## Jones, Blackstone Flowers, Caswell Named Trustees

### 231 Votes Cast In Saturday Election Of School Board

Three new trustee were added to the district school board and one present member was returned for another term by Crockett county voters who turned out for a fairly strong vote in Saturday's trustee elections.

Brock Jones, board president, was re-elected. Members added by the voters were Nip Blackstone, Richard Flowers and Royal Caswell.

In the voting for three members of the county board, voters in Precinct 2 re-elected Jeff Owens and in Precinct 3, Charlie Black. No election was held in Precinct 4, hence the board will have to appoint a representative from that precinct now represented by Peery Holmsley.

In the district trustee election, 210 votes were cast in the Ozona box, 9, at the Powell Field box, 7 at the Owens Ranch box and 5 at the Todd Field box.

Totals for the six candidates whose names appeared on the ballot for the four places to be filled were as follows: T. A. Kincaid, Jr., 48; Royal Caswell, 146; Brock Jones, 179; Nip Blackstone, 201; Vernon Ratliff, 130 and Richard Flowers, 169.

The vote by boxes was: Ozona — Kincaid, 43; Caswell, 133; Jones, 165; Blackstone, 184; Ratliff, 111; Flowers, 153.

Powell Field — Kincaid, 2; Caswell, 8; Jones, 7; Blackstone, 8; Ratliff, 7; Flowers, 4.

Todd Field — Kincaid, 1; Caswell, 5; Jones, 2; Blackstone, 2; Ratliff, 5; Flowers, 5.

Owens box — Kincaid, 2; Caswell, 0; Jones, 5; Blackstone, 7; Ratliff, 7; Flowers, 7.

## 17 4-H Club Boys Seek Places On '52 Judging Teams

### County Agent Jacoby Directs Training for Contests

4-H Club boys will begin working out for the 1952 Wool and Mohair Judging Team today, under the direction of Pete W. Jacoby, County Agent. Some seventeen boys showed an interest in working out for judging teams when a meeting of 4-H Club members was held at the high school Tuesday afternoon.

Members will train for wool and mohair, livestock and grass judging teams. District 6 eliminations will be held in Lubbock on May 10 for teams entered in livestock and grass judging. The winning team of each in the district will be eligible to compete in the State 4-H Club Contests to be held in June at A&M College.

The State 4-H Club Wool and Mohair Judging Contest will be held at San Angelo this year June 17. Any 4-H Club will be eligible to enter a team in the contest.

The Sonora Wool and Mohair Show will be held on June 25-26 this year and in the judging contests, each 4-H club or PFA chapter may enter one team. Teams competing in this contest must judge wool, mohair, grasses, livestock and range plots.

The local teams will practice wool and mohair judging at the local wool warehouse as well as enter practice contests in other counties in this vicinity in wool and mohair, grass and livestock.

4-H Club members present at the meeting Tuesday and indicating an interest to compete for the judging teams were: Carl Conklin, Charlie Black, George Bunker, Erbie Chandler, Graham Childress, Benny Friend, Charles Garlitz, Gail Garlitz, Jerry Gilliam, Sonny Henderson, Scott Hickman, Jody Jones, Tom Kincaid, Jimmy McMullan, Ronnie McMullan, Ray Robison and Bill Schneemann.

## Dr. A. E. Wiedeman To Practice Medicine In Ozona After May 1

Dr. A. E. Wiedeman, formerly of Temple, Texas, will open an office for the general practice of medicine in Ozona May 1, he announced here this week. Dr. and Mrs. Wiedeman have rented the Madden Read home here and completed moving their household effects last week.

Office quarters will be opened in the hospital building on the west side of the second floor, in offices formerly occupied by Dr. H. A. Gustavus. Dr. Gustavus has moved to offices on the ground floor.

Dr. Wiedeman practiced medicine in Temple thirteen years, being associated there with the Temple Medical Clinic. He is a graduate of the University of Texas School of Medicine at Galveston and interned at King's Daughters Hospital in Temple. After his internship, Dr. Wiedeman served a year of residency at the University of Minnesota in Minneapolis.

Dr. Wiedeman will attend a post graduate school in Galveston to retain his affiliation with the American Academy of General Practitioners, returning to Ozona about May 1 to begin practice here.

## Iraan Man Buys Ozona Jewelry Store

James S. Wallis of Iraan has purchased the Smith Jewelry store in the Ranch Theatre building here from Raymond Smith.

Mr. Wallis has been watch repairman for the H. C. Smith Jeweler in Iraan for the past year. He is a graduate of the Paris Junior College school of watch making and has had a number of years of experience in watch and jewelry repairing.

Mr. Smith will continue to live in Ozona. He is operating a string of juke boxes and vending machines here.

## Easter Egg Hunt Sunday Afternoon On Tandy Hill

### Rotary Club Sponsors Event For Children; Many Prize Eggs

Crockett county children from 2 to ten years of age are invited to take part in a giant Easter egg hunt next Sunday afternoon on Tandy Hill.

The event is being sponsored by the Ozona Rotary Club in cooperation with Ozona merchants and individuals who donated to a fund to provide prize eggs for the hunters.

The hunt will begin at 2 o'clock and parents are urged not to bring their children to the site before 1:45 o'clock.

The hunt area will be roped off into three sections, according to age groups, in order to provide a more equitable distribution of Easter eggs among the children. Ages two to four will be included in one group, five through seven years in another and eight through ten in the third group.

More than fifty prize eggs will be scattered through the hunt area. Finders of these eggs will draw a silver dollar from the club representative in charge of keeping the books for the day. Payment of the prize will be made on the spot on presentation of specially marked eggs. The Rotary club invites all children in the age group to be on hand for the egg hunt.

