43 Youngsters Crowd Swimming Pool-Bound Bus

60 Expected Next Monday on Second Trip to Sonora Pool

Forty-three eager children were on hand at the school house last Monday morning and loaded aboard a school bus bound for Sonora and a swim in the Sonora swimming pool.

The bus trip to the Sonora pool was made as a part of the summer recreation program being sponsored here under the leadership of the Ozona Lions Club and assisted by the schools.

Accompanying the group of eager swimmers were a few mothers and Coach Larry Wilkins, director of the summer recreation program. One mother described the group of children as "beside themselves with joy" at the chance to go swimming.

Every child clamored for another swim trip next week and Coach Wilkins has made arrangements for another bus ride next Monday morning. From advance information of other children who were unable to go last week but who plan to go next Monday, the coming week's trip is expected to bring out a total of 60 youngsters for a morning swim in the neighboring pool.

ENNIS LAD PROMOTES TOWN 'SWIMMIN' HOLE'

A lot of kids in Ozona will have a lot of sympathy for the 12-year-old Ennis boy described in the following item appearing in the Dallas Morning News:

ENNIS, Texas, June 23. — Because his mother wouldn't let him swim in the "cow tanks" in the surrounding countryside, Wayne Comisky, 12-year-old son of Mrs. P. T. Comisky, has launched a 1-boy campaign for a swimming pool in Ennis.

He has pecked out a typewritten statement to the effect that "the undersigned want a swimming pool for Ennis" and goes about town getting signatures of both youngsters and oldsters affixed to the document.

He now has more than 400 signatures. Not more than twenty persons contacted have refused to sign, he said.

Football Time Clock, Scoreboard Delivered Wed.

Fan Contributions Asked to Help Pay For Equipment

Football fans may look forward to added enjoyment of high school football through the installation of a modern new football time clock and scoreboard which was received here yesterday.

Plans are being made to install the new scoreboard as soon as the necessary materials can be assembled. Coach Larry Wilkins, who has assumed the job of raising the necessary funds to finance the purchase and installation of the clock and score board, said.

The big clock, with a six foot dial, is in the center of the 24-foot long panel. The clock is operated by electricity and the score board will show the score of the home and visiting team, the quarter of play, down and yards to go. The board will be operated from a panel to be located either along the sidelines or in the press box.

Proceeds from the sale of advertising on the fall football programs to be used in the six home games have been pledged to go toward paying for the scoreboard-clock. A fund of approximately \$500 is still needed to pay for the equipment, Coach Wilkins said. A number of donations have been pledged and fans who may wish to contribute to the scoreboard fund are invited to leave their contributions with Coach Wilkins, or they may be left at the Stockman office or the bank.

Ozona Horse Wins Top Honors of 193 in Hallettsville Roping

"Tony," a roping horse trained by Kay Black of Ozona, won a handsome trophy as the best roping horse in the annual High School Boys' Rodeo at Hallettsville last week. Tony won the honors over a field of 193 roping horses performing in the Hallettsville show.

Although he didn't win any of the honors as a roper himself, Charlie Black, son of Mr. and Mrs. Kay Black, was 'bustin' with pride in Tony as he proudly displayed the handsome horse trophy which Tony won at Hallettsville. The Hallettsville rodeo, outstanding high school boys' event, was held last Thursday, Friday and Saturday.

Three Ozona boys participated in the roping event, Charlie Black, Jodie Jones and Sonny Henderson. Jodie and Charlie roped to the finals but were crowded out of the running in the final go-rounds.

Cosden Slips By Gassers To Lead Little Leaguers

Kleaners Rise up From Cellar to Help Tumble Leaders

Ozona Oil Co.'s Cosden Oilers pulled up even with the league-leading Ozona Butane Gassers last Thursday night when they eked a 6-5 decision over the Gassers and slipped into the Little League leadership Monday night when the cellar-dwelling Kyle Kleaners rose up to smite the mighty Gassers by a lopsided count of 24 to 7. Meanwhile, the Oilers were working over the Spencer-Stevens Mechanics 21 to 19 in Monday night's battle.

The standings:

	W	L	Pct.
Ozona Oil	5	2	.714
Ozona Butane	4	3	.571
Spencer-Stevens	3	4	.429
Kyle Kleaners	2	5	.286

The Schedule:
Thurs. June 26 — Cosden vs Kyle; Spencer vs Butane
Mon. June 30 — Spencer vs Kyle; Butane vs Cosden. (End of first half.)

With the end of the first half of the split season with next Monday evening's games, anything could happen in the way of team standings when next Monday's battle dust clears. All teams are gaining strength as they gain experience and a bunching of teams in the standing column may result from the remaining games on the first half schedule.

