Lions Win Decision In Scoreless Tie Against Junction On Penetrations Of 20-Yard Zone In Saturday's Thriller

Many Scoring Threats Keep Crowd On Toes In Stiff Battle

In a thrill-packed battle during which both teams made serious scoring threats, Ozona High School Lions won a decision on 20-yard line penetrations in a scoreless tie with the fighting Junction Eagles on the local grid-iron last Saturday afternoon. A count-up of the deciding 20-yard zone penetrations showed Ozona with three and Junction two. Ozona chalked up eight first downs to three for the Eagles, the first down count deciding a tie fracas in the event it can not be decided on penetrations.

Junction made the first scoring threat in the first few minutes of play when Boyd, quarterback and safety man for the Lions, fumbled an Eagle kick deep in his own territory and the ball was recovered by an alert Eagle and going down on the kick. With the ball in their possession on Ozona's 15, the Eagles started a power march that looked like a certain touchdown. With the ball advanced to the Lion 2 yard line, somebody in the Eagle lineup mixed up the signals and a pass back from center bounded a dozen yards back of the line of scrimmage and was recovered by the Lions on their own 15 yard line. Successive penalties against the visitors while the locals were trying to get off a kick out of danger, gave them a first down and then Parker booted it out of danger.

Parker Jogs 40 Yards
Ozona fans got their first big thrill in the second quarter when Parker took a heave from Cox on his own 30 yard line and galloped 40 yards before being brought down by Eagle tacklers. The Lions started a march from the 30 yard line that looked like a touchdown, but they faltered on the Eagle ten yard stripe where the ball went over. Later in the same period, a fumble by Williams put the ball in Junction's possession on Ozona's 21 yard line. The Eagles opened up with a passing attack for that coveted touchdown but Sunshine Cox broke up the threat by intercepting a heave on his own 12 yard line. The half ended soon afterward.

The Lions had a touchdown at their finger tips at the opening of the third quarter when Parker, kicking off for Ozona, booted the ball over the goal line, the oval coming to rest in the end zone, where it could have been covered by Ozona for a touchdown. Players nearest the ball were evidently unaware of the situation or were waiting a chance. Brown, Ozona end, aware of the chance, charged down upon the ball and a Junction player, seeing him on the

Interest Grows In Gospel Meet

Good Attendance For Daily Services At Church of Christ

Increasing interest is being manifested in the gospel meetings now in progress at the Church of Christ here. J. D. Harvey, prominent gospel preacher of Colorado City, Texas, is in charge of the meeting which will continue until November 1.

"Bro. Harvey is giving us some of the best lessons we have had yet," according to L. N. Moody, local minister. "He is one of the outstanding preachers of the brotherhood, a man of experience in local work, he knows his lesson and knows that he knows it. Yet his lessons are given in love. We are having good attendance for this time of year. You will not regret hearing this man talk on the Bible."

Rust Inspects Work Being Done On Phone Building, Equipment

John Y. Rust, owner of the San Angelo Telephone Co., was here from San Angelo the first of the week looking over the renovating job being done on the company building and equipment here. Mr. Rust was well pleased with the progress of the work.

The building has been completely renovated, inside and out, with a new stuccoed front, plastered walls and tile floor. The interior is being divided into three compartments, the business office, switchboard room and night operator's quarters. New partitions with frosted glass, new booths and other equipment are being installed this week. While here, Mr. Rust ordered Joe Oberkamp to install Rancho gas in the building for heating this winter. The switchboard was moved into a rear room of the building while the repairs were in progress in front. The work is expected to be completed by next week, according to Miss Velma Richardson local manager.

General Election Ballots Printed

Interest Centers In 8 Constitutional Amendments

Ballots for the general election, to be held Tuesday, November 6, were printed last week by The Stockman and delivered to County Clerk George Russell.

The ballot contains full state tickets by four parties, Democratic, Republican, Socialist and Communist, with an Independent column and a blank column for write-in candidates.

Election of the complete Democratic ticket being practically assured in Texas, the only controversial matter on the ballot are the eight proposed constitutional amendments which have stirred up considerable controversy over the state. The first of these amendments proposes to empower the legislature to classify all property, other than real property, for purpose of taxation. The next amendment broadens powers of Commissioners Courts and gives the legislature power to change local forms of government. The third amendment has provoked the most opposition over the state. It provides a maximum of \$22.50 per capita which may be collected and expended by the state each biennium.

The fourth amendment would abolish the fee system for compensating public officers in counties of 20,000 or more population. The fifth would empower the legislature to create new counties or change the boundaries of existing counties. The sixth would permit home rule cities to alter their charters every twelve months. The seventh would permit home rule cities to extend the terms of elected officials to four years.

The last amendment on the list is the one of most interest to Crockett County and sixteen other West Texas counties having University lands within their borders. This amendment would subject lands of the University to taxation for county and school purposes.

WINS \$25 PRIZE

Mrs. Jake Short won the \$25 cash prize at the Money Night last night. This was the second drawing, the person whose name was drawn as the inauguration of the weekly cash award plan being absent last week and the weekly \$12.50 prize was added to this week's prize. The prize next week will be \$12.50.

Muller Enthroned as Primate of All Germany

Sixty thousand "German Christians" assembled from all over Germany for a week-end rally in Berlin, which was climaxed by the enthronement of Bishop Muller as the first Protestant primate of all Germany. The new primate is pictured addressing the throng in front of the Berlin cathedral at the height of the ceremonies.

Library, Radio Presented Schools By Two Former Graduating Classes

Two splendid gifts from classes of graduating classes of former years have been received by the Ozona High and Grade Schools the past week.

