Lions Lose First Battle For Ranch Loop Cage Title

Eldorado Eagles Cop 1941 Flag In Final Deciding Game

For the first time since organization of the Ranch Country basketball league, the Ozona Lions came out no better than second best in the 1941 season championship competition.

The locals dropped this year's championship to the Eldorado Eagles in a closely contested game here last Thursday evening, the curtain ringer for the 1941 season and the deciding game between the two leading contenders for the season's gonfalon.

The visiting squadron held a slight advantage most of the way, but it was but one-point lead at the half. Four minutes before the close of the fracas, the Lions inched up to knot the count at 18 all, but the Eagles pulled away for a final six-point title winning victory. The box score follows:

Dep. Grand Matron, Eastern Star, Will Visit Here Mar. 8

Plans for the official visit of the Deputy Grand Matron, Mrs. Wilma Smith of McCombe, on Saturday, March 8, were made at last week's meeting of the local chapter of the Order of Eastern Star.

The organization plans a special program for the evening of the visit of the Deputy Grand Matron. Plans also were made for the chapter's campaign to raise money for the educational fund to benefit children of Eastern Star members.

Mrs. Vera Fussell is Worthy Matron of the order and Richard Flowers is Worthy Patron.

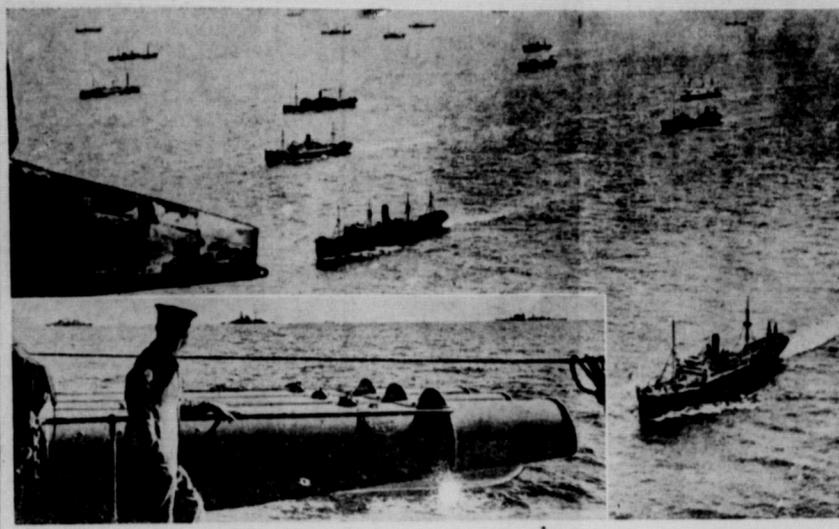

Inter-Denominational World Day Of Prayer Observed Here Friday

Women of the three churches of Ozona will join in an inter-denominational World Day of Prayer here Friday afternoon at 2 o'clock here at the Methodist Church.

Members of the Women Society of Christian Service of the Methodist church as the host group this year are arranging the day's program.

Women of all churches throughout the world are joining in this simultaneous Day of Prayer. It is the plan of the local group to make this the beginning of an annual observance, with the three churches to alternate in acting as host for the meetings.

Methodists Join Nationwide Move For War Relief

Offering Next Sunday To Million Dollar Emergency Fund

Ozona Methodist Church will participate in the Methodist Emergency Million crusade in a nationwide attempt to raise one million dollars to meet three war-caused appeals. Next Sunday, March 2, has been designated 'Methodism's Day of Compassion' and offering plates of the 43,194 Methodist congregations in the United States will be passed in an attempt to raise the emergency fund on that day.

Rev. Eugene Slater, pastor of the local church, in announcing the participation of the local church in the nation-wide movement, pointed out the three designated needs for which the fund is being raised. Of the amount \$250,000 will be allotted to the religious and social well-being of young men in army camps and navy yards in this nation.

Another \$250,000 will be devoted to assisting the mother church in England in temporarily easing some of the frightful situations involved in 150 bombed churches in the beleaguered isles.

Half of the fund, or \$500,000, will continue and supplement the Methodist overseas relief now in progress, feeding, clothing and sheltering non-combatant war victims.

High School Band To Be In Eldorado Celebration Parade

Members of the Ozona High School band under the direction of Cyril Pingelton will take part in the all-day program at Eldorado today on the occasion of the official opening and dedication of the new woolen mills at that place. The local band will appear in a parade to be staged through the downtown streets of Eldorado at 9 o'clock. School bands from Sonora, Eden, Eldorado and other towns in the area are also to be in the parade.

A free barbecue is to be staged at the noon hour and at 2 o'clock the official dedication of the new industry for West Texas will take place. Governor W. Lee O'Daniel will be the principal speaker at the dedication ceremonies, and other notables of the state will be present.

Bicycle Believed Stolen Found Here By Sheriff Willis

A bicycle, believed to have been stolen from some Ozona child, has been found by Sheriff W. S. Willis and is now in his possession. The bike, a girl's model, was found in tall weeds at the north end of town.

So far Sheriff Willis has been unable to locate the owner of the bicycle. It is an aluminum frame bike and had evidently been taken from the owner several weeks ago. Since he has been unable to locate the owner, the sheriff asks any person who has lost such a bicycle to inspect the one at his office.

Honor Students Of 1941 Class Are Announced

Bobby Lemmons Heads Class; George Armentrout Second

Bobby Lemmons, a son of Mrs. Ben Lemmons, emerged with the highest scholarship ranking among the thirteen members of the 1941 graduating class of the Ozona High School when four-year grades were averaged at a called meeting of the faculty of the school held Monday of this week, according to announcement by the superintendent, C. S. Denham.

Young Lemmons won the valedictory honors of the class with a high school average of 93.5. George B. Armentrout was in second place with an average of 88.2. Helen Mayes was third with an average of 86.7 and Sybil Luther was in fourth place with an 86 average.

Honor students were selected on the basis of grade averages from freshman year through the first semester of the senior year. To be eligible for class honors, a student was required to have been enrolled in the local high school for at least two years to the time of graduation.

By virtue of holding the highest scholastic average, Bobby will be entitled to receive the state scholarship which entitle the highest ranking student in each high school of the state to enroll without payment of registration fees in any state institution of his choice. Other higher educational institutions of the state award scholarships to the highest ranking boy and the highest ranking girl, making young Lemmons and Helen Mayes eligible for these honors. Miss Mayes is a daughter of Mr. and Mrs. Hudson Mayes. Young Armentrout is a son of Mr. and Mrs. Allie Armentrout and Miss Luther is a daughter of Mr. and Mrs. C. C. Luther. Commencement exercises in the local schools will be held May 15.

