Mason Withdraws, Big Lake Added To District 4B

'46 Football Schedule Drawn up at Meet of Dist. Executives

With the dawning of the annual football wars next fall, a familiar foe in early-season practice encounters will assume a new role—that of a full-fledged member of District 4B.

Reagan County High School at Big Lake was voted a member of District 4B to take the place of Mason High School when members of the district executive committee met Saturday in Sonora.

Mason High received approval from the Interscholastic League at Austin to transfer into the Hill Country League to the east and Big Lake withdraws from the district embracing McCamey, Crane, Sanderson, Iraan, Fort Stockton, etc.

Supt. C. S. Denham and Coach L. B. T. Sikes represented the Ozona school at the meeting of executive committee members in Sonora Saturday. After the shuffle in membership had been accomplished, the committee drew up the 1946 football schedules for the district, adopting the same schedule as was in effect last year, except reversing the sites for each game, and substituting Big Lake for Mason among the district games.

Ozona's schedule will begin September 14, under present plans, with a practice game scheduled for that date. However, the opponent for the opener has not yet been selected, that date and one other, September 28, remaining open as yet. Only one practice game has to date been slated, that against the San Angelo Kittens here on September 21.

Ozona's district schedule for the 1946 season will be as follows: October 4 — Big Lake there. (Friday night game) October 12 — Menard here. October 19 — Rockspings here. October 26 — Junction here. November 2 — Eldorado here. November 9 — Sonora there. (Possibly changed to Friday night).

Conoco 22 Todd Ellenburger Well Rates 843 Bbls.

New Well Completed In Deep Field from 5,884 Feet

Continental and others' No. 22 S. S. Todd unit block on the east side of the Todd Deep field in western Crockett county has been completed in the Ellenburger with a daily flowing potential of 543.24 barrels of 42.1 gravity oil.

The potential was derived from a four-hour flow of 140.74 barrels of oil through a quarter-inch choke on 2-inch tubing set at 5,884 feet. Flowing casing pressure was 500 pounds, tubing pressure 700 pounds. Gas-oil ratio was 44C.

The well, with elevation 2,653 feet, topped the Ellenburger at 2,777 feet and cemented 5 1/2 inch casing at 5,780. It topped the pay at 5,825, drilled to 5,886 feet and was treated with 7,000 gallons of acid.

Location is the C N E NE 28-WX 24-SF, quarter mile east of Continental and others' No. 19 Todd and the same distance south of F. A. Callery and others No. 7 Shannon estate, both completed Ellenburger wells.

Funeral Services for Miss Claudia Everett Held Here Friday

Funeral services were held at 3 o'clock Friday afternoon from the First Baptist Church in Ozona for Miss Claudia Everett, 56, who died in Del Rio Wednesday following a brief illness. Services were directed by the Rev. A. A. Carter, pastor of the Ozona Methodist Church. Burial followed in Cedar Hill Cemetery.

Miss Everett had made her home in San Antonio with a sister, Miss Esther Everett, for a number of years but for the last few months had been living with another sister in Del Rio. She had been employed in government work in San Antonio.

Pallbearers were A. C. Hoover, W. R. Baggett, Paul Perner, Hugh Childress, George Russell and O. W. Smith.

Miss Everett was born in Ozona May 5, 1889, the daughter of the late Mr. and Mrs. Joseph E. Everett, both buried in Ozona cemetery. She is survived by four brothers, Tom Everett and Dock Everett, both ranching near Comstock, and Joe and Rufe Everett, who ranch near Pandale, and three sisters, Miss Esther Everett of San Antonio, Mrs. Will Lathian of Del Rio and Mrs. Bill Gurley of Pumpville.

Lofflands to Drill 2 Tests On Cox Lands

1,500-Foot Cable Tool Tests Planned by Ft. Worth Operators

T. W. Loffland and J. M. Loffland, Jr., of Fort Worth have applied for permits to drill two more wildcats in south central Crockett county, both to 1,500 feet with cable tools.

No. 1 V. B. Cox will be 330 feet out of the southeast corner of the southwest quarter of section 27-2-I&GN, half mile northeast of Garrett M. Smith No. 1 L. B. Cox, Jr., which showed some oil between 946-1,001 feet.

