### HOPE FOR PEACE

Boys came home from World War in 1918, it is commonly assumed that in the Kaiser's empire we were the world safe for events since then. We have had yet greater than the Kaiser's empire in this moment a Third World War. It seems to be in the making and most fatal of all wars has never been the 1914. Even more dramatic changes follow the struggle in the world as we know it may not survive the results of the first world war without some kind of court. Most people believe, so the League of Nations was strangled in its cradle. Following the second world war, the United Nations was born. And while the United Nations has already shown more for peace than most organizations, there are still many who think that within the next few years there must be order. People used to enforce justice with pistols. In time we came to realize that it is absolutely necessary to have officers of law and courts to enforce the law. One of us today would not go back to the pioneer days when a man's pistol was the only law. Now, war is the same as an international scale of business is on a local scale. It has refused and failed to bring an order to the nations. It is the price we are paying for that failure.

The result of tensions build up to an explosion. A friendly nation's borders are invaded by force, we ourselves and go to war. At particular fire is extended, we go back home and another one breaks out. This system "minding our business." And, so far, we have sent our sons to battle nearly every generation. We have practically bankrupted ourselves. Our economic system cannot survive another war; today pressures are developing in spots like Iran, Egypt, etc. which could easily ignite in another struggle any day.

Anarchy. War is the same on a world scale that law is on a local scale. Just as rules, officers to enforce them, and courts to interpret them are absolute necessities to a peaceful community, so an international order, officials and courts are necessary to keep the peace on a world scale. There are United Nations Organized our best hope for today and tomorrow.

The United Nations will do more than just arbitrate when they arise, or double spots. We shall have through the U.N.O. into the world where tensions are building and remove the causes of the tensions before a decision occurs. And what is the cause of tension? It is over-population. Areas where more people live than can be supported are a double trouble spot. There will be a control and distribution of the world's population. The cause of tension is the over-population. Many of the poorest countries are rich in developed wealth; land, minerals, water-power, etc. (Continued on Last Page)

## Lions To Open District Play In Menard Friday

### Locals Play Season's Best Against Strong Pecos Team

Having found themselves in last Friday night's game against the AA Pecos High School Eagles, the Ozona Lion grid warriors, who played their best game of the season against the Pecos team, may be the surprise of District 6-A when they invade the Menard area Friday night for the first district game of the season.

Although outscored 26-0 by the fast running Pecos backs, the Lions were in possession of the ball most of the evening and the game was in no wise the one-sided affair the score might indicate. In fact the Lions made 15 first downs to 13 for the visitors, who had possession of the ball only seven times during the four quarters.

It was the fast running of the ace back, Son Langham, and King, which accounted for the four Pecos touchdowns. Langham reeled off one 70-yard and one 41-yard gallop for two touchdowns in the second quarter and scored another from 15 yards out in the third. King cleared the end for 12 yards and a marker. Langham kicked one extra point and Gutierrez the other.

Ozونا came within a yard of a touchdown early in the game, but a penalty set them back and the ball went over on downs.

Outstanding ground gainers in the Ozona offensive were Quarterback Tom Piner and Fullback Billy West while the entire Ozona team showed a powerful defense and great improvement in the blocking and tackling departments.

The Lions invade Menard Friday night for their first conference tussle. Game time will be 8 o'clock. Menard has won three and lost three in their six starts this season. Coach Larry Wilkins is hopeful that his charges will continue to make use of their newfound power in the Friday night fracas.

## Ozونا Basketball Tournament Dates Set For Jan. 25-26

### 5-Team Dist. to Begin Double Round Robin Play Jan. 15

While Coach Swede Peltó is helping Football Coach Larry Wilkins pilot the Lion footballers through the present season's grid wars, he is keeping an eye on his primary objective — the basketball championship.

Coach Peltó, head basketball mentor, attended a District 6-A basketball meeting in Sonora Saturday during which the district was organized with five teams on its roster and outlined the double round robin schedule which will open January 15.

Coach Peltó also announced dates for the annual Ozona basketball tournament, to be held January 25 and 26. Invitations will go out in a few weeks to this event.

Two other tournaments have already been announced and Ozona teams will take part in these, December 14 and 15 at Menard and January 3, 4 and 5 at Odessa. In addition to these and the regular district schedule, Ozona cagers are already slated to meet teams from Del Rio, McCamey, and Big Lake in a two-game home and home schedule of practice encounters.

District 6-A is to be composed of Ozona, Sonora, Junction, Eldorado and Menard. Eden, presently in this football district, will play basketball in another district.

Tom Smith has returned to his home here after being hospitalized in San Angelo for over a month.

## Big Crowd Approves Fashion Revue Staged By Woman's Forum

A big crowd of Ozonans approved the Pre-Holiday Style Revue and specialty acts presented in the high school auditorium Tuesday evening under sponsorship of the Woman's Forum.

The style revue was presented in three scenes, a morning scene with a park setting, an afternoon setting in a football atmosphere and evening, with models entering through a huge silver picture frame.

Mrs. Blake Duncan of San Angelo did a splendid job as commentator for the style show. Specialty acts which provided variety to the evening's program included numbers by a string band composed of George Senne, Ted White, Charlie Black, Dick Henderson, A. E. Gillam, E. B. Ingham, Jr., Homer Good and Richard Miller, Jr.; tap dancing by Mrs. Beecher Montgomery; ballet and tumbling by Cecilia Cooke and vocal numbers by Mrs. Bob Bailey, Mrs. Joe Clayton and Mrs. Batts Friend provided piano music.

Styles were furnished by Joseph's Department Store, the Ozona Dress Shop and the Ratliff Store of Ozona, the Maurice Shop, Martha's Kiddie Shop and S & Q Clothiers of San Angelo. Jewelry was by Wesley Sawyer Jewelry of Ozona.

Modeling the various new styles were the following:

Mesdames Max Schneemann, Arthur Phillips, Lindsey Hicks, P. C. Perner, Jr., Tommy Harris, Jr., P. L. Childress, Marshall Montgomery, E. G. Bower, Jess Marley, Jr., W. A. Childress, Austin Millsbaugh, Clifton Tension.

