Ellenburger Is High In Address Well

Ed-Frost Gets Water in Ellenburger

Harold Byrd and Jack Frost of the Ellenburger well failed in the Ellenburger well opened while Humble Ethel Childress Smith estate in northeastern Crockett county the Ellenburger higher to which it is a diagonal offset, and was testing. Mayberry-Tippett recovered 10 feet of drilling mud, 90 feet of drilling mud cut with siltwater on a three-hour drill-water of the Ellenburger from 156 feet. There were no shows for gas. There was a fair amount of air the first hour and a blow the next 1 1/2 hours but the last 45 minutes.

The only show in the Ellenburger was 420 feet of slightly drilling mud recovered on four drillstem test from 7-35 feet. The Ellenburger entered at 7,964 feet, 5,034 slow sea level.

It was expected that the wildcat be plugged back for an attempt at completion as a discoverer from a conglomerate from which it flowed 89.70 gals of 49.8 gravity oil in five on a dillstem test late in the formation never has announced but was reported to be Devonian.

Mayberry-Tippett is 660 feet from the northeast and southeast of section 39-31-H&TC, southeast of McCamey.

The top of the Ellenburger was higher than in Humble No. Grady Mitcham, the discoverer entered the formation 15 feet, 5,564 feet below sea No. 1 Smith estate is in the SW 1-BS&F (G. B. Couch).

The Midway Lane (Ellenburger) field in northeastern Crockett county, Sinclair Prairie and the No. 2-66 University was drilled at 6,482 in lime No. 4-66 University at 4,888 shale. The tests are in section 46-U.

Club Cancels Honoring State Generation President

Mrs. Few Brewster of the state president of the Texas Federation of Music Clubs, was to be here, the Ozona Music Club this week announced cancellation of plans for a dinner by the executive committee of the club followed by a tea honoring Brewster at the Baptist auditorium. Mrs. Brewster has visited Ozona today.

Modern Jewelry Store Opened Here By W. V. Adwell

With a stock estimated at more than \$70,000, W. V. Adwell, owner of the Adwell theatres here, has opened the Ranch Jewelry Store in the Ranch Theatre building.

One of the most modern jewelry stores in the state, the new Ozona business will stock the highest quality jewelry, watches, diamonds, silverware, china and gift goods to be found in the largest jewelry stores in the country.

The store handles Community plate, 1847 Rogers and National Silverware, Elgin, Longine, Waltham, Bulova and other popular makes of fine watches, diamonds, rings, luggage, costume jewelry and a variety of gift goods of all kinds.

B. B. Rogers, watchmaker, is associated with the new store, doing watch and jewelry repair work.

A feature of the policies of the new business will be the unconditional guarantee of every piece of merchandise sold. Mr. Adwell said, Ozonans are invited to inspect the new store and see the quality line of merchandise and to learn about the service to be offered in the jewelry and silverware lines.

Sheep And Goat Raisers To Meet In El Paso Dec. 1, 2 & 3

El Paso will be entertaining the 32nd Annual Convention of the Texas Sheep and Goat Raisers' Association when the organization holds its meeting there December 1, 2, and 3. An estimated 700 ranchmen and others are expected to attend the session.

It is reported that the Hotel del Norte, El Paso, headquarters for the convention, is booked to capacity but rooms are still available in other leading El Paso hotels.

Bryan Hunt, Sonora, Texas, President of the organization, urges sheep and goat raisers in the Ozona area to attend the meeting. Hunt said, "Every sheep and goat raiser in Texas is urged to attend the annual meeting and take part in establishing a 1948 policy and program on the industry's major problems."

One of the most prominent speakers to address the meeting will be the Hon. Jesse B. Gilmer, President of the Commodity Credit Corporation and head of the U. S. Department of Agriculture's Production and Marketing Administration. The CCC is presently carrying out a domestic wool support price program.

