## Dr. Moore, Former Ozona Physician, Dies in England

### Army Major, He Had Been in Foreign Service over a Year

Friends here received word yesterday of the death in England of Major I. Sellers Moore, former Ozona physician, who was called from his reserve status into active service in the United States Army in January, 1941, and had been in service in England since soon after American entry into the war.

Major Moore died in England last Thursday, October 21, the War Department notified relatives, and the information was relayed to Ozona friends in a telegram sent by his mother, Mrs. I. S. Moore, Sr., of Kennedy to Scott Peters, active vice president of the Ozona National Bank, and received yesterday.

Details of his death were not given in the War Department notification nor in the information relayed here. However, friends here who have recently been in correspondence with the widow, Mrs. I. S. Moore, who has been making her home in San Antonio, have learned through her that Major Moore had been hospitalized in England for the past two months and was to have been sent home on sick leave if he had recovered sufficiently to be able to make the trip.

The former Ozona physician suffered a recurrence of an attack of stomach ulcers and it is thought that complications arising from this condition led to his death. He is survived by the widow and the mother, I. S. Moore, Sr., Dr. Moore's father, died several months ago in Kennedy. He and Mrs. Moore made their home here with their son during the time he practiced medicine here.

## Largest Group of Colored Selectees Off for Army Service

While only three of the number will leave from Ozona, the others being transferred to other boards for delivery, Crockett county will send its largest contingent of colored selectees for Army examination this month.

The men who will go from Ozona will leave by bus this afternoon. Included in the call will be J. T. Richardson, Eugene Hodges, Jacob Boyd Hammond, Allen D. Watson, Gabe White, Johnny Wilson, Edward Daniels, Charles Ulrich, Richard Best and Willie Lawrence Johnson.

## Plan Training School for Boy Scout Leaders

### Field Executive to Be Here Two Days to Spur up Work

A training school for Boy Scout leaders of Ozona will be conducted two days next week, Wednesday and Thursday, November 3 and 4, under the direction of Joe Galbraith of Del Rio, Boy Scout field executive for the Concho Valley Council, serving this district.

Mr. Galbraith is coming at the invitation of Lee Wilson, chairman of the local Scout committee, and members of the Scoutmaster's staff and will devote the two days to instructing adult leaders of the local Scout troops on methods of conducting Scout meetings, developing the boy program and other phases of the Scout movement from the leadership standpoint.

With the opening of a new Scout year, when all Scouts re-register with the national organization, a new local committee has been named by the sponsoring organization, the Ozona Rotary Club, and plans are being made to revive and strengthen the local troop and its program. In line with this renewal of effort on behalf of the twenty or more boys of Troop 53, the Scout executive has been invited to spend two days with local Scout leaders and to conduct a training program for the benefit of members of the committee, the Scoutmasters staff and other interested adults. Persons interested in taking advantage of this training course are invited to call Mr. Wilson for information on the hour for each session, which will be arranged upon Mr. Galbraith's arrival next week.

## Baptists Clear Indebtedness With Sunday Offering

### \$2300 Given on Final Meeting of Revival Sunday Morning

A goal set early in the year, "Debt Free in '43," was reached with \$400 to spare Sunday morning by members of the First Baptist Church of Ozona.

Setting the final service of a week-long revival meeting as the deadline, the church Sunday morning went over the top on its goal of \$1,900 to retire the last dollar of indebtedness against the church property, the pastor, Rev. Clyde Childers, gleefully announced following a count of the morning's offering.

The offering was announced at approximately \$2,300. The money will be used to pay off the final notes against the church building, erected in 1929 at a cost of \$50,000, and the church, for the first time in 14 years, will be free of debt.

The week-long revival services drew satisfactory crowds at both the morning and evening services. Rev. Childers preached at each week-day evening and Sunday services and the Rev. L. W. Hardcastle of Fabens, Texas, who directed the song services, preached at the week-day morning services.

## Rev. M. C. Stearns To Be New Pastor Methodist Church

### Pastor 4 Years at Government Hill Church In San Antonio

Rev. M. C. Stearns is expected to arrive here today to assume his duties as pastor of the Ozona Methodist Church, succeeding the Rev. Lawrence K. Brown, who is leaving today for Mason where he is to become pastor of the Mason Methodist Church. The pastoral changes were made at the Southwest Texas Conference of the Methodist Churches held in San Antonio last week.

