## LIONS POINT FOR INITIAL VICTORY SATURDAY IN FIRST DIST. GAME AGAINST MENARD

### Largest Crowd Of Season Expected To Witness Fray

Fortified with the knowledge they have gained in three practice games of the season and a week's intensive training in blocking and tackling and scoring plays, Coach White's Ozona Lions expect to get their first taste of blood next Saturday in their first district encounter of the season against the Menard Yellow Jackets.

The first district combat for the Lions is scheduled to get underway at 3 o'clock Saturday afternoon at the Powell park gridiron. With interest on the part of fans mounting as the season progresses, a record crowd is expected to be on hand to see the Lions take their first scalp of the season.

Coach White's inexperienced crew absorbed a 19 to 0 defeat at the hands of the veteran eleven from the Iraan High School on the Iraan gridiron last Saturday afternoon. The Lions surprised the Braves in the first quarter by fighting them almost to a standstill. The battle was adjudged an even contest throughout the first period but in the second, Holder, brave halfback, skirted the end for twelve yards and a marker and the Iraan lads had easy sailing the rest of the game. The Lions, however, did a good job of holding the Braves to three touchdowns in view of the heavier and more experienced players composing the Iraan eleven.

The Ozona crew will come up from the Menard game and dive directly into practice the following week for another district combat against Junction here on October 20. Junction, Rocksprings and Eldorado are rated the three strongest teams in the district.

## Sheep Population Reduced By 85,000

### Government Purchases Continue; 75,000 Head Killed

Crockett County's sheep population had been reduced by approximately 85,000 head up to the close of operations Wednesday night in the government's drouth relief sheep buying program. Of this number, approximately 75,000 head are represented only by their hides left on the parched prairies to dry for thirty days before delivery to government agents at the shipping point. The other 10,000 are to be shipped to relief canneries to be processed into food for the needy.

The recent ruling that hides must be dried 30 days before delivery has slowed down purchases somewhat, but the program is going ahead while efforts are being made to secure modification of this ruling. Goat purchases got under way in this county this week the first quota fixed being approximately 10,000 head to be purchased.

## C. A. Broome, Pioneer West Texas Builder, Dies In California

Funeral services for Claude A. Broome, San Angelo ranchman, real estate and insurance man and pioneer West Texas builder, who died in a Santa Barbara, Calif., hospital Sunday night, will be held sometime today in San Angelo. The body was scheduled to arrive there this morning and services were slated for the afternoon, the hour not being announced. Mr. Broome was a brother of Mrs. W. E. Smith and Mrs. Bert Couch of Ozona. His widow, three sons, George, Harold, and Arthur Broome and one daughter, Mrs. Marian Kelson, survive.

## Juniors Primed For Grid Combat

### Great Battle Forecast For Friday Afternoon At 4

"Anything goes so long as it's football" is the motto of combatants in the "battle of the year" to take place on the Powell park gridiron Friday afternoon when two teams from the Junior High School squad being coached by M. M. Collins, Junior High principal, meet in matched combat.

The coming grid heroes have been hard at work the past few weeks working up their offensive and defensive systems and Ozona fans are due an exhibition of closely contested football when these youngsters tangling tooth and nail Friday afternoon.

The squad has been divided into two teams, one captained by Leo Williams and the other by Beecher Montgomery. Both captains have their men in the "pink" of condition and each is confident of victory. Admission charges will be 10 cents for adults and 5 cents for school children, proceeds to go for junior athletics.

## Friend-Williams Wedding Announced

Announcement was made the past week of the wedding of Miss Ione Williams of Texon and Bill Friend, son of Mr. and Mrs. W. E. Friend of Ozona. The wedding took place in Crane on September 23.

Mr. and Mrs. Friend are at home on the ranch near Big Lake. The bride is a daughter of Mr. and Mrs. R. C. (Ted) Williams of Texon. She is a graduate of the San Angelo High School, later attending Our Lady of the Lake College in San Antonio. Mr. Friend is a graduate of the Ozona High School, later attending N.M.M.I. at Roswell, N. M.

## Crockett Cowboy In Days When Ozona A "Tent Town" Visitor

### John Christian, Former Employee On Henderson Ranch, Was Here When County Organized

John Christian, who was a cowhand in Crockett County when Ozona was a "tent town," who was here when Crockett County was organized, helped the old timers of today who were the young bloods of that day paint the town in vermilion hue and who remembers many intimate events of the stirring days when an empire was being founded on a broad expanse of virgin prairies, spent a few days here this week seeing some of his friends of nearly a half century ago and recalling old times.

Christian, who is a native of San Saba County, has spent the last fifteen years in California, most of the time working as an extra and double in the movies. He says he has been everything from an Arab to a Chinaman in the movies, most of his jobs being in the wild riding scenes, his early day training in horsemanship standing him in good stead in holding his place in the scene where those less experienced in the saddle couldn't make the grade.

Christian first came to Crockett County in 1890 or '91 to work as a cowpuncher on the J. W. Henderson ranch. He stayed in this county about three years, returning for the first time about five years ago. At that time he had a long talk with his former employer, the late John W. Henderson, he said. He is on his way back to California to "see what's doing in the movies."

FIRST OF HER KIND

Miss Eleanor Murdoch of New York, who was declared the winner of the "individual masters" championship of the American Bridge league at tournament in the Hotel Ambassador, New York. She is the first of her sex to win the title.

## Club To Continue Library Movement

### Plan For County Library To Be Pushed This Year

Work toward establishment of a county library in Ozona, a project undertaken last year, will be continued by the Ozona Woman's Club as one of its major projects for this season, it was decided at the second club meeting of the current year held Tuesday afternoon at the ranch home of Mrs. W. R. Baggett.

Since Texas ranks low among other states of the Union in the matter of public libraries, the Federated Women's Clubs of the state are making a concerted effort to bring about the establishment of as many libraries as possible this year. The local club has seen the need for such an institution for several years and has been at work on the project almost continuously.

One of the largest crowds of members and guests ever present for a regular meeting were on hand for the meeting this week when a study of the interesting 1933 Pulitzer prize novel, "Lamb In His Bosom" by Carolyn Miller was slated. The discussion of the book was developed through papers presented by Mrs. N. W. Graham, Mrs. J. C. Montgomery, Mrs. Evert White and Mrs. Bascomb Cox. The program was directed by Mrs. N. W. Graham, Mrs. I. G. Rape was assisting hostess.

Refreshments were served at the conclusion of the meeting to the following members and guests: Mrs. George Bean, Mrs. Ira Carson, Mrs. Bascomb Cox, Mrs. Vernon Cox, Mrs. Lee Childress, Miss Elizabeth Fussell, Mrs. N. W. Graham, Mrs. W. J. Grimmer, Mrs. J. W. Henderson, Mrs. George Montgomery, Mrs. Paul Perner, Mrs. Joe Pierce, Mrs. Anna Strausberg, Mrs. Royce Smith, Mrs. Evert White, Mrs. Hugh Childress, Mrs. Bill Williams, Mrs. Kate Baggett and Mrs. R. L. Flowers.

## Mrs. Jones To Open Pre-Kindergarten Training Classes

Mrs. A. W. Jones will open her Pre-Kindergarten training class for children from 3 to 5 years of age next Monday morning. Classes will be held each school day morning from 9 to 11 o'clock.