Other speakers already scheduled for the convention program include Mr. Sylvan J. Pauley, Deer Lodge, Montana, President of the National Wool Growers Association; Mr. M. J. Cook, Chief of the Packers and Stockyards Division of the U. S. Department of Agriculture; Mr. Chancellor Weymouth, Amarillo, Texas, President of the Texas and Southwestern Cattle Raisers Association; Mr. J. L. Lakey, Austin, Texas, Head of the Food and Drug Division of the State Department of Health; and Mr. Wallace Dameron, Director of the Texas Ranch Experiment Station, Sonora, Texas.

METHODIST CHURCH

"How Can We Be Sure About God?" will be the theme at Sunday morning's Methodist Service the pastor, Rev. Horace M. King announces.

Good progress is being made on the reworking and readying of the barracks building, to be used as temporary quarters for the church. Rev. King said, Sunday, October 26, likely will be the occasion of the first service there, according to present outlook.

Three preliminary estimates have been received on the entire new church structure, the pastor said.

Mr. and Mrs. N. W. Graham are home from a visit in San Antonio and Houston where they were the guests of Mr. and Mrs. Henry Strauss.

Menard Tramples Lions 25-20 In District Combat

80-Yard Touchdown Gallops by Coates, Read Furnish Thrills

But for a blocked kick deep in Ozona territory in the fourth quarter which was covered for a touchdown, it might have been a different story in Menard Friday night.

That was the difference that spelled defeat for the Ozona Lions in their second district start of the season, the final score 25 to 20 in favor of the Menard Yellowjackets.

Despite the fact that the heavy Menard line opened big holes in the Ozona line on almost every play, for substantial gains on offense and to bottle up Ozona plays before they could get organized in the backfield, Ozona's fleet backs uncoiled two sensational runs of better than 80 yards each for touchdowns which compensated a big delegation of Ozona rooters who made the long trek to Menard to witness the game.

It was in the third quarter after Menard's second touchdown and a lead of 13 points, that Jack Coates, wiry little halfback, kicked sparks from the Menard county hills as he took the handoff and scooted around end to gallop the full 80 yards from his own 20 for Ozona's first touchdown.

As thrilling was the second touchdown which was set up by a long, long, downfield heave by Bernard Lemmons to hit Don Cooke, Ozona end, on the Menard 20. Cooke made 19 additional before being brought down, and two plays later sacked up a short pass over the goal line for a second touchdown. Cooke then kicked the extra point to make the score at that point, Menard 19, Ozona 13.

In the final minutes of the game, after Menard had powered over its fourth touchdown of the evening, Nat Read, Lion halfback, pulled another of his fleet-footed downfield surges for an 85-yard payoff. Nat received the Menard kickoff after the final touchdown on his own 15 and took down the sidelines at express train speed to cross the goal line without a Menard tackler laying a hand on him. Again Cooke kicked the extra point to make the score 25 to 20.

The Lions will tackle the Rock Springs District 7B squad on the Rock Springs gridiron next Saturday afternoon.

Hampton Buys Big Block Leases On Mitchell, Hoover

108,000 Acres in Terrell, Crockett, Val Verde Involved

A block of approximately 108,000 acres in Crockett and Terrell counties have been leased by John W. Hampton of Wichita Falls and others, who plan to start a scheduled Ellenburger wildcat as check as titles are passed, according to reports this week.

W. J. Green of San Angelo and associates are under stock to have an interest in the block. Bonuses paid were unreported but the ten year commercial oil and gas leases provide annual rental of 50 cents an acre.

Hampton and others leased around 35,000 acres in Crockett county and 8,000 acres in Terrell county from John Mitchell, approximately 44,000 acres in Crockett from the Mrs. Laura Hoover estate and about 18,000 acres in Crockett from Mrs. Myrtle Hoover Mitchell. The estate of Mrs. Laura Hoover includes the Armond Hoover, W. P. Hoover, Kinser and dHolmsley lands in the southwest corner of Crockett county. These holdings and the John Mitchell ranch extend into northern Val Verde county.

Church of Christ Holds Open House at 'Granny Miller Hall'

Ozona Church of Christ held open house at the "Granny Miller Hall" Thursday evening beginning at 7:30 o'clock.