## Plans Perfected For Third Annual Ozona Horse Show

### Committee Named For Two-Day Event On May 30-31

Officers and committee members were appointed to carry out plans for the third annual Ozona Quarter Horse Show and Cutting and Reining Contests to be sponsored by the Crockett County Sheriff's Posse and set for May 31, with a matched roping contest and jackpot roping program on May 30 preceding the opening of the horse show.

Charlie Black is general chairman of the show, with Pete Jacoby, county agent, secretary.

The horse show committee is composed of Bud Cox, P. C. Pernery, Sonny Bailey and Ottist Pridemore. On the roping committee to plan and execute the two-day program are Kay Black, Tom Powers and Charlie Boy Davidson. On the cutting horse and reining contests committee are Charles E. Davidson, Jr., and Vic Montgomery.

The two-day events will be opened with a giant parade at 4 o'clock Friday afternoon, May 30. Friday night will be the first of the roping exhibitions, with John D. Holleyman and Buddy Groff teeing off in the first half of their 12-calf matched roping, a feature of the show program. There will also be jackpot ropings and perhaps other matches.

Halter classes will be shown starting at 1:30 Saturday afternoon winding up with cutting and reining horse contests set for the closing night Saturday night. Also, the Saturday night program will include the windup of the Holleyman-Groff roping.

The Sophomore class of Ozona high school will handle concessions both days, offering cold drinks, sandwiches, candy, etc.

## New High In Motor Vehicle Licenses Reached In County

### 1,616 Vehicles of All Classes Registered For 1952

Crockett county reached a new high in motor vehicle registrations for 1952, a report from Mrs. Gertrude Perry, office deputy for Sheriff V. O. Earnest, indicated this week.

A total of 1,616 license receipts for all classes of vehicles was issued by the office. This number is only two more than a year ago but total money collections jumped \$1,566.99 over last year. This increase in receipts is accounted for by the fact that more trucks were registered this year than last.

Total receipts from motor vehicle registrations reached \$31,243.74 for this year. There were 984 passenger cars, 388 commercial trucks and truck tractors of all types, 263 farm trucks, 58 trailers, and an uncounted number of house trailers, dealer tags, motorcycles, etc.

## Ozonans' Grandchild Dies of Leukemia In Long Beach, Calif.

Glenda Beth Taylor, 2-year-old granddaughter of Mr. and Mrs. George Gillitt of Ozona, died at her home in Long Beach, Calif., Sunday after many months of illness.

The child was suffering from leukemia and Mrs. Gillitt and her daughter-in-law, Mrs. Jack Gillitt, left last week for California on learning of the child's critical condition.

Mrs. E. C. Cunningham is under treatment this week in a San Angelo hospital.

## Four Motor Vehicle Inspection Stations Approved For Ozona

"Get your vehicle inspected and avoid the delay and inconvenience of having to wait in line," said Chief G. W. Busby, Motor Vehicle Inspection Division, Department of Public Safety, Austin, Texas. The Department this week announced approval of four inspection stations in Ozona, as follows: North Motor Co., Spencer & Stevens, James Motor Co., and Troy Williams Motor Co.

The 2700 official inspection stations licensed in Texas so far are inspecting some 50,000 cars per week and in order to inspect all the cars in this state by the deadline, September 6th, the number of cars inspected per week will have to be doubled.

There can be no further extension of the deadline and operators of vehicles not inspected on September 7th will be subject to arrest. The law provides a fine of not to exceed \$200.00 for any person guilty of operating a vehicle after September 7th when such vehicle has not been inspected and approved.

## House Of Davids To Open Baseball Season Here Friday

### Stuart's Rebels Meet Whiskered Gents At 4 p. m. Friday

The crack House of David baseball team will open the 1952 baseball season in Ozona Friday afternoon of this week when they engage the Ozona Rebels of Byron Stuart starting at 4 o'clock on Powell Field diamond.

The home club, being whipped into shape for the opener against the Davids has been going through almost daily workouts at the field, and the diamond itself has been put in shape in preparation for the opener.

Manager Stuart has assembled a team of promising players and the team hopes to be able to play a fairly full summer schedule of independent ball, with as many games as possible on the home diamond.

Included in the squad to date are Tom Powers and Whisnett for the catching chores, Aaron Bledsoe and Pete Perner for first base, J. Howerton and McLeod for second base, Sessoms at short, Burtchell at third, B. Howerton, Bob Weaver, Vic Montgomery, Elmore and Holden for the outfield, and Frank James, Stuart and Sessom for the chunking chores. W. E. Ramsey and Beecher Montgomery are also available for infield duty and Bob Levo and Tommy Newton are working out for the outer garden chores. Whisnett, J. Howerton and Elmore are all with Continental at Todd Field.

The House of Davids boast a pitching staff of six. Manager George Anderson, a veteran of 24 years with the Davids, original "pepper game" artist still performs with selected teammates this intricate bit of clowning and ball manipulating in the fifth inning. If you have never seen it performed, it will be worth your while to go to the ball game for that part of the show alone.

## Sherman Taylor Buys Silver Spur Motel

Another shift in ownership of Ozona business took place last week when Sherman Taylor purchased the Silver Spur Ranch Motel from Jack Holt.

The new owner will get possession of the property May 1. Mr. and Mrs. Taylor will move into owner's quarters at the Motel and will be actively in charge of its operation.

The Motel, built about four years ago, now has 20 units and the Taylors plan in time to add five more units to close the quadrangle on the west side.

Mr. and Mrs. Holt recently sold the Hotel Ozona to J. Paul Blakeley of San Antonio. This property will also change hands May 1.

## Three Candidates Plunge Into Race For Sheriff Post

### Earnest, Finley, James Kick Off Political Races For 1952

Three candidates cast their hats into the political ring in Crockett county this week to open the 1952 campaign in this county.

All three candidates are seeking the office of Sheriff, Assessor and Collector of Taxes for the coming two years.

