PTA Celebrates Founders' Day

Birthday Cake And Program To Feature Meet February 19

The Parent-Teacher Association is making plans for the annual Founders' Day Program, commemorating the founding of the National Congress of Parents and Teachers, which will be held February 19th, in the High School Auditorium at 3:15 p. m.

On February 17, 1897, this organization was launched as the National Congress of Mothers by a group led by Mrs. Theodore W. Birney and Mrs. Phoebe A. Hearst. In 1908 it was voted to change the name to National Congress of Mothers and Parent-Teacher Associations, and in 1915 the present name was given it "The National Congress of Parents and Teachers."

The 6th and 7th grades under the direction of Mrs. Tommy Hunter and Miss Mildred North will present a Pageant on Founders' Day. They are busy working on it now.

Mrs. Joe Pierce is leader of the program. The invocation will be given by Mrs. W. A. Kay. The Congress song "A Little Child Shall Lead" will be given as a vocal solo by Mrs. H. B. Tandy.

"The Challenge of Responsibility" will be fully discussed by Mr. John L. Bishop. Miss Aleen Hampton will be heard in one of her delightful piano solos.

Mrs. Thomas Head the Sixth District President or one of the District Vice Presidents will be a special guest on this occasion.

A Birthday cake with all its symbols will be cut and served to those present by the hostesses Mrs. Bruce Drake, Mrs. Evert White, Mrs. Massie West, Mrs. Monroe Baggett, Mrs. Floyd Henderson, Mrs. C. J. Watts, Mrs. Will Johnson and Mrs. A. H. Wilson.

Ozona Cage Star Doubly Honored At Big Lake Meet

S. W. Westfall, captain and star forward of the 1934 Ozona High School basketball team, was showered with honors when the Lions took part in the sixth annual basketball tournament at Big Lake last week.

Westfall was selected on the All tournament team at guard position and was awarded a gold basketball in recognition of this honor.

He was also awarded a \$2,000 life insurance policy, paid up for one year, the gift of an insurance agent there, upon his selection by a committee of spectators and officials as the best all-round sports man in the tournament.

Donaho Moves His Service Station To Wilson Building

The Donaho and Quist Service Station, operated for the past several years in the Humble building on Powell Avenue, was moved this week to the Wilson building, recently vacated by the Palmer Motor Company.

Louis Donaho, proprietor, will be in charge of the service department of the Buick and Pontiac agency to be operated in that building by Bob Weaver. The first of the new line of Buicks and Pontiacs are expected to be on the showroom floor within the next few days.

Richard Miller, operator of the Magnolia Service Station, will continue in the operation of his filling station under the new management of the garage.

HELD ON THEFT CHARGE

Theft charges were filed here last week in justice court against David Anderson in connection with the alleged theft of a bag of wool from P. T. Robison. The wool is alleged to have been taken to San Angelo and offered for sale.

First Lady Studies Rural Housing

Mrs. Franklin D. Roosevelt meeting with a group of women CWA workers in the Warrenton (Va.) post office to discuss child health, schools and libraries and the rural housing survey in Fauquier county. Left to right: Miss Ellen Agnew, in charge of CWA work for women of Virginia; Dr. Louise Stanley, chief of the bureau of home economics of the Department of Agriculture; Mrs. Ellen S. Woodward, and Mrs. Roosevelt.

Peters Home, With Native Rock Walls And Chimney Of Unique Interest, To Be One Of Most Novel In West Texas

One of the most novel and attractive homes in West Texas will be that of Mr. and Mrs. Scott Peters of Ozona when remodeling work now in progress on the home is completed.

Walls of native rocks, carefully selected for color, shape and strength and set in cement mortar are being constructed against the present frame structure. Some of the most beautiful rocks to be found on West Texas hills have been gathered to go into the walls, and when the work is completed the heavy rock walls will be an addition in attractiveness and utility as well.

The native rock walls will harmonize with the novel chimney recently constructed under Mrs. Peters' supervision when the interior of the home was undergoing remodeling. Mrs. Peters is justly proud of this chimney, one that is unique, no doubt, in the entire nation.

The chimney is built of stone which at the most casual glance presents an attractive appearance. But a close examination of the various rocks used in its construction will reveal a variety of novel and interesting pieces, gathered from all parts of the country.

