## Here and There

By J. Troy Hickman

### ADVENTURES IN MEMORY

A lot of us could agree with a little girl who was asked by her teacher to explain what memory is. "My memory," she said, "is what I forget with." I am always forgetting things that I ought to remember, such as my wife's birthday, our anniversary, and the names of the children. When you have four children and each one changes his age every year, that's quite a chore. Like most men, I have just given it up as a bad job and designated my wife as the official rememberer for the family. I have always been unreasonably prejudiced against the person who comes up and holds out a hand and says, "Bet you don't remember who I am." Such an approach deserves a reply, like, for instance, "No, I don't. And I don't care." But living as we do in a polite society, one in such a spot usually hides behind the time-honored prevarication, "Your face looks familiar, but I don't believe I recall your name."

One time while holding the funeral service of a man I had never known, I started to refer to him as "Our brother, Mr. . . ." but the name just wouldn't come up. I knew it was written down somewhere in my notes. So I started on a poem, gesturing with my right hand to distract attention, while my good old left hand was groping among the notes for the lost name. The poem was now ended and I didn't find the name, so I just called, "Our brother, the deceased."

A fellow walked up one day on the street of a city where I was acquainted and said, "You don't remember me, do you?" I made a dash down with his hand like a lamp handle for a full minute, inkled my brow to look like someone in the agony of deep thought, and said, "I am sure I've seen you somewhere." He answered, "I doubt that. I am a student in the psychology class at Siwash College here. We are making a street survey to see how many honest people we can find."

Memory is a strange and interesting thing. One would think that recent events are best remembered. As we get older, the farther back in time a thing is, the better it is remembered. In talking to my old people I have noticed that they soon forget recent events and their last and clearest recollections will be of childhood events and happenings.

A man is not likely to forget to get on a fishing trip, but he will probably not remember that his wife wants him to move the piano. The pianist doesn't forget how much money he has. A clock-watcher never forgets to quit work right at the dot.

Oppelshmidt is an easier name to remember than Smith. A character with a comic book nose will remember you longer than an acquaintance with regular features. The name of someone you dismissively will slip away, but if you hate him violently, his face name will be stamped deeply in your memory. Very painful experiences are remembered longer than ordinary incidents. We tend to recall our troubles better than our blessings. One may forget to eat a watermelon but will not forget where a dog bit him. The mind will sweep away small unpleasant things, but a man has a date with a dentist he can think of nothing else but it is over.

A lot of times we say we have forgotten something, when really we have just never learned it. If a man is not interested in people when he meets a new person, he will stumble a conventional greeting whom he had met only once in one ear and out the other. It is said to be the first law of learning and it is also the best way to forget. No one ever forgets anything in which he is truly interested.

I resolved to try to improve my memory. I was inspired (Continued on Last Page)

## Civic Groups Form Inter Council For Community Work

### Representatives from All Clubs Correlate Community Projects

To correlate the work of all civic organization into a unified effort for the community advancement, an Inter-Club Council in Ozona was formed at a meeting during the past week at which representatives from the various organized groups in the city were present for a discussion of the clean-up campaign.

Mrs. S. M. Harvick, president of the Ozona Woman's Club, was elected president of the Inter-Club Council. Dr. Maurice Lemmons, Lions Club president, was named vice president, and Mrs. Ken Cody, president of the Ozona Literary Club, was chosen secretary.

The purpose of the new council is to promote community projects on a community-wide basis, representatives of various organizations coordinating the work of all in a common goal through an exchange of information and a pooling of effort.

The next meeting of the Council has been set for Monday evening, Feb. 11, at 7 o'clock in the fire station. Meetings are to be held the second Monday in each month.

Heads of the new Council have urged participation of all clubs and organizations in the city. Representatives from the P. T. A., Ozona Roping Club, The Ozona Music Club, the Woman's Forum, Ozona Woman's Club, the Sheriff's Posse, Lions Club, Rotary Club, Literary Club and any other club or organization in the city interested in civic projects are invited to join in this attempt to unify community effort.

## Elkhorn Extender Rated At 1,212.9 Barrels Oil Daily

### Continental 6-A Shannon Extends Field 1/2 Mile Southeast

The Elkhorn (Ellenburger field of north-central Crockett county has been extended 1/2-mile southeast by completion of the Continental No. 6-A Shannon for a daily flowing potential of 1,212.96 barrels of 40.3 gravity oil, no water, with gas-oil ratio of 471-1.

Production was through a 3 1/2-inch tubing choke and open hole between 7,212 feet, where 5 1/2-inch casing was cemented, and 7,334 feet, the total depth, with top of pay picked at 7,212 feet on derrick floor elevation of 2,681 feet. Completion was natural.

Location is 668 feet from south and 689 feet from east lines of section 22-UV-GC&SF.

The Texas Company No. 1-Y State, section 25-40 University, has been plugged and abandoned at total depth of 1,154 feet.

M&M Production Co. No. 11-E Powell, 1,264 feet from north and 2,198 feet from west lines of section 63-BB-GC&SF. World field test, has been completed for a daily pumping potential of nine barrels of 30 gravity oil plus 50 per cent water, with gas-oil ratio too small to measure.

Production was through open hole between 2,660 feet, where seven-inch casing was cemented, and 2,713 feet, the total depth, with top of pay picked at 2,704 feet on derrick floor elevation of 2,794 feet.

Location is 1,264 feet from north and 2,198 feet from west lines of section 63-BB-GC&SF.

Woodward & Co. No. 1 University, section 25 - 30 - University, wildcat, has been plugged and abandoned at total depth of 8,174 feet in chert.

LOST — Gold geranium-leaf pin, set with pearl. Reward for return to Mrs. L. B. Cox, Jr. 1c

## Lion Cagers Trim Eldorado for Second Straight Dist. Victory

Coach J. A. Pelto's Ozona Lions stayed at the top of the district heap by taking their second district game from Eldorado on the local gym floor Thursday night. They had trimmed the Sonora Bronces in the district opener Tuesday night.

The Lions took the Eldorado Eagles 36 to 23, with Joe Bailey leading in the scoring department with 12 points. Scott Hickman was a close second with 11. Bill Schneemann scored 8 points, Charles Garlitz, 4 and Tom Piner, 1. Humphries of Eldorado was high point man with 10.

Ozona Junior High beat the Eldorado junior 22 to 16 in the evening's opener.

The Lions won their opener against Barnhart in the Big Lake tournament Friday 52 to 17 but then fell before the San Angelo Kittens 41 to 35. Charles Garlitz scored 16 points in the losing battle with the Kittens and thereby cinched a place on the all-tournament team of the Big Lake meet. Garlitz scored 7 against Barnhart with Bobby Womack leading with 13.

The Ozona cagers go to Junction next Tuesday night for their third district encounter.

## Lions Club Honors All District Team At Annual Banquet

Members of the 6A all-district football teams for 1951 were honored at the third annual all-district football banquet staged by the Ozona Lions Club Monday evening at the Methodist Church.

Members of the offensive and defensive and second team all-district selection, from all six of the teams composing the district, with their coaches and school superintendents, were honored as guests of the club. Each member of the all-district teams was presented with a certificate award and the Edgar Glasscock sportsmanship trophy was presented to Ed and Ozona, these two teams having tied for first place in the voting to name the team exhibiting the best sportsmanship during the season. This is the second year of the Glasscock trophy award, Mason having been named its winner last year. Guests were present from Eden, Menard, Eldorado, Sonora and Junction. Coaches Wilkins and J. A. Pelto and the entire High School football squad were also guests.

Mike Brumbelow, coach of Texas Western College at El Paso, was the principal speaker at the banquet. Coach Brumbelow strongly defended football, especially college football, against attacks leveled at the game and college methods of recruiting players in recent months.

