Insurance Rate Drops

Water and Fire Dept. Improvements Bring About Savings

Reason of development of a water distribution system organized fire department modern equipment, Ozona property owners will realize substantial savings in their fire insurance premiums in the future. A 10 per cent reduction in the city's insurance key rate from the high level of 95 cents to a cut of 49 cents on the part of insurance, has been announced by the State Fire Insurance Commission at Austin in a hearing for the city made effective July 25, 1950.

A new rate is expected to save from one-third to one-half in fire insurance premiums for Ozona property owners, local insurance agents say, but the savings are substantial throughout the city's key rate is based on a table of charges levied against property on the basis of the stage of risk, and in the charges to make up the new rate for Ozona, the reductions are divided between improvements in the water system development of the volunteer fire department. Reductions in the key rate by reason of the improved water works system total 37 cents and the fire department earned an annual 12 cents in premium.

Way of comparison of charges under the old key rate and the new, the section of charges because of lack of adequate water supply for fighting included a 50 cent charge for "water works can't be used in fire." No fire department resulted in a 30-cent charge, and the new rate added 8 cents and a 4-cent charge in the new code, these charges total 11 cents for deficiencies in the water system and 18 cents for the fire department. A 10-cent charge for additional new charges, such as business area have been added, a 4-cent charge in the new code, these charges total 11 cents for deficiencies in the water system and 18 cents for the fire department. A 10-cent charge for additional new charges, such as business area have been added, a 4-cent charge in the new code, these charges total 11 cents for deficiencies in the water system and 18 cents for the fire department.

Two Injured In Collision Saturday

One Suffered Skull Fracture

Two persons were injured, one seriously, here at about 2 o'clock Saturday afternoon in a pick-up collision just west of the John-Draw bridge on Highway 290. Gib Calloway of Brownwood suffered a fractured skull and facial injuries when the Oldsmobile car driven by her husband struck head on with a pickup truck owned by Frank Cumby of Austin. Mr. and Mrs. Calloway were on their way home after visiting A.C. Hoover ranch and were driving east on Highway 290. Mr. Cumby, employed in construction here, was driving west on the highway and turned left at the intersection toward the Hoover ranch. Both the cars were badly damaged.

Calloway and Mr. Cumby, who were injured, were taken to the Ozona Hospital for treatment. Mr. Cumby was released after treatment. Mrs. Calloway is a patient in the hospital but reported doing well yesterday.

FOR POLLSHER for rent. 50 per day. Ratliff Hdw.

One Indictment By Grand Jury; Court Hears Civil Matters

One indictment was returned by the 112th district court grand jury when the investigating body was convened by Judge Garland Casebier at the opening of the September term of the court Monday morning.

Oliver Cobb Ramage was charged with forging J. T. Davidson's name to a check last May. Civil matters occupied the court in its brief session. A trespass to try title suit styled Southland Royalty Co. et al, vs Humble Oil & Refining Co. was transferred on the court's own motion to the 112th district court at Fort Stockton for trial. The court heard attorneys argue points of law in the case of F. D. Mellette vs Hill D. Hudson, et al, and the Hudson Oil Co., but entered no judgment.

Judgment for \$800 in favor of the plaintiff was entered in the damage suit of Trades and General Insurance Co. vs W. L. Elliott. Two compensation cases against Texas Employers Insurance Assn., by C. M. Davis and Bill Myers, were set for hearing on October 9. Divorce decrees were granted in four cases: Jack Brownrigg vs June Richie Brownrigg, Cecil C. Flores vs Gladys M. Flores, Geneva Hammond Nunn vs John N. Nunn, and Zula Ravens Carroll vs Warren L. Carroll. Dismissed on motion of the plaintiff was the divorce proceeding styled Jewel Miller vs Griffin Miller.

Committees Named For Second Annual Ozona Homecoming

Football, Parade, Barbecues, Teas, Dance on Celebration Menu

Mrs. Max Schneecorn, general chairman of the second annual Ozona Schools Ex-Students Association Homecoming celebration set for October 28, has announced appointment of chairmen of the various committees to plan and carry out the homecoming program. Supt. Jack McIntosh of the Ozona schools, was named program chairman. The parade committee will be headed by J. A. Peltz for the schools and Miller Robison for the Crockett County Sheriff's posse which has agreed to assist with the homecoming parade.

The decorations committee will be headed by Alan Saunders and Mrs. Bill Adams. Miss Mildred North will be chairman of the registration committee and O. L. Davis, Jr., of the publicity committee.

The Ozona Lions Club has volunteered to provide again the free barbecue dinner and supper honoring the visitors and the Parent-Teachers Association will be hosts at a tea at 4 o'clock in the afternoon of homecoming day. The day's festivities will be concluded with a dance at night. The dance committee will be named at a later date.

The homecoming football game will be played Friday night before homecoming day Saturday, with the Junction Eagles the night's opponents for the Lions of Ozona High School.

Approximately a thousand invitations are to be mailed soon to former students, teachers and patrons of the Ozona school system.

Mr. and Mrs. Scott Peters are enroute to New York where Mr. Peters will attend the annual convention of the American Bankers Association. Mr. and Mrs. Peters joined a Texas delegation of bankers on a special train at Dallas. Mr. Peters is active vice president of the Ozona National Bank.

SON TO HARVICKS

Mr. and Mrs. Jim Ad Harvick are the parents of a son born in Ozona Hospital Tuesday morning, Sept. 18. The child has been named James Addison, III. Grandparents are the Rev. and Mrs. Walter Gigstad of Clifton and Mr. and Mrs. S. M. Harvick of Ozona.

