THURSDAY, JULY 1, 1948

NUMBER 13

Prepared No Primary July 24

County, Three Races Interest Here

The Crockett County executive committee meeting last week drew the hat to determine the appearance of the candidates for office in the primary for the first Democratic election to be held July 24. As finally drawn up by A. O. Fields, democratic chairman, candidates for the office of county clerk, 8 for governor, lieutenant governor, county judge, two for associate justice, place for judge of the Court of Appeals, two for registrar, Commissioner for the unexpired term of the controller, four for Commissioner of Agriculture, four for Commissioner of Transportation, one for Chief of Civil Appeals, one for State Senator in the 16th district and two for representative from this county in the Texas House of Representatives.

and district offices aside from the race in Congress and state Representative, there are contests, that for assessor and collector of the justice of the peace. All other incumbents in this county are unopposed.

Following places on the name of V. O. Earnest, sheriff, assessor and appears first on the ballot, his opponent, Homer Conroy, second place. In case of the assessor for the office of Justice of the Peace, Precinct 1, W. M. Johnson is first on the ballot and J. B. Gibbs second.

Some voters who have heard of the candidacy of Coke Stevenson, Lyndon B. Johnson and George Peckham, office of United States Senator, were surprised to learn that they were not on the list of candidates for that office.

The candidates in the Senatorial race will appear on the ballot of Cyclone Davis of Dallas county, Cortez of Bexar county, F. Alford of Harris county, H. Collier of Dallas county, Lyndon B. Johnson of Bexar county, F. B. Clark of Brazos county, Otis C. Myers of Dallas county and Jesse C. Saunders of Crockett county (Continued On Last Page)

Deposits \$900,000 Months

Prosperity Re- in Bank's State- Condition

The Ozona National Bank has climbed by approximately \$900,000 since April 12, 1947, according to a statement issued in the June 30 condition of the Ozona National Bank, published

are up from \$4,636,218.42 to \$5,501,486.61 at the close of business Wednesday, July 1. The statement reveals. Loans of the bank are up only slightly from \$1,000,000. The statement shows cash on hand up from \$1,000,000 to \$2,179,000. The bank's profit item is also up from \$100,000 to \$1,000,000 in spite of a \$10,000 loss for the 65th dividend. The bank to its stockholders July 2.

Mrs. D. B. Dunlap

Family and Friends Honor Pioneer Mother On 90th Birthday

The seven children of Mrs. D. B. Dunlap, a resident of Crockett county since its organization in 1891, and their families and a group of friends honored the pioneer mother on her 90th birthday last Sunday noon with a birthday dinner at the home of Mr. and Mrs. A. C. Hoover.

There were 34 present for the dinner, complete with birthday cake, and held under the trees in the Hoover garden. All of the children were present and six of the twelve grand children and five of the 13 great grand children also enjoyed the occasion.

Mrs. Dunlap's seven children, who were hosts on the occasion of her 90th birthday, included Mrs. A. C. Hoover, Mrs. O. W. Smith, Walter Dunlap, Mrs. Will Miller, Ray Dunlap, Mrs. A. E. Deland and Ernest Dunlap.

Mrs. Dunlap and the late Mr. Dunlap, with their children moved to Crockett county in 1891 from Menard. They had lived for some time at Eden but had sold their place there a year before and had lived at Menard a year before coming to this section to engage in ranching.

Kersey Steps Out Fields Takes Over As Postmaster

Office Changes Hands After 26 Years Under Kersey Direction

After 26 years on the job, J. R. Kersey stepped out of the Ozona postoffice this morning and A. O. Fields took over as the new postmaster.

Mr. Kersey reached retirement age some time ago and asked to be relieved of his responsibilities. Government red tape has been unwinding since that time and in the last two weeks President Truman sent the nomination of A. O. Fields as Ozona postmaster to the Senate and that body confirmed the appointment a week ago Sunday. An inspector from the Postoffice Department was here Wednesday to check out the old postmaster and check in the new. Records were audited and Mr. Kersey released. No changes in personnel have been made under the new management.

Mr. Kersey asked the Stockman to express his appreciation to the people served by the local postoffice for their cooperation with the postoffice staff during the years he has been at the helm.

"I am grateful to those friends who have helped to make the job easier by their patience and cooperation," he said. "As for those who do not like me, tell 'em the feeling is mutual. We have done our best to serve to the satisfaction of all, and any mistakes we have made have been of the head and not of the heart. We have had our headaches plenty, but we have had our pleasures as well in serving the people and from our own viewpoint, the ledger is balanced heavily on the pleasant side. My best wishes go to Al Fields in his new job and I hope he finds the people cooperative and pleasant as we have found them."

Rebels Batting for Team Average of .344

If you think sometimes that the Ozona baseball team is a bunch of strike-out artists, especially when there are runners on the bags, the home team behind and somebody makes that third out, they you'd better look at the record.

