Games This Week

Thursday and Sunday: Crane at Wink
Friday: Crane at Irma
Saturday: Crane at Ozona.

After getting a sample of the winks of four Wink pitchers Friday and tapping them for eight hits and six runs to 6 to 1, Ozona Giants stepped into the Permian Basin league in a big way Sunday when they hammered everything that would-be Wink hurlers flung to smash the league's baby under the crushing score of 10 to 1.

The Giants were on a hitting spree in the Sunday fracas, the turning in twenty-one safe hits, four doubles, one three run homer, a home run and fifteen singles.

Lefty Buchanan, playing right field while the big soldier from Edolph Field, Al Crostwaite, was standing the Wink batters on from the mound, led the offense with the stick, batting a fat home run for the day, getting four singles, one a double, in four official trips to the platter, drawing a pass his second time up, Buchanan got one hit out of three batters Saturday, making a series batting average of .714, a figure, with his hitting average to this week counted, should put him out in the lead in league hitting. Stuart and Cox got three hits each, Crostwaite, Weaver, Meyers, Wiley and Heatherly two each and Lenz one.

While the Giants were smacking down the Wink Cats here, the Permian Oilers and the Crane club were smashing out double wins, the Oilers taking McCamee and the Cranes Irma, leaving Crane, the Giants' next opposition, in second place in league standing.

Crane comes here Saturday and Sunday for a two-game series. Bob Osborn, manager and ace hurler for the Cranes, is expected to pitch one of the games and Mark Allen the other. Buchanan and Crostwaite will probably hold down the mound for the locals.

Body Of Oklahoman, Who Died On Hoover Ranch, Shipped Home

The body of Ralph Willard Cloyd, 21, who died Friday morning on the A. C. Hoover ranch on Live Oak after a lingering illness, was shipped the following day to May, Oklahoma, for burial. W. M. Johnigan, justice of the peace, was called to the ranch to hold an inquest. Death was from natural causes, an illness extending over a period of several years resulting in death.

The widow and parents, Mr. and Mrs. Pearley Cloyd of May, Okla., were with him when death came. Mr. Cloyd had lived on the Hoover ranch two years ago, and worked a few weeks as a tool dresser on the oil well being drilled there. He returned in March in an effort to regain his health.

Everett Finnigan and daughter, Miss Dorothy Finnigan, of San Antonio are here this week visiting relatives and friends.

Baccalaureate Service Sunday In Auditorium

Rev. James M. Camp to Preach Annual Sermon To Grads

Twenty members of the 1936 graduating class of Ozona High School start the round of commencement week Sunday morning with baccalaureate services in the High School auditorium at 11 o'clock.

Final examinations will be in order the first of the week and commencement exercises in the auditorium next Thursday evening will climax commencement week. Dr. L. H. Hubbard, president of Texas State College for Women (CIA) at Denton, will deliver the commencement address.

Mrs. W. N. Hannah will play the processional march, after which the congregation will sing "Come Thou Almighty King" followed by the invocation pronounced by Rev. R. A. Taylor, pastor of the Methodist Church. A violin solo, "Souvenir," Joe Haddon, scripture reading by Rev. James M. Camp, minister of the Church of Christ, and "Sanctus" from Gouno by the choir, with Mrs. H. B. Tandy as soloist, will follow.

The baccalaureate sermon will be preached by Rev. Camp and Rev. Ira V. Garrison, pastor of the Baptist Church, will pronounce the benediction.

Scholarship Awards To Be Made To Honor Graduates Of Ozona

Scholarships to be awarded honor students by Supt. C. S. Denham on the night of the commencement exercises in the local schools will go to Imogene Baker, Margaret Drake and Joe Whatley.

Miss Baker, salutatorian, will be awarded the scholarship from Draughon's Business College in Abilene, worth about \$75. Southern Methodist University offers two scholarships valued at \$145 each, which will go to Margaret Drake, highest ranking girl and valedictorian, and Joe Whatley, highest ranking boy. The valedictorian, will also be recipient of a scholarship to be used in any state school which will cover the cost of tuition and valued at \$50.