Rev. Stearns is coming to the Ozona church from the Government Hill Methodist Church in San Antonio where he has been pastor for the last four years. He and Mrs. Stearns and two of their children, a girl and boy of high school age, were to arrive here today. Two other children of the couple are attending Southwestern University in Georgetown.

The new minister and his wife are to be introduced to Ozonans at a tea to be given by the Woman's Society of Christian Service Tuesday evening at the home of Mr. and Mrs. J. M. Baggett. The reception hours will be from 8 to 10:30 o'clock Tuesday evening and members of the Methodist Church and the membership of other churches of the town are cordially invited to call and meet the new minister and his wife.

Rev. Stearns is a veteran of the first World War and for a time he served as a chaplain in the American Legion. The San Antonio church of which he has been pastor the last four years is in the vicinity of Fort Sam Houston in that city and he is reported to have done a splendid job in his service as pastor of that church.

## Referee Rules Mason-Eldorado Tilt Tie Game

### Game Awarded Eldorado, Snatched Back By Mason Man's Rule

A scoreless tie game played by the Eldorado and Mason 7B football teams in Eldorado last Friday afternoon, and first awarded to Eldorado on penetrations, was declared a tie-game by Referee S. C. Kloninger of Mason after a three-hour conference of District officials in Sonora last night. The decision in effect scoots Eldorado out of the undefeated column with a half game lost and lifts Mason from a whole game to a half game lost, the tie game being scored a half game won and a half game lost for each team.

Supt. C. S. Denham of Ozona schools, attending the session as a member of the district committee reported that the matter was referred to R. J. Kidd of Austin, executive of the Interscholastic League. Mr. Kidd advised that the decision must be made by the referee. Referee Kloninger ruled the result a tie game, refusing to accept as official the score sheet kept by two officials appointed by agreement between the rival coaches.

The scorers' tabulation showed Eldorado holding the advantage of two 20-yard zone penetrations to Mason's one and Mason leading in first downs by 8 to 7. Under Interscholastic League rules, the decision is first on penetrations and Eldorado was awarded the decision.

Controversy arose over contention of the Mason coach and superintendent, W. R. Robbins, that Mason scored a penetration which was not counted by the scorers, a play on which there was a clipping penalty that brought the ball back out of the 20-yard zone. Refusing to accept the score sheet as official, the referee ruled it a tie game.

## Eight AAA Checks For \$7,865 Received And Delivered Here

Eight government checks, made payable to as many Crockett county ranchmen for work completed under the 1943 AAA range program in this county, were received this week in the office of Miss Betty Bratcher, administrative officer of the AAA. The checks are being delivered as ranchers call for them.

The eight checks represent a total of \$7,865.01. A total of 26 applications for payment have already been filed on completed work and the additional checks are expected to arrive in the next few days as the applications are processed. An expense factor of 2.2 percent, for operation of the office in this county, is being deducted from payment checks.

Miss Bratcher again called attention of ranchers to the announcement that applications for payments may be made at once by those operators who have done all the work they plan to do this year, whether or not they have earned their entire allotment.

## OHS Lions to Invade Eldorado Gridiron Sat.

### Locals Hope to Settle An Old Score with The Eagles

Fresh from a two-weeks rest and overflowing with confidence and determination, Ozona High School Lions of Coach L. B. T. Sikes will invade the Eldorado precinct next Saturday afternoon for a try at upsetting the championship march of the Eagles. The game has been called for 2:30 Saturday afternoon.

Girls of the Pep Squad and drum corps are to attend the game and perform between halves. Additional car space is needed to transport these girls. Supt. C. S. Denham announced this morning. Persons planning to attend the game are asked to contact Mr. Denham if they have space in their cars for one or more of these girls. The team will leave early Saturday morning and cars of fans and Pep Squad and Drum Corps girls will leave the band house at 12.

Two years ago, Ozona High School Lions were thundering toward a District 7B football championship when the Eagles of Eldorado High almost stopped the collective heartbeat of Ozona fandom by holding the Lions to a scoreless tie—the locals eking out a win by a lone penetration.