Most of the stones, of course, are native to Crockett County, gathered from every part of the county, but many of these have particular interest attached to them from either their historic value or as curios. Included in this category are bits of petrified wood, huge petrified snail shells, relics reminiscent of Indian lore, crystal quartz from caves and hundreds of other beautiful and interesting pieces.

The chimney also contains rock gathered in Arkansas, a piece of gold ore from a Colorado mine, volcanic lava, and interesting bits of stone gathered here and there and given to Mrs. Peters by friends.

Lions Show Power In Big Lake Meet

Local Cagers Beat Odessa, McCamey And Loze To Forsan

Coach Ted White's Ozona Lions made themselves seen and heard at the sixth annual Big Lake basketball tournament at the Reagan County capital Friday and Saturday of last week.

The locals, in the under-dog position in their opening encounter with Odessa, rang the gong for a 28 to 24 victory over the Odessa crew in one of the most thrilling games of the tournament, an encounter which went two extra periods before the deciding scores.

The Lions again took the measure of a tough opponent when they trounced the strong McCamey five 24 to 18. Saturday afternoon however, they were eliminated from the competition by the Forsan crew, in the opinion of Coach White the strongest team entered in the tournament. The score was 30 to 20. Forsan, however, was playing a hard schedule and was eliminated in the semi-finals by the weaker San Angelo Junior High. The San Angelo Juniors were roundly beaten by the Crane Cranes for the tournament championship.

Mr. and Mrs. Joe Oberkamp and Mr. and Mrs. Warren Clayton were among the Ozona visitors to San Angelo Wednesday.

Schubert-Schumann Topic For Study At Music Club Feb. 15

The Ozona Music Club will meet in its regular meeting February 15th, at the home of Mrs. Joe Oberkamp, with Mrs. Max Schneemann as assisting hostess. The program will be on Schubert—Schumann and their music. Mrs. Charles Williams is leader of the program, which will be as follows:

"Short Sketch of Schubert" by Mrs. John L. Bishop.

Piano Solo—"Scherzo"—Schubert—Mrs. Ira Carson.

The Chorus—"Who is Sylvia?"—Club.

"Schubert Serenade" as a vocal duet—Mrs. H. B. Tandy and Mrs. F. T. McIntire.

"Interesting Facts in Schumann's Life"—Mrs. A. C. Hoover.

Vocal Solo—"Thou Art Like a Flower"—Schumann—Mrs. L. B. Cox.

Reading—"To a Sky Lark" from Wordsworth—Mrs. Vernon Cox.

Piano Solo—"Novellette in F"—Schumann—Mrs. W. N. Hannah.

Vocal Solo—"The Lotus Flower"—Schumann—Mrs. Bryan McDonald.

The club is busy getting ready to have its Guest Day Program which will be given March 15th. Each member is allowed to invite one guest to this program. The committee to arrange this program is composed of Miss Maxine Murdock, Mrs. Paul Perner, Mrs. Royce Smith, and Mrs. George Bean, the place to be announced later.

Stockholders Of Fair Assn. Meet

Election Of Officers And Plans For Show To Be Discussed

A call will be issued in the next few days to stockholders of the Crockett County Fair Association for a meeting to be held at the Hotel Ozona on Saturday evening, February 17.

This will be the annual meeting of the association for the election of officers and directors of the association and to make definite decision and lay plans for the eighth annual Rodeo, Race Meet, Stock Show and Sale here next summer.

EDW. BREMER IS RETURNED

Man Held By Kidnappers 3 Weeks Safe With Family

Edward Bremer, who has been held captive by kidnapers for 22 days, was safely returned to his family in St. Paul, Minn., this morning, according to radio reports.

Bremer, president and owner of the Commercial State Bank at St. Paul, was seized January 17. Fruitless efforts had been made by his father, Adolph Bremer, during the three weeks of his captivity to establish satisfactory communication with the kidnapers. Further than the fact that he had been safely returned, details were lacking in the radio report.

Baptist Men Plan "Baseball" Game With Methodists

Men of the Ozona Baptist Church will meet at the church tonight (Thursday) at 7:45 for their first work-out in preparation for a matched "baseball" game with men of the Methodist church. The game is played with darts thrown at a board, with all possible plays in baseball marked off on its surface.