W. M. Johnigan To Seek Re-Election To Justice Post

Incumbent Had Retired In Favor Of Late W. D. Barton

W. M. Johnigan, justice of the peace for Precinct 1, this week announced himself as a candidate for re-election to that office in the coming Democratic primary elections.

Mr. Johnigan had decided to retire from the office he now holds and the late W. D. Barton sought the post upon the incumbent's announcement of his intended retirement. Since Mr. Barton's recent death, a number of Mr. Johnigan's friends have urged him to continue the office and upon their solicitation he decided to seek re-election.

Mr. Johnigan was elected to the justice post in the 1934 elections. He had served in that capacity in previous years and for a number of years was deputy sheriff in this county. In announcing himself as a candidate for re-election, Mr. Johnigan declared that he would continue faithful administration of the duties of the position if re-elected for another term.

BLUE BONNET GIRL

Winner in a contest of more than 200 girls for the honor of being Dallas' most perfect photographic model, Irene Caldwell, twenty-two, became the official "blue bonnet girl" of the Texas Centennial exposition. As such she will be official hostess of the exposition when it opens June 6. The "blue bonnet gown" she wears in this picture was designed for formal official occasions.

Many Visitors Attend Baptist Workers Meeting

Barbecue Dinner Served To 125 On Church Lawn Tuesday

More than twenty-five visitors from towns included in the Pecos Valley Baptist Association and approximately one hundred local members and friends of the church were present at the First Baptist Church here Tuesday for the Workers' Conference of the Pecos Valley Association.

An interesting program was developed on the theme "Some Hindrances and Some Helps to Our Churches Being Soul Winning Churches." Song services during the day were under the direction of Joe Trussell, an evangelist singer.

At the noon hour, a barbecue dinner was served on the church lawn. Mrs. A. C. Hoover headed the women's committee and Ernest Dunlap the men's committee in charge of arrangements for the feed.

Visitors for the all-day meeting included J. C. McKenzie of Iraan, Mrs. J. G. Strickland, Mrs. E. O. Hartwell, Leon Frazier and E. R. Hill of Monahans, Rev. Blair Morris, Mr. and Mrs. Walter Dunlap, Mrs. J. H. Jessups, and Herbert A. Holmes of Sheffield, Mrs. Marvin Cowan, Mrs. Barney Hubbs, W. M. Turner, Mrs. T. Y. Casey, and Mrs. Milton Wadley of Pecos, Mrs. J. S. Wade, Mrs. T. H. Cornwell, Mrs. Chester Glover, Mrs. L. K. Eckals, Mr. and Mrs. T. E. Funderburk and U. S. Strickland of McCombs, Rev. J. A. Kidd of Alpine, Geo. D. Boyd of El Paso, Mrs. Ralph Winton of Washington, D. C. and Mrs. C. R. Word of Burnet.

Basketball Trophies To Be Awarded High School Girls Team

Gold basketballs will be awarded members of this year's High School girls basketball squad during the assembly exercises in the auditorium this afternoon. The gold balls bear the date, "1936" with the letter "O" in raised gold lettering.

Girls who will receive the awards are Imogene Baker, Margaret Ella Drake, Iris and Irene Green, Allie Mae Armentrout, Lilian Baggett, Athleen Dudley, Mary Williams, Louise Hardin, Genevieve Schwalbe, Maudie Mae Couch, and Mildred Freitag. Coach Guinn Carruthers will also receive one of the gold awards.

AWARD BASEBALL RIBBONS

Baseball ribbons will be awarded members of the Junior High School team winning the round-robin tournament now under way among the three junior high grades at the assembly program in the High School auditorium this afternoon.

Ozona Principal To Complete M.A. Work

Clarence E. Nelson, principal of Ozona High School, will complete work toward his Master of Arts degree from the University of Texas this summer and will receive the degree in August.

While engaged in completing the final work toward the degree, Mr. Nelson will act as assistant instructor in the department of education, a position he held last summer, under Dr. B. F. Holland, head of the department.

Seeks Old Post

B. F. BERKELEY

Former State Senator Benjamin F. Berkeley of Alpine is again seeking election to that post as representative from the 29th Senatorial district. Dr. Berkeley was senator from this district eight years, from 1924 to 1932.