Loffland brothers' No. 1 L. B. Cox, Jr., will be 330 from the north, 660 feet from the west line of the southeast quarter of section 21-Z-I&GN, 1 1/2 miles southeast of the Smith test. The Railroad Commission may require a change in the number since Lofflands have spudded a No. 1 V. B. Cox, C NW SW 40-ST-TRRC, 1 1/4 miles northwest of the Smith test.

The Lofflands filed application for a permit to plug and abandon their No. 1 Paul Perner at 1,429 feet in line. Sulphur water was logged from 1,050-96 feet, a showing of free oil from 1,348-58 feet and one bailer of sulphur water hourly from 1,385-1-1415 feet.

No. 1 Perner was 660 from the south, 890 feet from the east line of section 43-ST - TCRR, three miles northwest of Smith No. 1 Cox.

Army Ordnance Gage Laboratory to Be Established at A&M

COLLEGE STATION. — The Agricultural and Mechanical College of Texas has been selected as the site of a new United States Army Ordnance Gage Laboratory, it was announced in a letter today to J. T. L. McNew, vice president for engineering from Col. Clyde H. Morgan, chief of the St. Louis Ordnance District.

The laboratory, completely air conditioned, will house a complete assortment of fine precision measuring equipment and gages and will be available for use in student instruction in all classes in the shops and laboratories of the college and will be available for use in experimental and research work. It likewise will be in stand-by readiness for use by the government for checking field gages and for instruction of Ordnance Reserve officers. Should a national emergency arise, the U. S. Army Ordnance Department will assume operation of the laboratory in control of production of vital supplies.

Lee Wilson Named Chairman of Ozona Red Cross Chapter

March Fund Drive Chairman to Be Named to Head Campaign

Lee Wilson, Ozona automobile dealer, was elected chairman of the Ozona Red Cross chapter at a meeting of the chapter executive board held Thursday afternoon at the Methodist Center.

Mr. Wilson will succeed J. M. Baggett, who resigned the chairmanship after serving throughout the war period as head of the local chapter.

The executive committee met with Miss Melba Turritt, field representative of the American Red Cross, who advised with members on the Red Cross program of veteran aids, relief, first aid, home nurse training, water safety and other features to be followed in the coming years of peace.

Organization of the local annual Fund Campaign of the Red Cross, slated to open March 1, a war-time innovation which replaced the annual fall membership drive, will be perfected as soon as the new chairman returns from a vacation trip to New Orleans he and Mrs. Wilson are now enjoying. Announcement of the campaign chairman and quota objective will be made upon his return.

Bishop Purcell to Speak on Methodist Hour Sunday Morning

The first Southwide radio broadcast of "The Methodist Hour" will be heard from Maryland to Texas, from Florida to the Middle West, Sunday morning February 17th as Bishop Clare Purcell, president of the college of bishops of the Southeastern Jurisdiction of the Methodist Church, speaks over an independent network of 36 stations. This program originates from WSB in Atlanta and is carried by radio stations in fifteen southern and western states.

Dr. William F. Quillan, Executive Secretary of the Southeastern Jurisdictional Council of the Methodist Church, announces that other "Methodist Hour" programs will be heard during May and June. This first broadcast by the Council is in cooperation with the South Central Jurisdictional Council and the Upper Room. The Council is a member of the Southern Religious Radio Conference, which is composed of the radio committees of the Baptist, Presbyterian, Methodist Churches and representatives of certain radio stations.

Bishop Purcell will speak on "The Church That Is To Be." He is resident bishop of the Charlotte Area of the Southeastern Jurisdiction, a member of the General Commission on Army and Navy Chaplains, and a member of the North Carolina Council of Churches.

"The Methodist Hour" will be heard on the following stations in Texas at 7:30 a.m.: KGNC, Amarillo; WFAA, Dallas; KPRC, Houston; KWBU, Corpus Christi and WOAI, San Antonio.

SIX VOLUMES GIVEN LIBRARY BY SAN ANGELOAN

Mrs. J. E. Ripple of San Angelo, mother of Joe E. Ripple, principal of the Ozona Junior High School, has donated six volumes to the Ozona High School library. Five of the books are Jack London's works, "Martin Eden," "Call of the Wild," "South Sea Tales," and "White Fang." An "Autobiography of Benjamin Franklin" was the sixth book in the lot.

