Rebels To Cotulla Day - Sunday

Out-of-Three Continues

Byron Stuart announced that the Ozona Rebels baseball club, Concho champions and winners of the state-wide "Champion" baseball tournament, would play a week-end series on Saturday and Sunday.

Champion of one of the series, will entertain the opening game at 8 o'clock on Sunday night under the double header in the post-game series are slated for Saturday afternoon starting with a double header the event the first two splits.

Rebels last week-end played in Alpine, winning three championship series the Marfa Indians and an exhibition bout Monday against the Alpine of Herbert Kokernot in his final appearance of the season.

Peel, Hefley and Lefty will be available to handle chores, with Manasco on tap for relief.

Farthest afield an Ozona team ever roamed, in Lasalle county, east of Carriazo Springs, half way between San and Laredo.

Bergfeld Leads McCook on Prexy

Book Leaving O. J. P. Pogue Becomes 3rd Vice Pres.

Bergfeld, Crockett county agent, was stepped the first vice president of the recently formed Ozona Lions Club at a meeting of the board of directors Tuesday night at the Billy Hannah.

Bergfeld will succeed Elmo who recently resigned his position at the North Motor Co. plans to leave Ozona to attend A & M College.

He will work toward his degree. Mr. McCook has been employed on the physical staff of the college and in this department while in his education.

Griffin Miller elevated from second to first vice president and Eddie from third to second vice president.

J. P. Pogue was the choice of the group for third vice president by the shift in officers.

Finson was named publicist, the position previously held by Pogue.

Directors announced a dinner to entertain with a football game at the end of the present season to honor the coaches and players and the football selected for the first and second district teams this season banquet is to be held after the season's end, a dinner by the local club members and good relations between schools of this district.

Mrs. J. W. Owens have returned from a vacation trip to the western states and into the mountains.

Mrs. Bascomb Cox spent time in Dallas where they their son-in-law and daughter and Mrs. Ed Reynolds, Jr. Ned.

PROPERTY FOR SALE—Newly built 2 apartments furnished to sell quickly. See Mr. Hill.

PTA Plans Garden Party for Teachers Here Monday Night

A garden party, honoring members of the faculty of Ozona Public Schools will be held in the garden of the home of Mrs. James Baggett, entertainment chairman, next Monday night, September 13, it was decided at a meeting of the executive board Wednesday morning at the Granny Miller Hall.

Receiving the teachers as a welcoming committee will be members of the executive board, composed of officers and committee chairmen. These include Mrs. Miller Robison, president; Mrs. Ted White, first vice president; Mrs. C. O. Walker, second vice president; Mrs. Ele Hagelstein, third vice president; Mrs. Royal Caswell secretary; Mrs. Truman Mullen, treasurer; Mrs. Charlie Black, parliamentarian; Mrs. R. A. Harrell, historian; Mrs. Joe Clayton, publicity chairman, and Mrs. James Baggett, entertainment chairman.

The executive board heard the programs for the year outlined and approved and they will be submitted for approval of the association at the first regular meeting September 20.

Plans for the annual PTA carnival were discussed and Mrs. Jake Young was appointed chairman of the planning committee. The carnival will be held sometime in October. Supt. Jack McIntosh explained the school program for the year and solicited cooperation of the group.

The first meeting of the association, scheduled for September 20 will have as discussion topic, "Summary of Recent Evaluation of Your Own Schools," with Mrs. Ted White as leader. Supt. McIntosh will be the principal speaker of the day.

All precautions to be taken to prevent further outbreak of polio in Ozona, Dr. H. B. Tandy, county health officer, announced this morning.

The county is making preparations to do more general spraying of the city with DDT, the State Health Department cooperating in the clean-up drive.

"There is not much that we can advise people to do to avoid polio," Dr. Tandy said, "other than to see to it that their children avoid close crowds, that they get plenty of sleep and nourishing food and avoid over exertion. Children should be watched closely and any illness should be considered serious and treatment begun at once."

Stanotex Stakes Location For Tippett Outpost

6,400 Ft. Test Planned; Sun Complete Shannon Pumper

Location for an outpost to the Tippet (Wolfcamp) field in extreme northwestern Crockett county has been staked by Standard of Texas.

The company's No. 1 J. Homer Tippet of San Angelo will be 440 feet from the northeast and southeast lines of section 38-3-H&TC. It is due to start soon and drill 6-400 feet with rotary. The location is 3,200 feet northwest of Byrd & Frost and Gulf No. 1 Tippet, the discovery.

Sun Oil Co. No. 8 Margaret A. Shannon estate in the Olson (San Andres) field in northwestern Crockett pumped 63.16 barrels of 19.2 gravity oil plus 22 per cent water for natural completion at 2,075 feet. It topped the pay at 2,073. Location is 5,600 from the south, 1,200 feet from the west line of league 1, Archer county school land survey.

Amerada filed an amended application for the drilling of No. 1-D Shannon estate, scheduled 7-500-foot, cable and rotary tool wildcat in northwestern Crockett county. The test will be 650 from the south, 660 feet from the west (Continued on Last Page)

Football Season Opener Tonight In New Stadium

Lions to Take on San Angelo Kittens to Dedicate Field

To get the feel of the lights and the new ground, Coach D. A. Parker sent his Ozona Lions through a practice session at the new Lions Stadium Tuesday night in preparation for the opening game of the 1948 football season scheduled for the kick-off at 8 o'clock tonight.