Misses Jane Adams, Sue Meinecke, Jeannene Thompson, Carol Blackstone, Benny Gail Phillips, Ann Ratliff, Peggy Hagelstein, Vicki Lynn Montgomery, Carmen Childress, Peggy Harvick, Robin Jones, Alma Ingham, Martha Bailey.

Bryan Montgomery, Fletcher Coates, Tommy Stokes, George Rungler, Lewis Robison, Joe Clayton, Jr., Graham Childress, Kent Chapman, and Charles Garlitz.

## Supper Honors Mr. and Mrs. Jack Williams

The Ozona Country Club was the scene of a buffet supper Monday evening, October 15, honoring Mr. and Mrs. Jack Williams, who were recently married.

Hosts and hostesses were Mrs. Charles Williams, Sr., Mr. and Mrs. Joe Clayton, Mr. and Mrs. Charles Williams, Jr., Mr. and Mrs. Gene Williams, Mr. and Mrs. Joe Williams, and Mr. and Mrs. Byron Williams.

Mr. and Mrs. Jack Williams have just returned to Ozona to make their home after a honeymoon trip to New Orleans and Mississippi.

In the receiving line were Mrs. Charles Williams, Sr., the honored couple and Mr. and Mrs. Joe Clayton. Mrs. Gene Williams was at the guest book.

The buffet table was laid with an ecru linen cloth of embroidery and cut work and was centered with an arrangement of bronze yellow and orchid mums, surrounded by grapes. Gold tapers in silver candelabra were on either side and other table appointments were in silver and crystal. Chrysanthemums, asters and daisies were arranged at other points through the large hall.

Supper was served to 250 guests.

## Malco Refineries Second Test in Betty Field Is Failure

Malco Refineries Inc. No. 2 George Bean, northeast offset to the same operator's No. 1 George Bean, opener and lone producer in the Betty (Grayburg) field in Crockett county, has been plugged and abandoned at 1,540 in lime. The failure was 990 from south, 2,342.2 feet from west line of section 34-UV-GC&SF survey.

If you need your comforters recovered, call 264J.

## Fire Prevention Clean-Up Drive In Full Swing

### Fire Department Sponsors City-Wide Fire Control Program

City-wide cooperation is expected in the current campaign being carried out by the Ozona Volunteer Fire Department to make Ozona safe from fire loss in so far as fire prevention practices can make it.

A Fire Prevention Campaign is being sponsored starting this week by the Department. Inspectors from the Department, trained in what to look for in the way of fire hazards in a business building or private residence, will make an inspection of premises throughout the city in an effort to discover and eliminate fire hazards on premises which occupants may not have discovered.

The campaign is under the direction of Fire Marshal Charles Ratliff, Fire Chief Miller Robison and President Dick Henderson. The clean-up is designed to prevent fire loss, thus protecting the advantages won by the city in fire insurance premium reductions as a result of organization of the fire department and improvements in fire fighting equipment and from its good fire record credit. It is estimated that property owners in the city are realizing a saving of \$18,000 a year in insurance premiums as a result of these gains.

A full page ad appears in this issue of The Stockman, with some fifty business firms joining in an appeal for cooperation from the citizenship in accomplishing the objective of the Volunteer Fire Department.

## Crockett Elkhorn Pool Gets Second Ellenburger Oiler

### Continental 3-A J. M. Shannon Rates 2,949 Barrels Daily

Registering the second producer in the Elkhorn (Ellenburger) field and extending the northern Crockett county pool  $\frac{3}{4}$  mile northeast, Continental No. 3-A J. M. Shannon estate was finalized for a 24-hour potential of 2,949.12 barrels of 44.9 gravity oil.

The daily rating was based on a five-hour flow of 614.39 barrels of pipeline oil through a 32-64-inch tubing choke and perforations in 5½-inch casing from 7-130 to 7-320 feet. The section was washed with 1,000 gallons of acid. Gas showed to the surface at the rate of 128,000 cubic feet daily.

Gas-oil ratio was 324-1. Flowing pressures were 800 pounds on the casing, 800 pounds on the tubing. Location is in the C SE NE 22-U-V-GC&SF survey.

Also in the Elkhorn pool, Continental No. 4-A Shannon was drilling at 5,688 feet in shale, Continental No. 5-A Shannon at 6,123 feet in shale, Continental No. 6-A Shannon at 125 feet in lime, Continental 7-A Shannon at 190 feet in sand and shale.

Neville G. Penrose of Fort Worth No. 1 University, wildcat 12 miles east of Sheffield, was preparing to re-test from 8,175 to 8,230 feet in lime after the packer failed.

Mr. and Mrs. J. M. Baggett left this morning for a tour of Mexico of three or four weeks duration. They will be joined in El Paso by Mrs. Baggett's brother and sister-in-law, Mr. and Mrs. Fred Boerner of California. Mrs. Harry Perner, who has been visiting relatives here, will accompany them as far as El Paso on her way to return to her home in Santa Barbara, Mexico.

LOST — Rose gold Bulova wrist watch. Has rose gold band set with 6 rubies. Reward for return to Eda Louise Goodson at M & M Cafe.

R. A. Wagner

R. A. (Dick) Wagner, district governor of Rotary Clubs in this district, paid his official visit to the Ozona Rotary Club at its meeting Tuesday of this week. Governor Wagner is making a tour of clubs in his district.

## Eldorado and Eden Remain Undefeated In Dist. 6-A Football

Two district 6-A football teams remained on the undefeated list the past week. Eden and Eldorado are both undefeated in five starts, Eldorado with one district victory under her belt, 14-6 over Menard last week.

Junction, defeated once in six starts, is tied with Eldorado in district standing, with a 20-6 victory last week over Sonora. Junction was defeated by Del Rio in pre-conference play.