Rev. R. H. Stanley of San Angelo, was the principal speaker at the evening's program with short talks made by Rev. Glen Edwards, pastor of the First Baptist Church and the Rev. Horace M. King, pastor of the Methodist Church, here.

The hall was built by Mrs. Jones Miller and furnished by members of the Church of Christ Ozona.

Refreshments were served during the open house to 169 guests. Among out-of-town guests here for the evening were Mrs. H. M. Holmes, Mrs. Jess Haley, Mrs. Chas. Hale, Mrs. Mamie Holmes, and Mr. and Mrs. Jeff Owens, all of Sheffield; Mr. and Mrs. Jeff Moran, Mr. and Mrs. R. H. Stanley and daughter, Mrs. Elmon Powell, Mrs. C. M. Howard, Mrs. W. P. Holt, Mrs. John E. Robbins, Mr. and Mrs. L. O. Shannon, J. H. Jordan, Chester H. Kenley, Mrs. C. M. Kenley, Mrs. F. A. Rix, Mr. and Mrs. C. H. Rankin, and Harold H. Fontz, all of San Angelo; Mr. and Mrs. Boyd Lovelace and Mr. and Mrs. John M. Burnett of Sonora; Mrs. C. L. Davidson of Granger, Texas, Mrs. V. I. Light and children of Odessa, Mrs. B. G. Parker and Mrs. Florence Wilhelm of El Monte, Calif., and Mrs. Joe LaMartina and Linda from Brooklyn, N. Y.

New Literary Club Installs Officers At Breakfast Sat.

Ozona's newest woman's study club, the Ozona Literary Club, installed officers and launched its season's activities at a breakfast Saturday morning at the home of Mrs. R. J. Adams.

Guests were greeted at the door by Mrs. J. P. Pogue and receiving the guests were Mrs. Adams, George Schulz, her mother, Mrs. Hubert Baker, and her grandmother, Mrs. O. L. Sims, three generations of club workers, and the club's honor guests for the occasion, Mrs. P. T. Robison, president of the Ozona Woman's Club, Mrs. Ira Carson, contact chairman, and Mrs. Stephen Perner, club sponsor. Corsages were presented the honor guests.

Officers of the new club were installed and Mrs. Hubert Baker, past president of the Ozona Woman's Club, gave the charge. Officers installed were Mrs. George Schulz as president; Mrs. R. J. Adams as vice president; Mrs. J. M. Pettigrew as second vice president; Mrs. Charles Applewhite, recording secretary; Mrs. Byron Stuart, treasurer; Mrs. W. V. Guidroz, parliamentarian and Mrs. Jack Rutledge, historian.

The new club voted to join the Fort Concho Inter-County Federation of Clubs. It is affiliated with the General Federation of Women's Clubs and the State Federation of Clubs. Mrs. R. J. Adams was named delegate to the Fort Concho Inter-County Federation.

Others present besides those mentioned included Mrs. W. C. Brock, Jr., Mrs. Cleophas Cooke, Mrs. John Futral, Mrs. W. S. Hatcher, Mrs. W. T. Patterson, Mrs. Sam Patterson, Mrs. Ted Pilcher, Mrs. James Joslin, Mrs. Jack Sheridan and Mrs. Jack Sims.

GIRL SCOUT MEETING

Members of the Ozona Girl Scout troop met Tuesday afternoon at the Baptist Church to continue work on lanyards and for a program of games. Present were Jo Ann Allen, Ann Ratliff, Wanda Carden, Ellen Jayne Maris, Gwen Upshaw, Jerry Harshaw, Janell Parr, Sandra Guidroz, Barbara Fields, Betty Cunningham, Nancy May, Geraldine May, Shirleen Lonon, Shirley Kost, Nancy Ann Perrier, Gretchen Krause, Sandra Brewer and Ladean Word.

Mrs. A. E. Deland was in Dallas the first of the week attending the state fair.

Founders Day To Be Observed In PTA Meeting Mon.