The San Angelo Kittens will be the first opponents for the 1948 Lions aggregation warm-up game. The San Angelo coaches will send a squad of 26 boys to Ozona for this non-conference seasoning session for both squads.

Coach Parker has a squad of 37 boys, sparked by a few more than a dozen with varying degrees of football experience and the rest new to the ways of the gridiron. However, Coach Parker and the boys have been hard at work the last couple of weeks and the boys have learned a lot of football in a short time.

In a talk before the Rotary Club at its meeting Tuesday, Coach Parker declared that he would not attempt to predict the outcome of any game, but that he could promise fans a hustling squad of boys who will give the best they have in each game — "and that's all you can expect of any boy."

The probable starting line-up for the Lions as announced by Coach Parker includes Bud Hoover at center; Sonny Meinecke, left guard; Tommy Laxson, right guard; Lin Hicks, left tackle; Lee Armentrout, right tackle; Chris Perner, left end; Bill Melton, right end; J. G. Hufstetler, quarter; Ray Piner, left half; W. C. Burns, fullback, and Kenneth Perdue, right half.

Other members of the Lion squad for 1948 include Armond Hoover, Charles Davidson, Frank Parr, Charles Mankin, Charles Cunningham, Glenn Capps, Frankie Chapman, Albert Yancy, Alton Smith, Bobby Womack, Gilbert Armentrout, Bud Thompson, Allan Haire, Ralph Cardenas, Pedro Cisneros, Jesus Sanchez, Antonio Herrera, Virgilio Machado, Isaias Rios, Andres Vela, Jose Ortiz, Raul Machado, Pedro Vargas, Rosalio Longoria, Billy Ray Graves and Sergio Martinez.

Possible REA Lines For Crockett Co. Are Being Studied

Don McCormick, head of the Rural Electrification Administration organization in Eldorado and other officials of that group, were in Ozona this morning for a conference with a group of ranchmen to explain the REA set-up and to advise the local group relative to the steps to be taken in bringing electric service to ranches in this county.

The Eldoradoans came here at the invitation of Embree Hunt, who had been investigating the possibilities of REA and had contacted a number of his neighbors and found all of them interested in the plan.

If enough ranchers are interested, there is a possibility of a sub-station being created here and lines run from Ozona to the ranching area surrounding. No restrictions are placed on distances, customers served by the lines being required to pay a certain minimum charge which includes payments over a five-year period to liquidate the cost of running the lines. After this five-year period, electricity may be used at rates comparable to those paid by city customers of utilities companies.

Nat Read, Bernard Lemmons and Joe Perry, all members of the champion Ozona High School football teams of recent years, are trying out for college football this year. Nat is at North Texas Agricultural College at Arlington and Bernard and Joe are at A & M College. Perry, a power in the line on Ozona teams, is reported to have suffered a sprained ankle this week and may be out of practice for a few weeks.

Latin-American Baseball Team to Play Del Rio Sun.

The Red Birds, Ozona Latin-American baseball team managed by Cuco Zamarippas, will play a team from Del Rio on the local Latin-American diamond Sunday afternoon starting at 3 o'clock. The game is slated to start at 3 o'clock.

The local team will play La Unica, sponsored by a Del Rio grocery store, reputed a pretty fast baseball aggregation, Eusevio Rameriz is the player manager of the Red Birds, composed of all local talent.

The Red Birds, by the way, are a pretty hot combination, too, playing through the season to date without a single defeat. The Red Birds took both games of a double header bill in Sonora last Sunday, playing one game in the morning and the second in the afternoon.

Rebels Trounce Marfa Indians In Championship Series

Series Forced to Limit When Indians Win Game Sunday

Byron Stuart's Ozona Rebels, Concho Basin league champions for 1948, won the first round in the "Champion of Champions tournament" when they took the decision two-out-of-three over the Marfa Indians, Big Bend league champs, in a week-end series at Alpine in Kokernot Stadium Saturday and Sunday.

The Rebels won the opener Saturday 14 to 1 but the Indians nosed out for a victory in the first game Sunday after a count of 3 to 2 in a pitching duel between Archie Peel and an El Paso imported left-hander named Casparino for the Indians.

The night-cap series decider was a 7-inning affair which the Rebels won by the narrow squeak of 9 to 8. Worn down by three games in two days, the locals stayed over for a scheduled exhibition game Monday afternoon with the Alpine Cowboys, Southwest baseball champions, and took a 14 to 2 drubbing at the hands of the fresh Cowboys. The hard-hitting Cowboys combed Lefty Shelton for a total of 15 hits.

The packed Kokernot Field stadium witnessed two of the best baseball games in the Southwest this season in the Sunday afternoon double header between Marfa and Ozona championship teams. A chunking duel of the first order was that between the veteran Peel and Casparino in Sunday's opener and the Indians started the big fellow again in the final affray in an effort to sew up the series, but the Ozona hitters jumped on him as he began to tire in the third and sent him to the showers.

