Three Veterans Foreign Service Rotary Guests

Army Nurse, Marine Vet and Air Corps Sgt. Tell Experiences

Three veterans of foreign service in this global war, representing three different branches of service, two back in the U. S. for treatment for injuries and one for a well-earned rest, were guests of the Ozona Rotary Club at its luncheon Tuesday and, under a barrage of questions from Rotarians and guests told of some of their experiences in the battle areas.

Lt. Sibyl Cooke, daughter of Mrs. Fred Cooke, a U.S. Army nurse back from service in Australia at a base hospital, Marine Pfc. Johnnie Leonard Armentrout, twice wounded veteran of the bloody landing on Tarawa and the bitter fight on Saipan, and Staff Sergeant George W. Corbell, returned to the States after almost two years of service with the Army Air Forces in the North African and Italian campaigns, provided one of the most interesting programs enjoyed by Rotarians in some weeks.

Lt. Cooke has been under treatment since returning to the States to repair a broken collar bone suffered during a recreation hour in Australia. The bone refused to heal properly and Lt. Cooke recently underwent an operation in the Fort Sam Houston General Hospital to set the break.

An interesting account of her trip across and some sightings on Australia as it is people were given by Lt. Cooke. Americans, she said, were welcomed with open arms by the Australians, in part, she opined, because of the nearness of the Japs. Later, there was less enthusiasm, she recounted, "probably," she said, "because Australians were jealous of the popularity of American soldiers with Australian girls."

Rotarians listened with rapt interest to his account of fighting with the Japanese in the Tarawa landing and on Saipan given by Marine Armentrout, who was wounded at the end of the first day's beach fighting on Tarawa and fought for nearly a month on Saipan before again being put out of action by a Jap hand grenade which exploded on the edge of his foxhole.

Armentrout told of some of the tricks used by the Japs and of the wild charges which they made in the face of withering American machine gun and rifle fire on Saipan. It was during one of these suicidal attacks, at about 3 o'clock in the morning two days before the last Jap resistance on Saipan was crushed, that young Armentrout received his second wound and a trip back to the States for treatment. His wound at Tarawa was a piece of shrapnel through a shoulder, but on Saipan the exploding grenade sent fragments through a shoulder and into his face, one piercing the right eyeball and causing blindness in that eye. The piece of shrapnel is embedded behind the eye and Armentrout is due to report to the Naval hospital at Corpus Christi the end of this month. There Naval doctors will examine the injured eye and determine whether or not to operate in an effort to restore vision.

Staff Sgt. George W. (Dub) Corbell brought Rotarians some high-lights from his experiences on the other side of the globe—in North Africa and Italy. Sgt. Corbell has just been returned to the States after twenty months in overseas service as a member of the ground crew of an Army Air Forces bomber base. Sgt. Corbell served through the North African campaign and has been in Italy since the invasion of the country by Allied forces.

Recently married in Sacramento, Calif., Sgt. Corbell is here with his bride for a visit with his parents, Mr. and Mrs. M. E. Corbell, before going to Lincoln, Neb., where he will begin training as an aviation mechanic on the B-29 Super Fortresses.

Red Cross Chapter Profits \$100 from Angelo Sheep Sales

A check for \$100 was received last week by the Crockett county Chapter of the American Red Cross from J. C. Deal, secretary of the San Angelo Sheep Sale. The amount represented the donation made to this chapter by Vic Pierce of Ozona, who, with Sol Kelly of Sonora and S. S. Bundy of Roosevelt, bought rams at the eighth annual San Angelo Sheep Show and Sale in July and returned them to the pens to be sold for benefit of Red Cross chapters in Sonora, Ozona, Mason and Junction.

As a result of the generosity of these ranchmen, the Sutton county chapter received \$235, Crockett, \$100, Mason \$100 and Kimble, \$90.

Reptile Display In H. S. Auditorium At 11 a.m., October 5

An interesting and instructive reptile display and lecture on Reptiles of North America will be presented by Jack Raymon of Park City, Kentucky, in the high school auditorium next Thursday morning, October 5, at 11 a.m. Mr. Raymon's program is the first in a series of six entertaining and educational programs to be presented under sponsorship of the schools during the winter months.

An admission charge of 10 cents for grade school pupils and 25 cents for high school students and adults will be made to help finance the program series.

