NO. 41

SEWER PLANT SALE REPEAL IS ORDERED

Commissioners Act On Petition With Repeal Order

BOARD AGREES

Notifies Court Will Not Exercise Option To Buy

Repeal of its action offering for sale the county-owned sewer system to the Crockett County Water Control and Improvement District for a consideration of \$10,000 was ordered by the Commissioners Court of this county in session Monday at the courthouse.

This action on the following filing of a petition bearing the names of 209 citizens and taxpayers of the county asking the court to reconsider and repeal this action and also urging the court to continue to own and operate the system as other public property. This the court agreed to do in the order written Monday.

The court's action was also based on notification from directors of the water district advising that they did not contemplate exercising the option granted to purchase the plant and asking that the court rescind its action proffering the plant for sale.

The court's order on the subject reads as follows:

"It appearing that the Board of Directors of the Crockett County Water Control and Improvement District No. 1 has notified this court that said water district will not exercise its option to take over the Ozona Sewer plant at \$10,000 and consents and suggests that this court repeal the order granting the option to purchase said sewer system passed October 9, 1940, and it further appearing that there is filed in this court a petition asking the court not to sell said sewer plant, to keep and operate same as a county property, there being appended to such petition 209 names of taxpayers of Crockett county,

"Wherefore, on motion of Commissioner Black, seconded by Commissioner Miller, that order granting to said Water Control District option to purchase and administer said sewer plant be and the same is hereby repealed, rescinded and held for naught, and it is the unanimous decision of a full court at this regular term that the county retain and operate said sewer system."

Officers Named For Historical Society For '41

Group To Mark Site Of Historic Interest In County

All officers and directors of the Crockett County Historical Society were re-elected when the society met Monday evening in the first quarterly session of the new year.

Officers of the society who will serve another year are W. R. Baggett, president; Mrs. R. A. Harrell, vice president; Miss Wanda Watson, secretary-treasurer. The board of directors is composed of these officers and A. C. Hoover, Joe T. Davidson, Evert White and Mrs. B. B. Ingham.

The Society heard a report from a committee named to secure data on a marker for the county oak at the northeast corner of the town square under which the first meeting of this county commissioners court of this county was held. The group voted to buy and install a bronze marker for the tree and also to buy and install a similar marker for the site of the famous Gonzales massacre near Howard Well.

8 Teams Accept Invitation To Ozona Tourney

12 Squads Expected To Be Ready For Play Jan. 31-Feb. 1

Acceptances have been received from eight basketball teams of West Texas high schools to compete in Ozona's annual basketball tournament to be held in the high school gymnasium here Friday and Saturday, January 31 and February 1, according to an announcement this week by Supt. C. S. Denham.

At least four other teams are expected to enter the fray to bring the total to an even dozen squads competing for the handsome trophies to be awarded the winner and runner-up in each bracket.

An exhibition volleyball game between the Ozona girls team and an opponent yet to be selected has been added to the two-day tournament program. The exhibition game between picked teams of coaches will be played Saturday afternoon.

A committee composed of Miss Mildred North, faculty sponsor, and Gemella Dudley and Mary Faye Lucas, pep squad leader, has been named to arrange for housing the visiting teams and coaches during their stay here. School officials are expecting a total of 110 visiting players and coaches and 55 rooms will be needed to house them. No meals are to be served the visitors, but sleeping quarters are to be provided as a compliment from the town. Persons who have available rooms for this purpose are asked to notify Miss North or one of the other members of the committee.

Five Volunteers Answer January Draft Call Here

Five Mexican Youths, 2 Americans Make Up Contingent

Five volunteers made up Crockett county's January quota of men for the U. S. army training under the Selective Service act. The contingent of five men left Ozona Wednesday night to report for induction into the army at Fort Bliss in El Paso.

In the group were three Mexican youths, out of a group of half dozen or more under-age boys in the Mexican settlement here who volunteered for the year's training.

The three Mexicans were Albert Tijerina, Hector Vargas and Joe Hernandez. The others making up the quota were H. L. Manley and Tom Adams. Tomas Hernandez, this county's Order No. 1 registrant, was designated as alternate.

Seven volunteers remain on the local list, but several out of this group are ineligible. Unofficial reports are that two more calls are to be made on local boards this month.

Health Program At PTA Meet Monday

A health program will be presented when the Parent-Teacher Association meets in regular January session Monday at the High school. Mrs. Arthur Phillips will be the program leader. The devotional will be led by Mrs. Charles Williams and a book review will be given by Mrs. Evert White. The band will present several selections as the entertainment feature. A business session will follow the program.

Hostesses for the day include Mrs. Ray Dunlap, Mrs. Hubert Baker, Mrs. J. A. Fussell, Mrs. Hilton North and Mrs. S. M. Harvick.

Mrs. Leo Baucom is recuperating at her home from an attack of pneumonia.

Germans Removed From Japanese Liner

Two German Nationals of military age were removed from the Japanese liner, Tatuta Maru, at San Francisco, by officials of the N. Y. K. Steamship line, delaying sailing of the vessel for more than an hour. Taken off the ship were Nicholas Kraus, 33, a machinist (left), and Heinz Ernst, 21, who termed himself a student, shown at right, both of New York.

Lion Basketeers Meet Junction In First Dist. Game

Volley Ball Girls To Play Also In Meet Fri. Night

Coach Dan Patterson's Ozona basketball squad will meet their first district opponent in the Ranch District league schedule on the gym floor here Friday evening. The opponent will be the Junction Eagles.

Preceding the basketball game, starting at 6:30 p. m., the Ozona volleyball girls will engage the Junction girls in a Ranch district match, also their first league encounter. The basketball game will follow the volley ball game.

The locals were scheduled to play in Rocksprings last Friday night but on account of an outbreak of flu among members of the Lion squad, the game was postponed. It will be matched at another date.

Five teams are included in the Ranch district. While Junction is playing in Ozona, Rocksprings will be at Sonora Friday evening and the Eldorado Eagles will be idle.

Saturday morning, both the girls volleyball team and the boys basketball squad will go to Barnhart to compete in the Ranch County tournament to be in progress Friday and Saturday. The following Saturday the basketball boys will go to Big Lake to compete in the Reagan school's tournament.

Ozona Boy Elected President Graduate Club At Baylor U.

WACO, Tex., Jan. 15—Joe Rape, Baylor University graduate student from Ozona, has been elected fall term president of the Graduate club, it was announced today.

There are about 50 members in the Graduate club. It was organized to promote a feeling of good will among graduate students and to serve as a medium for getting acquainted.

Mr. Rape, a student of the 1933 class of Ozona High School is a medical student. He is the son of Mr. and Mrs. I. G. Rape.

BUILD OIL FIELD ROAD

Crockett county Commissioners meeting this week voted a fund of \$500 to be used toward construction of a road to oil well locations atop the hills in the Soma producing field. The request for the action was presented to the court by George Atkins, one of the operators in the field, who volunteered to supervise the road work.

Head Injury Proves Fatal To A. E. Deland

Funeral Services Are Held Tuesday From Baptist Church

A head injury suffered in an accidental fall while at work in his machine shop the afternoon of January 1 proved fatal early Monday for Alvin E. Deland, 61, a resident of Ozona 35 years.