The course to be offered will be in the nature of directed play, the children being directed in various types of games, colors, rhythm and tone, nature study, expression and dramatic work through the medium of nursery rhymes, and physical culture. Parents who are interested in this pre-kindergarten training for children are requested to see Mrs. Jones before Monday so that she can plan the work in advance.

## MORE CATTLE BUYING URGED IN CROCKETT

### Survey Being Made Of County To Determine Drouth Conditions

#### 10,000 STARVING

### Request Forwarded To Petrie For New Cattle Quota

The new quota of 1000 head of cattle to be purchased in the government's renewed cattle buying activities having been quickly reached from starving herds on drouth parched Crockett County ranges, efforts are now being made to get an extension of the buying program in this county through recommendations to drouth relief authorities.

A Mr. Finley from the Austin bureau of the U. S. Department of Agriculture, is making a survey of drouth conditions in Crockett County this week in company with W. R. Nesbit, drouth relief Counties. This survey is being directed for Crockett and Sutton made to determine the drouth condition of the county and may result in official recommendation for further cattle buying in the county.

It is estimated that approximately 10,000 head of cattle must be moved from Crockett County ranges, either by the growers, the government or nature. Many cattle are reported dying daily from starvation.

Recommendations have been sent to Harry Petrie, chief of the cattle and sheep section of the emergency drouth relief administration, that cattle buying be extended in this county in view of the conditions that exist, and it is expected that some action will be taken as soon as the true conditions are made known.

## Child Training Is P.T.A. Topic

### Organization Meets For Regular Program Monday

"The Home Start", the opening topic of the general theme adopted for the year's study, "Today's Child in Tomorrow's World," will be developed at the next meeting of the Ozona Parent-Teacher Association session Monday afternoon, October 15, at the High School building.

Mrs. J. M. Baggett is leader for the day. The program will be as follows: Assembly Singing. Invocation—Mrs. L. B. Cox. Fourth Grade Program—Mrs. C. S. Denham, sponsor. Vocal Solo—Mrs. H. B. Tandy. Paper—"The Home Start"—Mrs. W. J. Grimmer. Business meeting, and social hour.

Hostesses for the day are Mrs. Ira Carson, Mrs. Lee Childress, Mrs. Vernon Cox, Mrs. L. B. Cox, Mrs. Fleet Coates, Mrs. M. C. Couch, Mrs. Mark Talliaferro and Mrs. J. H. Williams.

## Students Get First Report Cards Tues.

Students of the Ozona Public Schools are due to receive their first report cards of the current school year Tuesday of next week. It was announced this week by Supt. C. S. Denham.

Term examinations are in progress in all classes this week and the cards will be prepared over the week-end for distribution Tuesday.

Judge and Mrs. Chas. E. Davidson are in Oklahoma. They are expected home the latter part of this week.

## DONKEY BALL GAME SLATED FOR 4 TODAY

### Lions, Masons Tangle In Year's Greatest Fun Festival

The greatest fun festival of the year will take place at the Powell athletic field starting at 4 o'clock this afternoon when two picked teams, one representing the Ozona Masonic Lodge and the other the Ozona Lions Club, open hostilities in the first donkey baseball game for Ozona.

A dozen donkeys are trudging their way from sixty miles down country, from the Brock Hoover, Pat Lee and Lee Childress ranches, converging on Ozona as time draws near for the comic fracas. A Mexican herder is on his way to Ozona with the herd of donkeys, promoters expecting the mounts to be here in time this morning to have a bite of hay, a drink of water and a few hours rest before being introduced to the great American game of baseball.

Practically all of the business firms of the city have agreed to close their doors for the game and a city-wide turn-out is expected to witness the novel game. Rex Russell, Carl Dorley, Marshall Montgomery, Jake Young, Jim Miller, Shorty Wilkinson, the Kyle brothers and other lights and lesser lights will be seen in mounted combat. The game will start promptly at 4 o'clock and continue "until dark" if necessary, promoters promise. Admission charges will be 20 and 35 cents, proceeds to be split by the Lions Club and the Eastern Star.

## Miss Allyne Friend And D. K. McMullen Wed Sunday Night

Miss Allyne Friend, daughter of Mr. and Mrs. Harry J. Friend of Ozona, and D. K. McMullen, young Crockett rancher, were united in marriage Sunday night at the Ashby McMullen ranch in the presence of about twenty close friends and relatives.

The impressive ring ceremony was performed by the Rev. H. H. Washington, pastor of the Big Lake Methodist Church, Miss Dixie Davidson and Bill Friend, cousins of the bride, in attendance. After a short honeymoon to Houston, San Antonio and other points, the young couple will make their home on the D. K. McMullen ranch in Crockett County. Mrs. McMullen is a native of Crockett County, a graduate of the Ozona High School and attended Westmoreland College in San Antonio. Mr. McMullen is associated with his father in the ranching business. He attended Schreiner Institute at Kerrville.

## Delegates Here For Zone Meet

### Ozona Missionary Society Hostess To Group Session

Delegates from Missionary Societies in five nearby towns are here today for the Missionary Zone Meeting in session at the Methodist Church, with the Ozona society as hostess to the group session.

The zone meet program got under way at 10 o'clock this morning with the assembly of visitors at the church for the morning program. Lunch was served in the basement of the church at the noon hour for the visitors. The meeting continues into the afternoon, with an interesting program.

Typewriter ribbons at the Stockman office.

## 10,464 GOATS TO BE BOUGHT IN CROCKETT

### Buying Gets Under Way Mon. On Orders From Director

#### BUY 64% OF LIST

### Over 16,000 Head Offered By 48 Producers Of County

The government's drouth relief goat buying program, long delayed while the buying of sheep and cattle was in progress, got under way in Crockett County Monday morning upon orders from G. W. Barnes of College Station, state drouth relief director.

This county's quota of goats to be purchased by the government was fixed at 10,464 head, which is 64 per cent of the number of head listed by the producers for sale to the government. This quota will be maintained by accepting only 64 per cent of the number of head listed by each grower.

The weekly quota of live goats to be accepted for shipment was placed at 3,600 head, but up to Tuesday night not a single goat had been accepted as suitable for shipment. A total of 2,419 head had been purchased by the government agents up to that time and all had been condemned and killed.

The same regulations as to skinning the slaughtered animals apply in the goat purchasing program as in the sheep buying.

Forty-eight producers in Crockett County had listed a total of 54,246 goats as the goat population of the county, of which number, 16,353 were offered for sale to the government. The quota as fixed for this county represents 64 per cent of the number of head listed, or 10,464 head.

## Theatre Offers Weekly Prizes

### Each Wednesday Night To Be "Money Prize Night" Here

Beginning next Wednesday night and each Wednesday night thereafter will be "Money Prize Night" at the Ozona Theatre. J. R. Kersey, manager, announced this week.

Registrations for the Money Prize Night have been under way the past week. No charge is made for registering, those who register on the free tickets getting a chance at the weekly cash prize drawing. The only requirement to win the prize is the presence of the person whose name is drawn at the theatre on the night of the drawing. In the event, however, the person whose name is drawn is not present, the cash prize is carried over and added to the next week's prize. The weekly cash prize being offered here is \$12.50.

## Brother-In-Law Of Ozona School Supt. Dies In New Mexico

Mr. and Mrs. C. S. Denham left Saturday for Encino, N. M., to attend the funeral of Mr. Denham's brother-in-law, Ray F. Paulk, who died of pneumonia in the U. S. Veterans Hospital at Albuquerque, N. M. Saturday morning.

