Funeral Services Held Monday For Mrs. E. R. Kinser

Wife of County Commissioner Died Sunday in Del Rio

Funeral services were held here Monday afternoon for Mrs. Mabel Kinser, wife of E.R. Kinser, Crockett county ranchman and county commissioner, who died at about 6 o'clock Sunday morning in a Del Rio hospital following an operation performed there Friday.

Services were conducted by the Rev. C. T. Aly, pastor of the Park Heights Baptist Church of San Angelo, from the First Baptist Church here, with burial following in Cedar Hill Cemetery. Ratliff Funeral Directors in charge.

Pallbearers were Houston Smith, Bruce Harp, Mark Corbell, Jerry Hayes, Ben Williams, A. O. Fields, George Russell and Oscar Kost.

Mrs. Kinser was a native of Ozona, having been born here October 10, 1902, the daughter of the late Mr. and Mrs. W. P. Hoover, among the first ranch families to settle in the Crockett county area.

She is survived by her husband and two daughters, Mrs. Earl Salmon of Ozona and Miss Hallie D. Kinser, now attending school in Del Rio, four brothers, A. C. Hoover, Bill Hoover, Rowdy and Armond Hoover, and one sister, Mrs. Myrtle Mitchell, all of Ozona.

Church of Christ Hosts At Barbecue Dinner Sunday Noon

Members of the Ozona Church of Christ congregation will be hosts Sunday at noon at a barbecue dinner in the High School gymnasium following the Sunday morning revival services conducted by Horace W. Busby, Fort Worth evangelist, who begins today a ten-day gospel meeting at the local church.

Everybody in Ozona and visitors from surrounding towns are cordially invited to the dinner. Another dinner will be served the following Sunday, final day of the revival meet.

Mr. Busby, who a few years ago broke a 20-year habit of coming to Ozona each Spring for revival services, returned this week to take up where he left off in a series of gospel services. Song services are under direction of John G. Hufstetler of Lubbock, father of Ross Hufstetler of Ozona. The meeting will continue through March 9.

Services are being conducted twice daily, afternoon services at 4 p. m. and evening services at 7:30, with morning services Sunday at 11 o'clock. J. E. L. Harrison, minister, and officers of the local church extend a cordial invitation to all to hear Evangelist Busby.

Woman's Club To Plant Rose Bed In New City Park

At a business session of the Ozona Woman's Club meeting Tuesday afternoon at the home of Mrs. S. M. Harvick, the club voted to sponsor and finance the planting of a rose bed in the new beautified city park as one of its spring projects.

Turning to Federation politics, the local club endorsed the candidacy of Mrs. W. E. Cantrell as Sixth district president and Mrs. M. H. Gibson as State Federation first vice president. The club voted to send a delegate to the district convention in Brady, which position has been accepted by Mrs. A. C. Hoover.

Mrs. Hillery Phillips was leader and spoke on the necessity for legislation as outlined by Anna Kelson Wiley, chairman of the department of legislation.

A piano duet, "A la Bien Aimee" by E. Schutt, was given by Mrs. W. N. Hannah and Mrs. V. I. Pierce. Mrs. Lee Childress spoke on women and national education.

Mrs. J. M. Dudley assisted Mrs. Harvick as hostess to the group. A salad course was served by Mrs. Johnny Henderson, Mrs. P. T. Robison, Mrs. Lee Childress, Mrs. N. W. Graham, Mrs. V. I. Pierce, Mrs. W. N. Hannah, Mrs. Hillery Phillips, Mrs. O. L. Sims, Mrs. Hubert Baker, Mrs. Stephen Perner, Mrs. Charles Williams and Miss Elizabeth Fussell.

Annual Red Cross Fund Drive Opens Here Next Monday

Bill Cooper, Chairman Announces Organization Complete

Bill Cooper, chairman of the 1947 American Red Cross Fund Drive in Crockett county, announced ready this week for opening of the local drive here Monday morning.