Mr. Raymon, director and owner of the Kentucky Reptile Garden has presented his program before over 3,000 schools colleges and clubs in practically every state and over a number of radio stations. Between 15 and 20 live specimens are displayed as well as attractively mounted skins and numerous other scientific and educational features. The display is part of the exhibit of representative North American Reptiles from the collection of the Kentucky Reptile Garden as shown to the general public during the summer season.

Reorganize Cub Pack at Meeting Monday Evening

Boys 9 to 11 and Parents Urged to Attend Initial Meet

For the purpose of reorganizing the Cub Packs in Ozona for the 1944-45 season, a meeting of boys 9, 10 and 11 years of age, their parents and all other interested individuals has been called for next Monday evening at the First Baptist Church, the sponsoring organization for Cubbing in Ozona, it was announced this week by the Rev. Clyde Childers.

The meeting will get under way at 8 o'clock. Officers for the new year are to be elected and three Den Mothers appointed, Rev. Childers said. As soon as organization is perfected, application will be made for a charter and the Cubbing program will be under way.

This year will be the third of Cubbing in Ozona under sponsorship of the Baptist Church. Last year some 25 boys were enrolled and it is expected that that many or more will be enrolled in the program this year. The Cub Pack embraces boys of pre-Scout age and its program readies the boys for entry and rapid progress in Scouting when they reach Scout age.

Court Adjourns Without Hearing Compensation Case

Continuance having been granted in the case set for trial, a compensation case styled John Gilbert Taylor vs Texas Indemnity Insurance Co., 112th district court was adjourned last week by Judge W. C. Jackson of Fort Stockton.

The court had recessed after a brief session at the opening of the term, being called back for Monday morning of this week. Court was adjourned, however, and petit jurors called for Monday morning were notified.

Workers Lined Up for War Fund Drive October 10

Mrs. S. M. Harvick, Chairman, Hopes for Early Victory

With a crew of earnest workers lined up for the kick-off, Mrs. S. M. Harvick, who last year guided Crockett county United War Fund drive to success within a few hours after the official opening, is hopeful of repeating when the 1944 drive gets under way early Tuesday morning, October 10.

Mrs. Harvick, drive chairman again this year, yesterday announced a list of seventeen workers who have agreed to serve in the drive which has as its goal a quota of \$3,000, of which \$2,706 is for the National War Fund and the balance to remain in the local treasury for war service work.

A meeting of workers has been called for Thursday night of next week, October 5, for the purpose of acquainting the solicitors with the campaign plans, need and uses to which the funds will be put.

Workers named by Mrs. Harvick include Lee Wilson as special gifts chairman, Bill Cooper in charge of solicitation in the business section, Evert White as publicity chairman and Mrs. Pleas Childress, James Baggett, Bill Childress, Johnny Miller, Mrs. Alice Baker, E. B. Ingham Jr., Abe Caruthers, Mrs. Jack Holt, Joe Ripple, C. S. Denham, Mrs. Hillery Phillips, Mrs. Milton Dreyer and Mrs. Johnnie Hokit, and Ed Vitela, Latin-America section, and Lotie May Evans, colored.

Mrs. Harvick and Mrs. Jack Holt attended the district meeting of workers in San Angelo last week, meeting at the San Angelo Army Air Field where a special aerial show was arranged for the visitors.

Ozonan Is Catcher On Softball Champ Team at Perrin Field

PERRIN FIELD, Texas, Sept. 27.—Sgt. Barney G. Maples, son of Robert Maples of Ozona, is catcher on the Quartermaster softball team which this week won the post championship at this AAF training command station.

After capturing top honors in its league, the sergeant's outfit engaged in a playoff with the champions of a rival circuit, and triumphed in two out of three games to become 1944 diamond kings.

Maples is a service station operator at Perrin Field, which is a basic pilot training school—a unit of the Central Flying Training Command.

Jesus Ramoz Leaves For Induction Into United States Army

Jesus Ramoz left by bus at midnight last night for Fort Sam Houston in San Antonio and induction into the United States Army.

Ramoz, 25, fills Crockett county's September call for men to be inducted into the armed forces, only one man being called from this county. No men are to be sent this month for pre-induction physical examination.

