Concho Basin Completed Teams

Season Opens May 2 In Ozona Playing Maverick

Concho Basin baseball teams are to be formed in the near future following a conference of the league managers in the Times conference room here Monday night. The teams compose the league and an agreement to present league membership to new entries will be admitted.

Composing the blustery team are Ozona, Maverick, Sonora, Veris, Robert Lee and Lone Goodfellow Field team. At the initial meeting, the team was not represented Monday night session, and who had also applied, represented and consented these two teams were exempt membership, it was emphasized that only attendance Monday night admitted.

The league is to start play on a home-and-home basis straight-through schedule August 1. The first four end of regular season will engage in a Shaughnessy-off, starting the second day in August.

The opening game schedule for May 2, will be as follows: in Maverick, in Bronte, in Lowake.

Lee in Sonora. Games are to be played on a home-and-home basis. The team in the loop will put up a team to go to the winner and play in the Shaughnessy on a 60-40 percentage basis engaging in the play-off game sites by a coin toss and in case of failure to toss of the coin will decide.

The league set a team 18-player and all squad rosters must be filed with the league secretary on the day of the schedule or be forfeited on the second day of the schedule.

After any new player by a team must be certified eight days before be able to participate in league play. A player within the league can be transferred to another team in the league without unanimous consent of the team managers.

It is the last day a team is allowed to certify any new player. The teams furnish the game and take all the gate receipts. The regular schedule. The teams furnish and pay press-in-chief and third umpires while visiting teams and pay the first base umpire.

When a team forfeits, it is from the league. If it does return it must pay \$50 entry and the \$50 goes to the team to which it forfeited.

Youth Hurt In Motorcycle Crash

Mitchell, 16, Ozona high school student, suffered a broken arm and leg in a motorcycle - automobile crash in the San Angelo-Carlsbad area Friday night.

Ozona youth is under treatment in a San Angelo hospital. His condition is reported as serious. His left leg was broken in three places but doctors report a good repair and his recovery far has been satisfactory.

A motorcycle crash occurred seven miles from the city limits of San Angelo. The driver, Robert Lee, was the driver of the motorcycle with which the motorcycle crash occurred and two students were injured.

HENDERSONS
Mrs. John Henderson, the parents of a son born in a San Angelo hospital.

House of David To Play Ozona Nine On Tuesday, May 4

The bewhiskered House of David baseball team, boasting many ex-league players, will be seen in action on the Ozona diamond Tuesday afternoon, May 4, against the Ozona nine. The game was matched during the past week by Oscar Kost, business manager of the local club. It will be in the nature of a practice session for the Ozona team, now engaged in daily work-outs in preparation for the opening of the Concho Basin League schedule on Sunday, May 2.

Byron Stuart, manager of the Ozona nine, reports that considerable new material, all promising, is being added to the local roster in the daily practice sessions. Garland Marshall, manager of the Ozona Wool & Mohair Co., Eddie Bower, also employed at the wool house, a pitcher and an infielder from one of the oil crews operating here, and a number of others are among the new talent being conditioned for the Basin league wars, Stuart said.

Incidentally, Stuart made it clear about his name being included on the roster of the C. West's San Angelo Colts of the Longhorn league. Stuart agreed to play with the Colts as needed on occasional week-day night games when business would permit his making the game. No Sunday games are included in the agreement with West, he said, and he will always be available for service with the local team.

Spring Term Of District Court Convenes Apr. 5

Petit and Grand Jury Panels Summoned for Duty

Judge J. E. Randolph of Fort Stockton will convene the Spring term of the 112th district court in Ozona Monday morning, April 5.

Members of the grand jury panel have been summoned to report at 10 o'clock on Monday morning, the opening day of the April term, and members of the petit jury panel are summoned for 10 o'clock on Thursday morning of the same week.

Summoned for grand jury service are W. E. Friend, Jr., E. H. Chandler, A. O. Fields, Joe Tom Davidson, Fred Hagelstein, Bill Carson, Dempster Jones, Billie Baggett, J. B. Miller, Tom Harris, Jr., Charles Ratliff, Joe W. North, Miller Robison, J. K. Colquitt, Taylor Deaton and Max Schneemann.

