18-Year-Old Aussie Girl Writes Plea for Pen Pals in Ozona

An 18-year-old Australian girl, Betty Keith, with an address that will give you writer's cramp, wants a "pen pal" from Ozona.

Miss Keith, whose home is in Keiraville, New South Wales, wrote the editor of the Stockman for assistance in putting her in touch with a "pen pal — boy or girl, it makes no difference." Her letter follows:

"I am 18 years old and would not mind if the writer were a girl or boy, preferably about my own age or older, and one who is interested in sports, popular music and exchanging magazines.

"I hope this will not inconvenience you as I saw your name in an issue of "Saturday Evening Post" concerning an article on Ozona, which was very interesting, and do not know if it is possible for you to grant my request.

Wishing the "Biggest Little Town in the West" every success, I remain yours sincerely, Betty Keith"

For those who might wish to write this girl from "down under" her address is Miss Betty Keith, 21 Breaside Avenue, Keiraville, Via Wollongong, N. S. W., Australia.

Soldier Wants Place To Hunt Javalinas

Joe Small, published of the "Western Sportsman," a sportsman's magazine published in Austin, is trying to help a young soldier who is stationed in north Texas find a place to hunt peccary, or javalina hogs.

"We have a very appealing letter from a soldier who is stationed in North Texas and wants very much to do some peccary hunting while here," the Sportsman editor writes. "However, he says that every place he has inquired thus far, the ranchers have wanted a prohibitive price for hunting privileges.

"Perhaps you know of, or can inquire about, a place where this young fellow can hunt wild hogs without its costing him much, if anything. We'll be glad to tie in with some publicity if the rancher wants it. I hope you can let me know about this right away. Thanks."

County To Employ Pound Man To Thin Out Stray Dogs

Wholesale Killing of Livestock Reported On Nearby Ranches

The Crockett County Commissioners Court has declared war on stray dogs which are doing a lot of damage to ranchers whose lands border the town of Ozona.

A pound man will be employed by the county in the near future and it will be his job to capture or destroy all stray dogs known to be preying on livestock on any ranch.

Ranchmen on all sides of Ozona have suffered losses at the hands of stray dogs, but particularly heavy losses have been suffered to the south of the city. George Montgomery recently lost nearly 150 Spanish kids, killed by roaming dogs. Early Chandler lost a black-face ewe, killed by dogs and others have been visited by the strays.

There are many dogs roaming the city that have no homes and forage for their own food from day to day. These are the most dangerous types and these are the dogs the pound man will round up in the coming campaign.

In order that owners of pet dogs might have warning and time to take steps to keep their dogs from falling into the pound man's net, County Judge Houston Smith prepared an announcement on behalf of the Court, published elsewhere in this issue, in which he cited provisions of the law relative to what are classed as stray dogs and who has the right to destroy known or suspected depredating dogs.

Crockett county has a dog license law which requires that all dog owners register their pets and place license tags on the animals. However, registering an animal is not enough. Any dog running at large between sunset and sunrise, whether tagged or not, is classed under the law as a stray and as such, can be impounded. Or if a dog is known to have killed or injured any domestic animal or fowl is found about to kill or injure such an animal or fowl or anyone has knowledge of such an act of depredation, then such a dog may be killed by anyone or the owner may be required to make restitution for damage inflicted.

Any dog running at large at any time without a license tag is classed as a stray and thus subject to impounding and destruction.

Ozona Methodists Plan Easter Services

A class of instruction for children who desire to receive baptism and take the vows of church membership will begin at The Methodist Church on Saturday, March 10, at 10 o'clock a. m., and will continue through Saturday, March 17 and Saturday, March 24, at the same hour. Each session will last one hour. Topics will be, "What It Means to Be a Christian," "The Duties of Church Membership," and "The Privileges of Church Membership." The class is designed for children who are 8, 9, 10, 11 or 12 years of age, and will be taught by the pastor, J. Troy Hickman.

On Palm Sunday, March 18, a ritual of the baptism of infants will be held at the morning service, 11 o'clock a. m. The Methodist Church Choir will present an Easter Cantata at the evening hour, 7:30 o'clock.

Two special services will be held during Holy Week. On the night of Maundy Thursday, March 22, at 7:30 o'clock a Communion Service will commemorate the original Lord's Supper of Jesus and His disciples. A Good Friday Service will follow at 7:30 p.m. on Friday night, March 23.

