Big Lake Owls Admitted To 8B Football Dist.

Schedules Made At Executives Meeting At Sonora

Big Lake High School Owls will compete in District 8B football circles with the coming of the 1941 gridiron season as a result of action of the district executive committee meeting in Sonora last week-end. Application of the Big Lake school for membership in District 8B was accepted by the committee and scheduled for the new season were drawn up.

With admission of Big Lake in to the district, the following teams now compose the loop: Big Lake, Sonora, Ozona, Junction, Eldorado, Menard, Mason and Rock-springs.

Big Lake has held membership for several years in District 7B, composed of teams at Rankin, Iraan, Grand Falls and other towns in that area.

The district executive committee, composed of superintendents of member schools, adopted a resolution favoring modification of the 8 semester rule to allow a boy to participate in athletics provided he is under 18 years of age on September 1 even though he has attended school 8 semesters, which now bars him regardless of age. The 19-year age limit in Class A and B schools would be allowed to remain.

The executives also went on record as favoring a regional play-off after the bi-district championship for Class B schools. Attending the meeting from Ozona were Supt. C. S. Denham and Coach Dan Patterson.

The 1941 district schedule for the Ozona Lions was arranged as follows:

- Sept. 27—Junction at Junction.
- Oct. 4—Big Lake at Ozona.
- Oct. 11—Rocksprings at Ozona.
- Oct. 17—Menard at Menard (night)
- Nov. 1—Mason at Ozona.
- Nov. 11—Sonora at Ozona.
- Nov. 22—Eldorado at Eldorado (tentative).

New 1941 Auto License Plates Received Here

New Numbers Begin at 237,001; Go On Sale March First

Shipment of new auto license plates for 1941 have been received at the sheriff's office here.

Passenger car numbers for Crockett county begin at 237,001 and end with 237,750, this county's initial allotment being 750 numbers. This number is usually supplemented near the end of the year, when the original shipment is exhausted.

The rise from the 1940 numbers, which started at 229,000, indicates a heavy increase in auto numbers over the state. Plates are distributed to counties alphabetically, and the new numbers indicate an increase of 8,000 to the few counties ahead of this.

Passenger plates will have orange letters on a black background. Farm license plates, which begin at 127,351 and end at 127,550 in this county, are the reverse of the passenger plates, black letters on an orange background. Commercial plates are the same color combination as the farm plates. These numbers for this county begin at 339,951 and end at 340,200.

Technically, the plates may be sold beginning February 1, but they can not be placed on cars until March 1. It is the usual custom to offer the plates for sale here beginning March 1. They must be placed on cars by April 1.

West Texas Baseball Fans Will Mince Them—

Death Ends Unique Friendship Of Two Men When Ernest Zips, 68, Resident Of Crockett Co. 35 Years, Dies In Del Rio

Death reached in early Wednesday morning to bring to an end a 20-year-old companionship between two old men, one of the most unusual friendships in West Texas annals.

When death came suddenly in a Del Rio hospital at 2:30 Wednesday morning to Ernest Zips, 68-year-old bachelor ranch owner of Crockett county, it marked the end of 20 years of a unique friendship, companionship, comfort and security for Tucker Hughes, "Uncle Tuck" to the many friends of the two in this section of West Texas.

It was 20 years ago that this strange companionship had its inception. Uncle Tuck, unattached, in effect, alone in the world and without encumbrances of worldly goods, and Mr. Zips, himself a bachelor, but with a 6-section ranch, a comfortable income and a home, became acquainted. Uncle Tuck needed a home and Mr. Zips desired companionship—each found the other to his liking—and so the friendship that was destined to last "until death" was born.

Weakened by a recent attack of flu, Mr. Zips died of a heart attack soon after reaching the Del Rio hospital. Dock Lee, who leases the Zips ranch land on which the two old men made their home, took the sick man to the Del Rio hospital Tuesday when he found that he was not making satisfactory recovery from the flu attack. The heart attack, which doctors said was brought on by the weakening effects of flu, ended Mr. Zips' life early Wednesday morning.

The body was taken overland from Del Rio Wednesday to Nugent, Texas, near Abilene, where funeral services are to be held at 2:30 this afternoon (Thursday). A number of Ozona friends are expected to attend the services. The body is to be buried beside that of Mr. Zips' father and mother.

Mr. Zips was born June 19, 1872, in Waco, where his parents lived for a time after first coming to Texas. Mr. Zips' father was a native of Germany, coming with his parents to this country when he was 12 years old. The family moved to Jones county when Mr. Zips was 5 years old and there he grew to manhood. There were four boys and one girl in the family. The only surviving member of the immediate family is one brother, John Zips, who makes his home on the old farm in Jones county where the children were reared and near which the father and mother are buried.

Mr. Zips came to Crockett county in about 1905. He worked for a time for the late W. P. Hoover, Crockett pioneer rancher, and homesteaded state school land. In this manner he acquired six sections of ranch land which he owned at his death.

Ranges Drenched In Ideal Winter Rain Over County

Nearly Inch Of Moisture Here; Heavy To West and North

Heavy rains, ideal wintertime fall, drenched a big area of West Texas range country Monday to further brighten already glowing prospects for a good year in the livestock business in 1941. Early contracting of the 1941 wool clips, calves being contracted at 10 and 11 cents, and reports on 10-cents lambs being talked—and now a soaking rain, following by warm weather to promote maximum benefits from the moisture in producing winter feeds—that's the cheering prospects for the rancher.

The Monday downpour here was gauged at .91 of an inch, with the fall being that much or more over a wide scope of country to the north and west, and heavy rains also reported to the south. Sonora, Eldorado and towns further east reported scattered showers.

Income Tax Deputy Collector To Help With Returns Feb. 25

Earl E. Morgan of San Angelo, deputy collector of Internal Revenue, will be in Ozona at the Hotel Ozona from 8:30 a. m. to 4 p. m. on February 25 to assist Ozonans in making out their 1940 income tax returns, according to an announcement made by W. A. Thomas, Collector at Dallas.

