Ozona Accepted Concho Basin Baseball League

Team Loop Slated To Start Season May April 27

J. Bailey club proxy, and Stuart, player manager, requested Ozona at the organizational meeting of the Concho Basin League in San Angelo Sunday afternoon, although they were excluded from the conference room and missed the fireworks. An application for place for Ozona's baseball team in the league was accepted, along with other applicants, and the league is now set for the season's

league will start the season's combats Sunday April 27, with afternoon games will continue through the summer. Teams competing in the loop are as follows: The Giants (Defending champion),

Best Cultivator Jockeys. Ozona.

Parts of San Angelo.

Longhorns.

Robert Lee.

Ozona.

Blorado.

Laverick.

A complete overhaul of the Ozona Field park is to be undertaken in the next few days in preparation for the summer baseball season. In order to give more time to club officials have indicated completion of the park repairs, they will ask for the opening game on the opponent's field, giving an extra week in which to make the necessary repairs, repairs and other preparation for playing on the field.

County Commissioners Monday need to assist in putting the park in shape for baseball, including repairs to the wire screen and stand, the backstop and playfield. It will be necessary to have the football bleachers in the center of the outfield of the West Texas Utilities Co. agreed to remove one of the tall light posts which would interfere with baseball play. If cost is not unreasonable, the commissioners indicated, they will give the field in shape.

A money-raising campaign is under way to get the team fitted and ready to play, and help get the field in shape.

St. Peters is head of the finance committee which has set a goal of \$500 fund with which to stage for league baseball.

The Concho Basin League is an amateur league and the Ozona team will be a strictly amateur.

Manager Stuart announced yesterday that the first brief workout will be held this afternoon (Thursday) at the high school baseball field and Sunday afternoon at 3. All baseball players in the community, good or bad, are invited to work out with the team. You may be good enough to make the team, but if not, you will get a lot of fun out of practice sessions and maybe a few needed exercises, the manager said. Workout sessions will be held every afternoon next week, starting at about 6 o'clock, and the same invitation holds, Stuart said.

Bloody Cross of the San Angelo League secretary, will draw the season schedule, with league officials to flip a coin to determine the site of each opening game.

NORTH WINDS STILL BLOW

West Texans enjoyed the proverbial "short summer" which was spelled during the past week by cold winds out of the north which drove thermometers under the 40 mark, but never to the freezing point until this morning when a dip of 28 degrees was recorded. Threatening skies, which brought moisture in some areas, failed to produce the much needed moisture in this area. Effects of last night's rain on vegetation was being noted anxiously today.

Ozona Stores To Close Saturday Noon For 4H Club Show

Next Saturday, April 19, is 4H Club Day in Ozona. Big doings will be under way all day Saturday at the fair grounds, "Club Town" to the 4H boys, and a big rodeo feature in the afternoon, all proceeds to go into the 4H Club treasury.

Ozona merchants have agreed to close their stores at 12 o'clock noon Saturday, to remain closed until 5 p. m., in order that merchants and their employes might enjoy the afternoon's festivities at the fair park.

\$500 Matched Steer Roping Here Saturday

Mansfield, Edwards To Meet Black-Powers In Team Tying

Through the efforts of local roping enthusiasts, Ozona fans will have an opportunity to witness some big-time steer roping next Saturday afternoon at the fair grounds arena when Toots Mansfield, world champion calf roper, and Sonny Edwards, both of Big Spring, will rope against Kay Block and Tom Powers, both of Ozona, in a \$500 team-tying match.

In addition to the \$500 team-tying match, there will be jack-pot calf roping and jack-pot team-tying contests, with roping talent from near and far assembled to take part, and possibly other matched ropings.

The program will begin at 2 o'clock Saturday afternoon, as a finale to the Club Day celebration at the fair grounds sponsored by the 4H Club. Proceeds from the afternoon's roping program will go into the 4H Club treasury, Vic Montgomery, generalissimo of the rodeo events, announced.

Stock for the afternoon's roping will be furnished without charge by Joe Davidson, Ozona ranchman.

13 To Graduate From Ozona High In Class Of '47

Commencement Plans For High, Grade and L. A. School Shaped

Thirteen students will complete their high school work to receive the coveted diploma in commencement exercises for the Ozona High School class of 1947, scheduled for May 15, it was announced this week by Supt. C. S. Denham.

Commencement plans are being shaped up for exercises in the high school, elementary school and Latin-American school. Miss Jacqueline Theis, public school music teacher, is directing plans for the eighth grade promotion program, Miss Mildred North the high school graduation program and Mrs. Janie Hull, the eighth grade and high school graduating exercises in the Latin-American school.

Senior exams in the Ozona High School will be given May 8 and 9, Supt. Denham announced this week. Baccalaureate services will be held Sunday morning, May 11, in the high school auditorium the Rev. Horace M. King, pastor of the Ozona Methodist Church, to deliver the baccalaureate sermon.

High School examinations, for pupils other than Seniors, will be held Monday, Tuesday and Wednesday, May 12, 13 and 14.

In the Latin-American school the combined high school and junior high commencement exercises will be held Tuesday evening, May 13. The promotion program of the eighth grade, Anglo-American school, will be held Wednesday evening, May 14, and the high school commencement on Thursday evening, May 15.

Report cards will be issued to all pupils on Friday, May 16, after which they will be dismissed

Petition Asks Election For School Tax Hike

Signers Ask Court To Order Vote On Raise To \$1.50 Levy

A petition asking the Commissioners Court of Crockett County to order an election on the question of whether or not the district school tax levy shall be raised from the present total levy of \$1.25 to the maximum levy of \$1.50 on the \$100 valuation, is being circulated here this week preparatory to presentation to the Court at its next meeting.