Odessa Minister To Hold Baptist Spring Revival

Outstanding Preacher And Gospel Singer To Be Here

Two outstanding leaders among Texas Baptists have been engaged to lead the annual Spring Revival meeting at the First Baptist Church in Ozona opening March 7 and continuing ten days, according to announcement made this week by the pastor, Rev. Clyde Childers. Rev. Childers, now in a Temple hospital, expects to be able to return to his work here late in the week.

Workers for the revival will be the Rev. John T. Kee, pastor at Odessa, doing the preaching and Joe Trussell of Brownwood to direct the song service, the pastor announced. Rev. Kee is a young man, about 25, and is considered one of the most promising young preachers among Texas Baptists. He is pastor of the First Baptist Church at Odessa. He has been at Odessa about nine months and during that time the church has enjoyed about 300 additions. The church has made a remarkable record in every phase of church life during the few months of his ministry. Despite his youth, Rev. Kee is declared a very capable preacher and one the people will enjoy throughout the revival period, the local pastor declared.

The gospel singer secured for the meeting, Joe Trussell of Brownwood, gives his full time to gospel singing. He is widely recognized and generally spoken of as "the greatest gospel singer in the South." He has held meetings throughout the Southern states for years and is always engaged far ahead of time. To be able to secure his services for the Spring revival at the local church, it was necessary to engage him more than a year ago.

"I feel that these two men in their combined abilities will be a profound blessing to the spiritual life of our community," Rev. Childers wrote The Stockman in announcing the revival dates. "As always, every person in the community will find a cordial welcome awaiting them in every service of this gospel campaign. The meeting will close March 16."

BIRDS EYE FOODS NOW AT PIGGLY WIGGLY'S

Announcement is made this week by H. W. Baker, manager of the local Piggly Wiggly grocery of the addition of the famous Birds Eye frosted foods to its line of products. Birds Eye frozen foods were recently brought to Ozona by the J. H. Williams and Sons grocery.

Shallow Producer Is Brought In On Geo. Bean Ranch

Wildcat Flows 196 Barrels In 22-Hour Test At 1,456 Feet

Flowing 196 1/4 barrels of oil, with five percent basic sediment and water, on a 22-hour Railroad Commission gauge, E. M. Wahlenmeier and others wildcat on the George Bean ranch in this county, about 13 miles northwest of Ozona, was completed last week at 1,456 feet.

The flow filled storage, only a 250 and 100 barrel tank being available. The well was shut in, lacking an outlet.

Production from the newest well in Crockett county was through open 2-inch tubing by means of gas from 1,212-20 feet introduced through a bradenhead and flow valves, one set 360 feet off bottom, the other approximately 500 feet from the total depth. The well headed an average of three times hourly.

Pay encountered from 1,451-56 feet had been treated with 1,000 gallons of acid. A new pool allowable and designation of the area as the Bean field will be asked by the operators.

The wildcat was drilled by E. M. Wahlenmeier of San Angelo, Steve Currie of Garden City, and Percy Bosworth of Odessa. It is located 1,980 feet from the north, 1,960 feet from the east line of section 48-UV-GC and SF, and has been designated Wahlenmeier and others No. 1-A. It is 2 1/2 miles southeast of Stanolind No. 5, J. S. Todd, nearest and latest producer in the Todd shallow pool. It is 3 1/2 miles southeast of Ordovician production in the Todd field.

School To Observe Texas Independence With Holiday Monday

Students of Ozona public schools will enjoy their last holiday of the current session next Monday, March 3, in observance of Texas Independence Day, Supt. C. S. Denham announced this week. Independence day falls on Sunday this year, March 2, and the schools have decreed a holiday for Monday. This is the fifth and last holiday of the session.

Lucindy Alexander, Colored, Resident Here 16 Years, Dies

Lucindy Alexander, 35, colored, a resident of Ozona the past 16 years, died Wednesday afternoon of last week in a Del Rio hospital. She had recently undergone an operation in the Del Rio hospital for a mastoid infection.

Funeral services were held Friday in Brackettville. Lucindy was well known in Ozona, having been employed in various homes as maid during her years of residence here. She was the wife of Arch Alexander, employe of Joe Oberkampff.

Ozona Masons To District Meeting Held At Sonora

Five Ozona Masons attended the second annual Washington's Birthday district program held with the Sonora lodge Saturday night. The Ozona lodge held the first of such celebrations last year.

Dr. Davis, head of the Bible study department of Howard Payne College in Brownwood, was the principal speaker on the occasion. Members of the Ozona, Sonora and Eldorado lodges joined in the meeting. The Sonora lodge served supper in the lodge quarters preceding the meeting.

Attending from Ozona lodge were T. A. Kincaid, Jr., Richard Flowers, Oscar Kost, Lowell Littleton and Ford Couey.

Houston Smith, Tom Casbeer, George Russell and Nick Wigzell were San Angelo visitors Tuesday.

51 TO 8 VOTE FOR APPROVAL WATER BONDS

Tenth Of Qualified Voters Ballot On \$75,000 Issue

SALE IN MONTH Month To Elapse Before Dist. Operation A Fact

Although a bond issue of \$75,000 was involved, Ozonans took little interest in the election last Friday by which voters in the newly created Crockett County Water Control and Improvement District No. 1 approved by a majority of nearly seven to one the proposition for issuance of \$75,000 in revenue bonds to purchase, maintain and operate the local water works system.

Only 59 voters registered an opinion on the issue, 51 of this number favoring the proposition and only 8 opposed.

Results of this election bring to a realization the movement for public ownership of the local water system under the water control and improvement district plan, printing and sale of the bonds and actual purchase from private owners of the system being the remaining steps to be taken before the system is brought under public operation.

Many Visitors Here For Busby Revival Meeting

Evangelist Holds Interest In 22nd Annual Visit

With a number of visitors from nearby towns and from distant parts of the state attending at frequent intervals and local members and friends of the church attending in growing numbers, prospects indicate one of the best meetings in years for the revival services which got under way last Sunday at the Ozona Church of Christ.

The veteran evangelist, Horace W. Busby of Fort Worth, preaching here this year for his twenty-second consecutive year in an Ozona gospel meeting still holds the interest of the congregation which has heard his preaching in growing numbers year after year during the near quarter century he has been making regular trips to this city.