One of the "baseball" boards has been in operation at the Methodist Round-Up each month and the Methodist men have become quite adept at play. However, A. W. Jones, promoter and manager of the Baptist team, is confident that his hearties can overcome the advantage of practice and as soon as he has his team in shape, plans to fling a challenge at the Methodists.

Dist. President To Visit Club

Mrs. Joseph Perkins Of Eastland To Attend Local Club Meet

Mrs. Joseph Perkins of Eastland, president of the Sixth District, Texas Federation of Women's Clubs, and the secretary-treasurer of the district, Mrs. Horton of Eastland, and members of the newly organized Sheffield Study Club, will be special guests of the Ozona Woman's Club at its Texas Day program here on March 13, it was announced this week by the local president, Mrs. Ira Carson.

The Ozona Club assisted in the organization of the Sheffield club early in December. The organization is now functioning and has launched its year's program with a strong membership.

Mrs. Joe Oberkamp and Mrs. Judge Montgomery will be hostesses to the club for its Texas Day program honoring the district president and the other guests. Miss Elizabeth Fussell will lead the program.

TEN TEAMS EXPECTED HERE FOR THIRD ANNUAL BASKET TOURNAMENT FRI. AND SAT.

THE SCHEDULE

At an impartial drawing held here last night, the following order of play in the eliminations for the third annual basketball tournament here Friday and Saturday was determined:

Friday Afternoon
3:15—Ozona vs Barnhart
4:15—Rankin vs Sanderson
5:00—Eldorado vs Mertzon
Friday Night
7:00—Crane vs Rocksprings
8:00—Big Lake vs Comstock
Saturday Morning
9:00—Iraan vs San Angelo Junior High. (Tentative.)

P.T.A. To Sell Refreshments At Basket Tourney

Home-made sandwiches and cold bottled drinks will be sold during the basketball tournament at the High School gymnasium Friday and Saturday for the benefit of the local Parent-Teacher Association, it was announced yesterday. Mrs. George Bean is in charge of the sales.

A booth will be established in the hallway entrance and school girls will pass through the stand offering the refreshments for sale. Proceeds will go into the association's treasury.

Brother Of C. S. Denham Of Ozona Dies In Ft. Worth

R. N. Denham, a brother of C. S. Denham, principal of the Ozona High School, died in a Fort Worth hospital Friday night as a result of an attack of pneumonia, which developed a few days before. Mr. and Mrs. Denham left here Wednesday of last week on receipt of word of the brother's critical illness and were with him when death claimed him.

Funeral services were held Sunday at Slaton, Texas. Surviving are a wife and four children.

Appeal Issued For Rooms In Homes Of Ozona For Visitors

More than a hundred boys from neighboring towns will be in Ozona next Friday and Saturday for the basketball tournament. An appeal was issued this week by school authorities to Ozona people to help house these visitors during their two-day stay here. Having made several tournaments so far this season, many of the teams find themselves in strained financial circumstances and would appreciate a place to sleep Friday night.

Persons who are willing to house one or more of these visitors are asked to phone R. B. Ingham, Jr., chairman of the housing committee, or the Stockman office and their names will be listed and the boys placed when they arrive.

Betty Grimmer Back After Operation To Repair Broken Knee

Mrs. W. J. Grimmer returned the first of the week with her daughter, Betty, who underwent an operation in Dallas to repair a broken bone in the knee joint suffered when she fell from her bicycle here recently.

The injured leg is encased in a plaster cast which the child will wear two weeks. At the end of that time, she will be returned to Dallas for a two weeks stay after the cast is removed. Operating surgeons were confident that the unusual break would heal without complications.

Say "I saw it in the Stockman."

The stage is all set for Ozona's third annual invitation Basketball Tournament to be held in the High School gymnasium Friday and Saturday of this week, Coach Ted White announced yesterday. Approximately ten teams from nearby West Texas towns are expected to participate in the competition for the two silver loving cups being offered by the athletic department to winners of the tournament and the consolation winner.

