Ozona-Robert Lee Grudge Ticketed In Angelo Fri. Night

Ozona baseball team and fans
are dissatisfied with the result of
the Ozona - Robert Lee baseball
game here a week ago last Sun-
day. Robert Lee jumped on a crippled
Ozona crew on that occasion for
a 12 to 7 win, scoring their 12
runs in three disastrous innings,
and thereby decided a tie for a
top league standing which had
persisted through four games for
each team.

And Ozona is going to try to get
some measure of satisfaction if
not a change in standing of the
teams, Friday night of this week
and perhaps lend some financial
help to a worthy cause when they
play the Robert Leeites on the
Colt diamond in San Angelo.

The game is to be a benefit af-
fair for the Boys Ranch project
and both teams will be donating
their services for the cause, pay-
ing their own expenses and giv-
ing all the gate to the Boys
Ranch fund. The game was
matched through Blondy Cross of
the Standard-Times following a
challenge issued last Sunday by
Manager Stuart of Ozona and ac-
cepted by the Robert Lee man-
agement. Game time will be 8:30
p. m. at the Colt Stadium in San
Angelo.

Range Specialist Is Optimistic on Final Control of Bitterweed

Dr. O. E. Sperry, head of the
Range and Forestry division, Ex-
tension Service, A & M College,
visited Ozona yesterday and in
company with County Agent Bill
Bergfeld made an inspection tour
of experimental plot of bitter-
weed sprayed with 2-4D weed killer
on the Brock Jones ranch and
on the Floyd Henderson ranch
near Ozona.

Dr. Sperry is on a tour of the
state studying noxious plants and
methods for their eradication as
a project of the Extension Service
under the U. S. Department of Agri-
culture.

"We are not ready with the answer
to the bitterweed problem,"
Dr. Sperry said, "but we have
made some progress, we have
found out some things and we have
experiments now under way
which we hope will give us addi-
tional leads. I am optimistic over
the ultimate outcome of the fight
against this poisonous weed — I
believe we can lick it.

"Bitterweed didn't cover the
country overnight and it can not
be eliminated in that time," Dr.
Sperry declared. "Denuding of the
land by overgrazing, the resulting
greater run-off of rainfall and in-
sufficient subsurface moisture for
grass growth has paved the way
for bitterweed. We can help na-
ture help herself by pulling, pois-
oning and otherwise destroying
some of the noxious plants but the
most effective weapon against bit-
terweed is grass and good ranch
management is the only way grass
can be restored. Of course, dry
weather is against us now but long
range planning and careful man-
agement, plus the help that science
can give in time will restore the
land to productive grazing."

Clendenen-Melton Nuptial Vows Read In Noon Ceremony At Baptist Church Sunday

In a ceremony performed at 12:
30 noon Sunday at the First Bap-
tist church, Miss Mona Dale Clen-
denen became the bride of Newell
Edwin Melton. The Rev. Otis
Sayes, pastor of the Church of the
Nazarene at Neosho, Mo., a brother-
in-law of the bridegroom, per-
formed the double ring ceremony,
with the Rev. Glen Edwards, pas-
tor of the First Baptist Church,
assisting.

The bride, only daughter of Mr.
and Mrs. Walter Clendenen of O-
zona, was given in marriage by
her father. She wore a gown of
original creation by Emily, fash-
ioned with a deep round yoke of
marquisette framed with Chantilly
lace, repeated in tiers at the
hem and running along the train.
The gown was fashioned of Bur-
Mil satin into a picture dress re-
miniscent of the Victorian period,
complete with hoops at the hip-
line, and self-covered tiny but-
tons fastened the long torso tight
bodice at the back from neck to
hipline. The voluminous skirt was
gathered to the bodice and fell o-
ver the hoops into deep satin go-
dets caught up with orange blos-
soms. Deep ruffles of the delicate
Chantilly lace fell from beneath
the godets and the satin skirt
swept into a graceful chapel-
length train.

