Chinese Speaker Lays White Man's Domination Over

Dr. Park Says Asiatics Hate Japs but Won't Accept White Rule

Although Asiatic peoples hate the Japs for their cruelty and their own plans for dominance of the Far East, they will no longer tolerate domination by the white man any more than by the Jap, and understanding of that fact is the key to post-war prosperity and peace, Dr. No-Yong Park, Chinese scholar, told an Ozona audience Friday evening in the high school auditorium.

Dr. Park, a native of Manchuria, was the second speaker in the current Institute of International Understanding being brought to Ozona by the Rotary Club.

"The fall of Singapore marked the end of an era," Dr. Park declared, "the end of Western domination of the Orient. Asiatics have seen the Western powers crumble like houses of cards. They have seen white men flee before Jap soldiers. The old order of Western dominance in the East is over and a proper understanding of this fact will be the key to a successful post-war world understanding."

On the nature of the post-war policy of the United Nations depends the future of the world, the speaker declared, whether we have fought a war to end all wars or to foment a bigger and better war which will last forever. If Asiatics develop in peace, all the world will prosper, he declared, but if they are made to be warlike, the future will be dark indeed.

"Look at what the Japs have done," Dr. Park challenged. "They are the poorest and the dumbest peoples in the Far East. Yet in one man's lifetime they have built a war machine that is a real threat to the world. What if the smarter, more resourceful and richer peoples should combine for a warlike attempt?"

"Asia in the future will continue to welcome the white man as a friend and teacher, but never again as master or conqueror."

Next speaker in the Institute series will be Simon M. Davidian, of Lima, Ohio, who will be here Mar. 3.

\$2600 Sought in Red Cross Drive Starting Mar. 1

Rev. Childers, Chair- man, Hopes to Reach Goal Opening Day

Hoping to reach the county's assigned quota of \$2,600 before the end of the first day, Rev. Clyde Childers, chairman of the Red Cross 1944 War Fund drive in Crockett County, has lined up a crew of 35 workers who will take the field early Wednesday morning of next week in what they hope will be a successful whirlwind drive for funds with which the mercy organization's 1944 war work is to be financed.

Crockett county's War Fund quota in the \$200,000,000 national campaign was fixed on the basis of the needs of the local chapter for the coming year and its part in the national campaign. Of the \$2,600 quota, \$1,900 will go to the national chapter for its many-prolonged war work, and \$700 will be kept in the treasury of the county chapter for its work among service men and their families and other relief activities.

The 1944 War Fund drive seeks the largest goal ever fixed in a Red Cross drive and the quota assigned this county is the largest in the chapter's history.

"I believe we can and will meet this quota," Rev. Childers declared, "and I see no reason why we can not be one of the first in the nation to reach our goal."

A meeting of all committee workers has been called by the chairman for 3 o'clock Monday afternoon at the First Baptist Church.

Four Mexican Men Wounded in Knife Duels Friday Night

Four Mexican men, residents of the Latin-American settlement here, suffered knife wounds in two separate knife fights Friday night.

Raul Torres suffered more than a dozen wounds, six of them stab wounds which penetrated to the chest cavity, in a cutting duel with Perfecto Mongarro. Torres is in a critical condition in a San Angelo hospital. Mongarro also suffered several severe cuts and he, too, is under treatment in a San Angelo hospital.

The two principals in the other duel of the evening were Venancio Pena and Juan Frausto, both of whom suffered minor cuts. Pena and Frausto were each fined \$1 and costs on two counts, totalling \$14 in each case, when they were arraigned in justice court Saturday morning.

Ozona to Play At 11 Friday in Cage Regional

Nolan Co. Rural School First Opponent in Abilene Meet

Ozona High School basketball squad, winners of the district championship at Eldorado last week-end, are bracketed for their first game at 11 o'clock Friday morning in the Class B regional meet in Abilene Friday and Saturday.

There was gloom in the Lions' camp this morning. Byrd Phillips, center and rebound ace of the quint, was on crutches with an injured ankle, suffered in practice Wednesday afternoon. Byrd turned an ankle in Wednesday afternoon's workout and X-Ray examination showed two small ankle bones pulled apart at joints. He will be out of the regional games at Abilene.

First opponent of the locals will be Highland high school, a rural school of 70 enrollment near Roscoe in Nolan county, the game to be played in Abilene high school gymnasium. The regional meet will open at 10 o'clock Saturday morning with Desdemona and Old Glory high schools playing the opener in the ACC gym, and Huckaby and Lohn high schools matched in the A.H.S. gym.