An all-star game has been booked for Saturday, July 19, with an all-star team picked from the four Ozona teams matched against an all-star selection from the San Angelo leagues. The game is to be played on the Ozona field.

That the Little Leaguers are hitting the ball better every game is evidenced by the fact that Jim Dudley's statistics this week show nine hitters have averages of .300 and better. Hicks of the Oilers still leads with an average of .500. Williams of the Gassers is batting .444; B. Sutton of the Oilers, .400; Cooper of the Mechanics, .384; Caswell, Mechanics, .375; B. Holden, Mechanics, .345; Friend, Gassers, .321; B. Rivera, Gassers, .312; and Moore, Kleaners, .300.

B. Holden leads in the homerun department with 4; Cooper and B. Sutton with two 3-base hits and in the 2-base hit department, B. Sutton with three, Cervantez and Cooper, 2 each. B. Sutton leads in runs batted in with 21; Caswell has 18 credited, and B. Holden, 16.

In the pitching department, Pat Jones has won 1 and lost 0, Sutton won 4 and lost 1, and Caswell won 3 and lost 1. Sutton struck out 41 and Cooper and Cervantez, 35 each to lead in that department.

Mrs. W. W. West and Mrs. Larry Algers and son, Wayne, have gone to Mrs. West's summer home at Ruidosa, N. M. Mrs. West will spend the summer. Mrs. Albers and Wayne will return home the first of July.

Grandstand Packed For Final Night Of Negro Rodeo

Colored Folk Converge on Ozona for Biggest Juneteenth

One of the largest crowds seen at the fair grounds since the heyday of the Ozona July Fourth rodeo and stock show a few years back packed the grandstand and rimmed the arena Thursday night for the final show of the third annual Ozona All-Colored Rodeo staged Wednesday and Thursday nights under auspices of the Ozona Roping Club.

Hundreds of colored folk from near and far flocked to Ozona for this outstanding Juneteenth celebration, which featured the two-night rodeo events for Negro cowboys and cowgirls, a barbecue dinner for the celebrants on Juneteenth and a big all-colored dance on the fair grounds platform in the evening to wind up the two-day celebration.

The rodeo events included calf roping, goat roping and hair pulling, bronc riding, steer riding, and a wild mare race, plus an added event, a greased pig race for the youngsters.

Complete results of the show were as follows:

Calf Roping
First day — Nelson Daniels, San Angelo, Calf Roping, first, 24.7; Ross Anderson, Sanderson, 25.8, and Billy Ward, Jr., Ozona, 33. Second day — Billy Ward, 20.5; Ross Anderson, 21.5; Nelson Daniels, 22.7. Two-day average — Ross Anderson and Nelson Daniels, tie, 47.3; Douglas Smith, 71.

Ribbon Roping
First day — Ross Anderson, 14.6; Douglas Smith, 17; Sam Rayburn, Del Rio, 19.5. Second day — Douglas Smith, 9.8; Billy Ward, 12.1; Billy Ward, Jr., 15.4. Two-day average — Douglas Smith, 26.8; Billy Ward, 40.3; Bob Bowlegs, Alpine, 48.4.

Goat Hair Pulling
First day — Billy Ward, 7.5; Henry Faye, Ozona, 13; Claude Fasseleman, Ozona, 17.1. Second day — Douglas Smith, 13.7; Oscar Sniffen, Ozona, 13.9; Bob Bowlegs, 17.7. Two day average, Bob Bowlegs, 37.5; Billy Ward, 44; Kay Benson, Belton, 72.2.

In the bronc riding events, the bronses were masters of the evening the first and no rider stayed aboard long enough to qualify. The second night, Douglas Smith won first place and J. W. Stokes of San Antonio, was in second place. Douglas Smith won the wild mare race the first night and Adam Faye of Sonora, the second night's race.

Two matched ropings were reeled off the first night, Willie Davis of Del Rio beating out Bob Bowlegs of Alpine and Adams Fayne of Sonora beating Buster Daniels of Juno.

There was only one casualty during the rodeo, Red Brashear of San Antonio suffering a broken collar bone when he was dumped by a wild heifer.

Bud Cox, president of the Roping Club, expressed the club's appreciation to all who helped put on the show and to all the participants who went all-out to make it a success. Cox said plans are already shaped up for an even bigger and better all-colored rodeo next Juneteenth.

Ozonans Hosts to Oldsters on Devil's River Fishing Trip

A group of oldsters from the area were honored on a fishing trip to Devil's river the past weekend.

In the party were Ned and Frank Friend and Bob Hewitt of San Angelo, John Carr of Big Lake, J. W. Owens, Paul Hallcomb, Max Schneemann, Houston Smith, W. E. Friend, Jr., Bill Seahorn, Joe and Batts Friend, Lefty Walker, Kay and Mutt Black, and Roy Coates. The party left Friday morning and returned Sunday night. They reported fishing good and plenty to eat, including fish.

