Soil Conservation

(Continued from Page One)

can tell you that it is not true. It is an entirely voluntary matter and a strictly democratic organization. It doesn't cost you anything and you will get a great deal of good out of it. I think you will be missing a great deal if you fail to organize."

Sayers Farmer of Junction, president of the TS&GRA, spoke on the value of conserving the

range lands of this area and urged Crockett County ranchmen to think seriously about forming a district for the technical help available through it on demand for lasting benefit to the industry in this county. "It is your county and your land, to use and abuse and ultimately lose in some cases," Mr. Farmer concluded. "But the land actually belongs to those who come after you. Use it wisely and pass it on to posterity in as good condition as you found it."

Dooley Dawson, soil conservationist employed by the Second National Bank of Houston as a service to agriculture of the state, gave the group some revealing figures on the standing of agriculture in Texas as compared with other states, on a per acre production basis. Mr. Dawson explained the interest of business and industry in the success of agriculture, pointing out that people of urban areas were the first to feel a decline in agricultural production. Texas, he pointed out, is a leading producer of many farm products but compared to other states in per acre production this state ranks in the high forties in standing among the 48 states. Making better use of the land then is the duty of every operator of a ranch or farm, and the concern of business and industry, he said.

An area equal to 22 Texas counties has been lost to agricultural production through erosion and abuse in this state, Mr. Dawson declared, and in the last war eight

midwestern states produced three-fourths of the food and fiber that was needed to prosecute a successful war. "Can those eight states do it again, alone?" he asked.

Paul Walser of Temple, state conservationist with the Soil Conservation Service, U.S. Department of Agriculture, also pointed to the decline of productivity of Texas farm and ranch lands, citing the encroachment of cedar, mesquite, bitterweed and other noxious plants in this ranching area. He pointed to efforts of the Soil Conservation Service, the state Soil Conservation Board and districts to assist farmers and ranchmen in meeting these problems.

Steps in the organization of a district were outlined by Mr. Walser, beginning with the petition to the state board for an election, a public hearing on the question; the election itself, wherein a 2/3 majority is required for organization; the zoning or division of the district into five divisions, and the election of a supervisor from among land owning ranchmen from each of the divisions to make up the governing board of supervisors, elected by operators in the district. After this organization is completed, the district prepares its program and plan of work and the Soil Conservation Service will assign a work unit and a soil conservationist to work with the district in carrying out any program that cooperators may desire. Cooperation is strictly on a voluntary basis and use of the district's facilities available only at the request of the operator.

Mr. and Mrs. J. M. Baggett are visiting in Austin this week with their daughters, Mrs. Jerry Pace and Mrs. Hiram Brown and families.

That's what we said -

PRICED LIKE A SIX!

PARDON us if we appear persistent on one point. But we still find people who look over this new Buick SPECIAL, admire its style, its room, its handy but impressive size, and say: "It's wonderful! Too bad it's too rich for my blood!"

That's our point—*How do you know?*

Have you gone to see this car—and learn how very much there is in it?

Have you got the actual delivered price figures—including the equipment you want—and matched them against others?

Have you worked out down payment, trade-in, monthly installments? Have you weighed this against the longer period of years you'll be happier with this Buick—and Buick's established high level of resale values?

Some surprising things show up when you do this. You find you can raise your standard of car travel—step up to Buick levels of style, comfort, handling, ride, power—more easily than you think. You may even discover you can start enjoying the velvety luxury of Dynaflo Drive* right now instead of waiting until this revolutionary

new principle spreads to others, as it's sure to do!

That's why we keep pointing out—this wonderful valve-in-head straight-eight, with all its standout looks and qualities, is priced like a six! Actually lower than many.

So do something about it, will you? Take a sharp pencil, see your Buick dealer, replace guesses with facts—and we think you'll see the light and place that order!

TEN-STRIKE!
Only Buick SPECIAL has all these Features!

TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLO DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL ENGINE • CON SPRING-VISIBILITY FOLD AND AFT • SELF-LOCKING TIRES ON SAFETY-RIDE RIMS • GREATER TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FIBER

a directing force such as
here describing is interfe-
trouble begins.
Electric current from a great
plant traveling over high
lines is an agent of great
long as it is flowing
ly without interference. In-
or break that line and it
forth unruly, dangerous,
dealing as a monster. Inter-
the electric power line and
flicker and go out at the
end; great generators driv-
industry slow down. The in-
tion, if not remedied, will
ally result in paralysis and
down.

a tiny little pressure, un-
al pressure, on the vagus
that power line connecting
part with the brain and swift-
rhythmical, constant beat-

ing of the heart will begin to fail;
swallowing will become difficult
and the throat dry. The reason of
course is that the co-ordinating
"vital nerve energy" has been in-
terrupted.

