## Wool and Mohair Prices Pushed To New High Levels

### 40 Cents For 12-Month, 35 For Fall, 52-80 on Mohair Reached

Whether to back up for another new surge upward and upward or to level off for a time at present peaks, wool and mohair buyers over the area took a breathing spell after two weeks of spirited buying which saw prices for these products soar from depression lows to new heights for recent years.

Twelve months fleeces at 40 cents a pound, fall wool at 35 cents, mohair at 52 cents for grown hair, 60 cents for spring yearling hair, and 80 cents for kid, with an isolated sale at 90 cents for kid are tops set during the week.

At the weekend long wool hopped to the 40-cent peak with Tom Richey, buyer for A. W. Hilliard & Son, took the Bill Allison clip of 50,000 pounds at Sonora for that price. Richey again led the pack with a price of 51 1/4 cents for grown hair, 60 for yearling and 80 cents for kid in a purchase of mohair from Schreiner Wool & Mohair Co. at Kerrville the end of the week. But Tuesday saw a new high for the grown hair, with two buyers in the field setting the pace at 52 cents for grown hair and 60 and 80 cents for the yearling and kid. These buyers were E. G. Wentworth and Frank Montague, and their purchases were at Del Rio and San Angelo.

With fall wool clips and mohair coming in as shearing gets in full swing in this area, a holding tendency is noted in the local storage of the Ozona Wool & Mohair Co. Buyers are bidding for local accumulations and fleeces and hair are expected to be on the go here at the soaring price marks in the near future.

## ONE THING and THEN ANOTHER

By FRED GIPSON

CORPUS CHRISTI.—I've just been on my first real dove hunt. And now that I know all about the sport, I feel it my duty to give a little advice to others, that they may, too, learn better.

One of the first requirements of the true dove hunters is that he drive some 25 or 30 miles to the pasture he expects to shoot in. Of course, there are likely just as many doves within walking distance of his house, but without the drive there is no chance to puncture a tire, blow out a motor-head gasket, scratch up the paint job in the brush, or get stuck in the mud and tear up the rear end of an automobile.

No dove hunt is complete without such experiences.

Second, pick a low, marshy place to hunt in. There'll be more doves on the high ground, but no mosquitoes. And without some dusty, blood-thirsty mosquitoes to slap, how is a man to occupy himself in between bird shots. Without them, he'd likely fall asleep.

Carry two heavy bags on the hunt, one full of shells, the other to carry birds in. That way, you'll have two empty bags to carry back. All good dove hunters come in carrying two heavy bags.

If possible, try to get a big grasshopper to sit on your shotgun barrel, back where the rear sight would be if you were hunting with a rifle. I did that. And a dove flew up and I brought up my gun to shoot and the grasshopper's hind legs sticking up looked just like the V-shaped Rocky mountain rear sight on my old .30 Winchester back home. And then I noticed the hopper's eyes staring right back at me. And it startled me until I jerked the trigger.

## Man Who Drilled First Water Well Here, Who Is Spending Declining Years Seeing U. S. From Trailer House, Visits Relative

The man who drilled the first water well in Ozona, who served enough years in the United States postal service to be retired on a pension and who has in his declining years set out to see America in a trailer house, stopped off here a few days last week on a leisurely trek to Florida's temperate climate to spend the winter.

He is W. A. Haile, now 77 years old but as active as many a man of ten or more years his junior, who calls Austin, Texas, home but who in the last few years has spent more of his time traveling over the United States than he has in the Texas capital. Mr. Haile is a cousin of Mrs. John R. Bailey of Ozona and he and Mrs. Haile stopped off here for a few days visit with Mr. and Mrs. Bailey last week.

Mr. Haile drilled the first water well here, known as the county well, which served as a watering for mounts of cowboys who made headquarters here and for the buggy horses and buckboard teams of the early days. The well was located on the site of the present Baptist church. Mr. Haile also drilled the Bunker well and a number of the other older wells in the area.

Mr. and Mrs. Haile have traveled by auto over every state in the Union except four in the last four years. They have one of the most complete trailer houses, fully equipped with all the comforts of home, including electric stove, refrigerator, two bedrooms, kitchen and storage space. Mr. Haile drives his own car.

## Rev. Childers To Conduct Meeting At Buenavista

Rev. Clyde Childers, pastor of the Ozona Baptist church, will conduct a revival meeting at Buenavista starting next Monday night and continuing through Saturday. Services will be held in the school building at Buenavista, there being no Baptist church in the town.

Music will be directed by a committee from the Buenavista congregation, Rev. Childers said. Many are expected to attend the services from Imperial and other nearby areas. The pastor will be back in Ozona in time for services at the regular hours Sunday in the local church.

## Appellate Court Upholds Shannon Trustees In Suit

### Supreme Court Writes Finis To Mrs. Griffith's Claims

Trustees of the J. M. Shannon estate, which includes vast land holdings in Crockett county, won a final decision in the Texas Supreme Court to retain the estate intact against a suit brought by Mrs. Lula Griffith to recover a one-sixth interest in the multi-million dollar estate.

Mrs. Griffith, whose late husband was a one-time partner of the late J. M. Shannon, pioneer rancher and financier, set up a claim for an interest in the estate on the ground that her husband had retained a one-third interest in the Shannon property by reason of the partnership and that he had given her a half interest in his holdings. A Garza county district court rendered a verdict in favor of Mrs. Griffith for the amount of her claim.

Local attorneys and court officials this week received papers indicating that the Amarillo Court of Civil Appeals has rendered judgment in favor of the Shannon estate trustees. Subsequently, on an appeal to the Supreme Court that body refused a writ of error and overruled a motion for rehearing, which action wrote finis to the Griffith suit for an interest in the Shannon estate.

## Atlantic Refining Magnetometer Crew Is Stationed Here

Members of the Atlantic Refining Co.'s magnetometer crew moved to Ozona during the past week to establish headquarters here for geological explorations in Crockett county. The crew moved here from Sonora, where it has been quartered for several months.

A. R. Austin is party chief. Other members of the crew include K. V. Morrison, M. R. Proctor, E. G. Bower, R. T. Loughlin and J. A. Peterson. All except Mr. Peterson are married and have their families here. The wife of one member of the crew, E. G. Bower, is an Ozona girl, the former Imogene Baker, daughter of Mrs. Vera Baker.

## Oil Co. Official Pleads Guilty To Pollution Charge

### Grayburg Fined \$100 For Allowing Oil On Pecos River

H. D. Pace, superintendent of operations for the Grayburg Oil Co., near Iraan, entered a plea of guilty in justice court here Monday to a charge of pollution of the Pecos river with oil seepage from waste pits of the company, and paid a fine of \$100 and costs, amounting to \$122.50.

The case, filed in district court, was transferred back to the justice court, when an agreement was reached by officials of the Grayburg Oil Co., and Game Wardens T. S. Redford of Pecos county and O. Z. Finley of Del Rio, and District Attorney Weaver Baker and County Attorney N. W. Graham for the plea of guilty and the stiff fine.

Game wardens charged that the company, through careless handling of waste pits around producing wells and seepage had caused the death of many fish in the Pecos river from the effects of oil on the surface of the stream. Game wardens in recent years have minimized this hazard to marine life in the stream by keeping a close watch on oil operators along the banks of the stream.

