T. J. Bailey to Succeed Cabaness In Utility Post

Manager Here Past 4 Years Transferred To Abilene Offices

Transferred to Abilene, where he is to be attached to the auditing department of the company's general offices, W. R. Cabaness, local manager of the Ozona and Barnhart offices of the West Texas Utilities Co. for the past four years, left Tuesday morning with Mrs. Cabaness and their son, Ralph, for his new post.

T. J. Bailey, a native of Eldorado and well known to many Ozona old timers for his prowess on the baseball field in the early twenties, is being transferred from the utilities company Abilene general offices to Ozona to succeed Mr. Cabaness as local manager of the Ozona and Barnhart offices.

Mr. Bailey has been employed by the utilities company since 1925 when he went to work in the Abilene offices while a student at Simmons University, now Hardin-Simmons. He was a pitcher and infielder for the Simmons Cowboys and during the vacation months sparked his home town teams in the red hot bush circuit that operated in these parts. His brother, Buck Bailey of Eldorado, football coach at Washington State College before entering the Navy, is also well known to West Texas sports fans.

Mr. Bailey has sold his home in Abilene and was to have moved here this week with Mrs. Bailey and their two children, Joe Allen, 10, and Martha Pearl, 6.

Lt. Phil Sheridan, Former Ozonan, Now Bomber Pilot in England, Describes Flak In Shuttle Raids to Russia and Italy

Something of the doings of another former Ozonan, now Lt. Phil Sheridan, who made Ozona home for several years while employed by an oil company in this area, is told in a letter received this week by Mrs. A. E. Deland, in whose home Lt. Sheridan roomed while in Ozona.

Written from England, where Lt. Sheridan is based as pilot of a Mitchell medium bomber raiding Germany and German held Europe, was dated September 5.

"We (our crew) are over half finished with our missions over here," Lt. Sheridan wrote. "With a break on good weather we should be home for a short leave about Christmas. We have received the Air Medal with an Oak Leaf Cluster and earned another which we'll get soon. Our group has been cited twice by the President.

"We were on the last shuttle raid to Russia and Italy. Didn't get to make Italy with the boys for we got shot up over the target going over and had a forced landing. Finally, after weeks we flew back the peaceful route—visited Teheran, spent two nights in Cairo and saw all the sights. Went swimming in the blue Mediterranean sea at Bengasi and stayed one night in Casablanca. Now we are all settled down again for business. Had a couple since our return.

"I have a swell crew and not a one has been scratched yet. Course, we got shot up all but two or three times—windshields, wing tips, etc. shot out. But this Russian deal was the only time we really had trouble. This German flak is bad—and the flak in France was worse, but thank goodness, it's all gone now. But the Nazis still have fighters."

Lt. Sheridan wrote that Rachel Shrader, stationed with a WAC unit in England, is near his station and that he hoped to see her soon. He mentioned that he had met Joe Rape and Lt. J. K. Colquitt the latter piloting an A-20 fighter bomber from an English base.

Haskell Leath Promoted to 2nd Lieut. in Marines

Ozona Lad in Five Major Pacific Battles, Promoted in Field

After demonstrating his ability in five major battles with the Japanese in the Pacific, Haskell Leath, son of Mr. and Mrs. Clyde Leath of Ozona, has been commissioned in the field on Saipan to the rank of Second Lieutenant in the United States Marine Corps. He was raised from the rank of Staff Sergeant.

Lt. Leath has participated in five major Pacific battles, starting with the Jap sneak attack on Pearl Harbor, where he was stationed at the outbreak of the war. After enduring the devastating surprise attack on Pearl Harbor, Leath was shipped back to the United States for a brief rest.

When the United States attack started rolling in the Pacific, Lt. Leath and other veterans of Pearl Harbor had their chance to even the score, and from all accounts, Leath has done his share in evening it and then some.

