Sixth War Loan Drive to Begin Monday, Nov. 20

Crockett County Quota \$300,000; Series E Goal \$75,000

Monday, November 20, has been set as the official opening date for the Sixth War Loan, a nationwide campaign for a 14 billion dollar loan to the government for prosecution of the war.

Scott Peters, Crockett county War Finance Committee chairman, has announced that this county's quota is \$300,000 for the Sixth War Loan, a reduction from previous quotas assigned this county.

Of the \$300,000 goal set for this county, \$75,000 in Series E bonds, the popular series for individual investors must be sold, the drive chairman said. The Series E bond goal will be the most difficult to reach, Mr. Peters declared, and bond buyers are urged to make ready to increase their purchases from now until mid-December, the official closing date for the Sixth war finance drive.

"Undue optimism about the end of the war is expected to prove a handicap to success of the Sixth War Loan drive," Mr. Peters said. "Both government officials and commanders of our armed forces in the field have warned against such optimism, and from all indications the war is far from ended. Our part in financing the fight is an important one and we must not fail to do our part."

F. W. Whitney of Ysleta has been appointed assistant supervisor for this district, which coincides with the 16th Congressional district represented by Hon. R. E. Thomason. There will be a census taker and assistant appointed in each of the 17 counties in the district.

Texas is divided into two major areas, north and south, with the Sixth district attached to the New Mexico area. It is hoped to complete the census by next March 15th, and April 1st will be the final deadline.

From seven to 10 persons are expected to be employed in the headquarters offices in Pecos. They will work in three offices assigned to the staff of the U. S. district attorney, who granted Captain Swinehart permission to use the quarters.

Ozona Churches Honor Departing Baptist Pastor

Baptist Congregation Stage Reception After Final Service

Congregations of Ozona's three churches gathered at the First Baptist Church here Sunday evening to fill that church to capacity as a tribute and a final farewell to the Rev. Clyde Childers, retiring pastor, and Mrs. Childers, who left Monday morning for San Antonio where Rev. Childers is to take up his work as pastor of the Riverside Park Baptist Church.

A particularly appropriate and timely sermon on the topic of Unity was preached by Rev. Childers. The minister expressed his gratitude to members of his own congregation and to the people of the other churches of the city for their co-operation and friendship during his seven years of service as minister here.

Following the service, the Baptist congregation entertained with a reception in the auditorium of the education building honoring Rev. and Mrs. Childers. Cake, punch and coffee were served. As a parting gift, the church presented the Childers with a silver tray and silver vegetable dish, the presentation being made by Ira Carson.

October Brings New Record for Tax Collections

\$111,080 Collection in First Month of Tax Paying Period

A new record for state, county and school ad valorem tax collections in one month was hung up in Crockett county during October, a summary of collections for the opening month of the tax period compiled last week by Mrs. A. O. Fields, deputy collector, revealed.

Crockett county taxpayers flocked to the collector's office in the opening month of the 1944 taxpaying period to pour in a total of \$111,080.50 in cash into the county till, to be divided among the county, state and school funds. On a discount-for-prompt-payment system, in operation for several years, taxpayers actually took care of a total of \$114,516 of the 1944 assessment. A 3 percent discount from the individual taxpayers bill is allowed for payments made in October, and taxpayers who paid in the record amount in taxes in October saved a total of \$3,435.46 in discounts.

The October payment of taxes represents approximately 74 percent of the total tax bill due in the county, it was pointed out. The total taxes to be collected between now and February 1 is \$154,811.72.

The discount schedule will continue through November and December, with the discount reduced to 2 percent in November and to 1 percent in December. No discount is allowed on taxes paid in January and penalties apply after February 1.