On the petit jury panel for the term are Claude G. Word, Joe Forehand, Ray Deland, John Fogarty, J. D. Kirby, W. N. Hannah, John Coates, Bill Clegg, C. W. Taliaferro, Jack Wilkins, C. K. Black, Richard Miller, Sr., Ben Williams, C. B. Hubbard, Ernest Dunlap, Conley Cox, L. M. Morrison, Charles Williams, James Joslin, Joe Clayton, J. W. Howell, Arthur Phillips, J. S. Pierce, III, Brock Jones, Larry Albers, J. L. Sweeten, Harley Cox, Lloyd Coates, J. M. Pridemore, L. B. Cox, III, Hammond Sparks, Ben Butler, Paul Hallcomb, E. G. Owens, Vic Montgomery, James Childress, Joe Couch, Jack Henderson, Ivy Smith, S. S. Millsbaugh, Jr.

Town-High School Baseball Teams in Practice Game Sunday

The season's first baseball game, a practice encounter between two teams composed of members of the town Concho Basin entry and the high school team is scheduled for next Sunday at Powell Field.

The game will start at 3 o'clock. Byron Stuart, manager of the town baseball team, and Coach D. A. Parker of the High School squad, will shift players as needed in order to produce well matched squads and give players on both teams an opportunity for a good practice session.

TS&GRA Directors Plan Interesting Program for Meet

Ozonans Set To Entertain Visitors Here Fri. and Sat.

A good program of timely and interesting talks has been arranged for the first 1948 quarterly meeting of the Texas Sheep and Goat Raisers' Association to be held in Ozona on Saturday, March 27, according to Clayton Puckett, Fort Stockton, President of the Association.

Dr. L. B. Boughton, veterinarian, at the Sonora Range Experiment Station, will high light the meeting with a report on the Foot and Mouth Disease in Mexico. He has just returned from there after inspecting the whole area now infested with the disease. The Association requested Dr. Boughton to make this inspection trip in the interest of all Texas livestock producers. Mr. Puckett said, Boughton was given the necessary leave by the Texas Agricultural Experiment Station in order to make this survey.

Charles E. Stewart, Traffic Counsel, Fort Worth, and Stanley P. Davis, College Station, will also appear on the program. The regular quarterly reports by Mr. Puckett and Ernest Williams, association secretary, and reports by the various committees will be given.

Mr. Puckett stated that the quarterly meeting was open to all sheep and goat raisers, members and non-members, and each was especially invited to attend.

The Ozona Community Council, on behalf of the citizenship of this county, will play host to the visiting directors and their families, who are expected to begin arriving Friday afternoon.

Mrs. R. A. Harrell, chairman, and Mrs. J. E. Miller, Mrs. V. L. Pierce and Mrs. W. E. Friend, Jr., will act as a courtesy committee to register guests and assign them to room accommodations here. A registration desk will be set up in the lobby of Hotel Ozona Friday afternoon and Saturday morning.

For the early arrivals, two entertainment features are planned for Friday night. Mr. and Mrs. Sherman Taylor will maintain an open house Friday night beginning at 8 o'clock for the visiting Association executives and all visitors and all Ozonans as well, are invited by the Rhythm Club to the club's regular dance at the Court house Friday night.

The first quarterly meeting of the directors for 1948 will convene at 9 o'clock in the district court room. Rev. Glen Edwards, pastor of the First Baptist Church, will pronounce the invocation and the address of welcome will be delivered by Scott Peters. The response (Continued On Last Page)

Junior High Pupils To Present Easter Program Friday at 3

Pupils of the sixth, seventh and eighth grades will present an Easter program at 3 o'clock Friday afternoon in the High School Auditorium. The program will consist of choral readings and singing, solos and small ensemble groups, under the direction of Miss Jacqueline Theis, public school teacher.

The program will be as follows: Chorus: All the World in Every Corner Sing — John Porter. Choral Reading: At Easter, a Poem.

Chorus: Jubilate, a Russian Air. I Walked Today Where Jesus Walked, Geoffrey O'Hara — Gwendolyn Earnest and Girls' Chorus.

Choral Reading: Girls' Sextet: Legend — Tschalkowsky.

He Was Despised — From "The Messiah" by Handel — Miss Jacqueline Theis.

Choral Reading: Christ the Lord Is Risen Today — Lyra Davidica.

A Song for Easter — Lowell Mason.

Ye Watchers and Ye Holy Ones — 17th Century Air.

All Teachers Are Re-Elected; Rhoads And Chafin Resign

Members of the school board in a meeting Tuesday evening re-elected all teachers now composing the public school faculty in Ozona with the exception of two whose resignations had already been put in the hands of Supt. C. S. Denham for transmission to the board.

The teachers who tendered their resignations were Band Director G. A. Rhoads and Dean Chafin, principal of the grade school. Mr. Rhoads, who has been director of the high school and junior bands here for the past two years, plans to return to college to continue his musical studies. Mr. Chafin, whose home is in Brownwood, plans to teach in that area.

