Gay Round Of Parties, Dances, Swims Picnics And Other Entertainments Claim Attention Of Class Of 1933

Members of the 1933 graduating class of Ozona High School have been treated to an almost continuous round of parties, dances, picnics, swims and entertainments of various sorts the past week and still more are in sight as commencement draws nearer.

The past week's festivities started off with a picnic given by members of the Sophomore class in honor of the Seniors at the Marshall Montgomery well west of town Friday afternoon. The boys entertained themselves with football and the girls "gossiped" as the reporter put it. The picnic was well planned and the participants were well filled with fun barbecue pickles, potato salad, bread, cookies, fruit and iced tea, the food served cafeteria style.

After the picnic, the Seniors dashed home and made ready for a dance given by Mrs. Richard Flowers at her home here. A Mexican orchestra furnished music for the occasion. Punch was served during the dance and peppermint sherbet and cake at the close of the evening. Misses Helen Adams and Lorene Schauer were the only guests besides Seniors.

Mrs. Phillips Entertains
Saturday was a gala day for the seekers after the sheepskins. Leaving shortly before noon, the Seniors gathered at the ranch home of Mrs. Arthur Phillips where they were guests for the afternoon and evening. On the way out, a number of the Seniors stopped at the Pon Scaphon ranch where Mrs. Seahorn served lunch.

A swim, dancing and a delicious supper on the lawn constituted the program. The menu consisted of fried chicken, potato salad, barbecue, tomatoes, lettuce, bread, iced tea and pecan pie. Guests other than Seniors were James Baggett, Joe Sellers Pierce, Chester Wilson, Lowell Schwalbe, Mrs. Tom Smith, Mrs. I. G. Rape and Mrs. George Montgomery. A Mexican orchestra from San Antonio furnished music for the dancing.

Monday evening found the Seniors again honor guests at a dance given at the fair grounds platform by Mrs. J. M. Baggett and Mrs. Judge Montgomery, a Mexican orchestra furnishing the music, with the assistance of Buddy Moore on the drums. Members of the Junior class and a few others were also guests at this affair. Sandwiches tied as diplomas in the class colors of red and white, iced tea and cucumber salad were served during the course of the evening.

Quarter Million Lbs. Wool Stored Barnhart Warehouses Hold Part Of Huge Crockett Clip

More than a quarter million pounds of the 1933 Crockett County wool clip is reported in storage in warehouses at Barnhart in readiness for shipping on peak markets, and other clips from Crockett ranches are being unloaded there as the shearing season progresses.

The old Cox mercantile building and an adjoining sheet iron building have been converted into wool warehouses and both are almost full. D. I. Taylor is also providing warehouse space there.

At present market prices on a palish wool market, the Crockett County wool in Barnhart storage represents a cash valuation of nearly \$60,000. Crockett County produced over two and a quarter million pounds of wool in 1929, according to available statistics, the second largest wool producing county in the state that year. Val Verde County alone producing more. On the present market, such clip would command more than \$200,000 in cash.

Street Paving Work Progresses

Property Owners Along Other Streets Talk Extension Plans

Extra width paving along the state highways through Ozona is making progress, with contracts for paving from curb to curb on both Powell Avenue, Highway 163 and Broadway, Highway 27, awarded to Colglazier and Hoff, Inc., contractors on the Barnhart road.

Property owners along other streets were reported making efforts to agree on plans for paving along with the present outlined program. It was reported that the first block south of the intersection of the two highways in the downtown section was to be paved and that property owners south were making an effort to extend the paving to the Humble corner. What the stage of such negotiations are, however, is not known.

Property owners along the highways will be able to secure the extra width paving at a minimum of expense, under the present contracts. The work is being done at the same rate that the state paving is being done and with the county installing the curb and gutters, the price is considered lower than it possibly ever will be again. The same prices are offered by the contractors on other paving work in the town and many property owners are reported making efforts to take advantage of the low prices.

Whether or not Broadway will be hard surfaced is still awaiting a decision from the state highway department. The county and property owners are ready to do their part and the state has asked for a bid from contractors on the work. If the bids are accepted, the work will be carried through to a conclusion.

One Recruit Here For Forestry Army

Crockett Has Quota Of 5 For Reforestation Camps Of Texas

One recruit has signed up here to join the federal reforestation army being formed for the purpose of relieving unemployment.

