LITTLE SERIES OPENERS ARE SLATED HERE

Giants Meet Crane's Gulfers Saturday And Sunday

5-GAME SERIES

Fifth Game, If Necessary, Will Be Played In Texon

Fans are rallying to a man behind Slim Harris and his Ozona Giants for the big push which commences this week-end toward realization of a dream long cherished by Ozona baseball fans—a West Texas baseball championship.

The opening gun in the Permian Basin play-off battle will be fired at 4 o'clock Saturday afternoon on the Powell Field diamond in Ozona, with the Giants, winners of the first half flag of the Permian circuit, engaging the Crane Gulfers under the management of Bob Osborn, former big time hurler, winners of the second half.

The play-off is to go a possible five games, the team winning the first three games to be declared the Permian Basin champions. Since the Permian is the fastest loop in West Texas semi-pro baseball circles, the loop's crown gives its winners the right to call themselves West Texas baseball champions.

Openers Saturday-Sunday

The Giants and Gulfers play the first two games of the championship series on Ozona soil Saturday and Sunday. Sunday's game is scheduled for 3 p. m. The following week-end the two teams meet.

Grass Fired Along Highway As Safety Move; Car Damaged

A car belonging to Joe Sellers Pierce was slightly damaged by fire Wednesday morning when a fire on a rear wheel was ignited from grass being burned along the highway between here and Barnhart by crews from the highway department.

With Commissioner Ben Ingham, the county's fire fighting equipment, and a number of volunteer helpers on the scene, the highway crew is burning grass inside the right-of-way to cut down the hazard of grass fire from lighted matches and cigarettes tossed out by careless motorists traveling the roads.

The fire yesterday morning crept up unnoticed to reach Mr. Pierce's car, igniting one of the tires. The blaze was extinguished without serious damage.

W. E. West Named President Ozona National Bank

Will Fill Unexpired Term Of The Late P. L. Childress

At a meeting of the board of directors of the Ozona National Bank held recently, W. E. West, retired Crockett County rancher, financier, and a vice president and director, and one of the strong forces in directing the success of that institution for many years, was elected its president.

Mr. West succeeds the late P. L. Childress, who headed the Ozona bank since 1912 as its president until his death August 24 in La Jolla, Calif., and will fill out the unexpired term of Mr. Childress.

Mr. West will serve as president through the balance of the year 1936. The bank's stockholders and directors meet in annual session in January, when stockholders elect directors and these in turn elect officers to serve for the year.

Permian Basin League All-Stars Nose Out Texon Oilers 3-2 In Dream Game As Feature Of Labor Day Celebration

Crane Captures Final Pair Off Ozona's Giants

Second-Half Winners Rout Locals On Crane Lot

| | W | L | Pct. |
|-------|----|----|------|
| Crane | 16 | 2 | .890 |
| Iraan | 11 | 7 | .611 |
| Texon | 11 | 9 | .550 |
| Ozona | 9 | 9 | .500 |
| Wink | 4 | 14 | .222 |

The Crane Gulfers of Manager Bob Osborn finished the Permian Basin second-half schedule in a blaze of glory before their home fans Saturday and Sunday by walloping the Ozona Giants, first half winners, in both games, 3-2 and 7-4. With the second-half flag already cinched, the Gulfers added the two final games for good measure to bring their second half percentage to .890, with sixteen wins and only two losses.

The heavy-hitting Texon Oilers put on a spurt with the bat at Iraan to take two from the Iraan Oilers by top-heavy scores, the first game 15 to 6 and the second 16 to 9. By virtue of their double win in the final series, the Texon crew finished in third place ahead of the Ozona Giants by fifty points in the final half standings.

In Saturday's game at Crane, the Giants held a one-run lead from the fifth to the last half of the ninth, when the Gulfers staged a rally that brought in two runs to cop the conflict. The Gulfers were able to make all of their seven hits count for runs in the Sunday fracas, while the locals were able to make but four runs off eight hits.

The two teams tangle here Saturday and Sunday in the opening games of the Permian Basin championship series. Saturday's game is slated at 4 p. m. and Sunday's at 3.

