Chas. S. Black Killed By Death Car Friday

County Commissioner and Rancher Laid Rest Sat.

Charles Sewell Black, 65, Crockett county commissioner and ranchman, died at 10:45 o'clock Friday night at the home of a son, Chas. Black, Jr., in Ozona. Death followed an illness lasting several weeks. He was brought to the home here after receiving treatment in a San Angelo hospital recently.

Funeral services were held at 2 o'clock Saturday afternoon at the Methodist Church here. Services were conducted by the Rev. Stanley Hauser, rector of the Central Church in Sonora. Burial followed in Cedar Hill Cemetery with Coffey Funeral Home in charge of arrangements.

Black was born in Mexico, December 8, 1883. He had lived in the Northern part of Crockett County for 21 years and served this county as county commissioner from Precinct No. 2 from 1935. He was a member of the Episcopal church and a Mason.

Black, the former Miss Benton, died December 4. They were married in Fort Worth.

Survivors include the son; two daughters, George B. Black of Comanche and Alec Black of Indiana; two sisters, Mrs. Robert Winslow Menard, Mrs. Florence Hall and Mrs. Carnilla Ragland; Mrs. Fort McKavitt; and two children, Billy and Judy of Ozona.

Ozona Roping Team Defeated Upton Crew

Members of the Ozona Roping Team defeated the Upton County Cowboys posse roping team in a match at McCamey Saturday.

The club fielded a team of ropers with each contestant roping two calves. The Ozona team bested the Sheriff's posse by a margin of 42 seconds. The time in the contest was made up by Powers of Ozona, who roped and tied a calf in 13.5 seconds. Max Schneemann, Jr., of the team, chalked up a time of 13.5 seconds.

Framework Laid For Girl Scout Organization

Leaders Chosen; Two Brownie Troops To Be Organized

Framework was laid for the organization of active Girl Scout troops in Ozona following a conference with interested parents this week by Miss Alice Nelson, representative of the National Girl Scout headquarters.

Nelson met with the group of interested mothers and explained the Girl Scout program and its organization. A tentative program was worked out and in anticipation of two Brownie troops, Mrs. Hearne and Mrs. Ed. Hall have been secured as leaders. Miss Mary K. Flowers will be assistant leader.

Immediate Scout Troop leader will be Miss Phyllis Shuman, and Mrs. Ken Cody as assistant.

The committeemen and leaders of the Methodist Church Monday when time programs were held and Mrs. Jake Young was elected executive chairman. Mrs. Friend, Jr., was elected immediate committee chairman, Mrs. E. W. Stuart secretary.

Nelson will return to Ozona November 9 and 10 to give a course in Girl Scout leadership and all interested in the organization and success of Girl Scout are urged to attend.

Suspend Poll Tax Collection Pending Amendment Outcome

Collection of the \$1.75 poll tax, which under present law is a prerequisite for voting in any election in this state and which provides a part of the revenue for support of the public schools in Texas, has been suspended in this county pending outcome of the election November 8th on one of ten proposed constitutional amendments to be voted on at that date.

The amendment in question would, if approved by the voters, abolish the poll tax and substitute therefor a system of registration of voters, for which a fee of 50 cents would be required.

Since there will be time after the election in which the poll tax can be paid in the event the amendment is defeated, the local tax collector's office is advising taxpayers to wait until after the election until the issue is determined by the voters, since no refunds can be made in the event the amendment is approved and the tax abolished.

Ozonans Tour Purina Research Farm And Mills In St. Louis

Mr. and Mrs. Charles Williams, Jr. have returned from a visit to the Purina Research Farm, Gray Summit, Mo., near St. Louis, where they saw practical feeding and management operations designed to help farmers produce more meat, milk and eggs.

On the farm of 738 acres, new rations and new methods of feeding were explained to those on the tour. Some of the accomplishments of the Purina Program of feeding, breeding, management & sanitation which were pointed out, were dairy heifers raised on dry feed that were ready for breeding at 12 to 15 months; sows from which an average of well over 17 fat hogs a year were farrowed, weaned and raised to market age; and broilers that grew to an average of 3 to 3½ pounds at 11 weeks of age on 10 pounds of feed.

A banquet was held at the Balfour Purina Co., St. Louis in honor of the visitors. They were also taken for tours of the Purina Chow Mills and Research Laboratories.

Pecos Valley Baptist Association To Meet In Pecos, Texas Today

A state denominational budget of ten million dollars will be the main item of discussion when Baptists of this area meet October 13 for the annual conference of the Pecos Valley association, West Park Baptist Church, Pecos, will be headquarters for the meeting.

Mr. Andrew Allen, head of the Sunday school department in the Baptist General Convention of Texas, will present the ten-million-dollar budget, which comes up for approval at the statewide Baptist convention in El Paso in November. For the first time, the state executive board will ask the convention to adopt a budget only half of which will go for state missions, the other half to worldwide causes.

Representatives from the twenty one churches in this association will report on the progress of their various organizations and will make plans for the coming year.

Mr. Allen will urge the individual churches represented to follow the convention example by designating fifty per cent of their own budgets for worldwide causes.

The Baptist churches in this association have a total membership of 7,419.

Mr. and Mrs. J. F. Parker of Tucson, Arizona, spent a few days here this week visiting Mr. Parker's brother, Roy Parker, and Mrs. Parker. J. F. Parker has just been retired after more than 25 years with the Immigration Service stationed at El Centro, California. He and Mrs. Parker are enjoying a vacation trip through Texas visiting relatives and friends after which they will return to their home in Tucson.

County To Study Means Of Building Fire Station Here

Chas. Black, Jr., Named To Fill Father's Unexpired Term

Members of the Crockett County Commissioners Court in session Monday agreed to make a thorough investigation into the matter of ways and means of building a fire station for the county after a conference with a group of citizens.

The citizen group meeting with the court included Tom Harris, Sherman Taylor, James Baggett, and Bill Cooper. The court agreed that "it would investigate the matter thoroughly to see if any way could be found for the erection of the fire station.

The court also appointed Chas. Black, Jr., to succeed his late father, Chas. S. Black, Sr., who died at the son's home here last Friday, as County Commissioner from Precinct No. 2. The elder Mr. Black had served as Commissioner from that precinct for many years. The son was appointed to serve out his father's unexpired term.

