Livestock Shipments Drop in September

AUSTIN. — Evidence of less livestock on the market in Texas during September is noticed in a report from the Bureau of Business Research at the University of Texas that 8,025 carloads were shipped in September, but that this total was 18 per cent below the August shipments and 24 per cent less than September 1945 shipments.

The largest monthly decrease

was registered in shipments of hogs, which totaled only 89 carloads in September, compared with 817 in August.

Sheep shipments gained during the month, as the 2,052 carloads were 12 per cent above August shipments, but 21 per cent lower than the total reported last year.

Cattle shipments totaled 4,627 carloads, and were down 27 per cent from August, and 21 per cent lower than September 1945.

FOR SALE — Registered Hereford bulls, 3 yearlings and 7 two-year-old and up. See Troy Williams. 31-2p

Cross Breeding Of Dairy Cattle Cuts Down Replacements

COLLEGE STATION. — A lot of Texas dairymen are killing the goose that lays the golden eggs by cross-breeding their dairy cows with beef sires.

The dairyman who makes a steady practice of cross-breeding will end up with hno replacements for his herd, and just like the man who killed the gold - producing goose, he will kill the chances for more profit from a better dairy herd in the future, explains G. G. Gibson, dairy husbandman of the Texas A. and M. College Extension Service.

Dairymen cross - breed their stock because a crossbred calf is worth more for beef than a straight - bred calf at the same age, says Gibson. But, he warns, the deal isn't as good as it sounds

CONDUCT REVIVAL HERE— Dr. E. Westmorland, top, pastor of South Main Baptist Church in Houston, will do the preaching, and Joe Trussell, bottom, also of Houston, will lead the song services during an eight-day revival meeting to be held at the First Baptist Church in Ozona beginning November 17 and continuing through November 24.

Mrs. Massie West is in Dallas this week for a visit with her daughter, Joyce, a student at Southern Methodist University.

Mrs. Willie Sue Buck of Houston is here this week for a visit with her mother, Mrs. Clay Montgomery.

FOR SALE — Hotpoint Electric Range. Also 5-piece Dinette Suite. Call Mrs. Allie Armentrout, Phone 264.

Miss Elizabeth Fussell has returned from a three-weeks visit with her three sisters in Austin Houston and Cushing.

From where I sit... by Joe Marsh

Who Gets Off Easiest— Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Phibbs envies his Missus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

Of course, none of it goes very

deep. Thad knows why deep down that the Missus has plenty of work running a house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.

Joe Marsh

THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

OZONA, TEXAS, THURSDAY NOV. 7, 1946 NO. 8

DUN IT?

Does a certain blonde keep for Chris' football jacket? Chris, go on! — give it to Chris, go on!

is Tom M. getting such notes from? Ummm, gaar! Red why Mary K.s snake to scare him.

Charles C., why did you want to pick beans in the H. E. Spring General Science? Could that Betty C. was there? Betty S. seems to have acquired a new boy friend.

is getting notes from some Ask Eddie C!

seems Virginia finally won Beth. She had a date with last night!

Perry, we didn't know you play the piano! You must for everyone — sometime!

does Bob B. have less hair at blonde head of his this than last? Could it be that W. got hold of it?

was Jane so happy Saturday was Dud J. here?

G. and Armond seemed to had quite a time in Dallas! saw a river!

Jane, who was your company Sunday night? Roy G.

were the teachers laughing Kerry? It must have been H-Way Cafe! Could it have that you had the wrong color stick on?

seen Betty Jo and Ann H., will win Joe G.?

football boys attention! How the music lessons?

anted: Any boy from the man through the Senior

classes — any size, shape or age. Signed, Beth.

Boys, don't get too encouraged over the Backward dance Thursday night and start a TWIRP season.

We were glad to Sugar S. and Carlton over the week-end. How are the San Angelo girls?

Dale has a bad habit — letting people read notes that written to her about them. — Most embarrassing!

Wonder why the Seniors are not ambitious?

FOOTBALL NEWS

By Chris Perner

It was a nice sunny day for the Ozona Lions to slay the Eldorado Eagles on our home field. The Pep Squad roared madly when the kick-off was driven very hard down the field by Red Harrison. The Eagles played very hard the first half but were no match for the Lions hard hitting line and backfield. The first half ended with a 6-0 score in favor of the Lions. The second half started when Red again sent a beautiful kick right into the heart of the Eldorado backfield. The Eagles fought back but in a short time the Lions scored two more touchdowns. In the last of the fourth quarter, some of the hard hitting team were taken off and a few substitutes replaced them. The final score was 18-0. So, let's BEAT SONORA.