The Rebels scored their two runs in the opening game Sunday in the second inning when Cox led off with a single, Stuart struck out and Homer was hit by a pitched ball. Scott struck out for the second out and then Joe Ross Hufstetler laid the stick on one of Casparino's fast ones for a double, scoring both Cox and Homer. That was the last time the locals ever got more than one man at a time on base, Casparino allowing but three more hits for a total of 5. He struck out 11 Ozona batters. Peel of Ozona allowed 9 hits and struck out five.

But Peel was about as stingy with his hits as was the El Paso chucker through the first five innings during which the Indians went scoreless. The Marfa crew chalked up one run in the sixth when a single was muffed in the outfield for an extra base, the runner scoring on a single by the next hitter. An infield error, two hits and an outfield error on a hit accounted for another one for the Indians in the seventh to tie the score at 2 all.

Neither team was able to score in the eighth and the Ozonans, batting in the first half, failed tally in the ninth. The Marfa nine pushed over the winner in the final half of the ninth after two were out. Lujan, second sacker (Continued On Last Page)

6-Year-Old Ozona Child Is Victim of Polio

Donald Harry Died in San Angelo Hospital This Morning

Donald Harry, 6-year-old son of Mr. and Mrs. L. P. Harry of Ozona died this morning in a San Angelo hospital from an attack of poliomyelitis, first case of this dread disease to develop in Ozona this year.

Positive diagnosis of the disease was made by San Angelo doctors after the child was taken to a hospital there Monday. He had suffered a sore throat last week but responded well to sulfa treatment, according to the local attending physician.

However, the child became ill again Sunday night and when he was taken to the doctor's office here Monday morning was seriously ill. He was rushed to San Angelo where diagnosis was made and treatment begun. The child suffered an attack of the bulbar type of polio, doctors said, the most severe type of the disease. Paralysis of the respiratory muscles set in this morning and death resulted in a few hours.

The Harrys live in a trailer at the Ozona Trailer Park, rear of the Tom Casbeer residence. The county spraying machine was used yesterday to spray the entire camp area with DDT and residents in the camp have been urged by local physicians to keep close watch on their children for possible new outbreaks.

Two Completions In Midway Lane Field Reported

Sinclair Prairie and Atlantic Final 2-68 And 6-67 U.

Sinclair Prairie and Atlantic have filed completion reports on two wells in the Midway Lane (Ellenburger) field in northeastern Crockett county.

No. 2-68 University flowed 302.31 barrels of 46.3 gravity, pipeline oil in six hours to rate 1,313.12 barrels daily. The gauge was through a half inch tubing choke from open hole between 7,565 feet, where 5 1/2-inch casing was cemented, and 7,598 feet, the total depth. The section had been treated with 500 gallons of acid.

Gas-oil ratio was 1,200-1. Flowing pressures were 1,000 pounds on the casing and 1,000 pounds on the tubing. The well is 660 feet out of the southwest corner of section 26-45-U.

No. 6-67 University, C NE SE 30-46-U, flowed naturally 673.94 barrels of 46.3 gravity, pipeline oil in 24 hours for completion at 7,598 feet. Gas-oil ratio was 1,370-1.

The gauge was through a one-half inch tubing choke from pay topped at 7,558 feet, where 5 1/2-inch casing was cemented. Flowing pressures were 400 pounds on the casing, 1,100 pounds on the tubing.

Sun Oil Co. filed application for a permit to drill No. 10 Shannon estate in the Olson field. The scheduled 2,200-foot, cable tool operation will be 1,097 from the south, 1,155 feet from the west line of the lease in league 1, Archer county school land survey. Ground elevation is 2,555 feet.

Humble No. 1 Melissa Childress Smith, east outpost to the Childress (Ellenburger) pool in northeastern Crockett, had passed at 5,459 feet in shale and lime.

Gulf No. 1-E-CCC University wildcat 15 miles south of Big Lake C SW NW 5-51-U, had reached 6,620 feet in shale.

Mr. and Mrs. Dock Lee have moved to their ranch which they recently purchased in Colorado. The Lee ranch is located four miles from Hugo, Colo. The Lee Crockett county ranch will be operated by Mr. and Mrs. Beetus Parper. Mrs. Parper is the former Miss Annie Lee.

25% Increase In Enrollment For Ozona Schools

Record Opening Day Enrollment Recorded Here Tuesday

Opening day enrollment records were shattered in the Ozona Public Schools when students were registered for class work at the opening of the 1948-49 term Tuesday morning.

An overall increase of 25 per cent over last year's opening day enrollment was chalked up this year, with the greatest increase, approximately 48 per cent being registered in the elementary and junior high school. The high school enrollment showed a jump of approximately 24 per cent while the south elementary school, whose high school pupils were transferred this year to the high school, showed an increase of 5 pupils over last year's opening day enrollment.

A total of 659 pupils were enrolled the first day in all schools, Supt. Jack McIntosh reported. The kindergarten enrollment was up from 39 last year to 40 this year. The elementary school showed a total enrollment this year of 328 against 222 the opening day last year. The high school enrollment was 101 Tuesday against 81 on last year's opening day.

