Texon Takes Heart-Breaking Twelve Inning Game From Giants On Miscues; Locals Drop Saturday Game Same Way

Miscues in the clutches cost the Ozona Giants two well-earned ball games the week-end when Snipe Conley and his Texon Oilers swept through for two wins both Saturday and Sunday, the latter a heart-breaking twelve inning affair that should have been Ozona's game by all odds.

Saturday's fracas went to Texon by a score of 6 to 2, only two of Texon's runs being earned. The extra inning Sunday game was Texon's by an 8-7 count.

The Sunday game in Texon, attended by a large delegation of Ozona fans, was one of the most thrilling games of the season in the entire league schedule. The Giants tied up the count three all in the first half of the ninth and looked like sure winners when they pushed over for a two-run lead in the tenth. But the Texon crew came back in their half with the heavy bats and rapped out three heavy blows for two runs and another tied game. The eleventh was scoreless, but both teams had runners on base.

Thrills Plentiful

Again in the twelfth the Giants looked like a sure bet when they again shoved over two runs, but again the Oilers woke up and on a flock of errors counted three runs, one too many.

Texon scored two in the third inning when Sanders, pitching for Ozona, who had pitched air tight the first two frames, let down. He walked Harston and Housewright, hit Gentry and threw three straight balls to McMillan before being relieved by Eddie Ratliff, dependable all-round baseball player, who pitched a splendid game of baseball through the balance of the game. McMillan walked in that inning, scoring Harston and Housewright scored on a long fly out to outfield.

The Giants scored one in the fourth when Rex Russell beat out an infield hit and was advanced to third on Andrews' double and scored on Frank Russell's single. In the next frame, however, the Texon crew widened their lead when Harston secured a base on balls and scored on McMillan's triple to right.

With two men out, the Giants started a drive in the seventh to score one run. Weickline was safe on Harston's error. Dorley walked and Weickline scored on Ratliff's single to right. The Giants tied it up in the ninth when Dorley singled, advanced on Grant's error, went to third on a passed ball, and scored on Ratliff's single.

Two In Tenth

In the tenth, the Giants again came to life with two men out. Cox had singled to right, but was out trying to stretch it to two bases, and Frank Russell lined to Housewright. Beeler Brown slapped one to right that McMillan

Office Seekers Must File Sat.

June 16 Last Day For County And Precinct Candidates

Saturday, June 16, is the last day for county and precinct candidates to file their names for places on the ballot for the July primary. Time for state and district candidates closed June 4.

On June 25, the county Democratic committee prepares the official ballot and absentee voting begins July 8. Absentee voting in person ends July 25 and absentee voting by mail ends July 26. The first primary election will be held Saturday, July 28, and the second primary is slated for August 23.

Miss Los Angeles

Miss Mercedes McNatt was chosen "Miss Los Angeles" in a contest with more than 200 California beauties, and will be a candidate for the title "Miss California" at the state fair in September. Mercedes is eighteen years old and weighs 115 pounds.

Crockett Rancher Accident Victim

Austin Millsbaugh Suffers Broken Leg In Fatal Crash

Austin Millsbaugh, son of Mr. and Mrs. Sid Millsbaugh, Crockett County ranchers, suffered a broken left leg and other injuries in an automobile accident Tuesday night 11 miles west of McCamey in which John A. Allison, 57, an employe on the Millsbaugh ranch near Kent, was instantly killed.

Allison was driving the truck, according to reports, and fell asleep, the truck plunging into a ditch and turning over, killing Allison instantly and seriously injuring Millsbaugh. Millsbaugh suffered a broken bone in the left leg and a badly bruised shoulder and other minor injuries, friends here learned yesterday morning. He was being taken to San Angelo for X-Ray examination to determine the exact extent of his injuries.

Mrs. Butler And Mrs. Kay Are Hostesses To Mission Groups

The A. E. Nelson Circle of the Baptist W.M.U. met Wednesday afternoon with Mrs. S. L. Butler for its regular Bible study program. Those present were Mrs. J. C. Butler, Mrs. O. W. Smith, Mrs. R. O. Smith, Mrs. Hugh Gray, Mrs. J. H. McClure, Miss Louise Crowder and Mrs. S. L. Butler. The circle will meet next week at the ranch home of Mrs. Ernest Dunlap.

The Lottie Moon circle met at the ranch home of Mrs. W. A. Kay for its Bible study program. Refreshments of ice cream and cake were served to the following: Mrs. H. A. Moore, Mrs. John Pettit, Mrs. W. A. Grandy, Mrs. W. L. Wilkins, Mrs. C. C. Pharr, Mrs. A. E. Deland, Mrs. Tom Squyres, Mrs. Kay and Misses Maybelle Taylor, Dollye Cooke, Pauline Wilkins and Alberta Kay. The circle will meet next week with Mrs. W. S. Willis.

