Harry J. Friend, Ozona Pioneer, Is Laid To Rest

Retired Rancher Had Lived in Crockett County 61 Years

Funeral services were held from the Ozona Methodist Church at 3 o'clock Friday afternoon for Harry J. Friend, 73, retired ranchman and member of one of Crockett county's pioneer families, who died at 2 o'clock Thursday afternoon in the Ozona Hospital after a brief illness.

Services were conducted at the church and at the graveside by the Rev. J. Troy Hickman, pastor of the Methodist Church. Burial was in Cedar Hill Cemetery, with the Cody Funeral Home of Ozona in charge of arrangements.

Nephews of Mr. Friend served as pallbearers. They were Joe T. Davidson, Charles E. Davidson, Jr., Batts Friend, Joe Friend, W. E. Friend, Jr., D. F. Cates, Jr., Bill Seahorn, all of Ozona, and Bill A. Friend of Big Lake, J. W. Friend of Fort Davis and Mike Friend of Austin.

Mr. Friend was born in Coryell county, November 18, 1877, a son of the late Mr. and Mrs. J. W. Friend, one of Crockett county's earliest ranch families. The family moved first to the Buffalo Gap area when Mr. Friend was two years of age and then in 1890, a year before the official organization of Crockett county as such, moved to this area.

Mr. Friend was active in the ranching business until recent years when he turned over active management to his son. He remained in fairly good health, however, until a short time before his death and enjoyed the companionship of friends and family.

Mr. Friend is survived by his widow, the former Willi Ida Young daughter of the late John L. Young early day ranchman and county tax assessor of Crockett county, and Mrs. Young, now living in Alpine, two daughters, Mrs. E. C. Alford of Ozona and Mrs. D. K. McMullan, Jr., of Big Lake, and one son, Bill Y. Friend of Ozona. One sister, Mrs. W. P. Seahorn of Ozona, two brothers, Ned and Frank Friend of San Angelo, seven grand children and four great grand children also survive.

Judge Reverses Jury On Verdict in Land Title Clearing Case

An unusual court incident in which the presiding judge reversed the findings of a jury and entered judgment for the defendant despite the fact that the jury found for the plaintiffs occurred in 112th district court here last week.

It was in the case of Daniel P. Woolley, et al. vs. J. H. Tippitt, for title and possession of a disputed piece of land in this county. The case had been tried last year and the verdict at that time was reversed by the Court of Civil Appeals.

After hearing testimony, a jury rendered its verdict on special issues in favor of the plaintiffs. Judge Garland Casebier noted the jury's verdict but entered "judgment for the defendant notwithstanding the jury's verdict." The case will be appealed again, attorneys explained, and the verdicts by the judge and jury will make it possible for the appellate court finally to decide the case without the necessity of remanding it for retrial.

A jury hearing the compensation suit brought by Dudley D. Zandt against the Traders General Insurance Co. found in favor of the plaintiff for total disability compensation. Zandt was injured in a fall from an oil well derrick in this county.

Clifford Brown, indicted by the recent grand jury on a charge of driving while intoxicated, entered a plea of guilty before the court and was given a two-year probation sentence, which gives him liberty during good behavior in that period of time.

DR. J. B. SPEER, director of public service and professor of Education at Sul Ross College, will act as coordinator of visiting committees on the occasion of the evaluation of Ozona Public Schools on April 16, 17 & 18.

Area Educators To Aid In Local School Evaluation

Educational Inventory To Be Taken in Three Day Visitation

Beginning Monday, April 16, a system wide evaluation will be made of the Ozona Public Schools, Lem Bray, superintendent, announced this week. The program will last for three days and will be under the direction of Dr. J. B. Speer, professor of education and director of public service at Sul Ross College in Alpine.

Mr. Bray says that the purpose of the evaluation will be merely to take an educational inventory of the system which must be done as a requirement of the Southern Association of Colleges and Secondary Schools of which Ozona is a member.

Three-member committees, composed of visiting educators will visit classrooms and each teacher in the system during the three-day stay. Strong points and improvements as needed will be noted in the final report of the visiting committees.

A get-acquainted party will be held for the visiting teachers and the staff members of the Ozona system Monday night at 7:30 o'clock p.m. at the Ozona Country Club.

The final report of the visiting committees will be given Wednesday afternoon in the high school auditorium at 2:00 p.m. School patrons are urged to attend, Mr. Bray said.

West Texas educational leaders who will serve on the Ozona evaluation committees include Dr. Speer, coordinator of visiting committees and the members of the following committees:

(Continued on Last Page)

Rev. J. M. Cooper, Well Known Here, Dies From Heart Attack

Mr. and Mrs. Otto Pridemore and Mr. and Mrs. Earl Deland attended funeral services Monday afternoon in Coleman for the Rev. J. M. Cooper, 53, well known to many Ozonans, who died at Klamath Falls, Oregon, where he was holding a revival meeting.