His first chance at the Japs was with the Second Marine division on Guadalcanal. He participated in the bloody but successful attack on Tarawa island, in which engagement he won the Silver Star award for extraordinary achievement above the call of duty. More recently he participated with the same Marine division in attacks on Saipan and Tinian islands, and it was on Saipan that he won his commission as a second lieutenant.

Lt. Leath has been overseas 22 months since returning to the States after Pearl Harbor. In letters to his parents here, he has indicated that he may be given a furlough back home by Christmas.

Mrs. H. B. Tandy has returned from Abilene where she visited relatives last week.

Bishop Boaz Draws Interest In Revival Meet

Eminent Church Leader Preaching in Twice Daily Services

Bishop H. A. Boaz of Dallas, a veteran of more than twenty years as a bishop of the Methodist Church, is drawing increasing interest of Ozona churchgoers this week in the series of revival services under way at the Baptist Church.

Bishop Boaz preached his first sermon in the current revival series in the high school auditorium at the Sunday morning hour, and services during the week, at 10 each morning and at 8 o'clock each evening, are being held in the Baptist Church through courtesy of that congregation.

Song services are under the direction of Rev. Ed. Lovelace, pastor of the Methodist Church at Sterling City.

The revival series will continue through next Sunday, the Sunday morning service again to be in the high school auditorium. Rev. M. C. Stearns, on behalf of the Methodist congregation, has extended a cordial invitation to all Crockett county people to take advantage of this opportunity to hear Bishop Boaz.

3.9 Inches of Rain Last Week Brings Year Total to 15.36

A total of 3.9 inches of rain, recorded during the three-day general downpour of last week, boosted the heretofore meager 1944 rainfall to a total of 15.36 inches well within reach of the average rainfall for this section.

Last week's rains, following on the heels of falls of a week before, gave West Texas range lands one of the finest soakings in many months, and served to shorten the faces of ranchmen who had seen their ranges parched by the inordinate heat of July and August sun and lack of moisture. The timely falls of early September will serve to bring up grass and weeds for winter range and with a little more moisture will insure a good winter for livestock.

Falls of six and eight inches that flattened fences and filled draws and water holes were reported by ranchers south and east of Ozona.

HUSBAND FORMER OZONA MUSIC TEACHER DIES

Mr. and Mrs. Lowell Littleton attended funeral services Saturday in Moran, Texas, for Arthur C. Harper of Dallas, who died Friday morning as the result of injuries suffered in an auto accident Tuesday. Mr. Harper's widow is the former Miss Lois Riddle, who taught private music classes in Ozona for two years ten or twelve years ago. Surviving are the widow and one child, Betty Lois, 11.

Miss Whipkey Resigns Band Director Post

Cupid Causes First Casualty in Ranks of Teaching Staff

Miss Virginia Whipkey of Colorado City, Texas, Monday resigned her position as teacher of band and director of the junior and senior bands, C. S. Denham, superintendent, announced this week.

It was Cupid that caused the first casualty in the teaching staff for the 1944-45 term. Miss Whipkey announced that she is to be married next Saturday morning in Colorado City, the couple to leave soon for South America where her husband is being transferred by the oil company employing him.

Ozona schools opened Monday of last week with a complete teaching staff in all schools, Miss Whipkey's resignation creating the first vacancy. Doubt was expressed yesterday by Mr. Denham that it will be possible at this time of year to fill the band position, although effort is already being made to locate, if possible, a successor to carry on the band work.

Cong. R. E. Thomason Sends Library Books In Judge's Memory

Another notable gift to the Ozona High School library as a memorial to the late Judge Charles E. Davidson is being made by Congressman R. E. Thomason of El Paso.

In a letter to C. S. Denham, superintendent of schools, received yesterday, Congressman Thomason advised that he is sending a copy of "Washington Past and Present" by Charles Moore and a number of other works, and various other pamphlets and documents which may be of interest to the student body.