A corps of solicitors, recruited largely from a list of faithful workers who have headed the Red Cross drive here each year since beginning of the war, has been lined up to make the whirlwind fund drive. The chairman expressed hope that the campaign could be completed in one day.

This year's quota for the local chapter has been set at \$500, the lowered quota being made possible by the fact that the local chapter has a sufficient fund on hand to meet its needs for the coming year, the quota assigned being for the national chapter needs with no local fund added. The local chapter will share in any fund above the national quota raised in the drive.

Place Order For Band, Pep Squad Uniforms

Measures To Be Taken Tuesday by Representative Penney Co.

A tentative order for approximately 85 band and pep squad uniforms for members of the Ozona High School band and pep squad has been placed with the J. C. Penney Co., agents for manufacturing tailors, and a representative of the company will be in Ozona next Tuesday to take measurements for placing the final order.

The new uniforms, which are to be gray with purple and gold braid and trim, are the 1947 project of the Ozona Parent-Teachers Association, which has staged two splendid entertainment features in behalf of the fund for a net gain of some \$1500 toward the total needed. The association staged a carnival in the fall which netted over \$1100 and last weekend realized about \$450 from the town basketball tournament.

The new uniforms, to be made up of blouses and trousers, are of all wool gabardine. Purple and gold braids will decorate the front, sleeves and collar bands and gold plumed caps will complete the outfit. Special uniforms for two majorettes, a drum major and the director are included. Fifty band uniforms and about 30 pep squad uniforms are to be ordered. The pep squad uniforms are to be almost identical with those of the band so that the two groups can be intermingled in marching routines.

Delivery is expected on the new uniforms before the opening of school in the fall.

Selection of the style and material in the uniforms was made by the PTA band uniform committee composed of Mrs. George Banger, Mrs. Melvin Brown and Mrs. Jake Young and the pep squad was represented on the committee by Lillian Schneemann, Sue Meinecke, Marian Dryden, Mary Kathryn Flowers and Rosalie Friend.

Gulf Applies For Permit To Final Core Hole

Conflict with Spacing Rule Will Require Hearing

Gulf Oil Corp. filed application with the District 7-C office of the Railroad Commission Monday for a special permit to complete as a discovery well its central west Crockett county oil producer developed from a core test for structural purposes.

A hearing will be required since the location of the strike, designated No. 1-R University, 92 feet from the north line, 2,753 feet from the west line of section 14-29-U, is not in conformity with statewide spacing rule 37 which does not permit a well to be nearer than 330 feet from a producer or lease line.

Gulf No. 1-R University, bottomed at 1,677 feet, pumped and flowed 148 barrels of 32.4 gravity oil on the first test of the Grayburg and 131 barrels in another 24-hour period and on the third 24-hour test pumped 122.32 barrels of oil, according to earlier reports, which gave the depth as 1,685 feet. The hole is open below 1,417 feet, where 7-inch casing was cemented. The well is six miles southeast of the Clara Couch field.

A meeting of the new and enlarged building committee of the Methodist Church will be held at 7 o'clock Tuesday evening in the Methodist Center for further discussion of plans for construction of the new church building here, Rev. Horace M. King, pastor of the church, announced this week. Stewards of the church will hold their monthly meeting the same evening.

San Angelo Stock Show Boosters Lunch With Rotary Club

A contingent of San Angelo Fat Stock Show and Rodeo boosters invaded Ozona Tuesday noon for luncheon with the Ozona Rotary Club and to advertise the San Angelo show which begins today and continues through Sunday.

The visitors, many of them Rotarians who helped in sponsoring organization of the Ozona club, presented the day's program, with Dick Wagner as master of ceremonies. Speaking briefly in the course of an informal program were Bill Taylor, Frank Barney, E. L. Buelow, Hobart McDowell, John Powell and Sgt. Dan Adams of the Army Recruiting Service.

After the luncheon, the visitors, riding in a chartered bus, distributed show advertising literature, and Sgt. Adams used the recruiting truck's loud-speaker to ballyhoo the show in the downtown area.

