Crockett Wool Roping Team To Meet 4-H Meet

District Winners Compete in A-M Meets Monday

Ozono boys, composing the A and bi-district winning Wool and mohair judging team with County Agent Wm. A. ... will leave Sunday for A & M College where they will compete in the wool and mohair judging contests during the annual 4-H Club Round-Up.

Crockett team is composed of Jim Childers, Bill Schneeweiss, Jimmie and Ronnie McMullen, Ben Conklin. This team placed first in district and was scoring team in District 7 in a bi-district wool and judging contest held in ... recently. The Garden team, second place winner in ... will also compete in the meet. District 6 covers territory approximately from ... to the western edge of Verde county and from ... to El Paso. All first and place teams in each district of the state will compete in A & M meet.

Ozono team will leave early morning and arrive at ... at about 4 p.m. Rooms were reserved for the group campus dormitory and they will eat in the college mess hall. They will remain through 4-H Club Round-Up program and Wednesday and return Thursday. County A-Bergfeld will remain to attend annual conference of extension service personnel to be held Thursday and Friday.

LEGE STATION.—The Cam-A & M will be a bee-hive of activity next week. 4-H club members of every section of the will move in Sunday afternoon. The annual judging and team demonstration contests on Monday. 4-H Round-Up will be held ... and it will be followed by the annual conference, on ... for all agricultural personnel.

E. B. Baggett, Jr., Named Master of Ozona Masonic Lodge

E. B. Baggett, Jr., second oldest member, in point of membership tenure, of the Ozona Masonic Lodge, was elected Worshipful Master of the lodge in the annual election of officers held at the regular session Monday night.

Mr. Baggett, who is a past Worshipful Master of the lodge, was made a Master Mason on May 23, 1903, just 12 days after his cousin, W. R. Baggett, completed the work to become a Master Mason. Frank Friend, of San Angelo is the next oldest living member of the lodge, from the point of length of membership, his membership dating from June 13, 1903 and J. M. Baggett, brother of W. R. Baggett, dates from October 31, 1903.

Other officers of the lodge elected at the Monday night meeting were W. D. Cooper, Senior Warden; W. E. Allison, Junior Warden; L. D. Kirby, Secretary; Scott Peters, Treasurer, and Roy Thompson, Tiler.

The new officers will be installed on July 12.

Special Matches Feature Softball Week-End Menu

Conoco Plays Barnhart Tonight; Girls Teams, Men Play Sat.

Three matched exhibition games are on the slate for week-end entertainment at the new Lions Club softball field here this week, according to announcement by Byron Stuart, manager.

Tonight, Thursday, the Continental Oilers from Todd Field, regular entry in the city league, will play a matched encounter with the newly organized Barnhart Carbon Plant team, said to be a hot softball aggregation.

Friday night will be a double-header bill, this time with the Continental crew bringing both men's and women's teams to town to take on Ozona teams.

The Conoco women will play the Ozona women's team at 7 o'clock after which the Conoco men's team will play the Ozona Butane team an exhibition bout.

Efforts are to be made to match a game or games between the Ozona women's team and the highly touted Sheffield women's club, Stuart said. The Sheffield team, which has whizzed through some of the best women's clubs to the west, is slated to play the San Angelo Red Chicks at Kiwanis field in San Angelo on June 23.

Shallow Wildcat Slated for George Harrell Estate Ranch

C. M. Page of San Angelo has scheduled a 1,500-foot cable tool wildcat in Crockett county, 20 miles south of Ozona.

His No. 1 George Harrell estate will be 2,640 from north, 330 feet from east lines of section 22-XX-GC&SF.

Oliver & Kotza No. 1-AA Hoover, wildcat 13 1/2 miles northeast of Sheffield, has been plugged and abandoned at 2,213 feet in broken lime. The failure was 2,310 from north, 330 feet from east line of section 13-1-GC&SF.

Other Crockett tests, Snowden No. 1 Andrews was making hole at 3,245 feet in lime and shale. Humble No. 1-C Cox at 7,429 feet in shale.

BAPTIST W. M. S.

The Woman's Missionary Society of the First Baptist Church met Wednesday afternoon at the church. Bible study was led by Mrs. Henry Witche. Mrs. O. C. Webb was hostess to Mrs. Roy Thompson, Mrs. J. T. Patrick, Mrs. Clifton Tension, Mrs. E. L. Lawson, Mrs. H. A. Gustavus and Mrs. Witche.

Mrs. R. A. Harrell and son, Roy, are visiting Mrs. Harrell's uncle and aunt, Mr. and Mrs. Spencer King, in Houston this week.

All-Colored Rodeo Planned Here June 18-19

Sunday Afternoon, Mon. Night Performances; Dance Mon.

The second annual all-colored rodeo, to be staged at the fair grounds arena here, is being arranged by the Ozona Roping Club, which is to sponsor the event.

A two-day event is planned for this year's all-colored rodeo. The first performance will be Sunday afternoon, June 18, and the second Monday night, June 19. The Monday night show will be climaxed with an all-colored dance on the fair grounds platform. The Roping Club will provide a prize for the couple giving the best jitterbug dance performance of the evening.

Rodeo events, in which both men and women performers will participate, includes calf roping, goat roping, goat hair pulling, bronc riding, and ladies ribbon race.

The hair pulling contest will be performed by teams of men ropers and women "hair pullers." The roper ropes a goat and the woman teammate pulls a tuft of hair from the goat and races back to the judges stand.