Visitors have attended services this week from Granger, Texas, Abilene, Sanderson and other towns in the surrounding area, according to reports from J. D. Moss, minister of the local church. Services are being held each afternoon starting at 3:15 and evening services at 7:30 on week days. Sunday services will be at 11 a. m., 3:15 p. m. and 7:30 p. m.

Ozona Cagers Go To Semi-Finals Stockton Meet

Coach Dan Patterson's Ozona Lion basketballers won their opening round in the district Inter-scholastic League basketball tournament at Fort Stockton last Friday and Saturday by defeating Grandfalls, but were mowed down in the semi-finals by the strong Sanderson Eagles.

The Lions entertained Grandfalls in the tourney opener Friday morning at 9 o'clock, taking the Cowboys by the decisive count of 21 to 14. In the semi-finals, Sanderson nosed out the locals 28 to 24. Sanderson lost to Imperial for the championship in the tourney final.

Fire vs. Bombs

It isn't likely that our cities will suffer from bombing raids in the immediate future, but it is a good thing to prepare for such emergencies before they happen.

Officers of the New York Fire Department have arrived home after an extended trip to London where they studied the methods the English use in combating fire under actual air raid conditions.

These New York firemen, who risked their lives in order to bring home a vivid account of how to handle fire under actual war conditions, have done a tremendous service to their country.

Remember that here at home a fire started through carelessness can wreak as much havoc in a defense industry as could 2,000-lb. bombs with direct hits.

A tremendous drain on the nation's wealth could be practically stopped if all Americans would help prevent fire with only a small fraction of the vigor that the New York firemen saw demonstrated in London.

Side Glances on Texas History

By Charles O. Hucker
University of Texas Library

The inspired determination for freedom, culminating in 1836 in the permanent establishment of the Republic of Texas, was not new and unusual thing in the pioneer land of the Southwest. Rebellion had bubbled up before; and once, in fact, 24 years before—Texans had suddenly found independence actually within their grasp.

Today few remember. Who can tell of Magee, of Gutierrez, of Kemper? Few know even their names, but records in the University of Texas Library's famous Texas Collection show that they almost changed the course of the history of this land.

It was in 1812. For four years a puppet king had ruled Spain for Napoleon Bonaparte, and Mexico had been rocked to and fro by revolutions which in 1821 finally gave it its own freedom. For months it had known no such thing as consistent civil order.

Augustus Magee, a lieutenant of the United States army in Louisiana, just three years out of West Point, knew all this. Moreover, he was young, ambitious and imaginative. He dreamed of conquering Texas and setting it free, and in the summer of 1812 he set his dream into action.

On June 14 an army of 158 assembled on the east bank of the Sabine River. As its nominal chief Magee engaged Don Fernando Gutierrez, an exiled Mexican republican leader, in an attempt to win the backing of Mexicans in Texas. This move, apparently wise, proved to be his most costly mistake.

By October, nevertheless, the Americans had swept victoriously across eastern Texas and were in Goliad while a force under the Spanish governor tried in vain to rout them out of its former stronghold. The rebels now numbered almost a thousand and were living comfortably off of the military stores captured in the town. They had no fear of the Spaniards. One day, however, Magee had a

gentlemanly chat with the governor over dinner. Just what happened no one knows; but Magee returned to his men with news that they were to surrender and go home.

Enraged, the army, stronger than ever before and joyfully optimistic, absolutely refused to obey. Colonel Kemper was chosen commander, and the Spanish were immediately defeated with such losses that they withdrew to San Antonio. That midnight Magee, who had sulked in his quarters all day, committed suicide.

In March, 1813, the Americans—now 1300 strong—marched out toward San Antonio. Almost 2,500 of the governor's men challenged them nine miles out of the capital but after a short battle fled in disorder, leaving 1000 dead and wounded on the banks of the Salado. Next day, San Antonio was surrendered without resistance and the governor and his staff

were made prisoners. Thus entrenched in the capital of the province, Kemper and his men seemed to have gained complete success.

Immediately, however, came a crisis within which shattered all their hopes. The Spanish leaders, being taken to the United States for safekeeping, were murdered scarcely two miles out of the city by their escort. Finding that the massacre was Gutierrez's planned revenge for old injuries, Kemper and his fellow American officers washed their hands of the cause and left in disgust.

Without these leaders, the army had little chance; and in a few months a new Spanish force trapped it and almost wiped it out. Only ninety-three Americans escaped and reached Louisiana ahead of their pursuers. Then at last was the long-dying revolution of 1812-13 definitely dead.

Laid End to End They Add up to a Swell Idea

We mean these Four New Additions to the Buick SPECIAL Series that Give you Big-Car Thrill in less Curbside Space

THE way cars have been stretching out lately, it usually takes only a couple of cars to occupy the curb space of an extension-ladder fire truck.

Not so with the newest additions to the 1941 Buick line.

Here we've reversed the trend—just to prove that an honest-to-golly BIG car can be built without going overboard on bumper-to-bumper distance.

The four new models now adorning the Buick SPECIAL Series fit neatly into modest garages without putting a permanent crimp in the doors.

They slip into parking places smoothly as a rowboat nestles up to a

dock—and the way they flit through traffic is a delight to wheel-weary drivers.

When it comes to action—well, they've got a 115-hp. FIREBALL eight under their bonnets that skims you down the road like a mallard heading home. You can add Compound Carburetion at small extra cost and have 125 horsepower that does things we hardly dare hint about in print.

But they're a handy six inches shorter, bumper to bumper, than other Buicks—a quartet of top-quality cars in a new and easily-handled size.

The price? It's lower too. So better take a look at the first really BIG car in this bumper-to-bumper size.

REMEMBER:

1. Keep away from electric wires.
2. Do not use wire or metal on any part of kite.
3. Do not use string with wire in it.
4. Keep kite dry.
5. Do not climb poles if kite becomes caught in wires.

Above all else—
Don't Take Chances!

MARCH winds blow. Kites dot the sky... dipping, soaring, climbing, as they play tag with the wind. It's a favorite sport, and a grand sport. But be sure it's a safe sport, too.

Reddy Kilowatt reminds parents of these precautions. See that your child understands and observes them. We don't want to discourage anyone's having fun—safely. There is plenty of open space in our West Texas country where a kite can be flown safely. But kite-flying should not be attempted among wires of any kind.

Serious and even-fatal accidents have resulted from kites coming in contact with high tension wires. We want to help keep your child—all children—safe from harm.