"I have read the article in the Ozona paper concerning donations by citizens there of books to the Ozona High School Library in memory of the late Judge Charles E. Davidson," Mr. Thomason wrote the superintendent. "One book that I have had for some time I feel will be of interest on these shelves, and I have taken pleasure in mailing it to you, with a number of others, for presentation to the Library. The work to which I refer is entitled: 'Washington Past and Present,' by Charles Moore. In the same mail bag I am including various pamphlets and documents that I hope may prove of some value and use to your student body."

Class Officers of High School Classes Elected by Students

Students in the four Ozona High School classes held organizational meetings during the past week and elected officers for the school year.

Daphne Meinecke was chosen president of the Senior class, with Nan Tandy as vice president and Jimmy Read as secretary-treasurer.

Carlton Smith heads the Junior class as president, with Myrtastine Hokit as vice president and Muggins Davidson as secretary-treasurer.

In the Sophomore class, Corinne Phillips was chosen president, Duane Stearns, vice president, and Ann West, secretary-treasurer.

Don Cooke was named president of the Freshman class, Billy Jee McDonald, vice president, and Edith Lou Piner, secretary-treasurer.

Charles McDonald, son of Mr. and Mrs. Byran McDonald, left early in the week for Canyon, Texas, where he is to enroll in the West Texas State Teachers College, Charles, who attended George Washington University in Washington last year, will try out for the West Texas football squad, the school this year reviving its athletic program for the first time since the war began. Charles was an all-district center on the 1942 champion Ozona High squad.

Bishop Boaz Is Speaker at Rotary Club Meet Tuesday

Declaring himself a Rotarian of many years standing and a member of the Masonic fraternity, and proud of both memberships, Bishop H. A. Boaz of Dallas, here conducting a revival meeting for the Ozona Methodist Church, told members of the Ozona Rotary Club and their guests at Tuesday's luncheon that he was proudest of his membership in a Christian church.

"The church," he reminded Rotarians, "and I mean the universal church of whatever denomination, is the greatest organization in the world, doing more good in the world than all other organizations combined."

The church, he declared, is the only organization which reaches down to the lowest levels of society to be helpful. All good citizens, he said, should stand up for the church and give it the best of service.

Rev. Ed Lovelace of Sterling City, leading the song services here during the revival meeting, was also a guest of the club. Other guests were Max Schneemann, R. L. Flowers, Pvt. Pink Beall, and James Baggett.

Frank James, named to the post of club secretary to succeed W. R. Cabaness, who moved this week to his new post with the West Texas Utilities Co. general office at Abilene, was at his new post for the first time at this week's meeting.

Lee Wilson announced that a committee which he headed had selected a gift for presentation to the retiring secretary, who had served the club since its organization more than three years ago. The gift will be mailed to Mr. Cabaness in Abilene.

Zone Meeting of Woman's Society Held Here Monday

63 Guests from Six Societies Presented For Session

Members of the Woman's Society of Christian Service of the Slater Zone met Monday in a Seminar at the Latin-American Community Center.

The program opened with the call to worship by Mrs. Dee Word, zone chairman. The Rev. Ed Lovelace of Sterling City sang a solo accompanied by Mrs. R. A. Harrell. The devotional was led by Bishop H. A. Boaz who took as his text the 100th Psalm. Miss Mary Riddle, deaconess of the Community Center, extended greetings and Mrs. J. E. Tisdale of Eldorado gave the response.

The guest speaker for the morning was Mrs. Mittie E. Watters of San Antonio, representing welfare work among the state prisons and farms. The morning session was closed with a prayer by Rev. M. C. Stearns.

The Mothers Club of the Community Center served lunch during the noon hour and a varied and interesting program was presented by the various activity groups of the Center.

The afternoon session began with a devotional by Miss Mary Riddle after which coaching classes for the fall and spring study courses were held.

Mrs. Word presided over a short business meeting at which final disposition of Zone funds was made; the zone now being a subdivision of the San Angelo District. A sum of \$57.00 was divided between prison welfare work and the Latin-American Community Center.

Fall Term of District Court Convenes Monday

Grand Jury Called Monday, Petit Jury For Week Later

With a light docket in prospect, Judge W. C. Jackson of Fort Stockton will convene the 112th district court in the regular fall term here next Monday morning at 10 o'clock.