Sheriff V. O. Earnest, who is serving his second term in the office, announced that he would be a candidate for re-election in the coming elections of the summer. Sheriff Earnest was appointed to the office in 1947 and has been re-elected for two additional terms, two years ago without opposition. He offers his candidacy on the basis of his record in office and points to a smooth running organization now functioning both in the law enforcement and office divisions of his department.

Bill Finley, employed by a group of ranchmen as special livestock Ranger in the west part of the county, announced himself as a candidate for the sheriff's post this week. Mr. Finley has been a resident of the county two years, during which time he has been employed in ranch patrolling. He says he has had 25 years of experience in law enforcement work and he promises a diligent administration of the duties of the office if elected.

Frank James, Ozona automobile dealer and former Crockett county sheriff, is the third candidate entering the race for the sheriff's office. Mr. James served as sheriff from 1942 to 1946 and in announcing for another term in the office, points to his past experience in the office as qualifying him for another chance at the job.

Each of the three candidates have prepared statements to the public in connection with their announcements for office and these appear elsewhere in this issue of The Stockman and the reader's attention is called to these fuller statements of the candidates.

## Shallow Test On University Set North Of Ozona

### Conoco Elkhorn Well Flows 62 Barrels In 90 Minutes

Southern Production Co. has staked a Crockett wildcat 19 miles north of Ozona, its No. 1 University.

Location is 330 feet from north and west lines of section 28-41-U, on and elevation of 2,625 feet. Drilling is projected to 2,000 feet with cable tools, to start April 21. It is three miles north of Terrell Petroleum No. 1 University, dry hole abandoned last October at 1,748 feet. It is also 5 1/4 miles south of a group of wildcats staked by Gulf Stream. The firm's No. 1 University was abandoned in March at 1,603 feet, and its No. 2 University was abandoned at 1,879 feet.

Conoco No. 12-A Shannon, south offset to the discovery well in the Elkhorn (Ellenburger field) flowed 62 barrels of oil in 90 minutes on a two-hour drillstem test from 7,248 to 7,400 feet. Gas surfaced in five minutes and mud in 28 minutes.

Located 667 feet from south and 2,069 feet from east lines of section 22-UV-GC&SF, the project cored from 7,400-28 feet, and was pulling core.

Conoco No. 13-A Shannon, Elkhorn (Ellenburger) test, was waiting on 5 1/2-inch casing to set at 7,342 feet after bottoming at 7,343 feet in lime and shale.

Pure No. 1 Cox, wildcat 18 miles southeast of Sheffield, was trying to straighten hole after discovering it was 10 degrees off vertical. It had reached 7,055 feet in lime.

#### Bill Finley Announces Candidacy for Sheriff, Assessor & Collector

The following prepared statement was presented by Bill Finley in announcing his candidacy for Sheriff, Assessor and Collector of Taxes in Crockett county, subject to action of the Democratic primary in July:

"As many of my friends have asked that I announce my candidacy for the office of Sheriff, Tax Collector - Assessor of this county, I am taking this method of asking for your support for this office. I have lived in this county for the past two years working for ranchers as a Special Livestock Ranger and as a Deputy Sheriff under the present sheriff. I am 53 years of age and have over 25 years law enforcement experience and feel capable that I can fulfill the duties of this office in a way that all persons living here would be proud to know me as their sheriff and also would have the benefit of all my past experience. Do not let anyone inform you that I would mistreat any person or that I would permit anyone to mistreat you. I have many years experience concerning juvenile delinquency and know how to handle boys and girls and would treat them as I would have you treat one of my children. I have reared 5 children of my own and have put them through school and know most of the problems that arise with them.

"I am entering this race with malice toward no one and win or lose I will not hold any ill-will toward anyone. At this time I do not know who will be in the race for

this office but know that no one will need or appreciate the position any more than I. I know that my opponent or opponents are high type men but feel that I can handle the job as well as any of them. I am not running this race on anyone's demerits but on my own merits. I will give this job full time if I am elected and what time I am not needed in the office or in town will be spent patrolling the county and ranch roads.

"I would like to have the opportunity to talk with every voting citizen of this county and tell them of my qualifications and will do my best to talk with as many as possible during this race. If for some reason I do not personally get to contact you it does not mean that I do not want your vote and would still appreciate your consideration when going to the polls. If I am elected to this office I will appreciate the job; if I lose, power to that man that wins and I will support him in any manner that he may need me." — Bill Finley (Pol. Adv.)

### to Be April 14

Five years ago, Bill Hughes, Bill Palmer and Len Manno put into practice their views on music — a firm belief that classical music could be played properly on the accordion and contra bass. Mr. Manno, the contra bassist, was a member of the Kansas City Philharmonic and the Houston Symphony Orchestras. Mr. Palmer and Mr. Hughes, the accordionists, have long been serious students of music.

It was the conviction of the three musicians that through the medium of the instruments on which they were specialists, great music could be made even more enjoyable than when heard on the conventional instruments to which the public was so accustomed. A few practice sessions soon proved they were right. A concert was arranged, and the response was so overwhelming that from then on the Trio plunged ahead full force — and audiences ever since have been cheering them over the nation.

The concert will be held at the High School auditorium, and will begin promptly at 8 o'clock. Admission to this concert is by membership card only.

Prize winners in the golf tournament were as follows: Low without handicap, Mrs. Beecher Montgomery; low with handicap, Mrs. Joe Pierce; low on No. 1, a tie, Mrs. Joe Pierce and Mrs. W. E. Friend, Jr.; low on No. 7, Mrs. Taylor Deaton; high net, Mrs. Bill Friend.

Others present were Mmes Jack Williams, Charles Williams, Jr., P. C. Perner, J. K. Colquitt, Batts Friend, Joe Friend, Tommy Harris, Doug Kirby, James Baggett, Joe Tom Davidson, Victor Pierce, Jesse Marley, W. E. Ramsey and Joe Clayton.