Founders Day will be observed by the Parent-Teachers Association Monday afternoon at 3:20. A short business meeting will be followed by a program.

Mrs. Lewis Jones of Christoval, sixth district first vice president, will be the guest speaker for the occasion. Mrs. Jake Young, president, will be the program leader. Invocation will be by Mrs. Brock Jones and Mrs. Ed Lewis will sing, with Mrs. Brock Jones accompanying. A round table discussion and registration and social hour will follow.

Hostesses for the day will be Mrs. Joe Clayton, Mrs. Elmo McCook, Mrs. Buster Miller, Mrs. L. B. T. Sikes and Mrs. Bob Franklin.

Auto Transfer Papers Must Be Filed by Nov. 1

New Law Places Penalty for Late Filing Title Papers

Persons who have purchased used motor vehicles since June 12 of this year and who have not yet filed with the county tax assessor collector application for transfer of certificate of title should do so before November 1 to avoid penalty. Mrs. Gertrude Perry, deputy collector, reminded this week.

The new Texas law which assesses a penalty of \$5 against the new owner of a used vehicle who fails to file for transfer of title within ten days after purchasing such a vehicle, becomes effective November 1. It is retroactive in that it affects all transfers of used cars since June 12 of this year. Persons who have purchased used vehicles since June 12 and have not yet filed for title transfers, have until November 1 to do so without penalty, but after that date a \$5 penalty will be attached to the regular filing costs, the tax collector having no alternative but to assess the penalty.

Transfer and registration of all title papers is made mandatory in all used vehicle transactions under this law, the seller of a used vehicle being subject to a heavy fine for failing to deliver title papers with the car and the buyer being subject to the \$5 fine for delaying longer than ten days to register the transfer in his own name.

Woman's Club Hears Talk on Legislation By State Chairman

Legislative methods and pending legislation of interest to women were reviewed by Mrs. C. B. Hudspeth of San Antonio, former Crockett county resident and widow of the late U. S. Congressman from this district, in a talk to the Ozona Woman's Club in a session here Tuesday at the home of Mrs. Floyd Henderson. Mrs. G. M. Couch assisted Mrs. Henderson as hostess.

Mrs. Hudspeth is state chairman of legislation of the Texas Federated Women's Clubs and was invited to speak to the local club on the topic of legislation. Mrs. Hudspeth said that the duties of her office were to seek passage of legislation approved by the State Federation Board. She traced the history of women in politics and discussed some of the interesting bills now pending in the state legislature.

Present for the meeting were Mrs. George Schulz, Mrs. John Futral, Mrs. Jack Rutledge, Mrs. L. T. Patterson, Mrs. Cleophas Cooke, Mrs. Byron Stuart, Mrs. Allan Saunders, Mrs. J. P. Pogue, Mrs. W. V. Guidroz, Mrs. R. J. Adams, Mrs. Joe Clayton, Mrs. Sid Mills, Mrs. George Harrell, Mrs. Arthur Phillips, Mrs. R. A. Harrell, Mrs. George Harrell, Mrs. Mahlon Robertson, Mrs. Scott Peters, Mrs. John Bailey, Mrs. Hubert Baker, Mrs. G. M. Couch, Mrs. L. B. Cox, Jr., Mrs. Ira Carson, Mrs. Lee Childress, (Continued on Page Two)

Bank Deposits Climb Million In Three Months

5 1/4 Millions of Depositors' Money Stored In Ozona Bank

Fall sales of products from the ranches of Crockett county, plus revenues from other sources for residents of Ozona and Crockett county have combined to send demand deposits in the Ozona National Bank to the five and a quarter million dollar mark, a gain of a million dollars since July 1.

Deposits at the close of business of the local bank on October 6, when a call for statement of condition was made by the comptroller, stood at \$5,272,333.93 against a total of \$4,265,676.53 on June 30, date of the last call.