The new income tax law contains many changes which will result in a large increase in the number of persons making returns. For this reason, the collector is making available the services of the deputies in assisting citizens without charge in making out their returns.

SPEAK AT ASSEMBLY

J. D. Moss, minister of the Church of Christ, will speak at the assembly hour in the high school auditorium this afternoon. After the talk, the remaining part of the program will be given over to announcements of plans for the 10th annual Basketball Tournament Friday and Saturday.

Construction work is under way on a new frame house for Mr. and Mrs. Bill Littleton. The new home is being built on a lot just west of the home of Mrs. B. B. Ingham.

Mrs. Colwick Is Named President Of Woman's Club

Officers Elected For 1941-42 Season At Tuesday Meet

Mrs. Carl Colwick was chosen president of the Ozona Woman's Club for the 1941-42 season when the club held its annual meeting for the election of officers Tuesday afternoon at the home of Mrs. Hubert Baker.

Other officers elected were Mrs. Stephen Perner, first vice president; Mrs. B. B. Ingham, second vice president; Mrs. W. R. Baggett, recording secretary; Mrs. A. C. Hoover, corresponding secretary; Miss Elizabeth Fussell, treasurer; Mrs. N. W. Graham, historian, and Mrs. A. E. Deland, parliamentarian.

The new officers will be installed at the final meeting of the club in May.

Miss Elizabeth Fussell and Mrs. Colwick gave reviews of a book on the life of Robert Louis Stevenson as the program for the day.

Present were Mrs. Joe Oberkamp, Mrs. W. R. Baggett, Mrs. Hubert Baker, Mrs. George Bean, Mrs. Colwick, Miss Fussell, Mrs. N. W. Graham, Mrs. B. B. Ingham, Mrs. Stephen Perner, Mrs. P. T. Robison and Mrs. M. Johnson.

FOURTEEN TEAMS ENTER OZONA'S TENTH ANNUAL BASKETBALL TOURNEY

Opening Game at 9 o'clock Friday Morning; Morning, Afternoon And Evening Sessions Slated Both Days

Fourteen teams, the largest number ever to enter Ozona's basketball tournaments, are lined up for the opening of the tenth annual tournament to be reeled off Friday and Saturday of this week in the High School gymnasium.

As a result of the record entry of teams, the two-day meet this year will be a full schedule starting at 9 o'clock Friday morning, with sessions Friday morning, afternoon and evening and Saturday morning, afternoon and evening.

Drawing for the first round games took place Monday afternoon at the Ozona National Bank. The opening game at 9 o'clock Friday morning will be between Big Lake and Sonora, to be followed at 10 o'clock by Christoval against Grand Falls. McCamey vs Flat Rock, a newcomer in the local meet, starting at 11 o'clock will polish off the first morning's session.

At 1 p. m. Friday, the first second-round game in the consolation bracket will be played between the losers of the first two games in Friday morning's session. First round games resume at 2 p. m. with Junction and Eldorado matched. Then at 3, Iraan and Rocksprings tangle, and at 4 Barnhart and Wink, the latter also appearing for the first time in the local tourney. Ozona is matched for its opening game with Fort Stockton at 6 p. m. Friday. Both Ozona and Fort Stockton teams go directly from the opening round to the semi-finals as a result of the drawings, the winner going to the championship semi-finals and the loser in the consolation direction.

An exhibition volleyball game between girls teams of Ozona and Big Lake will open the Friday night session starting at 7 o'clock, to be followed at 8 by a quarter-final game between winners of the McCamey-Flat Rock and Junction-Eldorado tilts.

Quarter final games in both brackets will occupy the Saturday morning session and at 1 o'clock Saturday, the last of the quarter finals. Semi-finals will be run off Saturday afternoon and evening, with the consolation championship final at 7 o'clock and the championship final at 8.

Admission charges for each session, morning, afternoon and evening, will be 10 cents for grade school children, 20 cents for high school students, and 35 cents for adults. No season tickets are to be sold. Gate keepers will be Harold Keeton and Fats Thurman, with Miss Mildred North as cashier.

Clyde Parks of Fort Stockton will referee the tournament games with L. B. Sikes and Guinn Caruthers as relief officials. Scorekeepers will be Sikes, Caruthers and W. E. McCook.

Continuing the tradition established by Mrs. Joe T. Davidson of entertaining visiting coaches and men of the faculty, a smoker will be held in the Homemaking department rooms following the close of the Friday evening session. Refreshments for the occasion will be prepared by girls of the department.

FORMER OZONA GIRL HONORED AT COLLEGE
Madye Jo Bailey, daughter of Mr. and Mrs. Albert Bailey of Candelaria, Texas, and granddaughter of Mr. and Mrs. John R. Bailey and Mr. and Mrs. J. R. Kersey of Ozona, has been picked among the 15 outstanding girl students at Stephens College in Columbia, Mo., friends here have learned. This honor was bestowed on the former-Ozona girl out of a student body of 1700 girls attending Stephens.

Mr. and Mrs. Bill Littleton and Mrs. B. B. Ingham spent several days last week in San Antonio.

Coach Dan Patterson, above, Ozona High School coach, will be a busy man these next two days, what with coaching his basketball boys through their efforts to cop their own tenth annual tourney and playing host to coaches and players from thirteen other West Texas towns here for the tournament.

Over 100 Garments Go In 150 Pound Red Cross Shipment

Shipment of a package which weighed 150 pounds and contained more than 100 garments destined for the relief of civilian war sufferers in England, mostly women and children, was made last week by the Crockett County chapter of the American Red Cross.