A panel of 16 men from which 12 will be selected to compose the grand jury has been summoned for 10 o'clock Monday morning. Departing from the usual custom, the court has summoned the petit jury panel to assemble a week later, on Monday morning, September 25 at 9 o'clock. Court attaches explained that since the court has not found use for the petit jurors in the last few terms, the week-long interim was fixed in order that there would be ample time for notifying the jurors in case the court should complete its work without need of a jury. The petit jury panel heretofore has been summoned for Wednesday morning following the Monday morning opening of the court term. Should need arise for a jury, such case will be set for hearing the following Monday, when the petit jury has been ordered to report.

The court docket shows a sprinkling of divorce suits, note suits, trespass to try title actions and one suit for accident compensation. Six divorce suits are pending, two note suits and three title suits, two of them involving lands of the J. M. Shannon estate.

On the criminal docket, two forgery cases are pending, against Bus Gomer and Jimmy Rogers in connection with forging and passing of forged checks. Officials saw little chance of a trial in these cases, however, since one of the defendants and several witnesses in the case are now in the armed forces.

The following 16 men have been summoned for service on the grand jury: George Bean, George Bunger, H. W. Baker, Lee Childress, Abe Caruthers, John Fogarty, B. G. Owens, Elton Holland, Massie West, Jake Young, Watt Turner, Hudson Mayes Joe T. Davidson, L. A. Greer, T. C. Harris and Sherman Taylor.

On the petit jury panel are George Montgomery, Jack Henderson, H. M. Phillips, Frankie Jones, Tom Owens, Taylor Word, Ted Powers, Troy Williams, Roy Miller, Joe Pierce, III, Vic Montgomery, W. W. Hoover, J. I. Hancock, Sam Mann, Joe Oberkamp, W. B. Robertson, Richard Patton, George Senne, Sid Millsbaugh, Jr., John Mitchell, J. L. Sweeten, Ray Piner, Chester Kenley, Elton Smith, J. M. Dudley, Dempster Jones, Dock Lee, Jack Wilkins, Jess Marley, Jr., Arthur Phillips, Roy Thompson, Roy Henderson, W. W. West, Joe Patrick, Marshall Montgomery and Lee Wilson.

Sohio Plans New Deep Test On Todd Lands

7,500-Foot Wildcat to Be 5 Mi. Southwest Of Deep Field

Sohio Petroleum Co. is starting a proposed 7,500-foot rotary wildcat in Crockett County on the J. S. Todd estate ranch, 633 from the south line and 1,812 feet from the east line of section 14-YZ-EL&RR. The test will be only 27 feet south and 168 feet east of John I. Moore and P. D. Moore No. 1 Todd, C SW SE 14-YZ-EL&RR, which was scheduled to be drilled 7,500 feet but was abandoned in April at 2,502 feet with two sidetracked bits in the hole.

The Sohio wildcat will be only one mile south and a half mile west of the Moore's No. 1 Amerada-J. S. Todd, which in the spring of 1943 showed oil promisingly in the crinoidal section of the Strawn lime section of the Pennsylvania between 6,795 and 6,875 feet. (Continued On Last Page)

THURSDAY SEPT. 14, 1944

FOR US, THE LIVING . . .

74,000 dead!

In the U. S. Army alone, since we entered the war—74,000 dead. Yes, our victorious troops drive on. The news of our advances makes big black headlines.

But, in small factual type, the War Department announces: "74,000 dead . . ."

Let us pause for a moment. Let's forget the movies, the radio shows, the crisp unrealities on which we feed.

Let's remember there are 74,000 who will never again feel the cool, sharp tang of an autumn morning, nor the glow of the noonday sun. Let us remember that they are dead—so many of them before they had fully lived.

They are white crosses on a hundred far fields; they are small gold stars in windows; they are memories in the hearts of mothers.

Victory cannot bring them back. Nor can our prayers, or our remembering.