The complete record of District 6-A teams so far this season is as follows:

Eldorado — Won 5, Lost 0  
Eldorado 13 — Llano 7  
Eldorado 36 — S. A. Kittens 9  
Eldorado 34 — Robert Lee 9  
Eldorado 28 — Melvin 7  
Eldorado 14 — Menard 6  
Eden — Won 5, Lost 0  
Eden 19 — Lohn 0  
Eden 44 — Richland Springs 6  
Eden 26 — Melvin 20  
Eden 42 — May 0  
Eden 46 — Mason 12

Junction — Won 5, Lost 1  
Junction 27 — Rochelle 6  
Junction 19 — Bronte 6  
Junction 20 — Bandera 14  
Junction 7 — Mason 6  
Junction 0 — Del Rio 47  
Junction 20 — Sonora 6

Menard — Won 3, Lost 3  
Menard 0 — Bandera 13  
Menard 0 — Melvin 24  
Menard 20 — Mason 7  
Menard 7 — Fredericksburg 6  
Menard 33 — Rochelle 6  
Menard 6 — Eldorado 14

Ozona — Won 1, Lost 4  
Ozona 6 — Reagan 19  
Ozona 7 — Iraan 39  
Ozona 26 — S. A. Kittens 6  
Ozona 6 — Llano 26  
Ozona 0 — Pecos 26

Sonora — Won 1, Lost 4  
Sonora 12 — Bracketville 21  
Sonora 12 — Reagan 26  
Sonora 0 — Iraan 40  
Sonora 18 — S. A. Kittens 13  
Sonora 6 — Junction 20

## Vesper Services At Methodist Church Each Sunday Evening

Beginning this Sunday, October 21, the local Methodist Church will have a Vesper Service from 5 to 6 o'clock p.m. each Sunday. This will replace the evening service which is usually held at 7:30 or 8:00 o'clock. The youth group will continue to meet at the usual hour of 6:45 o'clock on Sunday evening.

The pastor, J. Troy Hickman, will preach this Sunday morning at 11 o'clock on "Discerning the Signs of Our Time."

This Sunday, October 21, is designated on the calendar of The Methodist Church as Temperance Sunday and also Texas Methodist College Day. Observance of the temperance theme will be included in the evening Vesper Service and a sum of money from the budget will be sent to the Texas Methodist College Fund for the support of Methodist-owned colleges in Texas.

## Natural Gas Installation To Begin Here at Once

### Contract Let To Odessa Firm For Laying Pipe Lines

Contract has been let by the Empire Southern Gas Co. for laying a 4-inch gas line from the Clayton Ranch gas well 10 miles east of Ozona and for installing the distribution system in Ozona to provide local residents with natural gas. J. P. Kenney, vice president of the company, announced this morning.

Contract for installing the system was awarded to M. L. (Jack) Moore of Odessa, the work to be completed in 60 working days. Pipe is now being moved from the gas company's warehouse yard in Big Spring to Ozona and work of ditching for the main line from the well to town is expected to begin early next week. Service is expected to be available in late November or December.

Mr. Kenney and J. C. Jagers, engineer for the company, were here today making final surveys for the installation of the distribution system. Mr. Kenney announced that every effort will be made to tear up as little of the town's street paving as possible.

To this end, property owners will be asked to grant easements to put lines across backs of their lots where alleys are not available or where such action would result in economy of piping to connect to the mains. Many sections of Ozona were laid out in the early days and no alleys were provided, or were closed by buildings, fences, etc. In such cases, where the engineers find it more economical and where breaking pavement can be avoided, property owners will be asked to grant easements for the lines across their property.

Three sizes of mains will be installed in the distribution system, Mr. Kenney said. A four-inch line will bring the gas from the well to town and will continue into the city. From this line, three inch and two-inch lines will branch and one-inch service lines will go to homes and business houses.

Pipe is to be stored on the county lot at the south edge of town where it will be wrapped and coated before installation.

James Isbell, local manager for the company at Big Spring, will move to Ozona about November 1 to become manager here, Mr. Kenney said. The company has not yet secured office and display room quarters. They plan to offer a full line of gas appliances.

## Ozona Fire Dept. Sells Extinguishers

Modern types of fire extinguishers are now available to Ozona property owners through the Ozona Volunteer Fire Department.

The department has investigated the extinguisher market and has stocked the most efficient and economical of the lines available on the market. The department has extinguishers of various capacities and fitted for various needs. If you are in the market for a fire extinguisher for your home, your car or place of business, call the fire station or see any member of the department. The nominal profit to be realized from sale of the extinguishers will go into the firemen's social fund.

The department is also equipped to service extinguishers of all makes and models, including refills.

A party of four Ozonans and one San Anglean left this week for Creed, Colo., where they will hunt elk in the Colorado mountain country north of Creed. The hunters include Miller Robison, Charles Williams, Joe Clayton and George Bunger of Ozona and Winston Westbrook of San Angelo.

RANCHES FOR SALE or trade. What have you? See J. T. Keeton.

THURSDAY, OCT. 18, 1951

**SPEND, SPEND, SPEND!**

Raymond Moley devoted one of his recent Newsweek columns to Senator Paul Douglas's valiant and almost totally unsuccessful effort to wring a little of the water out of the federal budget. In conclusion he wrote: "It will take more than name calling, phony statistics, and wisecracks by the President to dissipate the feeling over this country that since people are being forced by higher taxes to practice self-denial, the government should set the example. All through the country there are too many glaring examples of federal extravagance to escape notice. The country is a rich one, but it cannot stand military expenses of the size that will be essential, unless there is economy in non-military spending. Taxes will not suffice, and inflation must be the deadly harvest."

Every proposal to economize has been steamrollered to death in Congress. That is true of the huge rivers and harbors bill, which is the pork-barrel deluxe. It is true of such lesser matters as Senator Douglas's proposal to

abolish the old practice of maintaining, at the taxpayers' expense, a free barber shop for senators. The number of Congressional votes which have been raised against waste are pitifully few, and can hardly be heard over the roaring "spend, spend, spend; tax, tax, tax chorus."

If there is any better way to destroy a country from within than to countenance waste, extravagance and corruption in government, no one has thought of it. The people are being bled white by taxes now, and the incentive to work, to save, and to achieve is being destroyed. If we keep on going in the present direction there can be only one end — and that is national bankruptcy and national ruin. It happened to great empires of past times. It can happen here.

**SECURITY AND SATISFACTION** — Are you enjoying this in your business or occupation? I have that feeling in my business as a Raleigh Dealer, 1 year in business. A similar opportunity is now available in Mason County. Let me tell you about it. Harry Langerhaus, Fredericksburg, or for personal interview write Texas Sales Manager, J. L. King, "Raleigh's", Dept. Sheriff, Crockett County

**California Caller To Call for Square Dancers Tues. Night**

Loa Gotcher, well known square dance caller from San Valley, California, will call the squares for Ozona Square Dance Club members and their guests at a square dance festival Tuesday night at the Ozona Country Club.