The county voted last year to raise the school maintenance levy from the then 50 cents to the maximum of \$1.00 on the \$100 valuation but provision was not made in that election for raising the amount which might be levied for the retirement of bonds and existing indebtedness, for which a maximum levy of 50 cents, in addition to the \$1.00 for maintenance, may be made.

The move to raise the retirement levy from the present 25 cents to 50 cents is made necessary because of heavy expenditures during the past year for construction of teacher housing projects and land purchases for future plant expansion, members of the district school board point out. An indebtedness of nearly \$50,000 is now faced by the administration; an indebtedness which can not be retired from the maintenance funds.

Latin-American Mother's Club To Stage Bazaar April 25th

A bazaar, sponsored by the Latin-American Mothers Club, will be held Friday, April 25, at the Latin-American Community Center starting at 2 o'clock in the afternoon.

There will be aprons, pot holders, children's clothing, cup towels, pies, hot tamales, enchiladas, and many other items offered for sale. Mrs. Jennie Riddle is making pies which are to be sold during the afternoon bazaar.

Proceeds from the sale will go into the Mothers Club fund for use in the purchase of a sewing machine for use in the Center. An order has already been placed for the machine and its delivery is expected within a few weeks. All Ozonians are urged to visit the bazaar and patronize the sale.

Lions To Open Dist. Baseball Slate Tuesday

Sonora Opponent In First Home Game At 4 O'clock

Off with a 7 to 1 win in an exhibition game with the Bobcats of San Angelo High School on the Goodfellow Field diamond last week, the Ozona Lions of Coach Marshall Brown will open the district diamond wars here Tuesday afternoon on the home field against the Bronchos of Sonora High School. The game is scheduled to be tapped off at 4 o'clock Tuesday afternoon at the new school athletic field a block west of the high school building. This field will be used for home games until the Powell athletic field is placed in shape for play. No admission charge is to be made for the Tuesday game, Supt. C. S. Denham announced.

Five district games are on the Lions slate for the season, with a sixth yet to be arranged. The balance of the season schedule is as follows: April 22—Sonora Here April 25—Eldorado Here April 29—Ozona in Eldorado May 6—Big Lake Here May 9—Ozona vs Big Lake in Texon.

A return game with the Sonora Bronchos has not yet been set but will be arranged later.

Eight Games Slated On 1947 Football Schedule Of Lions

Next fall may seem a long way off for some folk, but to Coaches L. B. T. Sikes and Marshall Brown of the Ozona High School Lions, the next football season is always "just around the corner."

With Spring practice completed and baseball now in the saddle the grid coaches are, nevertheless pointing to fall's crisp weather and the first call to grid iron combat.

The Lions of Coaches Sikes and Brown are slated for an eight-game series come the fall months, four games at home and four on foreign soil. Two new "faces" in the way of practice game opponents appear in next fall's schedule, Bronte and Crane. Bronte, defeated in bi-district play by the Ozona crew on two occasions, will open the Ozona season September 19 in an exhibition game here and the following week-end will see Crane on docket for a second home game for the Lions. The season's schedule as drawn follows:

- Sept. 19—Bronte in Ozona.
- Sept. 27—Crane in Ozona.
- Oct. 4—Reagan Co. High in Ozona.
- Oct. 10—Ozona in Menard (Night).
- Oct. 17—Ozona in Rocksprings (Night).
- Oct. 24—Ozona in Junction (Night).
- Oct. 31—Ozona in Eldorado (Night).
- Nov. 8—Sonora in Ozona.

Sinclair-Atlantic Spot Deep Test On U. T. Acreage

Wildcat On Block For Which Record \$910,000 Bonus Paid

Sinclair Prairie Oil Co. and the Atlantic Refining Co. have staked location for a scheduled 9,500-foot rotary wildcat in central-north Crockett County on the 2,492.5-acre block for which Sinclair Prairie paid a record cash bonus of \$910,000 at the University Lands auction in Austin Dec. 14, 1946.

Sinclair Prairie is understood to have assigned to Atlantic a half interest in the block and in some other University leases in the area.

The companies' No. 1-66 University well is 1,980 feet from the north and east lines of section 30-46-U, about 10 miles northeast of the Todd Deep field, which has both crinoidal (Pennsylvanian) and Ellenburger (Ordovician) production. Drilling 9,500 feet is expected to explore the Ellenburger.

The block for which Sinclair Prairie paid the \$910,000 cash bonus consists of eight separate tracts: the south half of section 21-48-U, south half of section 22-46-U, north half of section 29-46-U, south half of section 29-46-U, north half of section 30-46-U, south half of section 30-46-U, west half of section 26-45-U and the southwest quarter of section 25-45-U.

In leasing the block Sinclair Prairie assumed an obligation to start within 180 days a test to be drilled 9,500 feet or to commercial oil or gas production at a lesser depth or to sulphur water in the Ellenburger at a lesser depth.

The Sinclair Prairie-Atlantic wildcat brings to seven the number of Crockett County wildcats projected to or now exploring the Ellenburger.

Ted Weiner and associates' No. 1 Mrs. R. L. Vaughan of San Angelo, slated 9,000-foot wildcat 10 miles northwest of Ozona, was drilling at 1,530 feet in lime and shale. Location is the C SW SE 86-0B-GG&SF.

METHODIST CONFERENCE

An important meeting of the Methodist church membership will be held at the Methodist Center at 7:30 tonight. It is a combined church conference and quarterly conference during which important matters concerning the proposed new church building will be decided.

Gulf Core Test Finaled For 108 Barrels Daily

Application To Designate New Field Lancaster Hill

Gulf No. 1-R University, a core test for geological information in central west Crockett County which nearly a month ago developed production from the Grayburg section of the Permian lime, has been completed, pumping naturally 108.48 barrels of 33.3 gravity, pipeline oil in 24 hours. Gas-oil ratio was 591.