American Legion funeral services were held at Encino Sunday afternoon by the Encino post after which the body was taken to Slaton, Texas, where graveside services were conducted by the Slaton post of the American Legion. Mr. Paulk is survived by his widow, Mr. Denham's sister, and two children.

Walter Dunlap, who ranches near Sheffield, was an Ozona visitor Tuesday.

THURSDAY, OCTOBER 11, 1934

INVESTMENTS

Kerrville Mountain Sun—Roger W. Babson, the business statistician, in one of his recent letters, set forth the following:

\$1.00 spent for a lunch lasts five hours.

\$1.00 spent for a necktie lasts five weeks.

\$1.00 spent for a cap lasts five months.

\$1.00 spent for a water power or railroad grade lasts five generations.

\$1.00 spent in the service of God last for eternity.

Whether a man possesses many or a few dollars, it will be well for him to give heed to the kind of investment he is making.

Some investments that were made with anticipation of large returns are today disappointing the investors. Other investments are proving more satisfactory than originally estimated. It is doubtless true that no investments bring more fundamental satisfaction that those made in the service of God and humanity.

STATE EXPENSES NOBODY IS INTERESTED IN

Few persons in this State, including members of the legislature and candidates for State office, realize that the Texas government alone spends annually more than \$1,000,000 for food. It shows up in the comptroller's report for last year as totaling \$1,000,000. There were two items for food, one at \$467,000, one at \$412,000 and a third item for \$130,000 for purchase of meals by State officials and employees. The entire \$1,000,000 is paid out of tax money and none of the food went to those on relief rolls.

But this report contains other information that would interest those candidates in the runoff campaign who urged economy in government. The bill for ice and water alone reached \$77,000. The State paid out \$143,000 for stamps while the telephone bill was \$114,000.

Besides the large amount of money allowed for regular traveling expenses the State reimburses officials and employes for using their own cars, and this reimbursement bill last year exceeded \$200,000. But in addition the State bought gasoline to the amount of \$105,000. The light and power bill amounted to \$227,000 and fuel cost the State \$597,000. For drugs and chemicals the State paid out \$130,000; for hotel and room rent \$100,000 was expended. The stationery bill was \$107,000 but this does not include printing of reports, text books and law books.

For clothing and dry goods the bill was \$160,000, and for lumber it was \$58,000. For automobile repairs \$29,000; new passenger cars \$32,000 and new trucks \$7,000. There is a bill for \$218 for airplane repairs but there is nothing in the report to show that an airplane has been bought. Railroad and bus fares took nearly \$75,000 in spite of the \$200,000 given for the use of personal cars. Officials in the comptroller's office say they are seldom, if ever, called upon by legislators to furnish these reports.

Louisville Courier-Journal: The silence that is coming out of Germany is nothing more than the censorship at work.

THE DWINDLING FAMILY

Cincinnati Enquirer: Sir Raymond Unwin, British housing expert now visiting the United States, calls attention to a significant trend in population statistics which has a very important bearing on low-cost housing projects. In England, Sir Raymond points out, a million low-cost dwellings have been built with government aid in the period since the war, and yet the country still faces a housing shortage. This he explains by the trend to smaller families.

In 1911, the average English family consisted of 4.55 persons. In 1931, it was only 3.91 persons. Thus, despite the slowing down of population growth, there are 36 more families in each 1,000 people than 20 years ago. This means there are needed 360 more dwellings in a town of 10,000 population, or 18,000 more dwellings and apartments in a city of a half million population.

This carries an important implication for the United States, inasmuch as the family has dwindled in size much as it has in England. In the last 10 years alone there has been an increase of 11 families to every 1,000 population in the United States. This, added to our total population growth, makes an impressive increase in the potential housing required.

Probably such figures have a mocking sound for many persons who own houses for which they are unable to find tenants. But when allowance is made for the temporary doubling up of families during depression, and for the great numbers of dwellings and apartments that are obsolete, the potential housing shortage becomes a reality. Every reasonable means for inducing a resumption of home-building and low-cost mass housing is worthy of consideration, both for the stimulus that would be given to the construction industry and for the social gain to be had from better housing.

SOUND PRECEDENT

Troup Banner: Can you remember away back yonder, when you were a stripling of a boy, that if a community suffered from drought or a cyclone or a tidal wave or an overflowing river or creek the people thereof felt too independent and too proud to allow the government to come in and help them? Their neighbors might be allowed to help a little, but they usually tightened their belts up to the next notch, buckled down to harder work, skimped and economized a little bit more and asserted their independence. Then, first thing you knew they were out of their trouble and on their way as usual. But people just don't do that way any more. People have repudiated the doctrine of Grover Cleveland that they should support the Government and not depend on the Government to support them.

KEEP THEM IGNORANT

Dallas News: The Fort Worth school board has turned down textbooks "tinged with the theory of evolution." An official is quoted as saying, "From a scientist's point of view the books were not objectionable, but from a layman's point of view they are doubtful." Another leader of education pointed out that "there are many Fundamentalists in Fort Worth who might take offense at the teaching of revolutionary theories to the city's youth." Presumably there are no citizens in Ft. Worth who would take offense of fundamentalist views of the origin of the earth and man are taught, in preference to accepted scientific teaching as to the geological age of the earth and definite knowledge of human origins.

The Fort Worth school board has the proper attitude in this matter. Children should not be taught modern science in any one of its forms, for these are all evolutionary nowadays in their points of view. Let children in the schools be taught the three E's—reading, writing, and arithmetic—then when they grow older and meet the scientific information printed so generously in news papers, magazines and books, they will thank the school board for keeping them ignorant. Incidentally, they should not be encouraged to go to high school or college, lest they get "tinged with the theory of evolution."

SENSATIONAL JOCKEY

Paul Kester is the jockey who has created a sensation by his numerous winnings, especially at Lincoln Fields (Chicago). He has a good chance to finish the season at the top of the American Jockey list.

TAKE LIFE PHILOSOPHICALLY

Stephensville Empire-Tribune: One way in which people lose a long life's trail is in being annoyed.

They cannot successfully fight the battle to conquer irritation and end up by letting irritation conquer them.

Few people today enjoy a placid and happy life. No matter how much they have to make life worth while, no matter how big and wholesome existence is for them, they permit the little things to annoy them.

Little things are worse on a person's nerves than big ones because there are more of the former and the person does not think enough of them to fight against them.

Yet little by little they will up in a person's mind, build temperament, tear down composure and dignity, make lives miserable.

The man who lived beside the road and was a friend to everybody served as a good example but he did not have the things to contend with as those who reside beside the highway today.

There were no roaring, horn-tooting automobiles; swirls of dust as some gay young blade drove his car at break-neck speed, no train whistles, no depression to worry about.

The task of being master of one's irritation is 10-fold as hard today as yesterday. That is one reason why so few are happy.

To get the best out of life a person must overlook annoying things, make allowances for them—yeah, but try and do it.

Humanity just as well admit it is licked, that it can not fight hard enough to conquer irritation.

WHAT IS A GENTLEMAN?