Rev. Cooper, father of Bob and Jimmy Cooper, both of whom were graduated from Ozona High School, had been pastor of the First Baptist Church in Longview, Wash., for the past seven years. Before that time he served pastorates in Coleman and Brownwood and for a time was an instructor in Howard Payne College at Brownwood.

Rev. Cooper died of a heart attack while engaged in conducting the revival meeting in Klamath Falls. He is survived by the widow, two sons and one daughter, Mrs. Oran Anderson of Pecos, also a former resident. Rev. Cooper had preached in the First Baptist Church of Ozona on several occasions during visits here. Mrs. Cooper is a sister of Otto, J. M. and Pete Pridemore and Mrs. Earl Deland of Ozona.

Three 4-H Boys Look Forward To Trip To Canada

Trio Guests of Tommy Bartlett for Rare Summer Vacation

Three Crockett county 4-H club boys, Bill Schneemann, Graham Childress and Jimmy McMullan, all of Ozona, are looking forward to a summer vacation that they'll not soon forget. According to Crockett county agricultural agent W. A. Bergfeld, Jr., they have been selected as winners of a trip to Minnesota and Ontario, Canada. They will spend a week in the northern wilds, fishing, canoeing, camping and just having a good time. Their host for the outing will be Tommy Bartlett, well-known radio and television personality.

The invitation to make the trip came as a result of a guest appearance that seven Crockett county 4-H boys and their sponsors made on Bartlett's television show while they were attending the International Livestock Exposition in Chicago last year. The group were guests at a private party given by Bartlett the night they left Chicago to return to Ozona.

Later, in a letter to County Agent Bergfeld, Bartlett invited three members of the Ozona 4-H Club to be his guests for one week this summer. He left the selection of the boys to the 4-H officials. The parents of all eligible boys in the county made the rules for the awards as well as the final selections, says Bergfeld. The boys were selected for the trip on the basis of points won by showing their livestock in the various shows during the year.

All of the boys' expenses will be paid by Bartlett. They will go by train to Chicago, by plane to Minnesota and Canada and back to Chicago and return to Texas by train. The trip is scheduled for May, the exact date to be announced later.

Winter Takes Another Belated Poke at Area; Dust Storm Results

Winter took another belated punch this week at an already groggy West Texas, which, although still hanging on the ropes, was hoping for time to clear its head with a swig of Spring.

But a howling norther, kicking up a cloud of dust from the Texas Panhandle and along the route to the Gulf, swept over the area late Tuesday, lowering temperatures but not quite to the freezing point. The gusty winds continued all through Tuesday night and the colder air hung red through Wednesday, with predicted warmer weather due today.

Harrell Ranch Due Shallow Test; Texaco Spots Deep Wildcat

Deep and shallow wildcats are scheduled for Crockett county.

Texaco No. 1 E. C. Marrs, projected to 7,650 feet with rotary, will be 1,950 from north, 660 feet from east line of section 23-BH-GC&SF. It will be 4 1/4 miles north, northeast of Iraan, which is in northeastern Pecos county and on the northeast side of the Yates field.

Twenty miles south of Ozona, E. L. Rasbury and Sam Henderson of San Angelo No. 1 George Harrell will be scheduled 1,500-foot cable tool test, 1,650 from north, 330 feet from west line of section 24, block XX.

No. 1 Harrell will be one half mile south of Sam Henderson No. 1 George Harrell, a 586-foot failure, and a diagonal northeast offset to H. L. Cain No. 1 George Harrell, a 1,227-foot failure.

Other Crockett tests, C. L. Norsworthy No. 1 Mitcham, bottomed at 8,027 feet in lime with fish in hole was reaming at 2,637 feet; Shell No. 1-5 University was drilling at 5,960 feet in shale and sand. Cities Service No. 1-E Owens was waiting on cement to set after plugging back to 6,340 feet.

Mrs. John L. Young, Early Day Ozonan, Dies in Alpine

Mrs. John L. Young, mother of Mrs. Harry J. Friend of Ozona, died at her home in Alpine at 7 o'clock last night.

Mrs. Young had been ill for the past four or five weeks, but until her last illness had enjoyed good health despite her years. Funeral services had not been set definitely this morning but will be held sometime Friday afternoon, according to information here.

Mrs. Young was the widow of the late John L. Young, early day tax assessor and rancher of Crockett county. Mr. Young died in Alpine about 18 years ago.

Surviving are two daughters, Mrs. Friend of Ozona and Mrs. Cas Edwards of Alpine, three sons Frank and John Young of Alpine and V. W. Young of Fort Worth, and a number of grand, great grand and great great grandchildren.

