Baptists Build \$7,500 Mexican Parsonage Here

First Baptist Members Finance Project, Mexicans Give Labor

Nearing completion in the Ozona Latin-American settlement is a new parsonage for the Mexican Baptist Church which is being built through gifts from the membership of the First Baptist Church of this city and donated labor by members of the Mexican church.

The structure is being built of concrete tile blocks, with stucco outside and plastered inside. It has three bedrooms, a spacious living room, combined kitchen and dining room, bath and parsonage study. When completed the building will represent an investment of approximately \$7,500, contributed by the congregation of the First Baptist Church, individual donations supplied funds for purchase of materials, some of which were donated by suppliers, and most of the labor on the structure was donated by members of the church.

A full time pastor, the Rev. Esau Flores, one of the leading Mexican Baptist ministers in the state, has begun his duties as pastor of the church and will occupy a new parsonage when it is completed. Rev. Flores has been pastor of the Mexican Baptist church in Sonora the past seven years and during his tenure there, the congregation has built a new church and made remarkable progress in membership growth. The Ozona Mexican Baptist church has a membership of approximately 175 and a Sunday school attendance each Sunday of from 85 to 100. The church also has an active W.M.S. and Young Women's Auxiliary. A revival meeting is in progress at the church this week with splendid attendance.

From the County Agent's Notebook

By Joe W. Cowan
Crockett County Agent

BITTERWEED CHECK

The county agent and Green McKin made a check on the bitterweed control plot on the Floyd Johnson place Friday, four days after the plot was sprayed with Derrin-Williams 2-4-D Weed No. 1.

Of course, the company representative stated that results may be estimated on the 7th day, with complete killing of all weeds would be indicated within 21 days. The four day check showed a killing of the weed and all the other weeds in the plot. A similar bitterweed control demonstration was held Wednesday at the Charlie Coates ranch.

4-H NEWS

The county agent met with the Ozona Senior 4-H Club Monday afternoon officers were elected by the High School group.

Officers of the club, elected by membership, are Bernard Johnson, president; Max Word, secretary; Sam Perner, secretary-treasurer and Bill Melton, reporter. Other members of the club include Lin Hicks, Charlie Davidson, Scott Smith, Kerby Tandy, J. B. Chapman, Raymond Brownrigg, Ray Piner, Jr., Andy Phillips, Jack Coates and Charlie Mankin.

There are many other members wanting to join the club.

There will be a meeting called by the agent in the near future when the 4-H program will be discussed in order that parents may have a better understanding of the purpose of the work.

The 4-H Club motto is "To Make the Best Better."

The 4-H pledge is: "I pledge: My Heart to true loyalty and sympathy,

My Hands to greater service,

My Health to more efficient service in my home, my community, my country and my world."

MEXICAN BAPTIST PARSONAGE — Above is an artist's conception of the new Mexican Baptist parsonage now nearing completion in the Latin-American settlement of Ozona. The structure is being built with gifts from members of the First Baptist Church of Ozona and with labor donated by members of the Mexican church.

90 Percent Of 1946 Crockett Taxes Are Paid

**November Collections
Total \$10,859; Balance
\$29,454**

Taxpayers of Crockett county continued to take advantage of discount offers during the month of November to retire their 1946 state, county and school taxes at a saving.

A total of \$10,859.91 was paid in during November when a discount of 2 per cent was in effect. Mrs. A. O. Fields, office deputy, reported this week.

With November payments, the total paid to date on the 1946 tax bill in this county stood at \$239,599.26, or approximately 90 per cent of the year's total due. A balance of \$29,454.56 remains to be collected during December and January, Mrs. Fields reported.

The discount schedule will continue into this month, the discount rate dropping to 1 per cent this month. Payments made before January 1 will earn the 1 per cent discount, while the net amount must be paid after January 1 and taxes become delinquent on February 1, 1947.

Annual Banquet Rings Down Curtain on 1946 Ozona Football Season

The curtain was rung down on the 1946 football season in Ozona last night with the annual football banquet in the Homemaking rooms of the high school, with girls of the department, under direction of Miss Frances Wilms providing an excellent turkey dinner for the occasion.

The tradition of a strictly "stag" affair for Ozona football banquets was broken last night when the football queen, Lillian Schneemann, and her attendant, Jerry Leatherwood, were special guests of the occasion.

Co-captain Joe Perry was master of ceremonies and Co-captain Gordon Bufford introduced the queen and her attendant. The tables were decorated with candles and football helmets serving as flower bowls. Plate favors were small gold megaphones and the printed programs were leather covered and in the shape of a football. Girls of the H. E. department who served as waitresses wore football helmets and ribbons bearing the letters "OHS."

Prominently displayed in the center of the speaker's table was the handsome trophy awarded the Ozona team as 1946 champions of District 8B.

After the tasty and well served banquet, Coaches L. E. T. Sikes and Marshall Brown were called for greetings and each praised the spirit and cooperation of boys of the football squad during the past season.

Gold fountain pen and pencil sets were presented to both Coach Sikes and Coach Brown by boys on the football squad.

The evening's program was concluded with a musical concert by a string quartet composed of Hubert Baker, Homer Good, Richard Miller, Jr. and Augustin Tagle.