Clean-up of Commodity Credit Corporation wool loans, handled through the local bank on wool purchased in the Ozona warehouse, reduced the bank's outstanding loans by more than a half million dollars, from a total of \$1,295,018.39 on June 30 to \$784,769.71 in the latest statement. Loans other than CCC wool loans were down nearly \$100,000. The Ozona National has cash and due from banks totalling \$2,489,147.39 and an undivided profit item amounting to \$117,376.11.

Four Southwest Conference Teams in Action This Week

As the Southwest Conference race builds up full steam, Humble Oil & Refining Company this Saturday brings radio listeners three tilts between conference contenders plus the single intersectional match.

At 2:20 p.m. the Texas A. & M. T.C.U. broadcast will be heard from T.C.U. Stadium with Charlie Jordan on play-by-play and Jerry Doggett on the color assignment. Stations heard in this area carrying the broadcast include WRR, Dallas; KFJZ, Ft. Worth; KCRS, Midland; KGKL, San Angelo; KOSA, Odessa.

Texas U. and Arkansas meet in Memphis with the broadcast scheduled to go on the air at 1:50 p.m. from Crump Stadium. Vess Fox will describe the game, with Fred Kincaid handling color. Stations KRLD, Dallas; KTRH, Houston; KTSA, San Antonio; and others will carry the broadcast.

Kern Tips, ace play-by-play man, and Alec Chesser, color announcer will be heard from Ownby Stadium in Dallas, describing the Rice-S.M.U. game. The broadcast scheduled at 1:50 p.m. will be heard over stations WFAA, Dallas-Ft. Worth; WOAI, San Antonio; KPRC, Houston.

Humble's broadcast of the only non-conference game of the day, the Baylor-Texas Tech match, starts at 2:20 from Tech Stadium in Lubbock. Bill Michaels will describe the plays, with Eddie Barker assisting on color. The game will be heard over stations WFAA-WBAP, Dallas-Ft. Worth; WFRT, Wichita Falls; KPET, Lamesa; and KRIG, Odessa.

Dairy Cows Given Bangs, T. B. Tests

The dairy herd of M. L. Nichols, successor to J. T. Keeton, were pronounced free of Bang's Disease and Tuberculosis as the result of tests conducted during the past week by Dr. R. M. Zirkle, veterinarian, of San Angelo.

Twenty-one cows in the herd were given the tests last Friday and readings taken Monday. None reacted to the tests, Dr. Zirkle reported.

Mr. and Mrs. Hugh Childress, Sr., and Mr. and Mrs. Ele Hagelstein are spending the week in San Antonio. Mr. Childress is receiving medical care.

Buster Miller is a member of a party of hunters in Colorado this week.

WEEKLY SWING OF THE SOUTHWEST MARKETS

(USDA)—Spots of strength and weakness checkered southwest farm markets last week in very uneven trends, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Wheat and oats registered rather sharp advances for the week. Corn hardly recovered early losses as continued favorable weather aided crop prospects. Sorghums fluctuated widely but closed Friday unchanged from a week earlier, at around \$3.65 per hundred-weight. Wheat stood at \$3.02½ per bushel, base grade.

Mill feeds and oilseed meals declined during the week, as most other feeds gained. Hay moved more freely at slightly higher prices for good quality. Fine Texas wools were getting scarce, but average staple 1946 lots sold at \$1.18 to \$1.20 clean basis.

Cattle varied some during the week but closed mostly steady to strong, with Texas cows and calves the principal exceptions. Medium and good cows sold generally from \$14 to \$16 at Texas markets, where common and medium kinds ranged largely from \$12 to

\$14, and canners and cutters from \$8.50 to \$11. Other southwest terminals paid around \$13.50 to \$18 for common to good cows. Canner and cutter cows brought \$9.20 to (Continued On Last Page)

Evangelism Is Theme S.C.S. Program

Evangelism was the theme of the study course "Commitment to Christ," being taught by the Rev. M. King, used in the program of the Woman's Society of Christian Service meeting Wednesday afternoon.

As the picture "The Good Shepherd" was shown on the screen, Mrs. V. I. Pierce softly played the song, "Savior Like a Shepherd Lead Us," and the words of the song were used as the opening prayer.