Four Members Of School Board To Be Elected Apr. 3

Coates Asks Retirement; Clayton Named To Fill Vacancy

Terms of four members of the district board of school trustees expire this year and voters will be called upon to re-elect or replace these members in the annual school trustee election to be held Saturday, April 3.

Simultaneous with the trustee election, voters will be called upon to cast a ballot on the question of whether or not the Commissioners Court shall be authorized to levy a special road tax not to exceed 15 cents on the \$100 valuation for the purpose of augmenting the present rate which is limited by statute and inadequate for the present needs of the county.

The four members of the board of trustees whose terms expire this year are Charley Coates, Chas. E. Davidson, Jr., Ashby McMullan and Bill Bissett.

Charley Coates requested the Stockman to announce this week that he wished to be relieved of his duties as a member of the board at the expiration of his present term and would not be a candidate in the coming election. Mr. Coates explained that after this year he would no longer have children in school and that ranch business would necessitate his being out of town more in the future.

The present board has a new member by appointment, Joe Clayton having been appointed recently by the board to fill out the unexpired term of Ray Piner, who tendered his resignation because of plans to move to Odessa where he is to go into business.

EVERYBODY INVITED TO RHYTHM CLUB DANCE FRI.

The Rhythm Club of Ozona will be hosts at a dance at the courthouse Friday evening to which all members of the Texas Sheep and Goat Raisers Association directors, here for the first quarterly meeting of the directors for the year, are invited.

Hosts of the dance club this week announced that the invitation extends to all Ozonans as well. "Everybody is invited. Let's make it a big occasion for the visiting sheep and goat raisers, the club hosts announced. They are Mr. and Mrs. J. D. Kirby, Mr. and Mrs. Sid Millsbaugh, Jr., Mr. and Mrs. Austin Millsbaugh, Mr. and Mrs. J. K. Colquitt and Mr. and Mrs. Lee Wilson.

RECRUITING RATE JUMPS

M. Sgt. Horn, in charge of the Army and Air Force recruiting station serving Ozona and Sonora, reported this week that he had signed up four new recruits at Sonora during the past week, a considerable spurt in the recruiting rate. President Truman's recent speech to Congress recommending a "Stop Communism" policy for the United States and enactment of universal military training and revival of the draft laws resulted in a nationwide jump in the rate of voluntary enlistments in the military services.

Mertzon School Head Chosen For Ozona Position

Jack McIntosh To Succeed C. S. Denham as Superintendent

Jack McIntosh, superintendent of schools at Mertzon for the past three years, was named superintendent of the Ozona Public Schools at a meeting of the school board here Friday night. The appointment was made after several weeks of study and consideration of a number of applications on file with the board.

Mr. McIntosh succeeds Claude S. Denham who resigned the post of superintendent after serving fourteen years in that position and some twenty years as a member of the Ozona school faculty. The change in administrative heads becomes effective June 1.

The new superintendent here is a graduate of East Texas Teachers College, where he received his bachelor's degree in administrative education. He secured his master's degree in administrative education at the University of Houston and is now working toward his doctor's degree at the University of Texas.

Mr. McIntosh was principal at Gladewater before becoming high school principal at Alba, where he served five years before assuming the post at Mertzon. While at Alba he coached the high school basketball squad, and is now a member of the San Angelo Basketball Officials Association.

Active in church and civic affairs, Mr. McIntosh is a deacon in the Mertzon Baptist Church, secretary of the Lions Club there, a member of the Masonic lodge and Moslah Temple of the Shrine at Fort Worth. He will move to Ozona at the close of the present school term.

Amateur Yeggs Fail In Try To Open Safe Here

Melton Motor Co. Safe Damaged; Cash Register Broken

One or more would-be yeggs, apparently unfamiliar with the construction of a safe, failed in an attempt to burgle a safe at the Melton Motor Co. here sometime Sunday night.

Using an electric drill, crowbar and other tools "borrowed" from the motor company's own shop, the amateur knob-knockers apparently worked for some time in tearing off the safe's combination and outer hinges, but abandoned the job before succeeding in opening the safe door.

Entrance was gained by breaking a pane from a side window, enabling the burglars to unlock the window and crawl through. A cash register was broken open but a quantity of small change was untouched. The burglary was discovered by Newell Melton, son of the owner N. E. Melton, when he opened the place of business early Monday morning.