Amerada Well in Barnhart Pool Rates 876 Barrels Daily

Completion of Amerada No. 2-A-R University of the Barnhart (Ellenburger) field and encountering of salt water by Humble No. 1-C Sawyer (supposedly in the Ellenburger, were reported Wednesday from southeastern Reagan county. The Amerada well, C NW NW 3-48-U, flowed 219.94 barrels of 45.6 gravity, pipeline oil on a six-hour gauge through a 22-64th-inch tubing choke to establish a daily potential of 876.16 barrels. Gasol ratio was 1.673-1. The oil came through 228 perforations at 8,880.18, 937 feet in 5 1/2-inch casing cemented at 9,252 feet, three feet off bottom.

The well is 1,860 feet northwest of Amerada No. 1-A-R University a completed producer. Humble No. 1-C Sawyer recovered a 1,575-foot water blanket and five barrels of salt water on a 90-minute drillstem test from 9,918-60 feet. It prepared to make a Schlumberger survey Location in the C SE SW 130-1-T&P, 10 miles northeast of Big Lake and 3 1/2 miles west of the Irion county line.

Moore Exploration Co. No. 1 W E. Friend, slated 3,000-foot cable tool wildcat eight miles south of Big Lake, was drilling below 2,497 feet in lime. It had had some slight signs of oil and some fair porosity with no water. Early testing was likely. Location is 467 feet out of the southwest corner of the northwest quarter of section 1, Georgetown Ry. Co. survey.

Prospects for Peace Brighter in World, Smith Tells Rotarians

Present efforts at a solution of the problems of world peace present a confusing picture, but day by day developments are beginning to show hopeful signs, County Judge Houston Smith told members of the Ozona Rotary club in a talk before that group Tuesday.

The atomic bomb necessarily is the key to any sound agreement or compromise and the United States, the only nation which possesses the secret of the bomb and the facilities for manufacturing it, will not divulge its secret nor relinquish its right to produce the bomb until there is conclusive assurance that the world is ready for permanent peace, Judge Smith said.

Scientists and military men know the destructive power of the bomb and know that atomic warfare will be destructive of civilization in the world, Judge Smith said, and for that reason world leaders know that a solution to the problem of peace must be found. Signs of a willingness to compromise on the part of Russia are the most hopeful of recent developments, the speaker declared.

MISS CANNON'S PIANO PUPILS IN RECITALS

Pupils of Miss Shirley Cannon's piano classes will be heard in recital in the high school auditorium Monday and Tuesday evenings of next week.

Pupils in grades through the fifth will be heard in recital at the Monday evening session and pupils of the Junior High and High School on Tuesday evening.

General Rain Brightens Winter Range Prospects

Badly Needed Moisture Soaks Bone-Dry W. T. Ranch Lands

Winter range prospects in this West Texas area, dimmed by prolonged summer drouth and moistureless fall, were brightened immeasurably this week with general rainfall over a wide section of the country.

Rainfall ranging from an inch to three inches over parts of the country was reported here. The fall in Ozona was approximately an inch with fall up to three inches reported to the southeast and two inches over the western half of the county.

The moisture will serve to bring out winter weeds and grasses that had come to a standstill for lack of rainfall. If the unusually mild weather continues, good feed will be available on ranch lands in a short time.

Unusual for a winter rain, a downpour northeast of Ozona sent Gurley draw out of banks for a time Tuesday night. Draws were also reported running in some sections east and south of Ozona.

Stanolind 1-GG Idle Pending Nearby Drilling Results

Stanolind No. 1-GG University, northeastern Crockett county wildcat that for awhile indicated Ellenburger production, has been shut in pending completion of adjacent tests, according to a report filed with the Railroad Commission.

The nearby operations will provide information to permit additional remedial work and enhance the possibility of marketing oil production, the report continues. No. 1-GG University drilled to 8,384 feet, plugged back to 8,361 feet and treated from 8,330-61 with 1,000 gallons of acid. Cement was drilled out to 8,372 feet, 1,000 gallons of acid were injected from 8,344-71 feet. Plugs were drilled to 8,377 and the hole was shot from 8,336-72 feet with 140 quarts of nitroglycerin. Treatment with 8,000 gallons of acid from 8,298-8,377 feet followed.

In one 24-hour period of testing No. 1-GG University swabbed 36 barrels of oil and 121 barrels of water. It is in the C SW SW 12-39-U, 18 miles northeast of Ozona.

Stanolind No. 1-TT University, half mile north of No. 1-GG, had drilled last week to 5,004 feet in shale. Shell No. 1 University, 1 1/2 miles south and quarter mile west of No. 1-GG, had reached 3,205 feet in shale.

Texas Livestock Shipments Soar in Oct. As Controls End

AUSTIN.—Livestock shipments in Texas soared to 12,388 carloads in October with the end of meat price control, according to reports received by the Bureau of Business Research of Texas University. The gain over September was 54 per cent with interstate shipments rising slightly more than intrastate shipments.

Compared with October 1945 total shipments of livestock last month were still down 9 per cent. Instate shipments, however, were 5 per cent higher than a year ago while interstate shipments fell 12 per cent.

With the exception of sheep, all types of shipments were heavier in October than in September of this year. Cattle shipments rose 36 per cent, shipments of calves 95 per cent, and hog shipments 145 per cent. Shipments of sheep were off 46 per cent for the month.

