16th Annual Cage Tourney Set For Jan. 31 and Feb. 1

Twelve Teams Expected To Participate In Ozona Meet

An annual event for high school basketball teams of this West Texas area which not even the war could interrupt, the Ozona annual basketball tournament, the 16th successive year in which the cage has been staged here, has been announced for Friday and Saturday, January 31 and February 1, Supt. C. S. Denham announced this week.

Beautiful trophies and charms will be awarded as tournament prizes have already been received and are being held in readiness for the event. Invitations have been mailed out to eleven schools in the area to join the host team in a two-day meet.

Invitations have gone to the eleven teams which participated last year, Barnhart, McCamey, McKin, Iraan, Fort Stockton, Big Lake, Sonora, Eldorado, Menard, Springs and Junction, which with the host team will make twelve competing teams, the most numerous number for the two-day meet. Acceptances are expected from all of these teams.

Trophies, gold basketball figures mounted on polished wood cases are to be awarded to the tournament winner teams, the runner up, the consolation winner of the consolation runner-up. In addition, gold filled basketball charms are to be given members of the first and second all-tournament teams to be selected by a special committee of judges.

The Reagan Owls from Big Lake will be the defending champs this year. The Owls last year beat out Fort Stockton team 14 to 11 in the tourney final. The Sonora team were last year's consolation winners, beating out the Ozona Lions 30-13 in the consolation bracket finals.

Best of Mohair Accumulation Sold Here

Ozona House Sells 100,000 Pounds at 79 and 79 Cents

After experiencing a period of activity, the mohair market has backed to life last week and Ozona Wool and Mohair Co. disposed of the last of its full accumulation from Crockett grow-

ers of approximately 100,000 pounds of mohair at 59 cents for adult hair and 79 cents for kid hair, the same price as sales made earlier in the season, was reported last week by Melvin Brown, warehouse manager.

The hair went to Russell Martin, buyer for Collins and Alkman.

M. U. Baylor, W. C. U Games In Air This Week

Colorful descriptions of two important Southwest Conference football games may be heard this Saturday afternoon on Humble broadcasts to be carried by several Texas radio stations.

First to go on the air will be the S.M.U. - Baylor game at Dallas. This broadcast will begin at 7:30 p.m., with Charlie Jordan announcing the play-by-play, and Harry Dargett filling in the color.

The broadcast will be carried by stations WRR, Dallas; KFJZ, Fort Worth and RGKL, San Angelo. Humble's broadcast of the Rice-T.U. game at Houston will begin at 2:20 p.m. Kern Tips will describe the play-by-play action, and Alec Chesser will give the color highlights of the game. This broadcast will be carried by stations WOAL, San Antonio; WFAA-WAP, Dallas-Ft. Worth; and KWFT, Wichita Falls.

FOR SALE — Two-wheel trailer, in good condition, with extra tire and tube. See Mrs. W. C. Brock, Jr.

PRISONERS WILL EYES TO BLIND . . . Some 1,000 prisoners in Stateville penitentiary, Joliet, Ill., who volunteered to bequeath their eyes to medical science after their death, so that many blind persons may be able to see again, sign up in the prison grounds. Only parts of the "cornea" will be used in subsequent "transplanting" operations to restore vision, in certain cases of "corneal" deficiency.

Humble Broadcast Thanksgiving Game Over Texas Stations

The play-by-play broadcast of the Texas University-Texas A & M. Thanksgiving Day football classic, to be played Thursday afternoon in Austin, will be brought to fans throughout the state by a special network of ten Texas radio stations. The broadcast, sponsored by Humble Oil and Refining Company, will begin at 1:50 p.m., with Kern Tips describing the play and Alec Chesser filling in the color highlights.

Carrying the broadcast will be stations WFAA - WBAP, Dallas-Fort Worth; WOAL, San Antonio; and KWFT, Wichita Falls.

Give Thanks For Good Health, Says State Health Head

AUSTIN — The first Thanksgiving Day in this country was proclaimed for the purpose of expressing thanks not only for the bountiful harvest which the colonists had reaped but for the sturdy health and endurance that had permitted them to survive the hardships and exposure, that first rigorous year in America. On the occasion of this Thanksgiving Day the State Health Officer, Dr. Geo. W. Cox, is appealing to every citizen of Texas to give serious thought to the preservation of his own health and that of his community.