Ask Your Farmer Friend Along

From North Carolina comes word that there is an organization consisting of both sportsmen and farmers in that state. The old problem of Farmer vs. Sportsman has become so serious of late that sportsmen feel something must be done about it. In a meeting recently, one farmer was asked to suggest something that would make for better relations between landowners and quail hunters of his section. The farmer remarked: "We fellows on the farm do not have much time to hunt birds and do so little of it that we don't keep bird dogs, but we like to go out once in a while, not so much to kill birds but to enjoy seeing good dogs work. If these city hunters would ask us to go with them occasionally, it would help create a better feeling and I believe more land would be open to them."

They're Civilized All Right!

It's getting to be funny, the way some sportsmen look upon our gulf region as pertaining to accommodations. Letter after letter comes in to us from those who have not visited certain sections of the coast, asking if they must go prepared to rough it! Many think that they're going to the far reaches of our frontiers when they head for little known sections of the gulf coast region. The resort owners are constantly bombarded with these letters. Genial Clara Dean, who owns the modern Gulf Beach Courts in Port Aransas, Texas tells me that many people visit that fishing resort with the idea that they must practically camp out under the most trying circumstances. Then she showed me through one of her cottages—beautiful interiors, roomy, restful beds, tile baths, in fact they're nicer than most any of the big city courts I've seen lately. "They seem surprised when they find electric lights, hot and cold water and all the modern conveniences," Miss Dean declared. "They think this gulf coast country is just lonely beaches, hardly civilized!"

Raccoon Suckles Dog

A dog in Liberty County, Texas, has an unusual family. In addition to her several puppies, she is suckling a small raccoon. The young coon gets as much attention from the dog as does her puppies, according to the state game warden.

Camp Fire Oven

When you go to camp, take with you a sheet of heavy galvanized tin about 16x16 inches in size. This can be placed over the fire on four stones and used as a stove top for your skillet and coffee pot.

When baking is to be done, have a good bed of coals ready. Place four small flat stones on the tin and set the pan of biscuits, beans or meat on them. The small stones will raise the bottom of the baking pan an inch or so from the galvanized tin, thus preventing the food burning on the bottom. To complete the oven, all that is necessary is to invert a dishpan over the food to hold in the heat.

Highways of Death

The highways are strewn with remains of rabbits, squirrels and our feathered friends, all killed by automobiles. With no inconvenience, this destruction of wild life can be avoided. Honk your horn and drive slowly. The killing of wildlife has reached alarming proportions.

Mary Alyce Smith underwent an operation for appendicitis in San Angelo Tuesday.

MRS STUART IS PARTY HOSTESS

Mrs. Byron Stuart entertained members of her bridge club with a party Tuesday afternoon at the home of her mother, Mrs. Ray Dunlap.

Mrs. Marion McBeen was awarded high score prize for the club, and Mrs. Bill Conklin, guest high. High cut for each table went to Mrs. Leslie Nance, Mrs. Charles Butler, Mrs. Cleophus Cooke and Mrs. O. Z. Fenner. A salad plate was served.

Others present were Mrs. Hugh Gray, Mrs. Lloyd Johnson, Mrs. Pink Beall, Mrs. Dick Adams, Mrs. A. E. Deland, Mrs. J. P. Pogue, Mrs. Ray Dunlap, Mrs. Oscar Kost and Mrs. Elmon Powell.

POWELL SUES HUMBLE

Judgment of \$10,000 is sought in a suit filed in 119th district court at San Angelo by L. P. Powell against the Humble Oil and Refining Co. The suit grew out of oil and gas lease on 40 acres of Crockett county land owned by Powell. The suit asks payment of \$4,873.29 allegedly due on drilling contract and an accounting of revenue from oil production until \$10,000 is paid.

82 YEARS OLD

Nick Wigzell celebrated his eighty-first birthday Tuesday. "Uncle Nick" had the unique experience of finding out, after voting for more than half century, that he is not a citizen of the United States. At least, that was the decision of the state pension administration when the Ozonan was unable to produce naturalization papers of his father. "Uncle Nick" was born in England but came to this country when he was a small boy.

One Of Two Local Trainees Turned Down By US Army

One of two Crockett county volunteers sent to Fort Bliss induction station in El Paso Monday night returned Wednesday rejected by the Army by reason of being underweight. He was Felipe Flores.

Tomas Hernandez, this county's No. 1 registrant, the other volunteer sent with this week's contingent, was accepted. Another potential trainee must be sent with the next contingent, sometime in March, to replace the one turned down by Fort Bliss induction officers.

Miss Thelma Dobbs And Tommy Service Of Canyon Married

Miss Thelma Dobbs, secretary to the local Selective Service Board since its organization, and a resident of Ozona three years, became the bride of Tommy Service of Canyon, Texas, in a ceremony performed here Thursday night by Justice of the Peace W. M. Johnigan.

Accompanying the young couple were Miss Mary Margaret Moree and Sid Petty.

The bride is a daughter of Mr. and Mrs. C. L. Dobbs of Channing, Texas, while the groom is a son of Mr. and Mrs. Ross Service of Canyon. Mr. Service is employed with the Flours Corp., a construction firm, and will be stationed at Albuquerque, N. M., where the couple will make their home. Mrs. Service will remain here to continue her work at the Selective Service board for a few weeks before joining her husband in Albuquerque.

MRS. HILLERY PHILLIPS ENTERTAINS BRIDGE CLUB

Mrs. Hillery Phillips was hostess to members of her bridge club when she entertained Tuesday afternoon at Rendall's Drive Inn, with four tables of players present.

Mrs. Sherman Taylor took the high score prize for the club, and Mrs. Early Baggett held guest high. Mrs. Walter Augustine drew low club award and Mrs. Monroe Baggett, low guest. Others present were Mrs. W. E. Friend, Jr., Mrs. Evert White, Mrs. Massie West, Mrs. Boyd Clayton, Mrs. Arthur Phillips, Mrs. Sid Millsbaugh, Jr., Mrs. Chas. E. Davidson, Jr., Mrs. C. O. Walker of Leuders, Mrs. Joe Clayton, Mrs. G. L. Nesrsta, and Miss Totsy Robison, Miss Mildred North was a guest for tea.

Mr. and Mrs. Bryan McDonald and T. A. Kincaid were among Ozonans attending funeral services in Sonora Monday afternoon for Roy Aldwell, prominent Sonora rancher and business man, who died suddenly in San Antonio Saturday.

Harry Friend, who has been under treatment of San Angelo physicians for the past several weeks for an eye infection, is reported somewhat improved this week. Mr. Friend is staying at the Naylor hotel while under the care of physicians.