As baseball teams go, a .344 club batting average for the season to date, 16 games that is, is a pretty good showing. In fact, it's a heavy clouting team as the opposition in the Concho Basin league will tell you.

In the sixteen games played to date this season, Ozona hitters have been up 560 times and have rapped out a total of 193 hits, for a team average of .344.

Of the team regulars, Manager Byron Stuart is showing his teammates the way with a batting average to now of a flat .500, or 26 hits in 52 times at bat, many of them for extra bases. Pitcher Homer Peel has done especially well for a chunker with an average of .600 for the season, 15 times up and 9 safeties.

Eleven members of the Rebel squad are hitting well over the .300 mark, and that's good hitting anybody's league.

Here are the individual batting averages for the season:

	AB	H	Pct.
McClanahan	56	17	.321
T. Montgomery	22	8	.363
Sheffel	63	21	.333
Cox	73	26	.356
Stuart	52	26	.500
Scott	59	17	.288
Homer	58	20	.344
Kinnemer	7	2	.285
Peel	15	9	.600
Mazo	48	18	.375
Hefley	20	2	.100
B. Montgomery	14	2	.142
Marshall	19	6	.315
Harrelson	32	10	.312
Shelton	14	6	.428
Hufstedler	8	2	.250
Total	560	193	.344

Friends Promote Regan Campaign For Re-Election

Midland Congressman Ill in Naval Hospital In Maryland

Friends of Congressman Ken Regan of Midland, who is ill in the Naval Hospital in Bethesda, Maryland, have taken the campaign for his re-election in hand.

Pecos and Midland friends of the congressman this week discovered that his announcement for re-election had not been made in newspapers of the area and by long distance telephone called newspapers of the district to authorize his announcement for re-election to the office, subject to action of the Democratic primary July 24.

Congressman Regan was admitted to the Naval Hospital on June 14, for treatment of moderately severe jaundice, acute hepatitis, according to a bulletin issued by Naval doctors last week. The Naval bulletin added that the course of the congressman's illness had been satisfactory but that several weeks further hospitalization is necessary before he will be released to return to his home in Texas.

Until his illness forced him to the hospital, Congressman Regan had been active in the important affairs which have occupied the attention of Congress in recent months. Illness, however, prevented his return to Texas to look after his re-election campaign and since indications are that he will not be able to return until after the first primary election, his friends in the area have launched the campaign on his behalf seeking his re-election to another term in the office.

Roy Alvin Harrell, son of Mr. and Mrs. R. A. Harrell, left this week for Delafield, Wisconsin, where he is enrolled in Camp St. John, a camp for boys. He will spend two months at the Wisconsin camp.

Ozona Mounts Top Rung In Basin League Standing

Veribest Topples Robert Lee to Put Rebels on Top

With the help of the Veribest Cultivator Jockeys, who knocked off Robert Lee 5 to 4 in league combat Sunday, the Ozona Rebels of Manager Byron Stuart mounted again to the top rung in Concho Basin League standings by shading the Bronte entry in a 4 to 3 decision on the Bronte diamond Sunday afternoon.

The locals were pressed by the determined Coke county nine all through the close contest. The locals got off to a one-run lead in the opening inning when McClanahan walked and went to third on Tom Ed Montgomery's double. Sheffel lifted a high fly to right field and McClanahan scored on the throw-in.

The lead was short lived, however, for the Bronte crew went to work in the second, Corley, first up, singled and advanced on a sacrifice by McKinney and after two were out scored on a hit by Hedges. The Rebels again took the lead in the fourth when Stuart was on by the error route, stole second and went to third on a passed ball, then scored on Homer's infield out—a bit of smart baserunning by the Ozona manager.

Stuart again started things off in the sixth with a single, stole second and scored on Homer's single. That put the locals two up on the Bronte lads, but a brace of hits by Corley and Perciful and by Hedges and Proctor gave Bronte one each in the sixth and seventh to tie up the score at three all.

It was in the eighth inning that Cox and Scott collaborated to produce the winning run. Cox singled to start the show, stole second and scored on Scott's double to sack up the ball game. The locals counted a total of 10 hits in the afternoon off Corley's pitching. Cox led the afternoon's hitting with a pair and one each went to Tom Ed Montgomery, Stuart, Scott, Sheffel, Homer, Kinnemer, Beecher, Montgomery and Peel. Hefley pitched 6 innings for Ozona and Peel three.

Despite outitting the visitors, the Ozona nine dropped a game to the Goodfellow Field Sky Hawks by a 10 to 8 count here Saturday afternoon. The visitors had their big inning in the eighth when they turned five hits into five runs and although the locals in their half of the same frame uncoiled an attack which netted three runs, they were unable to follow up the rally and fell short.

