No. 9.

## LOCAL OPTION VOTE SOUGHT BY PETITION

Court Asked To Call Election On Beer And Wine Sale

### OVER 50 SIGNERS

More Than Enough Signatures to Make Vote Mandatory

A petition asking the Commissioners Court of Crockett County to call an election for the purpose of deciding the question of whether or not beer or wines of not more than four percent alcoholic content may be sold in Justice Precinct No. 1, which includes the town of Ozona, was being circulated here yesterday.

The petition bore the names of more than fifty voters, more than the required number to make such an election mandatory, late yesterday afternoon. Other names were being added to make a total of sixty or more, to make certain of coming within the statutory requirement of ten percent of the qualified voters. Since the statute gives the total vote for governor in the subdivision at the last general election as the figure for determining the number of qualified voters, the petition bears five times as many names as would be actually necessary to force an election on the issue.

The petition will be presented to the Commissioners Court when it convenes for the June session next Monday. The court is required to order the election within the precinct, and that body will fix the date for the balloting. The whole of Crockett County is home dry under the new liquor laws, having voted out liquor by local option before prohibition. The new law leaves subdivisions in status quo as regards legality of sale of beer or liquors and this county having been dry, remained so. The result of the coming local option election will settle the question one way or another for at least twelve months, which is the limit on the time for a second election on the same question, fixed by the statute.

Rev. and Mrs. Nat Read of Phoenix, Arizona, parents of Madden Read, Crockett County rancher, and Mrs. Frank Churchill of Smithville, a sister of the Ozonan, are expected here this week to spend a few days visiting at the Madden Read home.

Mr. and Mrs. H. A. Moore and baby have returned from an extended visit with friends and relatives in South Texas.

## Judge Davidson Improved; Start Trip Home Soon

Crockett Judge Apparently Recovered From Attack

Judge Charles E. Davidson, who suffered a slight paralytic stroke enroute to Iowa for a visit with his son-in-law and daughter, Mr. and Mrs. Bill Grimmer, recently, is able to be up and about on the Davidson Farm near Winfield, Iowa, and is expected to be able to start for home early next week.

This was the encouraging news received by members of the family here yesterday by long distance telephone. Judge Davidson walked about the farm watching operations yesterday, the children here were advised, and is apparently almost entirely recovered from the effects of his illness. Judge and Mrs. Davidson and Mr. and Mrs. Frank McMullan, who are with them, will return by auto, making the trip in easy stages, they said.

## Fire Destroys \$80 Cargo Of Santone Truck

Whiskey And Produce Consumed In Blaze Tuesday

Approximately \$80 worth of merchandise was destroyed and damage estimated at around \$25 to the truck bed resulted from a fire which broke out in the cargo of a Ponton Truck Line freight truck enroute from San Antonio to Ozona Tuesday.

The cargo, consisting of between \$35 and \$40 worth of produce and a C.O.D. shipment of whiskey, valued at \$42, destined for Sonora but refused, was destroyed. A shipment of steel consigned to O. W. Smith of Ozona was undamaged.

The origin of the fire was not known. A motorist, overtaking the freight truck about twenty miles from Ozona on the Sonora road, informed the driver of the fire. Branches from trees were used by the driver and his helper in extinguishing the blaze. The whiskey, in pint and half pint bottles, was all destroyed, the necks of the bottles breaking from the heat and the alcohol adding to the fire. The volatile cargo was finally shoved from the truck bed and the juice from a crate of tomatoes, oozing from the heat, was used in subduing the blaze in the truck bed.

The tarpaulin cover on the truck and some of the side boards were burned, but the truck was not otherwise damaged.

As a result of the fire, local grocery stores had to put in hurry calls to San Angelo for their supply of fresh fruits and vegetables.

## Visitors Assured Barbecue Aplenty At Ozona's Rodeo

Citizens Contributing Liberally To Put On "Bean Pot"

Visitors to Crockett County's Centennial Year celebration, the annual Rodeo, Race Meet, Stock Show and Sale, July 2, 3 and 4, are assured of a bountiful feed each day at noon when the citizenship of Crockett County act as hosts at a free barbecue each day of the show.

Funds, with which the three-day feed is to be provided, are now being gathered by Early Baggett and George Harrell. Aside from the fact that business men, ranchers and the people of Crockett County in general are enthusiastic over prospects for this year's show and are "kicking in" liberally to the barbecue fund, these two "cracker jack" solicitors are bound to bring in the shekels aplenty for a bountiful feed.

Two additional barbecue houses, the famous R. J. Cooke patented method, have been installed in the group maintained by the Fair Association, and that tender, luscious Cooke barbecue will be plentiful for Ozona visitors during the celebration.

The barbecue fund had already reached a considerable sum yesterday after the two solicitors had been on the job but a few hours. The donation list was headed by a contribution of \$250 made by the fair association.

### INTRODUCING—

Wanda Carden is the new daughter of Mr. and Mrs. Henry Carden of Belton, born Thursday morning, May 28, in a Belton sanitarium. Mrs. Carden is a daughter of Mr. and Mrs. Ralph Watson of Ozona.

Mrs. H. B. Tandy is entertaining a case of mumps at her home here this week.

## MEYERS AGAIN DELIVERS FOR VICTORY BLOW

Giant Left Fielder Snatches Saturday Game from Coals

### IRAAN DOWNED 2

Locals Win Easily In Sunday Tilt; Texon Takes a Pair

The Standing

	W.	L.	Pct.
Ozona	11	2	.846
Texon	9	4	.692
Crane	8	6	.571
Wink	5	7	.417
Iraan	4	8	.333
McCahey	2	12	.143

Schedule This Week  
Saturday and Sunday:  
Texon at Iraan.  
Ozona at Wink.  
Crane at McCahey.