## TO CLUB MEETING

Mrs. Carl Colwick, Miss Elizabeth Fussell and Mrs. Hillery Phillips will attend the Inter-county Federation of Women's Clubs luncheon to be held at the St. Angelus hotel in San Angelo Saturday. Both the state and district presidents of the women's clubs will speak at the meeting.

## Lions Tangle Up With Mertzon In Home Opener Sat.

### Locals To Be Short-handed In Warm-up Game Here

After losing a rough and tumble game to the strong Big Lake Owls the Lions are playing at home Saturday with Thurman Saxon's Mertzon boys furnishing the opposition. Saxon has been winning over in his district the past few years and is coming up again with a fine team.

The Lions showed some good blocking in the line and were aggressive on the defense against the Owls. They made an outstanding showing for such an early season game and were in exceptionally good physical condition. They handled their fundamentals exceptionally well and with such weight and a splendid spirit they

## Fifteen Families Locate Here For Todd Deep Well

### Nobel Drilling Crew Members Make Headquarters Here

Fifteen men, with their families, moved into Ozona during the first of the week to make this city their home while employed in the drilling of the Ordovician test on the J. S. Todd ranch 15 miles northwest of Ozona.

The toolpusher is Paul Buckley. Others moving into Ozona are Mr. and Mrs. T. O. Morgan, Mr. and Mrs. Roy Manning, Mr. and Mrs. Bill Smith, Mr. and Mrs. Bruce Harp, Mr. and Mrs. Paul Phillips, Mr. and Mrs. M. MacDilliard, Mr. and Mrs. Roy Code, Mr. and Mrs. Charlie McCabe, Mr. and Mrs. Harry Warner, Mr. and Mrs. Buster Bryan, Mr. and Mrs. Jack Smith, Mr. and Mrs. Henry, Mr. and Mrs. L. D. Herndon and Mr. and Mrs. Ed Spears.

One more man is needed on the crew but has not been employed yet, members of the crew said.

Rotary rig was moved in on the location after the well was spudded last week, and drilling was reported proceeding at around 600 feet early in the week. It is estimated that the well will be in process of drilling for nearly a year. Location is 1,650 feet from the south, 1,980 feet from the west line of section 30-WX-GC&SF. It is known as the Continental No. 4 Todd Community test. Seven other companies are associated with Continental in sinking the test.

## Another Flush Producer For Crockett Pool

### Gilcrease 11-13 Good For 469 Barrels; Plan Wildcat

Recompletion of another flush producing well in the University pool in extreme northwestern Crockett county, the second comparatively larger producer in the area, deepening of another well in the area for more than doubled production, a new test in the same area, and a wildcat test 2 1/2 miles northwest of the proven area are highlights of rapidly expanding oil production in that area of Crockett county during the past week.

Gilcrease Oil Co.'s No. 11-13 University last Thursday became the second large flush producer in the field when it flowed over the mast after obtaining more lime pay from 1,400-05 and at 1-450 feet, the total depth, then was turned into storage.

On an official gauge taken later, the well flowed 468.17 barrels of 25.6 gravity oil, plus 4 per cent water, in 24 hours. The well was tested naturally after deepening from 1,450 feet from 1,370 where it was completed on the pump for only 50.25 barrels. It is 990 feet from the north, 330 feet from the west line of section 13-14U.

Gilcrease Oil Co.'s No. 9-13 University has been recompleted at 1,400 feet after treatment with 1,500 gallons of acid for 103 barrels. (Continued On Last Page)

## Improved Field, New Spectator Rules To Greet Football Fans

When football fans gather at Powell field park Saturday afternoon to see the Ozona High school Lions in action for the first time this season on the home battlefield, against the Mertzon team, they will see many improvements to the athletic field and will be made acquainted with some new rules for spectators.

Among the most noteworthy improvements will be a bermuda grass field, sodded during the past summer and now in excellent condition. (Continued On Last Page)

## ATTENDS CONVENTION

J. W. Owens, Crockett county registered Rambouillet sheep breeder, with Mrs. Owens, left this week for San Francisco to attend the fiftieth annual convention of the American Rambouillet Sheep Breeders' Association, of which he is president.

## J. W. Owens Off To Rambouillet Breeders' Meet

### Ozonan Has Served 2 Years As President Of Association

Mr. and Mrs. J. W. Owens left this week for San Francisco where they will attend the 50th annual convention of the American Rambouillet Sheep Breeders' Association, of which Mr. Owens is president.

The association will meet in San Francisco September 26. Texas, which has the largest membership of any state represented in the association, is expected to send a large delegation to the San Francisco meeting, Mr. Owens said.

Mr. Owens is serving his second year as president of the Rambouillet Sheep Breeders' Association. Election of officers, including a president, and six directors, will be a feature of the California meeting.

Mr. and Mrs. Owens will go by train to San Francisco.

## DAUGHTER TO MCALEBS

Mr. and Mrs. Lowell McCaleb are the parents of a daughter born here Tuesday night. The little girl weighed 8 1/2 pounds.

## 41 PTA Members Are Enrolled At Opening Session

### Ft. Stockton Woman Is Speaker; New Teachers Honored

Forty-one members were enrolled in the Ozona Parent-Teachers' Association at the opening meeting of that organization for the new season Monday afternoon in the high school auditorium.

Mrs. J. W. Butler of Fort Stockton was guest speaker on the occasion of the opening meeting. She spoke on "Learning to Live," in which she outlined important habits that make for better character and a happier life. The habits of faith, investigation, purpose, plan, economy, learning, enthusiasm, application and sincerity were pointed out as worthy of cultivation. About fifty persons were present.

Entertainment features included a vocal number by Mrs. H. B. Tandy and a piano selection by Mrs. Neal Hannah.

New teachers in the school faculty this year were honored at a reception following the program. Hostesses for the occasion were Mrs. Walter Augustine, Mrs. Hubert Baker, Mrs. O. D. Busby, Mrs. Sam Beasley, Mrs. Ira Carson, Mrs. Fleet Coates and Mrs. J. A. Fussell.

## Court Winds Up Session With 5 Divorces Given

### Grand Jury Finds No Indictments; No Bill In Negro Shooting

District court for the September term was wound up in short order Wednesday morning after convening Monday morning.

In the brief session five divorce decrees were granted, one civil suit involving a mineral lease on University of Texas lands in the oil field area in the northwest corner of this county was tried and other suits pending on the docket were continued.

Jessie Graves was granted a divorce by Judge W. C. Jackson in her suit against Howard Graves, the decree also restoring her maiden name, Jessie Harrison. Annie Ratliff won a divorce decree from Sam Ratliff, and Phil Looney from Cora Looney. Mercias M. Gonzales was successful in a suit for divorce from Balentino Gonzales and Sophia Tambungo Munoz from Rafael Munoz. In an ex parte action, Velna Brown was granted permission to change her name to Velna Musick.

The Lu-Tex Oil, Inc., was awarded judgment by the court in its suit against J. R. Dunaway to recover oil, gas and mineral leasehold rights in all of section 17, block 14, University of Texas lands in this county except the northwest quarter and the east half of the southeast quarter of the section. Dunaway gave notice of appeal from the judgment.

No indictments were returned by the grand jury which was impaneled at the opening of the court term Monday morning. A "no bill" was voted in the case of Earl Salmon, who was charged in justice court following the shooting of a negro, John Daniels, here recently. Daniels recovered from the wound.