Mrs. Sid Schwabe returned Friday from San Angelo where she has been in a hospital undergoing medical treatment.

Norris Creath Is Victim Of Rattle Snake Bite Sat.

Member University Surveying Crew Recovering From Venom

Norris Creath, a member of the University land surveying crew, working out of Ozona the past four years, is at his home in San Angelo recovering from the effects of a rattle snake bite suffered Saturday while at work with other members of the crew surveying out fence lines at the site of the new McDonald astronomical observatory near Fort Davis.

The reptile sunk its fangs in Mr. Creath's right hand. A tourniquet was hastily applied by fellow workers and the wound slit open. Frank Friend, in charge of the surveying crew, sucked the poison from the wound and the victim was rushed to Fort Davis where a physician administered anti-venom serum. He is reported out of danger this week.

Accident Victim Is Sent To Home After Broken Arm Treated

A penniless transient, suffering from some form of nervous disorder, was brought into the office of Dr. H. B. Tandy Monday suffering from a broken arm which he said resulted when he was run over by a truck on the road north of Ozona. The man had been in Ozona several days and had been ordered by officers to leave.

The broken arm was treated by Dr. Tandy and the county purchased a bus ticket and sent the man to San Marcos, where he said he had relatives who would take care of him.

Fulmer Infant Is Buried Wednesday

The body of Ada Fulmer, infant daughter of Rev. and Mrs. M. M. Fulmer, who died shortly after birth in San Angelo Tuesday, was buried in Cedar Hill Cemetery here Wednesday morning, following private funeral services held from the home. Rev. J. D. Foreman, pastor of the First Baptist Church in San Angelo, was in charge of services.

Mr. and Mrs. George Bean and children left this morning for a visit in Hillsboro with Mrs. Bean's mother. They will also visit in Houston and San Antonio before returning home.

\$1000 Saving On Fire Insurance

15 Percent Rate Reduction Granted Thru Effort Of Lions

Property owners of Ozona will realize an annual saving of approximately \$1,000 in fire insurance premiums, effective on all policies written after June 1, 1934, as a result of recent action of the Ozona Lions Club in bringing about the appointment of a fire marshal for the town.

Notice was received by local fire insurance agents yesterday from the state Fire Insurance department advising that a 15 percent reduction in the local premium rate had been granted on the strength of appointment of the marshal. Credits on all policies written after June 1, were being written after June 1, were being noted by local agents this morning and the total savings as a result of the reduction is estimated by these agents at approximately \$1,000 a year.

Appointment of the fire marshal was made by the Lions Club following an investigation of the procedure necessary to secure the reduction. R. O. Smith, was named as marshal and is making regular reports to the department on various phases of local fire risks, thus complying with requirements of the department for granting the reduction in premium rates.

California's New Governor Sworn In

Lieut. Gov. Frank F. Merriam (left) is here being sworn in as governor of California following the death of Gov. James Rolph, Jr. The oath was administered by Superior Court Judge F. C. Collier of Los Angeles.

Giants To Play Ballinger Sun.

Wind-Up First Half Of League Season In Twin Bill

The Ozona Giants will wind up their first half schedule in the West Texas Independent League on the home diamond Sunday afternoon when they engage the Ballinger team, underdogs in the league pennant chase, in a double header bill.

The Ballinger team is still in the blank in the league percentage column. The team has been pounded and ground down mercilessly by the other three teams in the circuit, but still comes back for more. The Giants beat them by a one-sided score in a double header bill at Ballinger early in the season and this will be the first appearance of the Runcels crew on the Ozona diamond.

The first game will start at 2 o'clock Sunday afternoon. Both Ozona and Ballinger are definitely out of the running for the first half championship. Texon has only to take one of the two-game series this week-end from the San Angelo Sheep Herders to win the flag. The games are to be played in Texon and, barring a top rank game on the part of Otis Reed, San Angelo umpire and chief game winner of the Herder aggregation, Snipe Conley and his Oilers will play the Herders two straight.

Grand High Priest To Visit Chapter

J. Lee Zumwalt of Dallas To Meet With Masons Friday

J. Lee Zumwalt, Grand High Priest of the Royal Arch Chapter of Texas, will visit the Ozona Chapter Friday afternoon, June 22, at 3 o'clock while on a two-weeks tour of chapters in this section of West Texas. Mr. Zumwalt will be accompanied by Mr. Simmons, Grand Visitor of Texas.