Kerrville Mountain Sun: A story that is fully attested as to its truthfulness is told of Chief Justice John Marshall that illustrates true gentility. As he was taking a morning walk in Washington, plainly, almost shabbily dressed, he encountered a young man at the market place. A market-basket well filled was at the feet of the young man and he was saying to the market-man: "I wonder where all the niggers are this morning. I can't find anyone to carry my basket home." The Chief Justice said: "Where do you live?" The answer was 204 Avenue A. "Well, I am going your way. I will carry it for you."

They started, the judge carrying the basket. The young man noticed that the people they met all bowed very politely to the volunteer porter and wondered who he could be. The basket was deposited at the door, pay was offered, but declined. The next day while walking with a friend, this young man saw the volunteer porter in a group of lawyers. He said: "Who is that plain old fellow that they are listening to?" His friend replied: "That is John Marshall, Chief Justice of the Supreme Court of the United States." "He carried my market-basket home yesterday. Why do you think he did it?" the young man asked. "To teach you the difference between a real gentleman and a snob," was the caustic reply.

If you have guests in your home it will be a courtesy to them and information that your friends want to record their visit in the current issue of The Stockman. Just phone 210 and give the reporter their names.

See the new Remington Portable Typewriters on display at the Stockman office. Adv

Cycle of Violence

Pathfinder: Murder and political violence also seem to go around the world in regular waves. For many years our neighbor, Mexico, has been notorious for her bloody elections. But now she has hung up a new record by not firing a shot in picking a president. But the wave has now passed around to a country which is populated by a people who by nature are one of the most peaceable in history—Germany.

An onlooking and horror-stricken world stands aghast at what is happening now in this "peaceable" Germany, but nothing can be done about it. First an internal military oligarchy ruled the Germans and dragged them into the World War—and abandoned them to their fate when the war had been lost. Now another gang, entirely different but equally ruthless, is in the saddle, trying to maintain control by the sword. Again, nothing can be done about it.

Those who raise a hand against this new dictatorship are plainly told that they will lose their head. If they do not like this, they can commit suicide, as hundreds of thousands have done.

Lufkin Daily News: The New Jersey man who stunned the world by selling his wife to a friend should certainly be punished in court. That's no way to treat a friend.

Elkhart Record: Our old country is divided against itself—those who are receiving relief from government and those who are praying for relief from too much government.

The 10th Has Come and Gone have you paid your Water Bill?

We have been somewhat lenient of late where our customers have been hard pressed and have not enforced strictly our policy of requiring payment of accounts by the tenth of the month. We now feel that the necessity for leniency has passed and we will henceforth strictly enforce this policy on all alike.

Prompt payment of current accounts will be required of all water patrons. Payment must reach us by the tenth of the month or service will be discontinued and an added charge of \$1 made for making new connection. Please co-operate with us to avoid this unnecessary expense by paying your bills by the Tenth.

### Sought By State Parks Board On Historic Spots Of Texas To Be Marked In Preparation For Centennial In 1936

AUSTIN, Tex., Oct. 9.—Since the last session of the Texas State Parks Board authorized the Texas State Parks Board to search out the historic spots of the state and to cooperate with the State Parks Commission and the State Parks Association in the preparation of the 100th anniversary of the Lone Star State, but made no appropriation whatever to carry out this important work. D. E. Colp, Chairman of the Parks Board, has undertaken the task by appointing all members of the State Parks Commission, chambers of commerce and newspaper editors to aid him by sending in a list of historical spots in their respective sections. This material will be made available to all members of the Parks Board and visitors interested. Five members of the Parks Board, which was created by the Legislature in 1923, serve without compensation of any nature. The State Parks Board has never appropriated more than \$2,575.00 for travel expenses and other necessary expenses in viewing and acquiring these parks, all of which have been donated by public-spirited citizens.

**Serve Without Pay**  
During this eleven years the members of the Board have traveled thousands of miles at their own expense and time and today their efforts, Texas owns 258,405 State Parks containing 258,405 acres without cost to the State. The State has lost a number of fine spots through failure of the State to make appropriations for their improvement and maintenance but many of these spots have been tendered since the Government inaugurated "tree army" camps in Texas are not the fault of the State Parks Board. E. Colp has— they have been donated. When the State Parks Board measure was passed by the Legislature, Colp immediately set his plans for local spots in Texas and improvement of state parks. The State Parks Board specifications are complete that they were at once and today Texas owns 258,405 State Parks, approximately 5,000 otherwise undeveloped men, with 21 of these spots at work beautifying and improving state parks for the pleasure and enjoyment of Texans today, and tomorrow. The Federal Government, thru the State Parks Board, is spending approximately \$6,000,000 in the State for the maintenance, improvement and development work in Texas State Parks.

regarding historic spots of the State and to suitably mark such spots, but made no appropriation for this purpose, and as the Parks Board has never been given funds even for its own work, Chairman Colp has called upon various civic agencies and also upon the State Parks Association, a voluntary association of public-spirited citizens, also without funds, to aid in this stupendous task.

Information regarding historic spots in your section which should be marked and publicized for future generations should be sent as soon as practicable to the Texas State Parks Board, Capitol Station, Austin, Texas, or to Fred M. Horndon, Secretary of the Texas State Parks Association, P. O. Box 1284, San Antonio, Texas, in order to be available for the Centennial Committee's use before next year.

#### INTERMEDIATE BYPU Program for Sunday, Oct. 14

- Group I, has charge of program. The Home of Mark—John D. Whately.

- John Mark Makes a "Come Back"—T. L. Gambrell.
- An Estimate of Mark's Life—George Carpenter.
- Mark's Outstanding Service—Valla Freeman.
- The Gospel According to Mark—Wanda Dunlap.

**WAFFLES** are a real treat... when they're golden brown, crisp and tender. GOLD CHAIN Waffles melt in your mouth... they're satisfying, served for breakfast or supper, stripped with crisp bacon or sizzling sausage! Try waffles, made with GOLD CHAIN Flour. It's clean flour... a perfect all-purpose blend milled in the South's most modern mill from the finest wheat obtainable.

J. H. Williams & Sons

### Kidnap Suspect's Wife and Child

An extensive photograph of Mrs. Anna Hauptmann, wife of Bruno Richard Hauptmann, pictured with her two-months old son, Manfred, in their home at No. 1279 East 22nd street, the Bronx. Mrs. Hauptmann stoutly defends the innocence of her husband, held on an extortion charge in connection with the finding of \$10,750 of the Lindbergh ransom money on his premises.

### Schick Test Makes Possible Stamping Out Of Diphtheria

AUSTIN, Oct. 9.—Nature has revealed priceless secrets to students of medical science, stated Dr. John W. Brown, State Health Officer. The Schick test is the key to one of these secrets. It determines whether children are susceptible or immune to diphtheria. The medicine used consists of a high-

ly diluted form of diphtheria toxin, several drops of which are carefully introduced between the outer layers of the skin, on the inner surface of the forearm.

This susceptibility test is entirely harmless. Fifty times the amount used for a child would be necessary to injure a small animal such as a mouse or guinea pig. The red area is Nature's danger signal. Such a child, if exposed to diphtheria, might acquire the disease.

Seventy-five to 90 per cent of children under 12 are naturally susceptible to diphtheria. This information has been gained thru Schick tests carried out on thousands of children in this country during the past decade or more. Young children should therefore receive immunizing treatments against the disease, without a preliminary Schick test. Such a test should however, be carried out six months after preventive treatments to make certain that immunity has been established. In older children and adults, a preliminary Schick test is advisable, since immunity may already be present. During 1933, 632 children died of diphtheria in Texas. Nature has revealed the secret of susceptibility through the Schick test. With the knowledge of susceptibility, diphtheria could be reduced to the vanishing point if parents would have their family physician protect their children.