Then it is for us, the living, in Lincoln's immortal words, to be dedicated to the unfinished work which they have so nobly advanced; for us to be dedicated to the great task remaining before us—

"That from these honored dead we take increased devotion . . . that we highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom, and that government of the people, by the people and for the people, shall not perish from the earth."

"Tall Talk from Texas" Is Filled With Good Ones

A Texas soldier in North Africa addressing his fellow Texans, said, "Our job here is to promote good neighborliness. We've got to be friendly with the natives. If they say Africa is bigger than Texas, agree with them."

Late in 1943, a Texas commentator predicted that it would take five more years to finish the war: One year to whip the Germans, one year to whip the Japs and three years to get the damyankees out of Texas!

A recruit from the North was sweating at his first experience with the heat of a Texas summer. He remarked to an old Texan standing nearby, "I'll sure be glad to get back to Michigan." The other replied, "I reckon a man has to be born and raised here to stand the weather." The Michiganander exclaimed, "What! You mean to tell me that folks live here when there ain't no war!"

These are three of the nearly 200 Texas jokes from the newest book about the Lone Star State, entitled "Tall Talk from Texas," by Boyce House, whose previous book, "I Give You Texas," has reached 10 editions, 60,000 copies, within a year. The Naylor Company, San Antonio, is the publisher.

"Tall talk from Texas" has a lot of the old-time favorites that Texans never get tired of, like the recipe for making coffee in West Texas: "After it boils, throw in an iron wedge and, if the wedge sinks, add more coffee." And the one about the man who, seeing that he was about to be overtaken by a blue norther, put the spurs to the thoroughbred he was riding and tried to outrace it. When he reached the barn and dismounted, he found the horse's forequarters in a heavy lather and its hindquarters frozen. Of course, pneumonia developed and proved fatal to the animal.

And if you don't happen to know what an Amarillo kite is, "Tall Talk from Texas" tell you. An Amarillo kite is an iron shutter with a log chain for a tail.

Despite Shortage, No Reduction Seen In Sugar Allotment

Although a national sugar shortage was reported this week by the U.S. Department of Commerce, there will be no reduction in allotments of sugar for industrial users in the fourth quarter, starting October 1, Hugh B. Lesesne, district OPA food rationing officer, has announced.

Industrial users will receive 80 percent of the sugar consumed during the corresponding months of 1941 by each user, Lesesne said. "These industrial users will include makers of bread and bakery products, ice cream and allied products, soft drinks, mayonnaise and salad dressing, candy, cocoa, chewing gum, and certain canned and bottled foods," he explained.

Shaves and Shines Given to Invasion Yanks

Because few Chinese have any hair on their faces until they reach an advanced age, the shaving engaged in by American soldiers seems to be a most unusual operation. Here, Corp. Harvey H. Cole Longley, Former Ozonan, Weds Wichita Falls Girl Saturday

Following is an account of the recent wedding of Cole Longley, son of Mr. and Mrs. Cam Longley, former Ozona residents, now ranching in the Del Rio area, to Miss Pattie Sherwood of Wichita Falls, Texas, the account taken from the Wichita Falls Times:

In simple and pretty rites Saturday evening at 7:30 o'clock at the First Methodist Church, Miss Pattie Sherwood, daughter of Mr. and Mrs. L. J. Sherwood of 225 Fain, became the bride of Cole Longley of Del Rio, Texas. Rev. Merlin Merrill, associate pastor of the church, officiated before an altar beautifully decorated with baskets of white daisies, flanked with candelabras.

Organist was Mrs. J. W. Akin, Jr., who interpreted as pre-nuptial music "I Love You Truly," "Liebestraum," and themes from Tchaikovsky's "Concerto in B Flat Minor." She also played the traditional processional and recessional.

The bride was given in marriage by her father. She was attractively attired in a streetlength dress of white eyelet embroidery, featuring tiny pearl buttons rimmed with gold down the length of the dress. A small white straw hat and white accessories completed her costume. Her corsage was of pink car-

Organist was Mrs. J. W. Akin, Jr., who interpreted as pre-nuptial music "I Love You Truly," "Liebestraum," and themes from Tchaikovsky's "Concerto in B Flat Minor." She also played the traditional processional and recessional.