The county's portion of the salary being paid County Agricultural Agent Wm. A. Bergfeld, Jr., was raised to \$200 a month.

The court also placed an order with the W. E. Grace Manufacturing Co. for a second hand asphalt pot, complete with engine, pump and spray handle for use in paving repairs. The cost of the machine was given at \$495.

P.T.A. Meeting Monday Afternoon

"Teamwork Between the Home and School," will be the program theme when the Parent-Teacher Association meets in October session Monday afternoon in the high school auditorium.

Mrs. R. A. Harrell will be the program leader. Devotional will be by Mrs. W. A. Kay of Fort Stockton and the group will view a special film to be shown by John Skinner, Junior High School principal.

RESOLUTIONS

BE IT REMEMBERED, That on this the 10th day of October, A.D. 1949, the Honorable Commissioners Court of Crockett County met in Regular Session, there being present, Honorable Houston S. Smith, County Judge; Rob Miller, Commissioner, Precinct No. 1; J. W. Owens, Commissioner Precinct No. 3; E. R. Kinser, Commissioner Precinct No. 4; V. O. Earnest, Sheriff and Geo. Russell, Clerk. Whereupon the following resolutions of condolence were unanimously adopted:

WHEREAS, it has pleased the Almighty God to remove from this Court our Brother Officer, Chas. S. Black, who departed this life at the home of his son, Chas. S. Black, Jr., in Ozona Texas on October 7, 1949; and

WHEREAS, the said Chas. S. Black had served this County faithfully as County Commissioner of Precinct No. 2 from January 1, 1935 to October 7, 1949, always giving the best of his time, effort and attention to the affairs of this County; and

WHEREAS, his family has lost a loving father and his County has lost a devoted public servant;

NOW, THEREFORE BE IT RESOLVED, That this Court express its sorrow by entering on the Minutes of this Court this resolution and it is further ordered that the Clerk publish this Resolution in the Ozona Stockman and mail a copy of same to his family.

Respectfully submitted,
Houston S. Smith
Rob Miller
J. W. Owens
E. R. Kinser
Attest: Geo. Russell, County Clerk.

McIntosh Attends School Administrators Session In Austin

Jack McIntosh, superintendent of schools, attended a two-day meeting of the Texas Association of School Administrators held in Austin Sunday and Monday.

The theme of the convention session was "New Horizons in Education," and administrators attending heard talks by A. J. Stoddard, superintendent of schools at Los Angeles, California; L. P. Sturgeon of New Boston; State Senator A. M. Aiken of Paris, co-author of the Gilmer-Aiken school legislation, and Miss Waurine Walker, first vice president of the Association, from Waco.

Mr. Stoddard, who is superintendent of a school system which employs 15,000 teachers, 500 principals, with over a half million students and an annual budget of \$105,000,000, spoke twice to the group, the topic of one talk, "Our Schools," and the other, "A Challenge to Administrators." Mr. Sturgeon explained operation of the Gilmer-Aiken bill. Miss Walker spoke on "New Challenges to Our Profession."

Faculty Men Enjoy Week-End Fishing

Ten men of the Ozona School teaching staff enjoyed a fishing trip to Devil's River the past week end. Host to the men teachers on the occasion were Lefty Walker, James Baggett and Miller Robinson.

Teachers enjoying the outing, some bragging and some not, were Jack McIntosh, Jack Harris, Martin Earnie, W. M. Stoker, A. J. Deans, J. A. Pelto, George Massingill, Wayne Matthews, John Skinner and Travis Hawk.

Wool-Mohair Garment Contest Style Show Stated November 7th

The San Angelo area style show of "Make It Yourself With Wool-Mohair," will be held in the St. Angelus Roof Garden, San Angelo, Texas, November 7, 1949 at 7:30 in the evening.

All girls who wish to enter this contest should fill out their entry blanks and mail them to Mrs. H. C. Noelke, 404 S. Bishop, San Angelo, along with the 200 word essay. The girls will not be judged on the essay, but a description of the garment must be sent in.

All entries must be in before November 1, 1949.

Music In The Home Topic For Music Club Meet Thursday

"Music in the Home of Today" was the program theme when the Ozona Music Club met Thursday in the home of Mrs. Lowell Littleton. Mrs. Jack Sheridan was co-hostess.

Mrs. Neal Hannah was named delegate to the district meeting in Brady, October 28-29. It was also decided that each member answer roll call in the future with a musical current event.

Mrs. Hannah was program leader. Mrs. Joe Pierce spoke on "Music For Nothing." "A Room Wired For Sound," "Decorating For Television," and "The Future of Television," was given by Mrs. John Armstrong. A piano solo was rendered by Miss Madge McCormick and "Suggested Radio Listening" was the topic of a talk given by Mrs. L. B. Cox, III. A parliamentary drill was given by Mrs. H. B. Tandy.

Elected to membership in the club were: Mrs. S. M. Harvick, and Mrs. D. Caskey. Refreshments were served to Meses. Jim Ad Harvick, Bill Hannah, Neal Hannah, Travis Hawk, John Armstrong, P. L. Childress, Joe Pierce, R. A. Harrell, Henry Witche, H. B. Tandy, L. B. Cox, III, Joe Williams and Miss Madge McCormick.

The next meeting will be on November 3. A duo piano concert with guest artists from San Angelo will be given on that occasion.

Sanitary Association Members In Monthly Meeting Here Monday

Bill Cooper, manager, and members of the board of the Crockett County Water Control and Improvement District No. 1, were hosts to members of the Concho Sanitary Association which held its monthly meeting here Monday.

R. H. Weiss, field representative of the State Health Department, attended the meeting and outlined the new and more rigid requirements of the health department on approval of public water supply systems.

Representatives of water and sewer departments were here from San Angelo, Winters, Big Lake, and Kerrville. The Ozona group entertained the visitors with a barbecue dinner on water works hill at noon.

Methodist Church Leaders To Speak At San Antonio Meeting

SAN ANTONIO—Travis Park Methodist Church will be the scene of one of 75 Methodist mass meetings across the nation featuring the Advance for Christ and His Church October 20.

