## Plans ing Blood In Ozona

### ns to Be Typed Registered for gency Need

"Blood Bank" will be set up in Ozona if a program to be launched by Mrs. Melvin, manager of the hospital, and the Ozona club are successful. One of the "blood bank" as set up in hospitals in the area whose need is more constant, the plan here will be a catalogue of blood types for the citizenship of Ozona in case of an emergency, do not be selected with a minimum time loss without the expense of maintaining actual storage.

Melvin appeared as guest at the Rotary Club luncheon to explain the plan and the club voted to underwrite the expense. Mrs. Melvin stated her time to make the tests and the club will bear the cost of the various serums to make the chemical

Melvin left Wednesday for work where she will attend to the Council of the College of Medical Technicians. When she returns, steps will be taken to launch the campaign of blood testing of all citizens. There will be no charge for individuals for the blood which will include a wastage test. Each person tested will be advised of the type of his blood and each will be catalogued to type and other facts in case of emergency, listed in a directory to be called upon in case of emergency.

It would not be practical to attempt to maintain an actual blood bank, Mrs. Melvin explained, because of blood demand in time and local demand to test to make such practical. However, Mrs. Melvin declared that the local hospital has an arrangement with the San Angelo hospital for blood for the event of need, a part of blood might be borrowed from the San Angelo hospital and replaced by the Ozona hospital service as would be available in the larger hospitals.

The blood testing program for launching, announcement will be made of the time and Ozonians will be invited to the hospital for a test to give blood samples which the tests will be run. It is expected that everybody in the city will have such tests made their own type of blood of record in case of accident victim's own blood type is immediately available to the attending physician with a list of people in the community with the type of blood, a life might be saved by such advance planning, Mrs. Melvin pointed out.

W. M. S. Business Meet  
Members of the Woman's Missionary Society of the First Baptist Church met Wednesday for a session and program. Mrs. Roy Thompson presided and Mrs. Roy Thompson acted as secretary. Mrs. Roy Thompson presided and Mrs. Roy Thompson acted as secretary. Mrs. Roy Thompson presided and Mrs. Roy Thompson acted as secretary.

## Scott Peters Resigns Bank Post He Held 30 Years

### Active Vice President's Resignation Effective Last Saturday

Scott Peters, "Mr. Bank" of Ozona for nearly thirty years, has resigned his position as active vice president of the Ozona National Bank, it was announced this week by Wayne West, president of the bank, and one of the outstanding small banks of the nation. Mr. Peters submitted his resignation to become effective last Saturday night. He had been connected with the bank since 1920 and in the early twenties became its cashier, in which position he served until a few years ago when he was named active vice president and Lowell Littleton was named cashier.

Mr. Peters has been an Ozona resident since 1917. In the first World War, he served 16 months in the U. S. Army, with one year of active service overseas. He was in combat at the St. Mihiel Salient and in the battle of the Argonne as a member of the 360th infantry regiment. After the war he lived for a time in Del Rio before returning to Ozona to establish his connection with the Ozona bank.

## Moore To Drill Deep Wildcat In Western Crockett

### 9,000-Foot Ellenburger Set for Mitcham Ranch

Moore Exploration Co. of Midland has filed application for permit to drill a deep wildcat in Crockett county, 15 miles southeast of Iraan. The firm's No. 1 Noelke Livestock Co., projected to 7,500 feet with rotary, will be 660 feet from the south and west lines of section 20-GG-HE&WTRR. Beginning at once, it will be one mile southwest of the Noelke (Seven Rivers) field. H. L. Hunt No. 7 Margaret A. Shannon in the Vaughan (San Andres) field has been completed on the pump in 24 hours for 73.36 barrels of 28.3 gravity, pipeline oil. Production was from open hole between 1,406 feet, where 7-inch casing was set, and 1,433 feet, the total depth. The section was acidized with 1,000 gallons. The pump is 990 feet from the south and west lines of Mrs. Oglesby survey 2, abstract 5,101.

Hill D. Hudson has filed plugging record for his No. 1 Stanolind-University, wildcat 21 miles northeast of Ozona. The failure, a 2,000-footer, was 330 feet from the south and west lines of section 12-39-U. Humble No. 1-D Alma Cox and others wildcat four miles west of Ozona, was coring at 7,812 feet in dolomite, lime and chert.

## Crockett Alloted \$87,000 For 1951 Conservation Work

### \$750 Per Ranch Unit Set; Work May Begin Nov. 6

Crockett county has been allotted a total of \$87,000 for carrying out the PMA Agricultural Conservation program on ranches of the county in 1951. It was announced this week by Mrs. Basil Dunlap, executive officer, upon receipt of such information from the state office.

Members of the County Agricultural Conservation committee in a meeting following receipt of the 1951 allotment, decided on a limit of \$750 per ranching unit which may be expended by any individual rancher in 1951. The 1951 allotment is smaller than that for 1950, when the individual limit was \$1,000, and the 1951 limit of \$750 is the same as prevailed in this county in 1949.

Four of the approved practices were selected by the county committee for application to this county and only these practices will be approved in 1951. The approved practices are as follows:

1. Drilling water wells for better distribution of grazing on range land.
2. Installing water pipelines for better distribution of grazing on range land.
3. Elimination of destructive plants on noncrop and pasture rangeland.
4. Revegetation of range or pasture land by deferred grazing.

Each ranchman participating in the conservation program must comply with all provision or ACP payment may be cancelled. Mrs. Dunlap pointed out. Prior approval of the committee must be secured before any practice is started. The participating ranch unit must have been on record in the county office as of October 15, 1950 to be eligible for payment under the 1951 program, she said.