Ozona batters cracked out a total of thirteen hits while the visitors accounted for 11. Tom Ed Montgomery and Byron Stuart were the hitting stars of the day, each cracking out four safeties in five trips up. Stuart with two singles, a double and a triple and Montgomery with three singles and a triple. Scott got two hits, and McClanahan, Cox and Beecher Montgomery one each.

The Ozona team will spend the Fourth of July afternoon next Sunday making argument with the Miles Giants in Basin league play. Game time will be 3 o'clock.

The locals will get another chance with the Goodfellow Sky Hawks on the local diamond in a two-game series here Saturday and Sunday, July 10 and 11. That week-end will be an off time with the Ozona team in Concho League play, the Sunday date having been scheduled with the Sonora team which has withdrawn from the league.

The Concho Basin standings:

	W	L	Pct.
Ozona	8	1	.881
Robert Lee	7	2	.788
Bronte	5	4	.556
Miles	5	4	.556
Lowake	5	4	.556
Veribest	3	6	.333
Maverick	2	7	.222
Sonora	1	8	.111

Next Sunday's games: Maverick in Robert Lee. Bronte in Lowake. Ozona in Miles.

Dr. Freeman Draws Good Crowds at Daily Baptist Services

Dr. C. Wade Freeman, head of the Department of Evangelism of the Baptist General Convention of Texas, is preaching to large audiences at each of the twice daily services at the First Baptist Church here this week. Dr. Freeman is heading a revival meeting which will continue at the local church through next Sunday.

Dr. Freeman, whose services are in demand throughout the state, accepted the invitation of the local pastor, Rev. Glen Edwards, to conduct the revival meeting here when a cancellation of another engagement made it possible for him to spend the week here. He is one of the denomination's strongest evangelistic preachers and Ozona Baptists and friends of the local church in the area are taking advantage of the opportunity to hear him.

Services are conducted each morning beginning at 10 o'clock and in the evening at 8 o'clock. Song services are directed by the pastor. A cordial invitation is extended to all to hear Dr. Freeman during the balance of his stay here.

Lions Club Is Organized Here; McCook President

30 Charter Members Enrolled; Charter Night Aug. 27

Organization of the Ozona Lions Club was perfected at an organization meeting held at the Hotel Ozona Thursday night with Noel Smith of Cleburne, special representative of Lions International, who had been here several days handling organization details, in charge of the meeting.

Elmo McCook, manager of the North Motor Co., was elected first president of the newly formed club. Other officers included Bill A. Bergfeld, Jr., county agent, as first vice president; Griffin Miller, second vice president; Eddie Bower, third vice president; Roy Thompson, secretary-treasurer; Hartley Johnigan, Lion Tamer; Will M. Colquitt, Tail Twister; and Charles S. Ratliff, Arthur Kyle, Sherman Taylor and James Baggett, directors.

The local club organization is being sponsored by the Lions Club of Sonora, and representatives of that club will be on hand for the charter night observance set for August 27, when the new club's charter night observance set for dies night meeting.

At the time the club was officially organized an officers elected, a total of 30 charter members had been signed up. The charter membership list will be kept open until the charter night observance and all members who sign up between now and that date will be counted as charter members.

The charter membership list to date includes the following: Hugh Akin, James Baggett, William A. Bergfeld, Jr., E. G. Bower, Will M. Colquitt, Conley Cox, Taylor Deaton, Bill Hannah, W. L. Harrison, Roy Henderson, Jr., Hartley Johnigan, Frankie Jones, L. D. Kirby, Arthur Kyle, Howard Lemmons, Garland R. Marshall, E. Lynn Miller, Griffin Miller, W. Elmo McCook, Newell Melton, Maxey Pinson, J. P. Pogue, B. W. Stuart, Charles S. Ratliff, Pat Taylor, Sherman Taylor, Roy H. Thompson, Byron C. Williams, Gene Williams and Joe Williams.

L. T. Patterson, for six and a half years bookkeeper and assistant manager of the Foxworth-Galbraith Lumber Co. here, has been transferred to Pecos, Texas, where he will become manager of the Foxworth-Galbraith yard there. Mr. and Mrs. Patterson and children left Wednesday for their new home at Pecos.

Mrs. Charles E. Davidson, Sr., who has been under treatment in a Houston hospital for an acute sinus infection, is reported much improved this week.

Ozona Party Has Narrow Escape In Flooded River

Wall of Water Engulfs Group on Fishing Trip to Lake

A group of five Ozonans narrowly escaped drowning in the flash flood which swooped down Devil's River last Thursday afternoon following torrential rains on the stream's water shed.