Mr. Deland suffered a brain concussion when he stepped on a piece of loose pipe and fell, his head striking with such force that he was knocked unconscious for some time. He regained consciousness, however, and except for feeling a little nauseated apparently suffered no ill effects. However, he suffered violent nausea that night after going to his home and later lapsed into unconsciousness.

The injured man was taken to a San Angelo hospital early Sunday when his condition became worse because of complications from a heart ailment and death came early Monday morning.

Funeral services were held here at 10:30 Tuesday morning from the Baptist Church, the Rev. Clyde Childers, pastor, officiating. Burial was in Cedar Hill cemetery. Active pallbearers were W. E. Friend, Jr., Bud Kincaid, Charles E. Davidson, Jr., Vic Montgomery, Frank Russell, Dick Adams, James Baggett and Elmon Powell.

Mr. Deland was born at Calf Creek, Texas, in McCulloch County, January 6, 1880. He moved in 1906 to Ozona and had made his home here since that time. He was among Ozona's early day automobile dealers, operated a garage and a trucking business for a time. In late years he had operated a machine shop.

Mr. Deland married the former Miss Maggie Dunlap here March 25, 1914. Two children were born to the union. The widow and one child, Mrs. J. P. Pogue, and one grand child, Norris Pogue, survive. Another daughter, Lois, died in 1930 at the age of seven.

The following were named honorees (Continued on Last Page)

Pupils Of First Grade, Kindergarten Enjoy Ride on Train

A train ride, an experience most Ozona children do not get until they go away to college, if then, was enjoyed by a group of 38 pupils of the Kindergarten and first grade classes yesterday.

The group of children, with their teacher, Miss Frances Sprawls of the kindergarten and Miss Georgia Williams of the first grade, boarded a train at Big Lake and returned to Barnhart. The party went by autos to Big Lake, parents of the children taking them there and returning to pick them up at Barnhart. The ride cost 20 cents per pupil.

Members of the kindergarten class are studying transportation, and are building their own train. They invited the first graders to accompany them on the adventure. Before taking off for the ride, they were given an opportunity to inspect the engineer's cab of the diesel powered train.

Two Ozona Teachers On Mid-Texas Educ. Assn. Committee

Two Ozona school teachers have been named to committees of the Mid-Texas Educational Association which meets in convention at Brownwood March 14 and 15.

W. S. Chapman, grade school principal, has been appointed chairman of the committee on social studies, whose purpose will be to study curriculum requirements in that field and to make recommendations for improvements. C. S. Denham, superintendent, has been named to the committee on history, devoted to the problems of teaching history in both grade and high schools.

VOTERS OKAY CREATION OF WATER DIST.

Only 107 Votes Cast; 83 For Dist. and 24 Opposed

WITHDRAW SEWER

Voters Next To Decide Bond Issue To Buy Water Plant

An issue of whether creation of a Water Control and Improvement district embracing the area of the town of Ozona should be confirmed or rejected was decided last Saturday by 107 voters in the district.

Creation of the district was confirmed by a vote of 83 favoring the district and 24 opposed.

At the same time, the voters elected a five-man board to govern affairs of the district. The names of the five nominees, chosen by the State Board of Water Engineers at Austin in ordering creation of the district, subject to approval of the voters, were on the ballot and all were named unanimously.

The district directors are J. W. North, J. D. Kirby, Pleas Childers, Boyd Clayton and Hillery Phillips. This board at a recent meeting organized for its duties in administering affairs of the district. J. W. North was elected board chairman and J. D. Kirby, secretary.

The board met briefly Monday at the courthouse in the scheduled "exclusion hearing," whose purpose was to give property owners an opportunity to protest against inclusion of their property in the area or to ask for its inclusion if outside the area. No petitioners appearing, the board adjourned after its brief session.

The next issue to be submitted to voters will be that of a \$75,000 issue of revenue bonds, proceeds from which the district proposes to use in the purchase of the Ozona Water Works and extensions and improvements of such properties. Original plans of promoters of the district project was to include in this purchase and operate under the water district the county-owned sewer system, but this property has been withdrawn from sale by action of the Commissioners Court Monday in response to a petition signed by 209 citizens and taxpayers asking that the county repeal its action offering the sewer system for sale and urging the county to continue to own and operate the system as other county property.

The district directors will meet soon to start the process toward submitting the bond issue question to a vote of the taxpayers of the district. It is estimated that this election will be held in about a month.

Reorganization Of Local IOOF Lodge Perfected At Meet

Reorganization of the Ozona lodge of Odd Fellow was effected at a meeting of local members of the lodge with a delegation from San Angelo held here last night. The local IOOF membership has applied for its charter and as soon as the Grand Lodge responds, regular meetings in the lodge quarters will begin.

Meeting with the local group from San Angelo were B. A. Carter, special deputy Grand Master of the lodge, Con Metcalf, Leroy Johnson, W. R. King, Doyle Rogers and B. H. Willis. About ten Ozona members were present for the meeting.

CONDITION CRITICAL

Mrs. Doyle Whitehead, daughter of Sheriff and Mrs. W. S. Willis, is in a critical condition in a Brownwood hospital as a result of a heart ailment complicating her condition following injuries suffered in a recent automobile accident there.

A Fact Brought to Light...

An interesting bit of information was brought to "light" the other day by one of those amazing people who can tell at a glance how far any kind of objects would reach if laid end to end, or any other mathematical fact in which you may be interested.

The fact in question was that the amount of electric light provided by one modern incandescent lamp would cost many millions if it was produced by combination of the same chemicals and methods used by the firefly.

Now there is one interesting point raised by all this. For the firefly is generally supposed, in popular fancy at least, to represent one of the things which nature has performed much more marvellously than man will ever be able to.

Only it turns out, with all due respect to the firefly's light, that industrial research has found how to turn out the same amount of that light much more effectively—not to mention how much brighter and larger.

Sometimes we overlook what is being done around us and for us in our eagerness to find the unusual and the really super-dramatic!

THINGS THEY "HAVE NOT"...

Hitler says he fights as the representative of the have-nots. As the representative of those who, first of all, have not liberty and the personal rights and privileges of men who live under free government.—Arkansas Gazette (Little Rock).

Page Sherlock

The captain of a sailing vessel was questioning a new hand regarding his knowledge of ships and the sea. After repeatedly receiving wrong answers he asked in exasperation:

"Hang it all, man, tell me this: Where's the mizzen mast?" "I don't know," replied the aspiring seaman. "How long has it been mizzen?"

Why do people spend money they haven't got to buy things they don't need, to impress people they don't like?—Rays of Sunshine.

MODERN MERCHANDISING

Last Christmas the volume of goods sold at retail was the largest in our history. Millions of Americans thronged stores of all kinds. Some of them bought tented gifts. Some bought presents costing thousands of dollars.

Most of us don't give much thought to the retail industry. We take it for granted. We know that the stores are always ready to serve us—that their shelves are filled with the luxuries and necessities we want.

The service they render the public has resulted from free competition—which is the American way of doing business. In this country, any man has the right to open a retail store. He has the right to take customers away from his competitors if he can.

Simple Life

The nurse was inquiring of the new patient, a husky looking six-footer from the country, whether he had brought any pajamas with him.

"Pajamas? What are pajamas?" "Night clothes. Didn't you bring any with you?" "Heck, no!" answered the patient. "I ain't no social rounder. When night comes I go to bed."

Bring On the Suckers

There is a right way and wrong way of expressing yourself, as, for example, the millionaire who was disclosing the secret of his success. "I owe success to one thing, and one thing alone," he said. "Pluck, pluck, pluck."