The nucleus around which is to be built an elementary school library is furnished by a gift from the class of 1928, a check for \$131 to be used in buying books for a Junior High library. A set of World Books, a reference library of 18 volumes, is to be purchased with a part of the money, this set to cost \$66. The balance will be expended for worthwhile works of fiction and biography. The order has already been placed for the World Books and other books are being selected.

Members of the 1928 class included Kathryn Baggett (Mrs. R. L. Flowers), Ethel Bennett (Mrs. W. D. Drennan), Helen Chapman, Mary Childress (Mrs. Ele Hagelstein), Innetah Cooke (Mrs. Edgar Schwarz), Johnny Cross, Eleanor Ingham (Mrs. Bill Littleton), Cam Longley, Jr., Clara Patrick (Mrs. Piez Dryden), Pauline Perner (Mrs. Marshall Montgomery), Dean Phillips, Velma Richardson, Anna Lou Sapp and Cal Ward, Jr.

A room on the third floor of the grade school building, now used for storage, is being fitted out for a library. All available books, now in the various rooms, will be gathered into the new library and added to the new books. Miss Aileen Hampton, English teacher in the Junior High school, will be in charge of the library with a corps of student assistants as in the High School.

Boys of the seventh grade manual training classes will make the library desks, and the seventh grade home economics girls will make the drapes for the room.

The other gift acquired this week is a new \$100 8-tube Grunow radio, with all-wave reception, the gift of the graduating class of 1931. This handsome set has been installed in the auditorium and will be available for student assemblies, where special educational broadcasts may be heard, to supplement night programs, and for general student use in connection with special events. One immediate use to be made of the new radio is by the music department in listening in class assemblies to the weekly Walter Damrosch music appreciation programs. Other features of interest to certain classes will be catalogued and systematic use made of the instrument.

The 1931 graduating class roll contained the names of Pleas Childress, Jr., Cara Mae Cooke (Mrs. Robert Jones), Ray Deland, Roger Dudley, Louise Henderson, Jessie Ingham (Mrs. Bill Conklin), Walter Kyle, Abe Lee (Deceased), Henry McGhee, Kirby Moore, Gladine Powell, Blanche Robison, Elmer Schwalbe and Pansy Whatley (Mrs. Beeler Brown).

Lions Club Enjoys Visit From District Governor G. L. Brown

G. Lorimer Brown of Harlingen, district governor of Lions Clubs for this district, was a special guest of the Ozona Lions Club at a ladies night banquet in the Hotel ballroom Monday evening. Mr. Brown gave an inspiring talk on Lionism and its work.

A vocal solo by Rev. Leon M. Gambrell and a piano number by Miss Maxine Murdock constituted the entertainment program for the evening. Buzzy Stokes, deputy district governor, and R. S. Covey, superintendent of schools, both of Sonora, were guests of the evening, each making brief addresses.

Mrs. D. K. McMullan, A Recent Bride, Is Honored At Shower

Mrs. D. K. McMullan, Jr., who was Miss Pete Friend before her marriage in Big Lake October 7, was honored with a miscellaneous shower given by Mrs. Charles E. Davidson, Jr., and Miss Wayne Augustine in the Reception hall of the Hotel Ozona Monday afternoon.

Upon arrival the guests registered in the Bride's Book, presided over by Mrs. Ashby McMullan, in a semi-circle facing the piano as center of the room where the gifts were displayed. Mrs. W. J. Grimmer played the piano while the guests were arriving and being seated.

The hall was beautifully decorated in autumn leaves and flowers, with Halloween colors of crepe paper streamers draping the room.

Mrs. H. B. Tandy sang two numbers, with Mrs. Neal Hannah at the piano, and Mrs. W. J. Grimmer gave two clever readings. Pumpkin pie with whipped cream and coffee were served to about fifty guests.

Out-of-town guests here for the affair included Mrs. Frank Friend, Miss Pook Friend, Mrs. Norman Myer, Mrs. A. M. Pettey, Mrs. Jack Goodwin, all of San Angelo, Miss Billy McMullan, Mrs. Frank McMullan, Mrs. Lewis Hearsey, Mrs. Floyd McMullan of Big Lake and Mrs. S. S. Millsbaugh of San Angelo.

TO CONFERENCE

Rev. J. H. Meredith left Tuesday to attend the annual West Texas Conference of the Methodist church in San Antonio this week. The conference will close with the reading of appointments at the conclusion of the services Sunday evening. Mrs. Meredith, who is ill at her home here, was unable to attend the meeting.

Mrs. Bob Weaver is under the care of physicians in San Angelo.

Sotol May Save Crockett Stock

Cutting Plant With Power Cutters Is New Industry

Increasing seriousness of drought conditions has made sotol feeding an industry in Crockett County just at present. Sotol has been a stand-by of West Texas livestock producers, especially in this immediate area, in years past, and during the coming winter it promises to be a life saver for drought stricken livestock on Crockett ranges.

Sotol cutters, a machine to cut leaves and heads of the plant into edible form for stock, are making their appearance in increasing numbers in this county. The feeders are power driven, some using stripped down automobile engines, gasoline engines, etc. for motive power.

Many ranchers are moving stock to ranches to the south where the sotol grows abundantly, taking their cutters and cutting for their own stock and that of their host, W. A. Kay, Ray Piner, Jake Young, Warren Clayton and others are moving to the West, Carson and Baggett ranches to feed through the winter. Paul Perner is also moving his stock out to sotol country. Others are on the move where they have no sotol on their own land.

Morris Black has purchased a filling station at Iraan. He has been ill with the flu here this week, however, and has been unable to take charge of the business.

Musical-Dramatic Program Planned

Speech And Music Departments In Program Nov. 9th

The public school music and speech arts departments of the Ozona Public Schools will collaborate on a joint musical and dramatic program to be given in the High School Auditorium Friday evening, November 9, it was announced this week.