## 76 Per Cent of Area Registrants Found Acceptable by Army

Local Board Number 110 delivered 37 selectees for physical examination October 23. The following men were found acceptable for induction: Robert B. Tuckness, Wayne Coffman, Presley Hatley, Lester R. Lawler, Gordon Lacey, Roger Rudasill, William P. Hoover, Charles M. Harrison, Ralph W. Meinecke, Jr., Leonard N. Gibbs, Charles L. Connell, Norris L. Frazer, John R. Hunnicutt, Ramon O. Gonzales, Albert R. Thigpen, John W. Cardwell, Billy D. McArgus, Fred K. Jungk, Oscar E. Reavis, Alfred R. Carter, Bill E. Seale, Bill T. B. Phillips, Santiago M. Rodriguez, Howard G. Parker and Delma Ray Odum.

Registrants who were found not acceptable at the present time were Billie E. Clapp, Geronimo S. Rodriguez, Cayetano L. Angiano, Raul Favila, Rodolfo M. Guajardo, Jerry R. Smith, Guillermo Martinez, Cornell Benson, James Richard Brown and Mario G. Duran.

A total of 85 selectees have been sent to the Examining Station by this Board since August. 76% of the registrants reporting have been found acceptable for induction. Thirteen registrants will be issued orders to report for induction November 30, and the December call is for six men to be delivered to the induction station December 8. Mr. and Mrs. L. B. T. Sikes and David and Richard of Calvert, former Ozonians, were among the homecoming visitors this past week-end. Mr. Sikes, who served for many years as principal of Ozona High School and as football coach in the World War II emergency, is now superintendent at Calvert.

## Husband of Former Ozonan Buried Here Sunday Afternoon

Funeral services for C. C. Daniels, 40, who died in a San Angelo hospital Friday, were held at 3 o'clock Sunday afternoon from the First Baptist Church in Ozona. The Rev. Clifton R. Tennison, pastor, officiated, with burial following in Cedar Hill Cemetery. Mr. Daniels was a business associate of Chester and C. M. Kenley, San Angelo oil and gas property dealers. Mrs. Daniels is the former Miss Mamie Kirkpatrick, daughter of Mrs. Myrtle Mitchell of Ozona.

Pallbearers were Chester and C. M. Kenley and Dixie Anderson of San Angelo, Bill Campbell of Baytown and Roy Miller, Roy Miller, Bud Kincaid and Kay Black of Ozona.

The Daniels lived at 1609 South Jackson St. in San Angelo. He was a native of Brownfield. Surviving are the widow; three brothers, Marian Daniels of Sundown and D. L. and Earl Daniels of Tatum, N. M.; two sisters, Mrs. Joe James of Tatum, N. M., and Mrs. Hershel Burns of Lovington, N. M.

## Planned Parenthood Chapter Organization Discussed by Forum

Organization and operation of Planned Parenthood clinics was the topic for discussion when the Ozona Woman's Forum met Thursday in the Ira Carson home with Mrs. James Childress and Mrs. Clifton Tennison as hostesses.

A group of women who are active in the San Angelo chapter of the Planned Parenthood organization attended the meeting of the Forum to discuss with the local group the organization of a chapter here, a project being sponsored by the club.

The San Angelo visitors included Mrs. Louis Gayer, Mrs. Louis Hall, Mrs. John B. Hemphill, Mrs. Massie West, Mrs. Joe Funk and Mrs. Sid Slaughter.

Others present were Meses, C. O. Walker, Charles Williams, Jr., W. T. Stokes, J. S. Pierce, III, Jess Marley, Beecher Montgomery, Ele Hagelstein, Martin Harvick, Tommy Harris, H. A. Gustavus, Joe Clayton, W. A. Childress, P. L. Childress, Jr., George Bunker, Nip Blackstone, Eddie Bower, Charlie Black, Boyd Baker, B. B. Ingham, Jr., Jim Ad Harvick, Abe Caruthers and the hostesses.

## Jack George, Pecos Power Plant Manager, Is Buried in McCamey

Jack George, 46, Girvin, died at 7:45 o'clock Sunday morning at his home following several months of illness. George was chief engineer at the Rio Pecos Power Plant near Girvin, which is owned by the West Texas Utilities Company. An Albany native, George moved to Girvin in 1938.

Prior to becoming associated with the Rio Pecos Power Plant, George held the position of maintenance foreman for the utilities company at Quanah from 1930 to 1934. From 1934 to 1938, he was associated with the firm of Roeser & Pendleton in Albany which is engaged in oil production.

Survivors others than the widow are: Two sons, Wally of Alpine and Bruce of Girvin; one daughter, Mrs. Charles Young of Girvin; the parents Mr. and Mrs. James W. George of Albany; four brothers, Donald with the United States Navy, Alfred of Albany, Cecil of Houston, and Bill of Victoria; two sisters, Mrs. J. H. Stuart of Strawn and Mrs. Jack Farmer of Albany.

Funeral services were held Monday from the First Christian Church in McCamey.

**OZONAN PROMOTED**  
KERRVILLE. — Fifty-one cadets in the Schreiner Institute have received promotions in the non-commissioned ranks, according to Col. Raymond Orr, PMS&T at Schreiner. Among the group promoted to the rank of sergeant was C. W. Kelly of Ozona.

## Child Suffered Head Injury in Hallowe'en Fall from Moving Truck

Ann Ratliff, daughter of Mr. and Mrs. Vernon Ratliff, suffered a head injury when she fell from a truck being used to tour a group of Junior High School students on a spooking round of the town as part of a Hallowe'en party feature Tuesday night. She was under observation yesterday at the Ozona hospital but her injuries are not thought to be serious.

Kay Simmons, another girl in the group, fell from the truck at the same time but suffered only slight bruises. The accident was the only one reported during the Hallowe'en revelry. There were few reports of vandalism, and aside from some litter on the streets Wednesday morning and maybe some tummy aches from too many "treats" in lieu of "tricks," the evening passed without damage. Many youngsters were entertained at parties during the evening and spooks made the usual round of homes with their "trick or treat" blackmail.

## Dallas Operator To Drill Deep Test In Crockett

### 7,500-Foot Tets on Noelke Livestock Co. Acreage

A deep Ellenburger wildcat has been scheduled in Crockett county. It is the C. L. Norsworthy, Jr., of Dallas No. 1 Mrs. Elizabeth Mitcham, slated to drill to 9,000 feet with rotary, with the operation to begin immediately.