Trailing two scores and in a batting slump, Slim Harris' league leading Giants seemed destined for a tumble to the lowly Iraan crew Saturday in the opener of the two-game series between the two teams here, but "Hog Caller" Meyers, Giant left fielder delivered the money blow in the last half of the ninth that tied the score and eventually won the game for the Giants in the tenth inning, 4 to 3. The Giants pounced on the invaders 9 to 3 in Sunday's fracas to sweep the series and their position at the head of the six-team league.

Up to that thrill-filled ninth, the Giants had found Maytubby for but four hits. Meyers had scored in the fifth on a double and Sanders' error on Buchanan's grounder. Three errors and eight hits gathered in by the invaders off Buchanan's offerings had netted the visitors three runs.

In that ninth, Dorley was out on a grounder to Maytubby. Stuart singled and scored when

(Continued On Last Page)

## Giant Hurler To Be Out Of Game From Hand Injury

The league-leading Ozona Giants will be without the services of Woods Thornberry, right-hand hurler, who has been effective in relief duty so far this season, for the next week or so as a result of a hand injury suffered in batting practice here Tuesday afternoon.

Thornberry suffered a badly sprained right hand when he stopped a line drive off the bat of a teammate while throwing in batting practice. The hurler threw up his right hand just in time to stop the ball in front of his face. No bones were broken but the member was severely sprained and bruised.

## Former Operator Of Theatre Here Dies In Angelo Hospital

Laurance Scott, 28, until recently operator of the Palace Theatre here, died in a San Angelo hospital Saturday night following an illness lasting three weeks. Funeral services were held Sunday afternoon in San Angelo.

Mr. Scott operated the Palace theatre here about five months, his sister, Miss Winnie Scott, being associated with him in the operation of the theatre. They sold the business recently to J. R. Kersey, who operates both the Palace and Ozona Theatres.

Surviving are the widow and a four-year-old daughter, the parents, Mr. and Mrs. C. W. Scott, two sisters, Miss Winnie Scott and Mrs. Agnes Short, and two brothers, Elwood and Wallace Scott, all of Iraan. The Scott family has operated a theatre in Iraan for several years. Joe Haddon of Ozona was among the pallbearers at the funeral.

## Californian Is Seriously Hurt In Car Accident

L. C. Fisher Of Pasadena Suffers Broken Back, Wife Bruised

L. C. Fisher of Pasadena, Calif., suffered a severe fracture of a vertebra, bruises about the face and head, and Mrs. Fisher a scalp wound and various bruises early Tuesday morning when the automobile in which they were riding crashed into a concrete culvert on the highway about twenty miles west of Ozona.

Mr. Fisher, who was driving the car, said here that he was attempting to pass a truck when the driver of the truck swerved to the left, crowding him from the road and into the culvert. The car was almost completely demolished.

Mr. and Mrs. Fisher, both of whom were knocked unconscious for a few minutes as a result of the crash, were brought to Ozona by two El Paso young men, who were bound to Austin to enter the University of Texas. An X-Ray examination here revealed the fractured vertebra. The injured man was taken in the Joe Oberkamp ambulance Tuesday afternoon to Del Rio where the couple planned to board a train to return to their home in California.

Mr. Fisher is a highway engineer for Los Angeles County. He and Mrs. Fisher were on a vacation trip to Texas to attend the Centennial.

## 6,000 Head Of Ewe Lambs Contracted Here For 8 Cents

Sale of 6,000 head of ewe lambs by West Brothers and Carson of Crockett County at 8 cents a head was reported here early this week. The lambs were contracted for September 1 delivery to the Smart Sheep Co. of California. The lambs are expected to crowd 70 or 75 pounds by delivery time and thus will bring nearly \$5 a head.

West brothers and Carson also sold 5,500 head of mutton lambs from their Crockett County ranches to L. L. Farr of the Bar S ranch at 5.25 a head.

Ben Ingham and Monroe Baggett delivered two cars of muttons and wethers to Dee Finley at Barnhart early in the week. The mutton weighed 85 pounds and the wethers about 100, the former at 6 cents a pound and the latter at \$4 a head.

Judge Montgomery, Crockett County rancher, is reported to have contracted 6,500 head of mixed lambs to a Del Rio buyer at \$5.30 a head.

Buyers have been in the county recently offering 7 and 7 1/2 cents for muttons, fall delivery, but none was reported sold at the price. Splendid range conditions in the area and rising lamb and wool markets puts the ranchmen of this county back in the win column again in a big way.

## Meeting Of S. M. U. Board Of Trustees

Rev. and Mrs. R. A. Taylor left Sunday afternoon for Dallas where Rev. Taylor attended a meeting of the Board of Trustees of Southern Methodist University, and commencement exercises of the institution Tuesday evening. This week's meeting of the S. M. U. Board closes the Ozona pastor's fourth year as a member of the university's governing body.

Beginning June 15 and continuing until the 26th, Rev. Taylor will again be in Dallas, teaching in the Pastors' School to be held at S. M. U. during that period.

Mr. and Mrs. N. E. Rendall, who have been visiting relatives in the Valley returned to their home here yesterday. They were accompanied by their two sons, Norman and Gordon, who will remain in the lower Valley section for a further visit.

## BRUCE M. GALYON DIES RESULT OF INJURIES SUFFERED WHEN STRUCK BY TRUCK ON HIGHWAY

INDICTED MAYOR

Mayor George J. Zimmerman of Buffalo, N. Y., who has been indicted in three counts charging violation of a state law prohibiting a candidate for public office from making pre-election promises of jobs in return for support. He was elected Democratic mayor in 1933.

## Catalogues For 1936 Rodeo Now Available Here

Ozonans Urged to Mail Booklets To Friends In Behalf Fair

Copies of the 1936 catalogue and premium list of the Crockett County Rodeo, Race Meet, Stock Show and Sale to be held in Ozona July 2, 3 and 4, are now available at The Stockman office.

The booklets, containing the complete program of the three-day entertainment, rules and regulations of the livestock show and sale, entry blanks, pictures of persons and scenes connected with the Centennial Year show, and advertising of firms and individuals sponsoring publication of the souvenir advertising piece, were completed the first of this week and already several hundred have been mailed by Ozona folk to friends all over the state and out of state.