The schools launched the new term Tuesday morning with opening exercises in the high school auditorium. Invocation was pronounced by the Rev. Horace M. King. Mrs. H. B. Tandy led the group in singing "America," and Max Schneemann, president of the school board, introduced County Judge Houston Smith who in turn introduced the new superintendent. Mr. McIntosh then introduced the principals of the high school, elementary school and south elementary school. The principals introduced members of the faculty in their respective schools. Rev. Glen Edwards, pastor of the First Baptist Church, Rev. J. E. L. Harrison of the Church of Christ and Rev. King each made brief addresses.

One of the largest crowds of pupils and patrons ever assembled on school opening day crowded the auditorium to standing room both on the first floor and in the balcony. The pupils were given directions by Mr. McIntosh relative to registration and the morning was spent in enrolling pupils and issuing books and assignments.

Rain Brings Much Needed Moisture To Ozona Area

Up to 2-Inch Falls Reported South of Ozona; .31 Here

Drought-parched rangelands of Crockett county received moisture in amounts varying from a quarter to two inches in a slow-falling rain which rode into this area on a cool front Wednesday night.

The welcome rainfall was heaviest to the south of Ozona where a large area is reported to have received a total of two inches of moisture. The official rain gauge maintained at the weather observation station here managed by Leo Bawcom showed .31 inches of rainfall in Ozona. The rain fell in the typical fashion of fall rains, slowly through most of the night. The rains started earlier in the region south of Ozona and continued until near daylight, ranchmen reported. Reports were not available this morning on rainfall in is believed that showers dotted other sections of the county during the late afternoon and evening.

ART CLUB MEETING

Mrs. Bert Couch, president of the Ozona Art Club, has announced a meeting of the club at 4 o'clock this afternoon in the high school auditorium. All persons interested in art are urged to be present.

BOYCE HOUSE "GIVES YOU TEXAS"

Mr. and Mrs. Paul Perner returned Saturday from a visit with his brother, Ross Perner, and wife at Seligman, Ariz. While there they visited Grand Canyon, Boulder Dam and Las Vegas, Nev.

San Antonio: A tiny hat shop where the customer occupies a chair in front of a mirror, in full view of the passersby — like a window display. The Medical Building, its graceful summit is subdued gold, like a crown.

An old Mexican musician, bent with age that his primitive harp fits in the curve of his shoulder.

A gray-haired fiddler who strolls as he plays. A crippled beggar who smiles after a little curly-headed girl has skipped by.

The displays of trinkets in silver and semi-precious stones in the curio shops.

The parks where the checker games and the arguments on predestination by old men were not interrupted even by two world wars.

And the sweeping bends of the blue-green river, with canoes and decorated barges, the banks lined with palms and banana plants, a silvery waterfall adding the final touch of poetry.

Some Irish sayings: Even contention is better than loneliness.

The covetous man is always in want.

The losing horse blames the saddle.

He who is bad at giving a lodging is good at showing the road.

An Irishman is never at peace except when he's fighting.

Aerial Acrobatics Feature Air Force Day At Good Fellow Field

The pilot officer who will "go through the book" of aerial acrobatics in a North American T-6 trainer at Goodfellow Field's Air Force Day program, September 18, earned his lessons in fancy flying at an early age. He is Captain C. Snyder, who at 19 ran up 62 combat missions as a fighter pilot in the ninth Air Force.

On Air Force Day, as flight instructor, at Goodfellow, he will demonstrate the acrobatic maneuvers to be mastered by basic cadets, plus some in the advanced category.

Asked what his Air Force Day repertoire would include, Captain Snyder explained, "Right now, I'm set to do loops, slow rolls, a half roll and a reverse and barrel rolls. These are the maneuvers we teach cadets." Among the more advanced acrobatics he added that he will put his plane through eight point slow rolls, cuban eights, clover leaves, inverted rolls and a snap roll at the top of a loop.

With four years experience as a fighter pilot, Captain Snyder saw service with the 37th fighter group in Alaska where he flew P-51's and F-38's. He wears the Distinguished Flying Cross and the Air Medal for heroism in combat.

His home is in Allentown, Pennsylvania.

BRIDGE CLUB

Mrs. Paul Halcomb entertained her bridge club at her ranch home Saturday at luncheon.

Joe S. Pierce, III, and Mrs. Dempster Jones present were Mrs. Billy G. Miller, Mrs. James C. O. Walker, Mrs. Hagelstein, Mrs. Phillip G. ... and Mrs. James Childers.

SWING OF WEST FARM MARKETS

Eggs and poultry at the only farm products under general declining southwest markets last ports the Production and Administration, U. S. of Agriculture.

Best sheep and lamb mar- the Labor Day week ndy, after suffering loss- cents on ewes to as much per 100 on springers. This yely the result of last usually heavy receipts. rices worked their way st week but rebounded at Texas markets with 25 to 75 cents.

were stronger to strong southwest markets Tues- following pre-holiday loss- cents to \$1.00 per 100 since September 1. Canner er cows brought \$12.50 to Houston; \$12 to \$16 at San \$11 to \$16 at Fort Worth;

\$13 to \$16 at Oklahoma City; \$15 to \$17 at Wichita and \$15 to \$17-50 at Kansas City.

Conflicting forces at work in the grain market caused an unsteady undertone. Compared to September 1, Tuesday's closing prices were a nickel a bushel lower on corn, 7 cents on barley, 2 cents on oats, a half cent on wheat and about 2 cents per 100 pounds on sorghums.