Invitations have been extended to square dancers in surrounding towns and a good crowd of out-of-town guests is expected. The dance will be from 8 to 12 and special refreshments have been planned. All local square dancers are invited. Several well known callers in this area will be heard during the evening.

**Baptist WMS Holds Business Meeting**

The Woman's Missionary Society of the Baptist Church met Wednesday morning October 10, for a regular monthly business meeting at the church.

Mrs. H. A. Gustavus, president, called the meeting to order with a prayer, and a devotional was given by Mrs. J. T. Keeton. Following were the monthly reports made by the various chairmen. Meeting was adjourned with a prayer by Mrs. Clifton Tension. Mrs. Pleas Childress served refreshments to Mrs. S. L. Butler, H. R. Mock, J. T. Keeton, Harry Hawkins, Ben Williams, A. J. Ward, H. A. Gustavus, Clifton Tension and J. T. Patrick.

**THINGS ONE REMEMBERS**  
By R. M. Hofer

Every day the Washington propaganda machines boom price control as the medicine for inflation control. For some unknown reason the same official agencies never mention tax control or waste control in government as the one indispensable requisite of the earnings control. Nor do they explain how tax confiscation of the earnings of the individuals for Washington bureaus to spend high, wide and handsome is any less inflationary than if the individual spent his own money. After all, the government earns nothing, it just spends, and it can only spend what it first takes away from the individual who earns it. Only the people can stop the tax spenders who create inflation. They will

**JUST INSTALLED-**

**Newest Automatic Dry Cleaning Machine**

**To Give You Faster, Finer Service on Your Dry Cleaning**

We have just completed installation of the latest automatic Dry Cleaning equipment — the famous "HAMMONDS ATOMIC DRY CLEANING UNIT" — a scientifically designed machine which handles your clothes ever so gently, yet turns them out spotlessly clean every time.

With this new, modern, automatic equipment, we will be able to give you faster service and a more perfect job on every garment. So gently does this machine handle your clothes in the cleaning process, there is no chance for damage even to the finest fabrics.

Clean filtered fluid goes into the cleaning unit for each filling — clothes are drained and dried so that no odor remains.

We invite you to come by and see this new equipment and to try our new dry cleaning service.

Farm Incomes up 37 Per Cent for First 8 Months of 1951

AUSTIN. — Cash income for Texas farmers and ranchers in the first eight months of 1951 was 37 per cent higher than in the same period last year, the University of Texas Bureau of Business Research reports.

Most impressive were cumulative gains in income from cattle sales — half again as large as in 1950 — and income from cotton, cottonseed and wool production — all up more than 50 per cent from the preceding year.

Other commodities which yielded greater revenue during the first two-thirds of 1951 included mohair (up 41 per cent), hogs (up 36 per cent), sheep and lambs (up 12 per cent), poultry (up 44 per cent), eggs (up 45 per cent), and milk and milk products (up 10 per cent).

Except for cotton, cottonseed and grain sorghum, all commodities that registered year-to-year gains were animals or animal products. In general, vegetables, fruit and field crops fared worse this year than last.

Grain sorghum brought raisers twice as much income in 1951 as in 1950.

Largest and finest collection of early American Glass and China in West Texas. Hundreds of lamps of all kinds. SALLY'S ANTIQUES, 2605 North Chadbourne, San Angelo. 27-4c

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine,

### N. Elementary Notes

Captain-QB Johnny Jones and HB Bob Meinecke powered the "Mustangs" to a smashing 20-0 victory over Bill Meinecke's "Jets" in Peanut Football last week. It was the second victory against no defeats for the powerful "Mustangs."

Starting line-ups were:  
Mustangs: Bobby Childress, L. E.; Dickie Flanagan, LT; Douglas Stuart, LG; Pierce Miller, C; Bob Cooke, RG; Pleas Childress, RT; Pat Jones, RE; Joe McMullan, HB; Johnny Jones, QB; Bob Meinecke, HB; Von Clendenen, FB; Subs, Robert Boyd, Mark Baggett, Richard Scoggins and Emmett Lovell.

Jets: Louie Meck, LE; Wayne Albers, LG; Joe Perks, LT; Jimmy Freeman, C; Gary Thomas, R G; Tommy Fields, RT; Bill Gibson, RE; Bill Meinecke, QB; Muggins Good, HB; Joe Friend, HB; Richard Terrell, FB; Subs, Tommy Stokes, George Blackstone, Leslie Deland and David Piped.

In observation of Fire Prevention Week, the boys and girls of each room discussed such subjects as school building exits, fire drills, individual protection, Halloween safety, candles on birthday cakes, etc. Two obstructed fire drills were conducted. The building was cleared in one minute and forty seconds, using only the front entrance. Each room made posters and prizes were given for the three best ones in each grade.

Winners in the contest were: Fourth grade: 1st, Jamie Allen; 2nd, June Bungler and Johnny Jones; Third grade will be judged Friday; Second grade: 1st, Patsy Maple; 2nd, Helen Henderson and Beverly Knox; First grade: 1st, Kula Maples; 2nd, Mary Parker and Cheryl Clayton. Judges of the contest were: First grade, Mrs. Yabb and Miss Jamar; Second grade, Mr. Hicks and Mrs. Smith; Third grade, Miss Legg and Mrs. Joiner; Fourth grade, Mrs. Cartwright, Mrs. Pelto and Mrs. Odom.

Briefs: Mrs. Bud Russell and Mrs. Rusty Smith have been teaching for Miss Marie Williams who has been ill. Tommy Fields was named president of Mr. Hicks' third grade. The jungle gym, recently purchased by the P.T.A. is now being used by some 200 pupils and teachers daily.

### FHA Names Officers, Outlines Purposes

Monday evening at 6:40 p.m., all high school girls interested in the F.H.A. met in the H. S. room to organize. The meeting started off with the election of officers.

