Five Intersectional Football Games Slated For Week's Broadcast

Humble Oil & Refining Company launches its eighteenth consecutive season of football broadcasts this week and will give five intersectional games. The Texas Agri-culture-Southwest Conference football game will be the first Friday night when they invade U. T. & Southern Methodist together with Georgia Tech on Saturday at the University of Texas taking a "southern Kentucky" Saturday night battle against the University of Houston, while T. U. U. and Kansas square off in another night contest.

All five games will be broadcast over Humble networks of radio stations which dot most of Texas. Listeners will hear familiar voices describing the action as the veteran Humble announcers return to the microphones for the 1951 season.

Charlie Jordan and Eddie Barker will broadcast the A. & M. U. C. L. A. 5:30 from Los Angeles

Memorial Coliseum, Los Angeles, California. Broadcast time will be 9:20 p. m. (EST) at stations KPRC, Houston; WFAA-WBAP-420, Dallas; Ft. Worth; WOAI, San Antonio.

The S. M. U.-Georgia Tech meet will be described by Van Box and Jerry Doggett from Grant Field, Atlanta, Georgia. Broadcast time is set for 1:20 p. m. on stations KRLD, Dallas; KWPT, Wichita Falls; KTRD, Houston; WOAI, San Antonio.

Ken Tipp and Alec Chesson will give the account of the clash between Texas U. and Kentucky from Memorial Stadium in Austin beginning at 1:30 p. m. on stations KPRC, Houston; WFAA-WBAP, Dallas; Ft. Worth; KTSA, San Antonio.

Dayton games the University of Houston will be covered by John Ferguson and Dave Riswell. The broadcast, direct from Houston Stadium, will begin at 8:00 p. m. on stations KFTZ, Ft. Worth; WRB, Dallas; and KABC, San Antonio. Bill Michaels, backed by Bob Walker, will describe the T. C. U. encounter with Kansas at T. C. U. Stadium, Ft. Worth. This game will be broadcast at 8:00 p. m. over stations, WBAP/WFAA-470, Ft. Worth-Dallas; and KM 34, San Antonio.

Ann West Honored At Breakfast Here

Mrs. Evart White honored Mrs. Ann West of San Angelo, bride-elect of Ed Simons of Tyler, with a breakfast Friday morning at the House of Flowers tea room. The luncheon was presented with a silver pin holder. Mrs. Chris Perney, a recent bride, was presented with a piece of silver and Mrs. Julian Schreinemann, bride-to-be, was also presented with a gift. Eighteen guests were present.

## News and Fashions

Jane Adams

At a lot of new fall clothes at the first football game! Tweed and plain skirts, sweaters, some wool jersey suits, some handsome belts, the women faculty members had so "Football" in their big mums.

I can't wait until our band comes between halves of a football game. Won't the twirlers uniforms, which are purple velvet and lots of gold braid, be as bright as the white band uniforms?

Oh—don't the cheerleaders look so nice in their long skirts!

What will be the new twists to the girls' dress this fall winter? More dolman and batwing, more grey flannel, fallier with a not too stiff crinoline under them, stiffer ones for the boys, not so many scarves as ever, and usually longer hair.

Oh—

## A GIRL!!!

1:30 p. m. Saturday, the 8th of September, a man walked impatiently up and down the floor. He was nervous, and perspiration was on his forehead. Suddenly a cry rang out, and a nurse appeared at the door and said, "A girl!"

That's how Mr. Lippford became a father. When it was all over, Lippford was the worst off of the three.

In announcements the Lippfords sent out were small report cards. One receiving one had to admit that they were very clever.

The Lippfords named their little girl, Susan Nanetta. She weighed 8 pounds, 10 ounces and had dark brown hair and blue eyes. A blessed event took place in the hospital.

When asked how he felt, Mr. Lippford replied, "There's nothing like this."

Oh—

## SPORTS

### Once Over Lightly

By Wayne Kuykendall

Once again the sports fans have turned to football which promises to have plenty of excitement for the future. The Ozona Lions started their first defeat of the season by bowing to the Beaverton Owls 19-0.

The first half proved favorable for the hometown bunch. Deep in the first quarter Joe Bales, star quarterback, handed off to Tom Piner, star halfback, an magnificent play that took the Lions to the lead. The half ended with the Lions leading 6-0.

Early in the third quarter the Owls ran for their first touchdown when Jerry Thompson star fullback took up some of the quarterback for Ray Laver, and later scored the other two touchdowns.