Last year, the Lions were again on the championship trail and again that Eldorado jinx was in the way. That time the Eagles administered a (Continued on Last Page)

## Patrick Estate Land Bought by Early Chandler

### Record Price for Crockett Land, \$21, Paid for 1400-Acre Tract

Land of the Patrick estate, a 1400-acre tract adjoining the townsite of Ozona, owned by the Patrick family for 45 years, figured in a sale now in process of completion which set a new record high for land price in Crockett county when it was sold at \$21 an acre.

The purchaser was Early Chandler, Crockett county ranchman.

The late T. W. Patrick, Crockett county pioneer, acquired the land by purchase in 1898 from another Crockett pioneer, J. W. Friend. Upon Mr. Patrick's death ten years ago, the land, according to his will, was held intact, its revenue being divided among the heirs. Under the terms of the will, the estate was to be liquidated at the end of ten years and the proceeds divided among the heirs.

## 2,237 Ration Book Four Issued Here To Date

### Late Registrants May Get New Books At Clerk's Office

A total of 2,237 of the new ration books No. 4 have been issued here to date, the figure including those who registered for the new books at the school buildings Thursday and Friday of last week and the late comers who are receiving their books at the office of the War Price and Ration Board in the county clerk's office.

Those who have not yet secured their new ration books may get them at the board's office by presenting Book 3.

Volunteer registrars, including members of the school faculty, students and outside helpers were on the job at the high school and at the Latin-American school last week to register the bulk of users for the new books. Registration was under way all day Thursday at the Latin-American schools when a total of 859 books were issued on 231 applications.

Registration continued through Thursday and Friday at the American school and in that time registrars issued a total of 1,228 new books from 455 applications. Since the school registration period, the office staff has issued a total of 150 books processing 53 applications.

## Barnhart Youth Enters Training as Air Forces Pilot

SAN ANTONIO AVIATION CADET CENTER, Texas—Among cadets now stationed at the Army Air Forces Preflight School for Pilots at the San Antonio Aviation Cadet Center, the nation's largest pool for fighting air crews, are 452 young men from Texas. When they have completed their studies and training at the preflight school, the cadets will be sent to a primary flying field. Still further training in basic and advanced flying schools will prepare them to be combat pilots.

This group includes one from Barnhart: Aviation Cadet James H. Joslin, son of Mr. and Mrs. Harry Joslin.

## TSGRA Planning Annual Meet in Ft. Worth Dec. 7-8

### Industry Leaders to Discuss War Problems At 1943 Session

Vestal Askew, Secretary of the Sheep & Goat Raisers' Association, announced today that plans for the organization's Twenty-Eighth Annual Convention are well under way. The meeting will be held in Fort Worth, Texas, December 7 and 8 with the Hotel Texas as Convention Headquarters.

Horace Fawcett, President of the Association, urges all Texas wool and mohair producers to attend. Fawcett stated: "Our industry is faced with numerous problems and although meetings are difficult to attend under present circumstances, we feel that since Texas leads the nation in producing lamb, chevon, wool and mohair, vital materials of war, it is essential for us to meet this year."

The annual session was recently voted a two instead of three day affair by the Association's Board, limiting the meeting to strictly business affairs. A limited number of speakers, well informed on matters affecting the industry, will be invited to speak. Several dignitaries, including Texas Governor Coke R. Stevenson, will, probably attend.

A wool warehouseman's banquet and other entertainment will be held on the evening of December 6. The main meeting will commence at 9:30 a.m., December 7.

## Crockett First In Region over Top on War Fund

### Total Yesterday Stood At \$3,892, With More Reports to Come

First of twenty-one counties in Region 15, Texas War Fund Drive, to go over the top in the current nation-wide \$125,000,000 campaign Crockett county had counted a total contribution to this 17-pronged war service fund of \$3,892.25 up to yesterday afternoon, Mrs. S. M. Harvick, county chairman, reported.

Crockett county went over the top late last week when work reports were turned in to Mrs. Harvick to swell total contributions to \$3,550, fifty dollars over the \$3,500 goal. Additional reports dribbling in through the first of this week yesterday had swelled the total to nearly \$400 over the goal.