Conoco Spots Deep Wildcat In N'west Crockett

Test Shannon Lands; Two More Vaughan Tests Finaled

Continental Oil Co. has filed application for permit to drill a northwestern Crockett county wildcat eight miles northeast of Iraan.

Projected to 8,200 feet with rotary, the company's No. 1-B J. M. Shannon will be 660 from north, 1,980 feet from east line of J. Wiley Heirs survey 2. It will be four miles northeast of the Noelke field.

No. 1-B Shannon will be four miles north of Amerada (Chancellor) No. 1-B Shannon, which was plugged and abandoned on Dec. 29, 1948, after drilling to 7,835 feet in granite. It topped the Ellenburger at 6,625 feet on elevation of 2,881 feet. The failure was in subdivision 2, Archer county school land survey 3.

Magnolia No. 3 Boyd Clayton, wildcat one-half mile south and slightly west of the same operator's No. 1 Clayton Ranch, Ellenburger gas-distillate discovery 10 miles east of Ozona, with total plug back depth at 8,815 feet, fished out perforating gun and ran two-inch tubing with packer at 8,500 feet. It swabbed load and started gassing. The gas was too small to measure.

Perforations between the packer and the plug back depth were acidized with 3,000 gallons. Location is 1,320 feet from north and west lines of section 15-IJ-GC&SF survey.

Gulf No. 4-A J. M. Shannon, in the Vaughan pool, section 5-UV-GC&SF, was finished on the pump in 12 hours, rating 96 barrels of 28 gravity oil plus two per cent water in 24 hours through tubing perforations from 1,482 to 1,486 feet, with total depth 1,496 feet.

Gulf No. 12 Vaughan, in the Vaughan field, section 85 - OP-GC&SF, was completed on the pump in six hours, rating 161 barrels of 25.6 gravity oil plus 14 per cent water in 24 hours. Gas-oil ratio was 159-1. The production was through tubing perforations from 1,458 to 1,462 feet, with total depth 1,472 feet.

Shell No. 1-5 University, scheduled Ellenburger wildcat in the northwestern part of the county, was drilling at 6,052 feet in shale, sand and lime.

AUTHORITY ON SNAKES LECTURES TO STUDENTS

Boyd Lovelace, manager of the West Texas Utilities Co. at Sonora and a former Ozonan, delivered a lecture on snakes to pupils of the South Elementary School from the sixth grade up Wednesday afternoon. Mr. Lovelace, an authority on snakes of the Southwest, pointed out the different kinds of snakes, gave the children information on how to distinguish between poisonous and non-poisonous snakes and advice on safety measures and what to do in case of snake bite.

Bunger, Witcher, Kyle Victors In Trustee Election

New Board Members Sit in on Final Session Of Old Board

From a field of eight candidates a record number of Crockett county voters went to the polls last Saturday to pick three men to serve for the next two years on the district school board.

George Bunger, Henry Witcher and Arthur Kyle were the three highest candidates in the final tally and will officially be seated as members of the school board at its next regular meeting in May.

Bunger led the ticket with a total of 156 votes. Witcher polled 105 and Kyle 103. James Baggett was just four votes behind for fourth place with a total of 99. Ralph Jones polled a total of 80 votes; Ernest Dunlap, 72; A. O. Fields, 69, and B. W. Stuart, 60.

The vote in the Ozona box was Kyle, 101; Bunger, 152; Baggett, 90; Witcher, 94; Dunlap, 72; Stuart, 52; Fields, 60, and Jones, 77. Elections were also held at Powell Field and at Todd Field. In Powell Field the vote was Kyle, 0; Bunger, 4; Baggett, 7; Witcher, 5; Dunlap, 0; Stuart 3; Fields, 6; and Jones, 3. At Todd, the vote was Kyle 2; Bunger, 0; Baggett, 2; Dunlap, 0; Stuart, 5; Fields, 3 and Jones, 0.

The three newly elected trustees sat in as visitors at the final meeting of the old board Tuesday night. They will be installed at the May meeting, succeeding Max Schneemann, C. O. Walker and W. E. Friend, Jr., whose terms expire this year.

Wayne W. West and Hillery M. Phillips were re-elected to the county board. West to represent Precinct 1 with 165 votes and Phillips as trustee at large with 152 votes. A scattering of votes for other candidates was registered.

Mrs. E. D. Cooke 43, Former Ozonan, Dies In Abilene Sunday

Mrs. Clyde Cooke, wife of E. D. Cooke, resident of Ozona for many years, died at 4 o'clock Sunday morning in Abilene where the family had lived for the past year. Mrs. Cooke had been in ill health for a number of years.

Funeral services were held at 3 o'clock Monday afternoon from a funeral chapel in Abilene, burial following in the Abilene Cemetery.

