Station Team In Lead As Second Half Warms Up

First Half Champs Off To Good Start In Final Dash

Standings	G	W	L	Pct
Ozona-Sonora	4	3	1	.750
Iraan	4	2	2	.500
Texon	2	1	1	.500
Crane	2	1	1	.500
McCamey	4	1	3	.250

Schedule
Saturday—McCamey at Texon; Crane at Ozona, Sunday reverse. Iraan off.

The Ozona-Sonora contingent rushed to the Permian Basin second half lead the past week-end by blasting down the McCamey Macks in both games of the week-end series, Saturday's at McCamey by a count of 7-1 and Sunday's on the Ozona lot by the lop-sided tally of 12-0.

The "lucky seventh" proved the pay-off for the locals in Saturday's unusual ball game at McCamey. It was in the seventh that the combined squad went wild to pick Woods for five safe blows and the seven runs. For six innings Woods had held the locals to three scattered bingles and no runs at all. That far it looked like the "Ozoras" were in a hitting slough and that the Mack's one-run lead, gained in the first frame, might be sufficient for a victory. After the splurge in the seventh, Lefty Simpson allowed but one hit in two frames. Lefty White chucked the Macks dizzy, giving up but five hits in the nine chukkers.

Sunday's game here was a busy day for the hard-hitting locals as they raced around the sacks for twelve scores, with ten runners left on the base. The locals started it off in the second with a pair of runs, Stuart drawing a walk, going to third when he was off with the throw and Mangold creaked it for a hit to right, taking second on the throw to third. Crostwaite then blasted out a single to score both.

Heatherly drew a walk in the third, stole second and third and scooted under the catcher for a score on Mangold's easy grounder to the pitcher, who played for the put-out at the plate. A fourth was added to the score sheet in the fifth when Heatherly and Dorley walked, Heatherly scoring when Warner at first let Stuart's grounder through. Three more runners crossed the platter in the seventh.

(Continued on last page.)

Street Paving Project Here Is Completed

Courthouse Grounds, Several Blocks Streets Surfaced

Paving of several blocks of Ozona streets, started several weeks ago, was completed this week when the triple asphalt and rock hard surface treatment was applied by H. B. Zachry and Co., of Laredo, here working on state highway contracts.

The base for the paving was laid through cooperation of property owners, the county and W. P. A. labor crews. Property owners and the county paid for surfacing, done under contract by the Zachry Company. The county paved the courthouse grounds to the north and south and the drive on the east side of the courthouse and in front of the jail. The street east of the school buildings was also included in the paving program, as was Avenue C, from the Y. E. West residence corner south to the ball park, a distance of three blocks. Another block, between Dr. Sellers Moore's office and residence and the George Harrell residence, was also paved.

Doctor Gives Baby Breath of Life

His own mouth pressed against the tiny lips of a new-born baby, Dr. A. L. Gilbert of Elwood, Ill., breathed the breath of life into the tiny lungs. While the doctor kept the baby alive, an inhalator was rushed to Elwood from a nearby city. The little life was saved.

West Texas Boy Scouts Took "The West" To Washington And Brought Back Wealth Of Experience And Many Happy Memories

Four Ozona Scouts Return From National Jamboree A Thrill With The Adventure

Glad to be home, but still bubbling over with excitement over one of the greatest experiences that can come into a boy's life, attendance at the National Boy Scout Jamboree in Washington, four Ozona Scouts returned to their homes here this week, together with the large contingent representing the Concho Valley council at the Jamboree.

The four Ozona Scouts who took in the "big show" at the nation's capital were Jack Baggett, Miles Pierce, Roy Henderson, Jr., and Boyd Baker.

The thirty-piece Concho Valley Council band, with the 25-piece Iraan Scout band as its nucleus, created a sensation in Washington, the Ozona Scouts report. Jack Baggett was drum major of the band, which appeared at the capital in full cowboy regalia. Although it was the smallest band at the Jamboree, with other organizations of from 150 to 180 pieces, the West Texas band was selected by the broadcasting company to play for the parade in which President Roosevelt reviewed the two and a half mile long double line of Boy Scouts assembled.

West Texas Scouts at the Jamboree uncovered another one of those fabulously rich Texas natural resources, the local Scouts report. A few farsighted lads took along some Texas horned toads for "swapping material" and found the ugly little native Texans in great demand among boys from northern states. So great was the demand, in fact, that the little monsters sold readily at 50 cents each. One Iraan lad took along 75 horned toads and "sold out" completely.

Tales of the West, some tall and some not so tall, were wrung from the Texans by the eager lads from the north and east.

"I believe they would have paid me by the hour to tell them about the ranches of West Texas," Jack Baggett said, who was in particular demand at the camp of a group of Scouts from Pennsylvania. "When you told them how big some of the West Texas ranches were they were ready to believe anything about Texas."

The boys took a side trip to New York, spending the day in sight-seeing over the metropolis. All were impressed with their sight of the President and several members of his cabinet who rode with him in the parade and review of Scouts.

Mr. and Mrs. J. W. Jones of Mercedes were here last week for a visit with Mr. and Mrs. J. W. Young.

4H Boys Plan Outing; Unit Started Here

Hudspeth Ranch Scene Of Camp; One Boy Signed Here

A three-day encampment of Four-H Club boys from four West Texas counties, Terrell, Crockett, Sutton and Schleicher will be held July 22, 23 and 24, on the Claude Hudspeth "Pecan Springs" ranch on Juno road, it was announced here by C. J. Van Zandt, Crockett County agent.

The encampment was arranged by agents of the four counties as a means of stimulating interest in the 4H Club work in this section. Large and active clubs have already been organized in the other three counties and the unit has been started here, Mr. Van Zandt said.

Charles McDonald, son of Mr. and Mrs. Bryan McDonald, is the first boy to enroll for the 4H Club work, the agent said. Charles will feed out a Hereford calf given him by his uncle, Joe T. Davidson.

The three-day outing, which will consist of camping, fishing, swimming, games, etc., will be open to all boys who are interested in the work, Mr. Van Zandt announced.

Frances Northcutt Married June 6 To Henry Smith, Ganado

Announcement was made here this week of the marriage of Miss Frances Northcutt, second grade teacher in the Ozona school system for the past four and a half years, to Henry Smith of Ganado, Texas. The marriage took place on June 6 at McAllen, Texas. Mrs. Smith is a daughter of Mrs. L. B. Northcutt of San Juan, Texas, and the late Dr. L. B. Northcutt, who died several months ago. A brother, Pascal Northcutt, is manager of Smith Drug Co. here.