The well, with elevation 2,669 feet, topped the pay at 1,677 feet, drilled to 1,685 and cemented 7-inch casing at 1,429 feet. Two and three-eighths inch tubing was run to 1,683 feet.

Location is 92 feet from the north and 2,753 feet from the west line of section 14-B29-psl, six miles southeast of nearest field, the Clara Couch where 26 gravity oil is produced from the Grayburg at around 1,530 feet and from the San Andres slightly below 2,200.

The name Lancaster Hill has been suggested for the area by Gulf in filing its potential gauge. No. 1-R University being about four miles northeast of old Fort Lancaster. A special hearing for the designation of a new field allowable is requested.

Gulf recently filed application for permit to drill No. 2-R University, to the pay zone discovered by No. 1-R University, 1,576 feet south and slightly east of the pool opener and 1,650 from the north, 2,310 feet from the east line of section 14-29-U.

Cities Service and others No. 1-E J. W. Owens, indicated discovery producer in western Crockett between the Olson and Clara Couch pools, was reported unofficially Tuesday to be drilling below 5,986 feet. It is scheduled to explore the Ellenburger.

The wildcat blowout March 19 with tools in the hole when bottomed reportedly at 5,802 feet and flowed wild for three days before it could be shut in. The blowout was believed to have been in the crinoidal of the Strawn section of the Pennsylvanian after the test had flowed oil, gas and some water on two drillstem tests thought to have been made in the Wolfcamp, basal Permian. Location is the C SW NW 6-GG-H&OB.

Shell No. 1 University, C NW SW 21-39-U, northeastern Crockett County wildcat exploring the Ellenburger was drillstem testing from 8,497-8,660 feet.

Ozona Coaches To Attend El Paso Coaching School

Nation's Leading Mentors Guide 5-Day School In Aug.

Coaches L. B. T. Sikes and Marshall Brown of Ozona High School will attend the 5-day coaching school in El Paso, to be held August 4 through the 8th, under sponsorship of the Texas High School Coaches Association.

Actual expenses of the Ozona coaches while attending the school will be borne by the school district under action of the district school board in session Tuesday night.

Some of the nation's outstanding coaches will provide instruction for the high school coaches during the El Paso school. Among these will be Jess Neeley of Rice, Bo McMillan of Indiana University, Adolph Rupp of the University of Kentucky, Frosty Cox of Colorado University, and Joe Davis of Rice.

The assembled coaches will witness an all-star basketball game the night of August 7th and an all star football game the night of August 8th.

APARTMENT FOR RENT. Couple only, Mrs. Ivy Mayfield, Phone 325W. 1c

Guy Powell To Speak At 4H Club Open House Sat.

Kerrville Agent To Address Assembly; Show Stock Parade

Guy Powell, county agent at Kerrville, will be the guest speaker at the open house program at "Club Town," the old fair grounds next Saturday, April 19, it was announced this week by Joe Cowan, Crockett county agent in charge of arrangements for the day-long program at the grounds.

Mr. Powell is nationally known for his outstanding work with 4H youth and will speak on the phases of this work of interest to adults and club members.

A caponizing demonstration by Sam and Chris Perner, senior 4H Club members, from 9 to 9:30 will open the day's program at "Club Town." Sam and Chris will instruct any visitor who is interested in the method of caponizing.

An exhibit of 4H Club colts and judging of sheep will occupy the next hour, from 9:30 to 10:30. H. C. Noelke, Corriedale breeder from Sheffield, and Dempster Jones and Buster Miller of Ozona and Leo Richardson of Iraan registered Rambouillet sheepbreeders, will have representative flocks for exhibit.

From 10:30 to 11:30 there will be the calf preview, a showing of calves now being fed by 4H Clubbers.

The program of speakers will be from 11:45 to 12:15, with Judge Houston Smith introducing Mr. Powell, the guest speaker. Chas. E. Davidson, Jr., will introduce the adult 4H Advisory Committee and visiting livestock breeders.

Rev. Horace M. King will pronounce the invocation before the barbecue dinner to be served under sponsorship of the 4H Mothers. Charges of \$1 for adults and 50¢ for children under 10 years will be made for the dinner.

Starting at 2 o'clock in the afternoon at the fair park arena will be the \$500 matched steer team tying contest between Toots Mansfield and Sonny Edwards of Big Spring and Kay Block and Tom Powers of Ozona. A full afternoon's roping program will follow, to include jack-pot team roping and jack-pot calf roping, plus additional matched contests.

A dance on the fairground platform beginning at 9 P. M. will top off the day's activities. Spot Friend and Gene Williams are the promoters 4H Club to benefit from proceeds. Music will be by The Ozona Playboys. Admission will be \$2.15 per couple.

Callery Extends Todd Ellenburger Pay Quarter Mile East

A quarter mile east spread to Ellenburger production in the central part of the Todd Deep field in western Crockett County was effected by F. A. Callery of Fort Worth and associates' No. 4 J. S. Todd estate.

The well, C NE NW 66-UV-GC&SF, flowed 567 barrels of 42.02 gravity pipeline oil on a six-hour gauge to establish a daily potential of 2,268 barrels. Gas-oil ratio was 440-1. Flowing pressures were 350 pounds on the tubing and 250 pounds on the casing.

The test was through a three-quarter inch choke on 2 1/2-inch tubing set at 6,368 feet and 315 perforations at 6,275-6,380 feet in 7-inch casing cemented on bottom to 6,382 feet. The section had been treated with 5,000 gallons of acid. The well is a quarter mile east of Callery and others' No. 1 Todd and the same distance south of Humble No. 5-C fee, both producers. A quarter mile farther east Callery and others are drilling No. 1 State-Todd.