Crockett County has a quota of five men which may be sent from this county to the training camps. Enlistment is for a period of six months, for men from 18 to 25 years of age who are single but who have dependents. A wage of \$30 a month will be allowed each person in the relief army, a small amount of this being paid to the worker and the balance being sent to his dependents.

Recruits will be sent to army camps at San Antonio where they will be subjected to a physical examination and if found acceptable, will be given a two-weeks period of training there before being sent to concentration camps from which they will be sent to the working centers. The men will work eight hours a day, five days in the week. The men will plant trees, do landscape work, build walks, trails and roads through scenic spots and similar work.

There will be 1500 men recruited in Texas to be distributed for the most part in Texas camps. Four camps have already been located in Texas and others are expected to be established. Persons who wish to enlist in the reforestation army may make their application through Hon. Childers, president of the Ozona Lions Club.

140,000 LBS. SHORT WOOL SOLD AT 21c

Crockett Ranchers Top Short Wool Market In Sale Yesterday

An accumulation of approximately 140,000 pounds of Crockett County 8-months wool was sold here last night at 21 cents a pound to top the market on short wool so far this season.

The short wool was bought by Murphy Campbell, southwest buyer for S. Silberman and Sons of Chicago, from Ralph Watson, John Mitchell, Rowdy Hoover, Early Baggett Paul Hallcomb and Hugh Childress, Jr.

While reports were abroad that sales of 12-months fleeces for 23 cents and even 25 cents had been made here, these reports are apparently without foundation. However, Cox Brothers yesterday refused 22½ cents for long wool and offers of 23 cents are reported to have been made to other ranchers.

Famous Quartet Visitors Here

Broadway Of America Singers Visit Former Member

The famous Broadway of America male quartet of McMinville, Tenn., spent a few hours here Thursday visiting Neal Hannah, a former member of the quartet. The singers were on their way home after attending the annual convention of the Broadway of America Association in El Paso.

Mr. Hannah sang first tenor with the quartet when it was first organized by the Exchange Club of McMinville, his former home. He sang with the group several years there and was a member of the quartet when it was designated as official Broadway of America Quartet at the annual convention of the association in Hot Springs, Ark., in 1931. Last year the quartet attended the annual convention in San Diego, Calif.

Members of the quartet are Dr. M. D. Meadows, first tenor, H. S. Wilson, second tenor; D. L. Davies, baritone and C. C. Morford, bass. Hardy Moore, manager, accompanied them on the trip. The famous singers spent but a few hours in Ozona and while here they were taken on an inspection tour of the new Ozona High School, which they complimented highly. They sang a few songs in the auditorium, "just for old times sake," Mr. Hannah said.

The Broadway of America is a transcontinental highway extending from Broadway, New York to Broadway, San Diego, a distance of approximately 3,600 miles, most of which is paved.

Dorothy Henderson Chosen Leader Of School Pep Squad

Miss Dorothy Henderson was elected Pep Squad leader for the 1933-34 school term at a meeting of members of the squad at the school building Wednesday afternoon. The election was by secret ballot.

Miss Henderson will be a Senator next year. She will choose her own assistant leader and will organize the squad at the opening of the next school year in the fall.

Miss Tommy Smith was leader this year, with Miss Carolyn Montgomery as assistant. Both are members of this year's graduating class.

Victor Pierce was ill at his home here this week.

"The Cripple"

Despite his artificial leg, J. W. Dale of the Pine Tree (Gregg county) basketball team has been voted the most valuable player on his squad. Any boy who played against him at the Interscholastic League meet at Jacksonville recently will testify that J. W. is plenty tough. He also plays football.

Gun Wouldn't Shoot, Mexican Throws It With Deadly Aim

Even a gun that won't shoot is sometimes a dangerous weapon as one local Mexican found out during the Cinco de Mayo celebration here last week.

A fight which started outside a pool room in the Mexican suburb Friday night at the height of the celebration ended up with both participants in the clutches of the law, one of them suffering from a head wound.

Armed with a billiard cue, one Mexican was advancing on the other when the latter whipped out a small automatic and while he backed away attempted to insert a shell in the barrel. The gun proved stubborn, however, and the Mexican at last gave it up and hurled the weapon at his adversary. The gun struck the other Mexican square between the eyes and it was fifteen minutes before he was revived. The men were hauled into justice court where they paid fines for drunkenness and disturbing the peace.