Sheriff V. O. Earnest and Deputy Hearst Laws were aided in their investigation by Highway Patrolmen J. F. Anderson and O. L. Birchfield. Patrolmen brought fingerprint equipment and took photos of possible prints but no report had been received on the results of this work late yesterday.

Carnival Shows Here Under Auspices Ozona Volunteer Fire Dept.

The Texas Shows, a carnival aggregation which boasts a purpose of "just clean fun," is showing in Ozona this week through next week under auspices of the Ozona Volunteer Fire Department. The carnival has five riding devices and a number of other shows and concessions. A percentage of the proceeds from the ten-day stand here will go to the fire department fund.

\$435,000 School Bonds Approved By 6 to 1 Vote

Heavy Vote Indicates Community Interest In Expansion

Crockett county voters approved by a margin of more than six to one the proposed issuance of \$435,000 in bonds for the purpose of erecting necessary additional facilities for Ozona schools in an election held throughout the county Tuesday.

An unusually heavy votes on the issue indicates the widespread interest of citizens in the need for additional facilities to take care of Ozona's rapidly increasing school enrollment.

A total of 254 Ozona residents went to the voting place at the courthouse to cast their ballots on the issue, with 219 voting for the bond issue and 35 against. Although the polls were opened in other boxes, voting was recorded in only two of the outlying boxes in the county. At the Owens ranch box, five votes were cast, all in favor of the bond issue. At the Powell Field box another five votes were registered, four in favor of the bond issue and one against.

The issue will be serial bonds maturing in fifteen years and bearing interest at a rate not to exceed 3 per cent. Preliminary investigation has indicated that the excellent financial condition of the county will make it possible to sell the bonds at 2½ per cent or less.

With proceeds from the bond sales, the school will go forward with the construction of a new grade school building with ten class rooms. This building is to be erected on school property a block west of the present plant, the lot formerly used as a school baseball field and at one time contemplated for use as a football stadium.

A five-class room addition, with an auditorium, will be erected at the Latin-American school, the new addition being sufficient to take care of the high school division of the school, thus relieving overcrowded conditions in the present building used as a grade school. Additions to the teaching staff will be necessary to care for the expanded class units, and the building program calls for the erection of a new teacherage.

The school athletic program will be given new stimulus with construction of a new high school gymnasium and a new football stadium as a part of the near half million dollar school expansion program. Site for the new gymnasium has not been definitely decided but the new football layout is to be on a plot of ground recently purchased by the schools west of the draw and in the northwest part of the city. The county machinery was used recently in moving dirt to the lot to raise and level certain areas of it in preparation for its use as an athletic field. The program for this facility contemplates a lighted, sodded football field, with cinder track, a stadium with a seating capacity of 2,000, field house containing showers, dressing rooms, toilets, lockers, etc. and other related improvements. Most of the other (Continued On Last Page)

Methodist Youth Sponsor Sunrise Service Easter

Youth of the Methodist Church will sponsor a Sunrise Service Easter morning beginning at 6:30 o'clock. The service will be held at the new Methodist church site. Chairs will be placed in the wind-sheltered area east of the main chapel near the oaks for the comfort of those attending.

A novel service has been arranged for the early-morning service including amplified music, a special chorus and the resurrection message by the pastor, Rev. Horace M. King. All persons of the community are cordially invited to have a part in the service.

Two Big League Baseball Games To Be Played in Del Rio

DEL RIO. — Two Big League exhibition games will be played in Del Rio at Del Rio Park early in April.

The first of the games is slated for April 2 and will see the St. Louis Browns playing the Chicago Cubs.

On April 7, the Pittsburg Pirates will meet the Chicago White Sox.

Both games will be played at 3 p.m. Two years ago record crowds were packed into the stands at the park to see the four Big League teams stage two separate exhibition games.

Reservations may be made by writing the Del Rio Livestock Association at Del Rio, Texas.

Tickets will be \$1 for general admission and box seats, \$1.50 plus tax.

PASSING THE BUCKS ON A BREADLINE . . . For a little while they were handing out no bread on the daily breadline at St. Francis monastery in New York. Instead the unfortunates who came there for a little of life got dollars. Joseph Snyder, who won \$250 on a radio program, decided there were others who needed the money more than he did, so he passed out his prize money, a dollar at a time, to the habitues of the breadline.

METHODIST EASTER SERVICES Horace M. King, Pastor

A candlelight Communion service will be held at the chapel beginning at 7:30 Thursday evening. Friday evening at the same hour, the pastor will bring a message on the 'Seven Last Words.'

Saturday at 7:30 p.m. has been designated as a two-minute prayer period.