Dr. Carl Soule

World Peace Meeting Here September 26

Dr. Soule of Methodist World Peace Commission to Speak

A meeting on World Peace is slated for The Methodist Church in Ozona on Tuesday, September 26, beginning at 3 o'clock p.m. Dr. Carl Soule, a staff member of The Methodist Commission on World Peace will be the leader. Dr. Soule is a minister, college professor and student and traveler in Europe.

The first session of the meeting will begin at 3 o'clock. At five-thirty Dr. Soule will address the Latin-American group at the Community Center. A number of delegates from churches in other nearby communities are expected to be present and persons from all faiths in our town are invited.

At six o'clock there will be a covered dish supper at the church, shared by the local and out-of-town guests.

The second meeting will be in the evening, at 7 o'clock, and is likewise open to the public. Attention will be centered on two questions: "What can the Church do for world peace?" and "How can the United Nations advance World Peace?"

Opportunity will be given for questions and discussion at the close of each session.

On Wednesday, September 27, which is the day following the peace meeting, there will be a World Peace Prayer Vigil at The Methodist Church, beginning at 6 o'clock a.m. and going continuously in an unbroken chain until six o'clock p.m. A special prayer group will take turns in rotation so that the chain will not be broken. Interested persons in the community are invited to share in the vigil, either by dropping in for a thirty minute prayer period, more or less, during the day. Those who desire to be included in the prayer group and have a place on the schedule will please call Mrs. Eascomb Cox.

Driver Education Offered This Year in Ozona High School

Ozona High School is offering a new course in its curriculum this fall to meet the increased demand for practical education. Superintendent Jack McIntosh has announced. The course, Driver Education, is open to any high school student. It is taught by J. Douglas Mac Donald. Sixteen high schoolers are enrolled.

The course emphasizes such important driving practices as highway courtesy, respect for rules, fundamentals of driving, and driving safety. It also prepares the student for the driving test given by the state Department of Public Safety.

A new 1950 Ford tudor sedan has been given to the school by Kincaid & Spencer of Ozona. It will be used exclusively by the driver education classes. It has arrived and is in use at the school.

Driver education is a fully accredited two-semester course, Mr. McIntosh says, and will be credited toward graduation. A driver education course is being taught in the junior high school by A. J. Deans. There are 30 eighth graders enrolled.

Sinclair Opens Shallow Pay Zone In Midway Lane

Well Flows 33 Barrels Daily From 1,100 Feet

Sinclair No. 7-67 University, first shallow producer from the Queen sand in the Midway Lane (Ellenburger) field in northeastern Crockett county, has been completed for a 24-hour flow of 33.12 barrels of oil.

Gas-oil ratio was 2,150-1. Flowing pressures were 50 pounds on the tubing, 120 pounds on the casing. The open hole between 930 feet, where 7-inch casing was set, and 1,100 feet, the total depth, was shot with 60 quarts of nitroglycerin. No. 7-67 University is 990 feet from south, 330 feet from east line of section 30-46-University.

Sinclair has staked an east offset to the firm's Queen sand discovery. No. 8-68 University, projected to 1,600 feet with rotary, will be 990 feet from the south, 330 feet from the west line of section 26-45-U. It will be 660 feet east of Sinclair No. 6-67 University, first shallow producer from the Queen sand in the field.

Stanford No. 1-GG University in the Block 39 field in Crockett county has been plugged and abandoned at 8,384 feet in the Ellenburger.

The failure was plugged back to approximately 2,000 feet to attempt completion from the San Andres. It was recompleted at total plug back total depth of 8,377 feet on March 12, 1948 for a pumping potential of 58 barrels. Location was 660 feet from the south and west lines of section 12-39-University, 25 miles northeast of Ozona.

Byron Williams No. 1 Ruby Helbing, northwest offset to a 9,000-foot dry hole six miles northwest of Ozona, was plugged and abandoned at 1,725 feet in black shale. The failure was 330 feet from north and east lines of section 17-QR-GC&SF.

C. P. Laubenheim and others No. 1 F. D. Henderson, wildcat nine miles northwest of Ozona, was plugged and abandoned at 1,603 feet in white lime. The failure was 330 feet from south, 2,310 feet from east line of section 18-ST-GC&SF.

H. L. Hunt No. 5 Shannon estate in the Vaughan (San Andres) field has been completed on the pump in 24 hours for 98.75 barrels of 28.2 gravity oil. Production was from open hole between 1,365 feet, where 7-inch casing was set, and 1,437 feet, the total depth, following treatment of 1,000 gallons of acid. The pump is 330 feet from south, 2,310 feet from west line of abstract 5,101, Mrs. Orlesby survey.

H&F Oil Co. No. 2 Shannon estate in the Olson field has been completed on the pump in 12 hours rating 143.78 barrels of 32 gravity, pipeline oil in 24 hours. Production was from open hole between 1,997 feet, where 7-inch casing was set, and 2,052 feet, the total depth. The section was shot with 30 quarts of nitroglycerin. With elevation 2,684 feet, the pumper is 250 feet from the south, 330 feet from the west line of the lease in league 1, Archer county school land survey.

Two Wildcat Tests Spotted in Crockett

Two shallow wildcats have been spotted in Crockett county. Hill D. Hudson of Midland No. 1 Stanolind University, slated 2,500-foot cable tool test 21 miles northeast of Ozona, will be 330 feet from south and west lines of section 12-39-U.

Malco Refineries and others No. 1 Tidewater-Bean, projected to 1,500 feet with cable tools, will be 2,200 feet from south, 3,000 feet from the west line of section 11-UV-GC&SF survey, 10 miles northwest of Ozona.