## Man Charged In Assault Case Is Adjudged Insane

### Cody Mayes, 23, Committed To Asylum By Jury's Verdict

Cody Mayes, 23, charged here recently with assault and attempted rape on an 8-year-old girl, was adjudged of unsound mind in a hearing in county court here Wednesday afternoon and committed to a state insane asylum for treatment.

Mayes has been held in the county jail for the past month. Testimony of physicians who examined the man and officers who observed him during the time he has been in jail was introduced, each expressing the opinion that he is of unsound mind. Mayes' wife of two and a half years, her three-months-old baby asleep in her arms, also testified to peculiar actions by her husband which led her to believe him of unsound mind.

Mayes was arrested on the 09 ranch near the Schleicher county line by Eldorado officers following an alleged attack on one of two eight-year-old girls who went with him to put out salt on the ranch. The case was transferred here when Schleicher county officers discovered that the alleged offense occurred in this county.

Mayes will be held in the county jail here pending an opening in one of the state institutions.

## FOUR FINED BY J. P.

Jicento Garcia paid a fine of \$1 and costs in justice court this week on a charge of drunkenness and disturbing the peace. Ethel Randolph and Luke Beatty, colored, were fined \$1 and costs each on a charge of fighting. Juan Martinez also was fined \$1 and costs on a drunkenness charge.

Colonel Lindbergh Warns

After an extensive sojourn in Europe, during which he accepted a decoration from Air Field Marshal Herman Goering, Col. Charles A. Lindbergh broke an eight years' silence Friday night to address the American nation by radio. He voiced a moving plea against America entering another war "unless it is absolutely essential to the future welfare of our nation."

There can be no disagreement with Colonel Lindbergh's abhorrence of our possible entanglement in that conflict. So-called advocates of collective security and so-called isolationists are as one in supporting his desire. But the widest possible disagreement arises over methods to insure and maintain the peace of America. Colonel Lindbergh carefully avoided committing himself on the proposed revision of the neutrality law. But the general tenor of his speech lends aid and comfort to the extreme isolationists, since he accepts their basic argument that the United States must not become a storehouse and an arsenal for any of the belligerents.

While approving Colonel Lindbergh's laudable desire to have America escape the horrors of another war, many listeners were somewhat surprised with the aviator's assessment of blame for the present aggression of Germany upon the victors in the last World War. There is not a hint of sympathy for the victims of aggressions nor any condemnation of the

OVER THE HURDLES

present rulers of Germany for their senseless recourse to war. The speech as a whole will be even more warmly received in the Third Reich than in America. Interestingly enough, it is almost identical with the warnings and advice being laded out continuously by English language broadcasts to America from official German short wave radio stations.—Dallas News.

Economy Imperative For National Defense.

It is announced that the government plans immediate further steps in building up the national defense, in order to assure the territorial security of North America. The navy, for instance, which is now at 85 per cent of blue-print strength, is to be brought to full strength, and a large number of old-war vessels are to be recommissioned to act as patrol ships in American waters.

Certainly there are innumerable cases where the cost of government can be cut—cases where the very efficiency of government would be improved by economy, such as taking the government out of competition with private business. It is time to cut such uncalled for expenses, so that there may be money, without increased taxes, for national defense. More increases in our incredible debt or in our staggering tax load, are the greatest danger to national security and independence.

Behind The Scenes In American Business

By John Craddock

NEW YORK, Sept. 18.—BUSINESS—Several major American industries last week moved to prevent run-away prices which over a period of time would very likely upset the normal flow of trade in this country. For example, U. S. Steel's subsidiary, Carnegie-Illinois, largest producer in the industry, has announced fourth quarter prices no higher than current quotations. Though encountering record demand, the rayon industry contemplates no price advances. No large price boost in chemicals is planned by leading companies in the industry, either for the final quarter of 1939 or next year.

SEE FOR YOURSELF—No matter how many mirrors a woman has in her home, it's generally true that one becomes her favorite and is used in preference to all others, interior decoration experts say. That, they explain, is because she has found by experience that all mirrors do not give a clear well-defined reflection—as anyone knows who has visited a county fair and seen his image in trick mirrors grow lean, fat and wavy by turns. Two kinds of glass are used for mirrors, plate glass and plain ordinary window glass. The latter sometimes plays havoc with women's figures because it has a wavy surface, while plate glass gives an undistorted

reflection because it is ground and polished like a pair of eyeglasses. So that mirror buyers henceforth will know for sure what kind of glass they are getting, the federal trade commission, at the request of the mirror industry, has set up a rule requiring all mirror manufacturers to label mirrors plainly telling whether they are made of plate or window glass.

THINGS TO WATCH FOR—Nation-wide contest by a large typewriter manufacturer to find a word to replace the word "portable" in denoting a home typewriter... Softer frankfurter casings as result of new tenderizing process whereby a pineapple solution is sprayed on the meat... Intended for home kitchen use, a new pressure cooker which can stew chickens in 40 minutes, boil beef in a half hour and vegetables in one-fifth ordinary time—it cooks at 15 pounds steam pressure on very little heat and with little water... Vitamin lolly-pops for parents whose children object to taking cod liver oil—one pop is said to be equivalent to the vitamins A and D contained in a half-teaspoon of cod liver oil.

HEADLINES IN NEW YORK—U. S. railroad's expanding their maintenance and car building programs to meet anticipated heavy freight traffic in coming months; recalling many workers... Minimum of 32 1/2 cents an hour pay fixed for textile workers by wage-hour division of labor department effective October 24... New York Stock Exchange president urges investing public to study factual information about companies before buying their securities—says this data is required of every company listed on the exchange... Canada at war, increases taxes on broad front... Cotton Textile sales this week 20 times production... American Retail Federation announces it "will make every effort to avoid war profiteering"... Mayor La Guardia dras-

For Athletes Foot To effectively relieve the itching and burning discomfort of athletes foot, ringworm and eczema use Merlann. This liquid medicine gives relief at once. Satisfaction guaranteed by OZONA DRUG CO.

tically cuts New York City's spending program because of war—says increased commodity prices, higher interest rates forbid any large-scale program of public improvements in 1940—sets limit of expenditures at \$20,000,000 which contrasts with \$215,402,540 sought by city planning commission.

There are a few folks who are so stingy they waste kindness only when they know it will pay and are pleasant only when it is a good investment.

The fellow who has half a mind to get married is apt to be waiting for the other half to make up hers.

The woman who has a large family to worry about usually hasn't time to worry about her weight.

"I'd like a couple of hard boiled eggs to take out," said the young fellow to the girl at the lunch counter.

"Alright," replied the waitress with a smile, "you have to wait. Mamie and I don't get off until ten."

Save Money — Read the Ads.

As soon as a man gets a job where he's paid for time off his common colds develop into a trouble.

Sixty miles an hour is fast enough except when you are in a great hurry. Forty is a safer speed then.

A rail car in Germany recently attained a speed of 135 miles an hour.

To All Car Owners and Drivers of Crockett County!

With another school year under way, additional traffic on streets and highways brings a greater need for care in driving, and increases the risks of car operations.

Therefore, we wish to warn you against fast driving, driving while under influence of liquor, disobeying stop signals, stopping in the middle of streets in the downtown districts, etc. These regulations apply to all streets, roads and highways in Crockett County.

Especially should care be taken at this time to see that headlights and taillights are in perfect condition and that brakes are in good working condition. Have your car safety checked.