Mrs. R. V. Sewell, 58, Laid to Rest After Funeral in Sonora

Funeral services were held Friday morning from the First Methodist Church in Sonora for Mrs. R. V. Sewell, 58, who died in Hudspeth Memorial Hospital in Sonora early Thursday morning.

Services were conducted by the Rev. W. H. Marshall, pastor of the Sonora church, with burial following in Sonora cemetery.

Mrs. Sewell was born Stella Maddox in Blanco county, where her family had ranching interests. In 1907, her family acquired ranching interests in the Sonora area and Mrs. Sewell completed her schooling in Sonora.

Survivors included the husband; one son, J. O. Mills; two sisters, Mrs. Seleta Felps, Sonora, and Mrs. W. R. Nix, Eldorado; a nephew, Gerald Nix, Marfa; and a niece, Mrs. Willie Ruth Meckel, Eldorado.

Pallbearers were Clayton Bray, A. E. Prugel, George H. Neill, and Bryan Hunt, all of Sonora, Frank James of Ozona and Herman Perry of San Angelo.

Volunteer Firemen Name Officers

Members of the Ozona Volunteer Fire Department elected officers at the department's annual meeting at the fire house last week.

Gene Williams was elected president; Warren Clendenen, vice president; Dick Henderson, fire chief; Joe Tom Davidson and Hartley Johnigan, assistant fire chiefs; Bud Harrison, secretary-treasurer, and Charles Ratliff, fire marshal.

These new officers will serve during the coming year.

Williams Infant Buried Wednesday

The stillborn infant daughter of Mr. and Mrs. Jack Williams was laid to rest in Cedar Hill Cemetery here at 10 o'clock Wednesday morning.

Funeral services were conducted by the Rev. J. Troy Hickman, pastor of the Ozona Methodist Church. The baby was dead at birth Tuesday morning in a San Angelo hospital.

Lions Oil Co. Discovery Rates 302 Barrels Daily

Opens New Shannon Area; Elkhorn Has More Expansion

Discovery Ellenburger production in north-central Crockett county appeared assured Monday by Lion Oil Co. No. 1 J. M. Shannon estate of San Angelo as it swabbed an average of 12.57 barrels of oil hourly, a rate of 301.68 barrels daily. Location is the C SE NE 46-UV-GC&SF, 14 miles northwest of Ozona.

Shannon developed its first oil flow Tuesday after having been shut in for 17 hours.

The indicated discovery made 15 barrels of oil through an 18-64-inch choke during the first 90 minutes after it was opened up. It then flowed 6.8 barrels of oil through a 20-64-inch choke in 45 minutes. There was no water.

The project continued flowing on various sized chokes in an effort to stabilize.

Location is 1,980 feet from north and 660 feet from east lines of section 46-UV-GC&SF.

No. 1 Shannon estate, with elevation 2,662 feet, topped the Ellenburger at 6,945 feet. It is slightly more than 2½ miles east of the Todd field, which produces from the Strawn and Ellenburger, but separated from it by two dry holes. It is also 2½ miles southwest of the Elkhorn (Ellenburger) field and 3½ miles west of the Vaughan (San Andres) field.

Continental Oil Co. No. 15-A Shannon has been completed for a calculated daily plowing potential. (Continued on Page Three)

Ballot Readied For Democratic Primary July 26

62 Candidates Seeking State, District, Co. And Precinct Jobs

Drawings for positions on the Democratic primary election ballot were made by County Democratic Chairman A. O. Fields and members of the committee Monday after receiving a certified list of state and district candidates from the State Democratic Executive Committee.

The ballots for the July 26 Democratic primary will embody some new features for Texas voters, result of the amendments to the state election laws made by the last legislature. In addition to the secret ballot feature, the perforated and numbered "ears" which a voter signs and places in a separate sealed box at the polling place, the ballot this year will employ ballot squares before the name of each candidate, as is done in many other states, permitting voters to make a mark in the square opposite the name of the candidate of his choice and thus register a vote for that candidate instead of the old method of marking out the names of all other candidates to leave the voter's choice unmarked.

Either method of voting, marking an "x" or other mark in the square or blanking out all other candidates will be acceptable to the vote counters, the ballot carrying a note of instruction to the voter to that effect.

A total of 62 candidates will appear on the Crockett county ballot for nominees for the various state, district, county and precinct offices.

Contests for four county offices in Crockett county for sheriff and three County Commissioner posts, is expected to lend local interest to the election and perhaps bring out a record vote in the first primary.