Several workers still have not turned in final reports, Mrs. Harvick said yesterday, and it is hoped that the total will go even higher when all funds are reported.

More than \$600 of the amount collected here will remain in a local treasury for support of local war service activities, chief of which at present is maintenance of the Service Men's Center or club room operated in the Williams building next to the theatre. This county was assigned a quota of \$3,283 as its part in the state War Fund Drive. This goal was raised to \$3,500 by the local committee with the object of raising a fund for financing local service projects, particularly the servicemen's club quarters. All money above the \$3,283 quota will be kept here in the local fund.

"I am deeply grateful to the people of this county for their liberal response to this call," Mrs. Harvick said in making announcement of the splendid showing made by Crockett county. "I feel that Crockett county has lived up to its tradition of doing its part in any worthy enterprise in a fine way in this instance and it is a matter of great satisfaction to me to be able to report such splendid success. Credit for this good showing (Continued On Last Page)

## Miss C. Parker Accepts Home Economics Post

### Norton Girl Succeeds Katherine Strother, Resigned

Miss Clementina Parker of Norton, Texas, will be on the job here next Monday morning as teacher of home economics in the Ozona High School, succeeding Miss Katherine Strother, who resigned recently to become a chemist with the Dow Chemical Co. at Freeport, Texas.

Miss Parker, a graduate of North Texas Agricultural College, class of 1942, taught home economics last year in the Decatur High School. She accepted the local home economics position before the opening of school in September but was forced to resign because of illness. Her health having improved, she again applied and was elected after Miss Strother's resignation.

Miss Parker is a sister of Capt. D. A. Parker, former Ozonan, rodeo and football star, who starred in another role, as pilot of a Flying Fortress for more than a year in the "game" against the Japs in the South Pacific, and is now back in the States in training on a Liberator at Boise, Idaho. Two other brothers, Sgt. Fred and Jim Parker, also went to the army from Ozona.

Filling in as substitute teacher of home economics this week is Mrs. Allena Westerman, who resigned at the end of last year after three years as head of the department.

**Ozona Couple Wed In Eldorado Ceremony**

At wedding rites in Eldorado at 4 o'clock Friday afternoon, Miss Laura Jean Kinser, daughter of Mr. and Mrs. E. R. Kinser of Ozona, became the bride of William Earl Salmon, son of Mrs. J. M. Thurman of Ozona.

The ceremony was read by the Rev. B. A. Jonas, pastor of the First Baptist Church in Eldorado, at the parsonage in that city. Accompanying the couple were Pvt. Carl Thurman of SAAAF bomber school in San Angelo, and Miss Dorothy Thurman of Ozona, brother and sister of the groom. The couple will make their home here where Mr. Salmon is employed in ranch work.

Mrs. June Van Oliefen, daughter of Mrs. George Metcalf, left Sunday for Dallas where she boarded a plane for Melville, Rhode Island, to join her husband, William Van Oliefen, MM 2c, U. S. Navy, who is in training there for service on a Naval torpedo boat. Van Oliefen, a veteran of eight years in the Navy, was stationed on a submarine in the Philippines when war broke out and has been in service on the submarines in the Pacific area throughout the war. Mrs. Van Oliefen will remain in Rhode Island until her husband completes his training ashore and returns to sea duty aboard one of the Navy's fast torpedo boats.

**Book Review Is Program Feature at W.M.U. Meeting**

A review of "Who Walk Alone" by Paul Burgess, a story of the lepers, given by Mrs. Jack Wilkins featured the program of the Woman's Missionary Society meeting Wednesday afternoon at the First Baptist Church. Mrs. Clyde Childers presided for the meeting.

Present were Mrs. Childers, Mrs. Wilkins, Mrs. Will Miller, Mrs. Roy Thompson, Mrs. A. E. Deland, Mrs. Pink Beall, Mrs. M. A. Runyon, Mrs. George Bean, Mrs. Bill Bissett, Mrs. John Mitchell, Mrs. J. T. Keeton, Mrs. Alice Baker, Mrs. Allena Westerman, Miss Marian Gibson and Miss Fay Strother.

