Majorette And Twirlers Elected

Three of the most popular and beautiful girls in High School took high honors in a contest Monday afternoon in the high school gymnasium. The student body elected Ruth Townsend to take the very coveted place of Drum Majorette this year. Ruth succeeds Sug Owens. Doris Bean and Barbara White carried off the prize for twirlers for the High School Band.

The girls were chosen by secret ballot from a group of seven girls who entered the contest. The entries were Ruth, Doris, Barbara, Bennie Gail Phillips, Muggins Davidson, Jo Nell Coose and Nan Tandy. Each entry performed individually in front of the student body and the faculty. Liz Gray and Susie Hokit, pep leaders of O.H.S., led songs and yells while the ballots were being counted. O.H.S. is now ready to do a grand job when they beat SONORA!!!

DEAR STUDENTS—

School has started again and no doubt many of you are grumbling because you have to go back to school. You probably think that I am nuts, but I wish I could change places with any of you who doesn't want to go to school.

Perhaps you'd like to know something of life after high school. Of course, this little story couldn't apply to everyone who has finished O.H.S. but it is just the way that I have found things in the world.

When I first finished high school, I couldn't wait until I could go off to college. I would lie awake at night and think how wonderful it would be to go off to school. Well, I went to college—two weeks after I graduated from high school. I found that college life was very new and exciting. During the summer, I was entirely too thrilled over the newness to get myself to studying. The summer went by and the fall term started. I found that if I planned to finish the junior college the next summer, it would be necessary for me to take six very stiff courses. It didn't take very long for me to find out that college life wasn't all play. I think that I came to the real realization of this fact when I had to spend four hours of my precious afternoons in chemistry lab every week.

By working very hard, I finally finished two years' work by the next summer. By that time I was so exhausted that I felt almost ready to settle down at home for a nice quiet year of rest—working, but not studying. I was very

happy until, one day I passed by the school on the way to work and saw all of the children going back to school. Somehow I felt a little left out. I felt as though there was something missing in my life that had always been there before. It seemed that it was something of the same feeling that I had when I was too young to go to school and I would see my brothers go off and leave me behind. It was that same "left out" feeling.

Someday, you'll understand what I mean. I never thought that I would feel that way either. I think that next year I'll see if I can cure that feeling by going back to school.
That's all for this time, but stand by for a more cheery note next time.
Just an "Ex"

COGITATIONS

Joyce West

Apologies are due to Mary Perner, the originator of this column, but I'm depending on the old adage that "a poor excuse is better than none." At the beginning of school one should have some definite impressions, but so far I've been too busy getting myself collected to have a definite thought about anything, and that includes geometry too. These teachers are no respecters of person. They haven't taken into consideration that we have been loafing all summer and should be given a little time to get into the mood of all this. They have kept me so busy that I haven't had time to look around and see WHO is going with WHOM. I had to be told the LOUISE ARLEDGE and BYRD were doing things together this year. I did see TOM ED with JOY Friday night, but that's a romance of long standing. All the boys were very interested in the new girl in town this week end, but all the information I could give out was that she was one of ETHEL MAYES' college friends. And Speaking of college, Ozona is going to be well represented in the institutions of higher learning. L. B. COX and MARY PERNER will be coming in for their share of the honors at S.M.U. Their rivals for the first time will be ROY, JOY and SUG at T.C.U.

My mind is wandering again, but I wonder who those good looking men were who were in uni-

form. JUANA and SUSIE didn't give out any information concerning them. It seems that almost everyone is in uniform for one reason or the other. On their first trip home, DICK H. and JIM AD will be sporting theirs from A & M. I think that congratulations are in order for JIM AD.

This new crop of freshmen look interesting: I wish that I had time to, ahem, think further along this line. All good (?) things must come to an end, but I can't help thinking how pretty BERTIE SUE is.

20 OUT FOR GRID PRACTICE

The Ozona Lions, Bi-District football champions of 1941 and 42, came out Monday for the first time this season with twenty boys reg-

porting. Most of the boys are small but determination makes up for the lack of size.