And so it is with all the spinal
nerve trunks which supply that
vast maze of connecting nerves
that reach the remotest portions
of the body. If interfered with,
something will happen at the oth-
er end of the line. Your nerves
will be carrying disease.

It is well that we remember
here the dual function of this
marvelous system of nerves. Not
only are the commonplace senses
of seeing, hearing, feeling, smell-
ing and tasting, delicately admin-
istered but the central nervous
system likewise regulates and times
the various activities of the
body so nicely that order and sys-
tem prevails throughout. The blood
reaches the lungs timed perfectly
to give up nitrogen and take on
oxygen. The glands pour out their
chemicals exactly when required.
The blood vessels expand and con-
tract in unison with the heart
beat. Every tiny cell without ex-
ception, is kept in harmony in its
proper sphere of action.

No question has ever been rais-
ed by physiologists or anatomists
as to the vital importance of the
nervous system as a regulating
and co-ordinating medium. Until
Chiropractic began in 1895 to peer
deeper into this force, interference
or irritation of spinal nerves re-
ceived scant attention.

The Chiropractors of America
have made more rapid advance-
ment in the science of relieving
the ills that infest the body than
is generally known.

Texas Sheep and Goat Raisers Meet In San Antonio Nov. 28-30

Plans for the 34th Annual Con-
vention of the Texas Sheep and
Goat Raisers' Association are well
advanced, says Farmer, Junc-
tion, Association President, has
announced. The convention will
meet in San Antonio, November
28-30 with headquarters at the
Plaza Hotel.

"We are expecting a good at-
tendance," Farmer stated. "The
men selected to speak to the con-
vention are interesting speakers
and they will discuss topics vital
to all of us in the ranch busi-

ness."
The list of speakers is not yet
complete, but those who have ac-
cepted invitations to appear on the
program are Congressman Ed Gos-
sett, Wichita Falls, Howard Vaug-
hn, Dixon, California, president of
the National Wool Growers Associa-
tion; Col. Homer Garrison, Direc-
tor, Department of Public Safe-
ty, Austin; Dave Savage, Super-
intendent, Southern Great Plains
Experiment Station, Woodward,
Oklahoma; and J. M. Jones, Salt
Lake City, Utah, Secretary, Na-
tional Wool Growers Association.
Farmer urged that all who have
not made hotel reservations do so
at once as rooms are still avail-
able at the headquarters hotel.

Job After Job—Ford Trucks Cost Less

YOU CAN'T BEAT Ford Trucks
when it comes to economy!
Because they're Bonus Built, Ford
Trucks have fewer breakdowns—
they give you the kind of steady,
day-after-day performance that
makes for sure profits. Ford offers
you your choice of over 150 truck
models, and three economical, top-
performing engines (two V-8's and
a Six).

Whichever type of Ford Truck you
pick you can count on getting real
fuel savings. They're lower-priced
to begin with, and will save you
money with every turn of the
wheels. And Ford's Bonus Built
extra strength means fewer repairs
and longer life. So come on in and
talk trades with us today. We'll
give a liberal allowance on your
old truck.

- ★ They're Bonus Built!
- ★ Up to 145 Horsepower!
- ★ Over 150 Models!
- ★ Two New Big Jobs!
- ★ Million Dollar Cab!

Because FORD TRUCKS LAST LONGER

Using latest registration data on 6,106,000 trucks, life insurance experts prove Ford Trucks last longer!

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 24th day of October A.D., 1949.

Given under my hand and seal of said Court, at office in Ozona, Texas, this the 24th day of October A.D., 1949.

