Mrs. Thurman Edwards, a native of Iran (formerly Persia) and Crippled Children's wife of Sgt. Thurman Edwards, stationed at Goodfellow Field in San Angelo, spoke at the Ozona Rotary Club luncheon Tuesday and to another appreciative audience at the First Baptist Church at 2:30 Tuesday afternoon.

Mrs. Edwards has been in the United States four years, speaks almost perfect English and proved one of the most entertaining speakers ever heard in Ozona. She was educated in a Presbyterian missionary school in Teheran, embraced the Christian religion in defiance of Moslem family and friends and defied traditions of her native land by choosing her own husband instead of having him chosen for her by her parents.

Mrs. Edwards described for her listeners the mixture of old and modern in Persia, the ancient customs, lack of sanitation in water and milk supplies and told Sale was assisted by volunteer of her fascination for her newly Forum who stuffed and addressed

"The biggest difference between Persia and America," she said "is Easter Seal Sale, president Roscoe the children and in Persia the parents, especially the father, is absolute ruler.

DON'T take our word for it-come see for yourself.

We're only reporting what others tell us - ROADMASTER takes the measure of just about any other car on the road.

And that doesn't mean merely through the lift and surge of 150 Fireball horsepower or the unmatched smoothness of this beauty's Dynaflow Drive.

It doesn't stop with fine finish, good looks, generous room, rich trim, or even a level, cushiony

Buick ride that current car design is trying to match.

You might even overlook the magic silkiness of Dynaflow Drive -as if anyone could !- and this beauty would still beat anything except another ROADMASTER as a buy!
