JUST what do you see in this handsome, tidy-sized Buick SPECIAL pictured here?

The smartest bit of automobile styling on the road today? The, standout beauty of tapering fenders-the sturdy protection of a wholly new front-end design?

The prestige that's in the Buick name-the solid, road-wise steadiness Buick has always stood for?

Your chance to get in on the perfect smoothness of Dynaflow Drive*- this being the lowestpriced car on which that sensational new transmission is available?

*Optional at extra cost.

are built

They're all there, every one of those things. And for a good reason that may go a bit beyond the usual idea in designing an automobile.

For, a long while ago, we graduated from the idea that a motorcar is merely a means of getting about.

The way you travel is pretty important too. The lift that's yours in knowing there's no prettier picture anywhere on the highways. The "kick" there is in a power plant that's lively and eager and always ready to get in on the fun.

The comfort that's found in all-coil springs, a husky, steady-traveling understructure, cushions that are deep and soft and wide enough to let you spread yourself a bit.

Even that extra swelling of the chest that comes from owning a car you know everyone respects and admires.

In a word - your happiness. It's never out of our mind in planning this car-nor in making very sure each dollar of cost gives you the greatest possible benefit.

That's why we rather proudly ask you to go see-and try-this Buick SPECIAL. It's priced like a six, in spite of the fact that like all Buicks, it's a big-powered Fireball valvein-head straight-eight.

And we honestly believe that it puts a lower price tag on your motoring happiness than any other car you can buy today! See your Buick dealer and find out about that.

WHY NOT WINTERIZE Your Home Too?

There are a lot of things you can do to make your home more comfortable this winter-and the cost will be more than off-set by the saving in fuel and damage . . .

For instance, weatherstripping. Your windows and doors leak heat and admit cold. Seal them with weatherstrip.

Are there broken glasses in windows or doors? Get them replaced before the cold weather settles down. Your roof, too, should be checked for leaks or painting.

If your home needs paint, why not get it done now. Let us estimate.

New carpeting, new linoleum, new rugs, too, will make your home more snug this winter. Visit our floor covering department.

THE BRIDE OF CHRIST

By Bill G. Brown, Minister Church of Christ

The church is prominent in the New Testament. It is mentioned over one hundred times, and pictured to us in different ways. We see it referred to as the kingdom, the body of Christ, and the bride of Christ. (Mt. 16:18-19; Eph. 1:22-23; Eph. 5:23; Rev. 22: 17; Jno. 3:29).

The church is the bride of Christ. Those who are members of the church are joined to Christ, they are married to Christ, and subject unto Him. Not only is the church the bride of Christ and the body of Christ, but that bride and body are one. When reference is made to the church, it is always spoken of as singular, except when it efers to congregations such as the churches of Galatia." The

THE OZONA STOCKMAN

Pay Your Poll Tax

Phone 55

Because of uncertainty concerning fate of the proposed constitutional amendment voted on November 8th which would have eliminated the poll tax in this state, your tax collector did not levy poll taxes with your regular tax statement this year.

Defeat of the amendment now makes it necessary for you to pay your poll tax to qualify you to vote in 1950. With the exception of three persons, no taxpayers who have so far paid their property taxes have paid poll taxes. Therefore, it will be necessary for you to make another trip to the office or mail your check if you wish to pay your poll tax for next year.

If you paid a poll tax last year, it will be necessary only that you mail your check for \$1.75 for each poll tax. We can issue a new poll tax from last year's record.

However, if you are paying a poll tax in this county for the first time, it will be necessary for you to come to the office to furnish the information necessary to issue poll taxes.