One of his listeners interrupted. "How are we to find the right people to pluck."

DOES FORD PAY GOOD WAGES?

HERE ARE SOME FACTS about Ford Labor.

During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employees, students, or executives.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was \$841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employees, they would have had additional wages of more than \$35,000,000,000, thus increasing the national income about 50%.

Wage scales in the Ford Rouge plants are divided into three classifications:

- Unskilled... Minimum hiring wage . 75c per hour
Semi-skilled... Minimum hiring wage . 80c per hour
Skilled... Minimum hiring wage . 90c per hour

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employees. Proof of this is found in the following com-

parison of compensation insurance costs:

The national average rate in automotive manufacturing plants as computed by the National Association of Underwriters is in excess of \$1.50 premium on each \$100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

Table with 2 columns: Age Group, Number of Workers. Rows: 40 and 50 (25,819), 50 and 60 (14,731), 60 and 70 (3,377), 70 and 80 (417), 80 and 90 (12).

In addition to the so-called regular employees, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wage, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job... buy a car... or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.

Pre-Nuptial Parties Compliment Miss Crystelle Carson and James Childress

Another round of pre-nuptial parties over the week-end complimented Miss Crystelle Carson and her fiancé, James Childress, whose marriage will take place at 4 o'clock next Saturday afternoon at the Ozona Baptist Church.

Mrs. Marbury Morrison, Mrs. T. A. Kincaid, Sr., and Mrs. W. E. Friend, Jr., honored the couple with a progressive dinner and dance last Thursday evening.

The party gathered at the Morrison home for cocktails, going from there to the Kincaid home for the main course and to the Friend home for dessert and dancing. White lillies, white stock and pink ranunculi were used for decorations. A gift was presented to the honored couple.

Present were Mrs. Robert Hughes of San Angelo, Miss Sarah Frances Jones of San Angelo, Martin Harvick, Phillip Schneemann, Miss Mayfair Jones of San Angelo, Max Schneemann, Jr., Mr. and Mrs. W. E. Friend, Jr., Mr. and Mrs. Phillip Lee Childress, Mr. and Mrs. Bud Kincaid, Mr. and Mrs. Bill Friend, Mr. and Mrs. Vic Montgomery, Mr. and Mrs. Buddy Moore, Miss Mary Alyce Smith, Bud Coates, Miss Jean Drake, Bill Seahorn, Mr. and Mrs. Bill Childress, Mr. and Mrs. Marbury Morrison, Mr. and Mrs. Lee Childress, Mr. and Mrs. T. A. Kincaid, Mr. and Mrs. Ira Carson, and the honored couple.

Entertaining Friday with a bridge luncheon for Miss Carson were Mrs. N. W. Graham and Mrs. Ewart White, at the Graham home.

The table was laid with a lace cloth and centered with a reflector on which was a crystal bowl of white stock. At each end were silver candelabra holding white tapers. Tallies carried out the bridal motif. High score prize was awarded Mrs. Boyd Clayton. A gift was presented the honoree.

Present were Mrs. Pleas Childress, Mrs. Phillip Lee Childress, Mrs. Miller Robison, Miss Totsy Robison, Mrs. George Bunker, Mrs. Joe Tom Davidson, Mrs. Massie West, Mrs. Vic Montgomery, Miss Mary Alyce Smith, Mrs. Boyd Clayton, Miss Catherine Childress, Mrs. Lee Childress, Mrs. Bill Friend, Mrs. Buddy Moore, Mrs. Bill Baggett, Mrs. Ira Carson, Mrs. Hugh Childress, Jr., and the honoree.

Miss Catherine Childress was hostess at a bridge party Saturday afternoon to compliment Miss Carson. Miss Mary Alyce Smith won high score prize, Miss Joan Shambaugh of Houston, the bingo award and Mrs. Joe Friend, low. Crystelle was presented with a gift. Others present were Mrs. Lee Childress, Miss Jean Drake, Miss Bess Terry, Mrs. Buddy Moore, Mrs. Vic Montgomery, Mrs. Joe Tom Davidson, Mrs. Ira Carson and Miss Elizabeth Coose.

Monday the bride-to-be was complimented at another bridge-luncheon given by Mrs. Joe Davidson and Mrs. Joe Tom Davidson. The "pink party" motif was carried out with pink and white ranunculi, godetia and enemone used as house and table decorations. The tallies were pink with white lace

on them and the gifts of "Pink Party" cosmetics, were wrapped in edged in pink satin ribbon.

Miss Catherine Childress took high score prize, Miss Mary Alyce Smith the low score award and cut prizes went to Mrs. L. B. Sikes, Mrs. Buddy Moore and Mrs. Joe Clayton. A gift was presented the honoree.

Others present were Mrs. Dan atterson, Miss Joan Shambaugh of Houston, Mrs. Lee Childress, Mrs. Bill Baggett, Miss Elizabeth Coose and Mrs. Ira Carson.

Mrs. Massie West entertained with a bridge luncheon Wednesday to honor the bride-to-be. The house was decorated with white gladioli, candytuft and white azalea. Mexican lovers under a big Mexican style hat formed the theme for the place cards, tallies and score pads.

High score prize was won by Miss Mary Alyce Smith and second high went to Mrs. Bill Baggett. The honoree was presented with a gift.

Present were Mrs. Lee Childress, Mrs. W. E. West, Mrs. Buddy Moore, Mrs. Vic Montgomery, Miss Lurline Townsend, Mrs. Bill Baggett, Mrs. Joe Tom Davidson, Mrs. Bill Childress, Miss Mary Alyce Smith, Mrs. Boyd Clayton, Mrs. Ewart White, Mrs. Alice Baker, Miss Elizabeth Coose, and Mrs. Ira Carson.

5th BIRTHDAY PARTY

Donald Taylor was honored on his fifth birthday anniversary at a party given by his mother, Mrs. Bill Taylor, at their home Monday afternoon. Games were played and refreshments served to Tommy and Sellers Laxton, Douglas Capps, Sonny Henderson, Neva Trull, Mrs. Dick Tipton, Mrs. Nellie Rogers, Mrs. Della Nelson and Donald.

CARD OF THANKS

We take this means of expressing our sincere appreciation to the good people of Ozona for their many acts of kindness and expressions of sympathy on the occasion of the death of our husband and father.

Mrs. W. H. Haire and children

MacDowell Day Is Observed By Music Club Meeting Mon.

MacDowell Day was observed when the Ozona Music Club met Monday afternoon for its regular business meeting in the home of Mrs. C. J. Van Zandt, with Mrs. Neal Hannah assisting hostess.

Mrs. Hannah, vice president of the club, presided in the absence of the president, Mrs. Hillery Phillips.

The club agreed to present a reciprocity program in Sonora this spring, the date being set for March 24. Mrs. V. I. Pierce, chairman of the hymn study and religious folk song, announced a plan for a community sing-song, with all churches in the city cooperating. The parliamentarian, Mrs. Rex Russell, directed a parliamentary drill.

A short program followed the business meeting. Mrs. G. L. Nesrsta gave outstanding news from the Music Clubs Magazine and Mrs. Pierce played two recordings of MacDowell numbers, "Love Song from Second Indian Suite" and "From an Indian Lodge" from "Woodland Sketches."