Four candidates are seeking the office of Sheriff, Assessor and Collector of Taxes for Crockett county. Incumbent V. O. Earnest, seeking his second elective term, is opposed by Jack Hallmark, Bill Finley and Frank James, names appearing on the ballot in that order, Sheriff Earnest winning top billing on the ballot.

In the race for Commissioner of Precinct No. 1, the Ozona precinct, the name of Ralph Jones will be first. Jones is opposing the (Continued on Last Page)

Lions-Rotarians in Joint Barbecue Supper, Hear State Legislator

Members of the Ozona Lions Club and Rotary Club met for a joint session Tuesday evening to enjoy a barbecue supper at the high school tennis courts and to hear an address later by Joe Burkett of Kerrville, candidate for reelection as state representative from the 78th district which includes Crockett county.

After the barbecue supper, the Lions and Rotarians moved the meeting to the city park where a movie "Credit" was shown and the group heard Representative Burkett.

Mother of Missing New Mexico Lad Is Niece of Ozonan

Interest of Ozonans in the plight of the Aztec, N. M. parents of a 3-year-old boy missing since May 4 has been quickened by the knowledge that the child's mother is a niece of Tom Harris, Ozona, manager of the Foxworth-Galbraith Lumber Co. here.

John Wade, 3-year-old son of Rev. and Mrs. Anthem Wade of Aztec, disappeared from his home soon after the family returned from church services on Sunday, May 4, and no trace of the missing lad has been found. A \$10,000 reward has been offered by citizens of Aztec for return of the boy. Rev. Wade is pastor of the first Baptist Church in Aztec.

LITTLE LEAGUE HEAD URGES GOOD SPORTSMANSHIP

"Little League Hits," official publication of Little League Baseball, Inc., in its May issue carried a timely message from the Commissioner of Little League Baseball, Carl Stotz, on good sportsmanship, which every parent, every manager, every sponsor, every umpire and every fan should read.

Commissioner Stotz' message follows:

The constantly increasing interest in Little League Baseball has led to the writing of many articles. Frequently the writer in attempting to analyze just what there is about Little League which has made it so attractive, and in his desire to encourage the establishment of additional Leagues, has referred to some of the benefits of the Little League. Not the least of those often mentioned benefits is the way in which Little League teaches boys the lessons of good sportsmanship and fair play.

I would be pleased if this year this would be true to the degree we hoped for. I believe that you will agree that the candidate for Little League represents good sportsmanship to a degree seldom excelled by any other group. His first tendency otherwise comes with his exposure to adults, who in our desire to win, are sometimes carried away from the objectives which are the basis of the Little League.

Concerning sportsmanship, I would like to invite your careful thought as to whether or not our first approach should be to the adult, both in our own Little League

family and in the stands as spectators. We feel keenly the need for an educational program along these lines, and would invite your suggestions as to a proper method of approaching the problem.

Some of the traditional features of baseball such as umpire baiting, riding the players, etc., should not be a part of Little League. Many of our well-meaning followers become so carried away by the performance of the players that they do not give a thought to the ages of the boys involved. They will certainly appreciate a proper approach which will result in greater benefits for all concerned.

Unsportsmanlike behavior may become a problem in the relationship between umpire and player, manager and umpire and fan and umpire.

It is comparatively simple to reason with the youthful players and show them that without the exercise of complete authority by the umpire, the game deteriorates into the old-fashioned, kid's sandlot squabble.

The boys will be the first ones to acknowledge that it is best for the players to win the game on their playing ability rather than because they can put up the best argument with the umpire.

The manager must first overcome his own inclination to put victory first before he can properly impress his players with the importance of accepting decisions.

As the proper deportment is displayed on the playing field by player and manager, the normal tendency to incite the fan will become less apparent.