Shell Wildcat Sprays Oil, Gas From 8,284 Feet

Gas Flow Rates Eight Million Feet After Acid Treatment

Shell No. 1 University, north-eastern Crockett county wildcat, C NW NW 21-39-U, was cleaned out Tuesday, with junk in the bottom of the 8,284-foot hole, after sweet gas rating eight million cubic feet daily had sprayed oil lightly from the Ellenburger.

The gas with oil spray developed when the test had been swabbed down into within 1,900 feet of the bottom following treatment with 2,000 gallons in two stages of equal amounts. The gas decreased to a slight blow after 16 hours, according to one report. It came through 2-inch tubing on which a packer was set at 7,871 feet.

The hole is open below 8,060 feet, where 5 1/2-inch casing was cemented with 250 sacks. Shell No. 1 University was credited with entering the Ellenburger at 8,040 feet, 5,488 feet below sea level. This, according to some correlations, is 84 feet lower than in Stanolind No. 1-GG University, 1 1/4 miles north and half mile east, which showed gas and distillate in the detrital but little oil or gas in the Ellenburger.

Stanolind No. 1-TT University, C SW NW 12-39-U, half mile north of Stanolind No. 1-GG University cemented 5 1/2-inch casing at 8,200 feet with 500 sacks. It, too, showed gas and distillate in the detrital but little oil or gas in the Ellenburger. Drilling continued to 9,000 feet in sand, presumably the Hickory of the Cambrian.

Owens, proposed 8,500-foot, rotary wildcat in western Crockett county, C SW NW 6-GG-H&OB, shutdown at 3,160 feet in lime and shale for repairs.

New Semester Rule May Be Adopted To Prevent Hold-Overs

AUSTIN. — A new semester rule may be adopted by the University of Texas Interscholastic League to prevent the practice of holding over high school athletes for further competition, a committee headed by R. B. Norman of Amarillo reports in the current issue of the Interscholastic Leaguer.

The new rule proposes that eighth semesters of eligibility shall begin with the first semester the student enrolls in high school, and shall close at the end of the eighth consecutive semester.

Complaints against holding over were listed by Mr. Norman's committee as follows: It is a form of over-emphasis violating the basic reasons for the contests; it places emphasis on winning rather than participating; it denies regularly promoted students the opportunity of participating because of their inability to compete against players old enough to be college freshmen, and it results in unethical tactics amounting to a form of dishonesty.

PTA Band Fund Nets \$450 From Basketball Meet

Coaches Team Emerges Champions of Four-Day Tourney

Customers got their money's worth and more in entertainment and the Parent-Teachers Association band fund profited by about \$450 from the four-day town basketball tournament reeled off the past week-end in th high school gymnasium.

Gross receipts from the four-day meet, including entry fees of players, sales of candies, sandwiches, etc. and admissions totaled \$455.36. Mrs. Jake Young, PTA president, reported. Cost of the gold basketball charms awarded players on the championship team will be deducted from this amount.

Popularly called th e"Coaches Team" because it included Coaches Marshall Brown and L. B. T. Sikes among its players, Team No. 15 emerged the tournament champions by virtue of their 38 to 32 defeat of team No. 3, which fans will remember from the performance of P. C. Perner, J. G. Hufstetler, Joe Williams, Pat Patterson, Dr. H. A. Gustavus and O-ran Weeks, in the tournament final Monday night.

The champion team was composed of the two coaches and Vic Montgomery, Joe Ross Hufstetler, Roland Allard and Joe Couch — all pretty salty basketball players. For the runner-up squad, Mr. Weeks substituted for Dr. Gustavus who suffered a sprained ankle in the Saturday night game.