The Methodist Advance is a 4-year program of faith, improvement of the local church program and an extension of missionary aid. Total financial goal for the four years is \$50,000,000.

Top-flight speakers will be Bishop Earl Ledden of Syracuse, N.Y.; Bishop John W. Lord, Boston, Mass.; Mrs. Charles Mead, Omaha, Neb.; Rev. Marvin Vance, First Methodist, Austin; Pat Thompson, Texas Conference lay leader, Bay City; Bishop A. Frank Smith of Houston, will preside.

The day's program will open at 6:30 a.m. with Holy Communion for men, followed by breakfast and a meeting of the Southwest Texas Conference Board of Lay Activities, with S. E. McCreeles, president. In the morning program Mrs. Mead will speak on "Rearing Our Children in the Christian Faith."

The noon address by Bishop Ledden will be "The Christian Conception of Man." Mr. Thompson will speak on "The Place For Laymen in the Advance for Christ" in the afternoon followed by a forum.

The evening session will be featured by the chorus from Sam Houston College, Austin, and Bishop Lord's address, "Our Faith in Christ."

8-Day Baptist Revival Meeting To Start Sunday

Rev. E. F. Cole, Fort Worth Evangelist, To Preach Series

An eight-day revival meeting will get under way Sunday morning at the First Baptist Church, with Rev. E. L. Cole, Fort Worth evangelist, doing the preaching, it was announced this week by the pastor, Rev. Clifton R. Tension.

Song services during the revival series will be under the direction of Rev. M. L. Richards of Wortham, Texas. Services will be held at 10:00 o'clock a.m. each weekday morning and 7:30 each evening, with the Sunday morning service at the regular 11:00 o'clock hour, Rev. Tension announced.

Rev. Cole is considered one of the church's strongest evangelists and members of the congregation are looking forward to a helpful series of services next week. Rev. Cole was pastor of the First Baptist Church at Lamesa for 16 years before going into evangelistic work. He preached during the Texas Baptist Convention in 1947. Rev. Richards is pastor of the First Baptist Church at Wortham and was director of educational work in the church before becoming its pastor. He will direct youth activities here during the revival series.

A cordial invitation is extended to the entire community to join in the revival services.

Nelson Johnson To Cry Lions Club Auction

Schools, Businesses To Close Thursday Afternoon For Event

Nelson Johnson, well known San Angelo auctioneer, has been secured to act as auctioneer on the occasion of the second annual Ozona Lions Club Auction Sale set for next Thursday, October 20, it was announced by club officials this week.

Final plans for the auction sale and roping program were made at a meeting of Lions Club committees last night and solicitation of livestock and merchandise donations for the sale was scheduled to begin today.

The day's festivities will begin at the fair grounds at 12:00 o'clock noon when members of the 1949 Senior Class of Ozona High School will serve complete barbecue dinners to all comers. The roping program will get under way in the fair grounds arena at 1:00 o'clock. Featured roping match will be a team match between Vic Montgomery and Tom Powers of Ozona, pitted against Buddy Neal of Balmorhea and Jim Espy of Fort Davis. Each man will rope six calves for a total team time. Jack pot ropings will continue at intervals during the afternoon as sales sessions are spiced in the afternoon's program.

All local schools will be dismissed at noon and the High School band, under the direction of John Armstrong, will present a concert to open the program. Business houses also will be asked to close at noon.

A watch, donated to the Lions Club by Nathan's Jewelers of San Angelo, will be given away at the dance to conclude the auction day program at the James Motor Company, Thursday evening. Tickets for the watch award will be on sale within the next few days and proceeds from this sale will be used by the Lions Club to purchase a new resuscitator for the community's use in case of need.

A dance beginning at 9:00 o'clock at the James Motor Co. building will conclude the day's entertainment. All West Texas is invited to the auction sale, roping and dance. Snuffy Smith and his Snuff Dippers from San Angelo will furnish the music for the dance, with special floor show features planned by the orchestra.

The Lions Club has earmarked the proceeds from this year's auction sale to the purchase of furnishings and equipment for the new fire station which the community hopes to build in the near future.

Projects Adopted By Sunshine Circle

A report of the projects committee, headed by Mrs. H. B. Tandy, was adopted by the Sunshine Circle of the W.S.C.S. when the group met Wednesday in the home of Mrs. John Coates.

Projects suggested by the committee included a friendship basket plan, mission needs in Bolivia and the local Community House. The Circle voted to start the "Friendship Basket" plan at once, a plan of rotating a basket among members, with each making a gift for the basket to pass along and the receiver depositing an amount of money for the gift received. The money thus collected will be used in the Circle's projects.

Mrs. D. B. Pettit presented the study course on the first chapter of "Missions at the Grass Roots." Mrs. W. R. Baggett, circle chairman, announced the next meeting at the home of Mrs. N. E. Melton on October 26. Mrs. Jake Young was named press reporter.

Thirteen members present were served coffee and cookies during the social hour preceding the program.

Mr. and Mrs. Bill Friend have had as their guests the past week Mrs. Friend's aunt, Mrs. Julia Weaver of San Antonio.

Mrs. Montgomery Conducts Study At Willing Workers Meet

Mrs. Beecher Montgomery presented the first study from the book, "Missions at the Grass Roots," when the Willing Workers Circle of the Woman's Society of Christian Service met Tuesday morning at the home of Mrs. Evart White. A coffee hour was enjoyed before the study program. Present were Meses. Bill Cooper, Bill Friend, T. A. Kincaid, Jr., Beecher Montgomery, Floyd Henderson, B. B. Ingham, Paul Perner, Evart White, J. L. Palmer, S. M. Harvick, Taylor Word and Miss Julia Weaver of San Antonio.

Jennie King Circle Meeting Wednesday

The Jennie King Circle of the W.S.C.S. met Wednesday morning in the home of Mrs. Early Baggett. A coffee hour was enjoyed from 9:00 to 9:30 and the study

program followed. Mrs. Eddie Bower, circle chairman, introduced Mrs. L. B. Cox, Jr., who gave the study program for the day on "Missions." The lesson at the next meeting of the circle will be on the third chapter in the study course, "A Look at the Church," to be given by Mrs. Bower. The meeting will be October 26 in the home of Mrs. Joe Pierce.