Winners of the Huckaby-Lohn and Ozona-Highland games will play Friday night at 8 in the high school gym and the winner of that game will play at 11 o'clock Saturday morning on the same court against the winner of the Bangs-Evant game, scheduled for 9 o'clock Friday night.

Twelve teams are entered in the meet. Other schools to be represented in addition to those named include Buffalo, Sunset, Water Valley and Forsan.

Coach L. B. T. Sikes and his squad will leave Ozona early Friday morning, scheduled to arrive in Abilene about an hour before game time.

Home Nursing Course To Be Offered Girls Of Homemaking Class

Mrs. Roy Thompson, registered nurse will teach a Red Cross Home Nursing course to girls of the Homemaking II class of Ozona high school, beginning Monday, Feb. 28, from 11 to 12 o'clock, and continuing through thirty hours of instruction, 20 hours on basic nursing and 10 hours on basic nutritional principles. Nutrition will be taught by Miss Clementina Parker.

The course is being offered in the hope that those young ladies of today may become better prepared to assume their share of responsibility for the safeguarding of health today and in the future. Those completing the 30 hours course will be awarded Red Cross Home Nursing Certificates. Textbooks are to be furnished by the school and kept in the library for future use.

Ozona Wins Dist. Basketball Crown In Eldorado Meet

Nose out Mason Bruis- ers 23-21 in Extra Period Game

Coach Sikes' Ozona Lions came through in the clutch last Saturday night to cop the district basketball championship in a catch-as-catch-can rough and tumble with the diehard Mason Cowpunchers as the flaming finale of the district basketball meet on the Eldorado court.

The championship game was an extra-inning affair, the game standing a 21-21 tie when the allotted time had expired. In the two-minute extra period, the locals, working the ball to Lowell Sweeten, chalked up a ringer and the two points necessary for the district gonfalon.

Two Ozona players were placed on the all-district basket ball team chosen by a secret panel of judges. Jimmy Read and Bill McWilliams were chosen for places on the mythical five. Other players selected on the all-district team were Thompson of Eldorado, Whitehead of Mason and Shurley of Sonora. Byrd Phillips was chosen for the all-district second string.

McWilliams was the tournament's high scorer, chalking up a total of 34 points in three games. In the championship game, the scoring honors were divided between McWilliams and Phillips with 7 points each and Sweeten with 5. Tillery and Read turned in two each.

The Lions, by virtue of their sweep of the Eldorado meet, earn the right to represent the district in the regional meet to be held in Abilene Friday and Saturday of this week.

Coach Sikes' lads slashed their way through teams from Rocksprings and Sonora to win a try in the Saturday evening final for the district championship, the locals swamping Rocksprings Friday night by a count of 46 to 21 and Sonora 40 to 18 Saturday afternoon. Mason had previously downed Menard 16 to 13 and by the narrow squeak of 24 to 23 over Eldorado Saturday afternoon.

Ten Crockett Men Leave Today for Physical Exams

First from This County To Go Under Pre-Induction Exam Rule

Ten Crockett county men will leave today for pre-induction physical examinations by the Army at the Fort Bliss, El Paso, induction center, the first group to go from this county under the new pre-induction examination program inaugurated by the Selective Service system February 1.

The men will receive physical examinations at the induction center but will not be inducted until at least 21 days after such examination, those men found acceptable to be included in induction calls which the board later will be required to fill.

In addition to the ten Crockett county registrants, the party will include one transfer, Douglas W. Frederick, transferred here from Gillette, Wyoming. Several of the group of local registrants are transferred to other boards for examination.

The list composing the call included Robert Alice Nimmo, Eula Pink Beall, Sidney R. Kleinpeter, Julius E. Norris, Joseph W. Keeton, Felipe T. Vargas, Jr., Clyde Howard Baker, Augustin V. Luna, Frank Pharis James and Martin Ernest Dowdy.

Roy E. Sheppard left the weekend for El Paso and active service in the U.S. Navy. Sheppard had been accepted for service but granted extended leave when illness prevented his reporting at the end of his furlough granted after induction.

Dr. H. A. Gustavus Will Practice Dentistry Here

Dr. Fussell Retires, Sells Practice, Equip- ment to Houston Man

Dr. H. A. Gustavus, who has practiced dentistry in Houston for the past five years, has established dental offices in Ozona, having purchased the equipment and practice of Dr. J. A. Fussell.