### ATTEND CONVENTION

Mrs. Charles Williams, Jr., Mrs. Charlie Black, Mrs. Beecher Montgomery and Mrs. W. T. Stokes attended the two-day Sixth District, TFWC, convention in Cisco last week, representing the Woman's Forum of Ozona.

Mrs. Montgomery gave the annual club report of the Forum. Addresses to the convention were given by Mrs. Jack Cox, state representative from Big Spring; Mrs. Van Hook Stubbs, state president; and a book review by Mrs. L. E. Dudley of Abilene. Mrs. Hubert Baker, Sixth District president, presided over the meeting.

Mrs. Boyd Clayton of Ozona, her sister, Mrs. Massie West of San Angelo and Mrs. West's daughter, Mrs. Bit Terry of Colorado City, visited Mrs. West's other daughter, Mrs. Ed Simons, and Mr. Simons in Tyler last week.

### Wallace-Jones Vows Read In Ceremony At Ranch Home Saturday

Mrs. Mary Lee Wallace and Ralph Jones were united in marriage by single ring vows read in the Jones ranch home Saturday evening by the Rev. Alfred Cooper.

The bride is a daughter of Mrs. Josie Crossland of Gouldbusk.

Out-of-town guests for the ceremony included the bride's mother, the brides brother and family, Mr. and Mrs. Bill Jack Crossland and Sue, all of Leaday; sister, Mrs. Garry Worth of Miami, Fla.; and Bill Bowen of Gouldbusk.

Mr. and Mrs. Jones are at home in Ozona after a short wedding trip.

### RUPTURE SHIELD EXPERT HERE

H. M. Shevnan, widely known expert of Chicago, will personally be at the Cactus Hotel, San Angelo, Tues. & Wed. only, April 15 & 16.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten day on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge. 6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

### Question of the Week

**By Kenneth Phillips**  
The following question was asked around the halls of OHS about the best cure for that old disease of spring fever. Here are some of the brilliant answers that I got.

Graham Childress: Being as I never touch the stuff, I just suffer it out.

Jane Adams: Try to eliminate the cause, or if it's a boy, go with him.

Alena Faye Powers: Not much to do, I guess.

Norris Pogue: I recommend plenty of good, light food, mostly steak and potatoes. And lots of rest, too, about 24 hours of it — with lots of naps in between.

Shirley Kost: It's a lost cause.

Sonny Henderson: I guess lots of roping.

Jeannene Thompson: Why do anything?

Lynn Parker: Go to bed, I guess.

Pat Mellon: I just want to sleep all the time.

Barbara Bonn: Just let it ride.

Kent Chapman: Go swimming.

Myrtle Mae Everett: Stay out of school.

Donald Taylor: SLEEP.

Jody Jones: No spring training.

### Ozona Tracksters Are Fifth in District Meet

**By Marion Mock**  
Regional here we come! Yes, not only in the Literary events but in the track meet, too, Ozona made a fine showing. The track meet was held in Junction April 5.

The two Regional contestants from OHS track teams are Bobby Womack and David Price.

Ozona qualified in several events but only Bobby and David placed in the finals with Bobby getting a third in discus and David coming in with a 3rd in the 220 yard dash.

Buddy Whitley qualified for the low and high hurdles but could not run in the finals because of an injured leg. Tom Piner got a 4th in the 440 yard dash and the mile relay team made up of Tom Piner, Jimmie McMullan, Sammy Martinez and David Price, placed 4th.

After the scores of the track meet were tallied up, Ozona placed 5th.

### Spring Fever Creeps Up on You - Until Low Grades Force Recovery

The days are warm and easy. The sun seems extra bright. The first buds that appeared on the trees are turning into leaves and flowers. The nights have a glowing white moon and a warm breeze. That's Spring.

With Spring comes a good feeling of newness, but Spring is also the time school authorities and parents steel themselves for an annual epidemic of Spring Fever. The symptoms being a million-miles-away look on the victim's face, a million-miles-away sound in his voice when asked the simplest question, an aversion to food at times and an appetite of St. Bernard-like proportions at others.

The mornings are so bright you would just like to stay outside all day. None of this knowledge stored in books for you. The West Texas outdoors offers more. You drag to school feeling you're awfully mistreated because you must sit in a brick building all day and dream about all these wonderful things that are going to happen to you.

You go to a couple of classes, being present in body only. Then by coincidence (?) you see, in the hall between classes, the member of the opposite sex whom you currently consider very nearly perfect. With the mood of Spring and the dim light of the hall he or she looks more perfect than he really is.

So you sit through the remainder of the day with a picture of your Spring Crush's lovely eyes or wonderful smile or that terribly witty and intelligent remark he or she made. Then you build fluffily pink dreams about this summer. To blazes with everything! Except social life and an appreciation of Spring.

But when your grades do a deep plunge, your three weeks slips are covered with checks and you have that vague feeling of not accomplishing a thing. . . . So force the semi-conscious feeling to the back of your brain and work a little at all the things that come up this last quarter of school. And when summer comes you can enjoy its wonderful laziness, for you'll have no regrets about wasting the end of a school year, just because the magic of a new season gave you a case of Spring Fever.

### Ozona Typists Win First and Second in Menard District Meet

**By Marion Mock**  
Left-handed cowpoke takes first in typing — probably would have done better if carriage-return had not been on wrong side!

As a rule, the Commercial Department is very modest and up until now nothing was said about the two typing contestants who traveled to Menard to the district meet April 4.

Unknown to most of you, Barbara Fields and Jimmie McMullan have been squeezing in a 15-minute speed test every off-period and a few after school for several weeks now, and the extra work and practice paid off.

Jimmie, a junior, was the only boy in the typing contest and wanted to escape before the meet started, but finally decided to see it through. A good thing, too. Jimmie typed 42 words a minute on a 15-minute speed test — with only one error for accuracy score of 98 per cent, which made his total points 140 to win first place in the district meet.