A highlight of the meet, aside from the championship tussle, was the Monday night semi-final game between the "Coaches Team" and the "High Schoolers," Team No. 12, which included Don Cook, Bernard Lemmons, Nat Read and Joe Perry, members of the first string Ozona Lions cage squad, and Tom Powers, a "find" in the field of basketball so far as local fans are concerned. Ross Hufstetler, who demonstrated where sons Joe Ross and J. G. got their ability on the court, and Earl Sparks. The coaches crew, led by Marshall Brown, far and away the fastest, most deceptive player ever to plant a foot on the local gym floor, mowed down th high schoolers under a 23 to 11 count in Monday night's semi-final to go into the championship finale.

As an added attraction for the final night show, the ladies donned slacks and sweat shirts, old-fashioned bathing suits or bloomer-and-"middle-blouse" basketball suits of a few years back and staged a rough and tumble game under girl's court rules. The teams were Mrs. Stephen Perner's "Galloping Gals" and Mrs. Coralie Meinecke's "Hot Shots." With Liz Gray scoring all nine points for the "Hot Shots," the Meinecke team took a 9-4 decision over the Gals.

Speaking for the PTA organization, Mrs. Young expressed thanks to all who made the tournament possible and for the grand support given by the public in attending the sessions. Mrs. Young asked that the organization's special thanks go to C. O. (Lefty) Walker who engineered the tourney from the start and refereed all the games, and to all the players who participated.

Ratliff Funeral Home Acquires New Ambulance — Hearse

Ratliff Funeral Home here has received delivery on a new combination ambulance and funeral car of the newest model.

The new ambulance and hearse is a Sayer and Scoville vehicle, powered with a Cadillac motor and equipped with air conditioning, first aid compartment and elegant interior trim and appointments. The new vehicle will replace the old one which has been in use here several years.

Mrs. Willard Deaton and daughter, Jo Ann, spent the weekend in San Angelo.

We wish to thank all our friends and neighbors for the many acts of kindness and expressions of sympathy on the occasion of the death of our wife and mother.

Your thoughtfulness was a great comfort to us in our loss.

E. R. Kinser and Family.

FOR SALE—4-room house with bath and new water heater. Newly papered and painted inside. Good condition. Butane gas system. Lot 50 x 90 ft. Immediate possession. Terms if desired. See Hubert Baker. 1c

METHODIST CHURCH

"Learn From Me," will be the lesson theme in the Sunday morning service at the Methodist Church, the pastor, Rev. Horace M. King, announces. The church will observe Methodist Kerrville Assembly Day at the Sunday evening service at 7 p. m., a special service featuring "The Christian and Race." The service will include a dramatization directed by Miss Mary Riddle.

GIRL SCOUT NEWS

International friendship month was observed Monday by the Girl Scouts when Wanda Carden and Ellen Jayne Maris presented an original play entitled "Girl Scouts Together."

Play characters included Patsy Hill as Miss Pennington, a Girl Scout field executive; Wanda Carden, her secretary; Glenda Jetton as Elizabeth of England; Madeline Johnston as Cleopatra of Egypt; Gretchen Krause as Gretel of Holland; Shirleen Lonon as Carmencita of Mexico; Jerry Henshaw as Eleicia of Germany; La-Jean Word in Girl Scout uniform as an American; and Ellen Jayne Maris as Katrina of Russia, who did a Russian folk dance. The girls were dressed in costumes of the nations they represented. Af-

ter the play the girls joined in playing American folk games.

Two new girls came to join the Scouts — Frances Stark and Barbara Fields. All were happy to have Marilyn Cooke back, although she still uses her crutch. Five visitors came for the program.

CARD OF THANKS

We wish to express our deepest appreciation to all our friends in Ozona for their many acts of kindness and expressions of sympathy on the death of our husband and father, and for the many beautiful floral offerings. Your kindness and helpfulness measurably lifted our burden of grief and we shall always be grateful.

Mrs. R. F. Powell and Family

DAUGHTER BEATS MOTHER

In relieving the discomfort of children's simple chest colds by using Durham's **Mo-Mo-Rub**, the modern Guaiacol-Camphor chest rub. Doctors agree that its 29% Guaiacol-Camphor formula is a decided improvement over Mother's old-fashioned Eucalyptus style soles. Try **Mo-Mo-Rub** for croupy coughs. **Double the purchase price refunded if you do not find Mo-Mo-Rub more effective.** In 35c and 60c jars at your Druggist or

SMITH DRUG CO.