Baptist Missionary Meets With Mrs. Bean

The Woman's Missionary Society of the Baptist Church met in regular meeting Wednesday at the home of Mrs. George Bean.

Mrs. Roy Thompson was program leader for the day's program. Mrs. Joe Ripple read notes from Ted Malone's Scrap Book. Miss Katie Sue Good gave two piano numbers and Miss Mary Frances Bradley rendered a vocal solo.

A social followed the day's program. The following were present: Mrs. T. J. Bailey, Mrs. Roy Thompson, Miss Katie Sue Good, Miss Mary Frances Bradley, Mrs. J. T. Patrick, Mrs. John Mitchell, Mrs. Green Mankin, Miss Joyce Collin, Mrs. Fred Wright, Mrs. Clyde Childers, Mrs. Joe Ripple, Mrs. Tom Stokes and Mrs. Bean.

Community Sing-song Being Held Each Sun. At Baptist Church

A community sing-song, directed by Ross Hufstедler, is being held each Sunday afternoon at the First Baptist Church. Congregational singing, with Mr. Hufstедler as leader, and special musical numbers are arranged for the afternoon sessions.

The sing-song sessions start each Sunday afternoon at 4. Everybody is invited to participate.

New Electric Wool Stacker Installed At Local Warehouse

An electrically powered machine that will do the work of several men in stacking wool in the local warehouse of the Ozona Wool and Mohair Co. has recently been installed.

The wool stacker, 13½ feet high, is, in effect, an elevator driven by an electric motor which lifts the heavy wool bags to the ceiling of the warehouse or may be stopped at any intermediate point. The motor drives a worm-gear drum on which a steel cable winds and unwinds to lift and lower the sacks. With this new stacker, Melvin Brown, manager, says that wool can be stacked in half the time and takes the place of several men in doing the work, a boon in this wartime labor shortage era.

Mrs. Bill Bissett Named President Parent-Teachers

Succeeds Mrs. Bill Conklin, Resigned; Group to Buy Flag

Mrs. Bill Bissett was named president of the Ozona Parent-Teacher Association when the group met in the initial session of the current school term Monday, Sept. 18. Mrs. Bissett will succeed Mrs. Bill Conklin, resigned.

Mrs. George Bean was chosen vice president. The association voted to buy a service flag large enough to accommodate 400 stars. It was also voted to present the present service flag to the Latin-American Community Center. A committee composed of Mrs. C. E. Davidson, Jr., Miss Clem Parker, Mrs. Massie West and Mrs. George Bean was named by Mrs. Bissett to investigate the flag purchase. Miss Mary Frances Bradley sang two selections, with Miss Katie Sue Good accompanying.

The following standing committees were named for the year:

Program: Mrs. George Bean, Mrs. S. M. Harvick and Mrs. C. S. Denham.

Membership: Mrs. Hugh Childress, Jr., Mrs. Lindsey Hicks, and Mrs. Melvin Brown.

Finance: Mrs. John Mitchell and Mrs. Elton Smith.

Davidson, Jr., Mrs. Marbury Morris; twelfth grade, Mrs. Evert (Continued On Last Page)

Rains Further Brighten Winter Range Prospects

Another General Soaker Insures Good Winter Start

Another slow-falling, soaking rain, general over most of the surrounding ranch area, visited Crockett county Tuesday night, further deepening the moisture in the ground and, barring early frost, insuring at least a good start on winter range for livestock.

The rains, following on the heels of heavy falls of three weeks ago, will serve to spur up the already rapid growth of green feed in pasture lands, and, with a few more weeks of warm weather, ranchmen should go into the winter with excellent prospects for a good season.

Falling slowly, the rains began early Tuesday evening and continued almost without let-up until daylight Wednesday, with intermittent falls continuing through the morning. The weather continued warm during the rain, thus minimizing the danger of loss among freshly shorn sheep and goats in this area.

Up to noon yesterday, the fall had been recorded at a total of 1.27 inches on the Joe Oberkamp gauge. Skies were clearing Wednesday afternoon in spite of the weatherman's prediction of cloudy and scattered showers.

Mrs. Thompson Is Teaching Red Cross Home Nursing Course

Mrs. Roy Thompson is teaching a course in Home Nursing under the Red Cross plan for the benefit of a group of Latin-American high school girls at the Community Center.