Letters advising the date of the local visit and the itinerary of the West Texas tour were received here this week by Judge Charles E. Davidson, Grand Visitor of the 55th District, and E. B. Baggett, Jr., High Priest of the Ozona Chapter, Royal Arch Masons.

The Grand High Priest will hold a meeting in Del Rio Thursday evening and Friday morning will meet with the Sonora Chapter, driving from Sonora here for the afternoon meeting. From here he and Mr. Simmons will go to Fort Stockton for a meeting Friday evening.

The local meeting will open at 2 o'clock. All Royal Arch Masons of Ozona and surrounding territory are invited to attend the special meeting.

Miss Wayne Augustine is hostess to Las Amigas Club at her home this afternoon.

New Loudspeaker System For Rodeo

Most Powerful System Ever Used To Be In Operation

A new and more powerful loud speaker system is to be installed in the grandstand for the eighth annual Crockett County Rodeo, Race Meet, Stock Show and Sale to be held here July 3, 4 and 5. It was announced this week by Wayne West, president of the fair association.

The new system is to be installed and operated by Lamar (Musty) Casbeer, local radio technician. The new loudspeaker system is to be more than twice as powerful as systems formerly operated here. It will operate on a 28-watt power system and will be wired to a four-speaker system, three in the grandstand and a 3 1/2-foot trumpet to be mounted on the outside of the grandstand.

The big trumpet on the outside of the grandstand is designed to throw the volume of music and the announcements out to spectators occupying automobiles around the race track, thus adding interest to the program for those not in the grandstand. Music from phonograph records will be broadcast over the system during periods between events, for the entertainment of the crowd. A microphone in the judges' stand will be used in announcing results of the various events.

ACROBATIC STUNTS ENTERTAIN LIONS

Ernest VanZandt, son of Mr. and Mrs. V. VanZandt, entertained the Lions Club with a series of acrobatic stunts as a part of the luncheon program Monday noon. Young VanZandt has been specializing in acrobatics in his physical training course at the University of Texas the past year and his work now borders on the perfection of the professional.

Simms Oilers To Play Here Today

Mose And His Crew To Engage Giants At 5 O'Clock

Colorful Mose Simms and his crew of Simms Oilers of Abilene and Rule will put on a show on the Ozona diamond this afternoon at 5 o'clock in an engagement with the Ozona Giants.

Simms and his club were contenders in the West Texas League flag chase last year and furnished many of the highlights in an interesting season from the viewpoint of spectators. Mose and his men plattered the San Angelo Sheep Herders, League runners-up at present, in an exhibition game there this week and are expected to furnish plenty of entertainment for the Giants here.

CREW STARTS CLEARING ON GOLF COURSE

Fairways Being Laid Off, Greens Built On Lion Links

DORLEY IN CHARGE

Expected To Be Ready For Play In July; Members Sign

A crew of Mexican laborers, under the supervision of Carl Dorley, hard-hitting infielder on the Ozona Giants baseball team and an experienced golfer, started work Monday morning on the Lions Club golf course on the W. R. Baggett ranch north of Ozona.

The crew of workers is clearing the fairways of brush and trees and excavating the greens in readiness for the application of oiled sand. The first four fairways had been cleared the middle of the week and the workers were busy yesterday and today in stacking the brush and grubbing out roots missed the first round. Two of the greens had also been excavated in readiness for a coating of sand and oil, of which they are to be built. The fine sand to be found along the Pecos River is to be used in building the greens.

Committees from the club in charge of a sign-up campaign for members reported excellent success this week. Those interested in completion of the golf course are being asked to sign up and pay their membership fees now in order that sufficient funds may be available for completing the work. Those who are willing to do this now are being credited with an extra month on their first year's cards. Once the course is completed and play starts, leaders are confident that interest will mount in the game to such an extent that sufficient funds will be available to maintain it in good condition and make additional improvements. However, several hundred dollars will be needed for the initial improvements to make the course playable and for this reason, the advance membership drive is being made.

The course is expected to be ready for play early in July barring delays. It is to be a nine-hole course with plenty of natural hazards and set in a beautiful surrounding. W. R. Baggett and son, Billie Baggett, have been at work this week adding to the beauty of the big liveoak grove in the center of the course by clearing away underbrush around some of the big trees, where golfers may stop to rest in the shade or where parties may finish a round of golf with a picnic supper. Benches under the trees in the grove, picnic tables and benches at each tee are among contemplated improvements to be made as funds permit.

IF—

If you have visitors in your home, if you have been on a vacation or business trip to another town, if somebody in your family has been ill, if your next-door neighbor is ill, has been visiting or has visitors, if something of interest has happened on the ranch or among your circle of friends.