Expert Conducts Cooking School Here Next Week

Utilities Co. Sponsors Demonstrations By Mrs. Floyd

Mrs. Stella Floyd, widely known throughout West Texas as an expert home economist, will conduct a two-day free cooking school here next Thursday and Friday under the sponsorship of the West Texas Utilities Co.

Mrs. Floyd is well qualified to advise Ozona housewives on kitchen problems and her two-day demonstrations here will be in the nature of a graduate course in cookery and kitchen economy.

Electric cookery, designated "Miracle Cookery", will be demonstrated and the latest electrical kitchen helps will be shown in connection with the school.

The free cooking school will be staged in the basement of the Ozona Methodist Church. Sessions start each afternoon at 2:30 and continue about two hours. A treat is in store for every housewife who attends and a cordial invitation is extended the women of Ozona and vicinity.

NEWLYWEDS DEPART

Mr. and Mrs. Brock Jones, who were married here September 1, spent a few days here with the bride's parents, Mr. and Mrs. John R. Bailey, before leaving Sunday to make their home in Houston. Mrs. Jones was Miss Bernice Bailey before her recent marriage.

Heatherly, Dorley, Cox Of Ozona Lead At Tack of Stars

A dream ball game that came up to the full expectations of the most optimistic fan was that on the Texon diamond Labor Day when the Permian Basin all-stars, a picked crew from other teams in the league and managed by Bryan (Slim) Harris, Ozona Giant pilot, nosed out the powerful Texon Oilers by a 3-2 count in the feature event of the Texon Labor Day celebration.

Every player on both teams was a star from start to finish of the sensation-packed nine innings of big-league baseball. The Oilers of Snipe Conley, playing the greatest ball game of their long career as reigning kings of West Texas baseball, behind the 4-hit pitching of Jelly Sorelle, Baylor University star twirler, made it an interesting ball game for the picked stars from the Permian league. Baldy Joimer, Texon shortstop, and Eddie McMillan in left field, saved the Oilers' star pitcher from a couple of base hits and a pair of home runs by their sensational fielding.

Ozonans Score Runs

Fats Heatherly, Ozona Giant's brilliant second baseman, all but stole the show to win the game for the all-stars almost single handed. With Conley Cox, Giant shortstop, on base by virtue of the first hit off Sorelle in the third inning, Heatherly smacked a home run to right field to score Cox ahead of him. Heatherly brought in the winning run in the ninth when he scored from second base on Carl Dorley's long fly to left field that Eddie McMillan picked out of the ozone almost to the Texon hospital.

Heatherly was adjudged the most valuable player of the day by a picked committee of judges and won a rod and reel offered by Joe Oberkamp of Ozona. Judges were George Lee of McCamey, Bob Nail and Rev. J. E. Zimmerman of Big Lake.

A moment after his sensational catch of Dorley's long fly, McMil-

Miss Betty Lasley, Pianist, In Concert Here September 17

The entertainment committee of the Ozona Music Club will present Miss Betty Lasley, one of Texas' most talented pianists, in concert at the High School auditorium next Thursday evening, September 17.

Miss Lasley is a graduate of the Institute of Musical Art at New York, and is now a member of the teaching staff. She was selected by Dr. Frank Darnosh, dean of the Institute of Musical Art, for the Steinway scholarship to the American Conservatory in Fontainebleau, France. She was winner of the State Federated Women's Club contest in Dallas in 1927. Miss Lasley received her early training and had considerable teaching experience in Abilene, her home town.

The concert here is scheduled to start at 8 p. m. Admission prices will be 25 and 50 cents. Members of the entertainment committee of the club in charge of arrangements are Mrs. J. M. Baggett, chairman, Mrs. Bascomb Cox, Mrs. Joe Pierce, Mrs. George Bean and Mrs. B. B. Ingham.

MEXICAN WOMEN JAILED

Two Mexican women landed in the county jail yesterday morning on charges of disturbing the peace following a disturbance in the Mexican quarter of the city. One of the women paid a fine and was released while the other still remained in the county jail this morning. A third woman, mother of a small baby, rounded up in the net, was released by Sheriff Willis.