Barbara Fields won second place with a score of 122 points. Barbara's a freshman — cute brunette — whistle bait, in fact.

The 1492 model typewriters from Ozona weren't tagged. The OHS would take them by mistake. The new Royals that were seen by the contestants were so bright and shiny the entries "drooled" — OHS's typewriters were the oldest there.

When asked the reason for their success both typists replied, "I guess numbers 6 and 7 were just lucky."

On April 19 they will enter the Regional Meet in Brownwood. They deserve special recognition and praise, because it takes patience and practice to win a meet in typing. Congratulations to both of you — and may Regional Meet be just as successful, so you can go to State!

Mr. and Mrs. Paul Gibbs have as guests this week Mr. Gibbs' son-in-law and daughter, Mr. and Mrs. W. A. Brown and children, Ricky and Linda Kay, from Rivera, Cal.

### ETTA KETTE WHEN TALKING

Do you know that if you listen to someone talk, you will know whether he is half asleep or wide-awake, whether he is kind, or selfish, open minded or pigheaded, cheerful or morose?

To make one of your friends want to jump off a cliff, all you have to do is to talk about yourself continuously.

To be a good conversationalist is to cultivate such traits as alert-

ness, kindness, tolerance and cheerfulness.

Although personal remarks are always in bad form, it is proper and always pleasant to say something appreciative about something one has done. "That was a splendid speech," or "I've never seen such beautiful flowers."

Swearing is not permitted at your age or at any other age: it is cheap and tiresome.

Never interrupt a conversation to correct some trivial mistake-

ment. Unless you feel that you should make whether you talk or not, should you start talking, another person has the right to interrupt quickly.

Don't say "My boy" or "My girl friend." It gives the impression that you have a friend in the masculine or feminine world. It is better to say "My friend."

Girls of H. E. Dept. Present Fashions of 1952 in Style Show

By Jane Adams
Wednesday night the Homemaking Department presented in the High School Auditorium its conception of fashion for the growing up girl. Every fashion in the show was made and modeled by the girls in sewing classes.
Very much in evidence were the '52 style trends of wide skirts, sleeves that sometimes dominate and sometimes are completely missing, rows and panels of studs, beads and rhinestones used for trim.
Jane Adams, who wore a cotton tweed and organdy dress with a wide skirt, was commentator. The models entered the flower trimmed stage through an arch of green.
First came the seventh grade girls wearing dresses that were very well tailored and finished for only one year of sewing experience. Their dresses were of chambray, cotton and tissue gingham. They used lots of wide skirts, tucks and rhinestone buttons.
The 8th grade girls, with their wider experience, came next. Among these were Carol Friend's plaid and organdy jacket dress, Janice Spencer's brown and yellow

low duster ensemble and Jan Jones' short formal. Beverly Day used heavily embroidered organdy for a dress with classic lines and Martha Bailey used the new cotton that is woven with gilt threads.
The High School girls showed everything from all purpose daytime dresses to lovely formals.
An outstanding example of sleeves used as a focal point was Nancy Perdue's very bright red duster with sleeves that diminished toward the wrist and were pushed up.
Sophie Reina wore a taffeta coat-dress ensemble. The coat was completely reversible, blue on one side, blue and pink checks on the other. She even made a pouch bag of the checked material.
Sandra Brewer and Vivian Trotter modeled almost identical dresses of aqua organdy, made with Peter Pan collars, very full skirts and no sleeves.
An example of bead embroidery was the lace and satin bodice of Jeannene Thompson's formal. It was encrusted with make-believe pearls and tiny crystal beads.
Reta Sue Ballinger, with semi-formal occasions on the senior trip in mind, we bet, made an organdy semi-formal with attractive simple lines.
One of the most beautiful skirts shown was the one on Alena Faye

Powers' evening dress. Many circles of net over satin were worked into it and on the stage, as on the dance floor, it seems to float.
Charlene Perks modeled an ideal dress for High School spring dances. One of very pale blue lightly embroidered organdy.
Shirley Kost used taffeta and gilt leaves very effectively on her gold net dress.
Mary Beth Etherly and Juanita Lopez, one in a wide skirted pink cotton, the other in a crisp green bolero suit, showed two dresses every girl needs in her wardrobe.
Little Linda Carrol Allen almost stole the show in her big fashion for this spring. A blue dotted swiss pinafore made for her by her big sister, Jo Ann, an H. E. II student.
Camille Adams modeled a blue nylon net ballerina formal with ruffles cascading from waist to hem, made for her by Jeannene.
Graham Childress, Charles Garlitz, Bill Schneemann, Kenneth Bledsoe, and Scott Hickman escorted the girls who showed formals on the stage.
The show was under the direction of Mrs. Janie B. Hull. Music was by OHS Dance Band and the stage decorations by Saunders Shop.

TOO MUCH TALK

By Doris West
Well, now that backwards week is over, you can sit back and laugh at what a wonderful time you had. Every girl seems to have taken advantage of last week by some of the remarks that were made. "Oh, I had a date with a different boy every night." "How about a late date?" and, "I'm really having fun."
There were so many things happening that I, Snopy Sue, will just give you a light preview. Well, here goes:
Mary Beth, did you have to go home early Saturday night? Why? Where did your date go after he took you home, huh, Coon?
Why all the note passing in Algebra II class, Charlene? Did it have to do with Bony? I wonder. Tody and Theo were seen dating again Sunday night. This seems to be quite a twosome.
Reta and Bill were both absent from school Monday. "It sounds mighty spooky to me."
Couples seen at the dance last Saturday night were Charlene and Sonny, Kay and Bobby, Bill and Reta, Betty and Tom, Billie and Scott, Bill Maness and Tody, and Mary Beth and Kenneth. Same ole ones you see together all the time. It seems that several girls took

the boys home after the dance as they were supposed to since it was backwards. But not that way with some. It seems that some of the boys were gallant and walked the girls to the door. Could it be because they were afraid that she might have a late date after she took him home?
What's this? Leveland, Pecos, 5,000 word theme, all seem to be giving a girl in Algebra II class quite a time. What's it all about, Charles?
The H. E. style show is all the talk around OHS lately. The boys are modeling, too, we hear. Kost, Perks, Powers and Thompson have certainly had a time with their escorts!
Say, what's this we hear about Trotter, Fields, Phillips and McMullan looking for a certain blonde Monday afternoon? How big do you think the back of your car is, anyway, Phillips?
I understand the girls at the dance Saturday night had a time keeping their dates. How come? Ask Reta!
Betty C. seems to be a little bit fond of a blue Oldsmobile. Is it because a certain boy drives it?
It has been decided that Scott Hickman was the "most popular boy" during the backwards week. (Continued On Page 6)