Others present were Mrs. H. B. Tandy, Mrs. Elton Smith, Mrs. M. Johnson and Mrs. Eugene Slater.

Take Charge, Mister... and

Let's Fireball!

THERE'S a new word spreading through the vocabularies of car owners who have made firsthand acquaintances with this slick new 1941 Buick.

It's a word we first picked out as an apt description of a new and better engine—but it is rapidly coming to mean a completely new and excitingly pleasurable manner of motorcar travel.

All over the country, "to fireball" now means to enjoy both ease and dispatch in your travel by car—with a very special new manner of thrift.

Not the ordinary, scrimpy, self-denying sort of thrift, but thrift with all the thrills left in!

Now, just why that happens is easy to understand.

*Optional equipment on the Buick SPECIAL, standard on all other series.

Reinforced by Compound Carburetion* this FIREBALL eight develops nearly 17% more horsepower on exactly the same fuel rationing.

With all that power on call, we can use a more economical gear ratio as our standard high gear—a ratio that ups miles per gallon by giving more revolutions of the wheels for every revolution of the engine.

Then, in addition, we have in Compound Carburetion a fuel supply system that adjusts itself according to the driving conditions you meet.

Thus your engine is always getting the ut-

most benefit out of the least amount of gasoline that will give the performance you want.

And that spells economy.

So much economy that a man who drives 15,000 miles a year gets as much as 2,000 miles' extra driving on the same amount of fuel.

And that, Buick buyers will tell you, is something very much worth looking into through a free demonstration such as any Buick dealer will gladly give.

BUICK PRICES BEGIN AT \$935
for the Business Coupe
delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices subject to change without notice.

New Soma Well Flows 115 Bbls. In 1 1/2 Hour Test

On a 1 1/2 hour test, Soma Oil and Gas Syndicate and Henry Schooler's No. 2 Noelke, north offset to the same operator's discovery producer in the Soma field in Western Crockett county, flowed 115 barrels of oil through a five eighths inch choke.

The well was shut in after gauging. It was drilled in Dec. 22, topping the pay at 1,127 feet, penetrating three feet into the sand. It is 1,650 feet from the north, 330 feet from the east line of the northwest quarter of section 30-GG-WTRR.

32 Pupils Awarded Honors For Perfect Attendance Records

Thirty-two pupils of Ozona grade and high school have been designated to receive certificates of award for perfect attendance records during the first four and a half months of the present school year. These pupils were neither absent nor tardy during the half-year period.

Pupils scheduled to receive these awards are by grades as follows: Kindergarten: None

First grade: Clea Terry and Albert Yancy.

Third grade: Eda Louise Goodson, Guida Sue Meinecke and Lorraine Mears.

Fourth grade: Bernard Lemmons, Sam Perner, Marshall Phillips, Sandra Augustine, Edith Pinner, Jo Nell Russell and Fredda Sarguy.

Fifth grade: Bud Meinecke, Juanita Oathout, and Bobbie Lou Ragsdale.

Sixth grade: Ada Ballard, Chas. Ratliff, Henry Elledge, Rosalee Lemmons, Arthur Byrd Phillips, Marie Williams and Daphne Meinecke.

Eighth grade: Alyne Hokit.

Ninth grade: Wayne Babb, and Vera McCaleb.

Tenth grade: Mary V. Graham.

Eleventh grade: Helen Mayes and Claudie Everette.

Short Scene In "Tin Pan Alley" Cost \$150,000

Producing motion pictures requires talent, patience and plenty of hard cash. For example, take "Tin Pan Alley," which stars Alice Faye and Betty Grable and shows today and Friday at the Ozona Theatre.

For the better part of two weeks on a 20th Century-Fox sound stage, a company of some 120 players, headed by blond Betty Grable, rehearsed and then filmed one elaborate dance number for "Tin Pan Alley."

The dance was directed by Seymour Felix, one of the most expert men in the business. In addition to Betty, there were 40 dancing girls and as many chorus boys in the production. Then there were electricians, technicians, prop men, musical experts, cameramen and stylists.

It is estimated that this lavish dance number set to the music of "When You Were a Tulip," cost the studio some \$150,000. Yet the entire sequence will run on the screen for less than four minutes.

Jack Oakie and John Payne take the supporting roles in "Tin Pan Alley."

'Down Argentine Way' In Technicolor at Ozona Theatre Sunday

From every indication "Down Argentine Way" is the most impressive musical yet produced by 20th Century-Fox. It is reported that this studio, which is noted for many big musical productions, including the famous "Alexander's Ragtime Band," has turned out an extravaganza in Technicolor which should set a new pattern for this type of screen entertainment.

Brilliant casting, catchy songs and sheer lavishness marks "Down Argentine Way," which starts its engagement on Sunday, Jan. 19 at the Ozona Theatre, as the greatest musical extravaganza of all times.

Don Ameche has a role that was made to order for him. Opposite Ameche is blond Betty Grable who returns to the screen after scoring an outstanding success on the New York stage in "Du Barry Was a Lady."

"Down Argentine Way" also marks the sensational screen debut of torrid-voiced Carmen Miranda, famed South American songstress.

Claiming Heritage Missionary Theme

Members of the Methodist Women's Society for Christian Service met at the church Wednesday afternoon for a program on the topic, "Claiming Our Heritage." Mrs. Alvin Harrell was leader.

Mrs. John Bailey told of what is being achieved in the homeland by Methodist women and Mrs. B. B. Ingham discussed why we should be proud of our heritage. Music was furnished by Mrs. Madden Read.

Present were Mrs. Alvin Harrell, Mrs. Madden Read, Mrs. E. B. Ingham, Mrs. Bill Conklin, Mrs. Paul Perner, Mrs. Chas. Williams, Mrs. Tom Owens, Mrs. W. R. Baggett, Mrs. John Bailey, Mrs. Jess Sweeten, Mrs. W. R. Cabaness, Mrs. Carl Colwick, Mrs. W. E. Friend, Jr., Mrs. W. E. Smith, Mrs. Hudson Mayes and Mrs. Hays.

Texas Agriculture Increases Receipts For Products In '40

AUSTIN, TEXAS, Jan. 15—Up to December 1, Texas farmers had received \$398,921,000 in cash from their 1940 crops, Dr. F. A. Buechel, University of Texas business statistician, estimates.

This eleven-month total is about 6 per cent higher than the income for the corresponding period of 1939, the economist said.

Assistant director of the University's Bureau of Business Research, Dr. Buechel predicted December's receipts—when totaled—would exceed those of the twelfth month last year, and would help push 1940's income well above 1939.

Agricultural receipts for November totaled \$42,748,000, or about 27 per cent higher than in November, 1939, he explained.

December's receipts, he forecast, would be boosted by the fact that a larger volume of cotton remained unginning on December 1 this year earlier, and by higher prices for livestock and livestock products.

Crockett county will take two pages of advertising in the Ozona High School annual, to be published this spring, the space to be used in recounting some of the outstanding facts of Ozona and Crockett county. An order to this effect was passed by the Commissioners Court meeting Monday.

Rev. Eugene Slater, pastor of the Ozona Methodist Church, was in Austin Tuesday and Wednesday of this week attending a meeting of the committee of the Texas Student Movement of the Methodist Church, of which he is a member. He returned Wednesday night.