Mr. Chandler spent most of his youth and young manhood as a resident of the Sherwood-Mertzon area. He was married there on October 6, 1893, to Miss Jenny Carmon. Survivors include the widow; four sons, Houston Chandler of Amarillo, W. H. (Coon) Chandler of Ozona, Jack Chandler of Deming, N. M., and Elvin Chandler of Dryden; and four daughters; Mrs. Ernest Dunlap of Ozona, Mrs. Travis Ferguson and Mrs. Robert Doak of San Antonio and Mrs. Thomas L. Page of Sierra Blanca. The VE Day planning committee will be headed by Mrs. Carl Colwick, chairman of the Community War Service Committee. Other members of the committee include heads of local organizations. They are Mrs. Stephen Perner, president of the Ozona Woman's Club; Mrs. Pleas Childress, president Junior Woman's Club; Mrs. Bill Bissett, president Parent-Teachers Assn.; Mrs. R. A. Harrell, Home Service Chairman, Red Cross; J. M. Baggett, chairman Red Cross chapter; Evert White, editor; Houston Smith, county judge; Rev. A. A. Carter, minister; Royal Caswell, president Rotary Club; and C. S. Denham, superintendent of schools.

Discussion at the organizational meeting centered on the question of an appropriate theme for the victory celebration and the form such a celebration should take. Definite plans will be laid and assignment of program parts made at a future meeting of the committee. Miss Mary Riddle, deaconess, will be in charge of arrangements for a similar program to be staged at the Community Center by people of the Latin-American settlement.

Tire Board Warns Against Use of Cars in Trapping

Unauthorized Use May Jeopardize Chance for New Tires

With the approach of the trapping season a warning was issued this week by the Crockett County War Price and Rationing Board against the use of cars or pickups in trapping or headlighting for fur-bearing animals.

John R. Bailey, chairman of the board, issued a statement following a conference of the board, in which he declared that stringent penalties might be invoked against ranchmen and others who are known to be guilty of such illegal use of cars, pickups or trucks.

"Use of cars or pickups in headlighting is an unauthorized use of rationed tires and gasoline," the board chairman said, "and any person under the jurisdiction of this board who is known to be guilty of such a practice will, as the least penalty, be placed at the bottom of the list of applicants and may be denied tires altogether. Rationing rules forbid the use of cars for such purposes and it is the duty of this board to enforce such rules. Consequently, we will investigate all reports of illegal use and take action according to our findings."

Ross Hufstедler led a sing-song program for the Ozona Rotary Club at its meeting Tuesday, Miss Susie Hokit playing the piano accompaniment. Miss Hokit also played several piano numbers.

Undefeated Lions Crowned Champs Of District 4-B

Sonora, Last Rival, Bowled over by Count of 31-7, Armistice

By defeating the Sonora Bronchos 31-7 on Sonora's gridiron Armistice Day, the 1944 Ozona High School Lions became the third football team in the school's history to win the district football championship.

Undefeated and untied in district competition, the Lions of '44 are the undisputed kings of District 4B and now are awaiting the outcome in District 3B to take on the winner for the bi-district crown. In 1941 and again in 1942 when Ozona teams sacked the district crown, they also came through for the bi-district title, both teams defeating Bronte. This year the champs will take on a little stouter foe, the champions of the McCamey-Crane-Ft Stockton-Grandfalls, etc. circuit, with McCamey the probable winner. Unless the dope is upset in the McCamey - Grandfalls game Friday night, the Badgers will emerge on top of the 3B heap and the bi-district game will be matched for next week-end, the location yet to be determined.

The district standings after the week-end games were as follows:

	Won	Lost
Ozona	5	0
Menard	3	1
Mason	3	2
Eldorado	2	3
Junction	1	3
Sonora	0	5

The Lions' season record follows:

Ozona 6, Mason 0.

The champions jumped off to the lead in the first few minutes of play in the Armistice Day fracas at Sonora. Lowell Sweeten received Sonora's kick-off opening the game on his own 20 and charged down the field 58 yards to Sonora's 22 before being stopped. McWilliams and Sweeten in a couple of tries had a first down on the 12 and from there Jimmy Read dashed through for the first touchdown.

Read repeated before the game had grown more than a few minutes older by uncorking a 36-yard run through the Bronch line for the second touchdown. The 36-yard touchdown sally was set up when Larry Arledge, guard blocked Sonora's attempted kick and Phillips covered the ball on the Bronch 21. A 15-yard holding penalty set the Lions back and from there Read raced to pay dirt in a flashy bit of sidestepping behind splendid Lion blocking.