Sid Schwalbe, who suffered a crushed hand in an accident nearly two months ago in the Todd oil field, underwent an operation for amputation of the thumb on his right hand Tuesday in a San Angelo hospital. Infection which set up recently made the amputation necessary.

Mr. and Mrs. Will Adams of Ft. Stockton, former Ozona residents, passed through here yesterday on their way to Eldorado to attend the celebration on the occasion of the formal opening of the new woolen mills in that city. They plan to stop off here for a few days visit on their return.

Behind The Scenes In American Business

By John Craddock

NEW YORK, Feb. 26. — BUSINESS—More and more the business news of the day ties in closely with the front-page news—that is, war and defense. While all indexes of business and industry keep moving up as the defense drive moves to higher production levels, the problem of sub-contracting—to "spread out the work" on defense projects—comes to the fore. At the same time, the week's ominous developments with respect to extension of hostilities in the Far East—Japan's movements toward British and Dutch possessions in the East Indies—brought immediate reactions affecting trade routes that are vital to Uncle Sam's industrial as well as military welfare.

FARMING OUT—In defense contracts our biggest plants have all they can handle now—many of them more—and the pressure of time in producing armaments is as great as ever. So, with the lease-lend bill certain to make available more billions from Congress for productive effort, Defense Director William S. Knudsen and his production chief, John D. Biggers, are bearing down on getting the work spread out, utilizing more fully the equipment of hundreds of small manufacturing and machine shops throughout the land. Idea is to let the major companies do the contracting, and be entirely responsible for their fulfillment but "farm out" as much work as possible to smaller, specialized operators.

NO COMPULSION—The occurrence of strikes in some vital American defense industries these days makes the question of compulsory arbitration of labor disputes one of today's critical questions.

THINGS TO WATCH FOR—Diesel-engined locomotives for freight trains . . . heretofore used only for switching and passenger train hauling, two diesels have gone into service on the Santa Fe; they're said to be especially suited to far western hauling because of ability to travel long distances between service stops . . . A new "dry" razor that does not operate by electricity; pressure of the hand on a lever operates the cutters, eliminating any bother about AC or DC current—or no current at all . . . ATTENDS BEAUTY CONVENTION

Mrs. Vera Baker, owner of a beauty shop here, returned Tuesday night from Dallas after attending the annual convention of the Texas Association of Accredited Beauty Culturists. The session, Sunday, Monday and Tuesday at the Adolphus Hotel, was named the "All Texas Beauty Exposition" and is associated with the national association of the same name.

Mrs. Baker was accompanied by her son-in-law and daughter, Mr. and Mrs. Eddie Bower of Stamford, and while gone her shop was managed by Mrs. Claude C. Curtis.

MRS. ELE HAGELSTEIN HOSTESS AT LUNCHEON

Mrs. Ele Hagelstein was hostess to members of her bridge club at a bridge-luncheon Wednesday at Rendall's Drive Inn.

A four-course luncheon was served consisting of shrimp cocktail, combination salad, chicken fried steak, with cream gravy, buttered peas and new potatoes, and coconut pie, tea and coffee. Iced Coca Colas were served at the beginning of the last game.

Mrs. Bill Littleton won the high score award for the club and Miss Lyda Mae Viles took guest high. The traveling prize went to Mrs. C. J. Van Zandt and the bingo award to Mrs. G. L. Neersta.

Other guests were Mrs. Bill Baggett, Mrs. Richard Flowers, Mrs. Hugh Childress, Jr., Mrs. Ed Bean, Mrs. Bill Conklin, Mrs. Marshall Montgomery, Mr. and Mrs. Rex Russell.

Mr. and Mrs. Boyd Clayton were in San Angelo Wednesday to attend the funeral of W. M. Hemphill, pioneer San Angelo merchant, who died there Tuesday.

Bill Gray, a former Ozona resident, and Miss Adria Sybil Wilhow of San Angelo were married Saturday in San Angelo. Gray, now livestock editor of the San Angelo Standard-Times, is a former member of the Ozona Stockman staff.

Large Congregation Hears Dr. Umphrey Lee Sunday Morning

Until people decide that they can not live in a world dominated by force we will continue to have wars and a mad world, Dr. Umphrey Lee, president of Southern Methodist University told a congregation which filled the Methodist church auditorium here Sunday morning.

Dr. Lee, who stopped off here on his return to Dallas from Alpine where he had participated in the Spiritual Emphasis Week at Sul Ross State Teachers College, delivered a vigorous sermon on the obligation of the church and Christian people in the world of today. He pointed out the necessity for a realization of duty and a determination on the part of all people to perform that duty, not simply because they love their fellow men but from a realization of a sense of right and duty that impels them to sacrifice.

Return Of Clear Skies And Sunshine Welcome To Ozonans

After nearly two weeks of lowering skies and slow, drizzling rains, Crockett county folks welcomed the return of clearing skies and sunshine yesterday.

Particularly was the clearing weather welcome to owners of goat herds who have been delayed in shearing because of the rains and continued threatening weather. The long continued damp weather added to the already abundant moisture in West Texas range lands, and ranchers are hoping now for continued warm weather to push up the unusually green pastures to continue to provide green feed for lambing, already under way in some parts of the county.

WMU HAS BIBLE STUDY

Members of the Baptist Woman's Missionary Union met at the church Wednesday afternoon for a Royal Service program. The topic was "An Urgent Gospel, the World's Dire Need."

Mrs. S. L. Butler gave the Bible study. Others on the program were Mrs. George Bean and Mrs. J. T. Patrick. Others present were Mrs. John Mitchell, Mrs. Claude Pharr, Mrs. J. S. Whately and Miss Maybelle Taylor.

Mrs. Paul Perner and son, P. C., are in Dallas this week where P. C. is under treatment for a knee injury.

Rev. Clyde Childers, pastor of the Ozona Baptist Church, is in Temple hospital where he is undergoing examination and treatment for injuries suffered recently in a fall here.

Russian Language Nearly Stumps Actors

The old adage that "actions speak louder than words," once more was proven by the use of Russian dialogue in "Comrade X," new comedy starring Clark Gable and Hedy Lamarr, and opening Sunday at the Ozona Theatre.

Gable plays a daredevil American newspaperman, and Miss Lamarr a Moscow lady street car "motorman" in the hilarious story, which required some Russian speeches for flavor.