Other Crockett tests, Humble No. 1-D Cox was drilling at 5,565 feet in shale and lime, Texas Pacific No. 1-G University at 7,468 feet in lime and chert.

18-Months-Old Baby Unhurt as Car Wheel Passes Over Body

Jay Colquitt, 18-months-old son of Mr. and Mrs. J. K. Colquitt, miraculously escaped injury Friday when a car ran over him in front of the Colquitt residence here.

Despite the fact that one wheel of the car, driven by Mrs. Gene Thomas, apparently passed over the child's body, x-ray examination revealed no broken bones and the child suffered only minor bruises.

Mrs. Thomas had stopped in front of the Colquitt home to let Mrs. Colquitt and the baby out after a ride. The two women talked a few minutes and when Mrs. Thomas started her car, the child was under it. Tire marks on the child's shoulder and chest indicated that the wheel had passed over it but the child's body evidently was rolled to the side as the wheel passed, saving him from being crushed to death. The child was rushed to the Ozona Hospital where a thorough examination revealed no injuries.

Community Center Deaconess Cottage Damaged By Fire

Prompt Work by Fire Department Saves Church Property

Fire of undetermined origin resulted in damage estimated from \$1,500 to \$2,000 to the deaconess cottage at the Ozona Latin-American Community Center shortly before noon Tuesday.

But for the quick and efficient work of members of the Ozona Volunteer Fire Department, the entire building would have been destroyed. The intense heat generated by the fire, which apparently started in the northeast bedroom, had fired wallpaper and furnishings throughout the house but the blaze was quickly extinguished by the fire men using the new equipment purchased with the new 500-gallon booster pumper.

The bedroom where the fire started suffered the worst damage, but woodwork and finish all through the house was damaged, making a complete interior refinish, plus some building repairs, necessary. The loss was covered by insurance.

Miss Beulah Morton, deaconess, in whose room the fire started, lost all of her clothing and personal belongings that were in the room. Miss Ruth Sutherland, the other deaconess, lost a radio and other personal effects were damaged.

Josh Wheeler, Baritone, To Open Ozona Concert Series on October 16

Josh Wheeler, heralded American baritone, will open the Ozona Municipal Concert Association's concert season here on Monday night, October 16, at 8 p. m.

This will be a gala occasion for Ozona's concert audience, and Josh Wheeler has stated that he is "all primed" and eagerly looking forward to his first appearance here.

Mr. Wheeler was selected by the talent committee of the Ozona Concert Association for the opening attraction in view of his reputation of being a performer with the "audience touch." Great care has been given to the design of the program which he will perform here and all preparations have been made to assure the audience of a wonderful evening's entertainment. Mr. Wheeler's magnificent voice and friendly manner have made him one of the most sought after stars in the concert field.

The concert is open to all members of the Ozona Municipal Concert Association who may gain admission merely upon presenting their membership identification card at the door of the Ozona High School auditorium.

Property Values Zoom 2 Millions In Crockett Co.

County's Total Valuations for 1950 to \$21,816,440

Valuation of property in Crockett county for tax purposes took another tremendous leap this year, rising nearly two million dollars from last year's total values.

The total valuations in the county this year reached \$21,816,440, a net increase of \$1,848,645 over last year according to figures compiled by Mrs. Gertrude Perry, office deputy under Sheriff V. O. Earnest. The increased valuations are attributed mainly to the widespread increase in oil production in the county and the attendant increase in pipelines, processing plants and other facilities of the industry.

On this valuation, property owners in the county will pay a total of \$668,365.32 in taxes on a total tax rate of \$3.17 on the \$100 valuation. The schools, with a tax rate of \$1.50 on a total valuation of \$20,702,110, will get the lions share of the taxes, approximately \$310,531. The valuation for school tax purposes is smaller than the county values for the reason that the University lands in this county are not taxable for school purposes.

The county's share of the taxes, on a rate of 95 cents on the \$100 valuation, will be approximately \$207,255, and the state, on its rate of 72 cents on the \$100, and a valuation for state tax purposes of \$20,913,515, will take approximately \$150,577.

Sheep numbers were down in the county from last year, this year's renditions totalling 260,597 head. Goats numbered 23,415, cows totalled 8,697 and there were 1,600 horses rendered. Only 572 motor vehicles, including cars, trucks, pick-ups, etc. were rendered by taxpayers, while the tax office has recorded a total of 1,821 motor vehicle license plates issued in the county since April 1.

Total land acreage in the county on tax rolls is 1,797,613.84 acres. Real estate property in the town of Ozona was valued at \$489,095.

Lions To Meet Alpine Bucks In Alpine Friday

Locals Gained Experience in 18-7 Licking By Kittens

By O. L. Davis, Jr. Smarting from a 18-7 defeat at the hands of the San Angelo Kittens, Coach Harris' Lion team will invade Alpine for a game there Friday night. The Lions will be seeking their first win of the young 1950 season and revenge for the close 7-0, lacing given them last year by the Alpine Bucks.

"Although we lost in the scoring column, our defeat was overshadowed by what we learned," assistant coach Doug MacDonald said this week. "The mistakes our boys made were serious," he repeated, but emphasized that they should be corrected by Friday night. MacDonald reminded those who might criticize the playing in the Angelo game that for a number of the boys on the team, the game was their first in high school.

Although the Kitten game was a costly lesson in the score-book, the Lion coaches were high in their praise of the team. They singled out Virgil Machado for his brilliant display of power, deception and general playing as the biggest surprise of the season. The little left-halfback played outstanding ball both on offense and defense.

MacDonald said both he and Coach Harris were encouraged by the general performance of the young and inexperienced linemen. All the boys have improved in their practice and are high for the Alpine game, both physically and mentally, the coaches added.