Margaret Eleanor Connors of Bridgeport, Conn., has become the country's first G-woman. Attorney General Homer Cummings has announced her appointment to the Department of Justice investigating staff.

Fifty-Five Girls Compose '36 High School Pep Squad

Athleen Dudley Leader; Dorothy Gray Assistant

Organization of the 1936 High School Pep Squad was completed with the opening of school this week and with a total of fifty-five girls from the High School ready to don the snappy uniforms of the cheer crew, a lot of color, pep and noise is sure to be apparent during the coming football and basketball season for high school warriors.

Athleen Dudley has been chosen leader of the 1936 Pep Squad, with Dorothy Gray as assistant. Miss Mildred North will again act as faculty sponsor, with C. E. Nelson assisting.

This year's Pep Squad uniforms will be the same as last year, purple slacks and gold jerseys, with a purple and gold cap to be added to the ensemble this year.

Assisting the Pep Squad in its activities will be a snappy drum corps, under the direction of Joe Haddon, with Jack Baggett as drum major. Athleen Dudley will lead the corps, which is to be composed of Dorothy Drake, Janice Watts, Ora Louise Cox, Betty Dudley, Elizabeth Coose, Dorothy Hannah and Betty Jane Ingham.

Lions Open 1936 Grid Campaigns At Iraan Sept. 19

Unusual Wealth Of Material For Squad In Practice

Coach Ted White and the 1936 edition of the Ozona High School Lions are getting down to the serious business of preparedness for the certain outbreak of football hostilities in the vicinity within the next ten days.

The first skirmish of the season's gridiron wars in which the Lions will participate is scheduled for Saturday of next week, September 19, with Iraan the scene of the carnage. After that, it's another warm-up game at Big Lake and then the Lions really get down to business by entertaining the Junction Eagles on the home lot.

The complete schedule as arranged to date follows:

- Sept. 19: At IRAAN
 - Sept. 26: At BIG LAKE
 - Oct. 3: OPEN
 - Oct. 10: JUNCTION here

Mrs. T. J. Jarrett, Sister Of Scott Peters, Is Dead

Heart Attack Is Fatal Tuesday; Funeral Today In Del Rio

Mrs. T. J. Jarrett, 50, sister of Scott Peters, cashier of the Ozona National Bank, died at the ranch home south of Juno at 11:40 Tuesday night.

Death followed a stroke of paralysis suffered about 3 o'clock Tuesday afternoon. Mrs. Jarrett was apparently improving when a second stroke came about 10:30 Tuesday night and she failed to rally from this.

Funeral services were held this morning in Del Rio, where the Jarrett family is numbered among the old timers.

Mrs. Jarrett is survived by her husband, who controls extensive ranch holdings in the Juno country, four sisters, Mrs. W. L. Tibbs of Waco, Mrs. J. C. Mayfield of Del Rio, Mrs. Carl Wortham of China Springs and Miss Maud Peters of Tyler, and five brothers, John, Roscoe and Grady Peters of Valley Mills, Scott Peters of Ozona and Rolly Peters of Dallas. The mother, Mrs. R. A. Peters, died at her home in Valley Mills August 6, last year. The father died there in 1905. There were originally thirteen children in the family, two dying in childhood and one, Wallace, killed in the World War.

P. L. Childress Will Filed For Probate; Estate To Children

The brief will of the late P. L. Childress, Crockett County rancher and banker, who died August 24 in a LaJolla, Calif., hospital following an attack of pneumonia, was filed for probate in the office of the county clerk here Monday.

Under the terms of the will, Mr. Childress' property was left to his four children, Mrs. Grady Mitcham of San Angelo, Miss Ethel Childress, Pleas Childress, Jr., and John Childress of Ozona. Roy Henderson was named executor of the estate, without bond.

Mrs. B. E. Ingham and children, Betty Jane and David Dudley Ingham, left this morning for a visit to the Centennial celebrations in Dallas and Fort Worth.

