## CROCKETT CO. TAX PAYMENTS OVER \$100,000

More Than 93 Percent Collections Reported By Collector

## DELINQUENTS PAY

Report Shows \$2,305 In Back Taxes Paid Before Deadline

Less than seven percent of Crockett County's total tax bill for the state, county and school purposes remained uncollected at the end of the tax paying period February 1, a final tabulation of figures made by Claude Russell, deputy tax collector, just completed.

Total tax collections at the end of the period, assuming that those who paid taxes on the split payment plan will pay the second half installment before the deadline in June, amounted to \$100,956.70, the report from the collector's office showed.

This collection was from the county's total tax bill of \$108,343.83 and represents a collection percentage of 93 percent plus. Of this amount collected, \$7,207.73 represented split payment, or half tax payment, the last half to be paid by June without penalty. Acted on cash collections, then, amounted to \$93,748.97, with the \$7,207.73 last half payments on the split payments to be paid in before the deadline in June.

Collections of delinquent taxes made during the tax paying period are an indication of improving conditions in the county. During the month of January, the final month of the tax paying period, delinquent taxes amounting to \$2,023.60 were paid. Previously \$2,812 in back taxes had been paid in, raising the total delinquent collections to \$2,305.72.

## Stevens Motor Co. To Move To Smith Building

## Local Ford Agency To Open In New Quarters March 1

Stevens Motor Co., Ozona Ford agency, will occupy new quarters beginning March 1, when the firm will move into the Tom Smith building, formerly occupied by Chris Meinecke's grocery. The motor agency completed deal for the lease last week, and the building is now being placed in readiness for the new occupant.

The building has been used for the past several months as a warehouse by the J. H. Williams and Sons grocery. The surplus grocery stock is being moved out this week to the basement of the Williams store building.

## Junior High To Plant Tree With Exercises Friday

Tree planting exercises will be conducted by pupils of the Junior High school Friday afternoon on the school ground, with Rex Johnson, principal, directing.

## LOST BILLFOLD, CONTAINING \$30, FOUND ON RANCH

E. R. Kinser Recovers Money Lost 18 Months Ago While Working Sheep

E. R. Kinser, Crockett County rancher and County Commissioner from his home precinct, No. 4, considers himself just thirty dollars richer even though the thirty dollars in question was his own money come home to roost after eighteen months absence.

The money, three ten-dollar bills, was lost in a bill fold on the ranch in September, 1935. Mr. Kinser had worked in two pastures on the day the money was lost and did not discover his loss until after he had returned to the ranch headquarters at night. An intensive search of both pastures during the next few days failed to turn up the bill fold and its contents, and it was dismissed as lost.

Last week an employe on the Kinser ranch found the badly weathered billfold at a spot where Mr. Kinser remembered roping a buck on the day of the loss. The money was still neatly tucked in the crinkled leather purse, all badly stained from the weather but still recognizable and thus good for face value. Like "money in a pig track" thirty dollars in a horse track is not hard to take, either, Mr. Kinser says.

## Stockton Cagers Nose Out Lions In Dist. Finals

## Ozona Crew Narrowly Missed Laurels In Dist. 31 Meet

After two thrilling encounters in which they shaded opposition to reach the finals, the Ozona High School cage squad fell short of the district 31 basketball crown Saturday night when they failed to stop the Fort Stockton team in the finals, the Pecos County lads taking the thrilling encounter by a tally of 26 to 25.

The Ozona cagers first downed Alpine in the opening round and then nosed out Sanderson in a thrilling semi-final event 32 to 29. Alpine took consolation honors by trouncing Sanderson in semi-final play and then downing Toyah by 26 to 15. Tournament trophies went to Fort Stockton as district winner, to Ozona as runner-up and to Alpine in the consolation bracket.

## Miss Eunice Johnson, Junior High Teacher, Bride Of Crowell Man

Miss Eunice Johnson, teacher in the Junior High School here, became the bride of William Greedy Halbert of Crowell in a ceremony at the Joe Oberkamp home here Saturday morning. The nuptial rites were spoken by the Rev. Eugene Slater, pastor of the Methodist Church, in the presence of a group of friends.

The bride is a daughter of Mr. and Mrs. David Johnson of Clarkton. She attended Simmons University in Abilene and received her B. A. degree with honors from the University of Texas in 1936. She has taught in the Ozona schools since last September, and will continue her duties here until the end of the present school term.

Mr. Halbert is now coaching high school athletics at Kirkland, Texas. He received his B. A. degree from Simmons University and holds a LL. B. degree from Cumberland University at Lebanon, Tenn., where he was graduated with the class of 1936.

The bridal couple stood before the fireplace, which was decorated with ivy and tall baskets of ferns. Mrs. Ruth Hill played during the ceremony.

## Observe Fortieth Anniversary PTA At Tree Planting

## Local Group Sponsors Exercises On School Grounds Today

Commemorating the fortieth anniversary of the founding of the National Congress of Parents and Teachers, the Ozona Parent-Teacher Association will sponsor tree planting ceremonies this afternoon on the local school grounds.