**"LION'S ROAR"**  
(Continued From Page 5)

He had a date every night. Billie C. was the lucky gal Saturday night. Seems only two other girls besides Billie asked him for a date!

Last week was rather exciting — but how about this week? For information read Snoopy Sue's column next week.

**Fads and Fashions**

**By Jane Adams**  
Seen digging for treasure at the Treasure Hunt last week were girls in treader pants. Especially noticed were Shirley Kost's purple ones, Jeannene Thompson's calico quilted ones with jingling bells at the knee, Kay Kirby's grey denim ones trimmed in spanish-cotton lace.

At the district meet in Menard Mrs. George Massingill wore a crisp, very smart, blue denim sheath dress, spanking white and blue opera pumps. Miss Mary Koepf looked cool and very un-school teacherish in a fawn colored linen suit.

New signs of spring and coming summer. Shirley Kost's two shades of blue skirt that she washes, wraps around a broomstick, unwraps, and has a skirt full of tiny, crinkly, pleats. Sleeveless, turtle necked middies that can be pulled over shorts or a straight skirt or tucked into a full skirt. If you need something to do on a dull Saturday, it only takes one yard of material and half a day to make one.

The H. E. style show was wonderful. We especially liked the formals. From those we saw and those we've heard described when a bunch of females get together, we bet the dances at the end of school this year will be a fair-land of beautiful dresses.

**Ozona Declaimers Sweep District Meet With First 3 Places**

**By Marion Mock**  
"Two" lucky number for OHS declaimers.

Yes, congratulations have been going out all week since the Regional Meet April 4 in Menard. Ozona entered three declaimers in the meet and came out with three places — one — two — three fashion. Wanda Carden, entered in Senior Girl Declaiming, won first among entries from 5 schools. Kent Chapman, Junior Boy, won second in his division, and Jane Adams, Junior Girl, won third.

The OHS students who drew places for the order of their speaking, all drew the number, 2. It seems as if it must have been the lucky number that "did it" for the declaimers.

**Student Council Dance Ends Backwards Week**

Last Saturday night at 8:00 the Student Council gave a dance to end Backwards Week. This was the last chance the girls had to get themselves fellows until next year.

It seems that most of the girls took advantage of Backwards Week. Every place you would look last week you would see a boy and a girl. The people of Ozona are wondering if they boys have finally broken down, but of course, these people don't know that last week was Backwards Week.

To switch the tables on the girls again, this "business of dating" has already gone on the skids. You just can't win, girls.

**Schools Dismiss Today For Easter Holidays**

"Here Comes Peter Cottontail!" Yes, Easter holidays begin today at 2:00 and are over Tuesday morning at regular class time.

Do you know the real meaning of Easter? Of course, you do. It doesn't altogether mean that you go Easter Egg hunting, but the younger generation looks on it as if it were. No, there is more to it than that. It's friends getting together at Church on Sunday morning worshipping God as they see fit. It's the one day in the year all of us realize just what the real meaning of worship is.

**Personality**

Who could it be? Who is 6 feet, 2 inches tall, has brown hair and blue green eyes? His favorite sport is basketball.

He is also very good in football and track, very well liked, good personality and always good for a wise crack. Who is it? Well, mercy, mercy, it's Scott Hickman, the "gol-durndest" dirt farmer this side of Podunk.

**Sul Ross Band Group Plays Here April 22**

The Brass Ensemble of the Sul Ross College Band under the direction of Joseph L. Bellamah, will appear in concert here at OHS on the evening of April 22nd. The group will give a program in conjunction with the spring concert of the OHS band.

The Sul Ross group numbers ten. Its program will consist of classical music.

The OHS band under the direction of Corbett Smith will give a varied program with solos by Marion Mock, Pete Cisneros and a wood wind ensemble.

J. E. Robbins, with the San Angelo Telephone Co., was in Ozona last week conferring with local club leaders with reference to a local campaign now under way to get a dial telephone system for Ozona. Mr. Robbins said the matter was being studied and that details of plans would be announced.

**Sheriff V. O. Earnest Asks Re-Election to Third Elective Term**

Sheriff V. O. Earnest this week announced that he would be a candidate for re-election to the office of Sheriff, Assessor and Collector of Taxes in Crockett county, subject to action of the Democratic primary in July.

Sheriff Earnest, who is seeking his third term in the office accompanied his announcement for re-election with the following statement:

"I wish to announce to the voters of Crockett county that I will be a candidate for re-election to the office of Sheriff, Assessor and Collector of Taxes for Crockett county, subject to action of the Democratic primaries of 1952.

"It has been my pleasure to serve as your sheriff, tax collector and assessor for two elective terms and I am seeking a third term in the office in this year's election on the basis of my record as your

public official for the past five years.