Both hay and feed markets were caught in the downtrend on grain prices. Cottonseed meal prices reflected increased supplies.

Mohair and wool found few outlets this week. Wool held steady and firm on fine qualities, but mohair was weak.

Mr. and Mrs. Jesse J. Marley and son, Jesse Carl, spent last week at Cloudercroft and Santa Fe, New Mexico.

Mr. and Mrs. Miller Robison and children returned last week-end from an extended trip through Utah, Yellowstone park and Colorado.

World Council of Churches Is Topic for WSCS Study Session

The Woman's Society of Christian Service met in regular session Wednesday for a study on the World Council of Churches which met in Amsterdam, Holland, August 22 through September 4.

The study was led by Mrs. Joe Clayton, with Mrs. Charley Black, Mrs. Joe Sellers Pierce, III, Mrs. Hugh Childress, Jr., and Mrs. Bill Cooper aiding in the discussion.

The World Council of Churches had its beginning in Edinburgh, Scotland, in 1910. Dr. John R. Mott was the only living delegate from that early session in attendance at the Amsterdam meeting and was one of the speakers at the session.

The 1949 Council drew a total attendance estimated at 1,400, with 450 delegates from 150 denominations from every continent on the globe, along with an equal number of alternates, staff, associated consultants and accredited visi-

tors gathered in the war torn city.

Society members enjoying the study, besides those mentioned, were Mrs. R. A. Harrell, Mrs. Floyd Henderson, Mrs. H. B. Tandy, Mrs. Stephen Perner, Mrs. Victor Pierce, Mrs. S. M. Harvick, Mrs. J. S. Pierce, Jr., Mrs. John Bailey, Mrs. Scott Peters, Mrs. Frankie Jones, Mrs. W. R. Baggett, Mrs. Horace M. King and Mrs. L. B. Cox, Jr.

Fall Scout Roundup Under Way in Concho Valley Council Area

"It's round-up time" in the Concho Valley Council for all Cub Scouts, Boy Scouts and Senior Scouts in the twenty-six county territory.

In keeping with the Nation Wide Round-Up all members of the Boy Scouts of America are called on to "round-up the strays" and "to brand 'em" with their unit number. The contest is one of "gearing up" activities in their unit and to extend to more boys an opportunity to become members.

The Organization and Extension Committee with Bob Adams, Texon, Chairman, and serving as Foreman, has issued a call to all Cubmasters, Scoutmasters and Senior Advisors to take part in the "rating plan" in a vigorous manner.

The Plan is based on a ten point program including attendance, membership, advancement, com-

mittee meetings, program literature, hikes and camps, community "good turns," uniforms and project making.

The contest is on in each of the nine districts during the month of September through December. The score cards are mailed to the committee member in each district and will show the program progress each month. The ratings will be known through the Council publications and newspapers.

"Each District will have a winner and the winning unit will receive a hand tooled leather neckerchief slide," stated Foreman Adams.

We call on you, as a reader of this article, to get in touch with a Cub or Scout living nearby and encourage him in his Scout work. It may be that you and he together can be the cause of another boy joining the Scouts. We hope you will receive a real satisfaction from this effort.

Members of the Round-Up Committee include, in addition to Adams, J. E. Herrington, Brady; C. J.

Mann, McCamey; Cumbie Ivy, Robert Lee; A. E. Bartberger, Bracketville; Fannie Love, Quemado; C. W. Walker, Junction; Sam Martinez, Ozona; T. C. Lucas, San Angelo and J. C. Taylor, Uvalde.

Jack Mayfield New Paint and Body Man At Melton Motor Co.

Jack Mayfield, formerly with the Mayfield Paint and Body Co. at Brownwood, with many years experience in auto painting and body and fender work, is now in charge of the paint and body division of the Melton Motor Co. here, N. E. Melton, owner, announced this week.

The Melton Motor Co. maintain a paint and body shop in the basement of their new building, where such work is done free from dust. Mr. Mayfield has had many years of experience in all kinds of body work and finishing, including complete straightening and refinishing of wrecked cars.

Accurate and Complete

RANCH RECORDS

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

Air Forces ROTC Program Established A Southern Methodist

DALLAS.—Establishment of an air forces ROTC program at Southern Methodist University will become effective when the school opens its fall semester September 14.

Head of the military unit is Lt. Col. Joe H. Crakes, former director of training for the Tenth Air Force ROTC Camp at Kelly Air Base, San Antonio.

The ROTC program will receive 16 semester hours academic credit for application toward graduation from SMU. On completion of the course they will receive reserve commissions in the U. S. Air Force and will be eligible for flight training in the grade of second lieutenant.

Col. Crakes said that training in two classifications will be offered. Basic classes will be held for students who have had no previous military experience. Admitted to advance training will be veterans of 27 years of age or under with at least one year's service and students who previously have completed a basic ROTC program.

Office Supplies—Stockman Office

Ranchmen Warned to Avoid Overstocking In Rainblest Areas

COLLEGE STATION.—Ranchmen in West Texas have been getting some good rains there recently. These rains have brought in some small amounts of green grass that brings a warning from A. H. Walker, extension range specialist of Texas A. & M. College.