For the 12-month period from October 1945 to October 1946 total hog shipments showed the only increase, a gain of 8 per cent. Shipments of cattle were down 8 per cent, calves 10 per cent, and sheep 14 per cent.

Interstate cattle shipments declined 14 per cent last month from last year's total but intrastate shipments of cattle went up 23 per cent.

ROBERT T. EDGAR

Lecture on World's Largest Telescope To Be Given Here

Giant models of the "Cyclops of Palomar," the great new 200-inch telescope atop mile high Mt. Palomar in Southern California, will be used to illustrate a non-technical lecture on the giant "eye" to be given in the high school auditorium here Wednesday morning, December 18, at 11 a.m., Supt. C. S. Denham of the Ozona schools announced this week.

The lecture is to be given by Robert T. Edgar, authority on the giant telescope, man's supreme effort to reach out into the vast reaches of space and explore the wonders of the universe in which we live.

Born in Scotland, educated in Australia, now an American citizen, Mr. Edgar brings first hand information of the telescope through the inventions and contributions which his father has made in connection with the mounting of the great instrument as he explains in his talk.

By means of a fascinating word picture of a visit to an observatory at night time, Mr. Edgar vividly brings to his audience the magnitude of the undertaking in building and designing the world's greatest "eye," which will bring the moon to within about 25 miles of the earth visually, revealing secrets of time and space to intrigue the minds of thinking people the world over.

Maples Injured In Explosion Of Carbide Tank

Local Welder Suffers Severe Burns on Face In Mishap

Ted Maples, who operates a welding shop here, suffered serious burns about the face, early this morning in the explosion of a carbide generating tank at his welding shop in the downtown area.

Maples had been cleaning out the tank and in inspecting it struck a match too near the opening. The resulting explosion was heard for several blocks. Flames seared Maples' face and neck as he caught the full force of the explosion. He was given first aid treatment in the office of a local physician before being taken to San Angelo for further treatment.

Lighted Christmas Tree Gives Festive Air to Downtown Park

An evergreen tree, located in the southeast corner of the downtown city park, will sparkle with hundreds of colored lights during the holiday season through the efforts of the local crew of the West Texas Utilities Co.

Wiring and lights of the city formerly used in street decorations were installed in the tree by the Utilities workmen and an invitation was extended to the citizenship to add to the further decoration of the tree with any decorative material which may be available and suitable for an outdoor tree.

Two strings of lights crossing in the center at the Highway 290 and 163 intersection add to the Yuletide decorative effect.

Mrs. H. B. Tandy and Mills are visiting relatives in Abilene.

AAA Practices For Crockett Co. Are Approved

Applications for Prior Approval for Work Accepted Now

Range conservation practices to be carried out by Crockett county ranch operators during the year 1947 have been approved by the state office and applications for prior approval for next year's work are now being received in the local Agricultural Conservation Association office Miss Betty Bratcher, secretary, announced this week.

Practices considered most beneficial to operators in this county were decided recently by the local ACA committee and submitted for approval. Practices approved include

Construction of earthen dams or reservoirs for livestock water or erosion control.

Drilling or digging wells for livestock water.

Installing pipelines for livestock water.

The elimination of destructive plants on non-crop pasture and range lands.

Reseeding range or pasture land by deferred grazing.

Establishing or improving permanent pastures by seeding adapted pasture grasses, pasture legumes or a mixture of grasses and legumes.

Plowing fireguards on non-crop open pasture and range lands.

The practices of seeding lands and plowing fireguards were re-instituted this year as approved practices for the first time in two years, Miss Bratcher pointed out.

Prior approvals for AAA work must be secured again next year as in past years and applications may now be submitted for such approval.

The per acre allotment of money which may be earned by individual ranchmen in 1947 will be determined by the new committee which is to be elected in balloting at the local office Friday of this week. The maximum allowance is 20 cents per acre, but it may be less depending on the county allotment. The amount which is to be allotted to this county for 1947 work will be announced in the next few weeks when such information is expected to be received from state headquarters.

The original allotment for this county this year was set at \$79,660 but the amount was raised by new allotments to a present total of \$169,660. The 1947 original allotment is expected to be about the same as that for this year.

Miss Bratcher announced that those who have completed their work for this year may sign applications for payment now. About 25 such applications have already been signed in her office.

Rev. Tension Resigns Baptist Pastorate Here

To Become Pastor of First Baptist In Memphis, Texas

Rev. Clifton R. Tension, pastor of the First Baptist Church of Ozona for the past 14 months, has tendered his resignation to the local congregation and left this week for his new charge at Memphis, Texas.

Rev. Tension accepted a call from the First Baptist Church at Memphis, a church of 1500 members. Rev. Tension will have an assistant pastor at Memphis and will spend two days a week at the Southwestern Baptist Theological Seminary in Fort Worth doing work leading to the Doctor of Divinity degree from that institution.

During his 14 months as pastor, the Ozona church has received a total of 80 additions to its membership, 20 of them by baptism, the retiring pastor said. Five were baptized by Rev. Tension at last

Methodists Make Special Offering for Orphanage Sunday

Ozona Methodists will make a special offering at the service next Sunday on behalf of the Methodist Home in Waco, which houses more than 400 orphan children.