Her bridal veil of silk maline il-
lusion, caught to frame her face
with orange blossoms, was one
worn by Mrs. Fred Rich of San
Angelo, the bride's godmother,
in 1894 at her own wedding. She
wore a diamond set in blue sap-
phires and seed pearls belonging
to her maternal grandmother.
Mrs. J. N. Barbee of San Angelo.
This pendant is a piece of jewel-
ry worn by all the granddaughters
of the Barbee family, passed from
one to the next down the line. The
bride carried a white prayer book
topped with a white orchid and a
cascade of stephanotis and satin
ribbon.

Mrs. Walter Warren Clendenen
of Ozona, sister-in-law of the bride
was matron of honor and wore a
pastel yellow marquisette gown
with a fitted bodice, a wide berth-
collar of accordion pleating and
very full skirt with a bustle effect
across the back. She carried an
arm bouquet of talisman roses.

Mrs. Billy Edward Clendenen
of Ozona, another sister-in-law of
the bride, Mrs. Otis Sayes of Ne-
osho, Mo., sister of the bride-
groom, Miss Ann West and Miss
Corinne Phillips, both of Ozona,
were bridesmaids and wore pastel
shades of pink fashioned exactly
as the gown of the matron of hon-
or. They also carried arm bou-
quets of talisman roses.

Walter Clendenen, III, son of
the Walter Warren Clendenens,
and nephew of the bride, was ring
bearer, carrying the rings on a
white satin pillow tied with cas-
cades of satin lover's knots and
orange blossoms. He was dressed
in a white suit of butcher linen,
white shirt and black bow tie. His
little brother, Herbert Leon Clen-
denen, dressed the same, carried
the bride's train. Both wore bou-
quetiers of talisman rosebuds.

Factory Demonstration At Naturalizing Studio

J. G. Barnes, factory representa-
tive, will demonstrate the new
Howard Infrared Moist Heat cabi-
net and the Amrex Surging Ma-
chine at the Naturalizing Studio
of Mrs. Gracia Swanson Danforth
on Saturday of this week.

The demonstration will be free
and all are invited to see the new
equipment and to participate in
the demonstration.

Carl Conklin, son of Mr. and
Mrs. Bill Conklin of Ozona, under-
went an operation in a Houston
hospital yesterday and reports
this morning were that the young-
ster was doing well following the
operation. The child was a victim
of infantile paralysis and doctors
operated on both legs in an ef-
fort to equalize growth and pro-
mote development of the affected
leg. The child's parents are with
him and Mrs. Conklin and Carl
will stay some time at 3421 Mount
Vernon, Houston.

Ozona Smacks Lowake 20 to 4 In League Combat

Robt. Lee Remains at
Loop Top with Win
Over Miles Sun.

Ozona hitters waited until a-
bout midway to uncork an explo-
sion of base hits which complet-
ely smothered the Lowake nine on
the Lowake diamond Sunday af-
ternoon and when the final count
was made from the scorebook, it
gave Ozonans a total of 20 hits
and 20 runs to 6 hits and 4 runs
for Lowake. It was a 6-4 ballgame
until the fifth when the locals pul-
led away with 3 more, added 4 in
the 6th, 2 in the 7th, 3 in the eighth
and 2 in the 9th.

The win leaves Ozona yapping
at the heels of the league-leading
Robert Lee Rabbit Twisters, who
remained at the top of the
loop standing by keeping their
season record unscathed in league
combat by defeating Miles 11 to
4 Sunday afternoon. Robert Lee
has won her six starts while O-
zona has lost one — to Robert Lee.

Mazo, Ozona outfielder, led the
Ozona attack with four safe wal-
lops out of six times at the plate.
Three safe hits in four times up
were credited to Haralson, Homer
and McClanahan of Ozona while
Manager Stuart accounted for
three hits out of five times at bat.
Cox slammed two, one a triple,
and Scott got two hits, one a dou-
ble.