The following members were present: Mrs. J. M. Baggett, Mrs. L. B. Cox, Jr., Mrs. Early Baggett, Mrs. Frankie Jones, Mrs. Eddie Bower, Mrs. Johnny Henderson, Mrs. George Montgomery, Mrs. Brock Jones and Mrs. Dempster Jones.

Navy Vets To Be Guests At Prison Rodeo, October 19

HUNTSVILLE — Wednesday, October 19th will be a very special day at the Texas Prison Rodeo. The Navy will be there in force. Two big bus-loads of vets from the Navy Hospital in Houston will pull up at Prison Stadium before rodeo time, and the place will be theirs so far as the prison officials and convict riders are concerned.

Arrangements for the trip have been made by "the little guy who never forgets"—Andy Anderson, noted Houston sportsman. Andy will accompany the wounded veterans to see that everything is ship-shape on the trip and while they are here.

This is an annual affair with Andy, and many of the same veterans who made the trip last year will be on hand again this year.

Wednesday is also a big day for the inmates of the prison system. More than 2,500 prisoners will be brought in from the various prison farms to see the rodeo

on that day, and employees of the prison and their families will also be guests that day.

"Crowds are never heavy for the mid-week performance, but the show is identical to the ones put on each Sunday. It gives those who cannot attend on Sunday a chance to see the rodeo, and reservations are not needed," said

Rodeo Publicity Director A. C. Turner.

He also reminded that prices have been reduced to \$1.00 for all seats on Wednesday, October 19th with no seats reserved. Its first come, first served.

Come Look at All Three with Dynaflo Drive

YOUR KEY TO GREATER VALUE

ONLY one make of car in all the land can give you the sweet 'n' easy luxury of Dynaflo Drive†—and that's Buick.

But look how much territory that takes in—how many different-sized budgets can now afford the only drive with neither a clutch pedal nor gears that shift.

You can have Dynaflo as optional equipment on the tidy, sparkling new Buick SPECIAL, with its traffic-handly size, stepped-up roominess, and bold new front-end treatment.

You can have it, again as optional equipment, on the neat and nimble SUPER, with its sleek lines, 110 or 120 horsepower Fireball power plant, and triple Ventiports.

And of course Dynaflo is standard equipment on that best buy among fine cars, the magnificent ROADMASTER. There it combines, with matchless ride, the stirring lift of 150 Fireball horsepower and truly regal size and bearing.

So look at the SPECIAL, the SUPER and ROADMASTER, three Buicks that match almost any price range you have in mind—and remember that all of them offer the added enjoyment of Dynaflo Drive.

†Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

On every one it is the same silky, sweet-handling delight. On every one it cuts driving effort to the minimum, takes tension out of traffic, brings you to the end of day-long drives with surprising freshness and relaxation.

Sooner or later we predict that you'll join the army of car owners who wouldn't think of passing up what Dynaflo has to offer.

Why be among the late-comers? Your Buick dealer will be tickled to show you how quickly and how easily you can have Dynaflo to enjoy—right now!

BUICK alone has all these features

- Silk-smooth DYNAFLO DRIVE
- FULL-VIEW VISION from enlarged glass area
- SWING-EASY DOORS and easy access
- "LIVING SPACE" INTERIORS with Deep-Cradle cushions
- Buoyant-riding QUADRIFLEX COIL SPRINGING
- Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS (Dynaflo Models) plus HI-POISED ENGINE MOUNTINGS
- Low-pressure tires on SAFETY-RIDE RIMS
- Double Duty VENTIPORTS
- DUREX BEARINGS, main and connecting rods
- BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models

COMMUNITY HOUSE News

63 of the Boy Scouts of America went for an overnight at Joe T. Davidson's pas-

mile and one half at 5:00 o'clock in the morning. They started back to town around 7:00 o'clock.

Scoutmaster Gene Ramirez and Assistant Scoutmaster Romolo Vela were helped by Pete Cisneros, Virgilio Machado, Ed Vitela,

chairman of the Troop Committee and Frank Lugo, member of the Troop Committee.

Girls age ten and eleven are enjoying a cooking class on Tuesday afternoons. This past Tuesday they made rolls.

The Youth Fellowship has elected new officers. The election was very close for some offices. Elected were: Alfredo Garza, president; Napolean Vitela, vice president; Edelmira Reina, secretary; Serjio Martinez, treasurer; Maria Zapata and Raul Machado, directors of recreation; and Elva Vitela, Worship Chairman. Last Sunday night, twenty-five young people enjoyed the evening program that included recreation, business meeting and worship service.

Farm Cash Income Off From Year Ago

AUSTIN—Texas farm cash income for August 1949 totaled \$178,391,000, falling 6 per cent from July, the University of Texas Bureau of Business Research reported.

Cotton was the greatest source of income, bringing Texas farmers \$103,476,000 during August. Income from cottonseed totaled \$14,527,000; and cattle, \$14,724,000.

Compared with August 1948, farm cash income for August 1949 fell 4 per cent. With the exception of cotton, cottonseed, wheat, oats and eggs, all farm commodities brought Texas farmers less money in August than in August a year ago.

THE LOW DOWN - - - FROM HICKORY GROVE

You know folks, sittin' under a tree once in a full moon and thinkin'—not just sittin'—could pay more dividends than putting in all the time reading how we are to be saved via one more new trick law to be cooked up by Uncle Harry and his boys.

And as you sit and ponder you will maybe become a little dubious as to whether you have been as smart as you thought or have been a sucker all the time, as you look back on how you been voting. For my ownself, I got mad years ago when it was the fashion for the guy making the speech to say, "friends, I will now tell you all about it in simple words so everybody will understand." That got me—me, needing kindergarten language—insult, I calls it. And still do.

But to proceed—the guy who is to be hurt the worst via a Big and Fancy U.S.A. Govt., is the same kind of guy who was hurt worst via Herr Hitler, and J. Stal-

in, and Mr. Atlee—Mr. Average Guy—us—we will be the goat.

So, the next good day that comes along, go on out there and sit.

And while pondering, maybe you can also unravel how-come a limb-

er mayor allows a picket to clutter up the sidewalk and maybe

throw rocks—but you can't do likewise.