A new feature will be the ladies ribbon race. All entrants in this event are women and they are poised in the arena until a pen of goats is released into the arena. One goat wears a ribbon on his horn and the prize money goes to the contestant who first catches the goat and snatches the ribbon.

A barbecue dinner for local and visiting colored folk is being arranged by local colored promoters in the colored residential section.

Ozonans Attending Natl. Women's Club Meet to Tour Canada

Mrs. P. T. Robison of Ozona and Mrs. Hubert Baker of San Saba, former Ozona resident, both attending the Federated Women's Clubs national convention in Boston, plan to make a brief tour of Washington, New York and points in Canada before returning home.

A description of convention doings and plans of the Texans for the added tour are contained in a letter received this week by Mrs. O. L. Sims from her daughter, Mrs. Baker. They are quartered at the Statler Hotel in Boston, the convention headquarters, and "are having a wonderful time," according to the letter.

"Today we hired a taxi—six of us—to take us to Plymouth Rock," Mrs. Baker wrote, "and saw the rock where the Pilgrims landed and ate lunch at a beautiful place—Pilgrim's Inn. Then we came back and saw the well and 'the old oaken bucket' and we saw Priscilla and John Alden's house, built in 1735, and their furniture that they actually used. It was all so interesting and the beautiful old furniture, dishes and all."

Mrs. Baker and Mrs. Robison planned to leave Boston Saturday to go into Canada, to Quebec and Montreal, and then to New York and Washington. "It has been pretty cool here, and has rained some, but all in all it has been pretty nice and not too messy," she wrote.

TS&GRA DIRECTORS AND AUXILIARY MEET IN ALPINE

Alpine, the largest city in the largest county in the largest state in the U.S., is all set to welcome the Texas Sheep and Goat Raisers Directors and Woman's Auxiliary to the Third Quarterly meeting, June 9-10.

HOSPITAL NOTES

Now patients: Mrs. Jones Miller, Jr., Mrs. Guadalupe Castillo, Howard Lemmons, Judy Ingham, Tommy Parisher, L. N. Lovell and Jesus Uvalle. Dismissals: A. D. Fletcher, Mrs. Guadalupe Castillo, Mrs. Ha Mae Lockhart, Mrs. Enriqueta Garza, Mrs. Jones Miller, Jr., Howard Lemmons, Judy Ingham and Tommy Parisher.

OES Officers To Be Installed In Public Ceremony

Grand Officers to Be Here for Installation June 15

New officers of the Ozona chapter of the Order of Eastern Star will be installed in a public ceremony in the Masonic lodge hall at 8 o'clock Thursday night, June 15.

Mrs. Lucille Dufner of San Antonio, associate Grand Matron of Texas, will be the installing officer on the occasion. Mrs. Dufner is a cousin of Mrs. Mary Jones, who will be installed as Worthy Matron of the local chapter in the public ceremony.

Other past and present Grand Officers of the order who will be here for the occasion include Mrs. Thelma McConnell of Iraan, past Grand Representative to Canada, who will act as the installing Marshall; Mrs. Nan Montgomery of Eldorado, Deputy Grand Matron of District 5, Section 2, who will be the installing Chaplain; and Mrs. Viola Tally of Texon, past Deputy Grand Matron, who will open the meeting.

New officers of the local chapter to be installed on the occasion will be Mrs. Mary Jones, Worthy Matron; Richard Flowers, Worthy Patron; Mrs. Jessie White, Associate Matron; Joe Whately, Associate Patron; Mrs. Dorothy Henderson, Conductress; Mrs. Mildred Whately, Associate Conductress; Miss Mildred North, secretary; Mrs. Leta Powell, Treasurer; Mrs. Vera Fussell, Chaplain; Troy White, Warden; Sterling Stratton, Sentinel; Mrs. Velma Marley, Esther; Mrs. Oma Odum, Adah; Mrs. Lena Baggett, Martha; Miss Mary Kathryn Flowers, Ruth; and Mrs. Lilly Baggett, Electa.

A special invitation has been extended by the OES chapter to all past Worthy Matrons and Patrons to attend the installation service.

Distillate Gain Shown In Clayton Ranch Discovery

Gas Volume Passes 11 Million Feet Daily; Tests Continue

Distillate in Magnolia No. 1 Clayton Ranch, Ellenburger discovery in Crockett county continues to increase.

Natural production in 24 hours as the week opened was 48 barrels of distillate with 14 barrels of load water. It was through a half inch choke and perforations from 8,680 to 8,730 feet. Gas volume ranged between 11,500,000 and 11,210 cubic feet daily. Testing continued.

The well is 1,320 from the south, 1,980 feet from the west line of section 12-GH-GC&SF, 10 miles east of Ozona.

Spartan and Hamm No. 1 W. H. B. Montgomery, wildcat in section 5-J-GC&SF, 10 miles south of Ozona, recovered 120 feet of slightly gas cut mud on a 90-minute drillstem test from 9,760 to 9,820 feet. It drillstem tested from 9,829-84 feet and recovered 40 feet of mud. Drilling continued.

Deep Wildcat Test Planned in Northwest Crockett County

Standard-Fryer Drilling Co. of Dallas and others plan to start by about June 10 a scheduled 8,500-foot rotary wildcat in northwestern Crockett county.

The test, for which a drilling permit was applied Tuesday, will be No. 1 P. L. Mitchell, 660 feet from the north and east lines of section 43, block HH, GC&SF Ry. Co. survey. It will be four miles north of Iraan, which is on the northeast side of the Yates field.