Dr. Fussell, after practicing dentistry here 20 years, is retiring from the profession. Dr. Gustavus will occupy the office quarters used for the past few years by Dr. Fussell in the latter's building, formerly occupied by the Ozona Laundry.

"I have enjoyed serving the people of Ozona, and I feel that I am doing them a good turn by turning my practice over to a good man," Dr. Fussell declared. "Dr. Gustavus has a splendid background of training and experience and I feel that Ozona is fortunate in securing his services."

Dr. Gustavus is a graduate of Northwestern University dental school and served a year following his graduation in 1936 as an interne in the Cincinnati General Hospital at Cincinnati, Ohio. For the past five years he has practiced in the Greer Clinic, a medical and dental clinic, at Houston. He was born and reared in Ballinger, Texas, is married and has one child, a daughter, Lynn, 3 years old. Mrs. Gustavus and daughter are visiting relatives in Ballinger until Dr. Gustavus finds suitable living quarters here.

Dr. Gustavus holds a reserve commission in the Army Dental Corps, but has been notified that the Corps has ceased procuring civilian dentists for appointment for an indefinite period.

Father of Ozona Woman Buried in Lampasas Saturday

Funeral services were held in Lampasas Saturday morning at 11 o'clock for Samuel Pat Anderson, 58, father of Mrs. Edna Doyle of Ozona, who died at 2:30 last Thursday morning at the daughter's home here. Burial was in Rock Church Cemetery, near Lampasas.

Mr. Anderson had been ill for several months and had just returned to the daughter's home here after receiving treatment in a San Angelo hospital. Death was attributed to a heart attack.

Mr. Anderson had lived in Lampasas all of his life, having been engaged in farming and ranching until a few years ago when failing health forced his retirement. He is survived by four daughters, one brother and two sisters.

Dr. Wiggins Addresses Gathering of Masons At District Session

Masons from lodges in Ozona, Big Lake and Sonora heard a stirring address by Dr. D. M. Wiggins, president of the Texas College of Mines in El Paso, in the Ozona lodge quarters Saturday night, the occasion being the annual Washington's birthday district meeting. Eldorado lodge, also in this district, was not represented, but large delegations were here from the other two lodges.

Exhorting his hearers to more careful thinking on the problems that face America today and the threats to our way of life that exist, Dr. Wiggins declared that America is all right physically and a match for our enemies in scientific development, but that he feared we were soft in "wanting"—in wanting a continuance of the American way as we have known it.

Comparing our thinking of today with that of the great statesmen of this nation from Washington down, Dr. Wiggins said that our weakness lay in not projecting our thinking into the future as those great men of history did, in not setting our eye on a specific objective and refusing to be swayed from it.

Seniors to Present Three Act Comedy in Auditorium Tonight

Members of the Senior Class of Ozona high school will present the annual Senior play in the high school auditorium this evening (Thursday) at 8:15 o'clock.

The play is a three-act comedy, "Shiny Nose," by Christopher Sergel, a breezy, fast-moving drama of youth, sparkling with clever lines and comic situations. Miss Hazel Kirbie, class sponsor, is directing the play, with Patsy Stark assisting.

Set in a college town, the cast includes Bertie Sue Brownrigg as Janey, the gal with a "shiny nose," Mary E. Gray as Zip, her younger sister; Juana Gay as Helen, her older sister; Calvin Williams as Mr. Marble, her father; Georgia Nell Senne as her mother; Eurl Sparks as football Coach Jones; Leroy Barto as George Anderson, Janey's one and only; Basil Dunlap as Allen Roger, one of Helen's men; Rosalyn Stearns as Madge Grant, who gets a lift, and Susie Hokit as Peggy, Zip's girl friend.

Admission prices will be 35 cents for students and 50 cents for adults.

300 Sacks Soybean Feed Goes Begging At AAA Office Here

Three hundred sacks of 41 per cent protein soybean sheep and cow pellets are going begging at the office of the AAA in this county. Miss Betty Bratcher, administrative officer, announced yesterday.

That much feed is immediately available and those who desire feed should call at once at the AAA office to make application. Miss Bratcher said that she had definite assurance that at least one more carload of feed can be secured for ranchmen of this county this month if there is sufficient demand. It ranchmen want this additional allocation of feed, Miss Bratcher asks that they call her at once so that she can place the order for the additional car.