Easter Sunday morning a service will begin at 10:50, the pastor speaking on the topic 'He Is Risen and Speaks.' Baptism of babies, a parent dedication and reception of new members will feature the service.

Sunday afternoon at 4 o'clock Mrs. Durward Pettitt will review the religious book, "Paul" and immediately following the review, members of the WSCS invite all to a tea honoring new members of the Society.

Palm Sunday, seven members of the first 1948 training class in church membership were received into the Methodist Church. Those taking the vow in the presence of their parents and the congregation were Ann Baggett, George Bunker Jr., Barbara Jo Guthrie, Sarah Hicks, Tom Kincaid, Shirley Kost and Gretchen Krause. A

new class has been started for the group of boys and girls who will be received upon completing their training early in May.

I-DEAL BRIDGE CLUB

Mrs. Willard Deaton entertained the I-Deal Bridge Club with a four-table party at her home Monday afternoon.

Mrs. Sam Patterson won high score for the afternoon, Mrs. Vernon Ratliff took the low score trophy. Mrs. W. V. Guidroz won the bingo prize and guest high went to Mrs. Hillery Phillips.

Delicious refreshments of chicken salad, potato chips, olives, cake and coffee were served at the end of the party.

Others present for the afternoon's games were Mrs. J. H. Tabor, Mrs. D. L. Scott, Mrs. Jack Robinson, Mrs. L. E. T. Sikes, Mrs. H. N. Brown, Mrs. John Marshall, Mrs. Cleophas Cooke, Mrs. Byron Stuart, Mrs. L. D. Kirby, Mrs. Marvin Barnes, and two guests, Mrs. Stephen Perner and Mrs. R. J. Adams.

Mrs. W. V. Guidroz will entertain the club at the next meeting.

ENTERTAIN 42 CLUB

Mr. and Mrs. P. T. Robison were hosts to members of their 42 club at their home Friday evening.

Guests included Mr. and Mrs. N. W. Graham, Mr. and Mrs. Will Baggett, Mr. and Mrs. J. M. Baggett, Mr. and Mrs. Fred Boerner of Huntington Park, Calif., Mr. and Mrs. T. J. Bailey, Mr. and Mrs. John Bailey, Mr. and Mrs. Hubert Baker, Mr. and Mrs. Lowell Littleton, Mr. and Mrs. Roy Henderson, Mr. and Mrs. Evart White.

Mr. and Mrs. Bert Couch, Mr. and Mrs. Early Baggett and Mrs. B. B. Ingham.

Mrs. B. B. Ingham returned this week from McAllen where she took delivery on a new car for her son, Dudley Ingham of Sheffield. On the return trip, Mrs. Ingham went by Houston where she was joined by her sister, Mrs. Spencer King, who accompanied her home for a visit. Mr. King is expected to arrive today to spend the Easter week-end.

UNCLE SAM'S PART OF YOUR TELEPHONE BILL. The Federal tax rate on local telephone service is 15%. The tax rate on long distance service, where the charge is 25c or over, is 25%. Other forms of telephone service are subject to Federal taxes at rates ranging from 8% to 25%. This tax is imposed by the U. S. Government directly on the user of the telephone. The telephone company, at its own expense, serves as a collector. Long distance calls and certain other services, being taxed at 25%, are taxed higher than the 20% rate for luxuries such as furs, jewelry, and perfumes. This form of tax, that is an excise tax on telephone service, has traditionally been resorted to only in national emergencies. Your telephone company believes this form of tax should not be a part of the peace time tax structure. Representatives of the telephone industry have urged and will continue to urge before the proper Congressional committees that these excise taxes now be eliminated; and many users and representatives of users of telephone service are likewise urging that they be repealed by the tax legislation now before the Congress. Today's biggest power bargain. It's a Complete New Buick Engine and We'll put it in Your Car at a Price You'll hardly Believe. YES sir, here's a big bargain for Buick owners—a brand-new straight-from-the-production-line Fireball engine. We'll put it in any Buick from 1937 models on up. We'll take out your old mile-weary engine, put this one in, and make your car brand-new again as far as power is concerned. Pep and snap come back—right up to 1948 standards. You get new-engine mileage from every gallon of gas. Oil consumption drops. And you enjoy the thrill of the liveliest, most responsive engine on the road today—the same engine that makes Buick the snappiest car on the highways. Think what this will mean to you—in comfort of driving—in new dependability—in sheer fun. Think of the extra worth of your car when it comes time to turn it in. As to cost—it's so moderate it makes this change-over today's best power buy. Installation cost varies somewhat with car model. But we'll be glad to give you the figure down to the dollar if you'll drive around. Don't put it off. Make up your mind to drive a 1948-powered car now. Come in and talk it over. Quick Starts and Driving Zip. Most for your Gas. A Delight to Handle. BUICK CARE KEEPS BUICKS BEST. HELP AMERICA PRODUCE FOR PEACE—TURN IN YOUR SCRAP IRON AND STEEL. WILSON MOTOR CO. Buick - Pontiac Sales & Service Ozona, Texas