ENTERTAIN WITH DINNER

Mr. and Mrs. Joe Oberkamp and Mr. and Mrs. Lowell Littleton entertained a large number of their friends at two separate dinner parties Friday and Saturday nights at the Oberkamp home. Both groups enjoyed a bountiful buffet supper after which music and visiting was in order. Old time music, both hot and sweet, was furnished by a string trio composed of George Senne, Hubert Baker and Richard Miller.

Ozonans Invited to Hear Horace W. Busby In Sonora Revival

Ozonans have been extended a special and cordial invitation to hear Horace W. Busby, Fort Worth evangelist of the Church of Christ in a sermon series at the Church of Christ in Sonora beginning next Sunday, February 17, and continuing one week, through Sunday, February 24.

Well known to Ozonans as a result of his annual visit to this city for nearly 25 consecutive years, Mr. Busby no doubt will attract many hearers from among the membership of the local Church of Christ and other friends of the church who have heard him during meetings here.

Services during the Busby revival at the Sonora Church of Christ are being held twice daily, at 5 o'clock each afternoon and at 7:30 each evening, with Sunday services at the regular 11 o'clock hour.

Sonoran To Represent Farm Loan Assn. at Stockholders Meeting

Joe Brown Ross, Sutton county ranchman and registered goat breeder, has been selected by the board of directors of the Sonora National Farm Loan Association to represent the organization at the stockholders' meeting of the Federal Land Bank of Houston on February 19-20 in Houston, according to A. E. Prugel, secretary-treasurer.

The Sonora Association has \$101,830.00 in stock in the Land Bank. The directors of the Association, which serves Crockett, Schleicher and Sutton counties, are J. A. Ward, Jr., Sonora, P. T. Robinson and Chas. E. Davidson, Jr., of Ozona, and B. E. Moore and John I. King of Eldorado.

Mrs. Perner Reviews 'Lincoln's Wife' For Woman's Club

Lincoln's Birthday was observed by the Ozona Woman's Club in its meeting Tuesday with a program featuring a review of the book, "Mr. Lincoln's Wife," given by Mrs. Stephen Perner. Mrs. Arthur Hoover and Mrs. A. E. Deland were hostesses to the club.

Three piano numbers portraying dances popular in the 1880's played by Mrs. Neal Hannah and Mrs. Ira Carson introduced the book and Mrs. Perner reviewed "Mr. Lincoln's Wife," by Ann Colver.

In her review, Mrs. Perner declared that "Mr. Lincoln's Wife" is a novel of marriage, but the marriage, its hopes, love, disappointments and everyday living set against a background of great tradition.

"Mary Todd married Mr. Lincoln because she loved him," the reviewer said. "In spite of all their differences and the circumstances that reached into Mary's life and pulled her husband away from her, she never stopped loving him. But long before the night he died she learned that Mr. Lincoln did not need her, that he had never needed her nor anyone else.

The world knew Mary Todd while she lived as "Mr. Lincoln's Wife." There was much of the world that hated Mr. Lincoln, and those who wanted to strike at him found a vulnerable target in Mr. Lincoln's wife. She was the most gossiped about woman in Washington. She was written about, photographed, interviewed and criticized. She was a southerner — her three brothers were killed fighting for the Confederacy. But she was afraid to mention their deaths in her letters to her sisters, because she was already accused of being a spy. She was called a traitor by her own people of the South and a spy and rebel by the North.

Cherry pie and coffee were served to Mrs. Neal Hannah, Mrs. P. T. Robinson, Mrs. Hubert Baker, Mrs. B. B. Ingham, Mrs. W. R. Baggett, Mrs. A. A. Carter, Mrs. Ira Carson, Mrs. Charles Williams, Mrs. O. L. Sims, Mrs. Carl Colwick, Mrs. Stephen Perner, Mrs. J. M. Dudley and Miss Elizabeth Fussell.