Mr. Smith is county agent at Ganado, in charge of 4H Club and similar work in the region. The couple will live in Ganado.

CALIFORNIAN VISITS HERE

A cousin she had not seen in 35 years spend Monday here visiting Mrs. W. A. Adams. He was Al Stidham of Los Angeles. He had been visiting a sister, Mrs. J. A. Lee of Mertzon and a nephew, Robert C. Jones of San Angelo, and Mrs. Lee and Mr. and Mrs. Jones accompanied him on the visit with Mrs. Adams here.

Wrecked Car Does Disappearing Act; Mystery Unsolved

First It Isn't There, Then It Is—Then It Isn't

Although theories were abundant, circumstances surrounding the strange disappearance of a wrecked car found on the highway a few miles east of Ozona Tuesday still remains a mystery.

The car had turned over several times when a party of Ozonans discovered the wreckage Tuesday morning. From reports of other persons who had traveled the road a few minutes before without seeing the overturned car, it was established that the Ozonans who discovered the wreck came upon it within fifteen minutes after the accident. Despite their quick arrival, however, they could find nobody about the wreck, and came back here to report to officers. The car was turned upright and the motor found still in good condition, one tire flat.

An investigation revealed that the car was registered in Reagan County. Papers found in the car indicated the owner an inquiry by telephone to Rankin disclosed that the car had been registered in the name found in it. The sheriff's department there, however, did not know the man and after an hour or more of investigation notified local officers that they could find nobody in Rankin who knew the man.

With this information, officers sent the Wilson Motor Co. wrecking crew to the scene, but when they arrived the car was gone. There the facts end and theories set in. Where the driver was when passersby discovered the wreck, how he, or she or they got back and removed the car before the wrecker arrived, who the car belongs to and where it went are questions still unanswered here.

Slow Rain Brings 1.4 Inches Badly Needed Moisture

Ranges Thruout Livestock Area Revived By Falls

Slow-falling, drenching rains that served the double purpose of dispelling one of the most severe heat waves of the summer and of reviving scorched ranges through out the livestock producing section of West Texas visited the section over the week-end, bringing a new and still rosier outlook to the ranch industry and business in general.

The rains fell intermittently from Thursday until Sunday, covering in that time nearly all of Crockett County, with falls ranging from a quarter inch to two inches.

The total fall of the period in Ozona amounted to 1.4 inches, according to records kept on the rain gauge in the Joe Oberkamp store.

Beasley Brothers Lease Hoover Land

Pat and Jake Beasley of Junction have moved to the 11-section ranch leased recently from Mrs. Laura Hoover in this county. The ranch was leased by T. L. Whitley, who sold out to the Beasley brothers. About 1500 head of sheep were included in the transfer. The lease is for a period of four years.

Mrs. R. S. Young of Austin and Mrs. Maude Reazor of Houston are guests here of Mr. and Mrs. John W. Young. Mrs. Young is a sister-in-law and Mrs. Reazor a cousin of the Ozona couple.

Station Team May Enter State Semi-Pro Tourney

Heavy 'Sugar' Attracts Permian Top Team To Waco Meet

Efforts are being made to arrange for entry of the Sonora-Ozona Station A ball club, first half champs of the Permian Basin league and now out in front for the second half pennant, in the competition among the flower of semi-pro baseball teams of Texas in the baseball tournament at Waco July 23 to August 3, it was learned here this week.

The tournament, which is expected to draw outstanding teams from all over the state, will offer heavy money prizes to winning teams, and fans and team moguls look on the Permian champs as capable of holding their own against anything in semi-pro circles in the state, and a possible strong contender for top honors of the tourney.

The tournament's winning team would draw a first prize of \$1500, with second place around \$1000 and sizeable purses to other places. Each win would net a team \$50 and mileage is allowed teams for transportation to the scene of battle.

Plan Special Services For Colored People

Nightly Meetings On Baptist Lawn All Next Week

A series of special services for the colored people of Ozona has been arranged by Rev. Ira V. Garrison, pastor of the Ozona Baptist Church, each evening next week, the pastor announced this week.

Services for the colored people are to be held on the church lawn each evening starting at 8:30, the first service scheduled for Monday evening and each evening thereafter through the week. The services will consist of singing, praying, testifying, reading and preaching, the minister said.

"These services are for our colored friends and we will be glad for every one of them who is in reach of Ozona to be present to help us carry them on each evening if at all possible," Rev. Garrison said. "We will appreciate it if all the good people of our town who have colored help will encourage them to attend each evening. We greatly desire that the hearts and lives of these people may be richly blessed of God in these services."

UNDERGOES OPERATION

Joe Thomas Davidson, son of Mr. and Mrs. Joe T. Davidson, of Ozona, is recuperating in Baylor Hospital at Dallas where he underwent an operation late last week for an old knee injury. Young Davidson, a mainstay on Ozona High School football squads until his graduating in May, suffered a knee injury in football necessitating the operation to correct the condition. Mrs. Davidson is with her son, who is in Room 190, Mr. Davidson returning the first of the week.

EMPIRE GETS LEASES

J. L. Murray, Christoval oil lease operator, has sold to Empire scattered leases on about 5,000 acres in Schleicher and Crockett Counties. Acreage in this county included 1400 acres from P. T. Robison, 640 acres from George Harrell and 320 acres from Lee Henderson. Owners of Schleicher county acreage included John Rea, Mrs. J. H. O'Harrow and Will O'Harrow.

35 CENT HIKE IN TAX RATE IS MADE HERE

Levy Raised By Commissioners In Session This Week

STATE MAY LOWER

Prospective Cut For State Schools May Equalize Rate

A 35-cent increase in the county tax rate for 1937 was fixed by the Commissioners Court in regular July session Monday and Tuesday. The raise came about through the addition of levies of 10 cents each for the jury fund and for the courthouse bond sinking fund.

The 1937 county tax rate was fixed at \$1.35 on the \$100 property valuation against a rate of \$1 last year. The tax for school purposes for 1937 remains the same as that for 1936, a total of 40 cents, divided into 20 cents for school maintenance and 20 cents for the building bonds sinking fund.

Total property valuation in Crockett County this year stood at \$5,605,195. On this valuation, the county's total tax bill for county purposes will be \$75,770.20, and for school purposes \$22,420.80, or a total local tax bill of \$98,191.