"We have much to be thankful for in that our national health level has remained high despite the nervous tension, the sacrifices, the deprivations of a post-war period," Dr. Cox stated. "Our people have maintained a remarkably high health level and even under existing conditions, Texas has shown a continued decline in maternal and infant deaths.

"The people of Texas have reason to be thankful for the steadily increasing interest and cooperation being shown in matters pertaining to general sanitation and the control of communicable diseases," Dr. Cox asserted. "Responsibility for advancement of the health program lies not with the State Health Department primarily but with the people who support and encourage the local community efforts exerted and who apply in their own individual lives the health rules with which they have become acquainted through public health education."

Dr. Cox pointed out that one direct result of public health efforts in this nation has been the lengthening of the normal life span by more than 15 years.

"Certainly this is something to be thankful for and it should lend incentive for further efforts to promote and maintain community as well as statewide public health programs."

FOR SALE — Two-wheel trailer, in good condition, with extra tire and tube. See Mrs. W. C. Brock, Jr.

Rev. King Talks At WSCS Program

Rev. Horace M. King, pastor, addressed members of the Woman's Society of Christian Service at the regular meeting of the Society Tuesday afternoon at the Methodist Center. Twenty-five members were present for the session.

A covered dish supper will be given Thursday night at the Methodist Center for young adults of the church, it was announced.

Navy Enlistments Reopened Without Number Restrictions

U. S. Navy enlistments today were reopened without restrictions as to the number of men accepted each month after more than three months of operating on a quota basis.

Chief W. D. Van Pelt, recruiter in charge, U. S. Navy Recruiting Station, San Angelo, received word from Houston headquarters that the lid was off. The announcement will mean a resumption of an area recruiting schedule.

The San Angelo Recruiting Station is responsible for an 18-county zone since becoming part of the Houston district in mid-December. The new schedule will cover 871 miles and include operations in Tom Green, Runnels, Coke, Sterling, Glasscock, Upton, Midland, Reagan, Irion, Concho, McCulloch, Menard, Schleicher, Pecos, Terrell, Brewster, Crockett, and Sutton counties.

There are no basic changes in recruiting regulations concerned in the reopening of the recruiting program. Ex-Navy men will be allowed to enlist at their old rate if a vacancy exists, they have not been discharged over a period of ninety days and received an honorable discharge. At this time there are very few rates listed as full. Special enlistments are to be accepted for musicians who can meet the requirements. Men accepted will be sent to the Navy School of Music, Washington, D. C. If rejected upon examination and they do not wish to enlist for general service, they will be returned home.

The new recruiting schedule for the San Angelo office to be effective 1 December 1946, will bring recruiters to Ozona on the first Wednesday in each month from 10 to 12 a. m. and to Sonora from 1 to 3 p.m.

Internal Revenue Collections Down

AUSTIN, Texas.—Federal revenue collections in Texas totaled \$58,469,523 in October, showing a decrease of 5.5 per cent from October 1945. The University of Texas Bureau of Business Research reports.

For the first four months of the present fiscal year collections amounted to \$289,479,282, a decline of 5 per cent compared with the same period last year.

Double Holiday In Schools For Thanksgiving

Christmas Off Period For Students From Dec. 20 To 30

Thanksgiving observance in Ozona next week will mean a long week-end holiday for school children and teachers with both Thursday and Friday designated as days off for schools, Supt. C. S. Denham announced this week.

The double holiday for Thanksgiving is a tradition in Ozona schools, which forego the Armistice holiday in order to take the double holiday at the week-end, this allowing pupils and teachers time for trips home or to football games.

Another long week-end holiday is in store for the observance of Texas Independence Day, March 2, Mr. Denham also announced this week. The schools will be given Thursday and Friday, February 27 and 28 for observance of this holiday, which falls this year on Sunday.

The Christmas holiday period will be somewhat shorter than usual the superintendent said. This holiday period has been designated from Friday, December 20, to resumption of classes on Monday, December 30. The question of whether or not a holiday is to be granted for observance of New Year's day, Wednesday, will be decided later, Mr. Denham said.

The cut in Christmas holidays will make it possible for the schools to close a little earlier in the Spring, the superintendent pointed out, the Spring closing date having been set for May 16. This schedule of holidays for the balance of the year was approved in a meeting of the school board last week.

Thanksgiving Program At Assembly Hour In Auditorium Mon. at 3

Thanksgiving will be commemorated with a special program at an assembly of the student body of Ozona High School Monday afternoon at 3 o'clock, it was announced this week by C. S. Denham, superintendent.