The Lions defense was superb. Ed of Pete Gervason, Bobby Wynn, and Tom Piner, star center, and Allan Moore, Charles Gartin, Bill Maxson, Knutson Smith, Edgil Machado, Don Cooper, Thomas De Hajas and Babersburg Ramon showed plenty of effort during the game.

Friday night the Lions played with the Beaverton team. Let's give the boys a big send-off to Beaverton and hope they'll bring home the bacon.

Oh—

## Student Council Officers Elected

Last Thursday afternoon the new officers for the Student Council were elected. Joe Bales won over Kay Kirby for the president's job, Tom Piner over Jane Adams for vice president, Bill Schneemann, Pete Gervason and Joan Deaton were running for secretary-treasurer. It ended in a run-off which was held Monday morning. Bill beat Jane by the slim margin of eleven votes. Good luck in the coming year, officers!

Oh—

## A BIG BANG

Not a student was stirring one week in Miss Knapp's 7th period class... until the air was shattered by a mighty bang. Rocks hit the windows, and glass flew all over the room. What happened? Oh—it was just the blasting crew at work on the new building across the street. We hear it all the time.

## TOO MUCH TALK

By Doris West

Those of us with big eyes have seen that Bill and Jeannette seemed to prefer sitting on the front porch rather than with the girls at Scott's party. What's this we hear about Betty Wailey going to Villa Avenue with all the boys?

Who were the two boys looking for Barbara Hendrix's party last night? Barbara Hendrix, whose football do you have? This seemed to be a mix-up in which had a date with whom Sunday night? Will Jo and Dennis be handsome when Mizel's goes? Who are the boys Jean Price and Pat Ward?

Looks down when Jerry Thompson star fullback takes up some of the quarterback for Ray Laver, and later scored the other two touchdowns.

The Lions defense was superb. Ed of Pete Gervason, Bobby Wynn, and Tom Piner, star center, and Allan Moore, Charles Gartin, Bill Maxson, Knutson Smith, Edgil Machado, Don Cooper, Thomas De Hajas and Babersburg Ramon showed plenty of effort during the game.

# Go Ahead and Order It!

Right at this moment, there are thousands of people in America who are just about ready to end all compromise insofar as motor cars are concerned—and order a Cadillac.

If you are one of these—go ahead and order it! It will be the wisest motor car decision you ever made.

First of all, consider the car's reputation. Wherever highways lead, there is general recognition that Cadillac is the Standard of the World. Not only is this an endless source of pride and satisfaction to the Cadillac owner—but it is incontestable proof of Cadillac's historic quality. Such a reputation could come only from long-continued superiority.

And then consider what Cadillac brings you in terms of every-day satisfaction.

Every mile you drive, or ride, is a sheer delight. The word for it is wonderful—and the proof of it can be

found in an hour at the wheel. To ride is to rest—and to drive is to relax.

But over and above all this is an argument in favor of Cadillac so practical and conclusive that it should be hard for anyone to ignore.

The lowest priced model of this great and distinguished motor car is priced competitively with numerous and varied models produced by other manufacturers. Yes—every day—scores of people actually pay the price of a Cadillac—and still don't get one!

Add to this moderate cost the further fact that few cars—of any price—will run farther on a gallon of gasoline—and even economy points to Cadillac!

So—if your heart is set on a Cadillac—come in and order it. There isn't a single logical reason why you shouldn't do so.

### Lions Roar

(Continued from Page 3)  
are giving our attention just now. We really enjoy eating any or all of the basic seven foods more than studying about them.

Our officers for the year are: president, Georgiana Ball; vice president, Susie Schneemann; secretary, Ann Baggett; reporter, Carol Blackstone; historian, Olive Haire; songleader, Martha Bailey.

### 'Lions Roar' Staff Elected; Appeal for School Cooperation

The Lion's Roar staff was elected last Monday afternoon by the Journalism class in Room 202. Editor for this year is Marion Mock. Features editor will be Norris Pogue, society editor, Doris West, and sports editor, Wayne Kuykendall.

Since the Journalism class is a small one this year, Marion has urged anyone who wishes to be a reporter to turn in his name to Room 202. Any news items should be turned in on Mondays before the Lion goes to press on Thursday.

### From the Editor's Box

What happened to Ozona's spirit in the game Friday night? It was the spirit of the season, and we didn't have half the get up and go those boys had the first half of the game. What will the next games be like if we don't stay behind the team? From now on let's be there yelling 100% and whether the game's a win, loss, or draw — the team's still our's and the best.