Funeral Services Here This Morning For Mrs. Dunlap

Wife of Crockett Co. Rancher Died Wednesday Morning

Funeral services were held here at 10 o'clock this morning for Mrs. Lorena Chandler Dunlap, wife of W. Ernest Dunlap, Crockett county ranchman, who died in a San Angelo hospital at 2 o'clock Wednesday morning following a long illness.

Services were conducted from the First Baptist Church here under the direction of the pastor, Rev. Clifton R. Tension, with special messages from two former ministers of the local church, the Rev. Clyde Childers, now of San Antonio, and the Rev. M. M. Fulmer of Uvalde. Burial followed in Cedar Hill Cemetery, with deacons of the Baptist Church acting as pallbearers.

Mrs. Dunlap had been a resident of Crockett county since her marriage to Mr. Dunlap on December 19, 1917, in San Angelo. She was born October 26, 1899, in Merkel, Texas, the daughter of Mr. and Mrs. William D. Chandler. The family moved to San Angelo where she attended school.

Surviving are the husband and one daughter, Mrs. Robert M. Neal of Sundown, Texas, and one grandchild, Bobbie Neal. The mother, Mrs. W. D. Chandler of San Antonio, three sisters and four brothers also survive. The surviving sisters and brothers are Mrs. A. T. Ferguson of San Antonio, Mrs. R. L. Doak, Jr., of San Antonio, Mrs. Thomas L. Page of Allamore, Texas, W. H. Chandler of Ozona, S. H. Chandler of Amarillo, G. E. Chandler of Sierra Blanca, and A. J. Chandler of Deming, N. M.

CAR STOLEN HERE

A Willis coupe, belonging to Alvin Harrell, was stolen from in front of the Ozona Theatre Tuesday night. The car had been driven to town from the Harrell ranch by an employe and parked in front of the theatre. Officers so far have been unable to trace the missing vehicle.

Great Heritages Topic of Program

"Great Heritages" was the subject of the lesson for the Woman's Society of Christian Service Wednesday afternoon.

The worship service was recalling the lives of great men and women gone on who left their heritage to us. This was led by Mrs. Stephen Perner.

Mrs. Carl Colwick discussed "The World Order and Peace," and she told of the important place food and trade held in this world order.

The leader talked of the place money, the World Charter, free speech an dreligion held in the world discussion today.

LADIES BIBLE CLASS ENJOYS SOCIAL

The Ladies Bible Class of the Church of Christ met for their monthly social at the home of Mrs. J. W. Owens, with Mrs. D. C. Ratliff as assisting hostess.

Mrs. Bill Johnigan and Mrs. Armond Hoover each gave interesting talk on racial problems. Refreshments were served to the following members: Mrs. George Senne, Mrs. Neal Hannah, Mrs. J. E. L. Harrison, Mrs. Andy Nelson, Mrs. H. W. Baker, Mrs. Bill Johnigan, Mrs. Armond Hoover, Mrs. Paul Hallcomb, Mrs. Walter Clendenen, Mrs. Jones Miller, Mrs. J. E. Davidson, Mrs. H. T. Rutledge, and Mrs. Ballard, and guests, including Mrs. Frank Black, Mrs. Herbert Holmes, Mrs. Charles Hale, Mrs. Jeff Owens and Miss Ella Mae Welsh, all of Sheffield.

"Red" McWilliams, who spent over two years with the Marines in the Pacific where he engaged in some of the stiffest fighting, is home again. He is employed at Smith Drug Store until June when he will reenter college.

Crockett Voters Approve Raise In School Rate

Ten to One Margin in Favor of Raise in Maintenance Tax

By a margin of ten to one, Crockett county property taxpaying voters in a special election last Saturday approved a raise in the school maintenance tax rate from 50 cents to \$1.00 on the \$100 property valuation.

Out of a total of 83 votes cast, only eight voters registered opposition to the proposed raise in the tax rate, with 75 approving. As evidenced by the extremely light vote, a characteristic of the county, by the way, in most elections where personalities of candidates are not involved, some 800 or more qualified voters of the county failed to express themselves on the issue. However, in spite of the indifference of the majority of voters, the expression of those who did ballot on the question is believed in keeping with the sentiment of the people as expressed in favor of the raise in informal discussions simultaneous with announcement of the election plan through the Commissioners Court and the Board of School Trustees.