Miss Elitabel Tillory, public school music teacher, and Miss Nita Nelson, expression teacher, will have charge of the program, to be presented by pupils of these two departments. The Junior High School group will present a playlet entitled, "The King of Nonsense," which presentation will include numbers by the Junior High School Choral club and the Rhythm Band.

The High School division will present the highly dramatic one-act play, "Elmer." The program will start at 8:15. No admission charge will be made for the entertainment and the public is cordially invited.

GOV'T. BUYING OF LIVESTOCK GOES FORWARD

Crockett Producers Have Received To Date \$364,000

MORE ARE LISTED

Cattle Buying Stops But Sheep, Goats Purchased

Government drought relief purchases of sheep, goats and cattle have brought an aggregate of approximately \$364,000 in cash to livestock producers of Crockett County since the opening of the program, according to figures compiled in the office of J. S. Barlow, office manager for the drought relief purchasing program in this county.

Purchase of sheep and goats from drought-parched ranges in this county continue, but no additional cattle quota was received for this week. Two additional weekly quotas of 1,000 head a week were received after the close of the general cattle buying program and efforts were made to get an additional quota for this week but unsuccessfully.

The goat quota of 10,464 head, set for this county, still lacks 1,965 of being reached, a total of 8,499 head having been purchased to date. Total cattle purchases in the county amounted to 14,997 head and sheep purchases to date amount to 90,157 head.

An additional listing of approximately 7,000 head of sheep have been received at the local drought relief offices for next week but no authority has been received yet to include these additional listings in the buying program. A number of additional goat listings have also been received but it is not known whether an additional quota will be fixed for this county after the present one is reached.

Lions Are Idle This Week-End

Kitten Game Slated Saturday Is Postponed To Nov. 3

With their district record still unblemished, with two straight conference victories to their credit, Coach Ted White's Ozona High School Lions will enjoy idleness this week-end and an opportunity to scout some of the coming district competition.

The game slated for next Saturday afternoon against the San Angelo Kittens has been postponed at the request of the San Angelo coaches and will be played in San Angelo the following Saturday, November 3.

The Iraan Junior High School eleven will engage the Ozona juniors in a game here Friday afternoon, November 2, starting at 4:30.

Coach White and several members of the squad are planning to go to Eldorado Saturday afternoon to witness the Junction-Eldorado game. Eldorado's fighting Eagles come to Ozona November 24 for the last game of the season for the Lions, the Sonora and Rocksprings hurdles yet to be made by the Lions in the meantime.

B.Y.P.U. OUTING

The younger Senior B.Y.P.U. group enjoyed an outing and picnic last Thursday evening. Present were Louise Boyd, Wanda and Clara Mae Dunlap, Willena Wyatt, Alberta Kay, Valla Freeman, Ernestine Watts, Geraldine Young, James and D. A. Parker, Max Eppler, T. L. Gambrell and the sponsor, Mrs. C. J. Watts.

Mr. and Mrs. Vernon Cox returned Monday from a visit to the Dallas fair.

EDUCATION'S MISTAKEN "FRIENDS"

Ft. Worth Star-Telegram—

Dallas, which seems to be a prolific spawning ground for "movements," is the locale of the organization of a group calling itself "The Friends of Education in Texas," whose object is defeat of the amendment allowing the taxation of University lands for county and school district purposes.

The amendment would allow the counties and school districts in which University lands are situated to collect taxes off these lands just as they do from private property owners. There are 24 counties in which such lands are located, and in many of these the proportion of University land to privately owned land is so high that the counties and the school districts find themselves with greatly restricted support.

The amendment simply proposes that these counties be relieved of this discrimination, so that they may properly educate their own children and the children of the new residents brought in by the University lands.

The Dallas group says that the amendment is a proposal for "the entire State—through its agencies the University and the A. & M. College—to pay the bills for schools and other purposes in a few local subdivisions."

Miss Ethel Childress is Las Amigas hostess

Miss Ethel Childress entertained her bridge club, Las Amigas Club, and a number of guests for tea afterwards at her home Tuesday afternoon. Mrs. Clifton Brooks held high score and Mrs. Marshall Montgomery, second high. Miss Myra Bishop won the cut prize. Other guests were Mrs. R. L. Flowers, Mrs. Grady Mitcham, Mrs. Ele Hagedstein, Mrs. Bill Conklin, Mrs. Clay Littleton, Mrs. Hugh Childress, Jr., Mrs. Sid Millsbaugh, Jr., Miss Tessie Kyle, Miss Wayne Augustine, Miss Helen Henderson, Mrs. Claude Denham, Miss Elizabeth Fussell, Miss Mildred North, Miss Maxine Muddock and Mrs. Clarence Nelson.

Mrs. M. Wilkinson underwent an operation in a San Angelo hospital Monday morning. She was reported resting fairly well yesterday. Mr. Wilkinson is manager of the Ozona Hardware Co. here.

Mrs. Fred Cox, Jr. and Truett McClure of San Angelo were here from San Angelo the first of the week visiting their parents, Mr. and Mrs. J. H. McClure.

THE AMERICAN SPIRIT

To a great many citizens, Americanism is just a word. They pay it lip service—but they have a very poor knowledge of its actual meaning.

Real Americanism is a spirit. It is that spirit which inspired the founders of the country—a spirit of unselfishness, self sacrifice, iron-clad character. It gave us liberty of church, of press, of political belief. It freed us from intolerable monarchic domination and established a nation where the government was to exist for the individual, not the individual for the government.