The program will be under the direction of Miss Jacqueline Theis public school music teacher. A chorus of 75 voices will be heard as a feature of the musical part of the program. A talk on the subject of Thanksgiving will be made to the students by the Rev. Horace M. King, pastor of the Ozona Methodist Church.

Special Services Sunday To Close Baptist Revival

Fine Attendance Registered at Services Here This Week

Special services next Sunday will mark the close of the ten-day revival meeting in progress this week at the First Baptist Church under the leadership of Dr. E. H. Westmoreland, pastor of the Main Avenue Baptist Church of Houston.

Rev. Clifton Tension, pastor, announced this week the schedule of services for the balance of the week, with daily services at 10:20 a. m. and 7 o'clock p. m. on week days and 10:40 Sunday morning and 7:15 in the evening, with the special services marking the close of the revival Sunday evening. There will be no Saturday morning service. The Sunday School hour next Sunday will be 9:55, the pastor announced.

Fine crowds are attending each of the daily services, Rev. Tension reported. Song services are under the leadership of Joe Trussell, also of Houston. A cordial invitation is extended to the people of Ozona to join in the services the balance of this week, the Baptist pastor said.

Second Grade Play Features Program At Parent-Teacher Meet

A playlet by pupils of the second grade, under the direction of Miss Mabel Brookshire, entertained members of the Ozona Parent-Teacher Association at the organization's meeting Monday afternoon in the high school auditorium. The play featured a parade of characters from various well known children's stories.

One of the best attendance figures ever attained was registered for the Monday meeting, 148 names registering by grades for the attendance prize, representing an actual attendance of more than 100 persons.

An outline of the P. T. A. programs for the balance of the year was presented by the program committee, which gave promise of some interesting and profitable programs in future meetings.

Paving Complete To County Line On South Highway

Crockett Section Finished; Val Verde Under Way

Paving of the Crockett section of Highway 163, south from Ozona to Del Rio, has been completed by the State Highway Department, and work is scheduled to get under way on the Val Verde section, last unpaved part of the Ozona-Del Rio highway, with in a few days, it was announced here this week by Houston Smith, county judge.

The Crockett county section, approximately 12 miles, was paved in record time by the highway department. Work was to have been started on the Val Verde section at the same time but has been delayed. However, highway engineers have announced that material has already been hauled for the job and the actual paving work will get under way in a short time.

Completion of the south road paving project gives this county paved highways from border to border north-south and east-west and when the short section, from the Crockett-Val Verde line to the intersection of the Highway 30 connecting road, a short distance this side of Juno, is completed, it will give an all-paved road from Ozona to Del Rio.

Miss Joy Coates Is Honored In Series of Parties

Miss Joy Coates, whose marriage to Phillip Schneemann, will take place Saturday of this week was honored at a series of parties here during the past week.

Mrs. Hugh Childress, Mrs. Ele Hagelstein and Mrs. John Coates entertained at bridge November 12 honoring Miss Coates. High score award went to Mrs. Tommy Harris and bingo to Mrs. Vic Montgomery. Miss Coates was presented with a gift.

Other guests were Mrs. Oscar Kost, Mrs. Bill Baggett, Mrs. John Childress, Mrs. Abe Carruthers, Mrs. Chas. Black, Jr., Mrs. Beecher Montgomery, Miss Posey Baggett, Mrs. Boyd Baker, Mrs. Milton Dreyer, Mrs. Bill Friend, Mrs. Joe Couch, Mrs. Miller Robison and Mrs. Gene Williams.

A gift shower honoring the bride-to-be was given last Thursday afternoon at the home of Mrs. P. T. Robison with Mrs. Robison, Mrs. Bode Owens, Mrs. Abe Carruthers, Mrs. Tom Owens, Mrs. Vic Montgomery, Mrs. Sherman Taylor and Mrs. Hillery Phillips as hostesses.

Mrs. Robison greeted guests at the door and assisting the honoree in receiving were her mother, Mrs. Fleet Coates, the bridegroom's mother, Mrs. Max Schneemann, Miss Sug Owens, Mrs. Miller Robison and Miss Lillian Schneemann. Presiding at the tea table during the first hour were Mrs. Tom Owens and Mrs. Charles Coates and during the second hour Mrs. Roy Henderson and Mrs. Will Baggett.