The nominating committee headed by Reta Ballinger, submitted the following names for the members to vote on: Leona Cunningham for president, Felista Rodriguez for vice president, Jan Hallford for secretary, Allena Powers for treasurer, Billie Chandler for parliamentarian, Jo Ann Allen for reporter, Juanita Lopez for historian, and Sophie Reina for song leader and Mrs. Janie B. Hall for sponsor.

All of the above people were elected by acclamation by the members.

At 7:00 o'clock after the business meeting, the girls dates met them at school for a social hour. Refreshments were served and the boys and girls listened to old records from the museum.

This year the leading purposes of the club are: Purpose 1, to promote a growing appreciation of the joys and satisfactions of homemaking. Our goal: Accepting and enjoying responsibilities in our home.

Purpose 2: To emphasize the importance of worthy home membership. Our Goal: Getting along with the family.

Purpose 3: To encourage democracy in the home and community life. Our Goal: Learning new ways of practicing democracy.

### IT'S THE SPIRIT THAT COUNTS

By Doris West

Do you realize what school spirit is and what it means? School spirit is even more than yelling at ball games. It is the spirit that goes throughout the whole school year. If we had the right spirit about school we would have a better school and enjoy it more.

If we should enter our work, plays and games, and all other school activities with the right spirit, we would end up with a winning school — a school that we could be proud of.

To have school spirit we must work together as a team. If our faculty and student worked together as a team with the right school spirit, our school would never let us down.

Do you have the right school spirit? Let's face it! If you don't, then get it.

### Song Dedications

Anonymous to Coach — Mule Train.

Bob to Sandra — Maybe Some Day.

Tito to Jose — Old Soldiers Never Die.

Boys to Coach Wilkins — Sick, Sober and Sorry.

Allen to Pat — You Better Change Your Way.

Wayne to all high school girls — I Want to Be with You Always.

OHS to Menard High — There's Been a Change in Me.

Robbie to Charlie — Charlie My Boy.

Bobo to Paul Love There.

### Winter Fashions for OHS Students Modeled At Fashion Show

The Woman's Forum Fashion Show Tuesday night showed many fashions that students at OHS will be wearing soon.

Ann Ratliff modeled a gray date dress that would be perfect for a date to the show or, with different accessories, it could be worn for informal dancing. Jeannene Thompson modeled a dress with a very "toroedorish" flavor — tassels on the blouse and loops on the side of the skirt. Martha Bailey, Carol Blackstone and Lewis Robison modeled clothes that could be worn for football games, school or shopping. (Possibly Lewis wouldn't want to wear the checked vest to school.)

Through the picture frame came the beautiful clothes for evening. Graham Childress and Charlie Garlitz in tuxedos, Charles with a plaid cummerbund and tie, helped the models down. The perfect dress for a big OHS dance was modeled by Jane Adams. It was ankle length, white net with a red velvet apron with the new halter neckline.

### JUNIOR HIGH TO PLAY

The Junior High football team will play here Thursday night at 7:30 against Eldorado. Admission will be 50¢ for adults and a quarter for students. Come out and back the futurg team for OHS.

HAVE SEVERAL Homes in Ozona for sale. \$4,000 and up. See J. T. Keeton.

### Fads and Fashions

By Jane Adams

A fad that is about to become a fashion is the big corduroy shirts worn by OHS girls. A good idea for classes, we think. They're comfortable, good looking, and warm. We especially noticed one worn by Jeannene Thompson. She designed it with a kind of sleeve we've never seen before and put knitted bands on the collar and cuffs. Wanda Carden belted her red one with a narrow silver concha belt.

And have you noticed how different the old familiar old loafer looks this year? Maybe it's made from two textures or colors of leather or it has a button or a bow or a buckle on the back.

As for accessories, there are lots of belts with trestles on them, crests worn with sweaters, fob bracelets and scarves tied lots and lots of different ways.

### SUPERSTITIONS TAKE THE LEAD

Are you superstitious? If you are, read this. Mrs. Cody's Junior Business class took a survey last week on superstitions. The students of both classes interviewed 82 people and found that most people are superstitious.

"Wishing on the chicken wish bone" ranked as the first superstition with 77 per cent of the people interviewed by each class. Second was "knock on wood and keep bad luck away" with an average of 63 per cent of the people interviewed by each class. Third was "a four leaf clover brings good luck" with 54 and 53 percent respectively. Fourth was "a horse shoe will bring good luck" with 45 and 49 per cent. Rated last was "a potato in the pocket prevents rheumatism in the legs" with a two per cent from both classes.

### What If?

Bob got a date with Sandra?

Jeannene won national? The Journalism class only? (Continued on Page Five)

## A Studebaker truck is a gas mileage star!

Its streamlined design makes it a marvel of a low-cost performer!

Cut your hauling costs with this truck that's got a nation-wide reputation for remarkable mileage per gallon.

Save gas—and save on repair costs—the way hundreds of thousands of Studebaker truck owners are doing.

Stop in and take a close-up look at a Studebaker truck's far-advanced designing and wear-resisting structure.

See why every Studebaker truck is a stand-out money saver mile after mile.

## Now—the prestige of a Packard is only "Pennies-per-Day" away!

Packard is holding the line on prices!

RESULT: The price difference between a lesser car, and a new 1951 Packard—on a time payment basis—has now been whittled down to mere pennies-per-day!

And what a whale of a difference those pennies can make in the long-lasting pleasure and prestige your money buys!

Just measure the difference in terms of incredibly smooth performance—from thrifty,

and service-free Packard Thunderbolt Engines, America's highest-compression engines. In terms of restful, roadworthy safety—from the famed Packard Limousine Ride. In terms of everything you prize most in a motor car!

Definitely, the more you measure the difference, the more you'll realize that your thriftest long-range buy is the finest-built car of them all—the new 1951 Packard. Come see it—drive it!

### Easy way to figure yourself into a new 1951 Packard:

Just check the slight extra cash difference in 18 monthly payments (after 1/3 down payment) between one of the lighter-built cars and a new 1951 Packard!

IF YOU'VE BEEN PLANNING TO PAY	YOU CAN OWN A NEW PACKARD FOR AN EXTRA	DAILY DIFFERENCE
\$2100	\$11 per month	37¢
2200	7 per month	23¢
2300	3 per month	10¢
2400	0 per month	0¢

NOTE: Figures are based on Dealer delivered price. State and local taxes, and optional equipment, extra.