The class was organized recently at a meeting in the Center, Edna Martinez being named president, Carmen Vargas, secretary and Antonia Cardenas, reporter.

Humble Begins Tenth Year of Southwest Football Broadcasts

After warming up on a few preliminaries last week, Southwest Conference football teams are settling down to the season's work with a full schedule this week-end. As they have for the past nine years, Humble Oil and Refining Company will bring broadcasts of the season's games to football fans.

Of the four games on the cards for broadcast this Saturday, two are afternoon and two night games. The opener starts at 2:20 p.m. when the Texas University-Southwestern tilt takes the air. Kern Tips, dean of Humble announcers, has drawn the play-by-play assignment, while Dave Russell will handle the color. Stations carrying the games are KPRC, Houston; WOAI, San Antonio; WFAA, Dallas-Fort Worth and KTCB, Austin.

At 2:50 the broadcast of the S. M.U.-North Texas Agricultural College starts with Charlie Jordan presiding over the play-by-play and Fred Kincaid the color. Station WRR, Dallas; KFJZ, Fort Worth; KTHT, Houston and KWB-U, Corpus Christi will carry this game.

At 7:50 p.m. Alec Chesser will start the preliminaries of the Texas A & M-Texas Tech game to be relieved by Bill Michaels for play-by-play at the start of the game. Stations will be KABC, San Antonio; KTRH, Houston; KRLD, Dallas; WTAW, College Station.

The Rice-Randolph Field broadcast also starts at 7:30 over stations KXYZ, Houston, K TSA, San Antonio and KGKA, Dallas-Ft. Worth. Ves Box will handle play-by-play while Fred Nahas describes color.

Mrs. C. S. Denham is under treatment in a San Angelo hospital this week. Mrs. Denham, wife of Supt. Denham, teaches the fifth grade in Ozona schools. She was reported doing well yesterday.

Lions Smother Angelo Kittens Under 32-0 Tally

Blistering Pass Attack Aves Invaders in Season Opener

Exhibiting exceptionally well coordinated teamwork, and combining ground plays with a withering pass attack which netted at least one touchdown in every quarter, Coach L. B. T. Sikes' Ozona High School Lions touched off hysterics in the grandstand Saturday afternoon when they smothered a bewildered San Angelo High School Kittens squad under a deluge of touchdowns for a final count of 32 to 0 in the season opener on the local gridiron.

Quickly overcoming a first-of-the-season nervousness, the Lions showed almost mid-season polish as the game progressed, and as the score was built up, Coach Sikes had opportunity to get in some early seasoning for the younger members of his squad, thus bolstering a young but plentiful reserve—the first bench strength for the locals in several seasons.

The locals hit pay dirt early when End Corbell covered a Kitten fumble on their own 35. Bill McWilliams skirted the end to the 12, tried twice more through the line and then tossed one to Jimmy Read for the first touchdown. A pass for the extra point failed. After the Lion first touchdown, the Kittens unleashed a tricky ball handling line play which for the moment had the Lions baffled and the visitors chalked up three straight first downs before the locals finally solved the play and stiffened on their 29. After that, the Kittens proved no trouble for the Lions either on the ground or in the air, except at the beginning of the second quarter, the Kits blocked a Lio kick deep in Ozona territory and the Lions had to dig in to hold on their own 5.

Staging a quick come-back, Quarterback Bill McWilliams unleashed his accurate passing attack which rapidly ate up ground, tossing in succession to Read, to Ira Yancy and to Byrd Phillips, the latter taking McWilliams' heave in mid-field and racing the distance for the second marker. Another pass to Yancy was good for the extra point.

Jimmy Read accounted for Ozona's third touchdown with a 55-yard jaunt with a pass from McWilliams tossed on the first play of the second half after the Lions received the Kits' kick-off. McWilliams failed in a try for the extra point through the line. Late in the third quarter, the Lions were again in scoring position after Phillips recovered a Kitten fumble on San Angelo's 30. A couple of roughing penalties against the enraged Kittens set them back nearly to their goal line and McWilliams tossed one over to Phillips for another marker. Center Carlton Smith tried a place kick for the extra marker but it was blocked, the score standing 25-0.