Fixing of the state tax rate by the Automatic Tax Board is expected within the next few days. The state rate the past two years has stood at 62 cents. If that rate holds again for 1937, Crockett County tax payers will pay the state an additional \$34,752.24 in property taxes, raising the total bill, then, to \$132,943.24. News dispatches from Austin, however, indicate a substantial reduction in the school tax as a strong possibility. Governor Allred announcing he would join with Comptroller Sheppard in cutting the school rate from 20 cents to 7 cents. The state school board recently set the new per capita apportionment at \$22, a raise from last year's high of \$19. Comptroller Sheppard and Governor Allred, two of the three-member tax board, hold that a 7-cent rate will make possible a \$17.50 apportionment, and that the board is limited by law to fixing a rate to produce that amount.

The 1937 tax levy as fixed by the Commissioners Court is divided as follows: First class, or jury fund, 10 cents; second class, road bonds, 15 cents; third class, general fund, 25 cents; fourth class, permanent improvement fund, 25 cents; fifth class, courthouse bonds, 10 cents; sixth class, road bonds, 15 cents; and 7th class, road bonds, 35 cents. No levies were made last year for benefit of the first and fifth class funds, and the sixth and seventh class funds were lumped into one levy of 35 cents. The school levy was 20 cents for maintenance and 20 cents for school house bonds sinking fund.

\$26,000 More Of Fisher Co. Bonds Bought By Court

Another investment of county permanent school funds in Fisher County road bonds was made this week by the Commissioners Court, in session here Monday and Tuesday.

This week's purchase of Fisher County bonds totalled \$26,000, the bonds being purchased at \$97.50 and accrued interest, the same figure at which \$24,000 worth of the issue was purchased recently. The new bond purchase makes a total of \$50,000 of Fisher County bonds now held for the Crockett County school fund.

Pascal Northcutt, manager of Smith Drug Co., Inc., visited in San Juan several days last week with his mother, who was injured recently in a fall at her home.

'Information Returns' Procedure Explained By Security Board

El Paso, July 14—In preparation for the next important step in putting into operation the Federal Old-Age Benefits program, F. J. McCarthy, Jr., manager of the El Paso field office of the Social Security Board, said today that employers all over the local field area are now busy completing their records of employee account numbers and wage payments in accordance with the requirements for filing, after June 30, the first 'information returns' under the system.

These returns, to be made on forms known as Forms SS-2 and SS-2a, are required under Bureau of Internal Revenue regulations. On Form SS-2, employers will report for the first six months of 1937, and thereafter quarterly, the total taxable wages and total employees to whom taxable wages were paid during the period. On Form SS-2a, employers will report the name, account number and total taxable wages paid to each employee in covered employment during the period.

In order to enable employers to fill out these forms adequately, the Board urged employees to see to it that their account numbers are known to every employer they have worked for since January 1, 1937.

Throughout the country, collectors of internal revenue are now distributing Forms SS-2 and SS-2a to be used by employers in making these reports. This information, which will be used by the Treasury in connection with the collection of employer-employee taxes levied by the Social Security Act, will also be used by the Social Security Board in the maintenance of its records of wages earned by each employee.

Identification numbers are now being sent to all employers who have asked for them since the inauguration of the program.

Back o' the Flats.

By DRECKY CROSBY

Traffic Accidents Claim More Lives On Open Highways

The open road sees fewer highway traffic accidents, but when they hit in the wide open spaces, they hit to kill! An analysis of traffic deaths for the month of May, just released by the Department of Public Safety shows that 144 deaths resulted from 476 highway accidents during that month, and all of the fatal accidents in question occurred outside of the limits of the larger Texas cities.

Of the 144 deaths, 28 came about as the result of accidents in suburban districts, 9 in country towns, three on country roads, while 104 persons met their death in accidents on the open highway.

On the other hand, 1034 city accidents reported to the Department resulted in injuries to 400 persons, a relatively minor number as compared to the 232 persons injured in only 379 accidents on the open highway.

Accident reports are not received by the Department from the larger Texas cities, so that the comparison is incomplete. However, it appears from the figures given above that the open highway, away from dense traffic conditions, is relatively more dangerous to automobile drivers and passengers than are the crowded streets of our big cities.

TEXAS RANKS HIGH AS MANUFACTURING STATE

The Texas Planning Board's survey of Texas industries discloses that:

New manufacturing industry is coming into Texas at the rate of more than \$2,000,000.00 per month. Texas factories are employing 93 percent more persons in 1937 than in 1933 and 33 percent more than in 1929.

Texas factories add \$40,000,000.00 annually to the value of Texas raw materials fashioned in to Texas-made goods.

Texas is the largest manufacturing state south of the Mason-Dixon line.

Texas factories employ 180,000 people. Texas ranks second among the manufacturing states west of the Mississippi.

Ad Harvick is driving a shiny, black Buick sport coupe, delivered yesterday by Wilson Motor Co. of Ozona. The local Buick agency also delivered a two-door touring sport sedan recently to Dr. F. T. McIntire of San Angelo, former Ozonan.

Special services for Colored People each evening during the week beginning Monday at 8:30 on the Church lawn. Come to the services and bring your loved ones, your friends, and your neighbors. We will gladly WELCOME you and them. COME.

URGES PROPER CARE OF CAR AS SAFETY MEASURE

With traffic hazards increased throughout the country during warm weather months due to a larger number of vehicles on American highways, D. E. Ralston general sales manager of Oldsmobile, emphasizes the importance to the motorist of keeping his car in the best possible running condition.

"If the average motorist would do all in his power to maintain his car in the condition it was furnished him by the manufacturer, we would see a leveling of the accident curve which always rises at this time of the year," Mr. Ralston points out.

"Automobile manufacturers for a number of years have done all in their power to provide cars that are as safe as possible; that is why today we have safety glass, super-hydraulic brakes, better visibility and lighting facilities; Unisteel Turret Top bodies, and other features designed to promote safety.

"These features are largely wasted, however, unless they are properly looked after by the driv-

er of the car. And the driver's mental condition, logically enough, is just as important a safety factor as the many mechanical developments introduced by manufacturers."