ENROLLMENT SETS RECORD FOR SCHOOLS

Opening Day Registration To New High For System

COUNTY TOTAL 409

High, Grades And Mexican School All Show Sharp Gains

With a new all-time high opening day enrollment, the public schools of Crockett County launched the 1936-37 nine-months term Monday of this week with bright promise of one of the most successful years in the history of the system.

Enrollment figures announced by Supt. C. S. Denham after the registration period showed a net gain of 25 pupils over last year's enrollment in the Ozona High and grade school, and a gain of 28 in the Mexican school enrollment over last year.

The grade school showed a gain of 18 over last year's opening enrollment total, with 166 enrolled this year against 148 last year. The high school set an all-time high record with 110 pupils enrolled against last year's record of 103.

120 In Mexican School

In the Mexican school here, where a new building and one additional teacher has been added to offer classes in all grades and subjects this year, the opening day enrollment was approximately 120, it was announced from unofficial enrollment figures. The Mexican school enrollment last year was 92. The Powell Field school enrollment dropped more than half from last year's total at the opening, this year's opening day showing 13 registrations against 27 last year.

Opening exercises were held in the auditorium at 8:30 Monday morning, with pupils and patrons forming one of the largest crowds in recent years at the opening.

Two Grass Fires Set By Lightning Near Here Sunday

Blazes Extinguished On Clayton And Childress Ranches

Two grass fires which blazed up almost simultaneously on the Clayton ranch east of Ozona and the Childress ranch northeast of town Sunday night were presumably set by lightning. A little more than a section was burned off on the Clayton ranch before a timely rain extinguished the blaze.

A large number of volunteer fighters and the local fire department brought the fire quickly under control on the Childress ranch after about a section had been burned over.

The Ozona fire engine was used by Fire Chief Joe North and his crew to telling effect in snuffing out the fast traveling blaze. The engine is equipped with a 300-gallon tank and this water, turned on the fire with force from the engine pump, knocked the fire out instantly, the truck driven along the course of the blaze and heading it off effectively.

JUVENILE DELINQUENCY

Ft. Worth Star Telegram: When we think of juvenile delinquency we almost inevitably think of slums and poverty. The child of an impoverished family, especially in the city, does not have the chances that the child from a more fortunate family has; he has to play in the streets; economic pressure warps his budding personality, and a drift toward crime is more or less natural for him.

That is the accepted theory. It is somewhat surprising to learn from a competent authority that it is all wrong.

The Welfare Council of New York City recently completed a study of juvenile delinquency. It was found that as many children from families with incomes of \$50 or more a week as from families with incomes of less than \$25 a week were on probation as delinquents.

In a sample year, 1930, the New York children's court put on probation 1,260 children from families with incomes of \$50 a week or more—and 1,258 children from families with incomes of less than \$25 a week.

This does not mean, of course, that poverty is a healthy social condition. But it does mean, indisputably, that poverty is not the only factor in causing delinquent behavior. Often enough it may contribute; but it can not, by itself, be blamed as the primary cause.

If the poverty excuse is taken away from us, we may take the trouble to find out just how and where we are failing.

When we stop to think about it, we always have hunted for excuses. A long time ago we blamed the dime novels. At one time good people blamed the theatre. More recently we have been blaming the movies.

When we get through analyzing, we probably will find that the blame lies closer than the people next door, or the neighborhood movie theatre.

The road to a better social order is like charity. It begins at home.

In this column answers will be given to inquiries as to Texas history and other matters pertaining to the State and its people. As evidence of good faith inquiries must give their names and addresses, but only their initials will be printed. Address inquiries to Will H. Mayes, Austin, Texas.

Q. What is the length of the Rio Grande River on the Texas border? G. H., Uvalde.

A. Approximately 900 miles, with a drainage area in Texas something in excess of 20,000 square miles.

Q. How did the Bluebonnet get its name and become the Texas State flower? E. S. L., Laurenburg, N. C.

A. It is most commonly accepted that it was named for its resemblance to the blue bonnets once worn by Texas women. The Texas Society of Colonial Dames of America sponsored and secured passage March 7, 1901, of the law making it the State flower.