Lions May Play Bi-District Title Game Next Week

Bronte-Robert Lee To Play Today For District 7 Flag

Ozona High School Lions, 1946 champions of District 8B, will know who will be their opponents in the bi-district game, to determine the championship of Districts 7 and 8, after a game to be played this afternoon in Robert Lee.

Robert Lee and Bronte will mix it in the championship decider for District 7B in Robert Lee and sitting in the stands will be Coach L. B. T. Sikes of the Ozona Lions and Supt. C. S. Denham of the Ozona schools. Coach Sikes will scout the two teams in their final action and after the game he and Supt. Denham will undertake to make final arrangements for the bi-district game.

Bronte has been the opponent from District 7B which the Lions have faced twice in recent years, with a win chalked up for the locals in each game. However, it may be Robert Lee this year, as information from the district indicates that the Robert Lee crew is pretty salty this year and are dopd to win the district flag.

An effort will be made by local school officials to match the game for next week, if an agreement can be reached, and, of course, an effort will be made to bring the game to Ozona, as all three previous district games have been played here.

The Lions won the district golf when they defeated Sonora November 8 while the Eldorado Eagles were knocking off the only other contender, Junction, in a game played in Eldorado the same night. The locals have been idle since that date, local coaches having been unsuccessful in their attempts to match a practice game in the interim. Practice is under way each day, however, under the watchful eyes of Coaches Sikes and Brown, and after Coach Sikes returns from scouting the Robert Lee-Bronte melee, he will have some new "medicine" to make with his team in preparing them for the bi-district tussle.

In the event the Lions are able to take the District 7B champs for the bi-district crown, and Ozona fans believe pretty strongly that they will be, then eyes of team and fans will turn to the west and the regional diadem — the pinnacle to which a Class B grid aggregation can climb. In that direction it will be the champs of the McCamey-Iraan-Fort Stockton district vs the Alpine-Marfa-Sanderson, etc. district.

The Lions of Ozona played a schedule of eight games in the regular season, two practice tilts and six district engagements. They won seven and lost one, the Junction Eagles catching the locals on a week-end when they were plagued by injuries and walloping them 20 to 0. Later the Eldorado Eagles, whom the Lions had defeated 18 to 0, took the Junction eleven handily.

The Lions in their 8 starts piled up an impressive total of 203 points to 58 for their opponents.

Sale of Christmas Seals Nov. 25-Dec. 25

AUSTIN.—Governor Coke Stevenson yesterday issued a proclamation officially designating the period from Nov. 25 to Dec. 25 as "Christmas Seal Month" and urged all Texans to support the Texas Tuberculosis Association and its affiliated county associations by "buying and using Christmas Seals during this month."

The annual Christmas Seal Sale will open Monday and continue until Christmas.

In issuing the proclamation, Governor Stevenson pointed out that tuberculosis is the greatest disease cause of death among Texans between 15 and 35 years of age, and that because of its communicable nature, tuberculosis is our greatest public health problem.

SWING OF SOUTHWEST FARM MARKETS

Cotton took the spotlight at most southwest markets last week as it moved back to the 30 cents a pound level. Also wheat, sheep and hogs made small gains, but other farm products were steady to weak, according to USDA's Production and Marketing Administration.

Cotton went up about \$17.50 per bale last week as market in cotton textiles increased following the end of price controls.

Turkeys were about steady at 35 to 38 cents per pound for hens and 26 to 28 for young toms at most southwest markets last week. Hens and fryers held about steady too, although demand was weak.

Eggs reversed recent trends as expected holiday demand began to strengthen prices.

Cattle prices went up and down last week at most southwest markets despite active trading. However, no great losses or gains were registered. Top quality slaughter classes were steady to higher. Common and medium steers and yearlings brought \$12 to \$15 per hundred at Houston and \$11 to \$18 at Ft. Worth. San Antonio quoted common and medium grass fat steers and yearlings \$14.50 to \$16.50. Medium and good steers brought \$18 to \$20 at Oklahoma City while medium light steers realized \$16 to \$18 at Wichita. Medium to good steers ranged from \$17.50 to \$25 at Denver.

Last week saw hogs move gradually higher under active trading at most southwest markets. Friday's quotations for top butchers stood at \$24.50 per hundred pounds at San Antonio; \$24.50 to \$24.75 at Wichita; \$25 at Denver; \$25.25 to \$25.50 at Oklahoma City and \$25.50 at Fort Worth.