Humble No. 7-C fee 2,026 from the north, 1,837 feet from the west line of section 65-UV-CG&SF, was drilling at 5,144 feet in lime and shale.

Community Welfare Study Topic For Ozona Woman's Club

A forum on "Public Welfare" was conducted by the Ozona Woman's Club in its regular meeting last week at the home of Mrs. A. C. Hoover, with Mrs. A. E. Deland as assisting hostess. Rev. Horace M. King spoke on the spiritual welfare of the Community. He urged that the spiritual literacy of the community be raised and dwell on the topic of mental hygiene in which he suggested means of promoting improvement. For children he recommended a committee to evaluate picture shows, a story hour, selection of good radio programs; for youth, a well supervised playground, marriage counselling, vocational clinics and religious education opportunities; and for adults, regular church attendance, better home and sobriety. Dr. H. B. Tandy as county health officer discussed the general

health of the community, urging the cooperation of the people in guarding the health of the community. He recommended vaccination against communicable diseases.

Floyd Crabtree, license examiner of the State Highway Patrol, was introduced by Sheriff Bruce Harp and spoke on safety and courtesy in driving.

Mrs. Dick Adams entertained the group when she whistled three numbers "Indian Love Call," "It Might as Well Be Spring," "It Listen to the Mocking Bird." Mrs. Roland Allard accompanied at the piano.

Ice cream and cake were served to the following members and guests: Mrs. Stephen Perner, Mrs. Lowell Littleton, Mrs. Hubert Baker, Mrs. Ira Carson, Mrs. L. B. Cox, Jr., Mrs. A. E. Deland, Miss Elizabeth Fussell, Mrs. Joe Pierce, Mrs. O. L. Simms, Mrs. A. C. Hoover, Mrs. Hugh Gray, Mrs. Charles Williams, Mrs. S. M. Harvick, Mrs. J. W. Henderson, Jr., Mrs. Dick Adams Mrs. Byron

Stuart, Mrs. John Davis, Rev. Horace M. King, Dr. H. B. Tandy, Bruce Harp, and Floyd Crabtree.

Pheno-Salt Mixture Proves Benefit To Sheep And Goats

COLLEGE STATION, — More wool and mohair has been the result of feeding a phenothiazine-salt mixture to sheep and goats in Edwards County.

Fred Mathews, foreman for the Spect Ranch in Edwards County, reports to County Agricultural Agent A. A. Storey, Jr., that he has fed the chemical, with sale, to

livestock for the past three years through the stomach worm season, and that the practice has really paid dividends.

Looking back several years when he didn't use phenothiazine in his ranching operations, Mathews tells County Agent Storey that his sheep had to be drenched to control stomach worms several times through the summer, "and even then, the lambs did not weigh enough at marketing time". Since the sheep have been getting the pheno-salt mixture, they have produced not only more wool, but more and heavier lambs as well. Mathews says his goats are also shearing more mohair. During the

winter months he feeds a mineral salt containing calcium and phosphorous.

Mrs. Adams Whistles For Rotary Club

Men ordinarily pride themselves on being able to out-whistle the ladies, but Mrs. Dick Adams whistled Ozona Rotarians and the guests how it should be done when she whistled three numbers at the club program Tuesday night.

With Mrs. Roland Allard accompanying at the piano, Mrs. Adams whistled "Indian Love Call," "Listen to the Mocking Bird" and "It Might as Well Be Spring."

EIGHTH-GRADE HOMEMAKING CLASS ENTERTAIN MOTHERS AND TEACHERS

Girls of the eighth-grade homemaking class held open house for their mothers and teachers on the afternoon of April, 10. Guests present were: Mrs. Myrtle Mitchell, Mrs. Stephen Perner, Mrs. Roy Simpson, Mrs. J. A. Sparks, Mrs. E. Earnest, Mrs. Arch Cooke, Mrs. C. S. Denham, Mr. Oren Sikes, Mr. and Mrs. B. H. Gibson, Mrs. son Richard, and Miss Mary Carl McWilliams.

Members of the class were: June Perner, Ruth Sparks, Gwen Earnest, Patsy Cooke, Darrene Thompson, Doris Armentrout, and Hallie Perner. Miss Frances Willms, homemaking sponsor, was also present.

ADVICE TO THE LOVELORN

By what symptoms or signs can you tell that my boy friend really loves me?
Signed
Wondering

Wondering,
In the dictionary classified "love", there is no such word as "love". A boy either falls head over heels or he doesn't care very much. If your boy friend falls head over heels he will act like a fool. If it ever happens to you, you will know.

Signed,
Pinhead

ORIGIN OF ICHTHYOGRAPHY

When some of the students of the O. H. S. were asked what they would do with "Ichthyography", here were some of the queer answers.
Rosalie — Leave it in the dictionary.
Betty C. Send it back to the cage it escaped from.
Virginia — Run in the opposite direction.
Charles C. — Look it up in the dictionary.
Mary K. Look at it and run.
Joan — Forget about it.

Charlie D. — Put it back in the dictionary.

Edith Lou — Chew it up and swallow it.

Betty Jane — Be kind to it.

Frank P. — Take a few letters out.

Dale Not get too near, it might bite.

Bill F. — Cook it and eat it.

Max — Ask Mr. Archer.

Joe C. — Throw it in the trash can.

Gordon — Put it back in the ocean.

Ann W. — Sleep on it.

"What you may ask", does ichthyography mean? It is a study of fish.