Grower Cooperation, Product Promotion Said Mohair Solution

Reprinted from Devil's River News
There is quite a bit of talk about the low price of mohair these days. That's good for the buyers because as long as it keeps up, their offers will stay down. Today mills are buying just enough mohair to get by on, hoping that apprehension on the part of growers will prevent an increase.

The way we look at it, there are three things growers of mohair can and should do. First, they can stick together through the whole mohair producing area of Texas. Small growers east of Sutton and Kimble counties should make every effort to hold on until the price reaches a certain level.

Second a concerted and well-planned effort to create a steady demand for mohair products should be undertaken. Advertisements in nationally circulated magazines can do this job at a cost of about a cent per bag to the grower. Will that really work? Our answer is to point out the case of the California Lemon Growers Association. In Time, Life, The Saturday Evening Post and Colliers, plus several ladies' magazines, appear full page ads advising the public that the healthful way to start off each day is by "Drinking the juice of a lemon in a glass of water." It sells lemons by millions when actually, many medical authorities say that lemon juice and water drunk each morning is not especially beneficial.

The point of the lemon example is that advertising, properly carried out, will create a demand for almost anything. It can create a demand for mohair suits, mohair furniture upholstery, auto upholstery and other products just as easily as it did for lemons, Sun Valley, Idaho or Cancer Research.

Third, the mohair grower can sit tight on his mohair and sell off his old goats at some very attractive prices. Goats have been bringing 8 to 10 cents a pound on the market lately and in San Antonio Monday were quoted at \$9 and \$10. It is understood that Greece is asking for goat meat as a part of

our aid program and that this demand may keep the price up for quite a while.

WEEKLY SWING OF SOUTHWEST FARM MARKETS

(USDA)—Most southwest farm products sold around steady to a little higher during the past week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Widespread strikes of packing house workers found only half as many cattle coming to 12 midwest markets last week as the week before and generally fewer hogs and sheep. However, Texas and Oklahoma terminals attracted about as many cattle and more hogs and sheep compared to the previous week's weather-lightened receipts. Broad demand from killers, order buyers, and those packers still able to operate offset the effect of strike-bound plants who were cut out of the market, and southwest livestock prices showed more going than losses for the week. Rather uneven trends prevailed

on Monday's cattle markets, with spots of strength and weakness. Medium and good steers and yearlings ranged from \$23 to \$28 in Texas and Oklahoma, and good steers sold from \$25.50 to \$27 at Wichita and Denver. Active hog markets gained 50 cents to \$15.50 Monday. A spread from \$23.50 to \$24.50 took most good and choice medium weight butchers. Sows moved mainly at \$17 to \$18.50, but San Antonio paid to \$20.50. Lambs predominated in this week's opening sheep markets in slow trade. Fort Worth bought choice spring lambs to \$23.50.

Grain markets fluctuated during the week but closed Monday three to six cents a bushel lower on most types. Wheat millfeeds averaged higher for the week, but some feeds tended lower. Increased hay offerings moved fairly well. Southwest wool buying reached a near standstill.

Mrs. Max W. Wilson Honored at Coffee In Scott Peters Home

Mrs. Max Wilson, who was Miss Helen Mayes until her recent marriage, was honored with a coffee and shower Wednesday morning from 9 to 11 at the home of Mrs. Scott Peters. Hostesses were Mrs. Peters, Mrs. Stephen Perner, Mrs. T. A. Kincaid, Jr., Mrs. Ashby McMullan, Mrs. Hilton North, and Mrs. H. B. Tandy.

Receiving the guests were Mrs. Peters, Mrs. Wilson, Mrs. Hudson Mayes of San Angelo, Mrs. Dick Henderson and Mrs. W. E. Friend, Sr. of San Angelo. Mrs. Austin Millsbaugh and Mrs. Charles Williams, two recent brides, were introduced by Miss Nan Tandy.