Today, the American spirit stands for these things precisely as it did in the past. They are as important today as ever, and perhaps more important. The public is beleaguered from many sides by those who would effect sudden and irrevocable change in the very foundation stones of our government. The advocates of fascism, communism, dictatorship and other theories are always active—and there is danger that they may seem persuasive to a people struggling with great, yet temporary, problems.

The public cannot be too strongly warned against seeking temporary benefits at the expense of permanent principles. Even the worst of depressions pass—and we will be a sad nation indeed, if after this one passes, we find that we have lost those constitutional guarantees of corporate and individual freedom that have made us great.

SKIMMED MILK STARVES BUSINESS

Taxes are high—exorbitantly high—now. And if some public officials have their way, they will be higher in the near future.

The case of New York is one in point. It is proposed that a gross receipts tax, and a municipal income tax be levied on all business in the metropolis. The latter would be fixed at 15 per cent of the tax paid the federal government.

City officials justify their demands on the grounds that the city's income is no longer equal to its outgo. No one knows what will happen to New York business if these new proposals go through—but it takes no seer to forecast that the effects will be adverse, that businesses will retrench, or move away, that people will lose their jobs, that investment income will drop or disappear, that New York will find that hard times can become still harder.

One does not have to be an alarmist to say that present tax policies, which extend through every form of government, are driving us slowly, but inexorably, toward national bankruptcy. During years in which national income has dropped, the cost of all government—local to national—has steadily risen. Depression has spurred the growth of bureaucracy, the extension of political activities and official spending.

It is high time that public officials reverse their thinking process and figure out, not how income may be increased to meet excessive expenditures, but how expenditures can be kept within the bounds of reasonable tax income.

We cannot nourish employment-sustaining industry if we allow politics to fatten on the cream and leave business only skimmed milk.

MISS ETHEL CHILDRESS IS LAS AMIGAS HOSTESS

Miss Ethel Childress entertained her bridge club, Las Amigas Club, and a number of guests for tea afterwards at her home Tuesday afternoon. Mrs. Clifton Brooks held high score and Mrs. Marshall Montgomery, second high. Miss Myra Bishop won the cut prize. Other guests were Mrs. R. L. Flowers, Mrs. Grady Mitcham, Mrs. Ele Hagedstein, Mrs. Bill Conklin, Mrs. Clay Littleton, Mrs. Hugh Childress, Jr., Mrs. Sid Millsbaugh, Jr., Miss Tessie Kyle, Miss Wayne Augustine, Miss Helen Henderson, Mrs. Claude Denham, Miss Elizabeth Fussell, Miss Mildred North, Miss Maxine Muddock and Mrs. Clarence Nelson.

Mrs. M. Wilkinson underwent an operation in a San Angelo hospital Monday morning. She was reported resting fairly well yesterday. Mr. Wilkinson is manager of the Ozona Hardware Co. here.

Mrs. Fred Cox, Jr. and Truett McClure of San Angelo were here from San Angelo the first of the week visiting their parents, Mr. and Mrs. J. H. McClure.

THE CENTENNIAL VISITOR

(Editorial in The Houston Press)

According to an Austin dispatch, state highway patrolmen have been told to "brush up" on the history of Texas in order to tell Centennial visitors about our heroes of 100 years ago; and be able to locate and describe the famous battlefields of those early days.

That's a good idea. When the visitor approaches Dallas, the patrolman will say: "You are now nearing the city that bought the Centennial."

Just on the outskirts you will see the historic fair grounds, chosen as the site for a great exhibition of our resources. Dallas established its fair 35 years ago. Its business heroes dug deep into their pockets to make it a success.

The big hotel in Dallas is called Adolphus, named in honor of the great warrior, Adolphus Busch of St. Louis brewery fame.

Somewhere in Dallas County—God knows where—you will find the site of the first settler. He was John Neely Bryan, who built a pole hut there in 1841. He settled on a bleak prairie and fought the panthers and coyotes. "It may interest you to know, Mr. Visitor, that Dallas was named in honor of a vice president of these United States. He was elected in 1844, and Dallas became a Texas county in 1846, just 10 years after the 1836 incident we are celebrating."

Dallas has eight railroad lines, five electric interurban lines, and the interurban station cost over a million dollars, and there are 467 factories in Dallas, more than 500 wholesale houses, and—

But the inquiring visitor meekly interrupts, asking something about the Alamo.

Patrolman: "The Alamo? Never heard of it. Maybe you are thinking about the Alamo Brewing Company of San Antonio. There's just as good beer on tap in Dallas. No need to travel 250 miles to get the Alamo brand."

Visitor: "What about the Massacre at Goliad? Is Goliad in Dallas County?"

Patrolman: "No, that's just a village somewhere in Southwest Texas. Nothing to see there. Why, Dallas has—"

Visitor: "What about the San Jacinto?"

Patrolman: "Now you are talking sense. That San Jacinto inn down near Houston does serve some fine fish, but Dallas has some of the same stuff brought from the Gulf on ice every day. Why go 200 miles to get a fish dinner?"

Visitor: "Where was the first capital of Texas?"

Patrolman: "Don't know, but the capital stock of all the Dallas banks is over \$15,000,000. Ain't that something?"

Visitor: "Who was the first president of the Republic of Texas?"

Patrolman: "Say, ask me something easy. The president of the United States is a fellow named Roosevelt; is he, or was he?"

Visitor: "What about Stephen F. Austin?"

Patrolman: "Never heard of him. He must be dead?"

Visitor: "Is there a monument to James Bowie in Texas?"

Patrolman: "Don't know nothing about a monument, but I've seen a Bowie knife. It sure does cut."

Visitor: "Where is the grave of Sam Houston?"

Patrolman: "Maybe it's in Houston, Texas. That's a place south of here. Pretty good town, but nothing like Dallas. Take my advice and stay right here."