Lufkin Daily News: Lions and Rotary members will play two donkey ball games for the benefit of crippled children. And later on the children can play one for the benefit of crippled Lions and Rotarians.

San Francisco Chronicle: Men don't live longer. They still live about 40 years, and after that they just stay here.

### Unique Vicks Formula Is Now Aiding Millions In Preventing Many Colds

Vicks Va-tro-nol, the unique aid in preventing colds, is now helping millions of adults and children to enjoy greater freedom from colds. Va-tro-nol is especially designed for nose and throat, where most colds start. Va-tro-nol should be used at the first sneeze or nasal irritation—just a few drops up each nostril. Its timely use helps to prevent many colds—and to throw off colds in the early stages. Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh)—Va-tro-nol penetrates deep into the nasal passages—reduces swollen membranes—clears away clogging mucus—brings comforting relief.

Va-tro-nol is powerful yet absolutely safe—for both children and adults. It has been clinically tested by physicians—and proved in everyday home use by millions. (Note: The remarkable success of Vicks Drops—for nose and throat—has brought scores of imitations. The trademark Va-tro-nol is your protection in getting this exclusive Vicks formula. Always ask for Vicks Va-tro-nol. Now in two generous sizes—30c and 50c.) Va-tro-nol and its companion product, Vicks VapoRub (the modern external treatment for colds) form the basis of Vicks Plan for Better Control of Colds—fully explained in each Vicks package.

O'Ryan resigned. 3—British challenging yacht Endeavour slipping past Rainbow, the defender, in one of the America's Cup races.

Gas Tax Receipts To Record Total

Nearly 34 Million Received By State In Twelve Months

AUSTIN, Texas, Oct. 9.—The state common school fund received the record total of \$8,496,212 as its one-fourth "cut" of Texas' gasoline tax income for the fiscal year which ended August 31, or nearly \$1,000,000 more than in every previous year, Comptroller George H. Sheppard announced today. Schools receive one cent of the four-cent state gas tax.

Proportionate boosts went to the Board of County and District Road Bond Indebtedness, which also receives one cent of the tax, and the highway fund, which gets the remaining two cents.

Working his first full fiscal year with an adequate field force under the state's strong new "anti-bootleg" law, the comptroller boosted gas tax income \$4,036,845 above last year to an all-time high total of \$33,984,848, his annual re-

port showed.

He attributed almost the entire gain to record enforcement activity and the educational campaign of the Texas Good Roads Association. In his state-wide drive against the tax-stealing "racket," his 50 field men filed 99 felony and 71 misdemeanor charges during the year, he reported.

The \$23,984,848 income is broken up into three parts. In addition to the \$8,496,212 for schools, another \$8,496,212 goes to county tax relief in the refunding of county road bonds. Whereas the fund last year was able to pay all interest on such bonds but only 50 per cent of the principal, the increase will permit paying this year of all interest and at least half the principal maturities, if not more, Mr. Sheppard estimated.

The remainder of the gas tax, or \$16,992,424, is still devoted to the original purpose for which the tax was invented—construction and maintenance of state highways.

San Benito Light: Everything I am I owe to honest advertising, says Sally Rand. There's one case where the bare truth certainly paid.

Statewide Program Of Beautification Plan For Centennial

DALLAS, Texas, Oct. 9. (SpI).

A blanket of beauty, expressed by the blossoming of countless acres of flowers and shrubs to be planted over the State in preparation for the Texas Centennial celebration in 1936, will result from work of the State Highway Beautification Committee.

In the section around Dallas, a comprehensive program in seven counties is due to be launched soon through co-operation of city and county governments. As soon as first choice has been determined for the flower or shrub in this section, every highway leading into Dallas will be planted.

Similar work is due to be carried on in every section of the State so that thoroughfares leading to historic shrines in such cities as San Antonio, Houston, Galveston, Brenham, Nacogdoches, Huntsville and other cities, where Centennial celebrations are to be staged, will be similarly beautified.

Corsicana has led this section of the State in selecting the flower that will be used to decorate the highways in her community. The red rose will be used on rights-of-way in that vicinity. Houston has chosen the crepe myrtle, while Galveston long has been identified with the oleander. Since the rosebud and bluebonnet have been chosen for the entire State, other shrubs and flowers will be chosen by the individual communities.

The highway work calls for the securing of a number of wayside parks and parkways along the major highways so that the entire State will be covered by a systematic program of beautification.

Chevrolet Leads In Passenger Car, Truck Registration

DETROIT, Oct. 9.—Chevrolet Motor Company again led the entire industry in passenger car and in truck registrations in the United States during August, the company announced today. Full returns from all states, just completed, give Chevrolet a total of 71,413 units, or a lead of 3,901.