MRS. ROBISON IS LAS AMIGAS HOSTESS

Mrs. Miller Robison was hostess to members of Las Amigas Contract Club last week at the home of her mother, Mrs. Schneemann. A Pan-American motif was carried out in all appointments. High score prize went to Mrs. Alvin Harrell, Mrs. Hagelstein, low, and Mrs. Dunster Jones, cut.

Other guests were Mrs. Buster Miller, Mrs. James Baggett, Mrs. Claude Hudspeth, Jr., Mrs. Phil Lee Childress, Mrs. Joe Sellers, Pierce, III, Miss Wayne Augustine, Miss Wanda Watson, and Miss Nancy Bloomer of Shreveport, La.

Texas State College for Women

Denton, July 14—Oil may not be as good a job of it with roses. The centers of the East Texas oil field is also the center of the East Texas rose-growing industry, which now furnishes nearly half the nation's supply of roses.

Outdoor rose nurseries were begun in Texas over twenty years ago, but they did not gain momentum until within the past five or six years. In 1935 the production of roses in Texas was valued at over 4,000,000 plants, the figure made another year in 1936 to about 6,000,000. This means that the total income from roses reaches approximately one million dollars.

This million dollar rose business is not a hothouse affair, but is confined strictly to the open air. The climate conditions in the eastern parts of Texas are particularly well suited to rose growing. Smith county, which ships about 7,000,000 plants annually, is the heart of the industry, and other important farms are in Gregg, Van Zandt, Rusk, Henderson and Anderson counties.

Rose creations which are developed by breeders and distributed over the United States are sold to many East Texas farms for multiplication. The fieldgrown roses of Texas lack the weakness of hothouse plants, and can be shipped anywhere in the nation.

Vallee Brings Band to Exposition

Rudy Vallee and his famed Connecticut Yankees will open at the Pan American Exposition in Dallas, Saturday afternoon, July 10. Vallee and his orchestra will be a feature at the Pan American Casino. The orchestra will play for the Casino dances and between the twice-nightly Casino revues which feature such top notch acts as Georges and Lina, Stan Kavanagh, juggler, and Borrah Minevitch's Harmonica Basals. And, of course, there is that Chester Hale precision chorus of 50 dancing girls.

The Epworth Assembly for young people will be held at the Methodist Encampment grounds in Kerrville, July 19-25. Ozona young people should be well represented at the Assembly. Please call the church office for any further information concerning the assembly.

Every now and then a person who for a long time has been unaccustomed to attending church says, "I'm going back to church." Why does he do it? There may be many reasons. Among them, the desire for corporate worship, the hunger for the old hymns of the church, and the conviction that the church stands for something that is changeless in a world that is forever changing. To these reasons must be added another. As Dr. Charles Clayton Morrison says the church is a society of sinners. It is the only organization that keeps saying, "We have all sinned; we have done those things that we should not have done, and we have left undone those things that we should have done." With the consciousness of his many sins and mistakes, man feels a compulsion to acknowledge them and to ask for the cleansing and strengthening influences that come through repentance. We urge our people to come to church and identify themselves with the society of sinners.

unfed and are seeking some animal to attach themselves to and suck blood. When the tick drops on an animal, including man, it does not start feeding at once, but usually spends some time searching for a suitable place. Experiments have shown that a previously unfed tick will attach itself to the body and feed for a few hours before transmitting the infection but it then becomes highly infectious.

Three measures may be used to prevent spotted fever; avoid ticks, remove ticks from the person as soon as possible, or be vaccinated. Vaccine to prevent spotted fever is not readily available so precaution should be used to avoid or eliminate ticks from the person immediately.

Mrs. I. S. Moore returned the first of the week from a visit with friends and relatives in San Antonio and Runge, Texas.

Denton, July 14 — Secrets of sandwich making should be well known in the summer, since at that time they suddenly become a great American dish. Making them is simple enough, but the trick lies in making them different. Try some of these recipes, and your family will sit up and take notice.

Marmalade Butter
Spread 1 slice of lightly buttered sandwich with orange marmalade and the other slice with peanut butter. Let stand for an hour before serving. Honey may be used instead of marmalade. Nut bread or Boston brown bread makes a pleasing combination.

Shrimp Butter
Cream 1/2 c. butter and stir in 1/4 c. finely chopped shrimp. One finely chopped celery tops or

green pepper may be added.

Fig-Nut Filling

Grind together 1/4 lb. figs, 2 T. pecans, 1/2 T. lemon juice, and 1/2 T. orange. Mix well and spread on buttered slices of whole wheat bread. Makes 8 sandwiches. Less fruit juice and a little honey may be used.

Cold Sliced Tongue

Place tongue between fresh, thinly sliced buttered white or whole wheat bread. May be seasoned with a small amount of prepared mustard or mayonnaise spread on in a thin layer or mixed with the butter. Lettuce, either whole leaves or shredded, may be placed between the slices of meat and the buttered bread. Other cold sliced meat may be used; ham, lamb, roast beef, pork, chicken.

Cheese Pepper Sandwiches

Cream cheese mixed with one-fourth as much chopped green pepper and with a sprinkling of salt and of paprika makes a moist filling for either buttered or unbuttered Graham bread.

Egg and Catchup

Chopped hard-cooked eggs mixed with mayonnaise, a few drops of tomato catsup, and a sprinkling of salt may be spread on thinly sliced, lightly buttered white bread.

Lemon Butter

Cream 1/2 lb. butter and mix in 1 T. lemon juice and a few gratings of lemon rind. Use instead of butter for meat and fish sandwiches. Orange butter may be made the same way.

Parsley Butter

Add 1/4 c. finely chopped parsley and 1 t. lemon juice to 1/2 lb. creamed or softened butter. Use for either meat or vegetable sandwiches, especially for cucumbers, sliced or chopped.

OZONAN ON HONOR ROLL.

Austin, July 14 — Eugene C. Montgomery of Ozona was listed on the spring semester honor roll of the University of Texas School of Business Administration, just announced by Dean J. A. Fitzgerald of that school.

Spotted Fever Is Reported In Texas

Austin, July 14—Appearance of the dread Rocky Mountain Fever in Texas was evident this week when two cases of the disease reported in Southeast Texas were officially diagnosed as such by Dr. R. R. Spencer, spotted fever expert of the United States Public Health Service. Dr. Spencer, vacationing in San Antonio was pressed into service by State Health Officer, Dr. Geo. W. Cox, to diagnose the two cases, one of which proved fatal.