Southwest sheep and lamb markets registered increases of 25 to 50 cents per hundred last week as good demand quickly absorbed light supplies. San Antonio quoted common and medium grades of lambs at \$12 to \$14.50, ewes at \$6.75 to \$7.75 and goats \$5.25 to \$6.75. Medium and good fat lambs brought \$17.50 to \$20 at Fort Worth. Good and choice lambs realized \$23 to 23.75 at Denver and \$22.50 to \$22.75 at Wichita.

Trading in domestic wool was less active last week due to the advance in prices effective November 11. Decontrol order stimulated buying in foreign markets.

Wheat went up a penny or more per bushel last week while corn lost 3 to 4 cents per bushel, barley 1 to 4 cents, oats about 2 cents and sorghums around 7 cents per hundred. Bran, shorts and soybean meal dropped \$3 to \$6 per ton too, but other feeds stood at recent high levels. Widespread snow and rain increased the demand for hay and strengthened prices.

High School Seniors And Grads Offered Navy Training Exams

AUSTIN, Tex.—Competitive examinations will be given in many Texas cities January 18, 1947, for Texas high school seniors or graduates within the age limits for the Navy's new Officer College Training Program.

Successful candidates will be given a four-year college education at government expense and will be commissioned officers of the Regular Navy or Marine Corps, or of the Reserve, upon graduation.

Application forms, which must be forwarded for receipt by December 17, and all information regarding the program may be obtained from Professors of Naval Science and Tactics at the University of Texas, Austin, and Rice Institute, Houston or from high school principals.

From where I sit... by Joe Marsh

Why Bert Won First Prize

Folks weren't surprised when Bert Childers won first prize for his corn at the county fair.

Yet the judges admit it wasn't just because Bert had the finest ears of corn. He knew how to display them; neatly arranged, with the husks cleanly trimmed, and the booth white and spotless.

"Trimnings" sure make a difference no matter what you're offering—as Andy Botkin, keeper of the Garden Tavern, well knows. Andy doesn't just sell good beer. He sells it in a place that's clean and attractive... in nice surroundings that

along with the enjoyment of a wholesome beverage of moderation.

And Andy, of course, is a whole-hearted supporter of "Self Regulation." That's the system by which the Brewers and tavern keepers themselves make sure that tavern selling beer are clean and orderly.

From where I sit, people like Andy also rate a "first prize." Not just for the quality of the product—but for the "trimnings" too.

Joe Perry
Hellzapoppin! Guess she's bound to be 'round here somewhere, Seems like she's always on the go None of the fellows ever seem to really know.

Whether she's here — whether she's there (though she seems to be everywhere.)

Man, they say she's really got pep.
Downright digs dot ole give Like no other gal what's alive,

What I mean is, she's really hep.

Don't seem to matter none what you want to do,
Makes no difference whether it's new or old,
Don't care whether your hair is grey or gold.

Man, she'll really make a hit with you.

Seems like she leads all the boys 'round on a string.
Doesn't seem to matter who you are or 'Watcha Know," She'll lay you out in a row Of fellows that seem to think, "She's the sweetest lil ole thing."

Yeah, guess she's the bell of the ball,
The boys say so.
Won't one of 'em tell her no, 'Cause they're crazy 'bout her, one and all.

Guess you'll have to admit she makes a good theme,
For a poem or a song,
('Bout her you can't go wrong)
She's the queen of the O. H. S. football team.

So, Lillian, we're really sold on you,
That, I guess, you've seen,
'Cause we 'lected you our queen,
Majesty of all the purple and the gold.

CLASSROOM MANNERS

By Gordon Bufford

The first thing a person has to learn when he starts to school is how to conduct himself in class. This has a lot to do with his learning because if he gets along with his teacher he is going to like his subject much better and he will soon learn to look forward to his class period. This doesn't apply to one class but to all of his or her classes.

A person should make it a point to be nice to his teacher and cooperate with her to the extent of his ability whether he is in grade school or a senior in high school.

Some people can not get along with their teachers but if they will take just a little time and

think twice before they do a thing, they will get along much better.

If a person will have some consideration for the teacher, they will get along just fine. Just because a person is a teacher is not a sign she isn't human, because they are, and they like to be treated as such.

Naturally the student is going

to irritate the teacher at times, but then if you will just think most all people get a little peaved at one time or another.