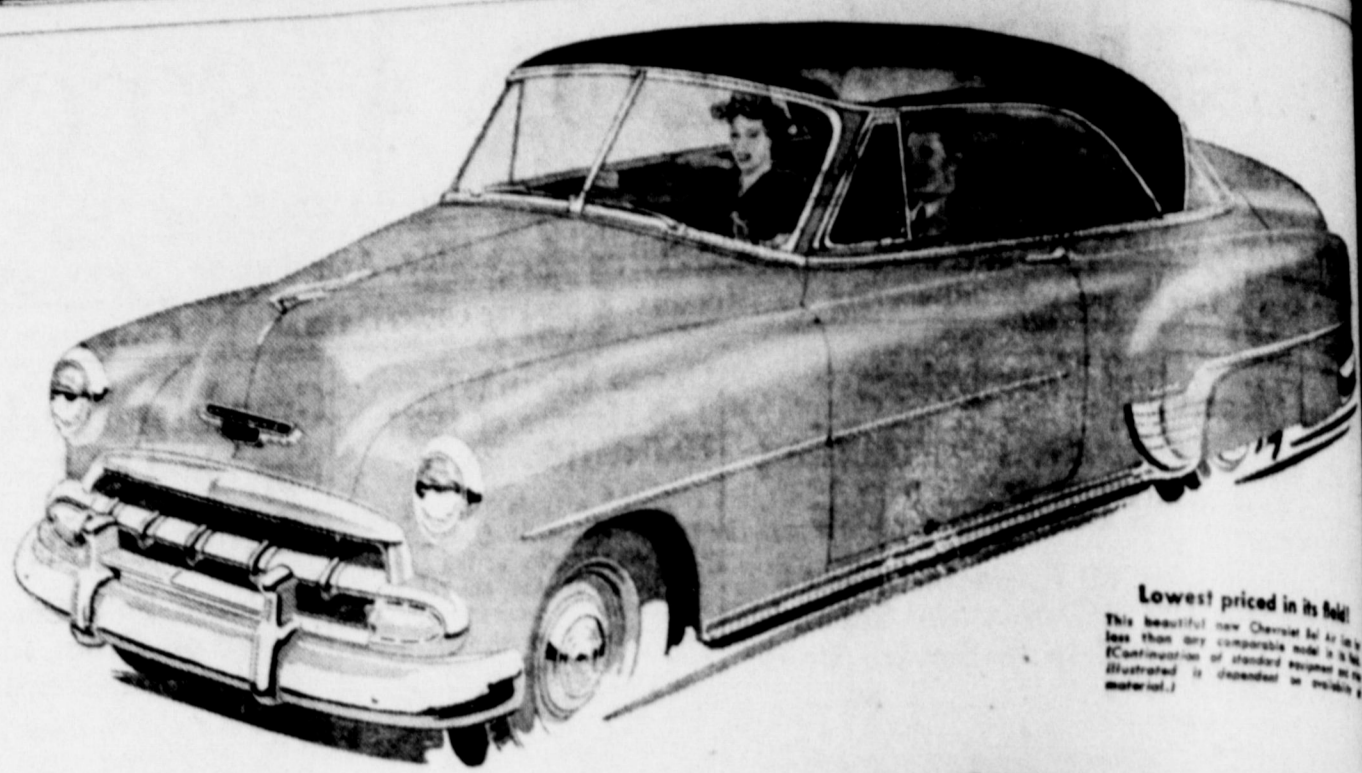

With the establishment of the umpire as a respected authority, we will have taken a great stride toward the elimination of the problems which face many Leagues in their attempt to enlist volunteers for these very important positions.

WCS MEET CANCELLED

A scheduled meeting of the executive committee of the Woman's Society of Christian Service of the Methodist Church for Friday morning, June 27, has been cancelled, it was announced yesterday.

A business meeting of the Society will be held Wednesday morning, July 2 at 9 o'clock.

Mrs. M. B. Flippen, Jr., and two sons, M. B., III, and Jim, ages 5 and 3 years, all of Orange, Texas, are guests in the home of her husband's parents, Mr. and Mrs. M. B. Flippen, Sr., of Ozona. Capt. Flippen, who practiced dentistry as a civilian in Orange, is now stationed in Seoul, Korea, as chief Dental Surgeon for Headquarters Special Troops Dispensary.

Looks BIGGER

You can believe your eyes when you see its size because the '52 Ford is actually a bigger car! Wheelbase is longer, front tread is wider and its modern-design body is really six people big.

Feels BIGGER

You can tell it's a big car when you drive it, for beneath Ford's brawny beauty, there's greater strength. New Ford bodies are sound and solid. Chassis has a more rugged K-bar frame.

Powers BIGGER

You know it's a big car when you step on the gas! New 101-hp high-compression Mileage Maker Six or the 110-hp high-compression Strato-Star V-8 give you "go" to rival the highest-priced cars. Automatic Power Pilot sees to gas-savings.

Ford's the BIGGEST package in the low-price field!

With all its big-car looks, big-car feel and big-car power, the '52 Ford is in the low-price field! And with new lower center of gravity, new diagonally mounted rear shock absorbers, and new tailored-to-weight front springs, Ford's exclusive Automatic Ride Control brings you a big-car ride. A "Test Drive" will convince you the '52 Ford is the big-car buy of the low-price field.

I EARNESTLY SOLICIT YOUR SUPPORT IN MY RACE FOR
County Commissioner
Precinct No. 1

Believing it to be the privilege of any qualified citizen to offer for public office, I have entered the race for County Commissioner of Precinct 1 and am taking the means of informing voters of my candidacy and soliciting their support in the July 26 primary.

It may not be possible for me to see all the voters, but I want to assure all that I will be grateful for their support.

I would like to serve as your Commissioner and feel that I am qualified to discharge the duties of the office. I have lived in Crockett county for more than 20 years and am familiar with the problems of the people of this area.