Mrs. Cooke was born in Bell county, the daughter of Mr. and Mrs. R. N. Lawrence, now residing in Temple. She is survived by her husband; one son, Don Cooke, of Ozona, three daughters, Mrs. A. W. Bruce of Tulsa, Okla.; Mrs. W. L. Rehkop of Athens, Texas; and Miss Marilyn Cooke of Abilene; her parents, Mr. and Mrs. R. N. Lawrence of Temple; three brothers, Lee and R. N. Lawrence, Jr., of Temple and Wilbur Lawrence of Houston. Five grandchildren also survive.

New Wesley Sawyer Jewelry Inspected by Hundreds at Opening

Hundreds of Ozonans, and many from nearby towns, visited the beautiful new Wesley Sawyer Jewelry store on its formal opening day Tuesday of this week.

The new store is located in a part of the new building erected by Tom Harris to house Ozona's postoffice. Modern fixtures and lighting, combined with an elaborate display of the leading lines of silverware and jewelry combined to inspire lavish compliments from the opening day visitors.

Mr. Sawyer had 500 orchids brought by plane from Hawaii which were given as favors to the first 500 ladies to visit the store during the day. Gifts for the men, including pencil tip clasps and watch bands were also available for the male visitors.

Control of Poisonous Plants Practical With Sprays, A & M Finds

COLLEGE STATION — Control of many poisonous range plants is practical with herbicidal sprays such as 2,4-D and 2,4,5-T, according to Dr. Omar E. Sperry, professor of range and forestry, Texas A & M College System. In tests conducted by the Texas Agricultural Experiment Station, control costs, when applied on large acreages, ranged from \$2.00 to \$4.00 per acre. For lasting benefits, Dr. Sperry emphasizes that lighter stocking of ranges, deferment of poor-condition ranges and isolation of heavily infested areas should be practiced along with the spraying of poisonous plants.

Effective kills of bitterweed, rayless goldenrod, peavine, loco, garboncillo, groundsell and desert baileya were obtained with different concentrations and mixtures of 2,4-D and 2,4,5-T, in field tests conducted in 1950.

A summary of results from experimental work in controlling poisonous range plants conducted in 1950 is given in Progress Report 1334, available from the Publications Office, Texas Agricultural Experiment Station, College Station, Texas.

Regan's Committee Probes Mineral Defense Production Program

WASHINGTON. — The mines and mining subcommittee, of which Rep. Ken Regan, 16th district, is chairman, is seeking the answer as to why the nation's mineral defense production program is bogged down while demand for supplies is rising and is finding that delay in issuing price regulations is partly the answer.

Regan plans to call at least 30 government witnesses before he concludes this thorough study into a failure that he says is not only endangering national security by cutting down on the exploration for additional sources of strategic metals and minerals, but is slowing up already existing production.

So far, it was revealed today, only two contracts for mining have been approved by the Defense Minerals Administration. Witnesses testified that the nation now needs six times the present production of tungsten.

"We are losing production because of no regulations, no contracts and no price control permits operators to know where they stand," said Regan.

Appreciative Audience Hears Odessa Choir in Concert Here Tuesday

The Odessa College Concert Choir left Odessa Tuesday morning to participate in the program for the convention of the Texas Federation of Music Clubs. The choir, directed by Robert Page, will present several concerts en route to and from San Antonio, where the convention is to be held.

The choir sang to an appreciative audience in the Methodist Fellowship Hall Tuesday night. The program of musical numbers included an outstanding array of the varied types of music beginning with music from motets, and continuing with music from the hymnal, spirituals, folklore and from the modern.

Among the music was included, Motet, Opus 29 No. 1, by Brahms, sung in German; Fanfare for Easter, Wilson; Alleluia, Thompson; Come Unto Me, Barford; Carry Me Home, arranged by R. Dean Shure; Deep River, arranged by Ringwald; Polly Wolly Doodle, American folk song; Dancing in the Dark, Schwartz; Skip to My Lou, arranged by Riegger and a medley of Wagon Wheels and Tumbler Tumble Weeds.

Touring with the 25 voice choir is Mrs. Helen Corley, Odessa College educational psychology instructor and guidance director. The tour will extend for four days and the choir will return to Odessa Saturday the 14th.

Mr. and Mrs. Eldred Newton of St. Louis have returned home after visiting in the homes of Mrs. Newton's sisters, Mrs. Floyd Henderson and Mrs. Scott Peters.

Here's where You come into your own

Once in a while, any man is entitled to let himself go.

He's entitled to that glow of pride that comes from feeling like the very important person that he really is.

He's entitled to take practical steps to make his dreams come true.

In short, he's entitled to own a ROADMASTER, and particularly a ROADMASTER as it is custom built for '51.