"I have yet to see any boy harmed by receiving a college football scholarship," Mr. Brumbelow said. "We charge admissions to the games — why shouldn't the players get room, board, books and feed out of it?" he asked. He compared the game of football to the game of life. "When you get out in this competitive world, you'll see a lot of swift backs and big linemen coming at you," he said.

The El Paso coach showed a film of the Texas Western-Arizona football game as the entertainment feature of the evening. Guests enjoyed a fried chicken dinner prepared and served by the Ozona Woman's Club.

## Ozona Fliers Kill Big Bald Eagle on Jack Wilkins Ranch

Dick Henderson and John Childress went eagle hunting in Henderson's plane the other day and bagged a big American bald eagle, a type rarely seen in this area.

The eagle, whose wingspread measures seven feet, four inches, was killed on the Jack Wilkins ranch. Henderson flew the plane with Childress manning the shot gun. Childress' first shot wounded the big bird and he ran under a bush. The plane made four passes before Childress finally pelted the big fellow with enough buckshot to put him out of business.

Leslie Allen, foreman on the R. A. Harrell ranch north of Ozona recently killed a Mexican black eagle which had a wingspread of seven feet. The black eagle was larger, however, than the bald eagle in body and length of wing feathers, as well as claws.

Eagles account for much loss in the ranch industry, especially at lambing and kidding time.

## Friday Wind-Up Day For Cleanup Campaign Here

### Trash Hauled Free; Ask Owners to Clean Vacant Lots

Friday of this week has been designated as wind-up day for the current clean-up campaign. At least that's the day when trucks will be available for the final free hauling of trash which has been gathered up by residents during the past week.

The clean-up, itself, representatives of the sponsoring organizations, the Woman's Forum and the Ozona Woman's Club, point out, should be a continuing program so that the good work as started in the current effort will not be lost through neglect to keep clean on a day-to-day basis. Backers of the drive hope that citizens will adopt sanitation measures being advocated in the clean-up and will continue their practice throughout the year.

These measures include keeping cans and trash orderly and removed regularly; using covered garbage cans; eliminating outdoor toilets as soon as possible; keeping house screens in good condition; stacking lumber neatly to avoid providing rat harbors; and generally cleaning up and staying clean.

A special plea to owners of vacant lots to have these thoroughly cleaned was issued this week. Most of the unsightly spots in town are the vacant lots and owners are urged to have these cleaned of accumulated papers, cans, dead weeds, brush, etc. County road crews have moved machinery into town this week to cooperate in the clean-up by digging out the beds of the two draws through the city. Much trash has accumulated in the draws, much of it dumped there by thoughtless residents. All of this is being removed with the county equipment and the draws are being rid of brush and all rubbish. Signs are to be posted and hereafter persons dumping trash in the draws will be subject to prosecution and possible fine, officials said.

For purposes of reaching every home and place of business in the city, clean up drive directors last week divided the town into zones with a resident in each zone designated as chairman and responsible for the clean up campaign in his zone.

The zone chairmen named include Bill Childress, Chas. E. Davidson, Jr., Charlie Black, Gene Thomas, Vernon Ratliff, Glenn Sutton, Nip Blackstone, L. B. Cox, III, Dick Henderson, Ed Vitela, Sam Martinez and C. O. Spencer.

In an effort to eliminate the open garbage container, a fly breeder, the clean-up directors have arranged with Tom Harris of the Foxworth-Galbraith Lumber Co. here to stock metal garbage cans. (Continued on Last Page)

## Football Schedule For 1952 Announced

Coach Larry Wilkins of the Ozona High School Lions, this week released the 1952 football schedule for Ozona. The coming season will open on September 12 and will offer fans six games on the home gridiron and four away from home.

Of the five district games, three will be played at home, against Menard, Junction and Eden, and two away, at Eldorado and Sonora.

Following is the complete schedule:

- Sept. 12 — Big Lake in Big Lake
- Sept. 19 — Iraan in Ozona
- Sept. 26 — Crane in Ozona
- Oct. 3 — San Angelo B in Ozona
- Oct. 10 — Pecos in Pecos
- Oct. 17 — Open
- Oct. 24 — Menard in Ozona\*
- Oct. 31 — Eldorado in Eldorado\*
- Nov. 7 — Junction in Ozona\*
- Nov. 14 — Eden in Ozona\*
- Nov. 21 — Sonora in Sonora\*

## 1952 Auto License Tags Go on Sale Here First Monday in Feb.

The new 1952 motor vehicle license tags will go on sale here the first Monday in February, which is February 4, Mrs. Gertrude Perry, deputy tax collector, announced this week.

Motorists are cautioned in advance to look up their 1951 registration papers and their certificates of title. It will be necessary to have these papers with you when you register your auto or truck this year, Mrs. Perry says. Tax collectors are required this year to check motor numbers on license receipts and on certificates of title, thus making it necessary to produce these papers before the new tags can be issued.

## Lion Oil Co. to Drill 8,000 Foot Test on Shannon

The Lion Oil Company has filed application to drill an 8,000-foot combination tools wildcat in central Crockett county, 14 miles northwest of Ozona. It will be that company's No. 1 J. M. Shannon.

Location will be 1,980 feet from north and 660 feet from east lines of section 46-UV-GC&SF. It will be 3 1/2 miles west of the Vaughan field, slightly more than 2 1/2 miles east of the Todd field, two miles southwest of the Standard Oil Co. of Texas No. 1-4 Shannon, dry hole abandoned Dec. 27, 1951, at total depth of 9,982 feet; slightly less than two miles northeast of the Superior No. 1 M. A. Smith, dry hole abandoned June 24, 1937, at total depth of 7,535 feet.

It is separated from the Todd field by two dry holes located in section 66-UV-GC&SF.

Sun No. 1 Mitchell, Crockett wildcat, was drilling at 5,662 feet

## Deep Rock Corp. to Drill 6,800 Foot Wildcat in Crockett

The Deep Rock Oil Corporation has filed application to drill a 6,800-foot combination tools wildcat, its No. 1 J. M. Shannon estate, in northwestern Crockett county, 7 1/2 miles east of Iraan.

Location will be 660 feet from south and east lines of section 2, J. H. Wiley Heirs survey. It will be drilled on a 160-acre lease. Elevation will be 2,800 feet. It will be 3 1/2 miles east of the Noelke field which produces from the Seven Rivers and Clear Fork of the Permian.

Childress & Miller of Ozona No. 1 C. W. Meadows, Sr., Crockett wildcat, was drilling at 1,717 feet after having logged a slight show of oil between 1,680-1,695 feet. The section was not drillstem tested. It will be tested later.

Location is 4,547.1 feet from the most southerly north line and 3,209.2 feet from east line of section 52-GG.

Magnolia No. 1 J. W. Henderson, Jr., wildcat, was drilling at 5,191 feet in sandy shale; J. F. Abercrombie No. 1 J. H. Phelps, wildcat, was drilling at 2,350 feet

## 16 Teams To Vie For Title in 21st Annual Tournament

### Play Opens Tonight; All Day Friday and Saturday

Ozona is set for the opening of its 21st annual Basketball Tournament, slated for this week-end.

Sixteen teams will compete in this year's tourney, trying for possession of one of the handsome trophies which will be awarded winners and runners up in the championship and consolation brackets.

The horn will sound at 6:30 tonight (Thursday) to open the twenty-first meet, with the Eldorado Eagles and the Sonora Bronces arrayed for the opening encounter. Two more games will complete the first evening's session. Junction's Eagles will take on the Barnhart Tigers in the second go of the evening, scheduled for 7:45. Ozona's Lions will go against the Fort Stockton Panthers in the final game of the evening, starting at 9 o'clock.