Walker says livestock numbers should be kept low on the range for at least another year. The drought has lasted for three for three years in some areas of West Texas and the most desirable grazing grasses have almost disappeared from the range. Those grasses that still remain are in a poor grazing condition.

Livestock prefer the fresh shoots that are coming back and will graze them first if given a chance. When the cattle graze off these small green shoots that come from the grass crowns, the supply of plant food which the grass must store in its roots is lowered. And, in many cases, this grazing of the new shoots weakens the plant so much that it later dies.

Soon the good grasses will be starved out altogether. This is

what happens when a range area is overstocked following a good rainy spell, such as the western parts of Texas had not long ago.

As the better grasses are grazed or die because of the drought, the poorer grasses, weeds and brush begin to come in. Depending on where you live, this may mean needle grass, bitter weed or mesquite.

Give the better grasses a good chance to seed out and grow to a healthy size before turning livestock in to graze on them, advises

Walker. In far West Texas, the good grasses can be listed as black and blue grama; in the Southern Great Plains — from the top of the Panhandle southward to Valverde, Edwards, Real and Bandera counties — these good grasses the buffalo, blue grama and side-out grama.

These grasses will produce more forage and more pounds of beef per acre if they are properly taken care of, says Walker. Give them a chance to get a good start on your range before building up your herds.

Bring on the **MATERIAL** We're ready for it!

"Bring on the material, we're ready for it," says Reddy Kilowatt and his fellow workers. "We are pushing the work on our Company's \$18,000,000 construction program to supply more and better electric service to more and more West Texas homes, farms, and industries."

Yes, Reddy, thanks to the West Texas Utilities Company's policy of anticipating future needs, most of the material you need to keep the construction program rolling is on hand or scheduled for delivery as needed. In fact, much of the material to be used in this construction program was ordered nearly two years ago! However, due to the continuing critical shortages of heavy electrical equipment and wire, deliveries are just now being made on materials ordered as early as September, 1946.

Eighteen million dollars! Each of those dollars, Reddy, is a vote of confidence in the growth and development of West Texas.

BE SAFE! BE SURE!
Fill Your Butane Gas Tank Now!
Although we are installing a new storage tank here, thus doubling our storage capacity, and feel that we will be able to supply everybody with gas this winter, we are urging all our customers to let us fill their gas tanks now. We are getting our supply from the new Barnhart refinery and hope that supplies will be ample, especially if we can get all our customers' tanks full before winter, and our own storage tanks as well.
IS YOUR TANK LARGE ENOUGH?
If you have not yet replaced your small tank with one of larger capacity, you can further insure an unbroken supply of gas by doing so now. Call us for details and prices.

Improvement Planned In Preparation for West Texas Exposition

More than \$5,000 in improvements to the San Angelo Fair Grounds will be completed by the first of September in preparation for the second post war West Texas Exposition and Race Meet September 21-26, according to fair officials.

Expenditures include painting of the grandstand, which will be used twice daily, once for the races and once for the night show which is expected to surpass all previous productions of this nature in West Texas; erection of floodlights over the entire Fair Grounds to lighten the area for night shows and marking lanes and other improvements to the parking areas as well as other improvements.

THURSDAY, SEPT 12
Exhibit space for this year will be in the cattle barn. It will be a great improvement over last year's exhibit space. Commercial exhibits will be in this one big building. Some of the premium book should be released in a few weeks, officials say.