Geo. Russell, Clerk, District Court Crockett County, Texas. 29-4c

CONTRACTORS NOTICE OF TEXAS HWY. CONSTRUCTION

Sealed proposals for constructing 20.220 miles of Grading, Strs.,

Flex. Base & Dbl. Asp. Surf. Treat. from Big Lake to Midway Lane on Highway No. RM 33, covered by S1193 (1) & (2), in Reagan and Crockett Counties, will be received at the Highway Department, Austin, until 9:00 a.m., November 15, 1949 and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with provisions of said House Bills, the State Highway Commission has ascertained the wage rates prevailing in the locality in which the work is to be done. The contractor shall pay not less than the prevailing wage rates shown in the proposal for Group 3 for each craft or type of "Laborer," "Workman," or "Mechanic" employed on this project.

Legal holiday work shall be paid for at regular governing rates.

Plans and specifications available at the office of H. L. Bailey, Resident Engineer, Big Lake, Texas, and Texas Highway Department, Austin. Usual rights reserved. 30-2c

Jennie King Circle Has Study Program

The Jennie King Circle of the WSCS met Wednesday morning at the home of Mrs. Joe Pierce for coffee at 9:00 followed by a continuation of the study program.

Mrs. Eddie Bower, circle chairman, presided. A project was discussed but action was postponed until the next meeting. The Circle voted to continue passing the apron from member to member. The group will be responsible for the Harvest Day program November 16 at the R. A. Harrell home. A committee composed of Mrs. L. B. Cox, Jr., Mrs. W. E. Friend, Jr., Mrs. James Baggett and Mrs. Dempster Jones was appointed to work with Mrs. Harrell in planning the program.

Mrs. Bower led the Circle in prayer and Mrs. W. E. Friend, Jr., gave chapter No. 4 in the study on "What Does Youth Want and Need?" Present were Mrs. W. E. Friend, Jr., Mrs. Dempster Jones, Mrs. James Baggett, Mrs. Eddie Bower, Mrs. L. B. Cox, Jr., Mrs. Frankie Jones, Mrs. Sidney Millsaugh, Miss Frances Taylor and Mrs. Pierce.

The next meeting will be held November 30th with Mrs. W. E. Friend, Jr.

Weiner Crockett Wildcat Believed In Ellenburger

Deepening 50 feet below 7,470 feet, believed to be the Ellenburger, and drillstem testing was scheduled in Ted Weiner and J. H. Snowden and others, No. 1-E Isabel Be an Vaughan, Crockett

County wildcat 1 1/2 miles south of the Vaughan shallow field.

Weiner No. 1-86 Vaughan, east outpost to the Vaughan field, showed gas at 1,390 feet, an increase in gas at 1,415 feet and free oil at 1,422 feet. Killing the well to run casing was planned.

Had a visitor? Been somewhere?

Columbia University was known as Kings College.

OZONA LODGE NO. 24 A. F. & A. M. Regular meeting on Monday of each month.

A Man and His First Cadillac!

Seldom will you find a man in a happier state of mind than when he slides behind the wheel of his first Cadillac—and makes for the open highway. There's the feeling of pride that is inescapable when a man comes into possession of something which is so universally admired... the feeling of confidence that comes from Cadillac's great reputation for quality, soundness and long life... the feeling of elation that comes from the car's amazing responsiveness to throttle and brakes... the feeling of gratitude that comes from being able to surround himself, and all who ride with him, with every safeguard an automobile can provide.

And, there is the soft, satisfying rush of the miles—the easy, restful ride—the positive, effortless handling—the sumptuous and comfortable surroundings. Yes, it's a great thrill for a man when he goes for his first ride at the wheel of his first Cadillac. But it's only the beginning! Day after day, year after year, he will have that same wonderful feeling as he rolls his Cadillac out into the street or highway. For the joy of Cadillac ownership is deep and abiding. Wouldn't you like to learn what it's like to sit at the wheel of a car that can mean so much to you? If so, come in today—for a ride that's a revelation.

Ozonans Re-Elected Directors With Sonora National Farm Loan

Directors and four officers of the Sonora National Farm Loan Association were re-elected Monday evening. E. Prugel, secretary-treasurer, was re-elected. At the annual meeting, stockholders were told that the association has closed 20 new loans for \$436,000 within the past year. Total assets are \$238,000. A 10 percent dividend is to be paid on record as of November 15. Payments to be made thereafter as checks can be cashed.

Loan associations are now making \$100,000 loans to any individual. Heretofore West Texas associations have been limited to a top loan of \$50,000 to any one man.