Humble No. 1-C Alma Cox, wildcat in section 72-OP-GC&SF, 3 1/2 miles west of Ozona, was drilling at 7,353 feet in shale.

Award of Contract For New Fire Station Scheduled Here Today

Bids are to be opened this afternoon by the Crockett County Commissioners Court for construction of the new Ozona fire station and courthouse annex, to be constructed on the county lot adjoining the county jail on the south.

Plans and specifications for the new building have been in the hands of building contractors for several days and the court has set 1:30 Thursday afternoon for opening the bids.

Excavation work on the lot, done with county machinery, has been completed and the site is ready for construction work to begin. Award of contract may be made by the court at the sitting today if satisfactory bids are received.

New Ambulance and Funeral Car Received By Cody Funeral Home

Cody Funeral Home here took delivery this week on a new 1950 Pontiac custom built ambulance and funeral car which has been placed in service. Ken Cody, owner, has announced. The old ambulance and funeral car of the company will be disposed of by the owner.

The new ambulance was built by the National Custom Body Works of Knightson, Indiana, and was delivered through a San Antonio dealer. It has all the latest improvements and conveniences, including complete first aid equipment, a new easy ride ambulance bed, air conditioning, etc. The Pontiac car is equipped with Hydra-Matic drive.

Donkey Softball Game Draws Capacity Crowd to Lions Park

A packed park greeted the Lions Club sponsored donkey softball game at Lions softball park Monday night.

And the big crowd which packed the stands and lined the foul lines in cars was not disappointed in the entertainment offered by local softball players who boarded the reluctant donkeys to field the balls and make the base path runs. Surprisingly, a number of hitters made the round trip around the bases to chalk up scores, a feat that only a good bucking donkey rider could accomplish.

The Lions Club realized a profit of a little more than \$100 from the entertainment.

Sonora Wool and Mohair Show Set for June 21 and 22

The thirteenth annual Sonora Wool and Mohair Show, the largest wool show in the state, will be held June 21-22. Complete program and plans are featured in the June issue of the Sheep and Goat Raiser magazine. Along with data on the Wool Show are pictures of early day Sonora. This special edition highlights the West Texas towns, Sonora and Alpine presenting unusual facts on the beginning of "The Stockman's Paradise" by Sue Flanagan.

A word and picture story of Theodore Salvell also appears with the Sonora section. Mr. Salvell's varied occupations have all contributed to the welfare of Sonora today. He has been a cowboy, wagon yard and freight operator, stage and mail driver, mercantile man, politician, saloon keeper and finally a ranchman.

SATURDAY ROPING

The Ozona Roping Club has begun its summertime Saturday night roping programs at the local fair grounds arena. Jackpot and matched ropings are staged each Saturday night at the fair grounds, weather permitting.

Ralph Carden arrived from the University of Texas in Austin last week for a brief visit in the Ralph Watson home. He left Monday for Fort Riley, Kansas, to spend part of the summer with his parents, Lt. Col. and Mrs. Henry Carden.

Timely Rains Continue Over Crockett Area

1.17 Inches Recorded In Past Week; Total For Year 6.82

Timely rains which have fallen in this area the past two months to put the Crockett county ranch lands in finest condition they have been in many years, continued during the past week.

Sunday night .35 of an inch of rain fell in Ozona, which, with a fall of .82 of an inch four days before, brought 1.17 inches of moisture, well distributed, in the week's period. Rains during April and May have come in comparatively light falls at frequent intervals, the perfect prescription for growing grass on West Texas acres.

The first five months of 1950 brought a total of 6.82 inches of rain as recorded at the official government observation station maintained here under the supervision of Mr. and Mrs. Leo Bawcom.

So far, the 1950 rainfall is lagging behind that of the drought breaking year of 1949, when a total of 10.63 had fallen at the end of the first five months. However with the 1949 heavy rains to season the ground and start the grass and other range vegetation on the come-back trail, this year's moisture has produced more spectacular regrowth than did the more bountiful quantity of last year. But the 1949 moisture came on the heels of the drought of 1948 when the local weather station recorded a total of only 8.36 inches in the twelve months period.

The rains for the first three months of the year were light, only .98 of an inch falling here in the three months, .39 in January, .59 in February and only a trace in March. But April and May saw the moisture delivered in timely doses, a total of 2.26 in April and 3.58 in May, with .35 already credited to June.

The 1949 total rainfall here, with a couple of floods mixed in, was a near record 28.99 inches. The fall by months as recorded by Mr. and Mrs. Bawcom on local weather station gauges was as follows:

January, 1.48; Feb., 1.48; March, .16; April, 2.19; May, 5.32; June, 2.68; July, 1.27; August, 2.26; Sept., 3.49; Oct., 7.51; Nov., none; Dec., 1.10.

75 Are Charter Members Crockett Sheriff's Posse

Organization Stages Barbecue Supper In Final Sign-Up

At a barbecue supper held in the city park Tuesday night, the Crockett County Sheriff's Posse completed a sign-up of charter members of the organization and closed the charter list with a membership of approximately 75 men.

The Posse, headed by Sheriff V. O. Earnest and Miller Robison, president, was organized about a month ago and set the June 6 meeting date as the final deadline for charter members. The group held a short business session following the barbecue supper and adopted the Posse uniforms which are to be worn on public appearances of the Posse on occasions such as parades, public gatherings, entertainments and the like. The uniform is to consist of a western type gray shirt with maroon lettering on the back "Crockett County Sheriff's Posse," to be worn with denim rider trousers and a white felt hat, with boots optional.

