FRI. FEB. 2, 1945

After numerous delays occasioned by wartime regulations and labor conditions beyond our control, we are happy to announce that we will open our plant for public inspection all day Friday.

Beginning Monday morning, Feb. 5, we will be ready to process all kinds of meat for locker storage.

To our loyal patrons who have so patiently borne with us while we diligently labored to get everything in readinss for opening, we say, "Thank You."

We Are Adding Complete Line "Bird's Eye" Frosted Foods - Available Fri.

But it wasn't so extravagant as it seemed. Hats were bigger then-and also fewer. Mother's hand-made mauve velous was good for several seasons.

Today, Mother's hat bills may total as much or more than the price of that quaint old velour. But she gets many more hats for her money.

It's much the same with electric bills. If yours seem about the same as they did years ago, it's because you are enjoying so many more electric conveniences now. And you're getting far more electricity for your money than you ever did before-about twice as much today as you did 15 years ago.

Not only has the price of electricity come down steadily through the years, but it has stayed down while war sent other costs climbing.

Hard work and good business management by your friends in this company will continue to make electricity dependable, cheap—one of the big bargains of all time.

NOTICE TO ALL TAX PAYERS

Your Help Please!

COME TO THIS OFFICE TO RENDER YOUR PROPERTY

Due to the present shortage of help, we must ask the cooperation of taxpayers this year in securing rendition of property for tax purposes.

Heretofore, it has been possible for this office to assign one employe to call on property owners for renditions. However, since adequate help is not now available, we must ask property owners to come to the office to sign rendition blanks.

Renditions must be completed before April 30. It will take but a few minutes of your time to complete the form at the office and we will greatly appreciate your help in this emergency to get the work completed on

TO THE PATRONS OF THE OZONA THEATRE

I would like to take this way of thanking all of you for the splendid cooperation and courtesy which was shown all of us during the "March of Dimes" trailer which was run at the Theatre during the drive. I would like especially to extend my thanks for the grand help and cooperation of the following Boy Scouts, who helped each night: Lin Hicks, Bernard Lemmons, Estes Smith. Buddy Phillips, Sam Perner, Chris Perner, Kerry Tandy and Ray Piner. We at the Theatre are proud to have had the help of these fine boys.

I am happy to say that the total goal was reached and that the proceeds will be sent to Headquarters in Dallas from where 50 percent will be returned to this

You have no doubt noticed the lovely "Citation" which was sent to the Ozona Theatre upon its pledge to run the "Miracle of Hickory" trailer. The Citation in the box office is also yours. We want you to feel that you helped to put it there and that it is also yours, which is quite true. The total amount taken in during the drive was \$175.72. Again I wish

It takes but a few years for the top branches of healthy trees to grow high enough to rub wires and wear off insulation, thereby causing service to be cut-off.

Telephone linemen have no desire to consumate the limbs of beautiful shade trees, but if vital telephone wires are being damaged, unfortunately this job must be done to assure you uninterrupted service. Protect your trees...look up before planting!