But although there were eighty-one lines of Russian dialogue in the script, ranging from many one-word utterances to a 250-word speech, writers Ben Hecht and Charles Lederer found occasion to have only fifteen lines of them translated for Gable, so that the audience would know what was being said.

CEREMONY HAD TO WAIT

AUSTIN, Feb. 26. — When the Texas colonies were under Mexican rule, there was only one man in the whole territory who could perform marriage ceremonies, University of Texas Library records show.

His headquarters were in San Antonio, and at irregular intervals he traveled through the colonies marrying people. It was the custom, however, for impatient couples to marry when they pleased by signing a bond certifying that they would appear before "Marryin' Sam" next time he came around, and would have their marriage legalized.

LOOKING BACK

By ArmentROUT
Now, since the basketball and football season is over, I feel a bit lost in the school yards. I shall never, if I pass my senior year, play high school basketball or football again. This thought gives me a very "low" feeling.

Very soon, perhaps too soon for some of us, the seniors will be going away to college. In one way this is a pleasant thought for the Seniors, and in another way it grieves them for the thought of leaving their old alma mater. But that is life—with cheers and its tears.

Editor's Musings

By ADELE KEETON
Fellowship is heaven, and lack of fellowship is hell; fellowship is death; and the deeds that ye do upon the earth, it is for fellowship sake that we do them.

As the world is today there seems to be little fellowship. With war and hatred raging, we see very little fellowship exercised between nations. However, bringing it closer to home, we find many people among our acquaintance who seem to be friends to everyone. People couldn't exist if it weren't for fellowship with others.

New Cards Placed In Home Rooms

Attractive new place cards bearing the Pledge of Allegiance to the United States Flag were placed in each classroom this week. The pledge is in large print, the place card gold-bordered with the flag of the United States encircled at the top. These place cards have been placed in the classrooms so that each pupil can memorize the pledge.

SPORTS

The Ozona Lions lost the championship tilt to Eldorado by a score 24-18. This is the first time that the All-Ranch Country-League trophy has been won by another team besides Ozona.

The Lions, having lost the All-Ranch-Country-League, decided to take the championship at the district in Ft. Stockton to revenge for their loss to Eldorado. They made a good start by popping Grandfalls 21-14.

With this good start, Ozona became a shade over-confident and lost to Sanderson by a score of 24-29. Starters for the Ozona crew were ArmentROUT, Wilson, Colquitt, Hannah and Williams.

Lemmons, Ozona guard, was still confined to a bed because of a splintered leg-bone and didn't get to go on the trip to Ft. Stockton.

Boys making the trip were Wilson, ArmentROUT, Carson, Williams, B. F. Lemmons, R. Coates, Colquitt, C. McDonald, Cox, McLaughlin and Hannah.

Co-captains were elected by the basketball squad Monday, February 24. George B. ArmentROUT (Trout) and Donald Wilson (Race Horse) were elected by the basketball boys honorary co-captains.

Ozona H. S. Band Expected to Make Trip to Eldorado

It was announced Monday that if the students worked hard and improved their playing and marching they would be allowed to go to Eldorado, Thursday, February 27. Governor W. Lee O'Daniel will be in Eldorado, Thursday, to christen the new wool mills there.

Contest Essays on Wool and Mohair To Be Written

The Women's Auxiliary of the Texas Sheep and Goat Raisers Association recently announced a contest in which four young Texans will win wool blankets for writing the best essays on 'Wool and Mohair.' Those participating in this contest must be members of one of four clubs. One wool blanket will be given for the best essay written by member of the Future Farmers of America.

Tennis Tournaments Scheduled Week-ends Are Practice Tilts

Recent plans for spring tennis were met with genuine approval. Mr. Sikes has announced that tennis will begin on Monday, Feb. 24.

A Round Robin Tournament will be held every week-end for practice. The students have so many other activities that will be hard to get in any practice after school.

The high school will be divided into two groups. A junior group will consist of those under 15. Those over 15 will be classed as seniors.

Temporary partners will be chosen on Monday. Later, the double partners will be assigned by Mr. Sikes.

After two or three weeks' practice, the boys and girls will meet other towns. Those towns will probably be Sonora, Barnhart, Big Lake, Fort Stockton and other neighboring towns.

Tennis is expected to be a very popular sport this year. The boys and girls are enthusiastic and are willing to work. There will really be some stiff competition.

One tennis court will be given to the girls and the other to the boys.

Mustard, isn't your little nephew a bit young to give you a black eye? And besides, I thought he was good when you kept him.

Ginny, does your current-heart throb live in Dallas, or is he there just temporarily?

Won't you please introduce us to the blond from Sanderson, Billy, Bill, Bud, Tom Ed, Shorty and a few other guys? I hear there was another girl—but she had a boy friend.

Say it's nice to have friends that drive around in a new Ford—and especially if you don't know them. Isn't that so, Faye, Priss, Dot and Norma?

Love's always fight, so they tell me. Doesn't that sound right to you, Dot?

Coach, did the comedy suit you in chapel or had you rather see Mickey Mouse?

Nita, were you saving that seat for me at the show Sunday? Oh, Pardon me, Tom.

On the pavement between Rock-springs and Sonora is a grand place to dance, isn't it, kids?

Wayne, don't tell me you're suddenly Superman. Doesn't Shorty's car weigh just a little bit?

Shorty, you don't seem to be so well informed on your ex-girls friends, do you? It's a good thing you found out that the Ft. Stockton Ex was married!

Just when did you become teacher, Mustard—was Bud your pupil or who? What did you learn, Bud?

The Junior boys can pick some crazy places for the magician posters. Everyone had better be there, or else—we juniors need the do-re-mi—who doesn't!

Frances, are your fingers still crossed? They didn't need to be Sunday night, or did they?

What is there in Sheffield that interests you, Mustard—or should I ask?

Why did you blush when Mrs. Tandy asked you to tell what was on last Sunday week's league program, Ginny? Weren't you there? Oh, you were with me and were at the ranch? Maybe you're excused?

Why was a certain Junior girl so disappointed Sunday afternoon? Hats off to Mr. Caruthers. Some of the chemistry students give him their regards.

Helen, were you very thrilled over a certain letter you received Monday?

Pee Wee, why were you shaking so Sunday night? Dorothy, was your heart beating fast Sunday night? Joy, I hear you think a lot of those Junction boys, or should I say that Junction boy?

Senior Honor Students Selected

In a called faculty meeting, Monday afternoon, February 24, the honor students of the Senior class were determined. In order to be eligible, a student must have been in Ozona High School for a two-year period by the time of his graduation. The highest 28 grades for each pupil were used to determine the standing.