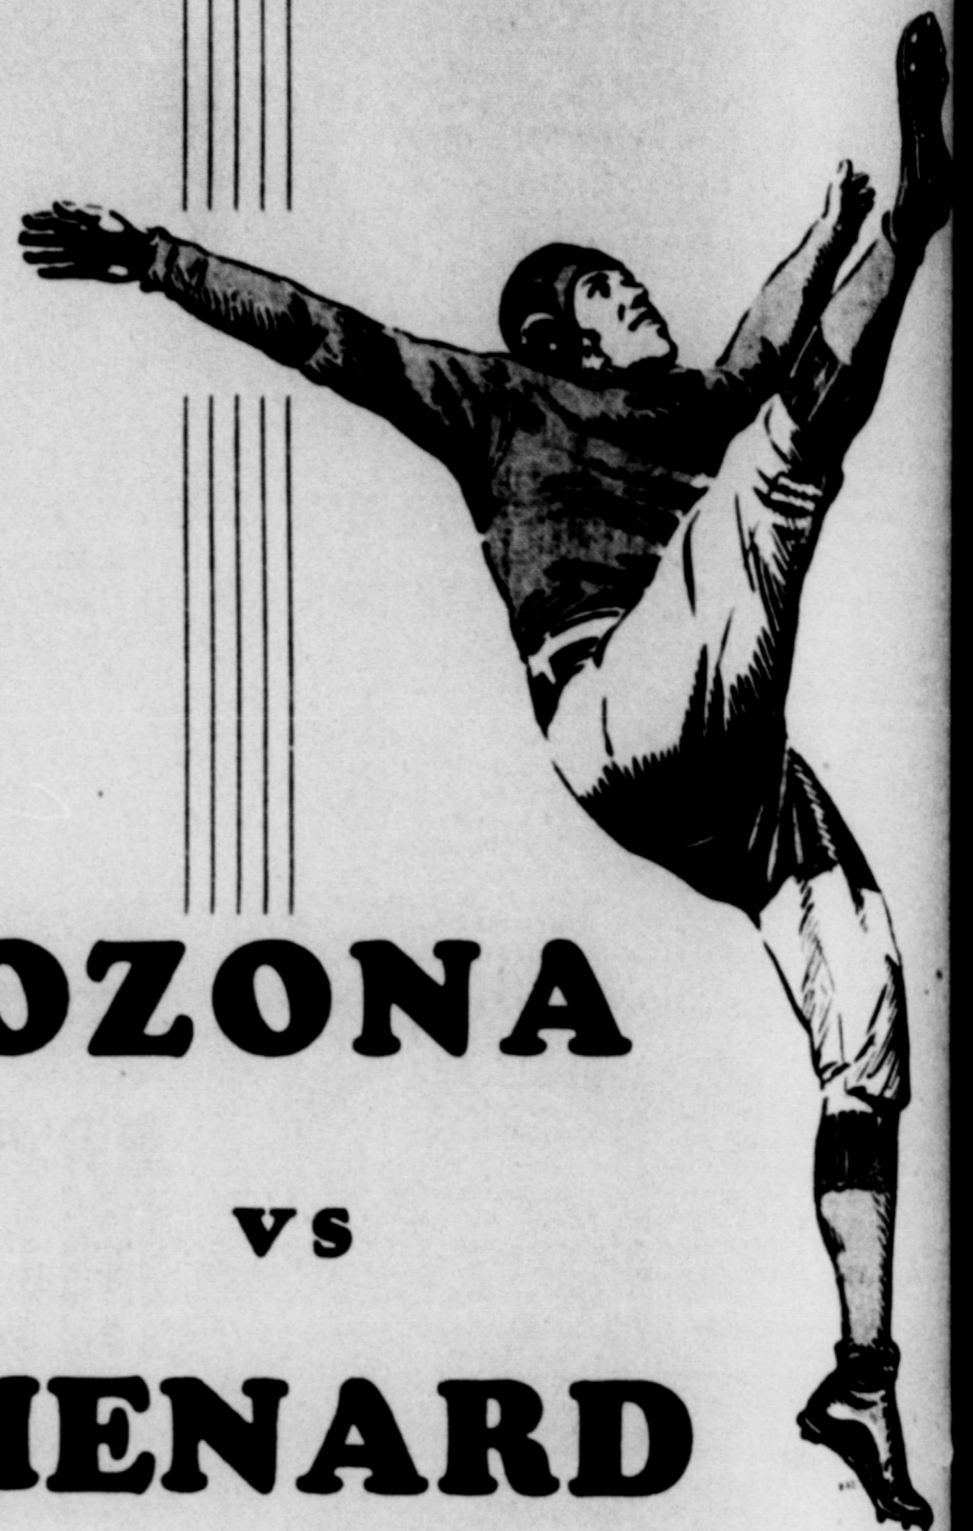

Chevrolet obtained 37.3 per cent of the passenger car registrations in its price class, and 47.3 per cent of the truck registrations in its weight class.

EMPLOYMENT IMPROVES

AUSTIN, Oct. 9.—A moderate improvement over both August of the current year and September, 1933, was recorded in employment and payrolls in Texas during September, according to the University of Texas Bureau of Business Research. Reports from 1,578 establishments for the week ending September 15 gave a total of 86,248 employees, a gain of 1.9 per cent over August and 8.3 per cent over the corresponding week last year. Payrolls for these establishments aggregated \$1,928,000, a gain of 4.4 per cent over August and 13 per cent over the corresponding week in September, 1933.

Miami Herald: The new large postage stamps and the new small dollar bills are getting closer together in other respects as well as size.

**Four Ozona Girls Are Enrolled At T.S.C. In Denton**

DENTON, Oct. 9.—Four girls from Crockett County are among the 1,685 students enrolled for the session at Texas State College for Women (T.S.C.). In this number four Texas counties are represented with 18 states and one foreign country. The girls include Misses Carolyn Montgomery, daughter of Mr. and Mrs. Geo. Montgomery; Tom Smith, daughter of Mr. and Mrs. Tom Smith; Helen Evelyn Montgomery, daughter of Mr. and Mrs. Geo. Montgomery; and Paul Williams, daughter of Mr. and Mrs. John Williams. All of the girls are from Ozona.

**MRS. SID MILLSPAUGH, JR. COMPLIMENTED AT BRIDGE**

Mrs. Clifton Brooks entertained Saturday with fourteen tables of bridge complimenting Mrs. Sidney Millsbaugh, Jr., a recent bride. In the receiving line with Mrs. Brooks and Mrs. Millsbaugh, were the bride's mother, Mrs. Sterling Baker of Sonora and a number of friends also from Sonora. Members of Las Amigas Club and The Flower Club as well as a number of friends from Big Lake and Sonora and ranch neighbors were guests. Besides the gift to Mrs. Millsbaugh, Mrs. Gertrude Perry and Mrs. Alvin Harrell were giving prizes for high and second place.

**SUNDAY SCHOOL PARTY**

The Rainbow Girls Class of the Anna Baptist Church entertained Thursday night at the home of Landa Dunlap with a shower for Royce Smith, the retiring member, who received a number of hearts were played by the group. Refreshments were served the following: Ernestine Watts, Ella Freeman, Jeanetta Willis, Della Willis, Clara Mae Dunlap, Landa Dunlap, Adele Galyon, Alberta Kay, Willena Wyatt, Imogene Baker, Geraldine Young, Mrs. Ray Dunlap, the honoree, and Mrs. W. S. Willis. Clara Mae Dunlap, reporter.

**PTA Groups In Three Counties In All-Day Program Friday**

The Inter County Council of Parent-Teachers and school of instruction composed of Sutton, Irion, and Crockett counties will meet in Barnhart High School auditorium at 10 a. m. Friday morning. The following program has been prepared:

10 a. m.—Call to Order, Mrs. W. A. Kay, Ozona, President of council.

Invocation—L. V. Gentry, Barnhart.

Greetings—Mrs. W. C. Mitchell, President Barnhart P.T.A.

Response—Mrs. S. T. Gilmore, Sonora.

Business Session.

Reports of delegates.

Reports of registration committee.

New business.

Solo—Mrs. H. B. Tandy, Ozona.

"Importance and Value of Home Study Course"—Mrs. Bryan McDonald, Ozona.

12—Luncheon served courtesy of Barnhart P.T.A.

1 p. m. Afternoon Session

Piano Solo—Helen Lyon, Barnhart.

Talk by Mrs. Thomas Head, San Angelo, Sixth District President.

Question Box—Mrs. Stokes Williams, President Mertzon P.T.A.

Reports of registration committee.

Announcements.

"What I Have Learned Today" by interested members.

Benediction.

Mr. and Mrs. B. K. Cheek and Mr. and Mrs. Kenneth Cheek of Eldorado spent the week-end in Barnhart as guests of Mr. and Mrs. Roy Davidson.

Lorene Westfall and Stanley Frank, Barnhart students in San Angelo Junior College spent last week-end in Barnhart.

G. E. Blackstone has returned to his ranch near Barnhart after spending several weeks with his sister, Mrs. W. L. Slaughter in

San Angelo. He has been ill but is recovered now.

The L. Q. Sparks store is being completely remodeled this week.

Wright Kilpatrick, and W. C. Holcomb were business visitors in San Angelo Tuesday.

H. M. McGlothing, employee of D. I. Taylor, is serving on the grand jury in San Angelo this week.

Mr. and Mrs. Clint Shaw, Jim Shaw, Miss Kristine Shaw, and Aron Cumby spent last week-end in Sheffield visiting friends and relatives.

Mr. and Mrs. Wilson Barr and Miss Alene Owens spent Tuesday in San Angelo.

Eight car loads of wool were shipped by Massie West and Ira Carson from the Barnhart warehouse of the San Angelo Wool and Mohair Co. to Boston last week.