Envelopes in which the booklets may be mailed may be had with the books, all free of charge. The books may be mailed singly for 3 cents postage if unsealed, first class postage costing considerably more.

Miss Helen Montgomery, student at the Texas State College for Women (CIA) at Denton, returned the first of the week to spend the summer with her parents, Mr. and Mrs. George Montgomery.

## Ozonan Pays Top Price For Ram In California Sale

J. W. Owens Gets Bullard Ram In \$300 Purchase

J. W. Owens of Ozona, registered Rambouillet sheep breeder, paid the top price in the Rambouillet division at the Sacramento, California, ram sale the past week. Mr. Owens topped the price range of the show with \$300 paid to Frank Bullard of Woodland, Calif. for a Rambouillet ram.

Mr. Owens, who operates a 45-section ranch west of Ozona on which he raises some of the finest types of sheep found in the southwest, left the ranch in charge of his two sons, Claude and Jeff Owens, who are associated with him in the business. He and Mrs. Owens are enjoying a tour of the west coast before returning home. They are expected home this week, however.

## Funeral Services To Be Held At 4 Today At Baptist Church

### 4 MEN ARE HELD

Driver Of Truck Faces Two Charges, Companions Charged

Funeral services will be held at 4 o'clock this afternoon from the Baptist Church for Bruce M. Galyon, 39, cafe operator here, who died in a San Angelo hospital at 12:30 o'clock Wednesday morning as a result of injuries suffered Monday night when struck by a truck on the Ozona-Sonora road about twelve miles from Ozona.

Four men, who, with one woman, occupied the truck which struck the cafe operator here, are being held in the Crockett County jail pending the furnishing of bonds fixed on a joint charge of failing to stop and render aid after an accident, and a second charge of negligent homicide filed against the driver of the truck following Mr. Galyon's death yesterday morning.

Bond in the sum of \$2,000 on the negligent homicide charge and \$1,000 on the charge of failing to stop and render aid was fixed by Justice of the Peace W. M. Johnigan on a complaint filed by Sheriff W. S. Willis against L. C. Marshall, driver of the truck, an employe of the Texas Pipe Line Co. J. E. Ray, M. M. Sparks and A. F. Martin, the other three men occupants of the truck, were placed under \$100 bonds each on the complaint charging failure to stop and render aid. None of the men had furnished bond yesterday. The charge of failing to stop and render aid carries a maximum penalty of 5 years in the penitentiary, while that of negligent homicide is punishable by a year in jail or \$1000 fine as a maximum.

Marshall is married and the father of five children. His home is in Electra.

### Were Changing Tire

The accident occurred about 10:30 Monday night while Mr. Galyon and a party of friends were stopped on the highway changing a tire. Mr. Galyon, with Mrs. Galyon, Mr. and Mrs. Frank Wyatt and Lee Scallorn were driving east on the road when they passed a parked car and recognized Mrs. Ben Butler. They turned back and parked their car in front of Mrs. Butler's facing toward Ozona. Mrs. Butler's facing toward Sonora, and both on the right hand side of the road to traffic headed east.

Mr. Galyon, Mr. Scallorn, Mr. Wyatt and Mrs. Butler were on the south side of the parked car, toward the barrow pit. Mrs. Galyon and Mrs. Wyatt remaining in the Galyon car.

The truck, approaching from the west, held to the highway until near the parked cars and then swerved to the right, off the shoulder of the highway, striking Mr. Galyon, who was standing a few feet off the highway and to the south of the parked cars, members of the party said. Mr. Galyon's body was thrown against the radiator of the truck and hung momentarily on the bumper and then dropped to the ground, the truck passing over it, with the wheels clearing it on either side, according to the witnesses. Members of the party accompanying Mr. Galyon called loudly to the occupants of the truck to stop, they reported to officers, but the machine, swerving back to the highway, proceeded on its way.

### Butler Stops Truck

The truck was stopped at Sewell's Station, 15 miles out, by Ben Butler, who had been advised of

THURSDAY, JUNE 4, 1936.

ONCE A YEAR NOT ENOUGH

The one hundredth anniversary of Texas' birth should be a special incentive to Texas cities this of all years to put on their best appearance.

Among the state's headline attractions will be Ozona's annual Rodeo, Race Meet, Stock Show and Sale to be staged July 2, 3 and 4.

A casual look around of the business section and some parts of the residential section of Ozona will give one an idea of just what an impression on visitors these areas would make in their present state.

Aside from the consideration of appearance and the impression of visitors, each of the unsightly conditions mentioned are at the same time health menaces.

Rank weed growth furnishes another health menace in that it provides shelter for mosquitoes.

Ozona's annual clean-up campaign usually results in a thorough clean-up job. But once a year is not enough.

Pioneer Sheffield Rancher Succumbs

Funeral services for Jeff M. Smith, 57, long time resident of the Sheffield area, who died in a San Angelo hospital Saturday following an illness of several weeks, were held from the Sheffield Baptist Church Sunday afternoon.

Surviving Mr. Smith are his widow, four sons, the mother, seven brothers and one sister. Mr. Smith had been engaged in ranching in the Sheffield area for many years and was well known through out this section.

Mrs. Alice Baker returned last week from Temple where she underwent an operation recently.

Rulers of the Cotton Carnival

John Steel Williams, prominent cotton factor, and Mary Ann Poston, debutante as King and queen of the Memphis Cotton carnival which attracted about 100,000 visitors to the Tennessee city.

Helping Celebrate a Harbor Opening

When the Newport bay and harbor on the coast of Orange county, Calif., were officially opened the other day, these pretty and plucky girls took part in the water sports.

A USEFUL LIFE

Kerrville Mountain Sun: This is the story of a prudent man as told by a Kansas newspaper: He brushed his teeth twice a day, wore rubbers in wet weather, did his daily dozen, slept with windows open, was careful with his diet, had a medical examination twice a year, never smoked, drank beer indulged in any kind of excesses.