Supt. to Preach Methodist Church Promotion Day

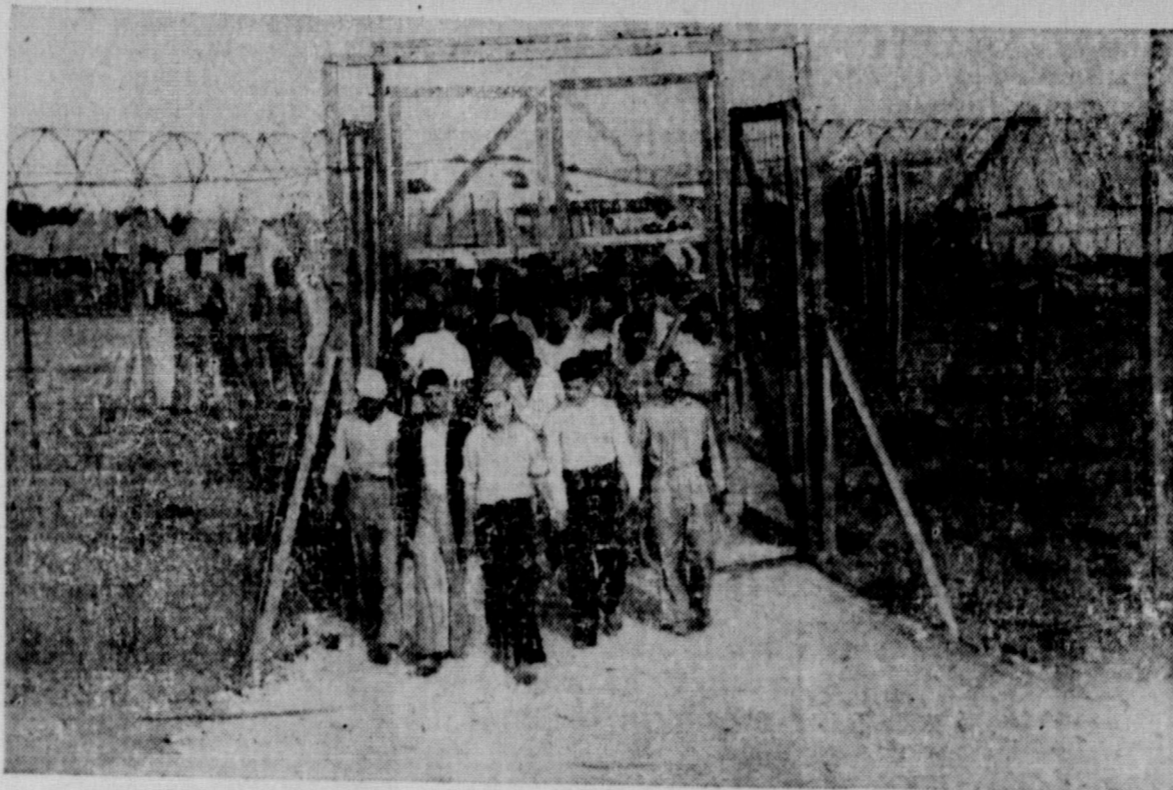

J. Brucks of San Angelo superintendent for the Methodist church at the morning service, Rev. Horning, pastor, announced Sunday will be Church Promotion Day and install officers. A fellowship dinner will be served at the church the morning service. A quarterly conference of the church will be held Sunday starting at 2 o'clock. The evening pastor will be the topic, "The Old New Testament." The Youth Fellowship will meet at 7 o'clock in the Perner home.

Eddie Bounsall Opens Paint and Body Shop In Former Dairy Bldg.

Eddie Bounsall, with his son, Eddie, Jr., as associate, has opened a paint and body shop in Ozona at the southeast edge of Ozona formerly used as a dairy barn by the Keeton and Nichols dairies.

Mr. Bounsall was until recently body man for the Melton Motor Co. and will continue to do paint and body work for various local auto dealers and service garages as well as for individuals. He will do automobile refinishing and body and fender work, furniture painting and repairing, graining and refinishing of various home appliances. All modern equipment has been installed in the new shop and all work bears a factory guarantee. He will have portable paint spray equipment for rent at reasonable rate, Mr. Bounsall said.

Mrs. Pearl McKee Perner is here on an extended visit with relatives. She has been with her daughter in Peru the past year, and visiting her son and family in Mexico.

WAR IS OVER FOR THESE MEN . . . Fighting of the suspended "war" in the Holy Land will not be resumed, as far as these captive Arab fighting men are concerned unless they escape Jewish imprisonment or are released by force of other Arab arms. In the photo, some of the 2,000 Arab prisoners of war march through the gate of the stockade where they are held by their Israeli captors. Among the Arab prisoners also are a number of Britons, some of whom left British armed forces to join the Arabs.

Janie Adwell, daughter of Mr. and Mrs. B. B. Adwell, was returned home Thursday from a San Angelo hospital where she underwent a tonsilectomy Wednesday.

Mr. and Mrs. Tom Smith have returned from Fort Davis where they spent several days on the ranch visiting their daughter and family, Mr. and Mrs. Earle Chandler.

Box Seats On Sale For San Angelo Fair And Water Follies

SAN ANGELO. — Box seats for both the Race Meet and Water Follies at the San Angelo Fair, September 21-26, are now on sale at San Angelo Chamber of Commerce office according to fair officials.

Purse races totaling \$13,000 plus entrance fees have attracted some of the best racers in this area, according to Dick Nasworthy, chairman of the racing committee. The schedule calls for six purse races daily including two opening day feature races and one feature race every day except Saturday. Highlights of the meet will be the opening day San Angelo Derby and the closing day Tom Green Derby.

The Water Follies which are as new and spectacular as any entertainment ever presented in West Texas will show every night, beginning at 8 o'clock.

Box seat reservations for both

the Races and Water Follies may be obtained by writing to Box 712, San Angelo.

Mr. and Mrs. Leslie Holloway and son, Henry, left today for their home in Hondo, Texas, after a few days visit here with Rev. and Mrs. Horace M. King. Mrs. Holloway is Mrs. King's sister.

Mrs. Charles Williams, Sr., will return to her home here Sunday after a visit with her sister at Goose Creek and her brother in Cushing.

NOW MAY SAVE YOU
A GOOD CHECK-UP
TROUBLE LATER

Let Us Give Your Car a Thorough Cleaning
And Inspection To Ready It for Safe Driving
All Winter Long!

Summer's "dog days" are about over. As the winter season approaches, it is time to give your car that fall inspection and cleaning to ready it for winter driving.

It's not too early to bring in your car now to have the cooling system thoroughly cleaned and checked, remove all accumulated rust and scale, check and replace any bad hose connections and make your cooling system leak-proof in readiness for adding anti-freeze when the time comes. We'll check and clean radiator, water pump, heaters and hoses

Also, your car's oiling system should undergo a cleaning to remove accumulated sludge, dirt and dilution. Clean working parts and fresh lubrication and fresh, full-bodied lubricating oil will insure quicker starts and safer driving this winter.