Lions Matched For Seven Grid Games Next Fall

Four Home Games Slated in 1944 Sched- ule; Eighth Sought

A seven-game football schedule for the 1944 grid season has been lined up for the Ozona High School Lions, four of the games on home soil and five of them district contests, it was announced this week by Supt. C. S. Denham, following receipt of the official tentative schedule from District Chairman E. D. Stringer of Sonora. An eighth game is to be in the fall, the superintendent said.

The 1944 season will open on the Ozona field September 23 in an exhibition game with the San Angelo Kittens, San Angelo high school B team. This team is composed of the smaller and younger boys of the San Angelo school who are unable to make the regular Bobcat squad.

Friday night, September 29, the Lions will play the Reagan Owls under the lights in Big Lake.

First district game will be against the ever-rough Mason Cowpunchers on October 7 in Mason. The following Saturday, October 14, the Lions will be host to the Menard Yellowjackets and Junction will come here the following Saturday, October 21. Junction abandoned football this year but expects to have a team in play next year.

On October 28, the defending champions, the Eldorado Eagles, will invade Ozona and the Lions will wind up the season against the Bronchos on November 11.

Pfc. Taylor Deaton, son of Mr. and Mrs. Fred Deaton, left Tuesday for a new station at Tampa, Fla., after a ten-day visit here with his parents. Pfc. Deaton, in the U. S. Army Air Corps, has been stationed at Las Vegas, Nev.

Man and Wife Die of Injuries In Highway Crash

Mr. and Mrs. W. W. Al- exander of Abilene Victims of Collision

A head-on collision between a passenger car and truck on the Barnhart highway about ten miles north of Ozona Friday night proved fatal to Mr. and Mrs. W. W. Alexander of Abilene, occupants of the car, injured Ray Deland, Ozona truck operator, and resulted in almost complete destruction of both vehicles.

Mr. Alexander died in Ozona shortly after being brought here for medical attention and Mrs. Alexander died in a San Angelo hospital shortly after noon Monday. Deland is under treatment in a San Angelo hospital for injuries, which included broken bones and severe lacerations of his left hand.

Mr. Alexander, who operated a fleet of trucks transporting oil from producing wells in this county to the Texas New Mexico Pipeline station west of Ozona, and Mrs. Alexander had been here on business and were on their way back to Abilene. Deland was driving toward Ozona.

Highway patrolmen and local officers who investigated the accident said that Alexander apparently was blinded by the lights of a car immediately ahead of Deland's truck. It was thought that Alexander, failing to see the truck behind the car, pulled back too far into highway after meeting the car, striking the truck head-on. Deland told officers that he did not see the Alexander car until it was but a few feet from his truck.

Deland's truck caught fire and burned after the crash. The driver, temporarily dazed, was pulled from the burning wreckage by passers-by. Both the truck and car were almost completely destroyed.

Mrs. Alexander and Deland were taken to San Angelo to a hospital and Mr. Alexander was brought back to Ozona. He died a few minutes after reaching here, however.

The bodies of Mr. and Mrs. Alexander were taken to Abilene for funeral services at 3 o'clock Tuesday afternoon from the University Baptist Church, the Rev. R. O. Vaught, pastor, officiating. The Alexanders are survived by one daughter, Mrs. C. H. Yater of Corpus Christi, and one son, L. P. Alexander of Pasadena, Calif. Mrs. Alexander is survived also by her parents living in Hamlin, four brothers and two sisters. Mr. Alexander's parents, three brothers and four sisters also survive.

Classification Of Agricultural Workers Changed

3C Eliminated; Defer- ments Now to Be for Six Months Periods

Sweeping changes in the present Selective Service rules governing classification of men engaged in agricultural pursuits are made in new rulings received by the local Selective Service board last week from Lewis B. Hershey, national director.

Outstanding among changes in deferred classifications of agricultural workers is elimination of 3C classifications, reopening of all present 2C classifications and setting up a maximum of six months deferment instead of the present indefinite deferment of men qualifying for agricultural classification. The new directive also raises the number of war units of production necessary for agricultural deferment from a previous minimum of eight to a minimum of sixteen, the previous national objective.

Under the new ruling, local boards will be required to reopen all present 2C classifications in sequence of order numbers, and if under the new standards they are entitled to continuance in deferral.