FRIDAY PARTY

Ozona-Eldorado Grid Team Battle To 24-24 Deadlock

Four touchdowns each, a total of eight scoring thrusts in the evening, without a single successful try for an extra point after touchdown spelled a deadlock for two fighting grid aggregations here last Saturday evening. The Ozona Lions and the El-

dorado Eagles each felt lucky to come up with a tie after surging up and down the field for plenty of scoring action but winding up exactly as they had started out sixty playing minutes before.

The Lions hopped off to a 12 point lead in the first quarter after Smith had crashed over from the four for the first touchdown and Perdue had added another from 22 yards out around the end.

Both of Armentrout's tries for the point from placement failed. Eldorado took up a little slack when Nixon connected with Biggs on a long aerial for a touchdown. Perdue's long pass to Cunningham set up the next Ozona tally, Smith carrying over. Again the kick failed and at the half Ozona led 18 to 6.

The Eagles opened up again in the third with a touchdown pass from the Ozona 40 yard line. Again

the Nixon-Biggs combination went to work a few minutes later with a pass from the 12 over the goal for the tying touchdown. Ozona drove from their own 40 in the fourth period to a first down on the Eldorado 5 from which point Smith carried over for the touchdown. But the Eagles passing machine was good for another 40 yard advance and the final tying touchdown to leave the two teams deadlocked.

The Lions will finish the 1949 season on the Lions Stadium grid next Saturday night in a Homecoming game against the Sonora Bronchos.

Mrs. Bert Couch has announced that the Lions Club has donated \$200 toward the Christmas decorations for Ozona. The South Texas Lumber Co. gave \$20. Mrs. Couch asks all Ozonans to plan now their own home and yard decorations.

Bands Compete In Marching Contest Saturday Afternoon

Saturday afternoon at 2:30 p.m. a parade of eight bands and the Ozona school floats will march down town.

The bands will be competing in a contest for marching and playing. The judges will be seated on a platform in the park across from Williams Grocery.

The bands that are expected to be here are from San Angelo Junior College, Fort Stockton, Eldorado, Sonora, Iraan, Big Lake, Junction and Ozona.

These bands will also march individually at the half-time of the Ozona-Sonora football game.

Homecoming Queen Contest To Close Saturday Morning

Who will be the lucky one?? One of the following girls will reign as Homecoming Queen. They have been rated in the following sequence according to the amount of votes found in the boxes that have been spread throughout the town for the past week: Judy White, first; Mary Ann North, second; Joan Holt, third; Jo Lou Brewer, fourth; and Marjorie Par-

rish, fifth.

The contest will end Saturday morning, November 12.

Nathan's Jewelers of San Angelo, have donated a crown for the school to use in crowning the Homecoming Queen each year.

Ozona Band Director To Play In Angelo Symphony Orchestra

John Armstrong, tympanist and director of the Ozona High School band, is a member of the San Angelo Symphony Orchestra which will present its first performance Monday, November 14, at the San Angelo Municipal Auditorium.

Dr. Eric Sorantin, head of the Music Department of Our Lady of the Lake School in San Antonio, is director of the orchestra. Musicians from a wide West Texas area travel to San Angelo each Monday night to rehearse with the 60-piece orchestra. Musicians from Baylor University and Hardin-Simmons University, and San Antonio professionals will play with the orchestra. Three performances will be given during the year.

Eldorado Eagles Stymie Lions 24-24 Here Sat. Night

The Ozona Lions were tied 24-24 by the strong passing offense of the Eldorado High team last Saturday night.

The Lions recovered an Eagle fumble early in the first quarter and marched to the Eldorado 22 yard marker, from which point Perdue crossed the goal line on a keeper play. Armentrout failed to make the conversion.

Then Ozona marked up two more six-pointers before Eldorado scor-

ed on a pass play. Nixon to Biggs. The score was 18-6 at the half.

The Eagles came back with a passing combination that couldn't be stopped. Nixon completed two more touchdown passes to Biggs to knot the score.

The Ozona team started clicking again and Smith went over for a TD from the Eagle 7 yard line.

Nixon then completed another pass for a TD, and again the score was even 24-24.

The Lions came close to scoring in the last minute of play but a penalty set them back.

Frankie Chapman, returning to play after being out since the Iraan game, led the Lions in a strong ground game. Biggs played a good game for the visitors.

Bobby Womack, coming up from the second team in place of Tommy Laxson who sprained an ankle in practice Wednesday, did some good defensive work.

Juniors Plan Play In Early December To Finance Banquet

The Junior Class of Ozona High School is going to put on a play sometime around the first of December, the exact date is not yet known.