Annual Event Slated At Hotel Ozona In Honor Of Grads

The largest graduating class in the history of Ozona High School will be honor guests at the annual Junior-Senior banquet to be staged at the Hotel Ozona next Friday evening.

The Juniors and their sponsor, Miss Ada Moss, have perfected all arrangements for the annual event, including a peppy program and an enticing banquet.

S. W. Westfall, president of the Junior Class, will be the master of ceremonies. The class will, the class prophecy, the class poem and other features will lend interest to the program.

Rev. and Mrs. M. M. Fulmer and children left Wednesday morning for Washington, D. C., where they will attend the Southern Baptist Convention in session here next week. They will go the southern route through Louisiana, Mississippi, Alabama, Georgia, North Carolina and Virginia, visiting points of interest along the route.

GIANTS MEET TEXON, LOOP LEADERS, SUN.

Powerful Oilers To In- vade Local Lot For Double Header

ABILENE BEAT 'EM

Cox Crew Smell Blood As Engagement With Champs Nears

Ozona Giants, still tangled up with two other teams for second place honors in the West Texas Independent League standing, will have their stiffest test of the first half season on the local lot Sunday when they meet and swap swats with Snipe Conicy's powerful Oilers from Texon, at present roosting high on the top rung of the league pennant ladder.

A double-header bill with the league leaders, which is to decide, temporarily at least, whether or not the Sniper's crew is to be allowed to remain unmolested at the top of the heap is carded for the afternoon here. For if the Giants should trim the Oilers for the two games, it would give them undisputed league leadership, provided Abilene and San Angelo split their double header in Abilene Sunday. A pounding in at least one of the games, which the locals are confident of doing, would go far toward jerking down the Texon nine from its high position.

With Harrington and Duncan both ready to face the Texon sluggers, and both confident of their ability to hold the invaders to a minimum of swats, with Wade, Barbee, Lowrie, Sharp, Greer, Cox and other dependable hitters on the local crew in fine batting trim with two weeks of daily workouts since their last 50-50 encounter at Coleman, the Giants are in fine fettle to mix it with the Oilers Sunday. This will be the third league team to be met by the Ozona nine since the opening of the schedule, the locals having split even in two previous engagements with San Angelo and Coleman.

Mose Simms and his Oilers from Abilene threw a monkey wrench into the Texon machine on the latter's own ground last Sunday by coming from behind in a game featured by heavy hitting on both sides to win the encounter some 19 to 16. The Texon lads had trimmed the Simmsmen in decisive fashion in the first game of the twin bill.

Meanwhile, Blondy Cross' Sheep Herders were delivering a pasting to the Coleman Cotton Pickers for two games, putting the Pickers in cellar position and leaving San Angelo, Abilene and Ozona in a tie for second place.

The first game will start here Sunday afternoon at 2 o'clock. One of the largest crowds of the season is expected to be on hand to see the Giants tame the Oilers. A game scheduled last Sunday afternoon with the Del Rio Cowboys, to fill in an idle Sunday, was cancelled by the Del Rio team and all efforts to locate another team to fill the gap were in vain.

Music Club Holds Final Session For Present Club Year

The Ozona Music Club held its final meeting of the present club year Thursday afternoon at the home of Mrs. Lowell Littleton, with Mrs. Littleton, Mrs. S. M. Harvick and Miss Patti Raiza as hostesses.

Approximately 25 were present for the meeting. The program consisted of several splendid musical numbers. The tentative program for next year was read to the assembly. Adelia Willis and Mrs. Annie was visitors. Mrs. B. B. Ingham was leader.

LOST—Mechum Pipe with extra perches mouth piece in club pouch. \$2.50 Reward for return to Geo. F. Davis.

Every governmental official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principal of democratic government.

G. R. S. COSMOPOLITE

George Bernard Shaw has set out to tell the world. At last Mr. Shaw has felt the cramp of his isolated isles and is setting out to deploy in the highways of men.

There is something very intriguing about Mr. Shaw, a quality which only occasionally extends to his dramatic productions. Perhaps it is his beard. Americans are always interested in beards, particularly the patrician variety which Mr. Shaw exhibits. We select bearded men for our patrons, for instance, Santa Claus and Uncle Sam. They produce in the matter-of-fact American something of a feeling of ecstacy, of noblesse oblige—something quite foreign to our democracy.