Again it was that unerring pass attack which accounted for the final touchdown in the fourth frame. Ozona recovered another fumble on San Angelo's 38. McWilliams tossed one to Lowell Sweeten who charged down to the 11 and then another pass to Phillips was over the goal line and a touchdown Phillips took another one behind the line for the extra point.

With most of the substitutes swept from the bench and onto the playing field, the Kittens surged forward and was threatening a marker when Coach Sikes sent in enough first string reinforcements to hold on the five. With cocksure courage, McWilliams began tossing passes from this close position as the seconds waned and accounted for a first down up around the 20. On the last play of the game, it was another long pass and almost another touchdown for Phillips who loped to midfield before a lucky grab downed him.

The Lions play their second and last practice game next Friday night under the lights at Big Lake. After that, they lunge into district play in Mason the following Friday night, October 6, again under the lights.

Book Review Is Feature of Woman's Society Session

The Woman's Society of Christian Service met at the home of Mrs. S. M. Harvick Wednesday afternoon.

The program opened with Mrs. Stephen Perner playing "Rock of Ages."

Mrs. Carl Colwick gave an interesting review of "A Bell for Adano" by John Hersey; a book which deals with the problems of the American Military Government.

Cake and punch were served to the following: Mrs. Morris Dudley, Mrs. Chas. Williams, Mrs. M. C. Stearns, Mrs. J. M. Baggett, Mrs. Tom Harris, Mrs. Stephen Perner, Mrs. Alvin Scheel, Mrs. John Bailey, Mrs. E. B. Baggett, Mrs. Lee Childress, Miss Elizabeth Fussell, Mrs. R. A. Harrell, Mrs. Early Baggett, Mrs. N. W. Graham, Mrs. Bill Cooper, Mrs. Madden Read, Mrs. Scott Peters, Mrs. Joe Pierce, Mrs. Colwick and Mrs. Harvick.

Tinian Airfield Yields 'Prizes'

TINIAN, Marianas Islands (Delayed)—Fourth Division Marines captured one of the richest prizes of their invasion of the Marianas when they occupied the huge unfinished bomber field in the heart of Tinian.

With its dozens of revetments, out-buildings and landing strips, covering an area of four square miles, it was virtually untouched by naval bombing and shelling.

The giant airrome, so new that sugar cane fields, small farms and groves of trees still covered much of its surface, evidently had been used as an emergency landing

base. It resembled a gigantic graveyard of Jap planes of all types, with wrecks propped up on oil drums, and spare parts strewn about in confusion. No large buildings had yet been erected. The pilots and mechanics lived in tin farmhouses or straw shacks. There were no hangars or concrete aprons.

So rapid and devastating was the Marine attack that the defenders of the airfield had little time to destroy equipment before retreating to Tinian Town. Captured, all but intact on the ground, was a two-motored bomber. A Zero, being uncrated for action, was abandoned as it stood, covered by a tarpaulin.

Rubber tires, searchlights, steamrollers, brand new motors, spare gas tanks of the latest self-sealing type, plus truckloads of smaller tools, ammunition and medical equipment were seized and put to immediate use.

Only evidences of Japanese defenses were a few booby traps, including bottles of poisoned beer.

Seabees already are at work on the giant field and Marine observation planes have landed on it. "Field No. 3," its only name so far, is on the way to being the most important bomber base in the Marianas.

Mr. and Mrs. Bryan McDonald and children plan to move to Canyon about the middle of next month. Mr. McDonald is interested with his brother in a stock farm and implement business in Hereford and they have bought another stock farm which he will operate. The McDonalds have owned a home in Canyon for several years but recently purchased a larger place which they will occupy.

Civic Groups Combine To Make Waste Paper Campaign a Success

Boy Scouts, Legionnaires, Women's Home Demonstration Club Members, Red Cross chapters, units of the Texas State Guard, Church Societies, Sunday school classes, and many other groups over Texas have joined forces with the newspapers of Texas to make Texas Paper Salvage Month a smashing success, reports reaching headquarters of the paper drive indicate.

A. Patrick Flood, War Production state salvage manager, in commenting on the progress of the drive, pointed out that waste paper collections would become even larger with the opening of schools over Texas, since most schools have been actively engaged in the collection of waste paper for several months.