If you see fit to vote for me in the coming election, I pledge you my full attention to the job and my best efforts to serve to the best interests of the people of this precinct and the county as a whole.

Sincerely,

RALPH JONES

Candidate For Commissioner, Precinct No. 1

Electric Cooking
 Keeps Her Kitchen
Cool and Clean!

"Someday you'll
 Cook Electrically."
 Why not now?"

Electric
 Cooking is Fast,
 Safe, Thrifty...
 It's Matchless!

When summer temperatures soar—electric cooking can help keep your kitchen a cool, clean, pleasant place to work. Controlled electric heat goes directly into the food, not into the room—the oven, insulated on all six sides, cooks the food and not the cook. And there's no soot, smoke or fumes to smudge walls, pots and pans because only an electric range cooks with clean "sealed" heat that leaves no residue of any kind in your kitchen.

It's Modern,
 of Course—
 It's Electric

Miss Jo Lou Brewer Becomes Bride of James H. Chapman In Baptist Church Rites

Mr. and Mrs. James Hillman Chapman are on a trip to Monterey, Mexico, after their wedding Friday at the First Baptist Church of Ozona. The couple was married at 7 o'clock in the evening with the Rev. Clifton R. Tension officiating.

The bride is the former Miss Jo Lou Brewer, daughter of Mr. and Mrs. Daniel Jack Brewer of Ozona. She wore a gown of white imported organdy over taffeta. The molded bodice was tucked in a diagonal design and featured a bateau neckline of folds. The very bouffant skirt was ballerina length and tucked in section. She wore matching wrist-length mitts.

Her shoulder-length veil of imported illusion fell from a bandeau of tucked organdy. She carried a prayer book topped with an orchid. Mr. Brewer gave his daughter in marriage.

Maid of honor was Miss Sandra Brewer, sister of the bride. She wore a dress of blue organdy over taffeta of similar design to that worn by the bride. She carried a bouquet of daisies.

Best man was James Robert Bailey. Groomsmen were Joe B. Chapman and Jack Brewer, Jr., of Ozona. Candelighters for the ceremony were Jerry Beasley and Kent Chapman.

The church was decorated with candelabras, greenery and majestic daisies. Miss Kay Kirby sang two solos, "I Love You Truly" and "Always." Mrs. Ken Cody furnished organ accompaniment and played the traditional wedding marches. Soft music was played throughout the ceremony.

At the reception in the fellowship hall, Miss Wanda Watson

furnished music while Mrs. Eldred Roach, aunt of the bridegroom and Mrs. Jack Brewer, Jr., presided at the cake and bride's book respectively. An aunt of the bride, Mrs. Hartley Johnigan, had charge of the punch bowl. As the couple left on a wedding trip, Mrs. Chapman was wearing a Reich original dress of navy

blue crepe, with navy and white accessories and a white orchid corsage. The couple plans to return from Mexico in a week and will reside on the ranch south of Ozona.

Both the bride and bridegroom were graduated from Ozona High School. Mrs. Chapman also attended Texas Christian University. She was a member of Epsilon Sigma Alpha sorority of Ozona. Mr. Chapman served two years in the Armed Forces after graduation from

high school. Out-of-town guests included Mr. and Mrs. Howard Brewer and Ada Joe of Austin, Mr. and Mrs. Bill Chapman of Big Lake, Mr. and Mrs. Bill Foster of Midland, Mr. and Mrs. Jack Bond of San Angelo, Mr. and Mrs. E. L. Chapman of Langtry, and Mr. and Mrs. Dan Kidd of Artesia, N. M.

TRIM YOUR COSTS 3 WAYS WITH DODGE TRUCKS

"Dodge is by far the lowest cost to operate!"

... says JOHN S. SCOFIELD Scofield & Co., Freeport, Illinois

"We keep complete individual records of each of our trucks and have found that Dodge is by far the lowest cost to operate. In fact, our Dodge costs us 6 of a cent less per ton-mile to operate than our next closest truck! This difference must be the result of Dodge's many economy features."

"Furthermore, we've found that our Dodge 'Job-Rated' truck will haul a full load of sand or gravel up hills that several of our other trucks won't take. Our next truck will be a Dodge."

See us today for the best buy in low-cost transportation.

From where I sit... by Joe Marsh

Whitey Sure "Rang the Bell"

Telephone woke me out of a sound sleep last Friday about eleven-thirty. "This is Whitey Fisher out on River Road," says a voice. "I just wanted to tell you how much I like this week's Clarion."

"Thanks, Whitey," I told him. "But why in blazes call to tell me at this time of night?" "Simple," he says, "your paper boy just delivered it a short while ago. Been waiting for it all evening."