Your friends and neighbors in Ozona and former friends who have moved away would be interested in reading about these happenings in the columns of the Stockman. And the Stockman would appreciate your phoning in any item of interest. Your co-operation will result in a more interesting and readable paper for you and your friends both at home and abroad. Just call 210—phone.

THURSDAY, JUNE 14, 1934.

WHEN IS A "BACK NUMBER?"

Clarendon News: Daily newspapers over the South played up a dramatic story of the "swan song" of Congressman-at-Large George E. Terrell, from Texas, who retires in a few weeks from public office under the scathing criticism of his colleagues from Texas and many of his constituents for his lone opposition to the recovery measures of the present administration.

In his farewell address Congressman Terrell bewailed the abandonment of the principles of free and Democratic government, for the luring promises of socialistic practices, charging that we were becoming the "step-child of the Soviet union."

Even the most progressing of us shudder at the desperate chances the Nation is taking, and find much sympathy in the fears of men such as George E. Terrell. Not many are sure he is altogether wrong.

When is a "back-number," anyway?

A STRANGE WILL

Kerrville Mountain Sun: As the result of a queer will made over 100 years ago, the dressed-up skeleton of Jeremy Bentham still "presides" at meetings of the trustees of University College Hospital in London, according to Ripley of "Believe it or not" fame.

Bentham was precocious as a child and received his bachelor's degree from Oxford at 15. He became the leading writer of his day on jurisprudence and government. He traveled widely and was received everywhere with great acclaim.

He was a humanitarian, interested in the condition of the poor, in prison reform, and in many philanthropies. He founded the hospital mentioned five years before his death in 1832, and his will provided for the unusual disposition of his body which was carried out.

His clothed skeleton sits in a chair at the head of the table around which the hospital trustees meet, his skull resting in a glass case on the floor between his legs, while an artificial head reproduced from a mask of his real features is placed upon his shoulders.

Thus he has been a silent member of the hospital board for 100 years while on the board's minutes he is recorded as "present, but not voting."

Bentham lived to be 84 years of age, and left his entire fortune to the hospital which has faithfully observed the conditions of the strange will under which the gift was made.

Miss Patsy Ellis of Abilene underwent an operation for removal of her tonsils here the first of the week. Miss Ellis is a niece of Dr. H. R. Tandy and came here from her home in Abilene to have Dr. Tandy do the operation.

Mrs. Scott Peters returned home Sunday after several weeks stay in a San Antonio hospital. Mrs. Martha Robertson, who came with her, went home Wednesday morning.

"A thermometer," a pupil wrote in his examination, "is a glass tube with a temperature running on its inside."

South Crockett Ranchers Enjoy Picnic On River

A group of ranchers and their families, living in the south end of Crockett County, enjoyed a picnic and outing on Devil's River Sunday. Those enjoying the day were:

Mr. and Mrs. Early Baggett, Mr. and Mrs. George Harrell, Mr. and Mrs. Joe Pierce, Esther Kate and Joe Sellers Pierce, Mr. and Mrs. Vick Pierce, Vicky and Miles Pierce, Mr. and Mrs. Tom Smith, Tommy and Mary Alyce Smith, Mr. and Mrs. Monroe Baggett, James, Lillian and Posey Baggett, Mr. and Mrs. William Abbey Sr., of Del Rio, Mrs. Claude Hudspeth, Sr., Mr. and Mrs. Sherman Taylor, Mr. and Mrs. Wayne West, Wayne Jr., Billie Jo and Mary Francis West, Mr. and Mrs. Fred Deaton and Taylor Deaton, Mr. and Mrs. Maasie West, Joyce and Ann West and Misses Willie V. Coose, Elizabeth Coose, and Jo Nell Coose, and Crystal Carson.

Mrs. Elsie Fincher, who was with friends on the way to California, stopped over Sunday night with her sister, Mrs. W. E. West. Her son, Claude, remained to visit with Mrs. West and other relatives until his mother's return.

Ted Mauldin, who was associated with the contractor's firm during the construction of the new school building, is visiting on the Pon Seahorn ranch. He is on his way to Pensacola, Fla.

Mr. and Mrs. Bryan McDonald and children are expected home from Canyon City today. Mr. McDonald has been visiting his mother there for the past two weeks and Mrs. McDonald went up the first of this week.

Mrs. Bill Conklin underwent an operation for appendicitis in a Temple hospital the first of the week. Mrs. Conklin had been with her husband, who was in the hospital recovering from an appendicitis operation, and was seized with an acute attack herself.

Mrs. W. J. Boag of Alba, Texas, is here for a visit with her daughter, Mrs. Mabel Sorrels, and family. Mrs. Boag will remain until after the rodeo.