State Press in Dallas News: Too bad. A pathetic tragedy. But it should be remembered that the prudent man lived happily before he encountered the train at the crossing.

There are those who contend, and seemingly prove, that mere goodness, kindness of heart, generosity of disposition do not qualify a man for heaven. He must be certified by those authorized to issue certificates. We reckon that's true, and we hope the Kansas misfortunate had his certificate.

Say "I saw it in the Stockman."

LO, THE POOR CANDIDATE

Oklahoma City, Oklahoman: In a way they ask for it by announcing their candidacy for office, but even so, they deserve some pity, these candidates who are counted fair game for every political racketeer and panhandler in the commonwealth.

Let the candidate yield to every pre-election solicitation and he will have given away many times his salary ere he receives his certificate of election. Let him refuse to be coerced into all subscriptions and his electoral chances are sadly compromised.

Nor is this raiding of the candidate by campaign freebooters a matter that involves nothing but the personal fortunes of an individual who happens to be seeking a public office. It involves the public interest in such a way as to bring the practice within the purview of any thorough going corrupt practices act.

Perhaps Oregon is cursed with the perpetual crawling of the leeches just as Oklahoma is cursed. But Oregon has at least sought to terminate the vicious practice. Oregon has enacted a law that penalizes every individual, club, camorra, society, racket or what-not that even asks a candidate for office for any kind of a donation.

pose of terminating government by bribery and making it possible for a man who is both poor and honest to aspire to public office. Such a law is worthy of the consideration of our Oklahoma lawmakers.

MRS. JONES NAMED TO SPEECH ARTS DEPARTMENT

Mrs. A. W. Jones is to be in charge of the Speech Arts Department in the Ozona Schools for the next year.

Mrs. Jones is leaving on the thirteenth of this month to attend a summer instruction course in dramatic art at Corpus Christi.

MRS. JAKE SHORT IS BRIDGE HOSTESS

Mrs. Jake Short entertained at her ranch home Tuesday afternoon for the Sunflower Bridge Club.

High score went to Mrs. Evart White and out to Miss Hester Bunger. The house was decorated with spring flowers of many colors. Guests were Mrs. J. O. Lushy, Mrs. Sherman Taylor, Mrs. Evart White, Miss Hester Bunger, Mrs. W. E. Friend, Jr., Mrs. Arthur Phillips and Mrs. Scott Peters.

MISS ETHEL CHILDRESS ENTERTAINS LAS AMIGAS

Miss Ethel Childress was hostess with six tables of bridge at her home on Wednesday afternoon when she entertained the Las Amigas club and guests. White flowers were used as house decorations.

High club score went to Mrs. R. L. Flowers and high guest score to Mrs. Jim Miller.

A salad course was served to Mrs. Ele Hagelstein, Mrs. Gertrude Perry, Miss Mildred North, Mrs. R. L. Flowers, Mrs. Bill Allison, Mrs. Clifton Brooks, Mrs. Jim Miller, Mrs. Sid Millsbaugh, Jr., Mrs. Claude Hudspeth, Jr., Mrs. Hugh Childress, Jr., Mrs. Marshall Montgomery, Mrs. Alvin Harrell, Miss Louise Henderson, Miss Carolyn Montgomery, Mrs. Evart White, Mrs. Arthur Phillips, Mrs. J. O. Lushy, Mrs. Beeler Brown, Mrs. Bob Weaver, Mrs. Sherman Taylor, Mrs. Jake Short, Mrs. Scott Peters, Miss Wayne Augustine, Mrs. Doug Kirby and the hostess.

Mrs. Clifton Brooks will entertain the club Friday of this week at the Hotel Ozona.

MRS. GARRISON HOSTESS TO G. A.

Meeting at the home of Mrs. I. V. Garrison on Monday afternoon, the G. A. of the Baptist church studied, "Workmen from Other Lands."

Adele Keeton read the scripture and Rozelle Pharr, Donita Stahl and Mrs. Garrison discussed workmen in missionary fields. A prayer closed the meeting and those participating in the social hour were Zella Lee Thurman, Donita Stahl, Vera McCaleb, Rozelle Pharr, Mary Margaret Gordon, Mary E. Gray and Adele Keeton.

Miss Joyce Garrison is visiting this week in Bangs, Texas, as a guest of Miss Eugenia Palmer.

I. V. and Dorothy Nell Garrison are visiting their grandparents at Medina this week.

Miss Margaret Owens of Ozona was complimented with a slumber party at the home of her hostess, Miss Lurlene Bell, in Rankin the past week.

Miss Esther Kate Pierce, daughter of Mr. and Mrs. Joe Pierce of Ozona, returned early this week from Gulf Port, Miss., where she has been a student the past year in Gulf Park College.

Say "I saw it in the Stockman."

banished from Russia and the aim of Communism is to spread its dreaded disease over the rest of the world. On Christmas day 1934, when there were thousands of empty benches in the churches of this land, a communistic organization composed of young folks held a rousing anti-religious demonstration in New York City. The purpose of that gathering was to shut out the light of the Bethlehem Star and destroy the faith taught us at a mother's knee.

Mrs. V. I. Pierce and son, Miles, returned from Mineral Wells, where they have been for several weeks. They left for Dallas where they will attend graduation exercises at S.M.U., and to meet Miss Vickie Pierce, who is returning from Ward-Belmont at Nashville, Tenn., for the summer vacation months. Mr. Pierce remained in Mineral Wells for a few days longer.

Roanoke (Va.) Times: A news dispatch says that two babies which fell out of a second-story window in Miami were uninjured. This confirms an impression that there are some tough babies in Miami.

### The LIVESTOCK SITUATION by J. A. McNAUGHTON

LOS ANGELES, Calif., June 2—It is gratifying to look back over the past year and see the advancement made by the livestock industry. Appeals by those vitally interested in better livestock and more purebreds, have not gone unheeded, as evidenced by a definite improvement in meat and meat products as well as breeding stock.