We will appreciate your efforts to help us protect YOU and YOUR FAMILY against fatal accidents and the destruction of life and property.

We wish to assure you of our desire to assist you at any time you have occasion to call upon us, but the laws must be enforced. So help us by helping yourself.

### Faculty Men Hosts At Annual Picnic In Baggett Grove

Members of the Ozona school faculty are to enjoy their annual picnic this afternoon (Thursday) at the Baggett ranch grove. The men are sponsoring the affair and will provide a bountiful barbecue spread. A baseball game will feature the play session.

The teaching staff includes Mr. and Mrs. C. S. Denham, R. L. Springer, Miss Bess Terry, Guinn Caruthers, Mrs. Rex Russell, Ted M. White, Miss Mildred North, Norman Heath, Gene Hollon, Miss Zelma Scott, Miss Margaret Martin, Miss Rada Anderson, Miss Norine Allison, Miss Dorothy Spain, Miss Jo Demmer, Mrs. Arthur Kyle, E. J. McCulley, Miss Katherine Chapman, Miss Margaret Butler, and Miss Elizabeth Kuykendall. Fine arts teachers and the husbands and wives of all are to be included in the guest list.

Mrs. N. W. Graham became the owner of the first 1940 Buick to be brought to Ozona when the Wilson Motor Co. during the past week delivered a 60 deluxe sedan. Miss Wanda Watson is the owner of the first 1940 Buick sport coupe delivered by the same dealer.

# YES--

We are going to broadcast Southwest Conference football games again this year.

... and we're right proud of the privilege thus to broaden the service rendered by Humble Service Stations and Humble Dealers. Arrangements are complete, your announcer friends of past years have been retained, and all of us look forward to a bigger and better season of broadcasting than ever before! At the same time, we repeat what we've said every year since we undertook to bring you these radio descriptions of the Southwest Conference games: no game via radio can be so vivid, so thrilling, so jam-packed with fun and excitement as a game you see with your own two eyes. So, though we're delighted to have you as our guests at our football broadcasts, we urge you actually to see as much football as you can; there are plenty of games available—high school, college and university. To make your trips to all these games more comfortable, we invite you to stop for service where you see the Humble sign: you'll find spotless restrooms, ice water, prompt, helpful attention and motor fuel and motor oils which are definitely second to none. Follow the Humble route to football games this fall.

#### Baptist Missionary Holds Bible Study

A Bible lesson from the sixth and seventh chapters of Acts of the Apostles, taught by Mrs. Clyde Childers, was enjoyed by members of the Woman's Missionary Union of the Baptist church Wednesday afternoon. Present were Mrs. George Bean, Mrs. J. T. Patrick, Mrs. S. L. Butler, Mrs. George Neersta, Mrs. Childers and Mrs. J. S. Whatley.

Next Wednesday at 3 o'clock the society will have a Royal Service program at the church, with the Annie Sallee circle in charge of the program.

#### Grover Jones, Former Ozonan, Weds Fort Davis Girl Sunday

Announcements have been received by friends here of the marriage in Fort Davis, Texas, Sunday morning, September 17, of William Grover Jones, son of Mr. and Mrs. Sol G. Jones of Alpine, former Ozona residents, to Miss Frantom Friend Eaton.

The wedding was solemnized at the residence of the bride's parents, Dr. and Mrs. C. E. Eaton at 9 o'clock Sunday morning in the presence of members of the families and a few close friends.

Mr. and Mrs. Jones will leave soon for Lubbock to resume their studies in Texas Technological college, where they both will be sophomore students. Mrs. Jones is a former student of Daniel Baker college in Brownwood.

#### Methodists Start Missionary Study

First of a series of four lessons from the Missionary book, "Through Tragedy to Triumph" was taught by Mrs. Evert White at the meeting of the Methodist Missionary society Wednesday afternoon. The day's topic was "The Church and the World of Today." Twenty members have signed for the course.

Present Wednesday were Mrs. J. A. Fussell, Mrs. Bascomb Cox, Mrs. Joe Pierce, Mrs. Carl Colwick, Mrs. Ted White, Mrs. Charles Williams, Mrs. W. R. Baggett, Mrs. J. R. Bailey, Mrs. Paul Phillips, Mrs. H. B. Tandy, Mrs. V. I. Pierce, Mrs. Mary Flowers, Mrs. Madden Read, Mrs. O. A. Kirby, Mrs. S. M. Harvick, Mrs. W. E. Smith, Mrs. Stephen Perner, Mrs. Hugh Childress, Mrs. Johnson, Mrs. N. W. Graham, Mrs. Mike Friend, Mrs. George Montgomery and Mrs. Evert White.

"Hog Caller" Myers and Boyd Knighton were back in Ozona Saturday for a visit with friends. They are working on an oil well in Cameron, La.

Mr. and Mrs. Leslie Nance had as their guests last week Mr. and Mrs. Leo Balcomb from Christoval. Mr. Balcomb was formerly employed on the Paul Perner ranch.

### Mrs. Tandy, Mrs. Harvick Meet With Planning Committee

Mrs. S. M. Harvick and Mrs. H. B. Tandy left this morning for Brady to meet with the convention committee of the Damrosch Music club at Brady to map plans for the annual convention of the Sixth District, Texas Federation of Music clubs, which will meet in Brady October 19, 20 and 21.

MRS. H. B. TANDY

Mrs. Harvick, president of the Ozona Music club, is district program chairman. Mrs. Tandy, first

vice president of the district, is now acting district president. Mrs. R. P. Wyche, formerly of Abilene, Sixth District president, recently moved to Fort Worth, outside the district, and Mrs. Tandy as vice president, will administer the duties of the president's office the balance of the year.

Mrs. Harvick and Mrs. Tandy will be guests of the Brady club at a luncheon today and will assist the convention committee in completing arrangements for the district session.

MRS. S. M. HARVICK

Tendall Jones, an employe of the West Texas Utilities Co. in San Angelo and a brother of Frank Jones of Ozona, underwent an emergency operation for appendicitis in a hospital at Paducah recently. He was there on a visit with a brother, Dr. Ernest Jones.

### Music Club Meets Monday For Second Program Of Season

Mrs. Pleas Childress will be hostess to the Ozona Music club Monday, Sept. 25, at the home of Mrs. Bascomb Cox for the second meeting of the current year.

The meeting will consist of a musical program with Mrs. Lowell Littleton, leader. Mrs. Paul Perner will give a talk on "Getting Acquainted With Music" and Bill Hannah, Junior club guest, will sing a baritone solo, "The Story of the Band" will be given by Mrs. Eugene Slater; Mrs. Elton Smith will play a cornet solo. Following Mrs. Smith will be a playlet, "Betty and the Brass Choir."

Mrs. V. I. Pierce has arranged a brass ensemble by the Junior club. A "professor quiz" will conclude the program by the leader.

### Methodist Young Women Organize Missionary Group

Several members of the Methodist church met Thursday afternoon at the ranch home of Mrs. Carl Colwick to discuss the organization of a Young People's Mission group.

Present for the occasion were Mrs. Ted White, Mrs. Bill Littleton, Miss Wayne Augustine, Mrs. Demp Jones, Mrs. Joe Clayton, Mrs. J. A. Barrow and Mrs. Bill Conklin.

The young people are to meet again today at 1 o'clock for a luncheon at Mrs. Colwick's ranch home where they are to elect officers and adopt study plans. Mrs. Colwick was made chairman of this work last spring.