Following the supper and business meeting, the Posse enjoyed a musical program presented by the Ozona square dance trio, George Senne, A. E. Gillam and Homer Good.

THURSDAY, JUNE 8, 1950

W.S.C.S. Installs Officers Following Covered Dish Luncheon

A covered dish luncheon which honored Mrs. Troy Hickman, wife of the new Methodist pastor, followed by installation of new officers and a pledge service was held by the Woman's Society of Christian Service of the Methodist church in the church's social hall Wednesday.

Mrs. Joe Clayton, new vice president, acted as master of ceremonies. She introduced the guest artist, Mrs. Sam Whitesides of Big Lake, who played several piano selections. She also introduced the honor guest, Mrs. Hickman, and Rev. Hickman, several visiting la-

dies from societies in nearby towns and the new president of the society, Mrs. H. B. Tandy.

Visiting ladies, from Big Lake and Sonora included Mrs. Henry Schooler, Mrs. Burnett and Mrs. A. G. Schovajsa from Big Lake, and Mrs. E. E. Sawyer, Mrs. W. H. Dameron, Mrs. Rector Cusenberry and Mrs. Vernon Smith of Sonora.

After the luncheon, members of the three Circles into which the Society is divided, met to choose officers. Members of the Willing Workers Circle named Mrs. Abe Caruthers, chairman; Mrs. W. T. Stokes, vice chairman; Mrs. Oscar Kost, recording secretary; Mrs. S. M. Harvick, treasurer, and Mrs. D. B. Pettit, Mrs. Beecher Montgomery and Mrs. R. A. Harrell, study leaders.

The Sunshine Circle selected Mrs. Ted White as chairman; Mrs. Brock Jones, vice chairman; Mrs. Bill Cooper, recording secretary; Mrs. Will Baggett, treasurer, and Mrs. Evart White, study leader.

The Jennie King Circle named Mrs. Beall Barbee, chairman; Mrs. Ele Hagelstein vice chairman; Mrs. Dempster Jones, secretary; Mrs. T. A. Kincaid, Jr., treasurer; Mrs. Joe Williams, membership chairman, and Mrs. W. E. Friend, Jr., study leader.

The installation of officers and pledge service were held in the church sanctuary, with the Rev. Troy Hickman, installing the new officers of the Society and the Circle chairmen.

The following officers of the Society for the coming year were installed: President, Mrs. H. B. Tandy; vice president, Mrs. Joe Clayton; recording secretary, Mrs. W. D. Cooper; treasurer, Mrs. B. J. Ingham, Sr., promotion secre-

FAMILY TREAT. They'll all have fun in this roomy 4-door Sedan with generous luggage space for trips. Shown here is the SPECIAL. Same body type available also in the SUPER series.

Look at the FUN you're missing!

SURE, we know—a car is a "necessity" these days. A modern family "couldn't get along without one." Or so you tell yourself.

Come, come, sir! We know, and so do you, the real reason you got the new-car fever—and the kind of car you are hankering for.

You want a car with some fun in it, don't you?

A car you'll get a big bang out of every time you see it parked in front of your house—every time you slip into its front seat—every sweet and easy mile you travel in it.

Well, come see what this beauty does for you.

How the doors swing open in warm welcome at a thumb touch on a button. How the broad seats invite you to take it easy. How the big straight-eight under the

bonnet snaps into purring life at your toe-touch.

And then note—

How smoothly you slip away from the curb—especially when Dynaflo* is handling the power transmission.

How firm and steady the whole car feels. How it holds on curves, free of "heel-over" and sway. How each coil-sprung wheel quicksteps over bumps and rough spots that mean jounce and jiggle on most cars—how buoyantly road-free a Buick is.

* Dynaflo Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

**Magazine Seeks
Photo of Famous
Early-Day Rancher**

A fabulous story of Dominicker
Hart, the Irishman whose brand
wrought wit West of the Pecos, is
told by Roy Holt in the June issue
of the Sheep and Goat Raiser mag-
azine.

His range covered well over 1,
000 square miles, he ran over 100,
000 sheep, thousands of head of
horses and cattle, and lost a for-
tune trying to corner the Boston
wool market.

A part of the Roy Bean era, this
notorious Texas character was sel-
dom photographed, and a several
months search by the Sheep and
Goat Raiser failed to secure his
picture in any form. The readers'
help is solicited in obtaining some
graphic proof of this Pecos legend.

Mrs. J. E. Roberts of the Croc-
ett Hotel has as guests this week
her two daughters and their child-
ren, Mrs. J. E. Scott and daughters
Glenda Kay and Mary, of Bronte,
Texas, and Mrs. J. E. Clark and
son, Eddy, from McAllen, and al-
so her son, Stroud Roberts, a
1950 graduate of San Angelo Col-
lege, who is home for the summer
vacation months.

Mrs. Leland Wyatt and two
sons, Donald and Jerry, of Fort
Worth, are visiting this week in
the home of Mrs. Wyatt's parents,
Mr. and Mrs. J. T. Keeton. Mr. and
Mrs. Keeton planned to leave to-
day to take Mrs. Wyatt and child-
ren back to their home and to visit
in Fort Worth and Dallas with
their sons, Joe and Harold, and
their families.

"I Do"

IT MAY HAVE BEEN but a decade ago, or it may have been
far back in the "Twenties" . . . but sometime, somewhere,
a young man stood in the soft light of a Junetime morning
and repeated the words—"I do."