The local congregation's annual offering to the orphanage last year was \$371 and it is hoped that an amount equal or greater than that sum will be raised in the congregation this year.

Children are admitted to the Home who are in need of its services and emphasis is placed upon keeping the entire family together at the home. A new policy of the

Engagement of Miss Betty Lou Coates to Joe Teague, III, Told

To announce the engagement and approaching marriage of their niece, Miss Betty Lou Coates, to Joe Teague, III, of Slaton, Texas, Mrs. Chas. Coates and Miss Dollye Coates entertained with a bridge party at the Chas. Coates home Tuesday afternoon.

A bridal motif was used in table accessories and tallies carried the announcement of the wedding which will take place here Sunday, Dec. 22, at 9 a.m. in the First Baptist Church, the Rev. Horace M. King, pastor of the Ozona Methodist Church, to perform the nuptial ceremony.

A color scheme of pink and white, the bride's chosen colors, was used in party decorations and carnations and chrysanthemums carried out the color scheme in house decorations. A salad plate was served.

Players were Mrs. Larry Albers, Mrs. Phillip Schneemann, Mrs. Eddie Bower, Mrs. Tommy Harris, Mrs. Gene Williams, Mrs. Beecher Montgomery, Mrs. Bill Clegg, Mrs. L. D. Kirby, Mrs. Lloyd Coates, Mrs. Charlie Applewhite, Mrs. Oscar Kost, Miss Billy Jo West and Miss Helen Mayes. Tea guests were Miss Jean Drake, Miss Leta Powell and Miss Possey Baggett.

Miss Coates, the daughter of the late Mr. and Mrs. Roscoe Coates, is a graduate of Ozona High and of the University of Texas. She was graduated from the University in 1944 and has been doing graduate work at the institution while serving as curator of the anthropology museum. Mr. Teague is a pharmacy student at the University and will receive his degree in pharmacy at the end of the summer session next August. The couple will live in Austin until his graduation, after which they will make their home in Slaton where Mr. Teague will take over operation of a drug business established there by his father.

BOYCE HOUSE "GIVES YOU TEXAS"

The old-time writers, in sketching the life of some great man, would write, "He was born of poor but honest parents." Why poor BUT honest? Most folks are poor and honest, too. The fact that a man is poor is a pretty good sign he's honest—because if he was dishonest and stole very much he wouldn't be poor, would he?

A note from Frank Baldwin, colorful Waco, editor: "If you ever get in trouble, call me collect. Get in trouble, too. My experience has been that it's a lot of fun."

Fact of the matter is, controversy appeals to me, especially when there is an opportunity to render public service, along with the joy of a good scrap. As an illustration:

Winding through the great East Texas oil field is the Sabine river. Under that riverbed, nature stored a vast amount of oil, which belongs to the State Permanent School Fund. The state invited bids from oil companies so that leases might be awarded, the oil produced and the schools receive the royalty. The bidders offering the highest royalty were given the leases.

But after a number of wells had been drilled, some of the companies wanted the royalty reduced and the state agreed. That was the situation until, as a newspaperman studying public affairs in Austin, your columnist found out about it and, through the press, revealed the story.

School leaders, school trustees and the public joined in, and we insisted until the original royalty was reinstated and thereby the schools have benefitted, and will benefit, to the extent of millions of dollars.

SOLVE DENAZIFICATION PROBLEM . . . In the Bremen area of the American zone of occupation Germany, where denazification is the top project of military officials, 13 American G.I.s, who fought the hard way, have come forth with their own denazification project. Headed by Sgt. Patrick J. Murphy, a red-headed Irishman from Shakopee, Minn., the G.I.s have formed an American youth club for German boys between the ages of 19 and 17. More than 3,000 applications from German boys were received.

MARKETS
 The market held about the only position at southwest markets last week. Hogs registered greatest losses while other products were about steady. USDA's Production Marketing Administration prices declined slightly and continued good, especially lower grades.

good and choice lambs. Denver sold medium and good trucking at \$22. Good and choice native lambs moved at \$22.25 to \$22.75 at Wichita. Domestic wool trading was extremely slow last week. New advances in prices about ended the little buying going on in Boston and Texas.

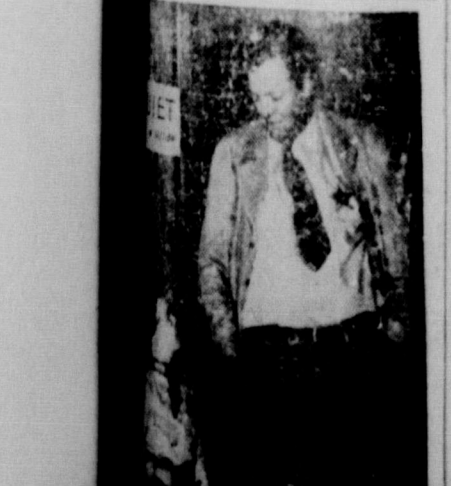

1940 21' Red Arrow Trailer House for sale. See J. B. Grewell at Mrs. Mayfield's trailer camp. 1p

Prices declined slightly and continued good, especially lower grades. Grain markets were disturbed by coal strike. Wheat, corn, and sorghums declined. Soybeans went down, too, but regained part of the loss. Rice stood at 197A levels. Feedstuffs dropped sharply as more feed grains moved in the place of commercial mixtures. Bran and shorts fell \$4 to \$6 per ton, linseed \$1 and cottonseed meal \$2.