At any rate, Mr. Shaw's intriguing personality has successfully kept him before the public for a number of years. Mr. Shaw once said of the American that the 100 per cent American was 98 per cent idiot, and was so indiscreet as to add later in the same speech that America was his most idolatrous public. The Tampa, Fla., Journal made the observation that that indeed was a sad commentary upon the published works of G. B. Shaw. Mr. Shaw is decidedly one of the best publicity characters the press has known. He always pulls the right stunt at the right time.

Now he is going traveling. G. B. S., world traveller, tourist, man of parts, dilettante, voyager, bon vivant, and cosmopolite. In America we would say "traveling salesman." Shaw proposes to sell Shaw and Shawism to a chauvinistic America and world at large. Ah, paw!

He has read about people, and he has had much to say about people; now he is going out to meet people. He actually proposes to come in contact with the hardy American Philistine, to meet Babbitt and see what makes him tick, to form first-hand observations of the land of the merry-go-round.

Will all of our pretty play characters go glimmering after Mr. Shaw has met men? Will the supermen and Don Juans and Candidas and archbishops forget their lines, and have to be prompted by new readers? Will the systematic philosophizing found in Mr. Shaw's most unpretentious characters be replaced by a new virile eclecticism of the streets? Can we hope to see a strange new stream of barbarous realism, of struggle and fight and necessity, uncoated by the platitudes and frostings of a society world, forcing itself into George Bernard Shaw?

Yes, George Bernard Shaw is setting out to tell the world. You're telling us, Mr. Shaw!

SCANDALS By THE TOWN GOSSIP

My most abject apologies friends—my most abject apologies friends—It just looks like that whenever Old T. G. thinks he is about to get back on his feet again, something comes up to interfere and sets him back again. Had a real honest to goodness nervous breakdown this time, and I'm sure I don't know what we would have done if it had not been for our good friend Early Baggett who invited us to come out to his farm and rejuvenate ourselves—eat good meat, frijoles, and forget the ills and tribulations of a strenuous public life by shearing sheep repairing windmills and fences, etc. (you all know what that etc. stands for). So after three weeks of it I am back at my desk in the proverbial pink of condition and rearing to go.

And just a little more than somewhat disappointed at the showing our ball team has been making since my absence. Blondy Cross tells me that the best batter we have is only batting .500 which as you know is only 50% efficient. From that exceedingly low figure the percentages get lower and lower until it is most amazing for us to understand how in the world any body could manage to face a pitcher so many times and get so few hits. I really believe that Mr. Wade, our leading batsman has forgotten the lessons we so painstakingly taught him. When we were in baseball, we hung our heads in shame if we ever played a game where we failed to connect at least nine times out of ten attempts—and then we did not count singles.

Ernest Poteet was transacting pleasure in San Angelo Monday.

Have you heard of the girl who was so fast that when she went out to Hollywood and took a screen test, they had to use slow motion.

"Marguerite, can you cook?" "No, Percival; can you afford to keep an auto?" "No, darling."

So they did not marry and lived happily ever after.

T. G. is thinking very seriously of taking up the preaching profession—have you noticed all the new cars being driven round town the last month or so?

We have the information from a reliable source that the rodeo is to open Saturday in the south-east portion of the county. All we have to say is that the boys need not come back into town with some cock and bull story about having been thrown by a bad horse.

Speaking of reservations: "Is this the Salvation Army Home?" "Yes." "Do you save wild women?" "Yes." "This is (name furnished on request) save me one for Saturday night."

We questioned a gentleman who

Poisons absorbed into the system from souring waste in the bowels, cause that dull, headachy, sluggish, bilious condition; coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings over night will prove its merit to you.

Dr. Caldwell studied constipation for over forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commended it to everyone. That's why "Dr. Caldwell's Syrup Pepsin," as it is called, is the most popular laxative druggists sell.

Come out Sunday afternoon and see our Giants in action. T. G. is just about to shove Sam Cox, Jake Young in the background and take charge. And believe me, there'll be a change folks, there'll be a change.

An economist has been defined as a man who knows everything and can't do anything. THE LEGISLATURE SHOULD BE EMPHATIC... A special tax levied on a special class is neither honestly nor fairly levied unless its proceeds are expended for special benefit of that class. Texas already diverts so large a portion of gasoline tax funds that motorists of this State are penalized more than those of any other. Measures now before the Legislature would increase this diversion. The Legislature should take such an emphatic stand against such measure that the gauge of sniping at gasoline tax funds would lose its attractiveness. The money belongs to the highways or in the pockets of the motorists. —Fort Worth Star-Telegram. "You are the sunshine of my life. Your smile falls like lightning into my soul. With you by my side, I would defy all the storms of life." "Say, is this a proposal or a weather report?" If all the farm relief plans were placed end to end they would reach—well anywhere except to the farmer.