The garments were made by a corps of local women workers who volunteered their services in knitting, sewing and crocheting the Red Cross materials into garments for war sufferers abroad. Shipment was made by the local chapter, which paid \$12.58 freight charges on the shipment, to Jersey City, N. J., from whence it will be sorted for inclusion in relief shipments abroad.

Included in the shipment were 40 sweaters, 25 girls dresses, 10 ladies' dresses, 20 hospital garments and 10 layettes. A new quota has been assigned the local chapter, which calls for 12 bed shirts, 28 sweaters, 8 crocheted shawls, 10 knitted caps or beanies, and 5 knitted shawls. Material with which to complete these garments has not arrived, Mrs. Jimmy Blaylock, chairman of knitting, has announced, but is expected soon and volunteer workers will be assigned the work in order to get it out as soon as possible.

Nearly 100 local women participated in the knitting and sewing work for the Red Cross garment production. Mrs. Blaylock headed the knitting division and Mrs. Hugh Childress the sewing. Red Cross reports indicate that more than 2 million garments had been made by American women up to December 1 of last year, with over a million of them already shipped abroad.

FBI PAYS DIVIDENDS . . .

In these days when the safety of our country is dependent on preventing sabotage and subversive activities, it is heartening to see some of the results disclosed in the report which J. Edgar Hoover, director of the FBI for the past sixteen years, submits annually to the Attorney General.

The current report has just been released and discloses 5,605 convictions in FBI cases during the year, or 96.46 per cent of the cases investigated. Of the 182 kidnappings since they were made Federal violations, 180 have been solved, while the other two are under active investigation. These are but examples taken from the wide field of activity of the FBI, which should be strong deterrents to crime.

On the national defense angle, the reports says: "Since the outbreak of war in Europe, there have been no acts of sabotage in our country attributable to foreign agents."

While operating on the amazingly small sum, as government expenditures go, \$7,300,000 annually, the FBI returned to the government last year \$58,390,180.64 in actual fines, savings and recoveries, or \$8 for every dollar spent.

Well — When? . . .

"The Italian army is terrible when aroused," writes Fascist editor Gayda. The results in Albania and Libya seem to indicate that Signor Gayda meant it was—well just terrible. — Christian Science Monitor.

It's quite obvious that those Norwegians don't like Hitler. They won't award a Nobel peace prize this year, after all he has done to preserve and restore the peace of Europe. — St. Louis Post-Dispatch.

LIVING DEATH AS REMEDY?

"In war or a huge defense program like ours there are two directions which we might travel," writes W. Randolph Burgess of the National City Bank of New York. "One is to copy the authoritarian methods, to become ourselves a socialist state in the sense that the government would be given absolute control over the life of the people. It is appalling to discover how many are willing to adopt that sort of solution for the present problems of the United States."

That solution means death—death for liberty, for free enterprise, death for everything this country stands for. Its advocates are wily and insidious. While they urge measures that would destroy our free institution, they say that they are urging them in the name of democracy. But they would like to out-dictate the dictators.

What proportion of Americans will swallow that bogus philosophy? History tells us that free peoples have always outmatched oppressed people in every field of action. Government may need special powers in critical times, but it is not necessary that those special powers be designed to destroy democracy in the name of preserving it. Such powers, when granted, should be definitely limited in time.

These Slain . . .

Der Tag has turned out to be a game of tag on the Italian fronts, with mounting thousands of Il Duce's duces becoming "you're its." But elsewhere military casualties, and prisoners taken, are not synonymous. The Metropolitan Life Insurance Company has turned its morality experts upon the war deaths to date, and finds that it is still a bit safer to be a civilian, and there have been about 300,000 military deaths compared to something more than 100,000 civilians slain, including women and children. Nor have most of these innocents been English—not yet, at any rate. Figuring on square miles and population density, the most dangerous thing to have been in this war so far is a Pole—as 50,000 Polish women and children, with some civilian males, were killed in Warsaw alone. In history, Warsaw almost means massacre, but the 1939 slaughter was probably greater than the sum of all the butcheries by Suvarory, Paskievitch and other baby-killers who made "peace reign in Warsaw" a scorching phrase for the orators of all languages. British civilian deaths reported up to November were 20,000, compared to only 1,117 killed by airplanes and Zepelins in the four years of the World War. The death in Rotterdam at 30,000, which is at complete variance with the "smooth-it-away statistics given out by the Germans when they finally got around to admitting that the whole heart of the city had been wiped out in a few minutes. Figures like these are sickening yet the world takes them with a coolness that is

Successful Revival Of Methodist Church Is Closed Wednesday

A revival meeting which has been in progress the past ten days at the Methodist church came to a close with services at the church last night.

Described as one of the most successful in recent years, the meeting was conducted by the Rev. John Donaho, pastor of Oak Lawn Methodist Church in Dallas. Song services were directed by the Rev. Milton Bohmfolk, pastor of the church at Merton. Splendid attendance marked services throughout the meeting, according to the pastor, Rev. Eugene Slater.

Mrs. U. M. Sanderson of San Saba arrived yesterday to spend a few days visiting her daughter, Mrs. G. L. Neersta, and Dr. Neersta.

also somewhat sickening. The first night raid in 1914, a world-wide horror that far exceeded the emotional reactions produced by the massacres of Warsaw and Rotterdam. We have made progress since 1914 that should presently restore to modern man the stoicism of Genghis Khan or Tamerlane. And we may need it, at that.—Chicago Daily News.

Cleophus Cooke Is New Market Owner; To Open Saturday

Cooke's Market comes into being in Ozona again this week after being absent from the business picture of Ozona for more than five years.

Cleophus Cooke this week took over by purchase the stock and fixtures of the Ozona Market from Preston Williams, who has operated the business the past two years. The store is being remodeled and new stock added this week preparatory to opening for business Saturday of this week. A new refrigerated meat case was installed Wednesday and the store interior is undergoing a complete renovation. The new owners plan a formal opening party the end of next week, when representatives of leading food distributors will be here to assist with refreshments for customers.