Pure Oil Company gave Norsworthy a farm-out on the southwest and northeast quarters of section 8. Stanolind Oil and Gas Company and Gulf Oil Corporation are supporting the test.

Location is 660 feet from the south and west lines of section 8-AB-GC&SF. It is eight miles east and slightly north of the Midway Lane field, six miles southwest of Block 39 field and four miles west of the Childress field, all of which produce from the Ellenburger.

Magnolia No. 1 Addie Clayton, slated 9,000-foot rotary wildcat 11 miles northeast of Ozona, was drilling at 5,380 feet in lime and shale.

Humble No. 1 - D Alma Cox, Crockett county wildcat, was coring at 7,790 feet in lime. Thus far, this test has shown only a slight amount of gas in the Ellenburger.

## Annual Powder Bowl Game Produces One Casualty - A Broken Heel - As Freshmen Win First Girls' Classic by One-Point Margin

They called it the Powder Bowl game, a powder puff classic, that girls' football game between the Freshman-Sophomore and the Juniors-Seniors Tuesday night. But somebody must have been wearing high heels on the Freshman team because one upperclass lineman, Kay Kirby, suffered a fractured heel bone during the game. The injury was revealed by x-rays Wednesday morning.

But otherwise it was a ladylike affair, save, perhaps for a few hairs snatched from the heads of the officials, Coaches Jack Harris and Doug McDonald and Principal John Skinner, when the girls objected to their decisions.

The score — oh yes, the Freshmen-Sophs squeaked out a 1-point victory, 14 to 13, after making two tries and overcoming a 15-yard penalty in the last seconds of the game to send Jeanene Thompson, fleet Freshman back, around end for that deciding extra point.

It took the Freshmen all of the first quarter and a part of the second to work the ball down field for their first touchdown after receiving the Senior kickoff. It was Jeanene most of the way, making the TD and extra point. When the upperclassmen got the ball on the kickoff after TD, it was shorter work. Bettye Maness, captain and sparkplug of the u. c., darted 60 yards through the oppo-

## Exes Throng City For Second Annual Homecoming Sat.

### Program, Barbecue, Queen Crowning, Pa- rade Are Features

It was "exes' day" in Ozona last Saturday as the city joined the schools in an all-out celebration of the second annual Homecoming of the Ozona Public Schools. Beginning with registration in the High School auditorium at 9 o'clock, the day's activities progressed to a welcoming program and Homecoming queen crowning in the auditorium. With Lem Bray, high school principal and acting superintendent, as master of ceremonies, the oldest teachers and exes were introduced and given corsages, and class groups were recognized. Mrs. W. E. West of San Angelo, oldest graduate, Mrs. W. P. Seahorn, Frank Friend and Jim Patrick were among the earliest students, and Mrs. Nora Bailey Gee of San Angelo, Mrs. Charles Williams and Mrs. Paul Hallecomb of Ozona were the earliest teachers.

In a pretty ceremony, June Perner, daughter of Mr. and Mrs. Stephen Perner, was crowned 1950 Homecoming Queen, Joan Holt, daughter of Mr. and Mrs. Jack Holt, and 1949 Homecoming Queen passing the diadem to the new queen.

The queen's duchesses were Kay Kirby, Darrene Thompson, Ruth Sparks and Elva Vitela. Escorting the queen was Bill Schneemann and the duchesses escorts were Alton Smith, Tom Piner, Kenneth Parker and Andres Vela.

The Ozona Lions Club served all comers, visitors and homefolk, with a delicious barbecue dinner in the park at noon and at 2 o'clock the Homecoming parade, marshalled by J. A. Pelto and the Crockett County Sheriff's Posse, wound through crowded downtown streets. Many gaily decked floats and five snappy marching bands from Ozona and surrounding schools, plus mounted possemen made up a colorful parade.

The Sophomore float, depicting the stages of school life from Frisky Freshmen to Frustrated Seniors, won first prize in the parade. Second place went to the Brownies, No. 5, float and third to the class of 1936. The Reagan County High School band from Big Lake won first place in marching.

The day's activities wound up with a well-attended dance at the new Ozona Country Club at the north edge of town.

position for a score after receiving the kick. Bettye skirted end for the point. The half ended 7 all, and after a halftime demonstration by the Buzzard Band, directed by June Perner, and crowning of Jimmy McMullan as "Football King," the battle resumed.

The Seniors took the lead in the third period when Lois McDade galloped 32 yards on an end-around play for a touchdown. Maness failed to make the point through the line and that was the undoing of the upperclassmen.

Thompson was at 'em again in the final frame and after she and her teammates had worked the ball down to the one, she darted through for the counter. Then, with the game near its end, Jeanene again was over for the extra point, but the officials ruled holding and stacked on a 15-yard penalty. Time for one play and Jeanene was off again around the end. The Seniors failed to take advantage of the official "lift" and Thompson was over with the winning point.

Helen Walker rushed in at timeout periods with "refreshments" for the girl footballers — powder puffs and make-up mirrors — after which the brutal struggle resumed. It was all a benefit for the Senior Class and a big crowd bowled approval of the entire show

**EAST GERMAN STUDENTS SEEK REFUGE IN WEST BERLIN** . . . Twenty-five boys and girls, representing an entire class at the Einstein high school in Potsdam, have been granted refuge in West Berlin. The class fled to West Berlin to escape arrest because of their resistance to the Communist school administration. The youngsters complained the teachers were ignoring usual studies and concentrating on political indoctrination and compulsory sports. The Red officials ordered the school closed and reprisals after the students distributed pamphlets attacking the puppet regime. Two of the class were seized but the rest managed to escape.