THAT'S ME—

I'm the nosy nuisance that pries into everybody's business. Doesn't make any difference how personal your business is, I ask all about it. What do I care if I hurt your feelings or ask embarrassing questions, I must know everybody's business. Another beautiful part about me is that just as soon as I worm what I want to know out of you, I hurry to tell somebody else. Don't know why people avoid me, but they all leave as soon as I show up.

There is a company in New York which rents Rolls-Royce automobiles. The charges are \$7 an hour, \$50 a day, \$250 a week and \$800 a month. If you decide to rent a car for several months, your monogram will appear on the door.

New York has a hospital for animals which attracts a good many children visitors. The youngsters are made welcome. Sometimes as many as 40 gather in the reception room of the institution to attend the recently started Saturday morning class in kindness and care of animals.

You won't find any Row 1 in any of the local theatres. This is because too many playgoers imagine a ticket in Row 1 means the first row and then complain because it isn't.

Along Sixth Avenue there are to be found shooting galleries and during most of the day and until the early hours of the morning, they are well patronized. New York has many penny arcades and these are always well filled. In the Times Square district there are even side shows which charge ten cents admission. Palmists and phrenologists and what not operate near 42nd Street and Broadway. What succeeds in the small town usually succeeds here but it does not follow that what prospers here prospers out of town.

Hints for the Household

By Betty Webster

Making A "Breakfast Nook"
If you have a good-sized kitchen in your home—with more than ample space in which to work—my suggestion would be that you convert a part of it to arrangement of a "Breakfast Nook." Or, if there's a large pantry connected with the kitchen, have a part of the partition removed and turn that into a place that can be made quite cozy for "breakfast" purposes.

In furnishing it, my recommendations are:
Have built-in seats and tables. Paint them attractively to harmonize with your kitchen's colors. And add new dainty curtains, if necessary, to match.

To Remove Flower Pot Stains
Cover flower pot stains with wood ashes. Rub gently. Rinse off window sill with cold water.

Freshen Your Grass Rugs
Dye your soiled grass rugs some solid color. Dissolve 2 packages of dye in 2 quarts of water. Apply with a paint brush. Dye first on the wrong side and then on the right side.

COOKING HINTS

Spring Salad
Dice cucumber.
Dice tomatoes.
Dice radishes.
Cut up green onions.
Mix with French dressing. Let stand in the ice box until cold. Serve on lettuce leaves. Make French Dressing by allowing 1-3 vinegar to 2-3 oil. Add seasoning.

Butter Scotch Surprise
Sponge Cake.
1 cup of brown sugar.
Butter (size of an egg).
1 cup of milk.
2 tablespoons of flour (large).
2 egg yolks.
Salt (little).
Vanilla.
Method:
Melt butter and sugar. Add flour, milk, eggs and seasoning and cook until thick. Cool. Cut sponge cake in half. Spread filling between layers and on top. Pipe whipped cream on top and sprinkle with crushed peanut brittle.

Strawberry Pudding
1 small box of berries—crushed and sweetened.
2½ tablespoons of gelatin.
1 bottle of whipped cream.
1 cup of sugar.
½ pint of hot water (or 1 cup).
Method:
Dissolve gelatin in hot water. Mix berries and sugar with dissolved gelatin and water. When this begins to stiffen, stir in the whipped cream. Mix thoroughly. Pour into a mold. Chill. Serve with whipped cream. It's enough for 8 to 10 helpings.

BAKING HINTS

Corn Pudding
2 eggs.
1 can of corn.
1½ cups of milk.
1 tablespoon of melted butter.

If you have
RHEUMATISM
do this

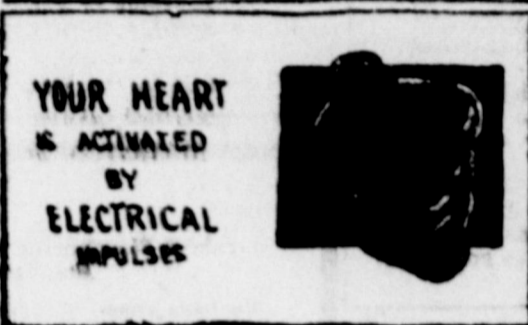

Get some genuine tablets of Bayer Aspirin and take them freely until you are entirely free from pain.