Q. You state that the Ex-Confederate pension is \$25 a month. How much are these warrants being discounted for cash? N. V. T., Houston.

A. They are being cashed now at \$22.50 by a bank that is handling them.

Q. Why do Texans shoot fireworks at Christmas? T. W., Houston.

A. In the South, fireworks symbolize the carnival and celebration spirit and to many no celebration seems complete without them.

Q. Why are the National Guards now assembled at Palacios? R. G., Rankin.

A. Under a State law the National Guards encamp there every summer for a two weeks training school at the State-equipped and maintained camp grounds, Camp Hulen, named for Gen. John A. Hulen.

Q. Is it hotter in Texas in September or October than in Iowa? R. R. T., Des Moines, Iowa.

A. The thermometer may register a few degrees higher, but the body heat is no greater because of dry atmosphere and cooling gulf breezes. For these reasons sun-strokes are fewer. The nights are almost always delightfully cool and refreshing in every part of Texas.

Q. What became of Jesse James, the noted Missouri outlaw? E. W., Longview.

A. It has been stated repeatedly that he was shot and killed by Bob Ford April 3, 1882, but there have been persistent rumors from that date to the present that he is still alive. A ninety-year-old man is now travelling in Texas, claiming that he is the former outlaw, and relating circumstances in support of that statement.

Q. What share is Goliad having in the Centennial celebration? E. S., Cuero.

A. Goliad will receive \$75,000 from the Centennial appropriation for a Centennial memorial auditorium and stadium to be built during the year. While no announcement has been made, there will probably be a celebration following completion of the work.

Q. In what way was Sam Houston related to Jesse Chisholm, of Chisholm Trail fame? E. N., Henrietta.

A. Houston married and for nearly three years lived with Tiana Rogers, a British-Indian half-breed, his second wife was an aunt of Jesse Chisholm. Tiana was a great, great aunt of Will Rogers, the famous cowboy humorist.

Q. Why was Buffalo Bill's statue placed at the Art Museum at Dallas, when Crockett, Deaf Smith, Big Foot Wallace, and others, who were Texas heroes, were not thus honored? N. V. T., Houston.

A. The Buffalo Bill statue was loaned as a work of art and was so accepted and exhibited, just as pictures were accepted for the Art Museum, and not with the thought of honoring the man.

Q. How many out-of-state cars are entering Texas each month and what is their average mileage they travel in Texas? R. D., Kingsville.

A. Based on counts at points of entrance 45,000 tourist cars a month are coming into Texas and traveling an average of 540 miles in the State. One in seven stop for information and practically all are enroute to the Centennial exposition and will visit other parts of Texas.