### ANNUAL PICTURES OCT. 8

Looks prettiest — is that what you're thinking? October 8 is the day for all the annual pictures to be taken for this year. Miss Mildred North urges that all students be ready to have their pictures made on that date.

### Homemaking Classes Study Food Values

By Lou Nelle Beall

The Seventh Grade Homemaking girls are becoming acquainted with the department. We chose to work in the foods laboratory.

Hot days were made cooler with condensation fruit juices. It's nice to discuss the value of vitamin C found in oranges and lemons, but it's still nice to "drink the vitamin C" on a hot day.

We have compared values and cost of canned, frozen and fresh orange juice. Fresh oranges get first place in taste, but they did make the most expensive source of orange juice.

Frozen orange juice was cheap for our serving.

Our officers are: president, Cecilia Cooke; vice president, Barbara Guthrie; secretary, Peggy Trotter; historian, Yvonne Knox; songleader, Mary Lou Johnson; reporter, Lou Nelle Beall; sponsor, Mrs. James B. Hall.

Mr. and Mrs. Joe Patrick returned Thursday from a two-week vacation spent in northern New Mexico. They were accompanied by a nephew, Joe Elledge of Junction.

## A glance tells you it's the finest-- these facts prove it!

**Distinction**—years-ahead design... These are qualities of the new 1951 Packard that you can appreciate at a glance.

But there's *much* more here than meets the eye. There's *performance* to more than match its distinctive beauty. Consider, for example...

**Top-compression power**—The spectacular power of the mighty Packard Thunderbolt Engines—America's highest-compression eight. Plus new service-free simplicity—with up to 25% fewer working parts than in engines of comparable power.

**Ultramatic Drive**—Exclusive with Packard. The only automatic drive to combine the smoothness of no gear-changing during acceleration with the efficiency of no slippage while tracing.

**New concept of vision**—Packard lets you see both front fenders from behind the wheel.

**Fingertouch steering**—New ideas of steering design and weight distribution let you maneuver your Packard with as little effort as it takes to turn a doorknob.

**Limousine Ride**—Sure-footed, gentle—that's Packard's ride! The broad-beam "self-controlling" suspension system combines a road-hugging ride with comfort no other car can equal.

**Roomy in Space**—Legroom—headroom—and seats as wide as the car is tall! More trunk room than in any sedan on the road!

**Long-range durability**—Motorists' greatest durability record: Of all the Packards built in the last 52 years, over 50% are still in service!

**New everything**—Our engineers and stylists anticipate your every driving desire.

Come in—take the wheel—see how it feels to drive the most exciting car on the road!

### Dred Hopkins Becomes Bride Of Pernor OF Ozona In Cleburne Ceremony

**Cleburne Times-Review**  
 Dred Hopkins, 21, was ceremonially appointed ceremonial best man at the Baptist Church made by Louise Hopkins, Mrs. M. M. Hopkins, 210 North Buffalo, bride of Chris Doty of Mr. and Mrs. Stearns of Ozona, Texas.

Mr. and Mrs. Charles Pitts of the respective double ring before a large assembly of guests.

The ceremony was presided over by the pastor, who pledged its vows before an altar bedecked with emerald green and baskets of white flowers and anthems. White tapers were lighted in 7-branched candelabras. Aisle seats were made of emerald green, candytuft and white flowers.

Following the ceremony Danny Doty, groom of the bride, played selections on the organ and accompanied David Tate in "The Lord's Prayer." The bride chose as her attendant, Carol Ann Winter, and Shirley Darden, sister of the groom, and sister of Fort Worth.

The attendants wore matching orchid net with velvet and half circle hats. Their dresses were fashioned identical shades of yellow, orange, red and bronze.

The bride's bridesmaids were Nancy Hopkins, May and Nancy Hopkins. Their frocks were fashioned in same lines as those of the attendants and they wore wristlets of pom pom mums in the variegated shades. They carried baskets of pink rose petals.

Sam Pernor, brother of the groom, was best man. Groomsman were of Fort Worth, Hubert of Dallas, Sonny Franklin Wicker and Hilgus, Jr., of Ozona. Michael, nephew of the bride, bearer and carried the white satin pillow.