**REGULAR MEETINGS METHODIST CHURCH**

**Sundays:**  
9:45 a.m. - Church School for all ages.  
11:00 a.m. - Morning Worship with Sermon.

**State Health Dept. Scientists 'Thrilled' By Gift of Dead Fleas**

AUSTIN. — You wouldn't ordinarily consider a boxful of dead fleas as very much of a gift. But entomological workers — specialists who study insects that spread disease—at the Texas State Department of Health, recently were "thrilled" by a gift of Pa-

cific Northwest fleas from Dr. C. Andresen Hubbard, formerly head of the Biology Department at Pacific University in Oregon. He has made similar gifts, collected during a lifetime of studying disease spreaders, to 20 of the world's outstanding institutions in biological sciences.

State Health Officer Geo. W. Cox, acknowledging the gift, said it was something of a compliment to be classed as a leader in biological studies along with the British Museum, Canada's National Museum, Brazil's Escola Nacional de Agronomia, the Parasitological Laboratory in Sevastopol, Russia, Pakistan's Malaria Institute, the American Museum of Natural History in New York and "many others of equal importance."

The Texas Health Department was the only health agency in the nation to benefit from the presentation. Its diseases vector is reputedly one of the finest in the world. Dr. Cox says the entire assortment, including ticks and mites as well as fleas, is open to study by graduate and advanced undergraduate students in Texas colleges and universities.

Departmental entomological studies are described by Dr. Cox as

a "determination of the types of insects of medical importance in the state, their seasonal abundance and the way they can best be controlled."

Department entomologists conducted a two year investigation of typhus fever in Lavaca county, 1944-46. Step by step they worked out the process by which fleas spread typhus from human beings.

In 1949, they finished a study which showed bubonic plague, the Black Death of the Middle Ages — was infecting wild birds in four South Plains counties, West Texas.

"Our entomologists are the best detectives," Dr. Cox says. "They hunt for the fleas and mites and then run down insect carriers."

Want a ride that's "out of this world"?

**Better Buy Buick!**

Want to be free from that nervous tensing up for a jolt every time a rough spot looms in the road ahead?

Want to enjoy the relaxing feel of a sure-footed car beneath you, that stays level even when the road doesn't?

Well, sir, ease into a Buick and see how such matters are cared for.

See what a wonderful difference in level buoyancy coil springs can make when you have them on all four wheels, not just the front ones.

Note what firm and solid steadiness is yours when a full-length torque-tube drive is your keel—how smoothly you stay on course when the rear wheels can't help but run true.

See what big, low-pressure tires and Buick's wide rims can do to pillow your course without jounce or sway.

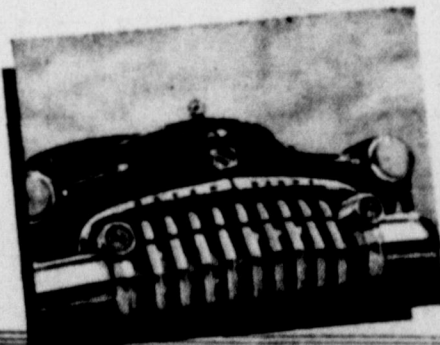

In other words, sample this two-

ton beauty for over-all stance and balance—and the cradling comfort of its roomy interiors.

And while you're at it, get the very special thrill of its mighty Fireball power plant, plus the free-as-a-bird-in-flight bliss of its Dynaflo Drive.\*

It's an experience that you owe yourself—and it's yours for the asking. The thing to do is get in touch with your Buick dealer—and discover the ride that only Buick owners know.

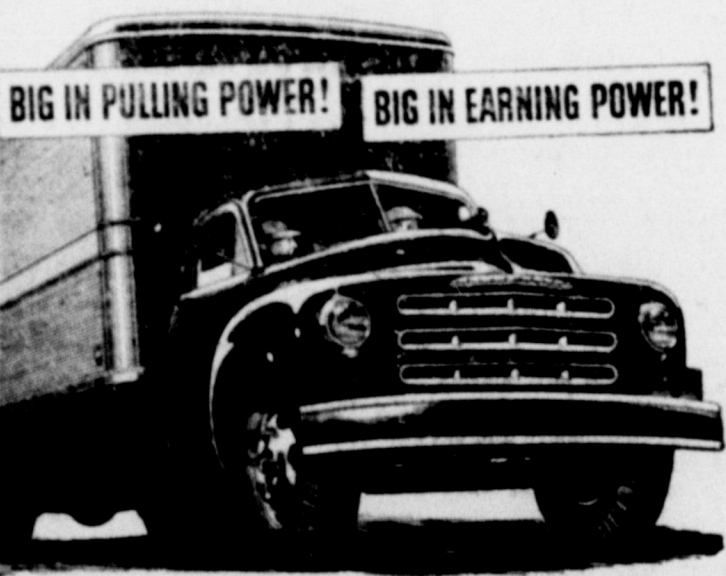

\*Standard on ROADMASTER, optional on extra cost on SUPER and SPECIAL models.

**FOUR-WAY FOREFRONT**—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Public Schools stage successful Homecoming. was perfect, a good present, and the com-all on the job. It was to see how well the could make a coro- playing their parts and poise. Something and bands march- ple get lumps in their a few brief hours, who gain for many who dents in the past. And few misty eyes, for every homecoming is knowledge that one can go home again. At this world. took me back to Ten- visit to his boyhood been away for fifty with the greatest dif- found the old sites, roads had changed, had long since crossed ver; everything was new. I felt sorry for he was sorry that he Maybe it would have for him just to keep as they were in his man and I attended a at Sul Ross College here I was a student few years ago. Most of the ew were gone. Only a lass found their ways the corners of the coun- was full of buildings seen before. Somehow, the new things, I would ed to see it just as it But life changes, and oe. It is sad but true, Thomas Wolfe said, Go Home Again." best that way. Some- abt of an unborn babe about the world out- old shrink back from