### Bringing Luzier's Cosmetics To You

Miss Charline Hutton, district manager for LUZIER'S famous line of cosmetics, is in Ozona this week making new friends for Luzier preparations and meeting old customers. Miss Hutton will be grateful for the courtesy of a brief interview when she calls at your home to introduce the world's leading cosmetics. No obligations, of course.

To make LUZIER'S preparations available to Ozona women, Miss Hutton would like to contact some lady over 25 who would act as local representative to assist in caring for local customers. Must be capable of earning at least \$27.50 per week and have A-1 references. Call Hotel Ozona.—Adv.

Vic Montgomery visited his old haunts around T. C. U. in Fort Worth last week, reminiscing on his days as a star of the powerful Horned Frog teams of 1935, '36 and '37. He took his little brother, William Beecher, who is entering T. C. U. as a freshman this year, and another possible contribution from Ozona to Coach Dutch Meyer's Frogs.

Mr. and Mrs. Frank Wyatt and small daughter were here a few days this week from San Angelo visiting Mr. Wyatt's mother, Mrs. F. M. Wyatt.

### FORTY-TWO CLUB FORMED AFTER PARTY

Including three tables of guests for the occasion, Mrs. Audra Moore entertained with a forty-two party in her home Friday. Guests for the occasion decided to organize a forty-two club and Mrs. Alice Baker was elected chairman. Refreshments of ice cream and icebox cookies were served after the games in which Mrs. Ray Dunlap won the high score prize.

Guests included Mrs. O. A. Kirby, Mrs. Leslie Nance, Mrs. Alice Baker, Mrs. Ray Dunlap, Mrs. Ernest Dunlap, Mrs. Charles Williams, Mrs. Pon Seahorn, Mrs. Bruce Drake, Mrs. W. S. Willis, Mrs. A. E. Deland, Mrs. Bill Hoover, Mrs. Buddy Moore and Miss Dorothy Drake.

### Club Institute Planned At Ozona Woman's Club Meet

A club institute will be held by the Ozona Woman's club at the second meeting of this organization for the current year next Tuesday afternoon at the home of Mrs. W. R. Baggett, with Mrs. B. Ingham assisting Mrs. Baggett as hostess.

"The Woman's club in American Life" will be the topic for discussion, which is to be led by Mrs. Paul Perner. New Aims for One Club will be given by Mrs. Ira Carson.

Mrs. George Neersta is home from a visit with her mother in San Saba.

Editorial

By MILES PIERCE

This is the first issue of the Lion's Roar for the 1939-40 school term. The future issues of this paper are planned to be better than ever.

The school has appropriated a sum of money to the Lion's Roar for the purpose of bringing to you more local pictures. An average of two pictures weekly will be run in the Lion's Roar.

At a recent meeting of the Press Club it was decided that some of the old columns are to be replaced by new columns that have more "oomph" in them. So watch out!

And I quote fragments from the last Press club meeting. "Yes, you had better watch your step. The Press club has gone wild. They're out to get news (for a change). The gossip editors are prowling. West and Kirby have grown a new garden of zinnias, orchids and onions. The man at the pool room has turned into the sports lover, while Jim rambles over the sports. Eloise suddenly awakens, grabs her pencil, dates her paper Sept. 32, and marches with the band. Reporters are covering stories, if bricks don't cover them first. Hallelujah! It's a big jamboree! The Press club is on a spree! Watch out, chilens, watch out! By the way, the editorials will remain dry because of tradition." Unquote.

The staff sincerely hopes that you will read and enjoy the Lion's Roar forevermore.

Editor's Musings

- PEP SQUADS
INITIATION
COMMERCIAL SUBJECTS

The Ozona high school pep squad made its first showing in the game between the Big Lake Owls and the Ozona Lions in Big Lake Friday night. The pep leaders, Gene Drake and Johnnie Boyd, have new uniforms of heavy white satin, trimmed in purple. The pep squad uniforms are made up of a gold skirt and a purple satin blouse, of which 28 member have these suits.

Mr. Norman Heath was elected sponsor, while Mrs. Rex Russell was appointed assistant sponsor. Joe Albert Brown and Kay Kirby were chosen as mascots.

All freshmen that come out for football have washday on Friday. The upper classmen make the fish wash their football equipment. Some job!

The freshmen girls made \$3.15 for the pep squad by selling suckers on the streets. The girls had their dresses inside out and backwards, and they had their faces painted. After selling the suckers, the girls had to walk to town from the second turnoff on the east road.

Ozona high school has the largest civics, bookkeeping, and typing classes in its history. The bookkeeping class, which has 20 members, had to move to the biology laboratory. The civics class has 32 members, necessitating two extra chairs. There are 28 students taking typing, so the class has been divided into three groups.

Fast Thinker

Father: "Did I hear the clock strike three when you came home last night?"
Junior: "Yes, Dad. It was going to strike eleven but I stopped it so it wouldn't wake you up."

"Still engaged to Jane?"
"No."
"Good!"
"What?"

"Good. How did you get rid of her?"
"By what?"
"By what?"
"By what?"

"How did you drop the old hag?"
"I married her."

Band Appears In New Uniforms At Big Lake

New Band Officers Are Elected For Coming School Year

Norman Heath, band director, called the band together for full rehearsal September 5, for the first time since school was out in May. Every day since then the band has had its regular morning practice and has also had classes during the day for the members who wish to get a credit in band.

The band lost many members when the seniors graduated last May, but there are already three new members to fill part of the places, and there is hope that there will be many more. These new members are Roy Manning, trombone; Jack Manning, drum, and Nan Tandy, French horn.

The band members attending the football game at Big Lake last Friday night were Louise Bean, Mary Frances Bean, Mary Elizabeth Gray, Joe Max Word, Dorothy Capps, Joy Coates, Ruth Townsend, Henry Patrick, Lorain Watt, Daphne June Meinecke, Nan Tandy, Oleta Casbeer, Dick Henderson, Jayme Chapman, Miles Pierce, Tom Ed Montgomery, Roy Henderson, W. B. Robertson, Leslie Nance, George B. Armentrout, Roy Manning, Jack Manning, Lottie Jo Owens, Eloise Carson and Naomi Collard.

The band members who did not play in Big Lake were Bland Tandy, L. B. Cox, Vernon Donald Wilson, Dick McDonald, Joe Couch, Jesse Hancock, Ed Leatherwood, Bill Carson, Billy Hannah, Jim Ad Harvick, Charles McDonald, Earnest Brownrigg and Mervin McLaughlin.

The band members were issued uniforms of gold with purple trimmings before the game. The drum corps and pep squad, dressed in flannel skirts, marched with the purple satin blouses and gold band on the field. The drum major, two twirlers and two pep squad leaders were dressed in white with a touch of purple. Kay Kirby, one of the mascots, was dressed in a white satin dress made much like the pep leader's and Joe Brown, the other mascot was dressed in a purple shirt and white trousers. These uniforms made a very colorful scene.

The band marched the length of the field first, counter-marched, and came to the center of the field, made a left turn, and came to a halt just in front of the stadium. The pep leaders, Gene Drake and Johnnie Boyd, led the band and pep squad in two yells. The drum major, Dorothy Hannah, then gave the signal to play the school song. After the school song, the band did an about-face. The drum major then gave the signals to march forward, make a left turn, and leave the field.