For this great automobile is more than big and roomy and distinguished in its styling.

It's more than sweetly willing in performance, and superbly poised in stride.

It does things to you, when you let yourself sink deep down in the subtle softness of its cushions, and run a caressing hand over the fine texture of its fabrics.

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflo Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.

Come in soon and see this buy of buys in the fine-car field.

Equipment, accessories, trim and models are subject to change without notice.

When better automobiles are built Buick will build them

**Safety Check
in Houses
by Fire Chief**

Safety check-up for a home is as important as a periodic examination for an insured home. Chief Bill Cooper is urging business men to observe the city-wide observing Clean-Up Week. Spots in a store are covered, and some serious spots can be corrected in a time," he said. "Those invested in safety can be a business from bank- Chief offered local

merchants this eight-point program for fire-safety inspection:
1. Clean out the basement to get rid of combustible rubbish.
2. Use covered metal bins for rags and packing materials.
3. Store inflammable liquids in bulk in metal cabinets, fire-resistant rooms, or outside the building.
4. Get an experienced electrician to do your wiring, and have him check wiring periodically.
5. Replace worn extension cords.
6. Have your heating system inspected by an experienced repairman.
7. Work out a "safe smoking" plan with your employees to prevent needless fires. Set aside a definite safe smoking area, or specify

smoking periods.
8. Inspect your shop or store carefully before leaving for the day. Many serious fires break out when the store is closed.

From where I sit... by Joe Marsh

**Buzz And The
Off-Key Baritones**

Reverend Lester of the church out on Hillsboro Road coaches his Young Peoples' Choir late Thursday afternoons—after high school basketball practice lets out.

Buzz Ellis pastures cows next to that church. Around 5 o'clock they used to make a lot of racket about wanting to go home. That made it kind of rough on the choir.

When Buzz learned what was going on he said to Reverend Lester: "I never yet heard of a cow that could moo on key. So, I'll just move 'em in a little earlier..." This started me to thinking. Buzz

doesn't go to that church. And he's so tone-deaf he couldn't carry a tune in a bucket!

From where I sit, you might say that Buzz didn't have much in common with those singers. But he doesn't divide folks into groups he's "with" or "agin." Your politics, your personal preferences—or the fact that you like a moderate glass of beer—mean nothing either way to Buzz. He's a real neighbor to everybody!

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

Question of the Week —

How about an all-school picnic — at Christoval maybe? Well, it's only an idea, but a pretty good one, don't you think? Anyway, it seems the students at OHS think so. A recent poll reveals the following:

Charles, very fine; Graham, very good; Miss North, anytime there's food just call me; Skeeter all right with me; June, fine; Pat, excellent idea; Gussie, fine as a horse's hair; Pinhead, yeah; Don, ok; Tom, yes; Sellars, wonderful; Ballard, yea; Gillit, all right with me.

Deloris, good; Vivian, ok by me; Shirley, same here; Raul, yes; Sergio, yes; Andres, good idea; Hilda, very good; Kenneth Bledsoe, good; Dood, sure; Joe, swell; Lois, I'm all for it; Norris, excellent; Bobby W., good idea; John uh-huh; Jeannene, wonderful.

Others who seem to like the idea a lot: Marian, Billie, Tody, Bettye, Helen, Alena, Lewis, Kenneth.

Fads and Fashions

Things we noticed: Skeeter's orange shirt, Graham's aqua one, Tom's yellow one, Scott's that is a million different colors — The pleated back shirts some of the girls are wearing. Gathered skirts, sleeveless blouses with wide belts.

As for color, it's purple, purple, purple — Flowers we noticed, the red poppy on Darrene's hat Gussie's big carnation, Kay's chrysanthemum rose.

What's going on in the home-making lab? Something may eventually come out of all the clouds of organdy, cotton, pique, thread, pins and Mrs. Hull rushing from girl to girl. Let's wait and see.

Odessa College Choir Presents Fine Program At Methodist Church

The Odessa College Concert Choir, directed by Robert Page, sang on Tuesday night April 10, at eight p. m.

The Choir used a wide selection of both religious and secular music including, "O, Magnify the Lord," "Alleluia," "Come Unto Me," "Fanfare of Easter," "Deep River," "Soon We Will Be Done," "Gospel Train," "Tumblin' Tumble Weeds," "Early in the Spring," "Polly Wolly Doodle," "Dancing in the Dark," "Skip to My Lou." A quartette of four girls sang "Those Foolish Things," and a tenor sang with them on "Look for the Silver Lining," and "Never-the-less."

The Choir had just started a six-day tour, in which they intend to include Ozona, San Antonio, Uvalde and Junction.

The Choir, which was sponsored by the OHS Choral Club, was one of the best performances of the year as decided by the audience at the Methodist Fellowship Hall on Tuesday night.