Q. What part of the cotton crop is grown and what part is manufactured in Texas? S. A., Alice.

A. Approximately 40 per cent is grown in Texas; the amount manufactured in the State is negligible.

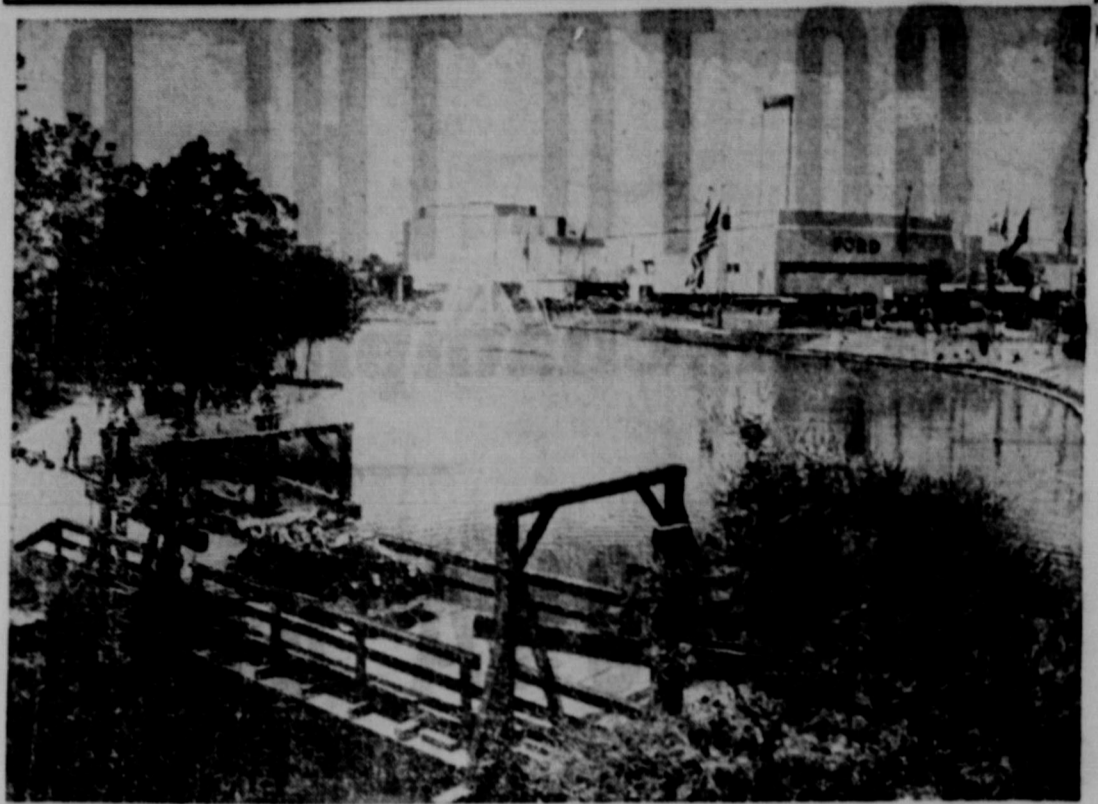

Q. What was the first public office held by Governor James S. Hogg? E. D., Denton.

A. Justice of the Peace at Quitman, Wood county, in the early 1870's.

Q. When does the Texas Legislature meet in regular sessions? D. F., Richland Springs.

A. At 12 o'clock noon on the sec-

ond Tuesday in January following each general election.

Q. How many men comprised the Army of the Republic of Texas? G. S., Rotan.

A. A commissioner from the United States, in August, 1836, reported 2,000 in service, with possibly a total of 3,000 available. There were at that time about 30,000 Americans, 5,000 negroes, 3,500 Mexicans and 12,000 to 14,000 Indians in the Republic, according to his report.

Q. Was Sam Houston ever a corporation lawyer? J. H., Wichita Falls.

A. He was attorney for the "Galveston Bay and Texas Land Company," the first big corporation to enter business in Texas, about 1833-34, and said to have been his most profitable clients. The company was financed by New Yorkers.

Q. How many women have served as secretaries of State in Texas? B. C., Albany.

A. Two; Mrs. Emma G. Meharg and Mrs. Jane Y. McCallum.

Q. Where was Larissa College, when was it established and what became of it? R. K., Roanoke.

A. It was established in Cherokee county in 1846, opening in a log cabin; was taken over by the Cumberland Presbyterian church in 1855, and from that time to the beginning of the Civil War was one of the leading schools of Texas, with splendid telescope, microscope, geological and botanical laboratories. The church combined Larissa and Chappell Hill Colleges into Trinity University in 1869.

Q. How old was Governor Joseph D. Sayers when he died and where was he buried? E. T. T., San Saba.

A. Eighty-nine, and was buried at Bastrop, where he lived for many years before he moved to Austin on his election as Governor.

Funds Allocated To Develop Health Units

AUSTIN, Sept. 9.—One of the outstanding benefits of the allocation of Social Security funds to the State Department of Health, as pointed out recently by Dr. John W. Brown, State Health Officer, is the possibility of broadening the program of County Health Units. Although there had previously been established and maintained only seven county health units within the State, the results of their work have proved the value of the organizations and disclosed the need for health units in other Texas counties.