Mac McClanahan, Ozona third
baseman, is the first Ozona player to
cash in on the Wilson Motor Co.
standing offer of \$5 for each O-
zona player who hits a home run
in league play. McClanahan slam-
med a circuit clout on the Lowake
diamond Sunday and is \$5 richer
therefor. Wimpy Feist of Lowake
accounted for two of his team's
six hits.

The Concho Basin league will
complete the first round of play
next Sunday, with the Ozona crew
playing Veribest on the Ozona dia-
mond. The home team will be in
action here two Sundays in a row,
next Sunday against Veribest and
the following Sunday, starting off
the second round of play against
the season's starting opponents
from Maverick.

Fire Starting In Store Room Damages Theatre

Blaze Brought Under
Control with Only
Slight Damage

Fire of undetermined origin,
starting in a store room back of
the drug store, resulted in slight
damage to the new Ranch Theatre
building here late Saturday
afternoon.

The blaze was brought under
control in a short time by the
Volunteer Fire Department work-
ing under the direction of Fire
Chief Bill Cooper.

Drug store stock and materials
stored in the store room were de-
stroyed or damaged by fire and the
rugs in the theatre lobby were
water soaked. The fire ate into the
ceiling above the room but was
extinguished before any appreci-
able damage was done to the
building.

Fortunately the fire occurred
at a time when the picture show
was not in operation and there
were no patrons in the building
other than those in the drug store
and jewelry adjoining the foyer.

NEW PHARMACIST

Lynn Miller, formerly of And-
rews, Texas, has accepted a po-
sition at the Ozona Drug, Gordon
Aikman, proprietor, announced
this week. Mr. Miller is a regis-
tered pharmacist and will assist
Mr. Aikman in filling prescrip-
tions and also act as clerk.

Bill Bergfeld Hurt In Car Wreck on Sonora Road Sunday

Bill Bergfeld, Crockett county
agent, was injured Sunday morn-
ing when he lost control of his car,
which went off the road and into
the bar ditch and finally colli-
ded with a culvert and a tree on
the Sonora highway about five
miles east of Ozona.

Mr. Bergfeld suffered a deep
cut across his chin which required
several stitches to close. His front
teeth were loosened but none were
knocked out. He also suffered abra-
sions about the face. Alex Apple-
white, a passenger in the car, was
only slightly bruised.

Mr. Bergfeld said that he was
blinded by lights from an ap-
proaching car as he topped a hill,
the driver of the oncoming car
dimming his lights and then mo-
mentarily flashing on the bright
lights. The car swerved from the
highway and down the steep side
of the bar ditch. By avoiding
braking the car, the driver was
able to prevent its overturning
but was unable to avoid the colli-
sion with the culvert and tree.

The two men walked the five
miles to Ozona where Bergfeld re-
ceived medical attention and noti-
fied officers of the accident.

Reports Heard by Woman's Society in Business Session

The Woman's Society of Christ-
ian Service met in regular ses-
sion Wednesday morning in the home
of Mrs. Horace King for a busi-
ness session and program. Mrs.
H. B. Tandy, secretary of mission-
ary education, reported on the
meeting of the district board of
the WSCS held May 31 at the First
Methodist Church in San Angelo.
Also attending were Mrs. Floyd
Henderson, District President,
Mrs. Bill Cooper, district secre-
tary, and Mrs. Horace King, Con-
ference secretary of children's
work.

Mrs. Henderson announced that
Mrs. Brucks, wife of the district
superintendent, would be avail-
able for establishing new societies
in small churches in the rural ar-
eas of the San Angelo district.
Mrs. Charles Williams, spiritual
life chairman, distributed pledge
cards from the Interdenomi-
nations and the United
Council of Church Women of the
World, pledges of work and pray-
er in support of the United Na-
tions and the Christian movement
for world order and for the ex-
tension of human rights and ec-
onomic justice around the world.