L. W. Joslin is confined to his bed today (Wednesday). His condition is not serious.

C. C. Cumby has been appointed Deputy Sheriff at Barnhart by John Boyd, Sheriff of Irion County.

W. C. Doyal has been made night watchman over the State Highway Department warehouse at Barnhart.

Misses Constance Elgene Cumby, Donna Frank, and Irene Beeman, attended the picture show in Big Lake Thursday night.

The Barnhart Seniors are today (Wednesday) planting ivy, their class plant, at the school house. The ivy was given the class by Ike Watson of the Watson Cafe in San Angelo, and is to be a contribution from the Seniors of '35 toward the beautification of the school grounds.

The school play, "The Gate to Happiness" is to be presented on October 19th at 7:30 p. m. at the high school auditorium. Kristine Shaw has charge of making the posters. B. Kilpatrick is in charge of the make-up.

Mrs. Scott Peters and Floyd Henderson left Tuesday to be with Mrs. Floyd Henderson who is in a San Antonio hospital. Mrs. Henderson has been ill for some time and after a brief period of improvement, is making no further change.

Jane Augustine who has been ill in San Angelo for a couple of weeks is now able to be home, after a return Saturday to San Angelo, for further treatment. She is at the home of her grandmother Mrs. B. C. Flowers.

Mr. and Mrs. L. D. Brooks left Saturday for a visit to Chicago and the Century of Progress.

Mr. and Mrs. Clay Littleton entertained the members of Las Amigas Club and the escorts with a bridge party at their home Saturday night.

Mr. and Mrs. L. B. Adams were hosts to their bridge club Thursday night.

Mr. and Mrs. John Bailey were in Marfa for the annual fair last week-end.

W. D. Barton is able to be out after being confined to his home by illness for the past two weeks.

Vernon Daily Record: North Dakota now has two Governors, but the press dispatches do not tell us whether the people are getting them for the price of one.

Carbon paper at the Stockman office.

**Nick Wigzell Puts Lights Out With Old Time Warhoop**

J. A. Sloan, Sloan, Texas, correspondent for the San Saba Star, writes as follows of Nick Wigzell of Ozona, who recently visited friends and relatives there:

"Nick Wigzell, old time cowhand on the J. T. Ranch but now living in Ozona, was here a day or

two last week seeing his old friends of the good old days long since past. Time has dealt kindly with Nick. He looks to be in the fifties but is past seventy. Nick could yell louder and throw a rock further than any man in the county. While sitting in the room one night while here Dick Ellis said, 'Nick, can you still holler?' This was a dare that Nick could not let pass and he proceeded to lay out a warhoop and the lamp went out.

Nick's brother, Henry, was our Sunday School superintendent for years and years and a good one, too."

Mr. and Mrs. Bob Murchison went home Wednesday after a short visit with Mrs. Mary Perner and other relatives.

Mr. and Mrs. W. A. Kay were in San Angelo on business Tuesday.

**Cooks in Its Own Juices When Cooked Electrically**

... So You Can Imagine How Nutritious it is and How Good It Tastes

**The Modern Electric Way of Cooking Also Means More Ease and Comfort!**

You can easily see why people are buying electric ranges! They like good food and they like this easy way of cooking. Any mother wants an electric range when it enables her to give her family the benefit and pleasure of eating good nourishing food the entire year, with a big saving of her own precious time and energy. There is also an actual saving of food when it is cooked electrically... because there is so little shrinkage... and the best of it is not poured down the sink with excess water. Yes, indeed, cooking makes a world of difference in food!

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

**West Texas Utilities Company**

### Bing Crosby Sings Flock New Songs In Film Coming Here

Singing more songs than he has in any other motion picture, Bing Crosby comes on Friday and Saturday to the Ozona Theatre in his brand new Paramount film, "We're Not Dressing."

From the original by Benjamin Glaser, "We're Not Dressing," is a breezy, romantic song-fest, played against the background of a deserted South Sea island. In addition to Crosby, the film features Carole Lombard, George Burns and Gracie Allen, Ethel Merman and Leon Errol.

Norman Taurog directed from the screen play by Stephen Morehouse Avery. The songs for Crosby, as well as those which Ethel Merman sings, were all written by Mack Gordon and Harry Revel, composers of "Did You Ever See a Dream Walking."

Aboard a palatial yacht, Carole Lombard, a wealthy heiress, is touring the South Pacific with her two rich suitors and her goofy uncle, Leon Errol.

Bored with life in general, the young girl gets quite a kick out of watching the antics of one of her sailors, Bing Crosby, to whom she has entrusted the care of her pet bear, Droopy.

In his drunken moments one foggy night, Errol stumbles into the wheelhouse, opens a door through which all the charts are blown, breaks the compass, and they all wake up, wrecked on a deserted isle.

Now, with loads of work to do, the sailor takes matters into his hands, and to the annoyance of everyone, especially Carole Lombard, he puts them all to work.

Complications increase daily, and become quite serious when Burns and Allen, a couple of naturalists, join their camp.

How Bing sings his way thru their troubles, eventually winning the heart of his wealthy employer, brings the picture to an entertaining climax.

#### BAPTIST CHURCH NOTES

Sunday school begins at 9:45 a. m.

Preaching at 11 a. m.

Baptist Training Service at 6:30 p. m.

Evening preaching service dismissed in favor of the revival meetings at the Methodist church. All are urged to attend as well as pray for a genuine revival that will reach every home and heart in this community.

The pastor will speak Sunday morning on "The Precious Christ." It will be a special message for both Christ and unsaved. The large chorus choir will sing.

We were happy to receive three additions last Sunday: Miss Nell Bucklen for baptism and James Parker and Fred Ratliff by letter. These are fine young people and the Church welcomes them into happy and useful fellowship.

The BYPU department reports the largest attendance in their history last Sunday night. New general officers for the year just beginning are: Mrs. C. J. Watts, director; Troy Williams, associate director; Miss Mildred Davis, secretary; T. L. Gambrell, chorister; and Mrs. Royce Smith, pianist. Other officers and leaders will be selected this week. With these workers and our fine corps of young people we expect to pass the one hundred mark in attendance before Christmas.

There were 119 in Sunday school last Sunday. All departments are getting started in fine spirit for the new year. The bible

class for men is doing some very fine work and a large increase is expected this coming Sunday. Every one who is not already attending Sunday school is especially invited to meet with us Sunday. We specialize on teaching the greatest book in the world—the Bible. You will find great fellowship too.

The women's missionary society met in two circles Wednesday afternoon at the homes of Mrs. H. A. Moore and Mrs. Ernest Dunlap with fine attendance. This department will have some very interesting announcements within the next week or two.

Leon M. Gambrell, pastor.

#### Missionary Circles In Study Programs

The two circles of the Baptist Woman's Missionary Society, the Lottie Moon and Nelson Circles, met Wednesday afternoon for their regular Bible study programs, the Lottie Moon Circle with Mrs. H. A. Moore and the Nelson Circle with Mrs. Ernest Dunlap.

Mrs. J. S. Whatley led the devotional at the Lottie Moon circle meet, with Mrs. S. L. Butler teaching the lesson. Others present were Mrs. James J. T. Patrick, E. L. Williams, Morris Simmons, O. W. Smith, Maxine Smith, Ray Dunlap, Glyn Cates, Lon Freeman, Hugh Gray, Buster Hodges, Will Miller, C. W. Talliaferro, Leon Gambrell, Albert Currie and Miss Mary Smith and the hostess.