Rebels —

(Continued from Page One)

was out second to first in that final half. Baker, short stop, next up, singled and went to second on an outfield error in retrieving the ball. Quintana was out, again second to first and it looked like Peel would work out of the threat. Then Rubio, right fielder and lead-off man, sent a hot one to Cox at short and the ball took a crazy hop to bounce over Cox's head to let in the winning run.

In the second game, the Rebels were apparently on their way to a comfortable victory, holding a five-run lead to the sixth. Ozona had scored three in the second, two in the third, one in the fourth, two in the fifth and one in the sixth, while Marfa crossed one each in the first third and fifth. But the Indians began to creep up in the sixth when Hefley suffered a flurry of wildness and walked two after two were out. An infield error and a hit drove in two runs for the Indians in that frame.

But Ozona fans, still breathing more or less easy almost suffered a mass apoplectic stroke in the seventh when they saw their four-run lead whittled to one, with the tying run on third base and the

winning run on first. That near fatal seventh started off with an infield error which let F. Lujan on base. Gonzales followed with a single. Guerra forced Lujan at third and Moore flew out to center.

There was some easing of the tension then, with two out, but then came Baker and Quintana in succession with singles which scored three runs. With Quintana on third, base, Pitcher Gonzales walked. Then Manager Stuart came in from right field and after a mound conference, took over the chunking chore to try for that last put-out.

The hitter was Rubio, who had singled the inning before. Stuart pitched to a 3-2 count and on the pay-off pitch, Rubio topped the ball for a high bouncer which Stuart pulled down and pegged to first for the final put-out.

Homer Scott and Hefley led the Rebel hitters in the second game, with three hits each. Homer got a single, a double and a triple, Scott and Hefley two singles and a double each. Montgomery got two singles, Cox a triple, and McClanahan, Stuart and Sheffel a single each. Natero was the heavy hitter for the Indians, getting a single and a double. The five hits for the Rebels in the opener Sunday were divided between McClanahan, Ha-

ralson, Cox, Homer and Hufstedler with one each.

Stanotex —

Pierce near C NE NW 5-O-Clarissa W. Miller, continued fishing, bottomed at 11,937 feet, in the Ellenburger.

Farm Magazine Finds Crockett 'Farms' Above Average in Incomes

TOPEKA, Kans. —(Special) — Eighty-eight per cent of the 134 farms in Crockett county, Texas, are returning an annual cash income that is above the average for the nation's farmers. The rating of Crockett county in the cash farm income picture is revealed in a study announced today by the research department of Capper's Farmer from figures of the U. S. Census of Agriculture.

Only 73 of the 3,072 counties in the United States are so well off as Crockett. Twenty-three of these 73 are in Iowa, 15 in Texas.

By comparison there are 1,662 counties where less than 30% of the farms bring in an income as good as the national average. In 1947 the U. S. average income per farm was \$5,150. The research workers of the farm magazine rated each county on the basis of the proportion of its farms that have an income above the national average. Income was the value of farm products sold or used by the farm household. They tabulated figures on 5,859,169 farms in the United States that had a total cash income of \$30,174,744,000 last year.

NOTICE OF REWARD

I am offering \$500 Reward

for apprehension and conviction of guilty parties to every theft of livestock in Crockett County — except that no officer of Crockett County may claim the reward.

From where I sit ... by Joe Marshall

One Great American Trait

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles those different points of view.

I mean the tolerance of a Penn-

sylvanian farmer for the habits of his city cousin; the tolerance of folks who vote one way toward those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

Joe Marshall

This is Our Policy... on

DELIVERIES, TRADE-INS FINANCING, ACCESSORIES

When an automobile manufacturer produces a car so obviously ahead of the times as the Futuramic Oldsmobile, it's only natural that demand for that product should reach record-breaking proportions. Add to this today's pent-up need for automotive transportation—plus continuing shortages of steel and other critical materials—and you'll see why we, as Oldsmobile dealers, have a real problem on our hands. We value the good will of all our customers. We would like to provide

all our customers with new Oldsmobile cars. But unfortunately, this can't be done overnight. That is why we are taking this opportunity to reaffirm publicly our policies on new car deliveries, as listed in the box at right. We believe that under present circumstances these policies constitute a sound basis for "fair play" to everybody. And we hope that, on this basis, we may continue to serve you and merit your patronage for Oldsmobile and for ourselves.

OLDSMOBILE FUTURAMIC 4-DOOR SEDAN

OUR PLEDGE TO THE PUBLIC

DELIVERIES—We will deliver all new Oldsmobiles at the earliest possible date consistent with production.

TRADE-INS—We will take your order and deliver your car without requiring a trade-in. However, we have many valued used car customers we would like to supply, and we will give you a fair and reasonable allowance on your present car.

FINANCING—You may pay cash for your new Oldsmobile or finance it wherever you wish. We will be glad to furnish low cost finance and insurance terms if you so desire.

ACCESSORIES—All cars are delivered with accessories as ordered, and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders.

YOUR OLDSMOBILE DEALER

Place your order now. The sooner you place it, the sooner you will get delivery of your new Oldsmobile.