Mrs. Henderson stated that a
district "Set-Up" meeting of the
whole church would be held in San
Angelo at the First Methodist
Church on June 18 from 10 to 2:
30 o'clock and urged the heads of
all phases of work to attend.

Miss Mary Riddle spoke on
"Methodism and World Democra-
cy" giving the history of the
growth of the church in America
side by side with the growth of
Democracy. She stated that the
great increase of the church was
due to the fact that it has not de-
manded doctrines but has gone in-
to all the world respecting the
soundness of human personalities
and the democratic bounty of
choice, seeking to be of service in
all phases of life.

The next meeting of the Society
will be held at the Victor Pierce
ranch home June 23, with an ex-
ecutive board meeting at 10 a.m.,
a luncheon and meeting in the af-
ternoon. Anyone interested in go-
ing should notify Mrs. Will Bag-
gett. Others enjoying the program
were Mesdames John Bailey, B.
Gee of El Paso, R. H. Schmuck, R.
A. Harrell, Bill Cooper, Scott Pe-
ters, E. W. Triplett, Charles Wil-
liams and L. B. Cox, Jr.

BAPTIST W. M. U. MEETS

The Baptist Woman's Mission-
ary Union met Wednesday at the
church with Rev. Glen Edwards
leading the Bible study. Mrs. H. A.
Gustavus brought special music
with Mrs. Ben Williams in charge
of the day's program. Refresh-
ments were served to fourteen
members, Mrs. Ben Williams and
Mrs. Edwards as hostesses.

Kersey To Retire From Postmaster Post On June 30

After 26 Years Veter-
an Quits; Fields Un-
confirmed Successor

After 26 years on the job as
postmaster of Ozona, James R.
Kersey will retire from that post
on June 30 of this year.

Mr. Kersey, who asked to be re-
tired from active service more
than two years ago, has submitted
his resignation to the Postmaster
General and has received notice
that he will be retired on June 30
of this year. He assumed the post
here in October of 1922 and has
seen the job grow from a one-man
village duty to one requiring full
time service of a staff of a half
dozen or more assistants.

Official red tape in Washington
clouds the issue of appointment
of a successor to Mr. Kersey in the
local postoffice. A. O. Fields, who
passed a Civil Service examination
and was the only candidate recom-
mended for the post, has been
nominated by the president for the
postmastership at Ozona. How-
ever, confirmation by the Senate
of that appointment has not yet been
announced from Washington and
the matter of who will succeed to
the position remains in doubt. Mr.
Kersey has been assured, however,
that he will be relieved of his du-
ties on June 30 and unless Senate
confirmation of Mr. Fields' ap-
pointment is forthcoming before
that date, it may be necessary for
the department to make an ap-
pointment on an "acting postmas-
ter" basis until such time as the
Senate gets around to acting on
the appointment.

Conoco Holds To Slim Lead After Losing To Wilson

Softball Teams Battle
Tonight and Friday
In City League

The Continental Oil Co. Conocos
fell from the undefeated ranks
Tuesday night when the Wilson
crew uncorked a slashing attack to
win 14 to 5 in the current city
softball league contests.

But for a loss by the runner-up
Williams, team the previous night,
a 13-12 thriller won by the here-
tofore lowly Baptist team, the Con-
ocos would have been bowled from
their top position, but as a result
of the first two games of this
week, the Conocos held to their
leadership by a slim margin over
Williams.

The standings of the teams to-
day:

	W. L.	Pct.
Continental	2 1	.666
Williams	3 2	.600
Gulf	2 2	.500
Wilson	2 3	.400
Baptists	1 2	.333

Tonight game: Williams vs Gulf
—8:15 p.m.

Friday night: Conoco vs Gulf—
8:15 p.m.

Shuffling of players, additions
of new talent and improvement in
playing ability which comes from
practice are making for better soft-
ball games as the season progres-
ses. Some of the teams which
were weak in early season play
are gaining strength and offering
the top dogs some stiff competi-
tion. Big crowds are attending
each of the four-nights-a-week soft
ball games at the field just west
of the Humble wholesale station.
Games are scheduled each Mon-
day, Tuesday, Thursday and Fri-
day nights.