F. H. A.

Six girls of the Ozona F. H. A. chapter attended an area meeting in San Angelo last Saturday, April 11. The girls — Betty Cooke, Louise Wood, Marian Dryden, Merle Senne, Patsy Cooke, and Eda Louise Goodson — were accompanied by their sponsor, Miss Frances Willms. Almost 550 other girls were at the meeting, representing forty Texas towns.

Registration took place from 9:00 A. M. till 10:00 then the girls met in the auditorium for a few speeches by the area president and other representatives.

After dinner, which was served in the high school cafeteria the girls went back to the afternoon session. A representative from each chapter reported on her chapter's activities. Betty Cooke gave the report for the Ozona chapter.

Various skits and musical numbers were enjoyed by all the girls. Since the regular pianist was absent, volunteers were called for. Merle Senne and "Boots" Dryden were among the volunteers, and entertained with several piano selections.

BIRTHDAY CLUB NEWS

The Ozona High School library has received five excellent new books these last two weeks. "Green Grass of Wyoming" by Mary O'Hara was given to us by Mrs. A. E. Deland. "Victoria Grandolet" by Henry Bellaminn was given by Lillian Schneemann. "Fundamentals of Radio" by Henry L. William was given by Joe Perry. "Mrs

Mike" by Benjamin and Nancy Freedman, and "Texas Wild Flowers in Natural Color" by Miss Mildred North.

We are very proud of the growth of our library and would appreciate the following list of books "So Big" by Edna Ferber, "And Now Tomorrow" and "Hepatica Havok." by Telix Lalten, "Northwest Passage" by Kenneth L. Roberts, "Daddy Long Legs" by Jean Webster "Seventeen" by Booth Tarlington and "The Story of Dr. Wassell" by James Hilton.

GOSSIP

Lin surely has been getting around this week end. A new car and a new girl every night. Nice

going Lin!

Lee A. and Patsy M., Glen C. and Betty Jo were seen riding in Glen's car Sunday afternoon. Have fun?

Jane and Mary Ann had visitors again this week end. Barnhart of course!

Bob and Bill seemed sorta' lost this week-end could it have been because Lillian and Rosalie were gone.

Ann West how are you and Tom Ed. getting along? We don't hear much about him nowadays.

Jo Lou we hear you had a lot of fun and trouble this weekend. By the way who did you have a date with Friday Night?

Joan had quite a party at her house after the show Friday night. Jo Lou and Lin, Mary K. and Jack, Sue and Red, Frank and Virginia, Joan and Chris and Nat had a lot of fun eating and playing records.

Someone ask son if a station wagon full of girls came down from Menard to see him Monday

Night. Nat do you know anything about it.

Bernard's back Virginia. You had better duck this time. That boy's dangerous isn't he Mr. Sikes.

What's happened to Sue and Red. We don't see them together much anymore.

Sam, did you and Max have fun in Big Lake Friday Night?

Rosalie is in quite a rut but she seems to love it. Bob appears to like it too. You better watch out you two One of these days some-

ones blond hair is going to get caught in that locker door.

Seen together this week-end were:

Beau Brummell of the Boulevards!

You're practically that, of course, the minute you take over any new 1947 Buick. Never before has any automobile so completely won the country by its beauty — so clearly defined the shape of cars to come.

But really to take the stage and hold it — to cut a dashing figure in the smartest of smart company —

Mister, just picture yourself in this bold beauty here.

It is without question the most wanted version of America's most wanted car.

It's wanted for the freedom that's yours when its handy control swings back the top — and the sky becomes your roof and the birds your travel mates.

It's wanted for the lift and surge of its satiny straight-eight Fireball power plant, master of

every grade and hill, monarch of the farthest horizon.

It's wanted for bigness, and the deep comfort of low-set, cushiony seats — wanted for the floating ease of soft all-coil springing, and the sure-footed stride of a car that's big enough and brawny enough for its job.

It's wanted for styling that already has set the pattern for years to come — it's wanted for fun, for adventure, and for year-round, all-round full family use.

The demand for it? Great, of course. The supply? Mounting as fast as Buick's beaver-busy production staff can free up the supply of the fine materials that go into it.

So with patience, one can be yours. With patience, that is — and the foresight to get your order in now.

LION'S ROAR

(Continued from Page 3)

Mary K. and Jack Sue was it Armond or Red? Jo Lou, Lin then Nat — Gosh that girl gets around! Joan and Chris Mary Ann and Sammy Jeffers Jane and Jerald Carter Judy and J. G. Virginia and Frank Saturday Night: Jane and Buddy Jo Lou and Max Mary K. and Jack Sue and Lin Joan and Chris Sunday Night: Sue and Sam Jo Lou and Max Lillian and Bill Mary K. and Jack Judy and Lin Joan and Chris Monday Night: Sammy and Jo Lou Lin and Judy Chris and Joan

Red: You are the most beautiful girl in the world. I can't live without you. I must have you. Will you marry me? Sue: Who me?

There seems to be another epidemic going around. It's called Spring Fever and almost everyone has it.

HEAR YE!

Why are the juniors suddenly so mysterious? Why are they seen

washing and white washing tires? O. K. I will give away their little secret! April, 25 is the Junior-Senior banquet — what else could it be? The banquet starts at 8:00 and the dance begins at 9:00.

Oh! the dance! The following wonderful eleven people are giving the dance: Mr. and Mrs. R. L. Flowers, Mr. and Mrs. Max Schneemann, Mr. and Mrs. Evart White, Mr. and Mrs. Monroe Baggett, Mr. and Mrs. W. R. Baggett, Mr. and Mrs. W. B. Stark, Mr. and Mrs. Bill Bissett, Mr. and Mrs. Stephens Perner, Mr. and Mrs. Charles Coates, Mr. and Mrs. Walter Augustine, and Mr. and Mrs. Ray Piner. Now comes the surprise! They are inviting the juniors and seniors of all the district and Barnhart and of course the dance wouldn't be complete without the Harrison Texans. So they will be there too!