Since that time, he has fought—without interruption
—for the place in the world he wants his family to occupy.

And it well may be that, out of the struggle, he has
lost just a bit of the sentiment that used to abide in his
heart—for success is a jealous master and exacts great
servitude.

But not when the Junetime comes—and, with it, that
anniversary of another June!

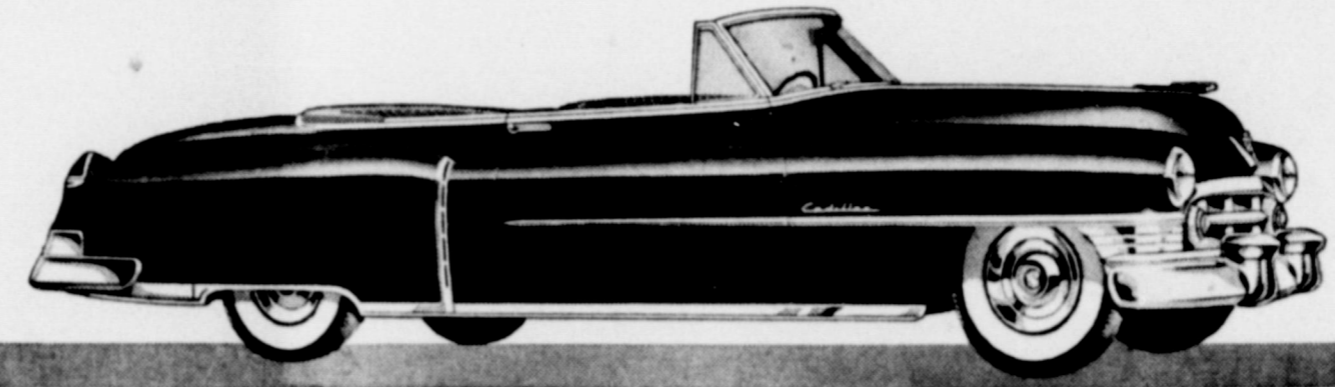

Then the work-a-day world, with its many tasks, is cast

abruptly aside; and sentiment—pure and simple—rules in
his heart once more.

And, because there are so many thousands of him, door-
bells are ringing this June throughout America . . . and
smiling boys in uniform stand, hats in hand, to deliver the
proofs of remembrance. And along with the beautiful
flowers, and the boxes of candy, and the countless other
gifts, some of those brides of other Junes will receive the
titles to new Cadillacs.

And, for them, there will be no other June like this—
save one alone.

As your Cadillac dealer in this community—we've had
long practice in the art of keeping secrets. Why not come
see us today? You can trust us not to tell!

AIR VIEW OF WINNIPEG FLOOD . . . The Red river at Winnipeg, Manitoba, overflowed its banks and forced thousands of persons to seek safety on higher ground. They were forced to leave their homes and belongings to the mercy of the raging waters. Here the flood water has surrounded homes in a veterans' housing area in a suburb of Winnipeg. The Canadian army ordered a section of a north-south Canadian National Railways line blown up to relieve pressure on one six-mile dike, while weary flood officials continued to keep an eye on overstrained dikes elsewhere. There was a chance of the Red and tributary rivers breaking through to cause new damage.

Mr. and Mrs. Nelson Boothe and B. B. Ingham, here this week. Small son of Sweetwater are visiting Mrs. Boothe's mother. Mrs. Phone the news to The Stockman.

THE LOW DOWN FROM HICKORY GROVE

Chaos — and threatening disaster — for years we been kept half speechless. It is now chronic. But like it was with the lad who visioned the many phony wolves, our political gentry on the Big and winding Potomac may, in due course, find themselves jobless as did the wise-guy shepherd boy.

The chaos we been promised has been cooked up — synthetic — like we would be wrecked and ruined without an OPA. And like we were promised starvation if more land was not reclaimed, quick, via dams on every crick that even trickled. And now what. Well we have too much corn, too much everything — it is another threat, but in reverse.

Now, here is how I see it. There has been a wolf lurking in the dark forest's edge — and still is — but our Big and Lofty Economic Palaverers have kept us looking in the wrong direction. The real threat to our beloved land is the undermining of the thinking of the generation now growing up. The new doctrine is that the Govt. knows best — and can best make all plans for the greater comfort for its children. And, the Govt., when you get down to brass tacks is made up of just people. And how anybody who surmises that

people of no blood connection, like front burner talk to me, says which is the Govt., can look after Henry. Thanks, I says. our present and future, better Yours with the low down, than we can our ourselves, sur- JO SERRA passes my understanding. Sounds —oOo—

Income Group Demand Spending Pay More Taxes

personal incomes in excess of \$10,000 a year were con-

money needed to wipe out the \$5 1/2 billion deficit and finance the \$1 billion first year's cost of the new federal spending programs proposed in the 1951 budget.

Since the nation faces a choice of submitting to higher taxes or reducing federal spending if Uncle Sam is to live within his income,

the Council of State Chambers of Commerce today pointed up some of the difficulties in increasing federal revenues.

This study revealed that if, for instance, the federal government set \$50,000 as the maximum income that could be retained by individuals and took outright all income above \$50,000, it would get only about \$843 million more than it gets now from present taxes on those incomes. This \$843 million would be enough to run the federal government only one week.

Or suppose Uncle Sam called \$25,000 the most anyone could have and took everything made above that figure. That would give the government a little over \$2 billion in additional revenue. This is just a little less than the government intends to spend on agricultural activities and subsidies alone in 1951.