"I believe that I have served you well. I have made mistakes, I feel sure, but if I did they were errors of the head and not the heart, for I have tried to do my best in every situation and to weigh the best interests of the public in every decision. I believe I have as good a staff of deputies as any sheriff's department in the state. They have served efficiently, fairly and earnestly and the results speak for themselves —

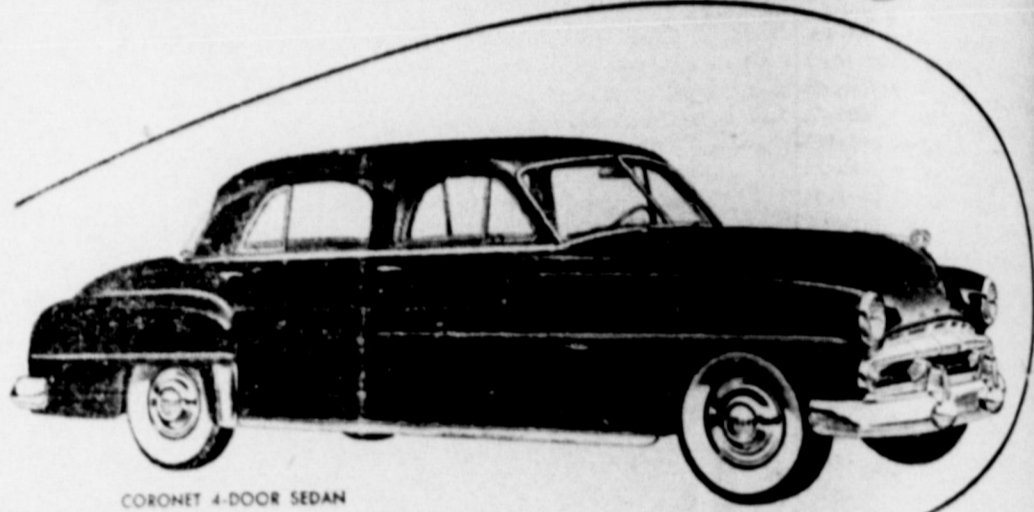

an orderly, trouble-free community, with a minimum of law violations on the average.

"I am seeking re-election to the office because I need the job, because I have had these years of experience and feel that I can serve you better another term and because I like the community and its people and will enjoy continuing in your service. I have given my full time to the job, on call 24 hours a day, and I shall continue to give you my full time should you see fit to re-elect me. I have

no other job nor interest in being your sheriff and if I am re-elected to continue in your service for another two years, I pledge to give the very best of what I am capable.

"To all who have supported me in the past and to all who have made my work as your sheriff easier, I would take this opportunity to say 'thank you' and solicit your continued support in the coming election."

**SERVICE**

is my business

I'm your co-op lineman...

You see me with my truck along your line, and I want to take this chance to say hello. My job is to...

- Build new lines
- Enlarge other lines
- Prevent outages
- Keep the lines clear

I am well equipped to serve you, and I hope you will cooperate with me to keep outages at a minimum.

I cut and trim trees, for instance, to keep them off the lines. If you spot me on your place, you will know I am working to provide you with better service. You can help, however...

In case of an outage, call your co-op office. Tell us the trouble and its location if you can. This will save us time finding it.

We are sure our service is the best in the area. But we know we can always improve.

We are glad to be working for you and proud of our part in this locally-owned, democratically controlled co-op serving this community

YES, BUICK HAS POWER STEERING

## Give the little lady a hand

**T**HIS ad is addressed to husbands — husbands who've yearned for the thrill of sitting behind a broad hood packed with horsepower—and the pride of rolling down the street in a car that tells the world, "Here's a man who knows the finest thing on wheels."

But husbands have wives. And wives have been known to say, "No big cars for me. They're too hard to handle."

Well, we have an answer for that one. It's a ROADMASTER with Buick's new Power Steering.† And Power Steering takes over any time the steering gets tough—works like a helping hand—reduces the effort of turning the wheel of a car at a standstill to about the same effort it takes to pick up a mink coat.

**B**UT out on the open highway—with a clear straight stretch before you—your hands still have command of the wheel—you can feel that sure, firm, easy and eager responsiveness that's a part of the fun of driving.

The rest of the fun is in something else that's new this year—the highest horsepower that a Buick Fireball Engine has ever delivered — and an Airpower carburetor that lets loose an extra reserve of power when needed, and still adds extra miles to your cruising range on each tankful of gas.

So we suggest a family demonstration. You'll both like the hushed and restful silence of this superbly able traveler. You'll like the harmonious beauty of its

interior, and the deep and luxurious softness of its seats.

You'll like the velvet-gloved grip of its Wide-Band brakes, and the most capacious trunk in Buick history.

You'll like the smooth surge of Dynaflo Drive, and you'll like—but why waste time talking, when you could be finding out more than we can ever tell you? How about making a date to do that right now?

Equipment, accessories, trim and models are subject to change without notice. White sidewalls optional at extra cost when available. †Optional at extra cost on Roadmaster only.

### Here and There By J. Troy Hickman (Continued From Page One)

ing there all day. So had the big wrestling a twenty-five pound drum, the Sailtops cats and the pompano. The hardhead cats, a kind of nuisance that is never eaten, and the shovel shark, had been biting all day. The pier looked like a slaughter house. A ton or so of assorted waste fish lay strewn about. The seagulls had a field day, swiftly swooping down to grab a quick bite, then circle around for another swoop. The situation looked pretty promising for the next day.

But it is easier to be wrong than to be right about fishing in the ocean. About midnight a north wind blew in, he surf roared and big white cap waves piled up high. By six o'clock next morning, fortified with coffee and bacon, we walked out onto the pier. Everything had to be tied down, or it went overside before the wind. A few other people crept out onto the pier, the women with their heads tied up in scarfs, the men with red caps tightly pulled down over their ears.

Fish were biting a little. We soon had three whiting on our line. A man nearby was pulling in pompano, a very delicious fish. The pier was now filling up with people. By ten o'clock, at least a

hundred had their lines out. As the water muddied under the stirring of the wind, the big drum began to hit. They caught them off and on all day, up to 80 pounds. Sometime that morning a big shovel bill shark bit my hook and took out for the briny deep. I wrestled him in, but it was not too much fun, because it was obvious from the way he acted that he was a shark. They are plenty game, but no good to eat.