At W.S.C.S. Meeting World Health Topic For Opening Program

Members of the Woman's Society of Christian Service of the Methodist Church met Wednesday morning for the first program meeting of the year, the theme of which is "The Saving Health Among the Nations."

Mrs. Joe Clayton, leader for the day, gave a talk on "World Health Through a Brotherhood of Nations." Mrs. Abe Caruthers spoke on "World Health Organization" which was formed in 1946 and now functions under the framework of the United Nations. Present health problems also were discussed. How we as individuals may help in such a program was discussed by Mrs. Charles Williams.

Mrs. D. B. Pettit outlined the fall study course "Toward a Christian Community" which will be studied by the Circles under the leadership of the various chairmen.

The Society extended an enthusiastic vote of thanks to the Ozona Volunteer Fire Department for their splendid work in fighting the fire at the Community Center Cottage Tuesday morning.

Mrs. L. B. Cox, Jr., spiritual life chairman, announced a prayer vigil for world peace to be held in the sanctuary of the church Wednesday, Sept. 27, from 6 a.m. to 6 p.m.

Mrs. Joe Clayton, program chairman, announced a tea and book review in the social hall on Nov. 22 at the conclusion of the present study course. The Sonora W.S.C.S. and all local church groups are invited to this affair.

Present were Meses. Joe Clayton, Charles Williams, Jr., Floyd Henderson, Joe Pierce, Bill Cooper, Jack Wilkins, S. M. Harvick, Charles Williams, Stephen Perner, Ted White, W. E. Friend, Jr., Tom Harris, R. A. Harrell, Abe Caruthers, D. B. Pettit, T. A. Kincaid, Jr., John Coates, Howard Kemper, H. B. Tandy, Bob Lynch, and Paul Perner and Miss Ruth Sutherland.

The Sunshine Circle will meet next week with Mrs. Troy Hickman, Willing Workers with Mrs. Charles Williams, Sr., and the Jennie King Circle with Mrs. Jack Wilkins.

Midland Man to Drill Shallow Test on U. T. Land in Crockett Co.

Paul McHargue of Midland has spotted a shallow Crockett county wildcat 16 miles southeast of Barnhart.

His No. 1 McHargue-University, slated 2,000-foot cable tool test, will be 330 feet from the north and east lines of section 20-39-UTL. Operations will begin at once.

A scheduled 9,000-foot wildcat 11 miles northeast of Ozona, Magnolia No. 1 Addie Clayton was trying to regain circulation, with total depth 205 feet in lime. It is 1,580 feet from the north and east lines of section 9-1-GC&SF.

J. Ralph Stewart of San Angelo has shut in an estimated 10-million cubic foot daily gasser his No. 1 Phillips-Shannon, Crockett county wildcat southeast of the Noelke pool and northwest of the Olson field.

Cable tools were blown up the hole by the gas encountered at 1,880 feet in Grayburg sand. Drilling had progressed five feet into the sand. Location is 990 from the north, 330 feet from the west line of section 16-14-U.

College President To Speak Here Sunday

Dr. William C. Finch, President of Southwestern University of Georgetown, Texas, will preach the morning sermon at the Ozona Methodist Church this Sunday, September 24, at 11 o'clock a.m. Dr. Finch, a native of Virginia, took the presidency of Southwestern last year, following the death of Dr. J. N. R. Score, the former president.

Southwestern University is owned and operated by The Methodist Church in Texas. While in Ozona Dr. Finch will be available for conferences with any one who may wish to have more information about this university.

Stroud Roberts, son of Mr. and Mrs. J. E. Roberts of Ozona, left Sunday for Austin where he enrolled as a student in the University of Texas. He will be a Junior at the University, having completed the two-year course at San Angelo College.

DAUGHTER TO OWENS

Mr. and Mrs. Walter Wise Owens are the parents of a daughter born in a San Angelo hospital yesterday morning. The little lady weighed 6½ pounds and has been named Linda Sue. She is a granddaughter of Mr. and Mrs. Jeff Owens of Ozona and of Mr. and Mrs. Clark of Colorado City, a great granddaughter of Mr. and Mrs. J. W. Owens of Ozona and the third great grandchild of Mrs. Jones Miller of Ozona.

PMA Committeemen To Be Elected Soon

With the annual election of Production and Marketing Administration community committeemen coming up in the next few weeks, Chas. E. Davidson, Jr., chairman of the Crockett County PMA committee urges all eligible ranchers to get their sights set on the best possible rancher candidates. The date of the election and polling places will be announced later.

The ranchers elected in the coming election will take office January 1 and serve through 1951. Committeemen, chairman Davidson explains, assist in the administration of PMA and other assigned programs in their communities including the Agricultural Conservation Program, storage and loan programs, etc. All ranchers taking part in these programs are eligible to vote.

Just sharpen your pencil—and there you are!

ACROSS this broad land there are thousands of people who have been doing themselves a disfavor.

Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own.

Now why "assume" anything as important to your happiness as a new car?

Why not see for yourself how delivered prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering?

Then—if there is a particular car in

mind—sharpen up your pencil a little.

Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power.

Will you ride on four soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick.

Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast metal grille that can be costly to repair or replace?

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive, or one in which gears still shift in normal driving?

Yes, sharpen your pencil—and there you will be, in a Buick.

Whether it's a SPECIAL, a SUPER or a lordly ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and "fashion-first" styling.

But you have to make the first move. You are the one who has to find out. How about starting now—with a call on your Buick dealer?

*Dynaflow Drive is standard on Roadmaster, optional on extra cost on Super and Special models.