But, of course, Uncle Sam would never think of taking such a big tax bite because he knows he would destroy all personal incentives to earn that much again.

The survey showed further that in spite of the high taxes on incomes of \$100,000 and over, Uncle Sam collected only \$1.2 billion from 10,844 persons with such incomes in 1947 which is the latest year for which complete statistics are available. This total was only 6 1/2 per cent of all income taxes paid that year. And tax rates on incomes over \$100,000 that year ranged from 67 per cent to as high as 91 per cent.

On the other hand, 51 million taxpayers reporting incomes of less than \$5,000 in 1947 paid \$8 1/2 billion which is 48 per cent or almost half of the income taxes col-

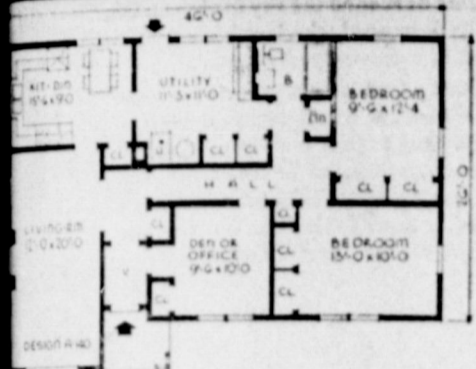

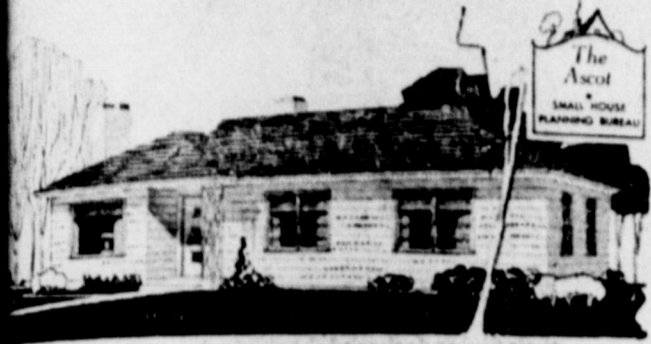

lected that year.

The Council said, "There is no getting around the fact that any

additional burden of taxes must fall on the lower income groups. They have two choices: submitting

to more taxes or demanding cuts in present spending with a halt to new spending."

Small Home Plans

ASCOT is insulated and the floor slab laid on a cinder fill. The utility between kitchen and living room houses the heating and laundry equipment. There are two closets and a cabinet in this room.

There are three bedrooms with wardrobe type closets. The front bedroom opens into the vestibule and can be used as an office or den. A general closet and linen closet are in the hall.

Exterior walls are frame with wide siding finish and asphalt shingle roof. The front entrance stoop is covered, with lattice work supports.

Dimensions are 46 by 26 feet with a front projection of 4 feet, area 1,248 square feet and cubage 16,224 cubic feet.

For further information about THE ASCOT, see us or write the Small House Planning Bureau, St. Cloud, Minn.

PAUL MOSS

This is your district . . . your nation. You have a right to know how every candidate stands on every issue in every race for public office.

Here is Paul Moss' stand on four key issues confronting our district and our nation today —

1. "I will fight against discriminating freight rates for West Texas."
2. "Free enterprise can provide proper medical attention for our people without regimenting our doctors under a system of socialized medicine."
3. "The national soil conservation program should be broadened and extended."
4. "I will work to improve our trade relations with Mexico — one of our foremost potential markets for goods from the United States."

Four more good reasons why —

PAUL MOSS IS THE MAN FOR CONGRESS

This Adv. Paid for by Friends of PAUL MOSS

F. M. Boykin, Ozona's First Postmaster and Merchant, Wiped Out in Depression of 1893-94 Sold Cattle at \$6.50 a Head, Daughter Recalls

A reminder of the days when money was not so plentiful in Crockett county, but days when folk were perhaps as happy, and maybe happier — at least they didn't have the income tax nor the Fair Deal — than we of today, is given in a letter published in the Sunday issue of the Standard Times of San Angelo.

The letter was written by a daughter of Ozona's first postmaster, F. M. Boykin. The writer, Mrs. Lucy Boykin Buzbee of San Angelo, gives some interesting sidelights on Ozona's early history. The Times story, illustrated with a picture of the late Mr. Boykin, was as follows:

All Ozona pioneers didn't flourish six decades ago and leave families and estates to furnish pictures and story for the Saturday Evening Post of modern vintage.

Some sidelights on Ozona's founding and those who moved away are provided in a letter from Mrs. Lucy Boykin Buzbee, 1406 S. David St. here, dealing particularly with her father, F. M. Boykin, who founded a tent hardware store in Ozona in 1891. Boykin became Ozona's first postmaster.

Excerpts from her letter about her late father are as follows:

"One early Crockett county pioneer who endured the privations of pioneering, but did not live to reap the benefits of an established order was my father, the late F.

Ken Cody—Owner
OZONA, TEXAS

OZONA LODGE NO. 747

A. F. & A. M.

Regular meeting on 1st
Monday of each month.

M. Boykin. He moved his hardware store from Paint Rock to Ozona just after the town was platted early in 1891.

"Adding groceries to his stock, he opened his tent store under a liveoak tree northeast of the town square in time for the election of county officers, and served sardine and salmon crackers with the indispensable peper sauce. There were 27 voters, if I recall correctly.