Mr. and Mrs. Marbury Morrison, W. E. Friend, Jr., and Joe North and Alex Glover, negro cook who had accompanied Mr. Friend and Mr. North on a fishing trip, all were engulfed by a wall of water estimated from 15 to 20 feet in height which swept down the river in midafternoon Thursday, following on the heels of a smaller rise which had flowed down a few minutes earlier.

Mr. North and Mr. Friend, who had gone down earlier, were joined by Mr. and Mrs. Morrison Thursday, the Morrisons stopping off for a night of fishing on their way to Del Rio on business. Rains during the day had muddied the banks and a rise of some four feet earlier in the afternoon had caused the Ozonans and other fishermen, to prepare for moving out. The small rise had put water around the Morrison pick-up and the Friend car and the Ozonans were busy towing the Morrison pick-up behind Friend's car when the wall of water struck them.

Mrs. Morrison was in the pick-up and Mr. Morrison and Mr. North were beside it, while Mr. Friend was in his car. Morrison pulled Mrs. Morrison from the pick-up and towed her to a steep bank. All clung to small bushes, cactus, cracks in the rocks or whatever was handy in an attempt to keep from being swept downstream by the swollen waters. North, Friend and Glover were first out and formed a human chain anchored to a tree to pull Mr. and Mrs. Morrison up a steep bank to safety.

The Friend car was washed downstream, turned over several times and was considerably smashed up. The Morrison pick-up was engulfed by the flood waters but did not turn over. Both mud-crusted vehicles later were towed out of the area and back to Ozona after the flood had subsided.

Williams Still Rides Top Rung In Softball League

Bleacher Seats Ready For Customers at Lighted Field

Despite the fact that they did not have a game scheduled during the past week, the Williams Grocers remained at the top of the heap in the city softball league wars at the close of play the first two nights of this week. Williams had won seven and lost only 2 and, being ahead in games played, the Grocers laid out while opposing teams battled it out among themselves.

The Continental Conocos and the Gulf Oilers crept into a tie for second place with five won and three lost each. Wilson Motor Grease Monkeys are in fourth place with three won and six lost and the luckless Baptists are trailing the pack.

The Gulfers swamped the Baptists last Tuesday night 16 to 3 and Friday night the Wilson crew lost a thriller to the Gulfers 8 to 7 in a ten-inning affair. Monday night's game between the Conocos and Baptists was a one-sided victory for the Conocos 14 to 3 and the Conocos again Tuesday night ran roughshod over the Wilson team by a 15 to 6 count.

The teams will observe the Monday holiday with no games scheduled for Monday night but Tuesday night's game will be a double header affair with the featured (Continued On Last Page)

THURSDAY, JULY 1, 1948

Funeral Services for Fayette Mayes, 75, In San Angelo Sat.

Funeral services for Fayette Mayes, 75, were held Saturday afternoon at 5 o'clock from the Johnson Funeral Chapel in San Angelo, with burial following in Fairmount Cemetery.

The Rev. M. C. Dean, associate pastor of the First Methodist Church, conducted the services. Pallbearers were E. L. Brown, Russel Payne, Oscar Graham, Max Schneemann, Charles Sanders and Bryan Hunt.

Mr. Mayes died at the home of his son, Ben R. Mayes, in Fort Stockton at 9:30 o'clock Thursday night.

A retired rancher, Mr. Mayes came to Texas in 1888 and has been active in ranching in this and the Big Lake area practically ever since.

For a period of 12 years, he was connected with the Federal Intermediate Credit Bank at Houston. He retired about 10 years ago and had lived in Fort Stockton for the past seven years.

Survivors include his wife; three sons, Ben and Allen, both of Fort Stockton, and Hudson of Miles; a daughter, Mrs. R. W. Weatherby of Big Lake; and two

sisters, Mrs. W. A. Posey and Miss Cora Mayes, both of San Angelo. Two granddaughters, Mrs. Max Wilson and Mrs. Dick Henderson, daughters of Mr. and Mrs. Hudson Mayes, reside in Ozona.

Mrs. J. D. Kirby is in San Antonio this week to be at the bedside of her father, L. B. Adams, who is to undergo an eye operation.

Political ANNOUNCEMENTS

The Stockman is authorized to announce the candidacy of the following for the respective offices listed, all subject to action of the Democratic primaries of 1948:

For Congress, 16th Texas District:
KEN REGAN, Midland county

For State Representative, 86th District:
CALLAN GRAHAM, Junction
JIM NUGENT, Kerrville

For Sheriff, Assessor and Collector of Taxes:
V. O. EARNEST
(Re-election)
HOMER GOOD

For State Senator, 29th District:
CHARLES B. MOORE, Del Rio.
HENRY A. COFFIELD, Marfa
HILL D. HUDSON, Pecos

For County Judge:
HOUSTON SMITH
(Re-election)

For Commissioner, Prec. 1:
ROB MILLER
(Re-election)