WHATEVER YOUR PRICE RANGE

"Better buy Buick"

Only BUICK has Dynaflow—and with it goes:

- HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)
- NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights.
- WIDE-ANGLE VISIBILITY, clear-up road view both forward and back.
- TRAFFIC-HANDY SIZE, less over-all length for easier parking and gearing, short turning radius.
- EXTRA-WIDE SEATS cradled between the axles.
- SOFT BUICK RIDE, from self-coil springing, Safety-Ride rim, low-pressure tires, ride-deadening torque-tube.
- WIDE ARRAY OF MODELS with Body by Fisher.

II girls are working in the field of clothing. Most of the girls are working on corduroy skirts or suits and a few are working on cotton. Some of the girls are planning to enter the wool contest. The seventh and eighth grade girls are working on foods. The seventh grade girls are interested in learning about and preparing breakfast foods while the eighth grade girls are making a study of things easily prepared for lunch.

The Industrial Arts department has some new machinery this year and expects to get some more during the term. In the high school, first year boys are studying mechanical drawing and the second year boys are studying architectural drawing, which includes making a floor plan and a foundation plan. The junior high boys are painting the walls in the shop and helping fix it up. The boys plan to take up the study of wood work later in the year.

The Girls' Chorus is reviewing some selections from last year but they have ordered new music and expect it to be here soon. The girls are to take part in a P.T.A. program sometime this semester and they hope to go to the annual contest this year.

Thought for the Week

By J. Troy Hickman

HATS OFF TO THE FIREMEN!

I am ready to testify that Ozona has a top notch fire department.

This is Tuesday — last Tuesday by the time you read it. I have just been to a fire that partly destroyed the deaconess cottage at the Community Center. It could easily have been a total loss.

Two ladies and I were having a quiet committee meeting in the church office. We did not hear the fire alarm. My telephone rang and a friend said, "The Community House is on fire!" By the time we got there, it was about over.

As I got it, this is the story. The deaconesses were in the stone building holding their classes. It was around eleven o'clock in the morning. Some children at South Elementary looked out the window and saw the fire and smoke coming from the northeast corner of the cottage. They told the teacher and an alarm was phoned in. A minute later, one of the deaconesses, Miss Beulah Morton, happened to return to the cottage. Seeing the fire and thinking that the other deaconess, Miss Ruth Southerland, was inside the cottage, she ran toward the school calling for help. About that time, Miss Southerland came out of another part of the plant, saw the fire, and gave

the alarm. Almost before she put the phone down, the red wagon came around the corner. The boys were really on the job.

But for the prompt and effective work of that handful of volunteers who make up our fire department, the cottage would have been a total loss, and doubtless the other two buildings would have caught from it. When I got there, the fire was out and the men were extinguishing small, scattered smokes with a hand-operated outfit they carry along. They stayed on the job until everything was done that could be done. There was no needless damage by water or axe. Everything was done just right.

The cottage looks to me like about a 30 per cent loss. At this writing, I don't know whether there was any insurance on it, or not. The ladies on the City Mission Board had just finished redecorating the interior and putting in some new equipment. A new G. E. cook stove, which had been donated by private individuals, appears not to be too badly damaged. But most of the paper and other finish inside is ruined in some way. Miss Morton, in whose bedroom the blaze apparently started, lost nearly everything she owned, including clothing. Her room was a total loss.

No one knows for sure what caused the fire. Maybe no one will ever know. The most likely cause seems to be the wiring.

Most of us don't appreciate the fire boys as much as we ought. We forget that they work gratis, leaving their own jobs to save another's property. And then one day it comes to us. And when your own house is afire — brother, it's different. This was not my house. But as one Methodist who feels an interest in this church-owned institution, I say, "Hats off to the Ozona fire department!"

Some of the little Mexican children cried as they saw it burn. They know how unselfishly the deaconesses work for their good, and they were touched. All of us know how valuable that institution has been to our community, and how much it has done and is doing for the Mexican people. We are not going to let this misfortune affect the program.

The mathematics of it are: we cannot have the benefits of the Community House without the organization. The organization will not function without the deaconesses. The deaconesses cannot live and work here unless they have a place to live and a new stock of personal effects. Therefore, I be-

lieve that the whole town — people of very faith — are going to come forward with gifts enough to restore the burned out plant, decorate and equip it again, and buy Miss Morton a new stock of personal effects. If I know Ozona, that's what will happen.

If you want in on this, call Mrs. Tandy, Mrs. Floyd Henderson, the Bank or either of the deaconesses at The Community Center. Thanks to the fire boys, the phone there is still working.

Phone the news to The Stockman.

Woman's Club Opens Season at Breakfast Tuesday, September 26

Ozona Woman's Club will open its season's activities next Tuesday with a reassembly breakfast and president's day to be held at the home of Mrs. Stephen Perner, with Mrs. Adah Clendenen assisting Mrs. Perner as hostess.

Objectives of the club year will be outlined by the president, Mrs. W. E. Friend, Jr., and a report on the recent General Federation con-

vention will be given by Mrs. P. T. Robison. A report by Mrs. W. R. Baggett as federation counsellor will be heard and a business session will follow.

The Lions will leave for Alpine Friday morning. They will travel in cars driven by local supporters. The team will stay overnight at the Holland Hotel in Alpine.

Ralph Carden left for Austin this week to resume his studies at the University of Texas.

THERE'S NONE BETTER THAN **COSDEN** Gasoline and Motor Oils

You can not do more toward preserving the life of your car or truck motor than to use Cosden motor fuel lubricants regularly. Better mileage and better performance will save you money.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL.

Lions Taste Defeat In Season's Opener Against S. A. Kittens

The Ozona Lions battled the San Angelo Kittens in the first grueling game of the season Friday. The Kittens dominated the first half, scoring three times for a total of 18 points. Tries for extra points failed.