Dr. Spencer's diagnosis is the first official recognition of the presence in Texas of spotted fever a disease transmitted to men by the bite of infected ticks. Although many wood and dog ticks are not infected with the fever, the disease in man is serious enough to warrant the practice of precautionary measures. A person with spotted fever will develop the disease within 2 to 12 days after receiving the infection. When the ticks appear, they are

So—

Build Your Home Now!

It's still happening almost daily—the rented dwelling sold to someone who can't wait to have a home built—and the tenant—the renter—forced to move. Moving costs money. So does rent. The moves, the rent—add them together over a period of years and you have an average of enough to make monthly payments on a substantial home.

There is one sure way to be INDEPENDENT OF A LANDLORD—OF THE POSSIBILITY OF HAVING THE DWELLING YOU NOW OCCUPY SOLD OUT FROM UNDER YOU—AND THAT IS—BUILD YOUR OWN HOME—NOW!

We have a COMPLETE BUILDING SERVICE—embracing every phase of building activity. We are in a position to assist prospective home builders to obtain PRIVATE LOANS or FHA INSURED MORTGAGE SYSTEM LOANS. We most cordially invite you to counsel with us relative to your home building problems and there's no obligation involved.

May We Have the Genuine Pleasure of Serving You

OZONA TEXAS

In this column answers will be given to inquiries as to Texas history and other matters pertaining to the State and its people. Address inquiries to Will H. Mayes, Austin, Texas.

Q. What large irrigation project is under construction in the Lower Rio Grande Valley?

A. The Willacy-Hidalgo Water District No. 1 has received an earmarked \$4,853,000 PWA grant, the first check for \$1,600,000 having been received. The project comprises irrigation of 75,000 acres in Hidalgo and Willacy counties. Contract for irrigation of 5,000 acres will be let at once, for completion to be finished in two and a half years.

Q. Why were two treaties made with Santa Anna after his capture one of which was to be secret?

A. Santa Anna contended that if the fall treaty should be made public, it would operate to his disadvantage in Mexico, and that withholding part of it from the public would better enable him to carry out its provisions on his return to Mexico. The "secret" treaty was made to meet his views.

Q. Did Rev. Littleton Fowler, the noted east Texas missionary, have any brothers in the Battle of San Jacinto?

A. Two of his brothers fought at San Jacinto; Judge Andrew J. Fowler and John H. Fowler, both of whom came to Texas with him in 1831. A. J. Fowler afterward was in Col. E. H. Tarant's company in the Indian campaign of 1841. He was for a time chief justice of Red River county and was a member of the 6th Congress of the Republic. He died at Palestine in 1885. John H. Fowler died in Lamar County in December, 1873.

Q. What increase has there been recently in the value of Lower Rio Grande Valley citrus culls and to

CINCINNATI MANAGER

Col. Clarence O. Sherrill, who recently accepted appointment as city manager of Cincinnati. Colonel Sherrill was formerly president of the American Retail federation. He will succeed C. A. Dykstra, who resigned to become president of the University of Wisconsin.

what is it due?

A. Due to the increase in canning and juicing plants and to sea port shipping rates, the sale of citrus culls has increased in three years from \$10,000 to \$700,000.

Q. Who was Captain Henry Teal?

A. He was captain of a company of volunteers he raised at San Augustine, which joined Houston at Gonzales, and was with him at San Jacinto, though Teal was too sick to engage in the battle. Later he went with Capt. Henry Karnes to Matamoras to arrange for an exchange of prisoners according to the agreement with Santa Anna and was thrown in prison there. He and Karnes succeeded in escaping and he rose to the command of his regiment, but incurred the ill-will of his men and was shot dead while asleep in his tent, presumably by one of his own men.

Q. When and where was the noted Packsaddle Indian fight and what Texans were engaged in it?

A. The fight was at Packsaddle Mountain, Llano County, Aug. 4, 1873, when eight Texans routed a band of some 30 Indians after a desperate fight. The Texans were Capt. J. R. Moss, Stephen B. Moss, Arch Martin, Pink Ayers, Robert Brown, Eli Lloyd, and E. D. Harrington. Eli Lloyd died at Bandera June 29, 1937, at the age of 87, at which time E. D. Harrington, aged 82, the only survivor, was living at Pantano, Ark.

Q. For whom was Seguin's new recreation park named, and why?

A. This unusually beautiful 75-acre city recreation park on the Guadalupe River at Seguin was named for Max Starcke, the city's mayor, honoring him in response to petitions from numerous citizens and from every club and civic organization of the city, all of whom strongly praised the mayor's unselfish and untiring labors for Seguin.

Q. By what other names has the Rio Grande River been known?

A. From its discovery by Alonso Alvarez de Pineda, in 1519, it has also been referred to as Rio de las Palmas, Rio del Norte, Rio Bravo, Rio Turbio, and Rio de Oro.

Q. Who was Jose de Escandon and how has Texas honored his memory?

A. He was a noted Spanish explorer, colonizer and developer who directed several explorations from Tampico to the San Antonio River from 1746 to 1755, and established 23 towns, most of which still exist, along both sides of the Rio Grande. He founded missions, opened roads and pacified the Indian tribes within a large area then known as Nueva Santander, extending from above Laredo to the mouth of the Rio Grande. The State of Texas erected a marble monument to his at Rio Grande City in 1936.

Q. When and by whom was a large industrial development plan organized at Marble Falls?

A. In 1887, after several years of promotion, Gen. Adam R. Johnson organized the Texas Mining and Improvement Company of Marble Falls, with proposed capital stock of \$1,000,000, the incorporators being Gen. Adam R. Johnson, R. E. Johnson, F. H. Holloway, and George Christian, the purpose being to build a great

manufacturing city and develop the mineral resources of the section. The company constructed a dam across the Colorado, built a power and manufacturing house and sponsored a number of enterprises.

Q. Where was "Billy" Dixon, the famous scout, born, where did he spend his life after his buffalo hunting and Indian fighting days, and where did he die?

A. He was born in Ohio county, W. Va., Sept. 25, 1850. He lost both his parents when 12 years of age and lived a short time with an uncle in Missouri before he ran away "to go west and fight Indians." After several years of this life he served as a scout under Gen. Nelson A. Miles, from Aug. 6, 1874 to Feb. 10, 1883, and in 1883 acquired a ranch on Bent Creek at the original "Old Adobe Walls." He then moved to Plemons, Texas, and from there to Beaver County, Okla., where he died of pneumonia, March 6, 1913, and was buried at Texaline, Tex.