The first county health unit in the nation was established in 1911 in Yakima County, Washington, following an epidemic of typhoid fever that attracted the attention of the United States Public Health Service. Recommendations were

made for the establishment of a health organization, with a full time physician in charge, and with a public health nurse, and a sanitary inspector. The Rockefeller Sanitary Commission, in its campaign for hookworm control at the same time, became interested and found that permanent county organizations were needed to carry

[QUESTIONS THAT ARE ASKED ABOUT BANKING]

"Do Banks coin money or issue currency?"

THIS question has been asked by some people who desire a clearer understanding of our money system in this country.

Banks do not coin money. Money is coined by the Federal government mints under authority given to Congress by Section 8 of the Constitution which says: "The Congress shall have power to coin money and regulate the value thereof."

The banks of the country (except the 12 Federal Reserve Banks) do not issue currency. This function is exercised by the Treasury of the United States. The 12 Federal Reserve Banks issue Federal Reserve Notes. National banks formerly issued National Bank Notes but that authority was terminated by an Act of Congress.

This bank is glad to answer further questions about our American monetary system.

THIS WEEK IN TEXAS HISTORY

Miss Noma V. Miller entertained with a party for a group of friends last Thursday evening. Mr. and Mrs. Buster Miller were visitors to San Angelo last week. They laughed when he sat down to play the piano--because there was no piano stool there. Mrs. C. J. Watts and three children, Misses Ernestine and Janice and C. J. Watts, Jr., went to San Angelo Sunday where Miss Ernestine boarded a bus for Abilene to enter a business college for the coming school term. Drs. J. A. and M. Grace Sherburne were Sunday visitors in San Angelo where they were in attendance at the quarterly meeting of the Chiropractors of the West Texas District. Mr. and Mrs. W. E. West returned to their home here Tuesday after spending the summer on the west coast. Mr. and Mrs. Vernon Cox, who are ranching near Sweetwater, were Ozona visitors last week. Mr. and Mrs. Paul Perner and two children, P. C. and Mary Louise, were recent visitors to the Texas Centennial shows in Dallas and Fort Worth.

Busy School Days Ahead!

The greatest aid to progress of the school child is a typewriter available for "home work" and practice writing. It not only speeds up completion of the required work but will actually raise grade averages in most instances. A typewriter will also encourage the pupil to do more than assigned work simply because he enjoys writing on the typewriter and thus will broaden his education.

at Crane for a two-game series Saturday and Sunday. If after these four games, a fifth game is needed to decide the championship, the deciding game will be played on the Texon diamond on neutral ground, it was decided after conferences between team officials the past week. If that game is necessary, it probably will be played the Sunday following the Crane series.

The two teams entered in the championship series are about evenly matched and it would not be surprising to see the series go the full five games. The Giants possibly have the edge in defensive ball while the Gulfers hold somewhat of an edge in the hitting department. Both are strong in the pitching department. Manager Harris having Crostwaite, Bryan and Lynum on tap and Manager Osborn himself, Bill Duncan and Bill Rabb as his strength in the chunking division.

But averages and past performances count as nothing when the championship series gets under way and it's which is the best team that day that will carry off the honors in each individual game.

Intense rivalry that has been generated between the two towns and the high calibre of the opposing teams is expected to produce the largest crowds of baseball fans in many years at each of the play-off games. But as between the two teams and the towns as well, by-gones will be by-gones when the Cranes come to Ozona this weekend, and they will be welcomed with the same courtesy and cordiality as any other ball club, and the Crane fans as well.

Nelson Writes M. A. Thesis On Federal Education Program

"The Emergency Education Programs of the Federal Emergency Relief Administration and the Works Progress Administration in Texas" is the title of the thesis prepared by Clarence E. Nelson, principal of the Ozona High School, for his Master of Arts degree conferred by the University of Texas at the close of the summer session. Masters degrees were conferred on 193 graduate students at the University's summer commencement.

Mr. Nelson, who is beginning his third year as a member of the faculty of Ozona Schools, received his B. A. degree from Abilene Christian College in 1927.

lan brought the fans to their feet again by an even more sensational running catch of Ray LeMeilleur's long hit to almost the same spot in the greasewood between the Texon outfield and the hospital. Both hits would have been home runs in anything but a cow pasture diamond.