The tablets of Bayer manufacture cannot hurt you. They do not depress the heart. And they have been proven twice as effective as salicylates in relief of rheumatic pain at any stage.

Don't go through another season of suffering from rheumatism, or any neuritic pain. And never suffer needlessly from neuralgia, neuritis, or other conditions which Bayer Aspirin will relieve so surely and so swiftly.

ODD — BUT TRUE

Salt.
Pepper.
1 tablespoon of sugar.
Method:
Beat eggs slightly. Mix altogether and pour into buttered pan. Bake slowly until set.

Individual Rhubarb Pies
Bake individual pie shells.
Make rhubarb sauce.
Wash rhubarb. Cut off ends. Then cut rhubarb in inch pieces. Put in double boiler with 2 cups of sugar. Cook until done. Chill. When time to serve dessert fill pie shells with rhubarb sauce and top with sweetened whipped cream.

April Bankruptcies Show Sharp Decline
Austin, Texas, May 10.—Only 43 bankruptcies were included in the weekly reports to the University of Texas Bureau of Business Research during April. This number is smaller by more than a third than that reported for April 1932, 69, and there are only three cases since 1920 when the total number of commercial failures in April was smaller than it was this year. That the April total is greater by 34 per cent than the small total of 32 reported for March may be attributed to the fact that the March total was unprecedentedly low. This increase is considerably larger than the usual seasonal gain. Total liabilities owing by the bankrupt firms were \$440,000.

The Cinco de Mayo celebration went off with a bang—being a real success in every respect. Hundreds of visitors and local people took part in the festivities. The main program started about 4:00 p. m. with the coronation of Her Majesty the Queen, Miss Juanita Revelez, by Judge Bryan McDonald, who very ably carried out his part of this patriotic act. Several patriotic speeches and songs followed and at night a popular dance was given which lasted till after midnight.

The committee in charge of the celebration wishes to extend thanks to the people and especially to the authorities for their valued co-operation making the celebration a real success in every way.

The League of United Latin-American Citizens held its general annual convention at Del Rio, Texas, on May 6 and 7. Delegates who went to Del Rio in representation of the Ozona Council were Messrs. Employment Gains In Texas, Wages Also Increase Slightly

Austin, Texas, May 10.—Gains in the number of employees were reported for the month ending April 15 in 25 different lines of industry and commerce affecting 43,000 workers, according to the report on employment just issued by the Bureau of Business Research of The University of Texas, in cooperation with the United States Bureau of Labor Statistics. Furthermore, in fourteen of these groups, increased wages accompanied the increases of forces. An increase in the number of workers from March to April is not to be expected on the basis of purely seasonal factors.

"On the basis of reports from 958 establishments, as of April 15, there were on payrolls in the 34 industries included, a total of 62,233 workers, an increase of 3.1 per cent over the number employed by the same establishments on the corresponding date a month earlier," the University Bureau's report said. "This is the largest percentage increase in the number of workers from March to April shown on Bureau records, which go back for five years. In previous years, the change between these two months has been negligible, and in four of the cases a decline has been shown."

Mr. and Mrs. P. L. Childress returned last week from Washington where Mr. Childress acted with a committee representing the wool warehouses of Texas in a protest against the government ruling that mortgaged wools must be consigned to eastern buyers.

Gay Parties—

(Continued From Page 1)

Tuesday, Mrs. George Montgomery and Mrs. P. T. Robison were hostesses to the class at a buffet supper at the Robison home. The supper consisted of new potatoes, string beans, pickled peaches, ham buttered beets, olives, hot rolls, iced tea, strawberry shortcake and whipped cream.

Mrs. Royce Smith assisted in entertaining and was in charge of a program which followed the supper. The first number on the program was a talk by Guinn Carruthers, Senior sponsor, on the subject "My First Day in College." A debate on the subject of whether or not chewing gum should be chewed was won by the affirmative, upheld by Margaret Butler and Hubert Westfall, against the negative arguments of Neva Sorrels and Charles Williams.

A vocal sextet composed of Jettie Rae Sellers, Frances Green, Totsy Robison, Edna Billings, Dorothy Thurman and Ellen Schauer then entertained, followed by a stunt presented by Joe Glen Rape. A sextet of male voices then showed its wares, voices being composed of Joe Glen Rape, Lee Dudley, Joe Chandler, Ernest Van Zandt, Buddy Moore and John Kirkpatrick.