Coach J. A. Pelto and Assistant Larry Wilkins were wearing long faces this week as tournament time neared. Several of the first string cagers on the host team are victims of the current epidemic of respiratory ills now raging here, and further, several of their top hands will be gone after the opening game to the stock show in Fort Worth — showing 4-H Club sheep in the Fort Worth event. The Fort Worth bound players will stay over for the opening game tonight, leaving immediately afterwards for the stock show.

Sessions will be held mornings, afternoons and evenings on Friday and Saturday, with the championship and consolation decider set for the Saturday night session.

The Friday morning session will open at 8 o'clock with Lake View matched with McCamey. At 9:15 Friday morning will see Brady tangle with the Iraan Braves and at 10:30 Ballinger and San Angelo B mix it.

Friday afternoon will see Andrews and Menard matched at 1 o'clock. Carrizo Springs, where former Ozona principal James Bramlett is now principal, will play the Big Lake Owls at 2:15 p.m. Friday and at 3:30 p.m. Friday will be the first quarter final game of the tourney, matching the team which is victorious in the Lake View-McCamey game against winner of the Junction-Barnhart go. Losers in these two first round games will play in the consolation quarter final at 4:45 p.m.

The Friday night session will (Continued on Last Page)

## Only 646 Poll Taxes Paid To Mid Week Here

### One Week More Left In Which Voters May Qualify

Only 646 poll tax receipts had been issued at the close of the business day Tuesday, Mrs. Gertrude Perry, deputy tax collector, reported Wednesday.

With an estimated 1,000 or more potential qualified voters in the county and only one more week remaining in which these voters may pay their poll taxes and be qualified to vote in the primary and general elections scheduled for 1952, the situation at present foretells a rush on the tax collector next week or a lot of people who will be disfranchised and have no choice in deciding crucial issues and candidates in this important election year.

Ten exemption certificates have been issued in the local collector's office.

Poll taxes must be paid or exemptions secured on or before January 31 to qualify otherwise qualified voters for the 1952 elections.

THURSDAY, JAN. 24, 1952

**DESTRUCTION FROM WITHIN**

Dr. Leo Wolman, Professor of Economics at Columbia University recently pointed to England and France as examples of the fact that "it is as easy for a country to weaken or destroy itself from within as without."  
He then said, "Our course since the war is calculated to create and nurture the very evils against which we are supposed to be protecting ourselves. The first of these is large scale financial instability. Our policies are leading straight toward progressive decline in the value of our money, investments and contractual obligations. However much we tax we shall not arrest these trends."  
Finally, Dr. Wolman observed that if we are to stop statism throughout the world, "the first place to stop it is at home."

By this time, the American people should certainly have awakened to the menace of spendthrift government. It is estimated that one-fourth of the income of a family receiving the modest sum of \$3500 a year, goes for taxes, open and hidden, direct and indirect. As income brackets go up, the tax

burden skyrockets. And future tax increases must fall mainly in the middle and lower income brackets — for the simple reason that this is the only possible source of substantial revenue left. It's no longer a case of just soaking the rich. The rich are soaked to the hilt now, and if government took every nickel of their incomes it would not begin to pay the costs.  
Fiscal irresponsibility has destroyed thousands of families — and it can destroy nations just as surely.

**Doc Everett Dies of Heart Attack in Del Rio**

Francis Edward, (Doc) Everett, 72, died of a heart attack Monday at 7 a.m. in a Del Rio hospital where he had been under treatment for a week.

The funeral services were held Tuesday in the Doran Chapel at 4 p.m. with E. D. Green, minister of the Church of Christ, officiating. Burial was in Westlawn Cemetery.

Everett was born in Gatesville in Coryell county January 12, 1880. He married Edna O'Bryant April 3, 1916. He had ranches in Val Verde county 45 years.

His widow, Mrs. Edna Everett, a daughter, three grandsons, three brothers and three sisters survive.

The daughter is Mrs. Dorothy May Albert; the grandsons are Francis Collins Albert, 9, James Edward Albert, 7, and Alvin Albert, five months. The brothers are Rufe Everett, Ozona, Joe Everett of Pandale and Tom Everett of Odessa; the sisters are Mrs. Savannah Gurley of Pumpville, Miss Esther Everett of San Antonio and Mrs. May Luthian of Del Rio.

Mr. and Mrs. Joe Patrick and Ted White, all of Ozona, attended the funeral services.

**Anton Oil Corp. Stakes Wildcat on U. T. Land in Crockett**

The Anton Oil Corporation has scheduled a 3,500-foot cabletool wildcat, its No. 1 University, in north-central Crockett county.

Location will be 330 feet from north and east lines of the west half of section 8-51-University. It will be 3 1/2 mile south-southeast of the Gulf No. 1-E University a dry hole plugged and abandoned Nov. 17, 1948, at total depth of 10,338 feet after having topped the Ellenburger at 9,695 feet on elevation of 2,619 feet.

Amerada No. 1 Ada Sorg Wadser, scheduled World field test in Crockett county, will drill to 2,800 feet with combination tools.

Location will be 330 feet from south and west lines of northeast quarter of section 51-BB-SCRR. It will be on a 160-acre lease.

Gulf Oil Co. No. 2 Chambers est Vaughn field test in Crockett county has been completed for a daily pumping potential of 29 barrels of 25.4 gravity oil plus 20.4 per cent water, with gas-oil ratio of 75-1.

Production was through perforations between 1,422-25 feet in seven-inch casing set at 1,560 feet. Top of pay was picked at 1,421 feet on ground elevation of 2,621 feet. Total depth is 1,525 feet; plugged-back total depth, 1,438 feet. The section was treated with 1,000 gallons of acid.

It is 330 feet from south and 2-156 feet from west lines of the Chambers est, A-1, 689.

Mr. and Mrs. Dudley Ingham of Sheffield are the parents of a daughter born in the Ozona Hospital Monday. The little lady is a granddaughter of Mrs. B. B. Ingham, Sr., of Ozona. Mr. Ingham ranches south of Sheffield.

Mrs. Bryan McDonald and son, Billy Joe, and daughter, Patsy, are here this week visiting relatives and friends. The McDonalds live in Canyon.

**Spring House Cleaning Outside Advocated for Effective City Cleanup**

AUSTIN. — State Health Officer Geo. W. Cox today spelled out in one-two-three order the requirements for a city-wide sanitation drive that will "show results in fewer flies, fewer rats, and less disease."

His plan is brief: Apply the idea of a good spring cleaning outside as well as inside the house.

The long-time exponent of clean environment said the State Department of Health would, on request, send a team of sanitation experts to survey any Texas town for health hazards.

"An untrained person might fail to see the significance of horse lots, surface toilets, or stagnant water holes where flies and mosquitoes can breed. Our people, by training and experience, know how to locate and correct hazards to community health," the health officer said.

**San Angelo Fat Stock Show Feb. 28-Mar. 2**

SAN ANGELO. — Preparations for the San Angelo Fat Stock Show & Rodeo, February 28 - March 2, took on added momentum this week with the announcement of a giant rodeo parade and the offer of prizes to out-of-town floats participating.

Invitations to participate in the parade have been mailed to cities and towns over West Texas. Best area floats in the parade will be awarded two prizes totaling \$150. First prize will be \$100; second, \$50.

Other star attractions of the San Angelo Fat Stock Show will be four performances of the rodeo at 2:00 p.m. daily, free prizes, champion livestock competing for \$20,000, a carnival midway, and free acts on the fairgrounds.

This is the 19th annual Fat Stock Show in San Angelo. Mayor Armistead D. Rust is general chairman.