Evangelism was defined as "God's expectation of every per-

son to live his best so that the Scripture will be fulfilled." There are no more home and foreign missions, rather it is a matter of group understanding — world Christian fellowship.

A true and false quiz from the book was given. Ten points on what could stop war were discussed.

The organization voted to sponsor furnishing the church parlor

in the barracks.

Those present were Mrs. L. B. Cox, Jr., Mrs. Madden Read, Mrs. Stephen Perner, Mrs. J. A. Fussell, Mrs. Charles Williams, Mrs. Floyd Henderson, Mrs. R. A. Harrell, Mrs. Lee Childress, Mrs. V. I. Pierce, Mr. and Mrs. H. M. King and Mrs. S. M. Harvick.

WHY long distance lines are so busy

Long distance telephones are carrying a heavier traffic load today than even in wartime. Business men in search of merchandise, manufacturers and builders in need of equipment, naturally use the telephone as the quickest way to reach suppliers. Our long distance lines are still overloaded, so telephone "traffic jams" occur. If you have a few minutes' wait when calling long distance, please be patient. Today, as always, telephones carry a lot of important business.

2 BRAKEMEN AND 1 CONDUCTOR COMPLETE THE CREW OF THIS TRAIN [One brakeman usually rides in the locomotive in freight service]

—BUT THE UNION LEADERS WANT 15 EXTRA "SITTERS" ON THIS TRAIN . . . 3 ENGINEERS, 3 FIREMEN, 6 BRAKEMEN AND 3 CONDUCTORS . . . TO GO ALONG FOR THE RIDE AT FULL PAY!

It's to your interest to know about this proposed feather-bedding!

For sheer feather-bedding, this mock work proposal takes the cake. But it is only one of 44 "rules" demands filed by the leaders of the operating unions. If all these demands were granted, they would cost the railroads an added BILLION DOLLARS A YEAR.

Increased Wages, Too

On top of these "rules" changes, the leaders of the operating unions have filed an additional demand for a wage increase of over 30 per cent. If granted, this would be an added cost to the railroads of \$400,000,000 a year.

\$468,000,000 To Non-Operating Employees

In addition to this, an Arbitration Board has just granted a wage increase of 15 1/2 cents an hour to the million employees represented by the 17 non operating unions. This will cost the railroads \$188,900,000 a year.

Where Will The Money Come From?

Where will all the money come from to pay these increases? They total several times as much as the railroads made in 1946 or will make in 1947.

In July, the railroads filed an application for increased freight rates to close the gap which then existed between wage and material costs, and railroad revenues. Since then it has been necessary, because of further increases in wages and material costs, to supplement that petition and to ask for an additional freight rate

increase. No other course is open.

Railroads Do Not Run For Employees Alone

Railroads are operated for the benefit of not one, but several groups—shippers, passengers, employees, stockholders, and the general public. The interest of all must be served—and that cannot be done unless the railroads can operate efficiently and economically, and unless they are allowed to earn sufficient revenue to provide the kind of transportation service this country MUST HAVE.

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

PLUG IN... I'M REDDY!

If the cost of electricity had increased the same as the cost of living, your electric service bill would be almost twice what it is today.

Actually, the average price of a kilowatt hour of electric service to residential users is down 32.6 per cent since 1933.

12 Million Dollar Department Store In Houston Open Oct. 20

Everett G. Mitchell, whose "It's a beautiful day in Chicago" has become a by-word in Texas homes tuning in the National Farm and Home Hour, will be master of ceremonies for the noon-day opening of the new \$12,000,000 Foley's department store in Houston on October 20.

Mitchell who is head of the National Broadcasting Company's central division public service department, is being sent to Houston by N. B. C. to handle special broadcasts on opening day. These include a broadcast of the opening ceremonies at noon and an evening state-wide broadcast interviewing celebrities getting their reactions to the new store which the experts have called "the most modern department store in the world."