The Big Lake band director came over and led the Ozona band in a number. Likewise, Mr. Heath led the Big Lake band later.

September 18, the band elected their new officers. They are as follows: W. B. Robertson, president; Miles Pierce, vice president; Eloise Carson, secretary and treasurer and Librarian, Roy Henderson, Jr.

Class Officers for Coming Terms Elected

The Senior officers are: President, Jim Dudley; vice president, Eloise Carson; secretary-treasurer, Billie Jo West, and reporter, Gladys Jean Wills.

For the Juniors, president, Bobby Lemmons; vice president, Shorty Colquitt; secretary-treasurer, Jayme Chapman; reporter, Sybil Luther, and sergeant-at-arms, Elton Smith.

Sophomore class: president, Floyd Hokit; vice president, Louis Wardlaw; secretary - treasurer, Mary Faye Lucas; reporter, Mary Faye Lucas, and sergeant-at-arms, Lloyd Coates.

Freshman class: President, L. B. Cox; vice president, Margaret Russell; secretary-treasurer, Rozelle Pharr, and reporter, Lottie Jo Owens.

"Mama, when the fire goes out, where does it go."
"My dear boy, I don't know. You might just as well ask me where your father goes when he goes out."

Orchids and Onions Kirby-West

Orchids to Johnnie and Jean for their earnest work with the pep squad. They have a fine start—more power to them!

Onions to Eloise for making Miss North forget herself in bookkeeping. (Or maybe to M. N. for forgetting.)

Orchids to W. C. for his "wide-awake" attention in English class. Onions to Howard for being too childish in some classes.

Orchids to all the new class officers. May they see a brilliant and successful year.

Onions to Joe Couch and Bobby for going too "anti-American" in their hairdress.

Orchids to Norman Heath for offering to furnish ants for a freshman band picnic.

Onions to Joe Couch for making the people of the insane asylum look for him so long—according to Roy.

Orchids to Vernon for making our lone touchdown in Big Lake. Onions to Jean for being too touchy about getting out of cars before a friend (?) left for school.

Orchids to the Press club members for being so willing to make a good paper.

Onions to Mustard for having flats at the wrong time on his

Prospects for Larger, Better Home Ec. Club

"I believe we will have a larger and better Home Ec. club this year than we have ever had," declared Mrs. Russell, home economics teacher.

Even though the Home Ec. club has not been yet organized, there are prospects for a larger and better club. In the four classes Mrs. Russell has there is a large number of girls as well as old members that will be in the club.

The first class in Home Ec. is the seventh grade. They are just beginning the simple tasks of keeping house. The next class is Home Ec. I, having freshmen members. They make a simple school dress and cook simple foods. Home Ec. II follows with advanced study in both sewing and cooking. Home Ec. III is an entirely different course, including interior decoration, landscaping, and finer sewing. Also, there will be dinners served by the Home Ec. III class just for the class members.

The purpose of the Ozona Home Ec. club is to teach the girls social standards by having special occasions, such as teas, lunches, banquets, and formal dinners. All these things will draw the girls into a closer relationship, and in that way every girl in school that takes Home Ec. has as much chance as any of the others.

JUNIOR HIGH FOOTBALL TEAM

Mr. Hollon, the coach of the Junior High football team, has prospects of a good team this year. "The only drawback," he said, "was that all of the boys were very small. There were approximately 20 boys coming out for football. The players that are back who have played before are Tom Ed Montgomery, Jimmy Reed, James Chapman and Arthur Phillips. There are two new players of Junior high who are very good. Their names are J. H. Stevens from Mertzon and G. W. McDough, who is the heaviest man on the team, weighing about 100 pounds. The average weight is about 80 pounds. The games have not been scheduled, but they will probably play four games, two with Iraan and two with Sonora. They will start the games within two weeks."

GRADE SCHOOL NEWS

Mrs. Denham is reading us a book called "Sonny Elephant." This is the best story we have ever heard. Sonny Elephant lives in the jungle with his Popsy and Mumsy. He is the worst little elephant we have ever heard of. You must read the book sometime.

There are 20 pupils in the 4th grade. The first day of school we had three new pupils. They are Robert Yancy from Barnhart, Robert Lovelace from San Angelo, and Vernon Myers from Spur. We are glad to have these new pupils, and we hope that they are good football players.

Phone your news to the Stockman

Organization Of 1939 Pep Squad

Jean Drake says that the pep squad will surely be a success this year because all 28 girls are very enthusiastic about their work.

During the first pep squad meeting on Sept. 4, Mrs. Russell and Mr. Heath were elected as sponsors. Joe Brown and Kay Kirby are the mascots. Since this first meeting the girls have been meeting at 8:30 and 12:45 in order to be prepared for all games of the season.

Jean Drake and Johnnie Boyd, pep squad leaders, will have suits consisting of white pleated skirts with white blouses. The other members of the pep squad will wear the same suits as were worn last year, which suits were gold flannel skirts and purple satin blouses. Both suits and girls are now ready to start the most exciting season of the year, the football season.

Largest Commercial Classes In History

The commercial classes in the Ozona high school are larger than ever before. The bookkeeping class is so large that it has been moved into one of the science laboratories. There are 20 in the class.

When school is out there should be some students that will really know how to type, if I know Miss North, the teacher. There are 28 students now taking typing. They are divided into three classes, for the first time since Miss North has been here. Miss North said, "I have very good material for the spring tournament." The typing students will have practice meets with Sonora just as they did last spring. Miss North also said, "I take a big typing class." The typists hope to win the tournament in the spring.

The freshman class really goes in for Junior Business Training, having 29 in the class. This is the largest class since the class of 1935-36, which affiliated this subject with the state department. Keep up the good work in Ozona High school.

Grass Planted On Football Field

Last June 1 one hundred pounds of grass seeds, costing \$38, were planted by hand on Powell Field to provide a grass field for the football team. Thirty-six dollars were spent for plowing and planting labor. Following the flood in early August, 20 more pounds of seed were planted.

A firehose and the necessary nozzles were purchased at a cost of \$72 to water the grass. To provide for water a 2-inch water main was laid to the field for \$35. During the summer one man was employed to keep care of the field. From time to time extra help was acquired to cut the weeds.

The students of Ozona High school should be proud of this field, although there are still a few over-looked grass burrs left on it. It gives Ozona one of the best sodded fields in the area considering it is the first year, and an excellent start for next year.

FOOTBALL

"We should have a good enough team to win the district," said Jim Dudley, captain of the football team. "It looks as though the prospects are better than they have been for the last several years."

The team will be very heavy and powerful, averaging about 175 pounds for the starting lineup. The full squad will average about 160 pounds. There will be 9 lettermen from last year's squad returning, and several other good prospects are coming up.

There are nine scheduled games for the team, with still one open date. Six of them will be district games. The schedule will be as follows:

- Sept. 23—Mertzon here.
Sept. 30—Junction there.
Oct. 7—Rankin here.
Oct. 14—Rocksprings here.
Oct. 21—Menard there.
Nov. 4—Mason here.
Nov. 11—Sonora here.
Nov. 18—Eldorado there.

"Billy, do you know what happens to little boys who tell lies?"
"Sure, they ride for half-fare."

Big Lake Owls Eke Out Ozona Lions In Opener

Webb, Lemmons Duel; Ozona Defense Good Wilson Scores.