Next day, Buzzy Wilson tells me he delivered Whitey's paper late because he stayed for the school dance and thought it would be OK

to drop it off on his way home. From where I sit, I can't blame Whitey for his joke. He was just reminding me we owe other people the same respect we expect from them. Since I'm always talking about respecting the other fellow's rights—including his right to enjoy a glass of beer if he chooses, it was only fair that Whitey should "wake me up" to his right to get his copy of the Clarion on time. Thanks again, Whitey!

Authority of Border Patrol Under New Act Given Interpretation

Congress has clarified authority of the United States Border Patrol. Chief Inspector Charles E. Kirk received the clarification here. It said, in part, "During March, 1952, Congress passed Public Law No. 283 which is entitled 'An Act to Assist in preventing aliens from entering and remaining in the United States illegally.'"

Kirk, inspector of the Del Rio Sector, comprising approximately a third of the state, said arrangements are being made for the opening of all lands within the border area for regular patrolling by Border Patrol officers as required by law.

"Argyle R. Mackey, Commissioner of Immigration and Naturalization recently commented: "With the approval of this act it is now a felony, punishable by a fine of as much as \$2,000 and imprisonment not exceeding five years, to bring or attempt to bring into the United States aliens not inspected or not entitled to enter, or knowingly transport aliens who have recently entered illegally or willfully or knowingly to conceal harbor or shield from detection, any alien who has unlawfully entered the United States."

It is also a felony to encourage or induce the violation of the immigration laws by any such alien. The new legislation also clarifies the authority of immigration officers to enter upon private lands in border areas for Border Patrol purposes."

"A part of the amendment reads: 'Any person, including the owner, operator, pilot, master, commanding officer, agent or consignee of any means of transportation who brings into or lands in the United States by any means of transportation or otherwise or attempts by himself or through another to bring into or lands in the United States by any means of transportation or otherwise: knowing that he is in the United States in violation of law, and knowing or having reasonable grounds to believe that his last entry into the United States occurred less than three years prior thereto, transports, or moves or attempts to transport or move within the United States by means of transportation or otherwise in furtherance of such violation of law.' "Willfully or knowingly conceals harbors or shields from de-

tection or wilfully or knowingly encourages the entry of such aliens into the United States, shall be guilty of a felony and upon conviction shall be punished by a fine not exceeding \$2,000 or imprisonment for a term not exceeding five years or both."

"The Commissioner also stated 'Under Section 16 of the act as are authorized and empowered to board and search for aliens, any vessel, railway car, or any other conveyance in which they believe aliens are being brought into the United States. They are empowered to interrogate persons concerning their right to enter, re-enter, pass through or reside in the United States. The same statute provides for punishment by imprisonment for a term of not more than one year or by a fine of \$2,000 or both for any person who shall assault, resist, prevent, impede or interfere with any immigration official in the performance of his duty. If any person uses any deadly or dangerous weapon in resisting any officer in the performance of his duty the section provides he shall be deemed guilty of a felony and be punished by imprisonment for not more than 10 years."

Dr. Alice E. Wilmot left Sunday for Galveston where she is spending this week and studying in a special school of Plasmatic Therapy and drugless treatment for arthritis. Dr. Wilmot expects to be back in her office here by the end of this week.

Scotty Henderson, son of Mr. and Mrs. Dick Henderson, has been returned to his home after undergoing an appendectomy at the Ozona Hospital last week.

Jack Holt was treated at the hospital this week for a severe attack of asthma.

Mr. and Mrs. Aubrey Baker and daughters of San Sabe visited Mrs. Baker's parents, Mr. and Mrs. Hubert Baker, this past week-end.

Have you tried BUICK'S POWER STEERING?

HIGH-TAILING down a broad straight road, you have that same sure sense of command that has always put such a thrill into piloting a great performer.

You're the boss. Your hands tell you so. It's the feel that so many folks who love to drive have come to know and enjoy.

This year, you also have at your command the highest horsepower in Buick history—and an Airpower carburetor, with two barrels in reserve to deliver an extra spurt when needed.

You have the size, the silence, the

smoothness that make this ROADMASTER so distinguished among fine cars.

Where then, you ask, does Power Steering† come in?

When you want to get into—or out of—a tight spot at the curb, Power Steering takes over the extra effort of turning the wheels, and you can forget the two-ton-plus of automobile you're handling.

When you want to turn around in a narrow space—Power Steering lets you get the last inch of benefit from Buick's short turning radius, because it makes the maneuver so easy.

When one front wheel hits a bump, a

chuckhole, loose sand or dirt at the edge of a road—Power Steering takes up the jerk—makes control of the wheel easier and therefore safer.

Many folks who have tried it tell us that Power Steering has added almost as much to the pleasure of owning a Buick as Dynaflo Drive.