leaving his safe nest. But life gives him a push. Most of us delay our childhood as long as we can, — sometimes too long. "Backward, turn backward, O Time in your flight; make me a child again, just for tonight." But life says to us, "Get along, little dogie, get along!" Many of us try to cling to our youth. But it's no use. Comes the day, when a man's years fly faster than the weaver's shuttle. We draw back in fear from the icy blast of old age, only to find time marches on and waits for no man. On the very brink of the Unknown, we try to push back the Last Adventure for a little while. But God gives us a little nudge, and over we go. However we may try, we can't double back on the trail. We can't call yesterday back. We can't go home again. Because, home isn't there any more; and we are not the same anymore. Experiences change us, too. I like the way Riley puts it: There, little girl, don't cry! They have broken your doll, I know; And your tea-set blue; and your playhouse, too. Are things of the long ago. But childish troubles will soon pass by, — There, little girl, don't cry! There, little girl, don't cry! They have broken your slate, I know; And the glad, wild ways of your schoolgirl days Are things of the long ago; But life and love will soon pass by — There, little girl, don't cry! There, little girl, don't cry! They have broken your heart, I know; And the rainbow gleams of your youthful dreams Are things of the long ago; But heaven holds all for which you sigh — There, little girl, don't cry! I had an old friend who was so crippled by arthritis that he spent his days in a wheel chair in the home of relatives. One day, with a far away look in his blue pain-

wracked eyes, he said, "I am ready to go. I have outlived my loved ones. One by one, like winter leaves my friends have fallen. There is only a silence and a void where life used to be. I have more to live for now on the other side." Before I left he gave me a poem he had found: To me, heaven is a place where I Shall find all things sought here in vain, Made new, yet kin to things of earth, As rainbows are akin to rain. Our pioneer mothers and fathers, gathered at some brush arbor, used to lift their voices and sing, "There is a land of pure delights, where saints immortal reign; infinite day dispels the night, and pleasures banish pain." So at long last, we who live in a world of ceaseless change, where yesterday is gone forever and tomorrow is only a hope, find the eternal Home for which the soul is hungry. Reports Heard at Business Meeting of Methodist W. S. C. S. Reports of delegates to the annual meeting in Austin and various committee heads were heard when members of the W.S.C.S. of the Methodist Church met for luncheon and monthly business meeting in the Social Hall Wednesday. The group was entertained by the Girls Sextet of the Ozona High School choral group, singing three numbers. Members of the sextet are Darrene and Jeanene Thompson, Wanda Carden, Marian Mock, Lois McDade and Pat Hickman. Helen Walker accompanied the singers. Mrs. N. W. Graham, chairman of status of women, gave a short history of the woman's suffrage movement and stressed the need of keeping informed in order to vote intelligently. Reports of the annual meeting of the WSCS in Austin were given by Mrs. Charles Williams, delegate, Mrs. H. B. Tandy, president,

and Miss Ruth Sutherland. A resume of work of the World Federation of Methodist Women was given by Mrs. Joe Clayton, vice president. Four million women around the world make up this federation, Mrs. Clayton said. Announcement was made of a district conference to be held in Del Rio Nov. 7 and 8. A report of the Executive Board meeting was given by Mrs. Bill Cooper, secretary. Among recommendations adopted were those to support the proposed Planned Parenthood organization sponsored here by the Woman's Forum; to observe Human Rights day, and to support the Walking Blood Bank to be

sponsored by the Rotary Club. Report were given by Mrs. M. E. Flowers from the City Mission Board, and by the treasurer, Mrs. B. B. Ingham. Mrs. Ingham reported the week of prayer offering \$109.76, largest in the society's history. Next regular program meeting of the Society will be held at the Community Center on Wednesday Nov. 15, with Miss Ruth Sutherland and Miss Beulah Morton, deaconesses, directing. A kindergarten shower for the Community Center will be held in connection with the meeting in observance of annual Harvest Day.

Others present were Meses Joe Pierce, Charles Williams, Jr., Abe Caruthers, D. B. Pettit, Ted White, T. A. Kincaid, Jr., L. E. Cox, Jr., Troy Hickman, W.T. Stokes, Paul Perner and Meses Beulah Morton and Wanda Watson. Circles of the society will meet next Wednesday morning in separate sessions, the Willing Workers Circle with Mrs. Abe Caruthers, the Sunshine Circle with Mrs. W. R. Baggett and the Jennie King Circle with Mrs. W. E. Friend Jr. Remington adding machines at the Stockman office.

**Women Everywhere like**  
**Electric Cooking**  
because it's **CLEANER**  
... COOLER and SAFER!

*Some day you will COOK ELECTRICALLY why not NOW?*

Here are a few of the reasons women prefer Electric Cooking

- 1. Fast! Electric "speed units" now cook faster than any other method!
- 2. Automatic! Electric cooking's automatic features save you time, labor and money!
- 3. Cool! Electric ovens are insulated on 5 sides. Heat goes into food and not into the kitchen.
- 4. Safe! No matches, no flame, no fumes, no fire hazards into your kitchen!
- 5. Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.
- 6. Economical! Low-cost electric rates and water cooking bring operating costs way down.
- 7. Labor Saving! Automatic features save you work, free you from much kitchen chagrin.
- 8. Modern! Once you cook electrically, you'll wonder why you stayed so long with the old-and-buggy methods as old-fashioned stoves.
- 9. Convenient! Designed for modern kitchens, the special features of Electric Ranges add extra conveniences for you!

**It's the Best!**  
**West Texas Utilities Company**

The clean flameless heat that comes from an electric coil frees you from the grimy soot... and dangerous fumes usually caused by old-fashioned flame methods of cooking. The flameless heat of an electric range will keep your kitchen bright and fresher longer with a minimum of repainting and upkeep... and pots and pans will stay shiny bright, too! The modern electric range is not just a better range—it's a better method of cooking!

**THERE'S A NEW ELECTRIC RANGE FOR YOU**  
**See your Electric Range Dealer TODAY!**

He will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economies that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

**Sign right here**

**and you start one of the safest, easiest savings plans in the world!**

It's as easy as filling out this form. In fact, that's all you do to start yourself on the way to financial security—through the Payroll Savings Plan that automatically buys you U.S. Savings Bonds! A small sum, saved systematically, does the trick. If you can set aside only \$3.75 a week, in 5 years you will have bonds and interest worth \$1,004.20; in 10 years, \$2,163.45! Sign up today, where you work!