The name of the play is "The Skeleton Walks." It is made up of three acts, and is a comedy.

It will take nearly all of the Junior Class to put on this play since there are ten characters to be portrayed.

The main purpose for putting on this play is to raise money for the annual Junior Senior Banquet to be given at a later date in the year.

Miss Billie Sealy, the junior sponsor and English teacher in high school, says, "The play will be the most brilliant happening of the season."

Meet MR. BOEDECKER

Mr. Allen Boedecker, a teacher at the Junior High School, was born in Dallas, Texas. He is six feet tall, weighing 175 pounds. He has sandy, blonde hair and blue eyes.

This is his first year at Ozona and also his first year of teaching. He enjoys coaching the girls

physical education class.

Mr. Boedecker attended Austin College where he received his B.A. degree. Later he received his Master degree from the University of Texas.

In his spare time, he likes to hunt or play the piano.

He is planning to become a counsellor in the near future.

Sonora Trims Juniors 28-0 On Sonora Grid

The Ozona junior team came home battered and down-hearted after losing their last game of the 1949 season, 28-0 to Sonora. The game was played in Sonora Thursday, November 3.

The Sonora team scored 14 points in the first quarter and Ozona held their own in the second quarter. In the last half, Sonora made two more touchdowns, one in each quarter, making the score 28-0.

Scott was outstanding for Sonora, while Schneemann was playing hard for Ozona.

The junior football team was honored with a dance at the Ashby McMullan home the night following the game.

Football Queen Is Crowned In Half-Time Ceremony Sat. Night

The Football Queen for the 1949 season was crowned at the half-time period of the Eldorado-Ozona game here last Saturday night, November 5.

The Ozona and Eldorado bands were combined for the occasion. They marched out on the field and formed a heart. As the Queen and Duchesses and their attendante marched on the field, the bands played the Ozona school song.

Mary Ann North, the queen, was escorted by the co-captains, William Meinecke and Tom Mitchell.

The duchesses were escorted by: Judy White, by Charles Cunningham; Hallie Kinser, by Frankie Chapman; Marsha Cunningham, by Billy Ray Oden; and Marjorie Parrish by Gilbert Armentrout.

They marched to the top of the heart and the crown was presented by Annette Skinner and Jimmy Matthews.

Lion of the Week

William Meinecke has been chosen Lion of the Week. He is the co-captain of our 1949 football team. He has done some outstanding playing as guard on the team.

William was born on February 29, and is 16 years old. He was born in Ozona and has lived here all his life. He is a senior this year.

This handsome Lion is six feet, one inch tall, has big brown eyes, brown hair and weighs 160 pounds. His favorite subject is Civics, and his favorite hobby is tennis.

He hasn't made up his mind as to which college he will attend.

Thru the Keyhole

Seen dating after the football game Saturday night were: Mary Ann and Frankie, Kay and Billy Ray, Tissie and Tom, Judy and Charles, Deedle and Ted, Marjorie and Lin, Jo Lou and James. Quite a crowd.

Tom, what happened to your Saturday night? We heard it was off!!

Seems that there are three boys that keep the road between Sonora and Ozona quite busy. What about this Lee Alton and Raymond?

Raymond, Deedle said that he could return her shoes when you get ready.

What's this between Kay K. and Billy Ray O.? Cute couple!

Marjorie, are you happy because Lin is home from college?

Eldorado invaded town did they June? More ways than one boy friends over Saturday night.

This could be getting serious. Jack B. and Mary K. have a quite a case. Don't you think? (Continued on Page Seven)

A Committee

Continued from Page One)

ote by mail.
 minees for 1950 Crockett y PMA committeemen have announced as follows:
 chairman: Brock Jones and rles E. Davidson, Jr.
 vice chairman: Marshall atgomery and Jake Miller.