Former Senator Benj. F. Berkeley Again Candidate

Alpine Man Seeks Post He Held For Eight Years

Former State Senator Benjamin F. Berkeley of Alpine, who served in the upper house of the Texas legislature from 1924 to 1932 as representative of the 29th senatorial district, is a candidate for another term in that office in the coming Democratic primary election. Dr. Berkeley, who is a physician and banker in private life, was here yesterday meeting voters and authorized The Stockman to make official announcement of his candidacy. The 29th Senatorial district contains twenty-seven West Texas counties, Crockett County being included in the district.

In making his formal announcement for the office, Dr. Berkeley issued the following statement: "On January 1, 1936 the press of El Paso carried a statement from me that I would be a candidate for the State Senate from the 29th Senatorial District in the forthcoming Democratic Primary election.

"This decision was reached after I had received encouragement from interested voters from many counties comprising the 29th District. The larger number of these came from the plain people, wage-

W. D. BARTON DIES RESULT AUTO INJURY

Aged Ozonan Is Victim Of Unavoidable Tragedy

FUNERAL SUNDAY

Resident Since 1902; Served Term As Co. Judge

Funeral services were conducted at the graveside in Cedar Hill Cemetery Sunday afternoon for William Dixon Barton, 76, pioneer resident of Crockett County, and the only man besides Judge Charles E. Davidson ever to hold the office of county judge of this county, who died at his home here at 4:55 Sunday morning as a result of injuries suffered shortly after noon Saturday when he was struck by an automobile in front of the postoffice.

The graveside rites were conducted by Rev. R. A. Taylor, pastor of the Ozona Methodist Church, of which Mr. Barton was a long-time member. Arrangements were under the direction of Joe Oberkamp.

Mr. Barton was struck by a car driven by Mrs. Joe Pierce, who lost control of the machine as she turned in to the curb, the car jumping the curb and rolling to the wall of the building. The tragic accident was unavoidable, witnesses declared.

Here Since 1902

Mr. Barton was born April 24, 1860, in Cartersville, Miss. He had been a resident of Ozona since 1902, with the exception of a four-year period from 1922 to 1926, when he was in San Angelo as bookkeeper for the Findlat-

8-Game Schedule Matched For '36 Ozona Hi Lions

Football Season Opens Sept. 19 With Game At Iraan

An eight-game schedule, with a possibility of a ninth game being matched, faces the Ozona Lions, 1936 high school football aggregation here, according to the next season schedule announced yesterday by Coach Ted M. White.

Four of the eight games will be on the local gridiron and four on foreign soil. Football season opens September 19 with the Lions invading Iraan. The complete schedule as announced by Coach White is as follows:

- Sept. 19—At Iraan
- Sept. 26—At Big Lake
- Oct. 3—Open
- Oct. 10—Junction Here
- Oct. 17—At Rocksprings
- Oct. 24—Menard Here
- Oct. 31—Big Lake Here
- Nov. 11—At Sonora
- Nov. 21—Eldorado Here

The second game with Big Lake was chosen in preference to a contemplated game with Fort Stockton on account of the distance. A game with the San Angelo Kittens may be matched for the open date.

The 1936 Lions squad will be built around seven veterans, Fred Parker, Joe T. Davidson, Elmon Powell, Haskell Leath, Jake Casbeer, James Childress and

TWO-EDGED TRAGEDY

Tragedy rears its head unexpectedly, leaving a trail of broken hearts, and only the all-wise Ruler of the universe who cuts the pattern of human lives knows the why.

A community that has had more than its share of heartaches in the past few months was again plunged into gloom by tragedy—a tragedy that was double edged, that cut as deeply on the one side as on the other.

A life that had been lived to rich fruition, well past the allotted three score and ten, a full life of accomplishments, was snatched unexpectedly and unavoidably, and a community mourned the passing of a beloved old timer and poured out its sympathy to a bereaved family.