When would you like to try it?

Equipment, accessories, trim and models are subject to change without notice. †Optional at extra cost on Roadmaster only.

Here and There

By J. Troy Hickman
(Continued From Page One)

recruits into the fold. He is right again, but one feels sometimes that the old guard in the GOP would rather lose than let anyone outside their own circle help them to win. Referring to the Republican situation in Texas, Eisenhower declared that a small clique regard the party as their own personal possession and attempt to lock out anyone who does not bear the mark of their rubber stamp.

July 12 will be a day of destiny for the Grand Old Party in the United States. On the one hand they have a chance to put up a candidate who has the strength and honor to serve this country well. On the other hand, they have a chance to lapse back into the same selfishness which has brought them so many well-deserved rebukes and defeats in the past. Only God knows what they will do, for I am sure that they don't. If they go down again in defeat, this time it may be for good. And that would be a tragedy for them and for the country, because if we have another twenty years of unchallenged Democratic rule-by-corruption, we won't have any country left.

As a former Democrat who has never before voted any other ticket, I crave the chance this year to vote for a good man, even if he runs on a Republican ticket. If the race turns out to be Taft against some Democrat, I guess I

would hold my nose and vote for Taft — with my fingers crossed. Because it will take a few years for him to install as many crooks at Washington as Truman has, and the steal will let up for a few months, until the new gang gets organized.

But I would much prefer to have a chance to vote for a man who in World War II demonstrated in the invasion of Europe that he has superior ability and can work well with others, who by giving up his fat army pay to come home and make an honest race for office has shown that he has honor, who is not obligated to every politician in the United States for past favors, who is not a party man but a national man, who has a fresh and frank approach to our problems, and who would be an ideal commander-in-chief in the event that we get into a war with Russia.

Furthermore, believing as I do that spiritual and moral values such as integrity, truth, and honor, are even more important than political know-how, I think that in Ike Eisenhower the country would have a President who could and would restore a measure of public confidence in government, a confidence which has reached a pitiful low during the political circus of the last twenty years.

Ballot Readied —

(Continued from Page One)
Incumbent commissioner, Ira Car-

son. A three-way race developed for the Precinct 2 commission post. Incumbent Commissioner Charlie Black's name occupies the center position on the ballot with his opponent's Bud Coates at the top spot and Bill Miller in third position.

The other commissioner race is in Precinct 4 where Jake Young is opposing the incumbent, James Childress. Young drew first place on the ballot and Childress, the bottom spot.

Unopposed candidates for precinct and county offices in this county are Houston Smith for county judge, G. Dixon Mahon for county attorney, George Russell for county and district clerk, Jim Dudley for county treasurer, B. B. Ingham, Jr., for county commissioner Precinct 3, Bill Johnigan for justice of the peace, Precinct 1, Tom Smith for constable, Precinct 1, and A. O. Fields for county Democratic chairman.

Of interest to voters in this area are five district offices which are to be filled this year. Two candidates are seeking a place as associate justice of the Court of Civil Appeals at El Paso, Judge Henry Russell of Pecos and Judge Alan R. Fraser of Alpine. Congressman Ken Regan of Midland is unopposed this year in his bid for re-election as congressman from the 16th Texas district. Dorsey Hardeman, who drew a new and expanded district in the redistricting in Texas, is the area's candidate for State Senator from the 25th district. Joe Burkett, incumbent state Representative from the 78th district, is opposed for re-election by John P. Hill of Ingram. Hart Johnson of Fort Stockton, district attorney, is unopposed for re-election to that post

"Most-Wanted" of Them All!

It will probably occasion no surprise on your part to be told that the Cadillac car is the most wanted and sought-after automobile on the American highways.

But you might be surprised to learn how widespread the desire to own this great motor car has become during recent years.

Statistics indicate, for instance, that there are more than twenty million motorists in America who would like to call a Cadillac their own. And were the whole of the world's motorists to be considered, this number would grow well-nigh beyond comprehension.

There is reason to believe, in fact, that Cadillac may be wanted by more people than any other product manufactured in America today. It might well be called the great desideratum of the American people.

Naturally, a motor car has to offer many wonder-

ful things in order to occupy such a unique position in the hopes and aspirations of so many persons.

It has to offer great and distinguishing beauty... luxurious comfort... brilliant, masterful performance... and wonderful prestige.

And, of course, in order to have become the logical ambition of so many millions, it would have to be practical to own, as well as wonderful to drive. And so, it would also have to offer—*extraordinary economy!*

If this sounds like the description of the car that you, yourself, would like to own and drive, then come in and see us—soon.

Perhaps the time has come for you to join the hundreds of thousands of motorists who have stopped wanting a Cadillac—and started enjoying one!

We'd be happy to see you any time.