**METHODIST CHURCH NOTES**

The Memorial Committee of the Ozona Methodist Church last Sunday displayed the blueprint of a proposed reredos for the altar. It was announced by the pastor that the item is available to any member or member-family who wish to present it as a memorial to a loved one. Complete information about the design and cost may be had from the Pastor or the Memorial Committee, Mrs. Alvin Harrell, chairman.

The "Through The Bible" series will be continued Sunday morning, January 27, with two sermons from Genesis. "The Singer Saint" at 11 o'clock a.m. is the story of Jacob's family and the struggle of evil and good forces to dominate Jacob's life. "The Beautiful Dreamer" is about one of the world's most appealing characters, Joseph, and the amazing chain of events which lifted him from a slave pit in Canaan to a throne in EGYPT.

The Pastor, J. Troy Hickman, has announced that the series of fifty sermons shall cover the high lights of both the Old and New Testaments.

Mr. and Mrs. Hillery Phillips are among Ozonans attending the horse racing program in New Orleans.

### Club Hears New Tuesday

Woman's Club met in the home of Augustin, with Mrs. and Mrs. L. B. Cox, hostesses. Harvick, club president Mrs. Sherman reviewed the book, "The Three" by Hel-

en McInnis.

Refreshments of cake and coffee were served to Mmes. Ira Carson, M. B. Flippen, N. W. Graham, Joe Pierce, Jr., Johnnie Henderson, O. L. Simms, Jack Holt, A. C. Hoover, Charles Williams, Sr., W. R. Baggett, Victor Pierce, Lowell Littleton, Troy Hickman, Cecil Walley, S. M. Harvick and Sherman Taylor, and the following guests: Mmes. Dempster Jones,

J. S. Pierce, III, Charles E. Davidson, Jr., Jack Wilkins, Paul M. Hallcomb, P. L. Childress, Tommy Harris, Hugh Childress, Sr., J. M. Baggett, R. L. Flowers, J. J. Marley, H. B. Tandy, Mary Flowers, N. B. Blackstone, L. B. Cix, III, and Hubert Baker.

Miss Corinne Phillips, daughter of Mr. and Mrs. Arthur Phillips, who has been doing graduate

work at the University of Texas, is home for a brief vacation. She plans to go to New York about

the first of February for a four-months study course of the Prudential Life Insurance Co. preliminary to taking a position with that company.

## LOOK AT THIS! THE AMAZING NEW Frigidaire Wonder Oven

BAKES AND BROILS...SAME TIME...SAME OVEN!

Imagine cooking convenience like this!

**LOOK! IT'S TWO OVEN!**  
Each cooks at separate temperature—each has its own control. And the whole range even has easy-sliding top-proof shelves.

**LOOK! IT'S ONE OVEN!**  
Just drop the movable broiler tray into its behind position—and you have one oven.

Now in the "Wonder Oven" you can bake a ham and broil rolls at the same time—or pair up a pie and a meat loaf.

Get these other advantages, too!... Cook-Master Clock Control that frees you from oven-watching... Thrifty Radiant-Tube 5-Speed Surface Units... Deep-Well Thermizer Cooker... and Frigidaire's Lifetime Porcelain-on-steel finish, inside and out.

Society — Doris West

### Lions Win One, Lose One in Big Lake Meet

By Wayne Kuykendall

The Ozona Lions came through the Reagan county tournament with one win and one defeat. The boys for the second time gave the Barnhart Tigers a good working over, 42-18.

Their next game was scheduled at 9 Saturday morning with a tough San Angelo B team. During the first and second period the Lions played as if the game was going to be a snap. At times during the first two quarters the boys led by as much as seven points. But during the fading seconds of the second quarter, the Kittens came from behind and captured a two point lead.

The Lions were never the same. The Kittens scored basket after basket until finally they led by nine points. The Lions took the next turn though and were within three points of their opponents as the game ended. Final score was 39-36.

### Report Card Delay Prolongs the Agony

By Marion Mock

Here's a piece of news that some of you are going to enjoy. No report cards this week!

Mr. Yager informed the press Tuesday that due to a large number of absentees it would be impossible to get the report cards out this week. Mr. Yager also stated, however, that they would try to have the cards out by Wednesday, January 30.

Another week of grace —

### TOO MUCH TALK

By Doris West

Longnose Lou was browsing around about 8 o'clock Sunday night and saw Kenneth and Mary Beth, Bobby and Allena, and Marion and Wayne riding around. Have fun? — This might belong to the fads and fashions instead of here, but there was quite a bit of discussion about Sandra's new style of wearing her blouse on the outside. Roomier, that way —

Allena Payne seems to have lost her new senior ring. And Kenneth Bledsoe seems to have gained one. Any connection? — Betty Walley seems to be leading a quiet social life since Tom's been sick. Cheer up, Betty, he'll be well soon — Oh, yes, Gert and Maw, the perfect couple. The English class can always tell when they've had their ups and downs. — Don Cooper whom did you take to the show the other night? Could it have been Billie Chandler? — By for now.

### Boys Honored with Banquet by Lions Club

The Ozona Lions Club gave the third annual District 6-A Banquet here Monday night, January 21 at the Methodist Church. Larry Wilkins, Ozona coach, and Bill Ford, Eden Coach, were presented the District 6-A sportsmanship trophy. Coach Mike Brumbelow of Texas Western was the principal speaker. The all-district certificates were presented by Superintendent Lem Bray. The sportsmanship trophy was presented by E. A. Broadhead, superintendent at Sonora. Twenty certificates were presented to the offense and defense strings of all district players.

### TIMES DO CHANGE! 21st Annual Tourney Prompts Glance Back To First One in 1932

By Marion Mock

Yes, it is here again; time for Ozona's Annual Basketball Tournament. You townspeople who were in school in 1932 and you students who remember your mom and dad talking about the "good ole days" probably remember that first basketball tournament in Ozona.

Back in '32 the students of OHS were looking forward to the first tournament, which they hoped to make an annual affair. Besides the fact that this was the first tournament everyone was raving about the fact that it was to be held in the gymnasium of the new Ozona High School building.

Uh-huh, that was in the good ole days when the price of admission to a game was 15c for children and 25c for adults. And now they're — Besides the changing of prices there has been a change in teams, too. In '32 Sonora, Big Lake, Barnhart, Sherwood, Eldorado and Ozona were the teams that were entered in the tournament. Now in the '36 tournament are Brady, Iraan, Andrews, Menard, Lake View, McCamey, Junction, Barnhart, Fort Stockton, Eldorado, Sonora, Ballinger, Carrijo Springs, San Angelo B and Ozona who will battle it out for

top honors.

Yes, there have been a lot of changes made since '32. Not only in prices and teams but in the players and coaches also. Remember the first tournament team? Lowell Schwalbe, S. W. Westfall, Buddy Moore, Morris Miller, J. W. Rutledge, Fletcher Freeman, Joe Chandler, Miller Robinson, Hubert Westfall, and Vic Montgomery, coached by Ted White, did the dribbling for OHS.

New in '32 Joe Bailey, Tom Pinner, Bill Maness, Charles Garlitz, Bill Schneemann, Scott Hickman, Wayne Kuykendall, Bobby Womack, William Conkin, Don Cooper, Don Hammond and Virgil Machado will take over the dribbling for OHS and the coach is J. A. Pettit. Ozona has set a pretty good record for itself. The boys have won their tournament four times, in 1936, '45, '48 and '49. They were runners-up four times, in 1935, '35, '42 and '43. And they won consolation in 1932, '41 and '47. Now in 1932 —

### What If?

The report cards were very late. Ozona students didn't go to Sonora?

P. E. boys didn't take track? Miss Koepf hadn't been absent? Friday?

Texas history was not a required subject? Walter wrecked a door of his car?