Mrs. Marbury Morrison, who has been visiting relatives here for the past several weeks, will return to her home near Rankin Friday.

Quitque Post: A good homing pigeon will often bring \$100, says an authority. Personally, we'd be tickled to death to have one do it; we could use the money.

Prevent HAY-FEVER Now!

The nose membranes can be toughened now to prevent it, but not after the Hay-Fever starts and the nose passages are swollen and closed. Mr. R. O. Murphy, Box 298, of Stillwater, Minn. who freed himself of Hay-Fever suffering will tell you without charge how to go about it. Just send him your name and address, but write now without delay. (Adv.)

120 CHARTERS GRANTED

AUSTIN, Tex., June 13.—Charters granted to new corporations during May totaled 120, a gain of 6.2 per cent over April but a decline of 21 per cent from May last year, according to the University of Texas Bureau of Business Research. Capitalization of \$1,269,929 was 5.4 per cent less than in April and 36 per cent below May a year ago.

Only one group, merchandising, showed an increase over May last year, and that of only 3 per cent. On the other hand, a number of groups showed increases over April of the current year; Manufacturing concerns, 21 chartered, against ten in April; real estate and building, six against four; transportation, two against one; miscellaneous, twenty against sixteen.

Say "I saw it in the Stockman."

Infantile Paralysis More Frequent In Hot Summer Months

AUSTIN, Texas, June 13.—"Infantile paralysis can be expected to occur more frequently during the next three or four months," declared Dr. John W. Brown, State Health Officer. "This disease is always more frequent during the hot months."

"The germ responsible for infantile paralysis is so small that it escapes detection even with the most powerful microscopes. The first symptoms are usually vomiting, headache, fever, stiffness of the neck, pain in the legs, irritability and drowsiness. Complete recovery may follow such an illness. In more severe cases, the germ penetrates the nervous system, resulting in paralysis of nerves controlling one or more groups of muscles. Some remarkable recoveries have been noted.

"Flies or other insects have not been demonstrated to play a part in the spread of this disease. Infection spreads from person to person with the droplets attending coughing and sneezing. Children and grown people that are healthy may be carriers of the germs. When present in epidemic form, about one child in each hundred is apt to suffer an attack. "Early recognition and diagnosis are essential. The use of immune serum may be a factor in preventing paralysis. A period of complete rest is essential for muscles that are affected. If parents note any symptoms of illness in their children, the family doctor should be consulted at once."

Mr. and Mrs. Ross Ferner have moved from Safford, Ariz., to Snowflake, Ariz., according to notice received by the Stockman this week.

Henderson Times: The tactful hostess tries to make you feel at home and generally wishes you were.

Mr. and Mrs. Bob Murchison have returned to their home in Fort Stockton after a visit here with relatives.

Say "I saw it in the Stockman."

Announces Reductions On New Car Models

June 13.—Substantial reductions, effective on all Chevrolet passenger trucks were announced by W. E. Holler, general manager of the Chevrolet plant. Chevrolet now has the lowest priced six at \$465. The reduction is as much as \$50 on some models. The price reductions on all models made at this time in 1934 are necessary to the general recovery of the national economy. On the knee-action sedan was as high as \$35. The sedan is now \$540, coach to \$580 and the town car to \$560. Prices on the newly introduced Standard models placed at \$465, the coupe at \$465, the coach and phaeton. Reductions on truck models are equally impressive.

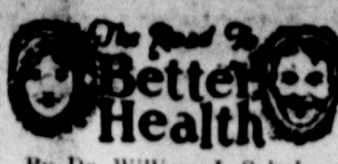

Improved Business In Texas Shown By Drop In Failures

AUSTIN, Tex., June 13.—Further evidence of improved business conditions in the State is seen in a decline in Texas commercial failures during May, according to the University of Texas Bureau of Business Research. According to reports from R. G. Dun and Company, there were only fifteen business failures during

May against nineteen in April and 61 in May, 1933, declines of 21 and 75 per cent respectively. Total liabilities of \$142,000 represented a decline of 40 per cent from April and 72 per cent from May last year, while average liabilities per failure of \$9,467 were down 24 per cent from April and 50 per cent from May a year ago.

CAUSES OF HEADACHES

One of the most common of human pains is headache. Like other pains, it is one of nature's methods of calling attention to the fact that something is wrong. It is a symptom that may arise from any one or more of several causes.

Sometimes the conditions under which headache occurs give a hint as to the possible cause. For example, the attack may come on after using the eyes in close work. In that case there is probably some disorder of the eyes which is causing eye-strain. Properly fitted glasses, and care to avoid abusing the eyes, would then be the remedy. Or, the headache may occur when one is fatigued, either in mind or body. Sufficient rest would then be the remedy. And prevention would consist in avoiding physical and mental activity to the extent of fatigue.