Mr. and Mrs. Ross Perner of Seligman, Ariz., left Sunday for their ranch home near Seligman after an overnight visit here with Mr. Perner's mother, Mrs. Mary Perner and other relatives. Mr. and Mrs. Perner were on their way home after attending the Texas Cattleman's Convention in Fort Worth.

Flight Training Is Offered At A. & M.

COLLEGE STATION, Jan. 15—Flight training again will be offered at Texas A. and M. College during the second semester of the present school year, beginning Feb. 8, Gibb Gilchrist, dean of the School of Engineering, announced here this week and at the same time urged those desiring to take the course to make early applications.

Both primary and secondary courses will be offered with students in the latter section to be selected from those applicants who have successfully completed the primary C. A. A. course at Texas A. and M. or other approved flying schools.

Rennels Named To Tex. AAA Position

COLLEGE STATION, Jan. 15—Fred Rennels, who for the past year and a half has been in charge of the range conservation program of the Agricultural Adjustment Administration in Texas, has been named assistant administrative officer of the Texas AAA.

Allie Bosworth, Former Ozonan, Still Is Ardent Texan, Tho Transplanted To Cal. His California 'Ranck' Named 'Tejacito'

Personal greetings to old friends in Ozona came this week in a letter received by The Stockman from Allie Bosworth, former Ozona boy, now living in Gilroy, Calif. Bosworth is writing for magazines and recently wrote a novel which is being published in serial form in the Saturday Evening Post. An article in the Stockman about Bosworth's story in the Post, a copy of which was mailed to him, brought the following letter in reply. The letterhead shows Bosworth is still a Texan at heart even though transplanted in California. It designates the origin as "El Rancho Tejacito," or the "Little Texas Ranch." His letter follows:

"Dear Stockman: Thank you for the kind words concerning my Saturday Evening Post yarn and the biographical sketch. When you say "... known here as Allie ..." it makes me realize I must have been away a long time to require such a qualifying phrase.

"I hasten to break down and assure you that is still my name. But you try writing under any name of doubtful gender, and see what happens! You get five thousand letters, and four thousand start out: "Dear Miss Bosworth." (The other thousand all say "Dear Sir or Madam.")

"I know one writer (male) so unfortunate as to have been christened "Gladwell." After years of erasing signing his stuff "G. Ladwell So-and-so."

"It has been twenty years since I was in Ozona for more than a few days at a time, but I still

look on the grand little town as my home. My boy, who is fifteen, will never cease rebuking his parents for their failure to arrange for him to be born in Texas; call him a "Native Son" and he'll fight.

"We had planned a trip back there for a real visit, around Christmas time. A week before the holidays, I was asked to volunteer for active duty with the Navy ... so now I'm back in the outfit as a Reserve lieutenant, at present handling public relations for the Navy in Twelfth Naval District with headquarters at San Francisco.

"You'll note this ranch is named Little Texas, and for ten years I've been collecting Texana—books, spurs, branding irons, etc.—and arguing with people who think California is the only state in the Union. I'll keep that up, too.

"Meanwhile, a happy New Year to Ozona and all my old friends.

1940 Greatest Sale Year For Chevrolet

DETROIT—The second greatest sales year in the history of Chevrolet was announced here today by W. E. Holler, general sales manager, with the report that a total of 1,046,069 new Chevrolet passenger and commercial cars were retailed by dealers during the calendar year 1940. This figure represents a gain of 32 per cent over 1939, he said, when dealers sold at retail a total of 791,886 new cars and trucks.

Chevrolet sales topped the preceding year in all departments and were second only to 1936 in company history, Mr. Holler said, an increase of 21.7 per cent over 1939, when dealers sold 1,569,201. Used car sales totalled 1,909,972, units. New used car sales combined were 2,956,041.

Truck sales, likewise, showed a substantial gain during the year, the report shows, totalling 192,202, an advance of 11.9 per cent over the 176,090 sold during 1939.

During the final month of the year, dealers retailed 95,119 new cars and trucks, a gain of 6,395 units over December, 1939. They sold 138,581 used cars, an increase of 12,356 over December, 1939, and 18,896 trucks, a gain of 33.7 per cent.

Offer Cash Prize In Texas History Writing Contest

The Texas State Historical Association has announced a first prize of \$25 to be offered the winner of a Texas History writing contest for 1941. Five other prizes are also offered. Announcement of the contest was made through the Association's new magazine for Texas young people, THE JUNIOR HISTORIAN.

It is specified that the content of all competing articles must deal with some aspect of a trip in Texas. "This may be the account of a trip to a historical point or place in Texas—an old home, a building, a battlefield, an old trail, a ghost town, a cemetery, a monument, etc. or it may consist of the story of a trip to interview an elderly person who had a part in the moving Texas scene," says the official announcement.

Papers are to be ranked for clarity, unity, accuracy, interest, and picturesqueness of detail. It will not be necessary for papers to deal with a well-known place or historical incident. Any locale in Texas is as valuable as any other for the purpose of this contest.

The young people of Texas and the school authorities are invited to write The Editor, The Junior Historian, University Station, Austin, Texas, concerning the contest.

A SLATE WIPED CLEAN

By ArmentROUT

The slate of every O. H. S. student has been wiped clean of all grades, mostly "A's," by the passing of the first half of the regular school year. Some students barely got by with a "C" when they could have been making "A's" easily.

What is the matter with a student then, if he doesn't make "A's" instead of "C's"? The one large reason this happens is the fact that we are a little lazy. The truth surely hurts, doesn't it? I believe I should become angry with a fellow if he told me that I was lazy and overconfident. Well, I must be for the fact stares us squarely in and you must be, for the fact stares us squarely in the face.

With the next semester ahead of us untouched by any "F's" or "A's", we should try to make the letter that designates our capabilities.

Lets start now, if we haven't already, and do good work!

O-H-S

Editor's Musings

By ADELE KEETON

"No steps backwards" is a quotation to be found on a cornerstone in the grade school building. This quotation is very appropriate for a school; when one starts to go backward, he doesn't expect to go backward. He wants to go forward at all times. If he starts out with this thought in mind, he will, at all times, go forward. Many students don't realize the value of this slogan until it is far too late. Students should realize when they start to school that if they try hard enough, they will go forward at all times. That is the thing that they should want to do. I will admit that it is hard to look ahead, stay on top, and work hard all of the time, but this is a good point for which to strive. If you haven't already gone too far, or if you haven't already realized the value of this quotation, I suggest that you think seriously about it now.

Study, study, study! Many students were studying very hard last week for the final exams. For many pupils these tests determined whether or not the students would pass. Some of these boys and girls who had just barely got by up to the final exams studied very hard and made good grades. This proves that they could have done better all the time if they had tried. As I find that it pays to work just a little bit harder all along and be exempt, they, too, would find it profitable to work just a little harder all along and be ready when testing comes.

As we start a new semester let's see how well we can do this term, students. Are you "game"?

O-H-S

Boys Work For Tournament Awards

The boys on the Ozona basketball team are working very hard lately, because of the tournament which starts the 30th of January. Mr. Denham has put the cups in the Ozona High School Library for exhibit. There are four cups of different sizes and one other type of trophy. Most of the boys intend to work for the best of the 15 basketballs which will be given. These are miniatures reproduced in either gold or silver. The basketballs will be given to all tournament teams.

The first all tournament team, second all tournament team, the third all tournament team will receive five balls each. We hope that the boys have a very successful tournament, winning a good portion of the games played.