CONSTIPATION

Risky in **BAD COLDS**

Retained undigested food becomes putrefactive, causes toxins, which overload the liver and other vital organs of the body, lessening your resistance to colds and other winter ills and interfering with their treatment. Why take this chance when you can take Calotabs? Calotabs thoroughly yet pleasantly act on every foot of your intestines, sweeping out toxin-laden putrefactive foods and virus-laden mucus, enabling you to more effectively avoid or fight a cold. Nothing acts like good old Calotabs. Use as directed. 10c and 25c at all druggists.

Take **CALOTABS**

Now Officially Approved

'G.I.' Flight Training

Effective March, the KINSER FLYING SERVICE will begin flight training for veterans under the G. I. training program of the Veterans Administration.

Veterans who desire pilot training may now take such training at government expense. Our school has received both CAA and VA approval effective March 1 and we will organize our first G. I. class to begin training on that date.

Flight Instructor Jerry Hayes will be in charge of organizing and training. Make your application at once.

That grille's as fresh and fashion-worthy as a Paris label in a new bonnet.

That long, clean, sweeping-all-the-way-through fender line is as much a "must" with the style-wise as white tie with tails.

There's the sparkle of bright, fresh colors — the rich sheen of chaste chrome—the sleek, slick, able look of an express cruiser, shined and polished for Regatta Day.

But is this the only way in which Buick's smart? Not by a barrelful!

Look at the engine room in that bonnet — that means torrents of Fireball power to put the lift of a lifetime in every mile.

That hug-the-road look means steadiness always—and cushiony coil springs on all four wheels spell serene disregard of any road's rude jolts.

Look at the width amidships that gives you lolling room both front and back—and at push-button controls that not only raise and lower the top, but move door windows up and down and the front seat back and forth.

And look deeper. At engines so fine-made they keep their new-car liveliness seemingly forever. At stout metals and sturdy underpinning, at husky, curl-around bumpers,

controls light as a ladyfinger; at wheels that curb heel-over on turns, and brakes both easy and sure.

Fact is, in this trim Convertible or any of the eight other body types, Buick's the smartest buy as well as '47's smartest car. It's the place where dollar-sense meets with style-sense to produce America's most wanted automobile.

Such being so — why hesitate? A day lost now in placing an order can be a week lost later in taking delivery, so — get your order in now!

ONLY BUICK HAS ALL THESE STAR FEATURES

West Texan Named Highway Commission

PASO. — Last week West Texas was expressing approval of Governor Jester's appointment of A. Wemple, Midland business man, to membership on the Highway Commission.

Wemple became the first West Texan to serve on the commission since 1944, when Commissioner Reuben Williams moved his office to Dallas.

Wemple succeeded Williams in the office on February 15, after six years of outstanding service on behalf of better roads for West Texas.

Wemple is 53 years old. He was born in Bonham, Texas, he has been a resident of Midland since 1923 and is now a local West Texan.

Early in his life Mr. Wemple's family moved to Blossom, Texas. He recently Mr. Wemple was a member of the State Board of

Education. He is a past-president of Texas Good Roads Association and has a wide acquaintance over the State. He has always been a good roads enthusiast. His many appearances before the Highway Commission in behalf of roads in his section of the state and his experience as President of Texas Good Roads Association have given him a very good knowledge of highway matters in Texas.

FORMER OZONAN WED

Announcements have been received by friends here of the marriage of Miss Doris Martin, daughter of Mr. and Mrs. J. L. Martin of Fallbrook, Calif., to Capt. Lester W. Kessel, Jr., of Gettysburg, Penn.