The bride was lovely in a gown of lace with a yoke of delicately embroidered pearls, and a lace beroluminous skirt fell in a wide train. The

full length veil of illusion was fastened to a half-circle hat of lace and Chantilly lace embroidered with seed pearls. She carried a white orchid and stephanotis bouquet. Her only ornament was an antique diamond necklace belonging to an aunt, Mrs. Chas. Smith of Lubbock.

Mrs. Hopkins wore a lace formal over taffeta, copper-colored, with a hat of black velvet. Her corsage was of white roses. Mrs. Pernor wore a black lace and ivory beaver hat, and a corsage of white roses.

Following the ceremony a reception was held in the church parlors. The bride's table was laid with white satin, and the striking floral arrangement was composed in a silver teapot and white tapers in silver candelabras. The three-tiered wedding cake was encircled with candytuft and stephanotis. All members of the house party wore corsages of white Fall mums.

Mrs. James A. May, sister of the bride, cut the cake, and Mrs. M. Hopkins, Jr., and Mrs. O. C. Ricketts alternated at the punch bowl. Assisting in serving were Misses Shirley West, June Watson, Jane Pickens and Helen Gamon. Miss Joan Bryant presided at the register table.

After a wedding trip to New Orleans, La., the couple is now home in Ozona. Mrs. Pernor was graduated from Cleburne High School and attended T. C. U. where she was a majorette in the Horned Frog Band. Mr. Pernor attended T. C. U. for two years and is now connected with an oil company in Ozona.

Out-of-town guests were Mr. and Mrs. Sam Pernor of Ozona, Hillery Phillips, Jr. of Ozona, Hubert Parrott of Dallas, Bob Ross of Fort Worth, Miss Ruth Balch of Dallas, Mr. and Mrs. Paul Pernor of Ozona, Mr. and Mrs. Lewis Bennett and family of Fort Worth, Mr. and Mrs. G. **IS YOUR CAR?**

**Ready for Winter?**

Your car, too, needs a "fur coat" so to speak, for the cold winter months ahead.

Old oils and greases tend to thicken in cold weather and your car can not perform at highest efficiency. It's time to drain your crankcase, flush out the cooling system, check it for leaks - anti-freeze, you know - put fresh grease in chassis, transmission and differential, clean motors, check spark plugs, wiring and batteries, and otherwise give the old bus a general winterizing treatment.

For the best in oils, greases, you needn't look farther than your Cosden station. Drive in today.

## Maybe you're missing something BIG

**W**ear has given you faithful service. You like it. You're loyal to it. And that's only human.

But just suppose you found out that some other car could make familiar roads seem a lot smoother.

Suppose some other car held the curves in a way you'd never felt before.

Suppose some other car had more thrilling power—steered like a dream—held its course like an airliner on the beam—and let you finish a long day's drive feeling daisy fresh.

Wouldn't you feel you're missing something big unless you tried it out?

There is such a car. Its name is Buick.

It has big soft coil springs on every wheel. It has a Fireball Engine. It has a "front-end geometry" that does miracles with steering. And it has Dynaflo Drive.\*

And incidentally, it wears a price tag

that makes it a very smart buy compared to anything else you own.

We'd like to have you try this car. You'll never know what you're missing till you do.

How about giving us a call—or coming in to see us real soon?

language is to be able to write it.  
Not all of us can make our liv-  
ings as writers. But every one of  
us should be able to say on paper  
whatever needs to be said in clear,  
forceful English. Small words  
are sometimes better than big  
ones; but there is no substitute  
for clear and precise words put  
together in an effective way.

It is a disappointment to many  
that, although the American public  
school system is spending more  
and more money on a program of  
education, there seems to be no  
corresponding improvement in the  
teaching of the use of the language.  
If anything, there is a loss of  
ground.

At least one college in Texas  
requires all students entering its  
gates to pass a test in the effec-  
tive use of English, regardless of  
what honors they may have won  
in other fields. Their position is,  
"We will not graduate any stu-  
dent from this school who cannot  
read, write, and speak well the  
language of our country." One of  
the oldest sayings current on col-  
lege campuses today is that "Ev-  
ery teacher is on the English fac-  
ulty." When a paper is handed in  
to a teacher of mathematics, his-  
tory, government, or what have  
you, he refuses to accept it until  
it is worded, formulated, punctu-  
ated and written in legible, neat,  
clear and effective language.

We believe this is a correct  
concept of an education, and that  
the ability to exchange thoughts  
with other people by the reading  
and writing and speaking of the  
English language is the tap root  
in the system of American educa-  
tion. All other subjects and inter-  
ests are dependent upon the tap  
root.