Cleophus Cooke is a son of R. J. Cooke, pioneer Ozona meat market operator and originator of the famous Cooke barbecue and the patented barbecue house in which it is prepared. The elder Cooke operated a meat market here more than 35 years before selling out in 1935 to Mack Benge of Sterling City, who added a grocery line to the business. Preston Williams bought the business two years ago from Mr. Benge and operated it until the sale last week to Cleophus Cooke.

WINTER PARTY

Winter was the theme of a party given Saturday afternoon at Rendall's Drive Inn by Mrs. Joe Sellers Pierce, III, for members of the 20th Century Club. Miniature snow men were used in decorations and refreshments. Ice cream and cookies in the shape of snow men were served with coffee.

High score prize went to Miss Mildred North and second high to Mrs. W. E. McCook. Mrs. Earle Chandler drew the bingo award. Others present were Miss Wayne Augustine, Mrs. Jake Miller, Mrs. Miller Robison, Mrs. Bill Childress, Mrs. Joe Clayton, Mrs. J. B. Miller, Mrs. Jesse Marley and Mrs. Pleas Childress.

Gift Shower Given By Missionary Group

Mrs. Lowell Littleton was hostess to members of the Baptist Missionary Society Wednesday afternoon at a social and gift shower honoring Mrs. G. L. Nesrsta.

The Valentine motif was carried out attractively with flower hearts made of violets and jonquils placed at vantage points for house decorations. The refreshment table had as a centerpiece a heart made from these flowers from which ribbon streamers led to Colonial nosegays. One of the flower hearts used in room decorations was accented with a Colonial figurine holding a bouquet of flowers.

After a game of hearts, refreshments of strawberry shortcake with whipped cream and coffee were served to Mrs. J. S. Whatley, Mrs. Clyde Childers, Miss Maybelle Taylor, Mrs. Claud Pharr, Mrs. S. L. Butler, Mrs. M. E. Corbell, Mrs. U. M. Sanderson of San Saba, Mrs. G. L. Nesrsta, Mrs. Ben Williams, Mrs. M. Johnson, Mrs. Leo Baucom, Mrs. R. F. Donaho Speaks To Woman's Society

Members of the Woman's Society for Christian Service of the Methodist Church heard an inspiring talk by the Rev. John Donaho, Dallas minister who conducted the revival meeting which closed at the church last night, when the society met at the church Wednesday afternoon. Rev. Donaho's subject was "Keeping Our Ideals."

Mrs. Alvin Harrell, president, presided at the session. Responsive reading was led by Mrs. Eugene Slater. Music was furnished by Mrs. Stephen Perner. Present were Mesdames Harrell, E. B. Tyrone and Linda Featured In "Mark of Zorro" Tonight

When dashing Tyrone flashes on the screen of the Ozona Theatre tonight the jagged "Z" that is the sword mark of the great California bandit in 20th Century-Fox's "The Mark of Zorro," every fan in the audience will realize that he is experiencing the move thrill of his lifetime!

For what is undoubtedly the most famous and colorful of all screen roles—the characterization that brought Douglas Fairbanks undying fame—is also the perfect role for Tyrone and it marks what is unquestionably the greatest triumph of his career.

And Linda Darnell, who is featured opposite him, has never looked lovelier or appeared to greater advantage.

The story is the famous and exciting tale of the night-riding masked avenger who flourished in the most exciting days of Old California, leaving behind the jagged sword mark that struck terror to every heart but one, that of the beautiful and gentle senorita who gave him her love.

Freshmen — Gym Floor

It seems very hard for some students to realize that the finish on the gym floor is put on the floor for a purpose. The smooth surface is being trampled beneath heavy, leather-heeled shoes. Most of the students that I have seen running or walking on the gymnasium floor with street shoes on were freshmen. This fact lowers the freshmen's standard quite a little. Then, also, I have seen a few students from each of the other three classes in the high school on the floor, wearing this kind of shoe.

The seniors and juniors are more careful about this sort of thing, however, than the other grades in the entire school system.

The week the gymnasium floor has been refinished by Mr. Casbeer, the school janitor. It is in very good condition for Ozona's annual basketball tournament, if only the students will keep it that way.

I am sure that not one of the students would conscientiously ruin this floor by sliding on the finish with hard-heeled street shoes. I believe, and certainly hope, that the students are doing this damage to the hard-wood floor unconsciously.

Not long ago a man was trying to persuade Mr. C. S. Denham, superintendent of the Ozona Public Schools, to sponsor a donkey basketball game in the local gym. I was very proud that Mr. Denham told the man the following: "I don't believe that the enjoyment of the donkey basketball game would equal the damage done to the floor."

Let us take Mr. Denham's message with us as we enter the gym and stay off the floor, unless we have tennis shoes on or otherwise spongy-soled shoes.

GRADE SCHOOL NEWS

Second Grade—

The Pig Family
Tom Mitchell and Melvin McIntire drew a pig family on the Second Grade blackboard. Tom drew the mother pig and he drew the father pig and the baby pig. Melvin drew the grandmother and the grandfather pig.

A Rabbit Story
Tom Mitchell gave Dorothy Dell Fennel his white rabbit. Dorothy Dell likes the white rabbit that Tom gave her.

Glenn Capps
William hurt his knee this morning. Judy and Glenn bandaged it. Then William got sick and went home this morning.

The Citizenship Club
We have started our citizenship club again. We chose the president of our citizenship club. The president was Billy Joe Kemp. The vice-president was Ralph Cabanes, and the secretary was Ray Piner.

Billy Ray Graves
Mrs. W. R. Cabanes, our room mother, talked to all of the third grade mothers and told them to be sure to come to P. T. A. All of them did not get to come, but we won the two dollars. We haven't decided what we are going to buy. We are glad some of the mothers got to come.