The Easter Worship Service will be Sunday morning, March 25, at 11 o'clock a.m. It will include an Easter sermon, Easter anthem, the reading of the Easter story from the Bible, and the rituals of Christian baptism and church membership for children, youth, and adults.

NOTICE OF ENFORCEMENT OF LAWS REGARDING STRAY DOGS IN CROCKETT COUNTY

It has come to the attention of the Commissioners Court of Crockett County that stray dogs are depredating on livestock in pastures adjoining the town of Ozona and causing considerable financial loss to ranchmen. Stray dogs have become so numerous in Ozona that the Court feels that immediate action toward curbing their depredations is imperative.

Therefore, the court has decided to employ a dog pound man whose duty it shall be to catch and destroy stray dogs in and around Ozona in so far as the law permits and directs.

Crockett county has a dog law license law which requires all dogs to be registered and tagged. The law provides that it shall be unlawful for the owner of any dog six months or more of age to allow any such dog to run at large unless the animal has been registered and tagged.

The law further provides that "it shall be unlawful for the owner of any dog to allow such dog to run at large between sunset and sunrise of the following day, unless such dog has securely fastened about his mouth a leather or metal muzzle as will effectively

prevent such dog from killing or injuring sheep, goats, calves or other domestic animals or fowls." The above paragraph applies whether dogs are registered or not.

The law offers protection to owners of domestic animals against depredation by dogs, in the following language, being Sec. 3 of Art. 1371, Tit. 17 of the Penal Code:

"Any dog, whether registered and tagged or not, when found attacking any sheep, goats, calves and or other domestic animals or fowls, or which has recently made, or is about to make, such attack on any sheep, goat, calves and / or other domestic animals or fowls, may be killed by anyone present and witnessing or having knowledge of such attack and without liability in damage to the owner of such dog. Any dog, whether registered and tagged or not, known or suspected to be a killer of sheep, goats, calves or other domestic animals or fowls, is hereby declared to be a public nuisance and such dog may be detained or impounded by any person until the owner may be notified, and until all damage done by said dog shall have been determined and paid to the proper parties. Any dog known to have attacked, killed or injured any sheep, goat, calf or other domestic animal or fowl shall be killed by the owner of such dog, and upon failure of such owner so to do, any sheriff, deputy sheriff, constable, police officer, magistrate, or County Commissioner is authorized to kill such dog, and such officer is further authorized to go upon the premises of the owner of such dog for such purpose."

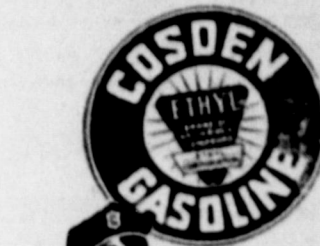

The Commissioners Court does not want valuable and harmless dogs destroyed and such officer as is employed for this duty will make every effort to spare those dogs which are being cared for and whose owners are making every effort to prevent their running at large in the town and countryside.

However, any dog found running at large at night, whether tagged or not, and any untagged dog found running at large at any time, will be subject to impounding and destruction.

This notice is being published so that dog owners throughout the community may be apprized of the situation and plans of the county authorities to curb the depredations of stray dogs, and in order

that owners of dogs may take steps to restrain or muzzle their pets and thus prevent losses.

Ford is the only Automobile Manufacturer Building Cars and Trucks in Texas

of material and supplies from Texas merchants and manufacturers and paid over \$7,500,000 for incoming and outgoing transportation. Then, too, there is a total of over \$148,000 paid by Ford in local and State taxes.

Yes, Texas is building a lot of cars and trucks for Ford . . . and in the process Ford is helping to build Texas, too!

ALL THE FORDS made are not built in Detroit. There are plenty of them built right here in Texas—last year over 128 million dollars worth of cars, trucks, parts and products were made at Ford's Dallas Assembly Plant. What's more, 1,722 Texans put them together or followed through with their commitment to dealers in the Dallas, Houston, Oklahoma City and New Orleans Sales Districts.

The folks who work in Ford's Dallas Assembly Plant and District Sales Offices earn over \$7,000,000 every year. They spend it mostly in Texas. Texas benefits from Ford in other ways, too. For example: during 1950 Ford bought over \$1,000,000's worth

Lions Roar
(Continued from Page 3)

Their fiances entered the picture to do a bit of haunting, and they found it wasn't necessary — someone had beat them to it. Larry Graves and John Greer portrayed these two gentlemen.