But as so often is the case, tragedy reached its cold hands into the hearts of others and brought suffering, wounds that will not heal for perhaps many years. Fates played a sorry trick on a noble woman when they chose her as the instrument of their whim, and ripped her heart with grief and filled it with bitter regrets. Though others can not know the suffering she endures, her friends sorrow with her and their hearts ache in sympathy. Though they can not blot out the memory, may these inadequate words bring her some measure of comfort and solace in the knowledge that the plan of the Creator is one that passeth the understanding of man.

DADDY'S DAY

By Austin Callan

There are good reasons for Daddy's Day coming late in the season.

It's calculated that the proper time to recognize him is after hot weather when house flies are making life miserable anyway. You know, daddy is looked on as a sort of family nuisance who spreads out in front of the radio dial to tune in on a political speech the very night a favorite blues crooner is on the air.

However, it must be admitted that he's as much of a necessity around the place as the dish pan or floor mop.

Maybe daughter cannot keep a canary bird in the cage or a beau in the house on account of the asphyxiating fumes of his old black pipe, but he pays the rent, he finances the "permanents" and he keeps the coffee-pot "perking" in the kitchen. That should entitle him to parking space and a box of gift cigars once a year. Perhaps the sale of the cigars will help put up the price of cabbage.

I don't think the average daddy is as bad as the tobacco he smokes would indicate. The average daddy, while he won't let sonny boy take the car out at night to set a new record for breaking traffic rules, is ready to lay down his life for any member of the family. He may be a hard-shelled turtle on the surface but he has a chickenheart, and oftentimes when you don't know it he says a little prayer for his loved ones, as sweet as the breath of a lilac at morn.

Miss Gladine Powell, who has been employed at Colorado, Texas, the past several months, has accepted a position in San Antonio. She spent the week-end here with her parents, Mr. and Mrs. R. F. Powell, leaving the first of the week to take up her new duties in San Antonio.

MISS CHAPMAN'S PUPILS PRESENTED IN RECITAL

Miss Wayne Chapman again presented her pupils of piano in recital in the high school auditorium Tuesday night.

The pre-school rhythm band played two numbers. Pupils performing and others assisting were Barbara Bowers, Marguerite Culpepper, Arthur Runnion, Fredda Surguy, Patsy McDonald, Billy Joe McDonald, Ann West, Kerry Tandy, Benny Gail Phillips, Joy Hubbard, Muggins Davidson, Dick Lee McDonald, Vera McCaleb, Adele Keeton, Betty Jane Ingham, Eloise Carson, Mary Frances West, Betty Lou Coates, Crystelle Carson, Janice Watts, Ruth La Verne Townsend, Nan Tandy, Mary Elizabeth Gray, Dick Lee McDonald, Marie Williams, Doris Busby, Mrs. Ola Currie, Lurinne Townsend, Mrs. Bryan McDonald, Laura Graves, Mary Frances West, Mrs. Victor Pierce, Mrs. H. B. Tandy and Miss Chapman. Doris Bunger, Billy Joe West and Eloise Carson gave readings between numbers.

GIRLS QUARTET SINGS FOR LIONS CLUB MEET

The Ozona High School girls quartet composed of Ora Louise Cox, Adelia Willis, Janice Watts and Crystelle Carson, and directed by Miss Elitabel Tilory, public school music teacher, entertained members of the Ozona Lions Club with two selections at the club meeting Tuesday noon at the Hotel Ozona.

FINAL FACULTY MEET

The final faculty meeting of the school term was held Tuesday afternoon at the high school. The general routine procedure for closing days of school was gone through and teachers discussed the summer courses for teachers at the different colleges and universities. Policies concerning curriculum revision and other school adjustments for next year were also discussed.

New Cemetery Map Being Drawn Here

A new map of the Cedar Hill cemetery plot is now being prepared and Mrs. B. B. Ingham, chairman of the cemetery association has issued a request that any person who has copies of blue prints of the plot or vellum maps turn them over to Houston Smith at once. Mr. Smith is preparing the new map and the old maps and blue prints are necessary for accurate information in shaping the new one.

Giants Trim Sonora League Leaders 3-1 In Warm Bout Here

Slim Harris turned his Permian Basin league leading Giants loose for a 3 to 1 win over the Concho Basin League top notching Sonora Station A team on the home field yesterday afternoon in a practice tilt between the neighbor teams.