Improvement of livestock involves time and expense. Often it is impracticable to raise large numbers experimentally. However, the same fundamental principles apply to both plants and animals and it has been definitely established that genetic factors involving disease resistance, performance, ability to reproduce, growth and size can be obtained through sensible methods of breeding selection. Success in this field rests on two major factors—introduction of proper founda-

tion stock, and right breeding methods. Where there is failure to systematize the breeding, resulting conditions will all contribute toward a smaller profit for the producer.

Much research has been done in regard to the relationship of outside conformation and the size of internal organs. Much variation has been found in size of these internal organs between animals of similar conformation. Close study and practice informs one as to the means of obtaining maximum production economically.

It is needless to mention the work done in an effort to check contagious diseases. We are all aware of the dangers of tuberculosis, Bang's disease, cholera, and innumerable other diseases. Extensive work is being done by the United States Department of Agriculture in checking disease in all classes of livestock. In the case of the much dreaded foot-and-mouth disease, quarantine measures have saved the country \$100,000,000 annually. This speaks for itself.

Since the major objective in production of hogs, sheep and beef cattle is meat, the real test of the advancement of the livestock industry is the improvement of the quality of this product. Investigations have been conducted to determine the factors influencing the quality and palatability of meat, for these in turn determine the rate of consumption. As an example, with fattened hogs, as the final feed-lot weight and finish increases to between 145 and 225 pounds, the cooked meat showed a gradual though small improvement in tenderness, in flavor of lean and in the quality of the juice. When hogs are carried to heavier weights and greater finish there is a decline in these characteristics and no further improvement.

The general livestock situation is fundamentally sound. Farmers have reduced their hog production, and the purchase of drouth beef cattle by the Government

helped to adjust cattle production. The object of these adjustments makes for stabilizing production, distribution and consumption.

There is an idea that cultivated land should be turned back to pasture grass and forage in order to increase the production of livestock and livestock products. With seventy per cent of our total crop land devoted exclusively to livestock feeds, such a move would tend to materially reduce livestock numbers. Nevertheless, since the value of good pasture has many times been proven, it is advisable to enter upon a constructive program of pasture improvement. The economic soundness of such a move is evident.

### THIS WEEK IN TEXAS HISTORY

WEEK OF MAY 31 (By T. S. College for Women)

1890—The mission San Francisco de Tejas was founded June 1 by Father Massenet a short distance from the Neches River, near the present town of Crockett.

1825—On June 4 Stephen F. Austin signed a contract to bring 500 families into Texas. The settlement was completed six years later.

1839—On June 2 Edwin Waller was appointed by President Mirabeau Lamar as agent to lay off the city of Austin to conduct sales of lots, and to erect public buildings.

1845—On the call of Anson Jones, extraordinary session of the Texas Congress met June 6 at Washington, Texas to consider the question of annexation.

1890—Denunciation of the methods of the railroads began and much was said about the need of government regulation.

Mr. and Mrs. J. W. North and Miss Hester Bunker returned last Thursday from San Antonio where Miss Bunker underwent a tonsilectomy in a San Antonio clinic.

### METHODIST CHURCH NOTICE

The quarterly conference of the Methodist Church will meet at the church Saturday evening with the Rev. L. U. Spellman presiding. The meeting will convene at eight o'clock.

Sunday is church-school day and the morning sermon will have the subject "The Christian Doctrine of Christian Education." The Lord's Supper will be administered.

On Sunday night, with church services beginning at eight o'clock, the subject will be "Finding God in Unexpected Places."

Most people can't see what's right under their noses, it has often been said. If they could, a lot of mustaches would be shaved off.

Norfolk Ledger-Dispatch: When the flood came Noah was ready. But then, he didn't have to get an appropriation bill through Congress.

### Why Gulf makes a new Gas for June

JUNE—MONTH OF BRIDES... and the month when summer officially starts. Gulf is on the job with a new summer gas—because unless your gasoline is "Kept in Step with the Calendar" it can't give you the best mileage... part of it blows out of your exhaust unburned, wasted. Every gallon of That Good Gulf you buy in June is specially refined for summer driving—so that all of it goes to work, none of it goes to waste. Try a tankful!

"Kept in Step with the Calendar" THAT GOOD GULF GASOLINE

**SAVE \$50 to \$75** by buying a **Guaranteed OK USED CAR** from **YOUR CHEVROLET DEALER**

### Gen. Pershing Visits His Old Home Town

To the older residents of Laclede, Mo., Gen. John J. Pershing is still "Jack," and they greeted him warmly when he recently made what he called his last visit to his home town.

### Texas Livestock Shipments Show Hike For April

#### Strong Movement, Favorable Prices Reflect Grower Prosperity

AUSTIN, June 3.—Livestock shipments in Texas increased substantially during April in comparison with both the preceding month and the corresponding month last year, the University of Texas Bureau of Business Research livestock report showed. Shipments totaled 9,951 cars against 7,174 cars during April last year, an increase of 26 per cent, the report said. Of the different classes of livestock, cattle shipments showed the greatest absolute gain. Forwardings of this class of animals were 7,134 cars compared with 5,739 during April last year, an increase of 24 per cent. Shipments of calves, 579 against 121 cars, showed a decrease of 29 per cent. But shipments of hogs, 768 compared with 347 cars, and sheep, 379 compared with 267 cars, showed increases of 121 per cent and 53 per cent respectively over April last year. Forwardings of Texas livestock during the month of April

always reflects an interesting seasonal movement—the shipment of Texas livestock to the Flint Hills of Kansas and the Osage Country did not much exceed the 1,189 cars shipped to this region in April a year ago. Forwardings of sheep to the Kansas Flint Hills were more than double those of last year while considerably fewer sheep were shipped to the Oklahoma pastures. This situation obviously reflects superior pasturage conditions in Kansas in comparison with Oklahoma this season, presumably the result of drought in the latter state.