The need for waste paper has become even greater than ever, and paper mills over the United States have been forced to close because of shortages

POST-WAR Magic

STORYBOOK automobiles—light metals—plastics—100-octane gasoline—television—electronics... Postwar America is in for an incredible and marvelous homelife.

With the coming of electronics, all-electric kitchens, washers that do everything but laundry-mark, let's not lose sight of why we so avidly yearn for these coming tools to make our leisure hours longer. Time was when the thought of purchasing additional electrical appliances had to be carefully considered, lest we exceed our budget—our cost for electric service was about as much as we felt we could afford. Now, after many years of increased use of electric current, we find the cost of service very little greater!

More and more West Texans are telling their neighbors that there is one household item that has stayed down in price... that they are using twice as much electricity as they did fifteen years ago at the same monthly cost!

WHY? You don't have to get a crystal ball to figure this out—steady reduction in cost of electric service has been attained by strict business management... and because company employees consider it their personal responsibility to see to it that all additional costs are eliminated in rendering such service.

SCHOOL DAYS!

School spirit not only implies how loud you yell at football games, but your attitude toward school in general. Perhaps you regard school as "just one of those things," and live only for graduation day. If so, you are going to miss some real opportunities. After all, your school is a small world in which you have a chance to find out how you will fit into the scheme of things later on. Only through participation in class and school activities can you hope to get the benefit that school organizations can give you. As a school citizen do what you can in a moral and financial way to support school organizations and movements. Be interested and you'll find school isn't so bad after all.

HERO—CARLTON, at least he has the hero limp, but he seemed to be doing very well at the dance. Seriously, his position will be hard to fill, but as a well-known sports writer says, "A crippled team. . . Tough luck, Smitty."

FINALLY DECIDED. It was a close race but **JOYCE** is in the lead now; the final decision, however, rests with **BYRD**.

EXAMPLE—of a perfect gentleman: **BILL MCWILLIAMS**; he always walks slowly and quietly into the room while some girl holds open the door for him.

HELLO—to **NELDA SPENSER**, hailing from Bastrop, Louisiana. She won't be here but a little while so you people better get acquainted while you can. Her father is foreman on a pipeline crew that is in Ozona.

A HINT—to the wise is sufficient, **EARL** is not responsible for anything that might happen to **CHAPPO'S** car while he is driving, now that he has gone off the deep end and hails all the freshmen girls with, "Hi yuh, Cutie!"

THANKS—to **Bud Cox** for his best wishes for our football team on the day of their game.

HOME AGAIN—(May be just home) **CALVIN WILLIAMS**, looking bigger than ever. He is another ex who is well pleased with the prospects of the Lions. Seen everywhere with **ROSALYN**.

CHANGED—Not new flames, but steadies: **LILLIAN** and **BOB**.

TWO BY TWO—**BETTY MARTIN** and **PERRY HUBBARD**.

LATE—to League, **NAN** and **LOWELL**.

CONGRATULATION—to **BYRD** and **LARRY** for reaching the ripe old ages of seventeen and sixteen respectively. From now on I suppose that we shall have to refer to them as **MR.**

Are in order for the **JUNIOR CLASS**. With a business like that they should be able to make a few loans just to tide a fellow over these hard times.

SCARED STIFF—**CHAPPO** and **JAMES**, when little Mike ran into their car. That's the reason for the added years and grey hairs.

SEEN—**HENRY PATRICK** at the picture show. His stock answer to, "What are you doing?" is "Waiting."

ALL AROUND GOOD STUDENT—**VNRGINIA STARK**.

HAPPY BIRTHDAY—to **JOE BEAN**, a little belated but none

the less sincere.
TALENTED—IRA YANCY—very few artists can play football, too.

WHAT IF?

The Lion's hadn't won the football game Saturday with a score of 32-0?

Carlton Smith hadn't broken his foot?

Sue, Ann and Corinne hadn't gone to the dance Saturday night with San Angelo boys?

Larry wasn't the subject of a quotation from Macbeth; namely, "Who would have thought the old man had so much blood in him?"

The American History students weren't feeling so overworked?

Bill Wilkins and Larry weren't so brave about mixing things in Chemistry?

Nan hadn't slapped Byrd (nobody knows why)?

The Juniors didn't look so bewildered about Geometry?

Bill McWilliams didn't have Ruth's name written on his Algebra book?