Yours with the low down

CHARTER MEMBERS HONORED BY OZONA WOMAN'S CLUB AT LUNCHEON IN CACTUS HOTEL IN SAN ANGELO

Forty years ago, at the instigation of Mrs. Frank Friend and Mrs. R. Lee Black, a group of eleven women in Ozona organized the first literary club of this city. It was known as "The Ozona Woman's Club." Membership was limited to thirteen and the group was to make an intensive study of Shakespeare.

Tribute was paid to those charter members at the luncheon held Tuesday at the Hotel Cactus in San Angelo. Following the luncheon and program, the group were guests at San Angelo College and visited the new educational plant.

Mrs. W. E. Friend, Jr., president for 1949-50, was program

chairman and the luncheon table in the Art Room was centered with a floral arrangement in club colors. The invocation was by Mrs. Frank Friend.

Mrs. A. C. Hoover told of the organization in 1908 with the following charter members: Mrs. Frank Friend, Mrs. R. Lee Black, Mrs. Kate Baggett, Mrs. W. E. Spell, Mrs. Minnie Olsen, Mrs. S. E. Couch, Mrs. A. W. Clayton, Mrs. W. E. West, Mrs. Bright Baggett, Mrs. W. E. Smith and Mrs. Will Baggett.

The club became affiliated with the Texas Federation of Women's

Clubs in 1915, increasing its membership to 35 and varying its course of study. Mrs. Hoover joined the club in 1915.

Mrs. W. E. West told of activities of the club from its date of federation until 1939. She was one of the charter members and remained active until about two years ago. She has been living in San Angelo for the past six years and until recently returned to give her parts on programs. Mrs. Will Baggett, the only charter member who has remained active during the forty years, summarized club activities the past ten years. She joined the club as a bride.

Ozona was, in those early days, a small town, 30 miles from the railroad, and as the need arose in Ozona, the Woman's Club had a part in every community development. Not until more recent years was there a P-TA and other women's groups organized, thus the original Woman's Club rendered an important civic service.

Through the years, the two outstanding achievements of the club, as recall the charter members, was the presentation of the Ben Greet Shakespearean Players, and being hostess to District 6, TFWC in 1927. It was about 1916 that the Ozona group learned that the Players were appearing in Brownwood on a Wednesday and in San Angelo on Friday. They inquired and learned that they could engage them for Thursday evening, with a guarantee of \$500, plus transportation to and from Barnhart. This was an outdoor theatre and plans for the presentation to be in the city park.

The weatherman interferred and "The Taming of the Shrew" was presented in the district courtroom at the courthouse. The club sold 500 tickets at one dollar each. The group remained in town the next morning and presented "All's Well that Ends Well," to the school children, so the club members felt they got two for one from the Ben Greet Players.

The club sponsored Lyceums and Chautauquas for several years and each year of its existence, has sponsored an art exhibit. They also sponsored the organization

of the Ozona Junior Woman's Club and Literary Club and the Woman's Study Club at Barnhart and also one at Sheffield. They assisted the Sonora Club to be federated. Members have filled state and district offices.

Mrs. W. R. Baggett summarized activities of the club the past 10 years saying the group has continued with the same line of literary study and civic projects.

Mrs. B. B. Ingham gave the Federation Counsellor's Report and the invocation was by Mrs. Frank Friend, who also read her prize-winning poem, "Fiddling Sime," a narrative poem based on Western folklore. She stated that she got her first inspiration to write from the Ozona Woman's Study Club. The poem appears in the Poetry Society of Texas' year-book.

About 35 were present for luncheon meeting.

Mrs. W. A. Brown and Mrs. Rickey, of Los Angeles, California, are guests here this week. Mr. and Mrs. Paul Gibbs.

Roy Henderson was in a San Angelo hospital several days of the week receiving treatments for severe penicillin reaction.

Weekly Swings
SOUTHWEST FARM MARKETS

(SFA)—Some southwest farm products brought higher prices during the past week, while many

others declined to lower values, the U.S. Department of Agriculture's Production and Marketing Administration reports.

More cattle and calves went to market in the Corn Belt last week than the week before, but less calves arrived in the southwest. Beef and veal sold steady to higher for the week, but calf meat

weakened. Slaughter calves and some stocker cattle sold lower Monday than a week earlier, but other cattle ruled steady to higher. Good and choice killing calves sold from \$18 to \$22 in Texas.

Increased hog marketings and lower dressed meat prices resulted in weaker hog markets. Butchers lost from \$1 to \$1.50 in Texas

and Oklahoma, and sows around \$1.

Sheep sales held up to the previous week's numbers, but fell far below last year. Dressed lamb and mutton advanced during the week. Lambs sold 50 cents to \$1 lower for the week at Oklahoma City and midwest markets, but sheep

and lambs changed little at Texas and Colorado terminals. Top lambs sold around \$22.

From half a million to a million pounds of mohair sold in Texas this week, according to unofficial estimates. Most sold at 45 cents for adult and 65 for kid.

Oscar Kost was confined to his home several days during the past week, a victim of a penicillin reaction.

Lockjaw Toxoid Provides Active Immunization

AUSTIN—Lockjaw, or tetanus, is a very serious disease caused by a tiny germ that looks like a stick with a ball on one end—something like a microscopic lollipop, says Dr. George W. Cox, State Health Officer. This ball is called a spore and it is the seed of the germ. Lockjaw germs are found in the soil, especially in manured soil of the barnyard or garden; in blank cartridges; etc.—in fact, just about everywhere. These germs grow best in wounds where there is considerable tissue destruction and in which chips of glass, wood splinters or grains of dirt have been embedded.

Every accident seen by the physician must be considered from the lockjaw angle; and whenever there is any question, tetanus-antitoxin should be given, for it is the antitoxin that has helped to keep the incidence of lockjaw at its low level. Your physician will advise you as to its use. Its disadvantages are that it only gives temporary protection; it does not get rid of the lockjaw germs in the wound; and it does sometimes cause hives and other disagreeable symptoms for a few days, particularly if the subject has had previous injections. Should lockjaw develop, it requires much antitoxin and entails great expense; and even then, not all cases can be saved.

It is not possible to free the environment of lockjaw germs, but now there is a method of active immunization. The subject becomes his own manufacturing establishment for antitoxin to combat lockjaw poison.