Wednesday was the fortieth anniversary of the founding of the National Congress, organized February 17, 1897, but the tree-planting exercises in its observance was postponed until today to prevent conflict in the school program.

The exercises today will be held immediately following the chapel hour program in the auditorium. Invocation will be pronounced by the Rev. I. V. Garrison, pastor of the Ozona Baptist Church. "America" will be sung by a group of Boy Scouts followed by an address on "The History and Founding of the Parent-Teacher Movement," by Mrs. W. A. Kay. Past presidents of the Ozona Association will then direct the tree-planting and dedication ceremonies, with the Boy Scouts assisting. Scouts will then sing, "The Eyes of Texas" and the benediction will be pronounced by Rev. Eugene Slater, pastor of the Methodist Church.

Nine past presidents of the Ozona association and the incumbent, Mrs. Joe T. Davidson, will take part in the tree-planting ceremonies. Those who have served the association as president, in the order of their terms, are as follows: Mrs. Frank Freida, Mrs. W. R. Baggett, Mrs. J. J. North, Mrs. J. M. Dudley, Mrs. W. A. Kay, Mrs. W. H. Bunger, Mrs. Ira Carson, Mrs. Joe Pierce, Mrs. W. P. Seahorn, and Mrs. Davidson. The local association was organized in September, 1924.

## 30 Members Of School Band Are Awarded Sweaters

## Group Receive Awards At Special School Assembly Tues.

Thirty members of the Ozona High School band and orchestra were awarded band sweaters at a special assembly program in the auditorium Tuesday afternoon.

Director Joe Haddon and twenty-nine band members were presented with sweaters of gold with purple band emblems, the gift of the school.

Two numbers by the band and a special number, "Star Dust," played by Bobbie Knot, a member of the show troupe now in Ozona, with Miss Stanley accompanying, composed the program preceding the presentation. The band played "Honor Band March" and "Pop Goes the Weasel," a novelty number.

Pupils receiving sweaters at the presentation ceremonies were Crystelle Carson, Howard Lemmons, Miles Pierce, W. B. Robertson, Lela Mae Phillips, Roy Henderson, Jr., Lurinne Townsend, Alleane Couch, Maurice Lemmons, I. V. Garrison, Jr., Maudie Mae Couch, Clifton Taliaferro, Ele Bright Baggett, Margaret Owens, Jim Dudley, Joe Williams, Catherine Childress, Grover Jones, Jack Baggett, Janice Watts, Dorothy Hannah, Lois Jones, Willie Joe Hubbard, Mary Bess Parker, Ora Louise Cox, Athleen Dudley, Opal Oathout and Director Joe Haddon.

Mr. and Mrs. Jake Short left yesterday for Bandera upon receipt of word of the critical illness of Mr. Short's mother, who resides there.

## Red Cross Aids Flood Sufferers

Here's where your dimes, quarters and dollars went when you "earmarked" them for Red Cross relief. Grandma Donsky, who vows that in all her years she has never seen such a disaster, is seen receiving an allotment of sorely needed groceries at the Louisville Red Cross station.

## Fire Discovered At Britt Williams Home Causes Little Damage

Fire discovered in the roof of the Britt Williams home west of the draw Tuesday morning resulted in slight damage to the home. The fire presumably started from a faulty flue.

The fire department, responding to an alarm turned in by Mrs. Scott Peters, who first noticed smoke issuing from the roof extinguished the blaze with the contents of the reserve tank on the truck.

## Scouts And Dads Enjoy Barbecue Wednesday Night

## Thirty-Five Present At Outing On Montgomery Ranch

Around thirty-five Boy Scouts of Ozona Troop No. 53 and their dads and invited grown-up guests enjoyed a barbecue supper and outing on the Gorge Montgomery ranch south of town last night.

Barbecued goats, furnished by Mr. Montgomery, and ranch style beans, prepared by N. E. Rendall, with pickles, bread and coffee constituted the ample supper fare.

Around the campfire, the group assembled to open the festivities with the Scout oath. At a brief business meeting, the Scouts discussed plans for their rope spinning act in coming Scout Circus in San Angelo and rehearsed two songs the troop will sing at the tree planting exercises this afternoon. Welton Bunger, Jr., was awarded the troop prize for the best "good deed" of the week. After the "eats", the dads and scouts were divided into "lions" and "hunters" respectively and the hunt was on.

Dads and special guests for the evening included J. M. Dudley, C. W. Taliaferro, Cecil Hubbard, W. Y. Benge, Ben Robertson, Sol Jones, Guinn Carruthers, Ted White, N. E. Rendall, Carl Dorley and Bright Baggett. Scoutmaster Joe Haddon, Assistant W. Y. Benge and the Scouts asked that their thanks be extended Mr. Montgomery and Mr. Rendall for their part in making the affair a success, and to the dads for their attendance.