It's more than a car—it's a **PACKARD**

**Prevention  
Is Observed**

Wayne Kuykendall  
week was fire prevention  
and it was acknowledged by  
e entire public schools.  
ost English classes posters  
rawn with little themes  
on them. Approximately  
sters were drawn in the  
hool department.  
ng a fire drill in which the  
Fire Department took part,  
55 seconds to clear the

building. At Junior High it took  
about 60 seconds, which is ex-  
tremely quick time.

Cash awards are going to be  
made for the best poster in the  
7th and 8th grades. In High School  
awards will also be given to the  
boy or girl having the best pos-  
ter.

During only one week of the  
year do people turn their thoughts  
to fire prevention. Let's try to  
keep our thoughts on preventing  
fires 52 weeks of the year.

**Asia Is Study at  
Woman's Forum Meet**

The Woman's Forum met Thurs-  
day, October 11th, at the home  
of Mrs. Clifton Tension, with  
Mrs. T. J. Bailey and Mrs. Ten-  
nison as hostesses. The meeting  
was called to order by the presi-  
dent, Mrs. N. D. Blackstone, and a  
short business meeting followed.  
The program was "Symposium on  
Asia" presented by Mrs. Joe Clay-  
ton as the leader. Others on the  
program were Mrs. C. O. Walker,  
Mrs. Jess Odom, Mrs. Marshall  
Montgomery and Mrs. Joe Will-  
iams.

Following the program refresh-  
ments were served to Mmes. N. D.  
Blackstone, Eddie Bower, James  
Childress, Pleas Childress, W. A.  
Childress, Joe Clayton, H. A. Gus-  
tavus, John Coates, Tommie Har-  
ris, Martin Harvick, Austin Mills-  
paugh, Beecher Montgomery, W.  
T. Stokes, Marshall Montgomery,  
Jess Odom, C. O. Walkerr, Joe  
Williams, Charles Williams, Jr.,  
T. J. Bailey and Clifton Tension.

**Student and Parent  
Groups to Engage in  
Safe Driving Contest**

At the safety meeting Tuesday  
afternoon in the high school au-  
ditorium students offered to chal-  
lenge the parents in a contest of  
safe driving. There will be 25  
students to compete with 25 a-  
dults. Later on a prize will be  
awarded by the Lions Club.

The meeting was held to get  
the people to think about the safe-  
ty of others as well as themselves.  
Patrolman Shaw and Rev. J. Troy  
Hickman brought out some point-  
ers for safe driving. Both stressed  
that the safety program has been

engineered to put a stop to driv-  
ing recklessly. No patrolman  
wants to fine a student for reck-  
less driving. He wants to help him  
realize that driving safely means  
a longer life.

**SPORTS  
Once Over Lightly**  
By Wayne Kuykendall

He went that-a-way —  
The Pecos Eagles tore through  
the Ozona line and romped around  
the ends to unravel a 26-0 victory  
Friday night. It was the Lion's  
fourth loss.

It was Son Langham who ran  
wild in the scoring department.  
It was he who carried the ball for  
70 yards to hang up the first tally.  
Again he scooped 41 yards in the  
first half to make the score 14-0.

Although the Eagles made 14  
points in the first half, Ozona had  
possession of the ball the greater  
part of the period. The Lions came  
within one yard of the picnic  
ground only to receive a 15 yard  
penalty which discouraged their  
ambition to score.

This week the Lions go to Men-  
ard for the first conference game  
of the season. This is an all im-  
portant game, so let's all stay behind  
our boys.

DO YOUR PART TO GUARD AGAINST FIRE LOSS!

# Ozona Volunteer Fire Dept. Fire Prevention Clean-Up Campaign

NOW UNDER WAY THROUGHOUT OZONA

Ozona Volunteer Fire Department is sponsoring a city-wide Fire Prevention Clean-Up Campaign whose objective is to minimize the risk of fire loss in the community, a loss which is shared by everyone in the community through increased insurance costs.

The undersigned business firms in Ozona are glad to contribute this space in the interest of the success of this campaign because we feel that it is of vital concern to every property owner and individual in the community.

Through the splendid work of this organization of public spirited men, Ozona is now enjoying the lowest fire insurance rates in its history and at the same time is being provided with the best fire protection available to any community through an efficiently trained personnel and the best equipment to be had.

The Ozona Volunteer Fire Department is asking the cooperation of every business owner and householder in the community in making a thorough Fire Prevention Clean-Up - to eliminate every apparent fire hazard and to keep constantly alert in the future to guard against the outbreak of fire. Such a clean-up will be of benefit to everybody.

Ozona now enjoys a 25 per cent good fire record credit on its insurance key rate. One costly fire could result in the withdrawal of this credit and the imposition of a penalty addition to fire insurance rates. This good fire record credit, plus other rate reductions brought about through the purchase of efficient fire

fighting equipment, the organization of the Volunteer Fire Department, provision of water storage and other safeguards against fires, has resulted in an annual saving of approximately \$18,000 to property owners in Ozona in fire insurance premiums.

To say nothing of the tragedy of fire destruction, with its attendant danger to life and loss of property and personal treasures, this annual insurance saving is incentive enough for the people of Ozona to go all-out in the current Fire Department sponsored clean-up. You owe it to yourself and to your neighbors to protect your property against fire in every possible way.

Trained members of the Volunteer Fire Department are currently engaged in making inspections of premises throughout the community. These inspectors, trained in recognizing hazards which might escape the attention of the average property owner, will recommend changes and corrections to eliminate such hazards and they deserve the cooperation of everybody in making immediate corrections in all such cases.

The forces of law can be brought to bear to force action on the part of those who refuse to eliminate apparent fire hazards, but the sponsors of this page feel that the public spirited men who compose the Volunteer Fire Department deserve the voluntary cooperation of every firm and individual in this campaign and for that reason have donated this space for making this appeal to the citizens of Ozona.

This page donated by the following firms and individuals on behalf of the Ozona Volunteer Fire Department -

### W. M. S. Missionary Wednesday

Woman's Mission met Wednesday morning for a missionary program.