Beef cows appeared to make the most gains. Commercial and medium cows brought \$12.75 at Houston; \$10.50 to \$11.50 at Wichita and \$11.50 to \$14.25 at Denver. Medium and good cow realized \$11.50 to \$14.25 at Antonio and \$12 to \$14.50 at Worth. At Oklahoma City cows reached a top of \$16.50.

Prices tumbled as much as \$1 per hundred last week as bettings began to increase seasonally, especially at northern terminals. Top butchers were quoted Friday at \$23 at San Antonio; \$20 at Fort Worth; \$24 at Oklahoma City; \$24.25 at Denver; \$22.50 at Wichita.

Sheep and lambs were strong to weak per hundred higher at Oklahoma City but weak to lower at other southwest markets last week. Medium lambs brought \$15 to \$17.50 at San Antonio and medium and good fat lambs realized \$20 at Fort Worth. Closing was \$23 at Oklahoma City for heavy Patrick had as week-end guests T. Sgt. Larry Keisman and Sgt. Robert Gilmore, both stationed at Bergstrom Field in Austin where Patrick served until his discharge. While here the five men enjoyed a successful weekend hunting trip.

DEPUTY SHERIFFS . . . Believe or not, these opposites are deputy sheriffs of Las Vegas, Nev. Richard Brasno, 3 feet, 4 inches, weighs up at Cyril Stewart, 6 feet, 160 lbs. They were assigned to guard war bride during trial.

"Plan your work and Work your plan"

Long winter evenings bring families together after chores are done. Then there's time for serious talks and good fun. In December there's opportunity, too, to review the results of the past year's work . . . to make plans that can be carried out efficiently in the year that lies ahead.

Proper planning uncovers new opportunities in any business. With experience, know-how, and plain "horse sense" to draw on, plan-making should not be difficult. You think back with pleasure on your good crops . . . on how well your livestock or poultry programs turned out. You remember little things that made them profitable, or caused a loss. With this in mind, you look ahead and decide on next year's crops and rotations. You think of ways to improve your livestock operations. You make provision for the purchase of breeding stock, seed, machinery, fencing and equipment. You consider your problems from all angles. That's the way a sound plan is made. Then you set your course and stick to it.

What's true of the individual farm or ranch is true of any business, small or large. We at Swift & Company well know that we, too, must plan our work and work our plan. Our business inter-

ests are many and varied. Without a plan and good business records, we would be almost certain to run into serious losses because our profit margin is small. But by planning carefully, diversifying and working efficiently, we—like you—hope to increase our earnings in the future.

To all our friends on America's farms and ranches, we at Swift & Company wish

*a Merry Christmas and
a Happy New Year*

John Holmes, President

TAKE TIME TO SAVE TIME

by L. S. Hardin, Purdue University

There is a labor-saving or labor-wasting way to do every farm job. Because we use too many old, hard ways, we waste 15 to 25 percent of our time. Greater attention to *how* we do our jobs can save time and work.

Ways of doing livestock work easier, faster and better are especially needed. Most farmers still use almost as much work to make 100 pounds of pork, beef or milk as they did 25 years ago. Yet, thanks mostly to machinery, we have reduced crop work one-fourth to one-half during the last 25 years.

Alert farmers are simplifying farm jobs, cutting chore time 15 to 50 percent. Five Indiana farmers, by carefully planning their work, are raising market hogs with one-quarter the average hours of labor. A Minnesota farmer rearranged his barn, adopted correct milking practices, saved 300 hours of work and 138 miles of walking a year. By rearranging his watering system, a poultry man saved 22 miles of walking a season. Some farmers are making hay in 90 man-minutes per ton. Others, using similar equipment but harder ways of working, spend twice the time.

What these farmers are doing, others can do, too. Know just what you want to accomplish. Figure out how to do a job the easiest, cheapest and best way. Cut out those unnecessary steps, combine jobs, rearrange barns and lots, work out more convenient chore routes, keep equipment busy, choose new equipment that suits your farm. Give new practices a fair trial.

You'll find the easy way is the best way. Small improvements add up to days and dollars saved. Five minutes wasted a day equals 3 days a year. 5 steps a day amounts to a mile a year. With costs rising and profit margins due to shrink, we can well afford to take time to save time.

Soda Bill Sez:
 . . . warriors die young; thinkers live long.
 . . . a brain is no stronger than its weakest link.

Things are NOT always as they seem

Which is the longer—the top line of the top figure, or the bottom line of the bottom figure? Well—measure them and see!

Similarly, in the livestock-meat industry, conclusions based on a quick glance at a situation are not always so. A case in point is the "spread" between prices paid for livestock and the price received by the meat packer for the meat. The fact is that this spread is narrow. Out of every dollar Swift gets from the sale of its products, 75 cents, on the average, is returned to producers.