The highest ranking student is Bobby Lemmons, with an average of 93.5. The second highest is George B. ArmentROUT, with an average of 88.2. Standing third is Helen Mayes, with an average of 86.7, while the fourth place was earned by Sybil Luther, with an average of 86.0.

Miss Eloise Carson of Ozona, is attending Baylor University as a freshman this year. Eloise is majoring in dramatics. As basic courses she is taking English, choral speaking and voice.

The required subjects are French, chemistry, and phy. ed. The choral speaking is reading in unison to music. This helps the student's enunciation.

Miss Carson latest play is "Two on an Isle." She plays the part of one of the honeymooners. Eloise has been complimented highly by the manager of the "Little Theatre," a club of student actors. Every spring new members are elected into the "Little Theatre" to take the place of the seniors that are leaving. Only the best actors are chosen.

The Neophytes and the F. F. B.'s are the two local sororities that Miss Carson hopes to enter. Freshmen can not enter sororities.

The Neophyte's is a dramatic club, while the F. F. B. is a First Students of Baylor organization. Only those who had parents at Baylor may join.

Miss Carson's ambition is to be an actor on the radio. We wish her the best of luck and hope someday to hear her voice on the air.

The required subjects are French, chemistry, and phy. ed. The choral speaking is reading in unison to music. This helps the student's enunciation.

Miss Carson latest play is "Two on an Isle." She plays the part of one of the honeymooners. Eloise has been complimented highly by the manager of the "Little Theatre," a club of student actors. Every spring new members are elected into the "Little Theatre" to take the place of the seniors that are leaving. Only the best actors are chosen.

The Neophytes and the F. F. B.'s are the two local sororities that Miss Carson hopes to enter. Freshmen can not enter sororities.

The Neophyte's is a dramatic club, while the F. F. B. is a First Students of Baylor organization. Only those who had parents at Baylor may join.

Miss Carson's ambition is to be an actor on the radio. We wish her the best of luck and hope someday to hear her voice on the air.

GRADE SCHOOL NEWS

THIRD GRADE NEWS
Last Friday we had a Citizenship Club meeting. The best Citizens were: Billy Joe Kemp, Lorraine Miels, Yvonne Grimmer, Joan Fenner.

We had a Valentine Party last Friday. Mrs. Cabaness served us some punch. Mrs. Sitten brought us some cookies.

SECOND GRADE NEWS
We made a stamp collection. We made a stamp chart. We have stamps costing from a half cent to fifty cents on our chart.

The Second Grade built a Post Office. It has three windows in front. We have a General delivery window, a stamp window and a Parcel Post window. Each person has a mail box.

We are going to have a rhythm band. We have a piano and a Victrola. We are marching and clapping and learning our rhythms. Miss Stuart said that we could have our instruments soon.

Glenn brought his turtle to school. We like his turtle. We change his water every few days. His name is Shirley Temple. We give him turtle food every day.

SENSES

OWENS-MAYES

Seen: A whole box-ful of love notes. They take one's breath away; don't they, Margaret?

Letters from "Cosa." Joy and Norma seem to be rating O. K. with Junction.

A very happy coach and boys after the Grand Falls game at Ft. Stockton.

Shorty and Georgie throwing pillows at Donald. What's the matter, boys, couldn't you take the small bed away from him?

Night air in Pecos County with few clothes on is rather "chilly" isn't it, L. B? Shame on you, Mustard.

Very good steaks in Ft. Stockton; Thanks Coach.

That Gem Ella has so many boy friends she doesn't know what to do. Well, that's one way to express yourself, "Baby Girl!"

That Margaret and Hitler had a long argument over the telephone Sunday night. Now, Margaret, what will Booschie think of your talking to "Hit?"

Do these words sound familiar, Mary (Perner).

That when Juanita is librarian, all the boys and Mary Elizabeth seem to drift to the loan desk. How does Tom Ed take this, "Nita?"

That the "Song of the Islands" puts "Judy" in a daze. Sade doesn't seem so attracted to the piece after playing it dozens of times.

To win an argument is music to Lila's ears. Just what was it all about besides Grandfalls, Cooke?

Blond-headed girls of Ft. Stockton are not bad, are they, Tom Ed and Charles?

These black-headed ones are rather loud mouth, aren't they, Mervin?

Helen was seen receiving some very sweet little love notes on napkins. I wonder how many more she is going to receive.

Girls' Volleyball Team Wins 7, Loses 7 During Season

The volleyball season of 1941 has now come to a close. The volleyball girls have played fourteen games. They won seven and lost seven. In all games the girls had a very good spirit.

The teams who were the hardest to beat met their downfall at Rocksprings. They won both, Ozona, however, won twice over Eldorado and three times over Barnhart. They also beat Sonora for the first time in several years. The players on the team were Gem Ella Dudley, Virginia Hays, Lottie Jo Owens, Rozelle Pharr, Mary E. Gray, Joy Coates, Helen Mayes, Ethel Mayes, Mary Perner, Lila Lee Cooke, Vera McCaleb, Zella Thurman, Florence Luther, and Sybil Luther. The captain was Gem Ella Dudley, the co-captain was Lottie Jo Owens and Helen Mayes was manager.

We Call It Romance

IT'S JUST a can of soup. But during a long lifetime, the man who made it found some way to advertise it. At first, just a sign over his little soup kitchen, a few newspaper ads, a few billboards. But as the advertising grew, so did the business.

Now the business employs thousands of workers, helps to support tens of thousands of retail clerks and transportation men, and gives the housewife a better, cheaper soup than she could prepare at home.

Back of every heavily advertised article is a romantic story of this kind—the kind of romance that built America.

Three Texas Woolen Mills In Operation

SAN MARCOS. — With three Texas woolen textile mills swinging into operation almost simultaneously, the woolen textile industry in this State is getting underway in good order, according to L. B. Rea, vice president and general manager of the Cen-Tex Wool and Mohair Company of San Marcos.

"At our processing plant and textile factory (which contains 67,000 square feet of floor space) we have received thirty-five carloads of machinery and have begun the manufacture of comforters filled with 100 per cent pure Texas virgin wool. We will begin manufacture of pure woolen blankets within the next four to six weeks," Mr. Rea said last week.

At New Braunfels, the Robert E. Pent Company of Philadelphia is completing the installation of the first woolen topping mill in the Southwest. The mill has four sets of working cards and four English Bradford combs. Its capacity is 50,000 pounds of wool a week, on a forty-hour basis.