**Bonds are like dollars—only better**

It's better to keep your bonds, but if you must convert one, any Series E United States Savings Bond you've had 60 days or more will be cashed for you by any bank or other financial institution which is an authorized paying agent. What's more, if you should lose or accidentally destroy a bond, your money is still safe. Because the Treasury will replace the bond free of charge. Make part of the money you work for really work for you. Begin your bond-buying savings plan—now!

**For your security, and your country's too, SAVE NOW—through systematic investment in U. S. Savings Bonds**

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, FOWNS, COOK & BAZZANO and

# THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL.

## Sophs Have First Prize Float in Homecoming Parade

Bands, music, vivid colors, applauding and laughter composed the scene of the 1950 Homecoming Parade, which was held on Saturday at 2 p.m.

The parade was led by four girls on horseback carrying the colors, including the U. N. flag which was carried for the first time.

The "Royalty of the Day" rode in gaily decorated convertibles with their pale colored dresses presenting a beautiful picture.

From the many gaily decorated floats that showed lots of time and hard work, the Sophomores' was awarded first prize. Their float revealed some good acting on the part of the sophomores, as well as a clever idea and a well carried out theme. They portrayed the different classes in school as the Frisky Freshmen, the Serious Minded Sophomores, the Money-Minded Juniors and the Frustrated Seniors.

The float that claimed second prize was that of the Brownie Troop 5, sponsored by Mrs. Joe T. Davidson.

Third prize winner was a float sponsored by the class of '36.

A float that got lots of laughs was the one sponsored by the OHS shop boys which demonstrated how to build, or rather how not to build, a house. Graham Childress seemed to be in quite a predicament sitting way up on the end of a rafter which he was sawing in two. If the parade had lasted much longer, it's likely that Graham would have found himself sitting in the middle of the street.

Plenty of good music was provided for the occasion by the OHS Band and several visiting high school bands including Rankin, Reagan County, Iraan and Sanderson Bands which marched in the parade.

Last but not least was the Sheriff's Posse, which seemed to be composed of all ages. They ranged from three years old on up. One of the real Old Timers was Mr. John Bailey, who got a round of applause from Ozona citizens.

### EDITORIAL A School Paper By Pat Hickman

"What about a school paper of our own" is a question that seems to be circulating around OHS halls lately. The question has been brought up earlier in the year, both in the paper and around school but we're just now beginning to really work on the idea.

Many other surrounding schools which are much smaller than ours, have school papers of their own, and I mean really good school papers, that any school would be proud to have.

Many of the students have said that they would be willing to help if we had our own school paper, and some organizations have said that they would back it up.

Now maybe you are thinking, "Well, what are we waiting for, let's have a school paper right away." "Why doesn't someone get to work on it?" Well, that's just it, there is no one to work on it. A school paper is a big job and it just can't be done with the few people we have now. Now, if you're wondering what you can do about it, all you have to do is walk up the hall on first floor any Tuesday or Thursday after school, and when you come to room 120, make a right turn and you will be very graciously accepted as a member of the Press Club.

Now to answer the question, "What are we waiting on?" We are waiting on YOU. DO YOU WANT A SCHOOL PAPER?

## MEET THE TEAM — Billy West Counted For Power Next Year

Girls, you'll have to be something extra-special to make this OHS athlete take notice. "Willie" West simply isn't interested. One of the hardest playing, will-to-win members of the Lions' squad, West fills the position of second string fullback in his first year of high school football. Outstanding performance is expected from him in the next two years.

Billy West is a typical teenage high school boy. He stands five feet ten inches tall in his bare feet and his bathroom scales tell him he weighs 145 pounds. A sixteen-year-old sophomore, he likes all kinds of sports, western music, and he confesses that his main reason for going to the picture show is the comedies.

When asked to name his favorite subject, Billy grimaced and replied that he disliked English less than most of his classes although Spanish could hardly be endured.

A forecast from him on the game with Eldorado Friday night was a very definite "Yeah!" when he was asked if the Lions were sure to win.

## Debaters Selected For Season Contests

Members for the Forensics Club have been chosen. Three teams of two each are included in this group. Jeanene Thompson, Jane Adams, Wayne Kuykendall, Scott Hickman, Wanda Carden and Lois McDale have begun work on the state version of the national debate subject, that social welfare benefits to the people should be extended by the federal government.

A series of tournaments have been scheduled for these people. The first one will be in Denton on December 7, 8 and 9.

## "Ayer" - Yesterday Winning Name for 1950 Annual; By B. Maness

The annual staff announced that Bettye Maness, an OHS senior, has submitted the winning entry in the yearbook naming contest. In selecting the title, the staff kept in mind these qualifications: the name must be appropriate for a book that is a record of a school year, the section of the country, and its surroundings and definitely original.

A Spanish name meaning yesterday was chosen. "Ayer" will take the place of the old name.

Bettye will receive a free annual as a prize.

## AT THE MOVIES

"The Gunfighter," is a western that exposes a new angle as Gregory Peck plays the part of a tough hombre who decides to turn good when it's already too late. Peck is forced to kill a young tough in self defense and in return has a price placed on his head. He then wanders from town to town trying to stay out of trouble, which makes for an exciting story.

"Treasure Island." In this story Walt Disney sets a new record by producing their first all live action movie. Robert Louis Stevenson's exciting book which has been read by most of us is produced in Technicolor. The voyage to the island, the mutiny, the fights ashore and aboard ship, keep the movie rapidly moving to where there is never a dull moment. Young Bobby Driscoll, academy award winner in 1949, plays the leading role.

In "Stella," Ann Sheridan plays the part of a charming girl who has quite a problem with handsome Victor Mature (some problem). It seems that he's after her or maybe she's after him, but anyway it's a merry chase worth seeing. It seems that Ann is trying to dig up the body of a deceased relative in order to collect insurance.