Women in War World Topic for Study at Woman's Club Meet

"Woman's Place in the Present War World" was the topic for the study program when the Ozona Woman's Club met Tuesday afternoon at the home of Mrs. Joe Oberkamp, with Mrs. Max Schneemann as assisting hostess. Mrs. John Bailey discussed "Women in Industry," Miss Elizabeth Fussell and Mrs. Carl Colwick "Women in War," and Mrs. Lowell Littleton, "Women on the Home Front." Mrs. Bryan McDonald reported on women in industry as revealed in her recent trip to Washington and Mrs. Royce Smith, a guest for the day, reported on women's work in California. Mrs. Charles Williams was elected to membership. Present were Mrs. Carl Colwick, Mrs. J. M. Baggett, Mrs. Bryan McDonald, Mrs. John Bailey, Mrs. Lowell Littleton, Mrs. Neal Han-

nah, Miss Elizabeth Fussell, Mrs. Paul Perner, Mrs. Will Baggett, Mrs. Morris Dudley, Mrs. Bascomb Cox, Mrs. M. C. Stearns, Mrs. Stephen Perner, Mrs. Lee Childress and Mrs. Royce Smith.

Old Fashioned Organ Is Gift to Museum

An old fashioned organ, found in nearly every "parlor" along about the turn of the century, has been added to the collection of the Ozona High School museum. One of these once popular instruments, still in playing condition, has been donated to the museum by the Crockett County Historical Society. It was purchased from a Boulder, Colo., furniture dealer and arrived here this week.

Its cabinet made of oak, the organ is typical of the type most commonly found in homes a half century ago, highly ornamented, and sporting three beveled mirrors across the top.

POLITICAL ANNOUNCEMENTS

The Stockman has been authorized to make the following announcements of candidacy for political office, subject to the action of the Democratic Primary, July 22, 1944:

For Sheriff, Assessor and Collector of Taxes FRANK JAMES (Re-election)

Mrs. Lucile H. Littleton Agent for SOUTHWESTERN LIFE INSURANCE CO. Offering you complete service on your life insurance program.

What happens when your hat comes down?

SOMEDAY, a group of grim-faced men will walk stiffly into a room, sit down at a table, sign a piece of paper—and the War will be over. That'll be quite a day. It doesn't take much imagination to picture the way the hats will be tossed into the air all over America on that day. But what about the day after? What happens when the tumult and the shouting have died, and all of us turn back to the job of actually making this country the wonderful place we've dreamed it would be "after the War"? No man knows just what's going to happen then. But we know one thing that must not happen: We must not have a postwar America fumbling to restore an out-of-gear economy, staggering under a

burden of idle factories and idle men, wracked with internal dissension and stricken with poverty and want. We must not have breadlines and vacant farms and jobless, tired men in Army overcoats tramping city streets. That is why we must buy War Bonds—now. For every time you buy a Bond, you not only help finance the War. You help to build up a vast reserve of postwar buying power. Buying power that can mean millions of postwar jobs making billions of dollars' worth of postwar goods and a healthy, prosperous, strong America in which there'll be a richer, happier living for every one of us. To protect your Country, your family, and your job after the War—buy War Bonds now!

Let's all KEEP BACKING THE ATTACK!

COGITATIONS

By Joyce West

Congratulations boys for winning the District Tournament!!!

—Lots of O.H.S. students were in Eldorado over the week-end; the town will probably never be the same again!—Doris, Muggins, and Barbara were not doing badly at all with two boys from Rocksprings and one from Eldorado!!!—Nan and Daphne managed all right, too.—Benny Gail and Billy Womack were together most of the time, looks like its getting to be a habit.—Juana seems to be having all the luck lately, something new has been added, hasn't it, in the form of a blond G. I.??—Baby certainly hates to admit that Carlton is her sweetest flame.—These Lieutenants really do affect Sue in a strange way!—It's rumored that the Larry and Barbara affair is no longer.—Bill Williams and Billy Womack were certainly working hard trying to piece a note together in Study Hall.—Joy and Rosalie were with two G.I.'s in the show the other night; and Ada was with her G. I. again!

—O-H-S—

DONT QUOTE ME, BUT I HEARD THAT—!

Everyone was proud of the boys for winning the district championship in basketball and of Bill Williams, Jimmy Read and Byrd Phillips for making the first and second all-district teams.—Barbara, Doris and Muggins, had lots of fun with Paul, Bobby, and Glenn from Eldorado and Rocksprings over the week-end.—What's with you and Barbara, Larry?—Nan Tandy found a new Frank Sinatra at the tournament. He was from Menard.—Sue

Beasley had a date with that certain "Roger" from Rocksprings last Friday night.—Baby Hokit, Jo Nell Coose, and Ruth Townsend did all right at home with three G. I.'s.—Earl Tillory was really good at jumping from one building to another.—No sooner does one of Juana's G. I.'s leave than she finds her another.—Bennie Gail and Rosalyn were still going strong with Bill Womack and Calvin Williams.—Sailors seemed quite attractive to Joyce West but for some reason she prefers the air corps.—Bill Williams was with Corinne Phillips after League last Sunday night.—A certain G. I. called "Mac" was trying to get a week-end off just to come to Ozona and see Nan.—The girls around O.H.S. were certainly glad to see all that rainy weather last Saturday. Now, I wonder why!