Poisons In System

The presence of various poisons in the system may cause headache.

These poisons may be introduced into the system from without. Alcohol, tobacco and lead are examples. Or, the poisoning may result from failure of the system to properly eliminate waste products. This type of poisoning is likely to occur in "disease of the kidneys and in constipation.

The complete list of diseases which may cause headache is a long one. Bright's disease, arteriosclerosis, pelvic disorders, digestive disorders, anemia, functional and organic nervous disturbances, fevers and various infections, and diseases of the ear, nose and throat are among the possible causes.

To find the cause in any individual case is not always an easy matter. But this is the first step in seeking a permanent cure. A careful physical examination may reveal the underlying disease or disorder. If no such disease or dis-

order is discovered, a careful investigation of the habits may reveal the cause.

The point is that anyone who is subject to frequent headaches should not be satisfied to obtain mere temporary relief by taking some pain-killing drug.

The cause should be carefully searched for, and removed whenever this is possible.

TAXPAYERS HEED THIS WARNING

If You Would Save Many Dollars . . . and The Time Is Short . . . ACT NOW!

Senate bill No. 262, releasing all interest and part of penalty, ends June 30th, 1934! Therefore, a few weeks remain in which to escape paying the inevitable penalty on delinquent Crockett County taxes. After July 1, 1934, 6% interest per annum from original date of delinquency, PLUS 10% PENALTY, will apply to YOUR DELINQUENT TAXES! For example . . .

- 18% will be added to '32 delinquent taxes.
- 24% will be added to '31 delinquent taxes.
- 30% will be added to '30 delinquent taxes.

(A delinquent cost will also accrue in addition to above).

Don't wait another day—make your arrangements now to pay your delinquent county taxes. The above is in the manner of a warning to taxpayers—not a threat, as this matter is fixed by statute.

A substantial reduction in taxes could be made in 1935 if those who could would pay delinquent taxes NOW!

Four Oldest Members of the House Get Together

These four oldest members of the House of Representatives were photographed at a recent get-together in Washington. From left to right, they are: Nelson Morris of Connecticut, who is seventy-eight; Andrew Jackson Montague of Virginia, another eighty-year-old; Edgar Howard of Nebraska, seventy-five, who used to be William Jennings Bryan's secretary; and Clement Daniel Dickerson of Missouri, eighty-four years old.

Texas Livestock Shipments Light

AUSTIN, June 11.—April livestock shipments from Texas fell below those of a year ago for the first time this year, reports the University of Texas Bureau of Economic Research. Total shipments of 4,002 cars compared with 4,794 a year ago, a 16 per cent decline. For the first four months of 1934, however, Texas stock shipments were 14,512 cars against only 17,907 in the same 1933 period.

Only cattle shipments were larger in April than in the same month last year. Cattle shipments of various classes were: Cattle 6,459 cars against 5,358 in April, 1935; calves 651 against 873 a year ago; hogs 395 against 765 cars, and sheep 347 cars compared with 798 a year ago. Cattle shipments to Kansas grazing areas during April were much larger than a year ago but movement to Oklahoma grass was smaller.

Receipts of hogs from other States continued larger than last season, amounting to 277 cars in April against 160 a year ago. Bulk of these came from Kansas, Nebraska and Oklahoma.

Variation in sectional marketings of livestock probably are largely due to differences in range and forage conditions, the bureau points out. Fewer cattle moved from the Panhandle than a year ago but more from North Texas sections east of the Cap Rock. There also was a large increase in cattle and sheep ship-

Not Used To It
He sniffed suspiciously as he came out of the crowded movie. Then he spoke confidentially into the doorman's ear.
"What is that strange odor around here?" he whispered.
"That," said the doorman, "is fresh air."

Mr. and Mrs. Goode Stewart and two children of Little Rock, Arkansas, are the house guests of Mr. and Mrs. Floyd Henderson. They will return to their home Saturday. Mr. Stewart is a brother of Mrs. Henderson, Mrs. Scott Peters and Mrs. Jake Short.

RANCHO GAS

for Ranch or Town Home

The Ideal System for

- REFRIGERATION
- HOT WATER
- COOKING
- HOME HEATING
- HOME LIGHTING

You will be astonished at the economy possible through use of RANCHO GAS. It's just like natural gas in the city—burns a clear, hot, blue flame, has no odor, smoke nor soot. Delivered to you in liquid form, maintains its own pressure, is safe and more economical than natural gas in the cities.