John got a kick out of watching other people land their fish. Everytime anybody hung one anywhere on the pier, he was there watching the fight. A lot of the people were midwesterners who were spending the winter on the coast, away from the snow and ice. Many of them fish every day all winter. One fellow told me he had spent six straight winters there.

As the day wore on, the wind got higher and some people began to leave the pier. Our noses and ears were pretty well wind-burned. Obviously, we had missed the boat by not being there the day before. So we decided to pull up stakes and hit for home.

Again we gave away our modest string of fish, considering them too few to justify icing down to bring home. Nine out of ten trips to the coast will turn out that way. But it's fun, anyhow. Once in a while, a fellow will hit everything

### Frank James Launches Candidacy for Crockett County Sheriff's Post

Frank James, Ozona automobile dealer and former sheriff, this week announced himself as a candidate for the office of Sheriff, Assessor - Collector of taxes in Crockett county, subject to action of the Democratic primary in July.

Following is a prepared statement to the voters by Mr. James announcing his candidacy for the office:

"After much study of conversations with a good many Crockett county citizens, I have decided once again to offer my services as Sheriff, Assessor and Tax Collector. At this time, I wish to announce that I will be a candidate for that office in 1952.

"The first time I ran for sheriff in 1942, I was solicited by a number of people to do so, but in this year of 1952, as I stated above, after numerous conversations, I am entering the race of my own accord.

"For the consideration of some new citizens of the county, as well as the long-time residents, I offer the following background. I was born in Sonora, Texas, and graduated from high school there in 1925 and was graduated from A & M College of Texas in 1930. For the past 22 years, I have lived in Crockett county, as a property owner and in public service one way or another. I have operated a public business for 18 years fairly successfully. For the past 12 years I have been an active

member of The Ozona Rotary Club and have been active with the Concho Valley Boy Scout Council as camping director. I served as Sheriff of Crockett county from 1942 through 1946.

"I would like to state here that in 1942 I may have been a little young to hold such an office and probably was lacking at times in good, sound judgment that comes more naturally when one has a few more years behind him.

"It is with these things in mind that I wish to tackle the job again. I think with four years previous experience as sheriff and the fact that I am a ten-year older man would help considerably in carrying out the duties of the office with better judgment.

"I will make other statements in the coming weeks along the line of a platform upon which I am running. However, I will say at this time that if I am elected to the office, everyone coming in contact with the sheriff's office's force will be given a fair deal on all occasions, with no discrimination as to race, color or standing, but where there are infractions of the law, it will be handled and investigated fairly, then the courts must act.

"Another thing I will strive for is a courteous, efficient handling, without delay, of all paper work inside the office. Outside the office, I will endeavor to engage courteous, efficient personnel to assist me in enforcing the law as it concerns Crockett county to the best of my ability.

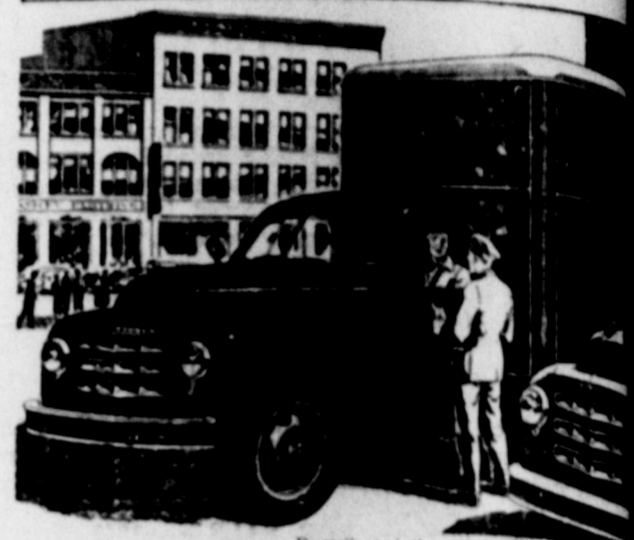

"On the above statement I earnestly solicit the support and cooperation of the voters of Crockett county in the Democratic primary of 1952."

## Ahead—the Nicest Miles in the World!

Well, the day has come! You have your beautiful Golden Anniversary Cadillac—and are off on that cross-country journey you've so eagerly awaited.

You're full of hope and anticipation—but almost afraid it's too good to be true. Can any car perform and handle the way people say this one does?

You come to the end of the street that opens into the cross-town thoroughfare—and the big, easy-acting brakes settle you down to the softest, smoothest stop you ever experienced in all your life.

You touch the throttle, and the great engine starts you out like the flight of an arrow—smoothly and swiftly and quietly.

Almost before you know it, a light turns red—and, once again, that easy, velvety stop. And then the green—and again that swift, eager move into action.

Stop and go—red and green . . . and pretty soon it dawns upon you that you never dreamed of driving a car that handled and performed like this.

Wonderful in city traffic—no doubt about it!

And then the cars thin out about you—the traffic lights stretch farther and farther apart—and you find yourself on the open road.

Instinctively, your foot goes down on the throttle; but, quickly, it eases up again. For you find yourself really rolling in a couple of hundred feet! So you do a little experimenting until you find the spot where the accelerator belongs for sane and sensible driving—and then you settle back and relax.

You scarcely seem to be moving at all. You handle the wheel with the weight of your hand. You're comfortable—resting—at peace with the highway! The sun rises higher and the road beckons on.

"Where did we plan on stopping tonight?"

"Better take a look at the map and see what's on down the line. We're going to get a lot farther than I ever dreamed we could!"

Yes, it's true what they say about Cadillac.

Better come in and see it—and drive it—while you're in the mood!