Mr. and Mrs. P. C. Perner have moved to the ranch in this county after young Perner received an honorable discharge (medical) from the Army Air Corps. A "football knee" resulted in young Perner's discharge, an injury suffered in his final game as a Senior student in Ozona High School, with only six minutes of play left in the ball game.

Joy Coates, daughter of Mr. and Mrs. Fleet Coates, and a student in Texas Christian University in Fort Worth, is spending the week between terms here visiting her parents.

**Miss Genora McCollum Sgt. John Whatley, Wed**

Word has been received by friends here of the wedding of Miss Genora McCollum and Sgt. John D. Whatley, which occurred in Wichita, Kans., on October 13.

Mrs. Whatley, a daughter of Mr. and Mrs. Earl McCollum of Teakana, was formerly employed at Hancock's Cafe here and recently has been employed at Hancock's. She has been employed in a war plant in Wichita. Sgt. Whatley is a son of Mr. and Mrs. J. S. Whatley, former Ozonans, and is stationed at Dover, Delaware, with the 386th Fighter Squadron, U. S. Army Air Corps.

Miss Ann Amthor, Junior High teacher, and Sue Beasley will spend the week-end in San Saba, Miss Amthor to visit her parents, and Sue to visit an uncle and aunt.

John R. Bailey is confined to his home recuperating from injuries suffered Tuesday when he fell from a step ladder at his ranch near Roosevelt.

**Martin's PHENOTHIAZINE DRENCH**

With the shortage of ranch hands it is highly important to prevent worm infestation in sheep and goats early to prevent losses later. Regular drenching with MARTIN'S PHENOTHIAZINE DRENCH has been found highly effective in removing stomach and other destructive intestinal worm parasites in sheep and goats. Drench your animals NOW before winter sets in, with MARTIN'S PHENOTHIAZINE DRENCH so that they will be free and healthy for the spring lambing season.

**MRS. WESTERMAN RETURNS**

It certainly is good to see Mrs. Westerman back. She has come back to take Miss Katherine Strother's place as H. E. teacher. Miss Strother left last week for Freeport, Texas, where she will be in the employ of the Dow Chemical Company. Mrs. Westerman is here to replace her and resume the duties she left at the school ended last May. Welcome back to O.H.S., Mrs. Westerman.

### From the Mail Box—

Roy went traveling "high cotton" this week-end, up Oklahoma way. Maybe the stationery was just for effect; but it had a letterhead of the Oklahoma Biltmore Hotel, and it didn't look like any shack. It wasn't enough that he was basking in the luxury of observation cars, Beauty-rest mattresses, and chicken dinners topped off by twenty-five cent cigars, but he had to rub it in by getting himself swept off his feet by a good-looking blonde.

Bill's address for the present is Pvt. Williams J. Carson, A.S.N. 3844273, C.E. Recp. Center Detachment, 1852th Unit, Fort Bliss, Texas. He is in a special training unit that teaches the new recruits how to march. He received such instruction N.M.M.I. Soon he will be transferred into the Army Air Corps for his Cadet training.

Another ex who is seeing a lot of country is Bud Cox. The last time he visited New Orleans he was with the Ozona Lions; this time with the S.M.U. Mustangs. He met an old rival in the Rice game, Johnny Cox from Junction. If it were not so trite, this would be a good time to quote, "It is such a small world, isn't it?"

**DEAR "MAIL BOX",**

You don't know how much I enjoy your column on the exes who have gone away from the best high school in the U.S. No kidding, that's what it means to me, and it will to you after you leave it. The "mail box" gives old "exes" a chance to feel as if we still have a part of the "Lions Roar" of our own. It's a grand idea and do keep up the good work.

Congratulations on the "Lion's Roar." It, I believe, is the best in a few years, and oh, how Mary and I enjoy reading it. We get it every Monday up here and it is welcomed! You're doing a swell job.