The Song
Patsy made up a song. She colored the notes on it. We put sheep on it. She put a little winding stream in it, and some flowers on it; she named it "The Sheep".

Betty Jane Schwalbe
We have a theatre, and it is a very nice one. Some boys painted it. They made it green.

It is very pretty. Some of the girls made black curtains for it. We named it "World's Best Theatre".

Scouts Work For Merit Badges

Sixteen Boy Scouts are working for merit badges for dairying. To obtain a merit badge for dairying a Scout must: 1. Understand the management of dairy cattle. 2. Be able to milk. 3. Understand pasteurization of milk, and care of dairy utensils and appliances. 4. Test at least five cows for ten days each, with the Babcock test, and make proper reports.

The Boy Scouts who are trying to get this merit badge are: Bobby Lemmons, Bill Carson, Stanley Lemmons, L. B. Cox, Charles McDonald, Jim Ad Harvick, Calvin Williams, Burl Sparks, Leroy Barto, Arthur Byrd Phillips, Jimmy Reed, Chappo Morrison, Lowell Sweeten, Joe Corbell, Perry Hubbard, and Charles Ratliff.

Pingleton Returns After Illness

Cyril Pingleton, local bandmaster, was ill several days, during which time the band continued work under the direction of Mrs. H. B. Tandy.

Mr. Pingleton spent his childhood in Panhandle, Texas. Says Mr. Pingleton, "I quit school when I was in the fifth grade, but I started again at the beginning of the sixth year."

During Mr. Pingleton's freshman year in high school, he decided to take up music. The trombone was the instrument of his choice. Mr. Pingleton also played the baritone for a while.

In the spring of 1936, Mr. Pingleton graduated from the Panhandle High School. He then attended Hardin-Simmons University in Abilene.

After graduating in 1940, Mr. Pingleton, then only 21, came to Ozona to try his luck at directing a band.

Mr. Pingleton began working with the Ozona band students in September. The band has progressed normally since Mr. Pingleton's arrival.

Mr. Pingleton, being a person who easily makes friends, instantly won the heartiest friendship of his band pupils.

"I really enjoy directing the band," states the present bandmaster.

The students of Ozona High School sincerely appreciate Mr. Pingleton's direction.

Crane Girls Trample Ozona

The Ozona volleyball team entered the Reagan County Tournament at twelve o'clock on Saturday, January 26.

The Ozona girls played Crane, who won the game with a score of 39-20.

Those girls on the starting lineup were as follows: Mary Elizabeth Gray, Virginia Hays, Lottie Jo Owens, Joy Coates, Florence Luther, and Rozelle Pharr. The substitutes were as follows: Helen Mayes, Gem Ella Dudley, Ethel Mayes, and Mary Perner.

The Card

We are still studying about wool and we want a card to card some wool. If we don't get one, Mr. Piner will fix us one.

Ray Piner
Last Wednesday the third grade went to a school picture show. It showed fur animals. It was a good show. Miss Neal said we could see another one if we are good.

Fifth Grade—

Bill Hoover gave the fifth grade a treat Tuesday. He gave us candy. We enjoyed it very much.

We have been learning how to use the encyclopedia book. We are having a unit on birds. We have already read about feathers and beaks.

Sammy Sue Beasley

Sixth Grade—

Our new music teacher came to Ozona January 21 and started teaching Jan. 22. Her name is Miss Stuart. She is going to take up from where Miss Anderson left off. Miss Anderson left Ozona January 19, about 11:45. Mrs. Anderson came after Miss Anderson Saturday morning.

We are all very proud of our record of no "F's". We are all going to work hard to keep it up.

Doris Bean

The above picture shows the Seventh Grade in their room just before they had their Christmas tree.

The seventh grade home room teacher, Miss Zelma Scott, who teaches Social Studies in the Junior High School is from Gatesville, Texas, a central Texas town, forty miles west of Waco, which is noted for its State Juvenile Training School for Boys.

Miss Scott did her undergraduate work in Baylor University and is doing her graduate work in the University of Texas in the Department of History.

Besides going six weeks to the University of Texas in Austin this summer, Miss Scott spent a month in Gilchrist, which is on the Gulf of Mexico.

I asked Miss Scott what her favorite hobby was. She paused, then smiled, and said, "I guess school teaching is my favorite hobby."

She plays the piano and likes to try to play the trumpet.

Because Miss Scott likes teaching and is interested in the student body, she is doing much for the girls and boys of the Junior High School. She said, and I quote, "The seventh grade is working on a project right now, that we have planned for our mothers' entertainment."

"It is to be in the form of a colonial tea, scheduled for February 19, which is the culmination of a unit on social life of the colonial period. Each member is to be in costume and the class will dance the minuet. Both the colonial and modern Martha and George Washington will be there in person. This presentation also will be given in assembly."

Other activities of the seventh

A brand new romance has just begun! Three cheers for Juanita and Tom Ed. To them, there was no one else in the world except them (at the show Sunday). Judith, were you the chaperone?

Ah! Lamour, lamour! Only poor Pee Wee had no sooner than found it, and "the" red-head moved to Oklahoma. Don't take it so hard, Pee Wee, there are other red-heads.

This must have been the week for Lamour! Charles caught a new string of damsels at Big Lake, not counting the one who had a boy friend bigger than he was.

You didn't by any chance receive bawling out, did you, Herndon? More power to you Rossy, he really should have stayed off the whole game regardless!!!

Figure this one out for yourselves! Jim Ad was seen walking home with Priss Friday afternoon. Hummmmm!!!

Ethel was really doing all right in Big Lake, Saturday, until the "boy" turned out to be her cousin. Better luck next time, Ethel.

Ele, in case you don't know it, you have a jillion girl friend admirers that are very happy indeed to have you home—and I'm one of them.