"My father built a small store, then a larger one with a false front, true pioneer architecture. Later he brought his family to Ozona when the one-room schoolhouse was ready, which had two teachers. All public affairs were held in the school house, including church and dances, the two chief sources of entertainment then. The early cowboys loved to dance and were always the model of decorum in the presence of ladies.

"Father ran a mule train from San Angelo to bring mail and other necessities free of charge. This was the time he was named postmaster of the town, the only one in Crockett County.

"At that time, my father's store, a wagon yard, a small hotel and two liquor stores constituted the town's business district that first year. It took three relays of horses to make the run of 80 miles from San Angelo in those days. When the mails arrived, all of the Boykin family old enough to know how to read were drafted to distribute it. I recall that ranch people like the late Mr. and Mrs. J. M. Shannon, lived so far away they came for their mail only twice weekly.

"The town expanded quite a bit in its second year. The courthouse was completed, the schoolhouse expanded, and many homes were

built. "But the depression of 1893-94 brought business generally to a standstill.

"My father sold his cattle to the Friend brothers for \$6.50 a head and traded his home for horses, which my cousin, Martin Richardson, drove to Indian Territory at that time, where father had gone and leased farm land. Unfortunately, the farm land proved no more remunerative than stock at the time. Cotton was five cents a pound and corn 15 cents a bushel, I recall."

Angus Field Day at Moore Ranch Near Eldorado June 14

District No. 6 of the Texas Aberdeen Angus Association will hold their Field Day at the L. Moore and Sons Ranch 15 miles west of Eldorado June 14. Milt Miller of Brady, the American Aberdeen Breeders Association field man for this area, will be in charge of the program.

The program will begin at about 10:00 a. m. and run through 3:00 p. m. Barbecue lunch will be served at noon.

Mr. Miller invites everyone in District No. 6 and adjoining coun-

ties interested in beef cattle to attend this field day.

The district includes Sutton, Schleicher, Tom Green, Coke, Irion, Sterling, Glasscock and Reagan counties. An interesting program is promised.

Warden School ates Assigned ts Over State

Assignment of 17 school graduates to the warden force was announced Saturday by Executive Secretary of Fish and Oyster Commission.

Young men comprise the warden force. The school graduates to the warden force are being assigned to the warden force by the Texas Game and Mechanical College and Mechanical College. The warden force will be in the warden force June 1.

Of the 17 men brought to the warden force to total of 168, the state's history. A- of these are used for pa-

trol work and other duties in connection with salt water assignments on the Gulf coast.

Thus, the remaining 128 have to patrol Texas' 254 counties, with an average of two counties for each warden. The Executive Secretary explained that the warden force is not detailed on a straight geographical basis, adding:

"In some sections a warden can patrol two or more counties more efficiently than one man can patrol half a county in another section. It depends on the terrain, the actual or potential capacity for game as well as the population. Ever-increasing demands on the warden force are primarily because the number of hunters has doubled since the war and because of the increased interest in con-

servation as expressed by both organizations and individuals."

The executive secretary pointed out that "police state methods" have no part in the routine of the Texas warden force and that the men stand trained and instructed to emphasize education and public relations as the most effective means of restoring wildlife and in establishing sound law enforcement.

Paul Moss for Congress Club Is Formed at Odessa

ODESSA. — A Paul Moss for Congress club — the first of its kind in the 16th Congressional District — has begun operation in Odessa.

The Club was organized last week at a meeting of some 50 leading Ector county residents.

District Attorney Martelle McDonald of the 70th Judicial District of Texas presided.

Executive committee members chosen, besides Mr. McDonald include: Murry Fly, president of Odessa College; John D. Mitchell and Charles V. Perry, Odessa bankers; Wilmer Stowe and Mal-

vern McDonald, Odessa bankers; John Summers, clothing store owner; Cecil Trigg, radio station manager and Fred Cage, real estate dealer.

"We are here because we know Paul Moss will serve the people of West Texas well — with integrity, ability and force," Mr. McDonald told the gathering.

"Judge Moss is eminently qualified to hold this high office. He will serve our district and our nation with distinction and fairness."

The club will spearhead Judge Moss' campaign in Ector county.

Other Paul Moss clubs are to be organized next week in Midland, El Paso, Monahans, Kermit, McCamey, Crane, Marfa, Alpine,

and several other cities in the congressional district.

Judge Moss, meanwhile, spent the week campaigning in and around El Paso.

Mr. and Mrs. Will Adams are here from Fort Stockton to visit Mr. and Mrs. Clay Adams and family.

HOME IMPROVEMENTS AND REPAIRS You Can Buy on Time

Accurate and Complete

RANCH RECORDS

Are More Important

Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

THE STOCKMAN RANCH RECORD BOOK

Ken Regan looked over some cattle last week in Midland. In the photo above (1 to 7) J. E. (Bob) Hill, Midland; A. B. Booksey, Pecos; John Laxson, Fort Hancock; Regan and C. A. Norton, Fort Hancock inspect a pen of Hereford calves that belonged to W. C. Driver of Kermit. Cooksey later bought the calves at the Midland Livestock Auction Co. sale. Regan was in the district for a short visit during a House recess.

Mr. and Mrs. L. B. T. Sikes and sons, Richard and David, were guests here this week in the home of Mr. and Mrs. Arthur Kyle, and visiting Ozona friends, Mr. Sikes, former High School principal and coach in the Ozona High School, has served the past two years as superintendent of schools at Wortham and has accepted a position next year as superintendent at Calvert, Texas.