For regular member: George Banger and Joe Williams.
 For first alternate: Johnny Henderson, III, and Bud Coates.
 For second alternate: James Baggett and James Childress.
 "Although every effort has been made by the nominating committee to choose men they believe to be best fitted for the task of representing their neighbors in the local administration of Federal farm and ranch programs as agricultural conservation, price supports, acreage allotments, etc., voters will have the privilege of writing in the names of other eligible ranchers if they wish to do so," the announcement said.
 You are eligible to vote if you have an interest as owner, operator, tenant or sharecropper on a ranch or farm that is participating in any program administered during the current calendar year through the county agricultural conservation association. Wives of eligible ranchers are also eligible to vote.
 Importance of the local com-

mittee as it functions in the set-up of administration of the Federal farm program is stressed in the election announcement, as is the importance of every participating rancher taking part in the balloting for committeemen.
 The county committee provides local leadership in developing and supervising farm and ranch programs adapted to the needs of their own county. They fit programs to local conditions and recommend improvements and additions suggested by ranchers. They explain the objectives and provisions of the farm programs and actively assist operators in making effective use of them and they conduct meetings and elections and assist in conducting referendums.
 During 1949, Crockett County committeemen had a great deal to say about the distribution of \$59,200 in Federal funds used to assist and encourage the adoption of soil and water conservation practices on about 90 of the county's ranches.

Messiah Rehearsal Schedule Announced

"The Christmas Messiah," by Handel is to be presented here by a community choir under the direction of Mrs. H. B. Tandy. The program is being sponsored by the Ozona Music Club.
 The following rehearsal periods

have been scheduled:
 Sunday afternoon, 1:30, Methodist Church. Tenors and Basses.
 Sunday afternoon, 2:00, Methodist Church. Full rehearsal.
 Tuesday, 9:00 a.m., Tandy Music Studio. Contraltos.
 Wednesday, 8:30 p.m., Methodist Church. Full rehearsal.
 Friday, 9:00 a.m., Tandy Music Studio. Sopranos.

FOR SALE—One or two 1500-watt Kohler automatic electric light plants. 110 volts A.C. Excellent condition. Also one old 32-volt Windcharger and new storage batteries. See Wesley Sawyer in Ozona or Sonora. 1p
 New Hampshire and Indiana are the only states which have no mottos.

"They'll be snug and warm the whole night through!"

Westinghouse Electric Comforter

with the Automatic Watchman Control

The last word in Sleep Luxury

BECAUSE they are snugly covered with a lush, soft, lightweight Westinghouse Electric Comforter... the bedcovering for warmth without weight. This one Comforter is all that's ever needed even on the coldest night. Once the Automatic Watchman Control has been set it maintains the selected warmth the whole night through regardless of changes in room temperature.

Comforter top is of quilted rayon satin, in Rose, Blue, or Green with matching underside of nonslip spun rayon faille that anchors the Comforter to the bed. Outer cover dry-cleans beautifully... Inner warming sheet of preshrunk muslin is easily removable for washing.

Approved by Underwriters' Laboratories, Inc. 72" x 86" allows for ample tuck-in. Mothproof, too.

Watchman slip off the bed. Underneath of spun rayon faille clings to the sheet.

Makes bedmaking easy. Fast! Only one bedcovering. No spread needed!

Rayon satin shell slips off for dry cleaning! Inner warming sheet can be washed.

For additional information concerning the Electric Comforter see your local dealer or any West Texas Utilities Co. employee.

West Texas Utilities Company

Willing Workers Circle To Serve Rotarians Nov. 29

Members of the Willing Workers Circle of the WSCS met Wednesday morning at the home of Mrs. Paul Perner for a coffee and business session. The Circle voted to serve luncheon for the Rotary Club at its meeting November 29th at the Methodist Church.

The Circle is working on a birthday calendar due to be issued by February 1st. A charge of 50 cents per name is being made for birthday listings and each family will receive one calendar. Persons wishing one of the calendars are invited to contact any member of the Circle.

Mrs. J. A. Fussell gave the devotional reading, "The Parable of the Prodigal Parents." Mrs. Beecher Montgomery continued the study, "Missions at the Grass Roots," reviewing the first two chapters and presenting a summary of the third.

Present were Meses. E. B. Baggett, Jr., J. A. Fussell, Taylor Word, T. A. Kincaid, Jr., Oscar Kost, Stephen Perner, S. M. Harvick, Bill Friend, B. B. Ingham and Beecher Montgomery.

Scott Peters To Head USO Drive In Crockett County

Scott Peters, active vice president of the Ozona National Bank,

has been named chairman for Crockett County for the Texas USO Reactivation Campaign. Sam Young, Regional chairman of El Paso, announced today.

The quota for Crockett County is \$210,000, which is Crockett County's share of the \$500,000 goal for Texas.