Two touchdowns were chalked up in the second frame, McWilliams and Womack carrying for

FARMING ISN'T FUN

If a farmer or rancher wishes to buy materials to enlarge his barn, construct a silo, or for any one of a hundred measures to step up production, he must go through all the rigamarole of getting priorities, permits, and the okay of various "authorities," from the county agent to the ration board.

This is one of the reasons why millions of good Americans are praying for the day when they will be released from the domination of bureaucratic rulemakers in Washington.

SERVICE MEN FROM INDIA TO GERMANY GET STOCKMAN

Copies of the Stockman go out each week to Crockett county boys in service scattered from the heart of India and China across the Pacific islands and the United States to the battle lines now reaching to the German homeland and in northern Italy.

Glancing at the map of the world, one can not help wondering if the home town paper is actually reaching the boys to whom it is addressed over such vast distances. It is always gratifying, then, to have direct word from one of them that he is getting the paper.

Such word came last week in a V-Mail letter from First Sergeant Dennis Fleet (Bud) Coates, with a U.S. Field Artillery unit, somewhere in Holland. Noting a change of APO number with a request the change be made in addressing his paper, Sgt. Coates wrote: "You know I can't get along without my Stockman. They get here a little late sometimes, but nevertheless, I enjoy reading it." (And, believe us, Sgt. Bud, we enjoy sending it, even under present handicaps.)

Capt. and Mrs. Landon Hill and daughter from Abilene were weekend guests of Mr. and Mrs. C. O. Walker here. Also guests of the Walkers' were Mr. and Mrs. W. Parker of Leuders, Texas.

Mr. and Mrs. Bascomb Cox are in Dallas this week attending the Greater Pan-American Hereford Exposition and rodeo and visiting with their daughter Miss Ora Louise Cox and son, L. B. Cox, III, a student in S.M.U.

Mr. and Mrs. Paul Ferner spent the weekend in Dallas where they attended the Greater Pan-American Hereford Exposition and rodeo at Fair Park, and visited their daughter, Miss Mary Ferner, a student at S.M.U. in Dallas.

Henry Batjer, district superintendent of the West Texas Utilities Co. in this district, was here from San Angelo on business Tuesday.

Miss Elizabeth Fussell left Sunday for Fort Worth where she attended a meeting of the state board of the Federated Women's Clubs and postwar planning conference. From Fort Worth, Miss Fussell went to Cushing, Texas, to visit her sister.

36th Division APO Keeps Mail Moving To Valiant Texans

WITH THE 36TH "TEXAS" DIVISION OF THE SEVENTH ARMY IN FRANCE—Texas residents who have mailed letters and packages to the boys in the Texas Division which is now fighting in the Vosges mountains with the Seventh Army in France, can be sure that once the mail has reached the Division APO, veteran GI mail handlers will speed it to the men. Four years experience in handling the division's mail both in the U.S. and overseas has made the APO a smooth running machine.

The first Post Office set up for the 36th "Texas" Division was formed at Camp Bowie, Texas, on November 25, 1940. Eight men handled the few letters that dribbled in from friends and relatives of the officers and enlisted men of the Division.

The first Christmas was a slow one. Since the majority of the personnel lived in Texas and had a four day leave the Christmas packages were few.

When the 36th Division went on the Louisiana maneuvers of 1941, the post office went along to perform its usual functions. Now some distance from home, the volume of mail showed signs of an increase. By Christmas, registered parcels and letters were coming in regularly to give a boost to the morale of the men who were seeing their first Christmas away from their families.

At Camp Blanding, Florida and Camp Edwards, Massachusetts, the men from the APO found themselves with more than a full time job to perform. Letters were numerous, going home or cashing money orders. The last Christmas at home found the men swamped with all kinds of mail both first class and fourth class. The number of packages and letters distributed reached a new high.

On April 13, 1943, the 36th Division with the APO landed in North Africa. Three days later, mail was in the process of distribution to the Division personnel.

By May 1, the mail delivery became a regular part of the dough-boy's daily routine.