Architecturally, the new Foley's is a daring departure from tradition, with its windowless exterior of massive Minnesota stone and matching brick. The complete elimination of windows above the street level not only allows for the most effective heating and air conditioning, but enables the lighting system to reproduce daylight intensity in the store. Huge display windows, flanking 16 wide glass doors, are recessed from Main Street to provide an unusual main entrance

105 feet across. The curved vista window centered in the entrance is the largest of any store in the nation.

Fixtures throughout the store have been designed to afford the customer the greatest possible accessibility of merchandise in the 204 departments and sub-departments.

The Texas Safety Association, conducting a Back-to-School safety campaign, has a question for you who drive cars: Could you stand to look at a child you had killed? Then please look FOR them when you drive. Look for them playing near the curbs; look for them in the middle of the block as well as at intersections; look for them to do the unexpected things; look for them all the time in school and residential neighborhoods. Look and help keep them alive.

The First Grade News

The First Grade in Mrs. Rutledge's room are very grateful to Mrs. Ele Hagelstein for making it possible for us to have a victrola for our very own. We will enjoy hearing music with our mid-morning lunches as soon as we get some new records.

Penny Phillips brought us a turtle. We hope to decide on a name for it soon. Some have suggested calling it Millie, Smellie or Speckie. At any rate this wee turtle is favored with attention since he never wants for a thing.

We have made a fruit basket to go along with our unit on health. During Art period Tuesday every one made fruit for it. We are also making some Halloween posters. These look a bit spooky but are fun to make.

Oh, what fun we're having reading in our primers! We like

the Dick and Jane stories. Mr. Denham brought us some new writing workbooks and we are doing our best to write as neatly as we can in them.

Alleane Young, who is in our room, brought us a record collection entitled "Songs for Little Folks." We wish to thank Alleane as we enjoyed them.

"STRAW LOVE"

I walked into the drug store the other day to enjoy a cool, refreshing coke after band practice. There were several other girls who were also sipping cokes grouped around a table. I strolled over to see what was going on. One of the girls had finished her coke and had taken out her straw to tell her fortune. Starting at the top she went down with "He loves me," "He loves me not." When she reached the end the last pinch said, "He loves me not," and her face fell. One of the other girls suggested hopefully that she try another straw, and that maybe this time it would come out right. She smiled as she reached for a second straw and began again because she knew that eventually she would win her "straw love."

The Fifth Grade Booklets

Janell Parr
The Fifth Grade has some new booklets about steel. We have learned how the savages first made iron and steel. We learned that most of the ore in the United States comes from Minnesota, Michigan, Alabama and Wisconsin. Sources, distribution, artistic uses and improvement are some of the things we learned. It seems to me everything depends on iron and steel.

Our Visitor
Ann Ratliff
The Fifth Grade has had a very unusual visitor this week. She can neither read nor write and she

hasn't very much business at school. I can't see why anyone would insist on coming to school if they could neither read nor write and had no books. But this is a little bit different. The visitor's master is in the Fifth Grade. Tuffy is the little Cocker Spaniel dog. Frankie Jones is his master.

ALLIE BOSWORTH

Allie Bosworth, short story writer and former resident of Ozona, is visiting here for two or three weeks. He is gathering material for some new short stories and historical novels about the West Texas region.

He was born in Ozona in 1902 and attended the Ozona schools for eleven years before he moved to Dallas.

Mr. Bosworth was an officer in the U. S. Navy for 20 years and served with the Navy during the last war.

His latest novel is "Sancho of the Long, Long Horns."

He addressed the Senior English class last week during English period. He gave many interesting suggestions to those interested in journalism. He also gave a number of good tips on how to write a good story and what it contains. His talk was thoroughly enjoyed by the whole class.

The Bosworth's home is now in Gilroy, California on a ranch called Rancho Tejacito. The Bosworth's son, Jim, also visited Ozona with his father.

TRIP TO MENARD

By Edith Lou
Everyone was excited and rushed around getting his music and instruments ready to go to Menard last Friday. The Band met at the band hall at 1:00 to get last minute instructions, and most of the members left around 1:30 and got to Menard around 3:30. The Band marched and played in down town Menard Friday evening. They also marched and played at the half of the football game. Everyone had a good time. All of the band members were at the game.