For Commissioner, Prec. 2:
CHAS. S. BLACK
(Re-election)

For Commissioner, Prec. 3:
J. W. OWENS
(Re-election)

For Commissioner, Prec. 4:
E. R. KINSER
(Re-election)

For County Treasurer:
TOM CASBEER
(Re-election)

For County and District Clerk:
GEORGE RUSSELL

For County Attorney:
N. W. GRAHAM

For Justice of the Peace, Prec. 1:
PAUL GIBBS

THE CITY BEAUTIFUL... Philadelphia, Pa., instituted a clean-up, paint-up, fix-up campaign come spring this year, and the first thing anybody knew there were crowds of people outside scrubbing the streets and sidewalks. Fired by the vision of a clean and shining city (maybe in anticipation of the forthcoming Republican and Democratic national conventions there) Quaker City residents shouldered brooms and buckets and went to work on the Philadelphia beauty treatment.

Mr. and Mrs. Hubert Baker have returned from a two-weeks vacation trip to Colorado and the northwest area.

Mrs. L. J. Epperson is home after undergoing an operation in a San Angelo hospital.

There will be plenty of glass jars and cans for home canning needs in Texas this year; however the future for pressure cookers hold a question mark because aluminum is used in airplanes, the Extension Service points out.

There are two kinds of buffalo grass — male and female plants.

The female plant is preferred in lawns and can be identified by the flowers, which are set between leaves and stem, close to the ground. The male plant has a seed stalk four to six inches high.

80 Percent of Living Veterans Are From World War II

Veterans of World War II constitute about 80% of all living veterans according to Leon P. Howell, San Antonio Regional Office Veterans Administration Manager. A study made by the Veterans Administration Central Office at Washington, D. C. shows there were 18,750,000 living veterans at the end of May, 1948, of whom 14,898,000 were veterans of World War II.

Only 73 veterans with established service connected disabilities were awaiting admission to hospitals throughout the nation at that time, while 104,825 veterans were in hospitals, according to Howell. 14,120 veterans of all wars were in Veterans Administration

Homes.

At the end of May, 31,835 disabled veterans had applied for automobiles under the terms of Public Law 663, 79th Congress. A total of 2,583,076 veterans were pursuing education or on-job training, and 249,960 of these were under the Vocational Rehabilitation program as disabled veterans Howell said.

Mr. and Mrs. Madden Read have returned home from Temple where Mrs. Read went through a clinic.

Centipede grass is a native of China and was introduced in this country 25 years ago.

Mimeograph supplies at the Stockman office.

NOTICE OF REWARD

Declaration of Independence!

He's on his own. It's a wonderful feeling. He can go places now. And he'll keep on going places all his life — as long as he keeps his sense of independence.
That's America's richest resource — not forest, field or mine, but the spirit of her people. Ambition, energy, self-reliance are the reasons why individuals — and industries — grow great from small beginnings.
Take the electric industry — this company, for example. A few practical dreamers opened up an "electric frontier" when in 1915 they strung the first transmission power lines in West Texas. People of faith and vision risked their savings. Other folks combined skill and hard work to produce better and better service — at lower and lower costs — creating more and more jobs — and carrying the benefits of electric living to more and more West Texans.
That's the American way of progress. Free enterprise, vision, and hard work. They are what built America and the American way of life, which is the highest standard of living in the world.
No nation has ever found a suitable substitute for that combination. No nation ever will.
West Texas Utilities Company

FLYING BY AIR... This Bell 47-D utility helicopter is a citrus grove near Houston, Tex., with sulphur. Usually, dusting with sulphur had been considered highly. Now, however, aircraft of this model are permitted thus paving the way for expansion of helicopter dusting in the most states where sulphur is widely used to fight disease.

4-H Club Boys May Compete in National Meat Animal Contest

For the 19th consecutive year, the National 4-H Meat Animal awards program is being continued in Texas under the direction of the Extension Service.

Since the program's inception, 1554 4-H Club members in this state have received county medals of honor for superior records of achievement in meat animal projects.

The program is designed to encourage 4-H'ers to learn the part played by meat animals in the utilization of products of the soil; how to protect them against disease and parasites, and how to handle and to market without injury.

As heretofore, the state winner gets a 17-jewel gold watch provided by Thomas E. Wilson, of Chicago. Eight state winners selected for sectional honors will each receive a Chicago 4-H Club Congress trip. Four of the sectional winners will be named national champions; each will get a \$200.00 college scholarship.

Last year's state winner in Texas was Howard Altmethof of New Braunfels, who went on to win sectional and national honors. He is the state's seventh national winner in this program.

There were 127 county medal winners in Texas last year.

BOYCE HOUSE "GIVES YOU TEXAS"

Little deeds that cost a slight amount of effort and yet show consideration—how important they are.