Visitor: "Are any of the old Texas missions in Dallas? I am anxious to see one."

Patrolman: "Why look for an old one? Dallas has a Salvation Army mission that will do your soul good."

Visitor: "Where was the old town of San Felipe de Austin?"

Patrolman: "No such place. There's a street in Houston, called San Felipe, but it's not worth seeing."

Visitor: "Where can I learn something about Santa Anna?"

Patrolman: "You mean Sally Ann? She's a fan dancer. Worth seeing, too. Will make you forget to ask so many questions. S'long, so. Got to talk history to some other visitor now."

Sheriff W. S. Willis went to Iraan Tuesday to lend his aid in an attempt to apprehend two men who kidnapped a constable at Iraan Monday night and forced him to accompany them to the outskirts of McCamey where he was released.

Methodist Women's Missionary Society Begins New Study

The Methodist Women's Missionary Society held its devotional and social meeting Wednesday afternoon at the home of Mrs. Hugh Childress, Sr. The first two chapters of the book, "Eastern Woman Today and Tomorrow" was studied. The program was opened with a song followed by a prayer by Mrs. Paul Perner. Mrs. Charles Williams gave the introductory plan for the study and Mrs. Bryan McDonald a talk on the romance of social change. Mrs. Joe Pierce and Mrs. J. W. Henderson gave a vocal duet. After Mrs. N. W. Graham's paper on the problems of women's freedom, Mrs. J. A. Fussell conducted a discussion and Mrs. E. B. Baggett closed the devotional with prayer.

Refreshments were served to Mrs. Joe Pierce, Mrs. V. I. Pierce, Mrs. J. W. Henderson, Mrs. Paul Perner, Mrs. Roy Henderson, Mrs. Lee Childress, Mrs. Mary Perner, Mrs. Vernon Cox, Mrs. Mary Childress, Mrs. S. M. Harvick, Mrs. Fred Deaton, Mrs. Madden Read, Mrs. Marshall Montgomery, Mrs. Chas. Coates, Mrs. Bryan McDonald, Mrs. J. A. Fussell, Mrs. E. B. Baggett, Mrs. Anna Strausberg, and Mrs. N. W. Graham.

Mr. and Mrs. W. R. Baggett have been to visit their son, Billy in A. & M. and are now in attendance at the Methodist conference in San Antonio this week.

Lions Win—

(Continued from Page 1) charge, nabbed up the ball and darted back to the five-yard line where it was downed in the Eagles' possession.

The Eagles promptly kicked but the boot was not powerful enough to get them out of danger and the Lions beat back to the ten-yard line where the Eagles held and the ball went over at that point. Another kick by the visitors sailed to the 40-yard line, but on the play an Eagle tackler was penalized 15 yards for roughing and the ball was Ozona's on the 21 yard line. The locals again sensed a touchdown and marched the ball to within inches of the goal line when the visitors again stiffened and successfully resisted the attack.

A Close Call

The Eagles opened up with a series of bullet passes in the final frame that had the spectators in jitters until the attack was broken up by the Lions. On the next to the last play of the game, Ozona fans stopped breathing for several minutes until the referee had made his decision on whether or not a safety had been scored for the Eagles, which would have meant two-points for the visitors and a bitter defeat for the locals. In the last second of play when the game was in the sack to that point.

The play was on a punt by Junction, the ball jogging down the field toward the goal line while Boyd raced from the sideline safety position he had assumed to stop it. When the ball was within a few feet of the goal line, Boyd attempted to pick it up and muffed it. J. T. Casbeer dived at the ball just as it was on the goal line, the referee ruling that he had downed the ball a few inches from the goal line, the impact of his dive pushing him over the goal marker. A point out of this dangerous area ended the game, the decision going to Ozona on penetrations.

BAPTIST CHURCH NOTES

Leon M. Gambrell, Pastor

Sunday school meets at 9:45 a. m.

Preaching at 11 a. m. B.T.S. is at 6:30 p. m.

Evening Preaching Service at 7:30.

The pastor will speak at both hours Sunday, using as his theme in the morning, "The Christian's Glory" and in the evening "What Think Thou of Christ?" These are companion messages and every one is invited to hear both of them. The chorus choir will sing at both hours and there will be other special music. Mrs. H. B. Tandy will sing in the morning service and the pastor will sing in the evening.

We were happy to receive Mary Frances Bean for baptism a week ago last Sunday and also Billy Jo West and Crystelle Carson last Sunday. These and others who are awaiting baptism will be baptized soon. We pray God's richest blessings upon them as they seek to live and work for Jesus.

According to our secretary, Mrs. Glyn Cates, there were 126 in the Baptist Sunday school last Sunday. This is a little short of the number a week before but the attendance is expected to be above the high number next Sunday. The teachers and officers are preparing for a more intensive work this week to bring up the attendance and the efficiency too. Any one will find a most cordial welcome in this Sunday school and find real joy in the study of the Bible. "Come thou with us and we will do thee good."

One of the most important services of this church is the prayer meeting every Wednesday evening at 7:45. All who can find it

possible to come for forty-five minutes will be well repaid for coming. Our subject for next Wednesday evening will be "Real Revivals."

All phases of the work of this church are taking on new life. The B.Y.P.U.'s and B.A.U., meeting an hour before the evening preaching service, are having 60 or more present every Sunday and expect to have many more than that this coming Sunday. The Women's Missionary Union expects to organize the various groups of young people of the church into their special organizations within the next week or two. Mrs. S. L. Butler is chairman of this and is doing some fine work with it.