The marriage took place January 1 in the Post Chapel at Kessler Field, Mississippi, where Capt. Kessel is stationed. The Martins are former residents. Mr. Martin having ranched for a number of years north of Ozona.

Mumps Reported On Increase in Texas

AUSTIN. — During the past few weeks there has been a general increase in the incidence of mumps throughout the State. There have been 1750 cases reported since January 1, compared with only 896 cases during the same period last year, according to Dr. Geo. W. Cox, State Health Officer.

Though mumps is one of the common childhood diseases, serious complications may develop, so children should be protected as much as possible from this disease. The usual control procedures such as avoidance of crowds, exclusion from school of all cases or suspected cases and quarantine should be followed.

The most easily recognizable characteristic symptom of mumps is a painful swelling of the salivary glands. Sometimes there is an involvement of other portions of the body causing disturbances in the digestive, nervous, circulatory, and genito-urinary systems.

The disease is usually accompanied by a temperature rise which more often than not is mild.

WANT JOBS AT HOME

AUSTIN. — It may be trite, but to veteran engineering graduates of the University of Texas there's "no place like home," says Dean W. R. Woolrich of the College of Engineering.

Ex-servicemen have an aversion toward leaving the United States even if job opportunities in other countries pay exceedingly well, he said. Veterans want a job in the United States and preferably in Texas.

Rev. and Mrs. Horace M. King have as guests this week Mrs. King's brother and three sisters, Newell P. Woods, Mrs. Leslie Holloway, and Mrs. T. C. Barnes, all of El Paso, and Mrs. W. W. Robertson of San Antonio.

A doctor received a frantic call from a parent whose son had swallowed a fountain pen.

"Please come at once," begged the father.

"All right," said the doctor, "but what are you doing in the mean time?"

"Using a pencil," replied the father.

Halving the amount of solar radiation on the earth would bring even equatorial temperatures well below the freezing point.

From where I sit... by Joe Marsh

Bert Solves the Labor Problem

You hear a lot about capital and labor nowadays, as if the two could never get together. But look at Bert Childers—who has 320 acres of producing land, a fair-sized herd of cattle, and two farm hands working for him.

If anybody has a beef—whether it's about wages or hours or equipment—they talk it over at those friendly evening sessions.

If you called Bert a "capitalist" he wouldn't know what you meant, and neither would Spike and Sandy, the tired men. Bert works side by side with both of them; and in the evenings they sit around the fire together—sharing a friendly glass of beer or two.

I don't say all labor problems are as simple as Bert's. But from where I sit, the basic principle applies to any farm or factory or business: A principle of confidence and mutual respect, of daily talks together in a friendly and congenial atmosphere.

4,383 Teachers Sought, Only 501 in U. T. Training Class

Austin. — High school teachers were in tremendous demand last year, and calls for teachers of every subject except Latin and mathematics were greater than in 1945, Dr. Hob Gray, chairman of the University of Texas teacher appointment committee reports.

A summary of calls received by the committee show that 4,383 requests came into the University for teaching personnel, and that 1,169 of these calls were for high school teachers. College and university teachers were also in de-

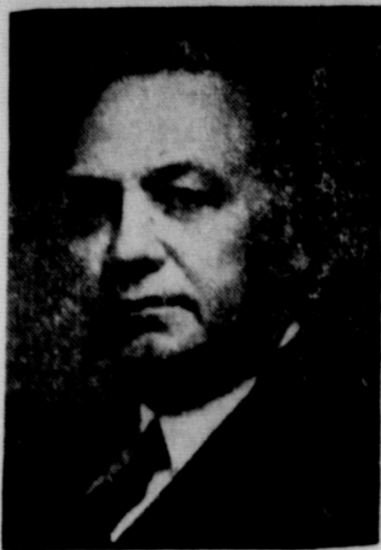

mand: 1,087 calls came for these teachers, and 726 of these were from out of the state and foreign countries.

In direct contrast to the number of calls, only 501 students registered with the committee for teaching positions, Dr. Gray said.