Half of Population Suffers from Some Type Fungus Infection

AUSTIN. — It is a 50-50 bet that you have some sort of ringworm infection. Check to see. Chances are it will be in your scalp hair, on your groin, or on your feet — either on the soles or between the toes. If you don't find it, you are lucky, because while it isn't serious, its itching and persistence is very annoying.

A fungus, the same one that causes food to mold — causes ringworm. It is one of the world's most common ailments, with authorities estimating that half of the world's population is affected. It is more common this time of

year than any other. Animals get it too. As a matter of fact, cats, dogs, rabbits, mice and fowls are frequently the source of infection in man. A child plays with an infected dog, the dog's hair brushes the child and the child stands an excellent chance of ringworm infection.

The scales which are formed can cause new infections on the body, so an infected person has to be careful to keep it from spreading. Advanced cases exude a clear, runny fluid — it "weeps", as doctors say, and the fluid can cause breaking out on whatever part of the body it touches. Children are especially vulnerable to scalp ringworm. Epidemics are usually started in schools or institutions.

Swimming pools, locker rooms and gyms are potent sources of infection. Everyone has heard of "athlete's foot." It is nothing more than a type of ringworm. So it the so-called "barber's itch."

Preventive measures call for avoiding persons and animals known to be infected. Swimming pools, gyms, locker rooms and the like can do their part toward ringworm control by boiling towels, swimming suits and their other public facilities for 30 minutes. Foot baths are also worthwhile.

"Go for a ride and you'll go for MERCURY!"

1. The right power!

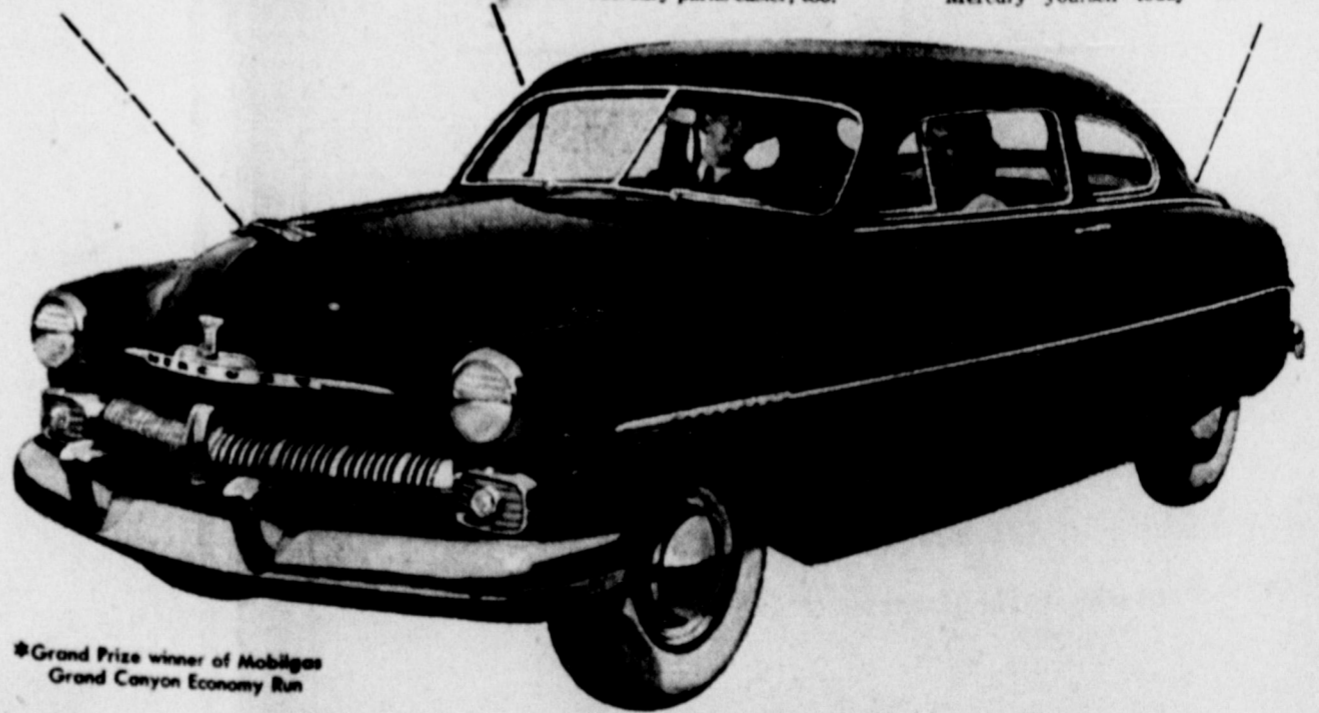

You get the right POWER! Not a little engine! Not an oversized one! But 110-horsepower in a V-type, 8-cylinder, made-for-Mercury engine that knows where it's going—and gets there smoothly, quietly—with plenty in reserve. And the new Mercury is "America's No. 1 Economy* Car"!

2. The right roadability!

You get the right ROADABILITY! Mercury's rugged, balanced chassis helps smooth out the rough roads . . . straighten out the sharp curves . . . hold the car to the road like a track. Mercury really rides smoothly—and with everything in rhythm. You'll find the new Mercury parks easier, too.

3. The right riding comfort!

You get the right RIDING COMFORT! With plenty of room for six big people inside . . . with "Cushion-Coil" springing . . . and ease of handling that's second to none. It's the kind of perfectly balanced car you've dreamed of driving. Try the new Mercury yourself today — and see!