A. Gustavus, president, meeting to order with a Mrs. Harry Hawkins. Mrs. Williams, program presented the program, preparation for the Pur-

erican fiesta was for the Girls' Auxiliary Monday evening, Oct. 17 at 7 o'clock in the new hall of the First Baptist. A Mexican supper served to complete the evening.

The lesson will be taught by Henry Witcher at the W.M.S. meeting. Mrs. Harry Hawkins served refreshments to the following: Mrs. Ben Williams, Mrs. A. Gustavus, Mrs. O. C. Henry Witcher, Mrs. Mrs. S. L. Butler, Mrs. T. T. Tension and Mrs. M. M. M. M.

### Methodists Close Evangelistic Mission With 12 Additions

The Evangelistic Mission closed successfully at the Ozona Methodist Church Sunday morning, October 14, when twelve members were added to the roll. Several more are yet to come. These came following visits in homes made by teams of member-workers. There was preaching each night by the Rev. Lenol Hester, the pastor of Central Methodist Church in Dalhart.

Six local Methodist attended the Mass Meeting of Methodists of the area which was held in Guinn Field Stadium at San Angelo. It was announced there that a partial report of the results of the United Evangelistic Campaign held simultaneously in the Southwest Texas and Texas Conferences netted a gain of 4,000 new members by profession of faith and 5,000 by transfer of letters.

NOW IS THE TIME to order your Christmas cards. Let me show you my samples. See or call Mrs. Ezra Trotter. Phone 332 W. 28-2c

LEAD LION ATTACK

Quarterback Tom Piner, top and Billy West, fullback, were the most consistent ground gainers in the fine game turned in by the Ozona High School Lions against the heavier, more experienced Class AA Pecos High School Eagles on Lions Field here last Friday night. The Lions turned in their best performance of the current season against the Eagles, racking up 15 first downs to 13 for Pecos. It was a case of a good offense being the best defense. Pecos had possession of the ball only 7 times in the game, scoring four touchdowns, thanks to the feats of Langham, who scored three, and King with one.

Mrs. H. B. Tandy is visiting her son and daughter-in-law, Mr. and Mrs. Bland Tandy, in Big Spring this week.

Adding Machines at the Stockman.

### Three Southwest Conference Battles On Week-End Slate

Humble Oil Company football broadcasts Saturday will include three grid battles between Southwest Conference contenders plus one intersectional game.

In Conference play, T.C.U. takes a perfect 1951 Conference record into a game with undefeated Texas A & M, while the University of Texas Longhorns open their Conference season with the burly Razorbacks of Arkansas. Rice and S.M.U. square off in the initial

league game for both of them. The Baylor Bears seek their third non-Conference win against the ambitious Texas Tech Red Raiders.

Kern Tips and Alec Chesser will broadcast the T.C.U.-A&M match from T.C.U. Stadium in Ft. Worth at 1:50 p.m. over stations WFAA-WBAP-820, Dallas-Ft. Worth; WOAI, San Antonio; KPRC, Houston.

The Arkansas vs. University of Texas contest, played at Razorback Stadium in Fayetteville, Arkansas, will be described for Humble listeners at 1:50 p.m. by Ves Box and Dave Russell over stations KRLD, Dallas; KTRH, Houston; KABC, San Antonio; KRBC,

Abilene, KCRS, Midland.

One-fifty o'clock is also the starting time for the broadcast of the Baylor-Texas Tech game, rendered by Bill Michaels and Bob Walker from Baylor Stadium in Waco over stations WRR, Dallas; KPJZ, Ft. Worth; KWFT, Wichita Falls; KGKL, San Angelo; KBST, Big Spring; and KTSA, San Antonio.

When S.M.U. meets Rice in the Cotton Bowl in Dallas, Charlie Jordan and John Ferguson will be on hand to describe the action at 8:00 p.m. over stations WFAA-WBAP-820, Dallas-Ft. Worth; KPRC, Houston; WOAI, San Antonio; and KRIS, Corpus Christi.

## IS YOUR CAR Ready for Winter?

Your car, too, needs a "fur coat" so to speak, for the cold winter months ahead. Old oils and greases tend to thicken in cold weather and your car can not perform at highest efficiency. It's time to drain your crankcase, flush out the cooling system, check it for leaks - anti-freeze, you know - put fresh grease in chassis, transmission and differential, clean motors, check spark plugs, wiring and batteries, and otherwise give the old bus a general winterizing treatment.

For the best in oils, greases, you needn't look farther than your Cosden station. Drive in today.

LET'S SUPPORT THAT FOOTBALL TEAM Every Friday and All Week

## Ever stop to think Your First Car can be a Buick!

THIS being a land where it is every man's right to dream of getting ahead—and the pursuit of happiness is guaranteed by the Constitution—it happens that a great many people aspire to own a Buick. But too often they start with a lesser car first—from a feeling that Buicks are something you have to build up to gradually, as your take-home pay improves. So—if you have any such notion—we'd like to set you straight, right here and now. You don't have to hope and dream and wait. If you can afford a new car—the first car you buy can be the Buick SPECIAL pictured here. Its price tag says so. Its low cost of operation says so too.

We know that it looks like a lot of money. That's what makes it such a buy. We know that it has a long list of features found in costlier cars, and that it rides and handles like cars that sell for a great deal more. But that simply means that—at its price—you're getting a very big money's worth. All of which adds up to one conclusion: the smart thing to do is come in and give this neat and nimble new SPECIAL a thorough going-over. Try out its power—the power of its high-compression, valve-in-head Fireball Engine. Try out its ride and handling—and you'll discover it has the "big-car

feel" that you'd expect from a Buick. Try it out for size—for room—for comfort—for all the things that you've dreamed someday of having in a car—and you'll thank your stars that you found out the facts of life in time.

NO OTHER CAR PROVIDES ALL THIS:  
DYNAFLOW DRIVE\* • FIREBALL ENGINE  
4-WHEEL COIL SPRINGING • DUAL VENTILATION  
PUSH BAR FRONTEND • TORQUE-TUBE DRIVE  
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING  
BODY BY FISHER  
WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Made in pleasant-tasting Syrup Package

**Here and There**  
By J. Troy Hickman  
(Continued From Page One)

Since the natives there cannot or will not develop what they have they exist at a misery level and misery is the first step to hate, and hate leads to war. Foreign powers come in by treaty to develop these resources. The natives come to resent it. Eventually they try to cancel the treaty and grab the wealth for themselves. War may be the outcome.