Mr. Peters said, "The cold war continues, and our people have called for a big Army, Navy and Air Force so that our country will be ready to meet any pressures from the enemy."

"We have 98,000 of our young men and women from Texas now in uniform, and Crockett County has her share of these people who are in the service. It is up to us to show our gratitude and appreciation through our support of USO. This we can do because USO is on the scene to serve them whether they are stationed at some military establishment here in the United States or at an overseas outpost."

Talented Artists Presented By Music Club In Concert

The Ozona Music Club presented two talented guest artists from San Angelo in a duo piano concert at the Methodist Church social hall last Thursday evening. The hall was beautifully decorated with baskets of mums for the occasion.

Mrs. P. L. Childress, president of the Music Club, introduced the

guest artists, Mrs. Scottie Johnson and Mrs. C. B. Beall of San Angelo. Mrs. Johnson and Mrs. Beall played for their first group Pastorale by Scarlatti, Rondo alla Turca by Mozart, Gavotte by Gluck, Spanish Dance by Moskowski, Minuet by Bizet, Romance by Rubenstein and Valse by Arensky.

Mrs. Wm. A. Bergfeld, Jr., presented a marimba solo accompanied by Miss Madge McCormick at the piano. For their final group Mrs. Johnson and Mrs. Beall played Scaramanche by Milhaud.

A good crowd attended and enjoyed the evening's program.

The next meeting of the Music Club will be December 1st when a review of the book, "The Doctor Prescribes Music," will be given by Mrs. W. B. Butler of San Angelo, illustrated by Mrs. Scottie Johnson.

THE NARROW WAY

By Bill Brown

Minister for Church of Christ

"Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: because strait is the gate, and narrow is the way, which leadeth to life, and few there be

that find it" (Matt. 7:13,14). Thus spake our Lord. But his words are not those of the popular religionists of today, who endeavor to inculcate views liberal and broad enough to include everything that men may like to practice in religion.

It is considered narrow to say that one must be baptized to be saved. But that is what Jesus taught. He said, "Except a man be born of the water and of the Spirit, he cannot enter into the kingdom of God" (Jno. 3:5). And, of course, one cannot be born of water without baptism.

To say that there is only one true church is also to be rated as narrow. But Jesus said it. He asserted that "there shall be one fold, and one shepherd" (Jno. 10:16). The church is the fold, and the Shepherd is Christ.

To oppose the doctrines and commandments of men in religion is also considered a mark of narrowness. But Jesus said, "Every plant which my Heavenly Father hath not planted, shall be rooted up" (Matt. 15:13). Also, "But in vain do they worship me, teaching for doctrines the commandments of men" (Matt. 15:9).

The wheels of a locomotive, in order to prevent disaster must be

just as narrow as the rails on which it travels. The church of our Lord, in order to prevent disaster after awhile must be just as narrow as the Bible which is her only rule of faith and practice.

A cordial welcome awaits you at the Church of Christ.

Progress is being made in the installation of the elevator in the hospital building.

Nathan's Jewelers, San Angelo, has added 36 place settings of silver to the 100 he had previously given to the new Ozona Methodist Church.

SALE of Damaged Shoes

We have a large number of house shoes which were slightly damaged in the explosion in our place of business Friday, and we are offering these for sale at reduced prices.

All of these shoes have been cleaned as far as possible and though you may not consider them too defective, we can not use them to fill our orders. We must move them out at once and have reduced the price for quick sale. Here is your opportunity to stock up on Christmas gifts at a saving. We will appreciate your seeing these shoes at your earliest convenience.

BAILEY SHOE CO.

From where I sit... by Joe Marsh

Clam Chowder Can Be Dynamite!

If Smiley Roberts is a friend of yours, like he is mine, and if you want to keep his friendship, like I do, don't ever let him hear you say that good clam chowder can be made without cream.

In New England, where Smiley comes from, I find they have been broken over tomatoes versus cream in clam chowder. Experts say that south of Boston the tomato reigns supreme, but north of Boston it's cream—or else!

From where I sit, whether it should have cream or tomatoes is simply a matter of taste. This is

plain to anyone who doesn't come from clam chowder country.

What a great world this would be if we could all see that most prejudices are matters of taste only. Some like hot coffee. Some like iced. Some people like a temperate glass of beer. Others prefer ice-cold lemonade. My grandmother used to say, "Prejudice that sees only what it pleases, cannot see very plain."