Q. How did Laredo get its name?

A. When founded, May 15, 1755, by Thomas Sanchez, under a grant from the explorer, Escandon, it was named, at Escandon's request, San Augustine de Laredo, for a city in the province of Santander, Spain. The first part of the name was dropped years later.

Q. When were the names of the municipality and the county of Mina changed to Bastrop?

A. Dec. 18, 1937, to honor Baron de Bastrop.

Q. Where is Martin's Gap and for whom was it named?

A. Martin's Gap is in what is now Hamilton County, but in a section that was once a part of Comanche County. It was named for George Martin, who moved from Bell County to the mouth of Falls Creek, blazing a trail thru this mountain gap for other settlers to follow.

Q. How many producing oil wells are there in the Lower Rio Grande Valley?

A. The latest report was 304 wells, in the four Lower Rio Grande Valley counties, 189 of which are in Hidalgo county, practically all of the oil development having been within the past three years.

Q. What well known Texas song proved popular and was heard along the lines of London revelers waiting for the British coronation procession?

A. "I'm an Old Cow Hand from the Rio Grande" was among the favorites, along with "Swanee River."

Q. During what period was Rev. Edward B. Wright pastor of the First Presbyterian Church of Austin?

A. For 40 years, from 1872 to 1912.

Q. What offices has Ex-Gov. Dan Moody held in Texas?

A. Gov. Dan Moody was county attorney in Williamson county 1920-22; district attorney, 26th judicial district, 1922-25; attorney general, 1925-27; governor of Texas, 1927-31.

FORT WORTH LIVESTOCK MARKET REVIEW

By Livestock News Service

The better grades of slaughterers, fat cows and yearlings sold steady prices with the strength of the Fort Worth market at last week's close. Slaughter and stocker prices were strong to higher Monday, but the market Tuesday did not advance.

Prices were 10 cents up from last week's close, with a top of \$11.85 to small killers and \$11.75 to packer buyers.

Following the sharp reduction in prices around the major market in the north, slaughter prices were 50 to 75 cents lower for feeder lambs and yearlings and off about 25 cents for the top two days this week. Aged steers declined 25 cents.

Steers selling from \$9.00 upward were steady, with shipments from Jay county on each of the two days at \$12.50. Last Friday, shipment of Parker county steers brought \$12.75. Several loads of steers turned from \$11.50 to \$12.50. A load of South Texas steers cashed at \$10.00 Tuesday. Three loads of South Texas grassers sold Monday at the same price. They came from May-wood county. Trading in steers \$8.00 and down was slow and the sales were a little easy. One load of bulls turned at \$5.85, but the bulk of the weighty bulls sold from \$5.00 to \$5.50, with lightweights from \$4.00 to \$4.75.

Scattering sales of fat cows reached the \$8.00 mark. Most lots and packages of good cows turned at \$6.75 to \$7.50, with canners and cutters making \$2.75 to

\$4.00. Butcher cows sold to a narrow demand at unevenly lower prices. Order buyers were a big prop in the cow market.

Good yearlings were scarce. Some sales were made at \$10.00 to \$11.50, but choice grades were quotable at \$12.00. Grass fat yearlings sold up to \$9.25. Weighty calves sold from \$8.00 to \$9.25 to an active demand. Plain calves moved in the \$7.00 range and culls from \$4.00 to \$5.00.

Good stocker steer calves made \$8.00 to \$8.50 and yearlings \$7.25 to \$7.75.

Packers paid \$11.75 and shippers and small killers \$11.85 for hogs. Most packing sows cleared at \$10.50 and down. Lightweight hogs sold from \$10.50 to \$11.65.

Early Monday, some sales of good spring lambs reached \$9.25 and \$9.50, but medium to good lambs sold Tuesday at \$8.75 and down. Shorn fat yearlings brought \$7.00. Aged wethers cashed at \$4.50, with 2-year-olds in the \$5.00 range. Feeder lambs on Tuesday brought \$6.50 to \$7.00 and yearlings \$6.00.

Texas Opportunities Outlined By Katy In National Ad Series

St. Louis, Mo., July 14—The Katy Railroad has launched a national advertising campaign designed to acquaint every business man in the country with the fact that Texas is a state of almost unlimited opportunities. The full page, two color ad appearing in the current issues of Time, Nation's Business, Business Week and other widely read publications, is the first of a series of six, each of which, it is announced, is intended to focus nationwide and favorable attention on the Lone Star State.

The first ad of the series shows a relief map of Texas upon which is superimposed a drawing of a large steer, a tag on its horns reading: "Sold for \$60,000,000." The heading says: "Texas Rings up Another Sale—Has Money to Spend." The text explains that vast as it is, the cattle industry is but one of the many in Texas that produce huge sums annually, and quotes staggering figures as to the value of Texas oil production, its cotton, wheat and fruit crops, its manufactured output, etc.

"The growth and development of Texas along agricultural, industrial and commercial lines will prove of direct and indirect benefit to the Katy," said Matthew S. Sloan, board chairman and president, in explaining the purpose of the campaign. "Texans know Texas as a state of unsurpassed richness and of unequalled opportunities. Through this series of ads the Katy is endeavoring to tell the country at large about it with the belief that such publicity will do much to attract to Texas new residents, new wealth and new industries." Mr. Sloan has spent much of his time in Texas since becoming

Youngest Eagle Tries His Wings

Edward Somers, twelve years old, became the country's youngest "eagle" when he took off for his solo flight at Floyd Bennett field at Long Island, N. Y. Instructor Pilot Archie Baxter wishes him luck. Eddie comes from a flying family. His father, Congressman Andrew L. Somers of Brooklyn is a pilot as are his brother and sister, Andrea, sixteen, and Arthur, seventeen.

year's contest was Mrs. Louis Roberson of Pecos, who won out in a field of more than twenty-five contestants.

Judging in the contest, in which no hazardous feats will be required, will be on appearance of cowgirl, appearance of horse, ability of girl to ride and ability of horse to be reined. The local rodeo committee will take care of the sponsors' mounts during the three day show.

Purses and prizes totaling more than \$3,500 are being offered in the rodeo events which are "open to the world." Present plans call for the staging of one of the outstanding rodeos of the Southwest for 1937. Afternoon and night performances will be staged each day of the show in the \$60,000 Midland Fair arena.