Mrs. A. E. Deland taught the lesson at the Nelson Circle meet. Present were Mesdames E. O. Smith, R. F. Powell, W. L. Wilkins, C. C. Pharr, C. J. Watts, J. H. McClure, John Pettit, Tom Squyres, A. E. Deland, Miss Maybelle Taylor and the hostess, Mrs. Hugh Gray will be hostess to the Lottie Moon Circle next week and Mrs. J. H. McClure will entertain the Nelson Circle.

#### NOTICE

As required by Art. 3129, Texas Election Laws, Notice is hereby given that the Chairman of the Crockett County Democratic Executive Committee has filed certificate in my office showing that the following named candidates for County and Precinct offices of Crockett County, are the nominees of the Democratic Party for said offices, as shown by canvas of the returns of the Democratic Primary July 28, 1934.

Chas. E. Davidson, County Judge.

N. W. Graham, County Attorney

Geo. Russell, County and District Clerk.

W. S. Willis, Sheriff, Assessor and Collector of Taxes.

Tom Casbeer, County Treasurer

B. B. Ingham, Commissioner Precinct No. 1.

Max Schneemann, Commissioner Precinct No. 2.

J. W. Owens, Commissioner Precinct No. 3.

Commissioner Precinct No. 4.

W. M. Johnigan, Justice of the Peace Precinct No. 1.

Tom Smith, Constable, Precinct No. 1.

C. E. Grimmer, County Surveyor.

Said names will be printed on the official Ballot for the General Election, to be held in November, 1934 in the column for the ticket of the Democratic Party.

George Russell, County Clerk, Crockett County, Texas.

POSTED—All my pastures in Crockett County Hunting and trapping and all trespassing positively forbidden. Floyd Henderson.

11-1-33

### Mrs. Ruth Owen Brings Back a Husky

Mrs. Ruth Bryan Owen, the United States ambassador to Denmark, pictured with a pet Greenland husky, "Disko," which she brought back with her from that far north island. Mrs. Owen and her party came back on the coast guard cutter Champlain.

### Six New Members Added To Rolls Of Music Club

The names of six new members have been added to the rolls of the Ozona Music Club during the past month. It was noted at the regular club session Thursday afternoon at the home of Mrs. Ira Carson. The new members are Miss Helen Chapman, Miss Norlene Allison, Miss Nita Nelson, Miss Elitabel Tillory, Mrs. Lowell Littleton and Mrs. Claude Denham.

The club program was devoted to a study of the life and works of Victor Herbert. Those present were Mrs. Charles Williams, Mrs. E. B. Baggett, Jr., Mrs. H. B. Tandy, Mrs. J. M. Baggett, Mrs. J. P. Pogue, Mrs. Joe Davidson, Mrs. Bascomb Cox, Mrs. V. I. Pierce, Mrs. Lee Childress, Mrs. Paul Perner, Mrs. Joe Davidson, Mrs. Bryan McDonald, Mrs. J. M. Dudley, Mrs. E. B. Ingham, Mrs. A. W. Jones, Mrs. Roger Dudley, Mrs. Alvin Harrell, Mrs. W. J. Grimmer, Mrs. S. M. Harvick, Mrs. W. N. Hannah, Mrs. Lowell Littleton, Mrs. R. O. Smith, Mrs. Alyce Baker, Miss Dixie Davidson, Miss Aleen Hampton, and Miss Maxine Murdock.

### Chevrolet Sponsors Sectional Broadcast Of Football Games

DALLAS, Tex., Oct. 9.—Fifty-six of the most important college football games of the 1934 season will be covered play by play in a series of sectional broadcasts sponsored by the Chevrolet Motor Company, announced H. C. Howard, Chevrolet Zone Manager, headquarters at Dallas. Eight sectional games in the Southwest area will be broadcasted over the Southwest networks.

To make the broadcasts more interesting, Chevrolet Motor Company has secured the services of Jerry Mann, famed quarterback of former S.M.U. days. After leaving S.M.U., Jerry took his law degree at Harvard and is now practicing law in the City of Dallas.

To supplement the detailed description of each sectional game, there will be broadcasts during "time outs" and between periods of telegraphic bulletins covering other leading games of particular interest in the same region.

The following is a schedule of the games to be announced over the Southwest networks:

Oct. 15—Texas vs. Oklahoma at Dallas.

Oct. 20—TCU vs. Texas A & M at College Station.

Oct. 27—SMU vs. Fordham at New York City.

Nov. 3—SMU vs. Texas at Austin.

Nov. 10—Texas A & M vs. SMU at Dallas.

Nov. 17—Texas vs. TCU at Fort Worth.

Nov. 24—SMU vs. Baylor at Waco.

Nov. 29—Texas A & M vs. Texas at Austin.

Mr. and Mrs. John Bowers are spending a vacation visiting friends and relatives in Abilene and Houston.

### Meredith Christens Grandson At Service Here Sunday Morning

Rev. and Mrs. J. H. Meredith, had an important visitor at the Meredith household Sunday in the person of Raymond Carter Meredith, two-months old son of Mr. and Mrs. Ray Meredith of Kingsville. This was the first time the grandparents had seen the youngster and the occasion was celebrated with a christening service at the morning hour Sunday.

Mr. and Mrs. Ray Meredith and Misses Mary and Ruth Meredith of San Antonio all spent the week end here with Rev. and Mrs. Meredith, the first time the family has been together at the same time in five years.

Say "I saw it in the Stockman."

### TEACHERS ENJOY BARBECUE SUPPER

The entire faculty of the Ozona High School enjoyed a barbecue supper and outing at the W. R. Baggett grove last Thursday afternoon, the faculty men being hosts to the women. Those present were Mr. and Mrs. C. S. Denham, Mr. and Mrs. W. N. Hannah, Mr. and Mrs. Ted White, Mr. and Mrs. Clarence Nelson, M. M. Collins, Guinn Carruthers, Joe Had-don and Misses Maxine Murdock, Nita Nelson, Norene Allison.

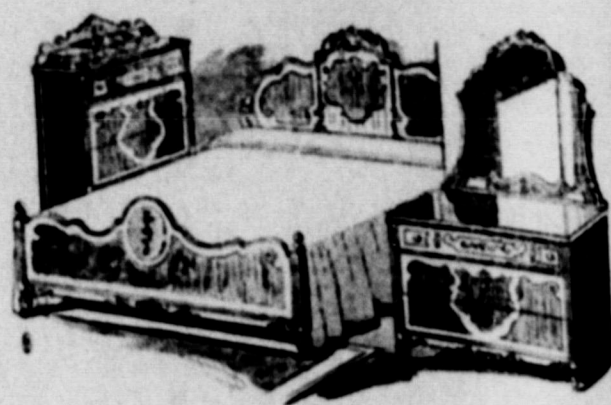

Sophie Haug, Frances Northcutt, Elizabeth Fussell, Aleen Hampton, Elitabel Tillory, Myra Blanton, Mildred North and Ada Moon.

Mrs. Hillery Phillips and children left Monday for a few days visit in San Angelo.

OZONA LODGE NO. 747 A. F. & A. M. Regular meetings Saturday Nights on or Before Full Moon. Next Meeting Oct. 20