Sixteen days until—heave or otherwise? Helen, why do you count the days until February 15? Jean's cousin couldn't have anything to do with it, could he? Incidentally, Jean's cousin is a nice guy to have around, isn't he, Puddin'?

Four poor sops. Mary, Sug, Ethel, and Joy will know next time NOT to order chicken for dinner.

Ireland Speaks To Ozona Scouts

On Thursday, January 23, at 7:15 p. m., sandwiches and cocoa were served to the Ozona Boy Scouts by their mothers at the Scout cabin.

The meeting was called to order by Wayne West, who led in the Scout Oath.

The investiture service was conducted by Rev. Clyde Childers. Mr. Nance took charge of the first part of the candle lighting service. He also gave the certificates of registration.

The tenderfoots received their badges, which were presented by parents and friends. Those receiving badges were as follows: Billy Sparkman, Calvin Williams, Lowell Sweeten, George B. Armentrout, Burl Sparks, Jimmy Read, Charles Ratliff, Arthur Phillips, Chappo Morrison, Joe Corbell, Perry Hubbard, and James Chapman.

Mr. Paul M. Ireland presented the Scout Charter to Mrs. Steven Perner, president of the P. T. A., who in turn gave it to Mr. Harvick of the Scout committee.

Mr. Caruthers expressed his appreciation to the parents and the committee.

Jim Ad Harvick adjourned the meeting with the Scoutmaster's Benediction.

The Scouts then went to the Methodist Church to hear Rev. Donaho speak.

Interest Grows in Tennis Tournament

More girls and boys are coming out for tennis every day as the days grow warmer. Mr. Sikes, the tennis coach, stated that opponents for elimination will be drawn about March 10 for our annual tennis tournament here.

"Girls and boys not playing volleyball or basketball may start and should start coming out as soon as possible," Mr. Sikes said. "Others will have to wait until these seasons are over."

The tournament will be of Senior boys and girls doubles and Junior boys and girls doubles. Seniors are students over 15 years of age. Juniors are students under 15 years of age.

As many invitation tournaments as possible are being planned with surrounding towns. The district meet is the main event to which to look forward. This is held some time in April.

Films Enjoyed by Homemaking Class

The Ozona Homemaking Classes enjoyed a two reel film entitled "Fashions in Foods," on Monday, January 27. The picture was in natural color. There were many recipes given with demonstration follow-ups, and a variety of menus were given on how to serve fresh fruits, avocados, and meats.

The picture was shown to the Home Economics I class, Homemaking III, and the seventh grade class members who are just beginning their food study. They plan to prepare many of the dishes in their laboratory soon.

Miss Kinney, the homemaking instructor, announces that there will be other films shown from time to time in connection with the units to be taught this semester. Among some of the most interesting are: "Yesterday, Today and Tomorrow", which is a film dramatizing the development of the preservation of foods which will be used in the Homemaking IIa class.

"Hidden Values", to be shown Feb. 11 for the Homemaking IIIb class, is a sound picture pertaining to various tests given to goods of every description, manufactured and sold. This picture will be used in connection with the classes' study on Consumer Buying.

New Pupil in Freshman Class

The Freshman class has a new pupil, Mildred Neathery. Mildred came to Ozona from Decatur where she had previously attended school.

Mildred is a small brunette. She is fifteen years old. Although she hasn't been here but two weeks, Mildred has found that Ozona is a very attractive city. She said, "I like Ozona very much, especially the school."

SENSES OWENS-MAYES

Felt; Everyone felt very tired after the games at Big Lake. Very scared; Eddy these blow outs do make you nervous, don't they? Everyone feels very small since "Man-Mountain" Thurman (Carl) has returned to school. Tasted; Some terrible water at Big Lake. Everyone was wishing he had some good Ozona water. A very good dinner at 2:00 for the volley ball girls. Felt; The poor little fish in the fish pond felt very scared when they saw Lila almost pushing Georgia into the pond. Heard; Phillip, Barhart road, John, P. C., and so on, Say Lila what is all of this about, anyhow? That "No. 11" on the Odessa team was very cute. If you don't believe us, ask two Sophomore girls, Miss Terry's calling Shorty Bill an infant. He does act as such, doesn't he? "Big brother's" parents fussing because he didn't have more dates. Most parents fuss over the opposite, eh Billy? Two boys at Big Lake trying to persuade two Ozona volleyball girls to have a cigarette. We know it wasn't to keep them from winning a game because they had just lost. Oh, well, it's a good way to get acquainted anyhow. Virginia's and Joy's yelling for "No. 28" on the San Angelo team. Good picking, girls. Seen; Mary's winking at boys in study hall. Shame on you, Mary. Mervin's curling Roy's hair in algebra class. Joe B.'s taking his choice of the Sonora girls at League, Sunday night. Better watch him, Bland. Bill's studying in study hall! Oh, but Mary was, too. Boochie's being at church, Sunday school, and League, My, but you are religious. Mr. Pingleton's running around lately. We are glad to have you back, Mr. Piny. Georgie and Alene at the picture show Sunday. Helen's robbing the cradle Sunday. These fish are O. K., though, aren't they, Helen.

SPORTS

by Trout

The Ozona quintett failed to "bring back the bacon" from the week, but, the 'Zona five did bring back a tale of sorrow!

The Crane five gained the long end of a 22-12 score against the Lions. However, the Golden Cranes were beaten by Imperial by a lopsided score of 26-12. (The Imperial crew beat Ozona by a score of 26-18 during the Barnhart tourney.)

The game was played at 8:30 Friday morning. The Lions must have been still sleepy, for they couldn't hit the basket at all. (Bobby Lemmons, Ozona regular guard, was sick when this contest was played; however, he is ready to play in the Ozona tourney next Friday and Saturday. Donald Wilson, Ozona's regular forward, is sick this week, and it is doubted that he will get to play in the Ozona tournament.)