"King Solomon's Mines," is a real adventure story filmed in Africa. It seems that Debora Kerr is leading an expedition into Africa looking for her long lost husband, who was lost while searching for King Solomon's mines. A gun fight with a white renegade, a native uprising, and a cave in at the diamond mine, help to compose the adventure in the story while Stewart Granger, as the guide, adds a bit of romance.

## FASHION SHOW NOV. 13

A school assembly program has been scheduled for November 13. Fashion wise home economic girls will model clothing projects. Contestants in the wool contest plan to give a first showing of their garments before entering them in San Angelo the next day.

## Old Friends Reunited For Homecoming; Mrs. West Oldest Grad

"Well, hello there," "I haven't seen you since you were knee high!" and "I just can't remember your married name," seemed to be the gist of conversation Saturday morning at nine-thirty in the High School Auditorium where registration began for the 1950 Ozona Homecoming.

From the crowd of ex-teachers and students present, it was found that Mrs. Nora Bailey Gee and

Mrs. Paul Hallecomb were the earliest teachers. They had taught in Ozona schools in 1905. Mrs. Chas. Williams, Sr., was another early day teacher who taught in Ozona in 1913 and has been living here ever since.

Of the ex-students it was found that there were two present from the 1950 class, one from the class of 1940, four from the class of 1920, four from the class of 1910, twelve from the class of 1900 and six from the class of 1895.

Three of the students of Ozona High, when it was organized in

1891, were present. Mrs. W. E. West, Mrs. Horn and Mr. Frank West, who had the honor of being awarded the first diploma in the OHS, were present.

FOR SALE — 2400 sq. ft. lot. Be moved. Almost new house. Hester.

### METHODIST PLAN DEBT LIFTING DRIVE

A steering committee, called to meet by the campaign director, Scott Peters, met last Sunday night to plan a drive to retire the debt of \$60,000 on the new Methodist Church building. The committee includes, Mr. Peters, Bascomb Cox, Joe Clayton, Brock Jones, Ted White and the Pastor. The campaign dates are as follows: Meetings of the workers' committee on November 8th and 15th; campaign date, November 20 to 25th. The workers' committee will include 20 persons, whose names will be announced later. All checks will be conditional on the securing of the entire sum of the debt, and will be payable at any time in late 1950 or early 1951. The campaign slogan is "All or None by Fifty-One."

### G. A. CHAPTER MEETING

The weekly meeting of the Grayson Tension G. A. Chapter of the First Baptist Church was called to order by Tylene Maddoux, president. Gayle Cunningham led the opening prayer and the program, from "World Comrades," was directed by Beverly Moore as program chairman. Parts were given by Nancy Perdue and Jacqueline Williams. "The Bible on the Table," a short story, was read by Mrs. Tension. Sentence prayers by the 13 present concluded the program. Refreshments were served by Nancy Perdue at the Ozona Drug.

### "A JOB FOR BOB"

"A Job for Bob" is the title of a thirty-minute sound motion picture to be shown at the Methodist Church this Sunday night as a part of the regular service which begins at 7 o'clock. This modern picture tells the story of an experience which is familiar to young men.

Mr. and Mrs. Massie West and daughter, Ann, and son-in-law and daughter, Mr. and Mrs. Bit Terry of Colorado City, and Bob and David, were week-end visitors in Ozona, attending the homecoming.

HAVE BUNDLED Hygera for sale at 12½ cents per bundle. Also threshed maize at \$1.65 per hundred. Newell Morris, Sheffield, Texas. 30-2p

Mr. and Mrs. Henry Patrick and son, Donny, were here from Pecos to visit Mr. Patrick's parents, Mr. and Mrs. Joe Patrick, and attend the homecoming over the week-end.

The Rev. Fred J. Brucks, Superintendent of the San Angelo Methodist District, will preach at the Ozona Methodist Church this Sunday morning, November 5. Following the service, the congregation will have a covered dish luncheon. The First Quarterly Conference will be held at 1:30 o'clock p.m. and the Board of Stewards will meet at 3 o'clock p.m.

# RANCH RECORDS

Are More Important  
Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

### 148 Ozona School Exes Register for Homecoming Program

Unfortunately all who were in town for the celebration did not register, but the register of ex-students of Ozona public school system contained 148 names after the Saturday morning registration in the high school auditorium on the occasion of Ozona's second annual Homecoming Saturday.

Exes registered their present names, former names, address and class year in a handsome register presented the schools for the occasion by Mrs. Max Schneemann, president of the Ex-Student Association, and Mr. Schneemann. In a meeting Saturday afternoon, a group of exes voted to stage another homecoming next year.

The register of ex-students contained names of 49 visiting exes, former Ozona school students who are living elsewhere. The rest are still Ozona residents.

The out-of-town list includes the following: Mrs. Sam Fowler, (Margaret Drake) Floydada; Mrs. Ralph Hill (Clara Patrick and Roxie Hill, San Antonio; Mrs. Martin Baze, (Alberta Kay, Fort Stockton; Haskell Leath, Alpine; Mrs. Roy L. Peters (Anis Mae Brock), Pecos; Louise Sweat, (Arledge) Del Rio; Scoot and Barte Smith, Van Horn; Mrs. C. D. Allen (Mary Perner) San Angelo; Mrs. Harold Johnson, (Marvel Morris) Hunt; Mrs. Joe Teague, (Bettie Lou Coates) Slaton; Mrs. A. F. Fincher, (Elsey Smith) Sherman; Bess Russell Richardson, Victoria; Louise Boyd Powell and Elmon Powell, Fort Stockton; Mrs. Nora Bailey Gee, San Angelo; Mrs. Cy Posey, (Annette Stricklen) Fort Stockton; Max Schneemann, Jr., Rankin; Mrs. A. P. Ligon, (Buth Holmsley) Port Arthur; Clayton Puckett, Fort Stockton; Mrs. Floy Friend Hume, San Angelo; Frank Friend, San Angelo; Robert Currie, Midland; Otho Adams, Fort Stockton; Walter Dudley, Sheffield; Mrs. M. R. Smith (O'Leita Blackwell) Pecos; M. R. Smith, Pecos; Carlton Smith, Alpine; Lee Dudley, Sanderson; Mrs. Billy Stewardson (Kathleen Buck) Fort Stockton; Janell Parr, Fort Stockton; Mrs. A. F. Joslin (Knickerbocker) Bakersfield; L. B. T. Sikes, Calvert; Mrs. Maurice Black (Claphie Cooke) Iraan; Billy Oden, San Antonio; Ann West, San Angelo; Mrs. S. L. Terry (Joyce West) Colorado City; Bart Westfall, Barnhart; Daphne Meinecke Dockery, Santa Anna; Henry Patrick, Pecos; Mrs. Sherwood Story, (Cristell Brook) East Vaughn, N. M.; Mrs. Jack Baggett (Billie Gene Linthicum) Big Lake; Jack Baggett, Big Lake; Mrs. Massie West (Rebekah Baggett) San Angelo; Ele B. Baggett, Lufkin; Mrs. Max M. Wilson (Helen Mayes) Pecos.