One nice feature about the treatment is that it can be combined with diphtheria toxoid and whooping cough prophylaxis. The concurrent immunization is, preferably, carried out in infancy.

From where I sit ... by Joe Marsh

But Curly "Knows What The Score Is!"

Was over at Doc Sherman's drug store listening to the World Series on the radio. Curly Lawson wanders in and says: "How about a chocolate malted, Doc?"

"Sorry, Curly," says Doc, "can't make you a malted for a while yet." "What's the idea?" Curly asks. "Well," says Doc, "most of the folks want to hear the game and the mixer makes too much noise." Curly thinks a moment and says, "Okay with me, Doc—I'll take a chocolate soda!"

This shows how tolerant folks can be. Doc showed his respect for

how the majority felt; Curly was big enough not to insist on his malted even though he doesn't happen to be fond of baseball.

From where I sit, willingness to respect the other people's feelings is important in a Democracy. If we're tolerant of a person's like for baseball or a glass of temperate beer, we've come a long way on the right road . . . the road to a better America, that is!

Presents Pupils In Home Recitals

Mrs. Fae Bland Tandy presented several of her pupils in brief musicals in the pupils' homes Sunday, with members of the families and friends present. Pupils so presented were Becky Davidson, daughter of Mr. and Mrs. Joe Tom Davidson; Lynn Gustavus, daughter of Dr. and Mrs. H. A. Gustavus; Tommie Spurgers, daughter of Mr. and Mrs. L. M. Spurgers and Bob and Bill Meinecke, sons of Mr. and Mrs. Hurst

Meinecke. Other pupils will be presented in similar recitals in the near future, Mrs. Tandy announced. These include Tommie Sue Chandler, Mills Tandy, Dixie Joyce Mason, Linda Millspaugh, Annette Jetton and Martha Flowers. The entire group will be presented in two studio recitals at Hallowe'en.

Free X-Ray Service For 59,859 Texans Provided By TB Assn.

Free x-ray service reached 59,859 Texans in the third year of operation of the Texas Tuberculosis Association's X-Ray Service among apparently healthy people, according to the 40th annual report of the Association just released by Pansy Nichols, executive

secretary. According to the report, 2.1 per cent of those x-rayed were classified as having definite or suspicious tuberculosis; 400 of these films showed other pathology such as heart ailments or cancer.

Miss Nichols pointed out that during the three years the total number of x-rays taken reached 188,521. The Association is now

operating a mobile x-ray bus donated by the Texas chapters of Beta Sigma Phi, business women's sorority. The Association expects to reach 80,000 people with this unit during 1949, according to Miss Nichols.

The program of work outlined in the report is financed solely by funds raised in the annual Christmas Seal Sale. Highlights

of the report include health education work with schools, colleges and professional groups; cooperation with State and welfare agencies interested in health and family service to the 87 local tuberculosis associations in Texas.

FOR QUALITY Dry Cleaning Call 55. Pick up and delivery service.

It's Tops - from the bottom up!

Want to study the important 60% of your next new car? Start with this road's-eye view!

Fact to remember: When you look at a car, any car, you only see about 40% of what you're paying for.

That's why—when experienced buyers come in to look at a Packard—we often invite them to take a "road's-eye view." We like to show and describe hidden values such as these:

- Double-solid-panel body construction—over a frame that looks husky enough to be the backbone of a battleship!
- Special alloys that make the engine almost "wear-proof." Fact: In high-speed, 25,000-mile endurance runs, Packard cylinder wear is less than the thickness of this newspaper page!
- Extra ball and roller bearings—more than you'll find in any other car in

Packard's price class. Like the jewels in a fine watch, these costly bearings guard vital parts against wear.

The list goes on and on, and on—and it covers all the big reasons for Packard's superior safety and comfort . . . and Packard's amazingly low operating and upkeep cost.

And how consistent has Packard quality been—in the hidden features, as well as the on-the-surface features? Answer: Of all the Packards built—in the last 50 years—over 50% are still in service!

Big Lake Downs Ozona Cubs 19-13

The Ozona Cubs were downed by the Big Lake Jr. High School last Thursday night, October 12th.

Big Lake scored twice in the first quarter which made it 13-0. Piner ran about 5 yards for his first touchdown. Fomby scored the extra point. It was 13-0 at the half.

In the third quarter, Fomby scored 60 yards to tie the game at 13-13. The try for the extra point was blocked.

In the fourth quarter, Big Lake led again. Ozona held them to the extra point. The final score was 19-13.

Fomby and Schneemann were outstanding players for Ozona.

This Thursday, October 13, the Ozona Cubs will play the Iraan Jr. High in Iraan at 7:00 p.m.

Jack's Dope Bucket

By Jack Sorrells
It seems the Ozona football team has been having troubles. Last week several boys were out because of broken bones and injuries.

Coach Harris has decided to let Lee Armentrout from left side to fullback. Raymond Mariz will replace Lee as fullback.

The junior high football team plays Iraan Thursday, October 14th in Iraan. Let's all go to the game and root for them.

It looks like Iraan, Menard Junction may have a tight game in the district if Ozona can win four out of the next five games. Ozona will probably walk away with the district title.

Ozona will be up against Menard this Friday night, October 15th. The game will be played in Menard starting at 8:00 p.m. This will be Ozona's toughest game of the season, so let's see every- one in Menard Friday night.

High School Future Homemakers Organize

On October 5th, girls in the Ozona High School Chapter of the Future Homemakers of America.

Officers selected were: president, Vivian Stratton; vice-president, Marjorie Parrish; secretary, Ann Holt; treasurer, June Pern- ington; reporter, Jo Lou Brewer; parliamentarian, Madeline Johnson; historian, Glenda Jetton; song leader, Betty Sue Maddox; Chap- lain, Mrs. Janie B. Hull; sponsor mother, Mrs. Stephen M. Mearns.

The H.M.A. girls served chocolate cake with fruit punch. This Chapter meets the first Wednesday in each month.

Seven 4-H Members Go To Kansas City

Seven Ozona members will represent the Ozona 4-H Club in the American Royal Livestock Exposition. They are: Tom Kincaid, Melton, Ann Baggett, Jimmie Mullan, Bill Schneemann, Ron- nie McMullan and Graham Child- ren.