Choral Club Heard In Assembly Program

The OHS Choral Club, directed by Harold Lipford, presented an assembly program Friday, April 6 in the high school auditorium. The Choir sang a wide selection of both religious and secular music, including "A Prayer," "Lift Thine Eyes," "My Heart Ever Faithful," "With a Hey and a Hi," "Grandma," and "Balm in Gilead." Jeannene Thompson sang a solo, "I Love Thee."

The chorus, which has already performed on several different occasions this year, is making plans to attend contest in Brownwood soon and to present their annual spring concert in May.

Annual Concert by Band Enjoyed Monday

The annual spring band concert was presented by the OHS band in the high school auditorium on Monday night, April 9, at 8 p. m. "Storm King," "Sun Valley Mountains," "A Japanese Sunset," a solo number by Kenneth Bledsoe and just for fun, "Copa-Cabana," a samba, are just a few of the wide variety of numbers presented by the band.

Following the concert, refreshments were served in the hall by the Band Boosters, who also decorated the stage for the occasion.

WHAT IS IT?

When students were approached with the question, "What would you do if you had a kale?" they gave the following answers:
Deolores White - Step on it.
Alena Powers - Eat it.
Kenneth Bledsoe - Get drunk on it.
Barbara Bonn - Squeeze it.
Shirley Benton - Put it in a pen.
Charlene Parks - Wear it.
Ruth Sparks - Sell it.
Bettye Maness - Drink it.
Mr. Yager - Spend it.
Pat Hickman - Plant it.
Kay Kirby - Put something in it.
Jeannene Thompson - Keep it.
John Greer - Analyze it.
"Kale" is a kind of cabbage.

IT COULD HAPPEN TO YOU (But Don't Let It)

1. To go 16 years without learning the alphabet as Bobby Womack has done.
2. To go through high school and college before starting Spanish.

ish lessons as Mr. Massingill seems to have done.

3. To invariably say the wrong thing at the wrong time in speech class like Sellars Laxson.

4. To constantly be deprived of speaking privileges in second period study hall as is the case of Bill Maness.

5. To have the same bad luck Kay Kirby has with unexcused tardies to Spanish class.

6. To spend hours of drudgery pasting layouts for the annual and then find out that the third and fifth grade pictures are mixed up.

7. To be caught reading a funny book in Mr. Yager's history class.

8. To talk as much as Doris Armentrout.

9. To have to listen to all of Jack Sorrels' "experiences."

10. To have your boy friend long-gone like Jo Ann Deaton's.

11. To have the other plans of an annual staff member on meeting night be Betty Wally.

News of Departments

The chemistry department was not blown up. No red ants escaped from the general science room. The ancient skulls in the museums are still in place. No one has fallen or been pushed down any one of the three flights of stairs. The boiler room has not exploded. Instead commonplace, ordinary, run-of-the-mill — you might say dull — events have made this week the same as many that have preceded it.

The Spanish II class finished a study of the famous Spanish novel, Don Quixote de la Mancha by Cervantes. They have begun a short study of The Miracle of the Meadow by Zorilla. Students of this class presented a floor show for the Mexican supper given by the seniors at the Community Center April 6.

Eligibility slips made the rounds again. Members of the girls' chorus who plan to go to contest

must be passing in at least one full-credit course.

The physical education department received an arbitrary week. P. E. students took to the ducks to water. There are bows with a set of six arrows to their horror, to write a play. This, after much coaxing and bribing, was made.

A few of the plays were made aloud in class and discussed. A class will cast one or two of them and present them for the "Gal Sal" by Lois Melba. The first one to be worked up by Benton and Allen Hare will lead parts.

Spring Fever —

"We've never lost a spring patient yet," or so goes the old adage, more or less. The spring sometimes reach the same one (Continued on Page Five)

The sight of Kootsie Smith
sleeping in study hall, Jeannene
Thompson yawning in speech class
and a fast game of softball turn-
ing into one of those slow motion
effects seldom seen outside of the
movies — these things make a per-
son wonder if maybe a case of
spring fever isn't pretty serious,
even if it isn't fatal.

Off the Bookshelf —

This is an off-season for reading
since it is getting warm and ev-
eryone wants to be outside play-
ing softball, tennis or other spring
sports. Then, again school is al-
most out and everyone wants to
try and read all the books he had
planned to read throughout the
year.

"Murder Is the Pay-Off" seems
to have Bettye Maness in a trance.
We hope this doesn't put ideas in
her head. There are many murder
mysteries like this one in the li-
brary that are very good.