Mrs. W. E. Friend, Jr. and Mrs. Eddie Arnold of San Angelo, poured. Miss Rosalie Friend was at the guest book and in the gift room were Mrs. Carl North, Miss Jean Sprouls and Mrs. Floyd Henderson.

Spring flowers were used in profusion throughout the house. The table was centered with an arrangement of hyacinths, May-tree blossoms and forsythia. Painted daisies were used for corsages for members of the house party.

About sixty guests called during the party hours.

BOYCE HOUSE GIVES YOU TEXAS

A few weeks ago, your columnist went to Little Rock to speak at the state hardware dealers convention. I hardly knew I was outside of Texas because the newspapers there featured the visit of scientists to the McDonald observatory out in the Davis Mountains, to study the green spots on Mars; the trial of a man accused of having murdered his bride, whom he had married in Abilene, and the Texan, an ex-marine, who stabbed a burglar to death in Chicago.

And a touch that reminded one

EDW. A. CAROE

14 YEARS IN SAN ANGELO
Phone 5384

further of Texas was an ad which read, "World's biggest hot dogs."

Of course, Texas has the biggest in just about every line; that Arkansas advertiser must have been newly arrived from Texas and hadn't yet got over his Texas habits.

From the business district of Little Rock, when you look toward the Capitol, because of a hill in between, you see just the dome, apparently hanging in space.

You can walk across a bridge over the Arkansas River. As a boy, I seem to remember the big stream puffing up and down, with others having two or three steamboats moored at the wharf. But, the other day, there were just two barges and a houseboat in sight.

And I've never eaten any finer fried chicken than that at a Little Rock cafeteria — Mrs. Atkinson's. It melts in your mouth like ice cream — only, ice cream doesn't have as good a flavor as that fried chicken.

In early days, the sight of a "benzine buggy," as the auto was known, scared horses. A man explained, "When a horse sees a buggy running down the road with nothing pulling it, it's as if a man was to see a pair of empty pants run by him. Wouldn't that scare you?"

Mr. and Mrs. J. M. Baggett had as guests last week Mr. and Mrs. Fred Boerner of Huntington Park, Calif. Mr. Boerner is Mrs. Baggett's brother.

BRIDGE PARTY

Mrs. Dempster Jones entertained her bridge club Wednesday afternoon at the Joe Pierce home. Flowers were given as favors and gardening tools as prizes.

Club high score went to Mrs. J. S. Pierce, III, guest high to Mrs. Bill Baggett, low to Mrs. James Childress and bingo to Mrs. Johnnie Miller.

A dessert plate was served. Other guests were Mrs. Joe Clayton, Mrs. Austin Millsbaugh, Mrs. Hilary Phillips, Mrs. Charles Williams, Jr., Mrs. Sherman Taylor, Mrs. Gene Williams, Mrs. Byron Williams, Mrs. Pleas Childress and Mrs. George Bunger.

Community Clean-Up Drive Recommended As Health Measure

AUSTIN. — "A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state," Dr. George W. Cox, State Health Officer, said today, in urging all communities and cities in the state to cooperate in Texas Clean-

Up Week April 4-11.

A general clean-up program of state-wide proportions with the objective of bettering health conditions for our citizenship should include surface cleaning, drainage the graveling of streets and alleys, the cleaning of all parks and playgrounds and the clearing off of weeds and rubbish from vacant lots.

"The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises will be," said Dr. Cox, "of inestimable value in helping to keep down summer health hazards such as dysentery, typhoid and poliomyelitis. Good community housekeeping and ordinary sanitary measures require the prompt removal of all waste matter in and around yards and homes in order to abate the danger

Dr. Cox stressed the fact that many dangerous diseases are filth borne, and the only possible way to control them is to eliminate the

insanitary conditions responsible

Mr. and Mrs. Jerry Pace, Sue and Baggett, of Austin will spend the Easter week-end here as guests of Mrs. Pace's parents, Mr. and Mrs. J. M. Baggett.

Chevrolet — Oldsmobile Sales & Service

I'm
always planning
and building
for the future
of West Texas

WHEN the West Texas Utilities Company built the first high-voltage transmission line in West Texas in 1915—the second in the state—it paved the way for the growth and development of this vast area by making low-cost, dependable electric service available to small and large communities alike. Since the building of the first line, the Company has continually planned and built for the future of West Texas until today it operates more miles of transmission line than any other company in the state.

ment, an abundance of electric power was available for all consumers. In fact, 59,879,000 more kilowatt hours of service were provided in 1947 than in the preceding year.

Also, during 1947, more than \$2,800,000.00 in wages were paid to employee citizens of West Texas. During the year \$1,873,000.00 were contributed to local, state, and federal governments.