## SEIGE OF ILLNESS

One of the worst sieges of illness to strike this town in many years has been raging in Ozona the past two weeks. It was estimated late last week that there were approximately two hundred persons ill in the city, most of them suffering from influenza and severe colds. Reports this week are that most of the victims are on the road to recovery.

## ANOTHER DEEP TEST ON TODD TO BE DRILLED

## Superior Oil Co. To Seek Ordovician Production

## BIG WORK CREW

## Estimated 25 Families To Move Here During Operation

Construction of the derrick for the Superior Oil Company's wild-cat test seeking Ordovician production on the J. S. Todd ranch in Crockett County, location for which was staked recently, was begun this week as company officials and drilling crews began to arrive in Ozona to start work on the test.

The Superior Oil Co., a California corporation, will drill to a depth of 7,500 feet if necessary. The location is in the center of the southeast quarter of the north east quarter of section 55, block UV, G. C. & S. F. Ry. Co. survey. It is about 8 miles north of Highway 27 from a point about 10 miles west of Ozona. It is between ten and fifteen miles northwest of Ozona.

The new test for the Ordovician which produces in appreciable quantities only in the Big Lake field, 30 miles to the northwest, is located a mile and a quarter southeast of Stanolind and others No. 1 Todd, which was abandoned in May, 1933, after drilling to 8,041, where flowing sulphur water was encountered. This test showed oil in the Ordovician but

## LIVING QUARTERS WANTED

The influx of an estimated 25 families, to be employed on the drilling of the Superior Oil Co. No. 1 Todd, deep test on the Todd ranch northwest of Ozona, has created a housing problem. Officials of the company here this week were seeking accommodations for the new residents who will be here nearly a year, it is estimated and perhaps longer.

In order to assist these people in finding places to live in Ozona, The Stockman and J. H. Miller, manager of the West Texas Lumber Co., are receiving listings of vacant rooms, apartments and houses that might be available. Persons having such quarters for rent are asked to call one of these places

failed to produce in tests at 7,357 and 7,735 feet. A showing at 6,455 was shot and acidized without results.

Superior owns considerable royalty in the area and holds the lease on the Bean Bros. and Jack Holt (formerly Robt. Massie) ranch adjoining the Todd ranch on the east. Acreage in the area is held by several companies, including Stanolind, which has much of the Todd country under lease, and it is supposed that the acreage has been utilized for the new exploration.

Approximately twenty-five families will come to Ozona to make their home during drilling operations on the Superior test, according to C. F. Duroy, drilling superintendent of the company, who was here this week making preliminary preparations for the starting of operations. Drilling crews are expected to be here with in the next two weeks, Mr. Duroy said. A crew of more than a dozen men arrived this week to start work on construction of the rig and other preliminary work about the location.

In the shallow producing area a few miles northwest of the Stanolind No. 1 Todd, Anderson Oil Co. this week completed a dry hole on land of the Southland Royalty Co., on section 27-WX-GC&SF. Sulphur water was struck at 1,644 and rose 400 feet in two hours. Oil shows were encountered at intervals between 1,515 and 1,576 feet.

## Parent Education Study Course Is Sponsored By PTA

## Four-Day Study To Be Conducted By Local Association

A Parent Education study course devoted to discussion and study of questions affecting the relation of parents to their children and the school, and the family's part in community affairs, will be held here March 8 under sponsorship of the Ozona Parent-Teacher Association, it was announced this week.

The first session of the study course will be held Monday afternoon, March 8, with Mrs. W. H. Bunger as the leader, discussing the topic "What a Modern Family Can Contribute to a Community." Tuesday, March 9, Mrs. J. A. Fussell will lead the discussion on "Children and Community Responsibility."

There will be no session on Wednesday, the course to be resumed Thursday afternoon, March 11, with Mrs. W. A. Kay as leader. The topic for the third session will be "Parents, Children and Schools." The following day's program, will conclude the series Mrs. J. T. Davidson, president of the local association, directing the study that day on the topic "The Family's Part in Community Recreation." Each day's program will consist of a lecture by the leader followed by round table discussion.

Sessions will be held each afternoon in Room 120 of the High School building. Everybody interested is cordially invited to attend any or all of the programs.

## Post Of Crockett County Agent Still Remains Unfilled

After a lapse of nearly three weeks since action of the Crockett County Commissioners Court in making provisions for employment of a county agent to handle details of the range conservation program of the federal government, the agent's appointment has not yet been made so far as local authorities have been informed, County Judge Charles E. Davidson announced yesterday.

New agents are being appointed in a number of counties of the area, according to press notices, and it is presumed that a shortage of men qualified for the positions is responsible for the delay in filling the local post. Until the agents appointment, no further move can be made toward initiating the conservation program in this county.

Miss Ethel Childress is in a San Angelo hospital suffering from an attack of pneumonia. The pneumonia attack is of a mild type and Miss Childress was reported here this morning to be resting well.