Can you name another business that returns such a high percentage of its sales dollar to producers of raw materials? Can you name any other business that performs so many essential services with the twenty-five cents left from that sales dollar? The twenty-five cents pays all business costs. Live-stock-buying expenses, slaughtering, refrigeration and processing. The cost of selling the meat and delivering it to thousands of markets all over America. Necessary supplies, such as salt, sugar, barrels, boxes, paper. Ever-present taxes, etc. After all these expenses are paid, Swift's share averages, over a period of years, less than 2¢ on each sales dollar. This amounts to a fraction of a cent a pound of product handled.

OUR CITY COUSIN

For eating most of Christmas dinner City Cousin was the winner. All the uncle children howl, "No fair, he won on a fowl!"

*Martha Logan's Recipe for
ROAST TURKEY*

Place stuffed turkey on a rack in an open pan. Do not add water and do not cover. Roast in a preheated, slow oven (325°F.) according to following schedule:

8 lbs. stuffed weight	1 1/2 hours
12 lbs. stuffed weight	2 1/2 hours
14 lbs. stuffed weight	3 1/4 hours
15 lbs. stuffed weight	3 3/4 hours

Sausage Bread Stuffing

1 pound sausage meat	2 tablespoons diced onion
2 eggs	1 teaspoon salt
1 cup milk	4 tablespoons chopped parsley
7 cups bread crumbs	1 cup diced celery

For a 12 to 14 pound turkey. Pan fry sausage until brown. Drain. Beat eggs slightly. Add hot milk. Mix remaining ingredients and pour over them the egg mixture.

See This New Film!

The birth of a great new industry . . . the romance of the cattle business when the West was young . . . the excitement of pioneering a new business for a growing nation . . . all this is captured in the Hollywood-produced, full-color film "RED WAGON." Grand entertainment for classrooms or clubs. Runs 45 minutes. It is a 16-mm. sound film. No rental charge. All you pay is express charge one way. Get your request in early, as this popular film is booked several weeks ahead. Write to "RED WAGON," Public Relations Department, Swift & Company, Chicago 9, Illinois.

THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

VOLUME 10 OZONA, TEXAS, THURSDAY DEC. 12, 1946 NO. 13

"SOMEONE WAS CARELESS"

Good advice to the nation came over the air waves when Edward J. Hickey, State Fire Marshal of Connecticut, spoke on a country-wide broadcast sponsored by the National Board of Fire Underwriters.

"I want to warn you about a disaster that might strike at any one of you — the disaster of fire," he said. "Throughout our nation the toll of lives and property from fire is mounting to an unprecedented, all-time high."

"Most of those lives were lost because someone was careless."

We here in America must realize now that each year we are destroying — largely through our own carelessness — the lives of 10,000 of our people and almost \$600,000,000 in homes, business properties, commodities and natural resources.

"No nation, not even ours, can afford to be so wasteful. No nation is rich enough to squander its human and material wealth as we are doing today."

The tragedy of fires lies not only in its ghastly toll, but in the fact that it is needless. Not more than one fire in ten can honestly

be said to be "unpreventable." The human factor is the cause of the other nine. And that human factor means you and your neighbor — every one of us.

BASKETBALL

The Lions basketball teams are coming along O. K. Our first game is Iraan there. Coach Brown is taking two squads, both A and B. There are about 26 boys out. The A and B squads which will play in Iraan are: A squad, Bufford, Harrison, Hoover, Cook, Read, Lemmons, Perry, Phillips, Hoover, Coates; B squad, Piner, Hicks, Mankin, Davidson, Hufstедler, Cunningham, Allen, Satterwhite, Meinecke, and Tandy, manager.

These are other boys who have been coming out and working hard. They are: Bob Cooper, Ralph Carden, Billy Aden, Frank Parr and Marshall Sweeten.

BAND NEWS

The band has been working very hard the past week, because they have a big concert to give December 19. The program will contain such numbers as The Star Spangled Banner, Military Escort, On Parade March, Straussians, The Simitar March, Christmas Overture, which is arranged and will be carried out with band and chorus, Bells on Parade, which contains the favorite songs, Hear Dem Bells, Jolly Coppersmith, Jingle Bells and this also will be executed with both band and choir. To end the program we will play the March, Legionnaires on Parade.

The band looked at the picture of their new uniforms that are supposed to be here soon and they are tops!

The band has been receiving letters of instruction and direction for the big show Big Lake is planning. There will be many bands from all over the District and Ozona wants to have her place in the show. If the band works in the future like it has in the past we are sure to win some honors in Big Lake. How about it, Band?

THROUGH A KEYHOLE By The Peepers

Earlene C. is making quite a hit with a certain freshman boy whose name is Lee. Tell us more!

What's going on between Raymond A. and Ann Harvick. It's quiet a case.

The two couples of this week and every week are Betty Jo T. and Joe Gray, and Marion D. and Tony Adams.

Most of the O. H. kids are carrying around black and blue bruises. Did skating do that?

Betty Jane S. Who's that cute blonde from Sonora who has been coming to see you? Is his name Calvin Gatlin?

J. G., do you enjoy sitting in waste paper baskets? You sit in them quite often.

Dale and Nuel make a nice looking couple, do they not?

Bill Hoover, is Sue M. your new girl?

Beth G., did you have a good time in Mexico?

Charles M., do you miss Merle S. since she has the mumps?

Betty C., did you go back to Joe Denton? We've been seeing you with him.