While supplying the present electric requirements, the people of your service company are devoting full energy to planning and building for the future. During the next four years, the Company will spend \$18,000,000.00 enlarging plants and existing facilities and constructing transmission and distribution lines in an all-out effort to bring low-cost electric service to more and more people—in their homes, on their farms and ranches, and in their businesses.

West Texas Utilities Company

TS&GRA Directors

(Continued From Page One)
will be made by a member designated by President Puckett. A committee consisting of local members of the board of directors, including T. A. Kincaid, Jr., chairman, V. I. Pierce and J. B. Miller, have arranged for rooms in the courthouse for separate sessions for the eight committees of the directorate which will follow the initial assembly meeting and occupy the rest of the morning.

At noon, the Community Council will serve luncheon to the visitors at the Granny Miller Hall where a brief dinner program will be presented. The committee in charge of luncheon arrangements consists of Mrs. S. M. Harvick, chairman, Mrs. A. C. Hoover, Mrs. Max Schneemann and Mrs. T. A. Kincaid, Jr. The afternoon business session of the directors starts at 2 o'clock in the courthouse.

Visiting ladies and members of the Auxiliary will be entertained at the home of Mrs. Chas. E. Davidson, Jr., at 9:30 Saturday

morning. All Ozona women are invited to this meeting, lasting until 11:30. The local committee in charge of arrangement for entertainment of the ladies is headed by Mrs. Ashby McMillan, assisted by Mrs. Chas. E. Davidson, Jr., and Mrs. Jack Wilkins.
Beginning at 2 o'clock Saturday afternoon, the ladies will be entertained at a tea and book review at the Granny Miller Hall. The review will be given by Mrs. Dock Lee.

School Bonds —

(Continued From Page One)
schools in this district have lighted football fields and in anticipation of approval of the local expansion plans, fall football games here have been scheduled for night play.
The plan for a new gymnasium contemplates a playing court of regulation size, with adequate room for lockers, dressing rooms, first aid rooms, storage space, etc. and a seating capacity of 1,200. Erection of the new gymnasium

will make it possible for more students to participate in the school's physical education program, both the grade school pupils and high school students, girls as well as boys.

David Castle, Abilene architect, has been employed by the board and will begin immediately the task of preparing plans and specifications for the building program, in the hope that work may get under way in late Spring or early summer.

Women's Interests Woman's Club Topic

The Ozona Woman's Club met Tuesday afternoon in the home of Mrs. Joe Pierce with Mrs. Vernon Ratliff as assisting hostess.

The study topic for the day was "Women's Interests." Mrs. S. M. Harvick was leader and gave an illustration of women as leaders in certain fields of work and play. "Fashions in Houses and Fashions in Dress" was the topic discussed by Mrs. Johnnie Henderson. "Women of 1947 that Made Headlines" was given by Mrs. Stephen Perner and "Book of the Week and Table of the Week" was told in a most

interesting manner by Mrs. O. L. Sims.

Mrs. A. C. Hoover was elected as delegate to the District convention to be held in San Angelo April 1, 2 and 3.

The tea table was centered with a bouquet of yellow and white Spring flowers. A salad course was served to Mrs. P. T. Robison, Mrs. Bert Couch, Mrs. Stephen Perner, Mrs. Chas. Williams, Mrs. Neal Hannah, Mrs. Hubert Baker, Mrs. L. B. Cox, Jr., Mrs. O. L. Sims, Mrs. S. M. Harvick, Mrs. J. A. Fussell, Mrs. Johnnie Henderson, Mrs. Lowell Littleton and Mrs. A. C. Hoover.

U of T. Scientists Begin Long Range Study of Texas Grass Problem

AUSTIN. — If a start is not made in the near future toward obtaining biological data on grasses, within two decades Texas will be faced with the most serious kind of problem in attempting to produce sufficient food from grasslands, Dr. W. G. Whaley, University of Texas botanist, says. University scientists are now preparing an attack on some of

the basic problems which stand in the way of improvement of grasses and management of grasslands. The grass research program is conducted by the Plant Research Institute, which has been endorsed by the Texas and Southwest Cattle Raisers' Association.

"We are fully aware that what we are undertaking is designed to pay off only some years hence, but we are quite as aware that if someone does not tackle these fundamental problems now, that pay-off date years hence will never arrive," Dr. Whaley said. "Further improvement of grass-

es depends directly upon obtaining a much more thorough understanding of the biology of nutrition, reproduction, and mental factors in controlling development."