Definite acceptances have been received from high school teams from Comstock, Eldorado, Rocksprings, Rankin, Big Lake, Barnhart, Mertzon and Crane, the champion team of the Big Lake tournament last week. Teams from Iraan and the San Angelo Junior High are also expected to enter the meet.

The tournament will get under way at 3 o'clock Friday afternoon when the first of the elimination games will start. Eliminations will continue through Friday night and Saturday morning, the Friday night session to start at 7 o'clock and Saturday morning at 9 o'clock. The semi-finals will come Saturday afternoon, starting at 1 o'clock, and the finals Saturday night beginning at 7 o'clock.

The keenest competition ever witnessed in the local tournament is expected this year. The teams showed themselves more evenly matched at the Big Lake tourney last week than they have in the last three years, Coach White said, and some highly interesting games are promised in the local meet.

Season tickets for the two day meet, good for all games, are now on sale, adult tickets being priced at \$1 and student tickets at 50 cents. The east door of the gymnasium will be used for the entrance, it was announced. Guinn Carruthers will referee the tournament games, Coach Griffin of Sonora, assisting him. John L. Bishop will be official score keeper.

Mrs. McDonald Is Music Club Head

Officers Named By Group At Regular Meeting Here

Mrs. Bryan McDonald was elected president of the Ozona Music Club at the regular meeting Thursday at the home of Mrs. Joe Pierce. Mrs. Fred Deaton and Mrs. Neal Hannah were assisting hostesses.

Other officers named included Mrs. Roger Dudley, vice president; Mrs. George Bean, secretary-treasurer; Mrs. Joe Davidson, corresponding secretary; Mrs. Will Grimmer, parliamentarian; Mrs. H. B. Tandy, critic; Miss Maxine Murdock, accompanist; Miss Aleen Hampton, director.

The program was "Negro Music," with Mrs. Lee Childress as leader.

"The Negro and His Music" was given in a most interesting way by Mrs. Paul Perner. The club sang the two choruses, "Old Black Joe" and "Dixie." A piano solo, "Easin' Along," was well rendered by Mrs. H. B. Tandy. Two numbers, "Carry Me Back to Old Virginia" and "I Couldn't Hear Nobody Pray," were sung by a quartet by Mrs. Bob Weaver, Mrs. Ira Carson, Mrs. Victor Pierce, Mrs. Bright Baggett.

"Tribute to Stephen Foster," was given by Mrs. George Bean. The vocal solo, "Without a Song," was sung by Mrs. Bryan McDonald. The piano solo, "Lullaby" from "Tribute to Foster," was played by Miss Aleen Hampton. "By'n By" and "Weeping Mary" were sung as sextet by Mrs. Lee Childress, Mrs. Bryan McDonald, Mrs. Roger Dudley, Mrs. Joe Davidson, Miss Dixie Davidson, Miss

DEATH ON THE RADIATOR

About one out of every ten of the automobiles that use the public streets and highways, should wear as an emblem a large, staring death's head.

It wouldn't be a pretty sight. But it would be an accurate symbol. Ten per cent of motorists are responsible for our gigantic death and injury toll. Not all of them, of course, have an accident every year. But they all take chances. They are irresponsible or incompetent or congenitally careless. They drive cars with defective breaks and steering mechanics and poor lights. They cut in and out of traffic, missing oncoming cars by an eyelash and feeling a thrill of achievement while doing it. They pass on hills and curves, and regard even the most basic and sensible traffic laws as being inimical obstacles which should be avoided whenever possible. They drive at high speeds when road and traffic conditions make it exceedingly dangerous.

And—every year—they leave behind them 30,000 corpses and hundreds of thousands of injured persons whose sole offense was that they happened to be present when the reckless driver was taking one of the chances he didn't get away with.

Yes, there should be the emblem of death on a long line of automobiles which otherwise look no different than any other cars of their kind. This suggestion may make some of the reckless drivers think twice before running a risk the next time.

SOMETHING NEW IN TRAINS

The Union Pacific Railroad started something new in transportation with its stream-line, three-car train. Always a pioneer, this railroad has set a pace that will revolutionize passenger transportation in the United States.

The fastest trains now take 76 hours from coast to coast. This new type train can probably cover the distance in 38 hours, or less, as roadbeds are improved.

