New Dodge DeLuxe Four Door Sedan

60 Design and Engineering Changes in the New Dodge

Standing out in the most distinguished company, the New Dodge is smartly styled from this massive new grille to its spacious trunk. Headlamps and parking lamps are more widely spaced in new blended fenders to define width of car.

Big car comfort throughout marks the tasteful appointments of the new interior trim, shown here in the wide rear seat of the New Dodge. Upholstery comes in choice of rich broadcloth or deep pile fabric.

Starter push button on dash is feature of new instrument panel, with brighter non-glare lighting, easier-to-read instruments, new chrome trim. New Safety Signal Speedometer has improved warning colors on dial as well as on indicator arm.