**ONE OUNCE OF RADIUM**

The Governor General and the Prime Minister of Canada have just ceremonized a notable increase in the production of radium in Canada during the past three years. Total production: one ounce. Market Value: \$1,400,000.

With this addition, the world's supply of radium is now about twenty-five ounces, not enough to make up a two-inch cube. It is scattered widely, but the whereabouts, the ownership and the pedigree of almost every particle are on record. There is a possible secret store in the hands of the Belgians, who held a world monopoly until 1929, when Gilbert LaBine discovered the Eldorado mine on Great Bear Lake.

Radium is a pure element in a violent state of disintegration. Its atoms are constantly exploding with frightful force, but their number is so great that scientists compute it will take 19,000 years before every atom of any given particle of radium has exploded.

A millionth of an ounce of radium injected into a human body is enough to cause death by the disintegration of the tissues. Yet it is this ability to destroy living tissues which makes radium valuable in fighting cancer. If radium can be focussed upon malignant growths, the cancer is demolished.

About one out of ten persons who reach the age of 35 years will die of cancer. Because there is so little radium, very few cancer victims will be able to receive ra-

**BRIDGE BREAKFAST FOR MISS PIERCE, MRS. CHANDLER**

Mrs. Max Schneeman and Mrs. Miller Robison honored Miss Esther Kate Pierce, a bride-to-be, and Mrs. Earle Chandler, a recent bride, with breakfast and a bridge party Tuesday morning at the lovely new Schneeman home.

The rooms were arranged with pink roses. The table in the dining room was centered with a bowl of pink roses and crystal candelabra at either end held tall pink tapers. The tallies and scores carried out the bridal theme in pink.

Gifts were presented the honorees, and high score prize was awarded Miss Vicky Pierce, while high cut went to Mrs. Ele Hagelstein.

Others present were Miss Louise Henderson, Miss Wayne Augustine, Miss Blanche Robison, Miss Ida Beth Cowden of Midland, Mrs. Hugh Childress, Jr., Mrs. Beeler Brown, Mrs. Joe Sellers Pierce, 3rd, Mrs. James Baggett, Mrs. Ralph Jones, Mrs. R. L. Flowers, Mrs. George Montgomery and Mrs. Joe Pierce, Jr.

**BRIDE-ELECT NAMED CLUB PARTY HONOREE**

Mrs. James Baggett entertained Las Amigas Bridge Club Friday afternoon at the Monroe Baggett home, complimenting Miss Esther Kate Pierce, bride-elect of Dempster Jones.

Yellow, the bride's chosen color, was used in tallies and refreshments. The dining table was centered with a bouquet of primroses and ferns. Miss Ethel Childress was awarded high score prize and Mrs. Sherman Taylor took high cut. Miss Pierce was presented with a gift of glassware.

Signing the bride's book were Mrs. Bill Allison, Mrs. Hugh Childress, Jr., Miss Wayne Augustine, Mrs. R. L. Flowers, Miss Louise Henderson, Mrs. Ralph Jones, Mrs. Sid Millsbaugh, Jr., Mrs. Joe Sellers Pierce, 3rd, Miss Blanche Robison, Miss Childress and Mrs. Taylor.

### Know Texas

News Bureau  
Texas State College for Women

Denton, Feb. 24—Did you know that if every individual in the State of Texas would try to draw one book out of the 56 public libraries, there would be four people to every book. Of the thirty-six cities in Texas above 10,000 in population, seven do not have tax supported public libraries, and 2,500 rural communities are without library facilities.

Considerable progress has been made in recent years in the building of libraries for the use of the general public, and in educational institutions, but the State is still deficient as measured by the standards of many of the older commonwealths.

The library work of the state is administered by the State Library and Historical Commission. Under the State Library, which is housed in the capitol, has been built a collection of approximately 180,000 volumes. It is next to the library of the University of Texas in size. The Houston Public Library contains 162,081 volumes; the Dallas Public Library, 123,448; San Antonio Public Library, 112,852; Carnegie Public Library, Fort Worth, 108,667.

In 41 colleges and universities of the state, there are 35 books to every student enrolled. The University of Texas library, with almost 500,000 volumes, is the largest in the state, and also possesses a number of notable collections. Next to the University of Texas, Rice Institute, Houston, has the largest college library with 118,700 volumes; Southern Methodist University with 85,000; Baylor, 65,216; Texas A. & M., 52,728; and Texas State College for Women, 50,500.

Denton, Feb. 24—Since February is the month of holidays, many easy and delightful ways of entertaining will suggest themselves to the hostess, whether she plans a special meal for house guests or a more elaborate function.

Various holiday ideas may be carried out in the menus and in the decorations. The patriotic theme will characterize the parties given on or near Washington's birthday.

**AFTERNOON BRIDGE PARTY:** Creamed Oysters in Patty Shells, Cucumber Jelly Salad, Rolled Bread and Butter, Sandwiches, Celery, Olives, Ice Cream Short Cake with Cherry Sauce, Russian coffee.