A good many years ago, your columnist was on a Fort Worth good will trip. When our bus arrived in Garland, the welcoming delegation said, "All of you come over to the cafe and have coffee with us." It was a cold and gloomy day and a cup of coffee was welcome and the opportunity to visit with Garland citizens while having the coffee made it doubly pleasant.

That was the first time I ever met Bill Bradfield, publisher of the Garland News, by the way.

Another time, or it may have been at that same trip, our bus rolled into the picturesque little

city of Palo Pinto. Just as we stepped off the bus, there was a series of sharp, crackling explosions. Gib Abernathy had given our arrival an appropriate touch of the Wild West by setting off a string of firecrackers. At least, they told me it was my friend, Gib, who is a former sheriff and former Texas Ranger.

You see, I still remember the visit to those towns because somebody did something that showed they were glad we came.

I wonder how an old pioneer who wore a coonskin cap and fired a muzzle-loading rifle would feel if he could return and see a beautiful high school named for him?

Or how Jean LaFitte, the pirate would feel if he could re-visit Galveston Island and see a hotel bearing his name?

One of fate's greatest ironies is exemplified by Austin, a lovely city named for "the Father of Texas," with a beautiful hotel there, the Stephen F. Austin, with air-conditioning, steam heat, paintings and swift elevators.

Stephen F. Austin died from pneumonia contracted from working for the advancement of Texas in a log house in the winter time without a fire.

Conoco 1-A-12U Shows Oil, Gas, Salt Water in Silurian

Continental No. 1-A-12 University, C SE NE 13-47-U, one mile west and quarter mile north of No. 1-A-13 University, lone well in the Block 47 Silurian field in northeastern Crockett county, was due to drill ahead Tuesday from 9,495 feet after encountering oil, gas and salt water in the Silurian.

Gas came to the surface in eight minutes on a 2 3/4-hour drillstem test from 9,365-9,495 feet. Recovery was 3,189 feet of oil and gas-cut mud, 1,200 feet of oil and gas-cut salt water and 4,616 feet of salt water. The section will be tested in the event the Ellenburger is found barren.

Gulf No. 1-CCC University, slatted 10,000-foot wildcat C SW NW 5-51-U, eight miles north of the Todd Deep field and 15 miles south of Big Lake, had passed 4,600 feet

in lime.

Texaco No. 1 Victor I. Pierce, southeastern Crockett county wildcat, deep in the Ellenburger, found the top of the cement on a squeeze job at 11,339 feet and was drilling out cement at 11,625. Five hundred sacks of cement had been forced into a porous zone in which circulation was lost when a core was taken from 11,932-937 feet.

Location is near the C NW NE 5-O-Clarissa W. Brown, 2 1/2 miles south and slightly east of Ozona.

Texaco No. 1 Tom Smith, near the C SE SW 5-O-Clarissa W. in hard sand and shale with streaks Brown, was drilling at 10,190 feet of lime.

Office Supplies—Stockman Office

Carl Conklin, son of Mr. and Mrs. Bill Conklin, has been returned to his home here after undergoing operations on both legs in a Dallas hospital recently. The operation, performed by a bone specialist, was for the purpose of transplanting ligaments and muscles in the child's leg affected by a polio attack and to equalize growth in the other leg with the affected one. Carl has both legs in casts, one to be removed the first week in August and the other in September.

(CUT AROUND DOTTED LINE)

This coupon good for
\$1.00 EXTRA TRADE-IN ALLOWANCE
 for your old tire on a NEW B. F. Goodrich Silvertown

The above allowance is over and above our regular trade-in allowance. Just clip this coupon and bring it in. You save an extra \$4.00 on a full set of tires.

LIMITED OFFER—Ends July 3rd

Play safe, too, by acting promptly on this offer for new B.F. Goodrich Silvertown tires. Tougher cords, and more of them, give more strength to the tire body for extra safety. Double shock-absorber breaker strips cushion and distribute sudden shocks and blows for extra protection against severe bruises and blowouts. In addition, the wider, flatter tread puts more rubber on the road to share the wear for extra mileage that means greater savings.

Every B. F. Goodrich Tire Carries A LIFETIME GUARANTEE

1.50 Down 1.25 a Week
 Puts a 6.00-16 Silvertown on Your Car

and FOR A REAL LOW PRICED TIRE

10.95 BUYS A GENUINE B. F. Goodrich DEFIANCE TIRE

The new Defiance gives dependable, safe mileage for the greatest value ever built into a tire at this low price.

Cancer Mortality Rate up 18 Per Cent In Texas Last 5 Years

AUSTIN.—An increase of more than 18 per cent in Texas cancer deaths during the five years between 1943 and 1947 has been announced by Dr. George W. Cox, State Health Officer.