H. E. NEWS

By Marian Dryden

Concluding a project on des-

serts, the Homemaking II class entertained the faculty with a tea Tuesday afternoon at four o'clock.

Cakes, which were made of little or no sugar, were made by the following girls: Merle Senne, Betty Jo Thompson, Louise Wood, Marian Dryden, Ann Harvick, Betty Jane Schwalbe, Betty Cooke and Eda Goodson.

MEET MRS. HALLMARK

By Lillian Schneemann

She isn't Dutch but she was born in Holland — Texas. She refused to give the date or the year. She received her B. A. degree at S.W.T.T.C. and taught her first year in Boonville Texas. She later taught Commercial Arts in Falfurrias High School. The next summer she received her Mrs. degree and substituted in the schools at Marysville. As soon as school was out she returned to Texas to join Mr. Hallmark who was in the Army at Brownwood. He was sent overseas and Mrs. Hallmark rested and didn't teach that year.

The summer of 1944 she accepted the position as commercial arts teacher at Ozona.

The students are happy to have Mrs. Hallmark as a member of the Ozona faculty.

BAND NEWS

By Marian Dryden

The band gave a concert last Thursday in chapel. There were about 50 chairs on the stage.

The band will not march or play at a game this season but will be the hosts to a band festival

next April. Mr. Rhoads cordially invites anyone who wants to take band to come and see him. We need more members!

STUDENT OF THE WEEK

Author Unknown

It's a she! She is beautiful. (Well, I hafta say that. She's sitting right here!) Green-eyed, brown headed spit fire. Everyone is as crazy about her as she is crazy. She has a list of calf-eyed boy friends bout yeah long and is always adding more. She's a sophomake good grades, gets along with everyone without any effort, and is really an asset to the dull, drab, school life. So — Here's to that precious Sue Meinecke. May God protect her from herself!

LIFE IN THE HALLS OF O. H. S.

By Gordon Bufford

The first thing a stranger would see in the halls of O. H. S. early in the morning would be Coach Sikes with that broad smile and his three foot ruler quelling the enthusiastic yells of eager beavers.

About eight thirty the football boys begin to gather in the study hall to look over the sports page and find out how their favorite stars are coming along.

The girls come stumbling in about nine o'clock all tired and sleepy eyed because of their adventures the night before and trying to get their English the last minute before classes.

In the halls between classes wild scrambling of freshmen, the passing of notes, and short con-

versations can be seen and heard. When the lunch bell rings, there is a rustling of books, paper, and feet and the sound of lockerdoors slamming and the rushing crowd

SMITH DRUG CO.

What does it take to run a baby?

Plenty — and plenty of electricity, too. A hungry young citizen needs food — lots of it — often. That food needs preparation — refrigeration — reheating.

Baby needs hot water — lots of it — often. So does his wardrobe. And because Mother worries about germs, she boils practically everything but Baby himself.

Clocks must be dependable when there's a baby in the house. Lights must go on — quick — when he cries out in his sleep. Rooms must be kept warm — the list is endless.

Today's mothers are luckier than those of 20 years ago. With electricity ready at all times — in any quantity — to help with the household chores, mothers have more time to enjoy their youngsters. Never before has electricity done so many tasks for so little cost. Actually, the average family today gets twice as much electricity for its money as it did 20 years ago. Your friends and neighbors in this company — and your own increased usage — helped make that possible.

LION'S ROAR

(Continued from Page 3)

is parted by Bud M.'s efforts to reach the drug store first for a nice big malt and sandwich.

At four o'clock the sound of drums and football cleats beat out a steady rhythm as the boys mingle together as a signal that another day of practice for the com-

ing game has begun and another day of life in the halls of O. H. S. is gone.

SCHOOL SECRETARY

By Lillian Schneemann

One who is always around but does not teach is Mrs. Chandler. Mrs. Chandler is secretary for Mr. Denham and a friend to all who enter the office.

Mrs. Chandler attended Sanderson High School and was an honor graduate. She attended Draughan's Business College and later worked for an abstract company. During the war, she worked at Kelley Field as a supply clerk.