**CHILDREN'S PARTY:** Hot chocolate, George Washington Cookies, Cherry Gelatine.

#### Recipes

**Individual Cherry Tarts:** 1 1/2 T. minute tapioca, 1/2 c. sugar, 1 1/2 c. red cherries drained, 1/2 c. cherry juice, 1 T. melted butter, 1/4 t. salt. Combine and let stand 15 minutes. Line patty pans with pastry rolled to 1/8 inch in thickness. Fill with cherry mixture. Finish edges of pastry in any desired form. Bake in hot oven at 450 degrees F. for 20 minutes; then decrease heat to moderate, 350 F. and bake 20 minutes longer, or until filling is well cooked.

**Pie Crust:** Sift together 2 c. flour and 1/2 t. salt. Cut in 1/2 c. butter or other fat until mixture looks like very coarse meal. Add cold water, about 1/3 c., a little at a time. Mix with a knife until dough will leave bowl clean. Gather into a ball and use as needed.

plan white cake or angel food cake in layers in square pans. Cut into squares one-half size of brick ice cream. Place square on plate. Put on one-half slice of ice cream. Place another square of cake on ice cream. Serve with Cherry Sauce.

**Cherry Sauce:** Mix 1/3 c. sugar and 2 T. cornstarch. Add 2/3 c. boiling water and mix well. Boil 5 minutes, stirring constantly. Add 1/2 T. butter, 1/2 c. Moraschino cherries cut in halves and 1/2 c. moraschino syrup. Serve at once.

**George Washington Cookies:** Cream 1/2 c. butter; add 1 c. sugar gradually. Add 2 small eggs beaten well. Add flour to knead, about 2 1/2 cups alternately with the juice and rind of 1 lemon. Chill. Roll into a thin sheet. Cut out with a cutter shaped like a short-handled hatchet. If such a cutter cannot be obtained, use a stiff

cardboard pattern and cut out dough with sharp pointed knife. Brush cookies with white of eggs; sprinkle with sugar. Bake to a delicate straw color 10 to 12 minutes at 300 degrees F. These cookies may be decorated with bits of candied cherries.

**Cherry Whip:** 1 c. seeded cherries, 1 egg white, 1/2 c. powdered sugar. To stiffly beaten egg white add cherry pulp and sugar. Place in baking dish, preferably of glass and cook in oven till egg is firm. Cool gradually that the egg may retain its form. Serve with cream if desired.

#### MEXICAN LUNCHEON FOR BRIDE AND BRIDE-TO-BE

In this column answers will be given to inquiries as to Texas history and other matters pertaining to the State and its people. Address inquiries to Will H. Mayes, Austin, Texas.

Q. Where is the memorial to Texas Rangers to be erected, how is it to be paid for, and for what purpose is it to be used?

A. It is under construction at Brackenridge Park, San Antonio, at a cost of \$100,000, which is part of the Federal contribution to the Texas Centennial. It will be used as a museum to house Texas Ranger relics.

Q. What was the Mainzer Verein?

A. It was a society formed at Mayence, Germany, April 9, 1844, to finance and direct the colonization of Germans in Texas. Its colonists came to Texas guaranteed by the society an outright gift of 320 acres of land for each family and half that amount for each single person for which a contract had been made with d'Orvanne, a French adventurer and speculator. Prince Carl zu Solm-Braunfels was in charge of the first colony of 150 families that reached Texas in 1844.

Q. With what disappointments were the Mainzer Verein colonists confronted on reaching Texas?

A. They found that d'Orvanne, with whom they had contracted for lands, had allowed his grant to lapse, and owned no land. Lands later contracted for by the Verein on the Colorado River north of the Llano proved to be too remote from habitation and the coast for immediate settlement, but they were allotted a half-acre of land each where New Braunfels was established, on which to build temporary homes, and 10 acres nearby for cultivation until the Llano-

### Women Fire "Laddies" Fight Blazes in Russia

This photograph illustrates better than many words the point reached in Soviet Russia's recognition of sex equality. A woman fire inspector, M. Dimitriyeva, is shown, brass-helmeted, sitting beside the driver of a fire engine on the way to a blaze. Incidentally, it is interesting to observe how the firemen are securely attached to the vehicle with stout hooks. Note man at left.

Colorado location might become more suitable for habitation.

Q. Why was Fayetteville once called "Lick Skillet?"

A. It was once noted for its picnics and barbecues; at times the crowds were so large that the supply of meat gave out and latecomers were told to "lick the skillet" from which phrase the name came to be applied to the place.

Q. What finally became of the Fedonian rebellionists?

A. Amnesty was granted to all except the Edwards brothers, Adolphus Sterne and Martin Palmer; those who had paid for lands retained them; the Edwards brothers and Sterne sought refuge in the United States; Palmer went to Gonzales, where he was arrested but pardoned and allowed to return.