Billy West didn't haul fare to Angelo? Ozona wins the tournament this week?

The A string boys were in top shape? There wasn't a stock show in Fort Worth this week?

Genuine SAMSON Folding Chairs for Rent at Ratliff Hdq.

### Movie Keyhole

Movie fans are looking ahead this week to "A Place in the Sun" that noted movie which has already been picked as Movie of the Week by Life Magazine.

"A Place in the Sun" was taken from The American Tragedy by Dreiser, which is considered a classic. Elizabeth Taylor, Montgomery Cliff, and Shelley Winters make for a cast combining acting with youth to really put it over.

Playing the part of a social climber, Montgomery Cliff immediately gets mixed up with two girls, Elizabeth Taylor, who's the

social debutante and Shelley Winters (a girl from across the track). When Shelley threatened his social standing, he drowns her to save himself.

As a movie "A Place in the Sun" will certainly live up to the slogan that "Movies are better than ever."

### Smile a While

The preacher came along and wrote upon the signboard, "I plead for all."

The lawyer wrote underneath "I plead for all." (Continued on Page Five)

Another major milestone in hauling progress

# GMC PRESENTS THE FIRST 2 1/2-TON DIESEL

At last—Diesel economy and hill-leveling performance come to thousands of truckers who have never had any choice but gasoline power in the past!

TODAY America's foremost builder of Diesel trucks smashes the size-weight barrier that up to now has denied the many economies of Diesel power to haulers of medium-weight loads.

Today GMC offers users of equipment in the 19,500 GVW-35,000 GCW range a sensational new Diesel truck-tractor.

It is powered by the first welterweight Diesel truck engine—a smaller, more compact model of the famous General Motors 2-cycle engine that has made GMC America's first-choice Diesel truck.

### More Miles per Gallon

Because it is Diesel-powered, this new GMC Model D450-37 will cost you far less to run per mile, far less to maintain per year than any other 2 1/2-tonner you've ever owned. All Diesel experience proves that.

Because it is a 2-cycle Diesel, it is a fast-starting, quick-accelerating, highly responsive truck with plenty of snap in traffic—a truck that will maintain a steady "on time" schedule even on hilly runs.

Fuel economy is automatic thanks to GMC's famous Fuel Modulator. Regardless of throttle pressure this engine never gets more fuel than it needs and makes the most of what it gets. Smooth driving is assured by "easy-turn" recirculating ball-bearing steering—even electric shifting on two-speed axle models.

### Nationwide Service

Equally important to the thousands of truckers who can now enjoy the benefits of Diesel power for the first time, this new GMC D450-37 is backed by the nation's largest network of Diesel service stations.

Before you buy another truck, you owe it to yourself to investigate these new GMC welterweight Diesels if you want to cut costs! We will be glad to give you facts and figures that will open your eyes. Why not come in today!

### ons Roar

(Continued from Page 4)  
 actor added: "I prescribe  
 ain citizen wrote, "I pay  
 y old lady, on her way to  
 k for the first time, an  
 conductor with her ma-  
 ons.  
 actor, does this train stop  
 Central Station?"  
 n, there will be a terrible  
 it doesn't."

l Lee had just captured  
 Ferry and President Lin-  
 izing the gravity of the  
 trying to fix the respon-  
 or it. First, he questioned  
 Hallett, then General  
 then Milroy and Hosker,  
 denied emphatically that  
 e to blame. The President  
 dressed all four."  
 men, Harper's Ferry was  
 red and none of you, it  
 as responsible. I am very  
 to discover who it is."  
 striding back and forth  
 times, he exclaimed, "I  
 I know who is responsi-

"Who is it, Mr. President?"  
 the four cried anxiously.

"Gentlemen," Mr. Lincoln  
 announced, "General Lee is the  
 man."

 ey, money, money, money.

The cemeteries are filled with  
 people who thought the world  
 couldn't get along without them.

Man is but a worm. He comes a-  
 long, wiggles a bit, then some  
 chicken gets him.

### Fads and Fashions

By Jane Adams  
 Why doesn't someone start a  
 fad? You could always paint ev-  
 ery finger a different color or  
 dye your hair pink. Speaking of  
 hair, there is a new fad. Poodle  
 hair cuts for girls. We've seen  
 almost every girl in school look  
 ina mirror and say, "I think I'll  
 have my hair poodled." A few of  
 them have and the results are  
 good. But when it starts growing  
 out you go through the what-am-  
 I-going-to-do-with-my-hair stage  
 longer than usual.

Our other fad is boys' levis for  
 girls, worn low on their hips, held  
 up with bright belts that are buck-  
 led with square buckles. The girls  
 like to wear them. The boys don't  
 like them so well except on other  
 boys.

### THE CAPER OF THE FOUR HUNGRY BOYS

By Marion Mock  
 It seems as if the Basketball  
 Boys got their fill Tuesday at  
 noon when the H. E. III Girls  
 served them pie and coffee. But  
 four of them have been left out  
 because Wednesday during 2nd  
 period, this note was handed to  
 Mrs. Hull.

"There are four poor, hungry  
 boys next door who are real hun-  
 gry and would like to be invited  
 over for cake and coffee.

Starvingly yours,  
 Four Hungry Boys

"P. S. Will settle for pie."  
 But alas, these four hungry  
 boys seemed doomed to starve for  
 the reply came back from Mrs.  
 Hull:

"Regrets — No pie today."  
 By the way these four boys are  
 remnants of Mr. Massingill's phy-  
 sics class.

### High School, Junior High Choral Clubs in Concert January 31

A combined concert by the Jun-  
 ior High and High School Choral  
 Clubs under the direction of Har-  
 old Lipford, will be presented in  
 the high school auditorium at 8  
 o'clock next Thursday night, Jan-  
 uary 31.

Selection to be sung by the High  
 School group include "The Lord  
 Bless and Keep You;" "Songs My  
 Mother Taught Me," with Mrs.  
 Lipford singing the solo; "Little  
 David Play on Your Harp;" and  
 "The Snow."

On the Junior High Choral pro-  
 gram will be "Oh, What a Beauti-  
 ful Morning," "Skip to My Lou,"  
 and "Ragtime Cowboy Joe."

The High School Sextette also  
 will be featured on this concert  
 program and Miss Billie Chandler  
 will play the accompaniment for  
 all the numbers of the evening.

There will be no admission  
 charge and the public is cordially  
 invited.

This will be the last concert un-  
 der the direction of Mr. Lipford  
 before he leaves to take a posi-  
 tion as assistant minister of the  
 Church of Christ in Waco.

### Governor Proclaims Youth Week in Texas

AUSTIN. — Governor Allan  
 Shivers has proclaimed Jan. 27 to  
 Feb. 3 as Youth Week. "In these  
 crucial times we need young peo-  
 ple who are willing to act upon  
 their religious convictions," said  
 the governor. "We need them in  
 Texas, in our nation and in our

world."  
 Youth Week is sponsored by the  
 United Christian Youth Movement,  
 youth agency of the National  
 Council of churches of Christ in  
 America. It represents 10 million  
 Christian youth of 38 cooperating  
 denominations.

Highlighting the week is The  
 Call to Action in an endeavor to  
 enlist a million youth for Christ.

From where I sit... by Joe Marsh

### Ed Got Red In His Own "Hot Water"

Big Ed started a "Pay-Your-  
 Bill" campaign last week and  
 ended up with a slightly red face.  
 Ed's been our Water Commis-  
 sioner for ten years, and for ten  
 years now he's been getting riled  
 up over slow payments of bills.

So, he finally decided to do  
 something drastic about it. Last  
 week he sent notices that if the  
 slackers didn't pay up by Friday,  
 he'd shut off their water.

