advertisement and bought his product as a result of the advertisement, would be a double service to your neighbors and your community. It would let the merchant know that his advertising was getting results and would enable him to make further plans to keep you informed on news of his store. It would be a service to your newspaper in helping to convince merchants that not mere chance but well directed advertising was responsible for the sale.

READ THE ADVERTISEMENTS IN THE STOCKMAN And Tell the Merchant You Did

Now Is The Time To Pay Your TAXES Auto License Fees!

We are entering the last month of tax-paying period. There is no better time to pay taxes than NOW and we urge all taxpayers to pay taxes at once and take no chances on the heavy delinquency penalties. This is ELECTION YEAR! Pay your poll tax and earn the right to vote. Taxes become delinquent after January 31. Hurry!

REGISTER MOTOR VEHICLES NOW

We are ready for 1934 registrations. We urge that you secure your Automobile and Truck License early.

The Headlight Law has been repealed and you DO NOT need to present any papers except your 1933 license receipt. Please present your 1933 receipt and Transfer of Title in event the previous license was not issued in your name.

Please bear in mind there is no Special Law on 1934 registrations, and February 1, 1934, is the FINAL date to secure license without having to pay a penalty of twenty (20) per cent. There is no change in rates on license FEES; however, the law on FARM TRUCKS has been amended. You must register your farm truck under the new law but the fee is reduced to one-half.

18 Pct. Increase In Employment in Tex. Week of Dec. 16

AUSTIN, TEX., Jan. 9.—The 886 business establishments reporting employment and payroll data to the University of Texas Bureau of Business Research in conjunction with the United States Bureau of Labor Statistics, covering the week ended December 16, show an increase of 18 per cent in the number of workers and an increase of 23 per cent in the weekly payroll over December, 1932. The employment situation is reported to be contributing to the favorable reports on retail trade and other lines of business activity in the State, the University bureau's report said.

SEWER CHARGES BEGINNING JAN. 1st, 1934

It is the order of the Commissioners Court of Crockett County that beginning January 1st, 1934 users of the County Sewer System will pay monthly the following rates, viz.: For the first connection 50 cents. For each additional connection 10 cents.

Commenting on the above order the Court asks that the patrons give this matter serious consideration. To construct this plant it was necessary for the Court to issue some time Warrants which were sold to one of Crockett County's Sinking Funds; and these warrants must be paid off. There is some expense in keeping the System in good order and repair, and the Court feels that the patrons will not object to or resist the small monthly charge, and will arrange to pay promptly each month. The patrons are asked to pay at the Clerks Office where the Sewer Books are kept, and receipts for all payments will be given by the Clerk. It is thought best to give the patron to the 15th of the month to pay at the Clerks Office and those neglecting to pay by the 15th will be listed and the list turned over to Z. L. Brown who is authorized by the Court to receive and receipt all collections on Sewer Service. The Court asks that any patron not receiving satisfactory service will report to said Z. L. Brown. For your information the Court figures that the above mentioned charges will be sufficient to pay off the Warrants within a reasonable time and pay the expense of the caretaker. Above order to be printed in the

SEISMOGRAPH TESTS BEING MADE ON TODD RANCH BY STANOLIND

A group of geologists for the Stanolind Oil Company are reported making seismograph tests on the Todd Ranch in this county in the vicinity of the ordovician test sunk on the Todd ranch by Stanolind and others and abandoned as dry last summer. It is understood this activity may be preliminary to further deep tests in that area.