They left Ozona Tuesday morning, October 11, at 5:00 a.m., and will drive to Oklahoma City to attend the night. Wednesday, they will make a tour of the Okla- homa A&M campus, looking at the livestock, etc. They expect to be in Wichita, Kansas that night. On the 13th, which is Thursday, they will visit Kansas State College at Manhattan, Kan- sas, and spend the night there. On Friday they intend to drive to Kansas City, Mo., and stay through Sunday, October 17, during which time they will visit several stock shows. Then they will drive to Dallas to attend the State Fair. These plans were made by Mil- ton Robison and Bill Bergfeld, district agent.

Graham Childress Heads Junior High Student Council

The Junior High elected its Student Council Friday, October 7. Graham Childress was elected president; Frankie Jones, vice president; and Alena Faye Powers, secretary.

Other candidates that ran for president were: Charles Garlitz, Ruth Stratton and John Lee Henderson. Joe Smith, Jeannene Thompson, Lynn Parker and Lois Gillospy were candidates for vice president. Shirley Kost and Sandra Brewer were in the race for secretary.

The candidates were allowed to make posters or give campaign speeches a week before the election.

The new Student Council had its first meeting Monday, October 10. "The Student Council will plan banquets and social doings as well as school affairs," says President Graham Childress.

8th Grade Homemakers In Monthly Meeting

The eighth grade unit of the Junior High School Future Home- makers of America met in a monthly meeting Thursday, Octo- ber 6th.

During the program, the girls learned homemaking songs. Jokes told by several of the girls added to the fun.

Refreshments of cookies and iced tea was all the more interest- ing because the girls had made the cookies on Wednesday.

Wanda Carden, vice president, was not present for the meeting. Jeannene Thompson took her place.

Hi Faculty Men In Volleyball Series

An untried and challenged vol- leyball team of the Senior High Faculty rose to sensational heights Tuesday night in defeating an over-confident and challenging team composed of the faculty from the rest of the schools.

Although the Senior High team, composed of such former college greats as Massingill, Harris, Mc- Donald, Mathews, Bramlett and Peltó, lost the first game by a narrow margin, they rebounded brilliantly by annihilating the bat- tered opponents in the second and third games.

A practice fourth game was played in which the Senior High team consistently proved their superiority with blazing serves and smashing kills of the balls set up by unexcelled team play.

Coach Mary Drake of Ozona High School called an unbiased game as referee.

Upon questioning Capt. Skinner of the losing team he remarked, "We wuz robbed!" Star Massingill of the victorious team, said when interviewed, "It wuz easy."

Comments from the grandstand after the game seemed to indicate that the Senior High team was nothing short of invincible and it was hinted that the seniors lost the first game purposely to instill some spirit into the weak Junior High team, composed of Capt. Skinner, Deans, Hearne, Hawk, Stoker, Armstrong and Boedecker.

MEET MR. MASSINGILL

Mr. George S. Massingill is in- structor of Physics, Geometry, General Math and Biology in the High School. He has a B.A. degree

which he received at the Univer- sity of Texas. He went to high school at Comanche, Texas. After he finished high school he went to North Texas State for two years. Then he received a trans- fer from North Texas to the Uni- versity of Texas, where he finish- ed his schooling. He was labora- tory instructor at U.T.

Mr. Massingill is 26 years old; has brown hair, blue eyes and is six feet, one inch tall. His fa- vorite sport is tennis, which he will coach this spring. He takes pictures during his spare time as a hobby. Mr. Massingill is room- ing with Coach Peltó, just across the street from the high school building.

Student of the Week

This week we have chosen Mary Ann North for Student of the

Week. Mary Ann is sixteen years old; weighs 111; has brown hair; blue eyes and stands five feet, two and one half inches.

Mary Ann is a senior and treas- urer of the Senior Class. She is also secretary of the Student Council.

She was born in San Angelo in 1933, and has lived in Ozona most of her life. She started to school in the first grade and has been going to school here since that time. Her hobby is collecting pictures. She likes all of her teach- ers and her favorite subject is bookkeeping. Her favorite active sport is softball, but she likes to watch basketball.

Mary Ann says, "The Lions can win the district football title, if they really try."

Rivers of grass...

"Rivers of grass" flow across this country. Mil- lions of cattle and lambs have spent the spring and summer turning grass into meat. Now they are ready for round-up and shipment. So in October they move to the markets—in a great flood of livestock. Many go direct from the range to meat-packing plants. Others go to the feed lots to be grain-finished. But, either way, these meat animals are mostly grass—which folks cannot eat—converted into appetizing, nourishing meat for people. They are adding greatly to the health and wealth of the nation. Without this "livestock economy," in which you and we are engaged, 779,000,000 acres of our United States would produce little food for human use.

Whether you ship your cattle and lambs early or late—whether it's to Chicago, Ft. Worth, Den- ver or any of scores of other markets—you'll find buyers there to bid for them. With many others, Swift & Company helps provide the year-round daily market which is as essential to your busi- ness as it is to ours.

Your grass, turned into meat, is a vital raw material of all meat-packing operations. There is keen competition for it. Every meat packer and commercial slaughterer (and there are more than 18,000 of them in the United States) must have a regular supply of meat animals. Each buyer knows the high bid gets the animals. He knows also that his own price range is set by supply and demand. He sees your steers and lambs as so many pounds of meat and by-products. The price you are offered for your livestock is governed by what the meat packer can get for the meat and the by-products.

Your Markets for Meat

In the early days of our coun- try, livestock was produced close to the point where it was eaten. But as the population grew, those con- ditions changed. Today two thirds of the people live east of the Mississippi, while two thirds of the livestock is produced west of that river. To bridge that gap of more than 1,000 miles is no small job. Millions of head of livestock must be processed and the meat distributed to where it is wanted. The facilities of nationwide meat packers provide you with markets for your meat animals; move the meat to cities and towns where it is in demand.

Swift & Company, and other nationwide meat packers, sell meat to retailers wherever there are people who want to buy it. . . no matter how far that may be from your farm or ranch. We bring you the benefit of national, rather than local, de- mand. This means that, in selling your livestock, you choose between the price created by local de- mand, or the price created by the national demand of millions of meat eaters.