An example of this is the picture in Iran today. What happens in Iran concerns the United States as well as Britain. For if Britain, a member of the family of free nations, is driven out of Iran, Russia will likely come in and take over. Thus another valuable resource will be in the hands of our enemies.

We cannot continue to fight wars and then go our way. What we do in the intervals between wars (sometimes called "peacetime") is what determines whether there will be other wars.

We are going to have to help native peoples to lift themselves above the misery level so they will no longer resent us and what we have. We shall have to send them engineers and technicians to help drain their swamps, stamp out their epidemic diseases, overcome their food scarcities, develop their forest, mineral and water resources, teach them to read and to think as well as teach them how to farm and ranch their land productively. Someone says, "That costs money." Yes. But not as much as the \$94 billions we are spending this year on preparation to fight a war, to say nothing of the lives of young men.

Good will and world order are expensive commodities. But not nearly as costly as wars. When we realize this and begin to do something about it, the picture will improve. Meanwhile, the citizen who scoffs at the United Nations Organization simply, does not know which side of his bread the butter is on.

**Miss Marilyn Hubbard Is Honored at Parties**

Miss Marilyn Hubbard, bride-elect of Frank Charles Ashby, Jr., of Midland was honored Saturday with a gift tea held in the home of Mrs. Joe Oberkamp. Mmes Joe Chapman, Lowell Littleton, Jack Holt, Sidney Millsbaugh, Evert White, H. B. Tandy and Armond Hoover, Jr., were hostesses.

Fall flowers and berries were used in the decorations. Pyracantha berries and daisies in large brass urns decorated the foyer. Decorations in the living room were bronze chrysanthemums, daisies, marigolds, gladiolas and dahlias. Queens wreath was used in the gift room.

Silver appointments were used on the tea table, which was laid with a cutwork cloth.

Greeting guests at the door were Mrs. Tandy and Mrs. Joe Chapman.

The receiving line in the living room included Mrs. Oberkamp, Miss Hubbard, her mother, Mrs. Cecil B. Hubbard, Mrs. Littleton and Mrs. Holt.

Assisting in the living room were Mmes. Joe Pierce, R. B. Ingham, Sr., Hillery Phillips and Max Schneemann.

In the guest room were Mmes. Ted M. White, George W. Bunker, W. C. Phillips, and Janie Hull. Inviting the guests into the dining room were Mmes. Joe T. Davidson, Sherman Taylor, and J. C. Montgomery.

Alternating at the tea and cake service were Mmes. C. O. Spencer, Carl Stevens, P. T. Robison and Troy Hickman. Others assisting were Mmes. Stephen Perner, Hugh Childress, Jr., Jack Brewer, Tom Mitchell, John Coates, and Misses Sue Meinecke, Jane Adams, Jo Lou Brewer and Janis Sue Spencer.

Mrs. Armond Hoover, Jr., and Miss Ruth Sparks presided at the bride's book. Misses Kay Kirby and Jeannene Thompson presented incidental music.

Mrs. Ted White entertained with a breakfast and kitchen shower

in her home on Saturday morning honoring Miss Hubbard.

Daises were used to carry out a color scheme of gold and green. Attending were Mmes. C. B. Hubbard, C. O. Spencer, Arthur Kyle, Tom Mitchell, Armond Hoover, Jr., Gene Yeager, Jesse Young, Jack Brewer, Chris Perner, and Misses Janis Sue Spencer, Ruth Sparks, Jo Lou Brewer, Jane Adams, Jeannene Thompson, Kay Kirby and Sue Meinecke.

**Opposition Grows to Pension Amendment**

PRINCETON, Texas. — Hundreds of letters from Texas citizens opposing the proposed Constitutional Amendment revising payment of old age assistance are being received daily by Jim Cantrell of Princeton, chairman of the campaign seeking to defeat the amendment on Nov. 13 next. Many of the letters are from men and women now recipients of old age pensions who realize that the opening of the pension rolls to foreigners and non-residents would cut down present pension payments.

"I am gratified by the response from all parts of Texas to our committee's plea that the old age pension amendment be defeated at the coming election on November 13," Chairman Cantrell says. "This is a deceptive amendment and seeks to let down the bars to all comers to receive Texas old age assistance. If it passes there will undoubtedly be a reduction in pension payments."

Joe Perry, son of Mrs. Gertrude Perry, is here this week for a visit with his mother. Joe, a 1951 graduate of A & M College, is connected with the Defense Department, Joint Research Committee.

**For PAYLOADS that PAY OFF**

Switch to **DODGE** "Job-Rated" TRUCKS

**Bigger loads!**

**Bigger Loads!** Balanced Weight Distribution enables you to haul bigger payloads on a Dodge "Job-Rated" truck. Because the engine has been moved forward and front axle back, you carry more without overloading. Right proportion of the load is carried on each axle. And shorter wheelbase means easier handling.

**Faster trips!**

**Faster Trips!** High-Compression Engine gives you plenty of power. Increased horsepower—in combination with the right transmission and rear axle ratio—means faster trips! Four-ring pistons with chrome-plated top ring and other outstanding values assure performance that saves time and dollars on your job.

**Longer life!**

**Longer Life!** Husky Chassis Units are one reason why a Dodge "Job-Rated" truck lasts and lasts. You get a rugged frame of hot-rolled, high-carbon steel. Springs are of special alloy steel—extra tough, yet resilient! Axle shafts are shot-peened for added durability. And every chassis unit is "Job-Rated" to fit your job!

**Fluid DRIVE** available on 1/2-, 3/4-, and 1-ton models. This Dodge "exclusive" gives you smoother starts... easier handling... lower upkeep costs... longer truck life. Ask for a demonstration—today!

**What a "Job-Rated" Truck Means to You**

A "Job-Rated" truck is engineered at the factory to fit a specific job... provide the best in low-cost transportation, save money, last longer. Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and others—is

engineered right to provide the strength and capacity needed. Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.

Ask any owner! He'll tell you that he hauls bigger loads at lower cost!