D. A. Parker, high school lad who has been working out with the Giants each afternoon and flinging the ball in hurling practice, was started on the mound for the locals and turned in a fair brand of pitching, for a beginner for four innings. He walked only one man in that many frames and allowed but two hits.

A bit of additional entertainment, not specified on the admission ticket, was furnished the crowd, about half Sonora and half Ozona rooters, in a bit of serious argument between "Hog Caller" Meyers, Giant left fielder and catcher, and the Sonora backstop. The Sonora catcher sat down and rubbed his chin. Meyers rubbed his knuckles and peace again reigned. Another highlight of the game was a home run over the long left field fence by Fats Heatherly, Giant fast stepping second sacker.

MRS. LITTLETON IS CONTRACT HOSTESS

Mrs. Lowell Littleton was hostess to her contract club at her home Monday afternoon. Mrs. J. O. Lusby held high score and Mrs. Jake Short, second high. Mrs. Masae West took low and Mrs. Evart White, cut. Other guests were Mrs. Bill Swearingen, Mrs. Chas. E. Davidson, Jr., Mrs. Boyd Clayton, Mrs. Welton Bunger, Mrs. Hillery Phillips, Mrs. Arthur Phillips, Mrs. Sherman Taylor and Mrs. T. A. Kincaid, Jr.

NEW TEXAS ROAD MAP OFFERED FREE

"History and nature have joined in making Texas one of the most interesting sections of the country," is the tribute paid this state in a new 1936 road map now being offered to motorists at some 40,000 Gulf gasoline service stations throughout the land. "A visit to Texas enriches life."

Besides charting the state highways and byways, the new map shows the state's principal cities in detail; describes its scenic attractions and principal points of interest to tourists, and promotes safe and sane driving in an illustrated list of "Do's and Don'ts for Drivers."

THE PUBLIC STOMACH ACHES

San Angelo Standard: When a little boy eats too many green apples, he gets a terribly bad stomach ache. He doesn't get rid of it until he gets rid of the green apples.

Public extravagances are the "green apples" which the public has been swallowing in every corner of Our Country—they are so easy to take.

The people are now feeling the first warning of a coming tax stomach ache.

The only sound remedy will be a stiff dose of the castor oil of taxation to liquidate their obligations. It won't be pleasant, but it will be effective.

Nice tasting palliatives and more green apples will simply bring on harder cramps.

ORIGIN OF "DIXIE"

An interesting account of how the South came to be known as "Dixie" is given on the authority of Fred W. Thompson, a Richmond banker, who says the term was first applied to money issued by a New Orleans bank before the Civil War, principally in \$10 bills.

These bills, because of the large French-speaking population of Louisiana, were printed in French on one side and in English on the other. On the French side the word "dix," meaning ten, was quite prominent, and the Americans got to calling the bills "dixies."

From that Louisiana came to be known as the land of the dixies, or Dixie Land. Then Dan Emmett, a Northern minstrel, got hold of the idea and composed the song "Dixie" for a show performing in New York. The term Dixie soon came to be applied to the entire South.

And there you are—if Mr. Thompson is right.

Say "I saw it in the Stockman."

Houston Smith was a business visitor to San Angelo Monday.

Next to Impossible

Columbia professor says short, thick, rotund persons are of an "easily adjustable nature." Ever try to adjust three of them into the driver's seat?—The Louisville Courier-Journal.

He knocked at the door of my room.

"May I come in? It's the room I had when I went to college in '13," he said.

Naturally I invited him in. "Yes, sir," he said, lost in reverie. "Same old room. Same old windows. Same old furniture. Same old view of the campus. Same old closet."

He opened the door. There stood a girl, terrified, half-clothed.

"This is my sister," I stammered.

"Yes, sir. Same old story."

Say "I saw it in the Stockman."

Textile Industry In Texas Making Gains

AUSTIN, May 6—Total Texas consumption of cotton, as reported by twelve cotton mills of the State, for March, was 3,428 bales, a gain of 8.4 per cent above February and 58 per cent above March, 1935, according to the University of Texas Bureau of Business Research. Consumption during the first quarter of 1936, 9,287 bales, was 41 per cent above the corresponding period last year.