### Wallace Dameron, Supt Ranch Experiment Station, Dies of Heart Attack

Funeral services for Wallace H. Dameron, 54, superintendent of the Ranch Experiment Station who died Thursday afternoon, were held Saturday morning at 10 o'clock at the Methodist Church in Sonora. The Rev. W. H. Marshall officiated. Interment was in the Eldorado Cemetery.

Dameron died suddenly at 5:15 o'clock Thursday afternoon as he was walking between the Experiment Station office and the shop. Cause of death was given as a heart attack.

Survivors include the widow, a daughter, Miss Marjory Ann Dameron, a teacher in the Victoria schools, the father, Z. C. Dameron of Pandale, two brothers, Z. C. Jr., of Pecos and Jacob of Van Horn; four sisters, Mrs. Guy Hartgrave of Mertzon, Mrs. Marvin Ellis of Del Rio, Mrs. Henry Mills of Del Rio and Mrs. Hamp Carter of Mertzon. Mrs. Z. C. Dameron, Sr., died January 5, 1949.

Dameron was considered one of the foremost authorities on sheep and goats in the Southwest. He was always in demand as a judge of sheep shows. He had judged at the Houston, Fort Worth, San Angelo and Brownwood shows and at the State Fair at Dallas. He had also judged the classes of the San Angelo Sheep Show and Sale in past years.

The judging chores came in addition to his duties as superintendent of the Ranch Experiment Station, located 28 miles southeast of Sonora on the Rockspings Highway. His job was one that combined the responsibilities of a large scale ranchman, city official, agricultural scientist and public speaker.

Dameron would have been superintendent of the station 22 years next January 7.

He took over the operation of

the station Jan. 1, 1928 and since that date facilities have more than doubled. The station's work on experiments has brought it a rapidly growing reputation among the sheepmen of the Southwest.

Mrs. Tom Gilbert of Ozona is visiting her daughters, Mrs. John Williams and Mrs. Alice Ross in Dryden this week.

### G. A. Girls Turn Goblins and Spooks at Party Monday Night

The Clifton Tension home was the scene of a convocation of goblins and spooks Monday night when the Grayson Tension G. A. Chapter girls sponsored by Mrs. H. W. Maddoux and Mrs. Tension met for a gay evening of spooking and fun.

Several games were enjoyed after which the spooks were dispatched on a scavenger hunt. Two

of the teams tied in the contest and all groups were sent to bring in a sad iron. All found this item extinct except Tylene Maddoux of the Tension group, who discovered one at Mrs. Sapp's home.

A ghost made of white paper its face illuminated by a dim light, cast an eerie glow over the proceedings as the girls enjoyed delicious cookies and witch's brew for refreshments. Twenty were present.

The Rev. Floyd Carl, Executive of the Southwest Texas Methodist

Interboard Council, addressed last Sunday night at the Ozona Methodist Church. Our Protestant Heritage, Rev. and Mrs. Carl were guests of the Rev. and Mrs. Tom

For the REST of your Bluebonnet Red... on beautiful Lake... All electric... Closed Dec. 15 -... Buchanan Dam, Tex.

### Here's another kind of ALL-AMERICAN TEAM

This is the team that has produced the finest scoring combination of courtesy, efficiency, and public service to be found anywhere in the world today.

Here is teamwork that is at its best in emergencies while never allowing itself to slip during normal activity.

This is the All-American telephone team of men and women who work ceaselessly to maintain American telephone service at its peak of efficiency.

... but Compounding Prescriptions is a FULL-TIME Occupation

There's an old adage which asserts that you can't successfully do two things at once. We believe that's likely to be doubly true if one of those occupations is the compounding of prescriptions. So we see to it that our skilled Registered Pharmacists give their full time and attention to the important work for which they are specially trained. And as a further precaution, each step in compounding is double-checked, to avoid any possibility of error. So, why not try us the next time?

### OZONA DRUG

Gordon Aikman, Owner and Pharmacist

NEW faster service anywhere in U.S.  
Exclusive rapid road service for GMC owners—call Western Union Operator 25 for name of nearest GMC approved service

## SURE SIGN of a SMART TRUCKER!

When you see this gleaming GMC emblem on a rugged new truck, you know its owner is sitting pretty for years to come. For GMC's have a time-established reputation for long service with low maintenance cost—and with minimum down time for repairs.

That's because every GMC is a real truck—truck-built by the world's largest exclusive manufacturers of commercial vehicles. Every unit of every GMC, from grille to tail gate, is engineered for trucking service!

To find quick proof of this, just compare a GMC with any other truck before you buy. Compare engine, frame, transmission; compare cab, axles and springs—see how much extra value you get.

Or count how many new GMC's you see on the road—far more today than ever before. Then see your GMC dealer and let him give you the inside story that explains why so many cost-wise operators are switching to GMC's because experience proves them best in the long haul!

Get a real truck!

LIGHT - MEDIUM - HEAVY MODELS - Made in widest variety of engine-body-chassis combinations to fit every trucking need

your key to greater hauling profits