Sug Owens Named To Bryson Club, TCU

FORT WORTH. — Miss Sug Owens of Ozona is one of the 22 new members added to the Bryson Club at Texas Christian University recently.

The club is a social organization with a required grade average of

Originating from Highland Park Methodist Church, on the S.M.U. campus at Dallas, the Methodist Hour of Sunday, March 2nd will feature a sermon by Bishop A. Frank Smith and choral music under the direction of Joseph Lupkiewicz.

Bishop Smith will speak on "The Mood of Today."

Its members, Miss Lorraine Sherley is club sponsor.

Miss Owens is the daughter of Mr. and Mrs. Tom Owens, Ozona. She is a senior.

Wounded Vets May Enlist Thru March

The deadline for the enlistment of combat wounded veterans now out of the Army has been extended through March 31st, this year, according to a statement made today by Jim Walker, 1st Sgt. in charge of the Army recruiting station in Sonora Texas.

"These men will be enlisted in the grade they held at time of discharge," the sergeant stated. "After April 1st, 1947, combat wounded veterans must reenlist within

20 days from the date of their discharge to retain the grade they hold."

THE LION'S ROAR

Published Weekly by the Student Body of Ozona High School

OZONA, TEXAS, THURSDAY FEB. 27, 1947 NO. 22

TRACK OF '47

The first day of the three weeks practice in track started off with a bang! There were about fifteen boys to turn out on Monday trying out the new shoes and their lost source of extra wind. The team under the direction of coaches Brown and Sikes hope to accomplish big measures before track meet in Sonora, March. They hope to try the 100 yard dash, 220, 440, 880 and the mile. In the field they will try the shot and discus. Some of the others being high jump, broad jump, pole vault, low and high hurdles, 440 and 1 mile relay. All in all we hope to have a very good track team because we've got some excellent material.

SONGERS ARE FLYING

Virginia has started singing "People Will Say We're in Love." Can you have you been throwing things at her?
Nat, did we hear you humming "Embraceable You" Saturday night?
Judy at home with the mumps, has been singing, "I Dream of You" "Night and Day." Wonder who she's lonesome for?
Mary Ann and Buddy were heard harmonizing on, "You Are My Sunshine."
"Stud Hoss," Bernards calf, must have been lonesome Friday night. Someone heard him bawling "I'd Be Lost Without You."
Red, they'll "Trifle on Ya, They'll Do It Every Time." Red doesn't seem worried tho 'cause he has been whistling "Always."
Rosalie, why are you singing "You've Two - Timed Me One Time Too Often?" Bob, has been complaining "As If I Didn't Have Enough on My Mind." Who knows maybe Bob's been a good boy.
Jackie W. gets a note from Mak and starts humming "Sooner or later" and when Mak gets a note from Jackie she bursts out with "It's a Good Day!"
Jack C. looks at Mary K. and

sings "Yes Sir, That's My Baby." Don hums "Be My Baby, Baby," while Mary K. just sings "If I Could Only Make up My Mind."

SENIOR PLAY

Practice on the senior play has begun. Most of the seniors are all in a big fuss trying to study and learn their parts, too. "The Campbells Are Coming" is a three act comedy we hope you will come and see. We think you will enjoy it. Reserved tickets will go on sale in the near future, so we hope you will buy early and never be sorry. The prices as yet have not been fixed.

STUDENT OF THE WEEK

The student of the week is a late comer to the halls of O.H.S. Well, rather, he entered school just before Christmas. He is tall, dark and goodlooking with a ready grin and a friendly personality. You don't know yet who this dashing fellow is? For more of a hint - he is a senior and not only made a hit with the girls but the boys, too! He is following the footsteps of some of the O. H. S. gayer Casonovas. Yes, he is none other than Jack Brewer.