Best wishes to you, Mrs. Chandler in your work at Ozona High School.

the final chukker for the marker. It was a 70-yard sustained drive, with Lemmons connecting with Read and Bufford on short passes and Coates, Bufford, Read and Lemons collaborating to eat up

yardage to the double line. Read took the final leap from the Eldorado 2 for the marker. The try for point again went awry and the scoring for the day was ended.

The locals knocked once in the waning minutes of the game when they recovered an Eagle fumble on the 15, but the try put up a stiff defense to stop fourth touchdown try.

LANDSCAPE NOW!

You can landscape your yard at any time of year if you use our container-grown plants. Remember, there is no mortality in container-grown plants.

Lions Overcome

(Continued from Page One)

red an Eagle ball carrier loose from the ball and the Lions recovered on the Eagle 35.

Cashing in on the break, the Lions drove to a quick touchdown.

Read swept the end for a gain of 19 yards for a first down on the Eldorado 16. Lemmons crashed the line for 5, Read picked up 2 more and Lemmons a little better than 4 more, but lacked inches of a first down. On fourth down, Read stepped off the remaining distance off tackle for the second touchdown. Again the try for point was no good, in the absence of the Lions place kicker, Don Cooke, out with an injured ankle.

Again the visitors, undaunted by the Ozona lead, started a down field drive. Taking the ball on 31, the Eagles upped steam and cut loose Mund who darted through the Ozona defense for a gain of 39 yards to a first down on Ozona's 39, Bob Bissett bringing down the fleet back, Ochsner reeled off 9 more, but an Eldorado pass was intercepted to stop the drive on Ozona's 31.

The Lions started their third and final touchdown drive late in the third quarter continuing into

The last lap is the hardest!

You've probably figured your present car won't have to last much longer.

We hope you're right. For our part, we're doing our best to get those grand new Packards to our customers.

You know the situation

But, like every other motor car manufacturer, Packard is still struggling with parts and materials shortages.

This year, the industry as a whole has been able to build only 44% of its output for the same period in 1941.

Packard has done better than that, but we'd like to put in a word of caution:

It may be some time yet before you get behind the wheel of your new car.

Don't take a chance!

Make sure your present car keeps rolling. Test your car with this easy quiz.

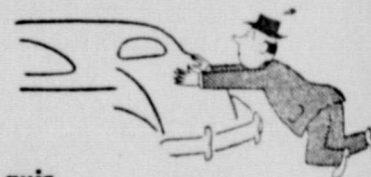

If you find any of these symptoms, bring your car in for a quick check-up.

Lots of cars are lasting longer and running better because our expert mechanics are trained to nip trouble before it takes hold!

WATCH OUT FOR HIDDEN TROUBLES!

Some car troubles give no warning. Your battery—your electrical system—and your cooling system need a careful check-up at least once each year. The start of winter means a heavy rush for hard-to-get parts. Now is the time to let trained experts test your car.

P.S. Fenders, doors, running boards—in fact, all body parts are scarce. Don't let rust eat them away. Our protective treatment will add to your car's life, appearance and value.

This home quiz can help you catch little troubles before they become big ones!

1. ENGINE: Is smoke coming out of the exhaust? Are you using more oil than you used to? If "Yes," better have your piston rings looked at.
OK Needs Attention

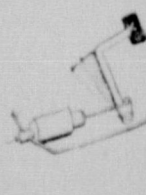

2. CLUTCH: Can you push the pedal down 1" to 1 1/2" before the clutch starts to release? If the distance is less than that, better have it adjusted.
OK Needs Attention

3. STEERING: Measure amount of "free play" from "A" to "B" and from "A" to "C." Two inches or more indicates too much lost motion before wheels begin to turn.
OK Needs Attention

4. BRAKES: Does your brake pedal travel more than one inch before any braking is felt—and at least one inch of pedal travel left after a full stop in 50 feet at 25 mph? If not, police will say they are unsafe.
OK Needs Attention

Wedding Plans of Fleet Coates, Phillip Schneemann Told

Fleet Coates and Mrs. Fleet Coates announce the engagement and approaching marriage of their daughter Joy, to Phillip Schneemann. The wedding will take place on Friday, November 23, at the Baptist Church in Ozona. Rev. Horace M. King, pastor of the Ozona Methodist Church, officiating at the ceremony. The bride-to-be is a graduate of Ozona High School and was a student at Texas Christian University in Fort Worth two years.