Texas mortality tables compiled by the Texas State Department of Health show 1943 cancer deaths, at 5,557, as compared to 6,770 for 1947.

"The greater part of this tremendous increase in cancer deaths is attributable to needless delay in seeking treatment, once a person has reason to suspect he has a cancerous growth," Dr. Cox said. He added his belief that advertising of patent medicines and so-called cancer quacks puts dangerous and misleading information before the public, thereby adding to the cancer mortality rate. This is because people are lulled by such propaganda and do not receive proper diagnosis and treatment until too late.

Dr. Cox said that almost two-thirds of all cancer cases rely on surgery to remove the cancerous tissue, while the other third may respond to X-ray or radium treatment.

"These three methods are the only means by which the disease can be treated," he said. "Self-medication, serums, colored lights pastes and diets are absolutely useless."

The Health Officer pointed out that the greatest defense against cancer is an early diagnosis and competent treatment by a reputable physician. He urged especial attention to any unnatural bleeding from any body opening, lumps in the breast and skin sores which fail to heal normally.

WEEKLY SWING OF SOUTHWEST FARM MARKETS

(USDA) — Strength and firmness on some products varied the generally dull to weak farm market situation in the southwest dur-

ing the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Texas sheep markets showed net gains of around 50 cents for the week, but Denver averaged some decline. Medium and good spring lambs brought \$20 to \$22.50 at San Antonio, \$25 to \$26 at Fort Worth and \$27 to \$30 at Denver. Oklahoma City paid \$29 for top spring lambs, while good and choice lots made \$30 at Kansas City. Average French combing Texas wools began to move to manufacturers at around \$1.60 per clean pound.

Cows and calves sold \$1 to \$2 lower at Houston, and as much as \$1 lower at Kansas City and Denver. Medium grass steers went down some at San Antonio. Other southwest cattle and calves averaged around steady to 50 cents higher. Common and medium cows turned Monday at \$15.50 to \$18.50 at Houston and San Antonio, and ranged from \$17 to \$21.50 at Fort Worth, Wichita andansas City. Oklahoma City paid \$20 to \$23 for medium grades and Denver took

common to good from \$19 to \$23.25.

New crop sorghum grains from south Texas pushed prices down 25 to 33 cents a hundred a week ago. Oats lost 11 to 12 cents a bushel, and barley and yellow corn fell two to six cents. Wheat closed unchanged from last Monday, and white corn recorded the only gain of 3½ cents. No. 2 yellow milo closed Monday at \$2.92 to \$3.10 at Texas common points, and white oats \$1.17 to \$1.19 at Fort Worth.

WHAT DO MOTHS EAT?

Watch for the answer in 'It's A Fact' in this paper soon!

From where I sit... by Joe...

Pampered Farmers
If the folks in our town were less tolerant, they'd be really burned up over that nationally circulated article on "pampered farmers," describing them as living off the fat of the land.
From where I sit the farmer is anything but "pampered." If he's better off today than twenty years ago it's because he's worked hard to improve the quality and quantity of his production.
Take Bert Childers, for example. Bert is up at four in the morning, to get the milking finished—and ploughing or harvesting on the evening he finally makes the mow over a mow of beer.
And the farmer takes his evening glass of beer...

Pecos Encampment of Churches of Christ Set for July 9-18

The Pecos River Encampment of the Churches of Christ in this section has been set for July 9 to 18, and an invitation to all members and friends of the churches in this area to attend any part or all of the encampment services comes from James F. Black, now minister of the Church of Christ at Sterling City, formerly at Sheffield and one of the founders of the encampment.

The encampment ground is located just north of Sheffield on Highway 51. All meals are free at the grounds, barbecue dinners and suppers being served daily at 12 noon and 6 p.m. Those attending need only to bring a tarp for shelter and a bed, Mr. Black advises, and adds, "Come spend a most profitable and pleasant vacation with us."

Wesley Mickey of Odessa will do the preaching during the encampment period. Song services will be led by W. A. Turner of San Angelo.

The daily program is announced as follows:
6:30 a.m. — 15-minute devotional service.
7 a.m. — Breakfast.
9 a.m. — Teachers training class

10 a.m. — Bible classes for all.
12 noon — Barbecue dinner, ranch style with all the trimmings
4 p.m. — Preaching.
6 p.m. — Another barbecue dinner.
8 p.m. — Song service.
8:30 p.m. — Preaching.
10 p.m. — Lights out, rest, sleep
The dates again — July 9-18.

ROOM FOR RENT — With or without kitchen privileges. Call at Pridemore Bros. Service Station, Phone 143. 1p

METHODIST CHURCH
Horace M. King, Pastor

The Vacation Church School is off to a good start this week, well staffed and well planned. Opening day enrollment was hiked by a 36 per cent increase on the second day.