Q. Where was the first cotton mill built in Texas and by whom?

A. At New Braunfels by John F. Torry, a water power mill that was destroyed by flood some years later and was not rebuilt.

Q. When, where and by whom was the first Episcopal church erected in East Texas?

A. In 1848, at San Augustine, under the rectorship of Rev.

Henry Sansom and largely thru the activity of Mrs. Frances C. Henderson, wife of General (afterward Governor) J. Pinckney Henderson. The building was a Gothic structure, with stained glass windows, clear-toned bell, small pipe organ and good furniture. Mr. Sansom went to Marshall in 1851 and completed the Episcopal church building there in 1856.

Q. Where was "Indian Point," a Texas seaport mentioned in early Texas histories?

A. On Lavaca Bay, about 15 miles down the coast from the present town of Port Lavaca. It was also known as Indianola, and at one time ranked next to Galveston as a shipping point.

Q. Where is sugar cane of the best quality most extensively grown in Texas?

A. In the coastal or lower valleys of the Brazos, Colorado and Trinity Rivers and on the creek and bayou alluvial bottom soils of that section. It is also well adapted to most of the rich, black-sandy lands of other parts of East and South Texas.

[ QUESTIONS THAT ARE ASKED ABOUT BANKING ]

*"Why do Banks charge higher interest than they pay?"*

WE believe these facts will readily indicate why the interest which a bank charges on loans must be at a higher rate than that which the same bank can pay on savings or time deposits:

1. A considerable proportion of a bank's resources, at any given time, are uninvested, they must be kept available to meet the possible demands of depositors.
2. A large proportion are invested in government bonds, which pay an extremely moderate return.
3. Operating expenses—including rent, salaries, equipment, taxes, and occasional losses—must be covered largely by earnings from loans and investments. To say nothing of a moderate return to the bank's stockholders on their invested capital.

The difference in rate paid on money deposited and money loaned is analogous to the difference in wholesale and retail prices in trade—it helps to pay operating costs.

# NOBODY'S BUSINESS

Politics reared its head in legislative halls this week as both houses of the 45th legislature began to make visible headway on the huge legislative program piled up by committees during the first five weeks of the session — the senate, being older, and more experienced in the claims of politics, took the spot-

light. Allred had told the solons he would veto appropriations if they were voted without accompanying tax measures to pay for them. Then the governor went to Washington for a week, to attend Farley dinner, and the senate passed the salary increase for district judges, previously vetoed by the house, and sped it to acting Gov. Walter Wood, who quickly signed it and it became law. It will cost the taxpayers \$128,000 a year additional providing \$5000 a year, instead of the present \$4000, for each of the state's 128 district judges. It ought to make 128 politically powerful friends for Lt. Gov. Wood, who is running for attorney general in 1937.

### SENATE ON SPOT

The house put the senate on the spot, voting overwhelmingly to repeal the race-track gambling bill, sending it to the senate where the governor already has applied pressure for a record vote. The race horse senators succeeded in obtaining a delay until next month, but it looks very much as if the august upper chamber is going to have to let the people know how each of its members stands on this issue with a record vote. The senate is expected to be very closely divided, and the ponies may quit running in Texas before the summer is over. Gov. Allred is so anxious to pass the repeal bill he is said to be considering taking the air for a series of speeches in its behalf, which would add still more pressure upon the senators.

### CARPENTER PROMOTED

Orville Carpenter, pension director, moved up to a new place in the unemployment commission, when Bob Anderson, assistant young chairman, quit to become attorney for the W. T. Wagoner oil interests at Vernon. Many persons thought Anderson was an administration friend, and was used as a pawn in the race-track fight (since the Waggoners are the biggest track operators in Texas) but friends of Anderson declared he will take no part in the track battle, stipulating he would do no lobbying when he took the new job. The senate quickly confirmed Carpenter in the new job, several senators who have fought him bitterly as pension chief agreeing to promotion to the new four-year \$7500 job, in order to get out of the pension setup. Carpenter was down with the flu, and was nominated and confirmed without ever being able to appear at the capitol.

## Austrian Kids Set Off for a Skiing Lesson

One day each week the school children of the little town of Igls in the Austrian Tyrol must take a compulsory skiing lesson, under the instruction of famous skiers. Here starting out on a skiing lesson are a group of youngsters. Judging from the smiles on their faces and their enthusiasm, this is one class they thoroughly enjoy.

### PRORATION LAW RENEWED

Most important piece of legislation finally enacted so far was the renewal of another two years of the oil proration code, which went thru the senate despite a lengthy and bitter battle by Joe Hill, of Henderson, to incorporate amendments relating to procedure in confiscating illegal oil. Hill filibustered a whole day, repeating and elaborating his charges that oil confiscation constitutes a "racket" but the senate refused to amend the bill already passed by the house, and quickly passed the bill. Meanwhile, Atty. Gen. McCraw filed 37 new suits seeking to confiscate 1,750,000 barrels of alleged hot oil in East Texas tanks said to constitute practically all the usable hot oil now above ground in the huge field.