On September 9, 1943, the 36th Division had its first battle experience when it spearheaded the Fifth Army's invasion of the Italian mainland. The APO remained in Africa forwarding mail to the men fighting to establish a beachhead. Finally on September 26 the APO left North Africa and docked at Naples ten days later.

The first army post office was set up in the mountain village of Altavilla, scene of the heaviest fighting of the first few days of the Italian campaign, and the same town where "Commando" Kelly made his heroic one man stand against the counter attack of the Nazis.

During the following two months, Christmas mail began to flow to the frontline troops. More than 13,700 pouches of parcels and 700 bags of letters were received and distributed to the veterans of Salerno. To take care of the enormous burden of handling all the incoming and outgoing mail, more men were added to the section.

Working conditions were often difficult. The Germans destroyed everything in their hasty retreat northward. Electricity was often lacking. Therefore it was often necessary to work by candlelight. But even the most adverse weather conditions failed to stop the mail from going through.

After the 36th Division went into action at Anzio and during the rapid advance from Velletri, past Rome, to the hills overlooking Pisa, the mail arrived regularly.

When the 36th Division as a unit of the Seventh Army invaded the shores of southern France, the APO went along, landing with the first elements to hit the beach. The rapid advance north from the Riviera failed to swamp the veteran mail handlers. Daily schedules were maintained to assure a quick and efficient delivery of the greatest morale builder the Army has been able to provide — MAIL.

THE LION'S ROAR

OZONA, TEXAS, THURSDAY NOV. 16, 1944

NO. 25

GRID CAPTAINS ELECTED

Read, Phillips and McWilliams were elected to the coveted positions of honorary captains of the District Championship Football team of '44. This voting was done by the entire squad each man casting two votes. When the ballots were counted, the coach named the three boys as captains, thereby coining a new phrase in football—Tri-Captains.

It is fitting that these three players be given this honor since they are the only boys who were members of the Bi-District Championship Team of '41 and also the Bi-District Championship Team of '42. Very few have such an opportunity to be listed on the roster of three championship teams in four years of high school football.

When these three were coming out for football their freshman year, McWilliams weighed 90 pounds, Read 112 and Phillips topped the scales as the heavy-weight of 115. Now respectively they weigh 133, 148 and 165. They received their first football letters when they played on the second Bi-District team in '42. At that time Jimmy Read, a sophomore, was mentioned for all-district end, McWilliams has always played in the backfield and even then Byrd Phillips showed prospects of becoming an outstanding end in the district. Last year both McWilliams and Phillips were named for all-district.

If the Lions are able to cop Bi-District, the captains will have all the honors that they could want as far as football goes.

SOOOO, I SEZ TO MABEL—

November 11—the date of the Armistice and the date of the district championship for Ozona High School. — The second string caused quite a commotion in the stands when they went in the game Saturday. Dot and Mary K. were trying to tell each other at the same time that Joe and Bernard went in.—Louise Arledge had company over the week-end. They were her cousin, Hazel Babb, from Sanderson and her friend, Betty Jo Curr. — After the Pep Rally Friday night Byrd, Bill Mc, and Larry took Hazel, Betty Jo and Barbara riding. It seems that Byrd thinks a lot of left handed girls in general.—At the picture show Friday night to hear "Cuz" Harold Goodman were Sammie Perner and a sub-fish. There's a rumor that she has Bob Bissett's ring too.— Sue Beasley was making all the girls jealous Saturday at the game by talking to Gilbert Teagarden so long.—Bennie G. spent the week-end in Big Springs while Bill Womack moped around in Ozona looking lonesome.—Muggs was with Bob Bailey again Sunday. Sunday night, and Monday night, and, incidentally looked very happy about the whole thing.—We have Bob Bailey and Mrs. Gertrude Perry to thank for the milk shakes and drinks for all the football boys and pep squad girls.— The dance Monday night given for Doris and Joe Bean was a big success. Several new couples were Corinne, Bernard; Joyce and Dick Kirby; Mary K., Kerry; Ann West, Bill Mc; Jane Augustine and Mike Burns. — Jo Nell Consoe was sporting a football jacket Tuesday. Incidentally (?) Carlton was minus one. — Barbara and Larry just can't seem to forget that old subject, Paul Page. They were arguing about it again Friday night. — Joyce is reading up on "How to Get Along with the One You Love." She and Bill Mc fight quite a lot. Could be that has something to do with it.—Larry and Lowell were really embarrassed when the hypnotist woke them up and they found out they had been chasing "bees."—Muggs and Earl just can't seem to get along in Ameri-