BIG TANKS AVAILABLE

In line with a statewide move-
ment to install larger butane tanks
for consumer storage to avoid win-
ter shortages, the Ozona Butane
Co. announces this week that larg-
er tanks are now available for in-
stallation. Tanks have been scarce
and the present available supply is
expected to be exhausted before
the end of the summer.

Clendenen-Melton
(Continued from Page One)

W. E. Robertson, Jr., served as best man and ushers were Bill Melton, brother of the bridegroom, Jim Dudley, and Warren and Billy Clendenen, brothers of the bride. The altar was decorated with palms, white gladioli and candelabra holding white tapers. Mrs. Fred Parker, organist, played "The Serenade of the Bells" as pre-nuptial music and Mrs. H. B. Tandy sang "I Love You Truly." Mrs. Parker also played the traditional wedding marches.

A reception at the Granny Miller Hall followed the ceremony. The dining table was centered with a crystal bowl of white gladioli, flanked by crystal candelabra holding white tapers. The bride's cake occupied a mirrored place at one end of the table while a silver punch service was at the other. Tall baskets of white gladioli stood at matching windows between which the bride and groom stood in the receiving line.

Mrs. A. R. Barbee, aunt of the bride, served the cake and Mrs. L. B. Cox, Jr., was at the punch bowl. Mrs. Massie West greeted guests at the door, Mrs. Charles Williams was at the bride's book, and Miss Mary White and Mrs. A. M. Cunningham assisted in serving.

For going away the bride wore a stonecutter's cord two-piece suit in brown and white with matching hat and spectator pumps and bag to match. After a honeymoon trip to New Mexico and Colorado, the couple will be at home in Ozona where they have a home under construction.

The bride attended school in San Angelo and was graduated from Ozona High School, where she was drum major in her senior year. She attended San Angelo College and until recently was stenographer in Judge Houston Smith's office.

The bridegroom, a son of Mr. and Mrs. N. E. Melton, is a graduate of Crane High School and attended Texas Tech in Lubbock. He served two years in the U. S. Navy and is now associated with his father in operation of the Melton Motor Co., Ford agency here.

The bride was honored with a number of pre-nuptial parties, including the rehearsal dinner Saturday evening in the Clendenen home for members of the wedding party and members of the immediate family. Mmes. J. A. Fussell, L. B. Cox, Jr., Charles Williams, Ralph Jones, Joe T. Davidson, Cecil Hubbard, Paul M. Hallcomb and Miss Mary White entertained with a shower at the Granny Miller Hall May 21. Friday noon, Miss Ann West and Miss Corinne Phillips entertained with a luncheon at the Hiway Cafe honoring the bride-to-be.

Among out-of-town guests here for the wedding were Mr. and Mrs. T. N. Beauchamp of Eden, Mr. and Mrs. Joe T. Beauchamp of Christoval, Mrs. J. N. Barbee and Mr. and Mrs. A. R. Barbee of San Angelo, Miss Jean Louise Holt of Lubbock, Mr. and Mrs. W. R. Clendenen of Mertzon, Mr. and Mrs. R. L. Bell of Rankin, Mr. and Mrs. Ford Allen and Betty Sue of Sonora, Rev. and Mrs. Otis Sayes of Neosho, Mo., Henry Schooler of Big Lake, and Mrs. Fred Rich of San Angelo.

White side-wall tires, as illustrated available at extra cost.

REMEMBER that rough patch of road up yonder where the ruts and ridges make a washboard seem smooth?

Recall the tiring tenseness brought on by the drum and hum of road noise and tremor even over smooth concrete highways?

Well, clock away the miles in this stunningly styled Buick — and meet up with the sweetest answer to such matters this side of cloud cruising.