Norris Pogue impersonated a squat, gnome-like old man past sixty, hunchbacked and crippled Darius Krupp, caretaker of Hobgoblin House.

The servants were played by Peggy Newcom, Kenneth Bledsoe and Maria Garcia. Bobby Wom-er. The Headless Phantom an eerie series of screams and glimpses throughout the play was discovered to be Marion Mock, in the role of Patricia, kidnapped heiress.

The drab scenery of a long-deserted house, the haunting effects of the old dinner bell tolling without cause, a woman's head hanging by its hair in the forbidden closet, and a skull with powers of animation — these things blended together to produce tension and horror, holding the attention of every last spectator of "Hobgoblin House."

School Soc Hop Complete Success

As you well know, after seeing posters in the shape of socks around school for a week, seeing announcements in the paper and hearing announcements, the student council had a sock hop.

It was a colorful affair, all the gaudy socks and crisp spring clothes. Everyone seemed to have fun. Some of us tried to learn to Charleston. We had Paul Jones and broom dances. (Was it fun to whack our date on the seat!)

Finally there was an intermission and we had a floor show, a womanless wedding.

Kootsey Smith was charming as the bride. He wore a strapless dress, a veil with a train. David Price was the groom. Jimmie McMullan and Tom Piner were flower girls, sweet with their dainty little rosebud mouths, pink strapless dresses with short skirts and bonnets. Bill Schneemann and Charles Garlitz were ring bearers. The bride, in its eagerness to get the wedding ring, swallowed it. However, everything turned out fine in the end.

Marion Mock sang "Harbor Lights" and "I'll Always Love You." Kenneth Phillips did a quick switch to Donald Duck and sang "I Love You Truly" and "Mule Train."

There were millions of sandwiches, enough punch and cookies, almost enough boys.

Student of the Week

If anyone sees a five foot, six inch blue eyed blonde, strolling down the hall with a five-foot, eleven and one half inch, brown eyed blonde, they are bound to know at a glance that it's Rita Ballinger and Bill Schneemann.

Rita came to Ozona just a little over a year ago and since has become a cheerleader and Junior class secretary at OHS.

Her favorite food is Mexican food, favorite subject, English, favorite pastime, reading and favorite spectator sport, basketball.

Rita's ambition after high school is to attend Midwestern University at Wichita Falls and to become a secretary.

And now we come to the favorite subject of all girls — boys. Rita says her ideal boy should be very, very short, have coal black, curly hair, blue eyes, and a very quiet, dull, shy personality. Now, just who is she trying to kid!

Seniors Entertained At Hickman Home

On Thursday, February 22, 6:30 in the evening, a party was given at the Hickman residence, in honor of the seniors.

Following a buffet supper, the seniors and the faculty had several coatests which consisted of unrolling spools of thread and rolling them back and guessing what baby picture belonged to whom, as they were shown on a screen with a projector.

METHODIST CHURCH NOTES

Last Sunday. Preaching on the 6th Beatitude, "Blessed are the pure in heart, for they shall see God," the pastor, J. Troy Hickman, said that a "pure" heart means a heart unified and whole. The "heart" is the essence of a person, or what one is inside. To "see God" is to be aware of his Presence and to have fellowship with Him. One who seeks God with the whole self and has fellowship with God is "blessed."

On the theme, "What Jesus Said About Divorce," the pastor declared that complex human problems cannot be solved by any rule or formula. Jesus left no rules or formulas. His example, his teaching, and Spirit which lives in Christian hearts, indicate the true ap-

proach to, and solution of, every human problem. Some of the Christian principles affecting our attitudes on divorce should be forgiveness, refusal to judge others, helpfulness rather than criticism, and self-sacrifice as seen in the cross. Anything that harms a human being is wrong; anything that helps is right.

Next Sunday, March 4. At 11 o'clock the pastor will have the seventh Beatitude of Christ for his theme: "Blessed are the peacemakers, for they shall be called the children of God." Some people are storm centers, causing trouble by their very presence. Others seem to radiate calm and peace. What is the difference, and what made each one the way he is?

The Sunday evening topic, at

7:30, is "What Did Jesus Suffer for Us?" Each of us has a part to play in the Kingdom of God. The best light we have on this subject is the teaching of Jesus. The service will close with the Prayer Service.

The Board of Stewardship will meet Sunday afternoon, March 1, 8 o'clock.

Church School classes meet every Sunday morning at 9 o'clock.

The Woman's Society meets every Wednesday morning. The service begins each Wednesday at 7:30.