Don't be loud and disobedient in the classroom or you will force the teacher to punish you. She doesn't want to punish you any more than you want to be punished.

Look ahead to Something Great

Put to you straight, the story's this:

No car made today is coming to you fast as its makers would like.

It stands to reason that the car most wanted is not going to be the easiest to get.

But that car will have what you're aiming for.

Style that's no mere one-year wonder — but smart and clean and right in a way that lasts.

Power — plenty of it — a big bonnetful of Fireball straight-eight power, smooth as cream pouring from a pitcher.

Size and roadability and easy-handling — this car will be a travel-wise honey that hugs the road as though it loved it!

There will be smoothness and

steadiness you haven't known before — and putting it all together for you a hard-driving production outfit that's staging a notably successful battle against shortages and slow-downs.

If it takes longer to get a Buick than anyone thought a few months back, it has also proved itself as a whale of a lot more automobile than folks expected!

So skip today — give a thought to tomorrow — and plan ahead for something good.

Get your money down on a Buick, available for future delivery — with or without a car to trade.

What Other Car Has So Much That Clicks For Forty-Six!

- SMARTNESS** — that sets the style pattern with car-length Airfoil fenders and bolt-on rear wheel shields.
- POWER** — from a Buick Fireball valve-in-head straight-eight engine.
- OIL SAVINGS** — from non-scuffing Accurite cylinder bores.
- FLASHING ACTION** — of Five-weight pistons.
- STEADINESS** — from full-length torque-tube drive in a sealed chassis.
- GLIDING RIDE** — from Panthergait all-coil springing.
- COMFORT** — of soft Foamlex® cushions in roomy Body by Fisher.
- SURE FOOTING** — of Broadrim wheels.
- CONTROL** — through Permi-firm steering.

WILSON MOTOR CO.
Ozona Lee Wilson, Mgr. Texas

Plenty of surge and drive and power... plenty of soaring action... from that one-two punch you get with MOBILGAS and MOBILLOIL. The improved MOBILGAS, with its let's-get-going action, and new MOBILLOIL, with its death-to-dirt detergent, are a sure-fire team that zips you away in traffic... shrinks the miles on the open road... plays miser with every gallon you buy. And for hop-in, kick-it-over-once and let-er-roll dependability on the coldest mornings—

AT THE SIGN OF THE FLYING RED HORSE

Duncan is out of the dog-house!

Mrs. DUNCAN has just finished her Fall house cleaning, and Duncan is welcome in his own home again.

Curtains, crisply ironed, hang at the windows. Rugs are bright and clean. Blankets, sweetened by sun and suds, roll contentedly on the beds. Everything's fresh and shining. Mrs. Duncan is tired, but happy. Mr. Duncan is happier. The dog is happiest of all.

Once housecleaning was the housewife's horror. Now, with modern electric gadgets, the semi-annual cyclone is finished in half the time with half the effort.

And not only housecleaning—but all household chores—are easier, simpler, when electricity lends a willing hand. This versatile servant cooks, cleans, washes and irons, brightens the home, guards health, scoops entertainment from the very air—and all for the cost of a bar of soap daily.

This greatest of household bargains comes to you through the practical experience of your friends and neighbors in this company, under sound business management.

WORLD NURSES STUDY IN NEW YORK . . . More than 100 graduate nurses from China, Italy, Poland, Czechoslovakia and Yugoslavia are taking four-month refresher courses on U. S. teaching methods, medicine, tuberculosis treatment and communicable disease techniques, at various hospitals in New York City. They will form a nurse cadre that will spread the new knowledge to thousands of other nurses in their respective lands. UNRRA is footing the bill.

(Continued from Page 3)
LION'S ROAR —
ed. Instead of getting mad at the teacher when she sends you to detention or keeps you after school for class, just remember that apologies are in order and it is your responsibility to be the one to make them because you are the one that is wrong and not the teacher.

Remember that a little classroom manners never hurt anybody and that everyone will enjoy class more if you follow the rules of the school and use a few manners.

H. E. NEWS
By Betty Cook

The girls of H. E. II Class are studying diets for sick people. They prepared four trays on Tuesday for sick invalids.

They made lemon sherbet and cranberry ice along with other foods. Here's a hint if you are in need of a party drink; ginger ale poured over cranberry ice makes excellent drink.

Plans are being made for a big dinner by the middle of the week.