The line will find Byrd Phillips and Jimmy Read on ends, both back from last year's champion team. Joe Corbell shows plenty of promise on an end position. Earl Tillery, Joe Perry, Alvin McCaleb and Bill Wilkins will be the tackles. Bill will not be eligible because he played at San Angelo. The guards will be Larry Arledge, Leroy Barto, Glen Sawyer, and Dick McDonald. Lowell Sweeten and Carlton Smith are the only candidates for center. The back field will be Tom Montgomery, Calvin Williams, Bill McWilliams, Ira Yancy, Bill Hoover, and Max Word. Billy Womack has been coming out for end but because he played last year he will not be eligible.

Reddy: You're exactly right, Lady! Every other civilian service has been affected because of the war, but not electricity! It's still on hand every moment to make life easier and more pleasant for you!

Lady: Did you say, "easier"?

Reddy: Yes, that's what I said. You see, Lady, we realize what an important and patriotic person you are, with your Red Cross work, the Motor Corps, besides that very vital job out in the kitchen.

Lady: But it's the least I can do for the war effort.

Reddy: Of course, it is, and your electric company is now serving Army Training Camps and war-time industries, but it has also pledged itself to go right on serving you. Electric refrigeration keeps the food for your family safe and healthful; electric cookery retains vitamins and other valuable food elements essential to good health. Then there is your sweeper, iron, washer, and many other electric appliances, all at your finger tips to save your time and lessen the labor.

Lady: Whee, that's a big job!

Reddy: You bet it is, but it's our contribution to the War and to you. All of it adds up to friendly, dependable service at low cost.

Lady: And that sounds mighty good to me and my budget—and it's more than you can say about most items, since the war began.

Denham and other guests of the evening were introduced by Mr. Wilson. Members of the Rotary Club were then introduced and each in turn introduced his Rotary Ann. The address of welcome to the teachers was delivered by Rev. Warren E. Starnes, minister of the Church of Christ. Besides the teachers, Rotarians had as their guests of the evening members of the school board and their wives. These included Mr. and Mrs. W. E. Four New Students Enter O. H. S.

Ozora High has acquired four new students this year. The Freshman Class was lucky to get Juanita Hyatt, formerly of Comanche, Texas, and Glenn Sawyer, who has been attending school in Floresville, Texas. Bill Wilkins, who is from San Angelo, has joined the Sophomore Class, and Billy Womack, from Baird, Texas is in the Junior Class. Pvt. Miles Pierce, who has been stationed at Fort Warren, Wyo., now home on furlough, will be transferred to his alma mater, A & M College, coincident with the opening of the fall term at that institution to continue his training under Army regulations. He expects to be stationed there at least two full semesters, taking regular college courses, and if given that much time will take his degree from A & M.

Catherine Childress Becomes Bride Of John F. Coates In Early Morning Ceremony Here Sunday; Couple To Live On Ranch

Miss Catherine Childress, daughter of Mr. and Mrs. Hugh Francis Childress, became the bride of John Fletcher Coates, son of Mr. and Mrs. Dennis Fleet Coates, in an early morning ceremony Sunday in the home of the bride's parents. Rev. Lawrence K. Brown, pastor of the Ozona Methodist Church, performed the double ring ceremony in the presence of members of the families and a few friends. The wedding date was chosen to coincide with the 37th anniversary of the wedding of the bride's parents.

Ozona Grads Make Fine Records In College Work

Composite Grades Of 19 Graduates Show Low Failure Average

Composite records of nineteen Ozona High School graduates in colleges and universities during the past school year, beginning with the summer session of 1942, as received from registrars of the various institutions of higher learning by Supt. C. S. Denham of Ozona High School, show scholastic accomplishments of local graduates above the average. The nineteen students, ten boys and nine girls, earned a total of 190 grades during the period, of which only six were F, or failing grades. Of the 190 grades earned, 56 or 29 percent of the total grades, were A's, perfect or near perfect marks. There were 70 B's, 46 C's and 12 D's. Boys earned 105 grades and girls 85. Half of the F's, or failing grades, were received by the nineteen students in college English. In this subject, in which a total of 19 grades were received, 2 were A's, 8 were B's, 5 were C's, 1 D and 3 F's. These grade reports are kept by Supt. Denham as a means of checking on the accomplishments of graduates of Ozona High School in their college careers, so that strong and weak points of students in their college work may be studied for the benefit of high school teaching staff. College and universities attended by the group include T.C.U., S. M. U., Southwestern, Wayland College, Texas Tech, University of Texas, Sul Ross State Teachers College, A & M College, New Mexico Military Institute, Draughon's Business College of Abilene, Baylor University and George Pepperdine College.