Ann W., what were you doing stag at the show Sunday night?

There is a certain girl whose initials are L. W., who is awfully glad that Chris is back!

Jane, why did you move when a certain "red headed" boy came and sat down by you Sunday afternoon?

Scout, it seems that you get around with those Sheffield girls! What about it?

Ann H., why did you leave the show to go to the skating rink? Lee Nelson was at the show.

Earlene, did you and Betty Jane have a good time in San Angelo Saturday?

Frank P., why do you spend most of your time bending over Mr. Sikes desk?

H. E. News By Betty Cook

The girls of H. E. II and III have spent a busy week preparing for the annual Football Banquet. They have made decorations, invitations and prepared food.

Decorations will be purple and gold flowers in the football helmets and purple and gold candles.

The menu for the banquet will be fruit frappe, turkey and dressing, cranberry sauce, purple and gold salad, sweet potatoes, peas, rolls, pumpkin pie, coffee, milk and nuts.

The girls to serve are Betty Cook, Betty Thompson, Ann Harvick, Eda Goodson, Marion Dryden, Earlene Cunningham, Betty Jane Schwalbe and Louise Wood. They will wear dark skirts, yellow sweaters with O.H.S. pennants and football helmets.

The Hoosier Hot Shots will provide entertainment.

VOLLEYBALL

The Volleyball girls played the Barnhart team in Barnhart, in which the total score was 47-21 in favor of Barnhart.

The team of girls from Ozona who witnessed the game, and all who played in it were Captain Patsy Sue Meinecke, Ann Harvick, Edith Schwalbe, Dale Clendenen, Corinne Phillips, Ann West, Earlene Cunningham, Jerry Leatherwood, Sue Meinecke, Ann Harvick, Ediar Lou Finer, Betty Schwalbe, Betty Thompson and Jane Augustine.

The six girls who started the game were Corinne Phillips, Ann West, Sue Meinecke, Patsy Schw West, Sue Meinecke, Earlene Cunningham, Patsy Schwalbe and Jerry Leatherwood.

There will be a return game at the Ozona gymnasium on Monday, December 16, 1946.

STUDENT OF THE WEEK

This boy hasn't been seen around the halls of O.H.S. for about two weeks, and my, things sure have been quiet. He and J. G. are quite the life of the Sophomore class.

He's not very tall, he's dark, and so full of mischief that he's kept busy by doin' meanness all the time.

You've probably all guessed who it is by now. So, we hope to see you back at O.H.S. soon, Armond!

VET SURPLUS BUYING CONFERENCE IN ANGELO

SAN ANGELO. — The final visit this year of a field representative of the War Assets Administration to San Angelo is scheduled for Tuesday and Wednesday, December 17 and 18, when John P. Kelly will be in the Veterans Service Center in San Angelo for the two days from 9 to 1 and 2 to 5 in interests of veterans desiring to obtain surplus government property.

QUARTET OF RECENT BRIDES HONORED

Honoring four recent brides, Mrs. Bill Carson, Mrs. J. K. Colquitt, Mrs. Phillip Schneemann and Mrs. William Stokes, Miss Posey Bargett entertained with bridge at her home Saturday af-

ternoon. High score award went to Mrs. Eddie Bower and the bingo prize to Mrs. Kirby Moore. Gifts were presented to each of the four honorees. Other guests included Mrs. Sam Fowler, Miss Jean Drake,

Miss Helen Mayes, Miss West, Mrs. Norman Coleman, Boyd Baker, Mrs. Aubrey Mrs. L. B. Cox, III, Mrs. Montgomery, Mrs. Tommy Mrs. Royce Pruet and Mrs. ton Page.

Mrs. Martha Shaw Buried Here Friday

The body of Mrs. Martha Shaw, 93, mother of Clint Shaw of Barnhart, who died at her home in London last Thursday afternoon, was buried in Cedar Hill Cemetery Friday afternoon.

Funeral services were held from the London Church of Christ at 10 o'clock Friday morning by Walter W. Leamons, Junction Church of Christ minister, and graveside rites were conducted here by James F. Black, minister of the Church of Christ in Sheffield.

Mrs. Shaw was born in Washington county, Texas, October 28, 1853. Survivors include a daughter, Mrs. J. H. Goodman of London, and four sons, John of Gallup, N. M., E. L. of Idaho, Glenn of Miami, Ariz., and Clint of Barnhart, and a sister, Mrs. Melita Wesson of Goldthwaite.

D. A. Parker Seeks Coach Job - Blondy

Blondy Cross, sports editor of the San Angelo Times, dropped a note in a recent column about a former Ozonan, D. A. Parker, who played football and basketball on Ozona teams while in high school here and later played college and professional football, and flew with Uncle Sam's air forces during the war as a captain. D. A. wants a coaching job in the area, according to Blondy.

"D. A. Parker of Ozona is back out of Uncle Sam's service and wishes a coaching job," Blondy wrote.

"Parker has been released as a captain after five years in the Army Air Forces.

"He is highly recommended by Supt. C. S. Denham of the Ozona school system where Parker played four years of football and graduated in 1936.

Parker graduated from Hardin-Simmons in 1941 where he had played regular end the last two seasons.