From the standpoint of comfort, these new trains will surpass anything ever before offered to the traveler. From the standpoint of safety, they are following modern automotive methods. Center of gravity will be 20 per cent lower than in old railroad cars, putting the weight nearer the ground where it ought to be. This will give better balance, less sway when taking the curves and cause the cars to "hug the rails."

Just as the modern automobile combines greater safety with greater speed, so will these trains bring a new day in railroad transportation.

Thus does this railroad pioneer slay the ghost of antiquated methods.

EDIT

INTELLIGENT CRITICISM

Writing in the United States News, David Lawrence says: "Today we are not concerned with the eventual alignment of parties or their opportunities to retain or regain power. We are eager to get from the minority groups a demonstration only of intelligent criticism, helpful suggestion, honest debate and factual persuasiveness to the end that economic recovery may be found for us all."

WHEN TO STOP ADVERTISING

When every man has become so thoroughly a creature of habit that he will certainly buy this year where he bought last year.

When younger and fresher and spunkier concerns in your line cease starting up and using the newspapers in telling the people how much better they can do for them than you can.

When nobody thinks "it pays to advertise."

When population ceases to multiply and the generations that crowd on after you, and never heard of you, stop coming on.

When you have convinced everybody, whose life will touch yours, that you have better goods and lower prices than they can get anywhere outside your store.

When you perceive it to be the rule than men who never do and never did advertise are outstripping their neighbors in the same line of business.

When men stop making fortunes right in your sight, solely through the discreet use of this mighty agent.

When you can forget the words of the shrewdest and most successful business men concerning the main cause of their prosperity.

When you would rather have your own way and fail than take

advice and win. When you want to get out of business with a stock on hand. When you want to get rid of the trouble of waiting on customers.

PROPHETS OF DOOM

Luckily for humanity, it still maintains a saving sense of humor. Were this not so, the wailings of the pessimists would drive us all crazy. For surely there is no lack of prophets of doom to harry us with their doleful warnings that the world is going to pot. Each long-faced brother solemnly assures us that unless his particular panacea for saving the race shall be speedily adopted there is no hope. Modernism, flapperism, automobiles, hootch, movies, dancing, bridge and cigarettes singly or in combination, constitute the outstanding menace, according to the viewpoint of the particular alarmist who happens to have the floor.

Thus, after listening to these apostles of doom, with a more or less pronounced feeling of boredom, unregenerate humanity turns to the funny page and smiles at the varying fortune of Jiggs and Andy Gump.

This does not mean that the average person is indifferent to the evil in the world. It means that sensible people recognize the in-

herent weakness and folly of humanity, and refuse to become unduly excited about it. They realize the futility of trying to carry the world's burdens on their shoulders, though they seek to be helpful in practical ways. They courageously face the things that are, while sanely striving for the things that ought to be.—Herald, Florence, Ala.

Influenza Calls For Extreme Care To Avoid Danger

Austin, Tex., Feb. 7.—Influenza while not of such prevalence as last year, is still occurring frequently enough to cause alarm, according to Dr. John W. Brown, State Health Officer.

In its present form, its symptoms may range from a common cold to high fever, backache, and prostration. However, pneumonia as a complication represents the real hazard. And, as is well known pneumonia is an exceedingly dangerous foe. The remedy is bed upon the first appearance of a cold, and remaining there until advised by the physician that one can safely get out of it.

Everyone should realize that in its mildest form influenza can easily become a very serious matter. Of course, prevention is better than cure. While influenza seems to be no respecter of persons, the careful observance of a few common sense rules will markedly strengthen one's resistance to an attack. Some of these are:

- As far as possible, avoid intimate contact with members of the family who have colds or influenza.
- Keep the feet dry.
- Wash the hands thoroughly before meals.
- Avoid unnecessary fatigue.
- See that your alimentary system is regular and active.

New Merchandising Policy Announced By Chevrolet Motor

Detroit, Mich., Feb. 6.—A new automobile merchandising policy whereby the purchaser will be apprised of the full cost of his automobile delivered in front of his door, rather than having to rely on ambiguous "f.o.b." prices, was announced here today as effective immediately in the entire Chevrolet organization by Williams E. Holler, general sales manager of the company.

A campaign is now being launched among dealers and retail salesmen in all parts of the United States instructing them in the new policy and apprising them of the suggested delivered price to be quoted in their respective communities.

