Ellen Jane Maris, as Joy, is Phillip's fiancée. Edges Fomby plays Henry Blow, prospector of '49 who is powerful fond of Hannah, a widow he has already buried two husbands and is played by Jane Adams. Gordon Sparks plays Richard, Phillip's chum who is fond of Jeanie. Jimmie McMullan is a peidnahr, a Hindu magician, search of a ruby. Joe Buzzard, vicious money lender, is played by Darwin Parr. There are two solos by Jane Adams and Gordon Sparks and three solos, accompanied by the chorus by Graham Childress, Ruth Stratton, and Ellen Jane Maris. All there are a total of 13 musical numbers.

SPORTS

So far in our baseball district.

Sonora is on top with only one loss. The Reagan Owls bested the Broncs in a three-nothing count. Ozona will meet Sonora in Sonora on Wednesday afternoon. If Sonora should win, it would be tied with Reagan County for the district championship. If Ozona should come out the victors over Sonora, it would ruin their chances for the title.

Ozona's team next year will be composed of Smith, who is pitcher, Meinecke, fielder, Cisneros, catcher, and Vargas, short stop. These are the starters this year that will be back next baseball season.

Bigger 3 Ways... DODGE gives you extra value

WIDER on the inside... NARROWER outside! There's extra value in the spread-out elbow room of the wide, wide seats. Yet the new Dodge is smaller on the outside... easy to park, easy to garage, easy to thread through crowded traffic.

LONGER on the inside... SHORTER outside! The new Dodge gives extra value in stretch-out comfort. Doors open wide, too... let you get in and out easily without squaring or twisting—and without knocking your hat off, either.

HIGHER on the inside... LOWER outside! More head room is another Dodge extra value you'll appreciate. Instead of low, slanting seats that force a cramped position, Dodge knee-level seats are actually higher for relaxing comfort, better vision.

If you want extra value, you'll want DODGE

There's extra value in Dodge beauty that flows from the functional styling... in the design that provides more head room, more leg room, more elbow room, greater vision for all passengers.

There's extra value in Dodge's Get-Away engine with its surging acceleration... its higher compression that squeezes extra miles from every gallon of gas... the smoothness of Dodge All-Fluid Drive at no extra cost.

Yes, you'll want Dodge for the extra value you get the way from double-life hydraulic brakes and Safety-Be Wheels, to the luxurious comfort of full-cradled ride and knee-level seats.

Add to these the Dodge reputation for dependability and economy and you'll discover why wise buyers say... "If you want extra value, you'll want Dodge."