Receiving prizes, which have now been consumed, were Pee Wee Smith, Mary Bee Brown, Virginia Hayes, Helen Mayes, Bob Lemmons, Gene Dudley, Marjorie Ross, Rozelle Pharr, Floyd Hokit, Vera McCaleb, George ArmentROUT, Bland Tandy, Georgia Nell Senne, and Faye Lucas.

SPORTS

by Trout

The Ozona basketball team abandoned the idea of going to the Rock-springs' tournament held last Friday and Saturday at Rocksprings; most of the Ozona team was down with the flu. However, the loop throwers will try their arm in the Barnhart tournament, slated for the coming Friday and Saturday. Parr, of Barnhart, will be the referee for all games played there.

Friday night the Junction Eagles try their luck against the Ozona quintett in the Ozona stadium. A large crowd is expected to be present at both the Ozona-Junction game and the Barnhart tournament.

The date of the Ozona tournament has been set at Jan. 31-Feb. 1. Loving cups will be given the winner and runner-up of the tournament and to the winner and runner-up of the consolation bracket. There are 15 small, bold basketballs that are to be awarded as follows: One basketball to each member of the all tournament team, one basketball to each member of the second all-tournament team, and one basketball to each member of the third all-tournament team.

These awards are something for the basketballers of Ozona, as well as other towns, to work for in earnest.

THE Prowler

By Gem Ella Dudley

Tom Ed was very happy when our new Freshman girls came to Ozona. He now has someone here his size.

Dressed as a girl, yet not a girl! Shorty, is that you? Don't you know that you shouldn't wear other people's clothes, especially Margaret's dresses?

Poor Rozelle and Mary were merely carrying out Miss Terry's instructions when they got every-one's error books instead of his rule books, weren't you, girls?

What nice curly hair you have, Hernden! Didn't I tell you that Flossie's "big sis" was beating everyone's time? Now, he gets per-manents from her.

Did our boy visitor from the Baptist Church enjoy league Sunday night. Speak up whoever you may be.

Allene was beating her little sis's time Saturday night at the show (until Lila moved.) Rah! fo rthe winne.

I'll admit you had me fooled Bat, Saturday afternoon. Even your blushing was convincing, and to think that I thought Joy was my friend!

Donald and Joe B are always fussing, because Miss Terry incidentally has an imaginary Keep QUITE sign on her schoolroom door. More power to you, boys!

Norma, almost getting herself a business (until Faye and Adele squealed) Shame on you, Norma, for saying that it cost \$3.00 to enter the Historical Club!

When Sybil calmly remarks that her boy friend visited her during the week-end she was immediately faced with the question "which one." Nice going, Sybil.

Jim Ad is complaining about losing so much weight. Brace up, Jim, it won't hurt you. If you don't believe me, ask Wayne.

LeRoy has a slight advantage over the other fellows as far as the red-head at the hotel is concerned. Reason: He also lives at the hotel.

Apologies to Stanley. You asked for it.

If it isn't one of the two, Billy or Bill, it's both—that is when Mary is concerned.

Boochie, tell me, is it hard to court while she is ill and especially when she has so much company? You should know.

Poor Ginny! She has such a time. Every time she mentions the name Jonesie, from six to twelve "people" tear into her. How about that, Marie? I'm right beside you. After all, that is the name of Ginny's ex-beau.

How about your New Year's

Pictured above is the Ozona Football Team with their coach, Dan Patterson

Scouts Meet For Last Time In 1940

Guinn Caruthers, Scout Master, officially called the Scout meeting of the year to order at 6:30. The program opened with the Scout Oath led by L. B. Cox followed by Roll Call.

The following answered "present": Bobby Lemmons, George B. ArmentROUT, Jim Ad Harvick, L. B. Cox, Joe Corbell, Pierce Reese, Chappo Morrison, Basil Dunlap, Lorain Wyatt, Henry Patrick, Charles Rathiff, Arthur Byrd Phillips, Perry Hubbard, Billy Sparkman, Tom Ed Montgomery, Leroy Barto, Roy Coates, Mustard Williams, Stanley, Lemmons, Eddy Cook, Coach Patterson, Mr. Sikes, Mob Morrison, and Scout Master. Guinn Caruthers, The Scouts had an old member back with them, Maurice Lemmons. The Scout Master then told the Scouts some things they should know about the Scout Membership.

The meeting was then adjourned with the Scout Benediction led by Jim Ad Harvick.

Freshmen Girls Give Luncheon

The freshman Homemaking girls gave two luncheons for 6 weeks quiz on Wednesday, January 8th. The luncheons were prepared and served by the girls during their class period.

One luncheon was prepared by the following group of girls: Mary Elizabeth Gray, Melba Cullins, Louise Bean, Judith Williams, Susie Hokit. The luncheon consisted of: Meat loaf-bacon, olive curls, marshmallow potatoes, spinach pineapple carrot congealed salad, biscuit and butter, caramel custard, whip cream and cherries, and hot tea.

The table was centered with a green plant. The meal was served family style. Pictures were made during the meal.

The second menu was prepared by Lila Lee Cook, Aileen Cook, Bertie Sue Brownriggs, Billy Laxson and Georgia Senne. The menu consisted of macaroni and cheese, peas and carrots, potato balls, fruit salad, bran muffins, jellied custard and hot tea.

The girls prepared the luncheon without any directions at all. Miss Kinney was the guest at these luncheons, grading the work done.

H. E. Club Completes Hospital Jackets

Members of the Future Homemakers club have been working the last few weeks on bed jackets which are to be sent to the Red Cross.

Members of the Future Homemakers club completed the bed jackets for the Red Cross on Monday, Jan. 8, 1941, with all compliments to the upper classmen. These jackets are to be sent to war refugees in Europe. The garments have already been cut and were ready to be sewn together when they arrived. Each girl had a separate task to fulfill in making the garments. The jackets are cut straight and tie in the back, with a pocket on the front left side and a Red Cross emblem.

The club has been very glad to do this work to help the suffering in Europe.

resolution, Shorty? Shame on you for breaking it, or was it Joyce's fault. You might say so, but it ain't the way I heard it!

Joy, don't tell me you're a ten o'clock baby too—or was it the other ten o'clock baby that made you make your decisions?

Mrs. Sullivan Gives Demonstration On Sewing Machines

Mrs. Sullivan of San Angelo visited the Ozona High School Building January 13, to give a demonstration of attachments of sewing machines. Some of the special attachments which she told about were very useful and interesting. One attachment introduced to the girls was the zig-zagger, which is used to put lace on material. Attractive trimmings for collars and cuffs can also be put on with this attachment. Next she told and explained about the cording foot, which is a one-toe presser. It is used to put zippers on, to make covers, or to fix cords for evening dresses and the like.

In explaining the braiding foot Mrs. Sullivan showed how it might be used to braid designs. She explained that when sewing the braid on a bias piece of cloth one holds the cloth. The braiding foot comes in three sizes. One may also put wool or other kinds of material or thread on cloth with the braiding foot.

The sheering foot was next demonstrated. It serves only one purpose, sheering. It depends on the material whether the cloth is sheered closely or loosely. The sheering serves as a guide.

She then explained the regular attachments which were also very interesting.

springs was called off due to illness.

The team has received invitations to the Barnhart and Big Lake tournaments. If they show improvement and prove to be able to meet the hard competition they will encounter then they will accept these invitations.