**Fort Worth Market Strong**  
"Fort Worth maintained its strong position as a market for Texas livestock during the month. Some of the other large markets, however, showed some significant changes. For example, more than three times as many hogs were shipped to the Los Angeles market as were forwarded to this market in April last year. Chicago received more than 10,000 Texas sheep, East St. Louis nearly 7,000, St. Joseph 5,000 and the state of Iowa 4,000 against practically none last year.

"Regions of the State showing the most marked increases of livestock movements were: Cattle, from the northwest plains, the Trans Pecos Country, the Edwards plateau and South Texas; hogs, from the south high plains,

and East Texas; sheep, from the Edwards plateau and North Texas. "The large shipments of Texas livestock during the month, together with the maintenance of a favorable price level indicates the continuation of the growing income of the livestock raisers of the state."

### Typhoid Control Community Duty

AUSTIN, June 3.—"It is a well known fact that typhoid fever may result from the use of water, milk, or other food contaminated by bodily discharges of patients or carriers who harbor typhoid germs," stated Dr. John W. Brown, State Health Officer.

"The fact that we know the source of infection and the means by which infection may be controlled, emphasizes the importance to all communities of providing water and milk of the highest quality.

"Texas is being host to many visitors this year, and all communities should put forth every effort to see that no epidemic occurs which will put an unnecessary blot on the health record of this state.

"Typhoid fever may be controlled by the use of pure water, pasteurized milk and clean foods, by the proper disposal of sewage, by screening homes against flies, by protecting food from contamination by flies, by destruction of the fly and its breeding places, by search for and care of carriers, and by anti-typhoid vaccination.

"Excreta from persons ill with typhoid should be carefully disinfected to prevent the germs from polluting the soil and thus being carried into streams or wells and contaminating the water supply. Where there is an efficient system of water purification, typhoid fever has greatly decreased.

"It is the responsibility of each community to establish adequate safeguards against the consumption of contaminated products at all times and in all places.

"It is the responsibility of each individual to further control the occurrence of typhoid fever by establishing immunity for himself by vaccination."

#### Sawn of a Gun

I cranks da car,  
Bawt she won't run;  
Thessa automobile  
She's a sawn of a gun,  
Shesa stop da middle  
Of da stret upa town,  
I look in da carburator,  
But shea no drows;  
I pusha da clutch,  
Shaka da wheel,  
Knocks da brake,  
Da horn I feel;  
I look in da tank—  
What I see—yas!  
Sawn of a gun!  
Shesa outa da gas!

Causes our jaws to swell,  
And why they hurt likell.  
Please, Lord, cut down the swell,  
So we can slumber!

"Ohio garage man discovers new comet." It must have been immediately after presenting his bill to a high-strung patron.—Bay City Times.

### 'Old Rip' Puts Texas Horned Frogs Among Centennial Oddities

DALLAS, June 3.—The horned toad's first claim came half a decade ago when one was found alive in the cornerstone of the Eastland county courthouse, alive and well after being buried forty years in a cement block. "Old Rip" was nationally prominent for weeks.

His second national notice will come at the Texas Centennial Exposition which opens here on June 6 and continues through November. Horned toads of every size, variety and description will be included in a large exhibit. Besides that, the exposition has sent out thousands of the toads to editors, mayors and other dignitaries all over this country, Alaska, Hawaii, the Philippines and Cuba.

For years these little "varmits" have scurried over the rocks and sands of South and West Texas. Regular inhabitants took them for granted. Visitors glanced at them curiously. And that was about all. The horned toad was the forgotten fellow.

That's all over. He will be staged at and examined by millions of visitors to the Dallas exposition. And those visitors will be told that despite his broad head

and body, his thick horned skin, the toad is quite harmless. He eats flies and he will clean out an ant hill in short order. Plant lice are a favorite part of his diet. He needs a little water—let it drip in a sink—and he's a harmless member of the lizard family. And he positively won't give warts to small boys.

Detroit News: A Missouri chemist lists 52 products that come from corn-cobs. Many of these, of course, are easily removed with a pipe-cleaner.

Italians executed Haile Selassie's former umbrella bearer, possibly on the theory that that former monarch had too much overhead anyhow.—Wichita Eagle.

### HOW MUCH IS A BILLION?

Some one has pertinently asked that the human mind cannot intelligently comprehend how much is a billion dollars. It is highly interesting in trying to fathom such a stupendous figure by recalling that if one saves \$5,000 a year he would require 200,000 years to save a billion dollars.

Only in the year of 1914 has there elapsed a billion minutes since Christ was born, Kerrill Mountain Sun.

### WHEN LIFE HANGS BY A THREAD—

**GUM-DIPPED CORDS PROTECT THEIR LIVES AND YOURS**

**WORLD FAMOUS DRIVERS KNOW ONLY ONE TIRE IS Safe!**

## Firestone

**GUM-DIPPED TIRES**

### WIN INDIANAPOLIS 500 MILE RACE

LOUIS MEYER won the Indianapolis 500-mile race, at an average speed of 109.96 miles an hour, breaking all track records, without tire trouble of any kind.

No tires except Firestone Gum-Dipped Tires could have resisted the terrific heat generated at such high sustained speeds on the hot brick track, lap after lap, hour after hour. You can have no greater proof of **blowout protection**.

Not one of the thirty-three drivers would risk his life on any other tire, for each driver knows that heat is the chief cause of tire failure and blowouts. Firestone cords are soaked in liquid rubber, which saturates and coats every cotton fiber, preventing friction and heat and adding great strength. This is the Firestone patented process of Gum-Dipping, that gives you greatest **blowout protection and safety**.

Profit by the experience of race drivers. Equip your car today with Firestone Gum-Dipped Tires—it costs so little to protect lives worth so much.