The eight opposing votes were cast in the Ozona box, unanimous approval of the tax raise being given by voters in boxes outside the city.

The tax raise as approved by the voters will increase the school's maintenance fund so that present outstanding indebtedness of approximately \$30,000 can be retired and increasing costs of operation of the schools can be met. Also, needed expansion projects, such as provision for teacher housing, addition of new teachers to the staff, enlargement of the athletic program, etc., can be carried out.

Tennessean to Lead Church of Christ Revival

Charles R. Brewer Will Preach Series From Feb. 24 to Mar. 3

Charles R. Brewer of Nashville, Tenn., for a number of years associated with the David Lipscomb Bible College, will be heard in a series of gospel sermons at the Church of Christ in Ozona beginning Sunday, February 24 and continuing through Sunday, Mar. 3, it was announced this week by J. E. L. Harrison, minister of the local church.

The Tennessee evangelist is considered one of the church's outstanding ministers and educators. He bears a nationwide reputation as a fine speaker and earnest evangelist, and officials of the local church are looking forward to one of the most successful meetings in the church's history. Invitations have gone out to members and friends of the church throughout the surrounding territory and fine crowds are expected for each service.

Services will be held twice daily at 4 p.m. each week day and at 7:30 each evening. Sunday morning services will be at 11. Song services will be under the direction of Ross Hufstetler.

Volleyball, Basketball Teams Win Three in Barnhart Matches Fri.

Ozona High School volleyball and basketball squads made a clean sweep of a three-game series with Barnhart and Mertzon teams on the Barnhart court last Friday night.

The volleyball girls from Ozona defeated the Barnhart girls by a count of 57 to 21 in the evening's opener and Ozona cagers then beat the Barnhart crew 24 to 13. Mertzon's basketball squad went down 28 to 11 under the Lion's attack in the evening's finale.

Prepare your cows for a Big Letdown

In recent tests on a large dairy herd, a two-man team machine-milked 54 cows in an hour. That's just about a cow a minute. They were using the new correct milking method which often cuts milking time in half. Time and labor are saved, more milk is obtained, herd profits are increased, and the danger of mastitis is lessened. The new method can be used on herds of any size, whether machine or hand-milked.

To prepare your cows for a quick letdown of milk, first massage the udder vigorously for 20 seconds with a very warm cloth (130° F.), wrung out of a chlorine (250 parts per million) solution. Second, draw two or three streams from each quarter into a strip cup—which removes milk of high bacterial count and permits inspection for abnormal milk indicating mastitis. These two steps stimulate the cow's milk glands and cause her to let down in about 40 seconds. Milking should be started within a minute after udder massage and finished within four minutes, including brief stripping either by hand or machine. It is good practice to sterilize test cups in a chlorine solution after each cow is milked.

Most cows respond to this correct milking method. Giving heifers an occasional udder massage before they freshen helps develop them into fast milkers. In the case of cows not previously trained for fast milking, most of them will respond to faster milking if milking time is shortened gradually to from three to four minutes.

An excellent illustrated circular which gives full details on this method of milking may be obtained from the University of Wisconsin, Madison, Wisconsin. Or inquiries may be made to your County agent or nearest Agricultural Experiment Station.

\$400 IN CASH PRIZES

Write us a letter (not over 500 words) on "Methods Employed by Meat Packers in Marketing Meats, Poultry, Eggs, Butter, and Cheese"

For the best letter we will give prizes as follows: First, \$75; Second, \$50; Third, \$25; Next ten, \$10; Next thirty, \$5. Duplicate prizes in case of ties. Contest closes May 1, 1946. We will gladly send you booklets giving information on marketing methods. Address Letter Contest, Department 128, Swift & Company, Union Stock Yards, Chicago 9, Illinois.

When the Going is Tough We Turn to Fundamentals

By Professor A. E. DARLOW, Oklahoma A. & M. Professor Darlow is at present at Shrivenham American University in England, helping to rehabilitate the agriculture of war-torn Europe.

The importance of agriculture and agricultural production was certainly impressed on the average Briton during the war. Food and food production for fighting men and working women were items of first importance. The English farmer did a marvelous job of increasing and maintaining production.