can History But you know what they say about "those little quarrels."—John Fussell has been whistling at all the girls. Maybe he's turned over a new leaf.— There's a new mystery around school. Why is everyone calling Byrd "Hot Lips" and "Pretty Boy?"—Nan had a chance to go with the owner of that beautiful, black convertible that's been roaming around town and didn't take it. Silly girl!—Bill Wilkins just cannot keep secrets— especially from Doris Bean.—Joy Hubbard was at the show with a cute boy named Kenneth. (Sue's old flame.) —Joe Ross now has in his possession a scarf of Louise's. He says he'll never part with it.—Max and Lillian were at the dance Monday night. Also Patsy Schwalbe and Scott Smith.—!!

WHAT IF—

The Lions hadn't won District Saturday with a score of 31-7? Jimmy and Louise (and this is getting monotonous) could decide whether they are going together or not?

Byrd was able to resist left-handed girls?

Bill McWilliams didn't get along so well with his relatives, especially cousins?

Dot didn't receive such interesting notes from Jack Coates?

Bill Wilkins could keep a secret from Doris?

Bernard would admit what really happened to his eye?

Baby hadn't wanted somebody to double-date with Byrd and her Monday night? He won't bite, Baby!

Mr. Sikes wasn't so helpful when Bill McWilliams fought to remove "the evidence"?

There weren't so many people curious to see if there is any water in the pool?

Bernard wasn't rapidly on the way to becoming a lady-killer?

Nan didn't have the perfect solution to the mail-bag trick?

Daphne wasn't so interested in the new Soph?

DOCTOR HUDSON'S SECRET JOURNAL by Lloyd C. Douglass

The author's first novel, Magnificent Obsession, evoked a flood of letters from its readers. Among the queries presented by those letters, one was almost always included: "Is the complete Journal of Doctor Hudson available?"

Dr. Wayne Hudson was an eminent brain surgeon who lost his life by drowning. Among his effects there was found a journal containing some amazing memoirs written in a baffling code as a means of insuring it against a hasty perusal by persons who might view it with carelessness or in credulous indifference.

Doctor Hudson's Secret Journal is not a sequel to Magnificent Obsession, but throughout that book quotations from and allusions to this laboriously decoded journal provided a great source of inspiration and belief. It is rather an expansion of its philosophy, illumined by the full story of Doctor Hudson's experiences.

Lions Capture District Crown

Ozona's slate is still clean with five straight conference wins. The last team to go down before the District Champs was Sonora by the count of 31-7.

Ozona received the kick-off and Sweeten ran it back 60 yards to the Sonora 20. In two running plays Ozona had six points with Read carrying it over from the ten yard string. Sweeten's kick for extra point was no good. The second score came after Larry Arledge Ozona guard, blocked a Sonora kick and Phillips recovered. From that position it took only three plays and the score was 12-0 with Read carrying again. The extra point again was no good.

At this point in the game most of the second string came in and it was the beginning of the second quarter before the main string went in again. Two passes, one to Hoover and one to Cooke, both sub ends, set up the third touchdown with McWilliams carrying from the four yard line. The fourth counter was by Womack from the four yard line after a long end around play by Phillips. Yancy caught a pass for the extra point.

The first string started at the half and the Sonora boys threw a pass for the touchdown in the latter part of the third quarter. Ozona quickly marched 60 yards for a touchdown. Phillips carried it the last thirty-five on a pass. At the close of the game, Ozona had the ball on Sonora's twenty-five and only time kept the Ozona Lions from making six more points to their score.

Week after next, Ozona will probably play the McCamey Badgers for the Bi-District crown. The place nor the exact date has been fixed since McCamey must play Grandfalls this week-end.

Congratulations, Lions!