Tommy Smith entertained with a reading followed by a vocal solo by Carolyn Montgomery. Billy Baggett furnished one of the amusement highlights of the evening when he gave a graphic description of the ups and downs of his "first date," and incidentally he brought a rosy blush to the cheeks of one coy member of the class. A vitaphone number by Totsy Robison, assisted by Joe Friend Lee Graves, Paul M. Hallcomb and Hubert Westfall, followed by a song by the class, dedicated to Mrs. Robison and Mrs. Montgomery, concluded the entertainment program.

Breakfast Wednesday

Wednesday morning the Seniors enjoyed a rare treat when Mrs. A. C. Hoover and Mrs. J. P. Pogue entertained with a breakfast at the beautiful Hoover home. The breakfast consisted of strawberries and whipped cream, fried chicken, hot rolls, butter, jelly and coffee. Handkerchiefs rolled

The Junior-Senior banquet will occupy the attention of the graduating class Friday evening of this week and the week will be rounded out with an afternoon and evening's outing on the Pon Seahorn ranch where barbecue, swimming, dancing and a rodeo will be on the afternoon's and evening's program Saturday.

BAPTIST CHURCH

The pastor will be away for about a month in attendance upon the Southern Baptist Convention at Washington, D. C., but the services at the church will go on in the regular manner as near as possible.

Mr. A. W. Jones, superintendent of the Sunday School, will have general supervision of the work and the pastor sincerely hopes that he will have the cooperation of the entire church.

Next Sunday, May 14, Mother's Day Services will be observed with Dr. Henry Van Valkenburg of El Paso filling the pulpit at the morning hour. He will speak on the theme, "The Home in the Present Crisis." This will be a combined service for both Methodist and Baptist churches and the entire community is invited to be present. Mr. J. T. Keeton will be in general charge, Rev. J. H. Meredith introducing the speaker.

There will be no services at the church at the evening hour but the members are urged to worship at other churches in the city.

Sunday School and B. Y. P. U.'s will be at the regular hours. Future announcements will be made as plans are formulated.

M. M. Fulmer, pastor.

Speaker Describes Bank of England In Woman's Club Talk

An interesting description of the Bank of England as she saw it was given by Mrs. W. E. West at the final session of the Ozona Woman's Club held Tuesday afternoon at the home of Mrs. Ira Carson.

New officers of the organization were installed at this session to take up their duties with the opening of the new term next fall.

Other officers who were installed were Miss Elizabeth Fussell, second vice president; Mrs. Will Baggett, corresponding secretary and Mrs. A. C. Hoover, treasurer.

Mrs. Bryan McDonald made an interesting talk on France, her talk and that made by Mrs. West having been postponed from a previous meeting.

"The Store That Lowered Prices In Ozona"

THE TENTH HAS COME AND GONE! Have You Paid Your APRIL DRUG BILL?

If not, we ask that you please do so at once in order that you may continue to enjoy the privileges of a charge account.

It is not from choice but from necessity that we have adopted a policy of STRICTLY 30-DAY BASIS for all credit business. Your drug stores have served you faithfully, at all hours of the day and night, handled your accounts just as leniently as possible and at the same time maintaining just as narrow margins of profit as possible under conditions.

Throughout the period of economic stress through which we are passing, your drug stores have been forced to remain constantly on a virtual cash basis with the wholesalers. We have been forced to pay our bills promptly every month. The accumulation of several thousand dollars in account on our books has resulted in a financial strain that forces us to adopt this new policy of insisting on prompt payment of all current accounts by the tenth of each month.

Announcement of this policy was made last week in a joint statement from your drug stores. "All accounts MUST BE PAID by the 10th of the month or further credit cannot be extended," was the rule laid down in that announcement. It is not to our liking to enforce this policy, but we have no choice in the matter. If we are to survive the present crisis, we must have prompt payment of all accounts each month so that we may have money for operating expenses and for replenishing our stocks.

We feel sure that all of our customers will understand our plight and will co-operate to the fullest with us. We sincerely hope that both we and our customers will be saved as much embarrassment as possible in enforcement of this policy by your honest efforts to observe its rule to the letter.

We deeply appreciate your business and hope that the cordial relations which we have enjoyed in the past will continue in the future.