The Fifth Grade Art Class

Kent Chapman
The Fifth Grade has made pumpkins for Halloween. We have drawn them free hand and colored them with tempa paints. I think they are very pretty. They cer-

tainly brighten our room. The first of the week we drew elephants. We made a parade with them. They were judged and Ann Ratliff won first prize and Nancy Perdue won second prize. We drew jugs and apples, too. We would like for you to come and visit our room.

LION'S ROAR—
(Continued From Page 5)
The Fifth Grade News
Tom Kincaid

The Fifth Grade has a new book named "Sails Set for Treasure Land." The ships we are riding, anchors at many interesting plac-

es. The story I like best is "The Quick Lizard." It tells where the lizard lives and that is in the southwest country. It is very hot and dry. The Quick Lizard liked to slip along on the rich, brown earth and that way the big animals couldn't see him so easy. This lizard had one of the finest

tails in that country. His wife thought he was the most handsome lizard in the world.

WEEKLY SWING OF THE SOUTHWEST MARKETS
(Continued from Page Two)

\$12.50 at Oklahoma City and Wich-

ita, and \$11 to \$13.50 at Denver.

Slight up and down left hog prices largely steady to 50 cents higher for the week. San Antonio set a new all time high of \$28.50 but closed a little below the peak.

Slaughter lambs suffered losses of 50 cents to \$1 at most south-

west terminals, but San Antonio remained steady to strong. Other classes held mostly steady. Medium and good fat lambs brought \$18.50 to \$19 at San Antonio, and \$18.50 to \$20 at Fort Worth. Good and choice kinds sold around \$21 to \$22.50 elsewhere.

Mr. and Mrs. Gordon attended the Texas - Oklahoma football game in Dallas Saturday. Pascal Northcutt and his mother, Mrs. Northcutt returned Wednesday after a week's stay in Missouri.

From where I sit... by Joe Marsh

Mystery of the Missing Farms

Yep, the number of farms in America is shrinking (by a quarter-million in the last five years!). What's happened to the missing farms? The land has been taken in by other farms, increasing the average size by twenty acres!

Does this growth mean farming's no longer a family enterprise? Just the opposite! More families own farms today than ever—only with labor-saving equipment they can handle more land, more work.

That's as it should be. The family farm is a fortress of democracy—

where our free, American life is secure. Where every member cooperates and shares the work... living together in temperance and tolerance—temperance that prefers a moderate beverage like beer, and tolerance for a taste that may be different from one's own.

From where I sit, our Family Farms (and they're 96% of all farms) are something that this country can be proud of!

Joe Marsh

You'll be fresh when you arrive...

"thanks to Hydra-Matic Drive!"

*Optional at extra cost

These words from Oldsmobile's new "radio song" have never been so aptly illustrated as in a typical ride to a football game. There's often a long distance to be covered. There's always traffic to contend with. Yet, if you're the driver of an Oldsmobile with Hydra-Matic Drive, you can... "Just forget the clutch and gear. All you do is sit and steer!" That's true in football traffic, or any other traffic. True on the highway, too. Hydra-Matic Drive takes care of all gear shifting—automatically—through four

forward speeds. And the clutch pedal is eliminated completely!

What makes it even more impressive... this will be the ninth football season in which Hydra-Matic Drive has enabled Oldsmobile-owning fans to go to the games the easy way. GM Hydra-Matic Drive is a fully perfected, fully proved feature—and there's still nothing else on the market to compare with it.

Oldsmobile introduced Hydra-Matic Drive 8 years ago. Today, Oldsmobile is still the lowest-priced car to offer it. Add to this Oldsmobile's traditional style-leadership—plus Oldsmobile's all-round, fine-car quality—and you'll see why so many football fans are Oldsmobile fans as well. You'll agree that...

"IT'S SMART TO OWN AN OLDS!"