### THE New Firestone STANDARD

Designed and constructed by Firestone skilled tire engineers—a first quality tire built of all first grade materials, embodying the many exclusive Firestone patented construction features. Its exceptional quality and service at these low prices are made possible by large volume production in the world's most efficient tire factories. Made in all sizes for passenger cars, trucks and buses. Let us show you this new Firestone tire today.

Ozona Boy Wins Place On Stock Judging team

W. R. Baggett, Jr., son of Mr. and Mrs. W. R. Baggett of Ozona, was among the group of students of the Texas A. & M. College to be awarded honors and prizes in various phases of competition on the campus recently.

THE SIX AMENDMENTS (Abilene Reporter News)

Six constitutional amendments, some of which are calculated to kick up considerable interest, will confront the Texas voters this fall.

The salary amendment takes in a good deal of territory, since it covers a number of changes instead of the single one with which the voters are familiar from past experience—the salary of the governor.

Taxing Of Natural Resources Platform Fischer Candidacy

TYLER, Texas, June 2—F. W. Fischer of Tyler who is running for governor of Texas on the platform of paying old age pensions in full, is spreading his philosophy of taxing natural resources from one end of the state to the other.

"A new source of revenue means a new deal for Texas," he says. He thinks prosperity can be returned through taking the tax off of land and putting it on oil, gas, sulphur, etc.

Fischer, an oil attorney who gained fame as a constitutional lawyer in the legal squabbles over the East Texas oil field, dealt the first death blow to NIRA when the United States Supreme Court upheld his contention against Section 9 (c) of the oil provision of the NIRA.

FIFTH BIRTHDAY IS OCCASION FOR PARTY

Honoring her daughter, Mary Kathryn, on her fifth birthday, Mrs. Richard Flowers, assisted by Mrs. Will Baggett, entertained with a party at her home Saturday.

The color scheme was green and white and birthday cake and ice cream was served to John Fussell, Sammie and Chris Doty Pepper, Kerry Tandy, John L. Keith, Margaret Ella Williams, Preston Williams, Jr., Morgan Scott Whitehead, Corrine Phillips, Patsy and Billy Jo McDonald, Sandra Augustine, Joe Bean, Freida Surguy, Bernard and Rosalee Lemmons, Muggins Davidson, Charlie Davidson, Bobby Taylor, Barbara and Judith White, Mrs. Mary Flowers, Mrs. Ross Culpepper, Mrs. Walter Augustine and the hostess.

Miss Elizabeth Fussell left Tuesday morning for Canyon, where she will enroll in summer school session of North Texas State Teachers College. She was accompanied by her nephew, Charles Williams, who will visit an uncle, Joe Williams, at Miami, Texas, and Charles McDonald, who will visit his grandparents in Hereford, Texas.

Miss Blanche Robison, daughter of Mr. and Mrs. P. T. Robison, left Tuesday for Abilene, where she will attend the summer session of Abilene Christian College.

"Hell, yes," said the devil as he answered the phone.

# Miss Helen Chapman Becomes Bride Of Sabinal Man In Pretty Home Wedding

### Ceremony Performed Wednesday At Oberkampf Home

Miss Helen Chapman and Bill Paul Foster of Sabinal were married Wednesday morning at nine o'clock at the home of Mr. and Mrs. Joe Oberkampf in a quiet ceremony of great beauty. The Rev. James Camp read the single ring ceremony in the presence of about twenty-five relatives and close friends of the couple.

The bride and groom were unattended in their march to the improvised altar before the fire place, the mantle of which was covered by pink sweet peas and roses, reflected by a large mirror. The fire place was hidden by ferns and flanked by baskets of pink and white roses.

Gladolias in blue vases stood at each side of the archway to the dining room. The dining table was covered with a cloth of Brazilian lace. The two tiered wedding cake was decorated with a miniature bride and groom and surrounded with sweetheart roses.

After the bride had cut the cake, her sister, Miss Catherine Chapman, served it. Mrs. Jimmie Blaylock served coffee from a tea table also spread with Brazilian lace.

The bride wore a tailored suit of navy blue with white accessories and a corsage, the gift of the groom, of miniature white asters.

Mr. and Mrs. Foster left after the ceremony for Dallas where they will stay for the Centennial opening before going to San Antonio where they will make their home at 222 Park Lane, Olmos Park, during the summer. In the fall they will go to Sabinal where Mr. Foster is principal of schools.

The bride and groom are both graduates of Sul Ross State Teachers college at Alpine. Mrs. Foster is a daughter of the late Jim Chapman, one of Crockett County's pioneer residents. She is a graduate of Ozona High School and taught school at Texon the past year.

# BRUCE GALYON-

(Continued from Page 1)

the accident by Mrs. Butler. Mrs. Butler left the scene of the accident and raced on ahead to the station. While Mrs. Butler was calling Sheriff Willis, Mr. Butler heard the truck approaching and ran out and stopped it. Mr. Willis brought the men back to town.

The occupants of the truck told officers they did not know they had hit anybody, had heard no noise of the crash, saw no members of the party around the parked cars and felt no impact from the collision with Mr. Galyon's body. The driver of the truck said that he swerved to the right when he saw the headlights from Mr. Galyon's car, thinking it was parked toward the center or on the left side of the highway. The glass in the left headlight of the truck was broken and the radiator grill on the left side mashed in. They were on their way to look after a piece of machinery belonging to the pipe line and located about twenty miles out, they said.

Mr. Wyatt said the truck knocked him to the ground as it passed. He put both hands on the fender as it swerved close to him and shoved himself back to avoid being struck. Mr. Scallorn was pumping the right front tire on Mrs. Butler's car and said the truck passed so close to him that he had to hug the side of the car to keep from being struck. Mrs. Butler was in the barrow pit and escaped injury.

Mr. Galyon was placed in his car and brought here for examination and emergency treatment. He was rushed in a Joe Oberkampf ambulance to a San Angelo hospital where little hope was held from the start for his recovery. His right arm was broken in two places, the ribs on the left side of his body crushed, piercing the lung, and a deep gash on the forehead.