Schneemann is also an Ozona High School graduate and attended Texas Tech in Lubbock one year before enlisting in the United States Marine Corps where he served three years. He was a member of a Marine training detachment attending the University of California at Berkeley before shipping for overseas duty, serving 23 months in the Pacific theatre. Since his release from service he has been associated with his father in the ranching business in the north part of the county.

POSTED — Our ranch lands in Crockett county. No hunting, trapping or headlighting without permission. Rob & Roy Miller, 31-8p

POPULAR OHS COACHES — Head Coach L. B. T. Sikes left, and Assistant Coach Marshall Brown are putting the OHS Lions through their paces this week in preparation for the final game of the 1946 District 8B competition — against the Sonora Broncs under the lights in Sonora next Friday night. With a record of six wins and one loss in seven games so far this season, the Lions will seek their seventh and final win on the Sonora grid. Despite the loss of their ineligible players, the Sonora team is expected to prove tough competition and Coaches Brown and Sikes are trying to plug all holes in their team. But win or lose, there is no more popular pair of coaches in all Texas football than the Ozona mentors pictured above. Coach Brown will take over as head coach of basketball at the close of the football season and in the Spring will coach the baseball team.

SWING OF SOUTHWEST FARM MARKETS

Easy trends showed up on most farm products at southwest markets last week, reports USDA's Production and Marketing Administration. Oats and barley had about the only strength. Livestock prices started to level off followed by sharp cotton losses and steady declines on sorghums, poultry and eggs plus an easy undertone on most vegetables.

Cotton rallied late last week after markets closed Wednesday to allow the trade to recuperate from a loss of \$22.50 a bale during the first part of the week. Prices in general dropped about 4 to 5 cents per pound below the previous week's close but were about

7 cents above last year.

Southwest egg and poultry markets reported weaker prices and dull demand for most offerings last week. Trade was barely normal for this season of the year. Turkeys held steady.

Lambs were up 50 cents to a dollar at most southwest markets except San Antonio where prices were lower at \$16.75 to \$18 for good and choice grades. Most good and choice lambs brought \$20 per hundred at Ft. Worth; \$21 to \$22 at Oklahoma City and \$22 to \$22.25 at Denver. Ewes were generally stronger, too.

Last week saw hog receipts fall about 5000 head below the previous week's arrivals at principal southwest markets. Prices were

steady to stronger at Ft. Worth and San Antonio but were off about a dollar a hundred at other terminals. Friday's quotations for top butchers stood at \$23.25 to \$23.35, Wichita; \$23.50, Oklahoma City; \$24, Denver and San Antonio and \$25, Ft. Worth.

Less cattle arrived at southwest markets last week compared to the week before and prices began to decline. Common and medium

steers and yearlings brought \$12 to \$15 per hundred at Houston; \$12.50 to \$16, San Antonio; and \$12 to \$18, Ft. Worth. Oklahoma City quoted common and medium steers \$13 to \$16 while Wichita quoted medium and good steers at \$17 to \$20. Denver moved medium and good shortfed steers around \$20.

TIME FOR A CHECK-UP!

After last summer's hot and dusty mileage, your car is tired and rundown. It hasn't got the pep, the spruce appearance, the spring in its joints it had last May. It's time to take it to your Humble station for a check-up. These services are essential after a summer of hard driving.

- TIME TO CHANGE OIL**
Drain dirty, diluted, dangerous summer oil. Flush, and refill with full strength 997—it's a good number! Or with Esso Motor Oil—unexcelled!
- TIME TO LUBRICATE**
Humble charted lubrication gets into every bearing with the right lubricant for smooth, long-life operation.
- TIME TO CHECK COOLING SYSTEM**
Drain, flush, and refill the radiator. Replace worn fan belts and drippy water hose.
- TIME TO CHECK TIRES**
Rotate your tires for longer wear. Replace recalcitrant tires for safety's sake. At many Humble stations, you can get Atlas Tires, with the unconditional warranty.
- TIME TO CHECK BATTERY AND BATTERY CABLE**
Does yours need recharging or do you need a new Atlas battery? And don't forget frayed battery cables—they can give you a lot of trouble.
- TIME TO CHECK WINDSHIELD WIPER BLADES**
You'll need a clean sweep on your windshield this winter. To drive safely, you must be able to see.
- TIME TO CHECK YOUR SPARK PLUGS**
Replace burned, cracked spark plugs for more efficient operation and fuel better gasoline mileage. At many Humble stations, you'll be able to secure Atlas Champions.
- TIME TO WASH, POLISH AND WAX YOUR CAR**
Save that paint. You'll want your car to look good until next Spring.
- TIME TO CHECK DIFFERENTIAL AND TRANSMISSION LUBRICANTS**
These should be changed every 3,000 miles. When was the last time you changed yours?
- TIME TO FILL UP WITH ESSO EXTRA**
The best gasoline you ever used!