We've been having hard luck

with our football team. (By "we" I mean Ozona; I still like to think that I'm a Lion); but we'll get going pretty soon. We still have to play Eldorado and Sonora. I know we'll beat one of them. All I can say to the football boys is to keep going with all you have; don't ever give up, keep tackling and blocking hard, and above all listen to Coach Sikes; he knows football from A to Z and that's no lie. I know you're small and inexperienced, but keep going and hit one last lick against Eldorado or Sonora for an old quarterback and all the rest of the boys in that "Dream Team" of the last two years. We still are behind you. Take extra pains with your blocking, because I know, now, that it is the most important thing in football. Keep playing along; you'll get a break. Good luck.

Take care of home for me; you don't know how good it will look to me on about the 20th of December.

An old "ex",  
Bud Cox

P. S. I surely would like to hear from some of you. I promise to write an answer to them all within a week. Here's hoping??

**COGITATIONS**  
By Joyce West

Thanks for the party, SOPHS; everybody had a wonderful time. JOSEPHINE COWBELL was one of the most popular girls at the party. "She" is a very attractive young lady. Why did BARBARA get so embarrassed when her shawl "accidentally" fell off? NAN doesn't trust anybody; she takes a knife on dates now. JAMES seems to have had a good time in Eldorado Friday. That BILL WILKINS really gets around; he took RUTH to the party and DORIS to the show. DAPHNE longs for the 866th Squadron to come back to Ozona. BYRD gets embarrassed when NAN whistles at him in Study Hall. What petite blonde has been showing renewed interest in what older gentleman and associate? (You figure it out!) "RUTHIE"???? Two "exes" are home for a week between terms. ETHEL MAYES from Southwestern, MARY PERNER, from S.M.U. DORIS BEAN and MUGGINS DA-

VIDSON had two lieutenants in DORIS' car last Monday night; they took them on a personally conducted tour of Ozona. LOUISE ARLEDGE calls BILLY WOMACK, "LIL ABNER." Who is "Daisy Mae?" The fortune teller told CARLTON SMITH to ask JOE PERRY who his best girl is. It seems that CARLTON doesn't know. The freshmen learn early; MAX and CORINNE were holding hands in the show Sunday.

**SOPHOMORES ENTERTAIN**

Screams and yells, music and laughter, and weird voices issued forth from the courthouse last Friday night to tell the passer-by that there were big "goings-on" inside.

It was the scene of the Sophomores' Halloween party. Inside many high school students, costumed for the occasion, were thoroughly enjoying themselves. Just to start the evening off right everyone visited the spook house and were scared out of their wits so they could shake all the rest of the evening. The boys had a hard time biting apples hanging on a string. The highlight of the evening was crowning of the King and Queen of Halloween. They were chosen by judges for the best costume. All the ladies in their finery paraded before the judges and Madame Josephine Cowbell was chosen queen of the evening. She was introduced by Mr. Sikes. The king, who was chosen from a group of highly dressed boys, was El Capitan Willy Billkins, the pirate. He was also crowned by Mr. Sikes. The king and queen then led the next dance and everyone joined in to finish the night dancing.

Thank you, Sophomores, Miss Moore and all other helpers for a very entertaining evening.

### HEARD—

That Miss Heaton was out with two soldiers last Friday night and one on Saturday.

That Rosalie Lemmons is interested in a certain young man that works for an Oil Company. Incidentally, his last name is Wright. Hmmm.

That Mrs. Westerman is back to take up her old job as H. E. teacher.

That Geometry is a snap course. (Just wait till I catch up with the person who told me that.)

That there are also some other teachers that have been seen with soldiers. (Who's willing to give me a dollar to keep me from mentioning names?)

That the high school wants to take this opportunity to thank Miss Ann Anthor for the pumpkin that brightens the study hall.

That everyone enjoyed the party that was given by the Sophs last Friday night.

That the government needs money for tanks, guns, ships, airplanes and many other articles of war, so buy WAR BONDS and STAMPS.

**SOPHOMORES PRESENT PROGRAM**

With the idea of presenting the shoe rationing problem and its solution to the world at large, last Thursday the Sophomores, under the direction of Miss Moore presented a skit on the subject.

The scene opened with "The Old Woman Who Lived in a Shoe" (character by Doris Bean) growing gray-headed with worry not only about keeping her numerous children shod but about the housing problem caused by shoe rationing.