The couple was unattended. A graduate of the Wichita High School at Wichita, Kans., Mrs. Longley has been employed at the Wichita engineering Company here for the past year as chief engineer. Following her graduation from high school, she attended the University of Wichita.

Mr. Longley, a graduate of the Ozona High School, is a prominent rancher in Del Rio, Texas. He is the son of Cam Longley of Del Rio.

Immediately following the ceremony, the couple left for a trip to a ranch on the Pecos River. For travel the bride chose a shirtwaist dress of turquoise mesh and white accessories. The couple will establish a home at Del Rio.

Mrs. Dennis Fleet Coates, Jr., who has been making her home in Oklahoma City, has moved to Ozona and accepted a position as a clerk in the Ozona National Bank. Mrs. Coates is making her home here with her husband's parents, Mr. and Mrs. Fleet Coates, First Sergeant Coates is with a field artillery unit in France.

Not all of the Texans who are helping to win the war are in uniform.

While fighting men this week were drawing the noose tighter around the Nazi throat, and others were blasting their way steadily ahead in the Pacific, hundreds of men and women on the Texas home-front were backing them up with activities designed to guarantee to "our own and our allies" all the services that they have a right to expect from a grateful nation.

This column usually concerns itself with the men in the front-line fight. This week, however, it is going to tell the story of the army of community and county leaders that is fighting here in Texas. It is the story of busy business and professional men—patriotic farmers and ranchers—war-conscious men and women in every walk of life—who are taking time off from their own tasks to devote a period of several weeks to support our fighting forces.

Typical Texans like R. D. Sanders of Sulphur Springs, W. J. Meyers of Pecos, Roscoe Pryor of Harlingen, W. B. Hargis of Pine-land, E. L. Norman of Floydada and Eck Brown of Dalhart. . . Patriotic county leaders such as Claude Calloway of Crowell, John Harris of Coleman, W. T. Minor, of Montague, J. Sherill Kendrick of Gatesville, Joseph B. Cowan of San Saba. . . Veterans of former war fund campaigns, such as Dr. James Bauer of Refugio, K. M. McFarland of Center, W. H. Morehead of Richmond, James C. Cantrell of McKinney and J. P. Merrill of Colorado City. . . Civic leaders like H. Frank Goss of Ingleside. . . Outstanding women of whom Miss Patti Reagan of Tilden, Mrs. S. M. Harvick of Ozona, and Mrs. W. W. Wolfe of Leaky are typical.

These are some of the local leaders who have accepted the task of raising Texas' share in the National War Fund. Together, hundreds strong and backed up by the full support and cooperation of their neighbors, they will raise almost \$5,000,000 during the next six months—Texas portion of the \$15,000,000 which is required for service to our armed forces and our allies, and to relieve suffering among war victims throughout the world.

LOST—Billfold containing small change, driver's license in the name of Mrs. Lillian Baggett Brown and other papers. Reward for return to the Stockman office. 1c

Buy Bonds! — And Hold Them!

ONE OF THE BEST friends a man can have both these days and after the war, is a nice little piece of paper.

A crisp green-and-white paper that 10 years hence is going to bring in an extra dollar for every three you put in now.

A piece of paper that can help bring you comfort, peace of mind, security. **A War Bond.**

That's why, when times are good, and you're making a little extra money, you

should collect as many of those pieces of paper as you possibly can. Common sense will tell you that you can't collect too many.

So buy War Bonds. Keep on buying more and more War Bonds. Hang onto them—don't be tempted to cash them in. For after the war you'll have some mighty fine friends in your fistful of War Bonds!

American soldiers examine pictures of high ranking Nazis discovered in a French hotel, formerly occupied by German officers. In nearly all former German officers' quarters captured by the Allies, large collections of photographs were found.