Max hadn't hit Jimmy's car after the dance and dented the fender?

Louise Arledge's drum major-ette uniform didn't look so good on her?

Byrd got to History on time for once?

The culprit would admit the guilt of the airplane episodes?

The freshman class didn't have so many boys in it?

Dorothy Bauer and Joe Bean weren't seen together so often?

FOOTBALL DANCE AFTER VICTORIOUS GAME

After their overwhelming victory Saturday afternoon on the football field, the embattled players attended a dance given that night by the Drum Major-ette, Louise Arledge, Pep Leaders, Nan Tandy and Baby Hokit, and Twirlers, Doris Bean and Barbara White.

A number of the beaten Kittens also "danced with a few Ozona dollies." The worn but triumphant Lions enjoyed several dance numbers from the side lines and everyone was glad to have them rest up for the Big Lake game.

Punch was served to the players, the pep squad, and the football minded guests.

LIONS SCORE

The San Angelo Kittens went down Saturday afternoon before the onslaught of the Ozona Lions to the count of 32-0. Byrd Phillips was good for three touchdowns and one extra point. Jimmy Read added twelve more points and Lowell Sweeten brought the score to its grand total.

The Lions found the San Angelo line a tough nut to crack but, with the inexperienced backfield, nearly every Ozona pass clicked.

Next week the home team invades the gridiron of the Reagan County Owls and will be trying to run up a large score. The club had plenty of support Saturday from the grandstand and are depending on as much Friday night in Big Lake.

With football games always go alibies; but for a change, the opponents were making them. The pet one was the old story about

the field; they said that it had too much dirt and not enough grass. Anyway it is past and forgotten (for Angelo) and history is expected to repeat itself Friday night in Big Lake.

THE KING'S ENGLISH

Conversation is an art and not a "line" that ropes in the victims, so the Freshmen have decided after studying a unit on "Conversing." Its chief ingredients are a pleasing voice, a variety of interests, the ability to listen, and a genuine sympathetic interest in other people. They have found that there's more to this business of talking than just breath coming from the diaphragm and pouring over the vocal cords. Cool conversation is a natural expression of good thinking.

The Sophomores are making a study of the "essay." After boiling all the definitions down until they come out with "a written composition," they were ready to

read examples of this type. "There's a Job for You" by B. Lillie brought up the question, "Is there?"

The Juniors are taking their textbook, "English in Action" literally, but they are ready to go a little more slowly. If "writers are born, not made," then they see no reason for so many assignments. "Practice Makes Perfect" may be a good title for a song, but they don't think that it is any fun to do.

Macbeth is a good, blood and thunder murder story so the seniors are busy killing off the Shakespearean characters in preparation for the catastrophe which they feel sure is to come.

This takes care of all the English classes except the one that meets from four until five every afternoon.

CHEMISTRY STINKS!

Long ago, our ancestors breathed in the fresh, pure air of Crockett County and named the little town they founded Ozona. Ozona, village of the sweet, fresh air! It is well that their lungs shall nevermore pump Ozona air. 'twould break their hearts if they only knew.

Their descendants, their own

flesh and blood, have fiendishly contrived and I must add under the direction of our own principle, Mr. L. B. T. Sikes, to contaminate our very breath of life! Under the deceiving title "Chemistry," they brew a stench heretofore totally unknown to mankind. Heaven forbid that mankind shall ever know it again. They laugh with glee as the foul odor creeps relentlessly into all the nooks and crannies of O.H.S. From without the building heads are seen popping out the windows and constant coughing racks the air.

Are we going to stand helplessly by and see our very health permanently ruined? Are we going to let the name Ozona be a complete prevarication? I say no, emphatically NO! I propose a lynching party. . . . Down wit hthe traitors!

This next Friday evening, September 29th, our church will conduct a worship service in connection with the Associational Preaching Crusade. The hour of the service will be 8 o'clock and the speakers will be Rev. James E. Clark of Iraan and Rev. Seth Hughes of Rankin. The members of the church and their friends are invited to be present.

We are very grateful for the fine corps of workers elected during the worship hour last Sunday morning and we believe every member of the church will cooperate to the fullest with them to make this new church year the best of all. That should ever be our goal and we must strive to reach it.