Production of cloth was 7.1 per cent above the previous month, 30.5 per cent above March last year and 29.2 per cent over the first quarter last year. Sales rose 13.5 per cent over February and 70.3 per cent over March last year. Sales for the first quarter of 1936 were 44.5 per cent over the like period last year. Unfilled orders on March 31 were up 3 per cent from the preceding month and 19.7 per cent above the corresponding date a year ago.

To Pay For Administration Pension Set-Up

Federal Allotment Be Added for Administrative Costs

AUSTIN, May 5—A statement issued by the director of the State Assistance Commission today said that a fact that will mean thousands of dollars to State taxpayers and old folks in the Texas State is that the Federal Government will be adding to the Federal Government's share of the cost of administering the Old Age Assistance Law in Texas. The Federal Director Orville S. Carter said.

State Security Board officials said that many of the states receiving Federal aid will be able to pay a large part of their operating expenses out of the federal allotment for administrative expenses, thereby leaving most of the funds to be spent for old age assistance.

After determining the amount to be granted a state for the payment of old age assistance, the Federal Government adds 5 per cent of this amount to the check for administrative expenses in that particular state. Mr. Carpenter explained. "The entire Federal expense allotment may be before any state funds are available for this purpose."

Recent estimates indicate that amount will be sufficient to pay a large part, if not all, of the running expenses of the commission after all the applications have been received and action so that probably the entire administrative cost to the State will be only the initial expense of setting up the Texas commission and receiving and paying applications.

1430 (1349) (878) (743) RECEIVING STOLEN PROPERTY

Whoever shall receive or conceal property which has been stolen by another in such a manner as that the acquisition is within the meaning of the law, knowing the same to be stolen, shall be punished as if he had stolen the property.

Entire World Shows Interest In Centennial

DALLAS, Texas, May 6—Interest in the state of Texas and its Centennial year celebrations is world wide, according to requests for literature and information. Several thousand inquiries are received each week as the result of the extensive advertising campaign carried on by the state organization.

OWNEY AT SAN DIEGO

Most famous animal globe trotter that ever lived was "Owey," pampered pet of all the mail services of the world. In 1889 the straggler went to sleep on a mail sack in the post office at Albany, N. Y., and a clerk there tagged and mailed him to New York, then he was shipped to Europe. Before dying in 1897 the dog had collected 1,017 tags and a medal from the emperor of Japan. Today, mounted, he graces the post office exhibit in the federal building at the California Pacific International exposition in San Diego, Calif.

WINNER AT RAINIER

Hjalmar Hvam of the Cascade Ski Club, Portland, Ore., made it a clean sweep in the Rainier National Park skiing tournament by taking both the down-hill and the slalom events. The two-day meet attracted a great crowd.

Rabies Control Rules Are Given

AUSTIN, May 5—Rabies is increasing in prevalence in many parts of Texas, although it may be controlled and even could be exterminated by intelligent measures, according to records of the State Health Department. Unfortunately it has been the practice to wait to apply control measures until the disease is wide spread.

The dog is the chief source of rabies infection in man, but all warm blooded animals are susceptible. Contrary to a wide spread belief, rabies is not a warm weather disease. It occurs just as frequently in the cold months. The most logical procedure in the control of rabies would be to vaccinate all dogs. Where this is impossible the stray dog should immediately be impounded, for the stray dog is chiefly responsible for the spread of rabies.

Public health authorities are handicapped in their fight against the spread of rabies because rabies in humans occurs only infrequently. However, it must be remembered that rabies is 100 per cent fatal once the disease has developed. Treatment is only preventive and must be taken in time.

Do not kill the dog that is behaving strangely or immediately after it has bitten some one. The animal should be captured and kept under observation for ten days to determine whether it has

rabies or not. The confinement should be ample secure, for a dog in the frenzy of furious rabies requires a much stronger collar and chain or enclosure than a non-rabid dog.