The children decided that it was up to them to help their "poor old mother" out of a pretty tough spot. "Little Bookworm Wilkins" presented a bit of brilliant oratory stressing the problems of shoe rationing. Evidently inspired by the moving words of "Little Bookworm," Luther Burbank McDonald, child prodigy in the field of horticulture hit upon a great scientific discovery. Stuttering out his plans, he called for a flower pot and in it planted two shoe

Reddy: That's the way we're spending our wages.

You: What are your wages, Reddy?

Reddy: Your electric bill, the small sum you pay me for the jobs I do for you daily.

You: But just how do you convert them into forts to send over Berlin and Tokyo?

Reddy: Like this: Fifteen cents out of every dollar you turn over to me my company turns over to the federal government as taxes—which in terms of the entire industry means over 400 million dollars. And that's ENOUGH TO BUY MORE THAN 1,500 GIANT BOMBERS—at a quarter-million each!

You: That's really blastin' 'em!

Reddy: Altogether from every dollar you pay us, we pass along 3¢ more for local and state taxes—which totals about 24¢ out of every dollar.

You: But how do you manage?

Reddy: By business management under free enterprise—that's how!

THAT SYSTEM is supplying the brains, the know-how and manning the production lines that turn out the 1500 Forts!

The latter showed the writer a dozen of the "top kind" at his ranch that he will take over the Big D . . . a story of over-stocking the range, told by an Eldorado ranchman: In 1942 he stocked with 220 breeding ewes, paid a feed bill of only \$125 and realized 153 lambs, averaging 61 pounds, selling for \$995. Death loss was 12 ewes. In 1943 he stocked with 370 ewes, realized 216 lambs, averaging 46 pounds, bringing \$951. Death loss was 30 ewes. Don't overstock your range, he advises.

stered the only defeat of two seasons suffered by the Lions—an inglorious 20-2 defeat—and it was that defeat which led to declaration of a co-champion for the district.

Now the situation is reversed and the Lions hope to do something about it. Eldorado this year is pounding along the glory trail, so far undefeated in district combat and only a win over Ozona to make them undisputed district champions.  
And the Lions are pointing this week to avenge those trippings by the Eagles of championship-bound Lions of past years. They have spent the week studying the plays executed by the Eagles in their slam-bang game last Friday afternoon against Mason. The Lions Coach L. B. T. Sikes scouted that game and came home with something for his lads to chew on in the way of information, hopeful that some inkling of the strength of the opposition might be helpful to them in their determination to wreak revenge on the Schleich-

er lads.  
Fresh from a two-weeks rest since their jinx-ridden loss to Menard, the Lions will have their full strength for the Eldorado tussle. Jimmy Read, who suffered a shoulder injury that took him from the Menard game with six minutes to go—six minutes in which the Jack-ets piled up three touchdowns—will be ready to go in next Saturday's game. Ira Yancy, freshman backfield substitute, out the last two games because of an infection in the hand, will also be able to play.  
Although woefully short on reserve strength, the Lions hope to make up for this deficiency with a full measure of determination, a finely-tuned and coordinated team, and a fine bunch of lads in top physical condition for the gruelling test.

"Baby Mugs" (Davidson), clad in a long white nightgown and carrying a baby-blue "dolly" around with her lisped approving remarks as to the wisdom of the various proceedings.  
Several times during the skit "Little Burbank" reappeared with his growing "shoe tree", at first only a small sprout with a few baby shoes hanging from it until finally, with the aid of a wagon managed to bring in his shoe tree bearing fruit of all sizes and colors, still calling for the attention of "Uncle Sam."  
More power to "Little Burbank." Perhaps soon with the aid of his great work America will cease to be a "Barefoot Nation."

She is lively, enthusiastic and likeable. Not being able to center all of her excessive energy on one phase, she takes an active part in all of the extra-curricular activities. In fact the band and pep squad are more vital to her than the doing of the Anglo-Norman Period and the realistic trend of modern poetry. When she gets bored with school which is quite often, she takes a turn or two around the block on her horse. Dancing runs a close second to riding as her favorite pastime. But whether it is studying or playing, she sings all the time. Physics is the only thing that has ever stumped her. To quote Mr. Sikes, "She can do anything; there will never be another like her."