The purpose of this church is to help, to encourage, to comfort and strengthen every one who is saved by the grace of God and to be a blessing to every one regardless of church relations. Prayers rise, each day, from our hearts for God's blessings upon our whole community. We stand ready night and day to minister in every good way to any and all who may need our services. We love the Bible, God's own word to men, and preach it just as God gave it. It is the greatest book in the world.

Mrs. Beeler Brown, who underwent an operation in San Angelo Friday, is reported doing well.

Mr. and Mrs. J. M. Baggett are visiting their son-in-law and daughter. Mr. and Mrs. Jerry Pace in Tahoka.

Atlanta Constitution: Things are improving. Theatre patrons have quit going back and looking for the wad of gum they placed under the seat.

WEST TEXAS UTILITIES COMPANY has made large investments to provide modern facilities for electric service in Ozona, even ahead of present day requirements. It is supplying over double the amount of service per customer as was supplied some few years ago. It has made five domestic rate reductions since 1927 and is now collecting less per customer than it did in the days when it was supplying near one-third the present amount of service. In addition thereto, it is shouldering for you more of the tax burden than in previous years.

Your part is to further increase your use of facilities provided. Electric service is one of the most valuable commodities of the household, yet it is sold at the lowest prices, takes only about 1 per cent of the workman's total household expenditures.

The present domestic rate schedule in Ozona will provide 515 kilowatt-hours per month for what only 74 kilowatt-hours would have cost you in 1927. A simple way to figure your electric service bill in Ozona on a completely electrified home is as follows:

**First 50 Kilowatt-Hours at 7½c
All Over at 3c**

When water heater service is controlled so as to use investment in capacity already provided for the range, such added service costs only 1c per kilowatt-hour which makes such total cost for the completely electrified home in Ozona even lower than any of the four largest cities in the State of Texas.

Electric Service Is Cheap.

You Should Use More Of It.

Curious Specimens Of Floral Life In University Garden

AUSTIN, Tex., Oct. 23.—Curious and rare specimens of floral life are included among the more ordinary shrubs and plants which grow in the small greenhouse at The University of Texas. Among the rarest blooms in this collection are the old-lady-in-the-boat, the rattlesnake flower, and the sensitive plant of Texas. The greenhouse, located on the main campus, contains flowers and shrubs used to decorate the University grounds, and plants used by the College of Pharmacy in the preparation of certain drugs.

The old-lady-in-the-boat is a colorful tropical plant belonging to the spider lily family. Its long spike-like leaves are green on one side and purple on the other. In the center of the plant the leaves fold up to resemble a purple boat in which sits an old lady whose white bonnet shows above the sides. The flower abounds in Mexico and South America.

The sensitive plant grows wild in Texas, taking its name from the fact that when the plant is touched, its leaves fold up and the stem droops. A water gland at the base of the stem holds the plant turgid, and when the plant is affected by touch or heat, the water is driven from the leaves and causes the phenomenon which gives the plant its name.

The rattlesnake flower is a star-shaped yellow plant with brown spots; its odor is very offensive to the human nose, but it attracts flies and other insects with its scent of decaying matter.

Chevrolet Again Gets Lead Place In Show Drawing

DETROIT, Oct. 23.—First choice of exhibit space at the 1935 New York automobile show, awarded annually to the motor car manufacturer with the largest dollar volume sales, again went to Chevrolet this year. The drawing for the 1935 automobile show represents the eighth consecutive year in which Chevrolet has won the coveted first choice of space at the Grand Central Palace.

The system of giving the pick of the show positions to the exhibitor having the largest sales was established when the shows were under the management of the N.A.C.C., now the Automobile Manufacturers Association. The management of the 1935 show, the first to be held under the direction of the Automobile Merchants Association of New York, continued the system as the fairest basis on which to allot spaces.

Only 8 Failures Recorded In Texas During September

AUSTIN, Tex., Oct. 23.—Only eight commercial failures occurred in Texas during September, according to the University of Texas Bureau of Business Research. Failures totaled eighteen in August and eighteen in September, 1933, a drop of 56 per cent. Liabilities of the firms that failed in September this year totaled only \$57,000, a decline of 73 per cent from August and 93 per cent from September last year. Average liability per failure, \$7,125, was 40 per cent less than in August and 85 per cent below September a year ago.

Epidemics Among Children May Be Avoided By Care

AUSTIN, Oct. 23.—The daily inspection of school children and the removal and isolation of those found ailing, constitutes one of the most important factors in the control of communicable diseases, declared Dr. John W. Brown, State Health Officer.

Medical supervision of school children is, of course, the ideal method of disease control. However, in most communities, this is not possible. Parents and teachers can do a great deal in preventing the spread of disease. If the parent notices anything abnormal about the child, he should be kept at home.

The teacher should notify the parents of children who show any of the following symptoms: loss of weight, pallor, pains, flushing of the face, breaking out of any kind, cold in head, especially running eyes, evidence of sore throat, cough, vomiting, etc.

If children showing the early signs of the common children's diseases are excluded and their family physician consulted early many epidemics could be averted and loss of time prevented. It is much better to have one child miss a few days of school, rather than run the risk of spreading the disease to his classmates.

Feed Loans Now May Be Obtained For Breeding Stock

DALLAS, Tex., Oct. 23.—Farmers and stockowners in the primary drouth areas may now obtain feed loan allowances for pure bred cows, heifers or bulls acquired for breeding purposes since April 1, 1934, according to a statement today by Charles W. Sherrill, Regional Manager of the Emergency Crop and Feed Loan Office, Farm Credit Administration, at Dallas. Previously, loans were not made to purchase feed for stock acquired after April 1.