Mr. Caruthers selected a team of boys to play the girls Thursday in a practice game. The boys won the game, but they gave the girls a few pointers and they gained some good practice.

The people of Ozona are urged to attend these basketball and volleyball games, and to back the teams.

THERE'S REJOICING AT THE JOYCES!

In spite of the big reduction in electric rates in recent years, many folks say their bills have not been reduced. In many homes that is true because today people are using bigger lamp bulbs, they have radios, refrigerators, washing machines, and in many cases ranges and water heaters they didn't used to have. Their bills are about what they've always been, but today they get from twice to three or four times as much Electric Service for their money. For example, in 1928, \$5 bought about 20 kilowatt-hours but today it buys 100 kilowatt-hours, or five times as much for your money.

A DOLLAR BUYS Five TIMES AS MUCH Electric Service TODAY AS IN 1928

A SLATE WIPED CLEAN
By ArmentROUT

The slate of every O. H. S. student has been wiped clean of all grades, mostly "A's," by the passing of the first half of the regular school year. Some students barely got by with a "C" when they could have been making "A's" easily.

What is the matter with a student then, if he doesn't make "A's" instead of "C's"? The one large reason this happens is the fact that we are a little lazy. The truth surely hurts, doesn't it? I believe I should become angry with a fellow if he told me that I was lazy and overconfident. Well, I must be for the fact stares us squarely in and you must be, for the fact stares us squarely in the face.

With the next semester ahead of us untouched by any "F's" or "A's," we should try to make the letter that designates our capabilities.

Lets start now, if we haven't already, and do good work!
—O-H-S—

Editor's Musings

By ADELE KEETON

"No steps backwards" is a quotation to be found on a cornerstone in the grade school building. This quotation is very appropriate for a school; when one starts to go to school, he doesn't expect to go backward. He wants to go forward at all times. If he starts out with this thought in mind, he will, at all times, go forward. Many students don't realize the value of this slogan until it is far too late. Students should realize when they start to school that if they try hard enough, they will go forward at all times. That is the thing that they should want to do. I will admit that it is hard to look ahead, stay on top, and work hard all of the time, but this is a good point for which to strive. If you haven't already gone too far, or if you haven't already realized the value of this quotation, I suggest that you think seriously about it now.

Study, study, study! Many students were studying very hard last week for the final exams. For many pupils these tests determined whether or not the students would pass. Some of these boys and girls who had just barely got by up to the final exams studied very hard and made good grades. This proves that they could have done better all the time if they had tried. As I find that it pays to work just a little bit harder all along and be exempt, they, too, would find it profitable to work just a little harder all along and be ready when testing comes.

As we start a new semester let's see how well we can do this term, students. Are you "game"?
—O-H-S—

Boys Work For Tournament Awards

The boys on the Ozona basketball team are working very hard lately, because of the tournament which starts the 30th of January. Mr. Denham has put the cups in the Ozona High School Library for exhibit. There are four cups of different sizes and one other type of trophy. Most of the boys intend to work for the best of the 15 basketballs which will be given. These are miniatures reproduced in either gold or silver. The basketballs will be given to all tournament teams.

The first all tournament team, second all tournament team, the third all tournament team will receive five balls each. We hope that the boys have a very successful tournament, winning a good portion of the games played.

Receiving prizes, which have now been consumed, were Pee Wee Smith, Mary Bee Brown, Virginia Hayes, Helen Mayes, Bob Lemmons, Gene Dudley, Marjorie Ross, Rozelle Pharr, Floyd Hokit, Vera McCaleb, George ArmentROUT, Bland Tandy, Georgia Nell Senne, and Faye Lucas.

THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

SPORTS

by Trout

The Ozona basketball team abandoned the idea of going to the Rock-springs tournament held last Friday and Saturday at Rocksprings; most of the Ozona team was down with the flu. However, the loop throwers will try their arm in the Barnhart tournament, slated for the coming Friday and Saturday. Parr, of Barnhart, will be the referee for all games played there.

Friday night the Junction Eagles try their luck against the Ozona quintet in the Ozona stadium. A large crowd is expected to be present at both the Ozona-Junction game and the Barnhart tournament.

The date of the Ozona tournament has been set at Jan. 31-Feb. 1. Loving cups will be given the winner and runner-up of the tournament and to the winner and runner up of the consolation bracket. There are 15 small, bold basketballs that are to be awarded as follows: One basketball to each member of the all tournament team, one basketball to each member of the second all-tournament team, and one basketball to each member of the third all-tournament team.

These awards are something for the basketballers of Ozona, as well as other towns, to work for in earnest.

THE Prowler

By Gem Ella Dudley

Tom Ed was very happy when our new Freshman girls came to Ozona. He now has someone here his size.

Dressed as a girl, yet not a girl! Shorty, is that you? Don't you know that you shouldn't wear other people's clothes, especially Margaret's dresses?

Poor Rozelle and Mary were merely carrying out Miss Terry's instructions when they got everyone's error books instead of his rule books, weren't you, girls?

What nice curly hair you have, Hernden! Didn't I tell you that Flossie's "big sis" was beating everyone's time? Now, he gets permanent from her.

Did our boy visitor from the Baptist Church enjoy league Sunday night. Speak up whoever you may be.

Allene was beating her little sis's time Saturday night at the show (until Lila moved.) Rah! for the winne.

I'll admit you had me fooled Bat, Saturday afternoon. Even your blushing was convincing, and to think that I thought Joy was my friend!

Donald and Joe B are always fussing, because Miss Terry incidentally has an imaginary Keep QUITE sign on her schoolroom door. More power to you, boys!

Norma, almost getting herself a business (until Faye and Adele squealed) Shame on you, Norma, for saying that it cost \$3.00 to enter the Historical Club!

When Sybil calmly remarks that her boy friend visited her during the week-end she was immediately faced with the question "which one." Nice going, Sybil.

Jim Ad is complaining about losing so much weight. Brace up, Jim, it won't hurt you. If you don't believe me, ask Wayne.

LeRoy has a slight advantage over the other fellows as far as the red-head at the hotel is concerned. Reason: He also lives at the hotel.

Apologies to Stanley. You asked for it.

If it isn't one of the two, Billy or Bill, it's both—that is when Mary is concerned.

Boochie, tell me, is it hard to court while she is ill and especially when she has so much company? You should know.

Poor Ginny! She has such a time. Every time she mentions the name Jonesie, from six to twelve "people" tear into her. How about that, Marie? I'm right beside you. After all, that is the name of Ginny's ex-beau.

How about your New Year's

Pictured above is the Ozona Football Team with their coach, Dan Patterson

Scouts Meet For Last Time In 1940

Guinn Caruthers, Scout Master, officially called the Scout meeting of the year to order at 6:30. The program opened with the Scout Oath led by L. B. Cox followed by Roll Call.

The following answered "present": Bobby Lemmons, George B. ArmentROUT, Jim Ad Harvick, L. B. Cox, Joe Corbell, Pierce Reese, Chappo Morrison, Basil Dunlap, Lorain Wyatt, Henry Patrick, Charles Ratliff, Arthur Byrd Phillips, Perry Hubbard, Billy Sparkman, Tom Ed Montgomery, Leroy Barto, Roy Coates, Mustard Williams Stanley, Lemmons, Eddy Cook, Coach Patterson, Mr. Sikes, Mob Morrison, and Scout Master, Guinn Caruthers. The Scouts had an old member back with them, Maurice Lemmons. The Scout Master then told the Scouts some things they should know about the Scout Membership.