QUIZ CORNER

We were a little taken back when there were so few answers in the Press Box! Come on and answer the questions!
This week's findings are:
Best looking blonde girl - Rosalie F.
Best looking blonde boy - Bob Bissett.
Most happy-go-lucky girl - Sue Meinecke.
Most happy-go-lucky boy - Chris.
Most bashful girl - Sandra.
Most bashful boy - Bud Hoover.
Best girl dancer - Mary K.
Best boy dancer - Joe Ross.
Most studious girl - Louise

WOOD

Most studious boy - Ralph C. The questions for this week are:
1. Biggest flirt.
2. Cutest smile.
3. Best disposition.
4. Blushes easiest.
5. Most talkative.
Please put answers in Press Box.

BIRTHDAY CLUB

We wish to thank all the members of the Birthday Club for their excellent response to our plea for more books for the Library. As many people outside of the school have requested a list from which to select books for the library, we plan to publish every week the titles of a few books we would like to add to our collection. We will be glad to receive copies which you now have that are in good condition, or will order copies for you to give the school, if you so desire.

Copies of the following books will be greatly appreciated: "Fair Stood the Wind for France," by Herbert E. Bates; "Dawn's Early Light," by Elsyth Thane; "Yankee Stranger," by Elsyth Thane; "Human Comedy," by William Saroyan; "Walk in the Sun," by Harry P. Brown; "Wilderness Clearing," by Walter P. Edmonds; "Sandy," by Elizabeth Gray; "By Valour and Arms," by James Street; "Day Must Dawn," by Agnes Turnbull.

SCHOOL DAY ALPHABET

A is for apples we take to the teachers
B is for books the horrible creatures!
C is for compass mine's made of brass.
D is for dopes who clutter our class.
E is for education for which we have school.
F is for fair no cheating is the rule.
G is for geometry another dull book.
H is for home ec. (we sew and we cook.)
I is for intelligence which each of us lack.
K is for knacks eaten in the hall.
L is for Lions the best of them all.
M is for music; you hear the band play.
N is for need; we need help every day.
O is for order

to be kept in class.
P is for passing it's the notes that they pass.
Q is for questions; the answers each seek.
R is for report card; oh! ungrateful six weeks.
S is for science where my grades aren't so good.
T is for teacher who'd give me A's if she could.
U is unfortunate (Continued On Last Page)

**Woman's Society
Continues Study
On Race Relations**

Members of the Woman's Society
of Christian Service met Wednes-

day afternoon at the Methodist
Center for a continuation of the
current study, "The Christian and
Race," taught by Miss Mary Rid-

dle.
Mrs. Chas. Williams, Mrs. N. W.
Graham and Mrs. Floyd Hender-

son gave the devotional.
Mrs. Nip Blackstone reviewed
the book, "Things That Separate
the Races," and Mrs. Stephen Per-

ner reviewed "Teachings of Jesus
on Human Religion."
Mrs. L. B. Cox, Jr., told of the
work done by the Methodist Mis-

sionaries among the various races.
A letter from Mrs. Barr, Confer-

ence president, giving the program
of the meeting of the W. S. C. S.
in Harlingen late in March, was

read. Mrs. Floyd Henderson was
elected delegate to that meeting
and a delegate also will be named
from the Bluebonnet Circle as well
as one senior girl from the Meth-

odist Youth Fellowship.
Mr. and Mrs. T. J. Bailey and
children left Wednesday after-

noon for Fort Worth where they
will spend the week-end holiday
visiting Mr. Bailey's sister. They
will also visit in Abilene.

ANOTHER DISCOVERY

Perhaps you never realized it, but you have a "servants' entrance" in your house—in fact, you have several! They are your electrical outlets, of course, where you plug in your household appliances—your electric washer, your vacuum sweeper, and all the others that add so much to the comfort and convenience of your everyday living. There, at the inlets, ready and waiting, is your electricity—a servant who's

never late, never tired, working around the clock—around the calendar—and at such low wages! Actually, your electricity comes to you today at the lowest price in history.

Technical research and sound economic policies by business managed, tax paying electric companies have brought the cost of electricity steadily downward, until today the average family is getting twice as much electricity for its dollar as it did fifteen years ago!