"Letters of congratulations should be written to a friend who has received some honor or has a piece of good luck or has accomplished some feat. Such letters are not lengthy literary efforts but sincere, direct, genuine expressions of feeling. To express simply what is in one's heart is much better than to search for lofty, meaningless phrases." So I might begin a classroom unit on social letter writing; and if such advice is good for pupils, then perhaps it is good practice for teachers.

So I want to extend my congratulations to the Ozona Lions for their successful season and their winning of the District Championship. First this should be addressed to Jimmy, Byrd and Bill, on whom a great deal of the responsibility of the team has rested. Their being elected captains proved the confidence of their team. But no less deserving are the other members of the club. If I were choosing the All-District team I think that I should list all of the Ozona Lions, for man by man, none have shown up better than they; we have the best tackles, the best guards, the best ends, and the best center—and I'm not prejudiced. The backfield as a whole is the smoothest clicking quintet I've seen play this season. This "All-District" list of mine would include the thirteen or fourteen boys who have seen the most action.

The squadmen deserve congratulations too. The success of the regulars is due to the competition given them by the substitutes.

May I also extend my congratulations to Coach Sikes. It has been through his efforts for the past two years that these boys have developed into the championship club.

Doris Bean Is Honored at Dinner

Doris Bean, Junior in Ozona High School, who left this week with her family to live in San Angelo, was honored at a dinner Sunday evening in the home of Mr. and Mrs. Chas. E. Davidson, Jr. Hostesses were Muggins Davidson, Joyce West and Barbara White.

Plates were laid for Doris Bean, Bill Wilkins, Benny Gail Phillips, Bill Womack, Joanne Glover of Ballinger, Byrd Phillips, Joyce West, Bill McWilliams, Muggins Davidson, Robert Bailey, Barbara White and Larry Arledge.

FAYSSOUX DISCOVERS BRAINS IN O.H.S.

Mr. Fassoux is without doubt a remarkable man but Mr. Sikes was not properly impressed. It seems that a locked mail-bag in turn locked in a trunk may be difficult to escape from but it is nothing to the situations he has seen Byrd Phillips get out of by merely using his tongue. But maybe a trunk is different.

Nobody ever thought of Larry Arledge or Lowell Sweeten as having particularly strong minds—or even having minds before, but if Mr. Fassoux was right and it takes a strong mind to be hypnotized, well, a lot of people have a lot of — uh — remarks to take back. They proved the strength of their great minds by shooting imaginary flies from their noses and by attempting futilely to put their fingers in their mouths (during which operation they had, I assure you, a most intelligent look.

I'm afraid several teachers had their feelings severely hurt when the two (ahem) strong-minded characters obeyed blindly a perfect stranger's every wish and whim when they pay so little attention to their most urgent commands. They were broken-hearted.

It seems that "The Brains" are still trying to remember what was so very funny, where the strawberry patch was, and especially, who let those bees loose on the stage. Think hard boys, maybe you'll remember.

Marine Capt. Ralph Mayfield of Cameron has been awarded the Air Medal for "meritorious achievement while on cargo dropping missions in the Solomon Islands area." Risking his life to save the lives of men fighting on the ground, Captain Mayfield kept the men below supplied with ammunition during a particularly bitter battle against the Japs on New Georgia island.

In Italy, 1st Lt. Dan Cunningham, 22-year-old native of Corsicana, received the Air Medal for his many exploits aboard a Flying Fortress. And back in Texas, Mrs. Shirley Quillen of Taylor received the Distinguished Flying Cross during ceremonies at Bergstrom Field. The coveted decoration was won by her husband, Maj. Monroe B. Quillen, during heroic flights against the Nazis in Europe. Major Quillen was shot down and is now a prisoner-of-war in

Germany. To keep busy until he returns, Mrs. Quillen works in the office of the United War Chest of Texas, helping with the state-wide campaign for the National War Fund.

How would you like to discover a 14-foot snake beside, while flying a plane many thousand feet in the air?

That happened to a Texan, Lt. Bob Wicker of Slaton. . . and the situation was further complicated by the presence of Jap planes, too. Wicker was flying over New Guinea when he discovered the big snake in the cockpit. It was a python.