STUDENT OF THE WEEK
By Marion Dryden

The student of the week is a very attractive senior girl. Blue eyes, blonde, curly hair, 105 pounds, 5 feet, 3 inches make up this student.

Her main feature this year was being a Pep Squad leader. She really helped the girls in their work.

So we would like to extend our thanks and appreciation for the help and good spirit Jerry Leatherwood gave us. We think she is tops!

BOWLING

For quite awhile now the Faculty has been meeting at the Bowling Center every Monday night from 7:30 'til 9:30.

We would like to give the public their scores according to teams.

Teams	Won	Lost
Mr. Denham	9	3
Mr. Brown	6	6
Mr. Archer	5	7
Mr. Gibson	4	8

The teams have almost completed their series of games. They have only three more sessions.

The Faculty has enjoyed this entertainment and will be sorry to see it end.

Although they are not professionals, the Faculty seems to be holding their own with the students' average.

A hint to the wise: Don't pick any of the Faculty for a sucker to bowl with, because they might fool you.

GOSSIP

Who was that red headed boy in the ninth grade who walked Marian D. home Friday night? It is rumored that he moved here from Barnhart!

It seems that Rosalie F. has a new flame and he too is blonde headed. What about that, Bob Cooper?

Mary K. Flowers seems to be having boy trouble again. Who is it this time, Mary? Could his initials be R. H.?

Joe H. and Don C. seem to have a mania for talking over telephones! How about that, girls? Can anyone tell us?

Mr. Sikes, a few of the kids were wondering about that OTHER woman the preacher was talking about Tuesday morning! Could you ease their minds a little?

It seems we have regular deer hunters in our school. Bud and Bill Hoover both shot a deer Saturday. Does it run in the family, boys?

Jack C., some girls would like to know why you can't write your

own notes, or do you like for Dale to help you?

Why didn't Mary Ann N. want to stay in San Angelo Saturday night? Who did you want to come back and see, Buddy P.

Who is this "Dorias" that Ted Mankin keeps writing notes to? Let us in on it, Ted.

Could anyone tell me who is going with Joe Gray now? I got mixed up on the first three.

Betty C., who are those fifteen paged notes to? Could it be Joe Denton?

Who is this little black headed Junior seen writing notes to Sam Perner who is absent with the mumps? It couldn't be V. S.

Why is it that either Ann W. or Bob B. get moved in American History every day? Like to talk, huh?

We can't say Beat Robert Lee or Beat Bronte, but you just wait 'til Thursday, then we'll know. So we'll say—

WIN BI-DISTRICT!

It seems that Frank Parr just loves to dig notes out of wastebaskets. Watch out, Parr; that's dangerous business!

ASSEMBLY

By Louise Wood

Tuesday morning the students of Ozona High School were entertained by Rev. Joe Trussell who told some very good jokes. Those included were his friend, Dr. Westmoreland, Rev. Tension, Mr. Denham and also, Mr. Sikes. After putting aside all jokes, Rev. Trussell

sell gave the audience a splendid talk on "Recipe for Happiness." He spoke approximately thirty minutes on this subject and it was thoroughly enjoyed by the audience. Office Supplies—Stockman office

Sheriff, Assessor and Collector of Taxes—Crockett Co.

**Heir Is
Sought in Texas**

CHICAGO, Nov. 14.—The former Mrs. Velda Fisher, 46, who is reported to have married a man named Stevens, when she was 19 years old, is being hunted throughout Texas to claim a \$50,000 estate.

It was revealed here today that Walter C. Cox, probate general, Chicago, took charge of the search. Mr. Cox specializes

in tracing relatives to settle estates.

"The Velda Fisher for whom we are looking," Mr. Cox said, "was reportedly born in about 1900 and married Stevens in Texas shortly after the first World War.

"If Velda is dead, then we want to contact her husband or any children that may survive her. There is no clue as to where in Texas she married Stevens, or where in the state the couple settled, or may now be living."

FIGHT TO PAY TAXES . . . One would normally see such a crowd rushing to get an item of scarce food—a steak or roast—or to procure tickets to a sold-out performance, or trying to crash a crowded train. This mob is pushing to—of all things—pay income taxes. The scene is Rome, Italy, where the mob waited until deadline to file their income tax returns—just as many do in America.

beef cattle that were badly infested last fall. Edwards County Agricultural Agent A. A. Storey, Jr., reports that Jenkins' grub treatment was done at a cost of only \$7.50. Running the cattle through a chute, he brushed the rotenone-sulphur dust into the loins and backs of the animals with a wire brush. Prior to the treatment, which was given last fall, every animal in the herd of 55 had from forty to fifty grubs. A recent check-up by Jenkins and the coun-

ty agent showed only nine of the animals carrying grubs, and those were only slightly infested.