OUR SIDE OF THE STORY

By Rosalyn Stearns

'Twas the night of the tournament
And all through the hotel
Everyone was stirring
Everyone did yell.

The boys were suiting out
For the first basketball game
And the girls were dressing up
For the very same.

Then we made for the gym,
Paid out our money
And watched the first game.
It was a honey.

The battle was a simple one,
There was no offender.
The other team gave up
With "unconditional" surrender.

Then off to the hotel again
To be in bed by eleven
And Mr. Sikes woke them up
Next morning.

At the awful hour of seven.
No where in the wars of Europe
Nor the raging fires of—
Was there more racket than
The boys getting out of that
hotel.

Then the Sonora game
Was played at one thirty
And the way we won that game
'Shorely was purty.

Finally the last game!
It certainly was a scare.
When we beat Mason
By the hide of our hair.

Ah! the last two seconds
The score was 21-21
When Sweeten made two points
And bang! that score was gone!

The last minutes were awful.
I heard everyone curse,
But me with no fingernails,
That was worse.

Finally it was over
We had won the game,
Byrd was worn out
And Jimmy was lame.

Then back to Ozona
Our full joy unseen
For we were now ready
With our battle in Abilene.

GREETING:

You are hereby commanded to appear before the 112th District Court of Crockett County, Texas, in the Court House of Crockett County, Texas, in the city of Ozona, Crockett County, Texas, at or before 10 o'clock A.M. of the first Monday after the expiration of forty-two (42) days from the date of issuance of this Citation; that is to say, at or before 10 o'clock A. M. on Monday the 3rd day of April, 1944, then and there to answer a Petition filed in said Court on the 19th day of February, 1944, in a suit Numbered 812 on the Docket of said Court wherein N. W. Graham; Elizabeth Childress Mitcham and husband, F. Grady Mitcham; P. L. Childress, Jr.; John W. Childress; J. Neil Smith, Guardian of the Estate of Melissa Childress Smith, a minor; and J. Neil Smith; are Plaintiffs, and the parties above named to whom this Citation is issued and directed are Defendants, the nature of which suit is as follows:

Plaintiffs allege ownership of that tract of land situated in Crockett County, Texas described

as follows:

All of the North One-half of South Two-Thirds of West One-half (N-2 S. 2-3 W-2) of Survey No. Forty-five (45), Block BB, TC Ry. Co Survey, Certificate 97, Abstract 2942, containing 106 2/3 acres, more or less, which tract is known as the Second West Tract of 106 2/3 acres in said Survey No. 45, which tract is specifically described by metes and bounds as follows:

Beginning at a point in the W. boundary line of said Survey 45, which is 106 2/3 rods (633 1/3 varas) S. of a stone mound at the NW corner of said Survey 45; Thence S. along the W. boundary line of said Survey 45, 106 2/3 rods, 633 1/3 varas) to the SW corner of this tract, which is also the NW corner of the First West Tract in Survey 45; Thence E. 160 rods (950 varas) parallel to the N. boundary line of said Survey 45, to a point in the E. boundary line of the W. 1/2 of said Survey 45 for the SE corner of this tract, which is also the NE corner of the First West Tract of said Survey 45; Thence N. 106 2/3 rods (633 1/3 varas) along the E. boundary line of the W. 1/2 said Survey 45 to the NE corner of this tract, which is also the SE corner of the Third West Tract of Survey 45; Thence W. 160 rods (950 varas) parallel to the N. boundary line of said Survey 45 to the place of Beginning.