"He did a hitch in the fall of '41 with the professional football Brooklyn Dodgers. At the close of the 1941 season he went into the Air Transport Command.

"D. A. played five years of Army football."

Girls' Volleyball Team Warms Up For District Competition

Ozona High School girls volleyball hopefuls opened the 1946-47 season Monday afternoon in a practice tilt against the always rugged Barnhart sextette on the Barnhart court in preparation for the opening of the District 8B double round robin championship play, which is timed with the district basketball flag chase among the boys.

The Ozona girls, coached by B. H. Gibson, Junior High principal, lost the decision by a 43 to 21 count to the Barnhart girls. A return match is to be played on the local court at 5 o'clock next Monday afternoon. The public is invited.

Coach Gibson's starting team in the Barnhart practice tilt included Earline Cunningham, Jerry Leatherwood, Corinne Phillips, Patsy Schwalbe, Sue Melnecke and Ann West. Substitutes included Betty Jane Schwalbe, Betty Jo Thompson, Dale Clendenen, Jane Augustine, Edith Lou Piner and Ann Harvick.

The girl volleyballers will open the district championship play on the local court against the girls from Big Lake the night of January 14, when the Ozona Lions

PAPOOSE-PACKING PAPA . . .

basketball crew tangles with the Reagan Owls in the district cage opener.

Combat Wounded Vets May Now Reenlist

According to word received from the War Department, effective immediately the enlistment in the Regular Army of partially Combat Wounded veterans of World War II who possess or are trainable in certain critically needed skills and who meet eligibility requirements established, are now authorized.

All applicants for enlistment must meet standards for general military service with the exception of their specific combat-incurred disability, all applicants must be capable of caring unaided for their own personal needs, and the physical condition of the applicant with full consideration of his combat-incurred disability, must be such that further hospitalization or time-loss from duty because of the combat-incurred disability may not be expected.

MOTOR VEHICLE SALES REACH PEAK IN TEXAS

AUSTIN. — Sales of Texas motor vehicle dealers hit an alltime high in October when they rose 9 per cent over September to reach a level 95 per cent above their prewar average according to tabulations made currently by the University of Texas Bureau of Business Research. Previous high month was May 1941 when sales were 92 per cent above the average month of the 1935-39 period. The high dollar volume of sales is an indication that the automobile industry is not only back into production but into the distribution of its products.

Music Club Observe D MacDowell Day With Program Thursday

Edward MacDowell day was observed by Ozona Music Club in the regular meeting of the newly re-organized group held last Thursday afternoon at the home of Mrs. V. I. Pierce.

The program was under the leadership of Mrs. S. M. Harvick, who gave a sketch of MacDowell's life. The "Christmas Story" was

told by Mrs. Pleas Childress. A piano solo by Mrs. Brock Jones and songs by a sextette composed of Mrs. L. B. Cox, Jr., Mrs. Brown, Mrs. B. B. Ingham, Mrs. Lee Childress, Mrs. John Bailey and Mrs. Stephn Perner were musical features of the day's program.

Assisting Mrs. Pierce as hostesses were Mrs. Joe Oberkamp, Mrs. Vernon Ratliff, Mrs. Ed Lewis and Mrs. Lowell Littleton.

The next meeting of the club will be Thursday, January 2, at the home of Mrs. L. B. Cox, Jr.

Daughter of Ozonan Weds in California

In a ceremony performed at 4:30 p. m. Saturday, Nov. 23, Miss Rena Estelle Counts of Pasadena, Cal., daughter of Mrs. Walter Dunlap of Ozona, became the bride of Gerald Lee Worthington, son of Mr. and Mrs. Walter Moser of Chico.

Dr. D. McMartin read the nuptial ceremony in the chapel at Beaumont, Calif. The bride wore a Taylor hand made brown checked suit with brown accessories and a corsage of brown orchids. Attending the couple were Mr. and Mrs. Daniel McCormack of Beaumont, Cal.

The bride is a graduate of Sul Ross College in Alpine, with a year's special training in occupa-

tional therapy at the University of Southern California at Los Angeles. For the past year she has been chief of the occupational therapy division at the McCormack General Hospital in Pasadena. Mr. Worthington is a veteran of more than four and a half years in the service with more than 3½ years in the European theatre.

SORE THROAT—TONSILITIS! For prompt relief from pain and discomfort try **DURHAM'S ANAETHESIA-MOP.** It is a Doctor's Prescription combining a local anesthetic and a powerful germicidal dye in a pleasant-tasting solution. From where I sit... by Joe Marsh

A Grand American Tradition

The Cuppers had a grand old family reunion last week—for the first time since the war.

Big and little Cuppers came, by ear and train, from as far west as Nebraska and as far east as Vermont. They crowded Doc and Jane's house, set up quarters in the barns, or stopped with neighbors—and a jollier gathering you couldn't have imagined!

I was asked to their final Saturday night supper, when they sang old songs, drank beer and cider, reminisced. Dark Cuppers and

blonde ones—Vermont accountants and Alabama drawls—doctors and farmers... all with their differences of taste and politics, yet as close and harmonious in spirit as a group could be.

From where I sit, it's a great American tradition—not just family reunions, but the ability to get along as one harmonious family, regardless of differences of taste—whether it's taste for politics or farming, beer or cider.