Held scoreless for the second half of the game, the Kittens switched to the defensive as the Lions fought down the field with a spectacular drive by Billie West to the two foot line where another fullback, Alton Smith, plunged over the goal line for Ozona's first six points. Try for the extra point by Andres Vela was good, putting the score, 18-7, at a deadlock for the rest of the game.

Statistics recorded that the first downs favored Ozona, 9 to 6. Fumbles were plentiful for the Ozona team with a total of 13, ruining many chances for gain.

Officers Named by Student Groups

Student officers of the Ozona High School have been elected and are planning their year's work. Lem Bray, principal, has announced.

June Perner was elected president of the Student Council. Other officers are Darrene Thompson, vice president; Pat Hickman, parliamentarian; Bettye Maness, senior representative; Bobby Womack, junior representative; Laura Walley, sophomore representative; and Jane Adams, freshman representative. Principal Bray is the Student Council sponsor.

Officers of the Senior class are: Kenneth Parker, president; Bobby Halydier, vice president; Jack Sorrels, secretary; and Bettye Maness, treasurer. Wayne Matthews and Mrs. Ken Cody are sponsors. Selected to lead the Junior class are: Joe Bailey, president; John Greer, vice president; and Rita Ballinger, secretary-treasurer. J. A. Pelto and Mrs. Janie B. Hull are sponsors.

Sophomore officers are: Tom Piner, president; Scott Hickman, vice president; and Bill Schneemann, secretary-treasurer. Miss Billie Sealy and J. Douglas Macdonald are class sponsors.

Freshmen elected Graham Childress president, Baldemaro Ramon, vice president, and Jamie Knox as secretary-treasurer. George Massingill and Miss Mildred North are Freshman class sponsors.

Scott Hickman has been elected president of the Lion Band for 1950-51. Drum major is June Perner and Darrene Thompson and Shirley Kost are twirlers. Head cheer leader is Laura Walley. Rita Ballinger and Bettye Maness are the other cheer leaders.

MEET THE TEACHERS — Lipfords Music Team; Graduates of A.C.C.

A new Mr. and Mrs. team has been added to the faculty of the Ozona schools. Both graduates of Abilene Christian College, Mr. and Mrs. H. T. Lipford are now settled in Ozona.

Mr. Lipford, a native of Fort Worth, and Mrs. Lipford, formerly of Abilene, met when they were freshmen at A.C.C. Both taking a music major, the two attended many of the same classes and school functions. In September of 1948, their junior year, they were married. Following graduation, Mr. Lipford taught the second grade in Wylie, Texas. Mr. Lipford formerly instructed at the A.C.C. demonstration school and did graduate work at the University of Texas.

Mr. Lipford is in charge of the junior high and high school music departments while Mrs. Lipford teaches another class of second graders.

Other than music the favorite pastimes of the Lipford family are tennis and swimming.

"I've never seen a school system that takes care of the teachers like Ozona's. We've absolutely no complaints!" comes the enthusiastic reply of how the Lipfords like their new jobs.

HAPPY BIRTHDAY TO:

Happy birthday to Ruth Sparks who was 17 September 20. Santos Barrego was 16 September 6. Antonio Herrera, Jr., was 18 September 14. Jane Adams was 14 September 15. Jamie Knox was 15 September 13.

Room Mothers Named By P.T.A. for Year

Fifty mothers of school children have been named room mothers in the Ozona Public Schools by the local unit of the Parent-Teachers Association. Mrs. Ashby McMullan, president, made the announcement at the Monday meeting of the group.

Selected to serve were: Senior class, Mrs. Stephen Perner, Mrs. Roy Thompson, Mrs. Parker, Mrs. J. A. Sparks; Junior class, Mrs. Doug Kirby, Mrs. Willard Deaton, Mrs. T. J. Bailey, Mrs. W. D. Womack; Sophomore class: Mrs. W. P. Conklin, Mrs. H. R. Mock, Mrs. Paul Ballard, and Mrs. Ray Piner; Freshman class: Mrs. Charles Garlitz, Mrs. Olive Berry, Mrs. Hugh Childress, Jr., and Mrs. Tom Powers.

Eighth grade: Mrs. Ashby McMullan, Mrs. George Russell; 7th grade (Section I) Mrs. Brock Jones, Mrs. W. E. Friend, Jr., 7th grade (Section II): Mrs. Miller Robison, Mrs. Boyd Clayton; 6th grade (I): Mrs. James Baggett, Mrs. Jesse Marley; 6th grade (II): Mrs. Rufe Everett, Mrs. E. H. Chandler;

Fifth grade (I): Mrs. Bob Franklin, Mrs. B. B. Ingham; 5th grade (II): Mrs. Royal Caswell, Mrs. Charlie Black; 4th grade (I): Mrs. Jake Young, Mrs. Joe Tom Davidson; 4th grade (II): Mrs. W. A. Childress, Mrs. E. D. Kincaid; 3rd grade (I): Mrs. Joe Friend, Mrs. Hurst Meinecke; 3rd grade (II): Mrs. W. T. Stokes, Mrs. Vernon Ratliff; 2nd grade (II): Mrs. Nip Blackstone, Mrs. George Hester;

First grade (I): Mrs. Abe Caruthers, Mrs. John Coates; 1st grade (II): Mrs. Martin Harvick, Mrs. P. C. Perner; Kindergarten: Mrs. W. D. Jones, Mrs. W. R. Baggett, Jr., Mrs. Joe Clayton and Mrs. Kemper.