The student body is just waiting for the days to lag by until April 25th is here.

Bill M.: "Shes as pretty as a picture."

Jack C.: "Yup, nice frame."

Mr. Brown: "Take 3 1/2 from 21 1-8 and what's the difference?"

Sonny M.: "That's what I say; who cares anyhow?"

Mr. Sikes: "Are there any questions before I start this examination?"

Buddy P.: "Yeah! Whats the name of this course?"

SENIOR INVITATIONS

The senior invitations came in Monday, so folks, this is just a fair warning — Remember every invitation you get — send a gift — As the seniors say — "It is better to give than receive—" so long as you give to them.

A modern girl doesn't chase a man. But then, a mousetrap doesn't chase a mouse, either!

TOP HITS

The three songs on the O. H. S. Hit Parade for this week are: "Guilty", "Heartbreak" and "Jole Blon."

PICTURES

When you come to school Thursday be sure and look your "Sunday-best" with your hair slicked down and your shoes shined! Why? My goodness, because the man will be here Thursday to take our class pictures, and you want to look your prtttiest.

APRIL

April the 21st! That sounds like heaven to the O. H. S. students this week. One whole day we don't even have to think about school! Imagine that!

Some of the luckier ones are leaving town Friday afternoon and won't even be back 'til Monday night. Others are going to have their fun here at home. If it isn't a pretty day I'm afraid about half the kids will have pneumonia cause most say even if its snowing they are going swimming.

We can dream until Friday — From Friday to Tuesday we can make those dreams come true — But Tuesday we come back for those good ole 3 wks. tests! Ah, well, such is life!

Mrs. John Young had as her guests this week her son and daughter-in-law, Mr. and Mrs. Walter Young and their daughter, Dorothy, and Mrs. Sim Saylor, Jack Buster and his mother, Mrs. Buster, all from San Angelo.

GIRL SCOUT NEWS

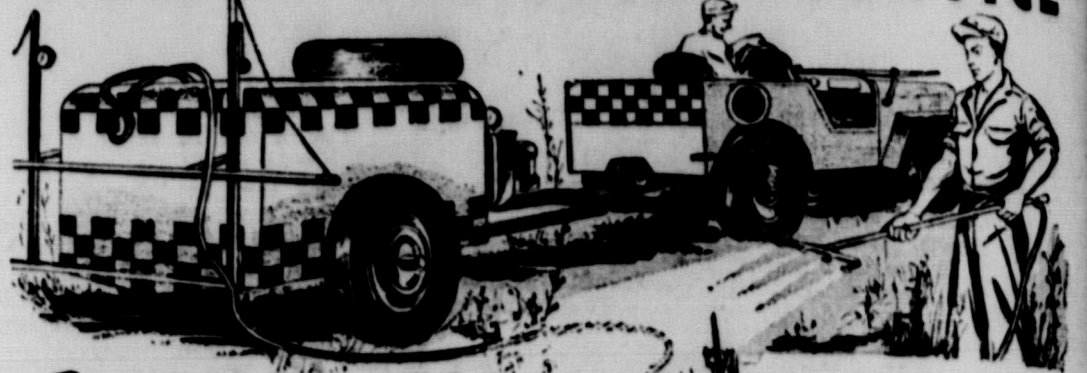

The lovely back yard of Mr. and Mrs. C. S. Denham was the meeting place for the Girl Scouts Wednesday afternoon. The girls built a fire and roasted weiners and en-

joyed every minute of their picnic. The girls who participated were Patsy Hill, Glenda Jetton, Made-

line Johnston, Claudie Word, Gretchen Krause, Jo Ann Allen, Shirley Kost, Wanda Carden, Shir-

leen Lonon, Barbara Fields, E. Jayne Maris, LaJean Word, Jeanine Thompson.

Pop's on K.P.!

POOR POP! How willingly he took over when Mother got the gripe. But Mother will have a relapse when she sees what's happened to her favorite kitchen!

Pop hasn't yet caught on to Mother's modern way of keeping house. He hasn't yet learned that dependable electric service can take a lot of work out of housework—not only in the kitchen, but in every room of the house. For electricity is like many extra pairs of hands for the housewife—and the house-husband, too, when he takes over K. P.