The all-stars held their two-run lead until the sixth, when the Oilers tied up the ball game off the pitching of Bob Osborne, Crane manager. Gardner, first up in that frame, singled, and scored on Eddie McMillan's triple to right center. Barbee walked and Burton hit into a double play. Cox to Heatherly to Dorley, McMillan crossing the plate with the tying run on the play at second and first. Joiner flew out to short to retire the side.

The Oilers threatened again in the seventh and eighth, but old General Al Crostwaite, who pitched the last three innings, leveled down to get them out. Pitcher Sorell singled after one was out in the seventh. Housewright walked, but Brown was out on a fly to Estes in center and Gardner rolled out Heatherly to Dorley.

Oilers Threaten
In the eighth, the Oilers had runs on second and third with two out. McMillan was out first in that inning on a grounder to second. Barbee singled, and Burton, attempting a sacrifice, popped out to the pitcher. Joiner doubled, Barbee pulling up at third. Hi Haven, who went in to pinch hit for Gentry, hit one to Smith at short and was out at first to cut off the threat.

Jack Paige, Iran twirler, gave up four hits in the first three innings, with no runs. Bob Osborn was touched for three hits and two runs in his three turns on the mound, and Crostwaite gave up four bingles and no runs in his three innings of heaving. Cox, Heatherly, Smith and LeMeilleur were the only all-stars who were able to touch the curve balls of Jelly Sorrell.

In the baseball field events preceding the ball game, Al Crostwaite of Ozona took first prize in the fungo hitting contest by smacking one over the backstop from deep center field. Cox of Ozona tied with Malcolm Burton of Texon for the distance throwing trophy.

BACK TO T.C.U.

Vick Montgomery, son of Mr. and Mrs. George Montgomery of Ozona, left Saturday for Fort Worth to be ready to enroll at T.C.U. when the new term opens next week. Montgomery, a member of last year's powerful T.C.U. Horned Frogs football aggregation, is expected to take over one of the halfback positions in the starting line-up of the 1936 Frog crew, and to be on call for quarterback duty if needed.

ceremonies. Judge Charles E. Davidson, who has had an official role in more school opening exercises perhaps than any other man in the nation, made the local school opening official with his customary opening day address, on this occasion a brief and pointed message of optimism for the school's prospects and a word of thanks to the school's patrons for their co-operation in building the school system to its present efficiency.

Presents New Teachers

Supt. Denham introduced the new teachers on this year's faculty—Rex F. Johnston, grade school principal, Miss Eunice Johnson, junior high teacher, and Mrs. Ruth Hill, piano teacher. The superintendent invited patrons of the school to visit the plant, suggesting Tuesdays, Wednesdays and Thursdays as the most suitable days for visitation, and urged continued co-operation to promote best interests of the school and pupils.

John R. Johnson, 63, Former Ozona Garage Operator Buried Here

The body of John R. Johnson, 63, a former Ozona resident, who died in Rankin Sunday, was buried in Cedar Hill Cemetery here Tuesday morning. Funeral services were held from the First Baptist Church in Rankin Monday with the Rev. C. G. Forrester, assisted by the Rev. I. E. Anderson, officiating.

Mr. Johnson operated a garage in the Lee Wilson garage building here. He was at one time in the ranching business in Upton County and was one of Rankin's first merchants, operating the Rankin Motor Co. until a short while ago when his health failed.

Surviving are the widow, a grandson, Joe Eddie, a sister, Mrs. Lena Acteson of Roswell, N. M., and a brother, Will Johnson of Roswell. A son, Joe B. Johnson, died five years ago. Among honorary pallbearers named by the family were W. E. Friend, Sr., T. A. Kincaid, Sr., Houston Smith, Warren Friend and Marbury Morrison, all of Ozona.

Jake Miller, son of Mr. and Mrs. Rob Miller, left yesterday for Ft. Worth, where he is to enroll as a student at Texas Christian University.

Sarah Louise Adams of San Antonio is a guest this week of Ora Louise Cox. Miss Adams has also visited on the Sid Millsbaugh ranch during the week.