Student of the Week ---

SHE'S SENIOR, LIKES JAZZ; WANTS PHYS. ED. DEGREE

Most everyone knows that little 5 foot, 1½ inch, brown-eyed brunette senior who is most often seen running up and down the hall.

She has lived in Ozona all her life, and says that her favorite chow is Mexican food, her favorite music is jazz, and, as to her favorite sport, she says, "just all kinds."

Her high school career has been outstanding. To start with, she was a freshman officer and a volleyball letterman. In her sophomore year she again was a class officer and this time she lettered in softball as well as volleyball. Her junior year she was again a class officer and was chosen as class favorite. Of course, she again lettered in volleyball.

Miss Student-of-the-week's ambition is to become a P. E. coach after attending North Texas State College.

Well, by now you should have guessed our student of the week to be none other than Ruth (Gussie) Sparks.

North Elementary Pep Squad Formed

Nancy Maddux, Lynn Gustavus and Cynthia Ann Stringer are twirlers; and Beverly Bohot, Tobmie Spurgers, Karon Skinner and Penny Phillips are cheer leaders for the North Elementary Pep Squad. It is sponsored by Mrs. J. W. Skinner and Coach Jack Harris. The cheer leaders were elected from the second and third grades Tuesday, while twirlers were chosen by the sponsors from a group of 12 who tried out.

The Pep Squad, which consists of the second and third grade girls, practices every morning during their P. E. period.

The girls promoted school spirit by doing many of the yells that they learned at the San Angelo-Ozona football game last Friday night, and the expect to attend all other home games.

JR. HI PLANS PAPER

The eighth grade English class has a new topic for discussion. The Junior High School will soon have a newspaper of its own. Mr. Harold Lipford is sponsoring this project of a mimeographed weekly. News included will be from the elementary schools as well as junior high.

The reporters will be chosen from the eighth grade with two representatives from the fifth, sixth and seventh grades.

Perner Drum Major For '50; Thompson And Kost Twirlers

June Perner is O. H. S.'s 1950 drum majorette and Darrene Thompson and Shirley Kost are twirlers for the Lion band. W. B. Skelton announced his choices last week.

The girls got off to a good start with new uniforms which they wore at Friday night's game with San Angelo.

June, a senior, has lived in Ozona all her life and was a twirler last year. Darrene, also a senior, has been a member of the band for the past two years. Shirley, a freshman, has been a band member for the past five years and was a Junior High twirler last year.

Most of the High School students think that all three girls are tops and will do a fine job in representing the school.

O.H.S. Students Toured Nation In Summer Vacation

School has started again. Instead of swimming in the afternoon, we get home work, and the cool mountains or busy cities we visited are just memories.

The western states were the most popular vacation spots for O.H.S. students. Shirley Kost spent two weeks in Gallup, New Mexico. She was there for the Indian ceremonies, which attracted Indians from all over the United States. Jane Adams and Jeannene Thompson stayed with Jane's parents in Gallinas Canyon near Las Vegas, New Mexico. They went to Taos and Santa Fe to go through the museums. Their main excitement was a bear that was roaming around the property.

Wanda Carden stayed in Kansas most of the summer, but she also took a trip through Colorado, Wyoming, and South Dakota. Another student visiting around Kansas was Lois McDale, who traveled through Oklahoma to see relatives and spent the rest of the summer with her sister in Odessa. Norris Pogue went to Colorado Springs, Pike's Peak and Denver. Jim McMullan took in almost all the main attractions of New Mexi-

co, Colorado, Utah and Wyoming. New Mexico or Colorado. Jo Ann Alan liked Pike's Peak better than anything she saw in Valley Forge this summer. Scouts

from Ozona included Geraldton, Jimmie McMullan, (Continued on Page Five)

PACK MEET TUESDAY
Scout Pack meeting will be held Tuesday, September 26, at 8 p. m. at the First Baptist Church.

Boys 8, 9 and 10 years old are invited to become Cub Scouts. Parents are invited to attend this meeting to become acquainted with the Cub Scout program.

Cunningham, son of Mr. Pete Cunningham of Ozona, believed to have participated in the United States land-lease program on the east coast of Korea. Young Cunningham, 18

years old and in the Navy one year, sailed from Pearl Harbor for Kobe, Japan, on August 16, according to a letter received by the parents here last week.

CARD OF THANKS

I wish to express our sincere appreciation to all the people of Ozona for the many acts of kindness during the illness of my husband. Both of us are deeply grateful for all of the wonderful things you have done to help us during this difficult period and will remember you always for your kindness.

Mrs. W. R. Price

Community House Wants Used Toys for Kindergarten Dept.

Do you have some old toys and furniture tucked away somewhere? The Community House in Ozona needs a few items, and one of us may have exactly what they want.

First, a filing case. Someone may have a filing case that is no longer needed — one with one drawer, two three or four drawers. One that will hold 8 1/2 by 11 folders is preferred.

Second, how about a children's table-and-chairs set?

Third, toys, such as a doll bed, a doll cart or buggy, or other toys that your children have outgrown. The Kindergarten at the Community House would like to have any or all such items.

Call Miss Ruth Southerland or Miss Beulah Morton, telephone number 248, the Ozona Latin-American Community Center.

OBSERVE THIRD FAMILY CHURCH NIGHT

The third in a series of six Family Church Nights will be observed at The Methodist Church this Sunday beginning at six o'clock p.m. Six couples will act as hosts for the covered dish supper. After a thirty-minute class period in the study of the Bible, the group will see a religious motion picture.

Remington adding machines at the Stockman office.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: MEDIA M. HERNANDEZ
GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from

the date of issuance of this Citation, the same being Monday the 23 day of October, A. D. 1950, at or before 10 o'clock A. M., before the Honorable District Court of Crockett County, at the Court House in Ozona, Texas.