"We are going to take the blinders off the order blank," Mr. Holler stated. "We are going to let everybody know exactly how much

their cars will cost them delivered in front of their doors. We are going to show exactly what makes up the difference between the list, or f.o.b. price, and the final delivered cost.

Mr. Holler announced the new merchandising plan at his Detroit headquarters following his return from the New York Automobile Show, where final arrangements on the new policy were perfected.

As an instance of what the new procedure means to car buyers, Mr. Holler pointed out that while list prices on the company's new 1934 models average \$70 higher than in 1933, the actual increase in cost to the purchaser in New York is only \$40. While the list, or "f.o.b." price, throughout the United States averages 14 per cent above 1933, the delivered costs actually average only eight per cent higher.

"I am confident," said Mr. Holler, "that this plan will enable us to deliver automobiles all over the country at a lower price to the

purchaser than any other make of volume car."

Retail Sales Show Heavy Gain In Dec. Over That of Year Ago

Austin, Texas, Feb. 7.—A gain of 56 per cent was recorded in dollar sales in 91 Texas retail stores during December as compared with those in November, and 22 per cent gain above December, 1932, was reported, according to the University of Texas Bureau of Business Research. The average increase in sales from November to December during the past seven years has been 52 per cent. Sales for the entire year of 1933 were a fraction of 1 per cent above those of 1932. Cities in which sales for 1933 were greater than in 1932 were, in the order named, as follows: Port Arthur, Abilene, Wichita Falls, San Angelo, Houston, Dallas, Waco, Fort Worth and Austin.

Collections for December showed a marked improvement over those for December a year ago, the ratio of collections to outstanding accounts for December, 1933, being 35 per cent, against 30 per cent for December, 1932.

Shearing Captains Deny Charge That They Are Behind Shearers' Union In Agitation For Shearing Price Raise

In a prepared statement, submitted to The Stockman this week by Andres Aguirre, on behalf of shearing captains of this section, the captains vigorously deny implications in recent published statements that they are behind the Shearers' Union in its campaign for a raise in shearing prices this spring. The shearing captains declare they are not affiliated with the unions in any way and present their side of the controversy in the following declaration:

"In a recent issue of a newspaper of San Angelo, Texas, there appeared an article in which, among other things, Mr. T. A. Kincaid, President of the Sheep and Goat Raisers' Association, said that he had reasons to believe that some of the Shearing Captains were at the bottom of the newly organized Sheep Shearers' Union.

"This is erroneous, and we wish to make a declaration to the effect that the captains have never had and have not anything to do with reference to organizing the said Union and are not affiliated with the same in any way.

"For this reason, and knowing that there is now organized a Sheep Shearers' Union, with their headquarters at Del Rio, Texas, we took the liberty of calling a meeting, through the press, of all shearing Captains, and at the same time requesting the Sheep & Goat Raisers Assn. to send their representative to this meeting which was to take place at Del Rio, Texas, on February 1. We earnestly believed that this would be the way, for all concerned, to arrive at an ultimate agreement regarding the price to be paid for the shearing this spring. The meeting in reference did take place on February 1, as stated, and there were forty-five (45) shearing Captains, from various parts, present, who met with the General Representative of the Sheep Shearers' Union.

"We did this for the reason that we wanted to agree as to the price to be paid for shearing this year. However, not one representative of the Sheep & Goat Raisers' Association, nor ranchman, was present at the meeting. We were told by Mr. Ignacio Andrade, Captain, Del Rio, that he had received notice from Mr. T. A. Kincaid, President of the Sheep & Goat Raisers' Association, that he would not be able to attend our meeting for the reason that he failed to have the authority to do so; that to attend he would be

obliged to have the request from at least ten members of the Association. This we regret, as we had hoped that in this way we would be able to arrive at a satisfactory agreement as to the price question which would affect all of us that are concerned.

"However, we did all possible to make a satisfactory agreement with the representatives of the Shearers' Union—we offered to split the difference, etc. and were informed by said representative of the Union, that they have fixed the price at four cents for goats and six cents for sheep. We explained that if we were obliged to pay these prices, that we in turn would have to raise our price to at least seven cents for goats and ten cents for sheep, being as we, the captains, have considerable capital invested in machines, rucks and other machinery, and also take upon ourselves the responsibility of complying with our contracts made with the Ranchmen in all cases.