Holy Communion is announced for Sunday at 11 o'clock at the Methodist Church. The sermon theme for the morning is "Giving Meaning to Memory."

Mr. and Mrs. Charles E. Davidson have returned from Houston where they have been with Mr. Davidson's mother, Mrs. Chas. E. Davidson, Sr., who is under treatment there for an acute sinus infection.

FOR SALE — Hand hair dryer. New — best make. See John-nye Hoover. 1p

Don't Be CAUGHT SHORT
On Butane Gas This Winter

The solution to the possible repetition of the Butane Gas shortage this winter is larger storage tanks. Right now we have tanks of large capacity — as big as you want. They may not be available long. Better get your name on our list for a larger tank today and avoid cold weather shortage.

Heat Your Home This Winter With **PANELRAY GAS HEATERS**

Nature's Own Heating Method

Science now has found the way to warm your home just like the sun warms the earth. PANELRAY radiates infra-red heat rays at the speed of light that actually penetrate your blood stream before the air is warmed.

The old type of hot air heating heats the air and you eventually get warm when the room (particularly the "head room") is flooded with hot air. But PANELRAY directs the heat rays at body height throughout the "living zone."

No exposed flame or incandescent parts — fit in the wall, out of the way — efficient, economical and low in cost.

Ballot Prepared -

(Continued From Page One)

of Orange county. The eight candidates for governor of Texas will appear in the following order on the ballot: Charles B. Hutchinson of Dallas county, Beauford H. Jester of Na-

varro county, W. J. Minton of Grayson county, Denver S. Whiteley of Harris county, Roger Q. Evans of Grayson county, Sumpter W. Stockton of Stephens, Holmes A. May of Harris county and Caso March of McLennan county.

Allan Shivers of Jefferson county is opposed in his race for re-election as lieutenant governor by

Turner Walker of Harris county. Price Daniel of Liberty county is unopposed for re-election as attorney general.

Other candidates on the lengthy ballot appear in the following order: For Chief Justice Supreme Court, Charles T. Rowland of Tarrant county and J. E. Hickman of Eastland county; for Associate Justice Supreme Court, Place 1, Few Brewster of Bell county; for Place 2, John Rawlins of Dallas county and James P. Ahrt of Travis-Harris county; for the unexpired term, W. St. John Garwood of Harris county and Jefferson G. Smith of Travis county; for Judge Court of Criminal Appeals, Harry N. Graves of Williamson county, and W. E. Myres of Tarrant county; for Railroad Commissioner, regular term, Earnest O. Thompson of Potter county, and Tom Blakey of Harris county; for the unexpired term, Clyde Austin of Harris county, Carlton Moore, Sr., of Harris county, and William J. Murray, Jr., of Harris county; for Comptroller, George H. Sheppard of Nolan county, and Clifford Butler of Harris county; for Land Commissioner, M. Carl Smith of Tarrant county, William T. Mayfield of Travis county, Bascom Giles of Travis, and R. J. Robison of Travis; for Treasurer, Bruce Lloyd of Wood county and Jesse James of Travis county; State Superintendent, L. A. Wood of McLennan county; Commissioner of Agriculture, James D. Griffin, Hildaigo, and J. E. McDonald, Travis; Chief Justice, Court of Civil Appeals, El Paso, P. R. Price, El Paso; for Congress, 16th district, Ken Regan of Midland, and Woodrow Wilson Bean of El Paso; for State Senator, 29th district, Henry A. Coffield of Presidio, Charles B. Moore of Val Verde, Maurice T. Bobbitt of El Paso, and Hill D. Hudson of Reeves; for State Representative, 86th district, Jim Nugent of Kerr and Callan Grahamb of Kimble; for district attorney, 112th district, Hart Johnson, Pecos; and the county and precinct ticket, County Judge, Houston S. Smith; county attorney, N. W. Graham; district and county clerk, George Russell; sheriff, V. O. Earnest and Homer Good; county treasurer, Tom Casbeer; County Commissioners, Rob Miller, Chas. E. Black, J. W. Owens and E. R. Kinser; for justice of the peace, Precinct 1, W. M. Johnigan and Paul Gibbs, and constable Tom Smith.

Smoothest Distance between two points!

Come in... discover the exclusive Packard ride!

EVEN before your first revealing ride, it's easy to understand why Packard's luxurious comfort is out of this world!

For Packard has an exclusive suspension system that adjusts itself automatically to variations in load and road! And here's why it gives you a perfect ride:

1. It has softness—to swallow tremors as well as bumps.
2. It has firmness—for safe, restful roadability... on a windswept super highway or a winding country road.

3. It has all-load flexibility—no "riding high" with a light load... no sag under a full one.
4. And the smoothness lasts—for Packard springs are self-controlling.

So, get a good basis for your comfort comparison. Look first at the leader—at your nearest Packard showroom!