"The feed loans for recently acquired stock," Mr. Sherrill said, "will enable cattlemen in the drouth areas to keep up their foundation herds." No advances will be made to purchase feed for newly acquired stock brought into drouth areas from another state or for animals acquired from a person who did not own them prior to April 1. The total number of cattle including newly acquired stock, for which feed loan allowances are now available may not exceed the number owned on October 1, or the number which the applicant will own after culling his herd in accordance with requirements of the cattle purchase program.

Since early in July, when the emergency feed loans were first made available, more than 52,000 of such loans and supplemental advances have been made, totaling over \$2,900,000. The loans are disbursed from the drouth relief appropriation approved June 19, 1934. Applications may be made to the local crop and feed loan committee in the applicant's county. The Dallas office serves the states of Texas, Arizona and New Mexico.

BARNHART NOTES

By BUSTER KILPATRICK, Correspondent

BARNHART PLAY WELL RECEIVED

The high school play, "The Gate to Happiness" presented last Friday evening was well received. The story in itself was good, the pupils in the play were good. Many out of town visitors were present.

MRS. OWENS SURPRISED ON HER 76th BIRTHDAY

Mrs. Clint Owens Sr., was honored last week with a surprise birthday party at the home of Mrs. T. C. Harris on her seventy-sixth birthday.

Many friends of long years were present, including Mrs. A. Helbing of San Angelo, Mrs. H. N. Garrett and Mrs. Cora Miller both of Eldorado, and Mrs. W. J. Moore of Stiles, Texas. A beautiful tiered birthday cake covered with seventy-six tiny candles, and decorated in pink and white was presented by Mrs. B. G. Owens, daughter-in-law to Mrs. Clint Owens, Sr. Mrs. R. L. Owens daughter-in-law and Mrs. W. E. Barr, granddaughter, were the only other members of the family in attendance. A beautiful Friendship quilt was pieced and embroidered by friends of long standing, some of whom were unable to be present.

After a program including a song by Mrs. Clint Shaw and Mrs. T. C. Harris accompanied at the piano by Mrs. B. G. Owens, a reading by Mrs. L. Q. Sparks and piano numbers by Mrs. Harris, the guests amused each other by telling of the "Most exciting thing that ever happened in Barnhart, as I recall it."

Every one present made wishes for Mrs. Owens and the candles were blown out; the cake was cut and served with punch to the above guests and to Mrs. Willie M. Dunkin, Mrs. R. S. Neal, Mrs. S. K. Hageman, Mrs. E. E. Woodruff, C. Halcomb, Mrs. C. C. Luther, Mrs. J. D. Shaw, Mrs. J. D. Shaw, Mrs. J. B. Westfall, and Mrs. D. Armstrong.

Mr. and Mrs. L. B. Collins re-

turned late last week from New Mexico. They are to make their home in Barnhart and will live in the E. J. Wyatt home, having sold their own home to Mr. and Mrs. J. T. Miles.

Ellis Lee Porter was a weekend visitor to Ft. Stockton his former home. His friend, Carry Durham of Ft. Stockton returned home with and will remain through this week.

SENIORS ENJOY OUTING

The Barnhart Seniors and their sponsor went on a Sunrise Breakfast last Saturday morning to the lakes on the old Ozona-Barnhart highway. The surprise of the morning was a large box of candy presented the class by Mrs. J. T. Reed.

JUNIOR-SENIOR PARTY

The Senior and Juniors were entertained Monday night by Edmund Watson at the home of Mrs. Cal Johnson. Mrs. A. A. Cumble dressed as a witch told fortunes. Numerous games were played. Refreshments were served to Al Owens, Ellis Lee Porter, Carry Durham, Alene Owens, Edna Ake Edith Watson, Donna Frank, Fred Kessler, Irene Besman and Constance Cumble.

Mrs. Willie M. Dunkin had as dinner guests Monday evening, Mr. and Mrs. Frank Hersey of Big Lake.

Word comes from E. J. Wyatt, former correspondent to the Stockman, that he has passed this year's barber examination for the State of New Mexico and is a registered licensed barber. His exam in beauty culture will be given within the next month. In New Mexico, Barbers and Beauticians are examined every year and this is the second exam Mr. Wyatt has had in each subject.

Mr. Carruthers, who lives here, is in a hospital in San Angelo, suffering from diabetes. He is in a very serious condition.

MRS. GRIMMER HOSTESS TO OZONA WOMAN'S CLUB

Mrs. W. J. Grimmer was hostess to The Ozona Woman's Club at her home Tuesday afternoon. An original program was presented in which each person present presented an original work of her own. This included oil paintings, hand work, essays and poetry.

Mrs. W. J. Grimmer was appointed to arrange for presentation of a home talent play in the near future to help bolster club finances.

Those present, including a number of guests were Mrs. Leon Gambrell, Mrs. A. E. Deland, Mrs. Royce Smith, Mrs. Pon Seahorn, Mrs. Frank Friend, Mrs. Sid Mills paugh, Mrs. L. B. Cox, Mrs. Alice Baker, Mrs. Evert White, Mrs. V. I. Pierce, Mrs. Vernon Cox, Mrs. Anna Strausberger, Mrs. J. W. Henderson, Mrs. Charles Williams, Mrs. Joe Pierce, Mrs. Ira Carson, and Mrs. A. C. Hoover.

New members of the club are Mrs. Leon Gambrell, Mrs. A. E. Deland and Mrs. Floyd White.

J. S. Whatley left Monday for Ranger to be at the bedside of his mother, who is critically ill.

Child Welfare Group To Meet

19 Counties Send Delegates To Sweetwater Meeting Nov. 3

AUSTIN, Texas, Oct. 23.—The Second District Meeting of West Texas County Child Welfare Boards will be held in Sweetwater Saturday, November 3rd. The Nolan County Child Welfare Board has called the meeting and, together with numerous organizations of Sweetwater, will act as host to nineteen West Texas counties which have been invited to participate in the conference. The first district meeting was held in San Angelo in May of 1933.