Mrs. J. M. Puckett of San Antonio and Mr. and Mrs. John Martin and children of Ozona left recently on a several weeks tour of Colorado and the northwest.

Mr. and Mrs. Solomon G. Jones and children left Tuesday for a six-weeks tour of California and the northwestern states.

Cowgals Compete In Midland Rodeo Event

Midland, July 14—Invitations were this week mailed to over fifty cities and towns of West Texas and New Mexico inviting them to send cowgirl representatives here to compete in the colorful Cowgirl Sponsor's Contest which will be staged in connection with the annual Midland Cowboy Contest, September 4, 5 and 6; the sponsors to compete for a beautiful \$100 hand made saddle and other attractive prizes. Chambers of commerce and service clubs are being asked to select the sponsors for their respective towns. It is hoped to have a record breaking number of sponsors in attendance this year.

The first prize winner in last

Contest To Choose Name For Housewife Engages West Texans

Old-timers who recall the days when they gathered cow chips for kitchen fires and set the milk in a pan of water on a "lean-to" outside the kitchen window now are speculating on what kind of a name modern West Texas women will choose for themselves as a substitute for "housewife."

Over a quarter million people in West Texas last week received the news that the West Texas Utilities Company is seeking a new name for the "lady of the house" whose progress in home-making has made the word "housewife" obsolete.

The company will award \$500 in prizes for entries in the "name-a-housewife" contest.

"The average dictionary says a housewife is a 'mistress of a household' and fails to point out that she is interested in civic and social affairs or that she may be an accomplished musician," J. O. Lusby, local manager for the company here, said. "More and more women are turning to modern electric servants to perform household drudgery. So why should they retain a name that is as worn out as an old shoe?"

The company has announced that a Frigidaire will be first prize in the contest to secure a new name for "housewife." Second prize will be choice of a Hot-point Electric dishwasher or a Thor washing machine and third prize will be a Sunbeam Mixmaster. Ten prizes of smaller electric appliances will be awarded.

DULL HEADACHES GONE. SIMPLE REMEDY DOES IT

Headaches caused by constipation are gone after one dose of Adlerika. This cleans poisons out of BOTH upper and lower bowels. Ends bad sleep, nervousness.

OZONA DRUG STORE
Mrs. A. W. Jones left Sunday night for Corpus Christi for a few weeks visit with her daughter, Mrs. Gilbert Noakes and family.

LABOR EXPERT

Mrs. Mary Norton, congresswoman from New Jersey who has become the first woman to hold a chairmanship of a house committee. She recently accepted the chairmanship of the house labor committee. She was elected to congress in 1924, the first Democratic congresswoman. She was also the first to introduce a resolution for repeal of the prohibition amendment.

There are 15,800 Banks

—composing the present American banking structure.

THEY are neighborly banks—their interests and their activities are based on those of the citizens of their Community.

They have intimate, first-hand knowledge of local affairs, are responsive to local financial needs and are diligent to aid in maintaining sound local business conditions.

In addition to this local touch which is characteristic of American banking, these 15,800 banks are bound together by many ties of common practices and voluntary working relationships and associations.

Through these means they interchange information and experiences that promote and broaden scientific banking progress and render service reaching beyond their own localities.

This bank participates fully in the field of inter-bank cooperation.

"TIRE SIZES tipped me off!"

"A neighbor pointed out that Oldsmobile Eight tires were bigger than those of other eights I was considering. Then I thought, If that's the case, probably the whole car is bigger and better. Comparisons proved I was absolutely right. The Oldsmobile Eight has more power, longer wheelbase, greater length, more fine car features. It offers more for the money in every way than other eights I had taken for granted as bigger."

**Del Rio Girl Is
Bride Tom Nolen**

From Val Verde News—

Miss Bessie Woods became the bride of Tom Nolen Monday morning at 7 o'clock in the home of her parents, Mr. and Mrs. W. G. Lee Woods, 609 Griner Street, with the Rev. L. C. Beasley, pastor of the First Methodist Church, reading the marriage lines.

The bride was lovely in a tailored street dress of pastel blue trimmed in pink. Her accessories were also of pastel blue.

Mrs. Nolen has resided in Del Rio for many years. She attended the Del Rio schools and was graduated from the Del Rio High School. Later she attended Southwest State Teachers' College in San Marcos and a business college in San Antonio. Mrs. Nolen has been secretary to the Sheep and Goat Raisers' Association for the past year, going to Sonora when the office was moved from Del Rio several months ago.

Mr. Nolen formerly resided in San Angelo but is now employed in Midland.

The couple left immediately following the ceremony on a wedding trip to San Antonio, Austin, Palestine, Fort Worth and Dallas. On their return trip they will be at home in Midland.

Tom Nolen was an early resident of Crockett County and served this county as county and district clerk for many years.

**VISITS CHILDHOOD HOME
FIRST TIME IN 42 YEARS**

Will Adams of Ozona is spending this week in Red River County, on the Texas-Oklahoma border, visiting scenes of his childhood for the first time in 42 years. Mr. Adams, who was born in Red River County, left there in his early youth and until this week never had opportunity to visit old friends and scenes of his youth. He stopped off for a day or two in Dallas on his way up.

Mr. and Mrs. W. A. Adams had as their guests Sunday, Mr. and Mrs. Hubert Baker of San Angelo. Mrs. Baker is Mrs. Adams' niece. Announcement was made last week by R. L. Flowers of Mr. Baker's purchase of the Flowers Grocery. He is scheduled to take charge the last of this month.

**U. S. Navy Officer
Visits Relatives**

Lieutenant Commander Louis Puckett, U. S. N., Mrs. Puckett and their daughter, Helen Jane, of San Pedro, Calif., spent Tuesday here visiting relatives, stopping off on their way to Dallas, to visit Commander Puckett's parents. He is a nephew of Mrs. Bright Baggett and Mrs. Paul Perner of Ozona.

The Naval officer's visit here was the occasion for a family reunion and picnic, with Mr. and Mrs. Perner, Mr. and Mrs. Baggett, Mr. and Mrs. Boyd Clayton,

Mr. and Mrs. Marshall Montgomery, of Ozona, and Mr. and Mrs. Will Drake of San Angelo, Mr. and Mrs. Will Odum of Stiles and the California visitors participating.