### CHILD LABOR ALIBI

The senate drove ahead final passage of Ben O'Neal's state child labor bill which would prohibit the sale in Texas of goods made by children, and permit the state to confiscate and sell such goods. The bill is intended, those who favor ratification of the federal child labor amendment declare, to provide a political alibi for senators who oppose the latter but plan to support the state bill. Allen Shivers, leader of the senate ratificationists, charged the state law would be an empty gesture, impossible of enforcement.

### Stock Reducing Sale Announced By Grocery

Finding it necessary to reduce its stock because of the necessity of vacating the Tom Smith building used as a warehouse, the J. H. Williams & Sons grocery announces a stock-reducing sale of groceries this week.

In order to reduce its stock to a level which will permit its accommodation, the firm is offering a five percent discount for cash on its entire stock with the exception of feeds and certain special items announced for the week-end. The Tom Smith building has been rented by the Stevens Motor Co., local Ford dealers, who will move in March 1.

### DINNER PARTY

Mr. and Mrs. J. M. Baggett honored Miss Esther Kate Pierce and Dempster Jones, who are to be married here February 27, with a dinner at their home Wednesday evening. The color scheme of yellow was used. The table was centered with a bowl of jonquils, and tall slender tapers burned at either end. A gift was presented the honored couple.

Present were Miss Esther Kate Pierce, Miss Vicky Pierce, Mr. and Mrs. Joe Sellers Pierce, 3rd, Mr. and Mrs. Earle Chandler, Mr. and Mrs. James Baggett, Mr. and Mrs. Miller Robison, Jake Miller and Dempster Jones.

### STAG-PARTY

James Baggett and Joe Sellers Pierce, 3rd, honored Dempster Jones with a Stag Supper at the Baggett ranch Tuesday night. Those attending were Jake Miller, Miller Robison, Ralph Jones, Sidney Millsbaugh, Jr., Bill Allison, Rip Ward of Sonora, Earle Chandler, and the honor guest Dempster Jones.

Dudley Ingham, son of Mr. and Mrs. B. B. Ingham, is ill at the ranch this week, suffering from an attack of the flu.

E. C. Dewey, rig worker on the California Co. deep test being drilled on the M. H. Goode ranch near Dryden, was seriously injured in a fall from the derrick last week. He was taken to a San Angelo hospital for treatment.

Mrs. John Bailey was able to be up yesterday after a severe illness from the flu.

### Ford Home Almanac Store Of Useful Facts

Brimful of useful facts and information and other material of human interest, the Ford Home Almanac for 1937 goes to the homes of the United States this week, distributed free by dealers of the Ford Motor Company.

Readers of the booklet will find that, in addition to the time of sunrise and set, adjusted to each latitude; moon phases, eclipses and the usual information given in Almanacs, the Ford Home Almanac is replete with interesting reading material dealing with ancient and modern prophecies, some of which shaped the destiny of different countries; sea mysteries that generations of research have not solved and other miscellany.

There are also short articles dealing with the views of Henry Ford on various subjects, as well as an article showing in detail what he has done with the \$13,000,000,000 which the public has paid for Ford cars and trucks since the Ford Motor Company began business in 1903. Most interesting are the facts that, of this vast sum, the Ford Motor Company retained for itself but 6.4 cents out of every dollar, spending the remainder, totaling nearly \$12,500,000,000 for wages, taxes and materials.

While such information about one of the world's greatest industries will be found interesting by students, teachers and economists, the housewife and mother will also find the little book handy because of the reliable information it brings for first aid treatments in many different kinds of emergencies, hints for the kitchen and care of the garden and a well plan-

ned garden chart. The motorist planning a trip to any part of the United States will find in the Almanac a chart giving accurate mileages between important cities.

### Evangelist Busby Opens Seventeenth Annual Gospel Meet

Evangelist Horace W. Busby, Fort Worth, who opened his seven-teenth annual gospel meeting at the Church of Christ in Ozona last Sunday, is attracting new interest to this year's sermons with a new series of topics in preliminary announcements of the coming meeting, according to James F. Black, minister of the local church.

The new sermon subjects, fitted to the ranching area, are proving popular with local friends of the church, Minister Black said. Services are being held twice daily, during the noon hour and at night, and good crowds are on hand for each service, considering the extent of the epidemic of illness now going the rounds thru the city. Song services are being led by Ross Hufstetler.

### Bishop Appeals For Support Of Church Educational Center

An appeal for support of the University of San Antonio (formerly Westmoorland) at San Antonio made last Friday evening by Bishop H. A. Boaz of Fort Worth in a special address at the Ozona Methodist Church was met by pledges of financial support from a number of members of the local congregation.