The living room was decorated with white gladioli and asters. The bride wore a Fred A. Block suit of lightweight brown wool trimmed with mink. Her hat was of matching material and other accessories were of brown. For something old she wore a pin which her mother and sister had worn at their weddings. Her corsage was of orchids. Mrs. Ele Chris Hagelstein, sister of the bride, was matron of honor. She wore a black wool crepe dress and her corsage was of gardenias. Oscar Kost, brother-in-law of the bridegroom, acted as best man. A reception followed the wedding ceremony. After the bride and groom had cut the three-tiered wedding cake, Miss Mary Alyce Smith presided at the serving, with Miss Mary Louise Harvick and Miss Posey Baggett assisting in serving the cake and coffee. Mrs. Coates is a graduate of Ozona High School and attended Incarnate Word College in San Antonio and T.C.U. in Fort Worth. The bridegroom is also a graduate of Ozona High School and is engaged in ranching north of Ozona in Crockett County. Following a short wedding trip, the couple will be at home on the ranch.

Wedding guests included Mr. and Mrs. Fleet Coates, Miss Joy Coates, Mrs. Oscar Kost, Shirley Kost, Mr. and Mrs. Charley Coates, Mr. and Mrs. Fisher Powell, Roscoe Coates, Miss Dollye Coates, Mrs. Lawrence Brown, Ele Hagelstein, Mr. and Mrs. Hugh Childress, Jr., Graham Childress, Miss Lottie Jo Owens, Mr. and Mrs. Roy Henderson, Mr. and Mrs. Paul Perner, Mr. and Mrs. Stephen Perner, Mr. and Mrs. Max Schneemann, Mr. and Mrs. Lee Childress and Mr. and Mrs. Will Baggett.

Rev. Clyde Childers left by bus Monday night for Houston where he will undergo treatment by an oculist. Mrs. Childers will join him the end of this week.

Rev. Warren E. Starnes, Minister of the Church of Christ, presided at the service. The Bible Classes meet at 10 o'clock. The sermon is at 11 o'clock. Congregational song and praise service at four-thirty Sunday afternoon. The evening service is at 8:00. The Ladies Bible Class meets Wednesday afternoon at 4 o'clock. The public is cordially invited to all services. "Fear God and keep His commandments" is still the whole duty of man. Man's first duty is to make peace with God; and his constant duty forever afterwards is to keep that peace. This cannot be done by neglecting weekly attendance to the "ordinances as they have been delivered." The fact is: daily thought, and the consciousness of God in all our ways is the only safe course for man to pursue. Without this, man chooses his own ways, and they have never been pleasing unto Jehovah. Think this over and be present Sunday at all services.

Mrs. James Baggett and Miss Posey Baggett entertained their bridge clubs Saturday afternoon at the J. M. Baggett home. Mrs. Lefty Walker and Mrs. Fred Hagelstein won high score and Miss Mary Louise Harvick won the bingo prize. The other guests were Miss Ora Louise Cox, Miss Elsie Stumburg of San Angelo, Mrs. L. B. T. Sikes, Mrs. Joe Clayton, Mrs. Pleas Childress, Mrs. Dempster Jones, Mrs. Jess Marley, Mrs. Eugene Miller, Miss Mary Alyce Smith, Mrs. Evart White, Mrs. James Childress, Mrs. Miller Robinson, Mrs. Jack Wilkins and Mrs. Kirby Moore.

Rev. Clyde Childers left by bus Monday night for Houston where he will undergo treatment by an oculist. Mrs. Childers will join him the end of this week.