We work hard to encourage people to serve meat oftener—to eat more of it. . . And we are proud that our nationwide system is one of the most efficient, low-cost food distribution systems in the United States.

Quotes of the Month

"We, as ranchers, are not sufficient unto ourselves. In fact, we are only the beginning of the beef line. Of equal importance are the feeder, the processor, the distributor and the consumer. Disregard the rights or welfare of any of these, and sooner or later we suffer."

Sam R. McKelvie
Pres. Sandhills Cattle Ass'n

"He gave it for his opinion that whoever could make two ears of corn, or two blades of grass, to grow upon a spot of ground where only one grew before, would deserve better of mankind, and do more essential service to his country, than the whole race of politi- cians put together."

Gulliver's Travels (written in 1726)

Supplement that Poor Forage

by Robert D. Rasmussen
New Mexico A. & M. College

Dried-up pastures and winter weather create the same feeding problem for the cattleman. They simply mean that you have lower quality feed and less of it. And you have little choice as to what you can do about it. You can let the cattle eat what they can find. In this case you're likely to take a weight loss on your cows. You'll also take a chance on a weak calf crop. Or you can feed a supplement. If you feed enough of the right kind, your cows and unborn calves will come through in good, healthy condition.

California experiments on deficient range showed the cow herd that got a protein supplement produced a 91% calf crop. Cows on similar range, without a supplement, produced a 61% calf crop. Arizona found that feeding supplement increased the weight of the calves at birth by 10 pounds.

The amount of supplement needed varies. Cows carrying calves, and young stock require more pro- tein than open cows or mature animals. A safe rule to follow is to watch the condition of the stock. Keep them healthy and thrifty.

Research by the New Mexico agricultural experi- ment station shows that during the winter months range forage is most critically short of phosphorus as well as protein. While some of the cake supplements are high in phosphorus as well as protein, most ranchers over the state are using mineral supplement for year-round use. A mineral supplement contain- ing at least 6% phosphorus should be made available at all times to range cattle. Experiments have shown that year-round use is better and more profitable than seasonal use.

Here's a goal for cattlemen. Use whatever kind and amount of supplement is necessary to keep your cattle healthy and thrifty. (Editor's Note: The prin- ciples of animal nutrition discussed above apply in all parts of the country.)

OUR CITY COUSIN

That big machine, City Cousin hears, is the kind that pulls off ears!

Martha Logan's Recipe for SAUSAGE AND CORN BREAD

- (Yield: 6 servings)
- | | |
|-------------------------|--------------------------------|
| 1 lb. pork sausage meat | 1 tsp. soda |
| 1 1/2 cups corn meal | 1 cup sour milk |
| 1/2 cup sifted flour | 1 egg |
| 1/2 tsp. salt | 2 tbsp. pork sausage drippings |
| 1 tsp. baking powder | |

Brown pork sausage meat thoroughly in heavy skillet (about 9 inches in diameter). Drain off drippings. Sift together corn meal, flour, salt, baking powder, and soda. Combine egg and milk and heat until well combined. Add 2 tablespoons drippings to milk and egg mixture. Pour liquid into dry ingredients and stir just until well mixed. Pour batter over pork sausage in heated skillet. Bake in moderately hot oven (450° F.) until well browned, about 30 to 35 minutes. Serve hot as main luncheon dish.

Rotarians Entertain Members Of Faculty

Members of the Ozona Rotary Club will entertain teachers in the Ozona school system in groups of four at each Tuesday noon luncheon of the club at the Hi-Way Cafe, it was decided by the organization. Beginning next Tuesday and at each luncheon thereafter until the

entire faculty has been entertained, the Rotarians will be hosts to four faculty members.

Seniors Sell Dinner, Band To Entertain At Lions Club Auction

The annual Lions Club Auction Sale will take place Thursday, October 20. It will start about 12:00 o'clock when the seniors will sell barbeque din-

ners. School will be turned out at noon. At 1:00 o'clock, the band will entertain by playing several tunes. The livestock that is to be auctioned off will be donated by merchants and local ranchers. Last year the total sales were about \$6,000. This year they plan to have matched ropings and plenty of jack pot roping on the program.

Thru the Keyhole

Charles, did you and Judy have fun Saturday night? Frankie, is Mary Ann getting your arm well so you can play football? Hodges can't make up his mind which girl he wants, Darrene or Tody. Kenneth Parker should have gone to the show Sunday afternoon. Marion M. was lonesome. Skeeter, you had better quit flirting with a certain girl in English class!!! Alton, I hear they have pretty good dances out near Sonora, is it true?? Sellers and Billy West had a lot of fun at the school house with their dates the other night. Betty Maness and Roy Graves were seen together in the show. Perdue, did you and Tom M. have fun on your trip? Jane Adams and Jimmie McMullan must have had fun at the race track with a certain Cadillac. Madeline and Jo Ann seem to be Old Maids now!!! Tissie, I hear you and Billy Ray G. had fun Monday night. Is it true? Seen at the Sonora football game last Friday were: Mary Ann and Frankie (Fish), Judy and Charles, Gilbert and Hallie, Glenn, Billy Ray, Patsy Cooke, Lee and (Fat) Maness. Betty Sue, do you miss Arm-ond? Miss Drake seemed to have had fun at the show last Wednesday night. Gussie, where is Red? Beat Menard!!! LETS JINX THE JACKETS

Tom Piner Named President Of Band

The Ozona High School band elected its officers Wednesday, October 5th. Tom Piner was elected president; Kenneth Parker, vice president; and Bobby Womack, reporter. Judy White is drum major and June Perner and Jeannene Thompson are twirlers. The band is going to Menard Friday night, October 14, to play for the game.

Lions Club Offers Prizes For Fire Prevention Posters

The Ozona Lions Club is giving away prizes for the best posters turned in by students in the schools. First prize is \$10; second prize, \$7.50; and third prize, \$5. A committee is being picked by Bill Cooper, composed of fire marshalls from other towns. The posters will be on display in the High School building on November 12. You must have your posters in by November 5. They should be turned in to Mr. Cooper or Mr. McIntosh. The posters must illustrate the subject "Fire Prevention Week."