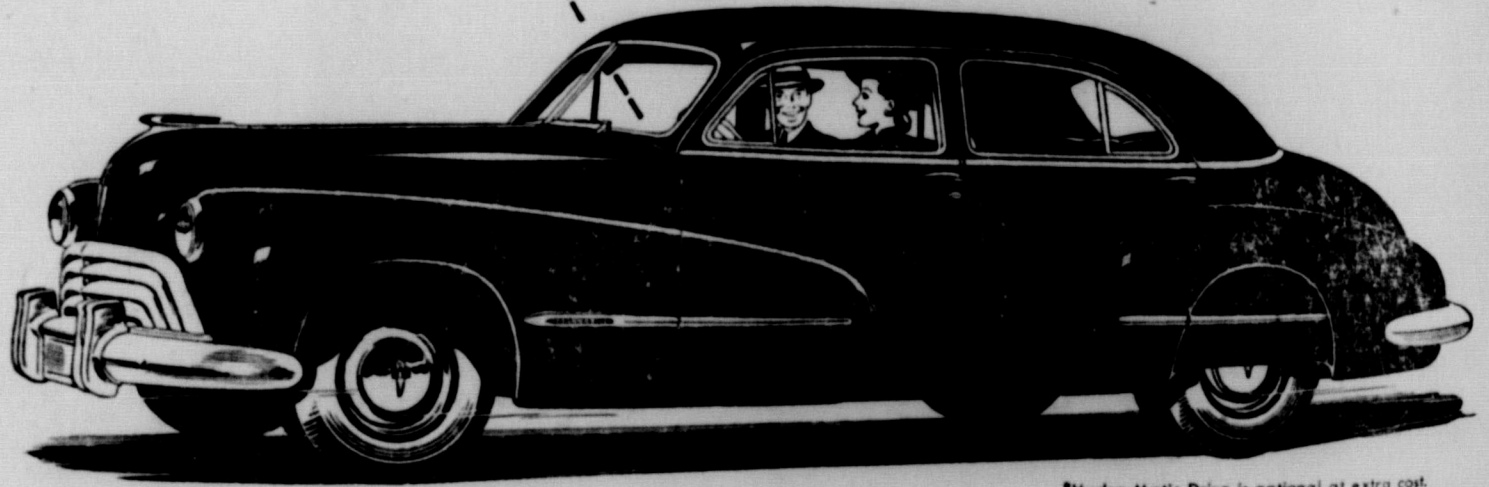

But there's one thing Pop does know, because he's the lad who pays the bills. He knows that electricity is just about the smallest item in his family budget—even though he may not realize that the average family gets twice as much electricity for its money as it did 20 years ago.

It costs so little—and it does so much! Yes, electricity is a big household bargain that comes to Pop—and to you, too—through the practical experience of your friends and neighbors in this company, under sound business management.

West Texas Utilities Company

AUTOMATICALLY the Smart Choice for 1947

*Hydra-Matic Drive is optional at extra cost.

IT'S Smart TO OWN AN OLDS

Style alone would make the 1947 Oldsmobile the smart buy of the year! Long, flowing lines, tasteful trim, beautifully tailored interiors . . . all combine to give this car a "new-as-tomorrow" look. And when you consider that Oldsmobile is the lowest-priced car to offer GM Hydra-Matic Drive*—that makes it a smart choice automatically. For Hydra-Matic Drive* is America's only fully proved, fully automatic drive. The only drive that shifts gears through four forward speeds automatically . . . and eliminates the clutch pedal entirely! . . . Your Oldsmobile dealer will tell you when you can drive a smart new Oldsmobile of your own!

It's Smart to keep it serviced

Until your new Oldsmobile comes, let your Oldsmobile dealer keep your present car in shape. He has facilities for every type of service work.

BRU Sheriff,

Deferred Grazing One Most Important Conservation Practices

of the range conservation practices considered by Department of Agriculture officials to be the most important and one which there is least participation by producers is that of reseeded or pasture land by deferred grazing, Miss Betty Bratcher, administrative officer for AAA, points out.

The reason that more farmers do not participate in practice is the small allowance made by the AAA, Miss Bratcher said, and as "food for thought" offers the suggestion more participation might be secured if an increase in the price per acre.

This practice is paid for at the rate of 12 cents per acre in this county, with the rate less in some of the far western counties. To qualify for payment under this practice, a acre must be deferred grazing for a period of three consecutive months in the grazing season, with payment deducted down if grazing is deferred for less than three months but less than five. The acre deferred must be free of all livestock during the deferred grazing period.

The deferred grazing period is a protection against overstocking a part of a ranch to qualify for deferred grazing payment on other part, AAA specifies that not in the deferred area must be pastured to such an extent that the stand of grass will decrease the stand of grass injure forage, tree growth or be shed. Acreage on which hay will not qualify. Deferred grazing area is limited to 25 percent of the non-crop open pasture range land.

To qualify for payment on this range conservation program, ranchers must secure written approval of the county committee before beginning deferred grazing.

Performance should be reported on the form on which the practice is approved, after deferred grazing has expired, and by the expiration date for reporting shown on the form.

A total of 84,442 acres in Crockett county have been reseeded by deferred grazing from 1940 through 1946, Miss Bratcher's records show, with 23,295 acres in the largest area so treated any one year.

The Crockett County Committee approved the starting time for deferred grazing from April 1 to the 1st.

WATER SPRAYED WITH DDT NOT TOXIC TO LIVESTOCK
Livestock owners need have little cause for concern if their animals should happen to drink water that has been treated with DDT to destroy mosquito larvae, according to veterinary scientists. At least, these scientists say, the concentrations of DDT normally used in this work have not been reported to cause poisoning in farm animals which drank such water.

Texas grapefruit production for this season is now estimated at 5,000,000 boxes—one million boxes more than the 1945-46 production.

Western Parade And Rodeo Added To Fiesta Program At Santone

SAN ANTONIO—Two big new events have been added to the Fiesta de San Jacinto here in April—an all-western parade and a five-day rodeo. The Fiesta open April 21 and runs through April 26.

The all-western parade and the rodeo both are sponsored by the San Antonio Junior Chamber of Commerce, which, for the first time, has joined the participating organizations in the week's activities.

The all-western procession brings to three the number of fiesta parades and will take place on Tuesday afternoon, April 22. The others will be the trades display parade on Wednesday and the famed Battle of Flowers on Friday afternoon.

BARBECUE SUPPER

The Young Adult Fellowship of the Methodist Church will entertain with a barbecue supper at the Methodist Center on Tuesday evening beginning at 7 o'clock. The affair will be in honor of the adult new members of the church.

Community Spring House Cleaning Urged As Health Measure

AUSTIN, TEXAS—A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state according to Dr. Geo. W. Cox, State Health Officer, who said in Austin today, "From a practical standpoint the old adage that 'Cleanliness is next to Godliness' is still well worth emphasizing."

A general clean-up program of state-wide proportions with the

objective of bettering health conditions for our citizenship should include surface cleaning, drainage, the cleaning of all parks and playgrounds and the clearing of weeds and rubbish off of vacant lots.