Naturally, some still didn't  
 square accounts. Ed ordered their  
 water turned off, and 14 homes

went without all week end—the  
 Commissioner's among them.  
 Seems Ed forgot to pay his bill.

From where I sit, Ed's mistake  
 is one we all make at times. We  
 are too quick to accuse others  
 while forgetting our own faults.  
 Lots of us do it, for instance, over  
 a difference in taste for a soft  
 drink or a friendly glass of beer.  
 Let's respect each other's prefer-  
 ences and we'll all stay out of  
 "hot water."

### WATER PUMP

### The RED JACKET-REDA

"Submersa-Pump"  
 The Latest in Water  
 Pumping Equipment  
 for the Home and Farm

THE PUMP YOU DON'T SEE  
 CAN'T HEAR AND NEVER  
 BREAKS. It works quietly  
 and runs on the water  
 in the well. No oil, no  
 lubrication.  
 NO OIL OR PUMP HOUSE  
 NOY CAN BE SEEN FROM PUMP TO  
 WELL. IT IS INSTALLED QUICKLY  
 AND CAN PUMP  
 CAPACITIES TO 100 GAL PER  
 HOUR  
 PRESSURES TO 100 LBS.  
 PUMPING DEPTHS TO 120 FT.

Proved, Tested and Proven  
**FOR OVER 30 YEARS**

Identical in design to the  
 Red Jacket-Reda "Submersa-  
 Pump" have been used suc-  
 cessfully in the oil fields for over 30  
 years. Millions of barrels of oil  
 and brine have been pumped  
 from depths down to 10,000 feet  
 under varying oil field conditions.  
 It is due to the quality con-  
 struction and reliability of this  
 type pumping equipment.

### Most Economical and

It is the only type of submer-  
 sible pump that can be installed  
 in a well as small as 4". Absolutely  
 silent operation. Proven tank  
 controls can be installed any-  
 where. Costs less to operate  
 because of greater pumping  
 economy.

Announcing the Golden Anniversary—  
**Cadillac**

**...WITH THE FINEST PERFORMANCE OF ALL TIME !**

### Featuring 3 of Cadillac's Greatest Engineering Achievements!

#### THE NEW 190 H. P. CADILLAC ENGINE

Here is the most powerful, the most durable, and the most efficient automotive engine ever offered in a Cadillac car. Its power increase alone is almost 20%—and its new four-throated carburetor, larger exhaust valves, wider exhaust ports and new dual exhaust system make this engine one of the most dynamic performers of all time.

Fifty years ago, the first Cadillac car made its bow to the public. Today, as a fitting climax to those fifty years of progress, we are presenting in our showrooms the Golden Anniversary Cadillac—by far the finest car ever to bear this distinguished name. . . . It is easily the most beautiful of all Cadillacs. Numerous changes have sharpened and smartened the exterior design—while the wholly-new interiors are a revelation in comfort and luxury. . . . Performance is the finest of all time. The great Cadillac engine has a power increase of almost twenty per cent—and is even smoother and quieter in its operation. . . . There's a new Hydra-Matic Drive that gives the proper power application for every need. At a flick of the fringer, you can have extra power and acceleration for city traffic and mountain driving—or wonderfully smooth, quiet, gas-saving performance for the open road. . . . And there's a new "power steering" mechanism, optional at extra cost, which reduces normal steering effort by as much as seventy-five per cent! . . . If ever it could be said of a car's performance that it is "out of this world," it can be said of the performance of the new Cadillac. The Golden Anniversary Cadillac is available in three series—the "Sixty-Two," the "Sixty Special" and the "Seventy-Five." . . . These new creations are now on display in our showrooms—and we invite you to see and inspect them at your earliest convenience.

#### THE NEW HYDRA-MATIC DRIVE

By introducing an entirely new performance range, Cadillac's Hydra-Matic provides the proper power for every need. . . . extra acceleration and responsiveness for city and mountain driving; smooth, quiet, gas-saving performance for the open road. Optional at extra cost on Series 75. Standard equipment on all other models.

#### THE NEW CADILLAC POWER STEERING

This "power steering" mechanism eliminates as much as seventy-five per cent of all normal steering effort. It provides incredible handling ease, and yet does not interfere in any way with the driver's "road feel" or directional control. Available as an option at extra cost.

Avenue E and 19th Street  
 Phone 172 Ozona, Texas

### George Ann Kirby, Former Ozona Girl, Marries in Houston

Miss George Ann Kirby became the bride of Joe Wallace McMakin on Saturday, January 12, in a double ring ceremony performed by the Rev. Joe S. Strother in Berling Memorial Methodist Church of Houston.

The bride is a former Ozonan, daughter of Mrs. Proctor Kirby of Corpus Christi and the late Dr. Kirby, who practiced medicine in Ozona in the thirties. The groom

is a son of Mr. and Mrs. G. C. McMakin of Marietta, Okla.

Preceding the ceremony, Dr. Maurice Horne sang "Because" and "I Love You Truly." Dr. Horne also sang "The Lord's Prayer" at the close of the ceremony. Mrs. Ruth Higginbotham played the accompaniment as well as the traditional wedding marches.

The bride, given in marriage by her brother, M. F. Kirby, II, was gowned in white slipper satin, created with a lace yoke, molded bodice, long fitted sleeves, and the full skirt extended into a ca-

thedral-length train. The fingertip veil of illusion was held with seed pearls. She carried a shower bouquet of stephanotis centered with a white orchid.

Mrs. Tom C. Sparks, Jr., sister of the bride, served as matron of honor. Her gown was of dubonnet brocaded taffeta. She wore a matching bonnet and her shower bouquet was of gold carnations.

Mrs. M. F. Kirby, Miss Brook Ellen Oliver, Mrs. John L. Yarbrough and Mrs. Worth A. Zachary were the bridesmaids. Mrs. Kirby and Miss Oliver wore aqua brocaded taffeta while Mrs.

Yarbrough and Mrs. Zachary wore gold brocaded taffets. Each wore matching bonnets and carried shower bouquets of red carnations.

Grover S. McMakin served his brother as best man and groomsmen were Worth A. Zachary, Tom C. Sparks, Jr., John L. Yarbrough and Robert L. Opp.

Immediately following the ceremony, a reception was held at the home of Mr. and Mrs. B. M. Alford. Miss Nell Hoelsing and Miss Edith Dalrymple served the cake. Miss Ann Martin presided at the punch bowl and Mrs. Frank Barkhill registered the guests.

Following the reception, the couple left for a wedding trip to Mexico City. They will make their home in Marietta, Okla.

Ben Williams, Mrs. O. C. Webb, Mrs. Clifton R. Tension and Mrs. S. L. Butler.

**GENUINE SAMSON chairs FOR RENT at Hardware & Furniture Co.**

**SCIENTIST BARRED . . .** Dr. Ernest Chain (right), Nobel prize chemist, developer of penicillin, has been barred twice from the U.S. under the security act. Here, he is made a commander of the legion of honor in France in 1948. Critics of security act say it emulates Hitler's law that deprived Nazi Germany of scientists.

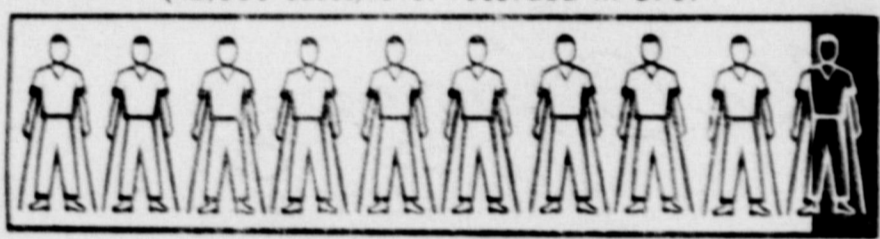

## MARCH OF DIMES HELPS REDUCE POLIO DEATH RATE

**1916** First major epidemic (27,363 cases) recorded in U. S.

26.2% DIED

**1949** Largest epidemic (42,366 cases) ever recorded in U. S.

6.4% DIED

The significant reduction in the polio death rate during the past few decades is attributed by the National Foundation for Infantile Paralysis to two factors: 1) more accurate reporting of less serious polio cases in recent years and 2) the greater development and availability of improved treatment methods and equipment made possible in large part by the March of Dimes. January is 1952 March of Dimes month.