"It's a ride that's soft and smooth as velvet," folks tell us. And we tell them it comes from a host of things.

It comes from the ample road-weight of a two-ton car built low and wide — and so beautifully balanced it handles light as a baton.

It comes from the leveling buoy-

ancy of Buick's all-coil springing which puts a pillow of deeply coiled steel at each wheel to soak up the bumps and ripples.

It comes from the softness of bigger, lower-pressure tires that cushion away road tremors and roughness — from the sure-footed, swerve-free steadiness of Buick's extra wide Safety-Ride rims, widest in the industry.

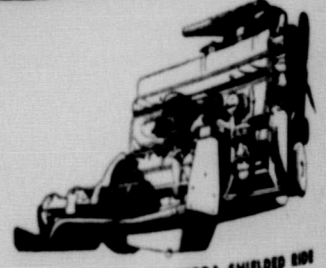

And it comes in special measure from a brand-new engineering gem we call Vibra-Shielding which banishes vibration build-up.

Here for the first time you're freed from the motoring fatigue brought on by tiny tremors piling up into bigger ones. Here your miles are made moss-smooth and quiet — long journeys become mere jaunts.

So why delay knowing the most buoyant answer to any road you ever traveled?

Come visit us now. Know at first hand the distinctive styling, the flashing action, the velvety ride over highway and byway that are Buick's and Buick's alone.

Then follow your heart's desire and get your order in promptly. We'll take it in proper sequence whether or not you have a car to trade.

REASON FOR THE VIBRA-SHIELDED ENGINE
Placed with scientific exactness, 3 feet of special composition cradle the engine so as to control its vibration frequency. Engine vibration is kept "out of tune" with those that might come from other parts of the car. The result is to shield occupants against jarring pulsations, cut road noise, make engine sensation almost imperceptible and motoring practically fatigue-free.

From where I sit... by Joe M...

Who is this Man?

Now and then, in the pages of the Clarion, I run a biographical quiz, under the heading of "Who Is This Man?" For instance...

"He was one of the earliest lovers in American history..."

"And yet he was too shy to court a woman outright..."

"He came to the New World on the Mayflower..."

"A cooper to repair the beer barrels accompanying the Pilgrims..."

"Who is this man?"

I thought that everybody was

stumped. But not Mr. ... returned the clipping to me "John Allen" on it. He gave all the clues—including the reference to "beer" and "trapezoid".

For Mr.—who's real name I know—knows that beer as the symbol of moderation is so old in our country as the never-ending search for tolerance brought the Pilgrims over the country in the first place.

SHOWERS FALL

Serving to bring temporary relief
 from the extreme heat and to set-
 tle dust and water yards, a shower
 fell on Ozona last night, as thun-
 derstorms in the area brought
 light precipitation in spots. Show-
 ers fell to the east and northeast
 of Ozona in early evening and a
 cooling shower visited the town
 during the night. Reports of fur-
 ther moisture in this area were
 not available this morning.

T. J. Bailey, West Texas Utilities
 manager here, who with Mrs.
 Bailey and children is on a vaca-
 tion trip to the East, is enjoying
 some big league baseball games.
 Cards received by friends here,
 however, indicate that he is not
 satisfied even with the perform-
 ance of the big league umpires—
 "just more of the blind Toms," he
 says.

Mrs. Clinton Glover and daugh-
 ter, Della, are here from Abilene
 for a visit with Mrs. Glover's par-
 ents, Mr. and Mrs. N. W. Graham.

P. L. Childress, 5-year-old son
 of Mr. and Mrs. Pleas Childress,
 received treatment in a San An-
 gelo hospital the first of this
 week. The child was reported yes-
 terday to be recovering satisfac-
 torily.

The solution to the possible rep-
 etition of the Butane Gas shortage
 this winter is larger storage tanks.