Many have thought that all the effort was on crop production. This is not the fact. Despite the need for all the human food it was possible to produce, the farmers and breeders of Britain have maintained their herds and flocks. There were some shifts and changes in livestock production, but the importance of livestock to agriculture and the importance of livestock production to human welfare were never more fully realized.

Here is a lesson for us all. It isn't theory, but fact brought into sharp focus in a people's fight for existence—that nothing is more important to a nation's economy than her agriculture, and nothing is more necessary to good agriculture than a balanced livestock program.

Profits Mean Progress

If someone offered you a deal which gave you a chance to make about 1% of the price your steers, hogs, or lambs sell for, we doubt if you'd get very enthused about it. The profit margin would be too small—about

35¢ on a \$35 hog, or only \$35 profit on 100 hogs. Swift & Company makes thousands of such very low-profit deals every day in the year. At the end of the year 1945, for instance, we came out with a profit of only 9-10 of a cent per dollar of sales on our total volume.

The meat packing industry is highly competitive, and many of its products are very perishable. But like you, or any other able businessman, we want to make more profit than that 9-10 of 1% on our business. Profits mean progress, and in order to progress, everyone—producers and meat packers alike—must receive more than barely enough to meet expenses.

Producers of livestock and other farm products got 7% of each dollar we received from the sale of all our products, including hides, wool and all by-products. You may well ask, "Where did the remaining 25¢ of that dollar go?" The answer is: 12.3¢ went to all plant and office employees who prepare and market these farm and ranch products; transportation took another 3¢; supplies (fuel, barrels, boxes, salt, sugar, etc.) cost 5.1¢; taxes, 1.4¢; other necessary expenses 3.3¢. And that left just 9-10 of a cent out of the average sales dollar for the development and protection of the business and as a return to the people who have invested their savings in Swift & Company.

Agricultural Research Department

MINERAL SUPPLEMENT FOR WINTER FEEDING CATTLE

It has long been known that minerals are necessary for the health of animals and even

for life itself. Those minerals most likely to be lacking in winter feeds are calcium or lime, phosphorus, and common salt. Many of the roughages fed to cattle may be short in minerals or grown on a soil of low fertility. When cattle are fed such feeds, they must be supplied with a mineral supplement containing salt, lime and phosphorus. Also valuable in this mineral supplement are small quantities of other so-called "trace elements" such as cobalt, iron, manganese, copper and iodine. Although only small amounts of these latter minerals are needed, each plays a part in building a strong, healthy animal.

SWIFT & COMPANY

Union Stock Yards
CHICAGO 9, ILLINOIS

WORTH THINKING ABOUT . . . The successful farmer is a businessman who works his land to produce a fair return on invested capital. The capital which he uses comes from accumulated savings of his own, or the savings of others that he has borrowed from a bank or elsewhere.

He invests those savings in land, buildings, machinery, seed, livestock and in other things necessary for himself and his family to produce crops and to live.

When he figures out his results at the end of the year, he, like all other businessmen, measures his success by the returns he makes on his savings and the borrowed savings. Failures in farming, like failures in other businesses, are due to operations that, over a period of years, fail to average a fair return on the money invested—with the result that the savings are either withdrawn or lost.

Soda Bill Sez:

. . . that agriculture is about like farming, only in farming you do it.

. . . that the hardest thing to learn about farming is getting up at 5 A.M.

Martha Logan's Recipe for HUNTER'S STYLE DINNER

Yield: 8 Servings

- 1 large bunch celery (about 1 pound)
- 3 large onions (about 2 1/2 pounds)
- 1/4 cup lard
- 2 1/4 pounds fresh pork shoulder
- 1 cup canned mushrooms
- 7 ounce package spaghetti
- 2 cups cooked or canned tomatoes
- 2 cups cooked or canned lima beans
- 1 tablespoon salt

Cut up celery and onions. Fry in half of the lard until transparent, in a heavy iron pan. Cut up the pork into small pieces. Brown well in remaining lard. Cover and cook over low heat for 30 minutes. Cook spaghetti in 2 quarts boiling salted water 15 to 20 minutes. Drain. Add tomatoes, lima beans, mushrooms, browned pork, onions and celery. Season well. Cook over low heat or in a slow oven (325° F.) for 30 minutes.