By JIM DUDLEY

In a bitterly contested battle, featuring a passing duel between H. Lemmons of Ozona and Webb of Big Lake, the Big Lake Owls managed to squeeze out a 13-6 victory last Friday night at Big Lake.

All of the scoring was confined to the second quarter. Big Lake counted first on a 50-yard jaunt around left end by the everthreatening Webb. Webb then missed getting the extra point. The Owls were set up for their second score by recovering a fumble by Jim Dudley on the Ozona 20-yard line. After a few line plunges, Lindley, the Big Lake fullback, plowed over from the 9-yard line. Webb barely put the ball over the crossbar for one more point.

Ozona came back with an effective passing attack scoring on the last play before the half by a 25-yard pass from Howard Lemmons to Donald Wilson. Howard Lemmons' try for the conversion was wide.

The second half was waged with neither side having the advantage.

The whole Ozona line clicked well on the defense most of the time, with no one excelling. J. K. Colquitt played on excellent defensive game at the halfback post.

On the offense Howard Lemmons, with his passing and line-plunging, and Donald Wilson, who caught six straight passes from an end position stood out for the Lions.

This Saturday the Lions entertain the Mertzon team for the first game on the newly-sodded Powell Field.

The Senses

By Kirby-West

SEEN—

Miss North trying to climb stairs after riding bicycles all the day before.

Eloise trying to find her way out of the red in bookkeeping.

Pep squad members running to keep up on the field when we counter-marched.

Fats Thurman "ringing the bells on Oscar." Get some heavier weights, football team.

The Senior class marching out and back into the English room for exercise.

Tincy and Johnny riding in Mustard's Chevrolet Sunday.

Dorothy doing all right for herself all Sunday.

OVERHEARD—

A rumble, rumble—the drum corps at practice every day.

Miles actually giggling at his own column.

Johnnie Boyd asking Mr. Denham for the "microphones."

FELT—

Knocks and bumps in football training.

Lashes of sarcasm—you poor darling little fish.

Headaches from studying so much—when we do study at all.

SMELLED—

A stinkbug in Jean's car on the way to Big Lake.

Big Lake drinking water—phewee!!!

TASTED—

The bitter dose of losing the Big Lake game.

Two good luncheons by the Home Ec. girls.

Cotton padding by Roy. Joe claims that Roy ate all the cotton out of a padded cell in an insane asylum.

Laborer: "I'll have a raise, sir. There are three other companies after me."

Boss: "Is that so? What companies?"

Laborer: "Light, water and fuel."

The Prowler By Lemmons and Drake

Some girls from Ozona were having a hard time, and as far as I could see, were not having much luck in picking up a few of Big Lake's football heroes. Among the group were Naomi, Peggy and a few others.

A couple of seniors (by the way, one is assistant pep squad leader) were out riding around with a few lower classmen Sunday afternoon. Nice rating. Seniors, Byron, by the way, was one of the lower classmen who was escorting the two senior girls.

It was rumored around town that Byron, Eddie Cooke, Joe B. and one or two more were having a very good time (or would you call it a good time, J. K.) Saturday night.

Some people have asked when J. K. is every weekend. Well, like this—J. K. has to stay home during the week days, studying, you know, and when the weekend comes around he has to see a friend (boy or girl, Shorty?) who lives in S. A. The initials of the friend are A. S. Maybe it's Andrew Smith.

Baby Girl, who sometimes answers to the name of Gem, was seen riding around with a low-life Junior Sunday afternoon. Have you hooked him yet, Baby Girl?

Ah, yes, Joe Couch, the always hair senior, was out with Gladys Jeane Saturday night. How do you rate such a treat, Joe?

Some boys are tight with their money, but this boy has them all beat. On several occasions a freshman boy will be sitting among a group of boys at the show, when a freshman girl, Mrs. Louise Perner, walks in and begins looking for a seat. Immediately this boy jumps up and shows her to a seat, being sure there is one for him on one side of her. B. B. grow up.

A certain red headed senior has been making eyes at a certain lower classman. Have you conspired him yet, Tincy?

My that Bess gets around! A handsome boy and a convertible coupe! One is enough for an ordinary struggling fem, but oh, the Bess, she rates both!

Johnnie and Tincy hit it off with Roy Manning—another of Ozona's younger generation.

Dorothy, do you talk to your dream man in your sleep each night? You better look out or we will find out your secrets.

I may be wrong about this one, but from what I hear, Noma left a picture out of a letter to be one and only in Fort Stockton.

I wonder why all these "stay-over" expressions? (No! Not some of you little Sophs!)

Some of the freshmen girls got an idea from the show Sunday (I mean having a chauffeur, not that not so, Roy?)

We wonder what four girls wanted to paint Big Lake red. It all happened last Friday night.

MIXED NUTS BY THE NUT CRACKER

Ozona, Texas
May 60, 1977

Dear Friendless Friend: You are cordially invited to attend a moonlight afternoon picnic to be held on the morning of June 32, given by the Mixed Nuts of Woodville Asylum. If you happen to get there before you come, you will meet yourself coming back.

You are invited to bring all your crazy friends and stay at home.

DIRECTIONS: Take the car you just missed and get off where you got in.

FEATURES: Music will be furnished by the Hat Band, the best in the country, assisted by the Rubber Band, which will give a few stretches.

AMUSEMENTS: Men without legs will run a race for silver cups made of metal, the best that ever come out of Woolworth's.

Armless men wishing to join the baseball contest must present their names in their own handwriting. A murder will be committed every half hour, two hours apart for the amusement of the kiddies.

RULES: Orphans with parents will be admitted free. Everybody dead on the lot will be arrested at once and returned home to die. On the committee are Dr. Cutworm, earoff and Mr. I'm a Nut.

LUNCH: Spaghetti will be served by the yard and ham sandwiches made of cheese. Very hot shortcakes with delicious hot coffee served cold without milk or cream which is free if you bring it.

Hope you will not enjoy yourself, and sincerest regards. Your truly, PIERCE & WEST.

TATTLING

By C. MAYE DUNLAP

... going ... gone—No, it is not an advertisement for tonic but this is the way the Ozonians have dispersed. Quietly crept over the city for a few days, but suddenly the sun came again and every one started in search of new worlds to conquer, or windmills like Don Quixote. Only this time it seems it's not windmills—just convertible cars. For, it seems, there are two in town that just take the fancy of everyone.

In fact, the way that Tommy Morris and Tony Noble of San Antonio were being dragged in Sunday night, because, as Tommy said, "the bottom dropped out" of the car, makes us wonder if dove hunting is really worth the while.

Generosity is the word that fits the case of Sheridan and L. D. Kirby when it comes to lending cars. Ray was using Phil's car last Saturday night for one last fling, before leaving for T. C. U., until he needed the vehicle to report for work. Then generous L. D. indicated that Ray take his car. Ten minutes later he was presented with an "accordion" instead of the expected car. "Lucky" Sheridan L. D. calls Phil.

The scene could be any cafe or drug store and the character is a prominent young bachelor drinking coffee and cokes—but he doesn't like them.

The Ozona Lions and Big Lake Lions kept a few dates on the edge of the bench last Friday night ... Bill Bargett and Lurinne Townsend, Martin Harvick and Lib Coose, Jake McCulley and Dixie Davidson, Richard Miller and Jess Parker, L. D. Kirby and Dorothy Drake, and Gene Hollon, Jetsy Robison, Ele Bright Bargett.