A welcome awaits you at this house of worship on next Lord's Day.

OPENS SWEET SHOP

Mrs. Dora Moore has opened a cafe and sweet shop in the Williams building, formerly used for the Service Men's club. Mrs. Moore is serving sandwiches, hamburgers, drink and pastries.

REMEMBER THE DAY YOU DROVE THAT BRAND NEW '39 INTO JIM'S STATION?

What a beauty she was . . . all gleaming with chromium and new paint! Jim was as proud of her as you were and the boys on the wash-rack used to polish the fenders 'til you could see your face in them.

Well, the old buggy isn't quite so rakish looking today—but the motor is still sweet-running for Jim has done a good job of keeping her young.

As you drove less, Jim watched the motor and battery more, knowing that idleness could be more harmful sometimes than wear. He preached the gospel of abiding by the ration program, he cross-switched the tires and kept a constant eye on the little troubles that could grow to big ones.

There is a Jim in every Humble station. The war has taken most of his help and lots of his

business away from him. But he carries on because he feels that his most useful job today is to keep vital transportation rolling. And he looks forward to that happy day when you'll drive up in your next new model and say, "Well, Jim, what do you think of this one?"

Tetra-ethyl lead, when added to gasoline, raises the octane number of the gasoline and reduces or eliminates motor "ping." But tetra-ethyl lead has recently become a critical war material . . . so critical that the Petroleum Administration for War has directed all refiners of premium grade fuels to limit their production of such gasoline to one-half the amount pro-

duced during the six months prior to June 1944. This reduces drastically the amount of premium gasoline available to civilians.

Also in the interest of conserving war-vital tetra-ethyl lead, P. A. W. has directed that less of it be used in the manufacture of all Regular gasoline. Consequently the octane number of this product has been reduced from 72 to 70.

So, if your Humble Station is temporarily out of Esso Extra, or if Humble Regular does not perform in your car like it did in the past, please remember that tetra-ethyl lead is really at war . . . just another of those small sacrifices all of us at home are asked to make in the interest of an earlier Victory.

Sgt. Geo. W. Corbell, Miss Livia Morelli Wed in Sacramento

Staff Sergeant George W. Corbell, son of Mr. and Mrs. M. E. Corbell of Ozona, and Miss Livia Morelli, daughter of Mr. and Mrs. Angelo Morelli of Sacramento, Calif., were united in marriage Sunday afternoon in the Sacred Heart Catholic Church of Sacramento. Now here on a visit with Sgt. Corbell's parents, the young couple will leave Sunday for Lincoln, Neb., where he is to report for further assignment in the United States Army Air Forces.

Sgt. Corbell has just returned from nearly two years of foreign service, a veteran of the North African and Italian campaigns.

At the marriage, the bride was given in marriage by her father and her sister, Mrs. Della Carpenter, was matron of honor. Miss Virginia Kramer was maid of honor and bridesmaids included Misses Betty Berkeley and Beverly Simonson. Preceding the service, another sister, Miss Eda Morelli,

sang appropriate selections.

Cpl. Edward Cecchetti was best man and ushers included Sgts. Edward J. McKee and Montell R. Allen and Sgt. Albert L. Garfio. For her wedding costume, the bride wore a white slipper satin gown styled with seed pearl trim around the sweetheart neckline. Her full length veil was caught to a bonnet cap of French lace edged with seed pearls and she carried orchids and gardenias. A reception followed the wedding in the Muir Clubhouse.

The bride is a graduate of St. Joseph Academy and attended the University of California. Sgt. Corbell was schooled in Oklahoma.

Monroe Baggett returned the end of the week from San Angelo where he was under treatment of physicians in a San Angelo hospital for several days.

Mr. and Mrs. P. T. Robison have moved into their new home, the former Hoover home, which they purchased and which has been completely rebuilt.

Mrs. B. E. Adwell has returned from Camp Wolters, Texas, where she spent the week-end with her husband, Pvt. Bernie Adwell who is stationed there.

Mrs. Ed Lewis and son arrived this week for a few weeks visit with Mrs. Lewis' parents, Mr. and Mrs. Neal Hannah. Mrs. Lewis has been making her home with her husband, Lt. Ed Lewis, who is stationed at McClellan Field in Sacramento, Calif., with the Air Service Command.