Investigate now. This is a modern and permanent convenience—and you can save money on your present costs for similar services.

JOE OBERKAMPF

Smilin' Charlie Says—

"There's a lot o' folks who can't talk about anything—but th' weather 'n' most o' them 're poor at that, even--"

THE FAMILY NEXT DOOR

Don't Let Your DOLLAR Become a Tramp

There is a Big Difference in Dollars.

There is the "Tramp" Dollar—the dollar spent away from home. Then there is the "Home" dollar which hits "home" circulation, "home" benefits "home" profits.

Though both of these dollars are marked "Hundred red Cents" the "home" dollar continues to multiply itself "at home" for community interest natural. Not so with the "tramp" dollar—once it is gone forever.

The success of Ozona and its surrounding territory contributes to the success of everybody in it. A prosperous town rests on the individual prosperity.

The advantage to you of spending your dollar in Ozona is far greater than the "tramp" dollar can possibly buy—even if it bought a hundred cent's worth and which it cannot possibly do, because the other low in the out-of-town field must make a profit.

There is big truth in this, worthy of your serious thought. It pays to trade at home with your "home" dollar.

Phone 3 "We Go The Limit To Please" Phone 3

"REMEMBER GIRLS . . . I must leave at 4 to cook supper . . ."

"Goodness, Evelyn," says Rose, "when will you ever make up your mind to get an Electric Range? We girls also have to have 6:30 suppers, but it's no problem at all with automatic cooking. We just put the entire meal in the oven before going out, set the clock control, and supper is being cooked while we play. The same control auto- matically turns off the current when the cooking process should stop, and the insulated oven retains sufficient heat to keep the food tender and piping hot to serve when we want it."

"Don't say you can't afford one. Really, it's so economical. Costs less than a penny per person, per meal, to operate, and you can buy one on a small down payment and easy terms. I wouldn't be without one, would you girls?"

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

West Texas Utilities Company

More Gold Comes Over From Europe

Police, detectives and private guards on a pier in New York while 224 cases of gold bars were being unloaded from the steamer Brensen. The value of this shipment from Europe was \$12,000,000 in gold, and it went into government vaults.

HER GOLD SEIZED

Police took possession of the gold in an Oklahoma City public school, whose small supply of hoarded gold was seized by government agents. Miss Block's safety deposit box at a local bank was broken open after she refused in a company office to take the gold with her key.

tertaind a few friends with a picnic supper followed by a theatre party at the Palace Theatre in Big Lake Tuesday evening. Those enjoying the occasion were Miss Irene Beeman, Elzie Beeman, Miss Connie Cumbie, Mr. and Mrs. E. J. Wyatt and the hosts.

Ted Atkins was a business visitor in Ozona Wednesday of this week.

Mr. and Mrs. R. S. Neal and children, Edith May and R. J. Jr., spent last week end visiting relatives near Eldorado. Mr. Neal's niece, Nell Edmiston, returned home with them to spend several days.

MRS. JOSLIN HOSTESS TO HER BRIDGE CLUB

The afternoon bridge club met at the home of Mrs. Harry Joslin Friday afternoon. Guest high went to Mrs. J. R. Westfall while Mrs. Neville Davis received club high.

Guests included Mrs. Westfall, Mrs. W. C. Mitchell and Mrs. Herman Moore. Members present were Mrs. R. S. Neal, Mrs. L. W. Joslin, Mrs. Neville Davis, Mrs. A. C. Hinde, and the hostess.

POSTED

For County and District Attorney
GEORGE RUSSELL (Re-Stock)

For County Treasurer
TOM CASPER (Re-Stock)

BARNHART NOTES

By E. J. WYATT, Correspondent

Mr. and Mrs. Dave Armstrong and sons, John, David and Louie spent several days in Sanderson last week.

Mrs. Elbert Metcalf and sons, Jerry and Jimmie, returned home to Dallas Saturday after spending almost two months with Mrs. Metcalf's parents, Mr. and Mrs. J. D. Shaw. Miss Christina Shaw accompanied her sister home.

Mrs. J. F. Miles and Mrs. Homer Martin left on the evening train Monday to take Mrs. Miles' mother, Mrs. Anthony and her niece, Miss Maxine Lewis to their home at New Boston, Iowa. Mrs. Anthony has been visiting her daughter for several months and will be greatly missed by neighbors and friends. Miss Lewis attended school here last term and we hope she will return for school here again in the fall.

Mr. and Mrs. Tom Harris and children, Tom, Jr., and Mary Margaret spent the week end at Stanton visiting Mr. Harris' sister, Mrs. Houston and family.