### Resided Here 10 Years

The body was brought to Ozona yesterday afternoon and will be at the home of Mrs. Rosa Poteet, Mrs. Galyon's mother, until the funeral hour. Services will be conducted by the Rev. Ira V. Garrison, pastor, with burial to follow in Cedar Hill Cemetery. The following have been selected as pallbearers: Ele Hagelstein, M. Wilkinson, George Adamson, Charles Butler, Lee Scallorn, Joe Davidson, Bob Weaver and Carl Dorley.

Mr. Galyon was born in Bells, Texas, April 9, 1897. He had been a resident of Ozona ten years, coming here from San Angelo. He and Mrs. Galyon were married in 1919 at Somerville, Texas. Recently the couple had been engaged in operation of The Little Kitchen, a sandwich stand and cafe located a half block off the main street on Highway 27. Previously, Mr. Galyon had operated an automobile repair shop here and had worked as a mechanic in several garages.

Surviving are the widow and two children, Bobby and Adele Galyon, the father, J. M. Galyon of Navasota, four brothers, Lee of Atlanta, Ga., Frank and Edgar of El Paso, and Alvin of Houston, and two sisters, Mrs. May Burnett of North Carolina, and Mrs. Fay Nuisom of Houston. The father is here for the funeral, but it was not known whether the brothers and sisters would be able to get here.

# MEYERS AGAIN-

(Continued from page 1)

Meyers drove one high over the center field fence for four bases. Al Crostwaite had pinch hit for Buchanan in the eighth and had retired the visitors in short order in the first of the ninth. He walked two in the tenth, but struck out two to retire the side without a tally.

### Cinch In 10th

The Giants turned the ball game into a riot in the tenth when Lenz singled to start it off. Weaver laid down a bunt for a sacrifice but beat it out for a hit and Heatherly repeated the operation in identical fashion to fill the bags, with nobody out. Dorley cracked one down to short but Lenz beat the throw across the plate for the winning run.

Four hits bunched in the third, a walk and an error, gave the Giants an early lead in the Sunday game, five runs being scored in that frame. Two more hits and an error netted two more runs in the fifth, a hit and an error another in the seventh and a walk and two sacrifices another in the eighth for a total of nine.

The big submarine chucker from San Antonio kept eleven hits well scattered, bearing down in the clutches to keep the visitors from scoring.

By nosing out the Crane crew by a single tally each day, the Texon Oilers maintained their second place position over the week-end, yapping at the Giants' heels one game behind. McCamey won its second game of the season by splitting a series with Wink.

# Installation Of Officers Features Eastern Star Meet

The installation of the officers was the object of a called meeting of the local chapter of the Eastern Star on Tuesday evening.

The installing officers was Houston Smith, assisted by Mrs. Joe Davidson, installing Marshall. Those officers installed were Mrs. Gertrude Perry, worthy matron; Richard Flowers, worthy patron; Mrs. C. J. Watts, associate matron; Will Baggett, associate patron; Mrs. Ted White, conductress; Mrs. Frank McMullan, associate conductress; and Miss Rachel Schrader, treasurer. Appointive offices were filled as follows: Miss Elizabeth Fussell, marshal; Mrs. Mary Flowers chaplain; Mrs. Will Baggett, warden; Mrs. Ben Lemmons, sentinel; Mrs. George Bean, Adah; Mrs. Charlie Coates, Ruth; Miss Mildred North, Esther; Mrs. M. A. Rynnion, Martha, and Mrs. J. M. Baggett, Electa.

Miss Leila Mae Phillips is home from San Marcos Academy where she attended school the past year. Her mother, Mrs. S. B. Phillips, came home with her after a few days' visit in San Antonio with her sister, Richard Miller also made the trip.

Mr. and Mrs. L. A. Whitehead were recent visitors on the ranch of their brother, Leonard Whitehead, near Medina.

# Poosevelt Starts Buddy Poppy Drive

The annual sale of the buddy poppies by the Veterans of Foreign Wars was officially started when President Roosevelt received the first poppy from little Miss Iria Arlene Midebrant of Eaton Rapids, Mich. She came from the house for widows and orphans of ex-service men.

They were named for the honor by vote of their fellow students. The girls are: Lois Atkinson, San Antonio; Johnnie Mae Donoho, Grandview; Louise Watson, Dallas; and Kathryn Swiley, Longview.

# Ozona Minister To Mrs. A. L. Freeman Becomes Bride Of Former Ozona Man

Mrs. Audie L. Freeman of Ozona became the bride of R. L. Carpenter, former Crockett County resident, now living at Yuma, Arizona, in a wedding ceremony performed in the Arizona city Monday.

Mr. Carpenter is confined to his bed recovering from a fractured vertebra suffered in a recent automobile accident. The wedding was performed at his bedside, the bride leaving here last week to join him in Yuma. The couple will make their home in the ranch business.

Mr. Carpenter was employed for several years on the A. C. Hoover ranch in this county. Mrs. Carpenter, until recently, operated the dining room at the Ozona Hotel. Mr. and Mrs. Fats Heatherly, son-in-law and daughter of Mrs. Carpenter, are now operating the dining room.

# Prayer Service For Ministers' Relief Missionary Theme

A prayer service for Old Minister's Relief was observed in a joint-meeting of the Lottie Moon and the Nelson Circles of the local Baptist church on Wednesday afternoon at the church.

Mrs. Hubert Moore was leader and a towel shower was started for the Memorial Hospital at Houston and an offering was taken for old ministers. In the business meeting, reports from the standing committees were given.

The Lottie Moon Circle was hostess for the afternoon.

Mr. and Mrs. L. H. Laging, of Bisbee, Arizona, were Ozona visitors this week, having come here to be present for the wedding of Miss Helen Chapman to Bill Paul Foster, which was solemnized Wednesday morning. Mrs. Laging is a sister of the bride.