Heat Your Home This Winter With

PANELRAY GAS HEATERS

Nature's Own Heating Method

Science now has found the way to warm
 your home just like the sun warms the
 earth. PANELRAY radiates infra-red
 heat rays at the speed of light that ac-
 tually penetrate your blood stream be-
 fore the air is warmed.

The old type of hot air heating heats
 the air and you eventually get warm
 when the room (particularly the "head
 room") is flooded with hot air. But
 PANELRAY directs the heat rays
 at body height throughout the "living
 zone."

No exposed flame or incandescent
 parts - fit in the wall, out of the way
 - efficient, economical and low in cost.

There are only 3 ways to pay
 Tax money due at death of an
 estate owner:

1. Borrow the money and re-
 pay the loan out of future sale
 of estate property, or from
 estate income.
2. Maintain liquid funds suf-
 ficient at all times to provide
 the necessary tax money.
3. Through Life Insurance.

How...

WILL YOU SETTLE YOUR DEATH TAXES?

Yes, just how *will* you settle your Death Taxes? Federal Estate and
 State Inheritance Taxes will have to be paid some day. And payment must
 be made in cash, even though your heirs have to sell some of your most
 valuable possessions, or liquidate the estate entirely, to meet the obliga-
 tion. So, just *how* do you propose to settle those taxes?

If you have such a future financial problem, you can solve it today,
 with Southwestern Life Insurance, if you want to solve it. You can arrange
 now to pay your Estate Taxes *out of income* rather than out of your estate
 assets after death. You can arrange it so that cash on demand will be avail-
 able to your executor, and so your estate may be left intact for your family.

The Southwestern Life plan makes it possible for *you*, rather than your
 executor, to determine how your Death Taxes will be paid. Now, while
 you may adopt the plan, is the time to discuss it... and both you and your
 heirs will be glad that you did. Get an analysis of your estate needs today.

Texan to Become U. S. Forestry Head

COLLEGE STATION — S. L. (Jack) Frost has resigned as acting director of the Texas Forest Service effective June 30, to accept the position of executive director of The American Forestry Association, it was announced to-

day by President Gibb Gilchrist of Texas A. & M. College. Frost will make his new headquarters in Washington, D. C. He will succeed Ovid Butler who retired March 31. At 39 he will become the youngest executive officer in the American Forestry Association's 73-year history when he takes office in July.

A leader in forestry education in the South for the past 13 years, Frost, prior to his appointment as acting director of the Texas Forest Service April 1, headed that organization's educational work. At the same time he served as secretary of the Texas Forestry Association and helped organize the Southern States Forestry Educational Directors Association. He served as chairman of the latter group in 1946 and 1947.

Recently decorated by Gen. Carl Spaatz for organization of the wartime Civil Air Patrol of Texas forests, Frost was honored this spring by the Texas A. & M. "Battalion" for his accomplishments in the field of public relations and publications.

In his role as executive director of the American Forestry Association, Frost will be responsible for carrying forward a national program of forestry based

on the association's fact-finding survey of the country's forest resources. This survey, completed in 1946, revealed to the people of the nation the effects of war upon this valuable resource and paved the way for postwar planning for its management.

Mr. and Mrs. Dick Henderson, who ranch near Valentine, are here with Scottie to visit Mr. Henderson's parents, Mr. and Mrs. Floyd Henderson.

Roy and Bobby Sutton, children of Mr. and Mrs. Glen Sutton, are visiting their grandparents, Mr. and Mrs. R. L. Sutton in Goldthwaite this week. The children took their first train ride, boarding the train at San Angelo for Goldthwaite.

Mr. and Mrs. J. M. Baggett are visiting relatives in Lubbock this week.

By the NUMBERS, PLEASE

A lot of folks like to make telephone calls simply by asking the operator to "give me the Jones house". While we're glad that you regard the telephone with such informal friendliness, we're afraid this friendly spirit sometimes prevents good service. So please, won't you call by number instead of by name. If you can't find your number in the directory, "Information" will help you. Your cooperation will help improve service.