The Ozona Tournament is slated for next Friday and Saturday. The drawings are as follows:

- Big Lake vs. Sonora, 9 a. m. Friday.
Christoval vs. Grand Falls, 10 a. m. Friday.
McCamey vs. Flat Rock, 11 a. m. Friday.
Junction vs. Eldorado, 2 p. m. Friday.

Students Attend Special Service

A message, especially prepared for the benefit of the high school pupils, was enjoyed by all those attending the Methodist Church last Thursday evening. Each class was asked to sit together with its sponsor. The Boy Scouts, coming from a meeting at the Scout cabin, were well represented.

Since the Methodists are holding their meeting this week, the student body was invited to attend every night. The speaker spoke also in assembly last Tuesday afternoon.

Echoes From The Library

by Florence Luther

Have you studied "Birds of America"? "Birds of America" is a reprint of one of the most famous bird books ever published. It consists of five hundred plates in color with brief descriptive notes. The plates are about one fourth the size of the originals.

There is today in the United States a very wide interest in the conservation of wild birds. This is manifested in the great interest which the public shows for bird protection, in the propagation of various game-birds on private and public properties, in the building and erection of numerous boxes for the convenience of nesting birds, and in the constantly increasing financial support given to the National Association of Audubon Societies for birds.

No one was injured. A report that car couplings had been tampered with is being investigated.

NOTICE OF ELECTION

THE STATE OF TEXAS
COUNTY OF CROCKETT

TO THE DULY QUALIFIED PROPERTY TAX PAYING VOTERS OF CROCKETT COUNTY

WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1:

NOTICE IS HEREBY GIVEN that an election will be held on the 21st day of February, 1941, at the Court House Building, in Crockett County Water Control and Improvement District No. 1, in accordance with the provisions and upon the question contained in the following resolution and order:

RESOLUTION AND ORDER

BY THE BOARD OF DIRECTORS OF CROCKETT COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1, CALLING AN ELECTION UPON THE QUESTION OF AUTHORIZING THE ISSUANCE OF REVENUE BONDS OF SAID DISTRICT.

IT APPEARING that on the 2nd day of December, 1940, the State Board of Water Engineers granted the petition of more than fifty persons owning land in he district, and upon hearing said petition, created and established Crockett County Water Control and Improvement District No. 1 and appointed J. W. North, J. D. Kirby, P. L. Childress, Jr., Boyd Clayton, and H. M. Phillips Directors for said District, and all of said Directors have taken the oath of office as such Directors and made bond as provided by law and that said Directors have organized as provided by law; and

IT APPEARING that on the 11th day of January, 1941, an election was held in said Crockett County Water Control and Improvement District No. 1 upon the questions of confirmation of the District and the election of Directors therefor, and that said election resulted favorably to the confirmation of the District, and that the same Directors appointed by the State Board of Water Engineers were elected; and

IT FURTHER APPEARING that on the 9th day of December, 1940, the Board of Directors of said District passed an order setting down a hearing for the exclusion of lands or other property from Crockett County Water Control and Improvement District No. 1, said hearing having been set down for the 13th day of January, 1941, and that said hearing was held on said date, but no petitions for exclusion were presented by the land owners in said District, and the Board of Directors determined that it was advisable to make no changes in said District by excluding any territory therefrom; and

IT FURTHER APPEARING that it is now proper and necessary that an election be ordered upon the question of issuing revenue bonds of said District;

IT IS THEREFORE RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF CROCKETT COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1:

That an election be held within and for said Crockett County Water Control and Improvement District No. 1, on the 21st day of February, 1941, for the purpose of submitting to the qualified property taxpaying voters of said District for their action thereupon the following proposition:

PROPOSITION

Shall the Board of Directors of Crockett County Water Control and Improvement District No. 1 be authorized to issue Waterworks Revenue Bonds of said District in the maximum amount of \$75,000.00, maturing serially or otherwise over a period not exceeding 25 years from their date, as may be determined by the Board of Directors of said District, and

bearing interest at a rate not to exceed four and one-fourth (4 1/4 %) per cent per annum, for the purpose of the purchase, improvement, construction, installation, maintenance and operation of a waterworks system, and to provide for the payment of principal and interest on such bonds by pledging the net revenues from the operation of such Waterworks System (and not from any levy, assessment or collection of taxes), as authorized by the Constitution and Laws of the State of Texas and particularly Chapter 25, General Laws enacted by the Thirty-ninth Legislature at its Regular Session, in 1925, and amendments thereto, including Chapter 32, General and Special Laws enacted by the Forty-Third Legislature at its Third Called Session, in 1934.

The said election shall be held at the Court House Building, in said Crockett County Water Control and Improvement District No. 1, and the following named persons are hereby appointed officers of said election:

E. B. Baggett, Jr., Presiding Judge.

R. A. Harrell, Assistant Judge.

Mrs. A. E. Deland, Clerk.

Mrs. Lowell Littleton, Clerk.

The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF WATERWORKS REVENUE BONDS AND THE PLEDGE OF NET REVENUES OF THE WATERWORKS SYSTEM FOR THE PAYMENT THEREOF, AS SUBMITTED IN THE PROPOSITION."

"AGAINST THE ISSUANCE OF WATERWORKS REVENUE BONDS AND THE PLEDGE OF NET REVENUES OF THE WATERWORKS SYSTEM FOR THE PAYMENT THEREOF, AS SUBMITTED IN THE PROPOSITION."

As to the foregoing proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

Only duly qualified electors who own taxable property in said District and who have duly rendered the same for taxation shall be qualified to vote at said election.

Such election shall be held and conducted and returns made to this Board of Directors in accordance with the provisions of Chapter 25, General Laws enacted by the Thirty-ninth Legislature at its regular session, in 1925, and amendments thereto, so far as the same make provisions for such election, and in matters not therein provided for the election proceeding shall be in accordance with the general laws of Texas. For the purposes of this election this entire district is hereby designated and declared to be one election precinct.