**Colorful Auctioneer
Of University Lands
Holds Sales Record**

Austin, July 14— Official auctioneer of the Board for Lease of University of Texas Lands is Col. E. Walters of Skedee, Okla., who has the record of having sold at public auction the oil and gas rights to more than any other man. During the last 27 years he has been Government auctioneer for the land of Indian tribes, his sales aggregating to January 1, \$171,265,850.58.

A recent sale at public auction of oil and gas rights to 84 tracts of University lands in West Texas totaled \$382,800, which is a small amount in comparison with the sale prices which Colonel Walters has sometimes obtained. The highest price ever paid for a 160-acre oil and gas lease was \$1,990,000, Colonel Walters' records show. This amount was paid for a quarter section in the Burbank pool in the Osage Nation which was auctioned off by Colonel Walters to the Prairie Oil and Gas Company. The largest one day's auction sale that was ever made by this typical pioneer of frontier days was when he sold 1,400,000 acres of Indian-owned coal deposits in Oklahoma. This auction was held several years ago at McAlester, and the highest bids aggregated \$16,225,000.

Colonel Walters was 19 years old when he began as an auctioneer. Since that time he has auctioned off more farms, household goods, and other effects than any other man. He possesses records showing that he has served as auctioneer in 36 different states.

**Mrs. Vera Baker
Installs Beauty
Parlor In Home**

Opening of a new beauty shop for Ozona was announced this week by Mrs. Vera Baker. Mrs. Baker has outfitted a room in her home for the beauty parlor, getting the business under way early this week. She has acquired all new and modern equipment and has scaled down beauty prices from former levels.

Mrs. Baker has had considerable experience as an operator, having been employed by Mrs. Pansy Brown until the latter sold her shop recently to Miss Claudie Sprouse. Before taking up the work, Mrs. Baker took a complete course in a Dallas school of beauty culture.

**Benge Celebrates
First Anniversary
In Business Here**

W. Y. Benge, manager of the Ozona Market, will observe his first anniversary in business in Ozona tomorrow. Mr. Benge purchased the Ozona Market on July 16, 1936, from R. J. Cooke, and immediately installed a complete stock of groceries in addition to the meat market business.

Mr. Benge has announced a grocery and market "special anniversary sale" to celebrate his first anniversary. His list of week end bargains may be found on the back page of this issue.

REPORTS FOR WORK

Aubrey Fussell, son of Dr. and Mrs. J. A. Fussell, who was graduated from the University of Texas last Spring with the degree of Bachelor of Science in Mechanical Engineering, left last week for Pittsburgh to report for employment by the Westinghouse Electric Co.

Plain typewriter paper at The Stockman.

Marvin Rape, student at Sul Ross in Alpine this summer, is here to spend a few days between terms with his parents, Mr. and Mrs. I. G. Rape.

Bill Baggett, who has been attending A. & M. summer school, will return this week-end to his home here.

Mr. and Mrs. W. R. Baggett and son, Bill, will leave Monday for a trip through Colorado and the northwest states.

Mrs. Helen Taylor is here from Houston for a visit with her mother, Mrs. W. H. Augustine.

**Lincoln-Zephyr
Auto Agency Is
Established Here**

The Lincoln-Zephyr automobile, product of the Ford factory, was made available in Crockett County for the first time this week with the establishment of a dealership by the Stevens Motor Co., local Ford dealers.

A four-door sedan Lincoln-Zephyr demonstrator is now on the floor of the Ozona agency. The Lincoln-Zephyr is a 12-cylinder car which delivers for from \$1388 up, Mr. Stevens said.

PRICE REDUCTION

Miss Claudie Sprouse, who last week took over by purchase the beauty shop in the Hotel Ozona, operated for the last several years by Mrs. Pansy Brown, announces a reduction in prices for all types of service in her shop.

**MRS. O. W. SMITH
MISSIONARY HOSTESS**

The Baptist Woman's Missionary Society met yesterday afternoon at the home of Mrs. O. W. Smith for a Bible study program. Mrs. S. L. Butler directed the study hour. Present were Mrs. E. L. Eastridge, Mrs. J. S. Whatley, Mrs. L. V. Garrison, Mrs. M. R. Smith, Mrs. Clyde McCaleb, Mrs. High Gray, Mrs. Ernest Dunlap, Miss Maybelle Taylor and Mrs. Smith.

The Miller Service Station, local Firestone dealers, has added a full line of Firestone automobile accessories.

Mrs. Gertrude Perry has been appointed Western Union telegraph agent for Ozona, with offices at the Smith Drug Store.

Station Team In—

(Continued from Page One.) after two were out. Stuart was safe at first when the catcher dropped the third strike, then Mangold and McLeod blasted out successive doubles, McLeod scoring from third on a wild pitch. The eighth was the big inning for the combined team in Sun-

day's game. P. McLeod, first up drew a pass, Heatherly was safe on an error, Dorley popped, and then Stuart, Mangold and Marvin McLeod singled successively. Crostwaite was out to first and then Weaver singled, and finished the circuit on a series of errors, Ratliff ending the carnage with a fly to second. The Macks played erratic ball throughout, turning in about ten errors. The locals miscued but once. Crostwaite allowed the visitors but four hits and struck nine batters.

Texon and Iraan split their week-end series, the first appearance of the Oilers of Roy Gardner in the second half. The Texon lads took Saturday's game 6-2 but dropped Sunday's decision by a 2-1 count. Crane's gorillas were idle.

Mrs. Irene Lynn was here from San Angelo this week for a visit with her parents, Mr. and Mrs. T. A. Kincaid.

**Beauty
Needs**

Will be the sincere aim of the new management of your Hotel Beauty Shop. Every service you may desire will be offered, with the newest and most modern equipment available.

Realizing the responsibility incident to taking over the highly efficient work of Mrs. Pansy Brown, the new management is determined to go to any lengths to please our customers. Trained operators, modern equipment and a sincere desire to please you will constitute our bid for your business. We invite a trial.

GEE,
DOC,

Why don'tcha write English?

Perhaps, with a child's curiosity, you have wanted to know the same thing. But let us assure you that, no matter how impossibly illegible your doctor's prescription may seem, our registered pharmacists will fill it accurately, using only the purest drugs

**First Annual
ANNIVERSARY SALE**

On July 16, a year ago, we made our bow to the people of Crockett County. We are proud of our year of growth in your esteem, as evidenced by our constantly climbing sales volume. To show you our appreciation of your liberal patronage during the past, our first year and to celebrate our business birthday, we are offering you some rare bargains for the week-end.