When the rabies virus is put into the body by a biting dog the virus travels slowly from the wound along the nerves until it reaches the brain and spinal cord. Thus if the bite is on the face the virus does not have far to travel to reach the brain. Consequently bites on the face are the most dangerous and immunization must be started at once.

It is possible to control rabies, but, owing to the large territory included in Texas, it will take extra efforts on the part of public health workers and the cooperation of the people of each town and county to carry on an educational program for this control.

THIS WEEK IN TEXAS HISTORY

WEEK OF MAY 3
(By T. S. College for Women)

1824—On May 7 by the second article of a decree of the Constituent Mexican Congress, known as the "Constitutive Act," Coahuila and Texas, not being sufficiently populous to form each a state, were united into one state, known as the state of Coahuila and Texas.

1828—Texas law (May 5) provided that contracts made in foreign countries between emigrants and servants were valid, which included contracts with slaves to work for stipulated wages.

1840—Martin Van Buren was nominated for president at the first democratic convention held in Texas on May 5.

1845—On May 5 Anson Jones, president of the republic, issued a proclamation announcing the proposition of the United States to annex Texas as a state in the Union, and the conditional proposition of Mexico for the admission of the independence of Texas.

Colorful Stamps Advertise Texas

DALLAS, May 5—Thousands of pieces of mail, moving out of Texas, soon will carry gaily colored sticker-stamps to call the attention of friends and business associates of Texans outside of the State to Texas and its Centennial celebrations.

The stamp in sheet and booklet form, are being distributed by the department of publicity for Texas Centennial celebrations, Dallas, as part of its work of advertising the State and the Centennial. They are available to anyone who asks for them and who will agree to use them on mail going to other States.

Mr. Barton having an interest in the business. He sold his interest in that business two years ago and retired. He had announced as a candidate for the office of justice of the peace of Precinct No. 1 of this county and was unopposed for the post.

Mr. Barton was the youngest of a large family of children and was the last surviving of the family. His wife preceded him in death five years ago, dying on Christmas day, 1931. They were married in Hays County. The family moved here in 1902 from Coleman county, where they had resided ten years. Previous to living in Coleman, they made their home in Denton County. Mr. Barton was a life member of the local Masonic lodge.

Surviving are two sons, John Barton of Ozona and Clark Barton of San Antonio, and a large number of nieces and nephews.

Pallbearers at the funeral services were Bascomb Cox, Charles Coates, C. J. Watts, Morris Dudley, W. R. Baggett, Ralph Watson, John Bailey and Mart Findlater of San Angelo.

They seem to think my Legislative experience, forty years residence in the District and thorough knowledge of its resources, agriculture, live stock raising, mining, irrigation, etc., gives me a close up view of every reasonable need of our people.

"I invite the closest examination of my official record while holding your commission as State Senator from 1924 to 1932.

"With a background of eight years Legislative experience and an unparalleled record of attendance extending over seven and one-half years without missing a Senate roll call, I am by training and experience prepared to render the very highest type of service to my District. Moreover, I am unfettered by any alliance or entanglements with special interests or political cliques and while my financial resources are limited, I am independent in every other way and will devote my entire time and attention to the duties of the office at each and every Session of the Legislature."

Southwestern Metals Centennial Exhibit

EL PASO, Texas, May 6—A southwestern metal exhibit for the Texas Centennial is being collected by the College of Mines and Metallurgy here, a branch of The University of Texas, in cooperation with the El Paso Chamber of Commerce, officials of the school have announced.

Every mining company in the southwest has been asked by Dr. H. E. Quinn of the College of Mines, for two ore samples from southwestern mines. One of the ore samples will be sent by the chamber of commerce to the Centennial exposition. The other will be retained by the College of Mines for its own exhibit, now one of the largest in the United States.

Why Gulf is the Gas for May

Birds are nesting. It's Spring . . . and it's the time of year to use Spring gas. The average temperature is several degrees higher than it was in April, and unless you're using a gas specially refined for Spring driving you're throwing dimes and dollars away. Get That Good Gulf Gasoline. Because it's "Kept in Step with the Calendar"—all of it goes to work, none of it goes to waste. Pull up at the Sign of the Orange Disc and try a tankful—today.