"The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises," said Dr. Cox, "will be of inestimable value in helping to keep down summer health hazards such as dysentery, typhoid, and poliomyelitis. Good community housekeeping and ordinary sanitary measures require the prompt removal of all waste

matter in and around yards and homes in order to abate the danger of such diseases, and insure good health protection.

Dr. Cox stressed the fact that many dangerous diseases are filth-borne, and the only possible way to control them is to eliminate the insanitary conditions responsible for their spread.

Miss Billie Jo West Becomes Bride Of Jerry Hayes In Pretty Home Ceremony

The West home was the scene for the wedding of Miss Billie Jo West, daughter of Mr. and Mrs. Wayne W. West, and Jerry L. Hayes, son of Mrs. J. F. Hayes of McLeod, Texas, Sunday, April 13, at 2:30 o'clock in the afternoon.

The Rev. A. J. Carson, pastor of the First Baptist Church of Kerrville, read the double ring ceremony.

Mrs. James Childress, pianist, played a prenuptial recital of "Ah,

Sweet Mystery of Life," "Always," "Because," "With All My Heart" and the traditional wedding marches.

The improvised altar before the fire place was of two seven-branched candelabra, baskets of gladioli and palms.

Mrs. Larry E. Albers, sister of the bride, was matron of honor. She wore a gray crepe dress fashioned with a round neck line, cap sleeves and a draped skirt. Her

corsage was of pink roses. Wayne West, brother of the bride, was best man.

Given in marriage by her father the bride wore a white crepe dress fashioned with a round neck line, draped skirt and draped cap sleeves. Gold embroidery and bead work were around the neck and on the drape. Her corsage was of yellow Dutch Iris and white candytuft. For something old and borrowed, she carried a handkerchief made by Miss Dollye Coates.

Mr. and Mrs. West assisted the couple in receiving the guests.

Mrs. Gertrude Perry and Miss Mildred North presided at the double ring wedding cake topped with lillies of valley and surrounded by white tulle. Miss Dollye Coates presided at the bride's book.

Others in the house party were Mrs. Joe Pierce, Mrs. Lee Childress, Mrs. Ira Carson, Mrs. S. M. Harvick, Mrs. Alice W. Baker, Mrs. Sherman Taylor, Mrs. Scott Peters, Mrs. Massie West, Mrs. Hilton North, Mrs. Joe North, Mrs. J. M. Baggett, Mrs. Early Baggett and Mrs. George Montgomery.

The couple left immediately for a short wedding trip and for traveling the bride wore a brown faille suit, chocolate brown shoes, bag, gloves and hat and a sky blue coat. Her corsage was yellow

Dutch Iris. The couple will be at home here after their return.

Mrs. Hayes is a graduate of Ozona High School and received her degree from the University of Texas. She is now employed in the Ozona National Bank.

Mr. Hayes was graduated from McLeod High School and attended East Texas State Teachers College. He served 3 1-2 years in the Army Air Forces and is now flight instructor at the Kinser Flying Service airport west of Ozona.

The wedding party was entertained with a rehearsal dinner Saturday night in the home of Mrs. J. J. North with Mrs. North assisted by her daughters, Miss Mildred North and Mrs. Gertrude Perry.

The dinner was served buffet style. An arrangement of blue iris and white bridal wreath centered the table. Twenty were present.

Out-of-town guests here for the wedding were Mr. and Mrs. Mimms of Austin, Mr. and Mrs. Nelson Boothe of Sweetwater, Rev. and Mrs. A. J. Carson and son, Rick, of Kerrville.

NOTICE OF GUARDIAN'S APPLICATION TO MAKE OIL, GAS AND MINERAL LEASE
Guardianship of Frank Lorenz, a person of unsound mind. In the

County Court of Crockett County, Texas.

To all persons interested in the above ward or his estate:

You are hereby notified that I have, on the 14 day of April 1947, filed with the County Clerk of Crockett County, Texas, an application under oath for authority to make to Moore Exploration Company an oil, gas and mineral lease on an undivided one-half (1/2) interest in and to that certain real estate in Crockett County Texas, belonging to said ward, described as follows:

The South one-half (S-2) of Lot 17, Section 68, Block 1, I & GN Ry. Co. Survey, according to the C. W. Webster Subdivision of said Section 68 as shown by the Records of Crockett County, Texas, and containing 10 acres, more or less.

The Judge of County Court of Crockett County, Texas, on the 14 day of April, 1947 duly entered his order designating the 28th day of April, 1947, at 10:00 o'clock A. M., in the County Courtroom in

the Courthouse of such county, Ozona, Texas, as the time of application will be heard at such time and place.

Julius Lorenz
Estate of Frank Lorenz, a person of unsound mind.

"GOOD NEWS" SERMON THEM

Rev. Horace King, pastor of the Methodist Church, will preach next Sunday morning on the topic "Good News". At the evening beginning at 7:30 a member of Alcoholic Anonymous will speak at the High School auditorium. The entire community is invited.

STUDY ALCOHOL PROBLEMS

Mrs. L. B. Cox, Jr., led the second in a series of lessons on "The Problems of Alcohol" at the meeting Wednesday afternoon at the Methodist Center.

The lesson topic for the day was "The Psychological Effect of Alcohol on Human Behavior."

From where I sit ... by Joe Marsh

A Great Bunch - Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went over to cover the meeting for the *Clarion*, and one thing that sure impressed me was the good behavior of those boys—their preference for a moderate beverage like beer—their friendly spirit.

From where I sit, our ex-G.I.'s are making as good a showing in peacetime as they made during the war. And they're setting a mighty good example to the rest of us—in tolerance, and moderation, and good fellowship.

Joe Marsh