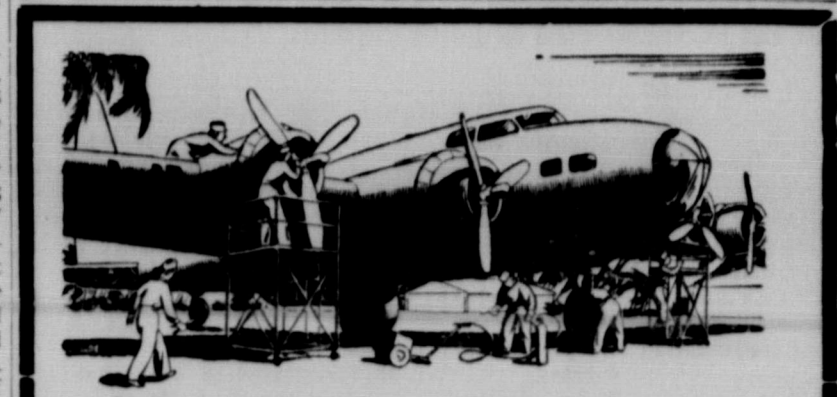

Such action is a suit in trespass to try title on the part of the Plaintiffs for title and possession to and of the lands above described, Plaintiffs alleging title in themselves through peaceable, continuous and adverse possession under the three, five, ten and twenty-five year statutes of

limitation. The action is brought as well to try title as for damages in the sum of \$1500.00.

Plaintiffs pray in said Petition that they recover title and possession to and of the lands hereinabove specifically described and for damages, costs of suit, and for further relief, general and special at law or in equity.

Issued this 19th day of February, 1944.

Homes, too...

HOMES, too must be overhauled... kept fit for "action." Can YOUR home fight off wind and rain, sun and snow... survive the wear and tear of daily living... and protect your family... FOR THE DURATION?

Better hurry with those NEEDED REPAIRS. We'll estimate what's necessary at once. Monthly payments, suited to your income, can be arranged.

MAIN STREET

War has helped destroy a lot of America's old illusions. Gone are the ideas that all South Sea beauties look like Dorothy Lamour; that all Englishmen wear monocles and all Russians whiskers. Gone is the idea that *free enterprise* is some vague theory for the guy in the big city to worry about.

Wherever you live... on Main Street, Park Avenue, or RFD No. 4... you are vitally concerned with the continuation of this American system.

The grocery, the millinery shop, the corner drug, the hardware store, the hamburger stand, the score of other businesses which make up your Main Street, the farm on RFD No. 4, the

ranch in the south end of the county... all of them, like your local electric service company, are products of business management under the system of private enterprise.

PRIVATE ENTERPRISE—the right of every American to work when and where he wants, within reason; to enter any business or profession; to create, produce and benefit by his own success.

red classifications because of their agricultural pursuits they shall be continued in 2C classifications but for a maximum of six months periods only.

Local boards will also be required to reopen all 3C classifications and re-examine them to determine if they are qualified for 2C classifications, and if so, classify them for a maximum of six months. Heretofore, registrants without dependents who were engaged in an agricultural pursuit measuring up to the war unit minimum, were classified in 2C and those with dependents in 2C for indefinite periods of time. Under the new ruling, 3C classifications will be eliminated and 2C for six months periods substituted.

Definite setting of the 16-war unit minimum requires that local boards hereafter neither retain nor place a registrant in class 2C unless by his own personal and direct efforts he produces 16 or more war units a year. A registrant holding an agricultural deferment who leaves an agricultural occupation without first securing a certificate of determination that it is in the best interest of the war effort for him to leave such occupation, shall be reclassified in 1A.

The Society will meet next Wednesday at the home of Mrs. J. M. Baggott.

U. S. Constitution Topic for Interesting Talk to Rotary Club

Growth of the Constitution of the United States through judicial interpretation was the topic for an interesting talk before the Ozona Rotary Club at its luncheon Tuesday by Houston Smith, Ozona attorney.

From the learned opinions of Chief Justice Marshall which established the Constitution as supreme over laws and treaties, the nation's basic law has developed along with developments of the country, reflecting the needs of the people and keeping pace with progress, Mr. Smith said.

Described as "the greatest document ever devised by man," the constitution is a living thing, the speaker declared, a basic set of rules, so phrased and later interpreted by courts with good judgment, that it has kept pace with the nation's development, responsive always to the needs and opinions of the people as a whole.

China Discussed at Junior Club Meeting

Members of the Junior Woman's Club met last Thursday afternoon at the home of Miss Wanda Watson for an International Good Will program. Mrs. Pleas Childress presented an interesting discussion of China. Mrs. W. E. Bissett reviewed an article in a recent issue of Time Magazine titled "Past and Present Day Opera singing."

In the absence of the president, Mrs. Ele Hagelstein presided over a business meeting following the program. Members present were Mrs. C. O. Walker, Mrs. Joe Ripple, Mrs. Joe Pierce, III, Mrs. Hagelstein, Mrs. Bissett, Mrs. Childress, and the hostess, Miss Wanda Watson.