Jenkins is convinced, says Storey, that Texas ranchmen can eventually rid their cattle of grubs and heel flies by giving regular rotenone treatments each fall.

"Ask The Man Who Reads It"

**Ear Tick May Be
Controlled With
New Stock 1029 Mix**

COLLEGE STATION. — Common throughout most of Texas, the spinose ear tick, an external parasite that attacks sheep, horses, goats and deer, should be treated now with Stock 1029.

This recommendation comes from entomologists of the Texas A. and M. College Extension Service, who say that the tick can be controlled by a single fall and spring Stock 1029 treatment, provided the farmer also sprays his salt and mineral boxes each month with equal parts of kerosene and lubricating oil.

In the immature stage, the tick attaches itself to the ears of animals, and Stock 1029 can best be applied with a one-inch paint brush. Both the inner and outer

surface of the animal's ear should be covered thoroughly.

Stock 1029 is a mixture of pyrethrin containing 45 per cent rosin, 20 per cent Hierocyn and 15 per cent dibutyl phthalate.

Mrs. H. B. Tandy spent a few days in Denton last week visiting her son-in-law and daughter, Mr. and Mrs. Lloyd Wilson.

The Martin Harvick ranch north of Ozona was the scene of a stag party Wednesday evening honoring Phillip Schneemann, whose marriage to Miss Joy Coates will take place here Saturday at the First Baptist Church.

Accurate and Complete

RANCH RECORDS

Are More Important
Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

**THE STOCKMAN
RANCH RECORD BOOK**

Miss Joy Coates—
(Continued from Page One)

gett. Miss Mary Elizabeth Gray was at the bride's book. Piano music was provided during the tea hours by Mrs. Bode Owens and Mrs. Stephen Perner. Mrs. Phillips and Mrs. Taylor assisted in the dining room. Others in the house party were Mrs. Gene Williams, Mrs. John Coates, Mrs. L. B. Cox, III, Mrs. Lloyd Coates, and Mrs. Vic Montgomery.

The table was laid with a lace cloth with yellow and white chrysanthemums forming the centerpiece. Spiced tea and individual cakes were served. Yellow and white chrysanthemums and roses were also used in the house decorations. About 75 guests called during the afternoon.

Mr. and Mrs. Ralph Jones honored the bridal couple with a barbecue supper and bingo party at the courthouse Tuesday evening. A grab bag with kitchen utensils was the prize for bingo winners, the collection going to the honored couple.

Guests included Miss Posey Baggett, Miss Billie Jo West, Miss Helen Mayes, Miss Jean Drake, Bland Tandy, Joe B. Chapman, Roy Coates, Lorain Wyatt, James Chapman, Shorty Colquitt, Mr. and Mrs. Larry Albers, Mr. and Mrs. Bill Clegg, Mr. and Mrs. L. B. Allen, Mr. and Mrs. John Henderson, III, Mr. and Mrs. Max Schneemann, Mr. and Mrs. Fleet Coates, Miss Mary Elizabeth Gray, Byron Williams, Roy Henderson, Jr., Mr. and Mrs. Neilan len of Sonora and Jan Jones.

Texas Needs 9000 More Teachers To Relieve Shortage

The Texas State Teachers Association has just completed a survey among city and county school superintendents to determine the condition in the public schools of Texas. Replies were received from 1,038 superintendents representing 35,874 teaching positions or about 78% of the total in Texas. The turn-over in the teacher personnel in the public schools for this year is the greatest in our history. 9,272 teachers or more than 25% were new in their job when school opened this fall.

Of the teachers included in the survey, 5,730 were listed with sub-standard qualifications which represents 1 out of each 6 in the state. Superintendents reporting stated that they had in their school systems 2,157 classes with a student enrollment of 40 or more. The national standard for enrollment is 27 students in high school classes and 30 in elementary classes. This overcrowded

condition has resulted from the shortage of teachers and, in many instances, a lack of adequate classrooms.

Today, Texas needs at least 9,000 qualified teachers to relieve our over-crowded classrooms, to add to the curriculum many subjects that have been eliminated during the war years, and to re-

place sub-standard personnel.