The Secretary of the Board of Directors shall obtain from the Tax Assessor-Collector of Crockett County a certified list of the qualified voters of said District and furnish same to the election officials; provided any person appearing to vote, who is not known to the election officers to be a qualified voter, or if his vote be challenged, he shall be required to subscribe and swear to the following oath:

"I do solemnly swear (or affirm) that I am a qualified voter and a property taxpayer in the District. I did not acquire property prior to this election for the purpose of voting, but am a bona fide property taxpayer in the District."

Said election officers shall make returns of said election to this Board within five days after the date of said election, and shall deliver the ballot box to the Secretary of this Board for safe-keeping.

A substantial copy of this resolution and order, or notice containing the same, signed by the President and Secretary of this Board of Directors shall constitute proper notice of said election, and the President and Secretary of this Board of Directors are hereby authorized and directed to cause such notice of said election to be given under the hand of the President and Secretary of this Board of Directors by publication of such notice once each week for four consecutive weeks in some newspaper having general circulation in said Crockett County, the first of which publications shall be at least twenty-eight (28) days before the date of such election.

The territory composing said Crockett County Water Control and Improvement District No. 1, is described as follows:

Beginning at the NE corner of survey 23, Block OP, the NE corner of the original Townsite of Ozona,

THENCE West 5280 feet to the NW corner of survey 23, Block OP,
THENCE South 5280 feet to the SW corner of Survey 23, Block OP,

Your Home Is What You Make It!

Make it a MERRY place or serious . . . make it a JOY to all who enter, or haven for only a few . . . make it HUMBLE or LUXURIOUS or transitional . . . make it LAVISH or SIMPLE . . . make it DAZZLING or SOMBRE . . . make it on a FORTUNE or on a BUDGET . . . but MAKE THE MOST OF IT, NOW.

There are weaknesses in decorations, furnishings and construction of most homes. Often just a few dollars spent judiciously will make a world of difference in the appearance of your home.

Why not check your home against the "Weak Spots" and then consult with us? . . . We will show you how to get the best quality and at the same time save you money

Twelve Boy Scouts Receive Tenderfoot Badges At Ceremony

Twelve boys were made Tenderfoot Scouts at investiture services held at the Scout cabin Thursday evening of last week. Paul M. Ireland, field executive for the Concho Valley Council, Boy Scouts of America, was here for the ceremonies and addressed the Scouts and parents briefly.

Investiture ceremonies were directed by Rev. Clyde Childers and Leslie Nance, Neighborhood commissioner. Members of the local Scout committee, representatives of the Parent-Teacher Association and parents attended the meeting. A committee of Scout mothers prepared refreshments for the evening, consisting of sandwiches, cookies, hot chocolate and coffee. Mr. Ireland presented the local Scout charter to Mrs. Stephen Perner, president of the P. T. A., who in turn presented it to the Scout committee. Following the meeting at the cabin, Scouts and Scouters went to the Methodist church to attend the revival services.

Boys receiving their Tenderfoot badges were Billy Sparkman, Calvin Williams, Lowell Sweeton, George Armentrout, Burl Sparks, Jimmy Read, Charles Ratliff, Arthur Byrd Phillips, Chappo Morrison, Joe Corbell, Perry Hubbard and James Chapman.

Mr. Zips and Uncle Tuck were familiar to baseball fans all over West Texas. Baseball was Mr. Zips' favorite form of entertainment and together the two old men traveled all over West Texas, wherever a good baseball game was promised, carrying their camp equipment and bedding and spending the night wherever darkness found them, but always managing to put in an appearance well ahead of game time.

Texas Farm Income Hiked 25 Million

AUSTIN, TEXAS, Jan. 29.—Cash income from agriculture in Texas during December is computed by the University of Texas Bureau of Business Research at \$23,911,000, an increase of more than 13 per cent over December a year ago.

For the entire year, 1940, farm income as computed by the Bureau, totals \$423,642,000, as compared with \$398,187,000 in 1939. Complete data on truck shipments and local marketing will bring these figures to an estimated actual income of \$465,000,000 for 1940 as compared with \$438,000,000 in 1939. Government subsidies push the totals to approximately \$575,000,000 for 1940 and \$550,000,000 for 1939.

To Preserve Texas Mustang In Bronze

AUSTIN, Jan. 19. — It's art, but it's realistic too—the seven-ton monument to the Texas mustang that will soon be erected on the University of Texas campus.

The statuery—gift of Ralph R. Ogden of Austin, oil man and cattleman—depicts a stallion, five mares and colt galloping down a Texas hillside.

Modeled from actual cowponies on a ranch near Hebberville, the monument was executed by A. P. Proctor, noted New York artist and one of America's outstanding western-life sculptors.

Almost ready for casting, the statuery will be erected in front of Texas Memorial Museum in June, R. E. H. Sellards, director, has announced.

It's easy to be glad if you try. For instance, there are no mosquitoes now.—Boston Globe.

For Air Might

J. W. Hanes, former undersecretary of the treasury, examines a 500 H. P. aviation motor, which is being explained by chief radio-man R. A. Williams, at the forty-fifth congress of American industry in New York.

Garner Collection Gift To UT Museum

AUSTIN, Texas, Jan. 22—Two prize possessions of Vice President John Nance Garner—300 original cartoons by the nation's leading artists and 200 of the oddest gavels in the world — have been brought to the University of Texas campus.

Gift of the Vice President to the Texas Memorial Museum, the Garner collection represents one of the most unusual exhibits the museum has acquired, Dr. E. H.

Sellards, director, said.

In making the presentation, Mr. Garner said that he knew of no better place for his gift than the Texas Memorial Museum, completed in 1939 after a \$300,000 fund campaign in which he himself had taken a spirited part.