Exequiel Ramirez, S. I. C. U. S. Navy, stationed at a West Coast naval training center, arrived here the first of the week for a 15-day furlough visit with his father, Jose, Ramirez. He also visited his mother, who is in Saltillo, Mexico, recuperating from a recent operation.

Ozona Teacher to Teach in Saltillo, Mex., Summer School

Miss Joyce Collin, first grade teacher in Ozona schools, has again been selected a member of the faculty of the annual TSCW Summer School in Saltillo, Mexico, to be held this year from July 21 to August 30. Miss Collin is a 1943 graduate of TSCW and taught in the Saltillo Summer School last year, sponsored by the Denton school.

The summer school classes are for the purpose of teaching conversational English to citizens of the Mexican city, beginning with children from five years of age and up. The school is directed by Dr. Rebecca Switzer of TSCW faculty. Miss Collin will have charge of children's classes in work similar to that which she did as a member of the group last year.

Two Ozona Girls on Honor Roll at ACC

ABILENE, Texas — Florence Luther, daughter of Mr. and Mrs. C. C. Luther of Ozona, and Priscilla Baker, daughter of Mr. and Mrs. H. W. Baker of Ozona, are among students listed on the honor roll at Abilene Christian College for the Fall semester which closed January 29.

This honor roll is compiled by the registrar and is composed of students who are in the upper ten percent of the class in one or more courses.

Miss Baker attained a grade of "A" in two courses and Miss Luther in three courses for the entire semester.

Lt. and Mrs. Aubrey Fussell are here for a ten-day visit with Lt. Fussell's parents, Dr. and Mrs. J. A. Fussell, Lt. Fussell, U.S. Navy, is stationed at Charleston, S. C.

Lt. and Mrs. W. H. Lehmborg from Camp Fannin, Texas, spent the week-end here as guests of Mr. and Mrs. Bill Cooper. Lt. Lehmborg is a brother of Mrs. Cooper.

C. W. Taliaferro returned this week from a visit in Wichita, Kans., with his son, Sgt. Clifton Taliaferro stationed with a training detachment at the University of Wichita.

MILLERS HAVE BOY

Mr. and Mrs. Eugene Miller are the parents of a son, named Jay Miller, born Monday in a San Angelo hospital.

Mrs. Ira Carson, Mrs. A. C. Hoover, and Mrs. Maggie Deland returned home Sunday after a visit into Mexico with a party of American women, members of Federated Women's Clubs, who made a goodwill trip into the neighboring republic. The trip into Mexico was made by train, the party going to Mexico City and on several eight-day trips to nearby points of interest.

Joe B. Chapman, son of Mr. and Mrs. Joe Chapman, last week received his call to active service in the United States Navy. Young Chapman had been accepted for service but granted an extension of leave by reason of illness.

Sgt. W. C. Brock, Jr., in training at Camp Polk, La., is home for a brief furlough to visit his parents, Mr. and Mrs. W. C. Brock.

J. E. (Slim) Davidson, specialist second class, U.S. Maritime Service, stationed at St. Petersburg, Fla., is here with Mrs. Davidson for a visit with her parents, Mr. and Mrs. J. A. Sparks. Davidson is assigned to the shore patrol at the St. Petersburg naval training center.

SHIELD EXPERT HERE

H. H. Shevnan, widely known expert of Chicago, will personally be at St. Angelus Hotel, San Angelo, Sunday and Monday, only, February 27 and 28, from 9 a.m. to 5 p.m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly but increase the circulation, strengthen the weakened parts, thereby closing the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume no matter the size or location. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatment. Mr. Shevnan will be glad to demonstrate without charge.

Add. 6509 N. Artesian Ave. Chicago. Large incisional Hernia or rupture following surgical operation especially solicited.

"That's a B-24. I read where it takes 280 gallons of 100-octane gasoline to keep that ship in the air for an hour. Multiply that by thousands of planes on thousands of missions and you soon see why we've got to conserve on gas at home."

Says the O. P. A. in a special report on Civilian gasoline supply:

Mechanized warfare feeds insatiably on petroleum products. Tanks of one armored division will burn some 25,000 gallons in traveling 100 miles. On a single six-hour mission, a thousand Flying Fortresses use at least 1,500,000 gallons of high octane fuel. During the North African campaign, tankers made up 60 per cent of the tonnage required for supplying the Allied forces.