Anne Emery is back again with
another exciting novel, "Going
Steady," very much like the last
one that had all the library grab-
bing for "Senior Year." It is a
continuation of that one. All of

A. Emery's books go over well with
the OHS girls.

The English IV class has just
finished "Silas Marner" by George
Eliot and I believe that any mem-
ber of that class would recom-
mend this book to anyone. It is
a very exciting novel about a
lonely weaver.

"The Education of Hyman Kap-
lan" is in my opinion one of the
funniest books I have ever read.
It is the story of a foreigner who
is going to night school in Amer-
ica to learn our language to get
his citizenship papers. Believe me,
he really had a time!

One of James Thurmore's books
has Kay Kirby's giggle box turned
over. It is made up of short essays
and then cartoons in the back. He
is an artist as well as a writer.

"The Plague and I," another
novel by Bettye McDonald is an
exciting novel that everyone can
enjoy. It is based on the story
"The Egg and I," another hilarious
novel.

Let's all try to read more and
really make use of the library. We
have as nice a library as any in
the state of Texas, so let's show
our appreciation by reading and
getting something out of these
books.

CARD OF THANKS

We wish to express our sincere
gratitude to all of our friends in
Ozona and surrounding territory
for the many expressions of sym-
pathy and for the beautiful flow-
ers sent on the occasion of the
death of our loved one.

E. D. Cooke and children.
Mrs. Lena Cooke.

OZONA HOSPITAL NOTES

Miss Frankie Howze of Boerne,
Texas, has accepted the position
as surgical and obstetrical nurse
at the Ozona Hospital. Miss Howze
is a graduate of the Methodist
Hospital in Houston and for the
past three years has been employ-
ed in veterans hospitals, two years
in McKinney and one year in Big
Spring.

Mrs. Paul Rios was admitted to
the hospital Tuesday.

The tiny son of Mr. and Mrs.
Joe Couch, born April 3, is report-
ed doing fine this week. The baby
weighed a little over four pounds
at birth and yesterday weighed 3
pounds and 13 ounces.

Visiting last week in the home
of Mr. and Mrs. J. B. Miller here
were Mr. and Mrs. Bob Bone of
Fayetteville, Ark. Mr. Bone is dis-
trict salesman for the Bean spray-
er company.

**Ozona Student Pledges
Phi Alpha Tau at NTSC**

DENTON. — (Spl.) April 10 —
Ray Piner, Jr., of Ozona was re-
cently elected a pledge of Phi Al-
pha Tau, social fraternity, at
North Texas State College.

Piner is one of 123 plebes who
began a months' pledgship last
week for membership in 11 campus
fraternities.

Son of Mr. and Mrs. Ray Piner
of Ozona, Piner is a sophomore
student majoring in business.

LOST — Antique pin, oval shape

relatives and friends.

Mr. and Mrs. J. B. Miller have
as guests this week Mrs. Miller's
sister, Mrs. R. J. Robbins and
daughter, Rebecca Kay, from
Houston.

"I'VE DRIVEN DODGE CARS 270,000 MILES
and my car for '51 is
another dependable DODGE!"

— Says C. G. Pyle*

*"MY NEW '51 DODGE makes the 16th
Dodge I've owned," says C. G.
Pyle, Los Angeles, Calif. "And every
one more than lived up to the Dodge
reputation for dependability."

You could pay up to \$1,000 more and still not get all the
extra room, comfort and rugged dependability of Dodge

OWNERS know from experience the value and
dependability built into Dodge cars. That's
why, year after year, so many buy "another
dependable Dodge."

Along with smart, sleek styling and unmatched
roominess, Dodge gives you the smoothest ride
you've ever known, thanks to the new Oriflow
Shock Absorber system. You get exciting perfor-
mance, true economy with the big "Get-Away"
engine. And Gyro-Matic, lowest priced automatic
transmission, makes driving easier, smoother.

Yes, Dodge is the car you want today . . . a
smart looking, comfortable, dependable car for
the years ahead. Let us give you the complete
story of Dodge value and dependability . . . today.

**America's Largest and Finest
Low-Priced Car!**

The Stylized De Luxe 4-Door Sedan
(Continuation of standard equipment and trim. Il-
lustrated is dependent on availability of material.)

Yes, LARGEST...
and the facts speak for themselves

It's **LONGEST** in the low-price field, a full 197½ inches of spirited
action and clean, sweeping lines. It's **HEAVIEST** in the low-price
field, a staunch and solid 3140 pounds in the model illustrated.
It has the **WIDEST TREAD** in the low-price field, a road-taming
58½ inches between centers of the rear wheels. Longer, heavier,
with wider tread . . . that's the measure of Chevrolet's rock-solid
value . . . big in looks, big in handling and riding ease, big in
road-hugging performance. Why settle for less than a Chevrolet
. . . when Chevrolet is the lowest priced line in the low-price field.