# Thanks, Ozona!

As I leave Ozona to go into business in Abilene, I want to express my appreciation to all my friends in Ozona for the nice business I have enjoyed

It has been a pleasure to serve you and to live in Ozona. I shall miss all my friends and the associations I have enjoyed while a resident here, and I wish for all of you the best of good fortune in all things always.

I have sold my barber shop here to Mr. Frank Brown. Mr. Brown is an experienced barber and will offer you the finest service available. I urge you to give him a try, and I hope you will be as nice to him as you have been to me.

Sincerely,  
**J. E. CRAWFORD**

### Plymouth's Cranbrook Four-Door Sedan for '52

Here's the new Plymouth for 1952, a more beautiful, smoother operating, easier riding, safer car which features 46 important improvements. There is new beauty in the car's road-hugging, sweeping appearance and color harmony perfection in the new interiors, which are Tune-Tailored with quality fabrics. The luxury interiors blend beautifully with the exterior colors. The car has all the features for comfort, economy, safety and durability which have become traditional with Plymouth. Shown above is the new four-door Cranbrook.

## Smooth, Easy Performance Featured in New Plymouth

The new Plymouth for 1952 is designed to give smoothness throughout the United States.

A long list of improvements—46 in all—has been incorporated in the engine, the brakes, the electrical system, the chassis, and in the inside and outside of the body.

The new car, according to D. S. Edina, president of Plymouth, has been improved and refined to provide "the most gentle ride, the smoothest engine performance and the greatest safety ever built into a car for the lowest price field."

Exceptional engine smoothness is produced through a newly designed combustion chamber; pistons are stronger and longer-lasting; Plymouth's famous Soloro-Flow ride has been made even more comfortable by improvements in the springing and in the Oshlow shock absorbers; and the car's beauty is enhanced by numerous styling refinements.

The Plymouth has a road-hugging, sweeping appearance, accentuated by changes in the exterior ornamentation. A new horizontal standard for interior is achieved with the high quality upholstery fabrics in harmonious colors which blend beautifully with the exterior of door panels.

The smart hardtop club coupe, the Belvedere, is the passenger in the lowest price field with its new concepts in styling and beauty. The car has glittering, lively two-tone colors which set it apart and give it the continental look. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck. Sparkling chrome molding outlines the top and curtain lock to separate the two colors at their junction at the rear quarter panel. Inside of the Belvedere is luxurious, with colorful quality fabrics and vinyl finished in perfect harmony with the shades used on the exterior. Longwearing carpeting—also in complementary colors—mounts out the ensemble. The exclusive rear combination are available for the Belvedere. Buckle Two with Side Brace top; Belmore Two with Side Brace top; Belmore Two with Side Brace top; Belmore Two with Side Brace top.

There are ten body types in the new Plymouth line, available in an array of eight regular, and two special sparkling new colors. The traditional interior roominess and the more "high-priced car" features for which Plymouth has been distinctive have been retained throughout the new line.

**SMOOTH PERFORMANCE**

A new, smoother flow of power results from the newly designed combustion chamber in Plymouth's famous floating power engine. The six-cylinder, 87-horsepower engine has a 7 to 1 compression ratio. Longer life for both the main and rod bearings is achieved through an improved type of base metal.

To further insure smoothness of performance and faster getaway, several refinements in the new Synchro-Silent transmission permit faster, easier shifting, and more rapid and positive engagement of gears. The rear axle is improved, and there are provisions which permit more accurate gear and bearing adjustments.

Operating temperatures up to an additional eight degrees without the hazard of losing water or anti-freeze result from further improvements to the pressure-vent radiator cap which provides a pressurized cooling system.

**STURDY BRAKES**

The traditionally sturdy Safe Guard Hydraulic brakes have been given greater ease of operation, and much longer life. New Cyclebond brake linings provide greater braking area and longer braking life. There are heavier backing plates on both the front and rear brakes; an improved drum design on the front brakes for smoother operation and better cooling; an easier operating redesigned steering knuckle to provide more positive protection from road splash.

Passenger and driver comfort has been increased with improvements in Plymouth's "Safety-Flow" ride. New cushioned type parts in the Oshlow shock absorbers, increased travel brake front springs and a new structure for the rear springs provide smoother, more comfortable riding.

steering wheel shock, less body and an improved ride.

Quicker starting in hot or cold weather with less drain on the battery is assured by the new "Hi-Thru" anti-kickout feature of the starter, the foremost among many other changes in the electrical system. Greater visibility under adverse driving conditions is provided by ten per cent increase in the area of the electrical-operated windshield wipers.

**BEAUTIFUL STYLING**

Luxury and color harmony are the keynotes of the beautiful upholstery and trim selected for the new Plymouth. A fine selection of longwearing, quality fabrics is available in shades which blend beautifully with the car's exterior colors. As the new "Luxe-Tone" instrument panel features controls which are conveniently grouped and arranged, which are colored and lettered to easy reference, while driving. The new design of the interior is designed to further beauty of the Plymouth and refinement of the molding and the standard of the hood, and the license light and name plate on the front of the car are designed to be in harmony with the exterior. The new Plymouth is a car that is as beautiful as it is smooth and sturdy.

**SUNSHINE CIRCLE**

Members of the Jennie King Circle of the Methodist WSCS met Wednesday morning in the home of Mrs. Joe Clayton for coffee and a study of the Book of Acts under the direction of Mrs. L. B. Cox, Jr.

The devotional, "Life Is a Contest in Our Victorious Christian Living," was given by Mrs. J. S. McElroy. Others present were Mrs. Charles Williams, Sr., Mrs. James Baggett, Mrs. Joe Pierce, Mrs. A. J. Clayton, Mrs. J. M. Reggatt, Mrs. W. R. Nesbitt, Mrs. Charles Williams, Jr., and Mrs. Peter Flores.

**Taking Drugs for Constipation**

Don't Struggle! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can do you harm! Their cramps and griping cause normal bowel action, and you feel in need of repeated dosing.

When you occasionally feel constipated, take Dr. Caldwell's Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of lemon, citric acid and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Syrup Laxative tastes good, acts mildly, brings thorough relief and regularity. It's the only laxative that relieves stomach cramps that constipation often brings.

Money back if not satisfied. Mail bottle to Box 280, N. Y. 18, N. Y.

**DR. CALDWELL'S SYRUP PEP SIN LAXATIVE**

**CONFER ON ALL-OUT ATOMIC EXPANSION** . . . From left to right, Senator Brian McMahon (D., Conn.), chairman of the joint congressional atomic energy committee, talks with atomic energy commissioners, Henry D. Smyth, Thomas E. Murray and J. Keith Glennan, shortly before the A.E.C. members met with the atomic committee in secret session at the Capitol recently. McMahon announced that he will ask the atomic committee to approve his resolution calling for an all-out atomic expansion. McMahon has said that \$6 billion a year could give the United States an atomic army, air force and navy.

**All-Out Support for March of Dimes Asked By State Chairman**

AUSTIN.—The March of Dimes Jan. 2-31, will reach new heights this year in Texas, believes state chairman, Lloyd Gregory of Houston.