The third Texas woolen mill is the West Texas Woolen Mill plant at Eldorado, established for the manufacture of comforters, blankets, and other loose-woven textiles.

"The Pent Company mill has made a contract with the Cen-Tex plant to use 800,000 pounds of twelve-month combing wool annually from our scouring plant," Mr. Rea added, "but expects to use a much larger amount. It will manufacture woolen yarn for the use of worsted mills."

Miss Rachel Shrader was here from Dallas to spend the week-end with her sister, Mrs. J. W. Henderson and family.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of CROCKETT County,
GREETING:

YOUR ARE HEREBY COMMANDED, that you summon, by making Publication of this Citation in some newspaper published in the County of Crockett, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Crockett County, for four consecutive weeks previous to the return day hereof

J. R. EARLES, C. O. COX, W. E. RAMBO, JR., W. E. RAMBO, JAMES K. COCKRELL, A. W. WILLIAMSON, CARL FRASIER, J. T. MCCREA, J. N. KINCAID, HAROLD FURLEY, WILBUR C. WALL, OSCAR DONOVAN, J. M. WIMBERLY AND GEO. A. BURMAN, whose residence is unknown, to be and appear before the Hon.

District Court, at the next regular term thereof, to be holden in the County of Crockett, at the Court House thereof, in Ozona, Texas, on the First Monday in April, 1941, same being the 7th day of April, 1941, then and there to answer a Petition filed in said Court, on the 22nd day of January, A. D. 1941, in a suit numbered on the Docket of said Court No. 754, wherein George D. Atwood, Catherine Tweedy DeLapp, William C. DeLapp, Jr., Janice Tweedy Terwilliger, Bert D. Terwilliger, Mabel Tweedy Singer, and Jack R. Singer, are Plaintiffs, and T. B. Wall, Viola Wall, J. R. Earles, C. O. Cox, Duke Carver, James K. Cockrell, J. B. Cockrell, W. E. Liveley, Trustee, W. E. Rambo, Jr., W. E. Rambo, A. W. Williamson, Carl Frasier, J. T. McCrea, J. N. Kincaid, Harold Furley, Wilbur C. Wall, Oscar Donovan, J. M. Wimberly, George A. Burman and J. H. Tippet, are Defendants.

The nature of the Plaintiffs demand being as follows, to-wit: Plaintiffs state and they represent to the Court that on or about the first day of September, 1939, they were lawfully seized and possessed of the following described land and premises situate in Crockett County, Texas, holding and claiming the same in fee simple, to-wit:

Abstract, 5584; Certificate, 2221; Survey, 11; Block, PP; Original Grantee, T. C. Ry. Co.; 640 Acres.

That on the day and year last aforesaid, the Defendants unlawfully entered upon said premises and ejected the Plaintiffs therefrom and unlawfully withheld from them the possession thereof to their damage in the sum of Five Thousand Dollars (\$5,000.00).

That the reasonable annual rental value of said land and premises is \$320.00.

And the Plaintiffs further allege that they ought to have and maintain this cause of action against the Defendants because Plaintiffs have had and held peaceable, continuous and adverse possession under title to said land from and under the State of Texas for more than three years prior to the 1st day of December, 1940 and before the commencement of this suit and of this they are ready to verify.

Plaintiffs further allege that they ought to recover of the Defendants the lands above described because they allege have had held and claimed to said lands, claiming same under Deeds duly recorded in Crockett County, Texas, holding and having peaceable, continuous and adverse possession to said lands, cultivating and using the same for agricultural purposes and paying all taxes due thereon as they accrued, for a period of more than five years prior to the 1st day of December, 1940, and before the commencement of this suit and of this they are ready to verify.

Plaintiffs further allege that they ought to recover of and from the Defendants the above described lands because they are now and have been in peaceable and adverse possession of said lands by actual enclosure, cultivating, using and enjoying the same for a period of more than ten years prior to the 1st day of December, 1940 and before the commencement of this suit, and of this they are ready to verify.

Plaintiffs further allege that they ought to recover of and from the Defendants the above described lands because they are now and have been in peaceable and adverse possession of said lands by actual enclosure, cultivating, using and enjoying the same for a period of more than ten years prior to the 1st day of December, 1940 and before the commencement of this suit, and of this they are ready to verify.

Plaintiffs further allege that they ought to recover of and from

the Defendants the above described lands because they have had and held continuous and peaceable and adverse possession to all of the above described land, under claim of right in good faith, under Deeds purporting to convey said lands, which Deeds have been duly recorded in the Deed Records of Crockett County, Texas, having claim of title and possession thereof for more than twenty-five years prior to the 1st day of December, 1940, and prior to the commencement of this suit.

WHEREFORE, Plaintiffs pray Judgment of the Court that the Defendants and each of them be cited to appear and answer this Petition, and that Plaintiffs have judgment for the title and possession of the above described lands and premises and that they have writ of possession and restitution issue and for rents, damages, and costs of suit and for such other and further relief, special and general, in law and in equity that they may be justly entitled to.

HEREIN FAIL NOT. And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Ozona, Texas, this, the 18th day of February, A. D. 1941.

GEO. RUSSELL,
Clerk District Court, Crockett County, Texas.

Issued the 18th day of February A. D. 1941.

51 TO 8 VOTE--

(Continued from Page One)

and improvement district was sought by petition of 50 or more citizens, addressed to the Commissioners Court and the Board of Water Engineers at Austin. Creation of the district was approved by the Board of Water Engineers, voters of the district subsequently endorsing the creation by ballot. Inclusion of the local county-owned sewer system, sought at first by proponents of the plan, was abandoned when more than 200 citizens and taxpayers signed a petition to the Commissioners Courts asking that body to retain operation and management of the sewer system as at present.

It is estimated that another month will be necessary to complete the next steps in bringing to final consummation the district ownership plans. The bonds are to be printed and submitted to the attorney general for approval after which they are to be offered for sale. Upon sale of the securities, the necessary fund will be realized for purchase of the system and the beginning of contemplated improvements to the system.

The present owners of the water works system, under management of Judge Charles E. Davidson, majority stock holder, have given an option for purchase of the business for \$50,000. The remaining \$25,000 to be realized from sale of the bonds will be used in making necessary improvements to the pumping equipment, storage and distribution lines of the system.

The Water Control District affairs are to be administered by a board of directors composed of J. W. North, president; J. D. Kirby, secretary, Boyd Clayton, P. A. Childress and Hillery Phillips.