The meeting was then adjourned with the Scout Benediction led by Jim Ad Harvick.

Freshmen Girls Give Luncheon

The freshman Homemaking girls gave two luncheons for 6 weeks quiz on Wednesday, January 8th. The luncheons were prepared and served by the girls during their class period.

One luncheon was prepared by the following group of girls: Mary Elizabeth Gray, Melba Cullins, Louise Bean, Judith Williams, Susie Hokit. The luncheon consisted of: Meat loaf-bacon, olive curls, marshmallow potatoes, spinach pieapple carrot congealed salad, biscuit and butter, caramel custard, whip cream and cherries, and hot tea.

The table was centered with a green plant. The meal was served family style. Pictures were made during the meal.

The second menu was prepared by Lila Lee Cook, Aileen Cook, Bertie Sue Brownriggs, Billy Laxson and Georgia Senne. The menu consisted of macaroni and cheese, peas and carrots, potatoe balls, fruit salad, bran muffins, jellied custard and hot tea.

The girls prepared the luncheon without any directions at all.

Miss Kinney was the guest at these luncheons, grading the work done.

H. E. Club Completes Hospital Jackets

Members of the Future Homemakers club have been working the last few weeks on bed jackets which are to be sent to the Red Cross.

Members of the Future Homemakers club completed the bed jackets for the Red Cross on Monday, Jan. 8, 1941, with all compliments to the upper classmen. These jackets are to be sent to war refugees in Europe. The garments have already been cut and were ready to be sewn together when they arrived. Each girl had a separate task to fulfill in making the garments. The jackets are cut straight and tie in the back, with a pocket on the front left side and a Red Cross emblem.

The club has been very glad to do this work to help the suffering in Europe.

resolution, Shorty? Shame on you for breaking it, or was it Joyce's fault. You might say so, but it ain't the way I heard it!

Joy, don't tell me you're a ten o'clock baby too—or was it the other ten o'clock baby that made you make your decisions?

BRYAN McDONALD

MARRIED IN SAN ANTONIO

Mr. and Mrs. Claude C. Curtis have returned to Ozona to make their home following their marriage in San Antonio Saturday at 6:29 p. m. at the home of the groom's parents, Mr. and Mrs. W. T. Curtis in San Antonio. Mrs. Curtis before her marriage was Mrs. Edna McDonald of Kinder, La. The ring ceremony was performed by the Rev. Ralph Lloyd,

San Antonio Baptist pastor.

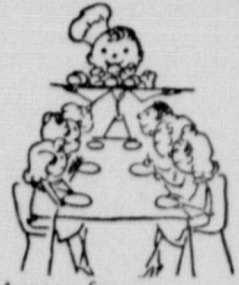

The couple returned Sunday and are making their home in the north end of town. Mr. Curtis is employed at The Stockman office.

Mr. and Mrs. Boyd Cox were over from Rankin the week-end to visit Mrs. Cox's mother, Mrs. Mary Perner, and to visit with her brother and sister-in-law, Mr. and Mrs. Ross Perner, here on a visit from Selighan, Ariz.

THERE'S REJOICING AT THE JOYCES!

In spite of the big reduction in electric rates in recent years, many folks say their bills have not been reduced. In many homes that is true because today people are using bigger lamp bulbs, they have radios, refrigerators, washing machines, and in many cases ranges and water heaters they didn't used to have. Their bills are about what they've always been, but today they get from twice to three or four times as much Electric Service for their money. For example, in 1928, \$5 bought about 20 kilowatt-hours but today it buys 100 kilowatt-hours, or five times as much for your money.

A DOLLAR BUYS Five TIMES AS MUCH Electric Service TODAY AS IN 1928

Panthers, leopards and Mexican mountain lions were numerous in the forests along the southern Texas coast in pre-Revolutionary times, according to old records in the University of Texas Library.

Nutting—Why do you always call your wife "angel?"

Cutting—Because she's always ready to fly, she's continually harpin, and she never has an earthly thing to wear.

Marble Champion

Defeating all other contestants in the National Marble tournament, Douglas Opperman of Pittsburgh, Pa., was crowned Marble Champion of America at the New York World's fair. He won a gold-plated crown and \$250 in cash.

(Continued from Page One)

The Howard Well massacre of the Gonzales wagon train occurred April 20, 1872. Gonzales, a San Antonio freight contractor, was making a trip with freight from that city to El Paso, with a train of some ten or twelve wagons. Before reaching Howard Well, a favorite camping spot on this early-day overland trail, Gonzales was warned of the presence of a band of Indians in the vicinity, but ignored the warning and camped at the site. The Indians swooped down on the party, killed all of them, burned the wagons and made off with the stock. The body of Gonzales, burned almost beyond recognition, was found tied to the wheel of one of the wagons, marked by a pile of charred debris.

The site of the massacre is marked by a pile charred debris. This last remaining marker for the site is gradually being washed away and hence the decision of the local society to place a marker on the spot.

The Junior Historical Society of the High School will make a field trip and this event will be timed with the occasion for installing the marker at the Gonzales massacre site, the spot being about a half mile northwest of the springs.

In colonial Texas, alligators were a real menace along the Gulf coast, workers in the University of Texas Library have found. Alligators often caught dogs at river banks and eye-witnesses have recorded several instances of their catching and eating men and women, some even as they slept in their tents at night.

Early Model Radio Is Gift To Museum

A radio of around 1928 vintage was presented last week to the Ozona High School museum by Rufe Everett. The radio is an RCA model with the speaker separate from the set.

Efforts are being made by school authorities to secure one of the first crystal receiving sets, forerunner of the modern receiving sets. The museum has more than 2,500 exhibits at present and the Junior Historical Society is making an effort to increase this number before the end of the present school year.

New Use for Husbands
 Many peculiarities are found among animals, reptiles, and insects, although few are witnessed except by persons interested in nature study. When spiders bite each other's legs off, new legs grow back. The black widow spider eats her mate and makes herself a widow. A snake recently ate another one, but the "victim" didn't die, as was witnessed by a group of Texans, according to the Fredericksburg Standard.

Emil Petsch, Pete Weber and Harold Puhl came upon a coach whip and another snake fighting viciously. One snake measured about five feet in length and the other about three feet. The large snake finally started swallowing the other. The smaller snake was eaten head first, but when two-thirds of it had been consumed, the men used rocks to kill the larger snake. They thought they had also killed the smaller one, but were amazed when the three-footer crawled all the way into the large snake, turned around and emerged head first, unharmed!

Recognizing the seriousness of losses from crippled birds, sportsmen's organizations throughout the county this year are stressing the importance of "within-effective-range" shooting. In nationwide advertising campaigns, commercial firms likewise are cautioning the hunter against out-of-range shooting.

Called "Suet"
 Quite frequently deer hunters, while in camp, open up the old argument as to the proper name of the fat of deer. This has been called suet for over 500 years by English stag hunters. In a reference book on hunting written by the Second Duke of York in 1406, he refers to the fat of the red and fallow deer as "suet." The book is entitled "The Master of Game," and is among the first books ever written on hunting.

Men may be smarter than women—but not in "book learnin'." University of Texas officials believe. A current registrar's report shows co-eds ranked well above men students among the school's 11,000 students. Girls made an average of 1,345 grade points to boys' 1,134 points.