"With the assistance of thousands of volunteer polio fighters in every Texas county, better organized, better supplied, and better informed than ever before about the service program of the National Foundation for Infantile Paralysis good results should be predetermined," Gregory said this week.

An example of outstanding cooperation pointed to by Gregory is the support offered by representatives of 57 state-wide organizations, many of which have organized for the campaign in their local units throughout Texas.

Examples of all-out effort in the move to provide Texas county chapters and the National Foundation with sufficient funds for polio treatment, education, and research have come from many groups.

**ENTERTAINS BRIDGE CLUB**

Mrs. J. M. Baggett entertained members of her bridge club with a Mexican luncheon at the Little Mexico Cafe a few days ago. Place favors were flower corsages. Following the lunch, bridge was enjoyed at Mrs. Baggett's home.

High score award went to Mrs. Ben Robertson, low to Mrs. Joe Oberkamp and bingo to Mrs. Joe Davidson. Others present were Mrs. Bill Adams, Mrs. Jack Holt, Mrs. Joe Pierce, Jr., Mrs. Hillery Phillips, Mrs. Lee Childress, Mrs. W. R. Baggett Mrs. Early Baggett and Mrs. J. C. Montgomery.

**SUNSHINE CIRCLE**

The Sunshine Circle of the WSCS of the Methodist Church met Wednesday morning at the home of Mrs. H. B. Tandy for a social hour and study program.

Mrs. Paul Perner gave the devotional. Mrs. Evert White continued the study of the Book of Acts. Mrs. N. W. Graham led the group in the Lord's Prayer to conclude the meeting.

Members present were Mrs. M. B. Flippen, Mrs. J. S. Pierce, III, Mrs. Paul Perner, Mrs. Lindsey Hicks, Mrs. Dempster Jones, Mrs.

L. B. Cox, III, Mrs. Bill Baggett, Mrs. D. E. Pettit, Mrs. N. W. Graham, Mrs. White and Mrs. Tandy.

**"We did it Again!"**

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

LET'S pare this down to plain statements of fact and let them speak for themselves:

The dynamic darling pictured here is the 1952 ROADMASTER.

It has the mightiest engine in Buick history.

It has the biggest brakes of any postwar Buick.

It is the quietest car that Buick ever built.

It has the richest fabrics and smartest tailoring that ever graced a Buick's interior.

It has the greatest trunk space since spare tires moved off the front fenders.

It has the most superb ride in Buick history.

It has the finest carburetor that Buick research has ever devised.

And with all its new power, it delivers more miles per gallon.

But that is not all.

For those who wish it, there is a brand-new version of power steering that works like a helping hand—gives you the same sure feel of control you have always known in straight-away driving—yet takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Equipment, accessories, trim and models are subject to change without notice

**Here and There**  
By J. Troy Hickman  
(Continued From Page One)

by the illustrious example of Jim Farley who, when he was campaign manager for F. D. R., could call more than 12,000 persons from coast to coast by their first names. Most of them were local politicians whom he had met only once or twice. Jim could hear the names of fifty strange people about a banquet table one time, and ten years later if he met one of them in New York, he could call the name. And since a person's name is to him the sweetest sound in the English language, Jim had quite a winsome way with people.

So I worked me up a technique for stalling. With a reassuring smile I would say, "Sure, I remember you. Let's see, — it was at . . . This suggestion would sometimes start the other to talking, and while he talked I would look for a mole or wart to prod my memory, or usually he would say something to bring up a clue. But one day a lady and her husband walked up and the lady said, "Bet you don't remember me." Intending to stall, I shook her hand and said, "Let's see. Where did I meet you last time?" Whereupon the husband, completely misunderstanding, broke in and said, "That is what I'd like to know."

I tried tying strings around my fingers and writing the dates of appointments on a desk calendar. But I usually would forget what the strings were for, or forget to look at the calendar.

Poetry is sometimes helpful. A little boy had trouble remembering the dates in his history lesson at school. The teacher made up a little rhyme that went, "Columbus crossed the ocean blue in fourteen hundred and ninety-two." The lad memorized it and was all set for the test. Next day he got up and said, "Columbus crossed the deep blue sea in fourteen hundred and ninety-three."

They say you can remember a new name if you can tie it on to something you already know. A friend who was trying to coach me a little in this device was talking about our mutual friend, Mrs. Keather. I had never been able to remember her name. Said he, "Notice that she always wears a feather in her hat. Each of her hats has a feather. When you see her, say to yourself, 'Mrs. Keather wears a feather!'" Next Sunday, when the people were coming out of the church, I grasped her hand, looked at her hat, and in a burst

of confidence, which was intended to impress by-standers, called out, "Good morning, Mrs. Feather."

One time, Dale Carnegie, who sells a memory course of his own and is supposed to be a top authority, came to the town where I lived. He was scheduled to make a broadcast over the radio station on "How to Improve Your Memory." I thought, "This is for me. Now, I'll get the dope." The announcer made an elaborate introduction and put Mr. Carnegie on the mike. Although Mr. Carnegie had met the announcer only a moment before, when he tried to call his name, he was stuck, floundered a moment, and then gave up.

See what I mean. Jim Farleys are born, not made. No matter how hard you try to trick the memory, it will always go you one better. So I've given up trying to do anything with mine. And when somebody comes up and says, "I'll bet you don't remember me," I grasp his hand warmly, give him my best professional smile, and say, "O, yes, I do." That may be lying. But old Simon Peter was a liar and he got to heaven. They say he even stands at the gate up there. How do I know he was a liar?

Well, he was a fisherman, wasn't he?

**Tournament —**

(Continued from Page One)

open at 7 o'clock with winners of the first round Brady-Iraan and Andrews-Menard teams in championship quarter finals. The second Friday evening game will be a quarter final in the consolation bracket between losers of the Ozona-Fort Stockton and Eldorado-Sonora games. At 9:30 Friday night, winners of these same two games will go in the championship quarter final.

Saturday morning's session will get under way at 8 o'clock with another consolation quarter final between losers of the Brady-Iraan game and the Andrews-Menard opener. Following at 9:15 Saturday morning will be consolation quarter final for losers in the first round San Angelo Ballinger and Carrizo Springs-Big Lake games, with losers of these same opening round games going in the championship quarter final in the next game, starting at 10:30.

The tournament semi-finals begin at 1 o'clock Saturday afternoon, with the four semi-final games slated to be reeled off in

the afternoon. The championship finale will begin at 8 o'clock Saturday night, with the consolation contenders opening the evening's play and the championship battle bracketed for 9:15.

The visiting athletes will be housed in Ozona homes Thursday and Friday nights, the Student Council of the High School being responsible for arranging housing.

Members of the Senior Class will man the concession stand in the gym, offering hot dogs, sandwiches, coffee, cold drinks, candy and other edibles for the convenience of the crowds and for the benefit of the Senior Trip fund.

**Clean-Up —**

(Continued From Page One)

or "GI" cans as they are better known, for sale to Ozona residents at reduced cost. These cans, provided with close fitting covers, will be sold at as low a price as possible, Mr. Harris said.

Complete elimination of one of the community's greatest health hazards, the open or outdoor toilet, is to be undertaken by the county in coming weeks, it was announced following a recent visit by a representative of the State Health Department, called here to investigate the outbreak of polio at the Texas-New Mexico Pipeline Co. camp.

A survey is now being made of all such toilets in the city, their locations, names of property owners, etc. When this information is gathered, a campaign is to be undertaken to induce those responsible to replace outdoor toilets with modern commodes. Since this type of toilet is a community health menace and a public nuisance, persons who persist in maintaining them are subject to prosecution and fine and appro-

appropriate enforcement measures are to be undertaken where voluntary action is not taken by owners.