Yes, FINEST...
and here are the plain-spoken reasons

FISHER BODY QUALITY, renowned for solid and lasting good-
ness. **UNITIZED KNEE-ACTION RIDE**, smooth and gliding.
VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at
lowest cost. **PANORAMIC VISIBILITY**, with a big curved wind-
shield and large window area. **JUMBO-DRUM BRAKES**, biggest
in Chevrolet's field. **SAFETY-SIGHT INSTRUMENT PANEL**, with
shielded instrument lights. **POWERGLIDE AUTOMATIC TRANS-
MISSION**, billion-mile-proved, combined with 105-h.p. valve-in-
head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CARS!

Pistol Expert From Safety Dept. Entertains Sheriff's Possemen

Members of the Crockett County Sheriff's Posse and their guests scarcely believed their own eyes Tuesday night when they witnessed an exhibition of phenomenal pistol shooting by Captain Don Lawrence of the Texas Department of Public Safety.

The exhibition was staged in the high school gymnasium, and after seeing the amazing feats performed by Captain Lawrence, none in the audience doubted the statement that the pistol expert is one of only 166 men in the world who are able to do the things he did with pistol bullets.

Chief Walter Elliot of the Department acted as master of ceremonies for the demonstration. Captain Lawrence, he said, is firearms instructor for the Department at Austin and has demonstrated his shooting ability in numerous exhibitions to citizen groups over the state. He uses both target pistols and regular service type arms, including .38 caliber revolver and .45 caliber automatic.

Among the uncanny feats performed by Captain Lawrence was splitting a playing card in half edgewise; cutting a string; breaking two targets in one shot, one moving and one stationary; mowing down in one shot a row of vermicelli set upright in a holder; snuffing out burning candles without touching the candle or wick; and splitting a bullet in half on the edge of a hand axe and breaking a clay target set up on each side of the axe blade.

Guests of the Posse on the occasion were Captain Ray Butler of the San Angelo district office of the Highway Patrol and Patrolmen Hugh Shaw and Malcolm Bollinger, who work this area from Senora headquarters.

Mrs. O. W. Smith and Mrs. George Davis went to Tucumcari, N. M., last week to welcome Mrs. Smith's great grandson, David Lynn Williams, son of Mr. and Mrs. Allen Williams of Tucumcari, who was born last Thursday. The newcomer is a grandson of Mr. and Mrs. Jesse Williams, also of Tucumcari, and a great, great grandson of Mrs. D. B. Dunlap of Ozona.

China and Glassware Topic for Woman's Club Program Tuesday

China, a Treasure of the American Home" was the topic for an interesting program presented for the Ozona Woman's Club when it met Tuesday in the high school auditorium. Mrs. Stephen Perner was leader of the program.

Mr. Fielding of Abilene gave an interesting and instructive talk on ceramics, displaying some of his own work in ceramics and molding a pitcher as a demonstration during his talk.

Mrs. Joe T. Davidson spoke on "Early American Glass." She showed the group pieces from her own collection and gave some interesting facts about each piece displayed.

Miss Eudora Hawkins of Abilene exhibited a film on pottery.

Refreshments were served by Mrs. Hillery Phillips, Mrs. Jack Holt, Mrs. Victor Pierce and Mrs. Joe Oberkamp. Others present were Meses. W. E. Friend, Jr., A. C. Hoover, Joe Pierce, Neal Hannah, J. W. Henderson, P. T. Robinson, S. M. Harvick, O. L. Sims, Charles Williams, Pascal Northcutt, John Bailey, Troy Hickman, Adah Clendenen, James Childress, George Bunzer, N. P. Backstone, Joe Clayton, Charlie Williams, Jr., Byron Stuart, Cleophas Cooke, Doyle Perdue and Janie Hull.

CARD OF THANKS

We take this means of expressing our deepest gratitude to all our friends for their many acts of kindness and expressions of sympathy on the occasion of the death of our husband and father. We will never forget your kindness and may God bless you for it.

Mrs. Harry Friend and children

YOUNG WOMEN'S CLASS

Members of the Young Women's Bible Class of the Church of Christ met at the Granny Miller Hall Wednesday for Bible study led by

Mrs. Neal Hannah. The class is participating in landscaping the grounds of the Granny Miller Hall and committee chairmen reported that the shrubs are to be delivered this week.

The class will meet regularly from now on at the Granny Miller Hall, it was announced.

Present were Mrs. Buster Augustine, Mrs. J. W. Johnigan, Mrs. J. B. Miller, Mrs. Frank James,

Mrs. Basil Denton, Mrs. H. H. Haire, Mrs. Jack Gille, Mrs. Kirby, Mrs. Miller, Mrs. C. O. Walker, Mrs. B. L. Mrs. Hannah and Mrs. L. bins of Houston.