Speakers of the second meeting will include Miss Mary Ruth Colby of the United States Children's Bureau of Washington, D. C., Mrs. Violet S. Greenhill, Chief of the State Division of Child Welfare, Mrs. Val Keating, Case Consultant of the Texas Relief Commission, and representatives of juvenile courts and recreational groups. Governor-elect James V. Allred has been invited to address the meeting. Strengthening of the Texas Child Welfare program was a part of Mr. Allred's recent campaign and it was also incorporated in the platform adopted by the Democratic Convention held in Galveston in September.

About three hundred persons interested in the child welfare work in Texas will attend the meeting from the following counties: Nolan, Taylor, Howard, Midland, Upton, Reagan, Crockett, Glasscock, Mitchell, Tom Green, Schleicher, Sutton, Sterling, Coke, Irion, Concho, Menard, Kimble and Hunsell.

The primary purpose of the County Child Welfare Boards, as organized under the 1931 statute, which authorized their establishment, is the promotion of the interests of dependent, neglected, delinquent, and other handicapped and underprivileged children. The initiative in the establishment and maintenance of such boards is taken by the county, under the supervision and assistance of the Texas Division of Child Welfare.

Mr. and Mrs. Hugh Gray and Mrs. S. L. Butler went to Waco last week where Mr. and Mrs. Gray visited Mr. Gray's sister, Mrs. McDowell and family, and Mrs. Butler visited her daughter, Miss Margaret Butler, who is a student at Baylor University. Mrs. McDowell and son, Leo, accompanied them home for a visit with Mr. and Mrs. Gray.

Romantic Period Of German Music Theme Music Club Program

Romanticism in Germany was the theme of the program presented before the Ozona Music Club which met Thursday afternoon at the home of Mrs. W. J. Grimmer with Mrs. Bryan McDonald as the assisting hostess.

As leader of the program, Mrs. Lowell Littleton discussed the romantic period in Germany. Three numbers, "To Rosella," "Good-night," and "Song of Dawn," were sung by Adella Willis, Ora Louise Cox, Janice Watts, Mary Bess Parker, Crystell Carson and Dorothy Hannah, members of the Juvenile Club.

Current music news was discussed by Mrs. S. M. Harvick. A piano duet, "Invitation to the Dance" by Weber, was played by Mary Williams of the junior club and Miss Maxine Murdock. Other numbers on the program included a poem, "Abt Volger" (Browning) by Mrs. Arthur Hoover, a vocal solo, "The Music" (Robert Frantz) by Mrs. Joe Pierce, a piano solo, "Hungarian Dance No. 5" (Brahms) by Miss Aileen Hampton, and the chorus, "The Gypsies" (Schuman) by the club.

Mrs. Hilary Phillips was elected as a new member of the group. Musical radio news was given by Mrs. Lee Childress.

The hostesses served refreshments to Mrs. John Bailey, Mrs. Bright Baggett, Mrs. Alyce Baker, Mrs. Roger Dudley, Mrs. Joe Davidson, Miss Edith Tillory, Mrs. C. S. Mrs. Charlie Butler was called early this week to the bedside of her sister, who is seriously ill at her home in Tucson, Ariz. Mrs. F. A. Gray, William Gray and Leo McDowell of Waco accompanied her.

Mike Couch went to San Angelo early in the week to receive treatment for an infected finger.

Allred Supports First Amendment

Gov.-Elect For Classification Of Property For Taxes

FT. WORTH, Oct. 23.—Fulfilling a campaign pledge to talk frankly with the people about the problems of government, governor designate James V. Allred delivered a second address in explanation of proposed constitutional amendments relative to taxation. Allred addressed the County Judges Association.

"With a \$12,000,000 treasury deficit this state is facing a financial crisis," Allred said. "The present Legislative Special Session is being urged to appropriate many million more. Add to this the ever mounting relief burdens and surely every citizen must realize that something must be done to equalize oppressive tax burdens."

"Real estate and other tangible property simply cannot bear any further increase of the tax load," declared Allred. "Not only that, but the existing tax burden on tangible property and real estate must be materially reduced."

"While real estate and tangible property represent only half of the wealth of the state it bears 97% of the tax burden. The other half such as stocks, bonds, money notes, mortgages and other intangible wealth bears only 3% of the tax burden. This is decidedly unfair," Allred said.

"This grave injustice in our tax system can be righted on November 6th if the oppressed taxpayers will vote for the constitutional amendment that appears first on the ballot. Amendment No. 1 authorizes a classification of property for tax purposes and will enable the Legislature to add untold millions to the tax rolls that now escape taxation altogether."

"Amendment No. 1 should not be confused with Amendment No. 3 on the ballot. Amendment No. 3 seeks to place a per capita limit upon state revenues and expenditures. If this amendment had been in force the past two years it would have reduced state revenues approximately \$40,000,000. That would have been ruinous to our schools and vital governmental agencies. Every friend of the public schools and of efficient state government is against Amendment No. 3."

"I urge that the people be not deceived about these proposed amendments," Allred said. "Amendment No. 1 should be adopted and

Amendment No. 3 should be defeated. The moneyed interests and designing politicians are trying to confuse the people either with the slogan 'swat them all' or with the absurd statement that Amendment No. 1 might in some manner affect the \$3,000 homestead exemption.

"In order that real estate may be relieved of the crushing tax burden it now bears, I urge the people of Texas to vote for Amendment No. 1. In order that our schools may be kept open and the vital functions of government may be efficiently carried on, I urge the defeat of Amendment No. 3."