HUMBLE

Houston Pastor —

(Continued from Page One) however, will be here for the opening service Sunday morning, November 17, and Rev. Tension will preach at the morning and evening services Sunday and at the Monday morning services.

Dr. Westmoreland was camp pastor at the Paisano Encampment this year. He is a fine speaker and a leading educator in the field of religion. Rev. Tension said, and the local church feels that it is fortunate in being able to secure his services for this series of meetings. All Ozona is cordially invited to attend any or all

of the services, the pastor said. Services will be held twice daily, at 10:30 a.m. and 7:30 in the evening.

Navy Examinations For Officer College Training Announced

The Navy announced today that the first nation-wide competitive examination for its Officer College Training program has been scheduled for January 18, 1947, and will be open to high school seniors or graduates within the age requirements. Successful candidates will be given a four-year college education at government

expense and will be commissioned officers of the Regular Navy or Marine Corps, or of the Reserve, upon graduation. Application forms must be forwarded in time for receipt by December 17.

Students selected by these competitive examinations will be offered entrance in either the Naval Reserve Officers Training Corps (NROTC) or the Naval Aviation College Program (NACP). Those selecting the former program will attend one of the 52 colleges or universities having NROTC units where they will receive from the government the cost of their tuition, books, and normal fees and \$50,000 a month for the four-year period of education. Upon graduation, they may be commissioned in the Regular Navy and will be required to serve two years on active duty if commissioned. Upon

completion of these two years, they may apply for a permanent commission in the Regular Service or transfer to the Reserve and return to civilian life.

Those selecting the Naval Aviation College Program may go to any accredited university, college or junior college of their choice, providing they are accepted for entrance, and receive the same government benefits. After two years of study they will enter a two-year program of flight training and flight duty as midshipmen after which they will be commissioned as officers and serve a year on flight duty. Upon completion of this duty, they are eligible for a permanent commission in the Regular Navy or Marine Corps and, if accepted, will be sent to a designated school for two years of further professional education

with active duty pay. If they do not wish to remain in Regular Service, they will be given Reserve commissions and released to inactive duty and provided an opportunity to return to college for two more years with tuition, books and fees and \$100 a month furnished by the Navy so that they may complete their college education.

C. S. Denham superintendent of Ozona High School, is acting as the Navy's local civilian representative, and will be pleased to provide specific information about this program including the place of the competitive examination, application forms, and necessary age and scholastic qualifications.

TCU Enrollment Up

FORT WORTH. — Miss Letta Jo Owens of Ozona is living in campus dormitory at Texas Christian University here this fall.

Some 650 students are residents of T. C. U.'s four dormitories, two of which are for girls and two for boys. Two additional dorms, one for girls and one for boys, are being built for occupancy in 1948.

Over - all enrollment of the school is at an all-time high, totaling approximately 4000. There are 2800 in day classes, some 1200 in the Evening College. Veterans count for 1967 of the 4000 total.

Miss Owens, junior student, Foster Hall, is the daughter of Mr. and Mrs. Tom Owens, Ozona.

**The Story of
The Sprouting
Telephone Pole**

Can you imagine a telephone pole that sprouts like Jack's fabled beanstalk? The tall telephone pole shown above did just that... only it did its sprouting in cost. The two poles shown in the picture are actually the same size and serve the same purpose. However, one was bought four years ago, the other this year. And this sprouting telephone pole is typical of the climbing costs of all labor and material required to provide you with telephone service. Will the pole stop sprouting? Who knows? But we do believe you should know how difficult it is to continue good service under present conditions of higher operating costs.

San Angelo Telephone Co.