Mr. and Mrs. Neville Davis motored to San Angelo last Thursday to have Mr. Davis' eyes tested.

MISSIONARIES MEET

The missionary societies met last Wednesday for their regular monthly business meetings. The Methodists voted to have a musical program in connection with stunts by the West Texas acrobats of Ozona. The program will be held at the school auditorium Friday night, June 15, at 8:15. Admission 10 and 20 cents.

The Baptist ladies voted to buy the lots for the new Baptist Church. An arbor has been started on the lots. It is to be used for the meeting which begins June 22.

Rev. Duke Shaw filled the pulpit at the Baptist Church Sunday morning and evening.

Cottage Prayer meetings began Monday night for the meeting and will continue until the meeting begins.

E. J. Wyatt was a business visitor in San Angelo two days last week.

Mr. and Mrs. P. R. Conner and Mrs. E. J. Wyatt visited relatives Mr. and Mrs. Sam McGinnis and family, at Tennyson Friday. Mrs. Wyatt's sisters, Misses Inis and Margaret Doyal returned home with them after spending almost three weeks with their uncle and family.

T. C. Harris and Mr. and Mrs. H. E. Dunkin were business visitors in Big Lake Monday afternoon.

Mr. and Mrs. Neville Davis

were visitors in Ozona Sunday.

Mrs. Tom Woodruff returned home Friday from Austin where she had been visiting her parents and sister for several weeks.

Mr. and Mrs. P. R. Conner and Mr. Conner's mother, Mrs. Louiza Conner left early Tuesday morning for Dalhart. Mrs. Louiza Conner will remain for a long visit with her son, Dee Conner.

W. C. Doyal returned home Saturday from Fort Stockton where he had been working for Judge Montgomery the past few weeks. He reported heavy rainfall and some stock down.

B.Y.P.U. PROGRAM

The Intermediate Union in B.T. S. presented a splendid program in general assembly Sunday night. The program was as follows:

Scripture-reading, Hiram Woodruff, Duet, "In the Sweet By and By", Louise Cumbie and Billie Gene Linthicum, accompanied by Joseph Miles at the piano. Reading, Julia Dunkin. Prayer, Inis Doyal.

Mrs. L. Q. Sparks was absent from the store two days last week, suffering from a bad case of tonsillitis.

Mr. and Mrs. L. V. Gentry returned Friday from visiting relatives and friends near Stephenville.

Clint Shaw was a business visitor in Rankin Monday.

SWIMMING PARTY

Miss Mary Margaret Harris entertained several of her friends with a swimming party at her home Tuesday evening. After an enjoyable swim, supper was served to the following, Mary Katherine Sparks, Inis Doyal, Louise Cumbie, Billie Gene Linthicum, Dixie Crenwellie, and the hostess.

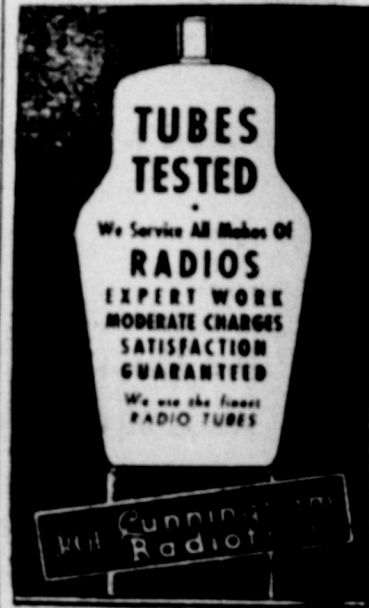

WEINER ROAST-BRIDGE

The Merry Makers Bridge Club was entertained with a weiner roast last Friday night at the ranch home of Mr. and Mrs. Bill Bissett.

Clyde Parry and Mrs. L. W. Joslin won guest high, club high went to Mr. and Mrs. W. C. Mitchell.

L. B. Owens, who has been visiting with his sister, Mrs. Herman Moore for several days, left Monday for his home at San Sabo. Luther Roland (Son) Joslin returned home with him for a short visit.

J. F. Miles and son, Joseph, en-

Don't Be Fooled---

You Can Buy Gas and Oil Cheaper

Don't let the big oil companies bamboozle you into believing that their monopoly is absolute, and that their "price fixing" agreement makes it impossible for you to buy gas any cheaper than they sell it. Dealers for the major oil companies have but little to say about prices—they are granted their pittance and the company takes big profit off of you.

And don't put too much stock in the "quality" advertising. A little coloring matter doesn't improve gasoline—nor does a high-sounding name. After all, it's the refining process that counts. You get as good or better mileage from the independent gasolines as from the big-named gas of the majors—and your car will perform as well as with any gas.