NOTE: This is excellent when warmed over.

Freshmen Reporters — Charles Mankin, Betty Cooke

BASEBALL AGAIN

The extensive athletic program inaugurated by the Ozona Lions with the end of the war will soon be under way. After the completion of their regular football and basketball seasons they are scheduled to begin baseball, tennis and track. The track and tennis will be on a limited basis.

The Lions have not played baseball in quite a long time — from ten to fifteen years. This year, in order to add to their every curriculum, every school in this region is on the books to play baseball. This will be more or less a tryout season, and some of the teams might not want to play too many games. Because of this, there will be no district championship race.

To all of the boys, baseball is a new thing. They played a little softball in grade school, but no hard ball. They are not quite decided as to the reception the idea should be given; they don't know quite what to think about it. By general consent, they are going to keep an open mind on the subject until they know a little more about it.

This will give us the three major American team sports in our curriculum — football— basketball and baseball. Our ignorance of the latter is colossal and there is a special angel who watches over all fools. Maybe she will bring their usual luck to the Ozona Lions of 1946 in their baseball efforts.

LIKES AND DISLIKES

Patsy Schwalbe likes blue, boys

with black curly hair, and volleyball, but she doesn't like studying and candy.

Miss Davis has as her likes swimming, dancing, flying and blonde men — she doesn't like high tempered people.

Sue Meinecke says she likes boys and hates detention; but it doesn't do her much good — not liking detention.

Joe Ross Hufstедler likes all sorts of sports and brunettes (mainly Jackie of course!) and doesn't like onions and silly girls at all.

Don Cooke likes puzzles and can not stand to hear girls scream!

Jo Nell, Baby and Muggs like pillows, and they do not like hoses!

Carlton Smith likes "Symphony," athletics and girls, and he hates to get up in the morning.

Be Phillips likes "It Had to Be You," anything blue and food; she simply can't bear "Cherry" and sarcasm.

Joe Perry likes chocolate milkshakes and dislikes vanilla milkshakes.

Evelyn Thompson loves to swim and dislikes conceited people.

MY DREAM GIRL

Eyes — Willa Joyce Dowdy

Teeth — Ann West

Complexion — Rosalie Friend

Feet — Jo Nell Oden

Lips — Sue Beasley

Nose — Sue Meinecke

Hands — Dorothy Mayfield

Voice — Betty Martin

Personality — Baby Hokit

Figure — Corinne Phillips

Clothes — Muggs Davidson

Eyelashes — Mary Katherine Flowers

Dimples — Jo Nell Coose

Hair — Jimmie Jean Cheate

MY DREAM BOY

Eyes — Charlie Boy

Personality — Sam P.

Temper — Gordon B.

Figure — Chris P.

Feet — J. G. H.

Chin — James C.

Ears — Nat R.

Strength — Joe P.

Brains — Ralph C.

Hair — Don C.

Eyelashes — Bill W.

Politeness — Carlton

Line — Kerry T.

Nose — Sugar

Put them altogether and you have my dream boy!

SWEETHEART DINNER

We, the Senior Class of 1946,

wish to express our appreciation

to the Baptist Women for the formal Valentine Sweetheart Banquet.

Rev. Tennison was master of ceremonies, Mr. Ira Carson gave the invocation after which the guests enjoyed a menu consisting of Cupid's Cocktail, King of Hearts, Sweethearts, Heart Beets, Heart Dressing, Pink Hearts, Light Hearts, Heart Mixture, Cupid's Review and Cherry Heart.

Background music was furnished by Miss Katie Sue Good.

A hearty welcome was given the Seniors by Rev. Tennison. Carlton Smith, president of the Senior Class answered with a heartfelt response.

The following program was presented: the string quartet — Mr. Hubert Baker, Mr. Richard Miller, Mr. Herman Good and Mr. George Senne; sentimental love songs — Miss Mildred Cooper, accompanied by Mrs. Dan Gower. Group singing was enjoyed by all the guests under the direction of Miss Cooper.