Said plaintiff's petition was filed on the 1 day of Sept. 1950. The file number of said suit being No. 1001.

The names of the parties in said suit are: Francisco Hernan-

dez as Plaintiff, and Media M. Hernandez as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce to dissolve the bonds of matrimony that now exist between Plaintiff and Defendant.

Plaintiff alleges that on or about 1939, Defendant permanently abandoned the Plaintiff. Plaintiff alleges that there were six children born to this Plaintiff and

Defendant and that two of these children are under 16 years of age, and that they have no community property.

Issued this the 8th day of September, 1950.

Given under my hand and seal of said Court, at office in Ozona, Texas, this the 8 day of September A. D. 1950.

(SEAL) Geo. Russell, Clerk District Court, Crockett County, Texas. 23-4c

Mrs. J. W. Simmons, Sister of Ozonans, Buried in Dallas

Funeral services were held from Highland Park Methodist Church in Dallas at 4 o'clock Tuesday afternoon for Mrs. J. W. Simmons, a sister of E. B. Baggett, Jr., and Early Baggett of Ozona, who died at her home in Dallas at 9 o'clock Sunday night. Burial was in Calvary Cemetery in Dallas.

Mrs. Simmons, who had been in ill health for a number of years, was a daughter of the late Mr. and Mrs. E. B. Baggett, pioneer Crockett county ranch couple. She is survived by her husband and a son, James W. Simmons, Jr., of Dallas; two brothers, E. B. Baggett, Jr., and Early Baggett of Ozona; two sisters, Mrs. Mamie Hagelstein of San Angelo and Mrs. Winnie Fox of Lampasas; a number of nieces and nephews, including Mrs. Boyd Clayton of Ozona, Mrs. Massie West of San Angelo, Jack Baggett of Big Lake and Ele Bright Baggett of Lufkin, children of Mr. and Mrs. E. B. Baggett, Jr., of Ozona; and Ele and Fred Hagelstein, of Ozona, and four grandchildren also survive.

Literary Club Opens Season Programs at President's Breakfast

The Ozona Literary Club held its President's breakfast Saturday morning, Sept. 15, at 9 o'clock at the House of Flowers Tearoom. Mrs. Cleophas Cooke is the club president.

The following new members were voted into the club and were present: Mmes. Bill Skelton, Howard Kemper, A. J. Deans, Clyde Joiner, and Jack Harris. Mrs. Victor Kuykendall is another new member but was unable to attend. Other members present were Mms. Martin Hearn, John Skinner, Fred Stoker, J. P. Pogue, B. W. Stuart, Robert Cox, Roy Sewell, Allen Boedeker, Travis Hawk, Cleophas Cooke, A. C. Hoover, Joe Whatley, and Ken Cody.

A short business meeting followed the breakfast at which time the president's pin was presented. Mrs. Cooke and several business matters were discussed. The next meeting is to be held Sept. 26.

CARD OF THANKS

We take this means of expressing our sincere appreciation to all the people of Ozona for their many acts of kindness and expressions of sympathy on the occasion of the death of our son, Stanley Lynch. We are grateful to all who sent the beautiful flowers and otherwise lightened our burden of grief.

2,000 Foot Test in Block 39 Ellenburger Field Area Spotted

Twelve miles southeast of Barnhart, C. P. Laugenheim and others of Fort Worth plan to drill a Crockett county wildcat.

Their No. 1 University land, projected to 2,000 feet with cable tools and beginning at once, will be 2,389.8 from the north, 2,378.3 feet from the east line of section 12-39-U. Elevation is 2,582 feet.

It will be in the same section as the opener of the Block 39 (Ellenburger) field, Stanolind No. 1-GG University, which is in the southwest corner of the section.

Texas Pacific Coal Oil Co. No. 1-G University, slated 8,500-foot rotary wildcat in the northwest part of the county, 11 miles southeast of McCamey, was preparing to core from 7,582 feet in unidentified lime. Recovery was 110 feet of mud on a one-hour drillstem test from 7,552 to 7,582 feet.

Crockett wildcats, Standard-Fryer No. 1 Mitchell was drilling at 1,600 feet in anhydrite and lime. Humble No. 1-D Cox at 6,025 feet in lime and shale.

Scouts to Meet in First Session of New Season Monday Night

All members of Boy Scout Troop 53 are urged to attend the first meeting of the fall semester this Monday night, September 25, at the Scout Hut.

New leaders for this year as announced by Ben Williams, chairman of the troop committee, are: O. L. Davis, Jr., Scoutmaster; and Glenn P. Hicks and Harold T. Lipford, Assistant Scoutmasters. These new Ozona Scouters attended a West Ranch District meeting in Sonora last Monday night where they planned for the coming year with other troops in this area.

Community House News

The Community Center Cottage was seriously damaged Tuesday morning about eleven o'clock by fire which broke out from an undetermined cause. If it had not been for the very efficient service of the Ozona Fire Department, everything would have been lost. The local people have extended their sympathy and help in an inestimable way. The Staff members are greatly indebted to all and will never forget the concern shown.

Monday night Miss Beulah Morton, Miss Ruth Sutherland, Sam Martinez, Ed Vitela and Silvestre Garcia attended a Boy Scout supper and business meeting at the Boy Scout Lodge in Sonora. They

were representatives of Cubs and Boy Scouts of Troop 63. J. B. Morris, Scout executive, will be here October 4, for an afternoon and

evening Cub training program. The Council will meet tonight at eight o'clock for an initiation ceremony. New members have been

electd and they will be inducted at this time. This is the general body of the club activities at the Community Center.