Bicycle riding is definitely in season with Mildred North, Margaret Martin, Bess Terry and Dorothy Spain cruising over the highways and hedges.

"You say the elopement was sort of forced on you?" "Yes. After she came down the rope ladder, her dad pulled it up."

Minimum Cost Home

In room arrangement this Iowa home follows one of the most popular two-bedroom plans. Fenestration in both living room and bedrooms is generous, and in general this house has many excellent features not found often in its price class. Monthly payments of \$25.19 will amortize its Federal Housing Administration-insured mortgage of \$3,600 over a period of twenty years. This does not include taxes or hazard insurance.

FLOOR PLAN

The Duke of Abercorn, as Governor of Northern Ireland, has stopped the flogging of boys under orders of juvenile courts.

Because of the decreasing number of inquests in London the number of coroners' districts may be reduced from six to five.

Money No Object! The nut entered the cigar store and picked out a 5-cent cigar. He then reached into his wallet and tendered the clerk a thousand-dollar bill. The clerk caught his breath. "What's this?" he asked nervously. "You purchase a 5-cent cigar and expect me to change a thousand-dollar bill?" The nut reached back into the cigar box. "Very well," he shrugged, "just to stop your squawking, I'll buy two!"

Charles Crocket has died in Aberavon, Wales, from wounds received at the Battle of Salomika 22 years ago.

'My Skin Was Full Of Pimples and Blemishes' says Verma S.: "Since using Adlerika the pimples are gone. My skin is smooth and glows with health." Adlerika helps wash BOTH bowels, and relieves temporary constipation that often aggravates bad complexion. OZONA DRUG STORE

Examine Source Of War News, Advises U. of T. Professor

AUSTIN, Sept. 28.—"Read war news with an intelligent eye to its source," D. C. Reddick, University of Texas associate professor of journalism, has advised American newspaper readers. Reddick, after a two-year study of American newspaper coverage of the 1914 war, pleads for definite labeling of news sources in 1939 war correspondence, and more intelligent reading of these reports by the public.

While remarkably accurate in 1914-18, American papers he claims must identify more plainly the source of each piece of news—German war office, Polish military headquarters, eye witness

account, rumor. Each paper, too, must train its own readers to watch for these labels in order to give each item its proper weight in the war picture. Reddick has just returned to the campus from the University of Missouri, where he completed work on the doctor's degree in journalism.

rels of 26.5 gravity oil in 24 hours, pumping. It originally was completed by Black & Eubanks at 1,475 feet for 41 barrels daily, pumping. Location is 2,310 feet from the north, 330 feet from the west line of section 13-14U.

Gilcrease was due to have started early in the week its No. 3-16 University, a scheduled 1,450-foot cable tool test 2,300 feet from the north, 330 feet from the east line of section 16-14U.

In the World pool in the Powell field, Frank B. Black's No. 1-C Superior, completed recently as the largest well in that area in more than two years, pumping 764.11 barrels of 31 gravity pipeline oil in 24 hours, has been given a daily allowable of 20 barrels.

Zay Kimberlin, Midland independent operator, has filed notice of intention to drill a scheduled 1,800 foot wildcat a quarter mile south of the Crockett-Upton county line. The wildcat will be on land of J. W. Robbins and others, 330 feet out of the northwest corner of the south half of the northeast quarter of section 4-B-GC&SF. It will be only 2 1/4 miles northwest of the nearest producer in the University pool. Operations are due to start October 1, it was announced.

**Ozona Boy Pledged To Fraternity At Texas University**

AUSTIN, Sept. 20.—Twenty-one Greek letter fraternities at the University of Texas enlisted three hundred and eighty pledges following fall rush parties at which prospective members were guests of the social fraternity chapters.

Some six hundred rushees attended pre-rush parties, picnics, and suppers and took part in the three-day formal rush period.

In the list of 1939 fraternity pledges was John William Childress of Ozona, who pledged Phi Gamma Delta.

**Baylor and T. C. U. Gain**

are due to break into the win column several times during the season.

With the loss of the three Lemons boys who are observing a religious holiday on Saturday, the Lions will be badly crippled. In spite of this handicap they are expecting to battle the Mertzons lads on even terms. Captain Dudley will find himself handling the ball a great deal on offensive plays with Colquitt, Hokit, Hannah, Carson, Cox and R. Coates lending a hand on the blocking.

The line will undergo some change with the center job falling to Brock and Coates. Regardless of the outcome the lads will be gaining some valuable experience.

Miss Jean Kinser left Friday for San Marcos where she is to enroll as a student at San Marcos Academy.

**Improved Field—**

lent condition for the first game. There will be a newly painted downs box, a couple of new benches for spectators who do not want to sit in the grandstand, and a new fence along the sideline on the east side to protect the sodded field from damage by cars being driven over it and to insure cars being parked far enough away from the playing field for safety.

There will also be two new signs prominently displayed requesting spectators to remain outside the fences or in a designated area far enough away from the sidelines to make certain that they will not interfere with vision of other spectators in cars and in the grandstand. This rule is to be applied in order that all may be able to see the action, it was announced.

Game time Saturday will be 3:30. Admission charges will be 20 and 40 cents. Band and pep squad members in uniform will be admitted free. Cold drinks will be sold for benefit of the pep squad.

**Fred Gipson—**

(Continued from Page One)

And the dove flew on off, just like the rest of the doves I had been shooting at.

But with that grasshopper sitting up there and looking reproachfully at me, I had an alibi. On the way back home, I told three times how that grasshopper caused me to miss that dove.

The rest of the hunters in my party had the usual old excuses—they tripped at just the wrong time, got gnats in their eyes, the dove took a bush on them and kept it, very unoriginal excuses.

Do not watch for doves coming in on light flights. No matter which way you're watching, they always fly in from the other side. I figure they watch a man's eyes.

My method of avoiding this was to sit down in the grass and pay absolutely no attention to the doves. I just let them feel ignored. Then suddenly, I'd wheel and shoot behind me.

Of course, I did not bag any doves this way. But I had to burst a shell now and then so the other hunters could hear me. That way, it wasn't so hard to get them to believe my story about knocking feathers out of every dove I shot at and that it was the fault of the gun and not mine that the doves did not all fall dead.

It takes a very resourceful man to figure out enough alibies to become a successful dove hunter.

If the doves become annoyed with all the blasting and congregate and attack you with murderous beak and claw, shoot, man. Blast them. Shoot to kill. Stand up for your rights in this world! Hitler does.

By following these instructions and burning up four or five boxes of shells, you should come in

**New Plymouth for 1940 Features "Luxury Ride"**

Completely new from bumper to bumper is this 1940 Plymouth just announced, presenting a new concept of size and luxury obtainable in cars for the lowest price field. As these pictures show, stronger "eye appeal" is a feature of the new design, while the new 117-inch wheelbase permits a longer, wider, lower body containing much more passenger room. All passengers sit farther forward for a new kind of "luxury ride", gained by redistributing weight.

Running boards are optional on all body styles. Other Plymouth highlights this year: improved steering post gearshift standard on "Roadking" as well as Deluxe; much better vision through larger windshield and windows; new "Sealed-Beam" headlamps; new design transmission and clutch for quicker, easier shifting, and big Floating Power engine with vital parts Superfinished for greater smoothness, longer life. Shown above is the "Roadking" 2-Door Sedan.