Needless to say, the Texas flyer landed quickly and disposed of his uninvited passenger.

Some fellows seem to be destined for hard luck. Pfc. Reynold Hajeck, son of Mr. and Mrs. A. J. Hajeck of Abbott, Texas, has been wounded three times the latest a shrapnel wound in the shoulders received while fighting the Germans in Italy. But it's not all bad luck at that, for the latest news is that he is recovering and expects to be back in the scrap again soon. It takes a lot to stop a Texan!

Practically everyone around Gatesville knows Bob Cross, the former high school football star. After seeing Canada, Scotland, England and "practically all of France," the son of Judge and Mrs. R. B. Cross of Coryell county is now fighting his way into Ger-

many. . . with the help of other Texans, of course.

Another Texan isn't inside Germany yet, but he has been plenty busy above Hitler's "superland." He is Lt. Van Chandler of Waxahachie. Recently Lieutenant Chandler downed a much-touted Nazi jet plane, and helped another pilot Barrett. The two sons of Mr. and into its hangar!

— And 'way out in the Pacific, two Pampa brothers were reunited last week. They were Seaman First Class C. H. "Chuch" Barrett and Seaman Second Class Floyd Lee Barrett. The two sons of Mr. and Mrs. J. B. Barrett met accidentally in a chow line on a tiny Pacific isle. Neither had known that the other was in the area.

So Texas men still are getting around. . . and still walloping the enemy wherever he dares stick his head up! And at home their brothers, sisters, fathers and mothers are keeping the home-fires burning and the home fight going. That's the Texas way. . . never quit until the job is done!

I. G. Rape, former Ozona druggist and now owner of the Angelus Pharmacy in San Angelo, was a visitor in Ozona Tuesday.

John Alden and Priscilla Mullins had eleven children it is estimated that they now have three million descendants in the United States.

Last week I nearly went A.W.O.L.

LAST PAYDAY I planned to be Absent Without Official Leave—from the place where I usually buy my War Bonds. I was going to blow myself to some swell new clothes.

While I was checking to see if my nose was shiny, my mirror barked at me like a top sergeant. "Hey you! Don't you know a soldier can be shot for going A.W.O.L.?"

"Now look," I said to me, "I'm not a soldier, and besides, a gal can't go around naked, can she? Anyway, I'm entitled to some fun, war or no war."

My mirror came right back at me. "You know darn well," it said, "that we're all soldiers—and 'till the fighting stops, and men are no longer getting killed, don't you stop buying War Bonds! As for fun, sure you're entitled to some—if you earn it."

"That means extra sacrifices—going without things, and I don't mean War Bonds!"

"OK, Sarge," I said, "you win. I can just make it to that War Bond place. I'll get those clothes later."

The way my mirror made me look, you'd think I was wearing a mink coat!

the pay-off. A spectacular run by Byrd Phillips from mid-field to the Bronch 18 followed by 13 more by McWilliams set up the Lions on the Bronch's 5. Sweeten punched to the one and McWilliams darted through the hole opened by the forwards for the marker. The Sonora lads chose to kick-off after Ozona's touchdown and the Lions combined a passing and running attack to bring the ball straight on back from their own 30 for another touchdown. Womack carried over from about the ten for the touchdown. A pass to Yancy was good for the extra point, the only one successfully negotiated after the five touchdowns.

The Bronchos scored their touchdown in the third quarter on a neat pass play from a spread formation. Chalk had intercepted a Lion pass in Sonora territory and made the first crossing the Bronchs had made over the 50 yard line into Ozona territory, down on the Ozona 45. A fourth-down end run netted a first down and then Chalk tossed one to T. Smith who darted down the sideline for the touchdown. Another pass to Boughton was good for the extra point.

The old reliable passing combination that has accounted for an even half dozen touchdowns this season, McWilliams to Phillips, counted again in the third quarter at Sonora. It was a 32-yard play, after Read and McWilliams had advanced from the 50.

Lion second stringers played most of the fourth quarter and gave a good account of themselves, as they had when they went in at intervals throughout the game.