"It is a well known fact that we have to furnish board or meals to the shearers at all times when out at work, and we necessarily have to take into consideration or allow for any bad weather, such as rain, which causes a loss to us, for we are obliged to furnish board to the men during such bad weather.

"We, the captains, do honestly believe that we are entitled to make a reasonable profit on our investment and for our effort and work in complying with our contracts made with the ranchmen, and furthermore, since it is a known fact, that we have worked hard to accumulate a small working capital and machinery used in the business, and it would not be possible for us to make expenses charging the ranchmen five and eight cents, respectively, if we are going to have to pay the Shearers' Union price which they are now demanding."

TO UNDERGO OPERATION

Mrs. J. H. Meredith, who is in a Temple hospital, is expected to undergo an operation there the end of this week. Rev. Meredith, pastor of the Ozona Methodist Church, returned here the first of the week to attend his affairs here before returning to Temple to be with Mrs. Meredith. He attended the district Methodist meeting in San Angelo Wednesday and went from there to Temple.

Rodeo Added To Fat Stock Show

San Angelo To Entertain West Texans March 4 to 7

SAN ANGELO, Feb. 7.—A three-day race meet and rodeo to be held in connection with the Third Annual San Angelo Fat Stock Show and Hereford Show and Sale here next month, was announced this week by J. Culbertson Deal, general manager.

Announcement was also made that the show, sale and meet will be held at the Fairgrounds north of the city instead of at the old Henshaw polo field where it has been held for the last two years.

The Board of City Development, sponsor of the affair, will make improvements to Fairgrounds buildings to take care of the stock.

Admission Price Low

General admission prices of 25 cents for adults and 10 cents for children under 12 years of age were set. Exhibitors will be exempt and one admission ticket is good for all attractions. General admission to the Fort Worth show is 50 cents with \$1 extra for the rodeo.

The horse race meet and rodeo, for which \$1,500 in prizes is being provided, will extend the show by one day, the new dates being March 4, 5, 6 and 7. The show opens Sunday, March 4 and the rodeo and race meet will be held Monday, Tuesday and Wednesday.

Rodeo events will be open to all amateurs of West Texas.

Addition to the \$1,500 prize money brings to \$3,500 the total money to be awarded for the show and meet.

Entry Date Is Feb. 24

Entries for the Fat Stock Show must be made by Feb. 24. To date more than 700 animals have been entered and possibly 1,500 are expected in all divisions of the exposition.

Thirty-eight Herefords were entered in the Hereford sale at the closing of entries Monday. Three additional bulls were consigned by Winston Brothers of Snyder and four by C. A. Broome of San Angelo.

The sale of club calves will be held Tuesday morning, March 6, instead of in the afternoon as first announced. Judging of Herefords and club vocational agricultural boys' calves will be held Monday morning instead of in the afternoon.

Hereford Sale March 7

The Hereford sale will be held Wednesday morning, March 7, instead of Monday afternoon, March 6.

Wallace Dameron, superintendent of the ranch experiment station between Sonora and Rock Springs, has been announced as judge of the boys' registered sheep and goats.

There have been 103 sheep and goats registered so far by club boys and vocational agriculture students. Eighty-eight calves and

Your ELECTRIC Rate is What You Make It

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

PROFIT By the Bargains We Offer...

Electricity is not a commodity... but a service. It is a magic force which appliances transform into constructive energy. Electricity cooks meals, heats water, refrigerates food, lights homes, cleans carpets and furniture, washes clothes, produces beautiful radio programs... and does all these important things better than any other method!

You can earn bargain electric rates by enjoying more of the "Electrical Servants" you have always wanted. You pay a great deal less per unit for electricity to operate a range, refrigerator, water heater or other money-saving appliances than you pay if you limit your use to lighting only. Many of our customers have reduced their average rate 50 per cent or more by enjoying a modern, electrified home.

NOW IS THE TIME to make your home modern! Our rates make the use of appliances truly economical, and present easy terms permit you to enjoy appliances while you pay! Investigate... TODAY!