Those present were: Mrs. Tennison, Mrs. Ira Carson, Mrs. C. S. Denham, Mr. and Mrs. Joe Ripple, Mrs. Hubert Baker, Dr. H. A. Gustavus, Mr. Roy Thompson, Mr. T. J. Bailey, Billie Rose Schwalbe, Mike Friend, Ann West, Bill Wilkins, Corinne Phillips, Bennie Gail Phillips, Gordon Bufford, Muggins Davidson, Joe Perry, Charles Snyder, Buddy Russell, Dorothy Strickland, Lue Crenwell, Jo Nell Coose, Max Word, Myrtastine Hokit, Charles Harrison, Dorothy Mayfield, Scoot Smith, John Fussell, Betty Martin, Joe

Corbell, Charles Ratliff, and Jo Nell Oden.

After the banquet the Seniors and their guests enjoyed a few hours of dancing and "good fun" at the home of Billie Rose and Patsy Schwalbe.

POPULAR RADIO PROGRAMS

The radio has programs to sat-

isfy every taste. If one is the intellectual type, he will enjoy the tough, varied puzzlers of "Information Please." If one enjoys "Who Done Its," (a low-brow phrase for mystery stories) he can listen to "The Thin Man and at the same time enjoy the wise cracks of Nick and Nora. First-class dramatic performances are turned out by talented Hollywood

actors in radio representations of screen hits in numerous performances almost every night of the week. For heartening, homespun humor that never grows stale, listen to "Fibber McGee and Molly," "Amos and Andy," and the less well known but equally good programs, "Lorenzo Jones" and "The Johnson Family." The last named (Continued On Last Page)

TAXPAYERS!

YOUR HELP PLEASE!

COME TO THIS OFFICE TO
RENDER YOUR PROPERTY!

Due to the shortage of help we must ask the cooperation of property owners in securing renditions of property for tax purposes.

Renditions must be completed before April 30. It will take but a few minutes of your time to complete the form at the office and we will greatly appreciate your help in getting the work completed on time.

FRANK JAMES

Sheriff, Assessor and Collector of Taxes—Crockett Co.

LION'S ROAR
(Continued from Page 3)

program, "The Johnson Family" is one of the most unusual programs on the air, the entire play being spoken by one man, who has the ability to distort his voice into dozens of different intonations

and accents. Other very good humorous programs are "The Aldrich Family," "A Date with Judy," the joke-filled "Can You Top This?" and, included only for its absolute idiocy—"The Abbot and Costello Show." "Town Meeting of the Air" rates interest for its debates of questions of nation-wide interest. Also there are countless programs featuring crooners, bands, orchestras, concert soloists, operatic singers and last but not least, the venerable day-time serials, the so-called "soap-box operas." The radio has representatives from every walk of life and can be enjoyed by everyone.

Pvt. and Mrs. Tommy Harris are the parents of a son born Saturday morning in a San Angelo hospital. He has been named Bradley Cul-

len. Pvt. Harris is a member of the Air Corps and is stationed in Boca Raton, Fla.

CARD OF THANKS

We take this means of expressing our heartfelt thanks to the people of Ozona and Crockett county for their many acts of kindness and expressions of sympathy on the occasion of the death of our sister, Miss Claudia Everett. The Everett and Gurley Families

Ah - a capitalist!
Now—it's just a penny in a piggy bank. But soon his piggy will be full. Then the pennies will be taken to a real savings bank.
The bank will put his pennies to work. Some of these pennies almost certainly will be invested in electric utility securities. Financial institutions, including insurance companies, prefer such securities because sound, thrifty business management has made them a steady, dependable investment—as dependable as electric service itself.
So, the little boy has a personal stake in the electric service industry. Practically every American has—millions of people as direct stockholders, other millions of citizens as savings depositors and life insurance owners.
This is the American private initiative economic system. It's called capitalism. It's a good system. It helped make America great. It produced to save the world. It had more electric power in service than all sources of electric power of all enemy countries combined. And it will continue to open doors of opportunity for all little boys and girls with piggy banks.

HUB OF FARM ACTIVITY
The telephone can well be called the center—the hub of farm activity. For the telephone speeds help in emergencies... saves the farmer time and money in his business dealings... keeps him close to his neighbors. More and more farmers have come to realize the value of telephone service. That is why our postwar plans include improved rural telephone service for all the farmers who will want to enjoy its conveniences.