Bishop Boaz, President W. W. Jackson of the San Antonio Methodist institution, Rev. R. A. Taylor, former pastor of the Ozona church and now of the University faculty, and Presiding Elder L. U. Spellman of San Angelo, were here for the special meeting with the local congregation. Rev. Taylor remained to preach at the morning service here Sunday, and at the Sonora church Sunday evening.

Mr. and Mrs. Vic Pierce were ill at the ranch the past week, both suffering from an attack of influenza.

### MISS PIERCE HONORED AT TEA AND SHOWER

Complimenting Miss Esther Kate Pierce, who is to become the bride of Dempster Jones, young Crockett County ranchman, on February 27, Mrs. Sherman Taylor entertained Monday afternoon at the home of her mother, Mrs. W. E. Smith, with a tea and miscellaneous shower.

The rooms were decorated in the brides color of yellow. Bowls of yellow jonquils were in the living rooms. The dining table was covered with lace cloth. A silver bowl with jonquils centered the table, with tall silver candelabra holding yellow candles at either end. Silver compotes containing yellow mints were on the table.

Mrs. Tom Smith, aunt of the bride, presided at the silver tea service. Individual cakes with cream were served by Mrs. W. E. Smith. Assisting in the dining room were Mrs. Joe Sellers Pierce 3rd, and Mrs. James Baggett. Receiving at the door were Mrs. Taylor and Miss Esther Kate Pierce.

Music was played during the afternoon by Mrs. Jack Holt and Miss Micky Couch. Mrs. Miller Robison presided over the brides book. Miss Vicky Pierce and Mrs. Earle Chandler were in the gift room. Others in the house party were Miss Mary Alice Smith, Mrs. Joe Pierce, Jr., and Mrs. Mahlon Robertson. About fifty guests called during the afternoon.

### MOTHERS COMBINE TO OBSERVE BIRTHDAYS OF SONS THIS WEEK

Mrs. N. E. Rendall, Mrs. Cecil Hubbard and Mrs. C. W. Taliaferro will entertain members of the B. Y. P. U. with a party at the Baptist Church Friday evening honoring their sons who are celebrating their sixteenth birthdays this week.

Norman Rendall, Jr., celebrated his sixteenth birthday Sunday. Willie Joe Hubbard passed the same milestone Monday and Clifton Taliaferro will b sixteen Friday.

### Ozona Scouts Stage Rope Spinning Act At Angelo Circus

That rope spinning is not a lost art in West Texas will be proven by members of Ozona's Boy Scout Troop 53 in the first annual Boy Scout Circus of the Concho Valley Council to be staged in the municipal auditorium at San Angelo Friday night, March 6. Joe Had-don, Scoutmaster of Ozona, will direct the stunt.

Scouts here since last Saturday have been selling general admission tickets to the circus at 25 cents. They will retain the proceeds to help defray expenses of the trip to San Angelo.

The circus program, consisting of 18 numbers and lasting 1 1/2 hours, will present briefly all phases of the Scout character building and citizenship training program. Clowns and music will heighten the entertainment.

An impressive feature will be the investiture ceremony at which all boys present who have become Scouts since Jan. 1 will take the Tenderfoot oath.

### Annual Election Of Presidents Voted By Ozona Woman's Club

Several changes in the constitution and by-laws of the Ozona Woman's Club were voted by the membership in the regular meeting of the club Tuesday at the home of the president, Mrs. George Bean.

A change providing for election of the president each year instead of every two years was adopted. Dues were increased from \$2 to \$3 a year and it was voted to limit the number of associate members to five and limit to two years the period which associate members might retain that status. Mrs. Arthur Hoover directed the English lesson for the day.

The next meeting of the club will be at the home of Mrs. Roger Dudley, March 9. Two of the lessons on English usage will be studied at this session in lieu of the regular program. Mrs. Ira Carson will direct study of Lesson 9 and Mrs. C. E. Nelson will teach Lesson 10.

### MISS ESTHER KATE PIERCE COMPLIMENTED AT BRIDGE

Mrs. Tom Smith and Mrs. Earle Chandler entertained with a bridge party Wednesday afternoon at the Smith home complimenting Miss Esther Kate Pierce, bride elect of Dempster Jones. The rooms were arranged with yellow flowers of jonquils and tapers of yellow burned in crystal holders. High score was awarded Mrs. Ralph Jones, second high to Mrs. Sid Millsbaugh, Jr., and cut at each table went to Mrs. Sherman Taylor, Mrs. Joe Sellers Pierce, 3rd, Miss Louise Henderson, Mrs. Doug Kirby. A gift of ruby glassware was presented the honor guest.

Others present were Mrs. James Baggett, Mrs. Miller Robison, Miss Blanche Robison, Miss Carolyn Montgomery, Miss Ida Beth Cowden of Midland, Miss Vicky Pierce, Miss Wayne Augustine, and Mrs. Joe Pierce, Jr.

B. B. Ingham, Jr., suffered a severe leg injury Monday when a saddle girth broke, throwing him from his horse. No bones were broken, but Ingham is on crutches as a result of the accident.
